

Prophecies, Messages and Visions of Maurice Sklar

Dr. Maurice Sklar's lifelong musical journey began at age four. Born in New Orleans, his exceptional musical ability took him to the Curtis Institute of Music (where he earned his Bachelor of Arts degree) and the renowned Juilliard School of Music. He answered the call of God to enter the ministry in May 1991. Since then he has performed and ministered throughout the United States, Canada, Europe, the former Soviet Union, Asia and Israel. In June 1997, Maurice was awarded a Doctorate of Ministry degree from Word of Truth Seminary in Huntsville, Alabama, for his pioneering work in returning classical music to the church and for his revival ministry in the Holy Spirit. In addition, he has served as Artist-in-Residence and instructor of violin and viola at Oral Roberts University in Tulsa, Oklahoma, since 1990. In addition to ministering as a psalmist who ushers in the Lord's presence at major meetings, Dr. Sklar ministers powerfully in churches and synagogues. There is a rich anointing on his ministry of the Word, with awesome demonstrations of the Holy Spirit in supernatural healing and miracles, words of knowledge, and prophetic ministry. Healed from depression himself, Maurice has a special level of faith for those who are tormented in the soulful realm of the mind, will, and emotions. As a result, many people are set free from all forms of oppression, depression, and related illnesses. A spirit of revival and restoration continually manifest in his meetings, and a tangible outpouring of God's glory accompanies his music on the violin. Dr. Sklar has appeared on Trinity Broadcasting Network's "Praise the Lord," "It's Supernatural" with Sid Roth, "TCT", Daystar, "CBN Asia" with Hugo Chan, "This Is Your Day with Benny Hinn," and "Richard Roberts Live!" programs. He is a frequent guest on "The 700 Club" with Pat Robertson, and recorded for the soundtrack of Kenneth Copeland's movie "Covenant Rider." Maurice has numerous other recordings which can be found at his eStore (info@mauricesklar.com, www.mauricesklar.com)

Visions from the Dallas, TX Revival (May-June, 1985)

Dear Friends,

These are the visions I received from the Holy Spirit during the Dallas, TX revival in the summer of 1985.

The Tree of Knowledge of Good and Evil

Over twenty years ago, I attended a revival meeting in Dallas, Texas and during that meeting in May - June of 1985 the Lord touched my life in a powerful way during several days while I was sitting in the Days Inn motel room. I had a visitation from the Holy Spirit that included visions about God's judgment upon America, the nations of the world, Babylon, the ministry of Elijah, and the preparation of the Bride of Our Messiah, Yeshua. I would like to share these now with the Body of Messiah, for God has finally released me to do so at this time.

In the first vision, I saw the earth from outer space. As I watched, I began to see what looked like neon lights began to appear in hexagon patterns. It started from the North American continent and then spread out to Europe and then around the world. The closest way I can describe it is that it looked like white laser lights that were traced in approximately 100 mile-wide hexagon patterns around the entire earth like an electronic or laser spider web. When the lights finally stopped tracing around the earth, it looked like the earth was wrapped in an electronic grid like a geodesic dome, similar to the white globe that is at the Epcot Center in Disneyworld, only it was not solid. You could see the earth underneath it, with its' blue oceans and clouds and atmosphere.

The Lord then said to me, "This is what is shortly to take place. There is an electronic web that will encircle the earth like this. It will unite the whole world under the antichrist system of the end-time Babylon. At first it will bring great blessings and prosperity. It will seem like everyone is coming together and a new age is dawning for mankind." I looked again, and I saw the

earth from space with this electronic web around it once more. But then, I saw the continent of Europe. The hexagons from each nation began to grow dark and became opaque. It looked like black smoke rose up and one after another, each hexagon began to go smoky gray and then black. After a few seconds, I could no longer see Europe at all. Then this began to spread rapidly across into Asia, and Africa. Finally, Australia, China and even America were completely blotted out. I could only see the oceans. Then the islands of the seas became black. Finally, the entire earth was in darkness – even the blue oceans disappeared. I felt such evil and hopelessness. I heard the cries of millions of souls on earth that were trapped in darkness.

Then the Lord spoke again and said, "Do you see this? Do you know what this is?" I replied, "No, Lord." He said, "This is the fullness of the tree of knowledge of good and evil. This is what Adam chose for all of mankind in the Garden of Eden instead of union and life with Me. They could have had eaten from the tree of life instead, and this never would have happened."

I was so confused. I really didn't understand at the time. You have to remember, the "world wide web" of the internet was just in its' infancy back in 1985. Only a few thousand computer geeks were "online". I couldn't imagine the world as it is now back then. The PC had just started to enter into the private sector. Of course, now, looking back, I understand this vision perfectly. God told Daniel that in the last days knowledge would increase exponentially and many would travel back and forth as never before in the history of mankind. If there is one thing that marks our generation now, it would be these two things. Worldwide travel has never been faster or easier and the knowledge of mankind is doubling every few weeks. Like a snowball going down a mountain and getting bigger and bigger as it travels faster and faster, knowledge is exploding like never before. What knowledge? The knowledge of both good and

evil with its branches going everywhere. We cannot escape from it.

The Vision of the Six Babylons

In the second vision, I saw America from the outer atmosphere. In a spectacular panorama, I saw America in a glorious sweep from coast to coast and from north to south. I felt like I was flying at supersonic speed like a rocket or a missile just several hundred feet above ground. It was so majestic and beautiful! I saw the big major cities of the east coast with their tall sky scrapers, the mid-west with its' miles of lush farm land, crossing the mighty Mississippi, and then the great plains and the prairie lands of the west, followed by the awesome Grand Canyon, the majestic mountains of the Rockies, all the way to the west coast, the Golden Gate bridge, followed by a sweep of southern CA, and then to the Pacific ocean all the way from Alaska to Hawaii. Then, suddenly, I saw fire begin to hit in small pockets and different cities, almost like one of those cold-war nuclear war arcade games that came out years ago. That's the way it looked to me as I watched. Then I saw more and more explosions. It got bigger and bigger, and then big giant explosions began to happen all at once. They all went up in mushroom clouds. For what seemed like an eternity, although I knew it was only a few minutes in the vision, I couldn't see anything but these clouds of dark smoke. Then it finally cleared. I was stunned at what I saw! The entire land of the United States of America was burnt and charred. From one end to the other, there was not one green thing growing. It looked like black, charred, and burnt ruins from sea to shining sea. It was totally wiped out!

The Lord then said to me, "This is the end of Babylon. She shall be utterly consumed with fire."

I said to the Lord, "Surely, this can't be America. Why will you allow such a thing?" He said, "This shall be the end of all nations that forsake Me for the idols of Babylon. They shall be utterly burned with fire. They shall never be rebuilt again. Only in the time of My kingdom shall the nations be restored and then I shall create a new heavens and a new earth wherein dwells righteousness. When the time is right, I will allow you to release these visions to warn My people to flee from the wrath to come."

"My son, there are six different Babylons in the scriptures. (Note: See my teaching "The Wine of Babylon") If you do not accurately discern which I am speaking of, you will not understand what I revealed to the prophets. There are three literal, historic Babylons and there are three prophetic end time Babylons. Like King Nebuchadnezzar's vision of the tree that covers the earth, so shall the entire earth be seduced by evil and deception under Satan's power before My kingdom is established upon the earth.

The first Babylon is the city that was built and the first tower was erected in the book of Genesis in that ancient city in the plain of Shinar. I judged it and scattered the people by creating many new languages on the face of the earth. This is the destruction of the tower of Babel.

The second Babylon is the ancient kingdom of Nebuchadnezzar where My people Israel were first sent into exile. It too was

destroyed and will never be rebuilt again, though some have tried.

The third Babylon is the geographic region of modern day Iraq/Iran/Persia. The day will come soon when it too will be completely destroyed by fire and never rebuilt again.

The fourth Babylon is rising now. I also call it the Kingdom of Tyre by My prophets in the ancient world. It is the end-time worldwide economic system that will enslave the world through commerce, trade, and unjust usury (interest). Money is the God that is chosen instead of Me and shall enslave all that will not bow their knee at My cross and surrender all for My Lordship and My kingdom.

The fifth Babylon is called "Mystery Babylon". It is the deception of all false religions that will ultimately ensnare all under the spirit of antichrist who forsake Me. The foundations of Mystery Babylon started in the ancient pagan world, but the foundation built in the church age comes out of the replacement theology of the Roman church. It is ultimately the knowledge of the spiritual GOOD in man that shall be the ultimate deception. Man's good works apart from Me shall never pay the price of the redemption of a soul. Only My blood can do that.

The sixth Babylon is found in the wealthy nations of the last days that forsake Me and turn to idols. It is all the geographic regions of those that are made rich through the economic system of these times. They are found in the islands of the sea, in the havens of great wealth and nations where these resources are stored. When My people are finally removed from these nations and islands, my judgment of fire shall consume them. Do not think that America shall be spared, for she has turned away from Me.

A part of this sixth Babylon is a city. It is described in the book of Revelation as the worldwide center for finances, trade, commerce, art, music and every fine and desirable thing of mankind. It is the new covenant city of Tyre. Mammon is its' God. Satan's economic throne is there. His pagan throne of human sacrifice is found in Calcutta, India. His false religious throne is built upon the seven hills of the Vatican in Rome. But the great city Babylon is New York City. Its god is money and riches. It shall be destroyed in one hour after My people – both Jewish and in the church - shall be removed out of her. What city is like THIS city? It also shall be burned with fire and never be rebuilt again. America will also be completely destroyed by fire, if it does not repent and turn back to Me, as I showed you in this vision

Visions of the End Time Ministry of Elijah

Then I saw a vision of the prophet Elijah. I saw his whole ministry flash in front of Me like a very fast film. Then I saw him anoint Elisha with a double portion and I watched all the miracles take place in Elisha's ministry. Then suddenly, also in a very fast panoramic way, I saw John the Baptist's ministry and heard his bold preaching in the wilderness. Then I saw Yeshua come to him and receive the miracle mantle from John the Baptist when the Holy Spirit came upon Him. Then I saw a very quick succession of those from the early church that carried this same mantle, only much smaller. I saw miracle ministries of many "saints" and holy men and women in the middle ages. I

saw revival fires start first in Italy and then in France. Then they started in England, followed by Eastern Europe and then I saw all of Germany lit from north to south with many fires during Luther's reformation. This then swept throughout all of Europe and then was carried by ship into many nations. Then America was lit with this same glorious fire and blazed brightly for some time. Then I saw what I knew to be the Pentecostal outpouring and it hit in California and quickly spread throughout the world. Then I heard a voice say, "This is the beginning of the latter rain that shall bring in the harvest of the nations. It shall last one hundred years. My glory shall cover the earth like the waters cover the sea. Many shall taste and see that I am good. They shall know My grace and blessings."

Then suddenly, I saw one man with grey hair and a beard. He was on a ship going from England to America. I saw an angel come with a huge mantle and it came upon his shoulders. I heard a voice saying, "This is the mantle of Elijah for the harvest of the nations." Then I saw this man preaching in the mid-west in America in a large city and then in a smaller city. Miracles and healings burst forth from him. Then I heard him say, "The Lord has told me that I am Elijah to come". After that, I saw a darkness overtake this man and soon that glorious light that was in him went out. Then I saw two angels come and remove that huge mantle and robe off of this man.

Then I saw a man on his knees crying out in despair. He was poor and was freezing in a little house and it was snowing like a blizzard outside. His wood stove finally went out and he huddled under a blanket trying to keep warm. Then I saw this same man standing at a grave site where I somehow knew that his wife and children were buried. He was crying until he couldn't cry anymore. Then I saw that same man get up and start to preach in what looked like a small country church that was red brick. Then I saw him kneeling again in prayer in front of a large oak tree praying and he said, "Lord I give you my life. Do whatever you want with me." Then I saw two angels come with that same huge mantle that was on that other man with the long cape. I knew that it was this same mantle of Elijah. They put it on him and he wept and wept. One of the angels said, "I will stay with him so that he can carry this. It is too heavy for him alone." Then I saw this man suddenly light up like a flare and burn so brightly that wherever he went from then on throughout the earth, revival started everywhere. It came out of his mouth and just set everyone on fire. Then I saw this man one day say, "The Lord has told me that I am Elijah to come. I must now teach all that I know." He opened his bible and as he did, I saw a snake rise up out of it. It looked like a green cobra. It began to speak instead of him. At first, it only appeared for a little while and would disappear. But then, it grew larger and larger and coiled around him. I could no longer see the blazing flare-like torch that he carried. I couldn't even see the beautiful mantle on him. The angel could no longer stay, so another angel appeared and they lifted that mantle off of him and ascended into the sky.

Then I saw that electronic web again covering the earth like in the first vision. I heard a voice say, "Who will go for me to prepare the way for My coming?" Then I saw a number of young men and women who began to cry out in prayer. Then I saw hundreds of angels coming to the earth with mantles very similar to the one on the two men. They began to multiply until there were thousands of men and women clothed with these.

They were lit up like small stars, they shone so brightly. Then I saw the earth begin to light up wherever they went like a Christmas tree.

Then I heard a voice say, "I will send you Elijah the prophet before the coming of the great and terrible day of the Lord. This is the fullness of the prophet's ministry for the last days. It shall surely come."

Then I saw a refining fire begin in both the church, in the Jewish people and in the nation of Israel. I saw a bride coming down the center of a church and I heard a voice say, "My bride has made herself ready. I am now coming for her to take her away. Come away, By Beloved." Then I saw the earth again and I saw these same mantles falling back into the earth being carried by hundreds and thousands of angels. They fell upon many Jewish people and I saw them going forth and prophesying very boldly. Fire came out of their mouths and then I saw terrible destruction, plagues and earthquakes and famines and even more nuclear bombs going off. I saw the sun grow red from the pollution and radiation from the atmosphere. Then I saw all the mantles converging upon the nation of Israel from every corner of the earth. Suddenly they all came together in Jerusalem and came back into that same huge mantle that was there at the first.

I then saw a fiery red chariot come into the earth and descend upon Jerusalem. Elijah got out of it and I heard his booming voice say, "Prepare to meet thy God O earth, earth, earth! Woe unto you, for destruction is come upon you." As he was saying this, that mantle came back upon him and he stood under it once again as he had done in the Bible. Everywhere he turned, fire came out of his mouth and destroyed the earth in twelve directions as it went through the twelve gates and out into the world. Then after this, I heard him say, "I am now finished with the work that I was ordained to do. Take me home, O Lord of hosts!" Then he was suddenly killed and fell down on the ground, where he remained for three days as the whole world watched in glee and awe. Then, he suddenly came to life again and stood up on his feet, and that fiery chariot came and he got into it and ascended into the sky.

I did not know the bible as well in those days as I do now. I was very confused about these visions and they were very troubling to me. But the Lord said to me, "This shall be sealed into your spirit until the appointed time. Then you shall release its message for all who will hear. Some will hear, many will not. You will be a part of many hundreds of prophets that I have set apart for the final hour to prepare the way for My coming. Those that have ears to hear will receive and My Bride will surely make herself ready. She must receive the refining fire of Elijah and her beautiful garments. She shall be without spot or wrinkle and be adorned with her wedding garments and glorious jewels from heaven. For her wedding day is soon upon her."

Then I saw an old fashioned oil lamp that was lit with a flame coming out of the top of it. Then it suddenly became ten lamps that were lined up side by side. The five on the left of me suddenly started to flicker. The flame got smaller and smaller until finally it just fizzled and went out. But the lamps on the other side were fed by a lampstand that they were connected to that was previously hid in the darkness. They just burned brighter and brighter until finally I heard these words, "Come up

here and escape the wrath to come, for you are found worthy. Behold, the bridegroom comes!" Then they all disappeared.

The Lord then said to me, "Half of those that say they know me in the time of the end are liars. They have never been lit with the fire from heaven. They are burning with the strange fires of Mystery Babylon. They only pretend to know Me. Their lamp shall be put out in outer darkness and there shall be weeping and gnashing of teeth. But those who are Mine shall shine forever and burn with the brightness of my glory as the stars. For they are lit from My throne and fed with my oil and shall never go out. These are My precious ones – My glorious Bride who shall always be true and faithful to Me. It is for her that I died and rose again. It is for her that I am returning in the midnight hour. Tell her that I have not forgotten her! She is My beloved and I am hers! I love her with an everlasting love. I shall surely catch

her up to My throne where she will rule and reign with Me in glory forever and ever at My right hand. Amen."

