MY MOTHER ALERTS YOU, I HAVE ENTRUSTED MY CHURCH TO HER; TO HER, TO THE WOMAN CLOTHED WITH THE SUN WHO FIGHTS AGAINST EVIL TO RESCUE THOSE WHO ARE MINE; TO HER: TO MY MOTHER, WHOM I LOVE, TO THAT SACRED AND CRYSTALLINE VESSEL, TO THAT IMMACULATE WOMB THAT IN THESE INSTANTS IT IS DEPRIVE OF MERITS, TO THIS MY MOTHER THAT I HAVE ENTRUSTED THIS GENERATION SO THAT SHE BRINGS IT TO ME.

Do not separate yourselves from Her, turn continuously to Her with the praying of the "Hail Mary" and do not forget that the praying of the Holy Rosary contains within it the power to drive away evil, if it is prayed with devotion.

I AM HERE WITH MY PEOPLE, I LIVE PRESENT AND PERMANENT, CONTINUOUSLY, I DO NOT ONLY DWELL BESIDE MY FATHER AND OUR HOLY SPIRIT IN HEAVEN; I AM PRESENT WITH MY HOLY SPIRIT IN YOU, I HAVE NEVER ABANDONED YOU, AND I WILL NEVER ABANDON YOU.

My People, pray for Holland, it will sink in weeping.

My People, pray for the United States, its leaders bring pain for My children.

My beloved People, pray without ceasing, for you have destroyed and contaminated the Creation My Father gave to you, pray without ceasing.

And how would you desire that this Christ do not speak to His own of the wrongdoings they commit?...

How would you want Me not to mention that you have contaminated the Creation with which My Father bejeweled His children?

That would be to deny that Creation, the Stars, the Moon, the Sun, the Constellations and all that was created came from My Father's Hand.

No, children, you must become aware that you continually offend this suffering Christ who speaks to you, as well as My Father.

Do not forget that the one who commits a sin against the Holy Spirit, that one, that one does not have forgiveness, for by his own actions and words he condemns himself.

**MY BELOVED PEOPLE, ALERT ONE ANOTHER,
WITHOUT FEARS RASING THE FLAG OF MY LOVE AND BEING PROTECTED WITH THE SHIELD OF FAITH.**

Continue united, hand in hand, heart in heart; strength increases when those who are Mine remain united. Look to the heavens, since from the heaven on high the Blessing comes for My People; wait with patience for I will send My Help.

I bless you, My People whom I love, for whom I immolate Myself and continue being immolated.

Continue walking with Faith, walking without falling into errors.

**CONTINUE TO WALK TOWARDS ME, HAND IN HAND WITH MY MOTHER. THAT WOMAN,
SHE WHO IS THE MORNING STAR, REFUGE AND COMFORTER OF SINNERS, IS ALSO YOUR MOTHER.**

Every effort will not remain without receiving from My Hand, what is just for the person.

I come for My People with My Arms open to welcome you in My Mercy.

I bless you.

Your Jesus.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
FEAST OF CHRIST THE KING OF THE UNIVERSE
NOVEMBER 24, 2013**

My People, My beloved People:

MAN BEING MY SON, I DESIRE THAT HE NOT FORGET ME BUT THAT HE GIVE AND OFFER TO ME PURE LOVE, NOT ONLY WITH PRAYERS, BUT WITH EVERY ACT OR WORK WITH WHICH HE CONTINUOUSLY TRIES TO CONFRONT OBSTACLES.

These are instants in which the strength of the flame of Faith My People maintain must be strengthened and in that way, you will combat the errors that are being spread throughout the Earth.

REAL CHILDREN, DO NOT SUCCUMB BEFORE THE WORLD THAT WANTS TO SNATCH YOU FROM MY HANDS. You are My real children, do not allow the sin to separate you from Me nor the senseless currents of modernisms to make you forget that **I AM WHO AM AND I DO NOT CHANGE. I AM THE SAME TODAY, YESTERDAY AND ALWAYS.**

**MY LOVE AND MY TRUTH DO NOT CHANGE, RATHER THEY REMAIN UNCHANGEABLE,
AS MY LOVE DOES NOT VANISH FOR THOSE WHO ARE MINE,
NOR DOES MY TRUTH PERISH BEFORE MODERNISMS. MY THRONE IS NOT EARTHLY BUT HEAVENLY.**

Everything that My Mother has announced to you and has not happened; will happen.

Bewilderment will remain among My People, confusion will be a cause of their division, and so many injustices will be committed by men who do not possess the Light of My Holy Spirit.

Confusion will control those who do not truly know Me; those who are not true Christians and of those who do not love Me but only appear to love Me.

My Beloved People:

**TO LOVE ME YOU MUST KNOW ME TRULY, NOT WITHIN SUPERFICIALITY,
BUT IN THE FULLNESS THAT EMANATES FROM PRAYER,
FROM MEDITATION AND COMMUNION WITH ME.**

I Am The King of Heaven and Earth, all that exists is My Kingdom; what man is not able to see with his eyes is part of My Kingdom. I call you to look on high, that which you cannot see and beyond... it is part of My Kingdom. Just as the human body contains within it molecules that you do not see with your eyes, so, My Kingdom is infinite.

Beloved, My Kingdom being all that exists, I am a lonely and only King. My children accepts and give themselves to the novelties that idols present to them and My People allow themselves to be dazzled ...

**I AM KING AND BEGGAR OF LOVE, OF THAT LOVE I RECLAIM AS MINE,
AND YOU DO NOT GIVE IT TO ME.**

I COME AS THE KING TO TEAR DOWN IDOLS TO RECOVER THOSE WHO ARE MINE.

My beloved People:

**I call you to pray for San Francisco in the United States, sins overflows; it will be purified out of Mercy.
My beloved People, pray for China; that will suffer.**

Spain will suffer and the royalty will suffer.

**HUMANITY WILL BE ASTONISHED BEFORE THE LIGHT THAT WILL BE SEEN IN THE FIRMAMENT.
THE BLESSING DESCENDS FROM MY HOUSE AND FOR MY PEOPLE.**

Children, pray for one another. Do not decline; do not continue to ignore My Presence. I shine for you: where you do not find light, look for Me, I remain in you. My Light shines in the darkness; it is stronger than anything. There are many dwelling places in My Father's House.

See Me present in you; do not stop until you find Me truly present. You are My children today and always, forever and ever.

I CLAIM YOU, YOU ARE MY PEOPLE. You possess Divine Rights that you have limited for yourselves. I draw near with the power of My infinite Love, and each one of you will tell Me if you are worthy of Me.

I CALL YOU NOW AND WILL ALWAYS CALL YOU, just as My Mother intercedes and will intercede for you, Her children. My Mother will call you constantly so that forewarning you; eternal darkness does not reach you.

Hear My Word, My People.

I bless you.

Your Lord and Your King, now and forever, forever and ever.

Your Jesus

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Celebrating Christ, King of the Universe, my conscience leads me beyond and in trying to unite myself with the One who is Himself the Divine Will; I raise my mind, constantly governed by a thanksgiving.

I go back to the instant of Creation and palpitate in that Divine Intelligence that, not holding back Its Spirit, it accomplished the Creation.

To be King one must possess a kingdom and if man has recognized Jesus Christ as King of the Universe, then, we cannot separate that King from what is more than the Universe that we know, rather in the fullness of Divine Freedom, decide ourselves to walk with Christ not only on Earth but in the Cosmos itself.

The Omnipotence with which God created everything that exists, leads us to reflect upon all that exists, as continual thanksgiving to the one who is the Gentle Lamb of Love.

The Vault of Heaven covers us; the Universe shapes the stars and that which it contains... Thus we ourselves, as Christians, recognize that the Universe is all that which was created by God and that Heaven and Earth have surged from His Hands.

Only a King, Creator of all, endows His own with freewill to not force or subjects those whom He loves, to remain obligated to...

How wonderful and so much is the Divine Love...! Nevertheless the ungrateful men overwhelm and confront the Creator, assisting and receiving Him in the Eucharist, but rejecting Him in His Creation, when questioning Him without considerations or respects.

Oh human foolishness...! Without being more than a human being, man has surpassed not only time and space he has traversed, but he wants to tell God what He can or cannot have created, giving free interpretations distorted and made false by modern ideologies, that abusing; desire, to seize what is God's dominion.

Let us give thanks and with a contrite heart, let us again turn to that King who comes for His People and from whom He desires total correspondence.

Let us not limit the Creator neither forgets that not even one hair of our head falls if it is not by God's Will, but to that Will the humans must respond in every act or work of their life, without wanting to be more Than; **HE, WHO IS ALL IN ALL, BEGINNING AND END, ALPHA AND OMEGA.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 1, 2013**

My beloved People:

**MY LOVE CALLS YOU WITHOUT CEASING. SEEK ME WITHOUT CEASING.
I LIVE WITHIN EACH ONE OF YOU, IN EACH MOVEMENT, IN EACH BEAT OF THE HUMAN HEART,
IN EVERY GLANCE, IN EVERY BREATH... MY KINGDOM IS WITHIN YOU.**

I give Myself for all without distinctions; it is the human person who accepts or rejects Me: some because they do not love Me, others, out of ignorance. They do not recognize Me, they do not know Me in My Truth; I do not live in the highest, rather I live within each one of those who are Mine. **I AM THE ETERNAL PRESENT, I DO NOT ABANDON THOSE WHO ARE MINE.**

This is the instant of instants for those who are still blind, walking without faith, wandering without a path and submitted to what the world offers them.

My beloved, charity is a fruit of those who see Me face to face in each one of their brothers and sisters, without distinctions. I convoke My People to unite in My Heart and that of My Mother. Fraternal unity is truly My reflection in those who are Mine.

Fraternity, guided by True Love, does not see others' defects, rather it corrects itself, rigorously demanding of itself the Golden Rule, "love one another", within which helps its brothers and sisters, with the softness of My Word.

Violence plows hearts with harshness until it makes them bleed, and these aching and insipid hearts, continue to increase the violence they received, causing greater pain without the least feeling towards their fellow man.

**THE SUFFERING OF HUMANITY IS NOT MY WILL, RATHER IT HAS BEEN MAN WHO HAS FORGOTTEN
THE PRINCIPLES OF ACTING IN MY LOVE AND FRATERNITY, WHICH HAS BROUGHT PAIN, BY
REJECTING CHANGE IN HIS LIFE.**

In this instant, man lives the result of his violent and indiscriminate acts against what the Hand of My Father created for the wellbeing of His children. Humanity has altered the equilibrium of Creation, and Creation comes to the encounter of man with the end of making man return to My Side. I suffer with those who suffer, I agonize with those who agonize.

MAN HURTS ME BY USURPING MY WORD AND DEFORMING IT. MY LOVE IS NOT REFORMED, IT IS ALWAYS THE SAME, IT DOES NOT MODERNIZE, IT IS ALWAYS THE SAME. You must find happiness in pleasing Me even if that pleasing Me implies swimming against the world's current, impoverished by the scarcity of a heart empty of My Love and My Will.

The senseless of human desire to find Me, does not see the essence of what was revealed and is explained in this instant by My Mother and by My Word for humanity, warning as a Father would do with His children, without rest so that they, knowing what is coming, do not separate themselves from the correct path and are not lost.

**HUMAN BEHAVIOR BRINGS UPON ITSELF ITS OWN PAIN-FILLED FUTURE.
I SUFFER BECAUSE OF IT, AND I AM NOT HEDED AND MY MOTHER IS MOCKED.
DISOBEDIENCE TO MY WORD HAS LED TO PRESENT-DAY MAN HEADING TOWARDS A STRONG AND
FORCEFUL PURIFICATION, AS PREPARATION FOR MY SECOND COMING.**

The lack of a conscience in people, who gifted with intelligence, have lost the wisdom given by My Spirit and supplanted by the forces of evil, to create means of mass destruction, with the end of destroying a great part of the global population. This is the goal of the minds of the leaders of great nations.

My beloved children:

**DO NOT STOP, DO NOT RETRACT WHEN YOU PROCLAIM MY TRUTH, MY TRUTH.
THE MAN OF THIS INSTANT MUST BE TOTALLY SPIRITUAL,
LIVE IN MY PRESENCE IN EVERY ACT AND WORK, WITHOUT FORGETTING THAT I SEE EVERYTHING.**

I live painfully the scorn for the Gift of life; men kill each other as a sign of bravery and of power over their brothers and sisters. This is acting against My Will. The leaders of great nations unchain this violence, adopted by man's heart that, filled with violence and invaded by evil, acts in a savage state.

My Church must maintain the conscience of My People alert before the existence and insistence of the evil power over those who do not love Me and ignore My Will.

**I COME FOR ALL MY CHILDREN, NOT ONLY FOR SOME, BUT FOR ALL THOSE WHO LIVE,
WORK AND ACT IN MY FATHER'S WILL.**

The Divine Will is not exclusive, it does not set apart those who do not declare themselves Christians, rather it adopts those who live with a generous spirit, acting in obedience of My Will and drawing closer to Me.

SUPERFICIALITY MAKES ME NAUSEOUS, the truth of living in My Will acting in It, attracts Me without stopping.

HYPOCRISY MAKES ME SICK, the fake acting for Me makes Me sick. What captivates Me is the truth of a generous spirit committed to Me, without fear of being different and of being scorned.

I have given to man in every age, the tools and more to find My Love and My Path; man has scorned it, and My very Church has blocked that encounter of My children with My Will.

**MY LAWS ARE NOT UPDATED, MY COMMANDMENTS ARE NOT UPDATED AND MY TRUTH IS ONE:
THE SAME AS YESTERDAY, TODAY AND ALWAYS.**

My beloved People, I call you with My Love to continue to make efforts, battling against what is worldly and low, against modernisms. The modernism of My Love, of My Will, is the modernism of a continuous acting in My Will that is continuous action, does not stop, goes in search of My Sheep so they are not lost.

**I REMAIN PRESENT IN EACH ONE OF YOU, I PROTECT YOU WITHOUT STOPPING,
I HELP YOU PERMANENTLY.
I AM WHO AM.**

My People, I bless you, I love you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

It is Christ who without stopping, calls us to His Will, fills us with His Will to give us that bravery that as His children we must possess so as not to cry out: "crucify him," but rather to act in His Will, in His Love.

It is Christ who preaches His Truth to us, the actuality of His Word that does not change, the news of living working and acting in His Will, without leaving from His Precepts, renewing ourselves constantly and welcoming those who are lost and confused.

He invites us to remain united and be fraternal, as His children must be. He speaks to us of the coming calamities, a product of man's bad behavior. But above all, He speaks to us, He who loves us, He who does not abandon us, He who does not tire, He who comes for all His children, without abandoning anyone, above all, those who live in His Will. He who is the same yesterday, today and always.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 4, 2013**

Beloved children of My Immaculate Heart:

**I BLESS YOU, MY MANTLE REMAINS OVER ALL MY CHILDREN, OVER ALL OF MY SON'S PEOPLE,
AS PROTECTIVE ARMOR THAT DEFENDS YOU FROM ALL EVIL
THAT THE ENEMY WISHES TO SHED UPON YOU.**

It is essential, My children, that you remain attentive, that your lives be a reflection of the works and actions of My Son, **THAT YOU LIVE IN LOVE, IN FRATERNITY AND IN UNITY.**

In these instants in which the celebration of My Son's Birth approaches, I evoke My call:

**“Remain attentive, do not be prey of consumerism,
do not make rich the pockets of the great manufacturers of artifacts that contaminate the mind of
the youth, do not be those who, through them, enlarge the coffers of the antichrist.”**

Great film companies create games that are seemingly inoffensive for children, the mind of the young is saturated with violence through which they scorn life and believe themselves to be in charge of ending this life and at the same time of being able to create it.

This generation, totally compromised and addicted with the new technological advances, has allowed its mind to be manipulated by those who invade and walk over the human being without distinction of social classes or creeds.

I, as Mother, alerted you in the past and I alert you again in these agonizing instants of this generation, which reproduces and multiplies all it has produced, and its heart has been transformed into a rebellious heart that does not obey My Son, and that does not obey this Mother. Instead, it rebels against what My Son asks of it, it gives free rein to its human will, saturated with what is worldly, with what is immoral and sinful.

I ARDENTLY ASK OF YOU, MY CHILDREN, TO REMAIN ATTENTIVE TO WHAT TAKES PLACE.

Do you not see a troubled humanity?...

Do you not see the violence in country after country?...

What are you expecting to happen, My beloved?...

What more are you expecting to happen so that you accept that you are in the instant of instants since the signs do not stop, but are increasing?

Beloved children of My Immaculate Heart:

**MY SON'S CHURCH WILL BE GREATLY SHAKEN.
REMAIN IN FAITH, GAZED FIXED UPON MY SON AND ASKING FOR MY HELP,
YOU ARE MY CHILDREN AND I WILL DEFEND YOU CONTINUALLY.**

A greater number of small countries will soon be subjected by communism, which silently advances, forming a single front that will go against humanity, causing pain.

My beloved, I ask you to pray for Costa Rica, it will suffer.
I ask for prayers for the Middle East.
Pray, beloved children, for the Nation that is the United States.

Walk looking toward the heavens, without ceasing to perceive the love and the mercy of My Son that will be shed from on high towards all of humanity.

Wait with patience, My Son will never abandon His own, be perseverant, do not loose heart. No matter how harsh the instants be and harsher still the path, My Son does not leave His Faithful.

**MY SON CALLS HIS PEOPLE TO REMAIN ATTENTIVE AND TO BE FAITHFUL TO HIM,
TO CONTINUE TO BE FILLED WITH HIS HOLY SPIRIT AND TO LOVE ME,
AS THE MOTHER THAT I AM OF ALL OF HUMANITY.**

The modernisms humanity wants to impose even with greater force, must not be welcomed by My true children.

I alert you constantly for My Son comes for His People, He comes to separate the wheat from the chaff, but the wheat of this instant must be of better quality, must remain free of any contamination, no matter how small it may be.

My beloved, humanity burns in violence and this makes My Heart grieve, this brings Me to share with you the love of My Son and His protection over those who are His, as well as My Intercession.

Beloved children:

NOT ONLY THE ONE WHO CALLS HIMSELF CATHOLIC, NOT ONLY THE ONE WHO CALLS HIMSELF A CHRISTIAN OBTAINS SALVATION, RATHER THE ONE WHO WINS, DAY TO DAY FIGHTING AGAINST ALL THE OBSTACLES THAT PRESENT THEMSELVES ON THE WAY. SALVATION IS WON BY THE ONE WHO, ABOVE ALL, REMAINS IN THE FATHER'S WILL.

Those who are weak are discriminated, the ones who do not know My Son's Love, and this, My Son will punish greatly.

Religious persecutions increase -- with great pain, I communicate this to you -- but My Son's strength does not abandon those who are His.

All the Choirs of Angels descend to Earth to protect those who remain in the Father's Will, without distinctions like those made by man today.

**MY BELOVED, REMAIN IN THE COMMANDMENTS, DO NOT SEPARATE YOURSELVES FROM THEM,
FOR THERE LAYS THE WILL OF THE FATHER AND THE ONE WHO OBEYS THEM...
OBEYS THE FATHER'S WILL.**

You have memorized these Commandments without penetrating in each word and the infinite spiritual content of each one of them. This is not right, but it is not too late for you to bring them to life in your spirit and separate yourselves from all which you must free yourselves.

Beloved children, you do not walk alone; My Son remains attentive, and I, protective Mother of humanity, I come again because My Son has entrusted Me: to remain alert and attentive so that the People are not subjected and tyrannized. Do not take lightly what occurs, be true Temples of the Holy Spirit.

Confusion has reached humanity and humanity falls into confusion.

MY BELOVED, MY SON ASKS YOU FOR FAITH AND PERSEVERANCE, HE DOES NOT WANT CHILDREN ONLY OF PRAYER. MY SON WANTS CHILDREN OF PRAYER AND OF FAITH, WITH THE COURAGE TO PREACH WHAT THEY LEARN OF THE GOSPEL AND OF MAKING IT LIFE WITHIN EVERY DAY IN EVERY PERSON, IN EACH ACT AND IN EACH WORK.

My beloved, remain attentive, you will be greatly shaken, but do not lose heart because My children know My Divine Son's infinite Love profoundly, and they know profoundly that man does not live on love alone, but that My Son is a Just Judge. Those who only see mercy will be confused, greatly confused...

Nature remains hurting because of man's abuse towards Her and man himself has brought the pain She causes him.

Remain attentive, look with close attention at the natural disasters that come upon humanity.

I invite you to turn to My Son in the Tabernacle and to keep Him company. I invite you to receive Him so that He is your strength.

Beloved children of My Immaculate Heart, do not forget that the Heavenly Hosts are over My Son's People. Look on high, for the Heavenly Hosts, carrying out the Father's Will, will allow you to see them so that you are aware of the Divine Protection over the faithful People.

Remain in peace. I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

The Mother's call leads us to consciously penetrate in the instant of transition man is living. Transition in every aspect, but above all, spiritual. Each generation carries with it its quota of negation and its quota of blessing, only, first one happens and then the other.

We are called to remain more conscious of who we are in reality and more aware of the Hands of which we are creations, so that our spiritual eyes do not continue to be blind but attached to the Mother's example, we be Christ centered and at the same time, consecrated to the Immaculate Heart of the Blessed Mother who has alerted man, and man, by not being faithful to Her Requests, has brought calamity upon himself.

Let us not forget that we have a Mother who loves us.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 9, 2013**

My Beloved People:

**I AM GOD OF LOVE, AND AM ZEALOUS OF MY OWN.
MY PEOPLE WALK WITH THE ASSURANCE THAT IN MY ARMS THE ROAD IS LESS DIFFICULT.**

YOU WILL NOT LIVE WITHOUT INSTANTS OF TRIAL, nevertheless those are the instants in which you show Faith and Trust that from My Arms you are not nor you will be snatched, if you of your free will do not accept it.

Men must reject whatever leads him away from Me. My Love does not find refuge if it is not in My creatures, those who bring me close and attract me, while keeping their lamp full of pure oil to draw My Gaze toward Earth and hear them call out this way:

“HERE IS YOUR KINGDOM, COME, AS WE ARE WAITING FOR YOU!”

I guide you with the softness of a Father and with the Love of My Mother, who is the intercessor of each one of you before Our August Trinity.

My Mother and Mother of humanity, Queen of all the Angels, rules the Heavenly Hosts entrusting them to the care of Her children in this battle against evil. Her mantle was placed over the firmament by the Angels themselves, engraving on it the Constellations, **SO THAT MEN WILL NOT DOUBT OF THE ALMIGHTY POWER OF THEIR KING AND LORD, AND OF THE INDESCRIBABLE JOY THAT CAUSES IN MY MOTHER, BEFORE OUR TRINITY. NOT CONTENT WITH THIS MY ANGELIC CREATURES TOOK THE MOON AND PLACED IT AT THE FEET OF MY MOTHER AS A SIGN THAT EVERYTHING CREATED RECOGNIZES HER AS MOTHER, QUEEN AND LADY.** She is the one that gives Light to the moon and to the souls of all who love Me and does the Will of My Father.

Men will understand through the Words of My Mother how much is My Will for these instants and She together with Her Legions, will be the help of My Home for this generation that constantly offends me, without any consideration.

My beloved, for men it means a struggle to carry out My Will compared to a will in great part ruled by the human impulses that continually rise, changing in this way what My Home has made ready so that whatever comes will not be so bloody.

The offense against human life, the killing of innocents on earth especially fertilized for My Mother, and turned over to evil by men's free will, has drawn the natural disasters upon the land of Tepeyac, from where My Mother chose to cradle and govern the Americas spiritually.

My Beloved:

I CALL YOU TO PRAY UNCEASINGLY FOR MEXICO; THE PEOPLE WILL BE OVERCOME BY THE PAIN OF THE INNOCENT SOULS WHO ARE SUFFERING AT THE HANDS OF THOSE WHO OFFEND ME AT EVERY MOMENT.

The land of this My Beloved People of Mexico, receives the blood of those who are aborted without mercy and while being innocent are prey of bitter taunting, of drugs and from the sects of domineering creatures that continually offend Me.

MY MOTHER, THE PURE VESSEL OF GRACE, SHOULD BE HEEDED AND NOT SCRONED.

My Children, innocent People, do not cry, be sad for those who offend Me and has brought the pain to this My beloved People of Faith.

DO NOT FORGET THAT I DO NOT ABANDON MY OWN PEOPLE IN THE MIDDLE OF THE STORMY SEAS. I CARRY YOU IN MY HEART SO YOU WON'T SINK IF YOU ARE FAITHFUL TO ME IN SPIRIT AND IN TRUTH.

Pray to My Mother, make amends for your brothers, do not forget that I love you and I protect you, Children of My Mother.

Look on high, await for the One I will Send, pray to the Holy Spirit in every instant, He will give My Peace to those who live in Faith.

My Love does not decline as it does the love of men for Me.

My Word will reach to all the hearts even to those who have forgotten, it will be there in the instants that you will turn your gaze toward My House seeking My Help.

MY PEOPLE, IN THE HANDS OF THOSE WHO MASSACRE THEM, ARE A PEOPLE BORN FROM THE HEART OF MY MOTHER; SHE IN HER MANTLE ROCKS THE ONE WHO IS A BLESSING FOR HER CHILDREN.

Beloved, pray for the United States, its leaders have propitiated to the Mexican Land, great evilness. Just as the leaders of this Land have closed their eyes...

My Beloved People, pray for the Middle East, the stormy clouds looms over the miserable and mean humanity.

The Church will suffer; the crisis of Faith advances in giant steps; and the powers of evil struggle against Her.

**WITH MY WORDS MY OWN DO NOT WEAKEN, BUT THEY RISE UP
WITH THE FIRM ASSURANCE OF MY PROTECTION AND OF MY LOVE.
YOU ARE NOT ALONE; MY HOME IS SEEN IN MY FAITHFUL.**

I bless you.

MOVE ALL THE EARTH WITH PRAYER AND BY THE ACTIONS DONE CONSCIENTIOUSLY IN MY WILL, so that your prayers will rise reaching the Vault of the Universe, reflected in Mother's Mantle.

I will come soon; do not sleep in sin.

Humanity I am speaking to you, not only to a people but also to all.

I bless you; do not fear as I remain with you.

Your Jesus

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 11, 2013**

Beloved children of My Immaculate Heart, I bless you.

**MY WOMB REMAINS OPEN, AWAITING, AS MOTHER OF LOVE,
THE PROMPT RETURN OF ALL WHO ARE MINE.**

Beloved children:

**I INVITE YOU, ONCE AGAIN, TO ENTER INTO MY SON'S MERCIFUL LOVE AND, AT THE SAME TIME,
TO ENTER INTO THE UNDERSTANDING OF DIVINE MERCY AND JUSTICE.**

My beloved, the earth is profoundly agitated and with each crack darkness penetrates. It is the darkness of man's sin that penetrates into the bowels of the Earth, it is the darkness of the conscience of this generation that, welcoming the sin of previous generations, has come to exceed the resourcefulness and the wickedness of the devil himself.

The devil's followers are at the lookout for news of humanity's sin, and this leads My Heart to constantly grieve before so much offense to My Divine Son.

I call you to sincerely open your conscience, to arise in the spirit and to use your intelligence to understand that the Eternal Father must make His children return promptly to Him through His justice, and this does not take away from Mercy, rather it is the greatest act of Mercy from the Father towards humanity.

My beloved children, darkness has penetrated so much into man that the light is totally overshadowed. It is you, faithful People, you who battle against the world and its currents, **IT IS YOU WHOM I INVITE TO ENTER MY WOMB QUICKLY, FOR EVEN THOSE WHO LOVE ME MUST REMAIN WITH A CONSCIENCE AND READINESS IN THE ACCEPTANCE OF THE PATERNAL JUSTICE AND RECEIVE IT WITH LOVE.**

Every FIAT pronounced by the Eternal Father at the instant of Creation, and in each age has carried the imprint of His Divine Love and at the same time, of His Divine Justice. The Earth will no longer be purified with water but with fire, which will not only descend from on High by Divine Justice, but will be fire that man himself, totally penetrated by greed, has fabricated with his own hands, knowing that this would lead to the destruction of humanity.

Woe to those who judge those who are bearers of this Act of Love from the Father! In His Just Wrath, He wishes to recover the greatest number of souls quickly, and for this slowly He has executed His Justice time and time again upon this generation, but they have not recognized the Father's Justice, they only appeal to Mercy, relying not on this Divine Act but in their own human word so as to continue in lustfulness, in evil and in all kinds of vexations.

**IT WILL BE EASY FOR MY CHILDREN TO RECOGNIZE SOULS THAT ARE TRUE,
THEY WILL BE THOSE THAT NOT ONLY PRONOUNCE AND DEMONSTRATE DIVINE LOVE BUT THOSE
THAT CALL HUMANITY TO RETURN TO THE TRUE PATH PROMPTLY,**

FOR TIME HAS RUN OUT AND THE HAND OF THE ETERNAL FATHER'S JUSTICE POURS OUT THE REMAINING CONTENTS OF THE CHALICE UPON THIS GENERATION.

Beloved children of My Immaculate Heart, you who call yourselves Christians and Marian must love those instants of Divine Justice because enclosed in them is the salvation of a great number of souls.

YOU MUST FEAR; FEAR, BUT NOT THE FATHER, NOR MY SON, RATHER MAN'S WILL AND THE FREE WILL THAT HAS LED YOU TO A TOTALLY DEPRESSED STATE IN WHICH THE SENSES HAVE BEEN GIVEN OVER TO PLEASURE AND SIN.

Woe to those who idolize money and have lived their life in the midst of comfort! Soon instants will come in which money will not be able to be used. Famine in every aspect will spread and those who have placed their security in "the god of money" will greatly scourge themselves.

Blessed are those who live their life in unity with My Son and who in the midst of daily calamities continue fused to My Son! These, in the instants of shortage and of unknown illnesses will know to promptly turn to My Heart and to the Divine Will, for it is in Faith, in Commitment and in Awareness that you will find the door that will open to the cure for all possible ills.

MY BELOVED, I AS EMPRESS OF THE AMERICAS, MUST COMMUNICATE TO YOU THAT FROM THE AMERICAS WILL COME THE LIGHT FOR ALL HUMANITY, WITH GREAT FORCE, TO RESCUE THE FAITHFUL.

My beloved, you who love My Son, continue to firmly embrace His Cross, in It you will find comfort as I did.

Just as I show in My invocation of the Mother of Guadalupe all of the Creation loved and taken by the Father, so you must discern the signs of the times and set aside the stubbornness and narrowness of the human mind that limits knowledge and limits the spirit.

RECEIVE THE HOLY SPIRIT WITH HIS TRUTH, FOR SOME OF MY SON'S WORDS HAVE BEEN DISTORTED WITH THE PASSAGE OF TIME, BUT YOU MUST KNOW THAT IF YOU WALK AWAY FROM THE COMMANDMENTS, YOU WILL PERISH.

Aspects in My Son's Church have been renewed, but the one who follows the Commandments, that one lives in the Father's Will; the one who makes them his, the one who penetrates in the Commandments, the one who loves them, that one, that one is a Christian. Not so the one who gives the Commandments a free interpretation, that one, that son or daughter must make a stop on the path and with awareness approach My Son so that the Holy Spirit gives him or her light of Truth.

Beloved children, just as the Eternal Father upholstered the Heavens with the light of the stars, do not cease to admire the beauty with which the Father arrayed you, look on high My beloved. My Angels, My Legions are awaiting a single sign. **THUS, THUS, IS THE PROMPTNESS OF MY CALL SO THAT ONCE AND FOR ALL YOU REMOVE THE VEIL FROM YOUR EYES AND SEE THE TRUTH OF EVENTS.**

Man dedicates his life to planning his future, but the future is in the hands of the Father.

I INVITE YOU TO ASK FOR THE ASSISTANCE OF THE HOLY SPIRIT WITH AWARENESS AND A GOOD DISPOSITION, BECAUSE THIS IS THE INSTANT IN WHICH MAN MUST THINK ABOUT AND DECIDE: CONTINUING IN SIN OR ACCEPT, WELCOME AND LOVE THE DIVINE WILL.

Man must choose between the Purification and maintaining the Faith; the one who remains in Faith will suffer less, and the one who does not wish to see that the Father's Justice is necessary for the good of souls will suffer more.

MY BELOVED, CONSECRATE YOURSELVES TO OUR HEARTS, CONSECRATE YOURSELVES AND SHARE WITH YOUR BROTHERS AND SISTERS THAT TIME IS NOT TIME; DO NOT FEAR RIDICULE OR WALK WITH EXAGGERATED HUMAN RESPECTS, BE TRUE IN SPIRIT.

Beloved children, after the Purification My Son will arrive to reign with all His Love, and I, she to whom My Son has entrusted His Church in this so feared Purification and fulfillment of what I have announced,

**I REMAIN AND WILL REMAIN WITH EACH ONE OF THOSE WHO ALLOW ME TO DO SO.
MY ANGELIC LEGIONS WILL DEFEND YOU.**

If there has been an instant for humanity in which man must show his immovable Faith, it is this one, not another. **DO NOT EXPECT ANOTHER INSTANT, IT IS THIS ONE CHILDREN...** and the one who mentions to you that the Apocalypse is a fable, that person has a blackened heart and a blindfolded spiritual vision, because My Son's Word was not written not to be fulfilled, but so that it is carried to fulfillment. That is why He announces to you what is coming, but man, deaf, blind and mute before the inventiveness of new and new sins, scorns this Call and darkens himself.

MY BELOVED, LET US WALK UNITED TOWARDS THE ENCOUNTER WITH MY SON, TOWARDS DEFINITIVE HAPPINESS WHERE HUMAN AFFLICTIONS WILL CEASE TO BE AFFLICTIONS AND ALL WILL BE PEACE, LOVE, AND MAN WILL REACH SUBLIMATION...

I do not forsake you, I protect you with My Mantle. Be confident that this Mother does not abandon you, and in temptations I will immediately come with what is necessary to fight them. Draw near and cling to this Mother, for I intercede for you before My Son.

I BLESS YOU AND DO NOT FORGET THAT YOU ARE MY CHILDREN AND THAT I LOVE EACH AND EVERY HUMAN BEING, WITH THE SAME INTENSITY AND WITH THE SAME LOVE THAT I LOVE THOSE WHO CALL ME IN THIS INSTANT: MOTHER!

I bless you, My Heart remains open for each one of you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

During the message, the Blessed Mother showed me graphically what I was saying. She showed me the Earth totally cracked, totally cracked; I tried to see cracks and could not find light or clarity.

Then She told me that that is how humanity is and that whoever tries to seek light or clarity with his or her own strength or means, will never find it because, She tells me, sin is so great... that as She has mentioned to us from long ago: man has been surpassing his capacity to sin, so much that when satan comes with an initiative to sin, man not only carries it out but surpasses it. By order of satan, demons have but one objective: to maintain and increase the high degree of violence in the mind, thoughts and heart of man, a high degree of violence because it generates all class of sins. That is the goal of demons, to maintain humanity in a maximum state of violence for this generates all evil and what evil can cause.

Evil no longer invests time in thinking about how to lead man to sin, because man has contrived new forms of sin; it invests time injecting into man's every act, violence and more violence. How and in what aspect of man is violence seen or what does man's violence make us feel...? In human reactions, not only of our brothers and sisters but in those of our own actions: in the most minimal/smallest act we carry out, there is a demon there present to induce violence. If man's reactions are violence, it spreads and contaminates other people, until a great number of souls are prey to that state that leads another to react negatively, and this is the anchor that sinks man in an invisible abyss against his own species...

Brothers and sisters, let us say:

“JESUS, MEEK AND HUMBLE OF HEART, MAKE MY HEART LIKE YOURS.”

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 15, 2013**

Beloved children of My Immaculate Heart:

I LOVE YOU INTENSELY... I COME TO YOU TIME AND TIME AGAIN, NOT TO CALL ONLY SOME, BUT ALL.

I do not exclude anyone of My children, I welcome all within My Maternal Heart. I do not come to call a few who are chosen, anticipating the judgement of God the Father; I come with My Son's Mercy and the Love of My Maternal Heart to call all men to conversion.

**MY SON IS INFINITE MERCY, THERE IS NO ONE WHO CAN DENY IT.,
AND THE FATHER'S JUSTICE IS PERFECT JUSTICE, THERE EXISTS NO ONE WHO CAN DENY IT.**

This generation is not different and is not worthy of receiving different treatment for itself, rather it is My Son's Mercy that has called you, and at the same time, the Father's Righteous Justice that comes to separate the wheat from the chaff, so that His children return to the true path.

Beloved children of My Immaculate Heart, I am calling from heart to heart, one to one, knocking on the door so that through My Intercession, you promptly turn, returning to the right way.

Darkness has invaded the Earth. It is the darkened human will, the one that has allowed itself to be possessed by evil, that human will misguided and submerged in constant sin, living in what is immediate and yielding before the slightest whim. That human will ruled by free will, blackens and darkens the entire Earth.

You wait for the arrival of evil, of the forces of evil that will dominate humanity, without taking into account that human will, lost because of sin, is seizing humanity from person to person like a plague; man's will is ruling the souls of a great quantity of My Children.

My beloved:

**FOR THE MAN WHO BELIEVES HIMSELF TO BE SPIRITUAL, FOR THAT ONE,
FOR THAT ONE IT IS DIFFICULT TO ACCEPT THE FATHER'S JUSTICE,
AND IT IS DIFFICULT FOR HIM BECAUSE BY BEING OR CONSIDERING HIMSELF OVERLY SPIRITUAL,
HE FEELS WORTHY OF A UNIQUE TREATMENT OF MERCY AND THIS IS NOT POSSIBLE,
FOR WITH THIS HE WOULD BE DISCARDING AND INVALIDATING THE FATHER'S POWER.**

My beloved of My Immaculate Heart, natural events continue their advance.

**I call you to pray for Italy; pray, the volcano Etna will cause great disaster.
Beloved children, pray for Japan, it will again be shaken and a tsunami will scourge it.
Pray, My children, for Brazil, it will suffer greatly.**

Humanity has given itself into the hands of those who maintain some earthly power and this will lead them to suffer. The nations will sink in internal revolutions; little by little these will expand and violence will scourge everywhere. It will not be only some, rather this will become widespread. Do not

forget that war is near, you are living a short time of waiting and then you will overly suffer man's cruelty, which will extend completely and base instincts will lead to pain and death.

My children, pray. Prayer is necessary, alert humanity about My Request.

My beloved, this Mother, like My Son, is on pilgrimage from heart to heart with infinite Love, crying out to everyone of you for mercy for your brothers and sisters.

Beloved children of My Immaculate Heart, do not cease in prayer, come to receive My Son.

**MY SON'S CHURCH SHAKES AND WILL BE DIVIDED.
DO NOT TURN AWAY FROM THE COMMANDMENTS, THEY ARE UNAVOIDABLE.**

My beloved, maintain the Faith; even if My Son's Church is shaken, turn to My Son continually.

DO NOT AVERT YOUR GAZE AWAY FROM ON HIGH. Help has descended from on high in every generation and in this instant it will not be different; help comes from on high, the blessing comes from on high, the Faithful will find their help directly from on high.

**DO NOT FEAR, CHILDREN, DO NOT FEAR.
YOU WILL NOT BE LEFT ALONE IN ANY INSTANT, UNDER ANY CIRCUMSTANCE.**

Dust, dust will descend from the sky and will cause an internal heat in people.

BELOVED CHILDREN, PREPARE, BUT AT THE SAME TIME, DO NOT YIELD IN FAITH, LET IT BE IMMOVABLE. Just as the Sun constantly gives light, Faith must be kept firm, instant to instant.

The Sun approaches. The man of science will be aware that before the force of Nature he is insignificant and that only My Son is the one who is Almighty, because: "Not all who say: Lord, Lord, will enter the Kingdom of Heaven, but the one who lives in the Father's Will."

Beloved children, I love you, I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

The strength of Motherly Love always reveals to us the constant Divine search for Her children. In every step we take, in every act, in every good work is present the Woman Clothed with the Sun. And like the Sun that with its rays reaches everywhere, She, the Blessed Mother, expands Her Love

towards every human being without distinctions, seeing in each one of them the reason for Her Son's Sacrifice and the triumph over sin.

The great Work of Creation is agonizing, destroyed by man and the Master Work, man, is on the brink of extermination.

When man denies an event that can frighten him it is because in his subconscious he feels close to it and a protagonist of the event.

Humanity is aware and at the same time unaware of its actions because it has grown in spiritual ignorance and in the ignorance of the presence of Christ in everyone.

Just as the sea constantly reaches the shore in its swell, so Christ and the Blessed Mother knock time and again on the door of everyone so that we walk protected in Their Love and under Their Protection.

WHEN GOD IS YOUR ONLY DESIRE, HE WILL COME TO YOU.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 18, 2013**

Beloved children of My Immaculate Heart:

My Son was born in a Manger in total humility, so, whoever calls himself or herself a Christian must be humble, humble in spirit so as to obey and abide by what My Son asks of you.

My beloved:

**THE COMMANDMENTS MUST BE FOR YOU YOUR DAILY BREAD, YOUR SPIRITUAL NOURISHMENT,
THAT WITHOUT WHICH YOU CANNOT WALK; YOU MUST BRING THEM TO LIFE IN YOU.
THE SACRAMENTS MUST BE OBEYED AND LOVED BY YOU, AND THE BEATITUDES MUST BE FOR YOU
THE GREATEST SIGN OF HUMILITY AND OFFERING TO MY SON.**

I invite My Priests to call all the Faithful, to worthily receive My Son: the King of Kings and Lord of Lords. Man has created protocols to receive with dignity the important people of the world and My Heart grieves, for those who come to receive My Son, unworthily prepared, offend the King of Kings. Woman in particular, in her nakedness comes to receive My Son and My Priests allow it. Just as you have created protocols to be received by high people who command and lead the world, **SO MY SON DESERVES ALL THE RESPECT.**

Humanity has lost modesty and has submerged itself in immorality, and with it and in it they have walked towards My Son. Modernisms are modernisms and My Son is the King of Kings and before Him

you must come with dignity. YOU KEEP HUMAN RESPECTS, BUT FOR MY SON YOU DO NOT GIVE THE DIVINE RESPECT HE DESERVES.

Beloved children of My Immaculate Heart:

**WITH HOW MUCH LIGHTNESS IS SIN TREATED!
WITH HOW MUCH LIGHTNESS IS SIN CALLED: WEAKNESS!...**

But you who are aware of how My Son is offended, you must act with righteousness in every instant. This generation that has transgressed all parameters and norms, avoids My Son's Justice and with the same intensity denies it.

You wait for the antichrist, for a character... and you are ALREADY in his hands, since those who sponsor him, have My Son's People in their hands.

**EACH ONE OF YOU MUST BECOME A FIGHTER, A DEFENDER OF MY SON...
EACH ONE OF YOU MUST BE FAITHFUL AND NOT LOSE FAITH.**

My faithful Prophets will continue to alert My People without ceasing, alerting them without stopping abiding by My call so that humanity is not confused, and in this alerting of My children, a beloved Prophet of Mine will perish as a Great Martyr of My Son's Truth, he will perish in the hands of the followers of the antichrist, not without first unmasking them before all of humanity.

My beloved:

**FOR MAN IT IS SO EASY CALLING HIMSELF A CHRISTIAN,
BUT IT IS SO DIFFICULT TO ENTER INTO THE MYSTERY OF LOVE
AND OF COMMITMENT WITHOUT DISTINCTIONS AND WITHOUT CONSIDERATIONS.**

Beloved children of My Immaculate Heart:

**MY SON, KING OF HUMILITY WISHES TO ENTER "IPSO FACTO" INTO YOUR LIVES,
FOR TIME IS NOT TIME AND EACH ONE OF YOU WITH YOUR FREE WILL,
WITH ALL THE STRENGTH OF YOUR BEING MUST FIGHT TO ASCEND QUICKLY.**

There must be a radical change in the life of the children of the Church, for the Church will be shaken from its foundations. Maintain the Faith for purification is still lacking for the Church.

MY SON DRAWS NEAR IN HIS SECOND COMING AND WHEN THE KING APPROACHES, THE CRUCIBLE IS BEFORE EACH ONE OF THOSE WHO ARE HIS. Do not submerge yourselves with so much ease into worldliness, be aware that the world exerts a great imperceptible influence over the senses and on man's will, man who is still extremely weak, for he has not submerged himself into a strong and profound spirituality.

Beloved of My Immaculate Heart:

All that I revealed in the past, is being fulfilled in leaps and bounds; and hence My Prophets alert My children in this instant. Do not ignore them but I invite you to remain in the Holy Spirit so that you

discern the wheat from the chaff. Not all who say: “Lord, Lord will enter into the Kingdom of Heaven,” nor are all who call themselves prophets, prophets.

You must see carefully because the enemy has risen with strength before this generation to confuse it, and has taken the word of some people to detract from Heaven’s calls.

These are extremely important instants for My Son’s People, these are definitive instants for salvation; and as I, Mother of all men, alert you, in the same way evil wants to lead you to confusion, but if you follow the Commandments and love them, you bring them to life in you and you obey them, you will be able to discern with clarity.

**MY SON DOES NOT MODERNIZE HIMSELF, HE IS THE SAME YESTERDAY, TODAY AND ALWAYS...
THE COMMANDMENTS ARE NOT MODERNIZED, THEY ARE THE SAME YESTERDAY, TODAY AND ALWAYS...**

**THE SACRAMENTS ARE NOT MODERNIZED, THEY ARE THE SAME YESTERDAY, TODAY AND ALWAYS...
THE BEATITUDES ARE NOT MODERNIZED, THEY ARE THE SAME YESTERDAY, TODAY AND ALWAYS...
WHAT YOU MUST BRING TO REALITY, IS THAT THE DIVINE WILL MUST REIGN AND LIVE IN EACH ONE OF YOU SO THAT YOU RESIST WHAT IS COMING.**

This is the novelty of novelties: that you commit yourselves with confidence and love to the Trinitarian Will, each one of you placing his life, his acts and works into the Trinitarian Hands. Just as My Son was born in humility in a manger, so you from this instant, be ready to meet with the King of Kings.

My beloved:

**MAN’S TRANSFORMATION MUST HAPPEN IN THIS INSTANT, HE MUST GO FROM BEING A
MEDIocre MAN TO BEING A MAN CONSCIOUS THAT HE WILL FACE A BLOODY BATTLE, AND IF HE
DOES NOT DECIDE FOR HIMSELF TO TRANSFORM HIS LIFE INTO AN ALTAR FOR CHRIST, HE WILL
PERISH.**

And, woe to those who enter into these My Calls consciously trying to find some dark point in them, because they will be even more confused by Me! But those who approach these My Calls seeking light will find fullness and the correct path to draw closer to My Son.

**DO NOT FORGET TO CONSTANTLY INVITE MY SON TO PARTICIPATE IN YOUR LIFE, IN YOUR ACTS
AND WORKS SO IN THAT WAY YOU RESIST EVIL MORE.**

The instant continues to approach, the instant in which, from Heaven, will come the Great Blessing for humanity, for this generation, that will guide you and will lead you closer to My Son’s Path.

How many of My Prophets fight today and for it they are singled out and prosecuted, they fight against evil and against the followers of the empire of the antichrist! Pray for them, but I, as Mother of Humanity, will not abandon My People and will not cease to alert you under any circumstance, for I obey the Divine Will. But this Mother cradles you in Her Arms and My Son is light on the path of His Faithful.

My Angelic Hosts are on Earth guiding and protecting My Faithful children, those who love My Son Jesus Christ.

You are not alone children, at the end the light will shine and you will triumph with My Son. Do not fear what is coming, transform your life.

I love you, I bless you in the Name of the Father, of My Son and of the Holy Spirit.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Our Blessed Mother, attentive to Her children, continues to externalize the Truth to alert Her Son's People, those who have been entrusted to Her.

We know that in our spiritual conscience dwells the Holy Spirit, due to this the Blessed Mother calls us insistently, she highlights that whoever forgets her Son in their works and acts in every instant of life, is extremely ungrateful, for without Christ's great power, we could not realize anything we do in life.

She emphasizes to us that in their intentions, men become stagnant because they do not put them into practice -- how many want to be good, but habits are what lead man to fall! Routine corrodes the conscience and makes a person stagnant.

That is why, brothers and sisters:

**LET NOTHING IN YOUR LIFE BE A HABIT, BUT A CONTINUAL REBIRTH,
ONLY THUS WILL WE BE ABLE TO BE FREE, BUT TRULY FREE.**

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 22, 2013**

Beloved children of My Immaculate Heart:

**MY BLESSING IS FOR ALL OF HUMANITY,
FOR ALL THOSE WHO LOVE MY SON AND OBEY HIM, WHO WORK AND ACT IN HIS WILL AND FOR
ALL THOSE WHO DO NOT RECOGNIZE HIM, DO NOT LOVE HIM AND DISOBEY HIM.**

My Beloved Son dwells in every human being. He loves man so much, that that Strength of Divine Love does not allow Him to live separated from man.

In the date that approaches, My Son's People celebrate His Birth, celebrate True Love, that which does not ever separate from those who are His.

From His Birth, My Son poured out His Divinity for all ages. He gave His Love and Mercy for all generations; He gave His Compassion and His Truth for all generations, and in His Birth, he anticipated a Holy Church according to His Will, and through chosen souls He continues to explain Himself.

My Beloved Child was born making humanity participants of the rays of His Divinity, sharing with humanity His Divine Love, His Divine Intelligence and His Divine Will. But the generations have scorned Him, and these wonders of Divine Love have been buried by man himself; only a few have taken them as inheritance.

**MY SON, BEING THE LORD OF THE UNIVERSES, WAS BORN WITH PAIN AS HIS COMPANION...,
AND HE SUFFERED PAIN UNTIL HE REDEEMED HUMANITY, IN PAIN...**

How many souls want to take My Child in their arms, adore Him and make reparation?

MY BELOVED, YOU MUST MAKE REPARATION FOR THE SINS OF THIS GENERATION, ITS INGRATITUDE AND MALICE. Sin has penetrated in people stealing their will and keeping them sedated so that they do not react. I find so many souls that are cowardly and do not offer resistance to temptation, but live in total disorientation; one after another fall immediately as if sin were a natural act.

Some of My Priests, in their act and work, do not make known or give testimony of This humble Child; in some of them the lightness with which they celebrate the Eucharist in one more nail that pierces My Son's Sacred Hands.

From My Womb, My Divine Son sent His light over humanity and sent graces and virtues to all people, even the most bitter sinners that plunge themselves in dark caves. My Jesus does all this to convert those souls and so they are not lost, but He has not obtained a response from men, but rather indifference and scorn.

My Son sees His Church indifferent before the undignified fashions and the sacrileges that are committed in Her.

Beloved of My Immaculate Heart:

**ALL MY CHILDREN IN THE UNITY OF MY HEART MUST PRESENT THEMSELVES AND UNITE TO OFFER THEIR ACTIONS FOR THE GOOD OF SOULS, AND DO THIS WITHOUT CEASING.
THE MAJORITY OF MY CHILDREN TAKE ADVANTAGE OF THIS DATE TO ENJOY THE DISTRACTIONS THAT THE WORLD OFFERS, WITHOUT LIFTING A PRAYER OR CARRYING OUT A GOOD WORK...
AND THEY CONTINUE TO DETHRONE MY SON.**

How can the Father not unleash His wrath, for after having given His own Love in My Son to humanity, He sees that man continues in every instant to scorn more and more what comes from the Paternal House?

Beloved of My Immaculate Heart:

BE AN INEXHAUSTIBLE SOURCE OF LOVE AND FAITH, DO NOT BECOME DISCOURAGED, CONTINUE IN THE MIDST OF THE STORM, ADORING MY SON, BUT ABOVE ALL, CONTINUE LIVING AND ACTING IN THE DIVINE WILL.

Pray for Brazil, it will suffer from a tsunami.

My Son's Church will be scandalized.

Human violence will reach unimaginable limits, soon you will be surprised.

My beloved:

AS A MOTHER, I CARRY YOU IN MY HEART, I AM REFUGE FOR ALL, YOU ONLY NEED TO ASK.

A star will be more brilliant... And once more My Son will send protection for His People; receive this blessing with love, await this blessing with love.

From on high will come the blessing for the Faithful, and it will sustain them in the midst of confusion.

Those of you who love My Son, allow the awareness of the importance of fidelity in each one of you to grow.

I BLESS YOUR HOMES THIS CHRISTMAS, ESPECIALLY THOSE OF MY CHILDREN, WHO LIVE WITH THEIR LAMP FILLED WITH THE BEST OIL, WITH THE OIL OF THE TRINITARIAN WILL.

I love you.

"GLORY TO GOD IN THE HIGHEST AND ON EARTH, PEACE TO PEOPLE OF GOOD WILL."

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Let us walk on the path of truth, Christ knows us profoundly. Let us fix our gaze on Him who knows it all, and let us listen to the Blessed Mother.

LET US ADORE THAT CHILD IN THE MANGER, IN THE MANGER WITHIN OURSELVES, RECOGNIZING THAT HE GAVE HIMSELF FOR US ON A CROSS, LOVING THE DIVINE WILL.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST TO HIS BELOVED DAUGHTER LUZ DE MARÍA DECEMBER 24, 2013

My beloved People:

THIS IS THE LIGHT OF MY WILL IN MY SECOND COMING.

Just as the shepherds, souls of good will, were flooded with My Love... and they, receptive, attended to that call, so you My children, attend, following the Star of My Will so that you do not go astray before the Herods of the present, who look upon My People with intentions of leading them to fall into the eternal abyss from where there exists no return.

The simple of heart adored Me, those who without greater knowledge loved Me for being the Man-God; they loved Me in their hearts and remained willing to maintain the Faith in what was entrusted to them. The erudite rationalized and not believing Me to be King because I was humble, turned away from Me. Some of them, years later, returned upon seeing miracles before them that they could not explain and the Wisdom that they did not possess.

The Wind itself announced My Birth; the Moon shone more, and the Stars came out in great number. The whole earth was resplendent, the celestial melodies from on high did not wait, and the blessings, made into sublime reality, descended over all who were there. So will it be in this instant for those who, loving Me, recognize the decadence of humanity, and become willing to alert their brothers and sisters.

Mercy maintains Its beginning in Me as an inexhaustible source. As a Father I must warn those who are Mine so that they are not lost and so they listen to My Word as a voice that cries out in the desert of the human mind.

**I CALL TO CHANGE, I CALL TO A NEW PATH OF UNITY WITH ME,
BECAUSE TIME IS NOT TIME AND JUSTICE, FROM MY FATHER'S HAND, DOES NOT WAIT,
PRECISELY OUT OF MERCY FOR SOULS.**

I preached before the Doctors of the Law, and their arrogance led them to signal Me out and to scorn Me. Doctors and non-doctors scrutinize My Calls to bring them down; I am not believed and neither is My Mother. This is how I remain within the manger of the human heart: in some, exiled, in others, only looked upon once in a while; few are the souls who truly keep me warm and sympathize with My Pain.

My Prophets announce the Warning for this humanity..., and for this cause they are mocked and discredited. I was condemned being innocent, like the majority of the martyrs...

**IN THIS INSTANT EVERY HUMAN PERSON MUST BE WILLING TO BE A MARTYR FOR MY CAUSE,
AND A VOICE OF HOPE OF MY SECOND COMING.**

Those who adored Me were those who were well-disposed; even though all were sinners... and some, overmuch. I transformed them because of their good disposition, other had the awareness of My Royalty, some arrived out of curiosity, but were captivated before My Divinity. These did not separate themselves anymore from Me, others in their journey adhered to Me along the way and were those souls of Faith who did not separate themselves anymore. Those souls are very necessary in My walking and in the walking of My Prophets, they are those who do not leave the boat in the storms and are the support and the sail of the boat to lighten the brunt of the storms.

**THESE ARE NOT INSTANTS FOR THE LUKEWARM OF HEART, NOR FOR THOSE WHO ARE LUKEWARM
IN THEIR DECISIONS, NOR FOR THE LUKEWARM IN PREACHING THE TRUTH, NOR THOSE WHO ARE
LUKEWARM IN THE HELP OF MY PROPHETS. JUST AS I WAS BORN IN A MANGER, I GAVE MYSELF UP
ON THE MOST EXALTED THRONE: THE CROSS...
AND ALL OF IT FOR LOVE.**

The suffering of My chosen ones is not in vain, nor chosen by chance those who accompany them; the rocks on the path are many and must be removed before those who are Mine take a step, not left so that they hurt you.

From My Crib I saw all and blessed those who scorn the "ego" for the service of My House.

I do not want you to adore Me for appearances, but in spirit and truth, strong, firm and decided...

I do not want empty words and a lying heart...

I do not want minds ignorant of the infinitude of My Love and the greatness of My Justice...

The one who thinks himself necessary in My Affairs will see My Heart filled with souls who cry out and ask to come to My Service. So some will be a crib, others will be straw that covers Me, others the wall of the stable, others the roof, others..., it is this: **IN MY MISSION, ALL ARE NECESSARY BUT NOT INDISPENSABLE.**

**I WELCOME MEN OF GOOD WILL, THESE ARE THE ONES WHO ANNUL THEMSELVES TO KNOCK
DOWN THEIR HUMAN EGO AND FUSE THEMSELVES TO ME TO LIVE FROM ME, TO BREATHE FROM
ME, MOVE IN ME, SPEAK IN ME, FEEL IN ME AND EXIST IN ME ABSOLUTELY.**

Man's stubbornness is his will. As an empire that has risen over My Will, and this is the greatest stumbling block for man to reach the benefits of My House. Man grows when his will decreases. **THIS IS IT: MAN GROWS WHEN HE LOVES ME, BUT WHEN HE TRULY LOVES ME.**

My blessing will descend from Heaven for the good of all men; some will receive it, others will avoid it, some will not accept it, and others will love it infinitely, but it will descend for all without distinctions.

I NEED SOULS WHO ARE THIRSTY FOR MY WILL.

I love you. My blessing be upon all men and women. Treasure it.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

On this exalted day, let us unite with those souls who adored Jesus in Bethlehem and each one with the greatest humility in his or her heart see in his or her heart and be disposed with his or her will to serve the innocent of innocents, destroying the "ego" that stops the fusion with the King of Kings.

Some brothers and sisters celebrate rejoicing with their families; let us think about the millions that today die in the midst of wars and about those innocent children who, without knowing why, are murdered by human violence.

The Child Jesus waits for us, but the instant is not encouraging in the succession of events; let us promptly receive the Divine Word and say:

**"I AM NOT WORTHY THAT YOU SHOULD ENTER UNDER MY ROOF, BUT HERE I AM,
COMING TO YOU WITH A HUMBLE HEART.
TEACH ME TO LIVE SUBMERGED IN YOUR WILL."**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 27, 2013**

My beloved People:

I love you so much, Children of My Heart! Beloved, I love you in My Cross, blessed ones of Mine.

**YOU ENTER A NEW INSTANT, THE INSTANT OF INSTANTS, IN WHICH I WILL REMAIN BEFORE EACH
ONE OF YOU, AND I WILL SEND ALL MY HEAVENLY HOSTS TO GO IN AID OF MY PEOPLE.**

My People will be tested like gold in the crucible; the wheat must be of the best quality, as there has never been before in the history of humanity.

I come with strength, with power and majesty, surrounded by all, by all My Heavenly Choirs who will announce My Coming, shaking all of Creation, just like in this instant the heart of My children must tremble, not out of fear but rather tremble out of love before My Divinity.

My beloved, you will hear the voice of silence, in this instant you will know of silence... I have called and continue to call at the door; those who do not open it will hear and know silence. They will feel downhearted before what is coming; they will feel desolate and abandoned for lack of Faith in My help.

Just as water runs through its channel and makes whatever is at its banks grow, so in the same way, the Water of My Will is an inexhaustible Fountain of Wisdom and of the Gifts of My Holy Spirit.

**MAN HAS FORGOTTEN THAT LIFE IS THE GREAT GIFT FROM MY FATHER AND ACTS AGAINST IT,
ACTS AGAINST OUR HOLY SPIRIT,
AND THE ONE WHO SINS AGAINST OUR HOLY SPIRIT WILL KNOW THE VOICE OF SILENCE.**

My beloved People, this generation makes My Heart bleed seeing it totally deformed, totally debased, totally misguided; I see the man fresh from My Father's Hands and at the present-day man, totally different from the one My Father created.

My beloved People:

**YOU MUST WALK TOWARDS THE UNION WITH MY WILL, ONLY THUS AND ONLY THUS WILL YOU
RECEIVE FULLY THE GIFTS AND VIRTUES NECESSARY TO FACE THOSE INSTANTS IN WHICH FAITH
WILL BE TESTED IN DEPTH.**

My children! My People must remain faithful and immovable, and this will not be achieved by the one who does not know Me in depth, who does not abandon himself totally in My Will, who does not trust in My Protection and scorns the loving Call of My Mother.

My People! What has become of you?...

My People! Into whose hands have you given yourselves?...

My People! How I yearn for you, how I miss you!...

OH BLIND, DEAF AND MUTE PEOPLE! TO WHOM I HAVE BROUGHT MY WORD SO AS TO RESCUE YOU FROM PERDITION! AND YOU HAVE SCORNED IT...

Even so, the inexhaustible springs of My Mercy spill out instant to instant over you, but My Mercy falls to the ground because My children do not receive it, on the contrary, every instant they sink in new and vile sins.

THIS YOUR CHRIST SUFFERS FOR HIS CHILDREN BEFORE THE DENIAL, BEFORE THE OBLIVION AND THE STUBBORNNESS OF CONTINUING TO CLING TO THE FALSE WORLDLY GODS.

Of what value will the god of metal be for the human being,
when the global economy staggers and falls to the ground?

What is the power of the great superpowers worth,
when they, among themselves, will execute each other until they overthrow one another?

What is the attachment to human pride worth,
when it will be scourged by its own hands?

My beloved children:

MY PEOPLE MUST KNOW ME IN DEPTH AND ENTER ABSOLUTELY INTO MY WILL, THEY MUST WELCOME IT IN HASTE, AS IF I WERE COMING IN THIS VERY INSTANT, AS IF YOU WERE IN THE FINAL INSTANT AND WERE CONSCIOUS OF IT.

Time has harshly marked this generation as a consequence of the harshness with which this generation has journeyed devastating My Father's Will, and in this instant it must return to My Father what is belongs to Him...

I desire a holy Church...

I desire a Church obedient to My Word, that follows My Commandments that follows the Sacraments...

I desire a Church that thirsts to receive Me, a Church that thirsts for My Word, a Church that is pure, holy and that loves My Will, carries out My Will, is faithful to My Will...

I desire a Church that despises what is worldly and earthly goods, a Church that is totally spiritual, a Church that enters into My Will every instant and that without My Will does not find any path...

I DESIRE THAT CHURCH I INSTITUTED WITH MY DISCIPLES, THE SAME ONE I INSTITUTED, I WANT TO RECOVER IT.

I DO NOT NEED LUXURIES, I DO NOT NEED GREAT TEMPLES, I COME FOR THE TEMPLE THAT IS EACH ONE OF YOU, FOR THE INNER TEMPLE WHERE I MUST REIGN WITH MY WILL.

My beloved, in the instant that approaches you will see unleashed before you the forces that have been preparing the entire social, political, economic and apparently spiritual structure of the "false prophet," of the one who will usurp My Throne -- I speak of the antichrist. Hence I have come constantly to you to explain My Word so that with urgency, you return to Me.

I FIND MYSELF IN THIS INSTANT BEFORE EACH ONE OF YOU WITH MY ARMS OUTSTRETCHED TO RECEIVE YOU WITHOUT SEEING OR NOTICING ANY SIN OF YOURS, RATHER MY MERCY, SEEING YOU BEFORE ME, TRULY REPENTANT AND WITH A FIRM RESOLUTION OF AMENDMENT, LOVES AND WELCOMES, WELCOMES AND LOVES.

Woe to My People who do not listen to My Call! And by not knowing Me, they will believe they recognize Me in the antichrist and will walk towards him, blinded by his debased lie, thus handing themselves over to the unimaginable pain he will cause, with a single government usurping from this King His Land and His Throne, with a single government that will pretend to overturned My Scepter. The disobedient man will suffer, and I will hasten with My Justice to save souls.

My Love goes beyond man's analyses; My Love is infinite and no theologian will be able to describe it to perfection. My Mercy has fathomless limits and My Justice implicitly carries My infinite Love for each soul.

My beloved:

PREPARE YOURSELVES INTERNALLY. WHAT IS MATERIAL, IS MATERIAL AND LIKE EVERYTHING THAT IS MATERIAL, IT WILL PERISH. MY PEOPLE WILL HAVE MY HELP, BUT YOU, IN THE INNER DEPTH OF YOUR SOULS, FUSED TO MY HOLY SPIRIT, WAIT FOR ALL THAT OCCURED, FOR I AM PRESENT IN YOU.

Unite in a single heart, in the unity of My infinite Love that will be an invincible and immovable wall. Whoever lives in obedience, remains in unity.

This is the instant of Goodness, of Charity, of Faith, of Hope, of Love, and it is the instant of Obedience to My Word, so that united, we sing victoriously My Final Triumph and I recover by man's own hand, all that man has given to the enemy of the soul.

I AM YOUR GOD.

**Pray for one another, minister to one another,
for this King of kings and Lord of lords remains and will remain forever and ever.**

I bless you in the Name of the Father, in My Name and in the Name of the Holy Spirit.

MY PEACE, MY STRENGTH AND MY FORTITUDE BE IN YOU, MY PEOPLE.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Our Lord Jesus Christ gives us a compelling call, He does not write between the lines so as not to accommodate for misinterpretations...

**CHRIST CALLS US TO A RADICAL CHANGE,
TO AN INTERNAL CHANGE TO LEAVE LUKEWARMNESS AND LIVE IN HIS WILL.**

Before this commandment in this urgent instant, we only have left to say, with a generous spirit in profound humility:

I BELIEVE IN YOU, BUT INCREASE MY FAITH.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 31, 2013**

Beloved children of My Immaculate Heart:

**CHILDREN, I WANT TO GUIDE YOU THROUGH THE MOST DIRECT PATH TO MY SON. MY BLESSINGS,
AS A MOTHER, ARE INFINITE FOR ALL MY CHILDREN, FOR ALL.**

Only the humble recognize how small they are and the greatness of My Son. Only the small and humble are the ones who turn to My Son and allow Me to draw near to them, since I am the Mother of their Lord.

**HOW MUCH DAMAGE PRESENT-DAY MAN HAS CAUSED WITH HIS PERSISTENT ILL USE OF HIS WILL!
THIS ILL USE OF FREE WILL HAS LED HIM TO REMAIN SHACKLED TO SIN,
AND AS A CONSEQUENCE HAS RUINED THE FUSION BETWEEN MAN AND THE TRINITARIAN WILL,
THUS SEPARATING HIM FROM SO GREAT A GIFT.**

In this instant, man must grow in his spirit and grow in the knowledge of the Divine Will. He has grown in the sciences, and these were used to go against the Gift of human life and against the Trinitarian Will.

My beloved:

**THIS GENERATION HAS NOT BEEN ABLE TO ENTER INTO THE FATHER'S LAST PACT THROUGH HIS
SON, IN WHICH HE OFFERED AND ANNOUNCED THE HOLY SPIRIT. THE FATHER PACTS WITH HIS
PEOPLE, FOR THEIR GOOD, HE OPENS THE DOORS OF SALVATION TO THEM WITH THE PURPOSE
THAT IN UNITY, MAN MAY WORK AND ACT IN HIS DIVINE WILL,
ARRIVE AT THE KNOWLEDGE OF THE TRUTH AND FOLLOW THE COMMANDMENTS,
ESPECIALLY THE FIRST ONE.**

Human pride has been the root of all evils, and it will continue to be until man heeds the Divine Word and becomes willing to walk in union with his God.

Beloved, you have despised and wasted the time that is past, you did not prepare yourselves to face the coming events or the perversity of those who march poisoned by the venom of infernal evil.

The violence of this generation is not a violence gestated only by man, rather it has been a process of the enemy of the soul, who comes to conclude his attack, poisoning My children so that these, separated from Divine Love, are wolves against those who continue to fight to remain standing.

The one who receives My Calls is the one who has been able to avoid and refuse that which wants to distance him from Me and has recognized My Son's Will in My Messages of warning, not of fear, but of Truth.

**MY TRUE CHILDREN CARRY IN THEIR HEARTS THE INDELIBLE SEAL OF THE UNITY
TO WHICH MY SON HAS CONVOKED THEM, AND IN THE UNITY OF THIS BODY AND BLOOD,
THEY ARE CONSCIOUS OF THE FAITH THAT UNITES THEM AND STRENGTHENS THEM.**

For these instants that will culminate with the Great Purification of the Faithful at the hands of the enemy of the soul, a new World-wide Flood will not arrive, because My Son redeemed you, **RATHER THIS IS THE INSTANT IN WHICH MAN WILL KNOW THE DIVINE JUSTICE THAT ALLOWS ITS CHILDREN TO APPLY TO THEMSELVES THE MEASURE THEY HAVE PREPARED.**

**BELOVED, I SUFFER FOR ALL THAT COMES TO YOU,
POWERFUL INSTANTS BEFORE WHICH SOME WILL FALL AND OTHERS WILL RENOUNCE THE FAITH,
JUST AS FAITH WILL BE RENEWED IN THOSE WHO REMAIN ON THE PATH.**

The instant of pure Love along with the sun of a new dawn will come for those who do not waver.

Beloved, the Earth has been ravaged by man. But the Earth will be reborn, not without first being contaminated by nuclear energy, the scourge of the final instants, misery for the Faithful and poisoning of the Earth that emanates through the volcanoes its state of agony throughout all the Planet.

Children, humanity will be surprised by the fury of volcanoes still unknown. Man will again live without the Sun's heat.

**Pray, the Yellowstone volcano will mercilessly scourge all of humanity.
Pray, in man violence surpasses good intentions and the wishes for change,
the war will be a war never before seen.**

My Son's Church will be shaken because of the stupidity and the denial, it will suffer so as to revive glorious.

My beloved, fight, the human "ego" is incapable of growing and bend man if man does not surrender before it.

I REMAIN WITH YOU AS A MOTHER.

My Son will not allow His People to be massacred, rather He sends His Divine vigour His Comfort and His Nourishment so that all who need it, find it. In the same way in these instants, He will give His People His Help. Do not walk without looking to the heavens; from on high the blessing arrives for this generation. Man will be astonished and My Son's House will give Him of Its Holy Food.

**DO NOT ENGAGE IN EARTHLY AFFAIRS, RATHER IN THOSE OF THE FATHER'S HOUSE.
THE CHILDREN OF GOD DRINK IN THAT WHICH IS DIVINE.
THE ONE WHO HAS FOUNDED HIS FUTURE IN SIN LIVES OF THE MUD,
WITHOUT REPENTANCE OR CONSCIENCE.**

The news comes from My Son's House. Evil has founded its kingdom upon man's unconsciousness.

The Kingdom of Heaven belongs to the humble.

**Pray, children, for all of humanity.
Pray for Uruguay.**

Remain on the Straight Path.
My Son comes for His People.
I love you, I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

We see the Blessed Mother who announced and warns Her children in this instant in which we begin a new period.

Man has not obeyed and has unleashed upon himself the ire of all that surrounds him.

We cannot dismiss the possibility that Divine Ire fall upon this human being that covers the Earth with its pride.

Let us unite in a single Heart of Love and of awareness, let us be new creatures made of humility and of the recognition and need of its Lord and its God.

Let us pay tribute to the Mother of Our Savior with the gratitude due in the name of all human beings.

Conscious that the battle is not in vain and our efforts will never be enough, let us continue without stopping.

LET US NOT LOSE HEART, WE KNOW THAT WE REMAIN UNDER THE LIGHT OF DIVINE LOVE.

Amen.

REFLECTION

12.31.2013

Brothers and sisters in the Will of the Most High:

As we conclude this year blessed by Heaven's constant Word, we wish to reflect and invite all to unite in a single Heart and a single Will. Man establishes borders so as to delimit countries, nationalities and privileges, Christ, instead instructs us in His Love without limits or borders or privileges; He asks a single act of us: **TO LIVE HIS WILL.**

God: The Divine Power has marked our guidelines for the coming instants: to obey Him, love our neighbor, and to be reborn as new people according to His teachings. This is not a new theology, rather I consider it as the most ancient, sure and effective theology: The Commandments, the Sacraments, and let us not forget, the Beatitudes. All of it without disguises or capricious interpretations.

Christ was emphatic in leaving the Precepts for His People, the rest are interpretations for convenience of ...

Christ, the most humble among the humble, comes to asks of us that in our inner temple we offer Him acts and works worthy of Him; He told us He does not need luxurious temples but rather people conscious of man's urgent instant, man who fired up by his "ego" has saturated himself with violence, leading him to commit unimaginable acts against life.

In the past, several atomic bombs were needed to destroy part of the Earth. Now we live another dreadful reality that, with the scientific advances in this field, brings about the ill-use of nuclear energy.

Abortion generates scorn for the Gift of Life and is a cause of great calamities for humanity. Just so, the escalation of the dominion that electronic means exercise over man's mind and intelligence forming mental androids to battle and win, generates scorn for the Gift of Life.

The indifference before genocides that are current, recognized and feared even by high authorities, leads us to remember Christ before the Doctors of the Law or before Herod or Pilot. The various of events in which Christ has submerged us in His calls, has amplified the vision of the one who wishes to live the reality, but has blinded those who fear perhaps knowing that Christ comes in His Second Coming or blinded by the ignorance of those who believe that Christ is in the Heavens and not with His People, whom He loves and for whom He comes with His Just Wrath, to separate the wheat from the chaff.

Brothers and sisters, Christ came in a Manger so that His children follow and recognize Him, not in empty words but in the one who comes and acts in the Will of His Father.

Our Blessed Mother has not deserted us, nor will She. Even if the place that Her own Son gives her as His first disciple is taken away from Her... we have so much to learn from that Woman clothed with the Sun who, from the Tilma of Guadalupe lives and keeps loving Her Children.

The reality of man's consequences following his evil and perverse acts is Divine Justice, before which no human being will be able to escape.

Brothers and sisters, we appeal to Divine Mercy, but most of all, let us be worthy of It.

Let us not wait for the final instant, let us live as if this were the final instant for us to be reunited with our Beloved and Our Queen.

Light of Mary.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 5, 2014**

Beloved children of My Immaculate Heart:

I look at you and I love you, I bless your path. My Love remains with you.

**ONLY THOSE WHO WALK ON THE PATH OF LOVE WILL EXPERIENCE GOD'S PRESENCE IN THEIR LIFE.
LOVE FOR MY SON CENTERS THEM AND GUIDES THEM IN OBEDIENCE
SO THAT THEY OVERCOME THE EVENTS OF EVERY INSTANT.**

My beloved: My Son, scorned and a pilgrim, knocks on the door of the heart of each one of His children and does not find welcome; on the contrary, human greed knows no limits because even recognizing Him, they close the door to Him time and time again.

My children go to meet the enemy of the soul, they give themselves over to him wrapping themselves up in what is worldly and put their trust in earthly reassurances, since they possess freedom to do so.

**DO NOT FORGET THAT NOTHING IS IMPOSSIBLE FOR GOD WHEN A PERSON REPENTS
WITH A FIRM INTENT OF AMENDMENT.**

Children, I see you from on high, and there I see each one in particular: your path, your endeavor, the truth and how much you place trust in yourselves, and how kindly and obedient you are to the Divine Word.

My beloved, wisdom is a difficult pearl to acquire. The one who is wise recognizes His Creator and does not leave Him out, rather he knows that He is like the sun whose interior is not seen directly, rather only its external circle is seen, it is known that it always shines fully even if it is not seen, since its brilliance is too much and he loves that light that provides what he needs... So man must love My Son's Will and not enter into a battle with It.

Everyone has a personal mission and some chosen ones have a mission that carries the wellbeing for all of humanity.

**THE STEP OF HUMAN BEINGS HALTS BEFORE FREE WILL AND THE HUMAN RESPECTS THAT ARE ILL-
INTENTIONED, LEADING TO THE DIVINE WILL BEING FORGOTTEN
AND SUPPLANTED BY PERSONAL DESIRES.**

Humanity forgets that ill-used free will obligates Divine Justice to act, upon exerting human will against Divinity. THIS HAS BEEN MAN'S DISPOSITION: WALKING EXERTING FREE WILL, FORGETTING THE MISSION THAT HAS BEEN ENTRUSTED TO EACH ONE OF YOU.

Thus walks My Son's Church, from bitter cup to bitter cup, from warning to warning until it faces itself and lives the pain of being conscious of the evil committed. **THE WARNING IS NOT SYMBOLISM, IT IS A REALITY THAT ALL WILL FACE.**

**HUMAN LAMENT WILL NOT WAIT BEFORE THE SHADOW OF DEATH UPON THE EARTH,
BY NOT SHAKING OR CORRESPONDING BEFORE MY CALLS.**

Beloved children:

**YOU FORGET WHO YOU ARE WITH SUCH EASE AND FORGET
WHAT THE CALL OF THOSE WHO ARE MINE IS!
YOU QUICKLY YIELD BEFORE THE SMALLEST CONTROVERSY,
BECAUSE YOU DO NOT RECOGNIZE THE DIVINE LOVE THAT REDEEMED YOU.**

You scorn act after act of mercy from the Paternal House and human will knows no limits, it continually offends My Son. He is at the doors of this generation and will arrive before you without warning, and you will be surprised.

**HUMANITY SINKS IN AN ENDLESS BATTLE, AGAINST ONE ANOTHER IN YOUR FREE WILL, AND
VIOLENCE, A PRODUCT OF IT, WILL EXERCISE ITS POWER GALLOPING OVER ALL OF HUMANITY.**

The great Goliath of this instant: nuclear energy, will rush upon all like the shadow of death.

The enemy of the soul celebrates its victory. My children, in an act of utmost violence, will attack one another like strangers.

Divine Mercy before a fooled humanity, without values and that scorns My Son, will be a witness of scourge after scourge.

**Pray, children, volcanoes awaken with severity and those who are Mine will suffer.
Pray for Italy, for the United States and pray for Guatemala.**

The fish, altered by radioactivity, will come to shore so that man sees how much damage he has caused, but man, indifferent, will continue to advance in his violence.

**Pray, the Church will suffer overmuch.
Pray, the waters will move and rush towards the land, and man will suffer.**

**BELOVED, TRUST AND LOVE MY SON'S WILL,
DO NOT LET FEAR INVADE YOU, BUT RATHER THE DESIRE FOR SALVATION,
EXERTING YOURSELVES TO COMPLY FULLY WITH THE PETITIONS FROM ON HIGH.**

Beloved children of My Immaculate Heart:

**A MOTHER DOES NOT COME TO THOSE WHO ARE HERS TO IMPART FEAR TO THEM,
RATHER TO WARN THEM AND SO THEY RETURN TO THE CORRECT PATH.**

Beloved, pray for the innocents that will suffer in an attack without precedent, London will suffer.

Human egoism is not weakened but rather grows stronger.

**YOU WHO LOVE MY SON, DO NOT LOSE HEART, RATHER PRAY AND MAKE REPARATION,
LIVING IN THE DIVINE WILL WITH THE ACTS AND WORKS OF EVERY INSTANT.**

Do not forget that from on High the blessing arrives; just as Mana descended to the People in the desert, so also in the desert of free will, again My Son's People will be blessed with New Mana that will guide them so that not all are lost and arrive at the knowledge of the Truth.

My beloved:

**I BLESS YOU BEFORE THE INSTANT OF INSTANTS, I BLESS YOU URGENTLY SO THAT YOU ARE NOT
LOST BUT CONTINUE ON THE PATH, WITH THE ASSURANCE OF MY PROTECTION.**

Remain attentive to My Calls, do not scorn the path that My Son has laid out for each one of you.

MY HEART IS AN ARK OF SALVATION FOR THE FAITHFUL AND MY LOVE COVERS ALL.

I love you, I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

The Mother loves, She loves more each time; She calls and alerts, alerts and gives confidence before the instant of the Warning, which will be a consequence of total human debauchery and the fulfillment of what has been announced to us.

She cries out to those who are Hers so that they do not succumb unprepared.

We know that Nature will scourge humanity, but that humanity will scourge itself, through man fighting against man himself.

Is this reality not motive enough for this generation to be aware of the permanent offense against its Creator and for it not to use Divine Mercy as a shield against its constant faults?

Brothers and sisters:

**LET US WAKE UP! THE INSTANT IS DIVINE WILL.
LET US NOT LOSE HEART, FOR HERE ON EARTH WE REMAIN TO EXALT THE NAME THAT IS ABOVE
EVERY NAME AND THIS IS TO LIVE FULLY THE TRINITARIAN WILL.**

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 10, 2014**

Beloved children of My Immaculate Heart:

From the depths of My Maternal Love, I see humanity before a great iceberg shaped in its core by man's will that is rampant and disrespectful of all that My Son bequeathed to you. Man will not be able to avoid the iceberg with only his human will, not until he encounters with his Lord and his God, for every instant is strengthening and growing more.

On so many occasions I have called you to look within yourselves and transcend what is human, so that you enter into, little by little, the True Path that leads to My Son, with the RULE being: **TOTAL AND ABSOLUTE DETACHMENT FROM ALL THAT IS WORLDLY AND LIBERAL IN THE SENSES CONTAMINATED BY THE FORCES OF EVIL, WHICH IMPRISON MAN IN THE MUDS OF SIN AND SPIRITUAL, MORAL AND SOCIAL DEPRAVITY.**

Beloved children of My Immaculate Heart, you, by human will, have created this iceberg that you strengthen with each act that is outside of My Son's lineaments, with each human denial and with each disobedience that leads man to fall into the mud of savage instincts, worse than the animals. **THE MAN OF THIS INSTANT IS UNRECOGNIZABLE; HE IS NOT THE MAN THE FATHER CREATED, NOR THE ONE MY SON REDEEMED, RATHER HE IS THE MAN TOTALLY ROOTLESS FROM LOVE TOWARDS ALL THAT IS DIVINE AND UNITED TO THE FALSE LOVE THAT THE ENEMY OF THE SOUL HAS CREATED. THIS ENEMY HAS DRAGGED MAN WITH FORCE.**

My beloved children:

THE TRUE CHRISTIANS ARE THOSE WHO CLING TO THE GOSPEL, FINDING TRUTH AND THEIR REST IN THE COMMANDMENTS, AND FINDING THE FULFILLMENT OF THE FATHER'S WILL IN THE SACRAMENTS.

Beloved children, be conscious of every sentence of the Our Father and be conscious of how you profess the Faith in My Son. Be conscious of the Words of the Creed, do not pray it from memory rather live it in your conscience.

My beloved, in the Consecration, My Son transubstantiates the bread and wine into His Body, Soul and Divinity to be the food that nourishes you in spirit and provides you with what is necessary to continue to face what is worldly which sees you as beings who are different from the rest.

A martyr is not only one who physically dies defending the Faith, but also the one who gives himself instant to instant to fulfill the Divine desires and the Divine Will, without paying importance to the mockery and criticisms of his or her brothers and sisters when he or she acts rightly. **DO NOT WORRY, MY CHILDREN, FOR YOU WILL NOT FIND THE FINAL GREATNESS ON EARTH BUT IN MY SON'S HOUSE WHERE HE WILL PREPARE HIS TABLE FOR YOU AND A PLACE IS RESERVED FOR YOU AT THE TABLE OF THE HEAVENLY BANQUET.**

My beloved, how many mock My Calls and My Messages previous and current! They are the ones who have not been able to enter and see in these instants the fulfillment of those Calls and Messages, for man's fear leads him to deny the Divine events that are announced to him. Distrust in what is coming leads you to repel the Truth and feel threatened before what announces purification to you, and above all, purification in your surroundings and your economic security.

Beloved children of My Immaculate Heart, Nature finds a man who is totally indifferent to it. **MAN, IN TOTAL FREE WILL, IS INDIFFERENT TO THE FATHER'S WILL. THIS IS THE BEGINNING OF WHAT IS PROPHESED BY ME.**

MY SON'S CHURCH HAS FALLEN IN SPIRIT, IT IS A CHURCH OF APPEARANCES, NOT FIRMLY SPIRITUAL, She has not prepared man spiritually with the firmness of how to overcome all that he will find at the end of this generation.

My children:

**MY SON COMES FOR HIS PEOPLE, FOR A PEOPLE OF FAITH AND OF LOVE,
OF TRUST AND OBEDIENCE BEFORE HIS WORD, FOR A PEOPLE WHO WILL FOLLOW HIM WHEREVER
HE GOES SO AS TO LATER MEET WITH HIS OWN AND WHO WILL CONTINUE FIRM ON THE EARTH TO
ENCOUNTER HIM, AFTER HAVING BEEN FAITHFUL WITHOUT FEARS OR DENIALS.**

My beloved, do not forget that the instrument is the ink and the one who directs the hand is My Son.

My beloved:

**DO NOT BE CONFUSED, DO NOT SEEK WHAT IS MY SON'S IN THE WORLD,
TOIL AND SEEK WHAT IS RIGHT
AND SET ASIDE ALL THAT WHICH WILL DELAY YOU IN THE ENCOUNTER WITH MY SON.**

You are My pearls, you are My joy, you are My Hope, for I will never set aside hope and the decision for good that you possess, for being called to perdition by the current of evil, you have refused for love of My Son.

Pray, My beloved, pray, Brazil will be shaken... (Note: The Blessed Mother paused and in that instant took me to see great shanty quarters and water was falling over them, my pain was greater upon seeing that innocents were suffering unexpectedly...)

My beloved:

How I bless you and how I suffer for all of humanity!

**MY SON IS IN NEED OF PEOPLE WHO ARE UNITED,
STRENGTHENED AND FUSED TO THE DIVINE WILL.**

I bless you, I love you.
Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

**ALL BEING THE CHILDREN OF THE SAME FATHER,
WE ARE ALL EQUALLY CALLED TO MAKE A CHANGE IN THE ACTS AND WORKS OF OUR LIFE.**

It is not the coming instants that should lead us to feel fear, for only the Father knows the day and the hour, but offending the Creator must be, for the true child of God, what keeps us awake at night.

IN THIS INSTANT, THE BATTLE IS TOTALLY SPIRITUAL; evil confronts man and man, weakened by what reaches him and that he accepts without stopping to reflect if it is good or not, takes it and when he tries to react he has already clung to what he feels as part of his life and it has turned him away from God.

Our Blessed Mother does not cease in the call for a Church that is holy, solid in what is spiritual, for thus, and only thus, will we be able to keep Christ alive in our midst.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 12, 2014**

My beloved People:

**YOU ARE THE APPLE OF MY EYE, AND I LOVE ALL OF YOU. ALL ARE NECESSARY IN MY KINGDOM. I
BLESS AND PROTECT THE WAY, I CLEAN THE TURBID WATERS SO THAT YOUR TRANSIT IS MORE
BEARABLE AND EASIER.**

My beloved, like the fingers of a hand, all are necessary in My Missions; except that those who feel they are necessary have to understand that for Me, the one who is necessary is the one who lives, works and acts in My Father's Will; the one who is humble is necessary to Me; the one who is proud will be discarded, not by Me, but by his own pride.

IN MY KINGDOM, MY AFFAIRS HAVE LOVE, CHARITY, HOPE AND FAITH AS A BASE.

The one who accompanies Me will find the solution to all that is presented before him on the way in these four Virtues, but the one who is prideful does not accept My Word or My Advice, or My Help until he faces his own enlarged human ego, and there he meets himself and with harshness judges himself.

My beloved, the one who thinks himself to be first will be the last, and the last shall be the first. You know that I give the same pay to the one who arrives in the first hour as to the one who arrives in the last hour of the afternoon, but for this it is necessary that you have an unwavering Faith in Me and sincere repentance.

My children:

THIS IS THE GENERATION THAT HAS IN ITS REACH THE SPLENDORS OF MY HOLY SPIRIT AND BECAUSE OF THAT, THE ENEMY OF THE SOUL HAS PERSISTED IN A CONSTANT BATTLE AGAINST MY PEOPLE. A spiritual battle that he wishes to win at whatever cost: bringing snares to every human being, destroying hearts and destroying families, killing innocence, perverting the youth, contaminating childhood and debasing man's mind so that he is not able to love.

**AND DO YOU KNOW WHY?
BECAUSE LOVE IS THE GREATEST VIRTUE THAT A PERSON CAN HAVE,
FOR BY HAVING MY DIVINE LOVE, THAT PERSON RESEMBLES ME MORE.**

In love, in My Love the human being finds fullness, and killing love leads to man losing the graces that are proper to him as one who is made in the image and likeness of My Father. The lack of love in a person leads to scorning My mother and...

... SHE IS THE ONE WHO WAGES BATTLE IN THIS INSTANT AGAINST THE INFERNAL ENEMY... SHE IS THE ONE WHO COMMANDS THE HEAVENLY HOSTS. I have entrusted them to Her and that is why satan hardens man so that man scorns My Mother, so that he denies that I have entrusted to Her to remain beside humanity to defend it, and that She takes you by the hand from revelation to revelation until making you conscious that "I Am Who Am" and that She is My Mother: the Sacred Vessel, the Ark of the covenant, the morning Star, the Advocate and intercessor of Christians.

Beloved children, in this generation in which the Holy Spirit distributes His Gifts everywhere, evil distributes its followers throughout the earth, it has left hell empty and has spread demons over the Earth so that all men forget Me and fight fiercely against one another even to the point of killing one another. **THIS IS NOT MY WILL, THIS IS NOT MY LOVE, THIS IS NOT MY GENERATION, THESE ARE NOT MY CHILDREN, YOU MUST NOT ACT IN THIS MANNER...**

MY BELOVED, MY LOVE IS INFINITE BUT THE WEIGHT OF SIN POURS OUT THE LAST DROP OVER THIS INTRANSIGENT HUMANITY, OVER THIS HUMANITY THAT TRAMPLES AND FORGETS ME...

I love you, I remain beside you until the final instant that you remain in the world, but you are not part of the world, you must be salt of the Earth. You, My beloved, must be the water that refreshes on its way and makes all that it touches green.

The heart and mind of man are so arid that I see them extremely cracked and all this because of the lack of My Love...

**OH PERVERSE GENERATION IN WHICH EVERY HUMAN BEING
GIVES HIS OWN MEANING TO MY LOVE!...
AND MY LOVE IS ONE AND IS NOT SUBJECT TO PERSON CHANGES.
THE LACK OF TRUTH AMONG YOU LEADS YOU TO FALL VERY LOW.**

The Earth has been contaminated so much and the Sun, the Sun cracks it to its depths. The rays of the Sun, instant to instant, reach the Earth each time with more strength and with more contamination for the Earth.

It is soon, children, the instant in which the Sun will let all its fury fall upon the Planet. There will be an explosion so strong that you, on your knees, will be convinced that without Me, you are nothing. Science will see all of its scientific advances reduced to nothing and the man, the man who is not spiritual and does not have Faith, will wander the streets desperate, even losing his memory upon feeling himself reduced to nothing.

You, My People, who follow Me, who continue at My Side, you are preparing yourselves for the upcoming events. You who have abided My Orders, My Calls and those of My Mother, given previously for this instant, in which My House alerted you about the contamination by radioactivity, are witnesses of how many would ridicule Me and My Calls. And you saw how in an instant, with a seismic movement, radioactivity is invading with more and more force and is contaminating everything: the waters, the air, the earth itself, man and this, this contamination is one of the Horsemen of the Apocalypse that will continue advancing and will not remain where it is. Man will understand that nuclear energy is one of the great scourges he has created against himself.

My beloved, do not be negligent, the volcanoes will erupt in sequence and the geography will vary.

I LOVE YOU INFINITELY, MORE THAN YOU YOURSELVES BELIEVE THAT I LOVE YOU, more than you feel that I love you. I love you in spirit and truth, but you constantly refuse to follow Me, and I, Beggar of Love, continue from heart to heart without you paying attention to the signs of this instant. You have been alerted, because I do not act without warning My People.

The Middle East will enter into effervescence, and the world will look on so much death with indifference. My poor children, those who believe that what is far away does not reach them! Because the indomitable embrace of communism will fall upon America, and will especially bring pain to the United States.

My beloved, pray, pray for the American People.

My beloved, your President must fall upon his knees before Me, his power is earthly and My Power, Heavenly and Divine; his pride will be subdued by My House in an instant.

My beloved, pray for My beloved Argentina.

Pray, this land will weep, then, like a bejeweled bride, receive the blessing from My House.

MY BELOVED, DO NOT FORGET YOUR BROTHERS AND SISTERS WHO SUFFER IN THIS INSTANT FOR PROFESSING THEIR FAITH, especially those in the Middle East where pain will increase and not depart, because man's violence in the Middle East goes beyond man himself. It is dominated by those who govern countries.

My People:

**HOW I SUFFER FOR YOU!
HOW YOU SHOULD GIVE ME SO MUCH! AND HOW YOU REFUSE ME SO MUCH!
RETURN QUICKLY TO ME, BECAUSE TIME IS NOT TIME
AND IT IS THE INSTANT OF MY SECOND COMING.**

Do not deny My instruments, whom I use to preach the Truth to the whole world, to speak for the one who is silent, to announce what is hidden by those who should speak the Truth.

These are not instants of superficialities, they are instants of calling My People to unity, of convoking to prayer with power, they are instants of hardship, because My children must work and act according to My Will, not in their free will.

I DO NOT DESIRE GOLDEN CALVES, THESE I WILL DESTROY IN INSTANTS, I DESIRE HEARTS AND CONSCIENCES ALERT TO MY CALLS AND READY TO FULFILL MY ORDERS AND MY WORD.

You find yourselves in critical instants, in which the great spiritual battle looms without man perceiving it, in the absence of a clear conscience and of a Faith firm and strong in Me.

I RETURN SOON, BUT BEFORE MY RETURN I WILL CONFRONT EACH ONE OF YOU WITH YOUR CONSCIENCE SO THAT YOU SEE YOURSELVES SUCH AS YOU ARE. THIS ACT OF MERCY FROM MY HOUSE IS PREVIOUS TO MY SECOND COMING.

Remain attentive, for I, with My Heart open and My Hands extended towards you, send the new Manna for this generation.

Remain attentive to My Word through My instruments and discern which are My true instruments, because not all who tell you to return to Me are My true instruments.

I love you, I come for you and My Mother, with Her Womb full of Love to receive all and shelter you, remains attentive to the word of each one of you. Walk looking to the heavens. That which will make the Earth shake approaches it, but before all this Truth I must communicate to you out of love, remains My Mercy that is infinite for those contrite and humble hearts that turn to Me.

I wait for you, I bless you. My People will triumph. I do not abandon you nor does My Mother abandon you.

I love you, I bless you in the Name of the Father, of the Son and of the Holy Spirit. Amen.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

CHRIST CONTINUES IN HIS SEARCH FOR SOULS. HE DOES NOT WANT ANY ONE OF HIS CHILDREN TO BE LOST, AND WITH THIS, I AM REFERRING TO ALL HIS CHILDREN, NOT ONLY CATHOLICS.

Let us see the signs of the times:

The increase of nature's agitation, the harshness with which nature rushes upon the Nations, the oceans freeze and it rains in the deserts.

The animals emerge from their natural habitat and seek refuge in places in which they would never survive and some species are committing suicide. What do we expect, brothers and sisters! Might not the animals be announcing that something approaches?

Since 2011 we were warned about a nuclear plant that would spread radioactivity throughout the Planet -- it was not given importance. Perhaps it was a source of mockery, and in this instant we live this reality that affects a great amount of human beings and species, principally marine, with unthinkable deformities.

We had a demonstration at Chernobyl, and we did not believe that something worse would occur. Fukushima is a reality, the levels of radioactivity increase every instant, the consequences are unpredictable and unmanageable, so much so that suicides in that zone increased, and the contamination has reached to South America.

Humanity is being bombarded with transgenic foods. Is this not another sign of the times?

The sun is not the same and this is not just another of its cycles, but another sign of the times that we live.

Wars and rumors of wars... man's violence against man leads to remembering:

"I am sending you out like sheep among wolves. Therefore be as shrewd as snakes and as innocent as doves. Be on your guard; you will be handed over to the local councils and be flogged in the synagogues (...) Brother will betray brother to death, and a father his child; children will rebel against their parents and have them put to death. You will be hated by everyone because of me, but the one who stands firm to the end will be saved. "

(Matthew 10:16-22)

This is more than the secret movement of the devil, it is the constant preparation of the way for the antichrist.

**AS CHILDREN OF THE SAME FATHER, LET US RETURN TO THE TRUE PATH,
LET US PRAY, BUT LET US ACT.**

Amen.

**CONFIDENCES OF THE HOLY ARCHANGELS
SAINT MICHAEL, SAINT GABRIEL AND SAINT RAFAEL
GIVEN TO THEIR BELOVED LUZ DE MARÍA
JANUARY 15, 2014**

Beloved People of Our King and Lord:

**WE, YOUR JOURNEY COMPANIONS,
CALL YOU TO CONTINUE IN FAITH, UNITED IN A SINGLE HEART.
DO NOT SCORN THE WORDS THAT HAVE COME FROM HEAVEN TO POINT OUT TO YOU THE PATH
THAT YOU MUST CONTINUE.**

In this instant, satan and his demonic legions have rushed upon all of the Globe, and upon all men, without leaving anyone out, in search of a booty that they will hand over, by order of satan, into the hands of the antichrist. He will use bodies that have died in total sin to carry out false miracles before the astonishment of a humanity that is thirsty for all that it does not know.

Beloved of ours, allow us to continue accompanying you on this path in which everything rages for man, for he has used all that our King has given him, to create greater enmity between humanity and the House of the Eternal Father. The heart, thoughts and mind of man have been strongly penetrated by evil, pouring violence in the interior of the human being, who will come to commit terribly abominable acts against the Gift of life.

IN THIS INSTANT, OUR PROTECTION AND HELP TO YOU IS SO THAT YOU CONTINUE LISTENING WITH FIDELITY THE CALL TO A NEW SPIRITUAL BIRTH THAT MUST TAKE PLACE IN LEAPS AND BOUNDS, for every human being will be shaken before events of every nature and the Institution of the Church of our King will be greatly shaken by those infiltrated masons who want the Church to fall so as to hand the Church over into the hands of the impostor.

Remain alert, and for this you must keep Faith constantly growing, you cannot stop and think that the Faith you possess in this instant is enough, no!

**YOU MUST REMAIN WITH A CONSTANT SPIRITUAL NOURISHMENT
AND WITH A DISPOSITION TO GROW WITHOUT STOPPING.**

We have been entrusted with guarding in the people of our King the armour of Faith; only thus will you resist what is coming, but you must be willing and walk under the sun without it burning you, under the

rain, without it wetting you, under the storms without drowning, under the snow without freezing because the one who lives fused in the Holy Spirit, that one possesses every Gift and every Virtue so that no inclemency detains him.

Beloved of ours, as your journey Companions we will remain without distancing ourselves. What distances us from man is continuous sin and the lack of commitment in the amendment of your sins, but have the certainty that our help goes beyond being at your side. We have the great mission of taking you and presenting you before our King so that you share Eternal Joy with Him.

And you who continue to walk in Faith, at the end of this spiritual battle that remains active, you who do not see it or perceive it, at the end you will see, with joy in your soul, that every effort bore its fruit and you will gather the greatest harvest that is yearned for by any human being who loves our King.

OUR KING WILL TRIUMPH, AND YOU, FAITHFUL PEOPLE, WILL TRIUMPH WITH HIM.

Do not discard the calls of our Queen, She is the one who commands our Heavenly Hosts and the one who lives sheltered and protected under Her Mantle, this one walks hand-in-Hand with Her to safe harbor. All of you, remain in the Love and Peace of our King and Lord.

Your brothers,

Saint Michael the Archangel, Saint Gabriel the Archangel and Saint Rafael the Archangel.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 19, 2014**

My beloved People:

IN THIS INSTANT IN WHICH MY LOVE HAS BEEN VANISHED AND SCORNEED BY MAN, I COME TIME AND AGAIN, WITHOUT REST, WITHOUT HALTING BEFORE THE CONSTANT HUMAN DENIALS.

Everyone who relapses into sin and gives himself or herself over to temptations without thinking, not vaguely, but in total complacency, is a thorn, a nail, a whip, a scourge, spit, a spear... AND HE OR SHE CRUCIFIES ME AGAIN.

My children have been formed to see Me as resurrected, glorious and distant. On the contrary, I remain present before each one of those whom I love, suffering continually for their sins and denials of My Kingdom. MY HOLY SPIRIT DWELLS WITHIN ALL; SOME GRIEVE HIM, OTHERS LOVE AND MAKE REPARATION; I DO NOT REMAIN FAR FROM MY PEOPLE.

I am Mercy and Love, I do not deny forgiveness to the one who turns to Me truly sorry for his or her actions, with a firm and decided intent of amendment himself or herself.

MY CHILDREN DENY MY JUSTICE, THAT IS WHAT HAS BEEN COMMUNICATED TO MY PEOPLE. MY MERCY PRECEDES MY JUSTICE.

I do not desire a People abundant in number, gathered in My Name and not knowing My Commandments and My Truths. They present themselves before Me for appearances. I want My People to be conscious of the displeasure the human heart gives Me and how much it hurts Me and My Mother.

**MY JUSTICE HAS IMPLICIT MY MERCY; IF IT WERE NOT SO,
I MYSELF WOULD BE CONTRARY TO MY LOVE.**

MY PEOPLE DO NOT KNOW ME, MORE THAN THEY BELIEVE, AND IT IS WITH A BASE IN THAT IGNORANCE TRANSMITTED FROM GENERATION TO GENERATION THAT THEY WANT TO PLACE CONDITIONS UPON ME.

If man does not repent for the ill-use of his free will, he is not worthy of entering into My House, even if I continue to call him son.

**ALL ARE MY CHILDREN, BUT NOT ALL CARRY OUT THE DIVINE WILL IN THEIR LIFE...
LIFE IS A BLESSING, BUT THE DEVELOPMENT
AND GROWTH OF LIFE IS A RESPONSIBILITY OF EVERY HUMAN BEING.**

My beloved, how much suffering approaches for you! And how My Heart grieves because of it, without you perceiving it, since you do not allow Me to vibrate and beat in you!

You deny My Mercy, it being My Attribute... My Justice is absolute, it vibrates in My Rectitude and Perfection.

Man refuses to accept My Justice, and I delight in justice. I refuse what is impure and noxious.

THE MANIFESTATION OF MY DIVINITY IS MY WRATH AGAINST SIN AND AGAINST THE CONSTANT PERMANENCE OF MAN IN SIN. MAN HAS PLACED A MASK BEFORE SIN SO AS TO ALLOW INTERNAL AND EXTERNAL DESTRUCTION OF MANKIND AND WHAT SURROUNDS HIM.

I desire children who have integrity, who are conscious that just as the Promised Land is necessary for My People, so is hell necessary for those who work and act contrary to My Will.

My beloved, in these instants I look at the Earth, and not all the lamps are lit; the oil has been contaminated and My Spirit ignored, is not preached in depth so that sinners amend themselves and do not go against their nature.

**MY PEOPLE, MY WRATH REMAINS AGAINST ALL THOSE WHO INSIST ON DENYING MY JUSTICE.
AS SENTINELS, KEEP WATCH AND DO NOT STRAY FROM THE PATH. I AM TRUTH AND LIFE.**

My People have not offended Me so much previously, as in this instant in which they have transformed Me according to the whim and convenience of those who speak for Me.

You wish to silence the voice of My Messengers so that My lethargic People succumb to the clutches of evil; this instant is not just another, it is the instant of instants in which the sinners of the world battle against My true instruments who cry out to My People to return to My Truth.

Beloved children, you are the prey of global interests under the same authority, interests that have infiltrated My Church with the disguise of My Mercy to maintain My People's ignorance. Remain willing to be conscious that you are more than flesh, you are more than a body which you look at with indifference.

Beloved, within the order of My Creation, man emanates his ego, contaminated with sins and frustrations discharged in the capital vices and the scorn for life.

Creation is one with Me and speaks to man..., the volcanoes awaken, pray for Indonesia and Italy.

The Earth shakes, pray for Central America, pray for Russia.

The rumors of war have been overshadowed and man will be prey to war unprepared, pray for the Middle East.

My children will not find nourishment but in My Will.

The plague has been unleashed, denied and hidden by those who are responsible for it, pray for Japan.

**YOU MUST NOT FEAR, MY LEGIONS REMAIN BESIDE MY PEOPLE,
BESIDE THOSE WHO FIGHT TO TURN FROM SIN.
EVERYONE TRAVELS LIFE WITH A GUARDIAN ANGEL,
AND THIS GUARDIAN ANGEL WILL HELP HIM OR HER.**

The blessing will descend from My House.

Smoothing the way, My People will live in My Joy; you will be one in My Love, I will be your King and you My People.

My Love will be in all and all will be in Me. I bless you with My Love.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

When we deepen in the teachings of the instant, we must be clear in that humanity has been plunged into a false popular religiosity, the consciousness of the gravity that sin causes man and of the indignation with which all of Creation looks at man, the cause of so much evil, has not been inculcated.

It cannot be hidden that God is benevolent with His People, but God expects the correct response to His Sacrifice from His People.

Divine Justice is an Attribute that is precisely Divine, and who are we to deny it, if in the Old Testament we can see Divine Justice applied severely by God?

Brothers and sisters, let us be sincere and not see ourselves as worth of all mercy, setting aside Holiness and Divine Justice, and the transgression against them on man's part.

Let us make reparation... and let us be observant of the First Commandment, without losing sight of the Promise of a Holy Land for our inheritance.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARÍA JANUARY 20, 2014

Beloved children of My Immaculate Heart:

I BLESS YOU. REMAIN ASSURED THAT I INTERCEDE FOR YOU, ESPECIALLY IN THIS INSTANT IN WHICH I, WITH ALL MY HEAR, APPEAL BEFORE MY DIVINE SON, FOR ALL OF HUMANITY.

Men do not know My Maternal Love and My Maternal Love has interceded so that My Son's Hand would not previously descend.

HOW YOU OFFEND ME! HOW YOU DISHONOR ME! BUT I, LIKE MY SON, CONTINUE LOVING YOU WITHOUT REST WITH INFINITE LOVE.

The Earth creaks from its bowels, the great slides creak. The Earth will shake until man comes to ask for clemency and calls His Father by His Name.

My beloved:

HOW GREAT IS MAN'S FOOLISHNESS THAT HE DOES NOT WANT TO SEE HIMSELF AS HE IS!

IN YOUR CONTINUOUS OFFENSES TO DIVINITY, MAN HIMSELF CLOSES THE PATH OF ETERNAL SALVATION FOR HIMSELF.

In this instant you only proclaim My Son's Love, but if Divine Love prevails, Divine Justice is at the same time, part of that Divine Love.

My Beloved, how man turns against man, against his fellowmen snatching the lives of millions and millions of innocent creatures! This is the very serious sin of this generation, for by scorning life, they have opened the doors to the evil of libertinage and covetousness and have used what has been given for the good of humanity against humanity itself.

The scourges that mankind has suffered mostly, have been a consequence of man himself. In this instant, what man suffers is unknown to man himself, for the consequences of this suffering are not visible in this instant, but will be after in that they will begin reactions in the human body as you are seeing in this instant in fish and other species of the Animal Kingdom; innocents that suffer the effects of human greed.

Another nuclear plant will be shaken, spreading even more contamination ...

Woe to My People! ...

Woe to My children! ...

Woe to those who will suffer at the hand of the powerful who do not see beyond their own egoism!

My beloved, do not turn away from My Son, do not turn away from My Protection, I continue beside My children as My Divine Son has entrusted Me. BE PERSEVERANT, DO NOT FEAR WHAT IS COMING, CONTINUE WITH THE CONFIDENCE THAT MY SON KEEPS HIS PROMISES, AND THAT I DO NOT ABANDON MY SON'S PEOPLE. These People are all those who carry out the Father's Will, for not only the one who says, "Lord, Lord!" will enter the Kingdom of Heaven.

My beloved, as Mother of all of humanity, I convoke you to continue praying, to continue in that practical prayer that is the constant witness of each one of those who are Mine. WITH YOUR WITNESS YOU PREACH AND DEMONSTRATE WHO DWELLS IN YOU.

You already know that whatever is necessary for all those who cry out for blessing will descend from Heaven.

MY SON RESPECTS FREE WILL, BUT THE ONE WHO IS CONSCIOUS OF WHAT IS A LIMITED HUMAN BEINGN, THAT ONE FALLS ON HIS KNEES AND CRIES OUT FOR DIVINE PROTECTION.

Beloved children of My Immaculate Heart, alert one another, love one another, take each step conscious that soon you will face that instant in which, before My Son, you will see that travel of your personal works and actions.

My beloved, so many events approach! And you must not await them with fear but with the joy that the one who perseveres, that one, will enjoy Eternal Life. You must await what is coming with the joy that the one who is polished and purified like steel in the fire, that one is chosen to be a testimony of My Son's Love. You must wait for what is coming with Holy Patience and with total disposition so that

the Divine Will is accomplished in each one of you, conscious that the instant urges and therefore, giving yourself in total disposition to My Son's Calls will bring you an increase in Faith and an increase in the blessings of the Holy Spirit so that you discern with clarity and are assisted in perseverance.

DO NOT BE CARELESS, KEEP IN MIND THAT MAN'S ENEMY HAS STOPPED PROWLING. IN THIS INSTANT, HE HAS UNFOLDED HIS EVIL LEGIONS OVER ALL THE EARTH, IN SEARCH OF THOSE WHO WALK, WANDERING AROUND WITHOUT CARRYING MY SON IN THEIR HEART. Do not deny the fulfillment of the Divine announcements, be people who are open and see with disposition the signs of this instant.

I, as Mother and Queen, convoke you to pray without ceasing, do not diminish love towards My Son, but above all, I CONVOKE YOU TO HUMBLY SOLICIT THE HELP OF THE HOLY SPIRIT SO THAT HE LEADS YOU TO DISCERN WITH CLARITY AND SO THAT THOSE WHO DESIRE TO CONFUSE MY SON'S PEOPLE ARE NOT ABLE TO CONFUSE YOU.

Unite in My Son's Love and wait with Holy Patience, for what My Son has announced will be fulfilled and the blessing for His People will arrive "ipso facto."

**DO NOT FEAR, CHILDREN, DO NOT FEAR.
YOU ARE THE CHILDREN OF THE KING OF HEAVEN AND EARTH,
YOU ARE THE FAITHFUL: THE HOLY REMNANT.**

**DO NOT DECLINE, MY HAND GUIDES YOU WITH LOVE TO
MEET THE ENCOUNTER WITH DIVINE LOVE.**

I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

In these instants, as our Blessed Mother emphasizes, evil has decided to fight to increase its spoils, and the more souls it is able to steal the greater is its triumph.

Great blessings will descend from Heaven for humanity, but man must recognize them so as not to discard them.

Woe to the one who seeing, has not penetrated in the Treasure that brings blessing with it.

Let us not fear, rather let us wait with trust in that the Faithful will attain Divine protection.

Amen.

**CONFIDENCES OF THE ARCHANGELS
ST. MICHAEL, ST. GABRIEL AND ST. RAPHAEL
GIVEN TO THEIR BELOVED LUZ DE MARÍA
JANUARY 25, 2014**

Beloved of ours:

THE CLOUD OF CONFUSION COVERS THE EARTH WITHOUT HUMANITY SEEING THE FACT THAT ALL SPECIES ALERT IT ABOUT WHAT IS COMING.

Man's detachment from the Eternal Father's Creation is part of the largest rebellion that the human being, in this generation, has experienced, since he has known the sacrifice of the God-Man for the salvation of humanity.

Man has been sublimated through the Holy Spirit, Divine Gift from on high, at once Supreme and Kind and who does not abandon His own: Highest help...

Man received a Mother that was granted to him at the foot of the Cross as the Ark of the New Covenant, and intercessor for Her children before Her Divine Son...

Divine Love has over flown the spring of Its Mercy towards this generation, without man being stopped in his actions or works by our King, rather he has walked in total freedom so that he choose for himself the path of the blessing. Men have chosen rebellion, this being the most risky: the path of rebellion with no return.

YOU ARE A DIVINE CREATION BUT YOU DO NOT WORK NOR WILL ACT IN ACCORDANCE WITH THE DIVINE BUT RATHER WITHIN GREAT HUMAN EGOISM.

Man, by transgressing against the Gift of life, with his human science shows himself as a superior creature so as to dispense with God as the only Creative Power and man has dispensed with God, leaving God out...

WHAT HAS MAN OCCASIONED BUT A DECLARATION OF WAR AGAINST THE HOLY SPIRIT!..., impeding the mention of Him in public, without reasoning that the Name of God upon being invoked frees, heals, protects and governs in help of His own.

Purity is purity and the one who obeys his Lord and his God lives in it.

Beloved:

THE CURRENT GENERATION TRANSGRESSES AGAINST THE LAW AND WITH GOLDEN CALFS CORRUPTS INNOCENTS, FOR WHICH THIS GENERATION WILL BE MELTED IN THE FIRE BEFORE THE GREAT NIGHT FALLS AND THE GREAT WAR. This generation will not pass before the dark night falls upon it.

LIKE THE WIND THAT PASSES, SO WILL THE HUMAN PERSON CHANGE: FROM BEING A CHILD OF GOD TO BEING A STRANGER, OUT OF HUMAN WILL.

Humanity will live instants of continuous trials. In suffering it will perish.

**Pray beloved, for Argentina, it will suffer purification.
Pray so that man is a reflection of God.**

The great cloud advances, and from on high a light unexpectedly approaches the Earth with speed.

Beloved:

**WE, YOUR JOURNEY COMPANIONS,
DO NOT ABANDON YOU NO MATTER HOW STRONG THE BATTLES ARE.**

Blessing be in all of Creation.

Pray so that Heaven sends its blessing soon.

Your Journey Companions,

St. Michael the Archangel, St. Gabriel the Archangel and St. Raphael the Archangel.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Rejecting Divine gifts, the human being has fallen in all its aspects, losing not only supremacy over the beings of the Earth but losing also its own dignity.

The lament will be shocking when humanity arrives at the fateful end of its unbridled race and looking back, is for a second conscious of what great scorn it has caused the Sacrosanct Trinity.

The Holy Spirit is constantly grieved by a man who far from being the mirror of Christ, is the mirror of the rebellions of past generations.

The unconsciousness of the power science has acquired, and science being responsible before humanity for its self-destruction, will not receive any reclamation, since man, when he recovers his common sense, will have lost every instant for amendment.

As Heaven itself tells us, only, only the one who lives in Divine Will, only that one will form part of the Holy Remnant.

Brothers and sisters, humanity's clock is about to stop, so let us wage the final battle to not falter or pat attention to those who mock us, let us maintain the consciousness that what is on high is not reached with hopelessness, but like Christ, being treated as crazy, scorned and humbled, but then, like Faithful people, we will enter to enjoy the Divinity that waits for us to keep us at Its Side.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 31, 2014**

**FROM THE DEPTHS OF MY IMMACULATE HEART
I EMANATE MY LOVE TOWARDS MY SON'S PEOPLE.**

My beloved People:

**I CALL YOU AGAIN TO REMAIN ON THE STRAIGHT PATH, ON THE PATH OF OBEDIENCE,
ON THE PATH OF THE LOVE OF THE CALLS OF THE FATHER'S HOUSE.
DO NOT FEAR, DO NOT FEAR FOR KNOWING THE COMING EVENTS, FEAR OFFENDING MY SON,
FEAR NOT BEING FAITHFUL, FEAR NOT LOVING MY SON.**

I, as Mother of humanity, extend My Hand towards you to intercede for each one of you. I intercede before My Most Holy Son so that you find the strength necessary to announce and make public what is coming, to announce and make public what is in accordance to the Trinitarian Will and denounce that which does not march in accordance to the Trinitarian Will.

YOU RECEIVE THE DIVINE WORD, YOU RECEIVE MY WORD BY THE WILL OF THE SACROSANCT TRINITY AND YOU MUST BE THANKFUL FOR THIS FOR HEAVEN DOES NOT ACT WITHOUT WARNING OR WITHOUT ALERTING ITS OWN, PRECISELY BECAUSE IT LOVES THEM.

Man's journey has been painful and that was not the Father's aim upon creating man in His image and likeness, but man in his vileness and in his continual rebellion in all ages and in all the centuries of human history, he has continued to rebel against the Father's Will, and acting and working with his own "ego." That has led every generation to suffer the purification of body and soul.

Beloved children of My Immaculate Heart:

**THE EVENTS THAT DURING MANY AND MANY INSTANTS I HAVE ANNOUNCED TO YOU,
WILL BE FULFILLED WITH GREATER EMPHASIS IN THIS AGE THAT MOVES TOWARDS THE END AND
THUS TO THE SUCCESSION OF FACTS AND EVENTS THAT YOU WELL KNOW.**

The volcanoes are the breathing of the Earth that keep incandescent heat in their bowels, and this, this incandescent heat will be spilled, and with it the emanation of harmful gases will not wait and will run through the slopes of great volcanoes feared by man, but for which the instant to awaken has arrived, precisely to accelerate the purification of all of humanity.

You, children, in every work and act elevate yourselves towards the heights like lamps that burn, or you sink in the abysses with the darkness that advances over the Earth...

You, children, are a beacon that gives light to the Earth or are darkness that blackens still more the soul of the human being...

YOU HAVE KEPT SO MUCH INDIFFERENCE TOWARDS "EVERYTHING" THAT IS HAPPENING AND THIS "EVERYTHING" IS:

**THE INDIFFERENCE TOWARDS THE DIVINE SIGNS ALREADY ANNOUNCED AND PROPHESED ACROSS
ALL GENERATIONS; NOT ONLY THE LAY MAN DISOBEYS,
BUT AT THE SAME TIME THOSE WHO HAD IN THEIR HANDS THE DUTY OF MAKING MY THIRD
SECRET AT FATIMA KNOWN DISOBEYED... AND THAT DISOBEDIENCE CONTINUES...**

How much more open would be the faithful knowing about the Truths of the Divine Powers that move within human beings! Man is not only flesh, man is a vase of election of the Holy Spirit and with Him, one who possesses great Gifts that he does not know because all that which seem Divine, is and will be discarded.

My beloved, listen to My Prophet, do not waste the Word sent by Heaven through her.

I bless you continually and invite you to prayer.

How much pain hovers over the Earth! How much darkness invades the atmosphere! But outside terraqueous globe OUTSIDE THE EARTH, YOU WILL FIND SCORES OF HEAVENLY BEINGS READY TO HELP YOU. YOU ONLY NEED CRY OUT FOR THEIR HELP AND THEY WILL COME TO YOU.

Beloved children of My Immaculate Heart:

Do not be dazed, but it is necessary to deepen in the great harm that nuclear energy occasions and of the great harm it will cause the entire Planet and above all to man, child of God. Everything in the Universe, everything has life, because the Father is Life.

MY CHILDREN, TURN TO MY SON IN THE CONSECRATED HOST.

Beloved children of My Immaculate Heart:

Darkness advances over the Earth ruthlessly, and this darkness will continue to disturb the mind of men in such a way that man will cease to think; he will be commanded simply by a microchip that will transform him into an inanimate being and like a puppet, he will be used by those who are great and powerful.

I invite you to pray greatly for My beloved Land of Argentina.
I invite you to pray fervently for Costa Rica, it will suffer great trials.
I invite you to pray for Spain, it will suffer and suffer.

My Son's Church will be shaken in its foundation.

You, My Son's beloved People:

DO NOT SUCCUMB BEFORE THE TRIALS BUT STRENGTHEN YOURSELVES AND KNOW THAT WHAT COMES TO YOU IS A NEW ACT OF MERCY FROM MY SON TOWARDS THE HUMAN BEING.

Do not forget: communism is seizing power in small countries with the end of seizing the greatest number of countries possible. Be conscious that this is a great arm of the antichrist, but a supreme blessing will descend from Heaven, not only for you, but for all of humanity. Trust in My Word.

My children, I invite you to pray for England, the acts of terrorism will not wait, and that, the man of good will already perceives.

The wind will go throughout the Earth in such a way that it will howl because of its speed, not giving man time.

My beloved, IT IS THE INSTANT OF THE TRIBULATION, BUT A LOVING TRIBULATION FROM THE FATHER FOR THOSE WHO ARE HIS. I will remain, not behind My Son's People, but behind those who reject My Son and continue offending Him without ceasing.

YOU, MY FAITHFUL, WALK IN PEACE, WITHOUT STUMBLING. KNOWING WELL THE COMMANDMENTS OF GOD'S LAW, YOU WILL WALK WITH SURE STEPS AND WITHOUT DECLINING.

I bless you: in the Name of the Father, of the Son and of the Holy Spirit. Amen.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Reiterating the Call, the Blessed Mother does not rest in Her tireless labor for souls.

Humanity's awareness for the instant in which we live does not arrive... Man delays that very urgent encounter with his true nature so as not to find his identity as a son of God.

Due to the violence that emerges from man, Creation that surrounds him responds in the same way... We live the result of the serious dilemma between human freedom and the product of its distance... the Divine Truth and the power that man himself has given evil.

The darkness will not dissipate from the human heart until the human heart is purified in its conscience. Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
FEBRUARY 2, 2014**

Beloved children of My Immaculate Heart:

I BLESS YOU, I LOVE YOU AND BESIDE THE HEAVENLY HOSTS I PROTECT YOU SO THAT YOU DO NOT FALL AND SO THAT YOU REMAIN STANDING.

You, My beloved, do not belong to the massive and worldly culture; man has spoiled the sense of membership. The essence of what is coming transcends what is external, the awareness if it coats man in the blessing that includes My Son's Universal Call to souls.

All, absolutely all, are children of the Father, they are in His image and likeness, since He created them. Man has formed spiritual obstacles that have prevented him from walking, feeling and living as true children of the King. You have limited the development of the Gifts and Virtues you possess, and they have decreased, yielding before what is inadequate and inconvenient that grieves the Spirit. YOU HAVE LIMITED YOURSELVES BY IGNORING ME AS MOTHER OF HUMANITY.

Man has developed in the midst of impediments and these impediments are fruit of the ignorance in which humanity has lived in all ages. This has generated the scorn towards the Prophets, whom My Son has sent in all generation to announce to and denounce His People through His Word.

MY BELOVED, YOU MUST NOT FEEL PRIDE, ON THE CONTRARY YOU MUST REMAIN IN A CONTINUOUS ACT OF THANKSGIVING TO THE FATHER, FOR BEING HIS CHILDREN.

My Son gave Himself for all of humanity; not for some, but for all, to whom He bequeathed the Holy Spirit, the One who in these instants calls you to reveal that you are children of God, to not hide your Faith, to not only attend for the sake of attending the Eucharist without living being conscious of what you are receiving, nor to pray without feeling, but with awareness because you are firm of will and people of Faith, who set out to discover the Divine Love, an inexhaustible fountain.

DO YOU WISH TO POSSESS WISDOM TO ATTAIN THE CHRIST-LIKE CONSCIENCE?

My Son says to His People:

“If you love me, you will keep My Commandments and I will ask the Father and He will give you the Paraclete, the Comforter to be with you always; the Spirit of Truth, whom the world cannot receive because it does not see it or know it.”

Jesus, My Son, invites you in this instant to be His true children, to be His disciples living with the Commandments as a rule of life. Every child of My Son must submit himself or herself to the Spiritual Law; laws discipline man, and the man of this instant has discarded the rules and the law. He regulates them discriminating those who are most weak.

CHILDREN, YOU ARE BEARERS OF THE SENSES, AND THESE MUST BE SPIRITUALIZED SO THAT IN THAT WAY YOU PERCEIVE IN THE HOLY RETREAT, THE DIVINITY THAT IS WITHIN YOU. Man is not only flesh and bone, but he is material that is impregnated with the Divine Will.

The man of this instant lives in comfort, and this has led to everyone being unconscious that this drags you definitively towards attachments and towards bad behavior especially towards your brothers and sisters. **SATAN CREATES A SPHERE OF ATTACHMENTS AND LIMITATIONS FOR THE HUMAN BEING, PREVENTING THE HUMAN BEING FROM GROWING AND DEVELOPING WHAT MY SON HAS GIVEN HIM OR HER SO THAT HE OR SHE BE HOLY LIKE HIM.**

DISCOVER WHAT YOU HAVE BEFORE YOU..., TEAR THE VEIL OF HUMAN IMPOTENCE SO AS TO ENTER INTO THE INFINITE JOYS OF LIFE IN THE DIVINE WILL, AND THUS BE ABLE TO ASCEND TOWARDS THE ENCOUNTER WITH THE CONSOLER IN HIS GIFTS AND VIRTUES.

You cannot be inert and pretend to walk; one who is spiritually dead cannot give life...

Beloved children:

Enter into inner silence and find what you seek externally; these are not instants to lose life in superficialities, they are instants you must not lose. The enemy of the soul draws near so that you fall into his clutches and never come out of them.

The arms of the antichrist keep you tied to pleasures and sicken your body, they dominate your mind and lead you to a false perception of reality.

Know My Son, His Word directs you; My Son is the same yesterday, today and always. His Words have been given for all instants, and this is a Law that does not vary.

My beloved:

Pray for My Son's Church, it will live instants of pain and of confusion.

Pray for Denmark, it will suffer, its ground will shake.

Pray for the United States, its people will lament.

Do not become discouraged when Nature rebels against man, for man has rebelled against his God.

The earth will be greatly shaken, the lands that have not been removed, will be removed. Water will enter the land and will be a scourge that will torment men, contaminated by the plague that will scourge the body and the flesh feeling as though it were burning.

THE GREATEST SCOURGE FOR MAN IS NUCLEAR ENERGY AND WITH IT THE SCORN FOR THE GIFT OF LIFE. From there all the evil bearers of the strength of the antichrist are released, and the wrath of the Father will not wait upon a humanity commanded by decadence in every aspect. But you, My Son's People, are the ones who must resist and dominate yourselves, so that free will does not lead you to act against your King.

HELP WILL COME FROM HEAVEN TO ACCOMPANY THE HOLY REMNANT. YOU DO NOT WALK AIMLESSLY. You, My children, are guided by the correct path, in the midst of afflictions and obstacles; do not lose your courage but raise your gaze to the heavens, for help descends from My Son's House for His faithful.

MY SON, THE GOOD SHEPHERD, DEFENDS HIS SHEEP SO THAT THESE ARE NOT PREY TO PREDATORS, IF THE SHEEP OBEY.

Do not scorn My Son who continually arrives before you, he does not abandon you no matter how strong the winds are. He walked for you, suffered for you, comes for His Second Coming for you.

I, Mother of humanity, pray for each human being, do not ignore My Pleas.

I bless you, I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

The Kingdom awaits to be discovered, it remains before each one of us. It is the duty of everyone to discover that Treasure Eternal Life will give to us.

We must transcend human consciousness and to take off from the ground within inner silence to be reunited with Christ.

To remain in the Divine Will, we must remain in inner silence within the worldly noise, because Christ is the silence in the midst of the action.

We ask the Holy Spirit to give us the discernment necessary to not fall with what is worldly at the center of perdition, but be souls of good will.

Amen.

**REVELATIONS FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
FEBRUARY 9, 2014**

Christ revealed these Words to me:

“Beloved daughter, what do you see?”
I see you glorious, Christ.

“Now, what do you see?”...

I saw that in His right Hand he held humanity, and I saw a number of people turning their back to Christ. I saw that in His left Hand He held the Earth and next to humanity, I saw a great darkness that prevailed, and then I saw the Earth that had passed from the Palm of the Hand to Christ’s index Finger.

And Christ said to me:

“My beloved, humanity maintains a channel of vibration that it emits towards the Earth and the Earth receives indifference from man. This brings disequilibrium within Creation, within the Universe upon the Earth, and the Earth is affected as part of this system.”

Then He led me to see how humanity sends to the Earth, something like a projection of humanity itself: its feeling, its acts and behavior, and these materialize into vibrations similar to those transmitted by the frequency waves for communications. And these waves, upon reaching the Earth, made it vibrate and the Earth moved. The waters overflowed onto the coast and the sun and the moon no longer shone, for the Earth oscillated.

Thereupon, before this Vision that shakes me, He said to me:

“Tell My children: all My children perceive Me with the vision of the soul; some perceive Me in truth and others distort Me. In some of My children intellectuality prevails and they limit themselves to see and perceive Me; others, because of the egoism that reigns in them, place a tether between their senses and intellectuality that do not separate and they remain in reason, dying every instant without allowing themselves to know Me. And they turn their back to Me because they find their answers in science, in technology, in their personal deductions and they hide from My Love, creating their own rules to excuse themselves before their brothers and sisters when they ask them about Me. Men: My children, do not see Me nor are they able to see

the reality in which they live, due to the fact that their conscience remains totally turbulent, agitated by what they want egotistically for themselves. Personal tastes keep them in constant critique of others, anger projects forth from them when those around them are not as they desire. They are irritable and susceptible in everything and towards everything. That is why they are not able to be conscious of the reality in which they live and remain blind to what is outside of their reach. These people do not see Me, nor do they see the reality of this instant, which is the decisive instant, before they face themselves.”

“Tell them, My beloved, that when reason is quieted to return to My Truth, the mind is purified, thus likewise the heart and the senses. I offer to man the blessing of reasoning to free the soul from its bindings. Purified reason is wisdom and it gives a person a pure heart. I avail Myself of these people of pure heart so that they go along sharing on the way My Word and My Revelations, necessary so that humanity hears, sees and feels in its interior, the anxiety and need with which it constantly lives for being outside of Me.

“Tell them, My beloved, that souls choose freely, and that this Christ is in need of the full conscience of those who call themselves My children, My followers, My disciples, My chosen ones, My priests, My consecrated ones...I am in need of all of them to awaken consciences and hearts drowsy from indifference and hardened by the ups and downs of bad behavior, on occasion by omission and in others, out of personal convenience.”

The Divine Teacher continued to speak to me:

“Beloved, it is not the times that mark the events, but the events that signal the future, and in this humanity has been a maker of its own destiny, to which humanity itself has clung to in its foolishness and lack of humility. Announce to them that I come with an iron rod to separate the wheat from the chaff, in instants in which the chaff is abundant and man’s vision does not allow him to see with clarity before the dense matter that surrounds him, preventing him from even perceiving My Presence.

My true children emit peace, inspire peace and exhale peace. Some men have called themselves mediators or envoys of peace before humanity and, not accomplishing their objective before men, make clear they are only one more of the prevailing misery. Until, -- I repeat -- until avarice has been eradicated from the ego, until then... unity will allow for the human being to recognize itself as My child, for before Me, all are My children. It is the human being who has created divisions and thus in this instant whispers of war are heard, until they cease to be whispers and war spread throughout humanity in the blink of an eye.”

“My beloved, you know of My Omnipotence, I have shown you how Sodom and Gomorrah were destroyed for their perversity and how My House acted upon them. If it were My Will, I would destroy this Planet in a second. Ah...! But My Love and My Patience are My Perfection that is why I leave man’s own destiny in the hands of man and of his free will, not without first warning them about the calamities that will reach humanity due to the insanity and rebelliousness of this generation without precedents.”

Christ has asked of Me:

“Speak to them of how much I have waited for them, of My thirst for souls and of My desire for every human being to be conscious of the responsibility of winning over souls. Speak to them of the awareness they must maintain to act and work for peace. Tell them, My beloved, how much I faced injustice, slander, offenses and repudiation even from those of My family by blood. Tell them not to fear because I will arrive to help those who suffer because of Me, tell those who persevere, that for the majority I am a Mystery, but for those who persevere, I am the Mystery of Love unveiled in their soul. Remind them that My Kingdom remains before each one of you and that to man I have given the blessing of discovering it. I am within and outside each one of you, I show myself to whoever seeks Me with awareness of who I Am, and the one who rejects Me and does not seek Me hides Me from himself. You are My light, all are My light; I am present in everything, but you live so dispersed in what is worldly and in your false gods, that I speak to you and your ears do not hear Me... I am air, fire, earth, water, but man’s unconsciousness underestimates Me and does not give Me the glory that they should give Me.”

Christ continues to tell me:

“Beloved, you see Me, you recognize Me and know that I teach you Truths, not so that you hide them but so that you share them with your brothers and sisters. You know that I am more than a blind belief, I am freedom so that you love Me without narrowness, so that you love Me because you know Me and relate to Me, in My Love.”

“Speak to them of My sufferings for human disobediences and rebellions. Tell them that Creation has been the great gift from My Father to the human being... but you have deformed it and it wants to return to its state in My Father’s Will. Due to that, the Earth will renew itself and in this renewal of itself, humanity like previous generations, will bring upon itself the pain, the tragedy, the anguish and the lament of the disobedience towards Our Divinity, all of it fruit of the ill-use of human freedom and the unmeasured use of ill-used science. Share with them that you have seen Brazil devastated by seawater, among other nations. Speak to them of the pain, of the suffering of the United States, tell them that the alliances will be broken. Tell them of My Church and of its purification and of the suffering of all Nations. Assure them that I come for My children; My legions will announce My coming and those who are Mine will receive Me joyously. With pain I will see those who have scorned Me: they will seek to hide their face from My Presence. Within human freedom every human being will have chosen good or evil. Share with them of My proximity to man’s conscience, of each one in particular. Speak to them of the rivers of blood that will be scattered throughout the Earth, before a man of science that with full awareness created the destruction of mankind, challenging Me, and in his madness, will lead every creature on the face of the Earth to suffer.

I Am not implacable, I have waited for men to awaken; My Love is infinite, as My Justice is infinite. Humanity has rushed upon My Justice and you quicken upon darkness with evil works, you scrutinize My Words to seek darkness, and in spite of My Light being so great, you are blinded by your won egoism.”

“My beloved, tell your brothers and sisters that I wait for them with Eternal Love. My Love does not discard you like in the laboratories do the embryos. I AM WHO AM, ETERNAL, BEGINNING AND END. Tell them that I wait for them in the Tabernacle, tell them to come to Me without fears, but with the truth, without dissimulations. Tell them that in every Consecrated Host I am present. I am the food of the soul and of the spirit forever and ever. Tell them I Am Bread of Unity for all those who want to live conscious of the need of My Presence in each one of those who are Mine. I LOVE YOU, TELL THEM THAT I LOVE THEM. YOU SAY IT.”
Jesus.

Brothers and sisters:

Being faithful to the Word I receive from Christ, I have shared what is His Divine Will. Amen.

LUZ DE MARÍA

REVELATIONS OF THE BLESSED VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARÍA FEBRUARY 13, 2014

Fused in prayer, the Blessed Mother says to me:

“Hail Mary Most Pure,” and I respond: conceived without sin.

Then she says to me:

“Beloved daughter of My Immaculate Heart, My Heart burns with love for all souls, I do not rest helping and interceding for all My children. For some I am comfort in illnesses and for others, I am help in difficult instants. I am company, advice, relief, health of the spirit and the body, of thoughts and the heart. I am obedience, hope, charity, faith, peace, love and joy. I do not abandon anyone, rather I wait yearningly for you to open your heart to Me.”

The Mother continues to say to me:

“Beloved daughter, in these urgent and decisive instants, it is almost impossible for man to enter into silence; he does not know it and does not desire it. Instead, silence causes him fear since it can reveal his true identity to him. Worldly noise confuses people; it has penetrated into their unconscious as part of daily life, leading them to join without being conscious of it, to the bitter step of this generation. Man, denying all that which comes from My Son, makes the darkness of the soul bloom in him, finding his center in what is fallacious, setting aside the Signs of the Times, announced from before and present in this instant more than any other.

Man is indifferent to the suffering of others, due to his egoism that does not allow him to see My Son present in everyone, as Temples of the Holy Spirit.

My Son wishes to be recognized and known by everyone. Man's conscience does not limit but gently leads him to receive the Revelation, not as a myth, but as Truth already written in the Gospels. This Revelation is a novelty for man because he does not know My Son and does not accept Me as Mother... If humanity meditated on each one of its actions, it would be as if it remained before the Warning. Even though this act of facing oneself is held to be unnecessary by the human person, for the spiritual has been replaced by what is worldly -- this being more attractive, man discards his conscience and continues with the challenge of surpassing sin and offending My Son."

Then the Mother asked me:

"My daughter, share with your brothers and sisters that the true loves of My Son are those who fight to be totally Christ-like, those who fulfill the Divine Will and who desire to submerge themselves in the Divine Presence and Omnipotence, working and acting continually in total communion with the Infinite Wisdom.

Tell them that the signs of this instant do not wait..., for those who are conscious of the present and decisive instant for this generation, will be the ones who will raise their voice, even if they are not heard.

Before man's indifferent gaze, the Earth cracks from place to place, it shakes and will shake, and drawing near and agitating its waters, the Oceans will be a scourge for man. Ask My children to pray for South America: the great mountain ranges will shake, Chile will weep, Argentina will suffer and Ecuador will lament."

The Mother continued to share with me:

"My daughter, look how My Heart suffers for those who are Mine! Unceasingly I seek mirrors of My Son and do not find them... so many claim to love My Son! And they are only carbon copies with great limitations, guided by an illusory ignorance of the Truth and of the distinction between the Divine Mercy, Forgiveness and Divine Justice.

My Son is Divine Light giving Himself for all; some accept Him, others do not, but He does not hide or darken before anyone. So great is His Love that He constantly alerts all His children time and again so that they prepare, but men love the darkness more than the Divine Light. With his works contaminated by arrogance, man has fallen so much that he does not even recognize himself. In the decisive instants, man will be fearful of his fellow man, deceit will be constant and man will be tempted time and again by satan. Man's anger will be constant, and violence will again lead to an open persecution. Ask them, My daughter, to pray for My Son's Church: it will suffer bewildered and it will sink into division.

What do I expect from My children? I only expect them to be conscious in every act and work, of the Presence of My Son in each one of them. No act is empty, if that act is born from the conscience; in that resides the difference between those who do much and accomplish nothing and those who seem to do nothing but do it all.

The awareness of this instant must lead My children to remain alert, without fear of being better, without fear of facing their reality, without fear of revealing the fire they carry within and does not let them be conformists. My children enter into the Mystery, not so that it is unveiled to them, but to be docile to the Divine Plan. In this instant, awareness is to the soul like food that gives it survival, before the unawareness of those who deny Heaven the clarification of Its Love to announce My Son's Second Coming.

Look daughter -- the Mother shows me the Sun -- it emanates its heat to the Earth, the vibration of this blaze will be what causes the sea to rise, as has never before been seen. Ask My children to pray for the United States, it will be scourged time and again. Tell them of My suffering for those human beings who are materialistic, who deny the Calls of My Son's House, because of the fear of facing a reality that for them is only a utopia.

Humanity fears knowing need, Faith has been evicted from man, while I call you to become aware of the signs that time and again occur in a single voice of warning to the unbelieving man. Share with them daughter."

The Blessed Mother says to me:

"Blessed the one who trusts in My Son's Word and is conscious that for Christ nothing is impossible. The one who tries to enter into the Divine Will must share with his or her brother and sister the spiritual food of Wisdom through the Word. Here I am, I am Mother of humanity; I come with blessing for the one who like a child, believes, and does not place limits upon My Son, who is the Master and King forever and ever.

And raising Her Hand, Our Blessed Mother, blesses and Her blessing goes throughout all of Creation, it reaches every man of every People and Nation."

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

Brothers and sisters:

The unawareness of the greatness of the acts united in and for Christ, has led man to lose the dimension of being in the image and likeness of God.

No two days we live are the same, let us keep in mind that the instants are before us, that is why we must not lose them stopping before those who deny what is coming. It will be history that tells of the bloodiness of the purification of this generation.

Let us announce the Word we receive before it is too late. We have the dowry and more to continue to fight for the good of humanity, against intolerance and the lack of conscience. Let us not falter, each one of us is an Apostle, if not, you would not be reading and been conscience of this call from the Mother in this instant.

Amen.

LUZ DE MARÍA

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
FEBRUARY 19, 2014**

My beloved People, I love you, I bless you.

WHO ARE MY TRUE AND FAITHFUL PEOPLE?

My People are those People who walk lifting up the flag of My love, who are faithful to Me in everything and obey all that I ask of them.

My true and faithful People are the ones who know My Commandments are immutable, that I am the same yesterday, today and always.

My People are those People who love Me so much they are conscious that My Commandments do not walk according to the novelties of the times, rather that they have been given for always. Therefore, My Commandments are not there to be transformed or made fitting to the instant of this generation.

My People know and love My Beatitudes and follow them, knowing that the one who follows them and has them as Law in his or her life, is the one who is conscious of what he or she needs in order to continue at My Side and fuse himself or herself into one with My Holy Spirit.

WHOM DO I ADDRESS?

All human beings, those who welcome My Word and those who do not welcome it...

Those who look at Me with love and also those who despise Me. I am the God of Love and in that My Love does not exclude any one of My children, rather I wait for you anxiously until the last instant.

THIS GENERATION THAT HAS SURPASSED ALL MEASURE OF SIN CALLS TO MY HOLY JUSTICE, KNOCKS ON THE DOOR OF MY WRATH AND I HAVE TURNED OVER THE PLACE OF MY JUSTICE TO ALL OF CREATION, which will turn against this generation that offends Me, and Creation is totally indifferent to man for it does not recognize him because man does not live in My Will.

WHOM DO I NEED AT MY SIDE IN THESE INSTANTS?

Everyone, absolutely everyone, but I well know that not all hear Me or love Me, and they not only scorn Me, but in advance they judge My Words and My Calls to My People, I being a God who does not act without announcing to those He loves what will happen.¹

As they mocked My Instruments in the past, so also in this instant and it will be so until this humanity finds itself doubled over by pain, until some return to Me, even though the majority will adhere to the forces of the antichrist. Since by not loving Me and being conscious that they do not know Me, they will be easily deceived by the preaching of the one who comes for his spoils.

¹ Amos 3:7 "Surely the Lord God does nothing unless He reveals His secret counsel to His servants the prophets."

My beloved, beloved People:

“I THIRST,” I THIRST NOT ONLY FOR SOULS BUT FOR HUMANITY’S CONSCIENCE. You do not know Me, since you have not received due instruction about My Commandments, you have not been truly formed to follow My Will; due to this, humanity’s conscience is asleep and attached to everything worldly.

You, My beloved, hear Me and hear My Mother:

ENTER AND KNOW ME IN THE DEPTHS OF MY LOVE AND OF MY WORD SO THAT YOU ARE NOT DECEIVED BECAUSE I AM THE SAME YESTERDAY, TODAY AND ALWAYS, AND MY WORD AND MY COMMANDMENTS HAVE BEEN GIVEN FOR ALL TIMES, TO EVOLVE WITH MAN AND NOT TO BE TRANSFORMED. MY LAW DOES NOT MAKE ITSELF FIT FOR THE PRESENT INSTANT, RATHER IT IS MAN WHO MUST MAKE HIMSELF TO FIT MY COMMANDMENTS.

The fire of volcanoes rushes to the surface with such anger!

My beloved People, pray for Ecuador, pray for Italy.

The water of the oceans moves with such speed and noise and readiness to rush upon the land!

My People, pray for San Francisco; My People, pray for Spain, pray for Brazil.

My beloved, the Sun will get closer to the Earth and will emanate so much heat towards the Earth that My children will have to distance themselves from it whichever way possible.

My beloved, with how much ease man debates and pounces one upon the other with the same anger with which several countries are in total state of violence in the clutches of satan, the one who diverts men’s minds filling the soul with hate and rancor. This will spread to the masses.

Pray for Iraq, pray for the Middle East and pray for South America.

My beloved, My People, grow in My Love, grow in holiness, be different from the rest of the world, for what is worldly leads man to fully perish.

Pray for My Church, division with quick steps, and My Church will be shaken from its foundation; division will arrive like a thief that comes in the night without being heard.

Division in My Church will lead people to total confusion, but you who know Me, My beloved, you know that My Word does not change, you know that My Love is for every instant and you recognize Me in My Body and My Blood and you nourish yourselves from My Body and My Blood. You take refuge beneath My Mother’s Mantle and help one another, you minister to one another and alert one another.

Beloved, you who recognize Me, must grow in love and in truth for the coming instants will be instants of trial, of a trial through which you have not passed before, and those who are not sure, will fall into great errors that I will speedily judge.

My People will not suffer forever, but they will be severely tried and you must prepare yourselves for this. You who call yourselves My children, live in fear of disputes, of human errors, of human jealousies, of human envies and lead My Sacrosanct Heart to grieve.

**YOU WHO TELL ME YOU LOVE ME,
MAKE REPARATION CONTINUALLY FOR HOW MUCH YOU LEAD ME TO SUFFER.**

In this instant, HOW CAN MY PEOPLE PREPARE?

WITH MEDITATION ON MY WORD AND WITH MEDITATION OF MY LOVE TO BE LIVED.

You must be crystalline water that refreshes the thirsty without the thirsty having to ask for it. Be transparent, do not fight against one another, for through division satan weakens those who are Mine.

Set aside ALREADY human foolishness, love one another, for the one who continues to be a reason for division, this one will fall and lament having been an instrument of evil.

**MY MERCY IS INFINITE AS IS MY JUSTICE.
HOW FALSE IS THE ONE WHO DENIES MY ANGER AND MY JUSTICE, BECAUSE MY JUSTICE BENDS
THE FOOLISH, THE HARD OF HEART, AND IT IS NECESSARY IN THIS INSTANT.**

Look to the Heavens, for from on high I send My Blessing and help for My People. In the firmament you will see a great scourge for humanity leading several countries to suffer and man, upon seeing fire in the Heavens, will shake to his bowels.

MY BELOVED, YOU BELIEVE YOU WILL NOT RECEIVE TRIALS... AND YOU ARE MISTAKEN, BECAUSE YOU, MY CHILDREN, HAVE DISOBEYED ME AND INJURE ME TO THE EXTREME. You have given yourselves over into the clutches of evil and in those clutches you offend Me constantly with new sins and new offenses; you have reached the extreme of sin. But even so, in the most difficult instants of purification, man will be unrecognized by man, for he will surpass the most base instincts that the human mind does not even imagine. The great Powers will unite and then betray one another, leading all of humanity to suffer.

My People:

**REMAIN FIRM AND STRENGTHENED IN MY LOVE AND IN MY WORD; CLING TO MY
COMMANDMENTS AND TO THE CARE OF MY MOTHER WHO DOES NOT ABANDON YOU NOR WILL
SHE ABANDON YOU.**

My faithful will be protected by My Angels and taken to the Place of Peace. The innocents: let them not fear and My true People must trust in Me.

Evil will not prevail forever, it will be banished from this Earth so that My Church emerge anew and be one with Me.

I bless you and love you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Let us be conscious of being faithful to God as the psalmist in Psalm 1 tells us:

“Blessed is the one who does not walk in step with the wicked or stand in the way that sinners take or sit in the company of mockers, but whose delight is in the law of the Lord, and who meditates on His law day and night.”

Let us remember that God is infinitely Merciful but also infinitely Just, otherwise, He would not be a Perfect God. Let us meditate on the infallible Word of God with Psalm 7:11-13:

“God is a righteous judge, a God who displays his wrath every day. If a man does not repent, He will sharpen His sword; He has bent His bow and made it ready. He has prepared His deadly weapons; he also makes ready his flaming arrows.”

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
FEBRUARY 23, 2014**

My beloved, My blessing be with each one of you.

**MY LOVE CONSTANTLY CALLS YOU TO REMAIN ON MY SON'S PATH.
REMAIN ALERT, DO NOT DISCARD MY CALLS,
FOR I INTERCEDE FOR EACH ONE OF THOSE WHO ARE MINE BEFORE THE AUGUST TRINITY.**

Beloved children, this period has opened the doors of the Great Tribulation; the Great Tribulation, with all its signs shows itself openly to all, and still you continue to be deaf, blind and mute like creatures ignorant of the Divine Designs and above all, ignorant that the Paternal House does not act without first warning its beloved human beings.

Children:

**REMAIN ALERT, DO NOT YIELD TO HUMAN WILL, FOR IT WANTS YOU TO SUCCUMB.
REMAIN ATTENTIVE. HUMAN EGOISM CLOUDS THE BODY'S SIGHT AND CLOUDS SPIRITUAL SIGHT.**

In this instant the malignant one stalks all My children with his diabolic legions, he absolutely tempts all to lead them to fall. IT IS AN INSTANT OF DECISION AND THE BATTLE BETWEEN GOOD AND EVIL IS STRONG, except that man, in his worldly path does not notice any sign, seeing it as something normal and My Son asks you to see the signs of this instant, preceding what is coming, which will be the most bloody thing this generation will experience, this generation that denies itself the salvation of its soul.

VIOLENCE INCREASES INSTANT TO INSTANT, you see it and you know that this is a reality and you know that this is a reality and even those defenseless peoples upon whom the hand of violence has never fallen, these peoples will suffer because of violence.

COMMUNISM HAS RESURFACED STRONGLY AND HAS SEIZED THE NATIONS without My children being conscious of it, they have ceded the government to communism, and the government in its desire for power, will lead you to suffer still more. The pain of My beloved People of Venezuela will rage and mothers will weep for their children.

Pray, pray for Venezuela, My children.

THE WATER STIRS, IT STIRS GREATLY AND WILL CAUSE THE COSTAL ZONES TO SUFFER. You know that the water, in its desire to purify the Earth, will enter it.

Pray, My children, pray for the United States, pray for the Philippines, they will suffer greatly.

My beloved, the Sun will penetrate the Earth strongly with its rays; thirst, not only of the spirit but of the body, will double.

Pray for My children of Africa.

My beloved:

THIS IS THE INSTANT OF AWARENESS, EACH ONE OF YOU MUST BE CONSCIOUS OF THIS VERY INSTANT AND MAKE THE DECISION TO ACT IN GOODNESS; evil does not wait and with its clutches it rushes strongly, prepared to make those who remain between doubt and the decision to leave what is worldly to absolutely be property of My Son, doubt.

**THE CONSCIENCE OF EACH ONE OF YOU MUST REMAIN WILLING
AND ACCEPT AND LOVE MY SON'S WORD -- IMMOVABLE,
GIVEN FOR ALL AGES AND EVEN MORE TO BE PRAXIS FOR THOSE TRULY FAITHFUL TO MY SON.**

**REMEMBER THAT THE COMMANDMENTS ARE GOD'S LAW
AND SHOW THE TRUE PATH TO REMAIN IN THE TRINITARIAN WILL. YOU, CONSCIOUS OF IT,
DO NOT ALLOW THESE TO BE MODERNIZED.
MY SON IS THE SAME YESTERDAY, TODAY AND ALWAYS.**

My Son's Church will suffer, it will be tried, it will be invaded by new ideologies that do not commune with the true being of the Christian. Remain in grace so they do not lead you astray. My Son's Church will again be scourged by those who with a pompous finery commune with Her. Masonry has seized great power within My Son's Church and you, knowing the Divine Word, must take steps within the Trinitarian Will so that you are not seduced by blunders.

Beloved children:

**UNITY IS ESSENTIAL IN THIS INSTANT, MINISTER TO ONE ANOTHER,
DO NOT BE ASHAMED TO CALL YOURSELVES CHRISTIANS,
RATHER FEEL WITHIN YOURSELVES THAT TO CALL YOURSELVES CHRISTIANS IS TO BE TRUE.**

My beloved, continue to consecrate yourselves day to day to My Immaculate Heart and pray fervently for My Son's Church, in spirit accompany your brothers and sisters who are bereaved and suffering because of political unrest, which will spread to the masses, and My children will know pain through this way.

Nature does not suspend hostilities; it continues its path, advancing strongly and each instant that force will be greater throughout all the Earth and I, as Mother of each one of you, remain alert and My Holy Mantle covers you so that the instants of fear are minimized. Even so the willingness of each one of those who are Mine is essential, that pronouncement of: "YES, JESUS CHRIST, HERE I AM TO DO YOUR WILL AND LIVE IN IT." Whoever does not know My Son will be lost, and I, as Mother, suffer because of it. Do not scorn My Calls, every instant is an opportunity of My Divine Mercy, receive it quickly. My Son is coming soon and each one of you will give an account of the harvest he or she possesses in his or her hands.

Do not fear, I battle before each one of you. My Heavenly Hosts remain attentive and deliver you from great dangers, but it is necessary that you pronounce the Yes to My Son so that I, as Mother of

Humanity, act to rescue you from the clutches of evil. Be true, do not waver so much that it is hard for you to come out of the mud.

**TIME IS NO LONGER TIME AND IT NO LONGER EXISTS SO AS TO WALK SLOWLY.
I LEAD YOU BY THE HAND, JUST ALLOW ME TO GUIDE YOU AND INTERCEDE FOR YOU.**

I bless you and love you.

In the Name of the Father, of the Son and of the Holy Spirit.

Amen.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

A People that battles without weapons, is a People who perish.

The man of this instant needs not only spiritual weapons but information in the Light of the Holy Spirit, so that with the spiritual weapons he is not easy pray for the enemy of the soul, who disguises himself in various forms to seduce him.

Awareness must be taken before the conviction of the ill-use and abuse of man before the attributes that God deposited in each one of us so that we would keep ourselves with well-being on Earth.

The goal is one, it is NOW! It is not in another instant and not for some, but for all. We Christians must step outside ourselves and give ourselves to others. What will the Christian who has lived without works and has abandoned his neighbor present before the Father?

Our example is Jesus Christ, who even on the Cross, in agony, did not want to cease preaching in any instant:

"Father, forgive them for they do not know what they do" ...

"John, here is your Mother, Mother here is Your son" ...

"Today you will be with Me in paradise" ...

This so that we not stop, this so that the Christian be a person of action, not only in his or her community, but beyond it.

Evil seizes souls, because the human being remains in spiritual ignorance.

Let us awaken those who are asleep, LET US WAKE OURSELVES UP!

Amen.

**DIALOGUE BETWEEN OUR LORD JESUS CHRIST
AND HIS BELOVED DAUGHTER LUZ DE MARÍA
FOR THE WHOLE WORLD
MARCH 3, 2014**

Christ:

My beloved, My People will remain at My Side, and, in fulfillment of My Will, shall return to Me the land that was given to them as an inheritance. Then I will reign over every human being and peace will dwell in each one of My children.

DO YOU KNOW, MY BELOVED, HOW I SEE THOSE WHO ARE MINE IN THIS INSTANT?

I see them enjoying free will, like the one who believes he is not seen by the one who sees it all... I see them disengaging themselves from Me, handing themselves over to perdition and to all that which is so worldly that leads them to be wandering corpses, without awareness of what they lose...

I desire the wellbeing of My children and receive the rejection of humanity that in the midst of shadows, freely chooses, momentary joy.

DO YOU KNOW, MY BELOVED, WHAT THE SIN OF HUMANITY IS?

Luz de María:

My God, they are so many...!

Christ:

Beloved, **UNCONSCIOUSNESS IS THE SIN OF THIS GENERATION**; it does not stop to meditate on its actions, on its works, on how to return to the path to reconnect with Me. Man walks slowly as if time continued and had not stopped... This generation does not believe in My Calls or in those of My Mother. Those who call themselves Christians are deformed copies of My Laws and of My Will.

The one who claims to love Me, and having entered Me, remains with his heart invaded by the lack of love for his brother or sister, is not true.

The one who claims to love Me, and whose hands are empty, is not true; his hands are empty of acts, of good works in favor of all that surrounds him by Divine Will.

“Faith without works is dead.” People are still not conscious that only I Am Truth, Liberty and Life. Submerged in what is banal, they are not conscious, they continue on a wrong path that leads them to lose themselves in the clutches of satan, going on to form part of his spoils.

Tell your brothers and sisters that I Am Mercy for those who quickly seek Me, fighting against their own human egoism, to free themselves from their own will contaminated by vanity, pride, anger, hypocrisy and by lies. The one who calls Me Father and forgets that I call you to be one in Me, lies to himself.

IN THIS INSTANT, FRATERNITY IS THE WEAPON THAT KEEPS SATAN FROM ENTERING into those who in My Name and in that of My Mother, gather in My Will preparing themselves in spirit and being action to give testimony to My Word, alerting their brothers and sisters about the present instant and about the imminent proximity of the fulfillment of the events that will purify humanity and that My Mother, for love of Her Son, has transmitted.

WOE TO THOSE WHO, LIKE IMPENETRABLE ROCKS, ARE A REASON FOR DIVISION!

Christ:

Beloved, DO YOU KNOW HOW I SUFFER FOR THOSE WHO ARE MINE?

Luz de María:

I see you My Lord on the Cross, atoning for the sins of humanity, bleeding and aching...

Christ:

This My Blood is for those consecrated ones who are lost, loving society more than Me, enslaving themselves to money and forgiving the sins of those who provide them with a greater status and ignoring the needs of My People. These My wounds, are for them, who close My Temples and do not alert those who, ignorant, continue in sin offending Me time and time again. Daughter, My consecrated ones must be in My image; poverty raises up the spirit, opulence battles against time that is not time, social engagements do not leave room for prayer, and without prayer, how will they guide My sheep?

This My Blood is for those brothers and sisters of yours who despise My Calls and fight against these very Calls, for those who persecute My instruments. This My Blood is for those instruments who have kept silent out of fear and cowardice.

Do you know, My daughter, how I will come to seek those who are Mine in My Second Coming?

With My Legions, with My Power... shaking all that exists, but the man of science and many of My own children pretend not to know it and even deny it. The Heavens will open and all that has

been created will exult with joy upon seeing Me; the elements will stir and the man who has lived far from My Will shall be terrified and will repent for not having listened in due time to My Pleas to return to Me. Before My Second Coming, I will come to the depths of the conscience of human beings, so that they scrutinize themselves and see themselves such as they are.

My beloved, I continue to be the Love that begs Love, and in this supplication I see with pain, the suffering of My children...

Pray for Brazil, water will purify it.

I am a King evicted from His Kingdom. Beloved:

Pray for Chile, the land will shake causing pain.

The Earth will shake with greater force from one place to another throughout the world.

I see My People... and it is so few who maintain a true awareness of what it is to be a Christian!

Pray My children, pray;

war approaches causing damages, mutilating innocents, with weapons outside of human control;

the man of science will be the executioner of his own race. Nuclear energy is the great Herod of this instant.

Tell My children not to not lose heart, not to fear being singled out for alerting those who do not know Me and ignore the future of this generation.

Tell them that My People will be triumphant and beside Me, I will lift them up so they do not suffer, but their conscience must be willing to give itself for Me. Not all men ignore what will happen, but they set it aside so as not to upset themselves by having to fight to be better.

Technology is the whip that continually strikes the mind of My children, until it leaves them in total immobility and without will to prepare them for violence, with which they will fight against their brothers and sisters.

Luz de María:

Continuing on the Cross, My Lord exclaimed:

Christ:

My People, remain alert, for false idols have usurped what is Mine; disguised as sheep, the wolves coexist within your homes **contaminating** the minds of the innocents.

My People, return to Me, for the instant runs out.

I PROTECT YOU, MAKE A DECISION, AND WITH COURAGE GIVE YOURSELVES TO ME,

RENOUNCING THAT WHICH SEPARATES YOU FROM ME. I BLESS YOU.

Luz de María:

Upon Our Lord retreating with a blessing for all of humanity, I meditate and share with you:

“Man does not live on bread alone...”

We see how violence increases upon the Earth, invading territories and causing suffering to our brothers and sisters.

Nature does not offer a truce. And even so, we continue without meditating on the Divine Word.

Where is the intelligence, awareness and disposition of the man who ignores reality, out of a mistaken convenience?

Christ is the same yesterday, today and always; His Laws are for all, without distinctions and for all ages.

Love calls us to be unity, respecting one another as brothers and sisters of the Same Father.

Let us not be passive in Faith, on the contrary, let us be active, putting into practice the teachings of Christ to all our brothers and sisters. May Heaven judge us for an excess of works, not for remaining silent, knowing that the present instant is the prelude of satan's total invasion and of his seed, the antichrist.

Let us pray, yes, let us meditate, yes, and at the same time let us be action in favor of souls to awaken those who are asleep.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
MARCH 5, 2014**

Beloved children of My Immaculate Heart:

**IN THIS PENITENTIAL INSTANT I CALL ALL MY CHILDREN TO CONVERSION,
THESE ARE INSTANTS PREVIOUS TO THE GREAT PURIFICATION OF ALL OF MANKIND.**

**IN THIS INSTANT THE IGNORANT DO NOT EXIST, RATHER THOSE WHO,
MADE DROWSY BY HUMAN CONVENIENCE, CONTINUE TO GIVE THEMSELVES OVER TO EVERYTHING
WORLDLY THAT DISTANCES THEM FROM MY SON AND FROM MY CALLS.**

As Mother of all of humanity, I call you urgently so that you are conscious, by your own will, of this decisive instant in which you find yourselves. You must enter your own conscience and awaken it so that those who want you to perish, find that My children do not allow themselves to be overwhelmed by evil.

The Horsemen of war go throughout the Earth bringing humanity's scourge upon it: nuclear energy...²

Pray children, pray for Russia.

My beloved, this generation has committed a grave error and a great offense against Me. This grave offense is having ignored My Petition made in Fatima: to consecrate Russia to My Immaculate Heart...³

YOU, MY CHILDREN, FOR THE MAJORITY IGNORE THE DEVASTATION, NOT ONLY OF THE SPIRIT BUT OF ALL OF CREATION WITH WHICH COMMUNISM WILL CRUSH THIS GENERATION. Economic interests bend the Nations that are in the hands of rulers given totally to an economy that dominates and does not respect religious beliefs.

I have called you so much to be attentive! And you, My children, have out of human will, given the plan and the destiny of your countries into hands of people committed to the great communist powers. Humanity will see with horror and terror the cruelty of those who without compassion will scourge you totally.

I have called My Son's Church so much... and have supplicated so much during long, long years through My Instruments, so that the Hierarchy of My Son's Church consecrate the whole world and especially Russia, to My Immaculate Heart...!

This grave offense rises in this instant over all of humanity, for the entirety of My call, of My Message in Fatima has not been revealed to My Children.

² [The scourge of nuclear energy](#)

³ [The consecration of Russia](#)

BELOVED PEOPLE OF MY SON, AS MOTHER I HAVE WANTED TO RESCUE YOU AND DELIVER YOU FROM EVIL, BUT MAN'S WHIM AND HUMAN RESPECTS HAVE PREVAILED ...

The great powers will fight against one another and all My innocent children will suffer the effects of this confrontation.

Pray for the United States. Pray for England.

Beloved children of My Immaculate Heart:

How much ignorance you claim to possess! THIS IS ONE MORE EXCUSE BEFORE THE PASSIVITY OF A MAN MADE TOTALLY WORLDLY WHO DOES NOT DESIRE TO CONFRONT THE TRUTH OF THE REALITY IN WHICH HE LIVES, ignoring the signs of the times and especially in this instant you excuse yourselves to continue totally given over as satan's spoils.

THIS INSTANT IS DECISIVE, TOTALLY DECISIVE: AN AGELESS BATTLE BETWEEN GOOD AND EVIL, THEREFORE MY CALL IS VERY URGENT SO THAT ALL THOSE WHO LOVE MY SON AND WHO TAKE ME AS MOTHER, AND EVEN THOSE WHO DO NOT CONSIDER ME MOTHER, RECONSIDER AND TAKE THIS PENITENTIAL INSTANT TO LOOK AT THEMSELVES WITHOUT DECEPTIONS IN THE INTERIOR OF THEIR BEING.

There is no person who must not repent for his or her actions, but I especially call those who direct My smallest children in their communities, so that with full awareness they alert their brothers and sisters about this that gestates and that will soon come to be fulfilled in the face of the astonishment of all men.

Great populations will be devastated by the fury of their volcanoes; fire burns and the earth allows it to come out to the outside.

Pray, My children, pray for Italy.

Beloved children of My Immaculate Heart, I am Mother of Love, but I am Mother of the Word, I am Mother of the Truth and do not hide from those who are Mine the imminent scourge that walks upon the Earth.

Do not expect the appearance of the antichrist before you, look at his work and his acts in your midst, especially that of his powerful arm: communism. The irresponsibility of science ill-used by man through scientists that have not had any reservation in creating weapons of mass destruction, will be the executioner through which millions of My children will die.⁴

But you, My beloved of My Immaculate Heart, be lamps filled with the best oil; lamps that never extinguish, lamps that remain lit, lamps that pray for their brothers and sisters, but above all, lamps that share their pure and clean oil with their brothers and sisters, that the consciousness of a radical and definitive change to reunite with My Son come to burn in them.

⁴ [Prophecies and revelations about the antichrist...](#)

IN THIS INSTANT IN WHICH SOULS DEBATE BETWEEN GOOD AND EVIL, BETWEEN SALVATION AND CONDEMNATION, EACH ONE OF YOU IS RESPONSIBLE BEFORE YOUR BROTHERS AND SISTERS OF WHAT YOU RECEIVE FROM MY SON'S HAND, OF THE KNOWLEDGE YOU POSSESS AND OF THE OBLIGATION TO SHARE IT WITH THE REST OF HUMANITY. THE ONE WHO IS SILENT IS SILENT FOR LACK OF FAITH, BECAUSE HE DOES NOT BELIEVE MY SON SENDS YOU AS HIS MESSENGERS TO ALERT THOSE WHO ARE DROWSY, WHO OUT OF UNAWARENESS, LIVE SUBMERGED IN WHAT IS WORDLY AND SINFUL.

Be an echo of My Call, be an echo of the Love of My Heart, be an echo of My Son's Will. That Divine Will that wants all of Its children to be saved and to recognize the Truth.

Beloved children of My Immaculate Heart, strong and painful instants will come, but the true light and full love will come to you, and will deliver you from oppressions; they will remove your chains and My Son will give you full freedom in a Time of Peace in which evil will be totally eradicated.

**NOT EVERYTHING IS PAIN, BUT TO REACH MY SON'S LIGHT YOU MUST BE PURIFIED.
DO NOT FEAR CHILDREN, I PROTECT YOU, I LOVE YOU, AND MY SON REMAINS WITH OPEN ARMS
TO TAKE AND RECEIVE ALL THOSE WHO WISH TO TURN TO HIM
AND GIVE THEMSELVES DEFINITELY TO HIS DIVINE WILL.**

I bless you, I love you and I call you once more to maintain the hope that a Time of Peace will come, that you will enjoy at My Son's side.

I bless you in the Name of the Father, of the Son and of the Holy Spirit.

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

I pray to Christ that this call of today not only echoes in our heart, but above all, echoes in the conscience of everyone, because while our actions do not resound in our conscience, we are working in vain.

Let us keep in mind the plea of the Blessed Mother in Fatima, the Consecration of the world, especially of Russia, to Her Immaculate Heart. The hierarchy of the Church can still make reparation for not having carried out this Consecration as the Mother asked, and thus minimize the prophesied events.

Amen.

**DIALOGUE BETWEEN THE BLESSED VIRGIN MARY
AND HER BELOVED DAUGHTER LUZ DE MARÍA
MARCH 10, 2014**

Mary Most Holy:

Beloved daughter of My Immaculate Heart, tell My beloved children:

**I KEEP YOU WITHIN ME WITH SPECIAL AND GREAT LOVE AND I CARRY EACH ONE OF YOU,
BEATING WITHIN MY HEART; EACH HEARTBEAT IS FOR YOU.**

I am convoking My Son's People to be part of the awakening of the human being's conscience. In this instant, the conscience is unknown by man, since he has annulled his own conscience.

My beloved daughter, do you know how much I suffer for those who are foolish and do not listen to My Son's Calls and My calls?

Luz de María:

Mother, although You have shown me Your suffering and my heart is part of Your pain, I know very well that I will not reach that same suffering... How much you suffer, Mother! Your suffering goes even further...

Mary Most Holy:

I suffer even the unspeakable when I see souls fall into the abysses of evil, I know that satan's subtlety and his minions are not perceived by man and due to this, man falls time and time again into the same mistake. Man knows he must not commit the mistake, but he does not obey his conscience; he has been drying it up bit by bit so as not to feel remorse.

The man of this present instant has been dehumanizing himself; in his place is a man who is technological even in his feelings, he does not allow himself to feel and when he perceives that he is feeling more than he would like, he stops himself as if he were turning off an electronic device.

How it hurts Me to see those who continually fall into the same mistakes, failing time and time again! And in this instant, satan takes care of keeping My children with values that are mistaken, very very mistaken, totally worldly and separated from My Son, thus being easy prey of the enemy of the soul.

My daughter, My Heart suffers for those who, having My Word in their hands, have discarded it, and even more than discard it, have mocked and denied it. Do you know what the man of this instant will suffer?

Luz de María:

Much, Mother, much, but better You tell me...

Mary Most Holy:

The man of this instant will suffer the unspeakable because of his own errors, which have come out to meet him on his path so that man is purified by all that which he omitted.

My Son gave Himself for all, without exceptions; but in this instant, it seems to man that Salvation hangs on those who have some leadership in the world and not on the fulfillment of the Trinitarian Will, or on the fulfillment of the Commandments, or on the fulfillment of the Beatitudes, or on the fulfillment of the Sacraments My Son instituted. This very subtle plan has been finely spun by satan for the good of the antichrist who is not far from this generation.