This is the account of the visions and visitation that I received in Dallas, Texas in the revival meetings during May and June of 1985, as best as I could write it. It is only now that I can share the fullness of those experiences because I have been released to do so by the Holy Spirit. May He add His blessing and anointing of fire to these words.

May you be found among His faithful, wise virgins when He appears in the midnight hour. May your lamp be shining brightly, being lit with the oil of the double portion of Elijah.

Shalom and God bless you now, Beloved!

Maurice Sklar

The Preparation Of The Bride, Nov. 24, 2005

Dear Friends,

During the past few weeks the Lord has led me to intercede for the nations. The world has experienced numerous disasters and tragedies and continues to do so. There is no question that we are living in the final days before the return of our Messiah, Jesus. This prophecy was given to me a few weeks ago, and I was reluctant to release it because it is so strong. But the Lord has compelled me to do so. I want to say emphatically that I believe that it is conditional. If we will pray and intercede, perhaps, many of these calamities can be averted and/or postponed.

I pray that as you read this, that you will keep an open mind and receive the main message: We must be ready for the Lord's return. We must return to our first love and live a pure and consecrated life if we are to be pleasing to Him when He appears.

May the Lord purify our hearts so we can be a part of His wonderful and beautiful Bride!

Amen.

"And to the angel of the church of the Laodiceans write... I know thy works, that thou art neither cold nor hot: I would thou wert cold or hot. So then, because thou art lukewarm, and neither cold nor hot, I will spew (vomit) thee out of my mouth. Because thou sayest, I am rich, and increased with goods, and have need of nothing; and knowest not that thou art wretched, and miserable, and poor, and blind, and naked: I counsel thee to buy of me gold tried in the fire, that thou mayest be rich; and white raiment that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eye-salve, that thou mayest see. As many as I love, I rebuke and chasten: be zealous therefore, and repent. Behold, I stand at the door and knock: if any man hear my voice, and open the door, I will come in to him, and will sup with him, and he with me. To him that overcometh will I grant to sit with me in my throne, even as I also overcame, and am set down with my Father in his throne. He that hath ears to

hear, let him hear what the Spirit saith unto the churches." (Revelation 3:14-22)

As I was reading and meditating on this scripture, the Lord said to me:

"I am sending my refining fire into the church. I am separating My bride from the Laodicean church of today. I am preparing her. I am purifying her. She will be without spot and without blemish. I will return for her in the midnight hour. Only those that are watching and praying; only those who are embracing the message of the cross and holiness; only those that walk in the power of My spirit in moment by moment obedience; only those who are overcomers will be a part of My bride.

Most of those in the church will not be ready for Me when I come for My bride. Many think they are saved, but they are not at all. They are serving pleasures, lusts, and are in love with themselves. They are consumed with this present world and its' selfish ways. They are in love with money, success, and covet fame, position and power. They do not want to deny themselves, take up their cross and follow Me. They refuse to forsake all. Therefore, they will not be ready and will be left behind to face the great judgments that are about to come upon the world. Warn those that are lukewarm and have left their first love for Me, that if they do not repent, I will vomit them from My body.

I am preparing My bride. This is her hour of glory! I am purifying her. I am adorning her with My crowns and My jewels and My beautiful gowns. She shall be without spot or blemish. She will be dressed in My robes of righteousness – pure, clean and white. Who will come to Me and buy from Me what they so desperately need? It still is not too late. Repent, and return to Me with all of your hearts, so that you do not perish with this evil world.

I am sending a mighty army from mainland China along the old silk trade routes and into the unreached nations that have been called the 10/40 window. When they finally reach Jerusalem, THEN KNOW that the wedding day is upon you.

Look up, for your redemption draweth nigh. I will then come in the clouds and meet you in the air! But, the remaining nations must still hear my gospel of grace. This will be the final and greatest harvest that the world has ever seen.

Many hundreds of millions are waiting to hear the good news in China, in India, and in the other Buddhist and Muslim dominated regions of Asia, the near east and the middle east, as well as the poorest of nations in Africa and central and South America, as well as the hundreds of islands in the oceans of the earth. I am shifting my focus to them. But you, O church of America and the West have prostituted yourself at every opportunity before every high place and idol shrine. You have substituted religion for My Presence. You shall surely perish when the fullness of My wrath comes upon Babylon. You shall be utterly burned with fire. You have heard and received the fullness of My love and grace, America. Still, you spit in My face and harden your hearts and refuse to turn back to Me.

Europe, you rejected Me and threw Me out. For hundreds of years you provoked Me to wrath. You despised My people Israel and slaughtered them in a rage that reached to heaven after robbing the Jewish people and throwing them out of nation after nation. You did this all in My Name!! How can you escape the wrath to come?! You cannot. Therefore, you shall receive and drink the fullness of My cup of wrath. Prepare to meet your God, O Europe! Europe, you shall receive the King that you desire to worship instead of Me. He is soon to come forth. When you receive his mark, you will be eternally damned.

O Babylon, You drove My people from their homes in Gaza, and then started upon Judea and Samaria in Israel.

Therefore, I will drive you from your homes in direct proportion, of 10,000 to 1, as you have seen in New Orleans, Louisiana, and the Gulf Coast. There will follow two more judgments – one in a major city of Europe and one in the Arab nations in the Middle East before the end of this year.

I will shake California in a warning, and then there shall finally come the earthquake that I have mercifully withheld for so many years. Millions shall perish in the ensuing floods and the west coast of America shall be removed and fall into the ocean. Boston shall experience a major attack upon a great school that once preached My gospel in ages past but has left the faith of their fathers – never to return again. It will never be rebuilt again. There shall be 5 terrorist attacks that will hit America in ever increasing destruction upon the major cities. A nuclear "dirty bomb" will blow up in a major city in the south of America.

New York City will receive 3 major judgments before the end of 2008. Each one will be more devastating than the last. One will shake the entire financial world and cripple the once invincible financial power of America. Millions will lose everything in a moment. It will make the crash of the stock market in 1929 look like a little thing in comparison. America will no longer be the financial leader of the world. Another judgment will destroy a major stadium during a sports event. Yet another explosion will destroy nearly an entire Borough of New York. But for the sake of the Jewish people in New York, I will supernaturally spare them. After this, I will cause the

largest Aliyah (return) of My people (the Jewish people) from New York (and other regions throughout the developed world to Israel) in all of history. But only after the entire financial system that they are dependent on collapses will they all return to the land that I have promised them.

Tokyo, Japan. Hong Kong, China. Johannesburg, South Africa.

Calcutta, India. Sidney, Australia. Chicago, Illinois. Los Angeles, California. Paris, France and many other cities will experience major catastrophes in the next five years. Millions upon millions will perish. The AIDS epidemic will devastate the population in Africa to half of its' present size in the next 4 years. Many other incurable diseases, famine, drought and starvation will soon devastate the under-developed nations of the world in a way that has never occurred before. North Korea will launch a sudden nuclear attack and then be completely destroyed. Only the prayers of South Korea can stop it. Pakistan will become a leading center for world terrorism and will experience a nuclear attack, also.

Israel is soon to once again send their planes and blow up the nuclear "plants" of Iran. Syria will soon collapse economically and be replaced by a fanatical Islamic government. A major coordinated Al Qaeda terrorist attack will blow up many historic places in Europe that were once bastions of true Christian faith, worship, art and music. If America does not stand up now and defend Israel instead of forcing Israel from their land, we will continue to face the devastating consequences here. At the rate of 10,000 to 1, we will continue to face destruction of our homes and communities. For every Jewish soul that is touched – I will require 10,000 souls in America to account for it.

This is but a fraction of what is soon to come if there is not repentance and turning back to Me.

I will shake all the nations, and then after each disaster, I will pour out My grace and bring in a mighty harvest of souls for My kingdom. As birth contractions happen with a pregnant woman, so will these events happen ever faster and greater. Each one will be more devastating than the last one, and each one will come closer and closer together. Haven't I said exactly this in My Word? Each disaster will judge and smash an idol that is worshipped by the world system of Babylon. I will then show Myself as the one true God over them all.

I will judge Hollywood and the entire movie industry for the millions upon millions of souls that they seduced and sent to hell. I will judge the news media and the television industry. I will judge the music industry. I will overturn the whole music industry in such a way that they can never pollute the world ever again. I will judge the Internet pornography industry. Whole Internet computer systems will be permanently shut down. I will judge the abortionists and their supporters. I will judge and reverse the Supreme Court. For a short time they shall change the laws to fear and honor Me.

There is coming a revival of morality and religion in America as a result of these calamities, but it will be a false one for the most part. God will become popular in the culture, but not the Bible and My name (Jesus). It will be a false gospel message. Not many will truly be born again. Only a remnant in

My church will truly stay in right relationship to Me. When you see me take Billy Graham and Oral Roberts home, you will know that America and the West have received their last call. As I said in My Word, unless the Father would shorten these days, even the elect would not be saved.

The deception of "Christian religion" will grow so great, that it will be nearly impossible to recognize the true prophets and teachers from the false ones. Counterfeit miracles and false "signs and wonders" will come and deceive many.

Churches will preach a "success and personal achievement" gospel. Even false healing meetings will come and actually produce real miracles, but they will not bring the people to Me. The preaching of My supreme Lordship, the cross, My blood, holiness, and the fear of the Lord will become more and more rare, even more than it has become during the last 35 years.

Nevertheless, I have supernaturally preserved and kept My bride pure and faithful to Me. I will continue to do so.

Most of My bride is in mainland China now. Many are in Asia, and Korea and India and Brazil and Russia and Kenya and Nigeria and throughout Africa. Most of My bride is hidden away in their prayer closets and have been persecuted and driven out of the churches by abusive pastors and false prophets, ministry leaders, and oppressive government leaders. Many are in prison. Some are daily dying of starvation and disease. Most of My bride has been beaten and left by the side of the road by the religious 'wolves in sheep's clothing'. They have been forgotten by the blinding greed of those hoarding their money and riches. Only the Good Samaritans can even spot them and see them. The rest are blinded. Only a few really love My bride the way that I do.

My bride is being purified through the fire of many trials of afflictions and persecutions at this present hour. Those that walk in My love and embrace the cross are being separated and persecuted by the Laodicean church. Those that are truly anointed and bringing the pure Word from My throne are being thrown out of the pulpits of the land and off of 'Christian Television' in favor of the confession of the Laodicean church: 'I am rich, I am increased with goods and have need of nothing.

I am healed. I am blessed.' Really? Are you? It doesn't look that way from My throne in heaven!

Beware of any teaching that is selfish and appeals to your lusts

and feeds the love of money in your lives. THAT teaching does not come from heaven. That is not My voice. My blessings come through seeking first the Kingdom and My righteousness, not from heaping riches upon yourself while the rest of the world starves to death and dies and goes to hell because of your selfishness and greed. You will see when you stand before Me what the TRUE RICHES are. The souls of the lost are the jewels in the crown of My bride.

My worshippers and musicians, artists and those that carry special anointings have been almost systematically removed from ministries and church leaders in favor of what is popular and can bring in the most money and please the people. This is an abomination in My sight.

Watch and pray that you may be accounted worthy to escape the things that are coming upon this earth. Receive My grace through the refining fire of the Holy Spirit so that you can be a part of that beautiful lady and bride. I am preparing her! It still isn't too late! Join with her and take up your cross and deny yourselves and follow Me.

That is how to be TRULY blessed and healed and delivered and fulfilled in life! That is the only way that My gift of eternal life can shine into the darkness of the world around you"

1Corinthians 6:17-18, 7:1"Wherefore come out from among them, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you, and will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty having therefore these promises, dearly beloved, let us cleanse ourselves from all filthiness of the flesh and spirit, perfecting holiness in the fear of God."

Revelation 18:4"And I heard another voice from heaven, saying, Come out of her (Babylon), my people, that ye be not partakers of her sins, and that ye receive not of her plagues."

The Endtime Mantle Of Elijah, May 11 2006

1Kings 18:21, 38, 39, 41 Then came Elijah unto all the people, and said, How long halt ye between two opinions: if the LORD be God, follow Him: but if Baal, then follow him... Then the fire of the LORD fell...And when all the people saw it, they fell on their faces: and they said, the LORD, He is the God; the LORD, He is the God...And Elijah said...get thee up, eat and drink; for there is a sound of abundance of rain.

We are now entering into an awesome time in God's prophetic timetable. The LORD [Jehovah] is about to do what the church has failed to do: fulfill the Great Commission of Yeshua the Messiah. In the past two thousand years, we have failed to bring the gospel to every tongue, tribe, people, and nation. But God never fails! He is bringing in the harvest by the power of His

glory that is beginning to cover the earth as the waters cover the seas.

What many do not understand is that we are now in a transition period between the end of the church age and the beginning of the Messianic age. Time itself has nearly run out. Just as every great symphony (not to mention fireworks show) has a "Grand Finale", so the LORD shall bring in this final surge of harvest in a victorious and triumphant display before both the righteous and the wicked of the earth.

The deception of the wine of Babylon (See The Wine of Babylon) has cause many millions of souls to be in a spiritually drunken stupor throughout the earth. They are blinded to their great spiritual poverty and the depravity of their souls. They do

not realize that they are on the brink of falling into the eternal damnation of the fires and darkness of hell. I just returned from a tour of ministry in Japan. As I was driven through the massive cities of Tokyo, Osaka, Kobe, Sapporo, and others, I could hear their desperate cries for help in the Spirit. With less than 1% of believers in Yeshua in Japan, millions are perishing and don't even have a clue. I could say this about almost all of the countries that I have visited. I would despair if I did not know that somehow, God will bring in the harvest by His sovereign grace, in spite of our failure to win these nations as yet.

As I asked the Holy Spirit about this, He began to say to me:

"I am getting ready to do something in this earth that will cause many millions to awaken to repentance. I am now releasing the mantles of the ministry of Elijah into the earth. I have prepared many thousands of Endtime prophets and have hid them away in obscure places. I have sent My refining fire upon them to prepare them for this final hour. I am getting ready to judge My church in a way that it has not experienced since the time of Peter in the book of Acts. I will completely purge my threshing floor. Some will fall down dead while preaching their Sunday morning sermons. I have already begun to expose and remove those that are false prophets, teachers, and pastors. I have brought My bride into the wilderness to purify her. I am causing a divine separation by My fire of My people from the Laodicean church of this hour. Darkness is growing throughout the earth and even America cannot escape it.

There is a new generation of prophets about to emerge. They will operate in the miraculous to such an extent that they will confound the unbelieving and smash the idols of this modern age. They will release both supernatural blessings upon My bride as well as unleashing my judgment upon the earth. No one will be able to ignore them. They will emerge both from the church and out of the remnant of faithful, believing Jews. I have begun already to release the mantles of the Endtime ministry of Elijah for the church age.

There has been a counterfeit movement of teaching on angels and then abuse of true prophetic ministry during the past ten years. Satan has done his best to counterfeit My operations through witchcraft, false religions including humanism, and a false gospel of salvation: but without repentance, My Lordship, or the power of My blood. The church in America loves books that paint Me in their image.

There is a feel-good gospel of psychology that promotes the doctrine of Laodicea. They have cast My book aside. They have translated My Word into language that removes My fear, My holiness, and the power of My holy Name and My Blood. They have watered down My Word until it has become without the fire that can purify them any longer. Many thousands that once walked with Me are excusing open sin and rebellion in their lives. Many are on the verge of falling away to the enemy. Most that profess My name and call Me Lord are serving their own lusts and pleasures instead of Me.

Many are saying, "God won't judge us. We are in grace now." But they do not know that they have stepped out of the very holiness that accesses My grace. Without holiness no one will see God. That is what My Word proclaims. I am not only a God of love, I am also a God of fire! I am a consuming fire!

It is now the hour and time that I will cause My Endtime Elijah prophets to emerge and to come forth. These mantles will bring judgment, separation, healing, miracles, and supernatural provision into the church and into the earth. I have rained upon this earth during the past 100 years since Azusa Street. Now I will release the fire from heaven! It will purify My bride. It will judge the earth. I am about to shake the nations in such a way that they will fall to their knees before Me. I am destroying the networks of witchcraft that have held back this fire from heaven. I will repay upon the wicked all the blood that cries out against them because of their sin and rebellion against Me.

These are the supernatural aspects to the mantle of Elijah:

1. Withholding of rain and abundance of rain: both in the natural and in the Spirit. This has already begun in only a small measure. Some places will receive massive flooding, while in others, drought and famine.

2. Calling down of fire: both in the natural and in the Spirit. This has also begun in the natural, but only in a small scale. Fires shall sweep not only countryside's, but in cities there shall be fires that cannot be put out until they have finished their purpose for burning. In the end, this fire shall destroy entire nations through nuclear warfare. In the Spirit, My holy fire shall sweep into churches and separate the true believers from the false ones. The same fire that purifies My Endtime bride will judge the wicked of this earth. I will consume the strange fires of Mystery Babylon in My furnace of affliction throughout the earth. My fire shall judge the fortune-telling false prophets who have been eating and drinking at Jezebel's table.

3. I will cause great and strong winds that tear even the mountains apart. I will cause earthquakes that shake the nations to their knees as well as the fires that I mentioned above (1 Kings 19:11-12). But I will not speak until after these calamities take place. Then, the nations that ignored My voice before shall hear My still, small voice and many shall repent.

4. My people shall wrap themselves in the mantle of My protection and provision in this final hour. (1 Kings 19:13). I shall hide My people in many havens of protection. I shall supernaturally multiply resources and the provisions of My people. Even in the times of famine, they shall eat and have plenty. I shall bring forth many places of refuge and shelters, which I have hidden for this hour. I will wrap My bride in the mantle of My anointing in this final hour and lead them safely through. My Endtime Elijah's will safely guide the faithful through these calamities.

5. I will release the ministry of creative miracles and the raising of the dead. No disease shall be able to stand in the presence of My last-day prophets. I will cause such a display of My supernatural healing power in revival meetings that the major news networks shall broadcast 'live' as limbs grow out, the dead are raised, deformed children, the incurably insane and 'water-head' babies are instantly healed. People shall fly in from around the world bringing the incurable and deformed and I will heal them ALL - just as I did in My earthly ministry. My end-time Elijah prophets shall enter into hospitals and empty them. Every one shall be healed. Even the insane and mentally ill shall be cured. Mental hospitals shall be shut down and never reopened.

6. I will give supernatural wisdom and prophetic guidance to My people so that they can be led safely through if they will listen. I will do nothing in the earth until I reveal it to My prophets but you must discern the true voice of My Spirit from the counterfeit of the enemy.

With every judgment, I will release more of My glory and miracle power into the earth from heaven. It will be progressive. With each wave of judgment, there will come an outpouring of My mercy and grace that will act as a sickle to harvest more of the earth. Then the nations will hear the truth of My gospel message and many will turn to Me and be saved. I will, in My wrath, remember mercy, as it is written.

Many are saying to me now, even in the church, "Look how good it is. I have lots of money, a big house, luxury cars, a great job, a perfect family and fine health. What do I have to worry about? I'm going to go on long vacations, play golf, and sit in my hot tub. Why should I waste my time praying and seeking God? I'm set for life." And so they eat, drink and pursue their ever-increasing lusts and pleasures. They are in for a rude awakening. When financial distress and calamity hits and the stock market suddenly falls, they will perish with it. For their hearts love money, pleasures and their idols more than Me. Woe to them, says the Spirit.

A Recent Vision About William Branham, November 20, 2008

My dear brothers and sisters:

God bless you and fill you with peace in spite of your circumstances!

Times have changed for sure! Perilous times have come.

I wrote this in the mountains outside of Asheville, N.C. where I was visiting my father who was in the hospital at this time. He is doing a whole lot better. He has finally been released to go home. He is almost 100%. I want to thank everyone for their prayers and intercession while he was in the hospital. It was truly a miracle from God that he is back to his old self.

The leaves had all changed and it is a breathtaking view, for sure! It seems so surreal, in contrast to all the upheavals going on throughout the earth. This is just the beginning. Far more shakings are coming.

I have been having some amazing prophetic experiences. I don't know what else to call them. They are like visions but I can function in both worlds, so to speak. I used to have these only seldom, but now they seem to come more and more often, especially since we have entered into the New Year on the Jewish calendar.

I am released to this one with you, so here goes:

Fishing With William Branham

In late August, we were driving my daughter, Rebekah, up to start her freshman year of college. It was about a six hour drive

Destruction shall come upon them suddenly. (see James 5:1-8)

But those that have set their hearts on Me, I will take care of them supernaturally. They shall eat when there are no more trucks carrying food into the cities. The poor of My people shall eat and be satisfied as I perform My miracles for them before the eyes of the world with My Endtime prophets. Miracle anointings shall come upon them to such a degree that everyone they pray for will be instantly healed.

I will even use those that don't know me in this supernatural way, but they shall be destroyed by the fire coming out of My true prophets in the end. Moses' rod will swallow up the rods of the false prophets of Baal in the final hour. They shall surely perish in the destruction of Babylon. Amen."

"For, behold, the day cometh, that shall burn as an oven; and all the proud, yea, and all that do wickedly, shall be stubble: and the day that cometh shall burn them up, saith the LORD of hosts, that it shall leave them neither root nor branch, But unto you that fear My name shall the Sun of righteousness arise with healing in his wings; and ye shall go forth, and grow up as calves of the stall. And ye shall tread down the wicked; for they shall be ashes under the soles of your feet in the day that I shall do this saith the LORD of hosts." (Malachi 4:1-3)

from our home to the San Francisco/Oakland area north of us. About halfway up on the highway, the Holy Spirit came upon me like Ezekiel talks about as "the hand of the Lord". I have learned from experience that this was important, so I waited on the Lord. I felt like a heavy weight of God's hand was on my whole body. I was encouraging my daughter about the coming year and went over into the spirit of prophecy. For the next half an hour, I prophesied over her and a cloud of glory filled our car. Then, suddenly, right in the middle of this, I found myself in a small fishing boat in the middle of the most beautiful mountain lake that I had ever seen! It looked like I was up in the Swiss Alps, with huge mountain peaks surrounding us covered with snow. It was so breathtaking, I just sat in amazement. It seemed like everything was in super hi definition. It was perfect! I just sat in astonishment and looked around. I was still aware that we were driving, but this was like being "inside" of an IMAX movie. I knew that this must be a part of heaven. Suddenly, I heard a voice that interrupted my reverie,

"Hey Maury, you want to catch some fish?"

I turned to see where the voice was coming from, and saw a funny looking man with a hat on that was covered with fishing lures that were stuck in it all around. He looked so happy sitting in the boat next to me as he cast his line way out into the lake.

He said, "This is my favorite lake for fishing. I always catch the big ones out here." Then he reached down and found a rod a reel and gave it to me. "I wanted to invite you to go with me today. Cast it out! Maybe you'll catch a big one too."

I said, "Ok. Thank you. Who are you?" I cast out my line and was amazed out how it went right where I wanted it to go without even trying.

"My name is Billy. Billy Branham." I said, "you are?! Do you mean William Branham?"

He said, "Yep." Then his rod suddenly bent violently forward as a fish hit his line. "Allrighteeeeee!!!!!! I think I got me a BIG one this time!!!!!" He began to fight that fish as he reeled it in. He seemed to be so delighted that I just stared at him as he pulled a huge bass out of the lake and it flopped in the boat. "I got to send ya back, big fisheeee!!!", he cried. Then he looked at me and said, "Maureee, I don't like to kill the fisheees, even though I could eat them. I just love to catch them, though." I could hear that he had a little southern accent. It was like watching a kid having the time of his life.

Then he said, "The Lord wanted me to give you a message. It's time!!! It's time for the fullness of my message to come forth. Maury, you're more than just a fiddle player. You have been ordained to help me carry and complete my message."

I said, "What message?"

He said, "The message that God gave to me. You know, not everything I said and taught was right. But, by God's grace, there was entrusted to me a message concerning the times that you are now coming into in the earth. There's a great revival, coming, don't you know? They were trying to turn the worship to me, and God wouldn't allow it, so I had to go home. But there are 25 of my sermons that contain my MESSAGE." When he said that last word, he seemed to shout it so loud that it echoed back and forth between the mountains on each side of the lake.

Then he cast laughed really heartily, and cast his line out again. I said, "Brother Branham -" and he shouted back, "My name is BILLLEEEEEEE!!!!!" There was that echo again, even louder this time. "Call me BILLY". I replied rather sheepishly, "Ok. Billy..."

"Now, I want you, Maury, to listen to those 25 tapes of mine and learn my message. Will ya do that?!" He said it kind of rough, like I didn't have to if I didn't want to. But I knew it was right, so I said, "Yes, Billy. What are they and where are they?" Then he said, "AW! That's easy, just talk to Stevey. He knows. He'll give them too you." Then he suddenly turned and looked right at me so intensely and said, "It's time for the coming of Elijah to the earth. But it isn't just one man....There are going to be a thousand of them at first, and then 12,000 for the Grand

Finale. All heaven is waiting for the GRAND

FINALEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!! It will begin after the Jewish New Year, just two weeks from now. Will you take this mantle? I said, "Yes, sir...if it is God's will."

"Son, you've drank the cup of suffering for the past seven years. You have qualified before the Almighty. Now you shall see that God is a miracle working God in the earth. He's not DEAD....He's A LLLLLLLLIIIIIIIIIIIIIIIVVVVVVVVVVVVVEEEEEEEEE!!!!!!!!!!!!!!!!!!!!!!!!!!!!!!" The whole mountain lake seemed to just reverberate for several minutes with that last shout.

Then the vision ended. It was now dark and we arrived at Rebekah's dorm room and moved her in shortly thereafter.

I wondered who this person named "Stevie" was. Then, I remembered I had just played my violin and ministered in a conference in Lancaster, CA., earlier that month. I had met a brother named Steven Shelley (www.revival.org). He had told me about his long association with Brother William Branham through his Pentecostal family growing up. So, after we got back home, I phoned Pastor Steven Shelley in a small town in Alabama and told him what happened to me. He immediately confirmed that he was called "Stevie" growing up and said that he was just then preparing a CD with 19 of "brother Branham's" messages that he had left behind. Before brother Branham died, he had told his son that these contained, "My message". Then Pastor Shelley said, "But I have always felt that there were several more...perhaps 25. Thank you for confirming this."

He felt that it was a genuine vision, because he has studied William Branham's ministry and message for many years. I don't know hardly anything about him. I still haven't gotten the CD yet, but I am planning to listen to it when I return to California next week if it has arrived in the mail.

I'll be back to tell you of some other revelations that are coming now. They are coming faster and faster, so I thought I would just blog them so you can receive them, Beloved. God is preparing His Bride for the marriage supper to come. Are you ready and waiting for Messiah's coming?

I am very troubled about the elections. God gave the people of America the king that they desired, but the covering of protection has been breached...great shakings and judgments are about to hit America. There is coming a war in the Middle East that will change many things that we take for granted now. Get ready and keep your eyes on Yeshua our Messiah!!!

God bless you! All my love to you, beloved of the Lord! Maurice Sklar

The Restrainer, July 13, 2010

"And now you know WHAT IS RESTRAINING him (from being revealed at this time) {the anti-christ}; it is so that he may be manifested (revealed) in his own (appointed time). For the mystery of lawlessness (that hidden principle of rebellion against constituted authority) is already at work in the world,

(BUT IS) RESTRAINED ONLY UNTIL HE (OR THAT) WHICH RESTRAINS IS TAKEN OUT OF THE WAY. And then the lawless one (the anti-Christ) will be revealed and the Lord Jesus will slay him with the breath of His mouth and bring him to an end by His appearing at His coming." (2

Thessalonians 2:6- 8) Amplified Bible

I always thought that it was the Holy Spirit that was restraining the evil in the earth and keeping the anti-Messiah – that wicked world dictator that will be empowered by Satan during the last seven years – from taking over everything. But, the Lord corrected me and said to me:

“If I took My Spirit out of the earth, then no one would be able to come to Me in the last time. But many millions of souls will cry out to me and be saved during the final seven years. But they will pay with their lives for their faith in Me. No one can come to Me unless the Holy Spirit draws them. No! It is not My Spirit that will be taken out of the earth. It is My Bride that will be taken out of the earth. Who is My Bride? It is only those that choose to love Me, walk with Me, obey Me, serve Me, and choose Me over all else right now. It is those that choose to be overcomers and will endure to the end. It is the prayers and the intercession of My Bride that is holding back the flood of evil and judgment soon to come upon the whole earth. It is to allow My grace to continue to reach out to the lost and the backslidden church just a little bit longer. It is not My will that any perish in hell.

“I am now at the door! All is now ready! I am ready to come for My beautiful Bride! How I long for her! But, only the Father knows the precise day and hour of My appearing. First I must APPEAR to take My Bride away. Then, I must RETURN to this earth as KING OF KINGS. She will return with me. Time has run out. There will be no stopping the judgments much longer from coming like birth pangs upon the earth.

“Nevertheless, tell My Bride that I have heard her cries, her prayers, and her intercession. I have seen her tears. It has restrained much that would have already happened. My grace is abundant in this final hour! How I weep for those that refuse to repent and come to Me now! My heart is broken for them, for I know the terrible evils coming upon them. Satan is now gathering his full armies to devour and destroy the nations of the earth. Only you, My precious Bride, are holding him back through your prayers...for this I am pleased. “Stay with Me in the place of prayer now! Nothing else matters. Take up the mantle of intercession and prayer as never before. Pray in the supernatural languages I have given you through the Holy Spirit and let ME pray through you. This is your highest calling! I am sweeping through this earth in a final call of revival that will rapidly end the time of grace to the nations. Do not waste the precious time I have given you. You can never recover it again in the eternities to come! Great is the reward for those that take hold of the horns of the altar and go to war to restrain the evil storm clouds on the horizon. Many millions of souls are at stake, even now, My Beloved!

“The lines have been already drawn. I know who are Mine and who are not. All of heaven is now ready for the greatest party and celebration that has ever been in the eternities past! There is no more preparation for the Wedding Supper any longer. It is DONE! I am waiting to appear in the air to catch and take My Bride home. What a Wedding Day it will BE! But, Beloved, YOU must prepare yourself so that you can hear the call of the shofar. Many will not hear because they have lost their bridal veils and their crowns. Hold fast what I have given you. Do not let Satan steal your heart from Me.

“These are events that will soon come that will signal your departure from this earth, My Beloved:

“I am taking Billy Graham home.

“War will soon erupt upon and all around Israel. She will be wounded, but not destroyed. But, all around her, whoever has cursed her from the house of Esau will be destroyed. Lebanon, Syria, Iran and others nations that have poked Me in the eye will experience the wrath of nuclear fire and destruction.

“If the President your nation has elected does not repent and change, I will continue to judge the United States concerning the attempts he has made to give up and divide My land and force Israel to divide Jerusalem. If He continues, I will divide America right down the middle. If he continues to put economic pressure on Israel, I will further collapse the economy of America. If he keeps encouraging and allowing terrorism to flourish, I will allow terrorism to destroy and wreak havoc in America. It is one hundred to one: I will see to it that one hundred times more comes upon America for what Israel experiences in this realm. I will judge America a thousand to one concerning any land that is taken from Israel and Jerusalem, just as it happened when you forced My people from their homes in Gaza and I responded with Hurricane Katrina. For every settler that has been or will be forced from their homes in Judea and Samaria, I will require one thousand homes in America to lose their homes. Since you forced Israel to “freeze” construction of homes, your housing markets have been “frozen” to the same degree – only a thousand homes to one.

“Concerning Iran: If America does not join in Israel in a preemptive attack upon Iran and Israel has to go it alone, America will experience nuclear attack through terrorism. You must attack with Israel now, or you will be attacked.