Men sink more every day in the delight of denying My Son and this Mother more and more, and they do not seek reconciliation. And Eternal Life is not bought with money, is not bought with titles, or with human distinctions, or with powers bestowed by men. Eternal Life is merited by working and acting in the Trinitarian Will, being one with My Son, being mirrors of My Son, being conscious that Salvation is personal; but at the same time, by being personal, it obligates each one of you to fight for the Salvation of your brothers and sisters and bring them out of the ignorance in which they live.

I grieve, yes, but even in the midst of My pain, My Heart does not cease beating continually seeking you, because I am a Mother who does not accept rejections and the one who denies Me the most, that one I seek even more to bring him closer to My Son. I seek those who, like wolves dressed as meek sheep, have as their aim to provoke division in My Son's church, division between brothers and sisters, and with this: the Great Schism that I have announced.

My beloved: how do you think the man who loves My Son in spirit and truth must be and must act?

Luz de María:

I think, Mother, that he should be a man of Faith, firm, willing and dedicated.

Mary Most Holy:

It is so, My beloved one: a man with unshakable Faith, born from a personal encounter with My Son; not from what they tell him Faith is, but from what he has been able to experience in himself. And that encounter, that person experience with My Son, has been lost. Daily activities do not leave room even an instant of the day to achieve a personal encounter with My Son, and those who do achieve it, keep it for themselves. I should call them egoists!

In this instant and before the bitterness of what is coming, each one of you that achieves that personal encounter with My Son, must be a soldier that marches totally dedicated to sharing with his or her brothers and sisters that Christ who waits for them, who loves; that Christ who loves them and does not tire of loving.

Some of those who are Mine have that personal encounter with My Son, but they are people who are embarrassed to confess it in front of others so as not to be seen as strange; and then, the fruits that the Holy Spirit poured over that person, wither and end up dying perhaps in the solitude of a bedroom or perhaps before My Son in the Blessed Sacrament of the Altar, by not giving to the hungry the Divine Bread of the Word. And you must understand that not all have the same mission but all are obligated as children of My Divine Son, to bring the knowledge you are acquiring and share it with your brothers and sisters to awaken this human generation.

Beloved, My beloved one, how do you see this humanity?

Luz de María:

Mother, I feel it is so miserable because of all that which distances it from Our Christ, I feel it is spiritually anemic because it no longer even thirsts for the Divine Word, only a few people, and those people, on occasion....., keep so much human respect!

Mary Most Holy:

My beloved, human respect must be kept, but not when it has to do with Salvation, not when it has to do with sharing and bringing My Son's true Word; not when it is about being spiritually firm...

Remember, daughter, that the Good Thief, in the final instant, recognized Christ, the Son of God, in My Son... and because of that he won Eternal Life, and in this instant, each one of My children can be that Good Thief who recognizes My Son and dedicates himself to live in His Will and with his works and his actions, win Eternal Life... and so will receive the same payment.

My children must be praying souls, prayer sublimates the soul and the spirit, and it is good that you pray to My Son because each prayer is incense that reaches The Throne, but after prayer, I urgently need you to go out as spiritual warriors to win souls, to knock on doors, to walk, to be action, because while the enemy amuses himself and rejoices seeing how souls fall into his traps, My children sleep in lethargy... and you must wake up.

People of My Son, you must become aware of all that invades you in this instant, you must awaken spiritually, and you must also awaken in other aspects, such as that regarding food, you must be conscious that they are killing you day to day, the Temple of the Holy Spirit is being invaded by all the unknown diseases, and these diseases that you suffer now are caused by contaminated food that you ingest. The Earth is completely sick... and you feed yourselves with sick fruits, serious consequence of the abuse of man towards Creation that the Father bequeathed to you, you ingest adulterated foods and do not worry about it.

You live in a constant contamination of your thoughts and mind in your homes and outside your homes, because I turn My gaze towards the Earth and only see bodies that wander and are all manipulated by the technology they carry in their hands, they walk with a heart hardened by violence. Families no longer share as in the past, families now live in a house, under a same roof but they do not live together and do not converse, they are total strangers, and when they are not using technology in their own hands, they have their children watch television so that they entertain themselves with games totally satanized far from My Son's Love and thus they allow childhood to continue to plow and sow violence continually. Parents are not respected by their children, instead parents fear their children because the children have acquired violence so extreme through video games that the personality of the child dismay the parents.

I suffer before a human generation lacking a conscience, that executes instant to instant the most grave sin, because it is directly against the greatest Gift that My Son bequeaths to you: the Gift of Life. This sin is abortion.

Beloved daughter, do you know how I feel and hear the groans of a child when he or she is going to be aborted?

Luz de María:

Mother, I can imagine, and it terrifies me.

Mary Most Holy:

That's it daughter, it terrifies, abortion must terrify man, but in this instant it does not terrify him because man has banished his conscience, and not possessing a conscience, he knows not how to think, knows not how to act, but this does not excuse the act. In this instant, the man without feelings grieves me, the man without love who denies himself the ability to know the Gift of Love and the Gift of Life, the greatest Gift that was given to man. And small bodies lie in the garbage collectors of the streets or thrown away in the middle of vacant lots, innocents to whom I immediately send My Legions to gather and bring to My Presence so as to give them to My Son. My Angels weep for this unspeakable and despicable act of man, it is humanity's greatest act of cowardice.

And still you do not understand that the antichrist is leading this generation to commit the most horrifying sins that man can commit. Should all this not be purified before all are lost? Man feels so superior to My Son that he does not accept a Purification..., well it is not so My children! Those who do not recognize My Son, those who kill innocents, those who abuse of innocents, those who slander My true instruments, those who utter inappropriate words to My priests who truly adhere to My Son's Word, those who profane My Son's Body, those who mock His Word and mock Mine, among other aspects, those... with horror and terror will lament and fall upon their knees raising their hands towards Heaven crying out for mercy, they will feel they have scorned Divine Mercy and that this is the instant of Divine Justice, it is the instant in which My Son comes with His Strong Arm. But even so, My Son, loving you so much, has not wanted to execute Justice Himself and has delegated to Creation, to the Cosmos and the Universe, to execute Divine Justice because the entire Cosmos, the Universe and all of Nature live in concordance with the Divine Will. So will it be that man will be greatly tried, and with it, he will suffer not only in body but in mind, and he will suffer in his very spirit, when he finds himself totally helpless before the forces of what has been creation of the Father.

My beloved, I invite you to remain expectant, without sleeping, with the lamps lit and I call you to fervently pray for all the leaders of the Nations that have decided to every day be the scourge of the People and fill their coffers with money stained with the blood of innocents. I call you to pray for those leaders who have decided to be part of the extermination of humanity.

I have called you so much to rise and to not allow nuclear energy in your countries! ...and along with the denial of My Supplications, you have looked with scorn at My Calls. In this instant you will suffer the consequences, you will lament but it will be too late to stop the minds seized by satan.

Pray, children, because the volcanoes will let the ardor they contain within emerge from themselves. Pray for El Salvador, pray for Ecuador, pray for Mexico.

My beloved, the Earth groans continually and you do not stop to think about Her, that is why the Earth that has cradled, you, will shake greatly so that you look at Her again.

**Pray for New Zealand, it will be shaken;
pray for Japan, it will be shaken again; pray for the United States.**

My beloved, how the Earth has been contaminated and how man is contaminated! My beloved land of Argentina will experience great sufferings, sufferings that Nature has poured out and will continue to pour out upon this earth, as well as events generated by man himself, who is exhausted before the abuse of the powerful.

Pray for Argentina.

It is soon..., the instant will reach its summit and My Son will send His Divine Help from on high for all of humanity, the Heavenly Hosts will descend and every man that exists upon the Earth will know of them, of My Envoys, because they will not do it silently, they will be seen by all men so that they become aware that the instant is soon and alongside My Legions, a person will bring you Heavenly Mana.

My beloved, so much I must communicate to man and alert him at the same time so that he does not succumb/yield before the falsehoods of new doctrinal ideologies that lead you to fall into sin! You know, daughter, how I wish every human being would listen to Me!

Luz de María:

Yes, Mother, I understand you because I want that as well.

Mary Most Holy:

But the time of lament will arrive, daughter, the instant of lament and then they will call Me Mother and I will continue being a Mother and loving them, but the executioners of Divine Justice will already be in the midst of humanity, and I, as the First Disciple of My Son, will have to wait for that Divine Justice to be exercised, without ceasing to love them because of it, but it is necessary.

To all My children, those who deepen in these Divine Calls of My Son: look at Me heartbroken! ... I can call these Calls of a Mother who fights to rescue the Faithful "agonizing"! ...

To you, to you whom much is given, much is asked of you in this instant: evangelize, evangelize, evangelize with the Truth.

Tell your brothers and sisters, beloved daughter, that I bless them and that I place My Maternal Mantle of protection over all those who, obedient to the Divine Will, are repeaters of the Voice of warning to your brothers and sisters.

The instant has ceased to be an instant...

I bless you, I love you, My Heart beats for each one of you.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
GIVEN IN PUERTO RICO
MARCH 16, 2014**

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

Beloved children of My Immaculate Heart, I bless you.

I HAVE COME TO YOU TO BRING YOU MY WORD AND MY LOVE...

Where are you going, humanity?

Where are you headed, alone and abandoned, without My Son's Love and despising this Mother's Love?
Why do you not heed My Calls?

Will it be that you will not lift your gaze to Heaven until you are totally undermined by satan's very
clutches... until you drag yourselves through the earth?

Beloved children, to you, to you do I cry out, to those who say they love Me, to those who feel they
love Me, to those who constantly give themselves to My Son and to Me; to you do I cry out so that you
awaken in this instant and not wait for another instant.

Children:

HUMANITY SUCCUMBS IN THE BLINK OF AN EYE BEFORE THE HANDS OF THOSE WHO USE THE POWER
THAT HAS BEEN GIVEN TO THEM BY YOU YOURSELVES, THEY CUT THROUGH LIMITS THAT MAN CAN
STILL NOT EVEN IMAGINE.

The suffering for humanity is ALREADY at the door, and all those who proclaim themselves My children
must be obedient to My Son's Calls and to My Calls.

I suffer, yes, I suffer as Mother of Humanity; I suffer for those who love Me and I suffer for those who
do not love Me. All are My children, and I intercede for all constantly.

My beloved, the great darkness approaches Earth and man in his ignorance will say that the
phenomenons of Nature are exhibiting themselves, but it is not so, it is on the contrary; Nature is casting
its implacable power over all the Nations of the Earth.

THE PURIFICATION DOES NOT WAIT, and...

Woe to those of My children who wait until the last instant to convert! Because everything will happen
without warning, it will arrive without being expected and those who wait until the last instant will not
have it, because before the harshness of the Purification, crying out for mercy will be forgotten by man,
who will already be extremely fearful in the face of what he sees.

Children, the Sky will burn, both the Earth along with the Sky will burn seeming to be one; and only those, those who have consecrated themselves to My Immaculate Heart, AND ONLY THOSE WHO LIVE COMMITTED TO THE DIVINE WILL, ONLY THEY WILL BE LIGHTS WHO BY THE TRINITARIAN WILL, REMAIN HERE ON EARTH TO GUIDE THE HOLY REMNANT.

My beloved People, where are you headed? To the cliff..., sunken in what is worldly and sinful?

I ALERT YOU, I WARN YOU AS A LOVING MOTHER, AND YOU SCORN MY CALLS.

Woe to those who deny My Son's Word!...

Woe to those who deny My Word!...

Woe to those who, trying to dispel this Truth I transmit to you, insult and slander My true instruments!

Pray, My beloved, pray for Spain, water will purify it.

Pray, My children, pray for the Middle East, pain will wreak havoc, war does not wait.

MY PEOPLE, MY BELOVED, WHOM I RECEIVED AT THE FOOT OF MY SON'S CROSS, FOR YOU, FOR YOU DO I COME TO OFFER MY INTERCESSION BECAUSE I DO NOT WANT ANY ONE OF MY CHILDREN TO BE LOST.

Oh giant who has taken into your hands humanity's destiny, you will blow and will knock down My children, those who still remain lukewarm!

Oh giant who has risen and has been born of man's ill will!

Oh nuclear energy, scourge of the Nations and of humanity, how My children will suffer because of you!⁵

I call all those who, in one way or another, have been participants in the creation of this great monster, of this scourge, of this very great sin, that is nuclear energy. I call those participants in it to fall on their knees and look to the heavens; repent, for you yourselves have no notion of the devastation that you will cause, of the pain and of the havoc you will cause for all of mankind.

Oh man of science who have separated yourself from the true path, how have you dared to use the good with which God has provided you to massacre millions of innocents?

Pray, My People, pray for the great Nations so that My Son's Hand is able to soften the hearts of the leaders and they change their mind.

My beloved People:

**REMAIN ALERT, DO NOT NEGLECT EVEN AN INSTANT IN THE EXISTENCE OF YOUR LIVES,
FOR THE ENEMY OF MAN, SATAN,**

⁵ PROPHECIES ABOUT NUCLEAR ENERGY...

HAS RUSHED AND WILL RUSH EVEN MORE WITHOUT MERCY AGAINST MY SON'S PEOPLE.

TURN TO ME, I will keep you beneath My Lap, My Mantle will be salvation for you and My Womb is a Tabernacle in which all those who have faithfully committed themselves to My Son remain.

DO NOT FEAR MY SON, FEAR A MERCILESS AND INCONSTANT MAN, fear the man of power who will not wait to demonstrate his strength before all of humanity.

DO NOT FEAR MY SON, DRAW CLOSER TO HIM, COMMIT YOURSELVES TO HIM AND ENTER INTO MY MATERNAL WOMB, for My Womb, as a Sanctuary for each one of you, only waits for you to willingly enter it so as to shelter you.

**THE ONE WHO CRIES OUT WILL NEVER BE ABANDONED.
MY LEGIONS WILL DESCEND TO PROTECT THE FAITHFUL.**

I bless once again this place that cradled Me, I bless each one of you, and from here, I bless all of humanity.

Continue to obey and prepare yourselves, for the flesh is weak and you must not allow it to separate itself from My Son.

**I REMAIN HERE BEFORE EACH ONE OF YOU...
MY CHOSEN ONES, MY BELOVED, BE CONSCIOUS THAT TIME IS AN INSTANT,
AND THAT MY SON IS THE LORD OF ALL THAT EXISTS.**

Do not lose heart, walk firmly and with haste, without obviating any of My Cries directed to you.

I bless you, I remain before you, merely give Me your hand.

I intercede before My Son for you in this instant, for you whom I have brought into My Heart, to this Place of Mine.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

THE BLESSED MOTHER, IN A DISTRESSING CALL, DOES NOT WANT HUMANITY TO CONTINUE IN THE MIDST OF THE FETIDNESS OF ALL THAT CLOUDS ITS REASON MAKING IT SCORN ITS CONSCIENCE ...

It is essential that each human being takes for himself or herself with full seriousness the Calls of Our Mother who warns us so that we are more active in regards to the disposition of allowing Christ to mold us in His Truth.

We can all show our works before Christ, but each work must be in the measure each one receives, if we are conscious of the Divine Goodness. Let us be part of the souls who raise their voice of warning to this lost generation.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
MARCH 21, 2014**

My beloved People, I bless you.

**I CONTINUE TO BE THE GREAT BEGGAR OF THE LOVE OF MY CHILDREN...
I CONTINUE IN THE SOLITUDE IN WHICH MY CHILDREN KEEP ME; BUT I, WITH INFINITE MERCY,
KNOCK NOT ONLY ON THE HEART,
BUT ON THE MIND, ON THE THOUGHTS AND ON THE CONSCIENCE OF EACH ONE OF MY CHILDREN.**

Few are the ones who truly love Me, few are the ones who live with thirst for My Love and for My Presence; but those few, loving Me in spirit and truth, will possess the strength of millions of people to alert until the final instant, those who hear My Word with humility and reasonableness.

Too many are those who, feeling they are learned in My Affairs, write great books trying to guide and make known My Will. Those who write with their own will are wrong, who write without remaining fused to Me, because I reveal My Will to the humble and simple of heart.

My beloved, MY MERCY HAS REMAINED WITH MY CHILDREN FROM GENERATION TO GENERATION, BUT MY PEOPLE ALSO KNOW MY JUSTICE, AND IN THIS INSTANT MY SCALE REMAINS BEFORE HUMANITY, before the imminent - (Christ is allowing me to see a great scale the Archangels hold in their hands) - before the imminent arrival of the fulfillment of all that has been announced to humanity.

**MY MOTHER WILL BE SEEN IN SEVERAL PLACES OF THE WORLD.
SHE LOVES YOU SO MUCH THAT SHE DOES NOT HALT HER FIGHT FOR SOULS
SINCE SHE POSSESSES MY VERY LOVE AND THIRST FOR SOULS.
THE EVENTS THAT WILL TAKE PLACE THROUGHOUT ALL THE EARTH WILL BE GREAT.**

Armament for war will lead to the havoc of cruelty which the human being has reached. Every Nation will suffer before the repeated refusal to listen to the Divine Word, and actually I not only come for people's soul but for the consciousness of each one of you, since your conscience leads you to act for good or evil. And man, by scorning what My Mother has announced to you beforehand to prevent pain for humanity, is not capable of perceiving the thoughtlessness that has seized the majority of My children... and these act conforming to the path of the crowds that find themselves totally sunken in acts contrary to My Will.

My beloved people:

DO NOT SEEK ME EXTERNALLY, I REMAIN ALIVE AND BEATING WITHIN EACH ONE OF YOU.

Pain will not only be physical, famine will not only be physical..., the greatest pain that you do not know is the spiritual pain all of humanity will suffer as a consequence of having constantly denied Me.

MY CHURCH WILL LIVE THE GREAT PERSECUTION, but do not let this make you fear, rather let it make you firm and decided to fight to recover your brothers and sisters and bring them to Me.

EACH ONE OF YOU MUST RADIATE LIGHT TO ALL YOUR BROTHERS AND SISTERS,
AND THAT RADIATING OF MY LIGHT MUST BE AN INSTRUMENT THAT TRULY GIVES WITNESS
TO MY PRESENCE IN YOU.

Do not rest to be transmitters of My Love. Do not grow weak before the passivity to which evil wishes to subject you. Be children who do not remain asleep but who share, instant to instant, My Word explained in these My Calls of infinite Love so that more souls are not lost.

Through its tentacles evil wishes to subdue you and to keep you so busy during the day in its tasks that you are not Christians in practice, action and testimony. I need for My children to be spiritually energetic, energetic with love, energetic so as to share with all those before them My Word and all that humanity lives **ALREADY**. Be brave.

THESE ARE NOT INSTANTS OF WAITING BUT OF DECISION. MY SCALE WISHES TO PLACE EACH ONE OF YOU ON HER AND THAT THE HARVEST BE SO ABUNDANT THAT IT IS ABLE TO OVERCOME THE SNARES OF EVIL.

My beloved: How quickly you have sunken into error! How quickly you embrace all that which is not My Will but is rather man's convenience! I do not stop, will you stop?

I WANT MY CHILDREN TO BE INSISTENT, ABOVE ALL, WITH THEMSELVES, THAT THEY FIGHT AGAINST THEIR HUMAN "EGO" SO THAT IT DOES NOT WEAKEN THEM IN SPIRIT AND THEIR FAITH BE FIRM AND SOLID.

How many of My Mother's Calls have not been made known!... and you ignore them, being that they foretell events that you do not know, but what is happening is only a mild stroke of the harshness and of the barbarity that humanity will face.

ALL THOSE WHO ARE CONSTANT, WHO REMAIN WILLING TO BE TRANSFORMED BY MY WILL, WILL LIVE HEAVEN IN ADVANCE, BECAUSE MY LEGIONS WILL NOT ABANDON THEM, BUT BESIDE EACH ONE OF MY CHILDREN, THEY WILL GIVE THEM THE STRENGTH NECESSARY TO RESIST WHAT IS COMING.

How many suffer and materially prepare themselves out of fear for the scarcity of food, forgetting that I Am the Bread of Life, and that if My People are faithful, they will not go hungry or thirsty or ever be abandoned by My Hand!

My beloved, the errors will expand throughout all of humanity and even the smallest of countries, through their leaders who are turned away from My Will, will suffer the cruelty of a man who despises Me and who has abandoned me, but even in the midst of pain, they will experience the comfort of My Love and of the joy of walking in obedience to My Will.

My beloved People:

**Pray for New Zealand, it will suffer; its ground will shake greatly.
Pray, My children, pray for Nicaragua, it will be purified.**

My beloved People:

**WAKE UP!
DO NOT LET THE TENTACLE OF EVIL'S DECEIT IMPRISON YOUR SOUL IN THAT PRISON
FROM WHICH EVIL WILL NEVER LET IT OUT AGAIN.**

MAKE AN EFFORT CONSTANTLY TO BE THOSE WHO CARRY OUT MY WILL, AND REMAIN ATTENTIVE. I do not want you to only be submerged in vocal prayer, you must live constantly in prayer through your works and your actions, and in this instant My People's prayer must be a prayer of battle for souls, to rescue those who remain lukewarm, for the lukewarm will not be placed upon My Scale but rather vomited from My Mouth.

Beloved children, those who see as distant the suffering and the torment of humanity, are wrong. No one knows the day or the hour, but man's violence in this instant is the greatest sign of the nearness of the fulfillment of what My House has announced to you.

BE VIGILANT MY CHILDREN! BE VIGILANT AGAINST THOSE WHO CALL YOU TO ACT AND WORK CONTRARY TO MY COMMANDMENTS. Receive Me, receive My Body and My Blood, strengthen yourselves, do not abandon Me in the Tabernacle, but do not forget that every brother and sister is a Temple of My Holy Spirit, and in this instant I call you to rescue those souls.

Beloved children:

**I REMAIN HERE BEFORE EACH ONE OF YOU, THIRSTING WITH LOVE FOR SOULS AND MY PEOPLE
MUST MAKE THEMSELVES WILLING TO BE MESSENGERS OF MY LOVE AND OF MY TRUTH.**

My beloved People:

Pray, pray fervently for Russia, pray fervently for the United States, both will suffer.

My beloved People:

**REMAIN IN FAITH, COME TO MEET ME, FOR I, BEFORE EACH ONE OF YOU, MERELY WAIT FOR YOU
TO CALL ME TO ENTER INTO YOUR HEARTS OUT OF YOUR HUMAN WILL.**

BE MESSENGERS OF MY WORD AND BE AN ECHO OF MY CALLS.

I bless you, remain in My Love and do not decline; I come for you, I bless you.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

THE DIVINE WORD IS LARGENESS, JOY AND JUSTICE...

It is LARGENESS within which we must submerge ourselves without fears, within which darkness does not exist but rather the knowledge of the Truth.

It is JOY, for in the midst of attacks the Christian, who is a person of Faith, Hope and Firmness, trusts in Divine Help.

It is JUSTICE, for Christ does not force anyone rather He sacrifices Himself for Love of man. He warns man because Christ does not act without warning His own.

Christ calls us to wake up before His prompt Justice, for justice does not exist without love nor does justice exist without wisdom.

Brothers and sisters, we remain before the instant of the final instant, it is here that in the past humanity has seen before it that Divine Justice enters with force, almost in a rush way to clean what must be cleaned and put into order what it must put into order...

Let us be conscious that we have abused of Divine Mercy and that Divine Justice does exist, so much so that Christ tells us:

"I COME WITH MY JUSTICE"... definitive and implacable, worthy of His Divinity.
Amen.

**LUZ DE MARÍA'S REFLECTION
MARCH 21, 2014**

Brothers and sisters,

The message from the 21st of March of 2014 has been a call from Christ that for me, and in my spirit, goes on to be more than a call... I feel that it is an ultimatum that He is giving to us as His People, an ultimatum to constantly live His Will, because He reaffirms that He does not want to be a God of

moments, but a God permanently within our consciousness; He wants us to flood and saturate our senses with Divine Love so that none of them turn away from His Will.

For Christ comes for a Holy People, and holiness is not achieved easily; it is achieved when we fight even against what we ourselves want. That is why, every one of our acts must be placed in prayer and discernment. Christ also calls us repeatedly to prayer that is not only vocal but for everyone to be a postman and messenger of His Love -- let each one of us take documents to our brothers and sisters so that we make known to them the clarification of His Word in these messages that He is giving to us for humanity.

For us, as it happens in life, everything becomes habit and it should not be so, but as it happens in reality: everything transforms into a routine and into something that becomes normal even, but let us think about those who, with love and with thirst, receive this Divine Word.

We live in these days Evangelization in other countries, and really one becomes aware of the thirst there is for Truth and of the ignorance so great in which people live, because there is no awareness of what is happening around us and it is believed that everything is complete happiness and harmony, that years and years and years of prosperity await us... One becomes aware of the lamentable ignorance of Christ's People, an ignorance the same as which led those who did not listen to Noah, those who did not listen to Abraham, those who rose against Moses, and we see how humanity's history and human obstinacy repeat themselves with greater force in these instants.

They do not want to believe we are at the door of a catastrophe because they do not care to be informed...

How is it possible that the Planet is plagued with nuclear energy and Christ's People do not know it? And when they are informed, they marvel..., and when I see them marvel, I marvel at the ignorance in which we remain. We communicate to them that Divine Justice is coming, and they refuse to acknowledge to themselves that Christ exercises His Divine Justice, as if we were behaving so well that we didn't deserve for Divine Justice to be shed upon man.

Therefore, we must be messengers and postmen, not only of the clarification of the Word of Christ in the messages but to inform with strong evidence of what the great superpowers are doing; such as now in these moments in which the United States announced that it is going to provide several countries with nuclear warheads -- is this not a sacrilege? Because it goes directly against the Gift of Life of the innocents.

We are called to awaken our Church, since some, so as not to say the majority of priests, men and women religious who are responsible for waking up God's People, do not do it..., we must do it ourselves. But there is so much ignorance that almost the catholic of today feels that if he or she has their mouth well washed when receiving the Body of Christ in Communion, it doesn't matter that his or her thoughts are engaged in something else or that his or her mind is elsewhere. His or her works and actions do not matter, if he or she receives Christ with their tongue. How wrong they are! And this is a lack of preaching, a lack of teaching to the People of Christ and this is in the hands of the pastors. If there is no prayer, if there is no meditation, one is not fused with Christ.

Christ says to us today that prayer is not only verbal, rather prayer must be action... (Message from March 21, 2014)

We love the Blessed Mother with all our being, with all our soul, but Christ is the God-Man, and the Mother continued keeping everything in the secret of Her Heart and, do you know why? Why would She keep everything in the secret of Her Heart? She kept everything in Her Heart to train us in this present time, to train us, Her Children. The Church has been entrusted to Her and that is why Christ said that the Mother is going to appear in several places. Perhaps not to give messages, but She will let Herself be seen to wake us up... and more so that in several of the Mother's Apparitions, Her complete messages have been hidden, and why did She say they have been hidden? They were hidden so as not to make known what is happening in this instant and what is coming.

I am not here to say pretty things, but rather to speak the Truth that Christ communicates to me. We need to preach about what is coming, because preaching about what is coming is preaching about Eternal Life, and hiding what is coming is being on the enemy's side. We preach the Truth, the Truth and the Resurrection, even if it seems the opposite, even if it causes fear..., "The Truth will set us free."

Do we truly feel we have advanced?...

Do we feel that our conscious is beginning to awaken?...

Do we feel that our senses do not lead us to fear but to the assurance that Christ is in us and that He will rescue us from everything?...

Do we feel? Have you felt, brothers and sisters?...

And are we consciously informing ourselves?...

For it is not only reading, it is scrutinizing the information to see in advance the effects and consequences of that information that reaches us.

They asked me here and there: Why does a woman have to be warning and saying what it is the obligation of the Church to say? Well, because Christ chose me and because Christ knows that when we women forge ahead, no one can stop us; also, the Mother said that the woman was going to reclaim and recuperate her dignity, and this is another very big sign of what we are living and of what we are going to live, but let that not make us afraid, rather let it fill us with joy, let it give us strength to share these Divine Calls.

Brothers and sisters, let us be aware that we are all brothers and sisters, children of the same Father and thus heirs to Eternal Life.

LET US AWAKEN OUR CONSCIENCE..., AND NOT FIGHT AGAINST ONE ANOTHER..., LET US UNITE, FOR UNITY IS A VERY STRONG WEAPON AGAINST EVIL.

LUZ DE MARÍA

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER, LUZ DE MARIA**

MARCH 27, 2014

My very beloved People:

MY LOVE IS LIKE THE HEIGHT OF NOON, WHEN THE SUN SPREADS ITS RAYS TOWARDS ALL THAT EXISTS; even the most dark and gloomy places receive some of My Light... even those who do not love Me, those who do not seek Me, those who do not adore Me and who believe they do not need Me, they, too, receive the Light of My Love.

THE LIGHT OF MY LOVE AND MY WISDOM REACHES ALL CORNERS OF THE HUMAN BEING AND ALL CORNERS OF MY CREATION... with all My Force I approach those who try to hide and get away from Me to wake them up; but some of them turn against Me with a rage, in absolute complaint.

Beloved People:

**WITHOUT ME YOU ARE NOTHING, YOU ARE INCAPABLE OF DOING ANYTHING,
YOU ARE ABSOLUTELY NOTHING...**

Beloved Children:

Anyone who comes to Me looking for My Light and My Love will find Me; he who comes looking for darkness in My Light and My Love will be blinded by his own darkness, because darkness will never be found in My Love.

IN THIS INSTANT, HUMANITY KEEPS ME AND MY HEART FULLY CROWNED WITH THORNS...

The violence of My children increases constantly and this will cause mankind to perish; those who are violent exalt satan with thoughts that contradict My Love. I communicate through My faithful instruments, but you disregard My calls; instead you act against My faithful instruments. Woe to those who rise against My instruments and deny My Word! They shall perish before this same stubbornness of the human heart.

How could this Christ not look for His People?

How could this Christ abandon His People to their free will without first calling them and warning them of what is coming?

How can you expect My Mother, who loves you, to leave you adrift, when She is the Ark of Salvation?

My beloved:

DO NOT REST BY DAY OR NIGHT; DO NOT ALLOW EXHAUSTION TO MAKE YOU DOZE OFF, FOR AT THIS TIME MY PEOPLE MUST RISE TO THE BATTLE FORCEFULLY, ARMED WITH MY WORD, TO AWAKEN THE CONSCIENCES OF THEIR BROTHERS.

Now My Children will know why I have given them a conscience: because the conscience will exert all its power over those who remain attentive and in union with Me. Meanwhile, this same conscience will hand over to evil those who give up in the evil one's hands, giving free rein to their lowest instincts,

ruled by total violence. They will be instruments of the devil, executing evil towards those who carry My Love.

My beloved:

Wrath comes from satan. It is through rage and violence that the devil will lead men towards maintaining a bloodshot battle beyond mankind's imagination. Rage and low instincts feed satan; indifference and lack of love are satan's great attributes; division is satan's weapon.

You cannot be blind to the point of not being able to recognize whether good or evil dwells in you. In order to return to Me, you must repent.

I invite you to pray for Chile, this beloved land must be purified. Some have denied My Mother from this land and others have expelled her.

Pray for the innocent who continuously die at the hands of those Herods of power, power that leads them to reign.

The dominion over My people has been given to those who have entrusted and handed over the destiny of the people to the money-god. These, in turn, fall prey to those who truly and surreptitiously govern other countries. The freedom of the peoples is nonexistent; freedom has been sold and compromised.

**Pray, My children, pray; the war drums are sounding.
Pray, the land will speak through the volcanoes.**

My beloved People, My Children:

MY OMNIPOTENCE, MY POWER, MY MAJESTY, AND MY LOVE BELONG TO EACH ONE OF YOU.

Soon I will come to each one's conscience, I will come so you yourselves can see how much you have offended Me. This coming of Mine is personal, and every creature that exists on the face of the Earth will live this instant that will seem an eternity. There will be no escape from this. It is My Great Act of Mercy for mankind, even for those who believe they do not deserve Me.

My arrival at My children's consciences will be accompanied by a supernatural event on high. The decision, after examining yourselves, will be made in total liberty. This self-examination will not be the cause for all of mankind to convert, because even then they will argue that it did not come from Me, that it was not Me that examined your consciences. They will deny Me, and some will rise with more force against Me and against those who will repent and look for Me.

This is why I need you, My People, to remain attentive and firm, strong and determined, resolute, united and convinced.

MY OWN, MY LEGITIMATE CHILDREN, LOOK FOR AND FIGHT TO BE ONE, but those who are not legitimate will strive for disunity since they are instruments of evil.

MY TRUE CHILDREN SPEAK ONLY ONE WORD, ONLY ONE LANGUAGE,

AND IT IS THAT OF MY LOVE FOR ALL SOULS.

But My love for the souls entails implicitly My Divine Justice, which does not neglect to call you and do what must be done.

MY JUSTICE COMES TO SEPARATE THE WHEAT FROM THE TARE.

My Justice will protect My People and it will free them from the hands of the great oppressor: the antichrist and his legions, hands that My Mother will crush with Her Purity.

THEY DENY THE SIGNS OF THE TIMES; IN DOING SO, THEY DENY ME, TOO.

Mankind does not live alone on Earth, and the elements will rise and tell those who deny Me: "Here we are to purify everything, to restore. Here we are because we obey the Will of Christ and we come for those who call themselves His Children but who have fallen prey and are instruments of evil.

My Children, are you aware of what it means to be food for evil?

My People:

WAKE UP, THE INSTANT IS NEAR, DO NOT DENY YOUR KING ANY MORE, DO NOT THINK THAT THE INSTANT IS ETERNAL AND THAT YEARS WILL PASS; ON THE CONTRARY, THIS INSTANT IS LIKE WATER RUNNING THROUGH YOUR FINGERS. TIME IS MINE. THIS IS THE INSTANT OF ALL INSTANTS.

Fight, be courageous, defend My Truth, announce that I come soon. I come with My Justice to act before this generation, that treats My Calls with disdain, denies My Mother, goes deeper into evil, and makes room for the impostor to sit on the Chair of My Church on Earth.

I WARN YOU ONCE MORE BECAUSE OF MY LOVE FOR YOU, KEEP ALERT THROUGH YOUR SENSES; EVIL COMES TO FIGHT MY CHILDREN'S SENSES WITH FURY, BESTOWING GREAT VIOLENCE ON THEM.

My beloved People:

Be assured that after the storm comes the calm of My Love and that My Justice will not last forever, because My Love forces Me to yield to you; those who give everything for Me will rejoice with Me and sit at My Table, but not before giving everything for Me.

**HE WHO READS THESE MY WORDS RECEIVES FROM ME A SPECIAL BLESSING AND STRENGTH TO FIGHT AGAINST HIS OWN HUMAN "EGO".
KEEP MY PEACE IN YOUR HEART.**

Be one, and be one with Me; I bless you in the Name of My Father, in My Name, and in the Name of Our Holy Spirit.

May My Peace be a blessing to all the faithful like water is a blessing to the thirsty.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
APRIL 3, 2014**

My beloved People, My blessing remains upon each one of you.

**IN THESE PENITENCIAL INSTANTS, YOU MUST FUSE YOURSELVES TO THE ESSENCE OF MY CROSS
AND IN IT YOU WILL FIND WHAT STILL HOLDS YOU BACK,
FOR IN MY CROSS I REVEAL TO YOU THE ENTIRE TRUTH OF MY SURRENDER AND THERE,
IN THIS TRUTH, YOU WILL SEE WHAT HOLDS YOU BACK YOU FROM BEING MY TRUE CHILDREN.**

My beloved:

Restrain your mind, for it governs men, it leads your thoughts to remain in the affairs of the world and in daily affairs, distancing your thoughts, your feelings, your heart and the responsibility that you have as My children. Humanity's uncontrolled race envelops you.

IT IS NOT THE ONE WHO LIVES IN THE EXCITEMENT OF THE WORLD THAT IS ABLE TO ASCEND IN THE SPIRIT, NOR IS THE ONE WHO IS NOT CONSCIOUS OF HIS SPIRITUAL DUTIES ABLE TO FUSE HIMSELF WITH ME.

IT IS NOT THE ONE WHO IS UNABLE TO QUIET HIMSELF WHO WILL ENTER TO HEAR ME IN THE SECRET OF HIS/HER INTIMATE RELATION WITH ME.

Beloved children, the barbarity of this generation is due to that detachment of people from their God, to that oblivion in which souls keep Me, and this is a product of the plan that satan and his henchmen have poured out over humanity in general. YOU WILL NOT OVERCOME AND RESIST THE SNARES OF EVIL IF YOU ARE NOT CONSCIOUS THAT THE PRIORITY FOR MY CHILDREN IS ME.

The commitments of the world, on occasions are used by the enemy of the soul to distance My people from Me, and as everything has advanced in this instant, so I require of those who are Mine to enter into My Path so they are spiritually strengthened and drink from My spring of Living Water so that thirst does not dominate them and lead them by paths of evil.

Restrain your senses so that they do not lead you to desire what is not My Will, but above all, do not forget to restrain your mind, for the mind governs man and leads him to forget that I AM HIS PRIORITY.

MEN FIGHT TO MAINTAIN SUPREMACY IN EVERYTHING, A MATERIAL SUPREMACY, FOR THE SUPREME ONE, THE KING AND THE ONE WHO GOVERNS SOULS, AM I AND WILL BE I.

Woe to those who martyrize My innocents! Woe to those who taint their hands with the blood of the innocents! They will be judged severely.

My beloved People, this generation still does not believe in My Calls or in those of My Mother, they scoff at us without being aware that the enemy of the soul remains on Earth with his greatest weapon: division.

MAINTAIN UNITY WITH MY WILL, INVITE ME EVERY INSTANT TO REMAIN IN YOU AND WITH YOU, SO THAT THE AWARENESS OF ME REMAINS IN YOU AND DOES NOT LEAD YOU TO BETRAY ME AND TO BE AN OBJECT OF DIVISION AMONG MY PEOPLE. Unity is essential among My children, for the one who is division will wander alone and will maintain himself at the expenses of the whims of the enemy of the soul.

I come for My People, I thirst for souls and man thirsts for dominion over the conscience, of dominion over reason and over human intelligence; DUE TO THIS HAVE I INVITED YOU TO SCRUTINIZE ME SO THAT YOU KNOW ME PROFOUNDLY AND SEE THE ESSENCE OF MY LOVE.

The human heart must beat with My Heart; man was created in Our Image, but his life ends when man is called to return to My House. That is why present-day man must be totally willing to be My Likeness and to live, to work and act also in My Likeness:

IF I SHINE INFINITELY, each one of you must shine in the same way...

IF I AM MERCY, you must be mercy...

IF I AM SUPREME INTELLIGENCE, you must be copies of My Intelligence...

IF I AM THE WAY, THE TRUTH AND THE LIFE, you must walk on My Path, be My Truth as witness and live continually fused in My Will.

Man looks with scorn at what takes place in the world until the events don't touch him in his own flesh; that is a product of the indifference that satan has embedded in man, but all of humanity will suffer and endure, because every man needs to be purified.

EMBRACE MY CROSS WITH LOVE AND IT WILL NOT BE HEAVY BUT LIGHT,
BECAUSE LOVE exalts everything.

Woe to those people who have banished My Love and have exiled the love for their brothers and sisters!

Woe to those who are hard of heart and who have thrown away the feelings with which I infused them, because this leads them to have hearts of stone, unfeeling in the face of human needs and human pain!

My beloved People, the fields will cease to be green, the waters will cease to be crystalline, the air will cease to be pure and fire will raze large tracts upon the Earth; the elements rebel before man's cruelty.

My beloved, what do you expect from a man who argues what cannot be argued, so as to meet his selfish and power-hungry whims?

Great Nations hide behind false appearances, take their own initiatives, avoid to say the truth will all kinds of lies so that humanity does not judge them and accepts those lies they argue to give rise to chaos and desolation through war.

Man has not been deterred, not even seeing the suffering of so many, many innocents who were unjustly subjected under the tyranny of an antichrist in the Second World War.

And in this instant in which the Superpowers are true headlights of destruction by possessing weapons that will end humanity in instants, the mind of leaders is clouded only by the desire to conquer and to possess, not territories, but natural riches, without thinking that natural riches will be of no use with a humanity sunken in poverty, in chaos, in sickness and in destruction.

In these penitential instants, man cries out, he cries out for Mercy forgetting that I am constantly Merciful with all. The one who is not merciful with himself is man...

Beloved children:

MY TRUE CHILDREN ARE THOSE WHO MAINTAIN PEACE, WHO DO NOT ALLOW ANGER TO OVERTAKE THEM EVEN FOR INSTANTS. The enemy needs people saturated with anger so that they fight with one another, to cause division and thus fulfill satan's purpose.

MY TRUE CHILDREN ARE SOULS OF PEACE, EACH ONE CONSCIOUS THAT HE OR SHE IS NOT ONLY A MISSIONARY OF MY PEACE, BUT MY SOLDIER. You are My People, and My People love Me, adore me, and My People venerate My Mother for the fact of being My Mother, of being Pure, Immaculate, of being the Ark of Salvation for these instants. COVER YOURSELVES WITH HER PROTECTIVE MANTLE!

From on high you will hear a thunder and man will enter into panic for lack of confidence in Me. The moon will be tainted red, maintain your Faith as unshakable before what you hear, before what your eyes see, because I do not abandon My People.

**I PROTECT YOU AND WILL PROTECT YOU IN EVERY STEP YOU TAKE,
IF YOU REMAIN STRICTLY FAITHFUL TO ME.**

Do not forget that I have sent help from My House to every generation, and this generation is not the exception.

**I WILL SEND THE ONE WHO SPEAKS MY TRUTH AND BRINGS IT THROUGHOUT THE WHOLE WORLD,
PREPARING THE WAY FOR MY APOSTLES OF THE END TIMES.**

MY People, do not fear, for your God keeps His gaze upon you.

**Pray, My People, pray for Indonesia, the land will shake.
Pray, My People, for Japan, it will again spill lethal venom over humanity.
Pray, My People, pray for Central America, it will shake.**

Be aware of this instant and do not cling to what is material. Woe to the one whose confidence, peace and security are cemented in materialism! For from one second to the next, everything will collapse, and man will find himself with empty hands; BUT THOSE WHO ARE MY PEOPLE, KNOW THAT I DO NOT ABANDON THEM AND THAT MY PROVIDENCE WILL BE UPON MY FAITHFUL.

**THE TRIALS FOR MAN'S PURIFICATION ARE NOT AND WILL NOT BE EASY,
BUT THEN I MYSELF WILL SEAT YOU AT MY TABLE AND MY PEOPLE, MY HOLY REMNANT WILL LIVE
MY PEACE, THEY WILL EXPERIENCE HEAVEN IN ADVANCE AS A REWARD FOR THEIR FIDELITY, BUT
DO NOT FORGET THAT FOR THIS, YOU MUST KEEP THE FAITH AND REMAIN FAITHFUL.**

The Earth as man's cradle, is burned out and aged by humanity's sin which has escalated to the unthinkable.

My Legions executers of My Will remain over the Earth and the elements respond to unify man with My Will.

The climate will greatly astonish man with its unexpected change, the Earth will not cease to move. The expected events are upon the Earth.

Pray without ceasing and pray putting My Word into praxis.

**I BLESS YOU, I LOVE YOU; DO NOT FORGET THAT I REMAIN WITH YOU. AND IF THE COMPLETE
FULFILLMENT OF WHAT HAS BEEN ANNOUNCED BY MY MOTHER HAS NOT ALREADY SPILLED UPON
HUMANITY, IT IS BECAUSE IF IT WERE TO ARRIVE NOW,
EVEN THOSE WHO BELIVE THEY ARE PREPARED WOULD NOT BE ABLE TO COME WITH ME.**

I bless you, I love you.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
APRIL 6, 2014**

Beloved children of My Immaculate Heart, I bless you.

**I COVER ALL OF HUMANITY WITH MY MANTLE OF LOVE.
THE STARS ILLUMINATE THOSE WHO LIVE IN GLOOM.**

I see the Nations persist in self-destruction and how these adore evil, handing themselves over without measure to the whims that what is worldly sets before them.

Man's thoughts in their nature are light, but man, by contaminating himself, has totally impoverished himself before the constant falls by handing over his thoughts into the clutches of evil.

My children wander thoughtlessly; they only repeat a series of acts of evil that keep them on the edge of a fateful end.

**FREE WILL HAS BEEN TOTALLY YIELDED TO SATAN, AND HE,
WHO DOES NOT LET THE OCCASION TO CAUSE HARM TO SOULS PASS BY, LEADS THEM TO PERISH.**

You, My beloved, maintain hope without remaining in ignorance; do not sleep like the dead but remain attentive to the events.

My beloved:

**THE FUTURE OF MY CHILDREN IS PAINFUL, BUT IN THE END,
MY SON'S PEACE AND BLESSING WILL REMAIN TRIUMPHANT FOR HIS FAITHFUL, FOR HIS PEOPLE.**

How you deny that My Son announces what is coming to His People, precisely if He is Infinite Love, He cannot allow His children to continue in the midst of the darkness of slavery and in the servitude of the economy!

THE ALLIES OF EVIL ACT AGAINST MY CHILDREN.

Beloved, the United States will shake, the head of the eagle will suffer an attack and will turn and rise in flight against innocents, pointing out culprits, but then the eagle will raise its cries asking for help, finding itself defeated.

My beloved, My faithful, water continues to appear agitated in search of land, the wind spreads itself with force causing damage in its wake.

Pray My children, pray for Japan, it will shake again.

Pray My children, pray for Canada, it will suffer.

Pray My children, pray, for the innocents will suffer even more because of conflicts in different countries due to the manifestation of the violence that reigns in man.

Pray My children, pray for Venezuela, it will suffer before finding peace for its People.

My beloved, do not lose hope, keep the Faith in every instant; you know My Son and know that He does not abandon His People.

The Tribulation takes its strides throughout all the Earth; but this Tribulation will rage and My Son's People will weep and suffer. But after the Purification, they will find infinite light, and those who have remained trusting in My Son's Word without declining in Faith, will sing the glory and the triumph of their Lord and their God.

**WHEN EVIL PROWLs ABOUT, CRY OUT TO ME, FOR IN A HURRY, I WILL COME TO YOU AND PROTECT YOU AND DEFEND YOU FROM THE SNARES OF THE EVIL ONE.
ENTER INTO MY SON'S HEART AND REMAIN IN COMMUNION WITH HIM.
DO NOT IGNORE THIS MOTHER.**

I bless you.

Mother Mary.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

Hearing, not with the ears of the body but of the spirit, the Words of Our Mother and Her feelings, they become ours.

When Christ called His Disciples, they were willing to leave their nets. Them: fisherman, had to silence themselves to be instructed, to identify themselves with the teachings that Christ was giving them. But the Disciples remained willing, not only to leave the nets to fish in the sea, but to be instructed in another kind of fishing.

Christ called the Twelve and kept them united; they were instructed equally, just as He explains it to us in these messages. He instructs us all equally, without distinction of creed or ideologies. Christ's instruction does not know distinctions or place limits, what it seeks is a generous spirit, willing to quiet itself so that the Holy Spirit may descend.

We must be unity; the affairs of Heaven do not need competency if they are truly revealed from on high. Christ and the Mother call us to unity so that united we maintain that Divine harmony, that tune in which we must all remain. The instant of permanent joy will come when pain will disappear and we live Heaven in advance.

Amen.

**DIALOGUE FOR HUMANITY
BETWEEN OUR BLESSED MOTHER AND LUZ DE MARÍA
APRIL 10, 2014**

Mary Most Holy:

Beloved children of My Immaculate Heart, I bless you.

YOU ARE MY GREAT TREASURE. MAN ENTERS INTO THE REMEMBRANCE OF MY SON'S SACRIFICE FOR ALL OF HUMANITY, AND MY MATERNAL HEART DOES NOT WANT THE INFINITE ESSENCE OF THIS FUSION OF MY SON WITH THIS GENERATION TO GO UNNOTICED BY YOU.

Without looking at the state of souls, My Son, in His Infinite Love for mankind, took upon Himself every human work and action contrary to the Divine Will and with His innocent Blood acquired Eternal Salvation for man; provided that man be an image of Divine works and actions.

Beloved, My Son's Love exceeds the human mind...

Daughter, do you love the Cross?

Luz de María:

Yes Mother, I undeservedly remain on It.

Mary Most Holy:

I SUFFER DAUGHTER, BECAUSE THE CROSS IS NOT ONLY A SYMBOL, AS HUMANITY HAS SEEN IT; It is the Great Mystery of the Father and of His Love for human beings.

THE CROSS IS GLORY AND MAGNIFICENCE, MAN WILL NEVER BE ABLE TO SURPASS IT. In each minimum splinter of the Holy Wood, vibrates the consummation of Divine Power that will remain immovable forever and ever.

THE CROSS IS SUBLIMATION, GLORY, MAJESTY, TRIUMPH, ETERNITY... for those who find in It the essence of Salvation, of Forgiveness and of Love.

Man does not delve into the Mystery of the Cross, which goes on to be Light when man enters into the Infinite Love of the one who loves to the extreme, to justify before the Father those who would not be able to justify themselves except through the sacrifice of the Divine Lamb, the God-Man, who is without any blemish whatsoever.

THE MYSTERY CAN BE REVEALED BY MAN, ONLY AND ONLY IF MAN IS HUMBLE SO AS TO STRIP HIMSELF OF HIS EGOISM, OF HIS WILL, OF HIS GRANDEUR, OF HIS PRIDE AND OF HIS OWN INTERESTS.

Daughter, do you know much My Son is grieved when He sees His children carrying His Cross as just another accessory, with contempt and ignorance conditioned by man himself?

Some wear the Crucifix on their chest, when they adore satan with songs; they wear it when they kill their brothers and sisters; they wear it on their chest in the instants when they attack their neighbor, or when out of convenience and human respect, they do not convey the True Word.

Beloved daughter, when men look upon the Crucifix, they see an image and focused on that, without entering into the pain and suffering, without seeing the sacrifice, without seeing the salvation of their own soul.

On that Cross of Love also remain souls that are cold, that out of fear of criticisms, persecutions, or mockery, abandon My Son's path and give in like the mobs of Good Friday, to the tumult of those who, without a conscience, are manipulated by the power of evil and swear loyalty to satan, to money, to vices, to lies and perdition.

Daughter, do you know what is the source of My sleeplessness?

Luz de María:

What is it Mother? Tell me.

Mary Most Holy:

MAN HAS NOT BEEN FULLY INFORMED OF WHAT HE POSSESSES TO ELEVATE HIMSELF ABOVE HIS MORTAL CONSCIOUSNESS. Although man does know that he is a Divine Image and Likeness, and this empowers him to find the threshold of Divine Love and thus be liberated from the captivity of what is worldly and finite.

My children do not amend their behavior; by not suffering, they deny the fulfillment of our Calls. These children of Mine will lament not having waited with Holy Patience and not having instead grown and deepened their spiritual consciousness/awareness, so that in the Light of the Holy Spirit, they accept they are people chosen to maintain a decreed Divine Relationship, with the Sacrosanct Trinity. When the Purification knocks at their door, they will cry out for it to go away... they were not prepared.

The one who on purpose ignores Heaven's Words, the one who insists on being irascible, proud and arrogant, does not allow the Flame of Love to burn to mollify the egoism within him.

DAUGHTER, MY HEART BURNS WITH LOVE TO TEAR THE VEIL THAT PREVENTS MEN FROM FUSING THEMSELVES WITH MY SON. The lack of love and gratitude in the human heart has led man to fall into the sins most severe and most hurtful to My Son's Heart and Mine.

Daughter:

Tell your brothers and sisters that in this Holy Week, this Mother beseeches them to reach into the depths of their conscience, and there see My Son grieving and suffering, waiting for them to open the door for Him.

Tell them I beseech them to allow My Divine Son to enter the inner room of each one of them, and thus they prepare themselves for the upcoming events.

Tell My children that the Kingdom of God remains within each one of them, it is the Infinite Light that demolishes every darkness.

Tell them My Son loves them with Eternal Love, beyond this Earth where they dwell.

Tell your brothers and sisters that they do not live by the oxygen they breathe, or by the food they ingest but by Divine Will.

Remind them that if they ask, they receive, but before asking they must examine themselves profoundly...

Remind them to receive My Son worthily; He is present in the Blessed Sacrament, in His Body, Soul and Divinity.

Do you know, daughter, that I am a Mother without children, and those who give themselves to Me are despised?

Luz de María:

Yes, Mother, I know. And those of us who love You, feel Your pain.

Mary Most Holy:

Daughter, in that pain I keep tightly in My Heart those who will perish because of events of Nature, and more those who perish and will perish by the hand of man dominated by the thirst for power, far, very far from the Divine Will.

How often evil surpasses man! And how often, a pleased man gives himself over to evil without any objection!

**I call you to pray for Brazil, it will be prey to man himself,
and with its bad behavior, it will bring pain upon its land.**

**Pray, beloved children, pray for Japan,
The scourge of contamination will continue to spread.
Pray, My beloved, for Ecuador, it will suffer through its volcanoes.
They have awakened throughout all the Earth.**

Pray, the conscious of humanity will be alarmed before an event of Yellowstone.

Children, no human being is abandoned by My Son's Hand, no one is denied forgiveness. But man has forgotten to ask for forgiveness...

Daughter:

**TELL THEM I WANT EACH ONE OF THEM TO BE A BEACON OF LIGHT FOR HIS OR HER BROTHERS AND SISTERS, IT IS NECESSARY THEY DO NOT FEAR BUT TRUST;
EVERYTHING IS FOR THE GOOD OF THEIR SOULS.**

I bless you.

Mother Mary.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

OUR BLESSED MOTHER INVITES US TO ADORE HER DIVINE SON...

For not until man adores Christ in spirit and truth, will man be able to reach the awareness that everything comes from God, and nothing is from man.

When we act, it is by Divine Will. The Blessed Mother invites us to deepen in that relationship with Christ, where we recognize that He is God and we are his creatures.

Christ is present in everything and everyone, therefore the Mother is recurrent in calling us to be conscious of it, so that in that state of consciousness we become willing to continually invite Christ to remain in and with us, but humility is necessary for that.

LET US ASK TO BE HOLDERS OF A RAY OF DIVINE LIGHT, SO THAT WITH THAT RAY WE MAY BE ABLE TO SET OFF ON THE PATH TOWARDS THE TRUE LOVE PROCEEDING FROM CHRIST, AND THE HOLY SPIRIT MAY PREPARE US TO FACE WHAT IS COMING TO HUMANITY OF DIVINE JUSTICE, WITHOUT ABANDONING FAITH OR DENYING LOVE TO JESUS AND THE MOTHER.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
APRIL 14, 2014**

Beloved children of My Immaculate Heart, I bless you.

**WITHOUT EXCEPTION, ALL ARE MY CHILDREN,
EVEN THOUGH NOT ALL LOVE ME AS A MOTHER...
ALL ARE CHILDREN OF MY SON,
EXCEPT THAT NOT ALL RECOGNIZE HIM AS THEIR KING AND LORD...
ALL MEN HAVE A CONSCIENCE, NOT ALL HAVE DISCOVERED IT....**

My beloved, I have called you without delay to willingly change and your conscience be alerted and elevated above what is commonly normal within the world but contrary to the Divine Will. In this instant, the conscience is essential, the internal search for the inexhaustible Divine Spring is essential.

YOU, BELOVED, MUST CONVERGE UNIFYING YOURSELVES WITH A CHRISTIC CONSCIOUSNESS IN ALL ITS PRECEPTS AND IN ITS VALUES.

The history of mankind is the history of disobedience. Humanity, governed by the ill-use of free will, causes My Son to live in the present, the pain of the Scourging, the pain of the Crown of Thorns, the pain of the Cross, the pain of insults, the pain of the Crucifixion, the pain of the spear in His Side...

MY SON'S PASSION REMAINS EVER-PRESENT.

EACH AND EVERY ONE OF YOU CAUSES HIM TO SUFFER AGAIN WITH YOUR ACTIONS GOVERNED BY HEARTS OF STONE; YOU SCOURGE HIM, CROWN HIM WITH THORNS, SPIT UPON HIM, CONDEMN HIM AND CRUCIFY HIM INSTANT TO INSTANT WITH YOUR BAD BEHAVIOR.

My beloved:

I CALL YOU TO BE MORE SPIRITUAL, THAT IS, TO COMPLY WITH THE LAW OF THE LOVE FOR GOD AND NEIGHBOR.

The christian is not the one who recites prayers without them burning in his heart...

The christian is not the one who walks halfway, without considering the duty he carries, of going beyond mechanical prayers...

The christian is the one who transcends and enters into the essence of prayer, into the essence of each word, and does not allow his thoughts to be deviated in meditation by human concerns.

My children focus their heart, their feelings, their devotion, their thoughts and all their strength, loving My Son and entering into His Divine Heart so that the Mysteries are revealed.

My children do not jump into the void of ill-employed theology, but rather they are free to love My Son with all their strength, and their strength is that which they carry inside.

BELOVED, AS MOTHER OF HUMANITY, I MUST REMIND YOU THAT MY SON REMAINS AMONG YOU, HE WALKS THE STREETS AND TRAVELS ON YOUR PATHS, MY SON IS THE ETERNAL PRESENT, to whom you owe the honor and the glory of a King who is King over all that exists.

Vainglory in man will be eclipsed by humility, power will be stripped by simplicity, pride by charity, but... not until each one of you is conscious that the enemy of the soul has dominated you. You live in the narrowness of human egoism, you oppress the conscience so that it does not torture you, you prefer materialistic narrowness.

My beloved:

WHOEVER DOES NOT SEEK UNITY THROUGH THEIR OWN MEANS, IS, BEFORE MY SON, A CAUSE OF DIVISION OF SOULS within the missions that My Son has entrusted to some souls in particular.

WHOEVER DOES NOT SEEK UNITY NOW, MUST INTERNALIZE AND SEE HIMSELF SUCH AS HE HIS, for as of this instant he is allowing himself to be an instrument of the enemy to destroy what My Son built from the Cross, for My Son handed Himself over for Love of you, but that love implicitly carries with it fraternity.

WHOEVER IS NOT FRATERNAL, MUST DISTANCE HIMSELF OR HERSELF FROM HIS OR HER BROTHERS AND SISTERS UNTIL, THROUGH MEDITATION, THE HOLY SPIRIT ENTERS IN HIM OR HER AND MAKES HIM OR HER DOCILE.

My beloved:

The prideful will perish in their own pride; do not forget that blessed is he who occupies the last place, because he will receive the pay of the one who occupies the first place, for My Son does not see places or honors, but rather the heart of His children.

You continue life hastily without remembering in each act or work, in each thought or feeling, My Son Crucified for you... with how much ease you criticize one another destroying the building that My Son constructed with His Blood!

The true christian is the one who has overcome all the obstacles, primarily his human "ego"; the true christian is the one who walks freely with his heart pure and clean, first of his human "ego" and then of the constraints and narrowness of the minds of the rest.

Beloved:

You to whom most is given, must be a reason and cause of unity...

I call you to be fraternal...

I call you to be one in My Son's love...

I invite you to take My Son's Word to your brothers and sisters, to alert those hearts and minds that are sleeping, for the instant has ceased to be an instant.

Beloved:

THIS IS THE INSTANT TO ASCEND AND JUMP OUT OF THE ORDINARY, FOR THE TEMPLES OF STONE WILL FALL, THEY WILL BE DEMOLISHED; BUT THE INNER TEMPLE WHERE MY DIVINE SON RESIDES, THAT TEMPLE WILL BE THE ONE TO REMAIN IF YOU LIVE IN YOUR SOUL THAT PERMANENT UNION WITH THE DIVINE WILL.

Children, already the Earth is exhausted, constantly receiving humanity's sin and grave offenses, and it is sick because of man; it vomits man's sin through volcanoes, it shakes before the pain of so many innocents that suffer and, when it shakes, the waters of the seas rise again.

Pray for Japan, it will suffer.

Pray for Chile, it will suffer.

Man's mind is governed by evil, satan and his followers make their nest in the heart of those who, like stones, are impenetrable to My Son's Love, and constantly undermine and damage the souls of millions and millions of innocents.

Satan prowls around each one of you to lead you to fall, therefore, I insistently call you to humility, for the prideful one is fertile ground for evil.

My beloved:

BE A MODEL OF UNITY AND FRATERNITY FIGHT FOR A SINGLE CAUSE:
THE REESTABLISHMENT OF MY SON'S KINGDOM ON EARTH.

You know that before this occurs, like gold in the crucible, you will be purified and of this have no doubts. Those who in this instant mock My Son's Calls and Mine, will be the ones who will fall upon their knees and will strike their breasts for having mocked and having ignored our Calls.

I see how human beings rejoice in pleasures, on the beaches, taking these days to bring worldly amenities to their hearts, but My Son's Hand, bleeding out of mercy, has fallen upon humanity and humanity will suffer its own evil.

People of My Son, silence the voices of egoism, of farce, of hypocrisy and of unconsciousness thus maybe you will be able to hear My Calls, I do not want more souls to be lost. Sadly I hear some of you reproach that My Son's Justice has not come to His People. I ask you: are you prepared? Are your hearts and feelings pure? Are your wishes for your brothers and sisters for good? Do you fight for unity and love My Son above all things?

How I lament that those who demand My Son's prompt Justice are still not prepared to receive it! This Justice will arrive, it will arrive inexorably, with more swiftness than you yourselves believe; man's life is based on the god of money... in instants this god will fall and will dissipate.

Pray, beloved children, pray for England in leaps and bounds, it turns away from My Son's Love.

My children, glorify My Son, love Him, thank Him, adore Him. I know that you are not of those who have the crucifix hung around their neck without pretending to know it. Allow My crucified Son to enter into your inner chamber and hear His Voice.

I, as Mother of humanity, guide you so that you are conscious of the imminent instant in which you live; this generation will not pass without the Great Purification coming down.

DO NOT WAIT ANY LONGER. TAKE THE PATH OF MY SON'S LOVE, AND THE REST WILL BE GIVEN UNTO YOU; look to the heavens, for the signs will tell you: the instant is near in which God's People will know with how much sin they have offended Him.

REMAIN AT THE FOOT OF MY SON'S CROSS, FOR THERE AM I FOUND.

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

The Blessed Mother calls us again to clean our human "ego" of all the dead weight with which we are stripping ourselves of living fully as children of God.

Brothers and sisters:

Darkness will cease to be darkness when we are conscious that the observance of the First Commandment leads us to be reborn in the Love of God and neighbor as Christ teaches us, and in this way we will eradicate all of man's evils, but this is achieved only by maintaining unity with God. We must use time well while we await God's Wrath. Why not use time well, re-encountering with Him?

During this Holy Week, the Mother asks us that along with Her Son in Gethsemani, we see our attachments and uproot them, making way for that Divine Light that guides us to a Christic Conscience where what is human is surpassed by the Divine Being from which we come.

Evil does not rest, but in the measure in which we become aware of the damages it causes and to where it leads man, in that measure man will overcome the stumbling blocks and will be one with his Creator.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST TO HIS BELOVED DAUGHTER LUZ DE MARÍA HOLY THURSDAY, COMMEMORATION OF THE INSTITUTION OF THE HOLY EUCHARIST APRIL 17, 2014

My beloved People:

I have sought you out each instant of life that has passed.

I have sought you out on sunny days on which everything has shone for you and been happiness; I have come before you..., and you have rejected Me by not needing Me.

I have sought you out on dark days, on gray and cold days, on clouded days on which perhaps sickness or emptiness of the soul, or loneliness have knocked on the door of your life; I have come., and you have rejected Me, blaming Me for all that you suffer.

I have sought you out when I have seen you alone, to be the friend that comforts and that accompanies..., but you have rejected me because you say that you do not need My Friendship.

I have sought you out to bring water to your hardened hearts, the water of My Love and of My Mercy..., but you have told Me that you prefer the water of the world, of base passions, of egoism and of envy, of pride and of slander, of lust and of hypocrisy; you have told Me that you find your souls happy there.

**I HAVE COME OUT TO MEET YOU IN THE LIFE OF EACH ONE OF YOU BECAUSE AS FATHER OF LOVE,
I HAVE NEVER DESERTED YOU, BUT YOU HAVE REFUSED IN THE FACE OF MY CALLS,
BEFORE THIS BEGGAR OF LOVE..., AND YOU HAVE REFUSED BEFORE THIS CRUCIFIED CHRIST,
BLOODY FOR LOVE OF YOU.**

Humanity has rebelled against its God; this has happened throughout history, but no other generation will surpass the sin and the offenses committed against My Will as this generation has done.

How many Herods have launched themselves against innocence! Satan, eager to annihilate innocence and thus monopolize souls, has poured out his anger upon the innocents. Instant to instant, new Herods raise their hands to exterminate the life of innocence upon the Earth. I am Mercy and My Heart bleeds before these people of Mine who dare to go against the most precious Gift with which I arrayed man: Life.

How many Herods there are, with their minds saturated by banalities and saturated by the poison that satan has injected in their hearts...!

How many Herods within laboratories wrongly use science...!

How many Herods give orders to kill innocent people...!

**THE GREAT HEROD OF THIS HUMANITY IS THE DESIRE FOR POWER, AND IT UNDERMINES MY
CHILDREN'S MIND, HARDENS MY CHILDREN'S HEART SO THEY DO NOT LISTEN, DO NOT SEE, DO
NOT FEEL, DO NOT THINK, BUT RATHER ONLY ACT UNDER THEIR PERVERSE INSTINCTS POISONED BY
EVIL.**

With so much sadness I see how My People have forgotten what I suffered for each one of them...! Instead, those hearts of stone dedicate themselves, in these holy instants, to blaspheme against My Sacrifice for each one of them.

My beloved People:

**CHILDREN OF MY CROSS, RETURN TO MY PATH.
THUS I WILL CALL YOU UNTIL THE FINAL INSTANT, BUT DO NOT WAIT UNTIL THE FINAL INSTANT,
BECAUSE THIS IS THE INSTANT OF INSTANTS.
MY HAND HAS FALLEN UPON HUMANITY THAT IS CONTAMINATED BY ALL EVILS,
WITHIN WHICH PREVAIL ENVY AND DISUNITY.**

Soon I will come before each one of you, before the hearts of stone to examine the working and acting of each one of those who are Mine.

I see you come up to My Altar to receive Me, after having profaned the temple of My Holy Spirit that is each one of you.

How man's will has fallen!

How man drags himself before evil, without being strong enough to rise up out of the mud in this instant!

Oh humanity, how much you offend Me and how you will weep! By your own hand you will perish. Before the desire to deepen, you have exceeded the limits that as My children you could pass and have smoothed out the path of evil and upon it you will perish.

How many people suffer because of ill-employed technology! This scourge..., that will not cease flogging humanity, this scourge built indiscriminately by those committed to evil...

**I AM YOUR GOD AND AS SUCH, I KNOW ALL AND SEE ALL,
BUT AS MAN OF SORROWS I HAVE CONTINUALLY SHED MERCY UPON THOSE WHO OFFEND ME,
BUT MY HAND HAS FALLEN AND MY JUSTICE COMES TO EVERY HUMAN BEING.**

My Mother has been unceasingly despised, and She continues calling you to take Her Hand. My Mother's Calls are scorned and mocked, even by those who are consecrated to Me.

**ON THIS DAY ON WHICH YOU COMMEMORATE THE INSTITUTION OF MY BODY AND MY BLOOD
AND THE PRIESTLY MINISTRY, I INVITE YOU TO OPEN YOUR HEART TO MY MOTHER,
FOR EVERY CONSECRATED PRIEST AND RELIGIOUS WHO LOVES MY MOTHER,
KNOWS ME IN SPIRIT AND TRUTH.**

My People, examine yourselves before you must examine yourselves before Me.

The tiredness of My children who redouble efforts for those who do not pray, for those who do not offer themselves, for those who do not believe, for those who do not work in favor of humanity; TIREDDNESS, ON OCCASIONS, WILL WANT TO BREAK YOU, BUT YOU MY CHILDREN, RELY ON MY MOTHER, FOR SHE WILL GIVE YOU THE NECESSARY STRENGTH SO THAT YOU DO NOT WEAKEN.

**INVITE ME CONSTANTLY TO WORK AND ACT IN YOU SO THAT THUS YOU BEGIN TO FUSE
YOURSELVES LITTLE BY LITTLE TO MY WILL, AND YOUR HUMAN WORKS AND ACTIONS BE
TRANSFORMED INTO MY LIKENESS.**

Man debates between pleasures and money, and this god of money will succumb before the strength of the powerful who manipulate all of humanity.

**YOU CHILDREN, DO NOT CLING TO WHAT IS BANAL AND FLEETING.
REMAIN BESIDE ME AND BESIDE MY MOTHER, FOR AS I GUIDED MY PEOPLE THROUGH THE DESERT,
SO I WILL GUIDE YOU AND FEED YOU FROM MY WILL BECAUSE YOU HAVE REMAINED FAITHFUL
WHEN PERSECUTION AT THE HANDS OF THE ANTICHRIST AND HIS ALIIES COMES UPON YOU.**

You who hear My Word, do not allow spiritual zeal or envy to divide you, for that is the goal of the one who will come to persecute My People.

My beloved children:

In this instant I invite you to pray for the Middle East,
the conflict being lived has been hidden by placing other interests before you; remain alert.
Pray, My children, for the United States -- this great Nation will suffer Nature's attacks,
especially fire that will come from volcanoes.
Pray, My children, for Guatemala; it will shake.
Pray for those people who will perish when the earth roars and opens up.

My beloved, soften your hearts before night and darkness cover the Earth.

Remain alert; you will see another great sign in the Heavens.

Do not forget that for the one who remains faithful to Me, I remain at his side every instant: in joys, in tribulations, in solitude, in tiredness and in happiness, but above all, I flood his entire being with My very Love.

**MY BELOVED, DO NOT FEAR WHAT IS COMING; FEAR OFFENDING ME,
FEAR SEEING ME HANGING ON A CROSS AND NOT BEING MOVED BEFORE THE DESIRE TO
PARTICIPATE WITH ME IN MY SACRIFICE FOR ALL OF HUMANITY.**

My People, do not fear. I remain faithful to My People and after the Tribulation, they will live the Fullness of Day where the Sun of My Love will shine for all My faithful, where darkness will no longer exist and sin will have been eradicated from the Earth.

DO NOT FEAR, FOR I DO NOT ABANDON MY PEOPLE; IN EVERY INSTANT I HAVE SENT SOMEONE TO HELP MY PEOPLE, AND THIS INSTANT WILL NOT BE THE EXCEPTION.

DO NOT FEAR, FOR MY LEGIONS WILL COME TO YOU TO HELP YOU.
DO NOT FEAR BECAUSE MY LOVE AND MY HEART WAIT FOR EACH ONE OF MY FAITHFUL CHILDREN.

My blessing be with you and will all My consecrated ones who love Me in Spirit and Truth.

I bless you.

Your Jesus.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

With a Christ who shows us the interior of His Heart from which emanates the oil of Infinite Love, how can we not soften and soften the heart?

Humanity becomes stagnant in the miseries of its own weakness, without desires to overcome the spiritual stagnation in which it remains, thus not knowing so many virtues and gifts with Christ has gifted it so that it ride the heights and enter true Spiritual Joy that knows no boundaries other than those which man places before himself.

How can we not be touched by these Words of a King who asks those who are His for love, because they, with a heart of stone, are unfeeling?

Being a christian goes beyond Sunday Mass; it is a permanent practice of the Commandments and Beatitudes, of the Sacraments and of the greatest of Divine Laws: LOVE.

Do not be part of those who deny themselves Eternal Life.

What is coming is not unknown, and we know that the root is in the hardness of man. The scourge of the Peoples is the abuse against innocence, the freedom of abortion, nuclear energy, altered foods, the dominion of the powerful who, contaminating the youth with every kind of vice, lead them to decay in every aspect, and so many Herods who emerge before the passive glance of humanity. Conformism has seized man so that he does not raise his voice, and the one who denounces it is a madman.

Will you continue to be part of that madness of the world? Or will you form part of those who are chosen, who at the end of all the Tribulation and only at the end, will be able to call themselves chosen by having remained faithful, without losing heart, beside Christ and our Blessed Mother?

LET US MEDITATE... and remember the Sacred Scripture...

*"What more could have been done for my vineyard than I have done for it?
When I looked for good grapes, why did it yield only bad?"*

Isaiah 5:4

*"Jerusalem, Jerusalem, you who kill the prophets and stone those sent to you,
how often I have longed to gather your children together, as a hen gathers
her chicks under her wings, and you were not willing."*

Matthew 23: 37

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY

**TO HER BELOVED DAUGHTER LUZ DE MARÍA
GOOD FRIDAY
APRIL 18, 2014**

Children of My Immaculate Heart:

I bless you. Take up again the prayer to St. Michael the Archangel.

Your companions of journey REMAIN BESIDE YOU.

**THE HEAVENLY HOSTS REMAIN POSITIONED OVER HUMANITY IN THESE INSTANTS ALREADY
ANNOUNCED BY ME, IN WHICH GOOD AND EVIL BATLLE FOR SOULS.**

You have abandoned the practice of prayer, and you must take it up again. Prayer must be active and not passive, evil remains in constant action; LIKEWISE YOU, MY CHILDREN, MUST BRING MY SON'S WORD AND MY CALLS EVERYWHERE.

Beloved children of My Immaculate Heart:

Each one of you is fertile ground or arid ground; each one of you keeps within you a field, mined by the "ego" of the human egoism, which must be overcome with a clear and just conscience, acting and working in the likeness of My Son. You must walk in His Divine Precepts so that the field mined of the human egoism does not lead you to fall continually into the clutches of evil, but rather leads you to remain holding My Hand and to remain in constant thanksgiving and adoration of My Son.

My beloved:

Man has never faced an instant so spiritually decisive as this one... and you continue as if you did not hear.

**WOE TO THOSE WHO DO NOT PAY ATTENTION TO MY SON'S CALLS,
FOR THE PRESENT INSTANT IS THE INSTANT OF TRUTH,
IT IS THE INSTANT OF THE SOULS WHO LOVE MY SON IN SPIRIT AND TRUTH!**

I, as a Sorrowful Mother, on this very special Day of Commemoration, remain with My Heart continually pierced by the continuous offenses that hurt Me like daggers and make My Heart bleed, because of the constant refusal to see yourselves without blinds on your eyes, without dissimulation and without justifications. But you fear more the evil in which you have fallen than you fear losing the Eternal Life that My Son offers you, because you continually live in comings and goings. This is a trick, a deception of evil so that you cannot reconsider and so you act automatically and without a conscience. It is the instant in which you must remain in battle against all the weaknesses that lead you to offend My Son.

**I CALL EACH ONE OF YOU TO BE ONE WHO CARRIES OUT MY SON'S WILL,
I CALL EACH ONE OF YOU TO ACCEPT YOUR PATH, ACCEPT YOUR PERSONAL MISSION
AND LOVE THAT OF YOUR BROTHERS AND SISTERS.**

IT IS A GREAT TASK THAT I BEQUEATH TO YOU IN THIS INSTANT; DEEPEN IN IT AND PROMISE YOURSELVES TO TRANSFORM YOUR PERSONAL WORKS AND ACTIONS INTO MY SON'S WORKS AND ACTIONS SO THAT YOU BE THOSE WHO CARRY OUT HIS WILL AND THUS PERMIT ME TO LOVE YOU.

Do not forget to invoke your Companions of Journey so that They are able to guide you because you ask them.

I bless you, I love you.

Mother Mary.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

In our inner silence, let us reflect:

"Therefore, I urge you, brothers and sisters, in view of God's mercy, to offer your bodies as a living sacrifice, holy and pleasing to God -- this is your true and proper worship. Do not conform to the pattern of this world, but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is -- his good, pleasing and perfect will. For by the grace given me I say to every one of you: Do not think of yourself more highly than you ought, but rather think of yourself with sober judgement, in accordance with the faith God has distributed to each of you. For just as each of us has one body with many members, and these members do not have the same function, so in Christ we, though many, form one body, and each member belongs to all the others."

Romans 12:1-5

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
EASTER SUNDAY
APRIL 20, 2014**

My beloved People:

YOU MUST ALREADY BE ONE WITH MY WILL..., THE ONLY WEAPON OF SALVATION FOR MAN IN THESE URGENT INSTANTS.

My people must be those who carry out My Will, and for that you must annihilate human egoism with all its stumbling blocks, you must be an example for your brothers and sisters and not a cause of division or of confusion.

My Love is at once Mercy and Justice; you, as a generation of sin, have obligated My Will to be shed over all the Earth.

I INVITE YOU NOT TO DECLINE, TO REMAIN FIRM, TO DEFEND THE FAITH AND EACH ONE OF YOU BE A TRUE EXAMPLE AND AN AUTHENTIC WITNESS OF MY LOVE AND OF MY WILL FOR HUMAN BEINGS.

My beloved People:

YOU WALK RELENTLESSLY TOWARDS DIFFICULT INSTANTS OF TERROR, FAMINES AND PLAGUES. I WILL CONTINUE TO ADDRESS YOU, BECAUSE I WILL NOT LEAVE YOU ALONE.

My beloved, it is not preparing yourselves materially or to feeling that following the Commandments your way is enough, rather you must repent for the works you have committed against Me and against yourselves, in instants in which your Faith and love for Me have totally wavered. To achieve a total awareness you must come out of what is profane.

I desire a glorious People, a fervent People, a People conscious that I am their God and they are My children.

I invite parents to be what they have not been until this instant. I invite them to see without bandages over their eyes so that thus they nourish their children from a small age with prayer and in solitude with Me is familiar to them, and they not crave to continue wandering in what is worldly, in sin, in temptation, accompanied by evil's messengers.

YOU ARE NOT ALONE, THE SPIRITUAL BATTLE IS AT ITS SUMMIT. I WILL VOMIT THE LUKEWARM FROM MY MOUTH, BUT THOSE WHO FIGHT TO REMAIN IN MY WILL, THEY WILL OBTAIN GLORY.

Follow the Beatitudes so in that way you are a witness of My Work and Actions.

My beloved, the sun will emanate its strength and man will be shocked by the sun's strength that will affect several countries.

My beloved People:

I call you to pray, but not in a mechanical way, rather to pray in My Will as I have already ordered you to: with your spirit and good works.

I bless you, not without first calling you to pray for My beloved People of Chile -- their suffering will continue.

Pray for Japan; it will shake with great force.

Each one of you, pray for yourselves, for the strength of My Spirit will remain guiding you so that you overcome daily falls.

I love you and bless you. My love remains with you.

Your Jesus.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

Our Lord warns us of the misinterpretation that man gives to His Orders.

Preparing oneself materially but with limited spiritual basis, is a limitation that annuls true union with Christ.

We must be docile, humble, obedient and be loving action, to be useful witnesses to our brothers and sisters, not only in words but in deeds.

Amen.

**DIALOGUE BETWEEN OUR LORD JESUS CHRIST
AND HIS BELOVED DAUGHTER LUZ DE MARÍA
APRIL 24, 2014**

Christ:

My beloved People:

**I AM THE WAY, THE TRUTH AND THE LIFE.
BELOVED, THERE HAS ONLY EXISTED ONE WAY TO REACH ETERNAL LIFE,
THIS IS MY PATH.**

Humanity has not wanted to see My Call clearly, it did not understand Me and still remains without understanding My Word.

You are My children. Man reflects the Truth, the good will he carries with him; within his heart, he reflects good or evil.

Beloved daughter, will man find Me if he remains in the world that is so agitated?

Luz de María:

No, My Lord, I do not think so.

Christ:

Daughter, My Truth does not manifest in a person whose mind remains agitated by engagements. Quieting the human “ego” is the way to attain serenity in the soul. Every act must be molded by Wisdom so that Wisdom leads the person to act, being merciful, humble and simple of heart.

You know that I rejoice in man’s peace, even though it is only a few who are able to keep peace; these are wise, for Wisdom guides those with a pure heart, so that they act uprightly.

In this instant, incomprehension must be exiled from men, for incomprehension will be mistress of man’s ill will towards his brothers and sisters, and it will unleash more and more anger until man tears himself apart.

Beloved, do you know how I wish for those who are Mine to be?

Luz de María:

Yes Lord, in Your Image and Likeness.

Christ:

Daughter, I wish for them to be peaceful; if I, being God, exceed in My Patience with man, how is it that man hands himself over to the power of evil, serving as a medium to agitate his brothers and sisters in a fierce battle of powers, which will destroy humanity?

Love is one of the greatest gifts with which I have gifted man, except that man made it disappear from his life, for his heart does not want to love, and his conscience has darkened so as not to feel remorse in the face of wrongdoings.

Every instant My children distance themselves more from Me; they are so weak that satan, who prowls about the world, finds thousands of people whom to enter into and possesses/seizes them, flooding their heart and mind with acts of ire and desires for death towards their own siblings, children, parents and family members. This is the cause of you not knowing Me; evil has found fertile soil and spreads its wickedness throughout the whole World, so that man surpasses it, as he has come to surpass it.

Do you know who the traitors are, daughter?

Luz de María:

Those who go against Your Laws.

Christ:

They are those who lead My children to generate conflicts; those who generate disunity; those who promote anger and persecution; those who are indifferent towards the needy; those who threaten and attack against the innocents and the gift of life; those who are bearers to create war between Nations; those who promote enmity and lack of brotherhood with gossip and deceit; those who carry discord with them; those, those are the ones who profane My Temple, they are enemies of My House and allies of evil.

Do you know which ones are My children?

Luz de María:

Those who follow Your Will.

Christ:

They are the ones who fight for harmony, for brotherhood; those who are cause for union and solidarity; those who promote love, peace and brotherhood among the People. Those who, clinging to Me, withstand the pressure of society that mocks them.

Constantly, with his great stinger, the devil causes situations to divide those who are Mine, and those who do not remain firm turning to Me through prayer and putting prayer into practice, and through the meditation of My Path to Calvary, in the sufferings of My Mother, they will waver and fall.

My beloved People:

I am not a God of punishment, but rather a Just God, and My Justice wishes to stop evil, so that more souls are not lost. The Great Purification remains beating over humanity, but after it passes, the Light of My Love will seize souls, and hearts will never harden again, because evil will have been exiled from the Earth, and all will be renewed.

Children, when you find yourselves on the True Path, cling to it; do not let being criticized make you fear. Be perseverant in spiritual habits and you will come to enjoy Eternal Life.

My People, do not listen to the voices of those who have turned away from Me; they will see, with terror and fear, My Justice over all of humanity. You will remain sure that My Protection will not leave you even an instant.

The whispers of war will cease to be whispers, and humanity will enter into its own Calvary.

Volcanoes will emanate their ire against man, and the earth will continue to shake with more regularity.

Brother will not identify himself with his brother, because the devil has poisoned the mind of those who are weak and of those who are lukewarm.

Look to the heavens, you will be astonished before what you see. The sun and the moon will give signs of what approaches.

Beloved, pray for the Philippines -- it will be shaken.

**Beloved, pray for Mexico -- it will suffer and suffer.
Beloved, pray for Japan -- it will be an instrument of division and pain for humanity.**

I love you all with the same Love of a Father for His own.

Your Jesus.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

Let us use technology to remain up to date on all these aspects with which evil is knocking man down to destroy him.

The man of God is the one who follows the Will of God in all its aspects and is cautious because he knows that he is a Temple of the Holy Spirit.

Let us remember that God will ask us: how many good works did you do in life?... Let us arrive with our hands full, not empty.

Amen.

**DIALOGUE BETWEEN OUR LORD JESUS CHRIST
AND HIS BELOVED DAUGHTER LUZ DE MARÍA
DIVINE MERCY SUNDAY
APRIL 27, 2014**

Christ:

My beloved People:

THIS DAY ON WHICH MY CHURCH COMMEMORATES THE FEAST OF DIVINE MERCY, THE DOORS OF MY MERCIFUL HEART REMAIN OPEN WAITING FOR THOSE WHO WISH TO APPROACH TO RECEIVE THE SPECIAL GRACES THAT ARE RELEASED FROM MY WILL.

My Mercy never closes when one of My children comes before Me with a contrite and humbled heart and with a firm intention of amendment.

For more than two thousand years, I have remained turning to humanity, insistently calling without rest...

You seek My Presence in the world and its delights; you will not find it there.

You seek My Presence in the simple things that give happiness and encouragement for a few minutes; you will not find it there.

My beloved, do you know how human beings look for Me?

Luz de María:

I believe that what their eyes see, that is what gives them security; they do not see You.

Christ:

I call the small and simple, the strong, the powerful of the world; I call everyone to forgive them, even those who are most guilty. I do not need men; My Glory and My Kingdom cannot be reduced by any creature. But if it is not through the Cross, you will not reach Me, and men fear My Cross and despise It. Everyone carries a personal cross, if someone abandons it on the way and continues without it, that is a sign that that person does not wish to walk beside Me.

Beloved, do you know if all human beings love Me?

Luz de María:

I would like to respond in the affirmative, Lord, but not all love You.

Christ:

I, AS KING, ASK MY CHILDREN: WHAT HAVE I DONE TO YOU THAT YOU DO NOT LOVE ME?

I know the answer: parents do not speak of Me in the home; in My Temples, one only hears of My Mercy and man grows up thinking that I am a God who is deaf and mute, and so they give themselves over to pleasure without reparations, offending Me without measure, despising My Mercy because they do not wish to amend themselves, and in the other life, they will suffer the power of My Divine Justice, but first they will suffer having scorned Me.

YOU EXPECTED A CALL OF TOTAL COMPLACENCY ..., BUT MY MERCY IS SO INFINITE THAT IN IT IS INCLUDED LEADING YOU ON THE PATH OF TRUTH. WHOEVER DOES NOT CARRY HIS CROSS AND FOLLOW ME IS NOT ON THE SAME PATH AS ME.

It is a day of joy, and then, what will it be?... Everyone will reach their Mount Calvary, and some will pick up the Cross, others will have abandoned it on the way, including those who serve Me on the Altar.

Beloved, will humanity be conscious of Redemption?

Luz de María:

My Lord and My God... how can we possibly hurt you more with a response!

Christ:

I see the Earth and She herself agonizes. I see how man agonizes, I see My Church and I see it is agonizing. So many of My children have abandoned My Cross on the way to give themselves over to what is easy, to those who do not love Me and want to darken My Laws and Precepts.

What My Church suffers is not more than what I suffered, and it is not more than My Suffering...

So many of My children close to My Church for appearance's sake... They make Me suffer more.

So many wrong interpretations of what is not meant to be interpreted but obeyed... makes Me suffer more.

How many denigrate My Church!... And make Me suffer more.

How many will flog Her until She is divided...! That makes Me suffer.

MY CHURCH WILL TRIUMPH, IN THE END IT WILL TRIUMPH; BEFORE THAT THERE WILL BE DIVISION AND THEY WILL MAKE ME SUFFER, FOR MY GREATEST ENEMIES WILL BE WITHIN HER. A separation will be necessary so that you see the evil in your conscience and at the same time, the good you must follow and do.

I call My People to be firm and to not separate, the trials come from men and from the evil that has seized souls, giving them a God that is not I, who will please them with the lowest bestialities .

Nature itself is exhausted and goes against man. I seek repose in those who are Mine, in My faithful, in those who remain carrying My Cross and do not separate themselves from It.

My Mercy seeks man, it calls to him, appeals to him but man comes to meet Me with evil, he prepares wars that will emerge in instants, the Peoples debate in fierce battles that spread throughout the whole world.

The old sufferings of past generations will not be anything other than the prelude to what will come...

MY JUSTICE DOES NOT WAIT ANY LONGER, I NEED TO FIND MAN WHO HIDES FROM ME. MAN DOES NOT DESIRE MY MERCY, WHICH SEEKS HIM UNCEASINGLY AND I DO NOT WANT TO LOSE MY CHILDREN; THEREFORE I COME WITH MY JUSTICE TO RESCUE SOULS.

Man is obstinate, and when I come before him and see his weakness and resistance to Me, I see it is necessary to touch him, yes, to touch him in that which he needs to subsist, until under a punishment, he returns to My Arms. Not so the ones who have protected themselves under the total dominion of evil; these deny against Me and sink more into the mud, turning away from Me. But I come to rescue those who are Mine.

Beloved, do you know how I suffer?

Luz de María:

Yes, my beloved, I know...

Christ:

I grieve for a suffering humanity that does not allow Me to intervene, they have placed a barrier between them and I. I see My Cross set aside by some who do not accept it, My Legions pick it up and kiss it, they walk beside man waiting for the instant in which he will reconsider, return and take it up. But the world offers distractions and silences laments with intoxicating drinks and songs that cloud the mind and bend the spirit towards evil, acting against Me.

I WILL FIND THE MEANS TO ESTABLISH MY KINGDOM ANEW IN THE MIDST OF PEOPLE. MY MERCY WILL NOT FIND WALLS, BUT WILL BE SHED OVER ALL MY CHILDREN WITH JOY,

AND THEY WILL BE MY PEOPLE AND I WILL BE THEIR GOD.

Pray, My beloved, My Mercy solicits prayer for Japan -- the earth will shake.

Pray in My Mercy for Chile.

Pray in My Mercy for the United States -- it will suffer through Nature.

I bless you.

THE ONE WHO TURNS TO MY MERCY FINDS JOY IN ADVANCE. I BLESS YOU.

Your Jesus.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

Divine Mercy, caring for Its children, acts without rest, and perhaps not until we find ourselves before the vicissitudes of life, of death, not until then will it be that man returns to his Lord, cries out and converts.

But let us not wait, let us walk looking straight ahead without hiding and ignoring what is happening and let us recognize the Divine Will and the Divine Truth in the Sacred Scriptures and let us not be like those who do not believe, who unfortunately run after what is not true and only has a light appearance of Truth. Let us not believe that the Commandments were given to illustrate the Sacred Scripture, but were given to be followed with love.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
GIVEN IN ROSARIO, SANTA FE, ARGENTINA
MAY 1, 2014**

Beloved children of My Immaculate Heart:

**I, AS MOTHER OF HUMANITY, AS MOTHER OF EACH ONE OF YOU, WALK ACCOMPANYING YOU IN
LIFE, AND IN THE FALLS I PICK YOU UP AS MOTHER OF LOVE,
IN EACH ONE OF YOU I SEE MY SON,
I LOVE EACH ONE OF YOU WITH ALL MY MATERNAL HEART.**

When I received you at the foot of the Cross, I did not receive just some, rather I received the entire human generation so as to be at once Mother and Teacher. And just as I went from being Mother to being My Son's First Disciple, I want to intercede so that each one of you is a true and faithful disciple of My Son in this instant in which man's thoughts and conscience, by his own will and free will, have ceased to fulfill his mission and he keeps his thoughts and conscience tied to the whims of the enemy of the soul.

**IN THIS INSTANT, I ACCOMPANY YOU MORE THAN IN ANY OTHER INSTANT
SO THAT YOU RETURN TO THE PATH OF TRUTH,
THE ONLY PATH THAT WILL LEAD YOU TO REACH TRUE FULLNESS AND ETERNAL LIFE.**

My beloved, you live in the world, but do not allow what is worldly to invade you and lead you on mistaken paths on which you will only find perdition.

Man's violence in this instant keeps Me, as Mother, with My Heart hurt, and as your Intercessor before My Son, it keeps Me imploring for each one of you.

**THE CONSCIENCE HAS BEEN INVADED BY THE LACK OF CONSCIENCE BECAUSE EVIL HAS SEIZED YOU
SO THAT YOU YOURSELVES FREELY HAND YOURSELVES OVER
INTO THE CLUTCHES OF PERDITION AND PERVERSION.**

The ire in man is injected by evil, but man only look on evil through the devil as such and does not come to reason that the devil as such tempts him and leads him to sin; but in this instant not only does he act, but he maintains all his tentacles in continuous action to attack man not only in his egoism, not only in his "ego", not only through his free will, but through all the means he has in his reach.

My beloved People:

You must know that man's food in this instant is not the same as that of the past and that what you use, are weapons that in this instant remain actively poisoning your body, My children, so that if you do not decline by handing over your free will to evil, you decline through the illnesses provoked in your body through what you ingest.

IT IS MY DUTY AS MOTHER TO NOT ONLY CALL YOU TO PRAYER, TO PENANCE, TO LOVE, TO UNITY, TO FRATERNITY, TO RECEIVE MY SON IN HIS BODY AND BLOOD, TO VISIT HIM CONTINUALLY IN THE TABERNACLE, TO OBEY HIS COMMANDMENTS. But My duty as Mother takes Me beyond that, it leads Me to knock on the door of your conscience, that conscience which has been poisoned and that with My Love I desire to bring the antidote so that it takes up once again the function for which it was created in man and opens the door anew so that My Son enters into the human person.

Economic interests maintain primacy in this instant over man and over the life of man and in the blink of an eye, the collapsed economy will lead man to lose his sanity, for he will feel he is deprived of everything, he will feel his hands empty, but it will be the instant in which My true children take the opportunity to show their works and actions and show My Son their hands full of an abundant harvest of works and actions in favor of life, of love, of neighbor and of fraternity.

My Call today, of this instant, is in favor of all those children of Mine who with great love give themselves to guide and help their brothers and sisters so that they do not forget that where fraternity does not reign, My Son does not reign because True Love does not prevail.

I call you to be humble, not only in word or in appearance, but rather to be truly humble through works and actions, to not fake humility, because the one who does not possess humility cannot bring his brothers and sisters words of humility.

Beloved children of My Immaculate Heart:

**EVERY INSTANT GREATLY MINIMIZES THE INSTANT THAT APPROACHES,
AND THIS MUST BE A REASON FOR YOU TO QUICKEN YOUR PACE AND TO PROPOSE
TO YOURSELVES A RADICAL CHANGE OF LIFE.**

You must be light in the midst of this dense darkness that covers the minds and the hardened heart of the majority of your brothers and sisters; do not desire to accept the destiny of a humanity that fails anew by feeling superior to My Son and by not recognizing Him. This has been one of the reasons for the fall of previous generations and this one repeats anew the same error going against and disobeying My Son.

**YOU DO NOT RECOGNIZE ME AS MOTHER, AND I FORGIVE THAT, BUT RECOGNIZE MY SON: KING OF
KINGS AND LORD OF LORDS; RECOGNIZE HIM IN ALL OF CREATION, RECOGNIZE HIM IN YOUR
BROTHERS AND SISTERS AND EXCEEDINGLY BE PEOPLE WHO REASON AND WHO OBSERVE AND
WHO USE THE GIFT OF INTELLIGENCE TO KNOW HOW TO DISCERN THE SIGNS OF THIS INSTANT,
WHICH ARE NONE OTHER THAN THOSE THAT APPEAR BEFORE THE END OF THIS GENERATION.**

All of Nature trembles and is moved before the indifference and the denial of My children and more before that of those who, calling themselves those who know My Son, who know Theology, who know the "Teos," deny that My Son draws near again and that My Son, as a Just King, gives to each of those who belong to Him what he or she deserves.

Until the last moment, until the last breath of life, man must fight for his salvation. No one is saved until My Son declares him saved, until that person gives the maximum of his commitment and of his battle through his works to make himself worthy of salvation, because man can fall in instants; but you as My children, must rise up in this very instant in which time has run out and My Son separates the wheat from the chaff.

Do not tremble upon seeing the spread of the anger that overtakes man; instead be the positive pole that attracts My Son's love and blessing towards humanity, counteract the negativity of man with love towards My Son and towards your neighbor.

In this instant, I invite you to fervently pray for the Middle East.
I invite you to pray for Russia, which has not been consecrated to My Immaculate Heart and will be a cause for pain to humanity.

I invite you to pray, faithful children of My Immaculate Heart, for all your brothers and sisters who have allowed the enemy to seize their mental faculties, and act against their brothers and sisters, but even more I call you to pray for all My sons who work in the vineyard of My Son and are not true.

Beloved children of My Immaculate Heart:

THIS IS THE INSTANT OF TRUTH, THIS IS THE INSTANT OF THE TRUE CHILDREN, OF THE TRUE WORSHIPERS, OF THE TRUE RECOGNIZERS OF MY SON'S DIVINITY and I, as His First Disciple, invite you to say with Me:

“My Lord and my God I believe in you but increase my faith, for temptation circles humanity, but Your Love overcomes what is insurmountable for man. In you I trust, My Lord.”

Beloved children, be fighters, do not belittle yourselves; you are heirs of the Kingdom. I love you, I bless you.

Mother Mary.

I bless this land, this land especially, this ground upon which My Feet stand in this moment to unite those who are Mine in My Son's Sacred Heart. Receive My Blessing and My Son's Peace.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY.

Brothers and sisters:

An expression which I call an “expression” upon not finding a human word to decipher and reach the height of the Divine Language through which that Living Love in each cell of our physical and spiritual being is able to make vibrate that Motherhood of that Woman who does not end Her Motherhood with Her Divine Son, but rather takes us and keeps us in Her Womb so that as Her children we emanate that love, that zeal, that “let Your will be done that “yes, My Lord”...

That obedience of the Mother of Jesus that binds us to that Cross of glory that is the Divine Love impregnated in Her whom we cannot deny being superior among human beings. So much so that Her Son does not deny Her being the intercessor at the Wedding of Canaan or being the intercessor of humanity at the foot of the Cross. Her to whom Her Son does not refuse anything, neither can we deny Her our willingness to be Soldiers of Divine Love and of Charity, of obedience and of unity.

Brothers and sisters:

**LET US BE HUMBLE SO AS TO BE THAT CLAY IN THE HANDS OF THE DIVINE POTTER
IN THIS URGENT INSTANT.**

**DIALOGUE BETWEEN OUR BLESSED MOTHER
AND HER BELOVED DAUGHTER LUZ DE MARÍA
GIVEN IN BUENOS AIRES
MAY 6, 2014**

Mary Most Holy:

Beloved of My Immaculate Heart:

MY SON WARNS HIS PEOPLE OUT OF LOVE FOR THOSE WHO ARE HIS.

Beloved daughter, I am not a Messenger of the evils that afflict humanity; I call all of you and you do not heed Me, I call you to remain in a state of Grace, working without rest so that you do not present empty hands to My Son.

Luz de María:

Yes, Mother, I know that You are Love, that You do not want Your children to be lost... and You warn them.

Mary Most Holy:

I warn you so that you are not lost with false speculations or alleged guidelines from My Son or from Me.

Children, you have established a diabolical power in the world maintaining what is necessary for the antichrist to continue to sow evil everywhere. He undermines with tricks; being the most perverse, he goes unnoticed before humanity until he is discovered. In this moment, he executes his plan against human beings; like the wind that blows upon the good or the evil, upon good or evil, so the antichrist will surpass those who consciously act and indulge in sin.

Beloved:

**THE INSTANT HAS ARRIVED IN WHICH MAN'S "EGO" IS SO PROFOUND THAT HE DOES NOT THINK
ABOUT HIS BROTHERS AND SISTERS BUT RATHER IN HIMSELF,
ONLY ABOUT HIS PLEASURE. THESE WILL BE VOMITTED BY THE FATHER
IF THEY DO NOT REPENT BEFORE BEING CALLED.**

Evil not only prevails in the vile attitudes about the innocents, but in men themselves, who as in the past, dedicate their life to pleasing themselves. That which humanity has lost and man has pleased, that is called egoism.

Great egoism leads man to massacre himself, then he will do it to his brothers and sisters and his relatives, even to the point that this egoism and the insanity it has produced will lead man to be a scourge for others. It is the instant in which human beings do not recognize themselves, in which personal interests prevail and the conscience has been asphyxiated by a heart of stone.

Beloved, man does not only kill with a weapon, but rather with his hardened conscience and his egoism: an architect of great evils.

Beloved children, man has been transformed into a body of personal interests.

**TO YOU, MY FAITHFUL, WHO AWAIT MY SON, DO NOT DECLINE IN SPIRIT,
TAKE STRENGTH FROM THE SPRING OF TRUE LOVE, WHICH WILL NEVER DRY OUT.
CONTINUE WITHOUT FEAR, YOU KNOW THAT MY SON DOES NOT LEAVE YOUR SIDE,
AND WITH HIM, YOU HAVE EVERYTHING.**

I extend My Hand to you so that you do not fear, I offer it to all those who accept it.

I call those who love My Son, who love His Peace, His Love and His Truth to join forces against the forces of evil that overcome those who are weak.

Beloved children, now is the instant to wake up, remain alert, you well-know that there is an impostor, a person who will come to ally himself with the defenseless, extending himself to all of humanity. This person is a public figure and uses technological media to remain in contact with man's mind.

DO NOT REMAIN INDIFFERENT BEFORE THE EVENTS AND THE SIGNS OF THIS GENERATION.

This antichrist will come to betray My Son's People with a great world power that has been acquired without humanity perceiving it; compromises between countries that are apparently enemies will be a great deception.

Pray, beloved children, pray for the United States and for Syria.

It must be clear to My Son's People that His Divine Kingdom is not of this world and that He will descend from heaven with glory and majesty.

The antichrist has emerged and acts from Earth, from among men, from the earthly powers, political and powerful; he will have power over what is religious and political.

THE INSTANTS ARE NEAR, DO NOT DOUBT IT CHILDREN.

Pray, children, for Israel; war will soon come.

Beloved daughter, preach unity and fraternity, spiritual growth and awareness of what takes place.

**MY SON WANTS PEOPLE WHO ARE AWAKE AND EXPERTS IN HIS LOVE, ACCORDING TO HIS WILL
AND LIVING IN IT.
ONLY THUS WILL MY SON'S PEOPLE BE RESCUED.**

I love you all, I bless you all.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

Thank you God, thank you for Your immense goodness towards me and towards my brothers and sisters.

But man's inconstancy crushes me, the inconstancy of that human being who can affirm living spirituality superiorly, of reaching feelings greater than everyone else and continues to be indifferent to the human being.

We are before the hecatomb of this generation, the Earth does not let itself be stopped in its shaking, we are alerted, but all that reaches our ears comes and goes.

The lack of sincerity that man possesses before himself and before God and the Mother frustrates me, makes me fed up. How much more do we have left to see, and how much more will we carry on our backs looking only inward?

The one who acts is criticized left and right for acting... because he speaks up and raises his voice for those who do not do it... Then they are called: crazy, delirious, New Age, satanic, apocalyptic, and more. But the man with clean hands, without scratches on them, without signs of laboring among wolves, that one, that one is the one pointing fingers, the one who believes he knows more because of a course a university gives about what it calls theology, that one is the one who points fingers, offends and humiliates.

The one who labors day and night, in time and no time, from one place to another, among people who have been instructed in the Signs of the times that no one can deny, or in the midst of those brothers and sisters who have never heard about anything that is happening in the world, the one who traverses lands announcing that the human being is being poisoned with food, with technology, with ill-used science..., that one..., that one is called senseless and apocalyptic.

It hurts my soul, not out of displeasure but out of pain. How many Calls from Heaven to man! How many privileged ones to whom Christ and the Mother speak, hear and keep condemnatory silence..., out of fear! How many hear the cries of the Mother or of the sorrowful Heart of Jesus..., and continue indifferent acting in their whims and disobeying, without being interested in those Divine Voices, that perhaps out of human will they will some day cease to hear!

We want to make the God of Patience be patient in the midst of the stormy evils that are born from the heart of the man of this generation. The youth, crazed by the great commotion of the idols that call satan king of the earth, kill with their hand and heart everything that signifies God.

Whoever says that Christ is not among us, is lying, is a liar and is against the Divine Word. Whoever tells humanity that Christ does not see present-day man and suffer because of it, denies the Sacred Scriptures, because "JESUS CHRIST IS THE SAME YESTERDAY AND TODAY AND FOREVER" (Heb. 13:8).

The man of today is an old man because he has lived in an accelerated way, thinking about not receiving what he has gestated. Mistaken man, nature itself, by Divine Order, will shake and will plague the one who believes himself to be superior to God with calamities.

Little by little, the Signs of the Times are seen, and this one especially. Those who cease to believe because what has been announced is not totally fulfilled, will cry out for mercy in the instant of the tribulation. The one with deviated intentions who gives false interpretations to what Heaven says to man, that one will fall silent and feel himself go mute seeing what has been announced fulfilled.

Everyone, believers and nonbelievers, see united the Holy Wrath of a God of whom it has even been demanded he not exercise His Justice...

Man relapses time and time again into gossip, without recognizing that it is a weapon of satan that debases man to achieve satan's task: destroying the children of God.

We are children of the same Father and as such, we have the duty of cooperating with one another and not destroying each other, cooperating and not consenting to the pain of the innocents, of not setting the sinner aside but of rejoicing over the one who repents.

Catastrophes are coming upon the earth, there are catastrophes upon the earth, and they are necessary, painful but necessary, for as the Divine Doctor, the great lord and owner of life, he exercises the great operation to pull in one cut the cancer that invades His Mystic Body; humanity is an oven burning in sin..., or in evil actions, however you want to call it. Only the one who walks consciously towards that fire to find purification, only that one will see, how the water separates from the oil, how the sheep is separated from the wolf, how those who gossip are thrown out, and those who kill die in the same iron of the fire their weapons forged, and those who kill with their tongue, will suffer if they do not repent.

And citing what Christ says through Saint Paul in the Letter to the Romans (Rom. 8:18), "our present sufferings are not worth comparing with the glory that will be revealed in us."

The earth shakes and man still says: where are the messengers, the prophecies are not fulfilled? And the world is going up in flames and they do not see it...

God acts with justice, and for men who act against goodness the instant will arrive in which God takes away their earthly power, and then they will see themselves as they are: men of flesh and bone... nothing more... Perhaps they will run in search of hearing the soul, the spirit, God... May it be so.

I desire man's freedom, the freedom of the man who loves his God, of the man who recognizes the Supreme Being; I desire the freedom of a humanity animated by the spiritual and shining like the sun, in the midst of the goodness of Heaven.

But this, in this instant is far off, at least far from those of us who remain on Earth, in the midst of wars and not necessarily armed wars, but rather spiritual ones between brothers and sisters, which are the ones that feed satan's body.

Seriously reflect. We do not live fantasies but realities and plead with God that it not come to your door, to your family, to your life, a lament of the kind that rends the heart, when man, ceasing to be man and transforming into his base instincts, snatches away what is most precious in your life.

Let us pray and act.

Luz de María

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
MAY 11, 2014**

My beloved People:

WITH THE SAME CONSTANCY OF THE ONE WHO FIRMLY BELIEVES IN HIS GOD, SO MY CHILDREN ARE THOSE WHO WILL CONTINUE UNDER THE MERCILESS SUN OF THE ANGER OF YOUR BROTHERS AND SISTERS AND OF NATURE'S ATTACKS.

Man, contaminated by himself and what surrounds him, will not resist the constant invasion of the elements created by the man of science. Waves spread with the air attacking and causing man's attitudes to be uncontrolled, with the end of making him less human, alienating his senses and feelings so that they do not fuse with Me. Man himself has proposed his own self-destruction. Thus his feelings and his faith will be able to negatively influence the awareness that every one is a child of Mine, filled from the beginning, with the Love of My Holy Spirit.

My People do not know all of the harsh reality, and the Truth is hidden with evil ends.

Beloved, those of My Announcements in which I warned you about how you would come to be only a number, have arrived. As overpopulated, they will reduce you by the will of the powerful who lead the world.

Man lives and will live without seeing beyond, being superficial and physical in every aspect of his life. Without My Spirit illuminating man, he remains lacking in Wisdom. He walks perceiving only what his five senses allow him, this determines the awareness each one of you maintains over the instant in which you live.

I DO NOT WANT A PEOPLE MADE UP OF GREAT SCHOLARS, RATHER OF SIMPLE SOULS WHO LOVE ME, WHO THIRST FOR KNOWLEDGE AND ARE CONSCIOUS OF HOW SCIENCE MANIPULATES HUMAN BEHAVIOR.

My Church was not alerted by the hierarchy, and in this instant it walks ignorant of the Signs of the Times..., in this instant of instants.

The one who turns to Me seeking My Light, will find it; those who, in the dark of their obstinacy deny My Word, deny also the history of humanity. As in the past, they continue to deny what is coming, until the blazing fire touches them; not until that instant will they know they have denied My Word, that they have not believed in Me and turned away from My Truth.

Pray, My beloved, for Syria: it will be destroyed in its ambition for power.

My children do not walk in the Truth nor do they desire My Truth. My Creation lives according to My Will, and She will be the executive arm of My Justice. .

Pray for the United States, it will be scourged by Nature.

MY CHURCH WILL BE TROUBLED, DIVIDED, BUT IT WILL NOT BE DEFEATED.

My beloved People, My enemies are overly abundant, calm does not remain in their hearts, they do not know My Love; the most intimate fibers of the human heart hardened and will harden even more. So many vermin prevent you from trusting in My Word and embracing it! Vile passions accomplish more than a Word of Mine...

WOE TO THE ONE WHO DENIES MY WORD, HE WILL DENY MY REDEMPTION!

You, beloved children, do not turn away from Me, for My Justice comes soon and I come to collect the harvest. Beloved, your Guardian Angels fight against the demons that do not prowl around, but that have entered into man's heart.

I KNOW WELL THAT THIS MY WORD IS A SPEAR FOR SOME, IT HURTS YOU; BY LIVING IN YOUR COMFORTS, YOU DO NOT WANT TO WAIT FOR ME DULY PREPARED TO FACE MY JUSTICE.

"Not all who say, Lord, Lord! Will enter the Kingdom of Heaven:"

Nor all who believe they serve Me...,

Nor the chosen one who does not carry out My Will...,

Nor the one in whom My Love does not dwell...,

Nor the one who causes division...,

Nor the one who looks at Me from afar...,

Nor the one who uses power against My Children and especially against the weak.

The one who shakes humanity with lies will not be My son.

My beloved:

THE EAGLE⁶ THAT SHOWS ITS PRIDE RIDING THE HEIGHTS, SEES ALL THAT MOVES ON EARTH AND INJURES SO ITS PREY DO NOT ESCAPE ITS TALONS, I WILL CUT ITS TALONS.

Beloved:

**THE BEAR⁷ MOVES HAUGHTILY AND WITH ITS GREAT POWER TRIES TO INTIMIDATE ALL THAT IS ABLE TO MOVE AND APPROACHES ITS PREY WITH APPARENT SWEETNESS;
BUT I WILL REDUCE ITS STRENGTH IN THE PRECISE INSTANT.**

I AM WHO AM!

Pray, My beloved, pray; communism spreads like water in the rivers when it rains and the flow is impetuous.
My People, I do not distance Myself from My faithful; My Covenant with My faithful demands it.
My Mother goes hurriedly to the souls thirsty for My Love and Her Maternity.
I bless you, I love you.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Each and every one of us are makers of the future we already live. We are used to thinking about the future as something that will arrive. I speak to you of the future, announcing to you that the future is the now of the instant we live. Let us give the future that is the present to the Sacrosanct Trinity, but surrendering our will, let us not silence our conscience and not only be messengers of peace, but be active peace and active love that our beloved Lord Jesus Christ asks us to be.

**LET US NOT REST, LET US ACT, EVEN IF WE ARE MISUNDERSTOOD AND REJECTED; LET US NOT LOSE HEART,
FOR AT THE END OF ENDS, DIVINE LOVE WILL REIGN IN EVERY HUMAN BEING.**

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARÍA MAY 16, 2014

Beloved children of My Immaculate Heart:

**I BLESS YOU WITH MY LOVE, I BLESS YOU WITH MY MATERNITY, I BLESS EVERY STEP YOU TAKE,
I BLESS EACH ONE OF YOUR THOUGHTS.**

My beloved children:

Everything that exists, existed and will exist was created by the Father's Hand: Nature in its entirety, to be man's pride and subsistence; the Animal Kingdom to both accompany man and help him not only to subsist, but to adorn the Father's Creation; the Mineral Kingdom, so that within it, man would be astonished at the magnificence and the beauty with which the Father adorned him.

IN THIS INSTANT, I CALL YOU TO REMAIN TOTALLY AWARE THAT ALL THAT EXISTS HAS COME FORTH FROM THE HAND OF THE FATHER FOR THE GOOD OF MAN, AND THAT MAN HAS BEEN THE ONE WHO HAS DEFORMED THAT DIVINE CREATION.

Remain alert, for ideologic tendencies and false ideologies, especially religious ones, wish to confuse My children, and they are achieving it.

Nature was created by the Father to be loved, admired and respected by man, likewise all the Kingdoms. So do not be confused by those irreverent and false excuses and accusations of some people who have taken the Heavenly Father's Creation to attribute it to ideologies contrary to the Divine Spirit. I am specifically referring to all those who belong to that so called New Age and who have appropriated the Heavenly Father's Creation and with that accuse and signal out those who, doing and obeying My Son's Will, seek the wellbeing of Creation so as to give back to the Father that love with which He gifted man with everything necessary for his survival on the Planet.

HAVE IT FOR CERTAIN THAT WHAT EXISTS DOES NOT BELONG TO ANY FALSE IDEOLOGY; IT BELONGS TO GOD THE FATHER FOR THE GOOD OF MAN, AND IT IS MAN'S DUTY AND OBLIGATION TO PROTECT ALL, ALL OF CREATION.

**PROCLAIM FREELY THE DEFENSE OF CREATION
BECAUSE THAT IS THE FATHER'S WILL, FOR WHOEVER DOES NOT DEFEND CREATION,
DOES NOT DEFEND WHAT IS MOST SACRED, WHICH IS THE HUMAN BEING.**

My beloved People, it is not enough that you refer to yourselves as being conscious of the events that take place among humanity in this instant and are leading you to the precipice without any hindrance and rather quickly. You who call yourselves My children must not only be conscious of the instant humanity lives, but conscious that each one of you must be the reflection of My Son's actions and works, and thus be people of peace, of love, of concord, of humility and also of truth. The truth entails proclaiming, like My Son and His disciples, precisely that: true Love. True Love does not hide the defects that lead your brothers and sisters to fall into the precipice where satan awaits his spoils. TRUE LOVE IS THE ONE THAT CARRIES OUT, WORKS AND FULFILLS MY SON'S WILL, AND IT IS THIS: SAVING TO GREATEST POSSIBLE NUMBER OF SOULS.

(In this instant the Mother is presenting to me a great battle, a great war that will break out soon. She shows me the calendar and its pages flip quickly marking the months, and I see a quantity of innocent people suffering because of it. And She is showing me a quantity of demonic beings totally deformed, taking possession of soldiers, because I see them with weapons and killing all those who cross their path: nursing infants and their mothers, pregnant mothers, children, adults and young people who do not wish to participate in that war.)

My beloved People, you continue as if what I have announced will not happen for a long time, and you have forgotten that time is not time and it does not exist, rather it is an instant in My Son's Hands and everything can take place in a single instant without you even noticing it.

I call you not to cling to what is earthly but to cling to My Son who is "the Way, the Truth and the Life."

**CONTINUALLY PLACE YOUR HOMES AND YOUR FAMILIES BEFORE OUR SACRED HEARTS,
THE ONLY REFUGE FOR YOU TO ATTAIN STRENGTH, NOT ONLY SPIRITUAL,
BUT STRENGTH IN YOUR CONSCIENCE, IN YOUR THOUGHTS, IN YOUR MIND
AND IN YOUR HEART SO AS NOT TO DECLINE.**

Great events are gestating at the level of conflicts between the Superpowers.

I invite you, in this instant, to pray for Russia.

I invite you to pray for China.

Do not set aside the United States in your prayers.

You well know that the Earth that has cradled you as a Mother has aged with humanity's continuous sinning and She wants to be renewed.

Remain attentive, for communism already advanced, already covered and already took the unwary from where it will be able to attack those it takes as its target.

**BE MESSENGERS OF MY LOVE AND BE CONSCIOUS THAT THE ONE WHO DOES NOT OBEY HIS
FATHER, EVEN THOUGH HIS FATHER IS MERCIFUL,
IS PULLED OUT LIKE CHAFF SO THAT HE DOES NOT DAMAGE THE WHEAT.**

The one who calls himself My Son, the one who calls himself a Christian, must not think that because of that he has attained salvation; on the contrary, he has a greater obligation than in another instant because this is the definitive instant where the development of all the Prophecies initiated and in this instant is being brought to fulfillment; just await, but the light of My Son shining in your hearts will make you understand that the battle against the very same human ego and the battle for obedience is what will give you the blessing of living in the Promised Land.

Remain united; all those who are My children, all those who are children of My Divine Son, remain united, for in the instant in which you separate, in that instant you will no longer be prey nor bait but the spoil of satan and his followers.

**I DO NOT WANT LUKEWARM CHILDREN WHO HEAR MY WORD AND FORGET IT IMMEDIATELY
BECAUSE THEY WILL CEASE LISTENING TO ME; THE ONLY ONES WHO WILL HEAR ME WILL BE THOSE
WHO SAY WITH ME: "YOUR WILL BE DONE ON EARTH AS IT IS IN HEAVEN."**

Do not forget that the wheat can be confused; because not by being wheat is it exempt from being invaded by chaff, but the executors angels will come in moments and in one cut they will pull out the chaff that wishes to contaminate the wheat.

**UNITE LIKE MY SON AND I UNITE OUR HEARTS,
SO THAT YOU RECEIVE COMFORT AND ARE NOT DEFEATED.**

**AND YOU WHO HEAR THIS WORD, BY DIVINE ORDER I REMIND YOU THAT ONLY THOSE WITH A
HEART OF FLESH WILL BE ABLE TO UNDERSTAND THE GREATNESS OF THESE CALLS.**

Remain in My Love and may My Son's Peace totally invade the being of each one of you.

Mother Mary.

**DIALOGUE BETWEEN OUR LORD JESUS CHRIST
AND HIS BELOVED DAUGHTER LUZ DE MARÍA
MAY 18, 2014**

Christ:

My beloved People:

**MY WORDS ARE THE SAME YESTERDAY, TODAY AND ALWAYS. MY LAW IS THE SAME YESTERDAY,
TODAY AND ALWAYS.**

My beloved, I call you to not excuse yourselves from your mistakes; be more demanding with yourselves. I defend you continually, without rest.

Beloved, how many of those who are Mine do you believe invoke Me and remain permanently in My Will?

Luz de María:

I do not know, beloved Lord, I do not know... although it is my wish that it is millions of souls.

Christ:

As the end of this generation approaches, it is written that those who are Mine will forget Me, giving priority to false idols that will lead them to drown in the depths of the greatest horrors man can commit.

It is so few souls that do not forget Me and remain living in My Will with their lamps filled with the best oil to be the light for their brothers and sisters...!

Do you know daughter, how it makes My Heart grieve to know how far the dehumanization of man will reach?

Luz de María:

I do not know, My Lord.

Christ:

Man will be supplanted by evil spirits, great scourges will come for humanity, human minds, troubled by evil, desiring the death of all they see with life, will make of the Earth a desert field of horror and without life. These are ignorant of the fact that the souls of those who are sacrificed for My Cause, ALREADY enjoy Eternal Life. THE WICKED STEAL THE BODY BUT NOT THE SOUL OF THE INNOCENT.

Beloved, My Mystic Body will suffer; My Cross will not be withdrawn until It is transformed into a Cross of Love and Freedom, that Cross I came to bring man and that man did not welcome.

My Church will suffer confusion; these are instants of pain and incomprehension, of complacency with sin and deviation, these are the instants of the unawareness of My Real and True Presence on the Altar. How many consecrated ones ignore it, not living fully the Mystery of My Love in the Transubstantiation!

MODERNISMS DO NOT SATISFY MY WILL, THEY CHALLENGE IT.

My Church rushes towards great provocations and confusions. THE DEFEAT WILL BE OF EVIL, IT WILL NOT COME TO PREVAIL OVER MY CHURCH.

Demons move in the midst of humanity, and humanity, contaminates those who are Mine through anger and violence, through discord and incomprehension. The strength of evil resides in the division of those who are Mine.

Great throngs of people will approach those who are faithful to Me to divide them. Wolves with sheep's clothing abound, and My children must remain vigilant in this aspect.

Do you know how I see some who go to hear My Word and go away bursting forth in offenses towards Me?

Luz de María:
Yes, my Beloved, I know...

Christ:
Those with perversity in their soul will arrive in My courts to hear My Calls so as to deform them mercilessly; actually they will come with the end of driving away those who seek Me.

False ideologies abound everywhere, urging people to not love My Word or My Precepts. Debauchery reigns among humanity, and humanity is not able to stop it; Unbridled, debauchery goes against innocence and love. **THOSE WHO FOLLOW ME WILL SUFFER, BUT THEY ARE NOT ALONE, THEY ARE NOT ALONE.**

My beloved, be foreseers, war is not a simulation but the reality of man's nightmare. Remain united to My Heart and that of My Mother.

Beloved, pray for China, it will lead humanity to suffer.
Pray for Japan, its land will be severely shaken.
Pray for Chile, it will suffer.

**THE COMING INSTANTS ARE THOSE THAT HAVE BEEN ANNOUNCED;
SEE THE SIGNS THAT I PRESENT TO YOU, LOOK TO THE HEAVENS, LOOK AT ME.**

While evil prepares and savors its spoils, My instruments must remain strong, attentive to My Will and transmit it without fear. My Truth alerts the humanity ignorant of this instant.

I WILL SEND SOMEONE WHO WILL CARRY MY WORD IN HIS MOUTH AND WILL NOT BE ABLE TO BE CONFUSED WITH EVIL, FOR MY WILL SHALL DWELL IN HIM.

My Church will not be left helpless in the hands of those who wish to extinguish every trace of My Sacrifice. It will not be a voice in the desert of the world, but a voice in the desert of the hearts of men. Do not forget that even the grains of sand are removed by the wind, so also with men; they will be moved from their inner depths until they recognize Me.

My beloved People:

**THE INSTANT IS A BREATH FROM MY MOUTH, A BREATH OF MINE.
DO NOT STOP, DO NOT STOP, BE TIRELESS.
I DO NOT ABANDON MY PEOPLE. I AM YOUR GOD.**

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

The wind removes the sand and is able to make it advance incredible distances, and in that advancing, some grains fall and uniting with others, begin to form new beaches. Just so, men must not be missionaries only in their land, not only in what they believe is their field of action. God's goodness expands in man so that he is an instrument of God's Love and God's Peace. In this instant especially, we are called to awaken our consciences that ignore all that moves around humanity. Lamentably, those who suffer most are the children.

Will it be this man who reclaims all of the Divine Mercy feeling he deserves it?
Will it be this man who exacts himself when he talks back as a human being and citizen of the Universe?
Will it be this man who nailed the Divine Hands of Christ on the Cross?

It is this man deformed by the false antidote of love, by his egoism and his arrogance, who in seconds will make what God created for the blessing of man himself disappear.

Let us not be depleted; let us turn to our Christ and to our Mother and transform our life into a permanent Tabernacle where Christ is constantly adored in spirit and truth. Let us adore Him without rest even in the hours of rest. Let us receive Him in the Eucharist. Food of the Angels.

Let us be one in the Divine Trinitarian Love.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
MAY 19, 2014**

My beloved People:

**MY CHILDREN RECEIVE THE BLESSING FROM MY HOUSE IN EVERY ACTION OR WORK IMPREGNATED
BY LOVE TOWARDS ME. MAN HAS FORGOTTEN THAT THE PRINCIPAL INGREDIENT OF THE ONE
WHO IS MY CHILD, IS MY LOVE.**

Continuing with a heart of stone, the person drives away instant to instant, the gentleness and kindness that those who are Mine must possess to bear fruits in abundance. Human miseries contaminate the dryness and weakness of thoughts and reasoning, seeing in the darkness of sin, false hope, motivated by the inability of choice and by the habit of following the masses.

**THE ILL-USE OF REASON HAS COME TO BE A HABIT,
SETTING ASIDE ITS TRUE AND STRAIGHT FUNCTION;
AS A CONSEQUENCE, MAN SEES WHAT IS NOT REALITY AS REALITY AND FALSEHOOD AS HOPE.**

Woe to the proud man who does not look at himself and who remains walking in his own arrogance! He does not walk, but drags himself. Due to this fragility transformed into ignorance, men do not see that this instant is not like others, but is rather the decisive instant.

HUMAN SECURITY IS SUPPORTED IN MONEY, AND MONEY WILL IMMINENTLY FALL, WITH NOTHING TO STOP IT. I will make the money god fall, the money god in whom men have placed their faith, reaching even the Hierarchy of My Church. I am not a God of luxuries, nor of gold; I am the Poor One of Nazareth who carried the Cross of all men, containing in It the miseries of the giving up of the poverty of those who serve Me on the Altar, of those who in these instants, must defend My People.

**THE EARTH WILL SHAKE IN THE FACE OF SO MANY ACTS CONTRARY TO ME,
AND EVEN SO, YOU WILL NOT REMEMBER ME.**

Unbridled madness has driven man to take over demonic acts and realize them, while demons happily enjoy human acts contaminated by evil.

The air will run with dust that will leave man without skin, and the great powerful people in their caves will believe themselves to not be contaminated, ignoring the power of what they themselves have created. Poor humanity, how much you will suffer!

CHILDREN, KEEP MY LOVE PRESENT, ALIVE AND BEATING IN THE WAITING THAT DOES NOT DESPAIR, WITH THE ASSURANCE OF MY HELP. I will send My Word in the mouth of My Son Child so that you understand that My Word does not change and whoever changes it, is acting against My Will.

Pray beloved, for Mexico; it will be greatly scourged by land.

Pray, My beloved; pray for Panama, it will be shaken.

Pray for Costa Rica, it will suffer greatly.

These are the instants, you must not wait for others.

**I DO NOT ABANDON MY PEOPLE, NOR THE ONE WHO SUFFERS BECAUSE OF ME,
NOR THE ONE WHO PREACHES MY WORD WITH COURAGE.**

I CHOOSE MY INSTRUMENTS AND REVEAL MY WORD TO THEM,
NOT SO THEY KEEP IT IN SILENCE, BUT SO THEY WARN THEIR BROTHERS AND SISTERS.

The new dawn will arrive, and My children will be My People in Spirit and Truth.

I bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

The stage on which humanity finds itself is not encouraging, as is expected for a humanity seduced and given over to evil...

Christ's plan has been for the Church to be like Him, IN EVERYTHING: in suffering and living a true, sorrowful and redemptive Passion in likeness of its Teacher.

But let us not fear, if we remain faithful, we will be lifted up from among the putrefaction of the mundane, by the Hand of the Divine Bridegroom.

**LET US NOT REJECT THE WARNINGS HEAVEN SENDS US, LET US BE THOSE WHO ALERT THEIR
BROTHERS AND SISTERS.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
MAY 21, 2014**

My beloved People, I bless you:

**MY HAND REMAINS OVER YOU EVERY INSTANT, DO NOT STUMBLE,
CONTINUE BEING STRONG IN MY TRUTH.**

In this instant in which pacts of peace and alliance gestate, My Word is fulfilled; it is when you are most near to the outcome of all My Announcements and those of My Mother.

We take you by the hand, guiding you so you do not deviate or allow falsehood to fall upon you so that you continue to live in a false peace.

**ALL THOSE WHO RULE THE PEOPLES, THOSE WHO DIRECT INSTITUTIONS,
THOSE SCIENTISTS WHO HIDE THE TRUTH AND EVEN MY CHURCH,
KEEP YOU UNDER LIES AND UNDER DARKNESS.**

My Truth is not totally revealed, this is why I am directing My People through My faithful Instruments so that lies and falsehoods do not lead you to believe that you remain abiding by My Wishes and My Will.

MY LAW IS ONE AND IT IS WRITTEN, AND IT CANNOT AND MUST NOT BE TRANSFORMED AT THE CONVENIENCE OF HUMAN BEINGS, that is why My Flock is so small... My Word is misrepresented to accommodate the falsehood with which the man of this instant walks.

**I INVITE YOU TO WALK UNDER MY TRUTH, TO BE TRUE, TO NOT WAVER, TO REMAIN ATTENTIVE TO
EVERY WORD AND EVERY LETTER OF THE PRONOUNCEMENTS THAT COME TO YOU, FOR THESE
IMPLICITLY CARRY IN THEIR ESSENCE EVERYTHING CONTRARY TO MY WILL.**

Arm yourselves with valor, with the valor of My Holy Spirit so that those who have agreed with satan from yesteryear, in this instant do not involve you and do not bring or guide you to form part of his spoils.

**LIES REIGN AMONG HUMANITY, THEY REIGN THROUGH THOSE WHO MAINTAIN EARTHLY POWER,
BUT I COME SOON TO RESCUE MY PEOPLE.**

**THESE ARE DIFFICULT INSTANTS IN WHICH MY TRUE CHILDREN FIND A STUMBLING BLOCK WITH
EACH STEP THEY TAKE, BUT DO NOT FALTER,
FOR I WILL SOON COME TO MEET MY PEOPLE.**

Do not fear, I do not abandon you, on the contrary, with joy I look upon the instant we will see each other face to face.

Pray, My beloved People, for the United States; its leader has signed false alliances.

Pray, My beloved People, for My children of Venezuela who are flogged constantly under the scourge of communism.

My beloved People:

**DO NOT ALLOW LIES TO LEAD YOU TO FALSE ILLUSIONS, RATHER ON THE CONTRARY,
SEE THAT BEHIND EACH INTERNATIONAL PRONOUNCEMENT
IS THE FULFILLMENT OF WHAT I HAVE ANNOUNCED TO YOU.**

I bless you, continue in My Love, continue to be True, continue to be Christ-centered.

My Peace be in each one of you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Let us meditate: Proverbs 28: 4-5:

“Those who abandon the Law
Praise the wicked one,
Those who keep it are indignant against him.
The wicked do not understand what is just,
Those who seek the Lord understand it all.”

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
MAY 27, 2014**

My Beloved children:

MY PEOPLE: WHAT HAVE YOU BEEN UP TO? WHERE ARE YOU?

Immediately Christ gives me this Vision:

He shows me His blood stained Cross and tells me:

“I offered it to My Children, and they have not desire it, they returned it to me...”

Christ asks me to help Him bear the Cross. I was able to hold it only a little while, since Christ did not let go of it. I saw drops of blood come out of the wood of the Cross, and the Cross was cracking deeply. Through the cracks, I heard human voices that implored asking for solace; I was amazed. In silence I continued to walk beside Christ, with my hands on the Cross.

He said to me:

“Don’t look down, look to your right.”

There was a big structure, very high and Christ told me:

“Let’s go towards that Temple.”

At that moment I realized that it was a Church, and I follow the Lord; but a few yards before reaching the building, this was collapsing totally.

Then Christ told me:

“My Beloved, see how fractured My Church is ... This My Cross I continue to carry for all My children that disobey Me and they crucify Me instant by instant.”

I saw some human creatures that shouted to Christ for Him to stay away. Christ stopped and said to me:

“Look how they crucify Me, My own children, they do not desire me in My own House, I make them feel uncomfortable with the licentiousness in which humanity lives.”

Afterwards, motionless before such a scene, Jesus continued to say to me:

My Beloved:

Look how My Church collapses; My Word is no longer Law, My People do not prepare to live in Me, My Presence is neglected in the Eucharist, they do not adore Me appropriately, My children do not pray and because of it they get lost; souls are not guided who do not pray, neither those who do not practice My Law, My Love and My Charity. My Love is prayer and action in favor of everyone, an awakening to those who sleep. A man without Law is a man at the edge of the cliff, in the darkness, in a false freedom that does not welcome but leads to liberalism of the mundane sin.

Do you know how they love me now?

Luz de María:

I wouldn’t know, Lord.

Christ:

They visit me on Sunday, and the rest of the week... they trample Me: when they deny help to their neighbor, when they forget the sick and those in need, when they keep silent of the abuses of power. They trample me, terminating the life of a human being, attacking the innocents like savage beasts, attacking each other without any consideration, altering Nature to cause damage to populations from one instant to the next, making My children sick through the food, transporting nuclear energy to the poor countries to create allies based on the evil spirit.

My Beloved, humanity makes My Heart bleed, and bleeds...

Luz de María:

Yes, my Supreme Being, I know.

Christ:

My own Church will cut the help that it receives from My Mother, they don't need anything, they provide for themselves. They live without living, they exist day by day. Sin is the custom and the custom leads to habit.

My true Instruments transmit My Word while others struggle like ferocious wolves and launch themselves against My faithful, seeking to discredit My Calls to humanity. **THIS IS NOT ME ..., I AM PEACE, TRUTH AND LOVE.** None have the first place, only those who work and act in My Will, not the one who attacks, that one does not give testimony of My Word.

Soon the instant in which the Earth will not stop; as man becomes more and more aggressive, its own conscience will lead him to keep his thoughts and his evil desires towards greater needs, when the Earth will shake with force.

My Beloved ones:

I invite you to pray for Russia, the earth shakes.
Pray for Chile, it will suffer again.

My Beloved, man feeds anger, not love in his heart.

Luz de María:

Yes, my Lord, anger poisons the senses and deadens feelings.

Christ:

Humanity has been poisoned by technology, by the bad instructions in all the aspects; My Institution is lenient, wins supporters, not faithful people.

When man runs without someone to guide him; he allows the sea of senses to be confused, destroying everything in its path. The soul is imprisoned and the spirit grieves before the abuses of those who act, they forget that I will measure the acts with the same measurement with which each one has measured his own actions.

Those who say they love Me devour among themselves; they get together and say they pray in My Name, forgetting the First Commandment. Like hungry wolves, they launched themselves against their brothers, invaded by hatred and envy, seeking the first places. He who wants to be first, will be last.

Pray for My Church, it will suffer division. My Church will shake.

**I CONTINUE TO CARRY MY CROSS, GETTING CLOSER EACH TIME TO ALL HUMANITY.
MY JUSTICE IS LOVE, AND WITH MY LOVE I WILL TAKE CARE OF THOSE WHO HAVE ABUSED
MY PATIENCE AND MY MERCY.**

I bless the faithful, those who preach My Word with the Truth, who evangelize without rest, those who act in goodness and illuminate as the Sun of My Will. I bless you.

Your Jesus.

COMMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

Christ calls to the conscience of each one of His children:

Man, as The Lord says, wants to reach God by the easy path. We should rise like the eagle; when the wind blows strongly and transforms into a storm, they fly higher, because they know that in the heights the storm will not touch them.

The enemy of the soul moves rapidly, it arouses thoughts in man to fight against each other.

God remains with us and He tells us: "I will not leave you, nor abandon you..." But our battle is against our own selfishness, and we should remain thus, to listen to the Word of Our Savior.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
GIVEN AT THE SHRINE OF VIRGIN OF GUADALUPE, D.F. MEXICO
JUNE 4, 2014**

Beloved children:

**I BLESS YOU. HERE FROM THE HILL OF TEPEYAC WHERE I DWELL AS EMPRESS OF THE AMERICAS,
I BLESS YOU CONSTANTLY SO THE HEART OF ALL MEN BE OBEDIENT TO
THE WILL OF THE ETERNAL FATHER.**

I call the meek and humble, those who remain in Unity and in Truth, they who continue preaching with their testimony, I call to them My children who abide by the Commandments.

Man must look at the Signs of this instant; they are the fulfillment of what is written. Those who do not wish to look at the Signs of this instant, is the one who remains in the desert, exposed to the inclemency of all the predators, as the sands in the desert, the same wind and the same harsh sun that leads them to fall in the face of such burden.

**THE MAN WHO DOES NOT WISH TO EXPAND HIS CONSCIENCE IS LIKE THE ONE IN THE DESERT,
EXPOSING HIMSELF TO EVERYTHING THE SPIRITUAL PREDATOR WILL BRING UPON HIM.**

The Love of My Son has been and will remain present upon His people. His Love is infinite but His Justice is also infinite. At Calvary My Son forgave the one who recognized Him and who repented of his sins, and thus the Gates of Paradise were opened to him; but the one who mocked Him and did not ask forgiveness, to him the Gates of Paradise were not opened, and was sent to perish in its own sin.

This irrational generation has not been able to understand the magnitude of sin; sin obstructs all the blessings from the House of My Son and impedes a good harvest.

The chaff spreads among the wheat and because of that it wouldn't be fair for the farmer to allow the chaff to spread and destroy the wheat, thus the reason that the Justice of My Son will come to this generation.

Woe to those who do not look!
Woe to those who do not listen!
Woe to those who deny the Omnipotence of My Son!

Humanity possesses instances of the Divine Wrath and they cannot deny it, since it would be like denying oxygen to the body and it continues to live. To be aware immediately after the action in concordance to the action and work of My Son, is of the brave, is of heroes.

This generation is being attacked constantly by all the advances that it possesses in this instant, it must remain firm for it not to give in to the indiscriminate attacks and in the presence of the array of false ideologies that they are constantly bombarded with.

**IT IS NATURAL FOR THOSE WHO LOVE MY SON IN SPIRIT AND IN TRUTH THE FULLNESS OF THE HOLY SPIRIT,
THE DISCERNMENT AND THE INEXHAUSTABLE LOVE.
MAN IS ACTIVELY THE TEMPLE AND TABERNACLE OF THE HOLY SPIRIT AS LONG THAT
HE REMAINS IN THE STATE OF GRACE.**

Sin, more than the word sin, is the destruction and the separation of man distant from the Paternal House. It is precisely in this separation where the Church of My Son will be divided and will be weak and will fall in the hands of the infernal enemy.

My Beloved:

Sin has existed throughout the history of humanity but no other instant has surpassed or will surpass the degree of sin living today. **THAT IS WHY I CALL YOU CONSTANTLY TO BE STRICT WITH YOURSELF SO YOU WON'T BE PERMISSIBLE WITH THE ME HUMAN, WITH SELFISHNESS AND WITH VIOLENCE** that will lead you to act against each other and to sin against the Holy Spirit with that unforgivable sin; he who sins against the Holy Spirit does not attain forgiveness.

My Son suffered and still suffers for the errors of this generation, errors like the relentless storm advances controlling the ignorant, defeating the weak and taking the lukewarm to be vomited by the Mouth of the Father.

Beloved children, do not forget that the war is conceived with economic purposes, and in this instant you must keep away from the mundane, away from that that will make you perish; and be obedient to the Mandates of My Son. Be the ones that will remain in the Divine Will helping those who do not know that My Son lives and still suffers by the bad actions and the bad deeds of man.

From the bowels of the Earth fire will appear.

Pray for Italy, the fury of the volcanoes will shake this My beloved land.

Pray for Mexico, it will be shaken and at the same time it will suffer from the fury of the volcanoes.

Pray for Chile, My beloved ones, it will be shaken.

All hearts will be shaken, every creature that denies My Son, since they will surrender onto the hands of those who walk amidst humanity secretly under the protection of the force of the economy of the powerful.

**DO NOT FEAR MY BELOVED, THAT FROM THE HILL OF TEPEYAC, I WILL BRING TO EACH ONE OF YOU
THE NECESSARY RELIEF SO YOU WON'T SUCCUMB AND NOT BE DEFEATED BY EVIL,
AS LONG AS YOU REMAIN FAITHFUL.**

My Beloved, you are not abandoned from the Hand of the Father, He will send His Help to His People so you won't succumb by suffering, on the contrary, you will be strengthened so that you don't continue under the claws of evil.

Be the hope of My Heart...

Be the ones that do not surrender...

Be the ones that do not hide under modernism to disguise the denial of My Son...
Be the faithful and brave People, the humble and meek People that believe in spirit and in truth.

When a forest is felled, it will become totally dry; and the water will not be able to make it sprout what has been felled. This is the cleverness of the demon in this instant; deny man the water of Salvation and of Purification. You must grow; you must know My Son and penetrate in His Word so not to be confused or fooled. I will not stop calling the People of My Son until the last instant and will certainly not do it now, now that you find yourself before the great suffering, the great Purification announced by Me in all of My Apparitions.

BE STRONG, I REMAIN IN YOUR PRESENCE TO TAKE YOU BY MY HAND AND INTERCEDE FOR EACH ONE OF YOU.
Do not fall in the first battle; continue with the trust, the hope and the faith with the help from the Father's House that will not leave you, since you are his beloved people.

**SATAN TOGETHER WITH HIS LEGIONS IS DESTROYING MAN THROUGH IGNORANCE.
WAKE UP, KNOW EVERYTHING THAT MOVES AROUND YOU AND SINCE YOU ARE THE LOVING CHILDREN OF
YOUR FATHER, REMAIN IN HIS WILL EVEN THOUGH IT WILL SEEM TO YOU THAT YOU ARE GOING AGAINST
THE FLOW OF THE WORLD.**

It is not surprising for My children to suffer the tribulations which my faithful have faced throughout all the times. It is not surprising for My children that those who remain faithful to the Divine Mandate be persecuted by those who ally themselves to evil and to the forces of the antichrist.

STAY AWAY FROM IGNORANCE, BECAUSE IT IS AN ALLY OF SATAN.

Sin transforms into routine and the routine of sin is a bad custom; the children that love My Son do not act this way.

Wake up to humanity, My beloved, since in these instants if the wrath of My Son does not hurry, you will see your brothers and sisters fall on one side and the other. Remain on your feet, do not forget to pray and come to Me, through the Holy Rosary, be the same Love of My Son.

Come to Me as the Ark of the New Covenant, come to Me that I will lead you by the path of Salvation. I bless you, I love you.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

In this Maternal Word Love is evident of the One who remains attentive to help His children.

The Commandments are the Words of the Eternal Love of the Father and for us, His children, must be the daily bread.

The Blessed Mother says: it is not enough to repent if you fall again always in the same way and this transforms into a bad custom, because the bad custom is like a damaging parasitic plant, which you will not be able to remove it because it has eaten the tree, in this way the custom of sin eats away the soul and becomes part of the work and actions of the creature.

Brothers and Sisters march ahead that the Blessed Mother will guide us and intercede for each one of us.

Amen.

**ESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JUNE 8, 2014**

My Beloved:

My Heart is the only fountain of Infinite Mercy, the fountain that has not been exhausted throughout the history of humanity, and the fountain that will not be exhausted in this instant in which this generation is on the brink of its own purification.

**OUR TRINITY IS PERFECT AND IT WOULDN'T BE PERFECT,
IF IN IT WE DID NOT FIND MERCY PRESENT AND ALSO JUSTICE.**

I welcome all those who come to Me with a contrite heart, humbled and totally willingly to submit their efforts and their human will so as not to fall in the same errors and in the same sins.

Satan tempts humanity with all his strength, with all his anger, with all his hatred; he poured all his poison and has released all his disdain upon man, without exception.

**I SEE THE REALITY OF MY PEOPLE, THE REALITY THAT MY PEOPLE DO NOT SEE
AND DOES NOT WISH TO UNDERSTAND: SIN. THE CAPACITY AND INVENTION
OF SIN IS SUCH, THAT IT HAS SURPASSED SATAN'S EXPECTATIONS.**

Humanity has given up their external senses to Satan, for him to use, it has also given up their internal senses to Satan so he can administer them; because men does not live within My Divine Love.

Children, when you build a house, all the electrical lay out has the same voltage so as not to place any inadequate appliances that will be damaged. When the electrical lay out receives a voltage higher than the proper one, it produces a short circuit which forces to replace urgently whatever needs to be replaced so that everything continues to work without mishaps.

In this way, children: all your senses form one single unit and points to where the human free will can lead you. It could be a same vibration, a same electrical sytonic in accordance to My Will, or could exist within you continued interruptions that impedes you to fuse within Me and listen to Me, or it could be that your senses are commanded and altered by the works and acts contrary to My Will, and the unity to Me will be cut off. In that instant the force of Satan invades the creature, pretending to repair what must be repaired, grafting in the senses of man actions and works, altering them so they can be exposed to the traps of evil, through violence, hatred, lack of love, lack of charity, lack of faith, lack of hope, lack of generosity and lack of devotion. **AND WITH THIS IT ACHIEVES THE HARDENING OF THE HUMAN HEART, AND FOR ONCE WHEN THIS IS OF STONE, IT WILL NOT RESPOND TO MY LOVE, AND MAN WILL NOT RECOGNIZE THE ACTIONS AND REACTIONS BELONGING TO SATAN ACTING IN HIM.**

The demons are content to make man fall. Evil possesses a great sack of souls which he manipulates like puppets, and these, without human strength to fight against evil, move to the forces of division and towards everything that doesn't recognize as sin, when they do not remain within My Love.

**MY LAWS ARE CLEAR, IT HAS FORBIDDEN SIN.
WHEN MAN DOES NOT LIVE ACCORDING TO MY LAW,
HE CUTS THE TIES THAT UNITES THEM TO MY HOUSE AND LAUNCHES ITSELF LIKE A
DRIFTING BOAT IN THE MIDDLE OF THE STORM.
THIS IS THE INSTANT OF THE FIGHT TO RECOVER THE SOULS.**

My People have walked in ignorance that has been imposed upon them; and have imposed upon themselves for convenience. A few, understanding My Will, have achieved sanctity through narrow roads which My Love has lead them; a few have been, within My Justice, purified to becoming in My image and likeness.

My Beloved People, in these intense instants, I continue planting seeds of My Will all over the Earth, so that these give abundant fruits to counteract the evil of those who are led by evil, and fight against you, attacking you. And for those who refuse to know me, you My faithful ones, are the great question, because they do not know if they should fear you or reject you, since they do not understand My Love in you which generate unity.

Beloved, those who do not know Me, react before the unexpected in life, such as sickness, they react against Me, submitting me to lengthy and cruel interrogations to justify their bad journey through life. They have lived without focusing, not giving themselves the blessing of belonging to Me, and they rush like the bees from flower to flower, not to fulfil their mission, but to distort their personal mission.

Children:

**HE WHO LIVES IN MEDIOCRITY AND IN DISOBEDIENCE, PLEASING THE MIND AND
BRINGING THE SENSES TO FOCUS ON THE FLESH AND IN THE FALSE PHYSICAL BEAUTY,
GIVING FREE REIN TO SIN; DO NOT LIVE IN ME, THEY DO NOT KNOW ME AND THEY PLUNGE INTO THE
MUNDANE HEADING STRAIGHT TO PERISH IN THIS INSTANT, AND
IF THEY DO NOT TOTALLY MAKE AMEND, THEY WILL PERISH IN THE ETERNAL FIRE.**

This generation is not exempt from pain; the inclemency of man himself keeps them at the edge of a razor. My Church is at the threshold of the greatest purification ever lived. I see My Church in agony and suffering, not by the hand of those who do not love Me, but by those who do not understand and must remain silent.

Those who live in My Love, will be known by their acts; do not fear at the end all pain will go away. My Peace Will be in you and our encounter will be eternal.

Because of My Love for you I must warn you, and in this instant I demand what in My repeated Calls I have requested and yet you have not done: I demand that you understand to use food with responsibility which could mean between life or death to the body. Use food that still has not been contaminated with radioactivity and not the food from those who wish to make you sick and lead you to death.

When I call, it is for you to see beyond; but there are those who only see themselves and do not bother to see their brothers, or what may harm them. Without a conscience they launch against life, this goes against the Holy Spirit.

MY BELOVED, THE GREAT BATTLE WILL START SOON.

Pray for Russia.

Pray for Italy, it will perish.

Pray for San Francisco, for it will cry.

A very intense cold wave is coming, and, My children should prepare for it, without fear. The youth refuses to accept My Peace, they live in the total spiritual emptiness, where the great majority of men live in a mental fixed, subjected to carnal sins, and the women have forgotten to be mothers accepting the depravity that society in which they live offers them.

CHILDREN, STAY AWAY FROM THE TELEVISION AND OF ALL THE VIDEO GAMES, IN THIS INSTANT THEY ARE OBSTACLE, DEAD ENDING THE MIND OF MY CHURCH. Life is not a martyrdom, man has transformed it to a martyrdom; find peace, working and acting within My work and acts.

YOU MUST NOT BE DISTRACTED IN THIS URGENT AND AT THE SAME TIME AGONIZING INSTANT; man sins and Creation moans. The sin of custom is rarely known, the human being acts by custom. I am not one more custom; I am not one more option. I am the King of Kings and the Lord of Lords, not one string of hair of the head falls without it being My Will.

My beloved, I invite you to continue to be faithful to My Word, and those who criticize and do not believe, they are also part of My Love.

**CHILDREN, A BREATH OF MY HOLY SPIRIT WILL COME UPON YOU
SO THAT THE JOURNEY THROUGH LIFE WILL BE LESS DIFFICULT.
ME: YOUR JESUS, BLESS YOU AND I SEAL YOU WITH MY PRECIOUS BLOOD
SO THAT EVERYTHING THAT IS CONTRARY TO MY WILL, WILL BE
TIED AT THE FOOT OF MY CROSS AND NOT BE THE REASON FOR
MY CHILDREN TO DRIFT AWAY FROM MY PATH.**

I bless you.

Let My Love, My Peace and My Protection be yours.

Your Jesus,

**HAIL MARY, MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY, MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY, MOST PURE, CONCEIVED WITHOUT SIN.**

COMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

In this Divine Call, our Supreme Being perfectly outlines and determines His Will and what He expects from us.

Let's read and meditate the Calls from Heaven, unfortunately we realize that humanity has not changed its present customs, and what is worse, has worsen its life of stubbornness in sin.

But you, brother and sister, who penetrate in this Word that Our Divine Savior gives us, **TAKE WITH DUE IMPORTANCE AND FULL CONSCIENCE EACH WORD OF CHRIST AND MAKE IT YOURS, MAKE IT LIFE FOR YOU AND YOUR FAMILY**, so we can be those seeds that will give abundant fruits and counteract the ruling evilness in the world such as Christ mentioned it in His call.

May the Holy Spirit illuminate us all and strengthen our Will so we can always carry out His Divine Love.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JUNE 11, 2014**

My Beloved People, I bless you.

MY HEART BEATS RAPIDLY, BEATS FASTER FOR EACH ONE OF YOU AND TO EACH ONE OF YOU.

I bless your walk, your mind, your thought, your word and your knowledge.

I bless each work and action as long as you are fused to My Will, respecting each one of My Commandments, those that My Father engraved with His Love for all generations past, present and future.

My Heart beats faster in this instant in which this generation must ascertain that My Commandments are not distorted.

My Heart beats faster in this instant in which this generation hangs on one single action from a human creature with enough power to provoke a disaster: the Third and Fatal World War. **EACH ONE OF YOU IS ABSOLUTELY RESPONSIBLE IN THE COLLABORATION OF THIS FATAL ACT. EACH ONE COOPERATES WITH IGNORANCE, WHICH YOU IMPOSED UPON YOURSELF, WITH THE LACK OF KNOWLEDGE AND WITH THE LACK OF LOVE TO ME.**

My Heart beats faster because it loves you, but also as it looks and feels in My Divinity the ignorance in which you live and with the speed with which the allies of the antichrist move to make you go astray.

My Church must awaken itself, My Mystical Body must warn itself, to each other just like the old Christians.

**YOU MUST NOT ALLOW IGNORANCE;
THIS IS A GREAT TENTACLE THAT THE MASONS ARE USING AND ITS DIFFERENT ALLIES TO DISTORT MY
MYSTICAL BODY FROM MY TRUTH AND THE CORE WHICH IS TO:
OBSERVE THE COMMANDMENTS.**

My Beloved:

**NOT ALL THOSE WHO CALL THEMSELVES CHRISTIAN WILL REACH ETERNAL LIFE,
ONLY THOSE WHO LIVE, DO AND ACT IN MY WILL.**

Man rejects me constantly, but the more he rejects me, in the same manner I insist. That is how I come, I call you this way with the same tenacity with which you despise me. The same rejection, I transform it in Love and with the same intensity with which you reject Me, with that same intensity and more I seek you and will seek you, I will never tired of calling you because you are My Church, you are all My children, because for all of you I surrender to My Cross of Love and of Glory. **EACH ONE OF YOU MUST CLING TO MY CROSS, IN THE CROSS I WILL RAISE YOU UP WITH MY POWER, MY GLORY AND MY MAJESTY.**

MY CHILDREN MUST NOT BE FEARFUL CHILDREN, YOU MUST BE CONFIDENT AND AWARE OF MY LOVE AND THAT I WILL NEVER ABANDON YOU, but for that it is necessary that you have a complete conscience of what sin is and how this hurts Me, so you will soon come to Me with a firm resolve of amendment, but the resolve of amendment is not enough, **IN THIS INSTANT IT IS NECESSARY TO MAKE A RESILIENT DECISION NOT TO FALL IN THE SAME SIN.**

I AM FORGIVENESS AND I WILL FORGIVE YOU AS LONG AS YOU MAKE THE EFFORT OF NOT FALLING INTO THE SAME SIN. I NEED THE DECISION OF MY CHILDREN, THE DECISION OF MY PEOPLE TO BE BETTER EVERY TIME.

I cannot continue calling My People as I did in the past years, in this present instant, within My Eternal Present, I call My People with My Present Word so that the People will understand me and vibrate within himself the urgency of My Word and of My Call.

IN THIS INSTANT THE WORLD IS IMMERSSED IN THE CELEBRATION OF A SPORT, IN THE COMPETITIVENESS BETWEEN COUNTRIES FROM THE WHOLE WORLD, WHILE THE TENTACLES OF THE ANTICHRIST WILL GIVE A GREAT SURPRISE TO HUMANITY.

My People, he, he that tells Me that he believes in Me, he that calls Me Father, he that tells Me that he loves Me, he that tells Me that he is not worthy that I enter his house, he who receives Me, cheer in this instant for what is called sport, but not as such, but as a sign of competitiveness and of power... and behind the world's gibberish, those who do not love Me nor love you as My children, nor love the Gift of Life, prepare weapons with which in seconds can terminate the human race. But don't forget that My Legions will come to rescue those who act in My Will and do it.

THE DEMON IS CLEVER AND PRESENTS ITSELF BEFORE HUMANITY WITH A VARIETY OF SINS AND TO THIS SOCIETY THEY SAY THAT IT IS NOT A SIN; WHICH TRULY OFFENDS ME AND CRUCIFIES ME CONTINUALLY.

I wish to call upon the woman who renews herself within with a generous spirit, who imitates and lives intensely the virtues, and who does not exposes herself anymore as an object of perdition, that dresses modestly, that she will not be any more part of the tempting serpent. And to man I call to be strong and control his mind and his low passions.

My Beloved, this is the instant to pray for Brazil. This is the instant for you to open your eyes and not put aside the Signs of the Times, since water will purify the Earth in a great measure.

**I invite you to pray for Argentina, it will suffer.
Pray for North Korea.**

I invite you to pray for all humanity so they will clearly see what My House will demonstrate in this instant in which the Signs of the Times will be displayed, previous to My Second Coming and at the same time before the Great Warning.

TO THOSE LIKE YOURSELF WHO RECEIVE MY WORD AND TAKE IT AND MAKE IT A WAY OF LIFE; to you, My beloved, who know Me and who deepen in My Word, to those that I have called to be My Instruments, to those whom I have sent to evangelize to their brothers on My behalf, I should mention to you that in the instant of the Warning the force of the same will be doubly lived by you and by them.

I DEMAND FROM THOSE WHO SUBMIT TO ME; EVERYTHING! Remember that the lukewarm will be vomited by the mouth of the Father, the lukewarm confuses, and that is why My Church: My Mystical Body must be knowledgeable of My Love, of My Word and of My Truth.

My Beloved People:

WITH WHAT INGRATITUDE MY WORK IS RECEIVED, WITHOUT MEDITATING UPON IT, WITHOUT MAKING IT A WAY OF LIFE, WITHOUT PRACTICING IT! You are receiving My Own Will, they are not merely more messages, they are no more Calls, in a great excess of Love for you and how infinite My Love is for you I warn you, the development of the Signs is given **NOW!**; upon the face of the Earth and in each one of you.

Don't be like the hypocrites and the Pharisees, be true children, don't be like those who persecuted me, do not persecute My Faithful Instruments, and do not forget that with the yard with which you measure you will be measured with one fourth more.

YOU WILL LIVE ALL YOUR ACTIONS DURING THE WARNING BUT WITH GREATER SEVERITY, THOSE THAT HAVE BEEN COMMITTED AGAINST YOUR BROTHERS WITH THE PURPOSE OF HURTING THEM. Do not do justice by your own hands, that belongs to Me, and those who do justice by their own hands, My Justice, in the instant of the Warning, will make it weigh more upon them than upon those who have not acted in that way.

I love you, continue to be united and don't allow Satan to make you fall, or make you go astray from the path. Do not continue to be asleep; **I NEED A PEOPLE AWAKE AND ATTENTIVE, I NEED A MYSTICAL BODY THAT WILL ALERT EACH OTHER.**

Do not wait for the persecution that this is being done and the blood of the new martyrs is being spilled.

My Beloved People:

LOVE MY MOTHER, PERMIT HER INTERCESSION AND DON'T FORGET THAT MY LEGIONS REMAIN UPON ALL OF HUMANITY, BUT THEY NEED YOU TO CALL THEM, THAT YOU INVITE THEM, because as I respect the free will of man, in the same way My Legions respect the free will of man.

**DON'T BE FOOLISH, DON'T BE BLIND, DON'T BE STUBBORN,
YOU HAVE MY WORD AND MAKE IT A WAY OF LIFE IN EACH ONE OF YOU.
MY LOVE IS INFINITE, MY MERCY IS INFINITE, AND THIS IS THE INSTANT IN WHICH
MY JUSTICE APPROACHES, MY LOVING JUSTICE, MY MERCIFUL JUSTICE: IF IT WEREN'T THIS WAY, NO ONE
WOULD BE LEFT UPON THE FACE OF THE EARTH.**

The Joy, the Happiness and the eternal well-being is coming now; we will soon enjoy at My Table, in My Peace and in My Word for all Eternity.

I bless you, receive My Love and receive this Blessing as a sign of protection upon each one who reads, cherish, meditates and love this call.

Your Jesus.

A SERIOUS REFLECTION OF THE REALITY IN WHICH WE LIVE...

BY LUZ DE MARÍA

JUNE 14, 2014

Seeing the indifference that surrounds humanity, I look up to the sky and I cannot ignore the distance that in this instant increases between man and His Creator.

The harsh and at the same time fearful human mind faces dizzily the totally, the unthinkable and unexpected panorama for this generation, which has been conceived throughout the years by man himself. Nature has been destroyed with the consent of those who head the Nations, by the scientists in charge of the environment and by those who are in the diverse fields that procure the well-being from the natural resources. One such example is the water contamination, which is unsanitary since man releases chemical waste and refuse from industries into the streams and waterways, up to the point where we find ourselves in this instant: the oceans contaminated by the nuclear energy, consequently, the earth suffers these effects and ... what happens to man's health?

Brothers, there are places in the Planet where drinking water doesn't exist, and our brothers die of thirst, they get sick and die. In the midst of so much scientific technology advance, science itself is fearful of the results it has to face in short term, since they do not foresee the negative advancement of what has gone beyond in its desire for power.

Would it be that we are an ignorant and disinterested humanity? I dare to point out that the two options are valid in this instant, the ignorant does not consider himself responsible and the disinterested knows the magnitude of what is coming but expects time, which doesn't exist anymore...

I only know that in this instant leads man towards what he has negated in the field of action, but knows by fiction, perhaps from a movie or a film, or from a video game... I don't know; I only know that man learns and this learning on occasions is painful.

Christ has presented Himself in an exodus that man himself has taken him, yielding to the false idols of this instant, giving them the place that only Christ can and must occupy. When I look into Christ's Divine Eyes; I see in them the deep and indescribable gaze of pain... this is when those constant Calls to man, cannot be hushed, even if these are welcomed only by a small number of them.

No effort is lost in calling these souls; to call the conscience of man. In previous Messages for all humanity, Heaven spoke to all to listen; in this instant this "all", has been transformed in a personal call to each one in particular. Precisely, so we can individually look into our interior, and that everyone will make a commitment with the call, not relying on others to do the spiritual work.

Man previously, in not depending on the present technology, knew what was going on in the world because he read more frequently, or kept well-informed on everything; in this instant technology has invaded the human being, and the thoughts, the memory and the mind are passive; it is not necessary to utilize them because technology does everything for man. And in doing everything for man, in the human unconsciousness, technology has prioritized leaving behind the capacity to reason, and of course to God.

The warnings in previous Apparitions of the Blessed Mother have been ignored, and She brought forward the events that would have been given in the future if she was not obeyed. We can see right before our eyes that some will soon happen, and some have already been fulfilled, such as communism that has taken over the smaller countries and from there it is taking its power to establish itself by force in the whole world.

There are several challenges that humanity will be facing, this instant demands man to be better in all aspects. We are heading towards a change, that our children, grandchildren, nephews, etc., being creatures of faith, or not, everyone will suffer in the same way.

Humanity has been living within a mediocre existence, more or less aware of what it possessed, but in this instant man himself has defined his future, for example, man has influenced in the weather changes through deforestation, the contamination of the spring waters and oceans with nuclear energy, chemicals and toxins, and other chemical materials that they bury in the deserts, and more. All men know that their behavior is not correct and what they do is not correct, but live with indifference.

Nature is preparing for its change, a change that we know is periodic, but in this generation man has influenced this change, it has advanced it and has provoked the reaction of nature itself against man's free will which he has attacked, destroyed and deformed.

Humanity must be aware of what is coming, the Paternal House warns it and science verifies it although science does not say the reality clearly, perhaps they expect that the leaders of the Nations to warn their citizens, but they do not pay attention.

Man has placed himself in the hands of the big industries, and these produce contaminated food, for example the transgenic food, the animals are in constant danger of extinction and the natural resources are extinguishing...Man continue to ignore this which is known. The indifference stands out: while in the world some human beings die of hunger, others throw away the food.

This generation forgets easily, but we must remember some painful episodes in which the harshness of man has been the baton. The nuclear energy: the potential enemy in this instant has brought suffering, for example: the first serious nuclear accident in Ottawa, Canada on December 12, 1952, in the Chalk River plant. The nucleus fused partially and in May of 1958 in that same plant a fire produced a radioactive leak. In this manner several and more serious nuclear accidents have occurred and the voluntary use of the same, in Hiroshima and Nagasaki against civilians, and let's not forget the disaster of Chernoyval.

This generation lives in the midst of the radioactivity disaster of Fukushima, Japan, that keeps us under a constant exposure in this shadow of death. And such these accidents, how many more must man face? Some caused by human error and others because some of the nuclear plants are located in seismic faults potentially predisposed to become active any moment. Not counting the 2200 nuclear tests that have been carried out in the ocean, on land, in the atmosphere and in the stratosphere.

Man has been warned so many times... and man cannot find a way to focus his mind on the consequences of this terrible scourging, that a great number of countries possess and this can be the cause of the extinction of the human race of this generation, amen of a Third World War.

Another subject is food, which contaminated, will reach each human being, especially the foods that come from transgenic seeds causing cancer, allergies and diverse illnesses in the body and altering the physique of man.

The lengthy exposure to the sun, which its explosions sends a great number of geomagnetic rays that affect the Earth and consequently alters the behavior of the human being. What can we expect if the sun keeps bombarding the Earth altering the magnetic field and consequently man?

Everything is in the hands of man, of each one in particular, who is the less aware of the occurrence of this instant. If man does not recognize all this, the anger will become uncontrollable, as we are already seeing it. The degree of anger of the human being rises greatly, to the point of not recognizing himself.

Heaven warns us again and again. Man doesn't even seem interested and doesn't care about the warning from Heaven and continues living in a fictional Paradise..., and when he awakens it will be fateful.

Our conscience must be awakened by our disposition and with that desire be united each instant with the Divine Will. We can't achieve to change the entire humanity by ourselves, but if we work and act in the Will of God, each one will multiply to the infinite.

We should not expect only the God of Mercy, but let's be realistic; what does this generation deserve, but a prompt Divine Justice, and the harshness of the Divine Hand? A second deluge of fire is what waits at the door of man. Humanity is a merchant of the Divine Temple which is the Earth, and Christ has revealed to us the destiny of those who do not obey Him and to the lukewarm. The Divine Justice is negated, it being an established reality in the Sacred Scripture. I feel such sorrow in this instant, He presents Himself to man a God of only love and who always forgives the atrocities of Man, without giving him a lesson so he could make amends!

It is necessary to ask yourself: What role are we playing in this Planet that God has given us? Are we indifferent or are we aware of the decisive instant in which we live and of the threats that surround us?

Brothers and sisters, let's reflect and react, before man destroys himself and Heaven sends from above Its Justice.

Luz de María

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JUNE 16, 2014**

Beloved Children:

I BLESS YOU FROM MY FLAMING HEART OF LOVE FOR EACH ONE OF YOU.

I BLESS YOU FROM MY WOMB WHERE I SHELTER MY CHILDREN SO THEY WON'T BE CONTAMINATED BY THE MUNDANE BANALITIES AND SINFULNESS.

I suffer, yes, for Mine. I see them heading with no return towards the hunt that the antichrist will carry out against all My Son's faithful and Mine.

THE INSTANT FOR THE PURIFICATION IS NOW GIVEN, in places far from you. But don't think that because is far away you will not face the harshness of the merciless antichrist.

My Beloved, the man of science is not conscious of what he has created; war does not spare the use of very dangerous warlike material. In the presence of danger, human beings will seek refuge in My Son. Defend the Truth; this Truth will set you free.

These are difficult instants, without relief. My children in the face of a weak Church you are and will be persecuted.

Beloved:

**IT IS NOT THE KNOWLEDGE OF RELIGION THAT WILL GIVE YOU ETERNAL LIFE,
BUT THE PRACTICE OF WORKING AND ACTING LIKE MY SON ACTED AND LIVED.**

Temptation will always surround you, only the spiritual force will enable you to overcome it. **TO DENY ONESELF THE IMPULSES, WILL MAKE YOU STRONG AND FIRM CREATURE, CREATURES OF FAITH, HOPE AND LOVE.**

Nothing goes through a contaminated crystal, even light; being what it is, it still cannot penetrate it. **IN THIS INSTANT ANALYZE YOURSELF.** The crystal of the conscience of My children is darkened by the intolerance and lack of love to your neighbor. It is contaminated by the rejection of your brothers which rises with greater decision and spiritual force.

Powerful minds around the world are planning the destiny of humanity. Money will be a memory, before an economic fall; a one government will be established. **KEEP YOUR FAITH IN THOSE INSTANTS, RECEIVE MY SON IN HOLY COMMUNION AND BE BEARERS OF HOPE. TRUST IN MY SON AND PRAY TO ACHIEVE THE UNITY OF EVERYONE**, only the unity of My children will Truth grow and will awaken before this threat.

An asteroid is getting closer to Earth, causing great fear.

Don't be obstinate; look above; do not fear, the blessing descend from My House for those who love Me and fight for their brothers.

The moral and spiritual decadence will lead the wicked to desecrate the Temples and to persecute My faithful.

WITH THE STRENGTH OF ONE SPIRITUAL FAMILY, CONVINCING YOURSELF THAT THE SIGNS OF PEACE ARE ONLY THE ACCOMPLISHMENT OF THE CONTRARY; THE ENMITY BETWEEN NATIONS IS A SIGN OF THE PROMPTNESS OF THE DISAGREEMENTS.

**WALK WITHOUT FEAR, THE BATTLE BETWEEN GOOD AND EVIL IS UPON THE EARTH,
MY SON DOES NOT ABANDON HIS FAITHFUL CHILDREN.**

Beloved children, communism has gathered strength among the small countries making them important strategic places of war.

**THE CHURCH WILL LIVE THROUGH THE TRIBULATION; MY SON WILL COME WITH POWER TO SEPARATE THE
WHEAT FROM THE CHAFF, BEFORE MODERNISMS THAT ARE NOT HIS WILL.**

This is the instant of the instants.

I invite you to pray for Northern California, it will suffer death.

I invite you to pray for My Son's Church, it will live instants of great provocation.

I invite you to pray for Japan, pain is at its doorstep.

Beloved, the earth is cracking and the heat of the volcanoes will be a blockage between Countries. Man has mercilessly destroyed his home, he will regret it.

My Beloved, the evil hand has taken possession of a great number of human creatures. Be united in all instant; do not forget that the People of My Son must remain united.

Analyze yourself, you are prisoners of technology; evil has contaminated a great number of My Favorite Children to plunge them into his loot.

Pray for the holy priests, for all the religious man and women.

It's the instant of maximum effort to overcome temptation.

My Son is not a God of tyranny or vengeance, but man will say anything to justify his denial that what he will receives is only the result of his evil behavior and the lack of love to My Son. Evil will not always triumph, My children filled with the Holy Spirit, will overcome and defeat evil.

Those who recognize that they have been weak will be the ones who will receive the great blessing; the arrogant will fall into the fire.

De not fear, purification is necessary so that each one be testimony of the Love of My Son.

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

COMMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

HEAVEN CALLS WITH IMMENSE INSISTENCE SO WE CAN BE AWARE OF ALL THAT IS COMING!

Evil controls man and makes him merciless toward his brothers. In this instant My Son protects His Flock so that evil will not seize them as part of his loot.

We are called to love God in this instant more than any other time, and we need to keep our senses close to our Christ, so that we won't go astray with the distractions of the world.

Let's give Christ and our Mother an affirmative response of Faith, of Hope and of Love towards our neighbor.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST TO HIS BELOVED DAUGHTER LUZ DE MARÍA JUNE 18, 2014

My Beloved People:

I BLESS YOU AND WITH MY BLESSING I LEAVE MY UNCONDITIONAL REQUEST FOR THE CONVERSION OF ALL HUMANITY.

My children feel content to declare that they have converted because they attended the Eucharist, but are far off from what the true conversion is all about, since this must start inwardly in the creature first, and then display it outwardly clearly showing their conversion.