Concerning sexual sin, homosexuality, pornography, abortion, molestation of children, and witchcraft in America: I will tolerate it no longer. A new sexually transmitted and incurable disease will bring rapid and painful death to many. It is coming. There will be no cure. Those that promote and murder children,

I will see to it that YOUR children are murdered. Those that abuse and molest My children, I will see to it that YOUR children suffer the same for all of eternity. They will be chained to you forever as you burn in the hottest fires of hell. You will burn together. Those that have performed the murder of My children through abortion and have supported these murders of innocent blood, you will experience the very same tortures that you inflicted upon them. It will never stop for all of eternity. Forever you will be tortured if you do not repent and turn to Me and cry out for mercy. It is only My blood that can cleanse and remove these horrible sins. Those that have enslaved the souls of children through witchcraft, sorcery, Satanic worship and sacrifice, and the occult: You will be tormented the worst of all. Forever you shall be chained to those you enslaved as you are tormented by Satan himself. I warn you: do NOT participate in these things for it will damn you souls!

“Concerning genetic manipulation and mind control though technology: This brings My wrath upon those that try to mix what I have not allowed. But, soon when the Tribulation begins, this will sweep through the earth and eternally enslave all who

worship the Beast, as it is written in My Word. Those who develop and participate in this now will lose their minds in torment forever in hell. To the degree they participate in enslaving and creating mutations that I have forbidden, to that degree, they shall be mutated and tortured forever and ever.

“I will NOT allow these things to continue much longer without judging and destroying those that continue in lawlessness and sin. I am a HOLY GOD and I have reserved the cup of wrath for those that hate Me and will not forsake evil and sin. I am weary of holding back any longer! I WILL do exactly as it is written in My Holy Word.

“Oh earth, earth, earth, hear the Word of the LORD: Repent and forsake these abominations! Before it is too late, turn to Me or you will perish!

My Beloved Bride, I am pouring out a fresh anointing of fire and protection upon you. Do not fear the things that are coming upon this earth. Soon and very soon you shall be with Me!”

May the Lord continue to help us to hear and obey!

My Visit to Heaven, August 4, 2010

On Wednesday, August 4th, 2010, at about 10:30 AM, an angel came into my bedroom, I had just awakened. He said to me, “I am sent from the Lord to bring you to heaven. You must now come with me. Take my hand.” So I did. Suddenly, I was in the spirit realm. We ascended out through the ceiling of my home and shot up into the air like a rocket. As I looked down, my house rapidly became smaller and smaller, until I could only see our neighborhood, then only the city, and then the outlines of the west coast of California. Soon we were in space and I watched the earth grow smaller and smaller. Then, as I looked out ahead of us, we were moving so fast that the stars became like long streaks of light disappearing into a point in the horizon in front of us. Then, I saw a planet approaching that looked very similar to the earth. The angel spoke, “This is the planet Heaven.”

We descended into the atmosphere and soon I could see that we were over a huge mountain range. It was covered completely with snow for some distance to the north of us. We finally landed in a spectacular valley surrounded with high snowcapped mountains on every side of us. The air was crisp and clean and I smelled a beautiful fragrance carried on the gentle breeze under a bright and pleasant sun. I looked around me and on the side of the mountain we were at the bottom of was just covered in violet, red, pink, and yellow wildflowers. It was breathtaking! Such vivid colors and clarity. The nature was so gorgeous that I nearly fell to my knees in front of the angel. But, looking at him, I realized that this was not appropriate right then. He pointed in a direction to the west of us, (I think), and said, “Let’s go and see what has now been prepared.” We walked for some distance. I was in awe as we approached a large lake that was fed from the snow of the mountains above by a huge waterfall. As we got closer to it, the roar of the water was deafening almost, but sounded like an orchestra and choir singing at the same time under the roar. That is as close as I can describe the sound. It was making music! As the sun hit it, it would reflect all the colors that I had ever seen like a rainbow in spraying water in the sun, but there were many more colors that I had not seen before also. I was struck in amazement. But, the angel made me turn away and continue walking. Soon I saw a large white tent “city” of sorts. It was right along a plateau at the edge of the lake overlooking the mountains. At first it didn’t seem so large, but as we approached it, I realized it was very big indeed. It had twelve tent pavilions; each with a white cone that went up at least ten stories high. On top of each “cone” was a flag that the angel said was a flag for each of the twelve tribes of Israel.

The angel said, “This has been prepared for those of the Bride of Messiah from the twelve tribes of Israel that are about to be released to minister in the final hour. This is part of the wedding supper that only those who are worthy may attend. These are those that loved not their lives unto death.

As we entered into the tent of Benjamin, I saw many tables that were at least a hundred feet long. Each was lavishly set with gold cutlery, crystal goblets and plates that looked like they were made out of mother-of-pearl. Each table was arranged in such a way that all could see one table that was raised higher than the others in the center. In the middle of that table, there was a throne-like chair. I knew somehow that that must belong to the Lord Yeshua where He will sit. At each setting were engraved names of those invited on small gold rectangular nameplates. Some were more elaborate than others and were surrounded with gemstones and diamonds. The entire tent pavilion was shaped like a Star of David with the twelve tribes surrounding a center raised table that was also at least a hundred feet long. I was allowed to see the nameplates of some that were seated at the Lord’s Table. Abraham, David, Moses, Elijah, and others from the Bible had their places marked there. The Apostles of the Lamb were also represented. But there were also other names that I did not recognize that were seated at that table. We cannot know about them at this time.

The mighty angel with me was clothed completely in white and was too bright for me to look directly at as he stood next to me, but I could hear his voice. He cried, “Blessed are those that will be seated here. God will surely reward all of His faithful ones. They are His beloved. They are His Bride. Tell them still on earth, ALL IS NOW READY! THE LAMB IS STANDING AT THE DOOR TO APPEAR FOR HIS BELOVED, HIS BRIDE! WATCH AND PRAY THAT YOU MAY COUNTED WORTHY TO ESCAPE THE WRATH TO COME THAT IS SOON TO BE Poured OUT ON THE EARTH. Hide yourself in the secret place with your lamps burning brightly....BEHOLD, THE BRIDEGROOM COMETH!” As he was speaking, the angel of the Lord began to shine again so brightly that I hid my face and fell prostrate before Him.

Soon though, I was able to rise again. He lifted me up and I could look at him again. He said, Now, I will take you to hear some of the music of heaven. Then, suddenly, we were standing outside what looked like a concert hall, but grander than any I had ever seen before. We ascended steps to the entrance that

was surrounded by columns. There were others coming to the concert, both angels and people. Several bowed towards me and greeted me as I entered, but I did not recognize them. We sat in a center box seat in front of a large symphony orchestra. I was surprised to see that it seemed so similar to a concert on earth. I even recognized several of the musicians, some I just knew by revelation that they were among the great musicians of the past, and a few I recognized from my life that had died and were already here in heaven.

The angel quietly spoke in my ear. This is a concert in your honor. The composer, Gustav Mahler is here in heaven. He has composed a symphony for you. Then the Lord came out on stage and conducted! As he entered, the whole audience bowed in worship and revered His Presence. Then, when the music started, I went into a realm of ecstasy that I cannot describe in words. But the music was like a living movie or a vision. I listened and I saw many good things that I had done to love people on earth. I saw so many things in history and in eternity that I cannot even begin to describe. The music was definitely in the style of Mahler, but without any of the torment or despair. It was humbled and amazed beyond words. It was the most beautiful music I have ever experienced. I laughed. I cried. I fell prostrate before the throne of God and worshiped. (Somehow I could do this while listening. I don't know how.) As I listened, something deep in me that was in terrible pain was healed and it didn't hurt anymore. When it finished, I begged the angel to let me stay there and never leave or have to go back to earth again.

But, the angel, "It is not time yet. But, I may show you one of your mansions." Suddenly, we were out in the mountains again. I don't know, but it might have been that same location. We were on the side of a mountain. We were walking up a winding street that seemed to shimmer like those plates at the tent pavilion. It looked like marble, mother-of-pearl, gold, and glass, all at the same time. Finally, we reached a flat plateau overlooking what looked like the Swiss or Bavarian Alps. It was covered with perfectly manicured grass. We were standing in front of a golden gate that had filigree work all over it. Over the top was my name: "Maury Sklar" engraved in that same kind of stone/glass/gold on a rectangular plate. It was covered with precious stones and shimmered and glittered in the late afternoon sun. I was in awe! The two gates opened by themselves as we entered what seemed like a kind of Japanese style garden with a stream running through it. It had a winding path surrounded by the most beautiful roses, other flowers, and those kind of Japanese manicured-type trees interspersed between. There were bright colored fish that swam in the stream. We walked over an arched wooden bridge that went over the stream as we approached my mansion! There was a small forest all around the garden, and as I looked to my left while crossing that little bridge, I could see a waterfall coming from a rock formation about forty feet or so above. It fed the stream and came from the top of my mountain. The angel told me that the entire mountain was mine, along with other artists and musicians that were also living on it.

We finally came to the front door, and the house was hidden somewhat within the little forest. But, now I had a clearer view once I crossed the wooden bridge and it took my breath away! It looked like a modern redwood and glass home. There were floor to ceiling windows in the front looking out upon the garden. It

had a lot of angles with beveled windows that looked like they were pure crystal instead of glass. The doors were over 25 feet high and were made out of elaborately carved teak-like wood. It had a large Jewish star that was embedded half in one door and half in the other made out of that same mother-of-pearl like stone-glass. But this star just glowed brightly in its own light. There was a large round knob, but it just opened again as we entered all by itself. When I looked in the front entrance, light just burst into the house from all sides and the ceiling itself was also crystalline alternating with large redwood like beams that went from one wall to the other. Then I entered the living room area and it was amazing! Like every dream house I had ever thought of, it had contemporary furniture, a ceiling that was two or three stories up, totally open. The entire back wall was floor to ceiling crystal glass. I had a view of what looked like a painting of Mt. Fuji in the center of a magnificent mountain lake that was surrounded on all sides by mountains that looked like the Himalayas or something. I have never seen such a sight! I just gasped in awe. There was a large fireplace in the middle of the back wall, but somehow I could see through it anyway! On the left side in the back, there was a crystal door that opened up to a redwood type deck. There was a pool that seemed like it just disappeared into the mountain view. There was no edge to it I noticed that it was also fed from that waterfall and stream that flowed in my front yard. I then toured the magnificent bedrooms. The greatest room of all was the "music room", though. It had thick velvet carpet that was dark purple, and as I entered, it seemed to become a small recital hall or concert hall. I could tell that it would expand or contract depending on who or how many people were there. To one side, there was a vault-like door, and in it were dozens of great stringed instruments. Some had been made for me, and one place was open, where the Lord had promised me that He would make a violin for me and I could watch, after I get there to heaven! There were cases of fine bows embedded with precious jewels, and other musical treasures that I cannot mention at this time.

Then, my angel that had escorted me, said, "There is another place I must take you to." I took his hand again, and we were suddenly in front of a large warehouse-looking building. We went inside and I felt like I was in the largest warehouse building I had ever seen. I could hardly see the far walls. It looked like the largest wardrobe collection ever! There were twelve long rows of robes with large shoulder pieces across the tops of them. (That's the best way I can describe it. I have never seen clothing like this. It looked like there was a bar or small wooden plank across the top of each like a small curtain rod that the robe hung from.) These robes were hung along clothing racks that stretched as far as I could see. We were suddenly up above on a catwalk type platform and I could see all of these robes. There were twelve long rows of what looked like thousands of identical robes that went as far as I could see. Then the angel said to me, "These are mantles for the final hour that is to come upon earth. This is for the end time ministry of Elijah the prophet. There will be twelve thousand from each tribe of Israel that will carry one of these mantles."

Then, we walked into another smaller room of this same warehouse. There were other mantles that were hung on the walls on every side. These all looked different from each other. I knew somehow that they had been worn by great saints and ministries of the past. I was surprised to see some from the

Middle Ages, as well as those worn by the early church apostles, and fathers. On a dais at the end of this room was three robes that were hung side by side, with the middle one up higher than the rest. On the left side was a robe that was hung under a old fashioned type scale with two bowls being balanced together. I immediately recognized that as a symbol for justice and law. The angel seemed to know what I was thinking and said, "Yes. That was the mantle that Moses wore. It is the mantle of the giving of the Torah to your people." Then I glanced over to the far right. I saw a rough looking hair skin vest that had a belt around the middle. The angel said, "That is the mantle of Elijah the Prophet. Both of these shall be worn again in the final hour, as it is written."

Then, I looked in the center up at the robe that was higher than the rest. It was white. At first it looked really plain, but then as I continued to look, it became brighter and brighter until finally it was so dazzling that I could not look upon it any more. When I turned my eyes away, the angel said, "This is the robe reserved for Yeshua the Messiah when he returns to the earth with all the saints. It will be dipped in blood. The Word of God shall be seen by all!"

"Do you know what you have seen?" the angel asked me. I said, "No sir, not fully. But you know." He replied, "You have seen the Hall of Mantles reserved for the final hour of judgment soon to come upon the world. Few have seen them. The angels have finished all of them. All is now ready! You must write what you have seen so that My people can know how close I am to the final hour! I AM COMING SOON!"

As the angel was speaking, I suddenly realized that it was the LORD Himself who had been with me. He had taken the form of that angel. He seemed to grow and grow until I was overwhelmed and once again the light was blinding me that was coming from His face. I then fell flat on my face again and worshiped Him. For He is King of Kings and LORD of Lords!

Then, the light and the glory lifted, and He appeared again in a blue and white robe. He seemed like a Man now, though I knew He was the LORD. He said to me, "Maury, I want you to see the Great Hall of the Crowns." Suddenly, we were at a large castle of some sort. It looked like Buckingham Palace, Versailles, and the Taj Mahal all at the same time. (I know that sounds strange, but that is what it looked like to me.) I was stunned at the

majesty of this building. We walked in these gothic doors and we were in a huge, long foyer-like hallway that had little tables on both sides. They were covered in black velvet like material, only more plush. On top of each little table was a crown. Each was different, but all of them were so beautiful that saw them and burst into tears! Along the walls and ceiling were fine paintings and carvings kind of like are at the Vatican, only much greater. This foyer or hallway stretched out before us as far as I could see in the distance. Every ten feet or so on every side was a crown on a golden table draped in black velvet. Each one had a name under it. Some were studded with thousands of precious stones. Some were covered in diamonds, which the Lord told me represents souls. The other stones represent great acts of love and sacrifice for the Kingdom. Some had a red border around the base of the crown representing martyrdom. Some were like little tiaras of diamonds. Some were so large that they had diamonds solid going up two and three feet. All of them were like the finest works of art I had ever seen! Like a Michelangelo sculpture, or a Raphael painting, each just struck awe in me. Some of the less ornate crowns were for the shepherds – pastors of the flock that had been true and faithful, but their beauty was even more moving somehow. I wept and worshiped the Lord as we walked down a portion of that great Hall of the Crowns.

Then, suddenly, I was back in my bedroom again. Hardly any time had passed. I had felt I had been in heaven for hours or even several days, but it was only a moment of our time on earth.

This is the truest account I could write of what I experienced. Please understand that I am not advocating any doctrine or adding to scripture in any way. It is a vision, and as all supernatural revelation, it must be judged according to the higher authority of scripture. Nevertheless, I must be obedient and record what I saw and heard in this heavenly experience, as the Lord commanded for me to do.

May the Lord continue to bless you abundantly, beloved friends!

Prophecy - December 1, 2011

"The LORD says:

The American dollar is about to lose 30% more of its present value. This will be the second drop since the previous 2008 drop of 20%. The dollar will then be worth half of what it was before September 2008. This drop will cause great economic distress upon our nation. The church will be shaken and many will wake up spiritually and cry out to ME. There will be also looting, rioting, and terrorism in our land.

There is an even greater financial disaster that is falling upon Europe that will collapse the Euro, cause panic and chaos there. Germany will refuse to prop up the euro any more. Basic needs in the poorer European nations will be threatened.