CONVERSION IS NOT ONLY COMING TO THE TEMPLE AND SHARING THE HOLY EUCHARIST; CONVERSION IS TO LIVE AND BE PART OF THE CONSUMING EUCHARIST, NOT ONLY IN THE TEMPLE BUT IN EACH INSTANT OF YOUR LIFE AND WITH EACH BROTHER, forming hence one conscience, thus being part of everything created by the Hand of My Father and handed to man so he can thank My Father of all he has given him.

THE CONVERT:

Is that one that doesn't see himself but sees the needs of his brothers and fights inexhaustibly for My Word to be fulfilled as it is fulfilled in Heaven.

Is the one who has My Love in spirit and truth.

Is the one who obeys without hesitation.

Is the one who sees Me in each of his brothers.

Is the one who opens his mouth to do good for his brother.

Is the one who sees in his brother the good that he can do and leaves aside the evil the he can cause, thus giving the opportunity to his brother to show him that he can do good.

I WISH THAT YOU BE MINDFUL THAT IT IS NECESSARY THAT THE CONVERSION BE THE MOST NUMBER OF CREATURES AND IF YOU ARE ABLE TO PARTICIPATE IN THIS CONVERSION, DON'T HESITATE, DO NOT FEAR DESPISED, BUT FEAR TO BE HURLED TO THE ETERNAL FIRE.

My Beloved People:

You must see the Signs of Times; these are shown in each instant in the course of humanity. Remember that when man talks about peace it will be a false peace that is being conceived and the war that is imminent will be closer to man.

LOOK AT THE SIGNS OF TIMES: violence is everywhere, it has launched itself upon the innocent and man has totally been taken by the forces of Satan, who smiles and delights giving death to the weak and destitute.

How My Heart suffers, how it suffers to see young children with weapons in their hands and smiling upon giving death to his fellowman! **THIS GENERATION LIVES THE CULTURE OF DEATH AND DELIGHTS IN IT.**

NOW MY HEART CANNOT ENDURE SO MUCH PAIN AS SUCH EXISTS UNDER THESE SIGNS OF THESE TIMES; signs that cannot be hidden, such as: homosexuality so out of control, lesbianism uncontrollable and exhibitionist, abortion approved in various countries, and one after the other I could enumerate all the abominations that this generation is carrying out with pleasure.

**HOW IS IT THAT YOU STILL DOUBT THAT THESE ARE THE SIGNS OF TIMES?
THIS INDICATES THAT YOU DON'T KNOW NOR HAVE YOU KNOWN MY WORD IN DEPTH.**

My Church has been tremendously undermined from its foundation, masonry has taken full possession of My Church, suppressing it and proclaiming what is not My Will, acting against the established Commandments, and making the economy it's priority like any other Nation.

**HOW IS IT THAT YOU DON'T SEE THE SIGNS OF TIMES,
SINCE THE ECONOMIC POWER IN THIS INSTANT GOVERNS THE WORLD?
HOW IS IT THAT YOU DON'T SEE THE SIGNS OF TIMES WHEN THE POWERFUL COUNTRIES
ANNOUNCE
ALREADY THE UNION TO ESTABLISH A ONE GOVERNMENT AND ONE CURRENCY?**

It's because My Love has been replaced by the god of money.

My Beloved People, I am the same as yesterday, today and tomorrow; yesterday I did not give My Calls to My People in these terms, because they kept far from these final events, but in this instant I cannot come to My people the way I used to in the past, because My House urgently needs that My children understand the seriousness of what they are living in this instant.

Man has stopped being man and has transformed into another artifact that the great potentials manipulate at their whim.

IN THE PRESENCE OF PROXIMITY OF WAR, MY PEOPLE NOT ONLY MUST PRAY BUT MUST WARN HUMANITY, AND THE HOLY REMNANT SO THIS WILL NOT BE CONFUSED. Each one of you must multiply and in this instant put aside your personal interests and live, work and act according to My Will, which is the salvation of souls.

Let no instant pass without taking advantage of it, but be generous in sharing whatever I have permitted you to know.

It is urgent to pray for the United States, it will suffer in the hands of its enemies.

Pray for England, the antichrist walks in its streets.

Pray for France, it will suffer greatly, especially Paris.

Pray for the Middle East, it will be the detonator.

Beloved children, My beloved People:

DO NOT WAIT ANY LONGER; I ONLY ASK THAT YOU BE CAPABLE OF SEEING THE SIGNS OF THIS TIME THAT ARE PRIOR TO MY SECOND COMING.

You cry out for mercy, but define to me the mercy you are crying out for.

My Love is infinite but My Justice is overflowing **ALREADY** before such barbarism and before the joy with which you burst out as you end the Gift of Life just for your entertainment.

MY MERCY IS INFINITE BUT AT THE SAME TIME MY JUSTICE IS ALSO INFINITE, AND IT IS NECESSARY FOR THIS HUMANITY THAT I DESCEND SOON WITH MY JUSTICE. All of Creation remains fused to My Justice; you who read and listen to My Call and still enjoy peace in your countries, do not see from afar the suffering that is coming to all the Earth.

My Beloved People, **DO NOT IGNORE THIS CALL; IT IS URGENT THAT YOU SET THE CONSCIENCE IN THIS INSTANT.** The god money is collapsing and this will cause that the great potentials immediately enslave My children to scourge them.

My Beloved People:

I have promised you a better tomorrow, an enjoyment from the good of My House, but don't think that in the spiritual situation of this generation, this enjoyment can come to this generation without first being purified by My Own Hand. **AND IT IS NOT THAT I DON'T LOVE YOU, BECAUSE I LOVE YOU WITH THE INFINITE OF MY OWN LOVE AND THAT IS WHY MY JUSTICE IS COMING! NOW! TO MEET WITH THOSE THAT IN THIS INSTANT EXERCISES IT FOR ME.**

Listen to My faithful and true instruments, don't listen to those that undermine them, they are not instruments of My House. He, who wishes to blind My People, is not an instrument of My House, but an instrument of evil.

Remain attentive to this instant, more than any other instant. Each of you be an evangelist of your brother.

**REMEMBER THAT I COME TO SEPARATE THE WHEAT FROM THE CHAFF, DO NOT HESITATE.
I COME WITH MY JUSTICE, WITH MY LOVING JUSTICE AND THEN AFTER THIS,
WE SHALL MEET IN THE REIGN OF MY PEACE.**

I bless you; remain in the Peace of Our House.

Your Jesus.

COMMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

Christ of Love opens the door to His Mercy so we can understand His Justice, which from other than being just, is loving. Never does Love separate Justice nor does Justice separate the merciful Love.

Christ asks us: what kind of mercy are we asking for? Let's reflect: would it be our will that is crying out for mercy in an instant in which Christ comes to exercise His Holy Justice?

Man speaks of what his intellect knows through the senses; if the senses interpret incorrectly what he perceives, the understanding of what he perceives consequently will be incorrect. A great number of persons deny what they don't see or don't feel, yet they do not doubt, for example, the air that they don't see, but they don't consider that everything that exists is moved in the invisible Presence of God.

Thus His Justice, who can deny, if it is Just and Merciful?

Let's hope with faith the final meeting with who is the King of Glory and everything is in His Hands.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JUNE 22, 2014**

My beloved People:

I REMAIN IN YOU AND WILL REMAIN FOREVER AND EVER.

I REMAIN IN EACH ONE OF MY CHILDREN, in those who love Me and in those who strongly reject Me; it is precisely for those who strongly reject Me that I ask My People to pray and intercede ministering to one another.

CONTINUE TO HOLD THE HAND OF MY MOTHER, She the Eternal Mediatrix of all men. You who are My People, fight and keep yourselves far from sin.

I invite you day to day, to adore Me in the Blessed Sacrament of the altar where I make Myself present.

TO MY PRIEST SONS who with their very hands carry out My Consecration, I call them to be conscious that their hands participate in the great Eucharistic Miracle of My Love; My very own Angels go to every altar to adore My very Body and My very Blood where My Sacrifice is celebrated, and they pray so that these hands that were consecrated to Me, may be worthy and be bearers of the great Eucharistic Miracle of My Love.

My beloved People:

In the instant in which My sons who are consecrated to My Service elevate My Body and My Blood, in that precise instant IT IS I WHO CONSECRATE MYSELF, GIVING MYSELF IN MY BODY, BLOOD AND DIVINITY TO THOSE WHOM I LOVE SO MUCH.

I CALL YOU TO REPENT WHOLEHEARTEDLY, TO MAKE A FIRM INTENT OF AMENDMENT, TO NOT FALL INTO THE SAME SIN AGAIN AND AGAIN, for sin becomes habit and the goal of amendment is to correct that sin with which you offend Me and to not commit it anymore.

I CALL YOU, MY PEOPLE, TO CARRY OUT MY WILL, TO FIGHT AGAINST FREE WILL because in the majority of people, it rebels against Me, adoring false gods and listening, working and acting in what offends Me.

My beloved People:

**CONVERT, ENOUGH WITH OFFENDING ME!
ENOUGH OF GIVING FREE REIN TO WORLDLY AND SINFUL WHIMS!
ENOUGH OF BEING SATAN'S PREY, FREE YOURSELVES!**

Turn to My Mother, pray the Holy Rosary so that My Mother may go in haste to you; call Me, I am anxiously waiting for that call to help you and forgive you.

My beloved:

If you truly repent and make a firm resolution of amendment, fighting with all your might even against your own desires, if they separate you from Me, there is no sin that I refuse to forgive. But those who are pleased with sin, who find joy in sin, those who prefer I not speak to them and explain My Truth clearly to them, it is precisely those whom I call in this instant to reflect, so that they repent, so that they come before Me, and thus, I take them again into the lambs of My Flock.

The coming instants will be difficult, more than what a great quantity of My children are living in this instant, when they are scourged by their own brothers and sisters and by nature.

INSTANTS WILL COME IN WHICH FAITH IN ME WILL BE HARSHLY TESTED; PREPARE YOURSELVES, be forming within yourselves a provision of acts in My Love with your communions, with your sincere repentance, with your prayers, with your working and acting in My Will, but even more with the praxis of My Word and this praxis consists in loving your brothers and sisters.

Loving one's neighbor carries the Good News of My Love and of My Forgiveness, but at the same time, loving one's neighbor is making one's brothers and sisters conscious of this extremely dangerous moment in which you live, in which not only the mind, thoughts and heart focus on what is not My Will, but external agents invade your organism to make you sick not only in body but in spirit and to harden your heart.

My People: each instant that goes by you are surrounded by disaster, man's subconscious is continually attacked so that he acts like a savage beast, each one against his or her brothers and sisters, killing one another. You still do not understand, you are not aware that satan wants to lead you to take from yourselves the most precious Gift, the Gift of life, and above all, he wants to lead you to annihilate the innocents to hurt My Heart greatly.

REMAIN ATTENTIVE TO ALL THAT COMES TO YOU; SATAN INVADES THE MIND, THE THOUGHTS AND THE HEART OF SEVERAL LEADERS OF THE GREAT POWERS TO USE ARMAMENT AGAINST THE INNOCENT AND HELPLESS.

My beloved:

I want to rescue you; you with your own will must allow Me to rescue you, otherwise I cannot rescue you. In the face of doubt, come to adore Me and ask for discernment from My Holy Spirit. There are more who want to confuse you so that you are satan's bounty than there are who preach My Truth and speak and transmit My Truth to rescue you from the clutches of evil.

DO NOT TURN AWAY FROM MY MOTHER, RECEIVE ME DULY PREPARED AND APPROPRIATELY DRESSED; for it is not only the one who comes to receive Me without having confessed his offenses who offends Me, but also the one who is not appropriately dressed to receive the King of kings and Lord of lords.

You who receive My Word, you are aware that I have alerted My People throughout history, I AM NOT GOING TO FORSAKE YOU NOR WILL I ALLOW YOU TO CONFRONT THE POWER OF EVIL WITHOUT FIRST HAVING ALERTED YOU SO THAT YOU PREPARE YOURSELVES, LIVING IN MY WILL AND REJECTING EVIL.

I invite you to pray for the Middle East, war rises like a giant.

I invite you to pray for Brazil, it will suffer;

its ground will shake and water will rush upon the land.

Do not forget to pray for Chile, My children's tears will come out of their eyes.

My beloved People:

I REMAIN LIVING AND PRESENT; COME TO RECEIVE ME FOR I, AS A LOVING FATHER, WELCOME YOU, but do not forget that you present yourselves before a King of Mercy, and at the same time, the King of Justice and you must remain duly prepared.

I LOVE YOU, I BLESS YOU CONSTANTLY. You are the apple of My Eye, you are My People, you are My Inheritance, those whom I received, those whom I love and for whom I gave Myself. Receive My Blessing.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

To love God above all things and one's neighbor as oneself: the Commandment that in this instant is so difficult for man to follow because the human ego, egoism remains in first place.

In this instant in which we, the faithful of Christ and the Blessed Mother, are persecuted, we remember those who persecuted the Prophets that came before but let us think about the recompense of the faithful. Christ says: "Your reward will be great in the Kingdom of Heaven...", let us not expect anything on Earth.

Christ imparted teachings that for some had no greater importance, but they maintained and maintain the future of humanity. For we do not know the one we do not love, but all the teachings have and carry the Divine Seal: Love.

Brothers and sisters:

We live in an instant in which only being blind can we deny that humanity is inside of what will be a catastrophe, since man does not create something he will not use in a war (nuclear arms), that will destroy a great part of humanity.

Let us pray, let us maintain the Grace of the Holy Spirit in us and let us be intercessors for one another. Let us share Heaven's warnings and let us inform about the Herods who are poisoning the human being through foods and other mediums Heaven itself has mentioned to us.

The majority of people live within the thin walls of human egoism; the children of God share Heaven's warnings and instructions, because the goal is to bring souls before the Divine Presence of he who is the King and Lord of all of creation.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JUNE 25, 2014**

Beloved children of My Immaculate Heart:

**MY BLESSING IS FOR ALL MY CHILDREN, WITHOUT DISTINCTIONS.
MOTHERLY LOVE FLOWS FROM MY HEART FOR ALL MY CHILDREN.**

May My blessing be the light in you that illuminates the path of Truth and of Salvation.

My beloved:

Humanity is in effervescence and the great violence announced in the Gospels for the end times is upon the Earth.

THIS INSTANT IS DECISIVE FOR SOULS AND DELICATE FOR MY SON'S CHURCH. It is totally besieged and a schism fast approaches, just as evil speedily seizes humanity.

The great plague of neurons directs man, it has seized the thoughts, working and acting of human beings, of their conscience and subconscious; and the human being reacts with ire. Man has set aside reacting like a man, like a child of God, and he has given himself over to the actions by satan and his allies, giving free reign to his most base instincts.

**HUMANITY WISHES TO DEFEND THE INDEFENSIBLE: SIN.
IT CANNOT BE DEFENDED, IT IS AN ACTION AGAINST THE DIVINE WILL.**

Beloved children,

You know well that the praying of the Holy Rosary used properly, meditating each word and living it in your heart, is a great prevention, blessing and protection; it is a protective shield against evil, if the human person lives within the Divine Will.

**MY CHILDREN MUST TRANSFORM INTO MESSENGERS FOR THEIR BROTHERS AND SISTERS AND
INFORM THEM OF SATAN'S STRATEGIES AGAINST MY SON'S PEOPLE.
MY CHILDREN MUST FORM PART OF THE EVANGELIZERS OF THE END TIMES,
ALTHOUGH TIME HAS CEASED TO BE TIME, IT IS ONLY AN INSTANT.
I PRECISELY REFER TO THIS ONE IN WHICH YOU LIVE.**

Beloved children: Soon the sun will emit a flare that will reach Earth, paral00yzing communications in great measure and thus all type of transport.⁸

Beloved children:

⁸ REVELATIONS AND PROPHECIES ABOUT THE CLIMATE IN SPACE,
http://www.revelacionesmarianas.com/clima_espacial.htm

THE SIGNS ARE CLEAR, AND EVEN THOUGH YOU WANT TO HIDE THEM, THEY SPEAK FOR THEMSELVES. Do not worry when you are persecuted, do not worry about being ill-informed, slandered and reviled; they called My Son Beelzebub, what will not become of His faithful in the midst of Sodom and Gomorrah?

THE COMMON MAN WILL SEE THE FULFILLMENT OF THE ANNOUNCEMENTS OF THE PATERNAL HOUSE WITH HIS OWN EYES and it will be then, and only then, when you will raise your hands to your head lamenting not having listened to Heaven's Calls, given with the end that you effect that change in you that My Son begs of you time and time again, and you are thus converted.

My beloved:

BE AWARE THAT EACH ONE OF YOU IS A LIVING ALTAR THAT CARRIES MY SON AND HIS HOLY SPIRIT AND YOU MUST BE THE IMAGE AND LIKENESS OF GOD, do not grieve Him by acting differently from how He's asked you. My Son desires Holy People who love Him and commit themselves to Him without reserves or measures, and who battle evil with Divine Love, being the sign of the new dawn.

This is the instant in which each of you must bring the Divine Message, and in this way alert your brothers and sisters, your families and humanity so that they do not remain asleep.

Do not fear, My Angels, your Brothers of Journey, remain beside you.

People born of My Womb and of My Heart:

**I ask you to pray intensely for the United States and Russia.
I invite you to pray for the United States, it will be shaken;
the eagle must give up its plumage in order to be simple and humble.
I invite you to pray, the earth shakes with force.**

My beloved, go to visit My Son so that the Grace of the Holy Spirit invades you and it is He who works and acts in and through each one of you, for the good of humanity.

The governments have seized of what they need to dominate men and subjugate the innocents; communism has penetrated, the dragon is awakening.

Beloved People of My Son and of My Immaculate Heart:

**EVERY EFFORT IS BENEFICIAL, BE A REASON FOR JOY AND THANKSGIVING IN YOUR HOMES,
CARRYING WITHIN EACH ONE OF YOU TRUE LOVE AND FORGIVENESS THAT ONLY THE ONE WHO
KNOWS AND LOVES MY SON POSSESSES.**

I invite you to take My Peace and in inner silence, hear My Son; all of you be covered with My Mantle and My Maternal Love.

Mother Mary.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

In these instants, we do not have to be indifferent.

Our Mother speaks to us of what is causing evil in man and of what is bad for him, without humanity finding out about it. She speaks to us of the plague of neurons, ignored by the majority of people, but it is something that each instant devours many people. Man as such is influenced by what surrounds him. Our body, in its majority, is conformed for water. Just so, radiation acts in a negative way upon man's health, like radioactivity, like the waves we receive from the electronics we use. The discoveries that reach us of the negative effects of the continuous use of telephones, computers, video games are constant.

All of this component is able to penetrate the neurons and alters the behavior of human beings, turning them aggressive and indifferent to reality. This plague runs day to day and we carry it on our hands.

Brothers and sisters, we cannot only be spectators of this plague, but act so that there is a change. In the measure that each one is aware of how much the body is affected, at the same time he will know that the spirit suffers all of this invasion, for we are the ones who receive it, and we see the violence reflected in homicides, in which the person will later not know why he or she did it.

We are participants in humanity's accelerated race and that man loses identity beside the dependence on technology. The Blessed Mother, attentive to this penetrating to man's spirit, alerts us.

LET US NOT LET THIS CALL GO BY IGNORED BUT LET US DEEPEN IN IT.

Amen.

**MESSAGE FROM OUR LORD JESUS CRHIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
FEAST OF ST. PETER AND ST. PAUL
JUNE 29, 2014**

My Beloved People:

I bless you, I love you, and incessantly I seek you out because you are My People.

**DO NOT REJECT CONVERSION; CONTINUE FIGHTING EVERY MOMENT FOR CONVERSION.
IN THE FINAL INSTANTS THE SPIRITUAL STRUGGLE INCREASES,
AND... THIS IS THE INSTANT.
STAY AWAY NOW! FROM THE MUNDANE; I WILL GIVE YOU THE NECESSARY STRENGTH IF YOU ASK ME SO
YOU CAN BE ABLE TO RESIST THE TEMPTATIONS
AND NOT SUCCUMB TO EVIL.**

Beware that evil attracts man by displaying different facets with different aspects that entices each one of My children. Evil knows the weaknesses of each one and attacks them in that way. **I AM WHO AM** and I know you like the Palm of My Hand, I know your virtues, your gifts and your weaknesses, that's why I am unrelenting in My Calls to you, My People.

**¡STAY AWAY FROM SIN NOW!
SIN CORRODES THE FLESH AND SICKENS THE SPIRIT UNTIL
IT SEPARATES YOU FROM ME COMPLETELY.**

EVIL DOES NOT POSSESS NOR WILL IT POSSESS MORE STRENGTH THAN ME. My People are weak when it wishes to be so... and is strong when it wishes to be strong... Although it's true that evil has no more power than Me, but if My children do not decide on their own to stay away from evil, evil could drag them and take them into his claws and from there make them succumb in the mud from where it will not be easy for them to get out.

My Beloved People:

THE STORMY CLOUDS HOVERS OVER YOU, darkness advances clouding the thoughts, the mind and hardening the heart of My People so that anger, selfishness, lies and persecution takes hold of those who do not wish to love Me anymore. Rebellion is the product of an uncontrolled anger of those who do not know which path to take, of those who do not listen to My Call and much less of those of My Mother.

None of My children, if he's really My Child, will offend much My Heart nor will he come to the end of his life without a sincere repentance and a firm purpose of amendment. In this instant humanity remains isolated from the world's great conflicts, they keep their minds, their thoughts and their life submerged in sports, putting aside all conflict of the world. These moments of euphoria make My People forget the pain; but then, after all has passed, the one who is there for you is Me who comes to aid you.

**THERE IS A LACK OF CONSCIENCE IN MY PEOPLE ..., A LACK OF CONSCIENCE IN MY
CHURCH, IN MY MYSTICAL BODY..., A LACK OF CONSCIENCE TO THE LESS SEVERE
CALLS AND A LACK OF AUTHORITY OF MY CHILDREN DEDICATED TO MY SERVICE...**

My People, how can I see you suffer, how can I listen to you crying out for My Help! In those instants you will remember, that you have a Father in Heaven, that you have My Holy Spirit, that you possess a Mother who has gone after you out and you have scorned, and in the instant, My Merciful Hand will take all those souls that cry out for My Mercy with a firm purpose; do not wait until the last instant since only I know how the end of life is for each one of you.

My People:

I HAVE NEVER ABANDONED THOSE WHO LOVE ME, LOOK UP TOWARDS HEAVEN, BECAUSE FROM THERE MY BLESSING DESCENDS UPON THOSE WHO ARE MINE: to those who hunger I will give them food, to the thirsty I will calm their thirst and to the repentant, I will take them in My Arms and will comfort them, but those who do not repent, will face their own path.

Time and again I invite you to kneel in unity of Peace and of Love.

The Calls of My Mother have been rejected and these are fulfilled and will be fulfilled one by one and those who relentlessly deny My Word and that of My Mother, with their own eyes they will see more darkness as they try to deny Me, but those who see the light, will find more light in My Word and in the Calls of My Mother. Come swiftly, I wait for you as the Bread of Eternal Life.

My Beloved:

Pray for My beloved People in Chile.

Pray intensely for the Middle East.

Pray for Germany, it will suffer.

**MY HAND REMAINS OVER THE ENTIRE HUMANITY LIKE A MAGNET.
HOPING FOR A SIGH FROM MY CREATURES TO BRING THEM TO ME.**

The foolish and blind man, deaf and mute does not wish to see the Truth, does not wish to listen or proclaim My Word, submerging himself in the same darkness of his ignorance which will not allow him to find My Light and thus be fertile land. **I TAKE EACH ONE AND DEPOSIT MY LOVE TO FERTILIZE THAT LAND WITH THE PURPOSE THAT IT WILL YIELD FRUITS AND THUS YOU WILL POSSESS ENOUGH STRENGTH TO FACE THIS SO PAINFUL INSTANT THAT YOU ARE HEADING FOR.**

Humanity will collapse in its own unawareness, but for those few who are aware of what's coming, they will be comforted by the Angel that I will send from My House, and He will calm you with My Word, with My own Strength so you will resist the attacks of the imposter and cruel antichrist. My People will be persecuted, My faithful must seek ME in secret, but you will not be alone, everything will pass, no pain is forever, we shall be gathered again and in the midst of so much tribulation, **I WILL TELL MY LEGIONS TO DESCEND UPON MY CHILDREN AND I WILL FREE YOU FROM PAIN AND FROM OPPRESSION.**

**MY PEOPLE FREED FROM ITS OPPRESSOR WILL COME TO MEET ME,
WILL BE SEATED AT MY SIDE AND WILL ENJOY HAVING REMAINED FAITHFUL TO MY HOUSE,
THEY WILL SEE THE EARTH GROW GREEN AGAIN AFTER
IT HAS BEEN CONTAMINATED AND DESTROYED.**

The fruits will be abundant, the renewed Earth will yield its best harvest just as the souls will be the best and will be My People again, they will walk beside Me and together we will call out to My Father:
"Abba Father, Abba Father".

**MY HEART REMAINS OPEN TO RECEIVE ALL THOSE WHO POSSESS
A TOTAL AWARENESS OF THE SEVERITY OF THIS PRESENT INSTANT BUT ABOVE ALL,
TO THOSE WHO ARE WILLING TO SACRIFICE THEMSELVES TO CHANGE TOTALLY
THEIR DEEDS AND ACTIONS AGAINST THEIR NEIGHBOR.**

Children, YOU possess good intentions, but good intentions in this instant are not enough; you must be strong, fighters, convinced that you walk on the path of the Truth. Do not argue with those that deny My Word, fight together with those who wish to have the willingness to take My Word and practice it in this decisive instant and in this way share it with your brothers.

All of My creatures, who establish cenacles of My Heart, will be exempt from evil, as long that they are righteous in the way they behave and act. Do not scorn your brothers, none should be scorned, not even those that attack you, but to My Likeness, do not respond to the attacks since the coming events will speak for themselves and will confirm My Calls.

IN EVERY INSTANT I HAVE ALERTED MY PEOPLE THROUGH MY PROPHETS, I DO NOT WISH FIGHTS NOR CONFLICTS AGAINST EACH OTHER, because those that I have chosen to make known My Calls, are those who do not discuss banalities since they know the importance of this instant and they well know that they should not even take one second of this instant to fight against each other but to bring souls to Me and calm My thirst for souls increasing My Fold.

I bless you and I love you. Continue to be humble, fight with all your strength and don't allow them to separate you from Me.

**I BLESS EACH ONE OF YOU WHO READ MY WORD,
MY PEACE AND MY LOVE WILL REMAIN IN YOU.**

Your Jesus.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JULY 4, 2014**

My Beloved People, I bless you.

**I AM NOT A GOD OF THE DEAD, I AM A GOD OF THE LIVING,
AND AS SUCH, I COME FOR EACH ONE OF MY FAITHFULL.
I AM THE HEAD OF MY CHURCH AND MY MYSTICAL BODY
SHOULD ACT IN THE LIKENESS OF ITS HEAD.**

The horror and terror has fallen upon humanity, some of the People have not yet perceived the effects of the emotional alteration of man, but gradually, like a plague it will take Nation after Nation and My People will suffer the horrors caused by man himself.

Life is totally scorned by some creatures and in its place life is shown as a war trophy, when it is snatched by war weapons, or the alteration of men themselves.

The great powers of the Earth, who adore the god of money, join once again and decide the destiny of the entire humanity. From this result that humanity is gradually being trapped and invaded by the different plagues created in the laboratories by man himself, and led by the powerful of the Earth with the purpose of exterminating My children.

In this instant the powerful enjoy their power, but I come with My Merciful Justice to bring them down. My People will not be dominated forever.

I AM THE SAME AS YESTERDAY, TODAY AND ALWAYS. MY WORD IS THE SAME, IT DOESN'T VARY AND IT'S NOT SUBJECT TO INTERPRETATIONS; TO THIS GENERATION I MAKE MY WORD PRECISE SO THEY WILL UNDERSTAND IN THE INSTANT IN WHICH THEY FIND THEMSELVES AND OPEN THEIR CONSCIENCE TO REALITY.

Even then I am denied and scorned; at the same time, some who have consecrated to My Holy Service do not act according to My Will and they give in to the benefits that society offers them, they live in luxury while My People whimper for a piece of bread.

I AM NOT A GOD OF MODERNISM, I AM WHO I AM, the same who was born into poverty, the same who was crucified on a Cross and the same who resuscitated for the glory of My People. I do not wish new rites in My Church, instead I wish a Hierarchy living in My Will, in poverty, in the abandonment, in faith and in obedience until death on the Cross so you can resuscitate gloriously in My presence.

I REMAIN ALIVE AND THROBBING WITH MY PEOPLE, I SEE EACH ONE OF YOU PERSONALLY, AND THAT'S THE REWARD THAT EACH ONE WILL RECEIVE: he will receive the same day's wage as the one who arrived first as the one that repents and with a firm purpose of amendment, arrives at dusk. I do not scorn any of My children if they convert in spirit and in truth.

The man who lives peacefully in this instant in his home ignores the atrocious suffering of great part of his brothers that are unjustly immolated.

**I WISH THAT THOSE WHO LEAD THE GREAT POWERS WILL CONVERT TO ME.
THIS IS THE WISH OF YOUR GOD, BUT I KNOW BEFOREHAND THAT I WILL NOT
BE HEEDED; I WILL BE IGNORED..., BECAUSE THE EARTHLY POWER
GIVES MAN A FALSE SECURITY.**

MY CHURCH IS JUST A FEW STEPS AWAY FROM THE TRANSFORMATIONS THAT WILL MAKE THEM CONFRONT EACH OTHER AND MY HEART HURTS. The disobedience will shake the foundation of My Church. The great powerful ones; the leaders of the great Nations constantly infringe My Commandments.

The suffering of My People has generated in the great laboratories sponsored by financially powerful families and attack the impoverished Nations; they ignore that these My creatures, with their suffering they surrender to Me, and request my forgiveness and I welcome them with My infinite Mercy.

My Beloved children:

AS I HAVE ANNOUNCED TO YOU, THE PLAGUES HAVE COME TO HUMANITY ONE AFTER THE OTHER..., BUT YOU KNOW THAT I WON'T FORSAKE YOU AND MY MOTHER WILL NOT LET GO OF YOUR HAND.

The war is at a blink of an eye, only a word is needed for the war to involve all of humanity who is totally unaware of the events of this instant.

My Beloved People:

I call you to offer your prayers, your personal repentance, the desire for conversion, the awareness to share My Calls with all of your brothers, the Eucharist received with dignity, offer them for my beloved People of the United States; its leader does not heed My Word.

I invite you to pray for the Middle East, the suffering will increase and you will be astonished to see so much pain.
Pray for My beloved children in Chile, pain comes once again to My People.

My Beloved:

SCIENCE UTILIZED WITH PURPOSES CONTRARY TO MY WILL, HAVE CONTAMINATED IN MOST PART WHAT MY CHILDREN INGEST IN THEIR FOOD, AND THESE STRANGE ELEMENTS TO THE HUMAN BODY, ALTERS MAN GREATLY, not only in his body but has achieved to cloud the mind and thoughts so man will give free rein to his degrading urges and anger rules the mind and thoughts.

THE SOUL'S ENEMY HAS HIS LOOT ALREADY AND WITHOUT ANY EFFORT ON HIS PART, IT SEES IN TOTAL CALMNESS FROM A CORNER, HOW MY CHILDREN HAVE SURPASS THE SIN OF SATAN HIMSELF.

To you My beloved, who heed My Call, who do not refuse to listen and know me in depth, **TO YOU I CALL ONCE AGAIN TO BE MY CHILDREN OF ACTION THROUGH THE GIFT OF LOVE SO WITH THIS LOVE REACH YOUR BROTHERS AND NOT PERMIT MORE SOULS BE SNATCHED FROM ME.**

My Beloved People:

The Tribulation is caused by your own disobedience and with it you have opened the doors to Satan and his diabolic legions.

HAVING OVERCOME THE TRIALS, I WILL COME WITH THE SCALE OF MY JUSTICE IN MY HAND, MY ANGELS WILL SEPARATE THE WHEAT FROM THE CHAFF; and My children who have remained faithful and tireless will be placed on My Scale and your deeds and actions together with your obedience and good disposition the scale will lean towards My Mercy and My Legions will present you before My Father.

My People need to investigate the great secrets that the powerful have hidden from them, with the object to insult you, confuse you and take you to great disaster.

**DON'T FORGET, MY CHILDREN, THAT THE CROWN OF GLORY WILL BE
FOR THOSE WHO REMAIN FAITHFUL, FOR THOSE WHO WILL
PRACTICE MY WORD, FIGHTING TO RESCUE SOULS.**

I bless all those that act in My Will, to all those who Me and knowing Me, do not allow to be confused.

I COME FOR MY HOLY CHURCH, AS I AM HOLY. My Holy Church should remain far away from the mundane, but attentive to everything that moves around them to avoid being disoriented. Evil is resourceful and My children in occasions are too confident, denying the disastrous future of humanity, and thus continue walking without seeing the Reality and the Truth because I am He who warns them, otherwise I wouldn't be a just Father, I wouldn't be Merciful if I allow the scourging to come by surprise to My People.

**I ANNOUNCE ALL THIS TO YOU SO YOU CAN PREPARE, SO YOU CAN CONVERT,
NOT FOR YOU TO FEAR ME, BUT TO FEAR SIN AND DISOBEDIENCE.
DO NOT FEAR MY WORD, WELCOME IT AND LOVE IT.**

I bless each one of you and My blessing accompanies you in each step that you take on Earth.

Your Jesus.

**HAIL MARY, MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY, MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY, MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Our beloved Lord helps us to become aware of the importance to be reborn in the Divine Love and in the love to our neighbor; this action would achieve a unity of spirit, which would heal the present evils.

The narrowed mind to which humanity has been submitted has impeded the reborn in the Divine Love, and its place man has been dragged by evil and led him to commit vexations against himself and his brothers.

No everything is discouraging; we always have the personal opportunity of the transformation and be messengers of the Divine Calls to make aware to those who wish it so.

The instinctive selfishness of evil takes hold of man actions and impedes the knowledge of the truth and the recognition of the Redeeming power of Christ.

**LET'S NOT DENY THE PRECISION OF THESE DIVINE CALLS.
LET'S WELCOME WITH LOVE THE BLESSING WE HAVE RECEIVED TODAY.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JULY 7, 2014**

My Beloved People:

**MY LOVE FOR YOU COMPELS ME TO GIVE YOU THE NECESSARY LIGHT
SO YOU WON'T WALK LIKE THE BLIND, WHEN I GIVE YOU MY LIGHT
TO ILLUMINATE THE PATH TO MY HOUSE.**

Do not linger in the darkness that in this instant is: error, deceit, lie and ignorance.

Beloved, discern imploring to My Holy Spirit the necessary wisdom so that in this instant you will not take the wrong paths. You well know that prophecy is subject to a varied interpretations; I call to you not to interpreter but become attached to them so it won't become a mystery but a help that will show you the truth so you won't remain asleep.

**THE SIGNS OF THE TIMES ARE NOT A NOVELTY, I HAVE ANNOUNCED THEM FOR A VERY LONG TIME
SO THAT THE SINNERS WILL CONVERT AND THE CONVERTED ADVANCE IN THEIR FAITH.** Do not allow yourself to be submerge in that anemic spiritual that has invaded a great number of souls, living in the comfort of the everyday world enslaved by sins.

Children, you live in internal wars that will lead you to the feared war; see how men rise against men, nation against nation. Do not fear; even now, do not be disturbed. You will be scourged with plagues born in the laboratories that control the world; even then, do not be disturbed. My House will free you from the poisonous darts of evil; Faith is necessary, as is also obedience to My Mandates and love to Me.

Evil, the shrewd enemy of men, knows those who say they love Me but not love Me really and instead they are against Me and think about what they will blaspheme with harsh words when the antichrist

arrives, thus being part of the Iniquity mystery. It will be then, that those who did not recognize My Revelations...WILL KNOW THE TRUTH, and will know that My Faithful are a small number to Me that they scorned.

EVIL HAS MASKED ITSELF WITH MODERNISM, SO THIS WILL PRESENT ITSELF AS A PRETENSE OF SANCTITY and in this way devour the Lamb, poisoning the mind of those who approach him. In this instant, there are so many who deny Me, asking for a Church without dogmas, nor rules of the Spirit, without Commandments or Sacraments, without human dignity, without Eucharist!

The instant comes with a devastating force; the corruption of souls is their confirmation: they are the evil that humanity must face in the same extent, where the wheat and chaff live together and the good and bad fish are kept in the same net, due to the power that humanity has given to Satan.

Children, the lack of faith in humanity lacerates Me; this will hasten the apparition of he who is the antichrist, who will persecute My Church, and without knowing he will make each one of My Faithful holier as he continues in holy hope.

Beloved, you have given power to communism, considering it as a harmless ideology. This terrible evil has already grown, it is already a ferocious dragon, and maintaining control over men and making the innocent suffer.

**YOU ARE STILL BEFORE THE GREAT WARNING,
AND I AM BEFORE EACH ONE OF YOU WITH MY MERCY AND MY JUSTICE.**

Children, I am a Father and I love you, I warn you out of Love. Convert, renounce the mundane, stay away from what gnaws the human intelligence and takes control of the mind and of the thoughts, just like the technology that has created the means so man from childhood will see with scorn the Gift of Life and that violence rule in each act and deed until man is unrecognizable before Me.

**Beloved, I invite you to pray for the Middle East, violence will continue.
Beloved children, pray for Peru, it will be shaken.
Beloved, pray for Venezuela, violence will increase.**

My Mother is Protector of My children; she does not abandon My People. My Angel: the Messenger, together with My Mother will protect you and will proclaim My Love, and My children will be strengthened.

**AT THE END, THE IMMACULATE HEART OF MY MOTHER WILL TRIUMPH,
AND MY DIVINE WILL, WILL REIGN ON EARTH AS IT IS IN HEAVEN.**

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Let's not fear the Divine warnings, on the contrary, knowing beforehand the Word of Our Lord; let's pray, let's receive it in the Holy Eucharist, let's be messengers of Love and let's ask the Holy Spirit for discernment.

We know that our Blessed Mother is extremely fearsome to Satan and his cohorts; our Mother calls her servants of these instants to redouble forces and to be children of action, where the Divine Word will be in the brother's deeds and actions.

LET'S BE THOSE CHILDREN THAT BEING OBEDIENT TO CHRIST, WE WILL BE PART OF THE FAITHFUL SERVANTS OF THE BLESSED MOTHER, WHO SATAN FEARS SO MUCH.

Evil has redoubled the attacks because he knows he has very little time, but we know that from Heaven comes our protection, because we are children of Love and of the Divine Will.

OUR PRAYER IS NOT LOST, OUR FAITH STRENGTHENS, THE DIVINE MERCY GUIDES US, AND OUR MOTHER, TOGETHER WITH THE ANGEL OF OUR LORD, WILL PROTECT US FROM ALL EVIL.

Amen.

SUPERNATURAL EXPERIENCE CONCEDED BY CHRIST TO LUZ DE MARÍA JULY 7, 2014

**AFTER THE MESSAGE, CHRIST SHARED WITH ME:
MY BELOVED, COME, I WILL SHOW YOU:**

Our Lord Jesus Christ came close to me, held my hand and elevated me up high, from where I observed a great number of human creatures, all dressed that way we normally dress.

My Lord said to me: "You will look closely at the spiritual fruit of those who live, work, and act in My Will, of those who fight against evil, as I wish; of those who claim to love me but act in sin, in darkness where they think I cannot see them."

I saw a great number of creatures that prayed, and as I listened to their prayers, I felt great exhilaration within my soul. He said to me: "That feeling is profound devotion, love that is offered to Me, a donation from these souls in the act of prayer. Listen: it is not something mechanical, it is the result of their love towards Me and towards their brothers."

I saw them invoke, with prayers and spiritual offerings, the Holy Mother, and saw how the Mother took in Her Hands those acts and presented them before Jesus Eucharist. At an altar of unimaginable height, surrounded by Angelical creatures that remained in adoration, He maintained himself as these creatures raised their faces and inclined their heads before such Great Majesty. Beautiful chandeliers with their candles alight illuminated the altar.

"Oh, My God and My Lord, how great You are!"

Our Holy Mother approached the altar and watched smaller altars, of a variety of materials and shapes. Christ said to me: these are the altars of the temples of the world.

**HOW HAPPY IT MAKES ME WHEN SOULS APPROACH ME TO RECEIVE ME,
TRULY CONSCIOUS THAT IT IS ME WHO THEY ARE RECEIVING!
AND, IT IS SUCH A GREAT PAIN THAT IS INFLICTED UPON ME
BY THOSE WHO ONLY FEIGN TO APPROACH ME: THEIR OFFENSE IS DOUBLED!**

I saw some beings, brilliant like the Sun, their faces truly angelical, of a supernatural beauty, and each of those beings accompanied the creature to receive the Holy Communion. Then, these placed upon the creatures that had communed properly a special gift. This grace transformed into a crown. On some heads there were several crowns, on others one, on others one or two flowers. Christ explained to me that the crowns distinguish each creature in their spirituality, then pointed at one creature and said to me: "This creature receives Me daily but lives an empty faith, does not believe fully in My Love for your neighbor, and receives me out of routine. This routine undermines the love and offering that are necessary.

From all of these souls I saw a luminous ray emerge, and as these united into one, Christ took it in His Hands and elevated it. I asked "My Lord, where does this luminous ray travel to?" And He answered: "Towards My Father and towards strengthening those brothers of yours who urgently need help to develop their faith and not consent to the fear, among other things, that halts them from vocalizing My Will.

The power of prayer is astounding; I heard a murmur, and Christ said to me: "This ray of light is all the prayers made with love, truth, patience, faith, hope, and charity. They travel until they reach the souls that need acts of good faith, acts in My Will, to receive comfort and therefore wait for My Mother to take them to My Dwelling.

But I was suddenly surprised by a burst of rays, rays that were blue, violet, green, red, yellow, lilac, gold and silver. They emerged from those creatures that prayed, and I watched them moving in search for other souls. Christ said to me: This is My joy, "The creatures do not only maintain static in prayer, but also in action; look at that creature (and he pointed at him so that I could observe him), so timid, shares with his brethren these pages and asks them to read them; there is no need to speak, only to act. These are the creatures that provoke this variety of lights, all depending on their works and actions, but look at them! None of them finds itself in one single place. That is My People, that which produces the most blessings, that which does not keep My Teachings for itself but shares it with others".

“Look at those that struggle for their lives, look at those who transmit My petitions to humanity, look at those who do not obfuscate their thoughts with banal acts but instead act for Me and for the good of all souls.”

An Archangel, in obedience to our Mother, went from side to side, where these creatures kept themselves in the lifelong struggle against the daily temptations in order to remain on the correct path; the Archangel blessed with a celestial water all these creatures.

I asked: “My Lord, what is that water of such a special color?” and Christ responded to me: “Faith, My love; Faith, it is the water of Faith, so that they may continue despite their daily battles. Another Archangel appeared, and, incensed, exclaimed at everyone: “Hope for all the creatures that are faithful to My King! Hope!”

Suddenly an Archangel, moving with a splendorous (almost blinding) light, which only allowed me to observe its silhouette, said: “Let the Light of our King illuminate the path for those who are faithful and strengthen those who are fearful; fill them with charity, a quality whose disappearance from the heart has been caused by evil and by the sensibility of mankind. Charity is the light that makes the truth of our King’s gifts be reborn in all hearts. Love without charity is a farce, and charity without Love is unthinkable. Love and Charity are virtues where the Will of the Divine flows.

“My delight”, says the Angelical being, “takes me to exult in a chant of adoration, as I watch what occurs during a prayer that is carried away just as Christ and the Mother expect them to: in act of contrition, with true purpose of self-improvement, with faith, obedience, and disposition; and applying all these virtues into ones actions towards all people, and opening others’ eyes, not just the physical but also the spiritual ones, so that they may not be fooled.”

And the Angelical being of splendorous light declared: “Ah... If all human beings acted with the same conscience as this small number of them, and instead of losing their lives dedicating themselves to criticism and evil, they proposed themselves to be active messengers! How different would that mankind be! My King would then allow me to remain closer to them, together with our Queen and Mother, in those times when it is necessary for faith to grow and not diminish in all human beings.” Our Loved One looked at me directly, and says to me: “My People will not remain alone; I will send all sorts of help from My Home, so that it may not be easy prey to the enemy of the soul. My love, you have witnessed what is accomplished not only by prayers, but also by actions and works of human beings, when these are conducted with conscience; I wish not only to share the knowledge, but also to share it with the purpose that every human shares it with others, and thus you may not be overrun by evil.

“My Children must be aware that disposition is necessary so that My Spirit acts in each one of you and spills the necessary virtues, so each of you, alert your brothers of this epidemic of power and insensibility, an epidemic that evil ones with Earthly power spread over those who are weak, desperate, and needy.”

And then he said to me **“FAITH WITHOUT WORKS IS DEAD.”**

**AND THIS IS THE INSTANT OF ACTION AND UNITY; IN THIS INSTANT,
THE RESPONSIBILITY OF UNITY WEIGHS ON THE SOULS THAT KNOW MORE.**

HE WHO IS THE CAUSE OF DISUNION WILL BE JUDGED SEVERELY.

My Loved One orders me to share with my brothers the merits of the correctly executed prayer; the merits of the communions offered with true conscience that one is receiving Christ himself, alive and breathing; and orders me to share the importance of being, each one of us, a messenger that alerts the fellow man of what is occurring to mankind, so that evil may not conquer before the ignorance of His People.

And thus, in obedience, I share this blessed experience.

Luz de María.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JULY 9, 2014**

Beloved children of My Immaculate Heart:

**MY MANTLE PROTECTS YOU, AND I SAFEGUARD YOU ALWAYS, NOT JUST TO PROTECT YOU,
BUT AT THE SAME TIME MY MANTLE IS THE DIVINE LOVE THAT KEEPS AWAY THE EVIL
THOUGHTS FROM YOU, WHICH TAKES YOU ENTIRELY AWAY FROM THE DIVINE LAWS.**

A group cannot call itself spiritual if it is not accompanied by prayer, sacrifice and be properly prepared to receive My Son in the Eucharist.

My Beloved:

My Son preached, evangelized and being that He is the same Man God, He would go away alone to pray to His Father and receive from Him, not only greater blessing and total fusion, but to receive instructions and the necessary strength.

My Beloved:

**ALTHOUGH IN THIS INSTANT PRAYER SHOULD BE ACTION, ESPECIALLY TOWARDS YOUR BROTHERS
IN TOTAL BROTHERHOOD, CONTEMPLATIVE PRAYER IS ALSO NECESSARY.** When the creature prays repetitively and unconsciously, he doesn't achieve its intentions. With prayer you rise and come closer to the Divinity, but contemplative prayer, being alone with God, brings the creature closer to his Father.

**WE HAVE INVITED YOU TO A PRAYER OF ACTION TO HELP YOUR BROTHERS AS MY SON ESTABLISHED
IT AND SHOWED YOU:** healing the sick, feeding the hungry, visiting and traveling from city to city, from town to town, from home to home, from creature to creature. Thus, you as repeaters of that Divine devotion, should be in this instant totally active, but the action is not strong if it is not accompanied by prayer, of being alone with God, of communion with the Divinity.

The Father, the Son and the Holy Spirit know even the slightest movement of Their children and respecting the human will, they wait for Their children to ask what they need. In that lapse of time that you are not asking the Divine Help, you suffer needlessly.

My Beloved children:

Ask for the daily bread: which bread are you asking in this instant? The material bread to satisfy hunger or the bread of the Word? Although you do not know it, that what you really need in this instant is the Bread of Fusion with My Son; fusion which consists of tête-a-tête alone with My Son to be strengthened and thus rise over those who don't pray and don't connect in that intimate communion with My Son so that the Holy Spirit, through this intimacy, descend upon each one of you.

MY CHILDREN WORK IN FAVOR OF THEIR BROTHERS; BUT THEIR WORK IS WEAK, WITHOUT THE WEAPONS TO PROTECT THEM, SINCE THESE WEAPONS CAN ONLY BE PROVIDED WITH PRAYER, prayer in which the creature makes himself worthy and asks the Holy Spirit for Divine Help, surrendering to the Divine Will without fear, with that assurance of those lacking in great part of those who establish communities which are more social than spiritual. Brotherhood is a requisite that My Son asks, but the brotherhood is not complete if the creatures do not pray to their Father.

PRAYER PROTECTS YOU WITH THE ARMOUR TO RESIST THE ATTACKS OF THE ENEMY.

FAITH WITHOUT DEED IS DEAD, but... how can there be creatures of Faith if they do not pray, because through prayer you are strengthened by the Holy Spirit to continue in battle? How can you say you are creatures of God if you do not strengthen yourself with the Divine Bread, with the Heavenly bread from God, with the Body and the Blood of My Son?

THOSE WHO DEDICATE THEMSELVES ONLY TO DO DEEDS ARE VERY WRONG, AND WHO DO NOT SEEK TO NOURISH THEMSELVES WITH THE INTIMACY OF THE BLESSED TRINITY TO CONTINUE WITHOUT FALTERING, PROTECTED WITH THE ARMOUR OF FAITH!

My Beloved children:

YOU MUST PREPARE ARDUOUSLY, BECAUSE VERY SOON, VERY SOON EACH ONE OF YOU MUST EXAMINE YOURSELF INTERNALLY, EACH ONE OF YOU MUST LOOK AT YOURSELF; AND NOT ONLY WILL THE DEEDS AND ACTIONS BE WEIGHED, BUT ALSO THE SUCCESSFUL SURRENDERING TO MY SON, THE COMMUNICATION AND SPIRITUAL COMMUNION WITH MY SON THAT PRAYER PROVIDES YOU. I am not only speaking of praying; I am speaking about praying alone with the Blessed Trinity, to hope for greater heights, to that familiarity that can only be reached through prayer.

Each one individually must examine yourself because in the Warning you will live seconds that will seem an eternity; and more so those who have engaged in the transitory for their own convenience and have not made the effort to avoid sin; not giving to the Blessed Trinity the proper relationship due to the Divine Will; which requests that total and absolute surrendering of the human will to work and act.

My Beloved:

The world is in disorder and those who lead humanity prepare for war.

Nature will shake great Nations with force.

**My Beloved, I invite you to pray for the Middle East.
Beloved children of My Immaculate Heart, I invite you to pray strongly for the United States,
because their cry will be heard around the world.**

*(At this moment the Blessed Mother is entrusting me with a very special Petition.
She is indicating to me that said Petition will be known to humanity after it has been carried out.)*

My Beloved:

MY PETITIONS MUST BE CARRIED TO AVOID GREATER EVIL.

Beloved children of My Immaculate Heart:

**I WILL CONTINUE TO COME TO YOU,
ALTHOUGH MANY SAY THAT I CANNOT INTERCEDE BEFORE MY DIVINE SON ...,
YES I DO INTERCEDE BEFORE HIM, BECAUSE I AM HIS MOTHER WHOM HE LOVES.**

Hold My Hand and obey My pleas, be children of Love, of Faith and of Charity. Don't forget that he who doesn't love is an empty and lifeless creature.

**LOVE GIVES LIFE, LOVE EXALTS,
LOVE IS FOOD AND LOVE, WHICH AT THIS INSTANT LACKS IN HUMANITY,
IT MUST FLOURISH AND MORE SO IN YOU WHO ARE CALLED MY ARMY.**

My Apostles of the End Times:

**MAKE HUMANITY AWARE, OF THIS URGENT INSTANT,
AND BE THE ANNOUNCER TO YOUR BROTHERS
OF THE DECEIT TO WHICH YOU ARE SUBJECTED TO BY THE GREAT FOOD INDUSTRIES.**

In this instant the great Herod of humanity: the nuclear energy will cause such destruction that you in this instant cannot even imagine. They say that there are great Powers that talk about nuclear disarmament but this is not so, since they are moving their weapons to smaller countries. No great Power will be disarmed on their own volition and become prey of the other Powers.

**REMAIN ALERT, MY CHILDREN, THAT THE FORCES THAT ACOMPANY THE ANTICHRIST
FIGHT DEVIOUSLY AGAINST MY CHILDREN.
BE REPEATERS OF THIS MY CALL.**

I love you and I bless you in the Name of the Father, and of the Son and of the Holy Spirit.

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Our Mother is with great entreaty the same as she did at the Wedding of Cana, She asks Her Son in this instant to allow her to make a Call to humanity again and teach us through prayer how to keep ourselves closer to the Blessed Trinity.

She alerts us regarding the spiritual life so we can correct the errors before we have to suffer strongly the consequences of the Warning, and in this way mitigate this instant.

The greatest armament threat: nuclear energy will be the scourging of the People. Man does not create something that he will not utilize..., it is sad, but that's the truth.

Brothers, let's pray, let's share the bread with the hungry and bring the Divine Word to everyone. Put all of our efforts to reach an intimate relationship with the Blessed Trinity and with Our Mother, no one will understand us better than She.

Let's not be creatures of habit, routine, but that each act be something special that we offer to the Blessed Trinity with pleasure.

Amen.

A REFLECTION FROM LUZ DE MARÍA JULY 12, 2014

CHILD OF GOD, RECOGNIZE THE INFINITE LOVE OF CHRIST AND OF THE BLESSED MOTHER IN EACH WORD THEY ADDRESS YOU WITH TO ALERT YOU IN THIS INSTANT.

In the Eternal Divine Present I have seen and felt in my soul that constant Call of Heaven to us His children in a continuous, maternal and merciful way.

The glorious risen Christ does not cease to suffer for us and feels the urgent need to awaken us before the terrible reality that is about to descend upon the whole world. This Divine Worry should powerfully call the attention of each one of us, this Divine Worry of alerting us ceaselessly so that we react properly and do not continue like this, accepting brutality out of habit, the brutality with which man treats his

own brothers and sisters and becomes a terrorist, cannibal, victim and puppet of his rulers who seek power and economic and absolute dominance, at the expense of the blood of their own People.

MAN, THAT DIVINE SEED TO WHICH THE FATHER'S GREAT PLAN ENDUED AND GAVE WHAT WAS NECESSARY FOR HIM TO EVOLVE IN THE SPIRIT, HAS NOT RESPONDED WITH THE PROPER RECIPROCATION WITH WHICH THE THREE DIVINE PERSONS HAVE DEPOSITED THEIR DIVINE LOVE INTO THE HEART OF MAN.

Brothers and sisters:

Who can say man evolves when the Divine Word is ignored and Faith has weakened, since in the majority of cases ignorance is superior?

We pray: "Our Father"... and beside each one of us or at a distance, innocent people suffer, when the Father's Great Project is that we live in His Divine Will so that we can really enjoy being His children, without evil or wars, or powerful people who subjugate the Nations, without nuclear plants or foods that kill man instead of nourishing him, all this patronize by industries whose interests go beyond humanity's bodily life.

The god of money has bought minds, consciences, men and powers in every age and especially in this one. We clearly see that we limit Divine Help in these instants in which we live the negative progress of science used for fatal ends against man himself. We see the great luciferian rebellion, which prepares the antichrist's great stage, the antichrist who from hell has sent a assault of retrograde action so that confused souls feel confort in the darkness, man fighting against himself.

Brothers and sisters, in each Divine Call, Heaven allows me to live Its Word in the feeling and understanding of it. I can say with certainty that Christ and the Blessed Mother, seeing man decay in spirit, alert us and call us so that the knowledge that we are more than flesh and bone and that we must understand that in order to reach the final triumph over finiteness we must serve our neighbor and be that same Divine Love, reaches the depths of our soul.

Christ and Our Blessed Mother grieve before man's refusal towards good and they grieve before man's acceptance of all that is negative for the human spirit and towards all that which goes against the Divine Word. Man, absorbed in that deception in which the demonic hosts keep him, has gone mad and has accepted what is contrary to good and has taken it up as a banner.

Blessing descends from Heaven, and each one in particular will know if he or she takes it or not. It is like breathing: each one of us breathes and continues to live. Blessing will come to all those who willingly receive it, being aware that we are a unity, but at the same time, each one of us is an individual being who must bear the results of his or her own actions.

**THE LORD HAS SPOKEN TO US OF PRAYER...
THIS PRAYER IS LIKE THE BREATHING OF THAT SPIRITUAL BEING THAT WE ALL HAVE,
BUT IT IS NOT THAT REPETITIVE PRAYER BUT RATHER PRAYER THAT IS LIVED,
THAT FLOWS FROM THE SOUL,
THAT PRAYER THAT IS FELT AND COMMITTED TO THE GOOD OF SOULS.**

Brothers and sisters:

Prayer is the signature we put on that contract and that commitment to live in the Divine Will...

Payer is action towards our brothers and sisters and towards Creation...

Prayer is communion with the Sacrosanct Trinity...

Prayer is remaining disposed to the Divine Plan...

This Divine Plan is that we all come to the knowledge of the Truth and the Truth entails waking up our brothers and sisters and explaining the reality of this instant in which man is not only subjected by what is seen in plain sight but also by those international organizations without a conscience who poison from the reason to the physical organism with the end of eliminating the alleged overpopulation and have multiplied the false gods, offering weapons to a large part of the youth so they invite the devil in one form or another to govern them.

Immorality and unawareness shine everywhere, the submission to technology is a powerful weapon to divert the mind of the youth and children who grow mute before electronic games that train them to kill and be aggressive. Have we asked ourselves where the violence in children and the young comes from?...

Humanity does not see the violence with which Nature has man confronting him with constant scourges. Man expands his own opinion and leaves a trail behind his steps, good or bad, for good or for evil. That is why Our Blessed Mother invited us to be aware of the value of remaining within prayer and in communion with our King and Lord of Heaven and earth: Christ the King of the Universe.

Heaven alerts Its children in every aspect...

Man must renew himself from within with a generous spirit, but this does not happen and Christ allows man to purify himself so that at the end of the Purification, it is man's own will that cries out: ABBA FATHER!

In fraternity and love,

LUZ DE MARÍA

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JULY 14, 2014**

Beloved children of My Immaculate Heart:

MY ARMS REACH OUT TO ALL THOSE WHO ASK FOR PROTECTION FROM ME.

I guide My Son's People when they ask for My Intercession, I do not see faces or positions, I see souls of good will, desirous of getting closer to the right path that leads to Salvation.

Within so many buds that usually go by unnoticed, I usually find souls of great value who have been able to overcome a heavy and exhausting spiritual metamorphosis.

Mary Most Holy:

Beloved daughter, which is the path of those who follow My Son?

Luz de María:

The one that our Supreme Good left traced for those of us who follow in His Footsteps.

Mary Most Holy:

Daughter, the world leads man to behave foolishly and man directs his steps towards the amplitude of different paths. Man, like a bee, lands on every flower he sees on the way, tastes everything, except that the bee fulfills the purpose for which it has been created..., man mistakenly seeks to know and falls into grave mistakes...

Daughter: Do you know what the souls yearn for?

Luz de María:

Mother, that honey of bees that are not distracted in other occupations that have not been assigned to them.

Mary Most Holy:

My beloved: what the soul yearns for is Divine Honey, where equity is happiness, effort is thanksgiving, sacrifice is joy, longing is gladness, obedience is light, patience is unbreakable, charity: a necessity, the conscience: a companion, hope: the beacon that shows you the goal; faith is that which ceases to be mystery to be the seal that sets you apart.

Daughter, on My children's path, Love and Wisdom are indispensable to banish envy and welcome humility without discarding it. Tell me: what does the person who acts contrary to this that I have mentioned to you enjoy?

Luz de María:

Mother, some people want and enjoy the places of honor on Earth and in that wanting they cause affliction to their brothers and sisters.

Mary Most Holy:

Beloved, none of My children will find themselves free of the scathing words of their brothers and sisters above all of those who have self-appointed themselves critics. Anger alongside slander, is the stinger with which satan, mobilizing himself quickly, keeps busy those he has taken to persecute and signal out those who serve My Son. My children must maintain surety in persecution and be unbreakable.

My Son asked His own to remain sure, not to feel dejected or intimidated before those who remaining in the world, move in what is worldly, spreading defamation and calumny; on the contrary, whoever remains firm despite these opinions, walks surely towards Eternal Happiness.

Beloved daughter, those who in these instants are persecutors of My instruments are like those who previously persecuted the Prophets.

MY TRUE CHILDREN ARE THE ESSENCE OF DIVINE LOVE and although they are scorned they must not feel sorrow because of it, even if this is a reason for martyrdom.

Beloved children of My Immaculate Heart:

REMAIN IN THE TRUTH, DO NOT FALTER, DO NOT FEAR PERSECUTION BY REMAINING IN THE DIVINE TRUTH, DO NOT FEAR DISCREDIT OR FALSE ACCUSATIONS, INSTEAD DO NOT ALLOW YOURSELVES FEELINGS CONTRARY TO LOVE TOWARDS THOSE WHO PERSECUTE YOU. MY SON SPEAKS FOR THE ONE WHO IS SILENT.

Children:

Humanity, confused by the deafening arm of evil, rushes towards pain and I suffer because of it. Like at Babel, men do not understand each other, they only wish to attain power and kill one another ruthlessly.

Instants are sufficient for man's harshness to provoke more death. A great power awaits as if asleep to scourge with force in the least expected instant. The whole Earth will suffer, in the midst of genocide, few will repent.

I insistently call so that all My children keep in mind the pain and the aftermath of a previous war.

You who hear Me:

DO NOT WAIT, EACH ONE IN PARTICULAR WILL BE PLACED BEFORE HIS OR HER OWN MIRROR, DO NOT BELITTLE THIS WARNING SO THAT YOU DO NOT SUFFER.

The Sun will unexpectedly cause man great pain.

The signs of the times do not wait and those who are spiritually blind will not see them.

Pray for Chile, it will shake again.

Pray for the United States, it will suffer unexpectedly, by man's hand.

My beloved: I suffer, I grieve for My children, I call them to fraternity, I alert them in instants in which satan and those who are his rejoice upon leading man to be worthless with himself. The metal god will lead those who have idolized it, entrusting their life to it, to desperation; I suffer profoundly for these children.

All of you children of My Heart:

HERE BEFORE YOU I AM FOUND, MY SON WAITS FOR YOU: EACH ONE OF YOU IS THE LOST SON, THE DOOR OF MY SON'S HEART REMAINS OPEN, COME SOON.

I bless you. I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Taking the Sacred Scripture, let us meditate on Matthew 5:10-12

“Blessed are those who are persecuted because of righteousness, for theirs is the kingdom of heaven. Blessed are you when people insult you, persecute you and falsely say all kinds of evil against you because of me. Rejoice and be glad, because great is your reward in heaven, for in the same way they persecuted the prophets who were before you.”

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JULY 16, 2014**

My beloved People:

**I BLESS EVERY HUMAN BEING WHO CARRIES
THIS WORD OF MINE IN HIS OR HER HEART AND TREASURES IT.
I BLESS EACH EFFORT THAT YOU REALIZE WITH CARE AND SACRIFICE
TO DISTANCE YOURSELVES FROM WHAT IS CONTRARY TO MY WILL.**

My beloved:

As Father of Love, when My children are going to suffer, I warn them through My Prophets about sufferings of every kind and amendments so that they do not continue to be strangers to Nature whom they have harmed, it calls upon man's behavior.

Pray instant to instant with confident prayer and filled with faith.

Humanity continues threatened by the great mistake of man's conscience about forgetting Me. My Mother does not stop with Her Calls and still through Her Tears, My children do not soften... She weeps before man's persistent refusal, before the constant refusal to My Calls.

**MY MERCIFUL LOVE SENDS PURIFICATION IN WHICH THE JUST AND UNJUST WILL SUFFER: A
PURIFICATION GREATER THAN THE FLOOD FOR THIS GENERATION:
FIRE WILL FALL FROM HEAVEN.**

The devil has not rested, he has secretly entered among humanity and humanity is pleased with what takes place, since it sees men's mistakes as normal attitudes, in an instant they call of renewal... Renewal that does not go with poverty or charity, on the contrary, they live in criticism to destroy My Works, they do not know silence, they see the suffering of others as a sign of victory.

Humanity:

BEHOLD THE INSTANT OF INSTANTS, ERROR SEIZES POWER, PHILOSOPHIES AND MORAL AND THEOLOGICAL ERRORS FORM THAT NEW RENEWAL, the scorn for life has invaded man and has led him to his basest of instincts.

My beloved:

UNITE, DO NOT SEPARATE EVEN THOUGH EACH ONE WILL WANT TO LEAD HIMSELF OR HERSELF; this is a great danger, it is what the devil waits for to possess souls and in that way lead all My children to declare spiritual war on Me.

The one who is the greatest of all, let him be the least and let him be humility to maintain unity with his brothers and sisters; the one who has hierarchy, let him be the most humble of all, otherwise he will not truly be a faithful apostle of Mine.

Children, do not cease to be attentive not even for an instant.

You know that they call evil good and they hide sin with falsehoods that are not My Will... Humanity faces the greatest and most fatal war against Me and all that My House signifies... Humanity has surpassed the evil of Sodom and Gomorrah, before so much and such fatal perversity... Leaders of great Nations have signed shady deals to seize those who are Mine and lead them to suffer and to unmeasured suffering...

You deny My Justice, forgetting that I come with the scale in My Hands and it will be just, not acquiescent with sin. My Justice is not wrong, it is Divine...

Greater interests make man erroneous to increase evil's spoils, giving false explanations about My Mercy and applauding sin the greater the better...

The increase of the persecutors of My Faithful is a great sign that I come soon to uproot from my fields those who plant chaff, promoting errors and bringing the forces of evil upon those who are Mine.

Beloved People:

Do not fear, even when the universe itself in general is horrified before man, you My People, who do not fall but conserve the Faith in My Word and are conscious of My Love and of My Justice and, knowing about My Second Coming, do not fear before those who persecute you.

Likewise My Legions wait for My Signal to help My faithful, My Angel comes with My Word to announce It and to protect those who are Mine.

My beloved People:

**DO NOT FEAR THE PRIDE OF MEN. COME TO ME, RECEIVE ME
AND REMAIN FAITHFUL TO MY COMMANDMENTS.**

**My beloved People, pray for the country of painters and rivers,
pray for France, it will be attacked.**

**My beloved People, pray, the strength of the volcanoes makes itself felt,
Yellowstone shakes and others will cause terror.
My beloved People, pray for Chile, it shakes again.**

A leader of a Nation falls surprisingly.

Beloved:

**PREPARE YOURSELVES IN FAITH, DO NOT FEAR MY CALLS, COME TO ME
AND MY SPIRIT WILL GIVE YOU RELIEF IN THE TRIBULATION,
COMFORT IN AFFLICTION AND YOU WILL SEE THE NEW DAWN, CLAD IN MY HOLINESS.**

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Our beloved Lord Jesus Christ shows Himself as a Father to protect us, as a Mother to lead us to understand His Mercy and His Justice at the same time, as a friend to help us and not separate Himself from us.

We need to breathe, Christ is the breath...

We need to feed ourselves, Christ is the Divine Food...

Brothers and sisters, we must awaken, that is our response to adore Christ: to awaken the conscience and come out of what is worldly, set aside fears and have it clear that because He loves us so much, He reveals to us what is necessary so that strength does not decay, but so that we have faith in his promise.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JULY 20, 2014**

Beloved children of My Immaculate Heart:

I bless you.

**YOU MUST UNDERSTAND THAT TO REMAIN IN UNITY,
YOU MUST FIRST CONSCIOUSLY DECIDE TO ACCEPT THE DIVINE WILL IN THE LIFE OF EACH ONE OF
YOU AS THE ONLY PATH FOR SALVATION.**

The love of God is not a word, or an action, or a work: it is a total and absolute fusion of the person with his or her Creator in a succession of works and actions in the likeness of his or her Creator.

Beloved, the instant has arrived in which man cannot conceive of tomorrow as something distant, the day evolves without man perceiving it: the sun rises and the moon comes out without the sun setting, time has become an instant, so yielding the place to the signs of this instant.

In the evolution of the instant, humanity is wrapped in a constant coming and going of knowledge, modernisms, technological competitiveness, false idols of modern music that guide you to the dark paths of satan. All of this bursts forth in the daily life of My children, dislodging Divine Love, and in its place: what do I see as a Mother? An empty man without feelings, invaded by violence towards all that signifies life, yes, life!

**THE ENEMY OF THE SOUL DOES NOT PROWL, HE ATTACKS EACH ONE IN PARTICULAR AND ENTERS
HARSHLY, DEMOLISHING ALL THAT BELONGS TO MY SON AND WHAT REMAINS OF MY SON IN
MAN.**

Beloved children:

**Pray for Japan, it will cause great anguish to all of humanity.
Pray for the Middle East, violence becomes widespread, the innocents suffer even more
and this violence moves to other countries of Europe.
Pray, children, for Brazil: it will suffer a great pain.**

You live instants previous to that great act of My Son's Mercy, instants previous to My Son examining the conscience, the works, the actions and the behavior of every human being, instants previous to the pain or the commitment of each one in particular...

MY SON IS COMING SOON, HIS SECOND COMING IS IMMINENT FOR HUMANITY, ALTHOUGH THIS COMING WILL NOT COME WITHOUT MAN FIRST BEING PURIFIED BY HIMSELF. Do not fear; wait, wait with love and longing for My Son's Second Coming. My Heavenly Hosts remain over you, guarding you in the measure in which you allow it.

**THE CONSCIENCE MUST REMAIN UNITED TO THE HOLY SPIRIT
SO THAT MAN IS WORTHY OF MY SON.**

My beloved, as a Mother I want all to be participants in the Divine Glory; even so, My Pain increases constantly at seeing how a great part of My children turns away. I know that some will see and others will not see the Glory; I suffer because of it.

**MY SON ARRIVES BEFORE MAN. I CALL YOU TO PREPARE YOURSELVES, REFUSING ALL THAT IS
CONTRARY TO THE INHERITANCE YOU RECEIVED: THE COMMANDMENTS.**

My Son approaches, My Son's Glory is near, and the dawn of man towards a new Heaven and a New Earth, is instants away.

My Son's Throne will shine more radiantly than at the very hour of His Ascension into Heaven, for He comes and descends for His People and there will not be a measure to His Love and His Mercy.

**ALL OF CREATION WILL RECOGNIZE ITS LORD, EVERY HUMAN BEING WILL FALL ON HIS OR HER
KNEES EVEN IF HE OR SHE DOES NOT LIVE UNDER THE LIGHT OF MY SON'S LOVE. THE EARTH AND
THE ENTIRE UNIVERSE WILL SHAKE WHEN THE KING OF KINGS AND LORD OF LORDS PRESENTS
HIMSELF WITH HIS BELOVED MYRIADS OF CHERUBIM, SERAPHIM, THRONES, DOMINIONS, VIRTUES,
POWERS, PRINCIPALITIES, ARCHANGELS AND ANGELS who will exclaim in one voice: WHO IS LIKE
GOD?**

All that has been created by the Father will know that the hour has arrived: the waters will move, the stars will be seen to change place, all the Earth will shake, Nature, fused in total harmony to the Divine Will, will renew itself to offer its greatest offering to the one who comes on His Throne of Glory and Majesty.

My children:

Only man, only man will fear, since he has not corresponded properly to the place My Son bequeathed to him. Only man, only man will feel himself to be unworthy before the aberrations committed by himself against life itself and thus, the lack of correspondence to My Son. All that exists will see the Divine Glory and all that remains inert, even what is inert will know that Divinity descends in Glory and Majesty.

The new resplendent dawn of the Divine Fullness will reach every human being; you will hear your names pronounced by My Son: those written in the Book of Life will be called, will be presented by all the Heavenly Hosts so that they may enjoy the purified Earth. Those who have not lived in the Divine Will, working and acting in likeness of My Son, those, those children will perish in the lake of fire, and I as Mother, suffer, suffer because of it.

My beloved children:

I have cried out to you insistently that you renew yourselves on the inside so that these hearts of stone be willingly transformed into hearts of flesh; I see so many men walking empty upon the earth being imitations of those who have been taken by evil.

My beloved children, do not wait, this is an instant and the instant is merely the blink of an eye; peace awaits man, what has been longed for awaits him, renewal awaits him. Do not retrogress, continue to strengthen the Faith, defend the innocent; in every instant My Son has spoken to His People through His Prophets and I have called humanity through My faithful instruments. Do not discard this call, I love you, I bless you.

Mother Mary.

IN THE NAME OF THE FATHER, OF THE SON AND OF THE HOLY SPIRIT.

AMEN.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

How can we not love you, Blessed Mother?

You assure us time and time again that the Door of the Kingdom remains open for all, so open that it is within each one of us.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JULY 24, 2014**

Beloved children of My Immaculate Heart:

EACH ONE OF MY CHILDREN MUST RESPOND TO THE MISSION THAT HAS BEEN ENTRUSTED TO HIM OR HER BY THE FATHER.

You have been looking for My Son outside of yourselves and... you shouldn't have gone outside of yourselves to find the one you thought was outside.

Upon finding himself in the great crossroads that is starting, man tries to find his God in what is hidden; do not forget that man will come to not recognize himself and will have forgotten completely that within himself dwells the Truth.

THE TOTAL DISPERSION IN WHICH MAN LIVES WILL LEAD REASON TO REMAIN INACTIVE, DOMINATED BY THE LACK OF KNOWLEDGE OF GOD AND OF MAN HIMSELF AND BY THE LACK OF KNOWLEDGE OF THE POWERS GIVEN BY HEAVEN TO OVERCOME WHAT IS WORLDLY, WITH THE END OF THE HUMAN BEING ELEVATING HIMSELF ABOVE HIMSELF AND TRULY FINDING HIMSELF IN GOD.

Beloved, humanity is far from what it calls freedom; it has mistaken the path again inspiring itself in a freedom disguised as unreality, deception and hypocrisy and tying itself more each instant to the evil that engenders evil, in the interests of the strength of the antichrist that governs already through human will, which refuses to recognize the reality in which it lives.

In this instant every human being seeks outside of himself or herself a model which to imitate, calling this freedom, refusing to see evil's objective, which is to lose man in a sea of torment, in which humanity already submits itself and will submit itself willingly because of the powerful influence that the antichrist will exercise in his public appearance.

Children:

HUMANITY HAS COME TO NOT KNOW ITSELF AS AN IMAGE OF GOD; HARBORING HATRED AND RESENTMENTS WITHIN ITS HEART, RECOGNIZING THE ERRORS AND DEFECTS OF OTHERS MORE THAN ITS OWN. WITH SORROW I MUST MENTION TO YOU THAT THIS BEHAVIOR LEADS YOU TO BE POTENTIALLY AGGRESSIVE HUMAN BEINGS, CAUSING NOT ONLY PHYSICAL DEATH, BUT SPIRITUAL DEATH TO YOUR BROTHERS AND SISTERS AND TO YOURSELVES.

My beloved:

I do not want fear in you but a prompt response, an effective response so that you come to My Son as soon as possible, recognizing Him as King of Heaven and Earth, ONLY IN THE FUSION OF THE PERSON WITH HIS OR HER CREATOR, WILL HUMANITY HAVE REACHED THE END FOR WHICH IT WAS CREATED.

Beloved:

War has been gestated in the midst of a false agreement of peace: some will believe in the words and others will attack by surprise. War is not a illusion, it is a reality.

It is a number of people who conspire to destroy the world, and having knowledge of it, they continue to work for those who do not measure their actions against man.

It is so many who refuse to turn to My Son's Mercy, such as those who totally deny Devine Justice!

The Earth will no longer be a land of peace due to humanity being taken by evil. Only a small Remnant will remain faithful in the midst of so much onslaught. Human disobedience will lead to man using nuclear energy, making part of humanity disappear and contaminating everything in its path.

My children:

In this instant, the love in humanity agonizes, by order of the antichrist who sent his legions of followers to fight against souls and these obey him. From there stems so much bloody fighting without reason. Man does not want to understand that evil feeds itself off of hatred, resentment, anger, of every sentiment that emanates from man and is contrary to Divine Love. This denial was the cause of man's abomination against God and will be again in this instant, causing the last and great abomination against the Sacrosanct Trinity.

Beloved, pray for those of your brothers and sisters that will perish under water.

Children, pray for England, it will soon be shaken.

Beloved, pray for Greece, it will faint from pain.

Children, pray for Chile, the lament will be great, pray.

Beloved children:

IN THIS INSTANT THE HUMAN EGO MUST BE ANNULLED BY MY SON'S LOVE THAT DWELS IN EACH ONE OF YOU. DO NOT FORGET THAT MAN TAKES PLEASURE IN WHAT IS UNHEALTHY FOR THE SPIRIT AND THE BODY, REDOUBLE YOUR EFFORTS IN THIS TIME IN WHICH DESOLATION PREPARES ITSELF WITH ITS TENTACLES AGAINST MY CHILDREN, FIGHTING TO MAKE YOU DECAY IN THE FAITH.

Do not neglect My calls, these are not a discouragement for the human being, but a permanent Call of alert so that you remain awake. My Hosts remain over you, waging battles that you do not know. MY HOSTS WAIT FOR THE PETITION FROM THOSE WHO ARE MINE TO HELP THEM, ALWAYS RESPECTING FREE WILL.

My beloved:

THE WARNING IS NECESSARY, YOU MUST REINFORCE THE FAITH AND KNOWLEDGE; in that instant the mirror of life will reflect omissions, disobediences, personal works and action. LOVE WILL BE MERCY AND EXECUTIONER AT THE SAME TIME. In the face of this, some will revolt and reject My Son, for in the Warning, none will recognize the good or the evil of others, but only that which is personal: some will amend their path, other will deny My Son, thus becoming the great persecutors of those who are Mine.

Beloved:

DO NOT LOST THE INSTANT, EVERY INSTANT IS BLESSING! Do not falter, do not forget that blessing comes from Heaven. The Divine Word will be heard by all and the chaff will be separated from the wheat so that the wheat grows strong , thus preparing itself for My Son's Second Coming.

**BE PRAXIS, DO NOT NEGLECT YOUR INNER TRANSFORMATION, IT IS URGENT,
DO NOT PERMIT YOURSELVES DISUNION, DO NOT BE ONE MORE NOTCH IN EVIL'S TROPHY.**

I love you and bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Man has written humanity's destiny with his gratuitous ignorance, among which we can see pride, indifference, lack of charity, lack of hope, refusal to enter into knowledge, knowing that one cannot love the one whom he does not know and in order to love Christ we must know him... and very well!

The human being's foolishness has closed the doors of good. Heaven calls time and time again, it warns with love time and time again, but humanity denies itself the Truth time and time again. It is a cycle that man has generated and does not end.

Brothers and sisters:

**WE ARE CHILDREN OF THE SAME FATHER;
LET US LIVE WITH THE HOPE OF A NEW DAWN,
BUT WITHOUT CEASING TO SEE THIS RUDE REALITY
THAT TEARS APART THE HEART AND THE SOUL.**

We see persecutions between brothers, is this not another sign?

**BEFORE THIS BLEAK PICTURE, WE MUST NOT REMAIN INDIFFERENT...
WE MUST TRANSFORM OURSELVES AND RESPOND NOW!**

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST

TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JULY 28, 2014

My beloved:

YOU ARE THE APPLE OF MY EYE, I CALL YOU AND WILL CALL YOU TO RENEW YOUR LOVE FOR ME.

With how much pain I walk among My People feeling the indifference and the sin that is already a force that dominates man from his own heart, dragging the conscience and the will!

Man closes himself constantly to My Love and he clears the way for that force that dominates him: sin, this leads to brothers seeing each other as enemies and breaking out against the Gift of life.

In creation everything is related; man makes his sin fall upon himself, closing himself to the Blessing from My House and letting his own mistake fall upon the Earth contaminating it.

MAN GOES FROM MISTAKE TO MISTAKE, HE SPREADS HIS EVIL AND BELIEVING HIMSELF TO BE SELF-SUFFICIENT, KILLS HIS BROTHER. His brother avenges the death of his own and transgresses every law, every norm -- at the end, all come to see themselves in the same mud from which they do not come out but sink more and more.

I WALK AMONG THOSE WHO ARE MINE, AND EACH ONE IS RESPONSIBLE FOR HIS OR HER ACTIONS, however, I see you not taking responsibility. On the contrary, you act out of repetition, without thinking it through, committing faults against Me that are more grave each time.

I WALK IN THE MIDST OF MY MYSTIC BODY OF WHICH I AM THE HEAD, I SEE HOW YOU DEFORM IT WITH YOUR EMPTY ACTIONS AND WORKS WOUNDING ME WITHOUT REST. With greater pain I receive the offenses of those who have consecrated themselves to My House.

I DO NOT WANT MODERNISMS IN MY CHURCH; I DESIRE A HOLY CHURCH, LIVING IN MY WILL, WITH AWARENESS OF MY LOVE THAT DOMINATES EVERYTHING. I DESIRE AN INSTITUTION AT MY SERVICE, LEADING THOSE WHO ARE MINE IN A CONSTANT EVANGELIZATION TOWARDS THOSE BROTHERS AND SISTERS WHO DO NOT KNOW ME AND IGNORE ME.

I love all My children; I love them so much, that even though they offend Me, I do not wish to see you suffering before the coming instants. I have given My Mother to you so that under Her Mantle She protects all those who entrust themselves to Her with full freedom. Yet so much closure exists in the mind of those who are Mine, who reject My Designs over sins and sinners. You want a God who justifies sin... and that is not Me.

Your reject Me... My Requests are abandoned out of fear before the manipulation of those who dominate the rest of the world, leading man to scorn every Moral Principle, being manipulated, irrational and impulsive.

Beloved, the battle against evil is fierce, evil is amplified, it manipulates and deceives the simple or those who, thinking they know it all, do not know anything, because My Love is not static, but action in favor of your brothers and sisters.

**I AM SILENCE THAT CRIES OUT IN THE DESERT OF ILL-USED HUMAN WILL...
I AM LIGHT IN THE DARKNESS OF THE MINDS OF THOSE WHO HAVE NOT BEEN FILLED
WITH MY WORD...**

The person and its Creator: the greatest history of Love and the least understood...

Those who are Mine are treated with cruelty, My instruments are persecuted to silence My Voice. How blind is man! I will speak ad nauseam, until man returns to My House and after the Great Purification I will receive him, if he comes with a clean heart and dressed in white.

My beloved:

**The solar storm does not wait, pray.
Pray for Brazil, its ground will not be so firm.
Pray for the United Staes, pain comes without rest.
The land wobbles before the force of the waves.
Mount Etna will be at once beauty and terror.**

I approach with My Justice belted to My Waist, with energy, rigor and the sweetness of My Love. I come for those who for My Name have suffered persecution and torture. Do not forget that children are the joy of My House and whoever abuses them bringing them bitterness, will be doubly judged.

**DO NOT WALK DISTRACTED, REMAIN ATTENTIVE,
FOR THE ANTICHRIST WISHES TO DESTROY THOSE WHO ARE MINE.
PUT ON THE ARMOR OF FAITH IN MY DIVINE LOVE.**

My beloved, the specter of war has returned before a humanity that does not foresee its own pain, the impiety of those who do not know Me rises without rest.

Beloved children:

Do not forget that "I AM WHO AM" and My People will not be abandoned by Me. Each one of you walks with your guardian angel, invoke him. Look to the heavens, you will see My Blessing descend towards you. My Angel of Love will come to be Love and help My People; continue with unbreakable Faith.

**I BLESS YOU, MAY MY BLESSING BE TAKEN BY YOU TO YOUR HOMES AND IN YOUR HOMES SEAL
THE DOORS AND WINDOWS WITH THAT HAND WITH WHICH YOU RECEIVE MY BLESSING.**

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Let us give to the Most Holy Trinity the honor and the glory it deserves by carrying out Its Will and becoming aware of Its Calls of alert.

Let us not rest at any moment, the Word must be carried with faith and courage to awaken those who are asleep. Let us alert our brothers and sisters about all the evil that surrounds them and let us help one another.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JULY 30, 2014**

Beloved children of My Immaculate Heart:

I suffer infinitely for what is coming for you...,
I suffer for this generation possessed by evil...,
I suffer at seeing how My children delight in killing one another...,
I suffer the unspeakable at seeing My children take the bodies of their brothers and sisters and display them as trophies of war...

INDEED EVERYTHING IS ANNOUNCED AND STILL MAN HAS BEEN ABLE TO SURPASS SATAN'S OWN EVIL. This enemy of the soul has spilled all his hatred over man, and man doubles and triples it killing only for the joy of it. Also, satan has brought to the mind, thoughts and heart of man this desire, that thirst for the blood of his brothers and sisters.

**SATAN'S OBJECTIVE FOR THESE END TIMES IS TO DESTROY MAN,
AND HE IS ACHIEVING IT WITHOUT ACTING DIRECTLY, SINCE MAN IS WORKING FOR HIM.**

Beloved children of My Immaculate Heart:

**I HAVE ANNOUNCED THE SACROSANCT TRINITY'S REQUESTS SO MUCH TO HUMANITY!
...AND YOU HAVE FORGOTTEN THEM AND DISCARDED THEM.
IN THIS INSTANT, ALL THAT WHICH I ASKED FOR AND ANNOUNCED IN THE NAME OF THE
SACROSANCT TRINITY, AT BEING DENIED, TURNS AGAINST HUMANITY ITSELF.**

You see from afar the events that arise in the Middle East, in Africa, in China and in other Nations, forgetting that the horror and terror are spreading, and terrorism, like one of satan's great tentacles, spreads its hatred for other Nations.

**SOON HUMANITY WILL SEE WITH ASTONISHMENT HOW THE HATRED OF THE PERSON POSSESSED
BY HARDNESS OF HEART AND BY HATRED OF HIS OR HER BROTHERS AND SISTERS,
IS CAPABLE OF REACHING THE UNIMAGINABLE.**

Unimaginable pains will arise around the world, while the great politicians of the great powers gather to talk about the economy of their Nations, tossing aside the life of the human being, which is what is most sacred..., since for them, man represents the economy and not love or charity or forgiveness. Man is not recognized as the Temple of the Holy Spirit but as another object used by the great and powerful of the world to carry out their evil plans.

Beloved children:

I suffer infinitely for those innocents who are tortured and suffer because of terrorism...
I suffer for those women who are the subject of rape and torture...
I suffer for those innocent girls and boys who, in this instant, are at the same time being abused and wiped from the face of the Earth. **MAN HAS STILL NOT UNDERSTOOD THAT SATAN'S PRINCIPAL OBJECTIVE IS TO PUT AN END TO INNOCENCE... AND HE HAS DONE IT.**

My children:

**I CALL YOU TO PRAY,
I CALL YOU TO RECEIVE MY SON IN THE SACRAMENT OF THE EUCHARIST,
AND I CALL YOU PRINCIPALLY TO TRANSFORM THAT PRAYER INTO A JOINT ACTION SO THAT YOU
RAISE YOUR VOICE AND THUS INJUSTICES AGAINST THE HUMAN PERSON END.**

This is My Petition as Mother, even though I know that horror will increase more each day and will reach the most innocent Nations, I know that war is an instant away from man and no power will question using their weapons to achieve victory.

At Babel man fought and strove to build a tower and reach God. In this instant, man fights to sink more each time and be just one more of satan's followers.

MY SON'S CHURCH MUST STRONGLY RAISE ITS VOICE AND MAKE ITSELF HEARD, AND IT MUST PROTEST AGAINST THE INJUSTICES TO WHICH THE HUMAN PERSON IS CONSTANTLY BEING SUBMITTED. Silence is kept before the harassments to which every innocent is submitted. Human respects are kept so as

not to interfere with powerful Nations. My Son's Church must act in likeness of My Son and call each thing by its name.

My Son gave His Blood on the Cross for all of humanity and in this instant man is thirsty for the blood of innocents to satisfy satan. The woman is attacked, for satan knows that by a Woman, by this Mother he will again be defeated and chained in the abyss for a thousand years and more. But before this happens, My Son's Church must understand and be aware that My Son has delegated it to be a Messenger of Love.

With sadness I see how some argue against others, how some of My children criticize others, how technology is used to deny My Word, losing thus time that is gold and not calling and convoking all to unity.

EVERYTHING IS ALREADY ANNOUNCED, MAN FINDS HIMSELF LIVING THE GREAT TRIBULATION, EXCEPT THAT IT IS BEGINNING AND HAS NOT BECOME WIDESPREAD.

The great plague has already reached Europe and will expand, another scourge that is the lovelessness and anger of man.

A MOTHER ALWAYS SEEKS FORGIVENESS FOR HER CHILDREN, BUT SEEING THAT THEY DO NOT HEED HER ACCLS, SHE MUST ASK HER SON TO DESCEND WITH HIS JUSTICE TO STOP SO MUCH MASSACRE THAT CONTINUALLY PIERCES MY HEART.

My beloved:

**I invite you to pray for the Middle East.
I invite you to pray for the United States, the prey of its own terrorism.
I invite you to pray for Japan.**

My beloved:

Do not cast aside My requests, continue to believe and multiply the love towards My Son. Love for those who do not love, believe for those who do not believe; I know that My Army is small, My Army of souls of love united with Saint Michael that Archangel and all the Heavenly Hosts. At the end, man will hand over the Earth to his Creator.

**DO NOT DECEIVE YOURSELVES, MY BELOVED,
YOU MUST MAINTAIN A PRAYER OF PRAXIS AND RAISE YOUR VOICE IN THE NAME OF MY SON AND
IN THE NAME OF THIS SUFFERING AND GRIEVING MOTHER.**

I love you, My Blessing goes with you continually, but you must become aware that My Son is at once Mercy and Justice.

I bless you, I love you, remain in My Son's Peace.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
AUGUST 3, 2014**

My beloved People, I bless you.

Man did not desire to see himself beyond where his sight reaches. By human will, he confined himself to live from what is immediate and from what he can perceive with his senses.

Man did not desire to go beyond, to the inner Temple to meet with his Jesus, with the exception of those souls who have shown that I remain within reach of My children's hand, in hopes that you come to Me.

**MY WISH IS FOR MY CHILDREN TO LIVE AWARE OF THE SPIRIT THAT ANIMATES WHAT HAS BEEN
CREATED, ESPECIALLY MAN WHOM I ENDOWED WITH WHAT HE NEEDS
TO DEVELOP IN HIMSELF THE POWERS OF THE SOUL.**

Humanity, by walking hastily without direction or sense, will come to find itself in a habitual state of suffering, a torturous path on which it knew in advance it would come to find itself, if it did not obey the changes that My Mother had asked of it.

My beloved:

Men fight for an earthly power, this clearly denotes that they have not understood Me...
Man continues to be of the flesh, with the limitations this implies...

**YOU MUST BE BORN OF THE SPIRIT, LIVE SPIRITUALLY...
ONLY THUS WILL YOU NOT OCCUPY YOURSELVES IN HOARDING TREASURES ON EARTH,
WITH FRUITLESS ACTIVITIES, TURNING AWAY FROM ME.**

I wait for each one of you with patience, with Divine Patience and I see those who are Mine being negligent in fulfilling the Commandments of My House, acting against their own nature and against My Spirit.

Children, you lose your reason very easily, exceeding extremes that are nearly impossible for Me to narrate, for you crucify Me mercilessly.

Children, you are slaves to anger, oblivion, dehumanization, personal gain and to the indifference with which you see the suffering of others and are not moved.

Humanity has misinterpreted its permanence on Earth, wrongly feeling it is the absolute master, it remains in repeated wars and divisions, inquisitions and hatred, under which it will never find peace, or understand the Truth of its permanence on Earth.

**I DID NOT COME TO CONDEMN BUT TO SAVE; MAN WITH HIS FREE WILL
IS THE ONE WHO CONDEMNS HIMSELF OR FINDS THE SALVATION THAT I OFFER HIM.**

Before an individualized man, the outcome will not be anything other than the one you know.

I HURRY SO AS NOT TO LOSE YOU WHO BELIVE IN ME.

Man has lost love; it is exiled from the Earth, and those who remain in My Love enclose it like a treasure so as not to lose it before men who launch themselves against human beings who possess it.

Beloved, man has come to hate My Love and those who live in My Love; so much so that man rebels against the smallest sign of love before him.

Living sunken in materialism has led humanity to not want to be loved, but scorned. How many of those who gave their life for Me and continue to give their life for Me, gave and give witness of this! Man without love, scorning love, sees his neighbor as an enemy, whether it be his father, mother, brother or sisters, child, husband or wife; whoever does not recognize love, does not recognize Me.

ALL OF CREATION SHAKES BEFORE HUMAN INDIFFERENCE, you have created a wall; man houses himself in insensitivity upon seeing the events without any feeling whatsoever.

THE EARTH CRIES OUT TO ME BEFORE SO MUCH PAIN THAT MAN SHEDS UPON HER; man is unknown before Creation for not living in My Will, and for living contrary to My Commandments.

Beloved:

Pray for the Middle East, from there the war the will expand through the Earth will be born.

Pray children, for the United States; it fosters pain and the pain will return against it.

Pray for Japan, the earth shakes.

Pray for Chile.

**CHILDREN, VISIT ME IN THE TABERNACLE, FEED YOURSELVES WITH THE EUCHARIST, PRAY THE HOLY
ROSARY TO MY MOTHER, BE MY VERY LOVE EVEN IF YOU MUST TURN THE OTHER CHEEK FOR IT.**

I will not abandon you, My People will not be abandoned by My House; I will send My very Love to protect you, to gather My People.

I will examine each one of you in particular and then I will move the moon away so that in the midst of darkness, man does not cause himself more harm.

Unite in My Love, know Me. Gather in My Name, My Church must be protection for the weak and innocent, just as I was so.

**I WILL SEND MY LEGIONS FOR MY FAITHFUL, I DO NOT ABANDON YOU.
THE INQUISITOR OF MY PEOPLE PREPARES HIS PRESENTATION BEFORE HUMANITY.**

Children:

**KNOW ME SO THAT YOU ARE NOT CONFUSED.
BE INSTRUMENTS OF MY UNITY, DO NOT CAUSE DIVISION, BE MY VERY HEART,
ONLY THUS WILL YOU BE PARTICIPANTS IN THE CULMINATION OF MY WILL.**

Beloved children:

After the crucible the new day arrives, in which My Love will shine in fullness over the new Earth. My Peace be in each one of you, My children.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

We are Heaven's lament...

Man has incredible potential, given by God. Christ can remake the Earth in instants before so much evil from man, but His Mercy is infinite.

Heaven has sent us to live in peace. Let us be humble and conscious that it is necessary to make ourselves willing to work and act in God's Will.

Christ speaks to us, but we must deepen this Word.

This instant is not just one more...

Amen.

Children, you lose your reason very easily, exceeding extremes that are nearly impossible for Me to narrate, for you crucify Me mercilessly.

Children, you are slaves to anger, oblivion, dehumanization, personal gain and to the indifference with which you see the suffering of others and are not moved.

Humanity has misinterpreted its permanence on Earth, wrongly feeling it is the absolute master, it remains in repeated wars and divisions, inquisitions and hatred, under which it will never find peace, or understand the Truth of its permanence on Earth.

I DID NOT COME TO CONDEMN BUT TO SAVE; MAN WITH HIS FREE WILL IS THE ONE WHO CONDEMNS HIMSELF OR FINDS THE SALVATION THAT I OFFER HIM.

Before an individualized man, the outcome will not be anything other than the one you know.

I HURRY SO AS NOT TO LOSE YOU WHO BELIVE IN ME.

Man has lost love; it is exiled from the Earth, and those who remain in My Love enclose it like a treasure so as not to lose it before men who launch themselves against human beings who possess it.

Beloved, man has come to hate My Love and those who live in My Love; so much so that man rebels against the smallest sign of love before him.

Living sunken in materialism has led humanity to not want to be loved, but scorned. How many of those who gave their life for Me and continue to give their life for Me, gave and give witness of this! Man without love, scorning love, sees his neighbor as an enemy, whether it be his father, mother, brother or sisters, child, husband or wife; whoever does not recognize love, does not recognize Me.

ALL OF CREATION SHAKES BEFORE HUMAN INDIFFERENCE, you have created a wall; man houses himself in insensitivity upon seeing the events without any feeling whatsoever.

THE EARTH CRIES OUT TO ME BEFORE SO MUCH PAIN THAT MAN SHEDS UPON HER; man is unknown before Creation for not living in My Will, and for living contrary to My Commandments.

Beloved:

**Pray for the Middle East, from there the war the will expand through the Earth will be born.
Pray children, for the United States; it fosters pain and the pain will return against it.
Pray for Japan, the earth shakes.
Pray for Chile.**

CHILDREN, VISIT ME IN THE TABERNACLE, FEED YOURSELVES WITH THE EUCHARIST, PRAY THE HOLY ROSARY TO MY MOTHER, BE MY VERY LOVE EVEN IF YOU MUST TURN THE OTHER CHEEK FOR IT.

I will not abandon you, My People will not be abandoned by My House; I will send My very Love to protect you, to gather My People.

I will examine each one of you in particular and then I will move the moon away so that in the midst of darkness, man does not cause himself more harm.

Unite in My Love, know Me. Gather in My Name, My Church must be protection for the weak and innocent, just as I was so.

**I WILL SEND MY LEGIONS FOR MY FAITHFUL, I DO NOT ABANDON YOU.
THE INQUISITOR OF MY PEOPLE PREPARES HIS PRESENTATION BEFORE HUMANITY.**

Children:

KNOW ME SO THAT YOU ARE NOT CONFUSED.

**BE INSTRUMENTS OF MY UNITY, DO NOT CAUSE DIVISION, BE MY VERY HEART,
ONLY THUS WILL YOU BE PARTICIPANTS IN THE CULMINATION OF MY WILL.**

Beloved children:

After the crucible the new day arrives, in which My Love will shine in fullness over the new Earth. My Peace be in each one of you, My children.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

We are Heaven's lament...

Man has incredible potential, given by God. Christ can remake the Earth in instants before so much evil from man, but His Mercy is infinite.

Heaven has sent us to live in peace. Let us be humble and conscious that it is necessary to make ourselves willing to work and act in God's Will.

Christ speaks to us, but we must deepen this Word.

This instant is not just one more...

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
AUGUST 6, 2014**

Beloved children of My Immaculate Heart, I bless you with My Love.

Children:

**RETURN TO THE PATH OF SALVATION, THIS DECISION IS A PERSONAL ONE JUST AS THE
DISPOSITION TO FIGHT FOR CONVERSION IS PERSONAL, A FIRM INTENT OF AMENDMENT IS
NECESSARY.**

YOU SHOULD HAVE ALREADY STARTED ON THE PATH TOWARDS MY SON IN THE PAST, IN THIS INSTANT YOU MUST QUICKEN YOUR STEP. It is never too late for My Son to receive a repentant child with His Mercy. I call you to make that decision, being conscious of that path of this generation, of the pain that a quantity of your brothers and sisters live and of the Great Purification that will arrive.

As I have announced to you previously, the devil has challenged every human being, and man, by not possessing spiritual firmness, is defeated by the devil easily. **THE DEVIL ENTERS INTO MAN'S WILL POSSESSING HIM, HE LEADS MAN TO COMMIT TERRIBLE SINS, ALL AGAINST MANKIND; WHAT TAKES PLACE IS DIRECTED TOWARDS THE DESTRUCTION OF THE HUMAN BEING.**

Beloved of My Heart:

**IN THIS INSTANT MY SON HAS BEEN TOTALLY RELEGATED...
HUMANITY DOES NOT ADVANCE TOWARDS SALVATION BUT RATHER TOWARDS ITS SELF-
DESTRUCTION.**

I told you in advance: "at the end, men will live without God. Sin will not be sin but "freedom." Man will not want to be forgiven. God will not be a necessity, for nothing will be considered a sin; everything will be seen as natural and before this, in some cases, the hierarchy of My Son's Church will give its approval thus excusing what is sin. You who remain faithful and call sin, sin, will be seen as crazy, and you will be persecuted."

Beloved children:

MY SON AND HIS TEACHINGS ARE MISINTERPRETED UNDER MAN'S FREE WILL. DO NOT FORGET THAT THE SACRED WORD IS NOT TO BE INTERPRETED AT PERSONAL CONVENIENCE. My Son's Truth in the Gospel is misrepresented and will be forbidden before the Great Purification, in its place the law of evil will be imposed, the law of debauchery, which will lead souls to perish. Everything that is given to you as disguised freedom, is the work of the devil and of those who work for him and that through masonry dominate and orchestrate, at the same time, the most elevated circles of the world.

FREEDOM IS NOT EVIL, MY SON CAME TO GIVE YOU FREEDOM SO THAT YOU ARE FREE, BUT TRULY FREE... NOT THE FALSE FREEDOM THAT SUBJECTS HUMANITY TO EVIL.

This generation, which acts contrary to My Son's Teachings, proclaims only one Merciful God, forgetting that Mercy comes accompanied by Divine Justice, which will not wait for those who deserve it.

With an aching Heart, I hear how some human beings, unrepentantly, execute acts of terrorism for pleasure, with the approval of the laws of the Earth.

Children, you do not see how Nature reacts against man in this moment, because Nature does not recognize man, it does not see man akin to the Divine Will, but rather as a being foreign to God, who offends Him without ceasing. Nature reacts against man, leading the innocents to suffer at the same time.

**My beloved, pray for Ecuador, fire will bring to it a great pain.
Beloved children, pray for the innocents who will suffer in the United States.
Beloved children, pray for England, it will suffer.**

Beloved, the earth continues to shake continuously from place to place, without any sense for the science that will seek to speculate in the face of what it cannot solve. Phenomenon unknown to science, since they are of Divine character, will take place.

**MY SON MAINTAINS HIS ANGELS WHO ARE EXECUTORS OF HIS JUSTICE
IN THE FOUR CORNERS OF THE EARTH...
WHILE MAN FEIGNS A FALSE PEACE TO PREPARE HIS ARSENAL WITH GREATER ABUNDANCE.**

How much suffering from My Children!
How much offense and scorn to the God of Life!

Fire will fall from Heaven and the Moon will be darkened. Man will be terrorized of his own race, seeing spiritual mutants, who will have renounced being children of God.

Beloved children of My Immaculate Heart:

**THIS IS THE INSTANT IN WHICH YOU MUST FULFILL MY SON'S WILL,
NOT BE DESTROYERS OF YOUR BROTHERS AND SISTERS; YOU MUST MAINTAIN UNITY AND
SHELTER ONE ANOTHER, YOU MUST REMAIN UNITED, THOSE WHO HAVE SO PROMISED
THEMSELVES AND MY SON.**

The instant will arrive in which My children will not feel loneliness, but the security of the company of My Son's Word. In this instant humility is indispensable; the one who must be forgiven, let him have for forgiveness. Pride is a tool of evil.

**MY SON WILL GIVE A GREAT SIGN TO ANNOUNCE THAT HUMANITY
IS CONSTANTLY SEEN FROM ON HIGH BY ITS BEINGS OF LIGHT.**

My beloved, do not despair: "let not your heart be troubled or be covered." My children will not be abandoned. My protection remains over all those who invite Me to remain with them.

**WAIT WITH JOY FOR MY SON, DO NOT BE TROUBLED, MY SON IS THE ABSOLUTE TRUTH.
YOU, BELOVED, MUST BE TRUE CHRISTIANS AND YOUR LIFE MUST BE CHRIST-CENTERED.**

Do not forget to receive My Son duly prepared, turn to the Eucharistic Sacrifice. Do not forget the Holy Rosary carried in the heart and hung around the neck. I bless you My beloved children.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

A new Call to awaken to the human reality...

The Mother does everything to awaken our consciousness... the Mother's intercession is for our Eternal Good.

Humanity suffers because of its own errors, it is the law of cause and effect.

The Blessed Mother is that love from the Heavenly Father that alerts us without ceasing.

Let us receive this Call and walk towards conversion hand-in-hand with the one who is at our side interceding maternally for each one of us.

Amen.

LUZ DE MARÍA'S REFLECTION

AUGUST 9, 2014

Brothers and sisters, let's meditate together these various reflections to make us think deeply about our personal journey:

Let us remember that human history is a constant coming and going of situations that repeat themselves. Mankind does not learn and keeps making the same mistakes, only with more technological advances for its self-destruction. Thus, we discover that, throughout history, we have analyzed that there is a tiny, but at the same time different and huge level of conscience between man and the Divine, making us certain that it is not only intelligence which makes man what it is, even though it differentiates him from animals, but also what makes a man is the conscience, whether it is directed towards good or evil.

Christ has mentioned that discipline is very important for the human being, and along with intelligence and reason, it can lead man to evolve. This is why He does not want it to be forgotten that discipline illuminates the intelligence, so that the creature can prefer the spiritual more and the mundane less. Then, let us see how the lack of discipline in the creatures can lead them to miss the best opportunities in life, since it dissipates upon the minimal distraction and, everything that has been achieved can go up in smoke, gone in the blink of an eye. Discipline is closely linked to the human "ego" and free will, and we know that the wrongly used free will is disastrous...I have seen so many good creatures be lost in a microsecond and leave all they had fought for their whole life! That is why when it seems that you are in Heaven is when man is farthest away from Heaven itself... "For many are invited, but few are chosen." Thus, the Word is fulfilled.

Have you ever thought, brother or sister, that spiritual survival is kept amidst the constant swell of an angry sea of wrongly used human emotions and of intelligence clouded by the desire to be more and more each day, living by the law of the jungle? That is how the Blessed Mother, Ark of Salvation, has called us over and over towards humility, but together with lady obedience. We know that it is extremely difficult to follow them without feeling the fluttering of the human “ego” that does not desires to be humble, but rather by instinct, to stand out.

Christ has not given us an easy, flower covered road. Not all of us are willing to turn the other cheek, nor to be last; these are the teachings of the Divine Master for His followers, for we are not image of the world, nor likeness of the world, but as image and likeness of God were we created.

How much Faith does the human creature need for his praise, through deeds and acts, to be agreeable to God!

In this so crucial instant, we instruments of heaven should strive to benefit, unite and take the Truth revealed by Christ and His Blessed Mother to all, so that man can wake in a universal unity. We are all children of God, division is created by humanity with its prejudices and these are the result of ignorance, for we all possess the Holy Ghost, and we must wake our conscience to identify with the Divine Love that moves all that exists and generates new creatures in the soul.

Let us recognize that in Creation, everything was created for everyone: the sun’s rays shine equally for all, some get them in excess and this may cause them skin cancer, because they want to get everything in a single instant. Others get the rays of the sun little by little; these more moderate individuals receive the benefits of the sun little by little; thus man with his Creator cannot reach Him in a single day, nor think of living in His Divine Will if he continues to act upon human will.

Christ invites us to live a spiritual metamorphosis, in order for that which we possess inside to come out of the human being in his deeds and acts in accordance with the Divine Will. Christ tells us that He must put us through the crucible, that is: we all must go through fire to discover the jewel we have inside.

We are called upon to be aware of so delicate an instant we live in, and to identify with and be nourished by Christ with His Body and Blood. Man shall not defeat temptation without getting close to Christ; without prayer it shall be difficult to continue walking, and without the practice of prayer it is more difficult to reach Christ because He has entrusted us a duty: to rescue souls for Him. The conflict arises when the power struggle begins, the eternal struggle between good and evil, of which mankind abounds in examples. But man has ignored that He sees everything, He is more than a past; more than the future, He is the Eternal Present and knows everything about man.

The driving thread of an endless road is the human desire that arises from the will of man, shaping the ideal or thoughts, each one is one individuality within the collectivity of thoughts, and together we get to shape the future we expect, with a full conscience that without unity and love, you are nothing.

Brothers and sisters, let’s reflect on this:

“Then the disciples came and said to Him, Why do you speak to them in parables? And He answered them, to you it has been given to know the secrets of the Kingdom of Heaven, but to them it has not

been given. This is why I speak to them in parables, because seeing they do not see, and hearing they do not hear, nor do they understand..."

Mt 13,10, 11,13.

Luz de María, August 9, 2014

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LIGHT OF MARY
AUGUST 15, 2014**

My Beloved People:

You continue to be under My Protection...

**AS WE COME VERTIGINOUSLY CLOSER TO THE TRIBULATION OF THIS GENERATION,
MAN CONTINUES TO CRUCIFY MY LOVE, AS HE DOES NOT ACKNOWLEDGE MY LOVE,
NOT EVEN THOSE WHO SAY ARE STILL WITH ME...**

Man has not understood that if he doesn't make an effort to purify himself, so faith can overcome everything, it will be impossible to overcome the obstacles which they are being subjected to every instant and his, what he calls, love for Me will dissipate.

I DESIRE FROM MY CHILDREN AN UNCONDITIONAL LOVE FOR MY MOTHER, THE LOVE OF MY MOTHER FOR HER CHILDREN IS INFINITE, SHE DOES NOT TAKE INTO CONSIDERATION THE CREATURE'S MERITS NOR HIS VIRTUES. Only My Mother can help you in the instants in which the love in man is bribed by everything that surrounds him, even by his own senses that tell him: "you can't, you can't get any better; you cannot penetrate in the inner chamber that will take you beyond".

As the Warning and the great events are approaching, man's enemy walks from creature to creature increasing his loot of souls.

My beloved:

**FAITH SHOULD NOT BE WEAKEN; YOU CANNOT ALLOW IT, NOT EVEN WITH EVIDENCE
CONTRARY TO WHAT I ANNOUNCE TO YOU, YOU MUST WAIT FOR ONE MORE INSTANT.**

Man wishes immediate proof even if it means losing his life, thus they journey unceasingly seeking to find evidence according to human logic.

Beloved, you cannot contradict Faith, this is a perceptive conviction of the Truth, and it is such that, if you had Faith as little as a mustard seed, you would say to it: "move from here to there" and nothing would be impossible for you.

MY CHILDREN ABANDON ME BECAUSE THEY CANNOT SEE ME, AND THEY DO NOT UNDERSTAND THAT EVERYTHING THAT IS VISIBLE COMES FROM THE INVISIBLE, look at a flower... and in it you will find the Divine Power, the Divine Beauty, everything comes from the invisible of My Love.

My beloved:

There are no two same creatures, they are all different, each one possesses free will and does with his life what he wants, and each one of them is what they wish to be. Man contributes with his inadequate actions and thoughts to the outcome of this generation.

**SO MANY OF MINE HAVE FALLEN BECAUSE OF THIS OUTCOME, BECAUSE OF ANGER,
BECAUSE I AM NOT OBLIGING TO THE HUMAN WILL!**

**SO MANY OF MY CHILDREN FALL TO THE SEDUCTIONS,
FORGETTING ABOUT ME; FOR ONE INSTANT OF PLEASURE!**

**SO MANY OF MINE BLAME ME FOR THEIR DESTINY,
WHICH THEY HAVE CREATED WITH THEIR OWN WILL!**

Beloved children:

Pray for those brothers and sisters who remain lukewarm.
Pray for the United States, for it will suffer in its heart.
Pray for the war that will be unleashed without compassion.
Pray, for the earth will shake.
Pray for My church which is approaching the schism.

Beloved:

My Mother has bequeathed to Her children an irrefutable Faith, a Faith that transcends; She believed when she fled from Nazareth to Egypt without objecting, without a place to live, trusting in the Divine Word. And Joseph, did not make excuses, he only had Faith and fled to Egypt.

**I ASCENDED INTO HEAVEN, AND MY MOTHER WAS TAKEN IN BODY AND SOUL INTO HEAVEN, THE
PLENITUD WAS GIVEN TO MY MOTHER, SHE LEFT THE VALLEY OF TEARS BEFORE MY CHILDREN,
AND SHE ANTICIPATED IT IN THE HOPE OF THE PLENITUD. MY GLORIFIED MOTHER LIVES IN MY
HOUSE, FROM WHERE SHE BESTOWS UPON ALL HER CHILDREN HER MATERNAL PROTECTION.**

Onward My People! With My Mother and holding her hand, do not fear, but increase in faith.

I bless you with My Love.

**EACH ONE OF YOU MUST IN THIS INSTANT CROWN MY MOTHER WITH THE CROWN OF
PERSONAL FAITH, TO CONTINUE HEARING THE VOICE FROM HEAVEN THAT MY MOTHER
REVEALS TO YOU CONSTANTLY BY DIVINE WILL.**

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVE WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVE WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVE WITHOUT SIN.**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

In this celebration of the Assumption of Our Mother in Body and Soul into Heaven, Her Son, our beloved Lord Jesus Christ has spoken to man, for whom His Mother intercedes so he won't lose his soul. Jesus Christ has come to all men of good will who do not want to see His Mother Suffer from the foolishness of the human heart that is not sated until it has completely satisfied its reason.

It is not to say that reason should not be put into practice in spiritual matters; one should know the person whom he or she loves in order to love that person truly and sincerely; because the issue is that it is said to believe without the heart. When we truly believe, it causes a totally positive change, not only for our own good, but for those around us.

To advance in the religion practices it produces in each one of us a change in our behavior, a positive change in our conscience, we are more sensitive to other people's pain, we become more charitable; in short, it causes a total change in the life of each one, if we deny this change it is because we do not truly believe... and our Faith is only a light varnish.

In this Celebration of the Assumption, Christ exalts His Mother's Maternity: the Woman of Chapter 12 of the Apocalypses, who defeating death becomes the Woman Clothed with the Sun with the moon under her feet. The Immaculate Mother could not suffer the corruption in the sepulcher. God, from within her Entrails, in a total sigh of Mystical Love, sends all the Heavenly Choirs and orders them to bring His Immaculate Creature to Him, so that we who walk the way that She previously walked, will keep that Faith in the midst of all the situations and surprises of life, without feeling defeated, only tired but not defeated, because Christ, who is the Master of Creation, goes before us and as children of His Mother will not ignore our pleads.

Amen.

**MESSAGE OF THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
AUGUST 17, 2014**

Beloved children of My Immaculate Heart:

**MY MATERNAL BOSOM: THE ARK OF SALVATION,
IS OPENED TO RECEIVE YOU AND PROTECT YOU.**

My children:

These instants are a test and of personal decision towards good or towards evil. Not all of those who are now proclaiming loyalty and Faith on the path to My Son will continue to do so. To grow in Faith is crucial for My children, and prayer must be a personal relationship with the Blessed Trinity, because this will give the creature the certainty that he is a creature of God and that God is God. I suffer for what is happening and what will happen to you....

Temptation influences all creatures, you will succumb if you give free rein to the human "ego"; consequently it will gather strength and will defeat you separating you from My Son. **STAY ALERT, THE ENEMY OF THE SOUL UTILIZES THE SLIGHTEST DETAILS AND THE SLIGHTEST WORDS TO ERECT THE GREAT WALL OF DIVISION BETWEEN THOSE WHO REMAIN UNITED IN THE NAME OF MY SON TO CARRY OUT SPECIFIC ASSIGNMENTS FROM HEAVEN.** Satan's sentiment towards man is one: discord.

My beloved:

**HUMILITY MUST EXCEL IN EACH ONE OF YOU,
THAT SAME HUMILITY THAT MY SON LAVISHED EVERYWHERE.
THIS IS THE ONLY WAY YOU WILL BE ABLE TO ACCEPT THE
DIFFERENT SITUATIONS THAT YOU WILL ENCOUNTER IN LIFE.**

Children, bad habits have engulfed you and you hold them within you.

Beloved, if man would have dedicated science to build the Weapon of Love, this instant would be of joyfulness and not a threat to humanity, not of bitterness or pain, not of death or tears. The war is in the blink of an eye, you blame each other, humanity is aware of the forces that make war.

Human selfishness, controlled by evil, grows against its fellowman. The rage that Satan has transferred to man to act against the Love of My Son and those who are faithful to Him, knows no boundaries.

Children:

WALK AND DON'T LOOK RIGHT OR LEFT, KEEP YOUR EYES FIXED ON THE GOAL, SEEKING GOD. DON'T FORGET THAT YOU WILL BE CONSTANTLY TESTED. My Son has not given your life to only suffer, but to offer you His Mercy and thus attain Eternal Life.

My Son is God of Love, of mercy, He is compassionate and slow to anger. And what does this generation do? Mock the Divine Love and replaces it with vices, ambition, power, lies and trusting its soul to evil, forcing the Divine Justice to correct man so no more souls will be lost.

I wait for you instant by instant with My Heart beating for you. Guide your steps to My Son, towards the Truth on the right path.

BE PREPARED: THE ANTICHRIST IN THESE INSTANTS WILL SHOW UP IN PUBLIC AND WILL SURPRISE THOSE WHO HAVE DENIED THIS FACT; CONFUSED AND DECEIVED BY FALSE MIRACLES WHICH WILL DRAW A GREAT NUMBER OF FOLLOWERS. BE LOVE, OTHERWISE YOU WILL BE EASY PREY TO EVIL THAT WILL FIND IN YOU FERTILE GROUND.

My beloved:

The demon and his legions will be tormentors of their followers and of those who are not; the spiritual struggle in this instant is strong and will even be much more if My children do not remain alert, recognizing evil when it comes to separate you from My Son.

There has been several periods of such struggles that the Church of My Son has confronted.

**THIS IS THE DECISIVE INSTANT, THERE WON'T BE ANOTHER;
PREPARE YOURSELF AND KNOW MY SON MORE INTIMATELY,
BUT ABOVE ALL: KNOW YOURSELF BEFORE LOOKING AT YOUR FELLOWMAN; OTHERWISE, YOU WILL BE
PART OF THE BLEACHED SEPULCRE THAT DARKENS BEFORE THE SLIGHTEST CONTRADICTION.**

Do not forget that the example of life is the key for you to rescue souls; examples are stronger than words.

My children, humanity will continue growing in the ill-used of the human will, forgetting not the fact that all actions originate in the mind. Man thinks he knows everything and that he knows the truth about everything, this is the cause of evil actions and the fact that the world find itself out of control, thus the cause of pain for My Son and this Mother.

**MY BELOVED, DO NOT FALTER IN YOUR FAITH, STRENGTHEN IT RELENTLESSLY, FACE EVIL TO AVOID MAKING
YOU FALL**

Pray, My children, the Church of My Son will fall into schism, division increases.

Pray, My children, for Great Britain, the pain will tinge the earth with blood.

Pray, My children, New York will suffer because of the outward anger.

HUMANITY SLEEPS AND DOES NOT HEED THE CALLS OF FATHER'S HOUSE,

IT LIVES FRANTICALLY IN THE DAILY ROUTINE AND IN ITS HABITS.

Wake up children, wake up! Do not ignore the fact that man has created evil, the nuclear energy is the apocalyptic instrument revealed by My Son.

CHILDREN, YOU CLOSE YOUR EYES TO COMMUNISM AND IT WILL FLOG YOU AND WILL FLOG YOU WITH ALL THE POWER THAT MAN HIMSELF HAS GIVEN IT; THE DRAGON HAS AWAKEN AND MAN HAS YET TO RECOGNIZE HIM.

My beloved:

My Heart will triumph.

This Mother wants faithful children, no hesitation that will distract them from their path and the Divine Call.

**UNITY MUST BE THE WEAPON OF ALL WHO ARE CALLED
MY CHILDREN, DISCORD IS SATAN'S FUEL.**

Come and welcome My Son, fuse yourself with Him, He will not abandon you, He is the Eternal **Presence of Love.**

Children:

**MY MANTLE IS SHIELD, LOVE AND SUPPORT.
COME TO ME, I LEAD YOU TO MY SON.**

I love you, I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVE WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVE WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVE WITHOUT SIN.**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

This sharing is product of the Word with which Heaven instructs me. I see how extremely intelligent man is, but seeks human methods to resolve his conflicts, his anxieties and tribulations. Wanders from religion to religion, and forgets that the only thing that will take him on the right path is God, in whom he will find the answer to everything that torments him.

As Our Mother tells us:

WAKE UP, WAKE UP!

GOD IS THE ONLY ANSWER, AND EACH ONE MUST FIND HIM:

“YOU MUST LOVE GOD WITH ALL YOUR HEART, WITH ALL YOUR MIND, WITH ALL YOUR SOUL.”

Amen.

**DIALOGUE BETWEEN THE BLESSED VIRGIN MARY
AND HER BELOVED DAUGHTER LIGHT OF MARY
AUGUST 20, 2014**

My Most Beloved Children of My Immaculate Heart:

**I CALL TO YOU TO REMAIN FIRM IN THE FAITH.
I AM THE MOTHER OF ALL MEN.**

Most Blessed Mary:

My beloved daughter:

Prayer is necessary for all human creatures so that man and his faculties acknowledge and accept the Divine Word. Prayer is necessary for those who remain in the way of My Son, later on the prayer will become meditation and meditation will become the encounter.

Children, it is necessary that you penetrate in the heart of My Son; He goes from creature to creature touching their hearts to let Him in. My children disdain Love; they have sunk in the abyss where they are unable to come out, degrading themselves against their fellowmen, guided by evil. I see so many Herodes on earth, doing away with innocence!

My beloved, the abyss in which humanity is now is not a passing thing; it's the beginning of great suffering of man, and which is sealed with the blood of his brothers, taking them to wander around the world thirsting for blood.

My beloved:

God loves you, this is the reason that I am here with you.

Do you know how much the present-day man has placed upon the Cross of My Son?

Light of Mary:

I cannot comprehend all the suffering, but I know that you hold it in Your Heart Mother.

Most Blessed Mary:

The Cross of My Son was made with all the sins of humanity, just see in this instant so much unimaginable atrocity, so much killing for pleasure, so much brutality, man tinges his hands with blood and this is what the scheming of the antichrist is accomplishing, by means of all the negative components of the human body that has been altered, so it will act out in total manifestation of anger and uncontrollable desire to kill without compassion.

MAN CALLS UPON SATAN TO GIVE HIM POWER, FORGETTING THAT LATER ON HE MUST SURRENDER HIS SOUL TO HIM. Life does not end on Earth; Earth is not Purgatory, the soul does not live hell on Earth.

THE SECOND COMING OF MY SON IS IMMINENT AND THEREFORE, SATAN AND HIS LEGIONS ARE DETERMINED TO INCREASE THEIR LOOT. They are concentrated in the most outstanding events for humanity, and...have you thought how many millions of your fellowmen die of hunger in other countries?

I wonder what man sees in this instant.

Light of Mary:

Dehumanization Mother, man falls. .

Most Blessed Mary:

I AM MOTHER OF LOVE, OF UNITY; I DO NOT BRING TORTURE OR PAIN TO HUMANITY. To be a Mother means that I must warn My children of what is coming so they can prepare themselves, by praying, by receiving the Sacrament of Reconciliation, and by receiving My Son you will grow constantly in the Holy Spirit's Gifts and they will be strengthen to confront the attacks.

I must tell you, that the pain is spreading upon the Earth like a shadow, each instant it gains ground, the thoughts of man are altered and modified with methods that man ignores, man is being prepared by way of violence that has been transmitted to him by the movies, television, electronic games, all these mechanism of auto destruction have been programmed by the antichrist and his legions so that human beings will kill as though it was something natural; man has not heeded My Warnings, and has fallen into the misused technology.

My beloved, the attacks against the great Nations are being prepared to spread more suffering, in greater amount and with a greater number of victims. **THE HUMAN BEING HAS ACCEPTED SATAN'S WICKEDNESS AND HAS MADE IT A REALITY, THE DEMON ENJOYS EVILNESS AND THE MADNESS OF MAN;** he does not need to tempt him, since man remains in a constant negative creativeness.

Daughter, My pain by the indifference of some of My chosen children towards someone else's pain pierces My Heart one and a thousand times over.

Light of Mary:

I know Mother; I place everyone in Your Maternal Lap.

Most Blessed Mary:

Everyone that consecrates at the altar, is consecrated, he has been committed to My Son and His Church. My chosen children must not continue asleep in light of Satan's vengeance, you must arouse your parishioners. The signs of times are not without reason; they are given because of the overbearing high-handedness in justifying each action.

Beloved, My Priests should not be creatures of society, but givers of goodness to all the souls, they must be to the Likeness of My Son; instead they hasten to judge when My Son has proclaimed: "He who is free from sin, throw the first stone." Some predict and make me pain by the lack of the so-called to conversion and to the reality of humanity.

*** Daughter:

TELL YOUR BROTHERS THAT I DO NOT WANT THEM TO PANIC, BUT THAT I WILL TAKE THEM WITH MY PROTECTING HAND TO SHOW THEM THE STATE OF THIS GENERATION WHO DOESN'T WANT TO HEAR ABOUT MY SON OR ME. Religion is to ascend to a personal encounter with My Son, and in this instant it has been transformed by man into something awkward that is carried out as a formality.

My children do not want to know how much I love them; they ignore what this Mother is trying to tell them regarding all the damage that the big industries causes man's organism contaminating it with contaminated food; this is a very dangerous silent enemy, it acts on the mind, the thoughts, it changes man's thinking and actions, in this way the individual conscience regresses and humanity as a whole deteriorates. This is the instant of good and evil, the separation of the wheat from the chaff.

They do not listen and as long as they continue to behave badly and do not repent, they are fertile ground for Satan.

I am a fountain of Love to intercede for you before My Son in this fatal instant.

Beloved daughter:

IT IS NECESSARY THAT YOU REMAIN FIRM IN YOUR FAITH, AND THAT THIS FAITH WILL TRANSFORM INTO GOOD WORKS TOWARDS YOUR FELLOWMEN AND IN EVERYTHING THAT GOD HAS CREATED.

Very soon a deluge of fire will come down, and those who hearts are hardened will cry on their knees by such a powerful event.

Man has to fight to win his own victory, without weapons or annihilating the human gender. You only need to make the decision, without seeking personal glory, or effort, without humiliating your brothers, since the last one but the first one to fight against the problems and attachments of the human me. The "me" will take you away from the path.

The man who allows me to take his hand is a creature with a broad conscience and thoughts, it doesn't relax on Earth, and it does not add ignorance. There is so much that man ignores and which moves for his own good in the midst of the Universes...

In every instant there have been prophets to explain the Truth, to broaden the knowledge of man. How many lives had been taken by the limited mind of man; and afterwards on the passing of the years the same science has advised of a truth that was denied.

Each human creature must save himself with the vital help from God as well My Son had said: "without Me you can do nothing"; each one is also his own rescuer while trusting on the Divine help accepts on his own the great Truth that God is the Light and nothing of darkness belongs to Him.

MY SON IS NOT SENDING THE DESTRUCTION OF THIS GENERATION...

I FOREWARN YOU TO CHANGE.

My pain is unfathomable when I see some of you very comfortable in your homes or at work, while others are in the midst of the desperation of war, of vices, of vengeance and of materialism...

Humanity has not understood that the war will spread, terrorism will be the avenging hand; and the unrest of hopeless in man will make him continue to a very serious rise de setbacks.

See how the Earth reacts before the blood of the innocents, if Earth and all of Creation obey the Divine Will... Man is ignored by Creation who reacts against him, trembling, and fire coming out of the volcanoes, by floods; because Creation wishes man to stop bullying himself. Humanity must stop violence.

Daughter, My Heart is bleeding...Enough of violence! Enough of wars that will destroy humanity! It is necessary that My Son make each one of you confront your own conscience to mitigate violence.

Human time will speed up. But I will remain with My Children, I will defend you, I will fight together with Mine, I will give you the strength of a thousand men, but this Earth must be Earth of Peace and must return to its Creator as the Creator gave it to man.

**MY SON HAS ENTRUSTED THIS GENERATION TO ME AND I SHALL DO IT, THAT IS WHY YOU SHOULD NOT
SEPARATE YOURSELF FROM ME,
I AM THE MOTHER OF THE SECOND ADVENT.**

The angels must be forged on earth to give testimony that love exists in man, which Love that My Son came to give for each one of you.

Look on high, for from above comes the blessing for men of Faith.

**DESPITE THE TRIBULATION, THE PEOPLE OF MY SON WILL
NOT REMAIN ALONE; THEY WILL ENJOY THE ETERNAL GLORY.**

Pray children, a bloody event will cause humanity to panic again.

I love you, I bless you.

Mother Mary.

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
21 AUGUST, 2014**

My beloved People, I Bless You, My Peace be upon you.

I AM INFINITE MERCY AND AS SUCH I REMAIN MINDFUL OF YOUR NEEDS AND REQUESTS.

**I AM GOD OF LOVE AND I SEE FEW SOULS THAT ARE REFLECTION OF MY LOVE ON EARTH,
BUT THOSE FEW SOULS I SHALL MULTIPLY TO INFINITY WHEN NECESSARY.**

I need every one of you to be aware of how you act personally. I need you to take a conscious look at yourselves, since many of My children -too many, I'd say-, refuse to act in My Will because your "ego" dominates every instant of their lives.

I will not abandon you, My Love knows no bounds, My Love is infinite, but inasmuch as My children limit My Work and Actions upon them, I shall not be able to assist them as is My Will.

Human will still prevails, and free will flies as paper in the wind, you hesitate too much and this shows Me that a solid and firm Faith is still lacking, and that My children cannot love Me if they don't pray, if they don't come to meet Me, if they don't welcome Me. Without deeds, Faith is dead but Faith needs to nourish from prayer, otherwise: What sustenance shall Faith have?

My beloved:

**YOU ARE THE APPLE OF MY EYE, I LOVE YOU EVERY INSTANT OF YOUR LIVES. I NEED YOU TO BE
TRANSPARENT WITH YOURSELVES, BECAUSE YOU HAVE VOLUNTARILY GIVEN FREE REIN TO THE "EGO" AND
YOU WISH TO BE WHAT I HAVE NOT SUMMONED YOU TO BE, YOU WISH TO IMPOSE YOUR WILL BY BEING
PROUD.**

How much humility does Man lack for him to recognize in himself what he really is! ...

no human creature can tell Me that it was created negatively, all of you have been created with the Love of My Father; along the way you have deviated and allowed the human "ego" to fill you with pride, intolerance and imposition, but this is not My Love and He who acts as such, must make amends if he truly wishes to walk beside Me.

They are afraid of so many things!, but they don't fear that which they should really fear, namely de "ego" that everyone of us carries inside.

They should fear those that influence them in order to kill the soul...

They should fear all those actions that are contrary to My Will...

But you fear My Angelic beings that walk beside you to show you My Love and remind you that I don't abandon you.

You fear what you shouldn't fear and you don't fear what you should...
You should fear offending Me, fear acting against My Will...
You should fear becoming one more of those that afflict Me continuously...
You should fear becoming my executioners, fear being one those who revile Me...
You should fear becoming one of those who crown Me with thorns...
You should fear living immersed in low passions...
You should fear becoming one more of those who wander through life, blinded and deaf.

Children, those of you who listen to Me, fight with all your strength at this time in which satan has taken possession of the Earth and spilled his poison completely into the hearts of Men, in order to rule their minds and thus, leading you to act against My Will.

My beloved People:

I STAY WITH YOU EVERY INSTANT, I DON'T LEAVE YOU ALONE.

I AM LOYAL TO MY PEOPLE, AND IN THIS DYING INSTANT OF THIS GENERATION, THOSE THAT ARE HERE MUST PURIFY THEMSELVES IN THE FACE OF SUCH EVIL, I HAVE GIVEN MY PEOPLE TO MY MOTHER SO THAT SHE CAN COMMAND THEM WITH HER MATERNITY, TAKE THEM BY THEIR HANDS AND GUIDE THEM TO ME.

She shelters the defenseless, come to My Mother as I did when I needed her so close to Me; during My Passion, even when it isn't mentioned that She shared My Pain, My Mother participated of each one of my Pains and of all My Suffering.

**SHE WHO IS FULL OF GRACE, SHE WHO LOVES WITHOUT BOUNDARIES, SHE IS AND WILL BE WITH MINE;
JUST DEVOTE YOURSELVES TO HER AND LET HER ACT ACCORDING TO MY WILL.**

Do not be afraid, children, even if what you see makes you shudder, be sure that I will not abandon you, that you will never be alone.

**BE SURE THAT EVERY STEP THAT YOU TAKE,
YOU DO SO BECAUSE I TAKE IT FOR YOU.**

I Bless you, My Peace be in each one of you.

**MESSAGE GIVEN BY THEO MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
25 AUGUST 2014**

Dear children of My Immaculate Heart:

**BY MY HAND YOU WILL SURELY WALK TOWARDS MY SON.
THE POWER OF EVIL WILL NOT PREVAIL OVER GOOD.**

**DONOT DESPAIR, CONTINUE IN FAITH.
MY SON'S PROM. IS ES ARE ETERNAL, THEY ARE LIFE AND THEY ARE TRUTH**

My beloved:

Clearly and with discernment, watch the battle that your brothers in the Middle East are living; it will expand throughout the world, terror will visit several countries, and My children will suffer, My children who do not suffer, do not pray, do not make sacrifices for their brothers, and do not think, even for one instant, about those who suffer, as if suffering were to exclude them. No, My beloved, all acts against life will leave their mark throughout the world before the power of evil that remains, in this instant, destroying everything that represents My Son's Light.

THE UNDERSTANDING CLARIFY OF THE REVELATION I HAVE GIVEN FOR HUMANKIND HAS NOT STOPPED, IT REMAINS IN A PRESENT THAT YOU WILL SEE IN AWE; BECAUSE THIS PRESENT IS UNKNOWN FOR SOME AND IT IS REJECTED BY THOSE WHO KNOW IT.

Beloved children, corruption embraces the world, it has already anchored itself in part of the hierarchy of My Son's Church, disfiguring sanctity because My Son's enemy has infiltrated it. The masonry interferes with future decisions of My Son's Church. My children, walk surely and safely under the Commandments, the Sacraments, approach the Eucharist properly prepared.

My Son loves all human beings; I do not forsake you. In spite of this, the mundane and sinful attract your attention, and you, allowing yourselves to be tempted, fall where I have ordered you not to fall. Once more My Son is crucified on the Cross by those disobediences of His People.

My beloved, wearing inappropriate attire, especially women, has awakened in males their low instincts; thus women become the cause of great faults towards My Son To flaunt the human body is a serious offense against what My Son wishes and expects from His own children: modesty and decorum.

My beloved children of My Immaculate Heart:

It is not only those who, among humankind, openly remain against My Son's Mystical Body who offend Him, but also His children that remain within His Church, those who seriously offend Him and betray Him by denying Him in the silence of the night...

**THE TEMPLES WILL BE CLOSED AND MY CHILDREN WILL NOT KNOW WHAT TO DO...
YOU MUST OPEN THE INTERIOR TEMPLE WHERE MY SON ABIDES INSIDE OF YOU, SO YOU WILL BE FILLED
WITH THE HOLY SPIRIT.**

My beloved children of My Immaculate Heart:

You must continue patiently waiting, augmenting and strengthening your Faith, being refuge for one another, so the enemy of the soul will not be able to cause division.

My beloved, he who holds a position within My Son's Church, within a spiritual group, must be the most humble of all; great pride moves freely and those who welcome it by their "ego" are taken by it to be instruments of disunity and division. He who is humble in truth and spirit is the one who not only humiliates himself, but also who embraces his brothers and fights to keep them near under the Divine Word, being My Son's Love, the Light that guides him to remain calmed even at times when the water is agitated.

Beloved children of My Immaculate Heart, the Earth will not give humankind a break, a truce; it will continue to flagellate man, unknown to her, because he does not comply with the Divine Will.

**PREPARE YOURSELVES, MY CHILDREN. THE GREAT WARNING WILL BE AN ATROCIOUS SUFFERING FOR THOSE
WHO HAVE NOT HEEDED THE COMMANDMENTS OF GOD'S LAW, FOR THOSE WHO HAVE IGNORED AND
REJECTED MY SON, IF THEY DO NOT REPENT SOON.**

My children, the Legions of Angels will go to protect My children. Do not be afraid. Prepare yourselves; be as one.

Humankind as such regresses. Man deems unthinkable what I announce: the persecutions will allow no respite, My Son's people will be tortured by satan's followers.

**DO NOT BE AFRAID. MY SON IS THE OWNER OF ALL CREATION, HE WATCHES HIS PEOPLE AND WILL NOT
ALLOW HIS PEOPLE TO BE DEFEATED.**

You, My children, will be My Son's refuge, and you will have Him alive in you.

**MY LOVE OPENS MY HEART SO THAT AT THE PRECISE INSTANT MY LEGIONS RESCUE MY CHILDREN AND MY
CHILDREN WILL NOT PERISH; LATER THEY WILL BE BROUGHT BACK TO EARTH**

Beloved children of My Immaculate Heart, walk confidently, My Son's Mansion has many abodes, and the faithful must wait trusting My Son's Word of protection for those who do not deny Him.

Go onward, children, do not hesitate. Remain in truth and in spirit, totally in a constant YES to My Son.

**NOTHING WILL PREVAIL OVER MY SON'S CHURCH,
EVEN WHEN THE EXACT OPPOSITE MAY SEEM TRUE. BE SOULS OF LOVE.**

DO NOT BE AFRAID. I AM HERE. I AM YOUR MOTHER.

I love you.

Mother Mary

THE INSTRUMENT'S COMMENTS

Brothers/Sisters):

THE ONE FULL OF GRACE, OUR MOTHER, REINFORCES OUR FAITH SO WE WILL NOT BE AFRAID.

**OUR LORD IS INFINITE LOVE. HIS PROTECTION IS HIS CONSTANT DIVINE PRESENCE AMONG US SO WE WILL
DO AND ACT IN HIS WILL.**

We must be fully aware of what Our Mother asks of us; otherwise, we will not be able to be in the proper position for our will to remain in its place.

We must do good; and the good in us must not depend on whatever happens, it must be a part of our conscience as Our Mother's children.

She did not stop, not even as She looked at Her Son on the Cross. Such is the courage and strength we must ask of the Holy Spirit so as not to regress.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
AUGUST 31, 2014**

My beloved People, I bless you.

**MY DIVINE LOVE EMANATES FROM MY HEART AND SPREADS OVER EACH HUMAN BEING,
EACH ONE OF YOU ACCEPTS IT OR DOES NOT ACCEPT IT.**

I give Myself to all equally, without distinctions, only waiting to receive the love of My children so that you are one with Me, hear My Word and make it life.

Children, My Love is a plant, its roots grow and deepen in the conscience of those who are Mine so that no wind moves you and you remain in Faith beside Me and you ask Me to be the water that makes you grow day to day.

Children:

This humanity finds its contentment in the suffering of others...

This humanity pleases itself on the pain of its brothers and sisters.

This humanity remains thirsty for blood, since in some people the conscience is not known and is smothered by others...

**I NEED NOT ONLY MY CHILDREN'S DISPOSITION, BUT THE DECISION TO BE MORE SPIRITUAL.
THE ONE WHO DOES NOT BELIEVE AND DOES NOT BECOME AWARE OF THE NECESSITY OF LIVING FROM
HEAVEN IN ADVANCE,
WILL REMAIN INVITABLY SUNKEN IN THE MUD OF ILL USED FREE WILL.**

The Signs of this Time, which has ceased to be time, do not hide the breakneck advance that pleased man has taken, in some cases to form part of the majority of humanity, in other cases for imitation, and in others, aware of what he is doing.

My beloved, in this instant the devil uses all of his schemes to lead My People to fall, those who continue their life without seeing or analyzing their actions, but continue in the footsteps of the majority.

Children:

**USE THE GIFT OF REASON, THINK AND DO NOT ACT BY IMITATION. IT IS THE INSTANT IN WHICH SATAN HAS
SENT ALL DEMONS TO EARTH TO LOSE SOULS. I ALERT YOU AND AM SCORNE, AS MY CROSS, MY SACRIFICE
AND SALVATION ARE SCORNE.**

My beloved children, humanity in its entirety will suffer for its own ignorance, with which it has accepted evil's pitfalls and challenges.

Those of Mine who dedicate themselves to seeking darkness in My Word will be greatly confused and in that confusion they will perish, attacking My Word given through My Chosen Ones.

Some believe that I forget, NO!... I wait until the final instant out of Love for those who are Mine. I am Love, that which you do not know...

Men will come who call themselves experts in My Affairs, questioning My Decrees. I will call those people with My Justice, that Justice this generation does not know, but this is the instant they will know it so that the just are not lost.

YOU LIVE IN A CONSTANT CHALLENGE OF MY AUTHORITY, YOU IGNORE MY WARNINGS, WHICH WILL GO FROM BEING WARNINGS TO EXPERIENCES: PERSECUTION, PAIN, DESOLATION AND POWERLESSNESS– THAT IS THE RESULT OF WHAT YOU HAVE GENERATED AND CONTINUE TO GENERATE.

My beloved, a body will not be completely healthy if its heart is not healthy. The one who does not have love in his heart, in his soul, in his thoughts, will only harbor contamination and from him will only emanate disobedience and pride from which is born arrogance.

My children, humanity will be shaken by terror, the monarchy will be shocked, the awakening of My faithful People must take place in this very instant, for if not, they will be spewed into the same place as the chaff.

Have trust in Me. Whoever receives Me in Communion, conscious of what this Sacrament represents, will not be abandoned by Me.

Children, I am the Savior of all human beings, I came to Earth for all, I received all, I fed all, I called all, not only a small number of souls.

You, beloved:

**DO NOT FEAR, YOU ARE NOT ALONE,
I AM WHO AM, AND I WILL NOT ABANDON MY PEOPLE.**

Nature groans before human laments, before the anticipated death of a great quantity of My children.

YOU HAVE BEGUN THE PURIFICATION, WHICH WILL CONTINUE TO INCREASE WITHOUT LETTING UP.

The elements will cause destruction in their wake, and My children will weep.

**Pray, My People, pray for Thailand.
Pray, My People, pray for France, some of its innocent inhabitants will suffer.
Pray for England, its inhabitants will weep before man's malice.
The United States will suffer at its core, pray without ceasing.**

The Purification was begun by man himself who despises Me, giving way to satan's schemes.

MY PEOPLE MUST NOT FEAR, I WILL MAKE THE SAME MANNA DESCEND FOR MY FAITHFUL, THE WATER WILL NOT TOUCH YOU, NOR WILL WEEPING HURT YOU. BE UNITY, POSSESS MY SAME LOVE, ALLOW MY LOVE TO STRENGTHEN IN THIS INSTANT FOR WHOEVER IS NOT LOVE, DOES NOT KNOW OF ME.

Onward My faithful, do not fall! Do not look to where you should not look. Be astute; do not fall into the nets of evil.

I AM LORD OF HEAVEN AND EARTH, FROM MY HOUSE I WILL SEND BLESSING, MY PEOPLE WILL NOT BE ALONE, MY WORD WILL NOT BE SILENCED, MY CREATURES WILL ARRIVE FROM ON HIGH, RESCUING MY FAITHFUL PEOPLE, I WILL BE WITH MY PEOPLE AND THEY WILL BE ONE WITH ME.

I bless you.

Your Jesus.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Christ himself, the same one who out of Love handed Himself over on the Cross, calls us to be His same Love, and at the same time reminds us that He is a Just Judge. Thus He brings us in this instant His Justice, which cannot be denied, unless we devalue His Omnipotence.

**CHRIST IS INFINTIE LOVE...,
NOT BECAUSE OF THIS DOES HE OMIT HIS JUSTICE TOWARDS THOSE WHO HE, IN HIS WILL, MUST EXERCISE
IT.**

We are not alone in any instant, we must not fear, Christ gives us the strength to continue and let us not forget that the Mother does not let go of our hand.

Brothers and sisters let us see the Signs of the Times, and let us not deny what cannot be denied. This generation offends Divine Mercy in an unthinkable way.

We are not masters of anything. Only for the sake of obedience do I write every letter that is given by Christ to His faithful.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
SEPTEMBER 4, 2014**

Beloved children of My Immaculate Heart:

**A MOTHER DOES NOT HIDE HER LOVE IN FRONT OF HER CHILDREN, SHE DOES NOT KEEP SILENT WHEN THEY
DO NOT OBEY HER REQUEST, ON THE CONTRARY, SHE CALLS TO THEM UNCEASINGLY.**

The heart of an earthly mother perceives when her children are in danger; her heart speaks to her about them. How is it then that you ask me not to ardently call out to you when I see the Faith weaken in the People of My Son?

**THIS IS NOT THE INSTANT TO BE LUKEWARM; IT IS THE INSTANT OF THE DECISION: IT'S YES, A DEFINITE YES,
OR NO, A DEFINITE NO.**

In the heart of man the soul's enemy rams continually the snare of treachery, indifference and impiety in the face of the people's pain.

Children, each instant the massification will demand from you greater commitment with the grand plan formulated by Satan and his cohorts so you will not be able to bring up your thoughts towards the spiritual and necessary, so you will not come closer to My Son and to Me.

My Beloved:

In a subtle manner, in My Son's Church, evil which will not stop, it continues growing until the antichrist takes full possession of Seat of St. Peter's on Earth.

There will so much pain when the faithful will be forbidden to obey the Commandments, the Sacraments will be forbidden and the Sacred Word of the Scriptures will be denied! So much pain! My Son's People will be deceived...

My Beloved:

**TO ACT AND WORK AGAINST THE DIVINE WILL DARKENS THE SOUL AND THE CREATURE IS SUBJECTED
TO THE EVIL FORCES THAT CONTROL HIM.**

My Children, to serve a man is a temporary thing, but to be a servant to the fallen angels transcends time; so think about this, life does not end on Earth with death; and convert before being chained by Satan.

MY SON TRANSFORMED SOME OF THE CREATURES IN FISHERMEN OF MEN; YOU MUST CONTINUE THIS TESTIMONY, MY CHILDREN, WITHOUT FEAR, SINCE THE FALLEN ANGELS WILL SHOW NO FEAR BEFORE YOU.

Where is your Faith at this point? You must decide in this instant..., separate yourself from anything that will keep you away from My Son.

My Beloved:

I am not leaving you alone; I am letting you see the existent depravity, the hardness of the heart of man as a sign of this instant, overstepping and violating the Law of My Son, while part of the Hierarchy of the Church of My Son denies sin, the devil and hell, leaving humanity in total licentiousness.

Beloved children, Heaven will pour fire on Earth and those who have denied this Word, desolated will ask for mercy.

Children:

DO NOT JUST WAIT FOR THE PERSECUTION...

DO NOT JUST WAIT FOR THE DISEASE...

DE NOT JUST WAIT FOR THE PLAGUE NOT ONLY OF THE BODY BUT OF THE SPIRIT...

BE MY SON'S FAITHFUL AND DO NOT BE PASSIVE, BUT OF ACTION, REDOUBLING THE TESTIMONY AND THE WORD, WITHOUT FEAR; AND ILLUMINATING EVERYWHERE.

Beloved of My Son:

In these instants My Son's Mercy is abundant, it is such that the Cosmos in general will intervene and will act toward man so that man will return his gaze to Heaven. He who wishes to understand My Son, do not wish to understand Him, love Him.

Beloved, the temples will be closed at the demands of those who do not love My Son and the Sacred Sign of the Cross will be prohibited in all the public places. Isn't that a sign of this instant?

CHILDREN, THE MUNDANE PLACES A VEIL IN THE SPIRITUAL EYES OF MY CHILDREN SO THAT THEY WILL DENY THE URGENT INSTANT OF THE DECISION; AND OF THE SEPARATION OF THE WHEAT FROM THE CHAFF AND THUS CAUSING MORE SOULS TO BE LOST. Evil, together with its allies, does not quench its thirst for innocent victims.

Pray My beloved, for England, it will suffer.

The Sun wishes to divert man's stubbornness and the suffering of man by man himself. Before a strong indication of war, the Sun will act but man will not stop.

The eagle will be wounded, it will sway. Pray My beloved for the United States.

Pray for Nicaragua, it will be shaken.

Pray children for Argentina, it will suffer by his own people, blood will flow.

In spite of this, the man with Faith will not weaken, it puts down roots like a plant and will gain strength like steel, because inside of him dwells the Infinite Love of God that doesn't leave him alone, rather shows him every instant His Presence in the midst of His People.

The former man will need to die his "ego" so that the new man will emerge: the Holy People purified, worthy of the One God and Three in One.

Beloved, the Divine Word has hidden, not because of bad will but in search of discretion; but by Divine Providence, I have come to you to give you little by little like breastfeeding babies what you did not know. Have you thought that to those who are given, it is he who has given to his brothers, and even giving to his brothers, is naive and easily deceived?

Beloved, each step that you take if you tend more towards evil, you will stray more from the absolute good. Be lamps full of oil.

**I REMAIN ATTENTIVE TO MY CHILDREN, DO NOT FEAR, I AM WITH THE PROPLE OF MY SON.
I WILL NOT ABANDON YOU, I WILL NOT ABANDON ANY OF YOU,
EVEN THOSE WHO DO NOT CALL ME MOTHER.**

LOVE MUST REIGN IN YOUR HEARTS.

I LOVE YOU ALL.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Let's listen with the heart, let's see with the heart, let's breathe with the heart... even in this instant in which humanity is seriously wounded.

Do not let the unbelievers discourage us, for if each one was given what he likes, even then, he will not believe, if he doesn't want to believe.

Our Mother will not abandon us, she will never do that. She is the Mother of infinite Mercy and in every instant She warns Her children.

LET'S BE PREPARED FOR THESE INSTANTS; NEVER THOUGHT ABOUT, BUT ALREADY WRITTEN WAY BEFORE.

LET THESE WORDS OF OUR MOTHER REACH IN THE DEPTH OF THE CONSCIENCE OF EACH ONE OF YOU.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LIGHT OF MARY
SEPTEMBER 8, 2014**

My People, My beloved People:

**MY INFINITE LOVE REMAINS IN YOU,
MY HEAVENLY LEGIONS ARE STANDING BY SO THAT MY
FAITHFUL WILL NOT BE AFRAID.**

Remain close to Me; receive me with the knowledge that it is Me who you receive in the Eucharist. If you are not properly prepared to receive Me, wait; otherwise you'll accumulate grave offenses towards Me. When you come to receive Me, ask My Mother to accompany you so She will receive Me on your behalf, and that I will be received with dignity. Thus, the lack of a right relationship from My children, when it is involuntary, will not be considered.

My Beloved People:

MY MOTHER IS THE ADVOCATE OF HUMANITY, CALL TO HER IN EVERY INSTANT.

You very well know that Satan despises My Mother's children, and in these instants when humanity is being tested as never before; and those that are truly sons of My Mother is doubly tested. Satan knows My mother very well, he fears Her, he flees from Her terrified, knowing that it will be My Mother who will inflict him the final wound and will cast him far away from My purified People so he won't be able to touch them.

**SATAN KNOWS MY MOTHER AND IN FRONT OF HER PURITY HE LOOSES ALL POWER UPON MAN. I, HER SON
CHRIST, DO NOT DENY TO MY MOTHER WHATEVER SHE ASKS FOR MY PEOPLE. THE BREASTS THAT
BREASTFED ME, IN THIS INSTANT, POUR OUT AND FLOW MILK AND HONEY FOR MY CHILDREN: FAITH,
HOPE AND CHARITY.**

My Beloved People do not reject the blessing by denying My Mother and her intercession for each one of you. My Mother will be the one to crush the head of Satan and will strengthen My People so they will not succumb before this enemy of the soul.

My Beloved:

Men on an unimaginable scale of violence deteriorate not only in spirit but also in his physical body, when men act against My Will their system weakens which will make him frail and won't be able to resist diseases and endure the great plagues that are coming.

My children still do not understand that the bad they do; will come back to them, thus becoming their own executioner. What man denies and does against his brother, what man thinks and feels, what a man experience in his heart, to the same extent it will come back to him personally.

No man's actions are left unnoticed; everything comes back to him again. Just like a plant that grows from a seed to mature and later bears fruit and that fruit will produce another seed, likewise in man all his works and actions, whatever he does even if only with the thought, everything will come back to him for good or for bad, according to the free will.

**MY BELOVED, YOUR WORK AND ACTIONS MUST BE TO MY LIKENESS;
YOU MUST TAKE THE LOVE AND THE HUMILITY OF MY MOTHER
AND MAKE THEM YOUR OWN; AND IN DOING SO YOU WILL KNOW
THAT YOU WALK WITH CONFIDENCE.**

Beloved, the gravity of a desolate conscience in man makes him more primitive to his works and actions. The enemy of the soul exists and it exists in those who deny its existence; and this happens when they continue in shocking debauchery that will enslave them and will corrupt them until their feelings are destroyed and their senses are harden so whatever they do they will feel pleasure.

Children, in this instant of this generation Satan is fighting with all its allies against all humanity, not only sickening the body, but altering the mind, distracting the thoughts and making them work motionless and also to become slaves to work. In this way, the fraternity is no longer a fraternity nor is man more man to protect one another. The altered human mind does not see creatures but sees deformed beings that should be destroyed without compassion, since this has been eliminated from man's sensitive organism.

The attack from evil is frontal, it does not hide to confront humanity, but marches ahead waking and increasing in man the contamination in his heart that evil has been planting a long time ago.

My House warned you, warns you and will warn you...

My Mother never gets tired to call upon you and My children, blind, deaf and mute, respond with absolute indifference, since they are motionless subjects of all that's proclaimed through those who proclaim it, for good or for evil, in all aspect of life.

Beloved children, now that the Purification has begun for My People, Creation will continue increasing its actions toward man, and man admiring the force of Creation.

I love My People; I love them so much, that I wish them at My side with white garments. I accelerate the instant so that My People will be those that will not totally fall before the designated time.

Children, evil does not have limits nor does good know any limits; thus you, in Faith and Knowledge, will double the force and whatever is necessary for you to continue being My faithful ones; those who do not abandon Me or sleep.

The famine has begun, but woe to those that trusts its existence only on the material food! Have they forgotten that My Father fed His faithful People in the desert? Although each one must make an effort, they should not be like those who tempt My House, without any effort on their part to prevent the announced instants.

Beloved, communism will be merciless; it has awakened and My children are still ignorant of the terrible consequences of communism for My People.

Children, My People are surrounded of all kinds of evil, these have penetrated in My People and they want to take its great loot to increase the sects that fight against My Designs. Masonry, the illuminati, communism and the great technologies at the service of Satan, interfere in My Designs, hidden by those who have betrayed me with the approval and pleasure of man and his will totally dedicated to the service of the enemy of My People: the antichrist.

My Church is all of you to whom I am speaking to... Demonic interests hide within My Church to establish the reign of the antichrist.

I do not abandon My children; as head of the Mystical Body I am Love, Mercy and Justice at the same time and because of this I warn you. Not everyone who says: Lord, Lord! is with Me; only those who live in the Will of My Father.

My Church has been contaminated by opposing elements to My Will, in the interest of separating My People from My Truth.

My People, wake up!... where are you, how can you crucify Me again distancing yourself from Me?

**My People, pray for the United States, the Eagle will fall, it will be daunted
by its adversaries and wounded; pray for this My People.
My People, Europe will be shaken by terrorism, pray.
My People, pray for Chile, the earth will shake.**

The force of Nature wants to counteract the passing of evil so that My children will wake up. Though do not fear, continue in Faith, from My House will come the blessing for My People. Evil will not defeat My People; My People are protected under My Mother's Mantle.

Unite, united you will be able to make the enemy go away. Be, steadfast children of Faith, steadfast in Hope, steadfast in Charity, knowing that I, One and Trinity, I do not abandon those who trust in My Care.

After passing the test, My People will shine like gold, like the sun, will irradiate My Love everywhere and all hand in hand with My Mother, praying the Holy Rosary, My People will be that sigh of Love of My Father that is waiting for their return.

Receive My blessing.

I do not abandon you.

Your Jesus.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

**GOD OF LOVE, GOD OF MERCY, GOD OF JUSTICE...
IF HE WEREN'T THIS WAY, HE WOULDN'T BE GOD.**

The balance remains on humanity; it depends on each one of you which side is heavier.

It is not easy to move in this instant, it wasn't so for Christ and His Disciples when they preached on Earth. But now Christ gives Himself to us, he bestow upon us His Holy Spirit and His Mother, he has given us the pledge and much more...

It is normal for a man to dislike feeling fear, or think about what frightens him more; or what is unknown to him, that is why Christ and our Blessed Mother let us know about the events beforehand so we won't be caught unaware.

They call us to unity because unity is indispensable, likewise it is indispensable to be conscientious of what is happening and what we are: children of God.

Evil fights to steal the soul, but the People of God are not alone, and evil cannot do anything if man does not allow it.

Brothers and sisters, united with the Divine Force and hand in hand with the Blessed Mother, let's continue our path without falling.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
SEPTEMBER 11, 2014**

Beloved children of My Immaculate Heart:

**MY LOVE SPREADS THROUGHOUT ALL OF HUMANITY.
I OFFER YOU MY IMMACULATE HEART ALONG MY SON'S MERCY SO THAT YOU DECIDE TO RECEIVE
CONVERSION BEFORE THE DARKNESS DOES NOT ALLOW YOU TO SEE AND OBSCURES YOUR WILL.**

My Son will not refuse you His Mercy if your repentance is sincere of heart, but the deceiver has gained excessive force and will continue to steal souls everywhere.

I CALL YOU TO THE TRUE FREEDOM OF LIVING IN THE DIVINE WILL, a freedom that is limited for man by man not being the likeness of My Son.

REMAINING FAR FROM MY SON PREVENTS YOU FROM ENTERING INTO HOLINESS AND MAKES DIFFICULT THE DISPOSITION AND WILL THAT ARE NECESSARY FOR A DEFINITIVE CHANGE OF LIFE.

Children, acquire knowledge so that you do not deny what is undeniable, in these instants in which present-day Herods have decided to wipe innocence, humility and Faith from the Earth.

Beloved Children:

DO NOT FEAR, I REMAIN WITH EACH ONE OF YOU; EVEN IF YOU DO NOT RECOGNIZE ME AS MOTHER, YOU WILL NOT BE ALONE IN THESE INSTANTS OF ANGUISH AND UNCERTAINTY.

Beloved People of My Son, you are identified as the cause of evil, of fear and of anguish... but do not fear. Those who do not want to recognize the signs or face the consequences of their own sin, are those who deny the Truth given by My Son about humanity's destiny if it continues sunken in what is sinful. **MY SON ASENDED TO HEAVEN, NOT TO ABANDON HIS OWN, BUT TO CONTINUOUSLY GIVE HIMSELF TO YOU IN HIS HOLY SPIRIT.**

Do not fear, they accused My Son of causing suffering; do not stop, do not forget that the one who accuses you is satan himself who roars against My children and against all those who invoke Me. Evil knows that it will be defeated by Me, by My Legions and by My children faithful to the Law established by the Father.

Children all of you, My Son announced that for this instant unbelief will run like water and that which for man should be progress will be transformed by man himself into terror for humanity, which is trying to be largely extinguished through contaminated food, through altered drugs and through some earthquakes caused by man himself through tyrannical rulers.

MAN HAS NOT LISTENED TO MY MESSAGES OR MY ALERTS AS MOTHER, AND IN THE BLINK OF AN EYE, THOSE WHO BELIEVED THEMSELVES TO BE MASTERS OF POWER IN THE WORLD WILL BE DEFEATED AND WILL SUFFER LIKE THE REST OF HUMANITY, being prey of their own warlike creations and for having ignored that the sin against the Holy Spirit falls back onto them.

Oblivious rulers have led Nation to rise against Nation, People against People, brother against brother; evil roams the streets and dead bodies are looked upon with indifference until they are those of one's own family; you look with indifference upon that which will come to pass in all Nations – some through invasions, others through terrorism, others through famine and others because of the fact that by My Son not remaining within man, man loses control of himself and the enemy of the soul takes possession of the person and leads him or her to commit acts inspired by satan himself.

Evil will not go unpunished, the egoism of powerful leaders around the World will be their own downfall, some will rise against others, exposing what they kept in the shadows. Hidden armament will be the scourge of Peoples, I suffer because of it!... A great part of humanity will be exterminated because of this.

Children of My Heart:

**ONLY AND ONLY THOSE WHO LIVE IN MY SON'S WILL SHALL BE A POINT OF LIGHT
IN THE MIDST OF THE DARKNESS IN WHICH THIS GENERATION LIVES.
LIKE IN THE PAST, EGOISM IS WORTH MORE TO MAN THAN CHARITY AND
UNBELIEF REIGNS DUE TO THE PRIDE OF HUMAN BEINGS.**

My beloved:

Nourish yourselves with the Eucharist; it is strength for My Children. Whoever does not pray cannot call himself a child of My Divine Son. Prayer is a spring of Grace; My Son would pray to the Father being Him, the Man God. That is why not only the one who says: "Lord, Lord!" will enter the Kingdom of Heaven.

Beloved:

MY SON'S CHURCH IS HEADING TOWARDS GREAT TRIBULATIONS, TO THE POINT THAT A SCHISM WILL SEIZE IT. My Son's Church will take from other religions and will cease to be the Church that My Son founded, drinking from waters that are not My Son's Will. Division will come to It and the hierarchy will enter into profound divisions that will wound the Divine Heart of My Beloved Son. **MY SON'S CHURCH WILL BEGIN TO BE PROTESTANT WITHOUT BEING PROTESTANT, SETTING ASIDE THE DIVINE WORD AND LAW.**

My beloved:

Pray for England, its inhabitants will suffer before powerlessness
against the evil that will lead them to suffer.
Pray without decline for the Middle East, the martyrdom of those who are Mine is
a sample of what will spread throughout the world.
Pray for Israel, it will again drink from the cup of pain.

Beloved children of My Immaculate Heart:

The elements will scourge with greater force, being a wonder to man, in the face of such radical variants in climate. The Sun will cause great calamities for humanity.

**TURN YOUR GAZE TO HEAVEN, DO NOT FORGET THAT FROM HEAVEN DESCENDS THE BLESSING
THAT WILL LEAD MY SON'S PEOPLE TO SECURITY AND HOPE.**

Do not decline, My Mantle protects the whole World; you are not orphan children, I receive you with all My Love and defend you with My Legions that remain at the Four Corners of the Earth awaiting the Divine Command.

YOU DO NOT TRANSIT IN SOLITUDE; I BURN IN LOVE FOR EACH ONE OF YOU.

OFFER YOUR SUFFERING SO THAT IT DOES NOT PASS WITHOUT BEARING FRUIT.

Remember that a bad tree cannot bear good fruit, nor can a good tree bear bad fruit.

ONWARD WITHOUT FEARS!

WHAT IS COMING IS FOR THE GOOD OF SOULS AND THE SALVATION OF MY SON'S PEOPLE.

I, Your Mother, will not walk without My beloved Children whom I do not let out of My sight.

I bless you with My Love, I bless you with My Word, I bless you so that you heed Me.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

We are invited to love in the likeness of Christ himself. This must be an order for each one of us: walking in the light of the Wisdom of the Holy Spirit.

Man ceases to be part of the Supreme Good when, by his own free will, he ceases to seek the Supreme Good... Not by being Catholic are we free of all fault, instead the one who separates himself from God comes to be as nothing.

Brothers and sisters:

WE ARE ONE IN THE LOVE OF GOD.

Let us not cease to look with sadness upon the offenses against the Divine Will and the miseries present-day man has reached.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
14 SEPTEMBER 2014**

My dear children:

My Mantle protects all humankind. In haste I go to the rescue of all those who come to me asking for My intercession.

**MAN'S HEART WILL BE SOFTENED BY MY MOTHERLY LOVE.
AT THE END, MY IMMACULATE HEART WILL PREVAIL AND MY CHILDREN WILL BE TAKEN TO MY SON; I WILL
TAKE THEM BY THE HAND TO ETERNAL BLISS.**

My dear children:

Do not look at that which you should not see; it disturbs the mind and hardens the heart. In every brother look at My Son. This way instead of acting impulsively, you will act in agreement with the Divine Will.

**I ANNOUNCED THE SUFFERING OF MY SON'S PEOPLE FOR THIS INSTANT WHEN THE SIGNS ABOUND. I WAS
IGNORED AND I CONTINUE TO BE IGNORED.**

The offenses toward My Divine Son will increase and the human mind will find itself dozing in what it absorbs from everything sinful, more than what it is experiencing at this instant.

My children place themselves in the claws of the enemy of the soul, and they give themselves without opposing any resistance; this way they excuse themselves and will continue to excuse themselves for their indifference, their pride, their lack of knowledge, and lack of Faith.

My children, man's own intelligence must be kept awake and alert so the oppressor of the souls, your enemy, satan, will not deceive you.

At this instant, evil moves forward demolishing human beings, temples of the Holy Spirit, due to My children's ignorance because they walk without knowing all that happens in everything created by the Eternal Father for the good of humankind and which, at this instant, has hurled itself against man to make man return to his Father without presenting resistance.

My beloved:

**AT WHOSE SERVICE ARE YOU AT THIS INSTANT? AT WHOSE SERVICE DO YOU FIND YOURSELVES AT THIS
INSTANT? GOOD OR EVIL? BECAUSE THOSE WHO ARE LUKEWARM WILL BE SPIT OUT OF GOD'S MOUTH.**

The tare acts to exterminate everything in its path; evil acts cunningly upon man's mind making him fall.

Wheat seems fragile, the ears of wheat seem fragile when they are not joined together, strengthened by fusion in My Divine Son and fertilized with Faith, brotherly love, charity, and hope.

That which is novelty for humankind is the decay for man's spirit, if the novelty is worldly and goes against My Son's Commandments which He established for all generations. Man cannot renounce My Son's Commandments; they are not subject to change not subject to reformation; likewise, the Cross on which My Son sacrificed Himself for His People is ONE on which everyone is found just like My Son is the same yesterday, today, and always, and is the same yesterday, today, and always.

The licentiousness of this generation seeks to establish licentiousness in My Son's Law. My children, remain alert and attentive. Too many wish to justify their wrongdoing and there will be many more who will agree.

Beloved, this generation has grown up in the shade of great progress for the good of mankind, but man himself has contaminated this progress with his pride, directing it toward his ego, his arrogance, his pride, to acquire power over the rest of his brothers.

My children should have built for the good of the soul, but every instant they built and are building for their own downfall because of their hubris.

Beloved children of My Immaculate Heart, do not discard My Calls in which I have announced to you the devastating evil that will afflict most of you by way of the nuclear energy.

**In this generation the great Cain rose silently in the midst of man's ignorance.
Pray. This great Cain will again bring pain to man. Pray for Japan.**

Man will be demolished by the elements, children, pray for the United States; pray for Russia, it will be tested.

My beloved, the mind has been plunged in darkness, the heart hardens more and more; man, without ceasing to be man, is his own executioner. The soul is oppressed by man's deliberate unconsciousness. Do not forget you are ONE and you must walk in unity.

**. Pray. Pestilence advances with more and more strength every instant,
exterminating a great deal of My children.**

Beloved, do not stray away from My Son. Receive Him, love Him, be aware of that constant acting in the Will of My Son. Make up your mind, take the step now, it is urgent, do not deny yourselves the Salvation.

The enemy of My children has arrived with his legions and persecutes My Son's Church; do not forget that church is all of you.

Beloved children of My Immaculate Heart:

**WORK AND ACT IN DIVINE LOVE. YOU WILL BE PLACED BEFORE YOUR OWN CONSCIENCE BY THE JUST JUDGE
WHO SEES EVERYTHING. DO NOT LISTEN TO THOSE WHO SAY THAT MY SON WILL NOT USE HIS SACRED
JUSTICE, THEY WILL LEAD YOU TO DAMNATION.**

My Son's children, My children, are persecuted; the power of the single government of humankind persecutes My Son's children, My children.

CONTINUE YOUR LIFE IN CONSTANT PRAYER, BEING LIVING TESTIMONY, IN FRONT OF YOUR BROTHERS, OF MY SON'S LOVE IN YOU. PRACTICE THE GOSPEL.

I have protected you and I will protect you; My Son entrusted this to me.

I love you,

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters):

Our Mother alerts us about the human power that persecutes man, and the spiritual power that the devil exerts on the human creatures. Man must keep the lantern lit without neglecting to be alert because the enemy attacks with more strength each time

Let us pray to the Great Maker of life and to our Mother to strengthen our Faith, that our conscience not be fogged up, and that modernism not be stronger than God's Law which is not subject to change or human whim; instead, it is the lack of knowledge that makes man be hesitant.

CONVERSION REMAINS IN FRONT OF EACH ONE ON THAT CROSS OF GLORY AND MAJESTY ON WHICH OUR LORD JESUS CHRIST REDEEMED US.

Amen.

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
17 SEPTEMBER, 2014**

My beloved People, My beloved People:

**HOW DO I SEEK YOU!...
AND HOW HARD IT IS FOR ME TO FIND YOU IN THIS TUMULTUOUS HUMANITY SO DISTANT FROM ME!**

My Children, the sun of My Divine Love goes before you illuminating the way for you to look in the Spirit every step you take.

I NEVER ABANDON YOU, YOU ARE MY PEOPLE, I GAVE MYSELF UP FOR YOU, I RESURRECTED FOR YOU LEAVING YOU MY SPIRIT FOR YOU TO DISCERN CORRECTLY. MY CHILDREN GET CONFUSED AND DOUBT BECAUSE THEY HAVE GROWN APART FROM ME AND BECAUSE THEY HAVE TAKEN ME AWAY FROM THEIR LIVES.

My Spirit respects the free will of man and thus, in this terrible road humanity has taken with excessive debauchery and being respectful of the free will of My People, it is that you stop me from assisting you unless you ask me to. My Mother, Advocate of all humanity, hurts from being rejected constantly by you, Her children.

Man, possessor of intelligence, has allowed it to be darkened by not having knowledge of its surroundings and of what happens and develops around it, because of this man denies what stays before his eyes, by being ignorant of the origin and the consequences of the great perils that ravage him.