Many will lose their money overnight as the stage is set for the financial takeover of the Antichrist system. This is imminent, and the dollar will also follow, although it will survive for a season more.

The great revival will also begin. God has hidden His Holy Apostles and Prophets for this present hour. There will be great outpourings of supernatural provision, miracles, and healing in various places. These areas will become cities of refuge and places of refuge for God's people.

There is coming an all-out war in the Middle East as the neighboring Arab nations will come against Israel with a sudden missile attack starting from the north with Hezbollah,

Lebanon, and Syria. Other Arab nations will join. Israel will be hit from all sides at once and there will be deaths and partial destruction of settlements, smaller cities to the north, and some damage to Tel Aviv and Jerusalem as well. Israel will respond with great force, and limited nuclear weapons will release devastation upon the neighboring countries, particularly Lebanon, Damascus, which will be destroyed completely, and the rest of Syria as well as military strikes into Iran, Gaza, and even northern Egypt/Sinai region.

The resulting shaking of the West will then release a tremendous movement of Jews making Aliyah back to Israel. There will no longer be security or stability as it has been up to now in America and Europe. Israel will emerge victorious

from this war, but hurt. However, the devastation inflicted upon the attackers will be one hundred times worse!

The spoils of this war will include much territory and will force the west to recognize the Holy God of Israel. It will emerge as the only stable country in the region. Many, even millions of Arabs will be killed. Islam will receive a mortal wounding by the Holy God of Israel.

Prepare your hearts, the LORD is at the door to appear for His Bride, the overcoming church in this midnight hour.

Pray for those that are trapped in darkness that God will reach them in time.

A Vision of a Victorian Mansion, March 3, 2012

I had a vision of a large Victorian style mansion. It was a magnificent, palatial and massive residence. It was painted white with blue trim and red shutters. There was a large turret on the left side of it, with windows at the top. There was a porch that surrounded the house on every side with rocking chairs out front. Lush landscaping and potted hanging flowerpots adorned the porch and there was an expansive lawn that was immaculate and large live oak trees that looked over 200 years old could be seen all over the property. It was a perfect day, and this mansion looked impeccable as the afternoon sunlight cascaded through the trees as I walked towards it. It was the most beautiful house I had ever seen. There was not one flaw in the exterior. It looked freshly painted and a large American flag was hung on a suspended wooden rod extending from the left wood column at the top of the entrance stairs to the porch. I couldn't help noticing that the flag colors were perfectly mirrored in the color design of the exterior. There were the red shutters that framed the floor to ceiling windows on the first story, and also the windows in the two upper stories. The trim and the porch were painted dark blue, and the house was creamy white.

I just stood and looked at it for some time. I heard the voice of the Lord say, "Son, do you know what this is?" I said, "It looks like a turn of the century Victorian home in perfect condition." Then he said, "This is the United States of America". All is not as it looks. For it is being eaten and destroyed from within." Then the Lord said, "LOOK!" For a long while, I didn't see anything new – just a perfect day; a gentle breeze; and a wonderful view of this perfect mansion. Then, all of a sudden, I seemed to zoom in towards the house rapidly. Like a movie, I seemed to move toward the house and focused on the floor/foundation. Then, I noticed that the house was suspended on brick and had about twenty to thirty small supports that held it up. I was under the house now looking at the floor, which I saw was all wood with long heavy beams going from front to back. At first it looked fine, but then my eyes seemed to adjust and I began to see that there was decay and holes in the beams. I saw mildew and rotten areas in parts of those beams. Then, I seemed to go right into the floor from the bottom. What I saw shocked me. It was like a horror movie. I saw into the inside of the floor. I was "in" it now. There were thousands of termites and other hideous looking insectseating the wood out from the

inside. I was moving rapidly now through the floorboards. Everywhere I looked the wooden foundation was nearly eaten out from the inside. I could hear the termites chewing...just armies of them...in almost military precision. Everywhere I looked, it was nearly eaten away. The massive beams that held the house up were hollowed out from the inside. I saw that it would soon collapse, for the wood was nearly gone.

Then, I somehow went straight up inside the right wall and followed the path of these hideous termite insects. They looked like demons with pincers on the front of their heads like crab claws. They were just tearing the wood off a piece at a time and eating it. I seemed to be the same size as they were. They looked huge to me, but I knew they were actually small. There were millions and millions them. I knew that this wall wouldn't be there much longer. Then, I seemed to move very quickly through the inside of the attic ceiling, across the top of the house, and down the back. It was infested in every part, but the back was the worst. I knew it wouldn't be long before these terrible bugs would eat their way out to the exterior. There was hardly any wood left.

Then, I suddenly "zoomed" out of the house, and I was once again standing about 25 feet away where I had been before. Again, it looked so pristine and beautiful. Not one blemish could be seen on the outside. Then the Lord said, "Watch." Suddenly, the stairs to the front porch just cracked right down the middle, and the whole house seemed to fall into itself. It just cracked right down the middle! The whole house shuddered, and that crack went all the way down. The house just sagged in the middle, but remained standing. Then, about five minutes later, cracks started appearing all over the walls, and those terrible termites started crawling and swarming the outside exterior. They were devouring the shutters, then the trim, and then there were so many you could hardly see the white paint. Then, the house collapsed into itself. The walls imploded and the roof began to collapse. At every crack, those hideous bugs just swarmed out by the thousands and covered the roof. The walls held out for some time, though they were no longer standing straight. They were slanted in at almost a forty-five degree angle. Then, finally, the whole house just collapsed on itself in a heap of ruins and the termites just swarmed over the top of it like it was a massive ant hill.

Then the Lord said, "America is being eaten from within. Its' days are numbered. There are three parts in its' financial collapse. The first crack in the foundation happened in September of 2008. The collapse of the walls is the second drop in the dollar soon to come. The dollar will lose 30% more of its' value. Then the whole financial system will crumble and all of America's wealth will be devoured. But, during this terrible time I will visit America again. A third Great Awakening will come. But, the days of America's glory and beauty will never

again be seen. My judgment shall come swiftly upon all those that have turned their backs to Me."

A Prophetic Message, April 3, 2012

Dear Friends,

This evening, while watching the news concerning the Supreme Court and Obama's recent rants against them, the Lord spoke to me and said: "Pride goes before a fall. President Obama has overstepped his authority, and I will humble and judge him before the entire nation."

I have never heard the Lord speak to me concerning His judging Obama. I did hear the Lord speak to me that HE was judgment on America when he was elected.

BUT...God's people have been obeying 2 Chronicles 7:14 to humble ourselves and pray...and GOD IS ANSWERING! I am

telling you by the Holy Spirit...Obama's days are numbered. Just watch what happens now...there has been a victory in the Spirit, and there may yet be a turn of the tide concerning America. I pray that God would give us a little more time. This is the first encouraging word I have had about America in a long time. Praise the Lord! I was instructed also to release this word immediately, so...I have done so. Amen.

The Word of the Lord, June 28, 2012

WORD FOR UNITED STATES

Dear Friends,

The Lord spoke to me today as I was watching SCOTUS decision regarding Obamacare and the contempt hearing of Eric Holder. We all need to pray and keep praying for the next several months and make sure you vote and share the gospel.

Thus saith the LORD: "Though hand joins in hand, the wicked shall NOT go unpunished. I hear the cries and the prayers of My people. But why do you cry out to Me now? Go to your idols that you worship, and the king you voted for. Let them deliver you now. Oh America, America! I am weary of your sins. I am grieved at My very heart at your whoredoms and your

wickedness. Oh My church, how you have fallen into lukewarmness, apathy, and sleep! How long shall I bear with your idolatry and whoredoms. These are a stench in My nostrils. You are worse than the pagans that surround you. Your wicked deeds scream at Me louder than your prayers. Why do you cry to Me now? You are only beginning to reap what you have sown. I can bear your sins no more. How can you escape the wrath that is to come? Upon the head of John Roberts lies the guilt and the blame for this Supreme Court ruling, but upon the nation as a whole lies the guilt of shedding of innocent blood by the millions through abortion; the open and legal embracing of sodomy and all manner of perversion; the daily abominations and sexual perversion through the internet; the departure from My Holy Word in the pulpits; and the greed, lust, selfishness, and disregard for the poor and needy.

The Vision about a Terrorist Attack on US Power Grids, June 28, 2012

PRAYER ALERT!

The LORD spoke to me in prayer tonight to alert the intercessors concerning an imminent threat to our electrical systems in America. THIS IS SERIOUS! Fast and pray to stop this **terrible terrorist attack on our power grids!** I saw a **vision of the East Coast of America completely blacked out**, and with no way to restore the power. I am not sure whether it involves an EMP bombing attack or some other means of killing our electrical systems. But to me, it looked like a nuclear device was detonated in the upper atmosphere over the East Coast, in this vision, and just knocked out all the power. I believe that the LORD showed me this in order to stop it. We have authority,

Body of Messiah, to pray in Yeshua's Name and stop this terrible evil! THIS IS FOR REAL AND SERIOUS! Please cry out to the LORD for mercy, as we are vulnerable and a sitting duck unless the angels intervene! God have mercy on us! It was such a scary vision...and a VERY STERN warning from the LORD.

You are worse than Sodom and Gomorrah. You are more filthy in my sight than Nineveh. You have broken My covenant I made with the Pilgrims, and the Founding Fathers. But, was that enough for you? No! You turned on the very nation and people that you swore in sacred oath to protect and cherish. Israel is My nation and My land forever. You broke covenant with her and

pressured her to divide My land, and empowered her enemies to attack her. Why are there fires, and floods, and storms, and earthquakes, and financial disasters, and calamities hitting you from all sides? Repent of your sins, or it shall become seven times more severe than it is. Do you dare provoke me to My face? I am a great God and a Holy King! I hold your breath in My hand! You are only one thread away from the fires of hell, as my servant Jonathan Edwards preached to you during your first days, where you professed you love and espousals to Me. Return, oh return to Me, America, before it is too late!

Concerning, Barak Obama, Thus saith the LORD:

This court ruling, though seemingly in his favor, will be his Waterloo. He shall be disgraced, shamed, and removed from office. For the sake of My Bride, and those few who have not defiled themselves, and have turned to Me in prayer, I will answer. But, as surely as I live, I shall visit this land with judgment. As you have done, so shall it be done to you."

The Dream, Week 11 in 2014, March 15, 2014

Tribulation Dream:

The Angel of the Lord Over the Statue of Liberty

This week I had a dream. It was a terribly frightening dream. In it, I saw a huge angel standing suspended in the air over New York harbor. It looked so large that it covered the night sky. His body was clad in golden armor as if he was going to war. His face and entire being were so bright that I could not gaze up at him for long. White beams of light seemed to radiate outward from him in all directions. He was standing over the Statue of Liberty. It was night, but I could hardly see the lights around him coming from New York City as he blazed so brightly with divine light.

He reached for his belt that was covered with a red sash around his mid-section, and drew out his sword. It was so massive! It blazed with light and fire all around it. It looked at least 100 feet long! I have never felt such fear when I saw an angel before. I just knew this mighty warring spirit had authority from the very throne of God. He had a grim expression as he held this mighty sword over his head with both hands. I could see that he was poised to hit the Statue of Liberty and cleave it in two! I trembled and tried to hide, but the angel was looking directly at me, and I knew there was nowhere to go that he would not see me.

Then he spoke! His voice was like thunder and echoed throughout the whole harbor. He said,

How long will you refuse to humble yourself, O America! You have been weighed in the balances of God and found wanting.

Your beginning was great and noble, but your end shall be disgrace and destruction!

Thus saith the LORD of Heaven's Armies, the LORD of Hosts, Time is running out. The bowls of My wrath are full of My fury and judgment. They shall be poured out upon you. You shall drink them down to the dregs every drop! I have come to you day and night pleading with you to return to Me for over one hundred years. I am merciful and long suffering. It brings Me no joy to judge you. But, you have hardened your hearts, scoffed at My warnings through My prophets, and my holy servants. I brought you from nothing and exalted you, O America, higher than any other nation! But now you have fallen lower than Sodom. You have sinned greater than Egypt. You have become prouder than Babylon and Persia. You have become more selfish than Rome. You have exalted yourself in your own wisdom higher than Greece. You have more idols and high places of idolatry and luxury than any Gentile kingdom in history. Your beginning was pure and great, but now the stench of your sin and filth fills My nostrils! I shall cut you in pieces and you shall reap the harvests of wrath from what you have sown! You shall no longer be the Queen of nations. Now you shall bear your shame and become the lowest of the heathen nations! Now, as Agag, you shall be hacked in pieces! O EARTH, EARTH, EARTH, HEAR YE THE WORD OF THE LORD!

Then, to my horror, that massive sword came smashing down on Lady Liberty. When it hit the top of her head, there was a blinding flash of light and that sword split her in two right down the middle! Then the sword came again and again against her. It divided her in pieces. As the sword would finish each strike, fires would burst forth. I heard terrible explosions. The

vision of the Statue ended with an earthquake as it was hacked into pieces and sunk into the harbor.

I was weeping and crying out to God for mercy. Never had I seen this side of God before. I had only really known the love and goodness of Him, never had I seen the Wrath of the Almighty!

Then, as if I was watching from a zoomed-in close up the dream shifted and I started to zoom outward from New York harbor and started traveling in the air over America. What I saw was horror beyond anything I have ever seen! I saw the United States seem to crack in two with a giant earthquake right down the middle! I saw the Southeastern United States covered with a giant wave of water from the ocean. I saw a massive earthquake that just seemed to crack off the coast of California. It reminded me of a Saltine cracker that just cracked in two! The great cities along the West coast just fell into the ocean, all the way from Mexico up to Alaska and giant waves flooded inland until much of the West Coast just wasn't there! It had disappeared into the Pacific Ocean.

Then I saw three giant rocket missiles that took off into the air. Two came from out of the ocean waters, and one came from land and traveled a great distance. All of them blew up in the air one, two, and THREE in the upper atmosphere within five minutes of each other. It was out near space. They were terrible nuclear bombs. But the last one was the biggest and it created a huge mushroom cloud over the Midwest part of America. Then the ground shook and everything just went black. There wasn't any electric light coming out of any homes. Then candles began to be lit and fires, and a little light was seen. There were other nuclear explosions, and many people perished throughout the nation. There was just twisted metal and charred debris in cities that once were tall and majestic.

There was widespread looting and gangs roaming about everywhere with guns, stealing whatever food and supplies they could find. Then I saw what looked like elite riot police by the thousands go into communities and even cities, force the people out of their homes, and brought into what looked like concentration camps. Some, but not all of these police armies had light blue helmets on. Hundreds of thousands of people were arrested in this way. Many would not cooperate and were just shot and left dead in their homes.

But, there were millions of hidden groups that escaped the first wave of these terrible disasters. Revival broke out, and great

evangelists and prophets and apostles rose up and began to preach to thousands outdoors, and many were saved and were born again. Miracles of provision, multiplication of food and water, and astonishing healings occurred. Millions of people cried out to God and he heard and answered.

I knew that this was not just happening in America, but the

Great Tribulation was upon them, and all over the world these calamities were also taking place.

I saw multitudes of Tribulation saints refusing to renounce Jesus as LORD. They were starving, many of them, but still refused to take the stamp on their bodies so they could eat and live. There was what looked like kiosks that were in every little town. They advertised food and water, only if you went inside them and took the electronic mark. Some went in, bowed down to a holographic movie image of the Antichrist and were branded in their hands and foreheads with an electronic tattoo-like stamp. When they came out, if they came out, they had a zombie-like look. Their minds and souls were gone. It looked like they had a spiritual lobotomy. Then these immediately joined the armies of those police units, and were given weapons after they were fed and drank and rested in the kiosk. They were like robots doing the Antichrist's bidding. I knew that they were lost forever. But, quite a few did not make it out. They were tortured mentally and physically inside the kiosk thing, but, if they still refused the mark of the beast, there was a laser that shot through their brain and heart, and sliced their heads off. Then they were immediately incinerated. Nothing but ashes remained. This was the most horrifying of all. It made the Nazi death camps look like a picnic, if that is possible. Millions of people were executed in this way via computer systems automatically with such precision and efficiency that I marveled that something like this was even possible and could take place on such a large scale. The technology was more advanced than I had ever seen.