MY CHILDREN IN THIS INSTANT YOU MUST BE AWARE OF THE EVENTS THAT HAPPEN MOMENT BY MOMENT, SINCE THE BETRAYAL TOWARDS ME IS WIDESPREAD AND IMMINENT AND I DON'T WANT MY CHILDREN TO BE TAKEN FROM ME.

Those who do not want to fall, must not only possess goodwill, must not only say they love Me but must rather show that love by raising their voice in testimony of that love they confess to Me and by transmitting to their brothers the knowledge they are acquiring, so that they not only open their eyes, but also the mind and conscience of those who are still not making an effort to acquire the knowledge.

Who loves someone whom you don't know profoundly?

You must know me profoundly in order to love me with all your being, with all your soul, with all your will...

You must know My Word profoundly so as to not be deceived...

You must remain alert of the events that happen before you, for these events to not go unnoticed as they do before those who have not concerned themselves with learning correctly.

**I DO NOT WANT AN IGNORANT PEOPLE...
I WANT A PEOPLE WHO EDUCATES ITSELF, A PEOPLE WHO CANNOT BE DECEIVED.**

MY PEOPLE MUST RISE STRONGLY THIS INSTANT, AS I RAISED FROM MY CROSS TO REMAIN IN IT WITHOUT FAINTING, GIVING TESTIMONY OF THE LOVE OF MY FATHER FOR HUMANITY.

How many wish to silence My Instruments when they without human fear spread My Will!

I CALL ON MY FAITHFUL PEOPLE, TO THAT WHO LOVES ME "IN SPIRIT AND IN TRUTH", TO KEEP STANDING SINCE THE PHYSICAL DARKNESS COMES AND WILL REACH ALL THE GLOBE.

It will be a Cosmic event and the Earth shall be darkened and will tremble with force, but those who fear My Justice it's because they don't know profoundly, it's because they ignore that even executing My Justice, this has My Mercy implicit, otherwise everything would be annihilated.

Sin and going against My Will is a double edged sword with which you not only hurt Me and My Mother, but your brothers and yourselves, being this sword part of the reason why man in this instant does not look at man, does not look at his brother; but rather is completely taken and affected by the indiscriminate pollution that satan and his henchmen have launched against humanity to alter it jointly with some powerful rulers of the Earth through the Cain of this generation (nuclear energy). They have achieved all this, distorting the good and correct functioning of the human organism and specially the human brain.

This confusion of the mind of man leads him to look at his brothers as enemies and flagellate Me by committing this large genocides begun with the approval of the abortion law and the acceptance of this law in several countries, and now expanding into an indiscriminate and brutal persecution towards My Church and My faithful...

**MY LEGIONS SHALL RAISE MY FAITHFUL AT THE PRECISE INSTANT
SO THAT MY PEOPLE WON'T SUFFER WHAT SATAN WANTS THEM TO SUFFER**

My children, My People do not deny My Word, I announce and state explicitly the events so that you won't be confused. My Mercy goes beyond any human thought and, at the same time, My Justice cannot deny it. It has been executed previously before the evil and disordered pride of those who have decided to get away from Me and to give in to the evil that breeds in the soul the enemy of my People.

My People:

THE ANTICHRIST SHALL REACH THE SUMMIT OF MY CHURCH, YES HE WILL HURT IT, BUT HE WON'T DEFEAT IT. prepare yourselves, My beloved, My Church will be strongly shaken and My Children will feel dejected, but you must not forget the faith in My Protection. The Institution, the Hierarchy of My Church will be strongly attacked by evil.

THIS GENERATION IS APPROACHING FAST TOWARDS FACING GREAT CALAMITIES.

**Pray My People, pray for my Mystical Body, pray for each other.
Pray My Children, pray for France, it will suffer unexpectedly.**

My beloved, I keep you in my Nets if you will allow Me. You must know My Love profoundly so that you do not stumble because of the false illusions and continued lies of those who open the way for the antichrist for him to take absolute power of religion, governments, economy and absolute control of science. If you remain willing to carry out My Will, acting and working according to My Precepts, My Legions shall remain over you giving you the strength to not fall.

My People is purified like gold in the crucible, but that same crucible shall not go beyond where I allow it as Owner of all Creation. Everything that exists came out of the Hand of My Father, it cannot be that my People ignore the Divine Omnipotence that created the Universes.

**MY PEOPLE MUST ACCEPT MY WORD OBEDIENTLY, WITH LOVE AND HAPPINESS THAT MORE THAN
RIGHTEOUS IT IS MERCIFUL; BUT I CANNOT ALLOW THIS GENERATION
TO CONTINUE WITHOUT BEING PLACED IN THE SCALES.**

Stay close to Me and do not forget that My Law cannot be changed.

**LOVE EACH OTHER, LOVE EACH OTHER AS I LOVE YOU, OFFER ME EVERY ACTION AND EVERY DEED OF THE
DAY FOR THOSE WHO DO NOT LOVE ME AND FOR THOSE WHO SCORN AND DENY MY MOTHER.**

My Beloved People, I come for you:

I thirst for the souls of those who love Me...

I thirst for valiant souls...

I thirst for souls that do not fear sharing My Love and My Word.

Join in Brotherly Love, do not stray from My Mother, She intercedes for each one of Her Children.

**MY SACRED HEART BURNS OF LOVE FOR YOU,
LONGING TO FIND THE LAMP LIT IN EACH ONE OF MINE.**

My special blessing is with all those who consciously share this My Truth.

I Bless you in the Name of The Father, in My Name and in the Name of Our Holy Spirit. My Protection is with My People, I bless you.

YOUR JESUS

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

**REFLEXION OF LUZ DE MARÍA
SEPTEMBER 20, 2014**

During these days after the last three Messages from Our Lord Jesus Christ and from Our Blessed Mother, they have entrusted to me what I allow myself to share in the following:

HUMANITY HAS ENTERED THE STAGE IN WHICH AT THE END, IT WILL FIND ITSELF BEFORE THE LORD OF THE HARVEST AS IN PREVIOUS GENERATIONS, except that man looks back and all that has taken place, he sees it as something distant that cannot arrive at this instant. We know that every generation before ours has been purified by God's Hand of Merciful Justice when aberration has come to surpass man himself.

If God is Love, we know that God will not allow all His children to be lost. When He exercised His Divine Justice in Sodom and Gomorrah, Lot and his family were warned, because never will those who strive to remain in the Divine Love be abandoned. This must not be just another passage from the Old Testament, but a great lesson so that this generation perseveres in the effort and remains on the path of the Divine Will.

INDIFFERENCE IS NOT ONLY AN ACT AGAINST THE WILL OF GOD, BUT A SIN AND A SIGN OF WEAKNESS. Man shows himself to be indifferent on occasions so as not to declare his commitment to good or evil, or in any case, to his lukewarmness. But Heaven's Calls urge us to remain identified with fraternal good and remind us that "those who are lukewarm will be spit from the Mouth of God."

An urgency without precedents is what Heaven shows us so that all of us who call ourselves children of God make the decision of being men and women with a conscience, with a name and last name, capable of reacting and of defending our Faith giving testimony of what we believe in; but with solid bases that support it and do not lead it to falter before the vain words of some who are ignorant of the context that moves in the background of humanity, but who often sniff at the front page news of newspapers and base themselves on this to show their differences that are radical but empty of content and of knowledge.

The Christian of this instant is not the same one of 50 years ago. Heaven has called us to acquire knowledge in every field necessary for humanity. Can it be that out of fear humanity does not wish to know about what will come, forgetting that it does not depend upon humanity, but upon God?

Heaven's Calls reveal to us that Mercy and Divine Love have been abused..., but man not having been placed on the Scale has been due to the intercession of the Blessed Mother who cries out for this humanity.

Brothers and sisters, man is not sensitized, because he has lived centuries according to the law of the most powerful, in the midst of the violence that has expanded throughout the Earth, man has lived in the midst of corruption, allowing only a few to direct humanity's destiny.

INERTIA HAS SEIZED MAN'S MIND, AND ABOVE ALL THE WILL TO BE BETTER TO THE POINT OF LEADING HIM TO TOTAL CONFORMISM.

HEAVEN HAS CALLED, AND THOSE WHO LIVE IN THE FATHER'S WILL SHALL BE REWARDED WITH A JOYOUS ETERNITY.

Man must understand that the events that arise and will arise are in no way isolated events, in one place or another; they will become widespread due to the fact that man moves being not only a part of a system on Earth but being part of the Universe, and as such, man's actions or works exert influence over all of creation and Creation reacts against that being who emanates love or evil.

Man is the only one who stumbles with the same stone, the only one whom if told not to go somewhere hurries even more towards where he was told not to go, and then after he has scorned Truth, he sees with his own eyes the error he made, but he does not amend his life – he soon forgets.

ONLY A FEW TAKEN FOR MAD ARE THE ONES WHO, UNDER THE PROTECTION OF THE HOLY SPIRIT, REMAIN FAITHFUL TO HEAVEN'S ORDERS AND THEY WILL BE THE ONES WHO OVERCOME THE TRIALS, PROTECTED BY THE HAND OF THE BLESSED MOTHER, WHO IS THE GUIDE OF THIS GENERATION.

The Church is all of us, it is not only the hierarchy, but rather all of us who call ourselves children of God and confess our Faith, and we believe in One True God, One in Three Persons is Divinity, and in that Faith we walk asking for firmness and for strength not to not fall but to know how to rise from the fall.

Man tends to mark and judge what he fears, what can reveal to him what is coming and causes him fear. John the Baptist was decapitated for proclaiming the Truth; Peter was crucified on a cross, upside-down, and likewise other Disciples of Christ, because the roman authorities feared Christ and His followers.

In this instant, the human race has declined in every aspect with the ill use it has given to what God provided for the good of man. Evil has awakened and it found a humanity that is irreverent and empty of the Love of God, for God is expelled from everywhere by people so that they do not have to remember the Cross and with the Cross, Redemption.

Christ has entrusted the guidance of this generation to His Mother so that it is the Mother who awakens humanity from that modernism that has trespassed the limits and that has adopted the god of money as the lord of personal destiny.

This same instant that will lead God's People to reunite with Him⁹, makes evil man's stumbling block so that he does not reach the Divine Light. For man everything is a challenge, a challenge before his own free will, before the use he gives to the Gift of Speech, the use of his mind, before his own thoughts, before his feelings, before his will, before his disposition and finally before his conscience.

What is happening?

THE DEVIL HAS PROPOSED AN END FOR HIMSELF: TO MAKE MAN LOSE THAT SPIRITUAL SENSE (THE WILL) THAT IS LIKE THE HEART FOR THE HUMAN PERSON THAT FIGHTS TO REMAIN ON THE SPIRITUAL PATH CLOSE TO GOD. This is because satan has been preparing the way for the antichrist since before the Mother revealed anything to us about this enigmatic **monster**, the essence of evil.

⁹ She is referring to the Warning.

Man has given importance to circumstantial and temporal affairs that have been developing throughout humanity's history, ignoring—at first out of not knowing and then out of comfort and fear— knowing the truth and what is coming. Man, out of instinct, avoids all that signifies pain, purification and more.

WORKING AND ACTING CONTRARY TO THE DIVINE WILL DARKENS THE SOUL AND A PERSON SUBJECTS HIMSELF OR HERSELF TO THE FORCES OF EVIL THAT MAKE HIMSELF OR HERSELF FALL.

The ignorance at the beginning was not voluntary on the part of the people, but rather sown by the Ecclesial Institution itself, by not making known to the People of God great truths that, if not carried out by man, would lead man to be dominated by the total darkness the antichrist possesses.

Some leaders of the world powers have come to know what the rest of humanity did not know, with the end that the world powers would not act in the development principally of atomic energy, and then of what would lead man to decline in his organism.

Diverse and powerful sects emerged such as the illuminati and masonry that remain to this instant, being a powerful force within and outside of the Church, for they have interference with humanity in all aspects. Penetrating into silence and under the tutelage of diabolic forces with deceptive cunning, degenerating man in what is moral, thus in the spirit, in his physical body, to trap him in what has emerged in the end; man sees all that happens as something that has always occurred in humanity, and he denies that Christ can exercise His Divine Justice, ignoring God's Punishing Hand in humanity's past.

DIVINE MERCY PREVAILS, ALWAYS AND WHEN MAN REPENTS AND MAKES AMENDS. The Blessed Mother says that the depravation that exists makes it so man emanates negativity, darkness, denial towards his surroundings and towards Nature Itself, that denial of the Divine Will being like a magnet that attracts calamities towards the human being. Man, by being a part of all that was created by the Hand of God, should continue to exist fused to the Divine Will. By acting on the contrary, with a free will, subjected to what is improper according to the Law of God, all that exists cries out against man and his living distanced from the Creator, without fulfilling the mission for which he was created; it is there that the elements react against man to give him a wake-up call, but man does not understand and does not respond.

It is thus that the devil achieves more enjoyment for himself and leads man to decline in the spirit, keeping man in ignorance so as to continue his plan and establish the antichrist as king in what is religious, political and economic, so he will dominate man totally and will persecute those who resist him.

It is not a story, it is a reality that in this instant in which humanity has understood that some very great details still had to be revealed about the secret of Fatima, humanity should understand and be conscious of what awaits it and of the signs humanity lives, signs that have always been given, yes, but not with the intensity in which they are given today and with the continuity with which man lives the natural scourges and the scourges of the behavior and conduct of a man who ceases to be man to act against his brothers and sisters. Only the Trinity and the Blessed Mother in that living Act of infinite Love will be the ones to sustain us and to free us from being just one more of those who deny them.

LET US PRAY, LET US RECEIVE THE BODY AND BLOOD OF CHRIST,

LET US LOVE THE BLESSED MOTHER AND SEEK THE COMMON GOOD.

**LET US NOT CONFORM OURSELVES WITH WHAT THEY MAKE KNOWN TO US,
LET US INTRODUCE OURSELVES INTO THE ROOT OF WHAT TAKES PLACE AND
LET US BE THE VOICE OF WARNING FOR OUR FELLOW MAN.**

Amen.

Luz de María, September 20, 2014

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
21 SEPTEMBER 2014**

Beloved children of My Immaculate Heart:

At this instant of all instants, this Mother continues to bring to The Son's People the Love that I keep in My Immaculate Heart.

**YOU MUST LOVE MY SON WITH ALL YOUR HEART, WITH ALL YOUR SOUL, AND ALL YOUR STRENGTH, FOR
YOU TO OVERPOWER THE OBSTACLES OF DAY-TO-DAY LIVING.**

**YOU MUST MAKE THE DECISION, YOU CANNOT LIVE INCOMPLETELY SERVING TWO MASTERS
BECAUSE YOU WILL LOVE ONE AND LOATHE THE OTHER.**

**YOU CANNOT DESPISE MY SON NEITHER CAN YOU LOVE HIM ONLY IN PART
BECAUSE THOSE WHO ARE LUKEWARM WILL BE HURLED OUT OF THE FATHER'S MOUTH.**

Beloved children: return promptly to the Father's House, visit My Son in the Tabernacle and talk with Him there. He knows you profoundly, but approach Him humbly, without arrogance... This is the instant when the real, faithful People will be seen: he who always wants to be last because he knows that he who wishes to be first, will always be at the last place.

THIS MY SON'S PATH IS A PATH FOR THE RESOLUTE AND COURAGEOUS, courageous and spiritually determined to completely nullify human egotism and depose self-pride and personal interests for the love of My Son and the love of the brothers.

**EACH ONE OF YOU, MY CHILDREN, IS A CANDLE WHICH MUST GIVE LIGHT TO YOUR BROTHERS, LIGHTING THE
PATH FOR THOSE AROUND YOU.** Those who will not allow the Light of the Holy Spirit to shine upon them and their brothers will be overwhelmed by darkness, and My Heart feels great pain for them.

Beloved children:

The human body has a heart, the heart keeps the human body alive, and the soul animates the body; similarly, the rhythm of the beating of My Son's loving Heart in you keeps Me constantly watching you and guiding you along the way.

Not all of My children palpitate in the Love of My Son. My Son loves all the same, all are his children without discriminating; but I see how humankind does not wish to palpitate as one at the rhythm of the Divine Will, in fraternity. If you were aware of the nearness of the great catastrophes generated by the violence in humans at this instant, due to the lack of awareness of this humanity, then you would be fraternal the way My Son has asked you to be at every instant.

My children, receive My Son, strengthen yourselves with His Body and His Blood.

PRAY AND BE ACTIVE CREATURES GIVING TESTIMONY OF THE LOVE OF MY SON, WHO WISHES IT BE SHOWN WITH A LIVING TESTIMONY OF FRATERNAL LOVE, ALERTING ALL HUMAN CREATURES OF THE GREAT TENTACLES OF THE ANTICHRIST WHICH ARE UPON HUMANITY... and how he is soon to become a public figure... But before this happens, My Son's People are already suffering because of the tentacles of the antichrist, one of these great tentacles being communism, which as a great flogging of humankind has silently penetrated and has formed satellites using small countries by providing them with aid and thus silently infiltrating itself.

This force, which takes hold of man's thinking, that flogs man's will, and conditions his actions and his doings, has deceived My Children and will subdue a majority of the Peoples driving them to enslave themselves in the spirit so they will say "no" to My Son and subject themselves to the power and the domination that communism exerts guided by evil.

You, My Children, who truly love My Son, do not give in to these nets, do not reject My Son and keep your Faith. My Son, Who provides food for the birds in the wild, will not leave His Children without food. Do not say "no" to My Son in exchange for a piece of bread; do not side with those who flog your brothers, This is lack of love, it is lack of charity towards the brother, and, above all, it is lack of conscience. Do not continue being indifferent towards the suffering of your kind because no People, no nation will be from suffering.

NUCLEAR ENERGY IS THE GREAT CAIN OF THIS GENERATION, BUT COMMUNISM IS ALSO A STRONG TENTACLE OF THE ANTICHRIST.

My children unknowingly give up their freedom more and more; they enslave themselves and allow to be conditioned by this great tentacle which will make the whole world suffer.

Beloved Children of My Immaculate Heart, humankind will greatly regret disobedience.

The ocean waters will become agitated and man will tremble.

My Children, do not forget to pray for My beloved Chile.

Oh, youth of whom I am Mother, Cry out! :

“HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN”, AND I WILL COME PROMPTLY.

Do not go on allowing vice and depravation, ignorance and lack of awareness to possess you. All of these have been created by satan so you will lose your will as well as the conducting thread through which you were called to remain in what is good. Drugs drive you to become inert human beings, they overpower your will nullifying it until you no longer have a will at all, and they guide you to adore these gods that completely destroy you.

**THIS MOTHER WISHES THAT THE FORCE OF YOUTH BE THE ONE TO RAISE, WITH ARDOR BORN IN THE SOUL,
THIS CRY, THAT MY SON WISHES TO HEAR,
ADORING HIM AND PROCLAIMING HIM YOUR OWNER AND LORD.**

Children, do not forget that, even when it seems you have little strength, the power of the Holy Spirit remains with the faithful people, and especially the youth. Keep in mind that evil will not prevail in My Son's Church; this Church will be purified but will never be defeated.

Pray, My children, for the hierarchy of My Son's Church; My Heart covers it.

Beloved children, quickly become aware of all that surrounds you and of the threats that have stopped being words to become a reality against humankind.

satan has already taken shape ...

... taken shape through nuclear energy,

... taken shape through communism,

... taken shape through the food, intoxicating and poisoning the body which is Temple of the Holy Spirit,

... taken shape through science wrongfully used and has taken shape in nuclear energy.

**HOW MUCH HAS THIS GENERATION OFFENDED, AND CONTINUES TO OFFEND, MY SON:
INFINITE LOVE! I KEEP YOU IN MY HEART.**

Do not try to give human explanations to excuse the mistakes you make.

MY MESSAGES GIVEN AT DIFFERENT TIMES AND IN DIFFERENT COUNTRIES REMAIN IN THE PRESENT, ASKING ESPECIALLY THAT THE GREAT NATION OF RUSSIA BE CONSECRATED TO MY IMMACULATE HEART, and this has not happened yet; neither has My message given in Fatima been revealed completely; but this generation will not be purified until My message given in Fatima be revealed to all of My Son's children.

I OBEY THE WILL OF THE FATHER, AND THE FATHER'S WILL IS THAT HIS PEOPLE KNOW EVERYTHING I WAS ORDERED TO REVEAL.

My beloved ones, I continue to come to My children to alert them in view of how necessary it is for them to return to My Son, so none will be lost because of this generation's insistence in giving themselves to the claws of evil, rejecting My Warnings, those that My Son has given to Me to bring to you.

I do not want you prisoners of evil ...

I do not want you in anguish, tormented...

I do not want you suffering...

CHILDREN, GO TO MY SON, PREPARE YOURSELVES WITH DIGNITY TO RECEIVE HIM, AND WITH FIRM WILL AND A GREAT INTENTION TO RECTIFY, TAKE THE PATH TO CONVERSION. BE AWARE THAT IF YOU FOLLOW THE PATH YOU ARE ON NOW, YOU WILL FALL PREY TO EVIL.

In just instants, nuclear energy can produce devastation and cause great harm to humankind, but you have been lax regarding communism and you have allowed it to advance furtively and exert control over the Peoples in order for men to give themselves to the false gods that communism presents to them that abound in all of humankind.

Do not renounce My Son; go on, beloved ones, with the cross, symbol of My Son's love for you. All around the world, this Mother will continue to show to all My children the Love that My Son claims and that My Heart wishes to pour out over all of humankind without any discriminations.

Beloved children of My Immaculate Heart, the Earth will continue to tremble, protesting the sins of this generation.

**Pray, My children, pray for the Dominican Republic.
Say the Holy Rosary in a chain around the world.**

You are instants away from the spreading to all of humankind of the flogging of the war. My Son's Heart bleeds because of this, and you, My children do not console My Son's Most Holy Heart.

As the Mother of all humankind, I protect you and pull you away from danger.

Receive all of you My Motherly Blessing.

I beg of you do not forget Me since, as a Mother, I never abandon My own.

Remember that you walk towards a meeting with My Son, towards the New Sky and the New Earth. All pin will pass and you will find yourselves with the reward for which you have yearned.

I love you and I bless you.

Mother Mary

THE INSTRUMENT'S COMMENTS

Brothers and Sisters:

Our Most Holy Mother does not leave out that which at this time represents great danger in reference to communism which, after nuclear energy, is one of the great and strong tentacles with which the followers of the antichrist are preparing for humankind, in order to make humankind embrace with ignorant joy the one who will flog humankind and Split the hierarchy of Christ's Mystic Body.

Let us not ignore this warning. The Heaven can see much farther than man, and, precisely because of this knowledge of the future, Heaven calls on humankind so it will not fall prey to evil.

The hierarchy of the Church has not obeyed the Most Holy Mother since they have denied Her the consecration of Russia.

Brothers/Sisters:

WHAT LIES AHEAD IS NOT ENCOURAGING...

BUT WE WALK IN FAITH BELIEVING THAT CHRIST AND OUR MOST HOLY MOTHER WILL NOT LET GO OUR HAND, WITH FAITH IN THE DIVINE PROVIDENCE, BELIEVING THAT THE BROTHERS WILL WAKE UP AND WILL FOCUS ON LOVING GOD AND LEARNING WHAT THE POWERFUL MEN OF SCIENCE KEEP IN ANONYMITY.

Let us start a world-wide Chain of the prayer of the Holy Rosary at 3 pm local time in each country, offering it for the intentions of our Most Holy Mother and in unison elevate one single voice that will ascend to the Trinitarian Throne.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
SEPTEMBER 24, 2014**

My beloved children of My Immaculate Heart:

I LOVE YOU; YOU WELL KNOW THAT I LOVE YOU ALL IN THE SAME DEGREE.

The wind blows all around the Earth which carries the contamination created in the great big laboratories, by the hands of men without a conscience. I suffer so much for what will happen to My children! My hand stretches out upon each one of the human beings, My children. All are My children; I welcomed all of them as My children at the foot of the Cross.

Beloved children of My Immaculate Heart:

This generation is going through crucial instants; they will be bloodier on the passing of each instant.

My beloved, violence will increase, generated in the mind, in the thought and in the hardened heart of man. This is not the man that God the Father created, this man is fruit of the misused of science.

Beloved children of My Immaculate Heart:

GREAT ARTIFICIAL SATELLITES ARE SUSPENDED ABOVE; AND FROM THERE ORIGINATES THE CONTROL OVER MY CHILDREN. Those who live separated from My Son, giving in to all pleasures and to everything mundane and sinful; they are prey of these Powers that from above contaminate My children to prevent them from being men of peace, creatures of good.

MOST OF HUMANITY IS KEPT UNDER CONTROL BY THOSE WHO ARE PREPARING THE GREATEST WORLD CONFLICT. INTERESTS REIGN EVERYWHERE, NOT CONSIDERING HUMAN LIFE, OR COMPASSION, AND MUCH LESS LOVE.

My children, suffering is spreading throughout humanity in gigantic steps.

I suffer because of this...

I suffer for My children, who will live instants of despair ...

I suffer because they are not aware that in the midst of shadows and darkness, the great interests of the great Powers can be found, which are fighting to control all the natural resources of Earth, and in this way maintain control over all the other Nations.

My beloved:

The Earth itself will come to deny man its resources so that man will respond; but man, his mind, his thoughts and his heart are so contaminated that he will not cease and they will attack one another.

Beloved children, do not dismiss what you see in this instant, or are you going to deny that the Sun comes out to give you daylight and hides so that the night will have moonlight? The same way you cannot deny the Signs of Times and in this instant in which time has ceased being time, the Signs are there for all of you to see.

DIVISION IS SATAN'S WEAPON. Some of My children argue against my other children as if they possessed the truth of everything, they don't realize that they might be the most ignorant of them all, it is not enough just to read My Messages and My Apparitions throughout the history of humanity, but it is also **EXTREMELY NECESSARY TO CARRY OUT EACH ONE OF MY WORDS, THE DESIRE OF CONVERSION AND TO BEGIN CONVERSION. THIS IS WHAT I DESIRE FROM THOSE WHO CALL THEMSELVES MY CHILDREN.**

I come to call My Son's people to return to Him promptly. My Son's time is not man's time. How many of you keep a written list regarding the events previous to the end of the Great Tribulation, regarding the previous events before the arrival of the antichrist, regarding the events preceding World War III! How many are still waiting for the signs! **MY CHILDREN, THESE SIGNS ARE RIGHT IN FRONT OF YOU, BEFORE THE EYES OF ALL HUMAN CREATURE, PERHAPS YOU HAVE FORGOTTEN THAT MY SON IS OMNIPOTENT, AND THAT THE SIGNS AND THE EVENTS THAT I HAVE REVEALED TO YOU CAN HAPPEN ONE RIGHT AFTER THE OTHER IN THESE INSTANTS.**

Do not forget children, that you are right now in the Purification and that the Tribulation of My Son's people has begun. I suffer for My children that are massacred iniquitously. I suffer for the innocents; thus they are taken before My Son "ipso facto" by My Heavenly Legions.

Beloved children:

It is necessary that you see not with the eyes of the body but with the spiritual eyes so you will be able to discern the signs that are before you, otherwise you will fall into the claws of the one who emerges to weaken and destroy all My children, disregarding that it is scourging My Son's people, it can give death to the body, but the soul of those who suffer for My Son's sake will not be lost.

My beloved, don't forget that the Earth will deny man its resources and famine will strike everywhere.

Pray, My children pray for Russia, I hold them in My Heart.

Pray, My children pray for My beloved People of the United States, their heart will suffer.

Pray, My children, pray for Ecuador, the volcanoes roar.

Beloved children, you who enjoy peace and food, do not ignore those who suffer in this instant and those who die of hunger, do not forget those that in this instant are martyred for keeping the Faith in My Son.

Beloved children:

**IT IS NECESSARY THAT YOU SOFTEN UP YOUR MIND, OPEN YOUR
THOUGHTS, SOFTEN UP AND OPEN YOUR HEART TO GET TO
KNOW THE TRUTH THAT IS HIDDEN BEHIND THE WORLDWIDE EVENTS.**

**DO NOT TAKE PART IN VIOLENCE, BE MESSENGERS OF PEACE AND LOVE.
DO NOT TALK AGAINST A FELLOWMAN, BE CREATURES OF GOOD.**

My children, I protect you, united and sheltered under My Maternal Mantle I will guide you in every instant.

Where there is pain, I will be your refuge...

Where there is bitterness, I will be the honey...

Where there is injury, I will be the balsam...

Where there is loneliness, I will be the Star that will illuminate and guide you...

Where there is fear, I will be your strength, **BUT DO NOT DOUBT AND DO NOT HESITATE IN THE FAITH.**

My Son is your God and this Earth is His possession...

My children will give the Earth to its Creator, renewed from so much refuse, from so much sin and so much death.

My children will hand over this Earth purified, but, there will be so few who will come to this instant to hand over the Earth to My Son!

**HOW MANY ARE MADE KNOWN TO THE WORLD, IN THEIR NATIONS,
IN THEIR COMMUNITIES AS FAITHFUL CREATURES OF MY SON!
BUT IN THE INSTANTS OF THE MOST CRITICAL TRIBULATION
THAT ARE FORTHCOMING; THEY WILL DECIDE TO KEEP
ALIVE BY DENYING MY SON.**

**BECAUSE OF THIS IS THE REASON THAT I INSISTENTLY INVITE YOU AND
I ASK YOU TO INCREASE IN THE KNOWLEDGE OF MY SON, IN THE KNOWLEDGE OF MY SON'S LOVE, OF MY
SON'S MERCY, AND OF MY SON'S MERCIFUL JUSTICE, AND OF THE KNOWLEDGE OF MY CALLS TO HUMANITY
IN DIFFERENT COUNTRIES AND IN DIFFERENT TIMES.**

The ignorant is he who argues in the public media against those who My Son has chosen so that in this instant they will make known His Will to all humanity.

Continue holding My Hand, that My Son's people will find Me, though they be just a few! ...but the faithful, those who love My Son in spirit and in truth, who will never deny Him and remain standing, those who are firm and true, they will be the one who will give My Son the Reign of His Will.

**I WILL CONSTANTLY HELP YOU AS PER MY SON'S REQUEST.
I WILL BE YOUR ADVOCATE BEFORE THOSE WHO
ACCUSE YOU UNJUSTLY.**

You are not alone nor will you be alone, do not forget that My Son will send His Word from above to Earth to protect His people so they will not give themselves up to the evil's oppressing hands. My Son will send help to His people and His people will be protected and guided by the Divine Will.

Children of My Immaculate Heart:

**I AM THE MOTHER AND QUEEN OF ALL CREATED, COME TO ME,
I AM YOUR INTERCESSOR BEFORE THE BLESSED TRINITY.
THIS IS THE INSTANT IN WHICH YOU MUST CONVERT,
AND YOU MUST NOT WAIT ANY LONGER.**

Receive My Son in the Holy Eucharist, receive Him worthily, love Him, do not forget that you are Temple of the Holy Spirit and renew yourself internally with a generous spirit so you will give true testimony of He who dwells in you.

**DO NOT DENY MY SON EVEN THOUGH FEAR MAY INVADE YOU, DO NOT HIDE THE CROSS FOR FEAR A BEING
DISCOVERED AS CHRISTIANS,
KEEP YOUR FAITH IN MY SON AND DO NOT FEAR.**

I am here, I am your Mother, I protect you and I bless you. My children, I bless you before the earth begins to shake.

My Mantle covers you; it will protect you and help you if you keep your Faith. May My blessing be upon all humanity.

Mother Mary.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Let's give life to the Divine Word of the Gospel of St. John.

"I have told you this so that you might have peace in Me.
In the world you will have trouble,
But take courage,
I have conquered the world"

Jn 16,33

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
SEPTEMBER 29, 2014**

My most beloved children of My Heart:

**MY SON LOVES YOU WITH AN ETERNAL LOVE...
AND I AS MOTHER OF ALL HUMANITY LOVE YOU INFINITELY.**

MAN MUST FIND HIS WAY BACK TO THE TRUTH, HE MUST ACKNOWLEDGE MY SON; THEREFORE IT IS NECESSARY TO HAVE KNOWLEDGE, otherwise, how will you find your way back if you have not acquired the knowledge about My Son, about His Love, about His Word, about the Laws and the Commandments of the Father? IF MAN DOES NOT ACQUIRE THE KNOWLEDGE IT IS INFINITELY DIFFICULT TO UNDERSTAND THE TRUTH.

In this instant the soul's enemy has acquired great influence over the souls, and with the authority allowed by the free will, it will lead you to perdition... I suffer because of this. My Heart suffers by all the aberrations caused by man. My Son suffers great pain because of this.

Beloved children of My Immaculate Heart:

THESE ARE INSTANTS IN WHICH ALL THOSE WHO SAY THAT LOVE MY SON IN SPIRIT AND IN TRUTH MUST GIVE TESTIMONY OF THAT LOVE AND OF THAT FAITH THEY PROFESS.

THE CHURCH, THE MYSTICAL BODY OF MY SON, MUST GIVE TESTIMONY WITH FAITH OF THE LOVE IT PROFESSES TO MY SON.

The testimony is not only expressed in prayer, the testimony in this instant must be **ACTION**. Besides praying with great fervor, to love infinitely My Son as you well know, besides nourishing yourself with the Body and the Blood of My Son and to strive to fulfill the Commandments; you must give **PUBLIC TESTIMONY** of your love to My Son, and each one of you be bearer of the Good News of My Son.

EACH ONE OF YOU, AS MYSTICAL BODY OF MY SON, MUST ANNOUNCE WITHOUT FEAR THE MERCIFUL LOVE OF MY SON AND ALSO THE MERCIFUL JUSTICE OF MY SON that the unrestrained free will of man takes you, otherwise the Divine Justice would not have to take such action. Humanity is responsible for its bad works and actions; it is responsible for the imminent Divine Justice which man draws nearer to every day.

My children:

How lightly you take the events that are taking place in this instant! You do not feel them in your own flesh and are indifferent, but those who are proof of the love of My Son, must warn their brothers that are not conscious so they will recognize the signs of this instant.

Confusion reigns everywhere, Satan has known how to prepare well for this instant in which humanity has ignored My Son and this your Mother, they have banished My Son and they scorn Me. Because of this, man is spiritually weakened and the devious evil had made him fall to the lowest a man can get.

THE WORD OF MY SON IN THIS INSTANT IS GIVEN TO EXPLAIN WHAT IN OTHER OF MY APPARITIONS I HAVE ANNOUNCED TO HUMANITY, BUT THE HUMANITY HAS FORGOTTEN.

The war is right before your eyes and you still don't realize it. The mind of My children was invaded and through technology has been trained to the service of evil; through video games at this instant they watch the development that is taking place in the war like something normal in man's life. Oh, how the misused technology is scourging humanity!

It is painfully to watch that in spite of My Calls, My children continue to allow their young children, young adults and also the adults themselves to be submerged in the violent games. Humanity is submitted to violence from

every angle, free will continues to keep violence in their memory on its own free will, through the harmful technology developed in the video games; this prepares the human mind to act without feelings.

HOW IS IT THAT MY SON'S PEOPLE DO NOT RECOGNICE A TENTACLE OF THE ANTICHRIST? They do not recognize it because they are not informed regarding these facts, because they do not go in depth into the knowledge of what comes to them. Prepare yourself and know everything that comes to you and you will find Satan behind all this, you will find the imprint of the antichrist behind all this.

My children:

THE ANTICHRIST IS NOT AN INVENTION, IT IS SATAN'S OFFSPRING, and you think that he will reprimand with harshness, that he will fight openly against My Son's Church to acknowledge him, you think this way because you do not know the scheme prepared by him, and his cohorts, all of them united prepare a throne for him, a one government, a one currency, a one religion, one order, a government that will be the scourge of My Son's Mystical Body, to which I will watch with sadness reduced to a small number of souls. Whatever I say to you today, is being prepared in silence so humanity will not blame him but see him as a savior.

Beloved children, you are waiting for an aggressor of My Son's people, you are so wrong! The antichrist will present himself with false love and hidden cleverness, with softness, without imposition and therefore it will be difficult for you to recognize him in the first instant until he, already in possession of humanity, initiates and develop his vile plan and to persecute all those that continue keeping the Faith in My Son.

My children:

How much I regret that you continue to be lukewarm and comfortable!

How much I regret that you don't become knowledgeable; and because of that ignorance you emphatically deny without any doubt everything that I warn you about!

How much it hurts Me that you deny Satan's existence, that you deny the presence of the antichrist on Earth, out of ignorance!

I INVITE YOU TO BE SPIRITUALLY KNOWLEDGEABLE PEOPLE BEFORE ALL ADVANCE TECHNOLOGY THAT WILL GNAW YOUR MIND AND HARDEN YOUR HEART AND WILL TAKE CONTROL OF MY CHILDREN DUE TO THEIR DENIAL OF EVIL THAT EVEN SOME OF MY PREFERRED CHILDREN DENY. EVIL EXISTS, CHILDREN, HE DECEIVES YOU SO YOU WILL FALL INTO HIS SNARE.

My beloved:

My Son's people are so heedless, My children are so heedless!

How is it that in this so crucial instant for humanity they refuse to listen to me?

It's because they do not want to be forewarned; it is more convenient for evil to prey upon an ignorant people so his strategy will be much easier. .

My beloved children:

How do you expect to recognize the antichrist, the one that will sit in St. Peter's Chair on Earth?
How do you expect to recognize him?...

My children:

THE ANTICHRIST MAINTAINS AN IMMENSE POWER OVER HUMANITY THROUGH HIS MANY TENTACLES, AMONG THEM THE WORLD ECONOMY. This is controlled by a group of economically powerful creatures. And you are deceived instant by instant; you do not want to listen to My Warnings. The economy will collapse in a blink of an eye, chaos will overcome all My children when the god money disappears and that is when the leaders will decide under what conditions the livelihood of My children will be administered.

All this is the grand purpose of the antichrist and in this instant the people are ready for this purpose to advance quickly, because the seed of My Son's Love has been planted in rocky ground so that it won't grow.

My beloved, the black gold will be taken by those that have wanted to possess it to control humanity, this is part of the fight of the Nations. The world economy will fall and a one currency will be imposed.

My children:

**MY HEAVENLY LEGIONS WILL FEED MY CHILDREN,
I WILL NOT PART FROM YOU NOT EVEN AN INSTANT, WALK IN FAITH
BUT ALSO KNOW THE SOUL'S ENEMY AND ITS TRICKERY
SO YOU WON'T FALL INTO HIS CLUTCHES.**

My children, everything will be fulfilled, My Son's Mystical Body will be shaken and will be deeply wounded, in spite of this do not lose Faith, remain standing and be living testimony of the work and actions of My Son. My Son not only restored sight to the blind, He did not only miracles but He gathered the multitudes to teach them the Word of His Father and to tell them about the Kingdom. This is the way you must work and act in this instant.

MY PREFERRED CHILDREN MUST SOFTEN UP THEIR HEART AND MIND; YOU MUST REMEMBER THAT YOU PROMISED TO PROTECT MY SON'S FLOCK THAT HE PLACED IN YOUR HANDS AND CONSEQUENTLY WARN THEM ABOUT EVERYTHING THAT WILL LEAD MY CHILDREN TO FALL BECAUSE OF IGNORANCE. "Not everyone that says Lord, Lord!, will enter in the Reign of Heaven", only those who live, work and act in the Father's Will; and the Will of the Father is that My Son's people be warned of all the threats surrounding them everywhere.

**I HAVE NOT MENTIONED IN ANY OF MY CALLS THAT THIS WILL BE
THE END OF THE WORLD BUT THAT THIS GENERATION WILL BE PURIFIED;
THIS GENERATION HAS CALLED THE PURIFICATION UPON ITSELF...**

If man is good, good will come to him....

If man walks in spirit and in truth, the Holy Spirit will bestow upon him His Gifts...

If man loves his brothers, the Divine Love will descend upon him, but he who walks without love, indifference will take possession of his senses and of his heart. He who raises his hand against his brother will call violence upon himself.

My children:

**EACH ONE OF YOU CALLS MY SON'S JUSTICE
UPON YOURSELF AND UPON HUMANITY.**

What has happen to My Son's people? I see so very few in this instant! And from those few, how many are truly faithful and are not fearful to be singled out?

My children:

**YOU WHO ARE PART OF A PRAYER GROUP, OF APOSTOLATE GROUPS,
YOU, WHO SERVE MY SON, WILL BE HARSHLY TESTED AND PURIFIED AND THE NUMBER WILL BE REDUCED,
BECAUSE NOT EVERYONE WILL BE WILLING TO SACRIFICE THEMSELVES FOR MY SON.**

My beloved people, beloved children of My Immaculate Heart, you are My Son's people, My Son has entrusted me to present to Him his true Church, that is why I constantly guide you, I insistently call upon you to be faithful, to give living testimony, not be ashamed to profess the Faith, and I call upon you and I invite you to imitate this Mother at the foot of the Cross of Glory.

Pray My children for the United States, it will suffer greatly.

Pray My children for China, its people will be in pain.

Pray for North Korea, My children will suffer.

**REMAIN WATCHFUL, DO NOT FALTER IN ANY INSTANT, DO NOT FORGET THAT I AM YOUR MOTHER AND I
WILL NOT ABANDON YOU IN ANY INSTANT.**

**MY MANTLE IS YOUR PROTECTION, IT WILL SHIELD YOU, REMEMBER
THAT MY FAITHFUL CHILDREN WILL BE MARKED;
SO YOU WILL RECOGNIZE EACH OTHER.**

I love you infinitely, come to Me, I am your Mother, do not fear. You will see the new Heavens and the new Earth and united to My Heavenly Choir you will sing: Alleluia, alleluia, alleluia to the One God and Trinity!

I BLESS YOU CHILDREN, DO NOT FALTER, I AM HERE, I AM YOUR MOTHER.

I bless you in the Name of the Father, and of the Son and of the Holy Spirit. Amen.

My beloved people:

**TODAY I COME TO YOU WITH MY HEART BURSTING WITH LOVE
TO BLESS YOU AND TO POUR MY LOVE UPON EACH ONE OF YOU.**

You are My Son’s people; I do not wish for you to be confused. My Son needs a courageous people, a people of faith, and an obedient people. Remember he who doesn’t obey the Law of My Son, is far from being truly His son. Here I am before you as the Ark of Salvation, come and climb aboard the Ark and I will take you to My Son.

Beloved children of My Immaculate Heart:

**BLOODY INSTANTS ARE APPROACHING HUMANITY, MY SON’S CHURCH WILL BE TESTED, BUT YOU, HIS
BELOVED FLOCK, WILL SHARE THE JOY FOR FULFILLING THE WILL OF THE FATHER.**

Constantly discern that the enemy of the soul comes for his loot and every instant he takes a great number of souls and places them in his loot. Be messengers of My Love, but most of all, be messengers of My Son’s Love.

THE LIFE OF MY CHILDREN MUST BE CHRISTCENTRIC, you must obey the Commandments, you must obey My Son’s Word and be messengers of that Word. I have remained with My Son’s Church and I am coming for the Apostles of the end times.

My beloved, I bless you. My Blessing be with you and be with you wherever you go, be mindful that whoever lives doing good, it comes back to him. All who accepts My Son's Word, My Son accepts him in His Heart.

**GIVE ME YOUR HAND; I WILL LEAD YOU TO MY SON.
UNITED TO ME YOU WILL BE ABLE TO CONFRONT WHATEVER COMES.**

**MAN IS WHAT MAN IS, AND YOU MUST TRUST AND
KEEP THE FAITH IN MY SON.**

As your Mother I suffer for what you are suffering and what you will suffer, and My Heart burns with love for each one of you.

I invite you to pray together, without distinction, as one heart, for this Nation of Puerto Rico.
I invite you to pray for the United States, it will suffer the scouring of terrorism.

My beloved:

Beloved children of My Immaculate Heart:

**MAY MY SON'S PEACE REMAIN IN YOU...
MY MATERNAL LOVE PROTECTS YOU...
THE HOLY SPIRIT WILL HELP YOU IF YOU ASK FOR HIS HELP.**

My children walk and they are not watching what is happening that which increases to the detriment of humanity.

The sun shines up above illuminating everything, in the same way the Holy Spirit gives Light to the souls if they pray for it. The Holy Spirit bestows upon the creature the discernment to work and act, to think and feel, but few of the human creatures pray for this.

**MY SON GAVE ITS PEOPLE THE MEANS AND MUCH MORE TO STOP EVIL.
WHEN MY CHILDREN REMAIN ASLEEP, DISTRACTED, WITH A MUNDANE MENTALITY, AND WITH A
HARDENED HEART, THE VEIL OF THE IGNORANCE COVERS THEM AND EVEN THOUGH THE SIGNS OF THE
TIMES ARE OBVIOUS,
THEY DO NOT SEE THEM AND THEY DENY THEM.**

Beloved children, My Son's Church will live instants of pain, it will be confused and shaken, the sea is agitated, and the waves of threats rise one after another against My Son's Church. The Church will be tested and modified without this being My Son's Will. His Merciful Heart suffers so much!

**THE TEST OF FIRE IS THE ONLY WAY TO CONFIRM THE PURITY OF THE HEARTS; THE RIGHTEOUS INTENTION
AND THE PERSEVERENCE IS, IN WHICH MUST REMAIN THE SOLDIERS OF THE LOVE OF MY SON.**

How much Mercy My Son pours upon the souls, so they will not perish or abandon the boat because of discouragement! My Son's Church is constantly tested as is the steel in the fire. This Church must be Holy as My Son is Holy.

My beloved:

**THE CREATURE WILL BECOME HOLY WHEN IT HAS WIPED OUT HIS OWN PERSONAL INTERESTS FOR THE GOOD
OF THE BROTHERHOOD AND FOR THE GOOD OF HIS FELLOWMEN.** In this instant Brotherhood is a utopia, Love is a dream, Fidelity is a strange thing, and Truth is a crime.

**THE WORD, THAT MY SON'S HOUSE CLARIFIES BY MEANS OF HIS INSTRUMENTS,
IS CONSTANTLY SILENCED, DENIED AND MOCKED WITH THE
PURPOSE THAT MY SON'S PEOPLE REMAIN IN IGNORANCE.**

Children, the Law given by the Heavenly Father was not meant for the past, it is the Eternal Presence of the Divine Will in the Blessed Trinity; it remains present every instant for you to fulfill it and live it in spirit and truth.

Children of My Immaculate Heart, the enemies of the Truth that My Son preached, rise with power over the Mystical Body to snatch souls through depravity and the denial of sin.

**IN THIS INSTANT YOU MUST REMAIN AWAKE, KEEPING VIGIL, WITH THE LIGHT ON, PRAYING TO THE HOLY
SPIRIT FOR DISCERNMENT.**

**THE LAW OF THE FATHER IS NOT SUBJECT TO THE EVOLUTION OF HUMANITY, BUT HUMANITY MUST
SUBJECT ITSELF TO THE LAW OF THE FATHER.**

This generation constantly hurts My Son's Merciful Love, only a few receive with humility the darts of deceptions that the evil one sends them through his brothers.

It's Divine Folly which the souls, who comply with the Divine Will, live immersed in the constant sea of the Divine Love, although, they must not exult, themselves, since evil never sleeps, and on the contrary it tests in greater degree those who struggle to be faithful.

**MY SON'S CHURCH MUST ALWAYS REMAIN WITH LOVE AND DECISION,
WITH STRENGTH AND DETERMINATION, WITH KNOWLEDGE OF EVERYTHING
THAT SURROUNDS THEM AND WITH RESOLVE, BEING TRUTHFUL IN LIGHT
OR IN DARKNESS, BEFORE THEIR BROTHERS AND AWAY FROM THEM.
THE TRUTH IS ETERNITY.**

My children, My children are part of My Marian Apostles and like Me, they do not march ahead to be seen, but they do remain faithful without being defeated.

The plague advances instant by instant, nonstop. This has been the cause of the misused of science, dragging in a new scourging for My Children, an unknown and more aggressive one. Children, make use of what I have mentioned to you to combat the contagious diseases.

Remain focused on My Son; don't let the god money determine your walk in the world. The economy will suffer, even though they say that the economy is stable, it will fall quickly...

Children:

**Pray for England, it will suffer.
Pray for those who are persecuted unjustly.
Pray for Sweden, it will weep.**

Beloved children of My Immaculate Heart, My Son's Mercy pours down upon all man in the same degree.

**IT IS VITAL THAT MY SON'S PEOPLE BE UNITED,
THAT THEY WILL REMAIN IN MY SON'S LOVE.**

Beloved, the Earth trembles due to the evilness that man pours down upon Her and when it trembles, My children will suffer greatly. The Earth's electromagnetism will not be the same, the axis will move, shortening the days.

(1) Attached document: BT-08 HEAVEN'S HEALTH RECOMMENDATIONS DURING THE DIFFICULT TIMES.

Beloved, do not fear, the child of Faith is aware of the need of the Purification of the human race even before the chosen ones are also lost.

MY HEART WILL CONTINUE PROTECTING ALL THOSE WHO WISH IT.

Penetrate in the Divine Love of My Son and you will not experience loneliness, as you will walk in the light that comes only from the Divinity.

**I PROTECT YOU, DO NOT FEAR, YOU ARE NOT ALONE.
I AM WITH EACH ONE OF YOU, I AM YOUR MOTHER.
AND MY LEGIONS REMAIN ON EARTH PROTECTING YOU.**

I bless you.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

In the course of events of this generation, we are aware that our Planet is fragile and at the same time its stability depends of whatever happens. But every movement that we would consider insignificant; will generate serious and unpredictable consequences to the Earth.

That's how it is with the souls, man is not aware that all work and actions produces in the spirit a blessing or devastation. The actions that man would consider as insignificant and without consequences for the spirit, will steer man into falling in a series of sins as part of his habits, and without realizing that the evil penetrates without being perceived.

Brothers,

**LET'S ACT, WITH THE KNOWLEDGE THAT WE PROCEED WITH
RIGHTEOUSNESS TO DO GOOD TO OUR BROTHERS.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LIGHT OF MARY
OCTOBER 8, 2014**

My beloved people:

**WALK HAND IN HAND WITH ME...
I DWELL IN EACH ONE OF MY CHILDREN...**

These are instants prior to the Great Warning, I will examine the souls, each one personally. I will examine them allowing even in this instant the will of man to look into his own conscience. **BECAUSE OF THIS IS WHY MY HOUSE DOESN'T STOP WARNING MY PEOPLE AGAIN AND AGAIN, FOR THEM TO CONVERT.**

**EVIL IS EVIL AND IT CAN NEVER HAVE ANOTHER MEANING.
GOOD IS GOOD AND IT WILL ALWAYS BE GOOD.**

My people are persecuted and massacred, for this I am hurtled constantly, but do not forget that around the whole world My children are being persecuted even by those who have sworn to dedicate their life to My Service and be Pastors of My people. My children are persecuted by some of those that have been entrusted authority on Earth over My Church.

In this instant My Mandates have been placed far-off from My people so that My people will be kept subjected to the whims of men and their human "ego".

EVIL EXISTS, IT'S AN ANTITHESIS FORCE TO GOOD AND IT SPREADS THROUGHOUT ALL HUMANITY which finds fertile ground in a great majority of My children and nourished by some of My own consecrated ones who have denied the existence of evil.

If humanity would live in goodness, what different this Earth would be! It would live in Paradise ahead of time, it would live fused to My Will, but it is not so, on the contrary it insistently offends Me, it wounds Me bound to a pillar when denying the existence of evil, thereby giving free will so man will bind to sin with total licentiousness and will separate from the true Knowledge of the Faith in Me.

FAITH WITHOUT ACTIONS IS DEAD, BUT ACTIONS WITHOUT FAITH IN ESSENCE ARE EMPTY, THEY ARE EMPTY OF ME, THEY ARE DEAD ACTIONS, THEY ARE ACTIONS WITHOUT LIFE. Whoever doesn't come close to Me cannot know me in depth and is not be able to love Me as I have expected them to love me.

Each one of you must be a pillar of support to its brother so he can continue in the core of the battle and not get lost. Those who say work for My Reign and do not come to Me, they do not pray and do not receive Me; How distant they are from Me! They are a light varnish when not sealed voluntarily in My Love.

My beloved people:

I HAVE INVITED YOU TO PENETRATE IN THE KNOWLEDGE OF MY WORD SO YOU WON'T BE DECEIVED AND STOPPED DUE TO IGNORANCE.

IN BAPTISM YOU RECEIVED A MANDATE OF MINE; I HAVE ANNOINTED YOU AS PRIESTS, PROPHETS AND KINGS. Priests of the universal Church, Kings to share with Me My Kingdom and Prophets so you won't allow your brothers to be snatched by Satan that constantly moves forward stealing my sheep from My Flock.

My beloved people:

**MINISTER TO ONE ANOTHER AND INSIST UPON MY CONSECRATED ONES
HOLINESS AND TO LIVE OUT MY WORD.**

These are cruel instants, instants of persecution for My Church, prior instants before they confront their own actions, instants that the antichrist has taken into his hands to buy with its earthly power, all who maintain power over My people so they will leave Me.

**I DO NOT PART FROM MY FAITHFUL... YOU ARE MY CHILDREN,
YOU KNOW ME AND LOVE ME, YOU WHO DO NOT LIMIT MY PRESENCE
IN EACH ONE, YOU WHO PENETRATE IN MY MERCY BUT CRY OUT
FOR MY DIVINE JUSTICE, RECEIVE MY SEAL OF MY ETERNAL LOVE.**

My beloved people, war is not only on the battle field which you can see, war is also from spirit to spirit. Satan is not alone; all his legions are now in this instant around men to annul in them the Thought and the Will to penetrate into My Knowledge.

I do not leave you alone for any instant. In the bloodiest instant of the Purification I will send from My House someone who will talk with My Word and My Truth and will open the narrow minds and the hardened hearts. I have sent My Messengers in every epoch and this time is no different.

**THE PERSECUTION OF MY PEOPLE SPREADS THROUGHOUT ALL THE
EARTH, NO NATION WILL BE FREE FROM IT, FORTITUDE IS NECESSARY,
TO REMAIN IN ME, HEEDING MY MANDATES AND BEING
DUTIFULLY FAITHFUL TO MY WILL.**

The natural events will transform the Earth and My People will suffer for it. But will not suffer alone, I suffer with you, My Holy Spirit dwells in each one of you, keep in mind that the sin that I do not grant pardon is the one committed against My Holy Spirit.

My beloved:

Oh how this generation has given into sin and has surpassed all sin of previous generations! The deluge is upon humanity, the fire deluge that will purify the Earth.

Oh how it hurts Me to see so many man dressing like women!

Oh how it hurts Me to see so many women dressing like man!

For much less Sodom and Gomorra were destroyed. And how is it that even My Own Chosen ones that represent Me at the Altar, deny My Justice when the offenses of this generation have surpassed the offenses of previous generations?

I NEED AND WISH A HOLY PEOPLE!

I CALL UPON A HOLY PEOPLE AS I AM HOLY!

My Church, My People, My Mystical Body will continue to be scourged, the schism comes but do not allow it to confuse you, since My Word is not licentiousness, it is freedom in My Love and in My Mercy, it is freedom in My Divine Justice, it is freedom for man to choose his path, but not to deny sin.

**I INVITE YOU TO CONTINUE THE PRAYER CHAIN OF THE
HOLY ROSARY THROUGHOUT THE WHOLE WORLD.**

My people: call upon

Pray for England, it will suffer a great scourging by the hands of terrorism.
Pray for My beloved people of Chile, they will suffer the effects of Nature.
Pray My children, the Eagle will fall; the United States will suffer greatly.

My beloved People:

**DO NOT FORGET THAT I DO NOT ABANDON MY FAITHFUL, MY HOLY SPIRIT REMAINS IN EACH ONE, POURING
ITSELF ON TO ALL MY CHILDREN.** Keep as your weapons love, humility and patience.

All who call themselves Christians and that voluntarily continues to be a pillar of a prayer group, must be the simplest one of all, remain in the very last place, and be true; and that no lie passes through its lips, be humble, charitable and that its brothers will see Me in him.

My beloved:

**BE GREATLY FORTIFIED AND KNOW ME IN DEPTH. THIS IS THE INSTANT
OF PURIFICATION AND THE TRIAL WILL INCREASE IN EVERY
ASPECT FOR ALL HUMANITY, BUT MOST OF ALL FOR MY FAITHFUL.**

You know that I defend Mine, you do not need weapons like the ones that utilize to kill their brother, live in My Will and My Will is unity, brotherhood and love, it is faith, hope and trust in Me.

Consecrate yourself to My Heart and to the Immaculate Heart of My Mother. Carry on your person the Holy Rosary, **DO NOT HIDE IT**, because whoever shows himself as My Child before others, to him, My Angelical Legions will bring him to Me.

**PREPARE YOURSELF SPIRITUALLY, DO NOT FALTER, DO NOT LOSE AN INSTANT, HURRY TO THE COMPLETE
AND DEFINITE ENCOUNTER, FUSING YOURSELF INTO MY WILL, SO ALL OF YOU BE A LIKENESS OF MY WORK
AND MY ACTIONS ON EARTH. AND IN THIS WAY COMBAT EVIL.**

I bestow My special blessing upon each one of you, and those who fight Me be assured that they will find more darkness until they convert.

**MAY MY BLESSING BE UPON EACH ONE OF YOU AND IN EACH ONE OF YOU IN YOUR HOMES AND UPON
YOUR GENEALOGICAL TREE.**

I bless you in My Love; I bless you with the protection of My Mother. Walk in Peace, in My Peace.

Your Jesus.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Let us meditate on this great truth that Our Lord Jesus Christ has reminded us about the sin against The Holy Spirit.

The sin that does not have forgiveness:

Let's read in the Holy Scriptures:

"But whoever blasphemes against the Holy Spirit will never have forgiveness, but is guilty of an everlasting sin."

(Mk 3,29; Cf. Mt 12:32; Lk 12:10)

**JOHN PAUL II IN HIS ENCYCLICAL REGARDING THE HOLY SPIRIT, DOMINUM ET VIVIFICANTEM 46-48,
EXPLAINS THIS SIN AGAINST THE SPIRIT:**

"This blasphemy does not consists in the fact of offending the Holy Spirit with words; on the contrary it consists of the rejection to accept the salvation that God offers to man through the Holy Spirit."

Further on it says: "...it consists of the radical rejection to accept that remission, that it is the Holy Spirit himself the intimate dispenser, and that presupposes the true conversion worked by Him in the conscience." If Jesus declares this sin as unforgivable, "it is because this no-remission is united, like its cause, to the no-penance, in other words, to the radical rejection to be converted..."

The way the Pope explains it to us, the sin against the Holy Spirit consists in the resistance and rejection to conversion. It is the Holy Spirit who convinces us of sin. (Jn 16:8-9). To reject in our heart this reality and cling to evil leads us to this sin. This was the Pharisees' attitude that barred themselves in accepting the divine plan to reconcile with men."

Pray for one another, let's remember the Prayer Chain with the Holy Rosary for humanity that Our Lord wishes that we continue doing. Let's spread this intention in obedience and with love.

Amen.

**MESSAGE OF THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
11 OCTOBER, 2014**

Beloved children of My Immaculate Heart:

MY CHILDREN WORSHIP MY SON, FULFILL HIS WILL AND SHINE LIKE THE SUN AT MIDDAY.

Children, each one of you is the most prized treasure of My Son, the radiance of His House and the balm that is denied Him by those of His Children that rebel against Good.

Beloved, the upheaval of humanity advances on the wings of evil as a shadow that covers human will and weakens it before the constant scourge of the maliciousness of evil destined to exile good from the heart of man in every respect.

THE POWER OF HUMAN IGNORANCE, JOINED BY THE INCREASE IN EVIL THAT SATAN AND HIS LEGIONS HAVE STRONGLY SOWED IN MAN, SHALL INCREASE WITH THE ADVANCE OF TRIBULATION. The growing sin, in its diabolical and perverse aspects, is making the human creature to show everything that is abominable in the Eyes of My Son.

Thus, as thirst cannot be quenched without water, I call on you to live and act in the Will of My Son.

Beloved, stay within the Principles that My Son establish for the good of his own and that man has been distorting without fear of such a serious offense.

Science, which has been wrongly used for evil and the destruction of the human being and to give power to the Great Powers, shall become the scourge of its own creators.

Mve

DO NOT FORGET THAT THIS MOTHER REMAINS VIGILANT OF THE EVILS THAT BESET HER CHILDREN.

Children, the Earth trembles, pray for Japan. Nuclear energy shall strike man again, contaminating him.

Pray for My children in the United States, they shall suffer. Pray, Russia will tremble.

Beloved children, consecrate yourselves to My Immaculate Heart.

Love My Son in spirit and truth, come out to greet Him.

Mother Mary

INSTRUMENT'S COMMENTARY

Brothers and sisters:

Before the prayers elevated to the Blessed Mother to confirm the use of a natural medicine to combat Ebola, our Mother, corresponding to the pleas of Her children, tells us of the use of *Artemisia annua*. Being emphatic that pregnant women may not make use of this medicinal plant.

Below there is relevant information on the plant's use with the respective sources that were consulted:

***Artemisia annua* (SWEET WORMWOOD)**

<http://astgo.org/files/2010/05/ARTEMISA-ANNUA-copia.jpg>

Scientific name:

Artemisia annua L.

Main applications:

Medicinal, antimalarial, can kill the most deadly malaria parasite in less than a week and in some cases improves leukemia and psoriasis. In China it has been used to treat fever for more than 2,000 years. It has anti-microbial activity.

Professor Henry Lai and Assistant Professor Narendra Singhj, both from the University of Washington, conducted an investigation, testing the chemical properties of Artemisinin, derived from the *Artemisia annua*. The experiment showed it not to cause any impact on healthy cells; it selectively attacked the "malignant" cells and left the "good" intact. In the

first 8 hours only 25 percent of the cancer cells remained and after 16 hours, almost all of the cancer cells were dead.

A previous study with leukemia cells gave even more impressive results. Those cells were eliminated within the 8 hours. It has already been tested in animals but it must take the next step in being approved.

Indications:

According to Josep Pamies, *Artemisia annua*, in addition to being an extraordinary plant because it boosts the immune system, can be used to overcome viral diseases such as EBOLA. He recommends using the *Artemisia annua* in infusions, making four infusions a day for a week or a daily one on a preventive level.

According to Fatima Sole, naturopath, there are different ways of consuming it. She agrees with Josep Pamies in using it in infusions of the dried plant, or in using the plant dried up in power form. She points out that even in some parts of Asia, its fresh leaves are consumed in salads, although she says that they are somewhat bitter.

According to Anamed, in scientific literature, three Chinese studies indicate that the leaves of *Artemisia annua* can be consumed pulverized directly in the form of powder, mixed with oil. It is also explained that the half-life of artemisinin is very short, only 1½ hours. Therefore, to treat malaria it is recommend that the tea be taken during 7 days even sometimes for 12 days, and all precautions should be taken to prevent a new infection.

Known dangers:

Many people have already taken it to treat malaria showing a safe history. Pregnant woman should **not** take it, or those who are breastfeeding.

Some adverse reactions that may occur:

Abdominal pain, diarrhea, nausea, vomiting, hives. It can cause bradycardia or hypoglycemia.

Cultivation of the plant:

It can be grown easily, can be grown in any soil, or at home, only a pot and a balcony on which to keep it are needed. It can grow up to 2 meters (6.56 ft.) in height, its leaves are aromatic, and it is relatively easy to maintain.

It is an annual plant, but a single plant will give hundreds of seeds, ensuring its cultivation for life. A single plant will provide enough leaves and flowering tops that can be dried to have at hand when needed. If they are dried adequately and preserved in containers that are tightly sealed and kept away from light and excessive heat, the *Artemisia annua* will be preserved for 2 or 3 years with its full potential.

**MESSAGE OF OUR BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LIGHT OF MARY
MESSAGE GIVEN IN MEXICO
OCTOBER 13, 2014**

My children, beloved children of My Immaculate Heart:

**I COME TO YOU WITH MY OPENED HEART SO
THAT EACH ONE OF YOU WILL ENTER IT.**

MY HEART IS PROTECTION FOR ALL THOSE WHO WISH TO WALK ON THE PATH OF GOOD AND FOR ALL THOSE WHO WISH TO AND HAS COME TO THE FIRM DECISION TO AMEND THEIR WAYS.

Beloved children of My Immaculate Heart:

The density of the air not only impedes man to breathe with freedom but forces him to breathe air that is totally contaminated, consequently this is how the brain is altered and emotionally controlled in a clandestine way. All types of contamination cause a great imbalance in man.

The Eternal Father gave His creatures a pure Earth so they will be free, really free. Everything created fulfills a purpose that the Father entrusted it; but on the passing of the generations, man has rebelled against the Will of God, causing alteration in everything created and this grave sin has fallen and will continue to fall upon the Earth.

Man has discontinued seeing the Earth with gratitude, while the Earth provides him with food, water and his subsistence. **MAN HAS FAILED TO SHOW HIS GRATITUDE THAT IS DUE TO THE FATHER, TO MY SON AND TO THE HOLY SPIRIT FOR HAS GIVEN HIM EVERYTHING NECESSARY FOR HIS SUSTENANCE.**

My most beloved children:

IN THIS INSTANT HUMANITY IS INSIDE A LABYRINTH, A LABYRINTH FROM WHICH ONLY AND ONLY THOSE WHO HAVE MADE A FIRM DECISION TO CHANGE THEIR LIFE AND BE CREATURES OF GOOD WILL BE ABLE TO COME OUT. You ignore evil, because you have not immersed yourself in the path of the spirit. Evil moves around you, evil that Satan and its legions have in their hands and pours onto all those human creatures that remain spiritually weak and have been carried away with modernism that Satan has introduced by way of those who dictate to humanity from how to dress the body, Temple of the Holy Spirit, to how to work and act during its life.

My Heart trembles to see the nudity with which the woman dresses...

My Heart trembles to watch how man have lost his manhood, and dresses with pride with clothes that belong to women. Evil knows man very well and tempts him through his "Achilles' heel", it tempts him with the flesh, with women as total sexual objects, and it tempts him with the woman's naked body. Humanity has degenerated to the point that it gazes to its same gender.

My most beloved children of My Immaculate Heart:

**I ASK YOU TO MAKE A TOTAL AND ABSOLUTE AWARENESS
SO THAT FOR EACH ONE OF YOU TO LIVE BE A SELF EXAMINATION.
EACH INSTANT MUST BE A SELF-EXAMINATION OF THE WAY
THAT YOU HAVE ACTED AND WORKED.**

My most beloved:

I prepare you to confront your personal free will.

**I BEG YOU NOT TO CONSIDER MY CALL AS JUST ANOTHER
THING THAT HAS COME INTO YOUR HANDS.**

**THE WARNING DRAWS NEAR TO MAN AND MAN MUST PREPARE WITH REPENTANCE IN THIS PRECISE
INSTANT SO IT WILL BE LESS PAINFUL.**

Strengthen one another, each one of you must take it seriously for having been created to the image and likeness of the Father. Only in this way and penetrating the mystery of the Divine Word, revealed in the Holy Scripture, only in this way will you be able to move the soul and be able to fertilize the conscience with Faith, Hope and Charity.

Beloved children of My Immaculate Heart:

**EVEN THE SMALLEST SIN, EVEN THE SMALLEST OFFENSE TO MY SON
AND TO HIS BROTHERS WILL BE LIVED BY EACH ONE OF YOU
SO YOU WILL JUDGE YOURSELF.**

**CONFRONTING YOUR OWN MISUSED FREEDOM, TAKE TOTAL AND
ABSOLUTE AWARENESS OF THE TRANSFORMATION THAT YOU SHOULD HAVE HAD BEFORE SEEING
YOURSELF WITHOUT PRETENCE.**

He who knows My Son and His Divine Will; his actions are not only bad, but continues to fall relentlessly in bad behavior when he watches his brothers immersed in sin and does not warn them of its consequences.

Big changes are coming, My children, big changes in My Son's Church to which you **MUST HAVE THE CERTAINTY THAT THE WORD OF MY SON IS ONE AND THAT IS THE WORD THAT YOU MUST OBEY TO GUIDE YOU SO YOU WILL ACT AND LIVE IN THE DIVINE WILL.** The children of My Son must be like a transparent and crystal glass in which the Divine Light can penetrate, without any distortion by the human will.

My beloved:

Humanity is moved by the economic interests even if it is not in agreement with it, but each one of you, in one way or another, is a participant of that deliberate action of Satan, in allowing the god money to lead you to commit acts against your brothers, against the moral principles, against yourselves, but the most serious of all: against the Mandates that you must follow.

Beloved children of My Immaculate Heart:

Nuclear energy continues to harm the Earth, the House of all the human beings. The scourging that man created with its own hands and cannot be stopped, this devastation will soon be the cause of great lamentations for man. The nuclear plants are the scourging that man has built against himself. In the United States, My beloved Land, one nuclear energy plant will cause pain and terror to My beloved children.

**THE MIND OF MAN CAN ELEVATE HIM TO THE HIGHEST POINT
OR BRING HIM DOWN TO THE LOWEST POINT...**

My beloved:

**UNKNOWN DISEASES WILL CONTINUE TO ATTACK HUMANITY, ONE AFTER ANOTHER; BUT AS THEY APPEAR, I
WILL PROVIDE YOU THE NATURAL RESOURCES TO COMBAT THEM.**

The Father gave man all that is necessary; not only to continue, to edify and advance in science, but in Nature man will find everything necessary to keep in good health. I know that some of you would abstain and would not even dare to try that which is found in nature and that I will mention to you, because man, just as he rebels against My Son and despises Him, as well as he denies Me as Mother, in that same way he denies nature's attributes for his good, and will deny that a Mother steps ahead of the things that will affect Her children.

My beloved:

HUMANITY HAS COMFORTABLE FEEDING HABITS BUT WHICH ARE TOTALLY HARMFUL FOR THE HUMAN ORGANISM, AND CONTINUALLY DESTROYS AND MAKES SICK. In this instant man's organism is saturated by bad eating habits, making it a weakening organism and the new diseases causes man a lot of harm.

Light of Mary asks our Mother what must we do to make the organism more resistant against the plagues that are coming.

The Blessed Mother responds:

My beloved, utilize water that has been previously boiled and start **NOW** the detox of the organism drinking as much water as possible, so the organism will start to purify.

Beloved, as a Mother who sees beyond what you see, I ask you to eat **THE MULBERRY (BERRY)**. It is a natural blood purifier and this will help the organism become more resistant to the maladies that humanity will suffer. You ignore that a great part of the virus and bacteria that plague you, have been created by man himself as a result of the power over all humanity.

Beloved children of My Immaculate Heart:

PAY ATTENTION, TERRORISM WILL TAKE HUMANITY UNAWARE causing disasters in various countries and man will regret for not listening to My Calls.

Beloved children, the science misused has been and will continue to be a grave offense to My Son.

PAY ATTENTION, LOOK UP; DO NOT FORGET THAT THE BLESSING FOR MAN WILL COME FROM ABOVE. What I have prophesized will be manifested in the Firmament before the Warning. The signs in the Firmament will announce to man the coming of great calamities.

**I HAVE WARNED YOU SO MANY TIMES REGARDING COMMUNISM
AND MY CHILDREN CONTINUE TO OPEN THE DOORS TO COMMUNISM!**

When it awakens completely and pounces against its own people without disguise, it will be too late to eradicate this great evil that you have allowed to continue alive.

My children:

Pray, get together, visit My Son in the Tabernacle, self-examine yourself, receive My Son in the Eucharist totally prepared, otherwise you will reap what you have sown. The grain will not grow if it is not placed in the required habitat for it to flourish.

**MAN WILL NOT GROW IN SPIRIT IF HE DOES NOT DEVOTE HIMSELF TO
FORTIFY IN THE SPIRIT, YOU ARE IMITATORS OF MY SON AND ESPECIALLY WHEN DOING THE WORK AND
ACTIONS OF MY SON FOR THE GOOD AND
FOR YOUR BROTHERS AND FOR THE EARTH THAT THE FATHER GAVE YOU.**

Man does not live his full potential, unfortunately, he wishes to continue doing that, but don't forget that the lukewarm will be vomited, by The Father from His Mouth. The true Christian is he who not only accepts the Word of My Son, but acts upon it continually in every action of his life for the good of his brothers, without fear of being ridiculed.

My beloved children:

**I LOVE YOU, AND BECAUSE I LOVE YOU, I WARN YOU SO YOU WILL
NOT FALL AHEAD TO TIME, BUT WITH AWARENESS AND
KNOWLEDGE YOU WILL DECIDE FREELY TO ACT FOR THE GOOD.**

You are living now at the beginning of the Purification. Man will be strongly purified and strongly tested.

The antichrist will soon make himself known, but before this happens, all his tentacles will work together against man.

My beloved,

**Pray for Brazil, the elements will rise against it. These do not recognize man.
You that so love and recognize My Son, pray so that prayer will mitigate the
suffering of My beloved Brazilian people.**

Beloved children:

**Pray, I invite you to pray with your heart and wish good to my children of the United States,
who will be innocent prey of the evil actions of their leaders?
Pray My children, pray for France, it will suffer the scourging of terrorism.**

My beloved, the Earth that disowned its children, who cradled it with love, will let flow from the volcanoes its pain.

COME TO ME, CHILDREN; ALLOW ME TO LEAD YOU TO MY SON.

**I AM YOUR MOTHER, I AM A MOTHER OF BLESSINGS AND OF LOVE,
OF CONSOLATION, OF PEACE AND OF UNITY.**

**COME TO MY SON, WITHIN MY IMMACULATE HEART AND
PROTECTED BY MY MANTLE, A LIKE A STARRY SKY; WHERE YOU WILL
ALWAYS LIVE ENJOYING THE LIGHT OF MY SON'S LOVE.**

I defend you from evil and your traveling Companions await with patience the command to rescue My Son's faithful ones.

**LOVE ONE ANOTHER. KEEP FARAWAY,
VERY FARAWAY FROM EVERYTHING THAT IS CONTRARY TO THE WILL OF THE FATHER.**

I bless you, remain in My Heart and allow me to continually be your intercessor before My Divine Son.

I bless you, My Love is in you. You are My Great Treasure.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Since our Mother is our protector, I asked Her how to fortify our organism, and She with total love responded.

We are in difficult instants before which only by asking the help of the Holy Spirit will we be able to continue to walk in the right path.

Our Mother leads us hand in hand on the paths of less danger for the spirit.

Brothers, we must fight, make the decision to remain observant to our surroundings that takes us away from Our Lord Jesus Christ whom we must serve with all our soul, with all our heart and with all our will.

WE MUST BE BRAVE, FIRM AND DETERMINE TO ACT IN GOOD.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LIGHT OF MARY
OCTOBER 22, 2014**

My beloved people:

YOU ARE MY PEOPLE AND I AM YOUR GOD.

My people, My faithful children, you will not fall, you will never be defeated no matter how strong the winds are, no matter how hard the spiritual battle is, **IF MY CHILDREN LIVE AND FULFILL MY WILL, THEY WILL NEVER BE DEFEATED.**

I remain and will always remain with My people as their King, as their Lord and their God; and My people will adore Me and glorify Me until the Last Judgment.

I HAVE ANNOUNCED MY SECOND COMING IN WHICH I DO NOT ANNOUNCE THE END OF TIMES BUT MY SECOND COMING.

But, I find so many of My children distracted by worldly matters!

My Mother has announced the final Signs of this generation throughout all Her Apparitions... but Her Call has not been heeded and in this instant My children deny the Word of My Mother, they forget that I choose My instruments, the smallest ones, those that no one looks at, so that the Work of My Spirit manifested in the creature be noticed. I have not looked for the doctors, I have not looked for great theologians, I have not looked for great hierarchs, and I have not looked for the eminences of the world. I come for the simple and humble of heart, to those who allow Me to transform them, I come to those who seek me and obey My Calls and the Calls of My Mother, these are the just, and these are the ones who preach My Word.

YOU DO NOT LOOK FOR THE SIGNS OF TIMES, YOU DO NOT LOOK THIS INSTANT SO CRITICAL FOR THIS GENERATION, where the nauseating and dark sin runs with the wind and with it contaminates the mind and the thought, and with both contaminated; contaminate the heart of man, where the most abominable sins emerge. And those who call themselves My children want My Word to be changed, just as sin today is not called sin, they want My Word to stop calling sin that which goes against My Will.

My beloved people:

MY VOICE WILL NOT BE SILENCED; YOU WILL NOT BE ABLE TO SILENCE MY WORD. I WILL CALL SIN THAT WHICH IS CONTRARY TO MY WILL; I DO NOT HAVE TOLERANCE WITH SIN.

I have called My people to be holy as I Am Holy. I do not want a lukewarm people, I do not want a people opened to sin, but a people opened to My Will, a People that will sacrifice, that will dedicate themselves to live, work and act in My Will. I am Merciful, such that if he is the worst sinner in the whole world, if he truly repents and has a firm purpose to amend, he - he is the lost sheep that I welcome with all My Love. I am Mercy, but My Mercy does not welcome on-going sin and does not welcome modernism contrary to My Will. **I CAME TO REDEEM YOU FROM SIN TO ESCAPE IT, NOT TO FALL INTO SIN WITH FALSE NAMES DENYING MY JUSTICE...**

OR HAVE YOU FORGOTTEN THAT HELL EXISTS? And in that lake of fire the souls that remain there, suffer, suffer My Absence and suffer for having lived contrary to My Will?

I AM A JUST JUDGE, My children have before them all the opportunities possible to amend their life, but in this instant sin degraded man, it hardens his heart and fogs his vision.

My children, I suffer for all that is coming to humanity, I suffer for the pain of humanity...

War will come to humanity in an instant, unexpectedly, since false treaties of peace are signed and humanity thinks that there will be no war. Oh how wrong you are, My children, you are so wrong!

The terror of those that are conscious of the consequences of the misused science due to the creation of nuclear energy and the possession of this in the hands of the countries that will be the scourging of all humanity, is what keeps My Heart hurting, because I see My creatures suffering because of this great scourging.

The Earth continues to tremble in its efforts that man will turn his gaze to Me, but when it sees that it cannot accomplish it; it will tremble more violently and its force will come out from the volcanoes.

My beloved people:

Oh, how much I love you and how much you reject Me! I suffer when you come to receive Me in the Eucharist unmindful that I am in that portion of the Bread, transformed into My Body and into My Blood.

I suffer so much for those who consecrate Me and not living in this sublime instant of My Transformation!

My people:

YOU WHO LOVE ME MUST CHANGE - RIGHT NOW - INTO CREATURES NOT ONLY PRAYERFUL AND PASSIVE, BUT IN PROPAGATORS OF MY WARNINGS TO MY PEOPLE. I do not take action without warning My people beforehand through My servants, My prophets.

Remain alert, do not fall back; do not think that with prayers that with love you have offered me you have fulfill, since **IN THIS INSTANT OF MY HOLY SPIRIT, I NEED A PEOPLE OF ACTION THAT WILL NOT STOP, THAT WILL WORK MORNING, AFTERNOONS AND NIGHTS FOR MY REIGN, WARNING THEIR BROTHERS, BEARING MY WORD AND GIVING TESTIMONY OF MY LOVE, BUT AT THE SAME TIME CALLING SIN BY ITS NAME.**

My beloved people, be brave, do not succumb to sin. Satan has sent all the demons upon Earth to tempt man in every possible way. Remember that Satan knows everyone's Achilles' heel and he tempts you there. Woe to those who fall and do not get up, they will be prey of the demons that pry upon My people.

Remember that the enemy of the soul must be despised in the minds of man and keep in mind that he disguises himself as angel of light in beautiful and kind creatures through which they will steer you to fall. How My Heart hurts when My children dedicate 24 hours a day to sin and watches with indifference the suffering of their brothers!

My children:

Sodom and Gomorra is left behind, note even the comparisons are valid in this instant in which man himself gives life to sin in its most evil ways.

Everything created by the Hand of My Father trembles and man who lives hypnotized by everything that surrounds him, ignores and is deaf to everything that I announce to you and to everything that science is warning you to prepared.

Beloved children, in this instant you live cozily with all that technology provides you and ignore that from one instant to another the Sun will advance with its fire upon the Earth and the earth will burn, the vegetation will burn, the satellites will fall and what man has left suspended in space will fall to the Earth, and in that instant silence will take hold of all humanity, there will be no means to communicate, those immersed addicted to technology misused will go mad and then they will regret, but it will be too late, not to ask for My Forgiveness and give them My Mercy, but to be conscious since they will not possess any technological tool. Humanity will regress and will have to start from nothing. Isn't this a grand sign that will warn you that this is the end of this generation?

My children:

DO NOT PERMIT YOURSELF TO BE DECEIVED, THERE IS NO PLACE ON THIS PLANET THAT THE ECONOMY IS SOLID. TIGHTEN YOUR BELT AND TRUST IN ME. Don't be like the Pharisees that say they love Me and in the tragic instants they complain and set aside My Calls and seeing only the moments of pain without converting and without fighting against the false gods, in this case, money. All of this, children, is in preparation for the arrival of the antichrist. He will seduce the people and will control the minds of men with great power and those who do not live in My Will; will succumb to this power and will be in favor of the antichrist that will take the power from all humanity.

My beloved children:

My Mystical Body will suffer and I grieve for it.

My Church will suffer and will be divided, I grieve for it.

When My children see the economy collapse a great number of them will go crazy...

How much pain it causes Me!

**I REMAIN HERE TO PROTECT YOU, TO LOVE YOU AND DEFEND YOU,
BUT I NEED YOU TO STAY AWAY FROM SIN IN ALL ITS ASPECTS
AND IN ALL ITS FORMS.**

Those who deny sin, that deny the existence of a place of suffering for those who have lived without converting, I remind you that I died on the Cross to redeem you, but not so you can live in sin. **MY LAW IS ONE; IT IS NOT SUBJECT TO CHANGES – AS THE WILL OF MY FATHER IS NOT SUBJECT TO THE WHIMS OF MAN.**

My beloved people, you will continue to suffer the scourging of diseases, created by man himself to weaken you, but My people will not be defeated because I Am your God, the Almighty, I give Myself to My people and I defend them.

My beloved:

Pray for Costa Rica, it will shake and suffer.

My beloved:

**The United States will suffer the scourging of terrorism and the innocent will be prey of pain.
Pray for this My people.**

Children of my Most Blessed Heart:

**DO NOT FEEL DEFEATED, REMEMBER THAT I WALK WITH YOU AND
I GUIDE YOU LIKE THE PILLAR IN THE MARCH THROUGH THE DESERT.
YOU WILL HEAR MY VOICE, MY HOLY SPIRIT WILL GUIDE YOU
AND WILL STRENGTHEN YOU.**

My children:

**TAKE THE RIGH PATH, THAT SOON, VERY SOON, IN INSTANTS I WILL COME TO YOU
TO PLACE BEFORE YOUR CONSCIENCE
SO EACH ONE OF YOU WILL SEE YOURSELF INTERNALLY.**

Most of you will regret having offended Me but a great part of My children will go against Me and will not accept their sins. It is very important, it is necessary for the salvation of Mine to be mindful of the warnings of My Mother regarding the Warning, these were not given so it would not happen; She warned regarding the Warning, because it is a Decree of My House and this generation will live through it.

My Beings of Light, your Companions of the road, are awaiting one Word from Me to protect my faithful and that will not perish.

My people will be raised up to Heaven, My people.

Whoever sacrifices himself and is humiliated, will be rescued...,

Whoever is hope, faith and above all charitable towards his brothers that humiliate him and toward those creatures who say they recognize everything and know everything..., is the apple of my Eye.

Children:

**THE ONE WHO HAS KNOWLEDGE OF EVERYTHING
AND KNOWS EVERYTHING THAT IS GOING TO HAPPEN,
IT IS I, YOUR GOD.**

**CONTINUE TO TRUST IN ME, AND LOOK AT ME, NOT AT MEN.
THE ONE THAT HAS THE ABSOLUTE TRUTH IS ME, YOUR JESUS,
WHO LOVES AND BLESSES YOU.**

You are children of My Heart.

Your Jesus.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Our Supreme Good reiterates to His people all that His Mother has declared around the World in Her different Apparitions and assures us that Her Word will not pass and will not be stopped.

Before such serious events that are happening, we cannot consider them other than the Signs of the Times. Christ in this instant of the instant, tells us not to put our sights on man, but in Him who is Almighty. He affirms and repeats the sublime Word of His Mother that doesn't tire of warning Her children.

Brothers, let's be creatures that are not contented with little, but that give all to reach the Eternal Salvation and let's remember that Our Beloved Lord Jesus Christ tells us: "do not be weary children, do not be weary doing good."

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LIGHT OF MARY**

OCTOBER 27, 2014

My beloved people:

PRAY AND I COME, ASK AND I GIVE YOU, DEVOTE YOURSELF AND I WELCOME YOU.