Then, I was back looking at that terrible angel of the LORD, and he said,

Warn everyone! Flee from the wrath to come. Repent and turn to Jesus while you still can. Pray that you may escape these things that are shortly to happen, and to stand in the Presence of the LORD. These things are about to take place! Turn to God and cry out for mercy. Come into the ark of Salvation before the doors of grace close and it is too late!

Blessings, Maurice Sklar

21 Events Until the End of the World, April 27, 2014

1. Israel is about to attack Iran. The whole world will become even more anti-Semitic and despise Israel. Israel will succeed in removing the nuclear threat almost completely, but there will be war. Israel will be hurt, primarily from the rocket attacks. This strike against Iran will provoke the neighboring Arab nations and they will attempt to retaliate, which will then go nuclear. War is coming!

2. The nations in the world, especially the west, will panic. There will be a dramatic increase in the price of oil. This will

trigger financial disasters in Europe, America, and many nations. The dollar will further dramatically lose its' value.

3. The Euro will suddenly just collapse. Then, the dollar will follow. A new global currency will immediately take their place.

4. Vladimir Putin is preparing the way for another leader to rise in Russia. He will be the Magog of Ezekiel 38. But before this, Putin will try to take over other nations that once were satellite nations of the former Soviet Union. He will be overthrown and deposed, but will be replaced by a ruthless man who will try to

take over even the Middle East by sudden and rapid conquest. Of course, according to Ezekiel 38-39, he, along with the nations with him, his “hordes”, will be defeated when he attacks Israel from the north.

5. The Rapture of the Bride will happen suddenly. This can come at any moment now. It is not chronological with these events...but, a mystery hid in God. HE CAN COME NOW AT ANY MOMENT! Please make sure you are right with God!

6. The whole world will collapse economically and a miraculous leader will arise out of the Near East. He will be Satan incarnate, but people will blindly follow him, thinking he is actually the Messiah.

7. He will immediately establish some order, particularly in Europe, but it will be so bad that people all over the world will be in a panic. They will just embrace anyone that seems to have some answers...especially the man of perdition, who is possessed by Satan himself and will be anointed with more charm and charisma than any other world leader in all of history. No one will be able to resist him, unless the Holy Spirit supernaturally opposes and stops his deception on a person.

8. God will release his end time Tribulation prophets, evangelists, and apostles, who will demonstrate the authority of God in the earth. They will preach the Gospel of Jesus, proclaim judgments and calamities, and these will immediately follow. Millions of souls will be saved, because of these men who proclaim the gospel in fire and glory. Miracles will follow them. Thousands will be raised from the dead, food and water and provision will occur wherever they are preaching. Healing miracles will be manifested that will arrest the entire world as they watch on the television news, etc. The fear of the LORD will be so great that they will call fire down even upon the White House and Congress. I saw the Resolute Desk in the Oval Office hit and cleaved in two down the middle. The entire Government will fall on its' face and cry out to God for mercy. He will answer and move in great Revival, not just in America, but around the world.

9. Terrorists acts of terrible destruction shall begin to hit throughout the world after the first of the four Blood moons in a few weeks. Earthquakes and floods, fires, bombs, volcanic activity, will greatly increase, particularly in the Moslem nations and the ring of fire regions.

10. A word to the nations NOW! It is going to get really dark. We haven't seen or even imagined the terrible calamities about to come. The protective covering of grace will be removed and the birth pangs will greatly increase over the next 18 months. with each of these heavenly signs, greater calamities will follow.

11. What do the blood moons signify in the heavens?
a) Wars coming in Israel to destroy it before the Jubilee of Jerusalem.
b) the end of the times of the Gentiles – the age of Grace is ending.
c) The beginning of Jacob's trouble...seven years Tribulation
d) The signals that the Day of the LORD is beginning.

12. There are four phases of the withdrawal of protection and

grace from the earth. These four phases coincide directly with the four appearances of the blood moons. There will be judgments during and after each one as they appear...then there will be a respite of grace and a harvest of souls after each one. The first one of these is coming in a few weeks during Passover. Each of these four moons will bring worse judgments upon the earth. Israel and the nations will go into travail of the terrible darkness covering the earth.

13. The LORD gave me several indicators of exactly where we are at in His timetable.

a) On the statue of the Gentile nations recorded in Daniel. We are almost to the toes...Most of the feet of clay is now in place. The mixture of clay and iron signify the erosion of authority and leadership. The statue starts with Nebuchadnezzar in Babylon, who was given more absolute authority of the Gentile empires than any one. All the empires since had less power and authority from then on. But, in the last almost 120 years, there has been a collapse in leadership in all the nations...now we are well into the feet of clay, which represents the very last of the rule of the Roman Empire...it will be revived into 10 “toes”, or regions during the last seven years, led by the Antichrist. We are now at the very edge of those toes on God's prophetic time clock.

14. b) the Horseman of Revelation chapter 5 will begin to ride – these four blood moons are a warning of their approach! I pray that they don't come exactly with each eclipse. But, the Holy Spirit spoke to me that they are directly related and are involved in their release upon earth.

1) The revealing of the Antichrist bringing false peace. The White Horse: At first he will not be recognized as evil by anyone except to those filled with the Holy Spirit – the Tribulation saints. The world will adore him, worship him fanatically, and he will “conquer” at first with a bow and no arrow...flattery, diplomacy, Mystery Babylon religion, etc. He will deceive nearly everyone. This leader will emerge soon after the Rapture.

2) The Red Horse: Peace will be removed and war will be unleashed on earth.

3) The Black Horse: Famine from confiscation of food and resources: notice verse 6 – first it will be food regulated and rationed by the Antichrist system: then, after that will come oil and wine which is fuel, water, property and every essential thing. EVERYTHING will be regulated...buying and selling will be completely monitored when the 666 system is fully in place.

4) The Pale Horse: Death by war, starvation, and demonic possession (verse 9b – by death and by the beasts of the earth)...demons and evil spirits released that have the power to kill, steal and destroy will be allowed to operate...BY THESE MEANS, ONE QUARTER OF THE EARTH'S POPULATION WILL BE DESTROYED ACCORDING TO THIS VERSE. (Note: Obama is not this leader...he is what I would call a “mini-anti”. He is possessed and operates in the same Antichrist spirit, but he is NOT “the Big Cheese”.)

The Antichrist cannot be revealed until the Bride of Messiah, the overcoming church, is raptured. But he is alive now, I believe, and ready to take his place in the right time.

15. There are evil angelic beings that are chained in hell. They are about to be released upon the earth. These are not just demons, they were once high ranking angels under Lucifer

before he fell from heaven. They are horrible beyond understanding. They will bring such disasters and misery upon those left on earth that you cannot begin to know...it will be 100 times worse than the worst horror movie you have ever seen. They will bring torment, torture, and destruction upon millions.

16. Hordes of demons will follow the command of these evil angels. In the past 10 years, there has been an exponential rise in the occult, false religions, satan worship, and witchcraft. This is because "the great falling away" from God that has happened progressively during the past nearly 120 years. Satan is raging upon the earth even with the Bride's intercession and our prayers restraining. He knows his time is short. When this final restraint is removed, literally, all hell will break loose upon the earth for seven years. There are already demons that have the power on earth to appear in any form, perfect men and women in beauty that cause the saints to fall into lust. The internet is polluting the whole world. These demons actually manifest and come out of computers and have sex and every depraved thing with wicked people. Many "Christians" are in chains of bondage. There are millions of children and babies being offered on the altar of sex trafficking, abortion, perversion, satanic ritual sacrifices, and even bestiality. The blood of the innocents is crying out before the throne of God! This is fueled directly by witchcraft. This is such an abomination that it hastens the Day of the Wrath of God with every passing hour. If this is happening now, "in a green tree, what will it be like when it is dry?!" Evil abominations beyond what you can imagine will fill the earth, after the rapture of the Bride...for then, ALL RESTRAINT OF EVIL WILL BE REMOVED FOR SEVEN YEARS.

17. MEANWHILE IN HEAVEN...we shall join with the Old and New Testament saints of the past and present generations ...the righteous dead shall be raised first, then we shall meet the LORD in the air, and we shall ever be with the LORD. Then we shall go to the Judgment Seat of Messiah, and receive our rewards for what we did in our lives on earth for Yeshua's Kingdom. What a time of rejoicing it will be for those who forsook all and followed Him in obedience!

18. We shall – the Bride of our LORD – all gather together with Yeshua in heaven to participate in the Marriage Supper of the Lamb. It will be our wedding day! We shall be forever wed to our Bridegroom King – Jesus!

19. We shall have seven years in heaven where we prepare to rule and reign with Yeshua when he returns to earth.

20. At the end of this terrible time on earth, Jesus shall get upon a white horse, and we shall ride heavenly horses also! We shall follow behind Him as He returns to the earth to establish His 1,000 year Kingdom. He shall destroy the armies gathered together from all the nations in the valley of Megiddo in Israel, with just a word from His mouth...the sword of Messiah's Word. Like Martin Luther wrote in his famous hymn, "A Mighty Fortress is Our God"... "One little Word will fell him (Satan and all evil.) Praise the LORD!

21. We shall fight that last battle with Him. He will conquer all evil and we will with Him also! Then Yeshua our Messiah, the Son of David, shall take up His throne and rule and reign forever! We shall rule and reign with Him.

Latest Word from Maurice Sklar in June 2014, June 4, 2014

"Thus saith the LORD,

The Revival of the Bride of Messiah has BEGUN! This will be the Grand Finale of My Grace demonstrated in all the Earth. This is the mystery I have hidden and revealed only to a few of My servants throughout the church age. Know that I always WIN. I have released the End time Elijah Mantles on 1,000 prophets that I have prepared and hidden until this moment. Watch what I will do! Miracles, healings, raising from the dead, legs and arms growing back on those that are lame, creative miracles that will shock the world will be seen through TV,

revivals that sweep whole cities and regions into faith in Me, Stadiums will not even be able to contain the multitudes. Revelation gifts of such accuracy and power will flow through these men to such a degree that Presidents, Kings, and mighty men of wealth will fall on their faces and cry, "The LORD, HE is GOD"!

I will smash every idol of America and the nations, even through My end time servants, THIS IS THE FULLNESS OF TIME - THE END TIME COMING OF THE ELIJAH PROPHETS IS FINALLY HERE!!"

The Prophetic Word, November 9, 2014

I hear the Holy Spirit say tonight,

"Do not underestimate the strength of the the prayers of My people. They have stopped complaining and have come to Me on their knees, humbly crying out day and night to Me. For the sake of the remnant of my Bride who is interceding to overthrow and overturn the evil plans of Satan to destroy America. Now, I will stand up and answer! I am the Almighty God. I cannot be voted in and out. I rule forever upon My Holy throne.

Shakings like never before are coming to America that will awaken the sleeping giant, My Holy Church, and revival and true repentance shall surely follow.

I will topple the tiny little man in the White House. He will leave office in disgrace and never rise again. For he has touched the apple of My eye, My people Israel, and My Holy land, and has openly defied My Holy Word, My laws, My statutes, and My ways. He has lied, cheated, stolen, defrauded, blackmailed

and murdered to protect himself and his evil ways. His way is perverse before Me. He has shaken his fist at Me and spit in My face, but he shall fall on his face before Me in humiliation for all of the shame that will cover him. He shall surely reap what he has sown. I will expose the corruption all around him and he

will reap what he has sown and be embarrassed before the whole world. The tiny man in the White House will fall and rise no more to rule even the smallest of dominions. I have judged him, and he will never shake his fist at Me again after My judgments fall upon him."

A Prophetic Vision Of Satan The Accuser Before The Throne Of God, June 22, 2015

The Accuser

This afternoon I had a vision. I was allowed to stand in the Throne Room of the LORD. The worship before His Throne is awesome and ecstatic. I was caught up for some time in the Song of the LORD in Adoration.

Suddenly, everyone became silent.

Then, after some minutes(?), I watched as what looked like a perfect "man" came forward and stood in front of God. He looked like a prince. He was a very handsome man, but I knew that something was terribly wrong with him. He had a haughtiness about him, and was clothed in a majestic robe that kept changing colors, from black through the rainbow color spectrum and back to white and then, in reverse back to black again. This happened every minute or so. But each time it returned to white, it was more and more grayish.

He stood there with a mocking expression with his hands on his hips. As he smiled, it looked pure evil...such hate was in His eyes toward God. I was astonished that anyone could stand in this Holy Place like that. I thought to myself, "Why doesn't the LORD do something and throw this impudent man out of here immediately?! I noticed that all the music and the worship was stopped. Just total silence. The Living Creatures were hovering above the Throne, but without making a sound...just everyone's eyes were glued on this proud, hateful "man".

There was just that deafening pregnant silence for some time. Finally, the Father spoke from the Throne in a booming Voice that shook the pillars and the whole floor. I trembled. "SATAN, What have you come here for?!" He thundered.

"I am here to inform you that Your Plan has failed. Your church is divided, rife with sin, idolatry, uncleanness. Israel is surrounded by my warriors, who will destroy her. Even you", he sneered, "can't stop me now! This generation is MINE! They don't love you. They don't want You. They love me! Not You! Just look at them running after my every pleasure and sin! What do you say now, oh great lover of Adam's hopeless race? Millions are perishing forever in my domain! And all you can do is look on in despair...they will NEVER come into your Kingdom NOW!"

I was astonished as I watched this "beautiful" man as he began to change in his appearance before everyone! He began to change into a hideous demonic form, with large horns and reptilian-like skin. Then his eyes began to glow red and he grew into a being that looked about 30 feet tall. Claws grew out where

the man's hands once were. He had giant wings but they looked like an old bat, like they had been eaten away by some awful disease. He was very muscular in this alternate form, but his flesh was dark gray and blackened in many places with what looked like soot. I was looking at Satan himself! What a hideous creature he is! Maybe he was once beautiful, but no more!

Yet, he did not stay in that form long. When he finished that accusation, he once again transformed back like the "man" who first entered, except, I could faintly see the outline of his once angelic wings now behind him.

"Satan, I have seen this day from before the Dawn of Time! I know ALL that are Mine. Not one of them shall perish! I died and shed My Blood for them all. I was condemned in their place!"

When He had said, "My Blood", Satan shuddered and fell on his face before God. It was obvious he could no longer speak to God. His accusations had been silenced this time once again.

God continued,

"The only souls that are lost are the ones YOU planted in the earth! Do not accuse ME or My People of unfaithfulness! All that are Mine are destined to come to Me and are written in My Book. Nothing YOU do can stop Me or them! Nothing takes Me by surprise. Even your fall, and your defeat at the Cross were foreknown before you were even created. Now, Your hours are numbered. You END is near!! Soon, you shall be silenced and no longer shall you hurt or destroy My People.

"No matter how hard you try, you shall never succeed in mixing the Seed of the Righteous with the seeds of wickedness and evil. Your time is almost over! Then you shall burn forever in the lake of fire prepared for you and all who follow you. Every soul that joins you there shall only add to your everlasting torments."

Satan suddenly disappeared in a flash of smoke and fire, and the worship and glory of the LORD filled that Holy Place once again.

Then, the vision ended.

I don't claim to fully understand this vision, but, by His Grace, I was faithful to record what I saw and heard.

May the LORD bless you and keep you, dearly Beloved ones!

The Vision, August 17, 2015

On this past Monday evening, I was listening to Rick Taylor preaching at the Healing Rooms. Suddenly, I had a vision. I saw us all pressing in with all our might in the Spirit in spiritual warfare. We had our full armor on. Our shields of faith were flush together over our heads like a regiment of Roman soldiers in formation. They were together so tight that it looked like one massive shield in front of us and over our heads like a wall of fire. Our swords were drawn and out in front of us. We were not many, but we were mighty before the enemy. We were gaining ground inch by inch. Satan was hitting us with all he had. His greatest principalities were hitting us. Arrows with flaming heads were raining down upon us like rain. I could not even see the air or sky...just what looked like millions of arrows. The closest thing I could relate it to was the siege of Minas Tirith in Tolkien's Return of the King movie. The LORD spoke to me saying, for the past three weeks, there has been an all out attack against the leaders here, as well as all of those in the earth who are contending for the great end time revival/awakening that is coming.

The LORD said, "LOOK UP!!" So I looked up. Then, it seemed like I zoomed outward and I saw a band of darkness around the earth. Under it, looked like "all hell" was breaking loose, literally. Demonic assaults were raining down on all nations. But, I noticed that some nations had less oppression than others. Some looked like black holes, there were so dark. Others had points of light and fires shooting upwards. Then, I watched as I seemed to zoom in again to our ministry here in California. A column of what looked like liquid fire just shot up from us above where we were battling on the earth. This fire hit the band of darkness over the earth and began to bore its way through it like a plasma laser! We were right at the edge! On the other side of that dark band was light that was so bright that I could hardly see for a time. Then, my eyes seemed to adjust, and I saw the LORD seated on His white horse. Behind Him were the armies of angels as far as I could see. Then, I saw the Heavenly Saints

behind them on horses and chariots of Fire. They were all waiting for the moment when the columns of the Fire of God would break through that dark band around the earth.

Then the LORD spoke to me again and cried, "YOU ARE NOT THE ONLY ONES CONTENDING TO BREAK THROUGH THE DARKNESS...BEHOLD MY BRIDE IS PREVAILING!"

He opened my eyes and I saw millions of praying saints in many places praying together in unity and love throughout the earth. There were these same columns of white-hot fire ascending over them. Many hundreds had reached the band of darkness. About ten were already more than halfway bored through already. I saw that those prayer warriors that had hit the dark band were attacked so badly, that many were reeling back and some had fallen, because of the fierceness of the demonic attack. BUT, THEY WERE NOT RETREATING!

Then, the LORD spoke like a lion roaring, as He sat mounted on His horse in front of the Armies of Heaven, "I AM AT THE

THRESHOLDS! HOLD FAST IN YOUR FAITH! I AM COMING FOR MY PRECIOUS BRIDE WITH TEN THOUSANDS OF MY SAINTS AND MY ANGELS TO BRING YOU HOME! BUT, WOE TO THE EARTH AND THOSE THAT REMAIN!"

"OH EARTH, EARTH, EARTH, PREPARE TO MEET THY GOD!"

Then, the vision ended.

Word for Rosh HaShannah 5777, October 16, 2016

Dear Friends,

Exactly at midnight on the evening of Rosh Hashanah - a couple of nights ago - the word of the LORD came unto me, saying,

"Warn America and the nations! Warn the backslidden, compromising church again of the great judgments soon to come! "

Much greater persecution is coming on the earth against the church. The anti-Messiah spirit is rising up with every passing day and increasing its grip upon the nations as Satan's hour to deceive the nations is coming ever nearer. It violently resists any manifestation of My true anointing flowing out of My Body - My Bride - My faithful and true, overcoming sons and daughters. The true believers are being separated from the false like the kernels of wheat are separated from the worthless chaff on the threshing floor of the earth. Multitudes are and will be harvested in the valleys of decision. More and more of your liberties and freedoms will be suddenly be removed that you so selfishly take for granted at this time. Your only real choice now is revival - or judgment. The grace to live in sin and

compromise without any consequences is coming to an end! Judgment has come to the House of God first, as it is written. Then I will restore Israel completely before the entire world and judge the nations in My Holy wrath, as it is clearly predicted by My Holy prophets in the Bible.

"Deception - in all forms of religious and spiritual idolatry are increasing exponentially as this Day draws near. You are in the prophetic midnight hour now. Run to God and repent of your wickedness at the Mercy Seat of My Grace while you can still do so. When the doors are shut and the Tribulation begins, what will you do then? Oh My people, cry out to Me for a double portion of oil for your lamps. I am coming very soon to take My overcoming Bride out of this wicked world and I am bringing you home to be with Me forever, as I promised! Hold on to your consecration to Me! Continue faithful to the end and you shall receive a crown of glory that fades not away!"

"Economic judgment - under the unbearable weight of the power of unbridled, massive, worldwide debt - the economies of the Babylonian system of nations - will soon collapse,

preparing the way for what is called by many 'the new world order'. This new spiritual, political, and economic system - which is not really new at all - will soon enslave all who live on the earth and the Antichrist will be worshiped by all, in order to survive."

"Oh My people, heed My warnings! It is upon you!"

"Put your treasures in eternal things. Then your heart will be safe and you can flee from the wrath to come. Love not this present world and the things that are in it. Set your affections on things above that are forever enduring and cannot be stolen from you."

"Open war is coming against Israel and will result in multitudes more killed in the Arab nations surrounding Her. Damascus will soon be completely destroyed and never rebuilt, as I have declared in Isaiah 17."

"I made a covenant with those who fought in WW2 that I would grant the Western powers of Europe and America 70 years of worldwide peace and prosperity under NATO because they stopped Nazi Germany and helped to birth the nation of Israel. Those 70 years are over."

"Now, this wicked generation has forgotten Me. You worship demons and devils in My place. You have turned your backs to me in defiance. The blessings of peace are soon to end! Psalm 83 and Obadiah will be literally and totally fulfilled. So will Ezekiel 38 and 39 soon after. Iran, Russia, and their allies will suffer the same humiliation and defeat as they try to destroy My people, once again."

The Endtime Army of God and the Seven Mountains Vision, January 22, 2017

I had a vision tonight. I saw the Overcoming Church standing in full battle array with bright armor on...everyone was clothed head to toe with the armor of God with swords and other weapons in their hands. Yeshua was on a white horse in front of this vast army of believers and had his sword unsheathed and lifted over His head.

Then He cried, "The time has come for you to take the seven mountains and to control them so that the final harvest can be reaped in the earth! Go forth and take dominion...Go forth and possess the land that has been promised to you, oh Mighty Warriors!"

Then the Herald Angels came up flying above and in front of the army, and 120 of them fanned out in a giant arc in precise formation. They had long silver trumpets and they lifted them to their lips as they flew. I noticed that there were seven giant angels in the center of the arc that had long golden trumpets. They all blew them together. As they did, there was bursting forth out of the bells of the trumpets - lightning flashes - and there were huge thunderclaps as they blew three long blasts. The last one was the longest and it was nearly deafening as it sounded louder and louder.

Then I saw this mighty army start marching forward in precise formation. Not one of the millions we're out of step. They divided into seven parts. In each of the seven divisions there

"I will surely destroy the militant Islamic regimes that are terrorizing the Middle East and many nations. Israel is My cheese in the mousetrap of the nations. I will stand up and fight as a Man of War to defend My covenant that I made with Abraham, Isaac, and Jacob. As you have done to Her, I will surely do to you."

"You ancient enemies of Israel - Hear the Word of the LORD!

You shall all be defeated! You shall fall and perish before the eyes of the entire world; never to rise again! Then, all shall know that I, the Most High God - I AM the Holy God - the Holy One of Israel - as it is clearly written in My word. From the beginning I have prophesied the end. It shall surely come to pass exactly as it is written!"

"I will gather all nations in the valley of Jezreel, which is also Armageddon, and judge you there.

All who hate Me, My people, and My nation will be destroyed

by the sword of My own mouth when I return to establish My Kingdom upon the earth. This is not a fairy tale or a fantasy myth of religion. It will come to pass literally before your eyes. This is upon you now, and will be fulfilled precisely when the Father has planned it. Nothing can stop these events shortly to take place!"

"OH EARTH, EARTH, EARTH - HEAR YE THE WORD OF THE LORD!"

YESHUA the Messiah

were commanders of 10,000; commanders of 1,000; commanders of 100, and commanders of 10. I could see the leaders of each 10,000 in front of their divisions and by their uniform and insignia, I could clearly see the other leaders as well in their different ranks. These were marching in the front line in the center of each smaller division. There seemed to be so many that I could not see the end of them. It stretched as far as my eyes could see. There was such precision as they all marched forward in formation. There was absolute silence and unity except for the sound of the marching legions in exact rhythmic footsteps. All the boots hit the ground at the same time - millions and millions of them! It was so awesome that I was overcome with wonder - I marveled at it greatly as each division moved as one Man - relentlessly forward with great solemnity and fierce resolve.

The angel next to me said, "This is the Conquering Bride going to war for the precious fruit of the earth. The Grand Finale has begun! The Glory of God shall now cover the earth as the waters cover the sea! All shall taste and see that the LORD is good and His Mercies endure forever!!"

Then I was suddenly in another place. I was looking above the army of the LORD high in the air - where the Heavenly Host were flying above the Saints in the same kind of ranks and military precision. There were more than could be counted.

Multitudes and multitudes were flying above the saints as they marched into battle in perfect military formation.

As I looked ahead, there were seven huge mountains before us. The army split up and seven separate armies then marched steadily towards them. There was one ahead of the rest, and this army rapidly ascended the first mountain, until they climbed to the summit and put a big flag on the top of it. It had a Lion on this giant banner and it seemed to be on fire with white flames and lightning was shooting out of it in every direction. There were peals of thunder that seemed to shake the whole mountain. Finally, the original flag seemed to transform into the LORD Himself seated on a throne on top of this mountain in the form of a terrifying Lion.

Then I saw the name at the base of this mountain was "Political Power". The angel said, "This mountain must be taken first, as it has begun in America, and then in the nations. For seven years the ungodly shall not be able to stop the government of God in the earth. I will stand up defend Israel and America as a sign to the whole world that the Most High is Sovereign in the earth! Then the end shall come when My wrath shall be poured out upon the ungodly nations that refuse to repent."

I trembled when the angel spoke this and fell on my face prostrate. After some time the angel that was helping me in the vision lifted me up and cried with a loud voice, "Behold!" My

head seemed to clear and I got my strength back a little. Then as I seemed to zoom in closer on the Lion, I saw that he was now standing with His front right paw – it was huge - with great sharp claws - on top of a hideous looking demonic creature with shredded wings. It had an awful stench. It would change forms from a beautiful looking angel, into a hideous dragon-like reptilian creature, and then into a snake that writhed and slithered around in a frenzy. But, it could not escape the Lion of Judah Whose claws were tearing into the neck and head of that devil. Then the Lion roared so loudly that it shook me to my core!

That devil smelled so awful! It was gasping for breath and dying as the Lion was crushing its' neck and head under His giant paw. It was screaming and shrieking in agony as it was perishing. I saw the name on its' forehead was "Secular Humanism." It had once been a beautiful being and had appeared to men as an angel of light, but now its true hideous form was being revealed. I don't know why I knew that, but I just did, as I saw it. That is when the vision ended, and I was back in my room.

I was told to write down what I saw and to share it with you, beloved brothers and sisters.

Prophetic Word from Jerusalem, February 23 2018

Dear Friends,

The LORD spoke to me today and said, "Many of My people believe that I will not judge the wicked in the world. But, read My word! I have warned you all through it that I am coming to judge all for their wickedness. But, I am waiting for the fullness of the harvest. Both the wheat and the tares are coming to their fullness. Those who will repent and bow before me in surrender and humility will be saved. Those who refuse My grace will remain standing in pride and defiance of My glory.

Oh, earth, earth, earth - You have tasted of My goodness and My grace through ministry of Billy Graham and many others for the past 100 years. Yes! I am love. Yes! I am patient, kind, and longsuffering! Yes! I am merciful!

But, I am also Holy! I am a consuming fire! I must judge sin! I must bring an end to the tyranny of Satanic hatred and destruction.

Many false prophets and teachers are proclaiming that the Fear of the LORD, and the holiness of consecration are no longer necessary. That is a lie of the enemy. Repent and surrender to Me now! There is no "new revelation" that can change Me! I never change! Do you want to know the truth? Then, read my book! I am not made in your image, oh wicked and perverse generation. You are made in My image!

I told you over and over through My true prophets, that when I take Billy Graham home, it will signal the end to the Church age of grace to the nations.

I can wait no longer! As I let Methuselah live so long, so I stretched out Billy Graham's life as long as I did.

The time of reckoning is here! I am coming for My Bride to take her home! I am coming to completely restore Israel and the Jewish people to their land and their Messiah...

AND I AM COMING WITH MY HOLY FIRE AND MY GLORY TO JUDGE THE EARTH FOR HER EVIL AND WICKEDNESS BEFORE ME.

Just as you have experienced My love and grace for 2,000 years, so shall you who have rejected and turned from Me experience My Day of Wrath and My Vengeance. For it is written: "for vengeance is MINE. I WILL REPAY, saith the LORD!

Do you think that I am a man like you, and that I lie?!

NO! I AM THE LORD! I CHANGE NOT!

OH EARTH, EARTH, EARTH! PREPARE TO MEET THY GOD!

I AM THE HOLY ONE OF ISRAEL!

Vision of a Terrorist Attack on US Power Grids, October 13, 2013

The LORD spoke to me in prayer tonight to alert the intercessors concerning an imminent threat to our electrical systems in America. THIS IS SERIOUS! Fast and pray to stop this terrible terrorist attack on our power grids! I saw a vision of the East Coast of America completely blacked out, and with no way to restore the power. I am not sure whether it involves an EMP bombing attack or some other means of killing our electrical systems. But to me, it looked like a nuclear device was detonated in the upper atmosphere over the East Coast, in this

vision, and just knocked out all the power. I believe that the LORD showed me this in order to stop it. We have authority, Body of Messiah, to pray in Yeshua's Name and stop this terrible evil! THIS IS FOR REAL AND SERIOUS! Please cry out to the LORD for mercy, as we are vulnerable and a sitting

duck unless the angels intervene! God have mercy on us! It was such a scary vision...and a VERY STERN warning from the LORD.

A Vision of the Courtroom of Heaven, December 27, 2018

I had a vision/prophetic experience as I was eating lunch recently. Suddenly a portal opened in the spirit realm and my angel said to me, "You are summoned to come to the Courtroom of Heaven. You are to record the case being tried now, so that God's people will know the lateness of the hour. You must warn them so that the Bride may awaken and take heed! The time is short!"

I was escorted by two angels to a seat on the left side, down front, of the Supreme Courtroom. There were many hundreds of angels and saints already seated before the Bench. I was surprised how much it looked like our Supreme courtroom in America, except it was much larger. It looked more like a giant arena with thousands of seats ascending up as far as I could see. There were five big leather "lawyer-like" chairs with wings on each side in the front row. They reminded me very much of the kind of chairs my father always sat in behind his desk at his law firm years ago. There were gold-embossed cards on them that said, "Recorder" on all five of these chairs. I must have been the first to arrive, and I was ushered into the one closest to the Bench. I sat down and sunk into this really comfortable chair and was handed a pen and a small scroll. I was curious as I looked at it, for it looked really old-fashioned. The pen was a feather quill with an old fashioned nib like a fountain pen at the bottom to write with. The "pad" was a scroll that was made out of parchment. It would open automatically as you wrote upon it when you got to the bottom of the page. It was kind of like an iPad that looked like a small Torah scroll at the same time. The angel showed me how it worked, it was extremely easy to hold and write on. When I would start to write, it would write whatever I thought of in perfect calligraphy script as fast as I thought it! The nib seemed to just fly over the parchment with ease in my hand. It would write whatever the angel put into my mind from what I saw and heard to record, and then would describe perfectly any other information the Holy Spirit deemed important in an instant as it happened. It was the easiest thing I ever written, it seemed to do all the work without my thinking or trying. I think this must be heaven's way of court/legal stenography! Most amazing of all, I was writing in Hebrew, and I hardly know the language at all! But, somehow, I understood and thought in fluent Hebrew during this vision. I cannot offer any explanation for this at all.

The angel said, "You are one of five prophet Recorders that have been summoned from the earth to chronicle and witness this trial soon to begin. Just let the pen flow over the parchment and it will be a witness to the proceedings. Then, you will sign it when it is finished, and it will be added to the Eternal Ledger of Legal Proceedings."

Soon, the other four recorders were seated and shown how to write as I was. I recognized one of them as a current prophet on earth. He was the only other from the Western world. I cannot speak of whom it was at this time and the other three of them were not known to me. We were all different races from different regions of the earth. One was a Chinese woman of great age, who just glowed with the wisdom and love of God. We were dressed in black robes, with red border sashes on the sides and the sleeves. The other prophet/recorder was a lady from Africa who had a headdress that wrapped around her head which flashed rays of light whenever she moved. She spoke and wrote in French, I believe. The fifth was a man from South America. I was given a yarmulke of golden color. It had twelve ruby stones around it. (God called me to wear a yarmulke whenever I minister on earth, so I wasn't surprised that I had one to wear here). When the angel put it on my head I could feel the weight of it like it was made out of actual metal/gold, even though it felt soft to the touch - like silk.

Everyone finally assembled and a great and beautiful Angel who presided over the courtroom named "Justice" stood up. She seemed to tower over us and was about 20 feet tall! Then angels appeared with long trumpets on either side of the courtroom and sounded a fanfare that ended with a blast. The Angel Justice then shouted with a very loud, but soprano, Voice: "ALL RISE! The Honorable Ancient of Days, The Judge of all Creation, The King of the Ages, The Most High LORD Almighty is present and PRESIDING!!"

We all stood up exactly at the same time in unison. Then the most awesome sound of praise and worship filled the atmosphere as we all began to praise His Glorious Majesty together. I have never experienced such a sense of awe as the Fear of the LORD filled the Court! It was only then that I could just make out who was seated behind the Holy Bar. There were not nine judges, but twelve. God the Father sat in the middle with six of the Supreme Court Judges on both sides of Him. I somehow knew He was the final deciding vote in every

decision. After our praises finished, the Angel Justice, who I now saw was a Lady and not a male Angel, shouted: "Be seated! The High Court is now in session. She was standing just in front of His Throne. She had a golden gavel and struck a giant crystalline base with it. There was a great thunderclap and lightning flashed out from the gavel base and flew across the room in all directions.

It was only then that I could see the Judges behind the bench. The only Person I could not see the Face of was the Father, but I could see the Throne He sat upon and the outline of His face. He seemed to be clothed in a white blinding light as well. He had a black robe on but had every color of the rainbow flashing out of it. If He moved even slightly, lightning bolts would fly all over the room out of His head, His hands and His feet.

The other Judges to the Father's right hand were Enoch, Father Abraham, Moses the Lawgiver, David the King, Elijah the Prophet, and Daniel. On the Father's left hand were John the Baptist, Peter, James, John, Andrew, and Paul the Apostle. I do not know whether these were the permanent Judges of the Supreme Court of Heaven or not, but these were the ones seated for this case. They all were also dressed in these black iridescent judge robes. There were stunning crowns of glory on each of their heads, and they were holding gold scepters in their right hands. The Father in the middle on the Throne of Judgment held the biggest scepter and had many crowns suspended over His head that shot lightnings out of them in every direction. I could not look upon them or His face because it was so bright it was like looking into the noonday sun. I was given one glimpse at Him when He first came into the Courtroom. There was a rainbow that would appear that encircled Him above and below that I saw a few times during this vision. I could not endure looking at Him for more than a split second before I had to avert my eyes for the white blazing brightness was too intense. All the judges behind the Great Bar were emanating great light that was also nearly blinding. That is the closest I can describe them now.

Then the Case was read before all present by Lady Justice the Angel:

She spoke: This is (the summary) of the case brought before the Supreme Court of Heaven today:

"The Timing of the Final Judgments of the Day of the LORD must be decided. The Accuser satan is prosecuting, declaring that the time of Adam's lease is over and he must be allowed to take ownership of the earth for a time, and times, and a half of time, as it is written in the Holy Scriptures.

"Representing the Holy Defense is the LORD Yeshua, Jesus, the Messiah the Lamb of God." At this, Yeshua Himself stood up at the Defense table as the Advocate General of the Bride of Messiah on earth. He was representing the Holy Saints of God still alive in their bodies on earth. When He stood up at the left table, everyone bowed and worshiped, except those at the prosecution table to the right. There was a very handsome man who just sat stone-faced with several other princes at the prosecution table. They did not move. The head "man" sneered when they worshiped Yeshua.

"Representing the agenda of the fallen Lucifer, now called satan, is himself, the Accuser, liar and deceiver, - Ha satan." At

this, the handsome prince with the evil smirk stood up. No one moved. There was silence in the courtroom for about a minute. Then, Lady Justice spoke again, "You may sit down now." Finally, he did so, with another sneering grunt. I marveled that he seemed human and actually very attractive to look at, although there was no heavenly light in him or around him.

"The prosecution may proceed," Lady Justice proclaimed.

At that, this 'man' stood up. He was robed in a black suit that had a long cape of crimson red that followed behind him. He had gold epaulets on his shoulders that were built into his cape. He was very articulate and extremely haughty. I got sick to my stomach, as he spoke. He walked back and forth in front of the court room in long strides with his nose in the air. It reminded me of a painting of what Napoleon looked like, except this 'man' was much taller than Napoleon. He began his long diatribe of accusation against fallen man. He seemed to know the Bible very well. Starting from Adam and Eve, he began accusing God of failing mankind in every generation. He started with the stipulation, "Adam was given exactly 6,000 years to rule the earth. He gave that lease to me and I own it. I have a right to rule over every man, woman, and child who are MINE by Adam's free choice. The time is up. I now demand, to be given to me the government of Mankind through whom you call the Son of Perdition. I call him, My Son of Man. I have the scriptural right to take control of the earth for seven years. GIVE IT TO ME NOW!"

Then he sat down. Again, for about a minute or so, there was complete silence.

Lady Justice then spoke again, "the Defense may proceed."

Yeshua then arose from the Defense table. He wore a white robe with blue trim and red sleeves with a bottom border and neck border of red. He wore a small diadem of solid diamonds as a crown. Once again, when he stood up, everyone bowed their heads before Him in worship, except those at the prosecution table.

He said, (in summary) "As the true Son of Man, I have taken the death penalty for every generation of fallen man, including those in this harvest generation. I also stripped satan of his authority over the Church of the Living God. His gates can no longer prevail against her. Through the intercession of My Holy Bride on earth, the overcoming Church of the Living God, there has been granted a pause by this Court to allow for the fullness of the harvest to come in, during the last hearing on this matter in 2015 - three years ago in earth's time. For I spoke on earth, as it is written, 'This Gospel of the Kingdom shall be preached in all the world, and then the end shall come.' I, by the authority of the prayers and intercession of the Bride, documented here in this scroll..." He handed the scroll to the Father, and another copy of it to satan's prosecution table... "I petition the Court for another measure of time for the end time church to finish and fulfill the promise to My people, as it is written, 'that NONE should perish, but all, (who are truly Mine) have the opportunity to hear the good news of the Gospel and to be saved from perdition.'"

As he was speaking, satan - the handsome 'man' lawyer was busy reading the scroll feverishly to see if there truly was

enough intercession to stop his immediate seizing of the earth and for the tribulation to begin. He was consulting his other diabolical “lawyers” about it. Foul language was coming out of his mouth along with hissing and, accusing his right hand “man”, saying, “You told me that we had destroyed the prayers of the church. The great awakening had been thwarted! !###**!*!@&*!!”

“Yeshua continued, “As you can see, my faithful Bridal remnant has kept the faith, enduring the evil, and continue to overcome. The blood of the martyrs has proven their faithfulness. Look at China. Look at the Middle East, look at Africa, look at Indonesia, look at South America, look at the islands of the sea, look at My persecuted Bride in all nations. Even America has held, though all of hell has been thrown against her. The facts speak for themselves. I have the authority to request for another extension of time. The Defense petitions the Court for another extension of time in the Grace that I purchased by My blood on the cross. Also, I petition the Court to look into the scrolls of the hidden counsels written before the foundations of the earth regarding the Mysteries of the Harvest of the end of days. These, satan has no knowledge of - as they were never shown to him. It is written there, as well as in the hidden revelation of scripture, that the Tribulation beginning the Kingdom Age must begin only after ALL of My Bride that are ordained to Eternal Life are saved and come to the knowledge of the truth. This information can also be found in the scroll given by My hands to the Court for eternal record. The evidence written in this scroll fully confirms and documents our Holy and Righteous claim.” Though millions shall come to me and be saved in the Tribulation to come, My Holy Bride must all be prepared now!

Then there came a time of silence. Nobody moved. the Judges on the bench were studying the scroll. Somehow it had multiplied into 13 scrolls. All of the Judges, (including the Father), read through the scroll. I got to get one glance at the writing. It was written in red! It was written in the blood of Yeshua! I was told that by the chronicling angel that was helping me to write .Amazingly, as I wrote about this, the ink coming out of my pen became blood red as well for the duration of the description of it. Then, it turned back to black ink again.

After some deliberation, there was a vote. Every judge voted in favor of the saints to extend another time period of grace. I cannot disclose how long it is at this time.

Finally, the Father, the Great Judge of all the earth, spoke. He said:

“On the basis of the evidence presented by the Defense, I decree that the prosecution has failed to bring a closing to the final days of Grace on earth. An extension of time has been granted to the saints of the overcoming Bridal remnant Church.

“Nevertheless, the birthing pains and judgments on the earth will not be stopped. Ha-satan has the authority to rule over the tares of the earth-the wicked in darkness, by their willing consent according to the tenets of free will given to Adam’s race at the beginning of creation. Both the tares and the wheat have grown up and are now ready to be harvested. Therefore, the birth pangs of judgment shall increase. Those that will abide with Me in the secret place, I will provide for and protect. Those

that do not are in more and more peril with each passing day. Though I have granted this, the final Day of the LORD has indeed come, and the prosecution is correct. The time of Grace upon the earth is nearly over. Warn my children: This is the midnight hour! Watch and Pray that you can stand in the evil day and overcome! I am answering the prayers of My Kingdom coming to earth. It shall come first in the fire of My Holy judgments! But it shall also come in the Great Awakening that I have promised of revival and outpouring. The Time of My Wrath is soon to engulf the earth! But, in it I will remember Mercy. Many millions of souls shall be saved and come to the knowledge of the Truth.”

Then the Angel, Lady Justice, came forward and was blindfolded. She raised a large, old fashioned scale in her hands above her head. Into one of the bowls a presiding angel poured a black sand-like powder from a brass urn. This tipped the scale to all the way at the bottom as far as it could descend. This represented the accumulated sin and rebellion of all of mankind, as well as the failures of the church in this generation. Into the other bowl, a presiding angel dressed in a golden robe poured a white sand-like powder from a porcelain white urn, that represented the prayers and intercession and obedience of the overcoming church in generations past as well as the Bridal Company of our generation. (This is what allows for evil to be restrained.) I was really alarmed, because it looked so small at first compared to the amount of black powder in the other bowl. But, the angel kept pouring, and suddenly the Holy justice scale began to balance out. Then it was even. As we all watched, the scale suddenly shifted. The white bowl went down and the black bowl came up! Then there were mighty shouts of Praise and Victory in the Courtroom!

Then, the Father raised His golden scepter in His left hand, and slammed his Gavel down accompanied by thunderclaps and lightning flashing everywhere with bursts of rainbow colors shooting through the courtroom, and said, “The time of Grace shall be extended as petitioned by the Bride of Messiah for a little longer. _____ more (length of time) has been granted to finish the final harvest in the age of Grace.”

(Note: I have condensed what was spoken in the trial into this brief summary. I am forbidden to share any more...though much more was spoken. You can (eventually) go to the Library of Legal Proceedings in Heaven to access the entire transcript. Of course, you will probably have to wait for this access to when you arrive there, unless granted by the LORD through revelation by the Holy Spirit. Amen.)

Then, I was told to sign the recording scroll I had written. (The other four prophet recorders also signed their scrolls. I noticed that their scrolls were written in different earthly languages. The most visible was in Chinese.)

Then, the vision ended and I immediately went to my computer and typed what I saw and heard.

Dearly Beloved Bride of Messiah, we must labor now while it is light! Soon it will be night, where we cannot labor in the Harvest Fields of the earth any longer.

People get ready! Jesus is coming!!

911 Urgent Warning for America Encounter from God — July 1st at 12:00 Midnight

Right after midnight, I got a very strong word of warning, and also it was accompanied with a vision. This is the clearest The Lord has spoken to me in quite a while as far as current,... something current and the Lord says to me, He said, “Get on right now”

It’s July 1, we just went into July 1, Then the Lord says that the next five months, up to the election, there is a coordinated planned, very, very deliberate, step by step takeover of the United States by the left and Marxism and the whole point is to stop President Trump from being reelected. They know, the democrats know, that they will lose the election.

There is an all-out attempt, The Holy Spirit said to me, to overthrow the government,.. overthrow the whole thing, to stop America as we know it. And, and the Lord says to not only, we have to pray, we have to fast and pray. We have the next five months. If we don’t have an intervention, which I believe God can do and I believe He wants to do. I believe that we are too, but I stand right now, as, as having seen the acceleration and the multiplication of this violence, coming out of the cities from the centers of the big cities, and this will not let up unless we have a miracle,... we need a miracle from God, because this unrest has just begun.

There is a,... I don’t know if it’s another form of this same China virus that we’ve experienced, It might be in a new one or it may be just a resurgence, I don’t know, but I saw ambulances. I saw hospitals being filled. I saw the shutdown of the schools, which are planning to open.

This whole COVID thing is not a natural virus. This is created. I saw it as a coordinated attack. It really is, and I’m not interested, or I don’t watch the conspiracy things. I don’t, but I saw The Lord said: “Warn, warn, America, warn the church, warn the bride that this acceleration is very, very serious.”

The Lord says: “America shall humble themselves before me.”

So far, so far, God has been merciful, and He’s holding back. The next level is going to hit. And when it does, it’ll make this look like a little picnic. This, the scope of the anarchy..... I mean ... I believe in the promises of God, I believe that God wants to protect us and He will. But, I’m also telling you, this will be an all-out effort on the part of the satanic, to try to take over, to prepare to bring America down before the great revival awakening. He knows it’s coming and to discourage...to discourage God’s people.

That’s why he told me the last 105 days, I’ve gone on and encouraged and, and where we’re reading and we are confessing the promises of God, we are standing.

I believe God’s made a separation already, but this will not shield the world from the shakings that are soon to come. And like I said, we haven’t seen anything like what very likely comes. I saw two.

The Lord said, “Get on now.”

I said, “Yes sir. I’ll do it.”

He said, “This is a good time to prepare yourself, for this is the midnight hour right now. These are perilous times, and the attack of violence and lawlessness could very quickly,... AND

with this disease,... AND then other things that are coming are going to shake America to the very core.”

We must humble ourselves, we must pray.

The Lord said the Lord is coming. It’s already, these things are set in motion. It’s been planned for a long time.

We need to cry out to God for His miracle intervention right now. I believe this scripture that says, when the enemy comes in like a flood. The Spirit of the Lord will lift up a standard against him.

I don’t like to predict doom and gloom. When I saw what I saw, what I am to tell you is there’s another level that will come towards the end of the summer, an increase of these birth things, and then there’s another one when we hit September.

Right now, the people of God, we must intercede like Abraham did for Sodom. I mean, take heed. Take heed and know that this is very real.

God shook me tonight. He shook me, and he said as we enter into July, this is on a razor’s edge. It could go either way. America can have a rebirth, even,... but not with this hardness and pride and arrogance and defiance, no. And of course, we cannot stop all the birth pains with our prayers. We are in the end times, we’re in the last days, we are on the border of the tribulation. It has been restrained.

Things are going to the next level. The next things that happen, are not light. They’re not little, and the world has never seen, America has never seen them. They’re not prepared. We’re not. We’ve not prepared because we’ve never had anything like it.

In the last seven years we’ve had nothing but ease and prosperity, and pretty much, Americans have not known war. We haven’t been since World War Two.

This was a critical time, and we must, I mean, I’m telling you, cry out to God, have mercy, because the things that are, the evil, already unleashed. It’s already in motion. If God doesn’t put a standard up, we will see catastrophic sudden change in America, and the time has come.

I must be faithful to the Holy Spirit, and to warn you.

Whatever you’re doing with God, you just double it. I mean, your time with God. Include fasting. If you can, do partial

fasting. Cry out for God to have mercy that we, we have to get through this election.