My people triumph when they unite and united fight against evil, they triumph when with the right preparations they confront evil. Man wants to fight with human means, but what he must do is fight with spiritual means. Evilness must be fought with prayer and fasting; mainly, if there is no prayer, you are far from defeating the enemy.

I came to teach a lesson to My people; this was not welcomed and continues to be unwelcomed, because it is not understood.

**ANYONE WHO WANTS TO FIGHT EVILNESS MUST POSSESS WEAPONS
AND THE MAIN ONES ARE PRAYER AND FASTING.**

WHOEVER SAYS HE FIGHT IN MY NAME..., IN MY NAME HE MUST PRAY AS I PRAYED TO MY FATHER.

Fasting has been totally ignored and denied, working hard with false structures with which will not be able to effectively defeat but only half way, allowing evilness free and mocking man.

Beloved children:

**OH WITH SUCH CALMNESS YOU VENTURE TO ESTABLISH FRIENDSHIP WITH THE DEVIL!
AND AT THE END YOU FALL INTO TEMPTATION.**

**I ORDER YOU TO BE FIERCE FIGHTERS AGAINST EVILNESS,
DO NOT TALK WITH THE DEVIL, IT WILL DEFEAT YOU.**

In this instant, beloved children, good and evil are in a constant struggle which human creatures seem not to notice. Humanity lives immersed in the mundane and in its cravings, without consciousness of the future of its soul. My faithful suffer the indescribable from their brothers and from some of My favorite children that do not think that I'd communicate My Word, as well as from their own family when they persecute them.

My faithful are persecuted, treated like mad people and are denied the possibility to reach the souls with My Message and My Mother's. Even so, My faithful live joyfully, that internal joy that calms suffering when you labor and act in My Will. While whoever is immersed in materialism, in the pleasures, in that contrary to My Will, lives in instants, instants of false happiness and others of anguish and dejection.

My beloved:

**I WILL SEND MY HELP FOR WHEN IN THE INSTANTS OF
TRIBULATION YOU WILL BE MAINTAINED WITH MY WORD.**

Live in a long-lasting feast, you who know Me and love Me.

Children, evilness finds the opening where it will penetrate and cause a disastrous storm when My Love is missing, when Charity is missing among you and when Hope is missing and are desperate. Do not think in those who give dates, these are not My Will, keep alert, do not fall asleep, with the oil of My Love in you palpitating continually.

My beloved people:

In the midst of all that you already live, there are so many of My children that do not know that in a blink of an eye humanity will enter in the widespread pain and My children will wonder: What's going on?; when you live in the world without considering your brothers who suffer.

Beloved children, the countries up north will be divided due to a great earthquake and a tsunami; the wicked city will be purified under water.

My Temples are empty and the wicked places deliver My children into the claws of Satan. Consciousness is missing, My people, and consciousness of My Love, of the little devotion to Me and the beginning of evilness. They try to fulfill My Will with false deeds of piety and fidelity to My Will with no direct commitment to a change of life for themselves and of their brothers.

IT MUST BE A CONTINUING ACT AND A CONTINUING LABOR IN MY WILL, REMAINING AS PRAYFUL SOULS AND THE PRAXIS OF MY WILL. PRAYER WITHOUT PRAXIS IS DEAD AND ACTION WITHOUT PRAYER IS A DEAD ACTION, WITHOUT LIFE. One is the complement of the other, in instants in which My children must give testimony of that constant decision to be live transmitters, active and achievers of My Will. He who doesn't rest because of My Cause is not a fool; but he who ignores My Will for fear of criticism from his brothers is.

My beloved:

I AM LOVE AND WILL NOT ABANDON MY PEOPLE, EVEN IF MY PEOPLE LEAVE ME.

MY MOTHER IS THE PROTECTION AND HELP OF MY CHILDREN; SHE IS YOUR INTERCESSOR BEFORE ME, AND WHO REVEALS MY DESIGNS TO YOU.

Do not despise My Mother, a Child of Mine without My Mother, is not in total harmony with Me and must work harder.

Humanity knows that trials will befall them, but the trials are greater than they imagine, just as sin is unimaginable.

The darkness of sin impedes man to see beyond its eyes, the mountain will shift to the sea and from the sea new mountains that were hidden will emerge. Nature will belch sin that rests upon her and wants to renew itself. Man denies the fulfillment of My Mother's announcements, for fear, that will invade whoever doesn't fulfill My Will.

My beloved people:

DO NOT WAIT WITHOUT CONVERTING; THE ENEMY OF THE SOUL TAKES FOR ITSELF THOSE WHO REJECT ME FROM THEIR LIFE AND THOSE WHO LESSEN THE POWER OF MY MOTHER THAT MY FATHER GAVE HER, FOR BEING THE OBEDIENT BY EXCELLENCE. My Mother the Woman clothed in the Sun will take this generation to the final triumph over evil.

The power that man has given to evil has gained strength, throwing My children who are not conscious of what is happening into the hands of Satan and his cohorts, surrendering into the hands of a one worldwide power in every aspect, which therefore paralyzes the mind of man to control and debase man as debased is Satan himself.

Only my faithful people, who do not fear, who live, labor and act in My Will overcoming the temptations, seeing the way I see and thinking in My Thoughts when they consciously offer themselves constantly to My Will; only these, My creatures, with the help of their Companions of Light, will be like My faithful Church continue to wait for Me without desperation.

My children pray for the United States, pain will enter in its territory.

Children, pray for France, it will suffer in the claws of terrorism.

Children, pray for Chile, it will shake.

Beloved children:

Do not give up even though it will seem that My Church disappears; remain assured that the forces of hell will no prevail against her.

**FEAR THOSE WHO WISH TO STEAL YOUR SOUL...
DO NOT FOLLOW THE HUMAN CREATURES;
FOLLOW YOUR LORD AND YOUR GOD. LOVE MY MOTHER.**

I do not abandon you. Do not forget to keep in your homes the blessed grape in My Name for the instants of shortage.

May My blessing be with My people.

Your Jesus.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

**OUR BELOVED JESUS CALLS US NOT TO NEGLECT PRAYER AND
FASTING TO FIGHT THE ENEMY, HIS WORKS AND SCHEMING.**

In this instant humanity has forgotten prayer and the practice of fasting. Christ says it in this Message...

Be mindful that people who are ill should not fast. Instead they can offer their illness with patience and offered for the salvation of souls. Fasting is bread and water if the person is in condition to do it; also some people due to their condition can only do it half a day that is also valid. What Christ loves in His children is love and their willingness.

CHRIST'S REQUEST REGARDING THE BLESSED GRAPES.

Christ indicates to us that we must seek a priest and ask him for the blessing of a cluster of grapes or for one single grape, since one blessed grape can feed two people and therefore survive without food, if you have Faith and the creature is properly prepared; this will help for the times of food shortage.

To bless the rest of the grapes:

With the grape already blessed by a priest, proceed to bless the rest in the following way:

With scissors, cut grapes from cluster. Try to leave a piece of the stem on the grape.

Take one of the already Blessed Grapes and rub a Sign of the Cross on the fresh grape while saying: **"In the Name of the Father and of the Son and of the Holy Ghost, Amen."** Each grape must be blessed that way. Put the newly blessed grapes in a glass jar.

Then you store the grapes that are blessed in sterilized jar and afterwards in each jar pour wine or brandy, no other liquor. Close up the jar and there they will be preserved the time necessary, until it is time to consume them. From these grapes already blessed, can be shared with your brothers, since they are blessed, in this way others can prepare their own blessed grapes.

Fifteen years ago Christ had requested for us to bless grapes and they are still in good condition.

If in some country you cannot find grapes, you can use other fruit that you have in abundance and is small as a grape.

When Christ mentioned to me again this request of the blessed grapes, I remember also the Grapes of San Damian, which I share as follows:

During one of the apparitions of the Blessed Virgin Mary to Mamma Rosa Quatrinni, seer in San Damiano (1964-1970), Italy (has already passed away), Our Lady blessed a cluster of grapes, these grapes will sustain the people of Faith during the time of the Antichrist, wars, famine, droughts, calamities, plagues, and illness.

The Blessed Virgin Mary indicates how to transfer the blessing of the grapes from a Blessed Grape to a new cluster of grapes, so more people will benefit from them.

Instructions: *Upon receipt of blessed grapes:* Wash fresh grapes in a mild soap and water solution. Rinse the grapes in clean water. With scissors, cut grapes from cluster. Try to leave a piece of the stem on the grape. Take one of the already Blessed Grapes and rub a Sign of the Cross on the fresh grape while saying: **“In the Name of the Father and of the Son and of the Holy Ghost, Amen.”** Each grape must be blessed that way. Put the newly blessed grapes in a glass bottle. Cover the newly blessed grapes with a wine brandy. Do not use a fruit or berry brandy. The brandy is used as a preservative. You may give the newly blessed grape to others so that they may make a supply for themselves and others. The blessings are transferred from one of the original grapes from San Damiano. Have a clean glass bottle with a lid that will seal well.

It has come to light certain prophecies in which they say that soldiers that will fight under the banner of Jesus and Mary against the forces of the antichrist will be guided by St. Michael the Archangel.

These men will be full of strength; nevertheless they will not require food. This will astonished other people who will join these soldiers, increasing the small Marians forces until they become a gigantic army. They will fight to defeat the forces of the antichrist. The Blessed Virgin has communicated to many saints and seers that these troops will be fed from Heaven. Perhaps the Blessed Grapes are one of many miracles of the end times which the saints of olden times referred to in their visions.

**MESSAGE OF OUR LORD JESUSCHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
NOVEMBER 1, 2014**

My beloved people:

MY DEVOTED REST FULFILLING MY WILL...

Children, the Sun illuminates the Earth and mankind walks sheltered by the light of the Sun, the moon does not allow total darkness, yet this instant, creatures blinded by evil and dehumanization spill the blood of the innocent over the Earth that rocked them. The entrails of the Earth, as Mother for man, shall vomit the stench of human evil and with the pain of birth shall give a lesson to mankind.

Beloved children, in instants, My children shall pass from the light to shadow, the soul shall be a lamp for the devoted o it shall be darkness, more than darkness.

Children of My Will:

You have not heeded My call to conversion and My Mother is evaded by My own children, who have attracted calamities like a magnet towards mankind..., you omitted the Request of My Mother in Fatima, Russia has not been consecrated to the immaculate heart of My Mother.

MY CHURCH IS PURIFIED AND WILL BE IN THE BURNING CRUCIBLE FOR THOSE WHO DELIVER MY PEOPLE INTO THE HANDS OF THE IMPOSTOR.

MY MYSTICAL BODY, GAGGED IN IGNORANCE BEFORE THE DESIGNS OF THE HIGH LEADERS OF MY CHURCH, WILL NOT REVERT SO MUCH EVIL IF IT DOES NOT CONVERT COMPLETELY TO MY WILL.

THE PURIFICATION WAS TRACED BY THE HIERARCHY OF MY CHURCH BY EVADING THE REQUESTS OF MY MOTHER. MY SHEEP DO NOT LISTEN TO MY VOICE, CONFUSED AND FICKLE THEY FOLLOW MEN AND NOT ME.

War is not a rumor, it advances under the waters of the sea, without My children seeing it. This could be avoided if My children return to me, quenching My thirst of souls and if the Message of My Mother in Fatima is revealed in its entirety. Thus, the mind of man, limited deliberately by the earthly power.

My beloved People, it is not an invention of some, this generation will not pass without being purified; evil reigns when the enemy of the soul, who shall be unstoppable judge and executioner against Mine, is denied.

I AM KING AND RULER OF ALL CREATION. THE DISOBEDIENCE TOWARDS MY MOTHER SHALL BE REPAIRED BY SPREADING HER LOVING WARNINGS.

*Pray, My beloved, for Brazil, for it will suffer.
Pray, My beloved, for Crimea, it will weep.*

YOU ARE MY PEOPLE AND I AM YOUR GOD.

Your Jesus.

COMMENTARY OF THE INSTRUMENT

Brothers and sisters:

Christ has given me this vision:

I saw Jesus with a lifeless body in His Arms. The body had its face larger than normal and it had "signs" of anguish and repentance. Christ says to me: "this creature lived in ignorance not wanted but induced

by those to whom I gave the task to alert My children. My Mother embraced him in Her Bosom and the creature gained the Truth of My Designs, leaving the darkness and giving himself to My Truth.”

Brothers:

Our Highest Good energetically calls us to conversion, the Signs of the times are clear, only some brothers deny the undeniable...

**LET'S ASK OUR MOTHER TO SHOW US FROM HER OWN HAND THE TRUTH IN WHICH WE MUST
IMMERSE IN ORDER TO NOT DEVIATE FROM THE WAY THAT LEADS US TOWARDS THE YEARNED
ENCOUNTER WITH CHRIST**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
NOVEMBER 5, 2014**

Beloved children, My people:

**I AM LOVE AND MERCY, MY ESSENCE IS MY INFINITE LOVE,
MY CONSTANT THIRST FOR SOULS...**

My children wonder about My continued Calls and of My Mother's expressing clearly to humanity of what is coming, but they do not wonder about My unconditional Love and Mercy in them

Beloved children, My Love and My Mercy are infinite, as infinite is My Will, desirous that all of you, be saved and attain the true knowledge of My Spirit.

**IF YOU KNOW ME AND LIVE WITH ME FULFILLING MY WILL...
YOU WILL KNOW THAT MY NATURE IS LOVE FOR EACH ONE OF MINE.**

Each one of My Instruments has a directive from Me regarding their mission: to some I have called to bring to My people the continuous flowing of My Love, to others to alert them regarding the Calls of My My Mother and to others to defend My people. Since the Calls are different as for the criterion, to a certain point they are all related: in My Love that unites everything in one voice that calls to Me.

You shouldn't be surprised, My children, of My Calls through My Prophet. **MY LOVE FOR MINE IS SUCH, THAT I DO NOT WISH THAT YOU LOSE YOUR SOUL DUE TO THE LACK OF KNOWLEDGE OF WHAT IS TO COME TO YOU** as a result of the foolishness of man, that chooses evil and practice teachings of evilness with vile and bloody ways.

So many innocents are martyred at every instant, before the curious look from those that are trained from childhood to do these practices as part of the normal way of life! These practices are no different from the Roman circus where My Faithful were thrown to the lions and what is the difference between this and an abortion with the full consent of the human creature to impede the development of human life? Aren't the aggressions also a circus to which many women are subdued all around the world by the assault from their partners or vice versa?

My beloved:

**DO NOT ASK ME TO TALK ONLY OF MY LOVE...WHEN MY JUSTICE
IS NEAR AND WHICH THOSE WHO HAVE NOT BEEN GOOD, FEAR.**

I have asked for the conversion since the beginning of this generation and they have not converted...

A great majority of humanity continues to enjoy sin, blaspheming against Me when they are chained to the devil, the enemy of the salvation of men.

I will not talk only of My Mercy so My people will not fear, because those who are afraid are those that do not trust in Me. **THOSE WHO DO TRUST IN ME KNOW THAT MY PROTECTION WILL NOT LEAVE THEM NOT EVEN FOR ONE INSTANT: THE FAITHFUL COMPELS ME TO BE FAITHFUL TO THEM.**

You must not fix your gaze only on My Mercy, without looking about at so much misery in the human being that doesn't even respect himself.

Each one carries My Cross as a seal of My Presence in the human creature; it doesn't mean that one cross is lighter than the other.

**MY LOVING INSTRUMENT, LUZ DE MARÍA, IS A PROPHET OF THESE LAST INSTANTS. THOUGH IT DOESN'T MEAN SHE KNOWS EVERYTHING, ONLY THE COMING EVENTS THAT I ALLOW HER TO KNOW,
BUT NOT THE DATES OF THE EVENTS.**

- *In this instant, Christ took me to see a lot of human creatures and I saw that man is in total chaos, the sins are unimaginable.*

And Christ tells me:

The false prophets will increase and will deny the true instruments; they will bring perdition and bad habits to My people. My beloved Instrument, those creatures that encourage My People towards bad habits and deny sin, will suffer excruciating pain.

My beloved people:

DO NOT LISTEN TO THOSE THAT TELL YOU THAT NOTHING WILL HAPPEN, THIS IS ONLY FOR YOU TO LOSE YOUR SOUL.

**Pray, My people, pray for Paris, it will suffer bitterly.
Pray for England, it will be scourged unexpectedly.
Pray for Italy, it will be shocked.**

**DOUBLE YOUR PRAYERS, FAITHFUL CHILDREN TO ME AND TO MY MOTHER.
FASTING IS AN IMPEDIMENT FOR THE DEVIL.**

Pray children, for My Church, it will live instants of tension by decrees that will be given against the good habits and morals of My People.

Do not forget that Rome will lose Faith and will be the seat of the antichrist from where he will win battles with great prodigies, but My people will not be alone, I will send him who will help My people, and **THIS MESSENGER WILL CONFRONT THE FORCES OF EVIL, WILL HAVE MY WORD IN HIS MOUTH, AND LIKE FIRE WILL BURN THE SNARES OF THE ANTICHRIST.**

My people:

**YOU HAVE FORGOTTEN PENANCE, YOU HAVE FORGOTTEN FASTING TO
COMBAT THE SNARES OF THE DEVIL AND BECAUSE THE HIERARCHY
OF MY CHURCH DOES NOT INSIST UPON IT.**

You are with sure step in the presence of My Anger and before My Second Coming. My people will suffer the sword, hunger and pestilence, these will be one of the greatest scourging of humanity, for which My Mother and I give you the means to combat them.

The offenses of this generation surpass the offenses committed by those sinners that ignored My Word and offended Me constantly.

This generation has created the Babel Tower through technology misused and this tower will fall upon this generation and will regret having contaminated My Creation, when the Sun brings to Earth to suffer darkness, darker than itself.

**THE INNOCENT, DO NOT FEAR!
MY LEGIONS WILL RAISE YOU UP SO YOU WON'T SUFFER
WHILE HUMANITY DISTRESSED FOR THE SIN COMMITTED CRY FOR THEIR ERRORS.**

My beloved people:

**PERSEVERE IN PRAYER, IN FASTING AND IN GOOD DEEDS
SO THAT SATAN WON'T HAVE CONTROL OVER YOU.**

My beloved people look up, that from above will come the Blessing, look up, that the stars and the moon will not be seen as usual and this is a sign of what is coming.

Beloved:

**KNEEL BEFORE A CRUCIFIX AND ANNOUNCE
TO YOUR BROTHERS THAT MY HOUR IS NEAR.
THE DEVIL NOT ONLY TEMPTS MAN BUT IS A FRAUD AND A LIAR...
AND AMONG ITS SNARES, ARE THE SECTS, NEW AGE, FREEMASONRY, THE ILLUMINATI,
WITCHCRAFT AND EVERYTHING CONTRARY TO THE GOSPEL.**

Beloved of My Will:

Help one another, be one only, My Word be your protection, and act with wisdom so fear will not invade you, what is written is to happen.

MY MOTHER, EMPRESS OF THE AMERICAS, IS THE GREAT GENERAL

**OF MY LEGIONS, IN HER AND WITH HER,
MY PEOPLE WILL NOT PERISH. KEEP THE FAITH.**

I bless you.

Your Jesus.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

**THE HUMAN "EGO" KEEPS US DISTANT FROM THE DIVINE WILL,
BUT WITH THE HELP OF THE HOLY SPIRIT THE CHILDREN
OF THE MOST HIGH ARE NOT ALONE.**

Let's not forget that we have a Guardian Angel to whom if we call and pray to, responds sooner than we expect.

Trust in Christ and do not fear, but pray to the Holy Spirit, that no one will be abandoned.

Do not ignore the pain of our brothers and the persecution as Sign of the end times.

Amen.

**MESSAGE GIVEN BY SAINT MICHAEL ARCHANGEL
TO HIS BELOVED LUZ DE MARÍA
5 NOVEMBER 2014**

Beloved children of the King of Heaven and Earth:

HAIL O DIVINE KING, YOU ARE ALWAYS ADORED!

As Defender of the human race against evil, I insist on the urgency of humankind to heed the calling to conversion before the time that is not time passes by and the opportunity be reduced.

The iniquitous persecutor of the souls wishes to increase his loot, and the man who is immersed in banalities will not recognize the evil one and will become a slave of this enemy of mankind.

The land will sink in several parts of the planet bringing about great astonishment. Man will discover life in the depths of the Earth, and that Earth has cradled them as it has cradled man. Humankind will be amazed and these intelligent creatures will be horrified to see what humankind has become.

The Earth trembles. When a Light that is more than light crosses the space above and comes towards the Earth at a great speed, mankind will become aware of his nothingness and the darkness of his will be more than darkness.

The conquest has been man's desire, just like at this instant when war advances unnoticed by that same man: power by the force of power. All that happens on Earth because of the dominion of the nations is man's doing; it is from him that the instinct of merciless conquest springs up.

The direct intervention of the hierarchy of our King's Church would be very encouraging and would inspire the human race during instants of persecution of Christians and when experiencing the Sting of an unprecedented war.

MY LEGIONS, AT THE SERVICE OF OUR KING AND OUR MOTHER, RESCUE THE SOULS OF THE MARTYRS IN FRONT OF THE INDIFFERENT AND PITYLESS EYES OF HUMANKIND.

So much technological progress and so much indifference towards the death of so much innocence, a scheme of the antichrist's followers to dominate humankind!

Good and evil, present in each human being, struggle for the domination of humankind; the power of the great world powers is implicit in this.

"WHO IS LIKE ONTO GOD?" Children of the Highest, do not rest, do not sleep, tirelessly warn your brothers, continue being faithful like brothers, children of the same King. Be one another's protectors, united you will prevail.

BE BROTHERLY WITH EACH OTHER. THIS DESIRE OF MAN TO BE CLOSE WINS US OVER, IT ATTRACTS US TOWARDS YOU TO DEFEND AND PROTECT YOU.

You forget us and are indifferent towards us when we are the ones having the mission to defend and protect humankind from evil if man requests it; otherwise, we cannot intervene.

CONTINUALLY CALL UPON US AND WE WILL PROMPTLY COME TO YOUR SERVICE.

All that exists is for humankind. Contrariwise, humankind has an attitude of rejection or contempt for Creation, which fears man's actions and reacts against him.

Come to us, we are defenders of the souls, we are prompted to help you. The souls are our victory.

The King of Heaven and Earth be the refuge for the souls. And our Queen, the Most Holy Mary, be advocate and defender of His children.

Amen.

REFLEXION OF LUZ DE MARIA
NOVEMBER 10, 2014

Brothers and Sisters united in the Peace of Christ and under the protecting Mantle of Our Blessed Mother and evoking the Holy Spirit, I share with you these reflections:

During the last Messages, both Christ and Our Blessed Mother have expressed not only in the Calls but to me, the urgency for man not to see too much into himself, but to be conscious that it also possesses a spiritual body upon which it has a greater responsibility than from its own physical body.

Precisely in the instant in which we move, our spirit needs to be nurtured and strengthened by our will and this will to be inclined towards God, since there is a great spiritual battle for souls. We know that good exists from where we come from, but also evil exists, and it possesses forces in this instant provided by those who prepare the coming of the antichrist and it possesses all the resources to manipulate man's mind in different ways, altering the psyche of man... For this and much more we need to pray and keep our conscience at the highest level, in the Supreme, in the intimate practice with the Divinity.

But, what's happening around us?

Too many brothers and sisters think only of their world, like a existence that will not change, it will continue in this way forever and they also think that everything that is being said will not be fulfilled.

Too many think that whatever they hear or see on the news has nothing to do with them. That everything that happens around them has nothing to do with them nor will it affect them in any instant.

Brothers and sister: BE ALERT!

We live in an expanding Universe that doesn't stop for any of us. We are all part of the Universe and as such the good and not so good will play a part in our life. We should be concerned to think this way since we must heed the Messages from Heaven and be mindful that we are not the exemption of the rule, man is up-to-date with the latest trends in all the fields but... what about the spirit? Where is the spirit? Intimacy is put aside, it is swapped with passing things with the purpose to mitigate the absence of God, but intimacy is reclaimed in the creature by its conscience.

All human beings must become a new race of God's children, with the desire to fulfill the practice of Christ's Word, to be action in total harmony with brotherly love towards your

brothers and sisters. Christ and his Blessed Mother calls us to know them, not to be passive but to act and to go in depth on the true path and to become in this way creatures filled with the Holy Spirit, givers of the Divine Word and of the testimony to which we are called, in spirit and in truth.

We all know that the thoughts affect man's reaction; the positive thoughts affect the reality and the direction of life, as well as the negative thoughts.

Conscience takes hold of the reins and has the audacity to trace the reality of each one, unleashing the emotions and thoughts on matters that come to us.

Brothers and sisters, everything that we desire is highly influenced by the way we decide to live. And for that reason we do not believe that what Heavens announces will be fulfilled. First we have stopped believing in God, second because we have lessen the intervention and the power that Christ has given to His Blessed Mother to guide His Church, third, because we do not listen to the voice of conscience.

Being that humanity feels that its work and actions are in accord to the instant of this generation and that said work and action are correct and in accord to the evolution of the human gender, man is carried away by his "ego" and passes in an instant from freedom to licentiousness, which is what this generation is normally living.

Nothing can be achieved without knowledge, but, if we do not know how are we to believe in what is coming? Heaven would not be talking to creatures that do not have the capacity to reason the way he lives.

Brothers and sister, the atrocities against the Gift of life is seen as an everyday event with no surprises, moreover, in recent studies in some of the universities in the United States, made by prolife organizations and published in the digital newspaper The College Fix, committed to share what happens in some of the university campus such as Minnesota, Florida and Ohio, where young people were asked regarding abortion and abortion post-partum, it was a great surprise, when the students demonstrated to be in favor of killing newborn and more so children between 4 and 5 years old, because according to those interviewed at that age the children are not conscious of themselves. What would you do, if one of those children between de ages of 4 and 5 was your son and they asked to kill him?

These misconceptions have appeared from a scandalous reality due to the lack of conscience. Christ and the Mother call us to educate ourselves since educating ourselves we would be imbued of what is ignored and the knowledge will make man sensitive to himself and towards his surroundings. The human creatures must stop being imitators of the actions of others and be convinced of his work and actions. It is necessary to know God in depth to love Him profoundly and that is not achieved with a Sunday god.

If you know God, you'll understand His Divine Justice, His constant Calls and would understand the reason His Blessed Mother gave the guidelines in Fatima to avoid that this generation come to the end, and human beings would have achieved in response with a respectful wish to fulfill the pleads of the Mother for the good of humanity in accordance to Christ's principles.

In these instant of madness, of foolishness and of struggle, I believe in rescuing the man of God that dwells inside each human being. Thank you to those who struggle to rescue souls, because within the remaining instant is gathering as the Mother says: all of Her children, in one way or another, and the great Pact of Love is the sign to which we are called since the Fiat of Creation.

When the Blessed Mother calls us to consecrate to Her Immaculate Heart, the consecration is done, in an individual and personal way, especially all the brothers and sisters that remain in prayer groups and others, and that is fine, except that the consecration emerges in the creature through their actions, not only with words, but in constant practice.

Although it is true that God is the most intimate, profound and transcendent, it is also true that our happiness is within us, in our truth, that which dwells inside of us and which illuminates the path.

I cite St. Augustine: "God does not ask for impossible things, but when He sends what He sends, He invites you to do what you can and to ask for what you cannot do and He will help you so you can."

The main thing in this instant is Brotherly Love, without it we are barely nothing or nothing, the truth and the solidity of brotherhood are indispensable to continue, we all need each other, but if the personal path is not genuine it will become arduous and the path of the brothers and sisters will become more difficult as the Mother said in the last call. In this instant we do not struggle for what we wish at a personal level, but for what Heaven asks of us. We are nothing if we live with an extreme "ego", if we do not do what we desire for the good of the brother, it will not progress; it will also not progress if we place another cross upon the brother. If we wish to remain in this path, to which we are all called to, the "ego" must be annulled so we can become One in Spirit and in Truth.

We live instants, let's fight back and take advantage of those instants so that the conscience will remain attentive in every action and work that we do. Man will be stopped by the Hand of the All Powerful, before it annihilates himself at a global level.

The Blessed Mother announced to me a disease that will attack the nervous and immune system causing serious problems on the skin, for which she told me to use the leaf of the nettle and ginkgo plants.

Brothers and sisters, the Paternal House is flowing with love for all humanity, and warns man before the events happen; do not be indifferent of everything that is announced.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
GIVEN IN CHILE
NOVEMBER 14, 2014**

Beloved children of My Immaculate Heart:

**MY WOMB IS THE ARK OF SALVATION; IT IS THE ARK OF THE NEW COVENANT THAT IS OPENED
TO RECEIVE ALL OF YOU, MY CHILDREN FAITHFUL TO MY SON.**

I bless you wholeheartedly when you are willing to be obedient and heed the Calls that by Divine Order I come to convey to you!

**AS MOTHER OF ALL HUMANITY I COME ONCE AGAIN TO CALL UPON YOU TO CONVERSION, YOU
SHOULD BE AWARE THAT IN THESE INSTANTS THE WILL OF MAN MUST REMAIN IMMERSSED IN
MY SON'S DIVINE LOVE TO ALL HUMANITY AND ESPECIALLY TO EACH ONE OF YOU.**

All are called to conversion, all are summoned to follow the way of My Son, all are called but few are those that have decided to renounce to the world...

Evil spreads like a plague among men, seizing souls and decaying them with all the mundane and wickedness so man willingly deny My Son and accept Satan in their lives.

Oh how My Heart grieves for them!

Oh how My Son grieves to see His children continually deny Him with irreverence actions and irreverent to the Gift of Life!

Oh how My Son grieves before so many massacred innocents!

Beloved children:

So much violence abounds in humanity!... It continues to increase until man becomes totally unrecognizable, not only among his brothers but totally unrecognizable by Creation.

MY CHILDREN, I SUFFER FOR ALL THE OFFENSES CAST TO MY SON, I SUFFER WHEN I SEE YOU LOSING YOUR SOUL, TO SEE HOW YOU EXCLUDE ME FROM YOUR LIVES, HOW YOU REMOVE ME FROM THE TEMPLES, HOW MY APPARITIONS SITES ARE CLOSED OR TAKEN INAPPROPRIATELY TO MAKE WAY FOR BUSINESS AND NOT FOR PRAYER AND CONVERSION CENTERS. In each place where I appeared, I am still present. I do not abandon it; I remain welcoming the creatures that make this pilgrimage to receive my blessing. My apparitions' sites are held in My Son's Hand so that in the tribulation instants, whoever comes with a contrite and humble spirit, with its mind centered in My Son and in His Mercy and also loving the Divine Justice, will be protected and kept safe from evil.

At the foot of the Cross I did not receive man to stay away from those that I love; I continue to be present for those who come to Me.

Beloved children of My Immaculate Heart:

DO NOT SEEK MY SON IN THE SENSATIONALISM, DO NOT SEEK MY SON IN THE DISTRACTIONS, SEEK HIM IN THE SILENT INTERIOR WHERE THE SOUL UNITED TO ITS GOD, SURRENDERS AND OFFERS ITSELF WILLINGLY, AT HIGH NOON TO BE INSTRUMENT IN THE HANDS OF THE DIVINE SCULPTOR.

Beloved children:

DO NOT FEAR MY WORDS, AS MOTHER I AM SENT BY MY SON TO ALERT HIS PEOPLE TO BE PREPARED, BUT EACH ONE OF YOU MUST BE WILLING TO BE CLAY IN THE HANDS OF THE DIVINE POTTER.

NONE OF YOU CAN ASCEND IN THE SPIRITUAL PATH IF FIRST YOU DO NOT VOID YOURSELF COMPLETELY, IF FIRST YOU DO NOT ALLOW THAT YOUR HUMAN "EGO" BE REMOVED COMPLETELY SO THEN BEING MEEK, MY SON WILL START MOLDING YOU TO HIS WILL.

Everyone is necessary in the Divine Plan, all are necessary for Salvation, whoever has been called first, be last. Remember that My Son is not pending on the time but the willingness of the creature

and the total commitment of the creature. This is the instant of the instants in which humanity, convulsing before so much pain and aggression, is blinded and doesn't see clearly that My Son, by Divine Mercy is constantly sending His warnings and His signs for you to recognize them and subdue humanity contaminated by evil and offer it for its total conversion. I come and will continue to proclaim the Word of My Son and the Call to His people, in the face of the instants so painfully that are coming to all humanity.

**THE CHURCH OF MY SON WILL CONTINUE TO ACCOMPANY YOU ON THE ROAD TO CALVARY
UNTIL THIS HIS CHURCH SURRENDERS ITSELF TRULY TO HOLINESS;
BUT THIS WILL NOT COME UNTIL THE CHURCH OF MY SON IS PURIFIED.**

Man has claim total dominion over the Mystical Body and in this instant, it rejoices when the Divine Justice is denied. This generation, My children, in its great majority is participating in Satan's snares and participates even without wanting to, in the preparation for the establishment of the reign of the antichrist.

My beloved:

Do not believe the false peace in this instant, remain alert, build upon solid rock; do not go after false idols, be messengers of the Good News.

In this instant the Church of My Son, which is His Mystical Body, must fulfill with what My Son has entrusted it; it must evangelize their brothers and invite them to penetrate in the way of salvation. My Son is not a mystery He is reality, He is love, surrender, patience and humility, but at the same time He is a Just Judge.

My beloved, the instant in which each of you must judge yourself is forthcoming and for brief instants will know your interior, the work and actions of your life. **BEFORE THIS HAPPENS, CONVERT, ACCEPT MY SON AND STAY AWAY FROM EVIL.**

My beloved, united in My Womb, Ark of the New Covenant, I invite you to pray for the United States. My children will suffer greatly because of the arrogance of its leaders. My beloved, I invite you to pray for Australia, it will suffer Nature's fury.

Earth moans and when it moans it talks to man via the volcanoes.

Children of My Immaculate Heart:

**DO NOT FEAR, CONVERT, DO NOT FEAR.
IF YOU ARE ON THE SIDE OF MY SON, DO NOT FEAR.**

My Son will send the Divine Help so that His people will be comforted in the instants when hopelessness invades them. Yet in this instant humanity is not suffering totally what's coming, and for this you must strengthen in the Faith and you must come and receive My Son worthily. For this you must change and be creatures that see in their brothers the Love present of My Son.

**IN A VERY SPECIAL WAY I CALL MY DAUGHTERS
TO RENEW THEMSELVES, TO DRESS WITH DECORUM.**

Oh I am so ashamed when I see them come and receive the Body and Blood of my Son inappropriately dressed!

I invite My dear Priests to order whoever comes to receive the Body and Blood of My Son, to dress appropriately, otherwise you'll be submitting yourself to Satan's manipulations, who mocking My Son, moves the thoughts of the human beings to receive My Son in total depravity.

**THE CHANGE SHOULD TAKE PLACE IN THIS INSTANT AND IT SHOULD BEGIN WITH YOU, YOU
MUST GIVE TESTIMONY THAT YOU ARE TRUE CHILDREN AND WORTHY TO BEAR MY SON.**

Beloved children, My Son is infinite Love and I remain here with My Arms extended and My Maternal Womb opened to welcome the people of My Son, to cradle them and free them from evil.

My beloved people: that's how my Son calls you, but you with a harden heart do not respond to the Divine Love; do not forget that My Son knows the heart of man and even his deepest thought, and anyone that says with his own words to be a Christian, must be in spirit and in truth.

**I BLESS YOU. DO NOT FEAR WHAT IS COMING, BECAUSE A MOTHER NEVER ABANDONS HER
CHILDREN. I AM HERE, DO NOT FEAR, I AM YOUR MOTHER,
I BLESS YOU, AND MAY THIS BLESSING BE IN EACH ONE OF YOU THE REBIRTH
OF THE TRUTH AND OF THE UNCEASINGLY SEARCH OF THE ENCOUNTER WITH MY SON.**

COMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Our Mother, being the First Disciple of Her Son, moves our insides so when Her children awake they won't have to wait any longer. Su Madre Santísima convoca al Cuerpo Místico, que somos todos los seres humanos, a luchar en unidad perfecta en el Nombre de Su Hijo Jesucristo.

We as the Mystical Body, as a Church must know that the Divine Word without practice is empty and work itself is nevertheless meritorious, but does not guarantee faithfulness to Christ. Balance is necessary, since only and only within the inexhaustible fountain of Divine Love, the creature will remain with the necessary serenity from everything that is coming and will acquire the necessary energy to fight without failing.

Our Beloved remains in His children, but this is not a guarantee for those who call themselves His children are truly...

Christ came for all, not only for a few. He went after the publican to give him the opportunity of Salvation. Unfortunately within our Institution there are creatures that do not fight for their brothers, but are centers of destruction and judges of the rest. **WE ARE SENT TO EVANGELIZE AND TO MINISTER ONE ANOTHER WITH OUR TESTIMONY, WE ARE NOT CALLED TO DESTROY OR JUDGE OURSELVES, LEAVE THAT TO GOD.**

And with St. Augustus let's say:

"If you want to receive the life of the Holy Spirit, remain charitable, love truth and desire unity to attain eternity."

Amen

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
NOVEMBER 22, 2014**

Beloved children, My people:

I AM A BEGGAR OF LOVE, A BEGGAR WHO WALKS SEEKING TO FIND MY LOVE ALIVE AND PULSATING IN EACH ONE OF MY CHILDREN... BUT I FIND MYSELF IN STERILE GROUND, TOTALLY ROCKY AND HARDENED WHERE NOT EVEN THE WATER CAN PENETRATE.

Beloved children:

I protect you, you are my most cherished treasure, but in each instant you avoid ME... I give myself to Mine, but you do not understand Me, you do not wish to understand the unfathomable abyss of my Love and My Revelation for this generation.

You deny Me as easily as you deny a theory, you deny Me without thought or being aware of what you are denying, you deny Me without understanding what you deny...

You deny Me for the mere fact of just denying Me, for the mere fact that I choose My instruments among those that are not the wise or powerful men, perhaps because those wise and powerful men are the least suitable to bring My Word with Love, that I send through My faithful and humble instruments to alert my people.

IN THESE INSTANTS, EACH ONE OF YOU MUST BE A FAITHFUL IMAGE OF MY LOVE, YOU MUST BE THE HERO THAT LIVES IN THE DEPTH OF THE HUMAN BEING WHO DOESN'T FEAR TO SHARE WITH YOUR BROTHERS AND TELL YOUR BROTHERS PERSONALLY THAT YOU ARE ONE OF MINE, THAT YOU DON'T SHARE WITH THEIR WAYS, NOR ACTIONS, NOR WITH THE IDEAS THAT HUMANITY GENERATES IN THIS INSTANT.

Abominable practices are being carried out and My Heart is constantly lacerated.

I SEE THE EARTH AND THOSE WHO REALLY LOVE ME ARE VERY FEW! How many are those who follow the human creatures? And having before them the Truth, they turn their backs on Me because they fear being criticized, they forget that I am the Master of everything that exists, that I am Master of Life, and I come precisely to separate the wheat from the chaff.

Oh so many mock my Calls and My Mother's! So many mock My Instruments and discredit them! You forget that I remain before them and that it is not they who proclaim My Word, but Me, who gives all of Myself to My people, to that one that I came for and crucified Me, to that one who continues to crucify and lacerate Me, denying Me as I was denied. In this instant I continue to be denied and more so when the infernal dragon takes possession of the minds and hearts of My children through the imposter, of that one who will succeed to deceive my People, the antichrist.

In this instant so many deny the existence of evil! So many deny My Mother! So many with one word leave doubts of Her Purity and Maternity!

**WOE TO THOSE WHO TRAMPLE MY MOTHER'S PURITY...
I ENTRUSTED MY CHURCH TO HER, AND DO NOT CALL YOURSELF
CHRISTIAN, WHEN YOU TRAMPLE MY MOTHERS PURITY.**

**YOU HAVE GONE BEYOND SIN
AND MY INFINITE MERCY IS BEING USED TO HIDE THE DARK SIDE OF HUMAN BEHAVIOR.**

My beloved people:

I AM MERCY BUT AT THE SAME TIME I AM JUSTICE AND EACH ONE OF YOU WILL RECEIVE ITS DUE, NOT WHAT I DICTATE, BUT WILL RECEIVE WHAT YOU HAVE PLANTED.

I come for My people, for My faithful people, for those who dedicate all instants of their lives to remain in My Will, to defeat the human “ego”, which in this instant has become totally contrary to My Requests, ignoring the necessity to fulfill My Law and My Precepts.

The human “ego” is a monster that in each instant grows if you allow it, controlling you and hardening the senses of the heart so it will not feel, and not hurt before such idiocy that occurs on Earth.

My people:

PRAY TO ME, COME TO ME, THAT MY SPIRIT WILL HELP YOU TO ASCEND AND TASTE THE DELIGHTS OF UNDERSTANDING MY WAY, although it is true that each one of you has its personal cross, it is also true that each one of you possess before you the Glory and Eternal Life if it is what you deserves in the course of your life.

My children:

Your each act and work is a light that brings you closer to Me. When you see the sun shine at the zenith with all its intensity so intense that you feel your eyes cannot resist it, think of Me, think of My Majesty, in My Infinite Power, but at the same time think of My Mercy, and if in this instant you come to Me with a firm purpose of amendment, I welcome you... **BUT DO NOT WAIT ANY LONGER BECAUSE THE INSTANT WILL NO LONGER BE INSTANT.**

I come for My people.

I come for those who are denigrated and massacred.

I come for the persecuted, for the scorned.

I come for those who are not understood.

I come for the wronged and the vilified.

I come for those who have been mistreated unjustly.

I come for those who have suffered because they proclaim My Word.

I come for the humble and simple.

I come for those who have said yes to Me.

I come for those who take my Mother’s hand in this instant for Her to guide them and She has said yes.

I come for those who do not forget the sick and those in prison.

I come for those who do not judge, who do not venture to judge or mock their brothers.

I come for My Church and My Church must be Holy as I am Holy.

I come for My Church renewed in My Love and in My Mercy.

I do not come for those who mock their brothers, neither for those who signal them out unjustly.
I do not come for those who judge lightly.
I do not come for those who believe themselves gods and perfect; and call imperfect those that share My Word to bring souls closer to My Fold.
I come for those who say the Truth, for those who wish to offer themselves to Me to welcome all My people.

My beloved people:

**DO NOT FALTER FOR EVEN AN INSTANT; BECAUSE THAT INSTANT
IS NECESSARY TO LIFT UP THE FALLEN...**

**DO NOT BE DISCOURAGED BEFORE THE BETRAYAL NEITHER BEFORE
THE INCOMPREHENSION NOR BECAUSE YOU ARE CAST ASIDE, FEEL
JOYFUL BECAUSE IN THIS WAY YOU WOULD BE LIKE ME.**

I need a people to pray to rise up.
I need a people to receive My Body, Blood and Divinity.
I need a people to come close to the Tabernacle, confiding in Me the most intimate in their heart and I will respond.
I need conscious creatures that they are Temple of My Holy Spirit and as such must walk in holiness.
I need creatures with their thoughts continually united to Me.
I need creatures that can control their impulses and not allow bad thoughts to overcome them.
I need children with clear eyes, clean ears, with a renewed heart and a tongue to praise and bless Me.
I need creatures to broaden their will to heed whatever I gradually reveal to them.

My Calls cannot be the same as in previous years, this generation so advanced in technology and at the same time a spiritual involution, will not believe in My Calls if I were to use in this instant words of old that this generation would not even recognize. I have come to talk to you as a friend to friend, as a brother to brother, as a father to son, and My Mother has come to call you as a Mother, Teacher and Guide so this generation will understand us.

How can those who say are knowledgeable of the Faith and experts in matters of Faith so easily dare to tell others not to follow Me when most of My Church surrenders to worldly pleasures? How is it that you deliver My children onto the hands of Evil?

**I NEED A STRONG CHURCH THAT WILL RESIST THE ATTACKS
THAT THEY WILL CONTINUE TO SUFFER.**

My beloved people:

THE SELF-EXAMINATION WILL SOON COME, which I will not bring about, but each one of you personally, and in that instant everything will stop, man will see his own conscience, will see himself completely exposed. Whatever moves, will stop moving, because silence will reign on Earth, you will only hear the lamentation of those who repent for the wrong committed and I will come with My Love, to welcome you once again as My lost sheep, even then some of My children will deny that the Warning is coming from My House and will rebel against Me and will be part of Evil. **(1)**

My beloved people:

EVIL CANNOT OVERCOME ME, EVIL WILL NEVER PREVAIL, MY LOVE AND MY MERCY PREVAILS, AND MY OMNIPRESENCE AND MY OMNIPOTENCE PREVAILS. I AM WHO I AM. I NEED THE ASSURANCE OF MY PEOPLE TO BE ABLE TO FIGHT WITH THE WEAPONS OF MY LOVE AND BE BROTHERLY.

So much irreverence to Me and to My Mother!

So much irreverence for the Gift of Life!

and how man in each instant increases his aggressiveness!... so much that I do not recognize him.

My beloved people, I invite you to pray for My People of Chile, it will suffer.

Beloved children, I invite you to pray for Russia.

I invite you to pray for Japan, it will make humanity suffer.

Beloved children:

**LISTEN TO MY VOICE...LISTEN TO MY WORD...I GIVE MYSELF TO YOU
SEEKING A CRUMB OF LOVE SINCE I AM THE GREAT BEGGAR OF LOVE.**

Do not seek in My Word the darkness that doesn't exist, since you will find more darkness. Look at the light that My Heart transmits in these Calls. Be those who fulfill My Will and the Commandments.

Understand what is going on in this humanity so you will be able to find the True Way, to know the untruth through which you have been deceived, **BUT "I AM WHO I AM" AND I DO NOT DECEIVE MY PEOPLE, I LOVE YOU AS THE APPLE OF MY EYE.**

**DO NOT BE SADDENED BECAUSE YOU ARE ONE OF MINE.
JUST THINK THAT I LOVE YOU, MORE THAN I LOVE MYSELF, BECAUSE
FOR YOU I WAS CRUCIFIED. REMAIN IN MY PEACE. DO NOT FALTER;
BE FIGHTERS OF LOVE, I WILL LIFT YOU UP.**

I bless each one of you.

May My blessing be for you the balsam of Hope and the Assurance to continue walking in Faith. .

I love you.

Your Jesus.

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

To this Divine Word I can only say:

**FIAT VOLUNTAS TUA.
THY WILL BE DONE.**

AMEN.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
28 NOVEMBER 2014**

Beloved children of My Immaculate Heart:

I bless you. I am the Lighthouse that lights the way for all humankind

**MY SON HAS ENTRUSTED ME HIS PEOPLE SO THAT I INTERCEDE
FOR EACH OF YOU AND ALSO TAKE YOU TO HIM.**

I WILL CRUSH THE SERPENT'S HEAD, THE HEAD OF MAN'S ENEMY, THE DEVIL OR SATAN...

As the Mother of The Word, I constantly go and appeal to My children's conscience asking for the necessary disposition so my Son's Call and my Call will penetrate human will and force the 'ego' to yield, that "ego" which rises like a giant, crushing the Requests from Heaven, allowing the human

self to prevail and fall in the traps that satan continuously lays out in front of you to make you fall, thus separating you even more from My Son.

**THE DISPOSITION IS BORN IN THE CREATURE AS A RESPONSE TO THE CALL OF THE CONSCIENCE.
WHEN THAT CREATURE LISTENS TO THE CALL OF HIS CONSCIENCE, THEN THE CREATURE
DISPOSES HIMSELF TO FIGHT AGAINST HIMSELF TO ALLOW HIMSELF THE SALVATION**

Man loses so many spiritual battles when he is not aware of the fact that his denial makes him regress, giving in to the whims of satan! It gives Me pain to see that many of My children do not yet believe in the arrival of the antichrist. It gives Me pain because, when they deny the arrival of the antichrist to deceive humankind, they will fall prey to his claws for not knowing the strategies he will use to infiltrate the human mind and heart.

My beloved children:

**AT THIS INSTANT I COME TO CALL YOU TO A NEW SPIRITUAL REBIRTH BECAUSE IT IS ONLY
THROUGH A SPIRITUAL REBIRTH THAT HUMANKIND WILL BE ABLE TO REMAIN FAITHFUL TO THE
CREATOR.**

The onslaughts of evil continuously increase and weaken mankind because mankind ignores the power that the great nations and those who are economically powerful in the world have given for evil to take possession of humankind. **THE VAST MAJORITY OF MY SON'S PEOPLE IGNORE THIS TRUTH, AND, BECAUSE THEY IGNORE IT, WHEN MY SON AND I REVEAL IT, THEY DENY IT, EVEN MY OWN FAVORITE CHILDREN (PRIESTS).**

Beloved children of My Immaculate Heart:

**FREEMASONRY IS A FORCE THAT GROWS EVERY INSTANT AND FEEDS ON THE IGNORANCE OF THE
MYSTICAL BODY;** and the Mystical Body has become totally vulnerable to every attack and to every excessive control because the Mystical Body ignores the power that Freemasonry has acquired.

**YOU IGNORE THAT EACH THOUGHT AWAY FROM THE DIVINE WILL OF MY SON LEADS TO THE
GROWTH OF EVIL; AND EACH THOUGHT, ACT OR DEED IN ACCORDANCE WITH MY SON'S WILL
CAUSES THE POWER OF THE SOUL'S ENEMY TO DIMINISH.**

Few will continue being faithful to the Divine Word, but those few will multiply to infinity to give testimony that My Son continues to be alive among men, alive and palpitating.

**IT WILL BE YOU, THE FAITHFUL TO MY SON AND FAITHFUL TO ME, THE APOSTLES OF THE END
TIMES:**

The ones I call to be Love in truth and spirit...

The ones I call not to abandon prayer...

The ones I call to nurture the friendship with My Son's House...

The ones I call to be aware that by your side are your Protectors and Companions along the way in order for you to acknowledge them.

I INVITE YOU, MY FAITHFUL CHILDREN:

To receive My Son in the Holy Eucharist...

To defend the Faith and to love one another as My Son has ordered you.

Remember it is indispensable to comply with the Commandments of God's Law, and that he who is called first must serve his brothers; this is show those humble at heart can grow.

Beloved children, the Earth vibrates in accordance with man's conscience: as this conscience diminishes, it falls on the Earth and makes it tremble strongly and grieve man's future.

I invite you to pray for My beloved people of Japan, it will again suffer the relentless force of Nature.

My children, I invite you to pray for Greece. Those people of mine will suffer the mistakes spread by communism and terrorism.

My beloved:

**THE NAÏVETÉ IN WHICH YOU REMAIN DOES NOT LET YOU SEE CLEARLY
ALL THE MISTAKES YOU MAKE WHEN YOU DRIFT AWAY FROM MY SON, WHEN YOU DO NOT
HEED MY CALLS AND MY LAMENTS, WHEN YOU LET THEM PASS BY WITHOUT EVEN LOOKING AT
THEM**

Beloved children, important events are coming near humankind, a signal above will make a lot of human beings turn their eyes to the heavens.

My beloved children, stay protected, avoid ingesting foods that make man's respiratory system and the digestive system degrade, because a new plague is rising with great strength to attack the health of My Son's People; however, not even diseases nor obstacles will be able to hold back My Son's faithful People which is very aware that they must not lower the arms for even a second, but must hold them up high as a sign of victory as of now, as a sign that they are true children of My Son.

Beloved children of My Immaculate Heart:

**HUMANKIND SINKS IN THAT WHICH IS DARK BUT YOU MUST CONTINUE GOING INTO THE
DIVINE LIGHT SO THAT YOU WILL BE GUIDED TOWARDS ME AND I WILL PRESENT YOU BEFORE
THE SACROSANCT TRINITY.**

Children, do not search for phenomena any more, look for my Son and look for Me and the Blessed so that no effort of yours will remain without yielding a good result.
Hijos Míos, les amo infinitamente, les bendigo.

EACH BEAT OF MY HEART IS AN 'I LOVE YOU' FOR EACH ONE OF YOU

Be wise and take part in this My Word.

I bless you, remain in My Son's Peace.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

**OUR MOTHER CALLS US TO BE AWARE: IF ONE DOES NOT GROW SPIRITUALLY, INDIVIDUALLY
ONE CANNOT GIVE TO ONE'S BROTHERS WHAT WE DO NOT HAVE INSIDE.
A BAD TREE DOES NOT BEAR GOOD FRUIT.**

The Most Holy Mother insists that we must recognize that we are limited and needy for the Love of God to continue on the straight path.

One cannot live on someone else's spirituality; each human being has received everything from God to get personally close to Christ, not distant but much closer than men can imagine.

The People of God has always been tested and it is no different at this instant when the announced events are very near and remain latent to come to pass.

We are a people that walk, and to acquire the necessary strength to continue being faithful, we must decide to change inside and to expand the mind to allow us to understand and be convinced more and more of the Infinite Divine Omnipotence.

**GOD IS THE PAST, THE PRESENT, AND THE FUTURE...
NOTHING MOVES UNLESS IT IS HIS HOLY AND DIVINE WILL.**

Amen.

**MESSAGE FROM OUR BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 3, 2014**

Beloved children of My Immaculate Heart:

YOU ALL LIVE WITHIN MY HEART WITHOUT DISTINCTION...

Beloved:

**I GIVE MYSELF TO EACH ONE OF MY CHILDREN, I PENETRATE IN THE
HEART OF MEN SO THEY WILL REMAIN BESIDE MY SON, NOT ALLOWING
EVIL TO GRAZE WHAT IS DIVINE PROPERTY.**

My daughter: Do you know why My Son and I come to give our Word to humanity?

Because man is the created not the Creator and therefore the Creator warns his children what they should know so they can freely make the decision to heed the Voice from Heaven, or continue in the mundane and plunge himself little by little in what it doesn't seem like sin but it is sin.

The inoffensive takes possession of the heart of man to make him immerse himself into the vice and from there to the sin. Man, like a magnet, walks on the path of pain, as a result of sin in which he remains.

I am sent by the Father that warns His children before the weakening of the human conscience, blinded by the lack of humility, rejecting the Calls from the House of the Father. **IT WON'T BE UNTIL YOU LIVE THROUGH DIFFICULT INSTANTS THAT YOU WILL BELIEVE IN OUR CALLS.**

My instruments are attacked, as part of the knitted plan by those who prepare the settings of evil, and My children, ignorant of this reality, discard everything that the Paternal House warns them about.

You are called to love each other as brothers, and instead you fight one to another to obtain first place.

Beloved daughter:

**HE WHO ANNOUNCES AND DENOUNCES IS DESPISED, SLANDERED AND PERJURED... HE IS THE
TRUE MIRROR SERVANT OF MY SON, TO BE LIKE
HIM. EVERYONE IS THE CHURCH, ONLY WITHOUT UNITY.**

Man, creature of God, has forgotten that the Power of God is infinite and gives to each creature what is His Will so that each one will fulfill its mission within the Mystical Body. In this way it happens, as in all systems, those exist that are predatory and drag their fellowman in the wrong paths.

**IN THIS INSTANT, PRAYER HAS BEEN PASSED TO THE LAST PLACE, THE HUMAN REACTION,
CONTRARY TO THE WILL OF GOD, IS FRUIT OF THE LACK OF PRAYER, THAT DOESN'T ALLOW
DISCERNMENT IN THE HUMAN CREATURE.**

The influence of the mundane together with the misused of technology, will give as fruit the loss of souls. The lack of knowledge of My children allows the enemy of the soul to keep them away from the Calls from Heaven. The arrogant destroys, the humble unifies.

**MY SON CAME TO EARTH AND WAS NOT RECOGNIZED.
THE SO-CALLED LEARNED FOUGHT HIM UNTIL THEY PUT HIM TO DEATH ON THE CROSS,
DRAGGING THE PEOPLE. MY SON GATHERED WITH THOSE WHO DID NOT BELIEVE IN HIM, AND
WITH THOSE WHO PROFESS OTHER BELIEFS, HE HAD THE SINNERS
DRINK THE WATER OF HIS WORD SO THEY WOULD CONVERT.
MY SON DID NOT COME FOR THE JUST, BUT FOR THOSE
WHO WERE IN THE WRONG PATHS.**

Man condemns upon what he sees superficially, poor creatures! Humanity unceasingly submits itself to ignorance, carrying a heavy cross, that has been imposed upon themselves.

The power of men that control humanity, maintains hidden the pain they prepare, guided by the evil one, to take humanity to the Great Tribulation.

THE MISSION OF THE FORCES OF EVIL IS TO SEPARATE THE PEOPLE OF MY SON FROM THE TRUTH, SO THEY WON'T RETURN TO THE PATH AS CHILDREN OF GOD. They make them fight one another to introduce them incredulity, they investigate what contains no contradiction so My children will not be alerted from the road that they travel, which is not the one that My Son desires; sin is the way to perdition.

I feel pain because I see how man does not discern, but follows the steps of other men and see them as if they were gods, though these men do not bring reconciliation of the human creature with its Creator, placing the Sacrosanct Trinity in second place, this being a heresy.

Until the instant before evil, in which the man of God will recognize that he has not fulfilled the Commandments and has loathed the Divine Word, he will not obtain true Peace.

I am unity, I call upon My Children to keep them awake praying and nourishing from the Body and Blood of My Divine Son, heeding the law and acquiring the knowledge of the instant in which they live, previous to the great conflicts that will exterminate a large amount of My innocent children.

HUMANITY IGNORES THE POWER OF ITS CREATOR LIMITING HIM TO THEIR SURROUNDING AND DO NOT TAKE INTO CONSIDERATION THAT MY SON DOES NOT ACT WITHOUT WARNING HIS CHILDREN, FOR THEM TO RETURN TO THE RIGHT PATH. The worldly noise keeps the man's mind in the insignificance, thus this being a weapon of evil to take hold of the souls.

My daughter:

Do not falter, continue to warn unceasingly, the depredatory will not rest, nor My Heart will separate from you, nor from My children to give them strength so they won't fall prey in the hands of those who wish to keep them away from salvation.

The earth that has cradle man shakes before man itself, the violence generated by man blind before His God, will not stop and the tears of man will flow like rivers when man recognizes the scorn

towards His Creator. **WHAT HAS BEEN CREATED BY THE DIVINE HAND ADORES GOD AND FULFILLS ITS MISSION FOR WHICH IT WAS CREATED, MAN REBELS AND KEEPS AWAY FROM HIS GOD.**

My beloved:

**KEEP PRAYING AND WITH INTERIOR SILENCE BE ABLE
TO FIND THE WAY, THE TRUTH AND THE LIFE.**

Pray for your brothers, for those who suffer all kinds of violence or ignorance.

Pray, the Earth will shake strongly. Pray for Japan.

Pray, the nuclear energy, the scourging of man, will continue to advance.

The terror goes from Nation to Nation..., violence is Satan's weapon. **DO NOT FORGET THAT I WILL CRUSH HIS HEAD AGAIN AND THE PEOPLE THAT MY SON HAS ENTRUSTED TO ME WILL BE FREED FROM THE SLAVERY OF EVIL**, and man, after the Purification, will seek on his own the comforting Balsam of its Creator, and I as Mother of Love, will welcome you within My Immaculate Heart.

Do not drift away from the true path; do not listen to the voices of those who plot with the purpose to keep you away from My Son.

THESE ARE INSTANTS OF INSTANTS, THE EVIL POWER IS GETTING STRONGER, BUT ONLY ONE WORD FROM MY SON IS ENOUGH AND YOU WILL BE FREED FROM THE CHAINS OF EVIL, IF YOU RESOLUTELY REPENT AND RENOUNCE EVIL.

**I, MOTHER OF THE DIVINE LOVE, CONTINUE UNCEASINGLY IN SEARCH OF MY CHILDREN, AND I WILL NOT BE SILENT BEFORE THE THREATS OF MEN,
NOR BEFORE THE ATTACKS OF EVIL WHICH I WILL EXPOSE.**

Children, the Sun shines for everyone, raise your eyes to the Heavens and do not hide the Signs of Times foolishly.

Love conquers, if man is love.

I BLESS YOU, DO NOT FEAR, I REMAIN WITH EACH ONE OF YOU.

May My Blessing be upon you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTS OF THE INSTRUMENT

Brothers and Sisters:

The instant is not easy, evil, knowing of the power that is upon all name, fights against the faithful People, dragging everyone who is lukewarm, even those who believe are steadfast; for this reason man must not trust in its own spiritual strength if this is not placed on the Divine Hands and offered to the Blessed Mother.

DO NOT BE DISCOURAGED HE WHO FIGHTS AND IS PERSECUTED, BE GLAD BECAUSE YOU ARE IN THE RIGHT PATH, bless your persecutors, because they give you cause to offer more for the salvation of souls and prepares you to fight what is coming, WHICH IS NOT OTHER THAN THE IMPOSITION OF EVIL FORCES BEFORE HUMANITY, AS A FINAL TEST TO WHICH THE PEOPLE OF GOD MUST CONFRONT AND FROM WHICH WE WILL COME OUT VICTORIOUS BY THE HAND OF THE BLESSED MOTHER.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
FEAST OF THE IMMACULATE CONCEPTION OF THE MOST BLESSED MARY
DECEMBER 8, 2014**

My beloved People:

**MY PALPITATING HEART REMAINS AND WILL REMAIN WITH MY CHILDREN.
I DID NOT GIVE MYSELF SO THAT MY PEOPLE WILL PERISH, BUT TO GIVE THEM NEW LIFE
AND AN ABUNDANCE OF LIFE.**

As a Father, I love you...

As a Father, I announce to you so you won't perish...

As a Father, I permit you to be purified and that you will be amended...

My Most Pure Mother spotless without sin gives you Her Legacy of faithfulness and obedience for you, beloved children, to come out of that which is binding you and which transforms you as creatures contrary to My Law and to My Love. **MY MOTHER DOES NOT REJECT THE CALL OF HER CHILDREN...**

There will be an instant in which the boat will appear to sink in the middle of a strong storm. My Mother will be the Rescuer of the lost souls that seem to sink in the abyss of the turbulent sea of unlimited sin.

Whoever honors My Mother and gives testimony of My deeds and actions, is transparency of kindness, humility, patience, understanding, charity and faith. It is also a creature that shines without wanting to, since like My Mother, sees My Image in his fellowmen.

CHILDREN, MY MOTHER ACCEPTED TO CONTINUE TO BE MOTHER OF HUMANITY AND WILL NOT FALTER IN HER STRUGGLE FOR SOULS. I shared My Martyrdom with Her, therefore the My Mother's Martyrdom has not ended, it continues with each one of you, because it was My Testament when I entrusted to Her My People.

Beloved children, My House is a dwelling place prepared for each one of you to enjoy Eternal Life; My Mother will lead you to Me.

I call you through My Prophets, for this is My Will: to grant to all My Children every opportunity to change and make amends. My Mercy is the center of My Love, it grants you all the opportunities, because you are My children.

You do not walk towards Salvation if you do not want sacrifice, renunciation, humility and the true life.

You do not walk towards Salvation if you submit yourself voluntarily to be tortured in body and in spirit by all the vices created, not only by the evil, but by yourselves.

Humanity wanders around devoid of thoughts or reflection of their words or actions; they are repeaters of the bad actions and deeds of others. The widespread mass has been successful in preventing My children not to realize what offends Me, but to be accepted in the society in which they move; even though this means to continue in a constant wave of sins each time more serious and more enslaving.

My beloved, man knows pain but soon forgets it; as soon as it's gone, he forgets it. Since pain is reason for atonement, they use it instead, to blame me for everything that generates suffering.

Oh the loneliness that My People plunge me into!, ripping each other up like wild animals, surrendering to evil with pleasure, since they forget Me for the temporary and mundane things, covered in mud with all kinds of offensive mockery. They do not awaken before the control of power, which instead they get used to it easily, surrendering more and more to all demands, following men the same as you, will continue to be limited and mortals.

Beloved children:

THIS GENERATION MUST ATONE FOR ITS SINS, WHICH THEY DO NOT FIND, BECAUSE SIN HAS BEEN ABOLISHED AS SUCH AND HAVE ADOPTED LIBERTINISM AS A MEANS TO SURVIVAL. They continue in inertia that provokes the bad actions and the conscience remains stagnated by the creature's own will withering the mind that acts by inertia.

THIS GENERATION WOUNDS MY MOST HOLY BODY TIME AND AGAIN, little by little Satan snatches My children, appearing with false masks, generalizing the most absurd and most devastating sins. Satan has his demons tempting souls constantly; because of the separation and distance in which they keep Me.

MY PURE AND VIRGINAL MOTHER IS THE ONE WHO WILL CRUSH SATAN, CASTING HIM TO THE ABYSS WHERE HE WILL NOT BE ABLE TO COME OUT EVER. For that My children must renounce sin, not offend Me and must again call me Father, and to My Mother: Mother, so by your own will, you give us the joy of welcoming you for what you are: Our children.

**My beloved, pray for San Francisco,
it will be shaken violently and a volcano will emerge from the bowels of the sea.
My beloved, communism is moving disguised in sheep clothing, its claws will be an
unexpected scourging.
My beloved, France and the United States will suffer.**

Beloved, I send the blessing to My People, My Mercy is inexhaustible; but it remains before you before My Justice comes to the ones I love.

My Word will be passed from creature to creature, after the imposter becomes public and My children are oppressed...

MY HELP WILL COME FROM MY HOUSE TO YOU, AS SPIRITUAL FOOD SO YOU WILL RETURN TO MY FLOCK. WHEN THE FAITH IS DENIED, MY MESSENGER WILL COME TO GIVE STRENGTH TO MY PEOPLE, TO GIVE TESTIMONY OF LOVE FOR MY CHILDREN AND THE DRY TREE WILL COME ALIVE AGAIN, BECAUSE I REMAIN WITH MINE, I DO NOT ABANDON THEM.

Beloved, awaken! My Love will be poured out upon each one, you will see yourself truly, exactly as you are and; you will see how much you have offended Me and how much you have loved Me in your fellowman.

Love My Mother; allow her to cradle you in Her Most Blessed Arms, love the Queen of the Heavens and Earth.

I bless you, beloved children.

Your Jesus.

COMMENTS OF THE INSTRUMENT

Brothers and Sisters:

“Not everyone who says: Lord, Lord! Will enter in the Reign of the Heavens”.

A Most Pure Mother calls us to love Her Son Our Christ, to come before Him recognizing ourselves sinners and unworthy, but sure of His Mercy, if we don't reject him.

Our Mother, the faithful Disciple of Her Divine Son, awaits us as the most humble, for Love, because Our Mother knows about that.

Brothers and Sisters:

Let's come closer to the Most Holy Mother and allow her to guide us, she will never let us go astray from the path to which Her Son has called us. But for which we must accept Her and remain attentive to what Christ tells us:

“BESIDES MY MOTHER, I WILL ALSO SEND MY HELP TO ACCOMPANY YOU”.

Let's be worthy children of such Virginal Mother.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
GIVEN IN MEXICO, OUR LADY OF GUADALUPE BASILICA
DECEMBER 11, 2014**

I bless you all. All of you are My children... without distinction, without limits and without borders. I love you all and I protect you with My Maternal Mantle.

My beloved:

**FROM HERE, FROM MY HOUSE IN TEPEYAC... I BLESS ALL HUMANITY WHICH I LOOK UPON WITH
SORROW, WALKING WITHOUT DIRECTION, HASTILY TOWARDS THE EVENTS WITHOUT BEING
CONSCIOUS OF WHAT IS COMING.**

Most beloved children:

I AM CROWNED AS EMPRESS OF THE AMERICAS BUT I WISH MY CROWN UPON EACH ONE OF YOU, IN YOUR SURRENDERING AND IN YOUR OFFERINGS TO MY SON.

My beloved people, the Mexican people:

I call you to remain in the Love of My Son. My true children do not lift their hand against their brothers. Offer the pain for the conversion of all humanity. Keep calm. In this instant, the hustle and bustle in which humanity lives plunges the heart of man in a constant struggle against their fellowmen.

**BE TESTIMONY OF MY SON'S PEACE...
BE THE VOICE THAT MY HEARTS YEARNS SO MUCH,
THAT VOICE THAT RISES CALLING EVERYONE TO CONVERSION.**

Children, I love you intensely! I bless you with all the splendor of My Heart that shines to the infinite feeding the rays of the Sun and placing in each one of you that light that in this instant you need to prevent you from involving yourself with violence, consequence for lack of conscience in man, consequence of your detachment from My Son and consequence from the lack of humility.

Man in his eagerness of knowledge, though not precisely for the good, has taken up to compete with My Son and I, as a Mother, call you again to be aware, think and reason that you are limited creatures of God and you cannot be superior to the Master of Creation; instead you attempt against the Gift of Life creating enmity among people, and that enmity will turn into violence and violence into war.

Most beloved:

FROM MY HOUSE IN TEPEYAC, FROM MY SANTUARY, WITH MY MANTLE I PROTECT ALL CREATION AND WITH THE STARS PRINTED ON IT, I ILLUMINATE THE SOULS OF THOSE THAT OFFER THEMSELVES TO MY SON AND ARE FOND OF THIS MOTHER, INTERCESSOR AND ADVOCATE OF ALL MEN.

Once again I invite you to prepare...

How many of My children think that because the fulfillment of the warnings from Heaven is not at a global level, in human time, can continue life immersed in sin! But children, the day is not enough, it is not sufficient; you live without looking within your interior not even for one instant, everything that is brewing in each one of the Countries.

My Beloved:

SO LONG AGO I CALLED YOU TO PAY ATTENTION TO THE WORLD ECONOMY! And in this instant in which the economy is at the point of collapse, My Call is for My faithful to double their prayer and their voluntary offerings for all those who continue their life based on the god money, who before an imminent fall in the economy, will feel devastated, they will lose their life by their own free will, because they are weak, for not having their Faith based on the Divine Providence.

You My beloved:

DO NOT FALTER NOT EVEN FOR ONE INSTANT, DO NOT HESITATE AND DO NOT DOUBT. You know that My Son does not promise in vain and He has promised help from His House to all the faithful, and I, as Mother of all humanity, in My Tilma (mantle) keep all of you, absolutely all.

You, beloved children, look towards the sky, do not forget that the Hand of My Son will fall upon the Earth with His prompt Justice. But in all instant, with His infinite Mercy My Son exhales His Divine Breath upon all humanity and the human creature will receive the help that My Son will bring without delay, as they earn it.

Painful instants are surfacing for the Church of My Son. Continue to keep your Faith strong and trust in Me. My Son has named me Defender of His Church and I, as Empress of the Americas, have welcomed everyone.

Beloved children:

Find that interior silence; that Peace that you seek outside of yourselves, come out of the daily routine that transforms you in depersonalized creatures, immersed in a continued repeating the actions of your brothers without considering the consequences of these actions.

I WISH THAT EVERYONE LISTEN TO MY CALL, AND THAT ON THE 12TH OF DECEMBER AT 3:00 IN THE AFTERNOON CLAMOR THE DIVINE MERCY, PRAY THE CHAPLET OF THE DIVINE MERCY AND AFTER THIS PRAY THE HOLY ROSARY. OFFER IT TO THIS MOTHER AND I WILL POUR OUT BLESSINGS UPON ALL HUMANITY, ESPECIALLY TO THOSE WHO WISH TO RECEIVE THE GRACES THAT I WILL SEND.

Children, these are instants of urgency, you are living the instant of the last instant. Come closer to My Son and feed of the Divine Sustenance. The strength will double if you are conscious that My Son remains alive and present in the Eucharist Banquet.

I continue looking at all humanity and all My Legions from above look upon humanity, they see how you reject My Son and His Teachings, and they see how you despise Me and annul Me. **I PLEAD TO YOU TO TAKE AN INSTANT OF YOUR LIVES AND THINK WHAT WOULD BECOME OF YOU IF MY SON DID NOT REMAIN IN EACH ONE OF HIS CHILDREN.**

Beloved:

You who desire to be the last ones and give the first place to your brothers...

You as you come closer to My Son you do not despise your brothers...

You who do not judge your brothers but are conscious that My Son is the only one that can emit a judgment...

You who pray before the Tabernacle...

You who pray and say are faithful...

**BE THE ONE THAT IN ALL INSTANTS REMAIN IN THE LAST PLACE, DO NOT EMIT JUDGMENT.
THESE INSTANTS ARE VERY DIFFICULT; THE ENEMY OF MAN IS TAKING OVER THE HUMAN
THOUGHT. BE HUMBLE AND ACCEPT MY CALLS.**

**I, as Mother of all, invite you to pray for My Mexican People for peace to reign there and for My children not to raise their hands against the Gift of Life of their fellowmen.
I invite you to pray for England, it will cry before the actions of terrorism.**

My most beloved:

I do not despise any of My children, even those who do not love Me they are My children and that is why I am constantly calling them.

I bless you especially in this instant of feasting of humanity to this Mother that protects you in every instant, because you are the treasure that crowns this humble Mother that loves you infinitely.

**MAY MY BLESSING BE UPON EACH ONE OF YOU, AND YOU WHO ARE CONSCIOUS OF MY CALL,
SHARE MY BLESSING WITH YOUR BROTHERS. KEEP THE PEACE OF MY DIVINE SON IN YOUR
HEARTS.**

I bless you,

Mother Mary, Mother of Guadalupe.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTS OF THE INSTRUMENT

Brothers and Sisters:

The Most Blessed Virgin Mary appeared to me under the invocation or title of Our Lady of Guadalupe...

The Mother came with a soft wind that brushed my face; when She is going to appear she invades me with a profound love.

With a penetrating gaze that touches my soul; and her voice with an extraordinary harmony, since it comes from Her infinite Love, the Most Blessed Mother, without saying a Word, talks to me with Her Gaze, yet directs Her Word to all humanity.

Her beauty is the reflection of the Masterpiece of the Hands of the perfect Divine Sculptor. Her cheeks, a bit tinged by Her olive complexion, they look more radiant next to the light of the stars in Her Mantle, which I do not see them painted, but they are perfectly formed stars, embossed, placed on Her Mantle of soft and transparent light-blue silk like summer clouds. I compare it with silk, but it is not silk like we know it, since it is so transparent and soft that it moves without wind. The Mantle's hem has a delicate border of gold, surely spun by the Angels themselves that have embroidered such a marvelous work of art, leaving Her black hair uncovered. She is clothed in a gorgeous pink colored dress, close-fitting and the upper part of the womb bulky. She has a Crucifix around her neck. I look at Her intensely, and She is so real, so alive... Why shouldn't She be like that, She is the Mother of Our Lord!

I am surprised to see the Constellations on her Mantle, remembering the nights that I spent looking at them from afar and in this instant they have come so close, that I can even feel the Vault of Heaven on top of me.

Her eyes shine clear like two lights that invite me to penetrate in each blink, in each movement and especially they invite me to follow Her as her faithful devoted daughter.

Her lips delicately sculpt, began to open and I feel my heart delight from each Maternal Word that do not hesitate to come, radiating tenderness and kindness... and I cannot find the precise words to continue describing what my soul perceives: She is Love.

At Her Feet, a small shape that wraps Her dress, sits on a last quarter moon, which is held up by an Angel.

After allowing me to see her in detail, the Mother begins the message with love, tenderness and softness, expressing in her Most Blessed Countenance, her concern for Her children. .

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 16, 2014**

My beloved people:

**UNITED TO MY LOVE, GROW IN WISDOM, BROTHERHOOD, HOPE, CHARITY AND FAITH.
MY HAND REMAINS CLOSER TO HUMANITY...**

My beloved:

You can grow in everything, but your understanding of each one of My Petitions is at the lowest level; otherwise you would not attack each other like wolves.

THE HORSEMAN OF THE SCOURGING OF PLAGUES CONTINUES TO GALLOP, unleashing upon man one plague after the other that are not necessarily the ones that sicken the organism of the man's body, but the ones that invade and affect the neurons altering them. There are also the plagues that make the human mind violent causing aggressiveness and attacking it, to all humanity.

AFRICA WILL BE DEVASTATED... The great powers have acted negatively on purpose, spreading the AIDS virus, unscrupulously. This plague continues to strongly devastate My little ones, and keeping the rest of My children uninformed of the reality in which their brothers live. **IN THE AFRICAN CONTINENT THE DECREASE IN THE POPULATION HAS BEEN PLANNED WITH GREAT PAIN FOR ME AND MY FAITHFUL. THIS WILL SILENCE EVEN MORE THE PAIN OF THIS CONTINENT AND AS SUCH WILL BE THIS WAY FOR THE REST OF HUMANITY.**

Beloved children:

MY WORD IS NOT ONLY PAST, IT IS PRESENT AND FUTURE.

IN THESE LAST DAYS, I WILL CONTINUALLY SHOW YOU THE SIGNS OF THE TIMES SO YOU WILL KNOW THAT THE TIME IS NOT TIME: YOU OPEN YOUR EYES AND YOU CLOSE THEM WITHOUT REALIZING THE SPEED WITH WHICH THE INSTANT STOPS BEING INSTANT.

Man does not seem to notice the vainglory with which he sees himself, the arrogance that has invaded especially to those who believe themselves more learned and to those that are the most ignorant, causing confusion to the lukewarm, those who switch from side to side like the waves of the sea and when they get upset they cause destruction by their own ignorance...and the learned, do not allowed themselves to know My Truths: which would make them recognize that they still need to scrutinize me...

This generation has been programmed to boast themselves, flatter themselves. This will lead to a major negative attitude toward their fellowman, will be traitors by free will, with false piety and will not know sincerity. At the end, a great part of My children will be slaves to themselves and traitors to their brothers.

Humanity education will be more negative as the instant elapses.

Authority will become an unknown WORD and action for most of My children...

The attitude of the young people will be imposed over the adult's, and the young people will dominate the Earth causing and giving greater emphasis to irresponsibility, to negative whims and to a misguided and unthinkable control over everything around them, this will be the worst epidemic, that which through the mind will trigger in the young people a total disdain to Me and to everything that reminds them of My Presence...

THE ALTERATION IN THE HUMAN MIND WILL BE THE GREATEST EPIDEMIC THAT WILL ACT AGAINST ITSELF, NOT ONLY AT THE PERSONAL LEVEL BUT GLOBAL, THUS THIS WILL BE A HUGE INDICATOR THAT THEY WANT TO RULE OUT THAT THEY LIVE IN THE INSTANT OF THE INSTANTS.

My beloved, look at this generation and compare it to the generation of Noah's times, there is not a great difference in the deed and action, or in its essence, apart from the progress of this generation; the motive that moves it is the same: rebellion against My Will.

IN THE HEART OF MY CHILDREN EVIL INCREASES AND I DECREASE, THIS IS INDISPUTABLE. A great amount of human creatures live immersed in a devious religiousness; they appear to live without truly being a practicing catholic; that is a grave sin. To be a practicing catholic and to love me doesn't mean going to Mass mechanically every day; it means to live in constant submission to the Sacrifice of the Eucharist and to know that everything that I inspire in the soul who is aware that it receives Me, is the being who repeats My deeds and actions, who obeys My Will, who is totally different in deeds and actions from the creature that receives Me without consciousness.

My beloved:

**YOU WALK WITHOUT KNOWING ME... THAT IS WHY YOU DO NOT RECOGNIZE ME...
I COME SOON, BELOVED CHILDREN... BUT YOU ARE NOT WAITING FOR ME...**

The confusion has come to the point that it influences you in your daily activities, and you do not listen or see, nor wish to remember that I announced that before I return man will be corrupted and will be so wicked, like in the times of Sodom and Gomorrah. This generation is worse than the people of those cities.

REMAIN MINDFUL, THAT ANYONE THAT PREACHES THAT "I AM", IS DECEIVING MY FLOCK. THE SERPENT IS CLEVER AND IF YOU RECEIVE A DIFFERENT GOSPEL TO THE ONE I PREACH, HE IS DECEIVING YOU.

My beloved:

I WILL INTERVENE WITH MY JUSTICE BEFORE MY CHOSEN ONES PERISH.

Man ill-using science, in this instant holds the power to destroy themselves by means of the greatest scourging that it could have created: **nuclear energy**.

Children have you take into consideration that the reserve of nuclear armament that the world possess would be able to exterminate the Earth as many times man wishes to?

Children, do you not fear this power born out of evil?

Don't you know that you coexist instant to instant with chemical, radiological (*), and bacteriological weapons?

THE HUMAN CREATURE GOES BACK AND REGRESSES WHEN IT THINKS THAT THESE WEAPONS WILL NOT BE USED... MAN WITH HIS UNRESTRAINED DESIRE FOR POWER, DOES NOT MAKE SOMETHING THAT IT WILL NOT UTILIZE.

My beloved, the deceivers in this instant will not hold back, they deny My Justice and only give faith to My Mercy emitting murmurs of My Surrendering on the Cross, and they omit the sin of man to disprove hell and not call the conscience, thus preventing the salvation of souls. **NO HUMAN CREATURE CAN BE SAVED ON THEIR OWN, NONE.**

MY WORD WILL NEVER CHANGE, even though some of people wish to adapt it to this instant in which it denies the suffering of the one who rejects me constantly and consciously that it's doing it, not recognizing Me as King and Lord.

My beloved people:

**WHATEVER MAN HAS MADE AS PROGRESS: FAILS AND IT WILL FAIL.
HUMANITY, WHEN IT IS NOT HUMBLE AND KEEPS AWAY FROM ME...
DISASTERS WILL BEFALL THEM IN AN INSTANT.**

Those who rise against My calls are victims of ignorance, creating a lot of confusion, keeping My Fold away from the Voice of the Shepherd. They seek darkness in the light of My Word, finding more darkness and that is why they are prey of their own errors.

Beloved children, pray for Brazil, it will suffer.

The attacks from Nature will awaken My children to return to Me.

Beloved children, pray for the United Sates, the trials will not hold back.

I call its leader not to hasten the pain of its people.

Beloved children, pray; the rumors of war will be a reality, the struggle for the declining economy will be the trigger and the proper ground for the country up north in making rushed decisions, forgetting that it will be betrayed by those that in this instant are making them be quick to act.

Children:

Some would say that there have always been catastrophes... but not like in this instant, where not even the sequence or the magnitude have been seen or lived before.

The violence of My children has been experienced in the past, but not with the intensity with which the violence has made the present man react, so much that man does not recognize himself.

Terrorism has existed in every generation, but not with the aberration and frequency with which in this instant has become part of the daily living, and seen as normal and unconcerned by the majority of the people.

In the past science had progressed, but not with the tenacity and intensity of this instant, making man act as a robot, that works and acts without a conscience, steering the young people to depend on technology to live, and as medicine for their mental, body and spiritual ailments; making them go astray with ideologies that endeavor to preach health of the mind and of the body. The practices that invite you to relax and have momentary thoughts that aim to harmonize the body are false.

A CREATURE THAT DOES NOT LIVE IN MY WILL, THAT DOES NOT PRACTICE MY LAWS, THAT DOES NOT COME CLOSER TO ME, THAT DOES NOT LIVE IN ME, THAT DOES NOT LOVE THEIR FELLOWMEN, THAT DOES NOT PREACH THE TRUTH, THAT DOES NOT ACCEPT THEIR ERRORS, IS NOT REALLY MY CHILD. WHOEVER SAYS IS LIKE ME....HE COMMITS IDOLATRY AND IDOLATRY IS AN OFFENSE TO MY MOST BLESSED SPIRIT.

My children, the lack of knowledge, lead you to fanaticism, and fanaticism to stubbornness, and stubbornness leads to denial of My Truth. And this degenerates in sects, the sects to fanatics and the fanatics are not My followers, but protesters of My People. My children are those who live in My Father's Will, and My Father is Love, and My Love, Salvation and Salvation is Eternal Life.

Man with little faith, followers of men and fools, will suffer more for their foolishness than from what is coming, since they will preclude what's coming and will not recognize the real impostor, they will only wander around the periphery. When the imposter claims his people, they will seek him in other paths, without consciousness they will awaken prey of the impersonator and will moan.

I WAIT WITHIN MY INFINITE PATIENCE AND MERCIFUL LOVE; WITH THE SCALE IN MY HAND TO GIVE EACH ONE WHAT THEY DESERVE.

Great confusion awaits you. My church will suffer before an unexpected event that will make old prophecies reappear. Continue to keep the Faith in Me. **DO NOT DENY THE SIGNS OF THIS INSTANT.**

Beloved:

**DO NOT FORGET THAT ETERNAL LIFE IS A GIFT THAT YOU MUST EARN.
AND TO DESERVE IT: TO WHOEVER I GIVE MORE, I WILL ASK MORE.**

Do not sleep, or be disturbed. Do not despair, whoever despairs does not have true Faith.

**I KEEP MY PEOPLE VIGILANT BECAUSE I LOVE THEM WITH ETERNAL LOVE.
I DO NOT ABANDON MY PEOPLE; I DO NOT ACT WITHOUT WARNING THEM. MY HELP COMES
TO MINE.
IN THE PRECISE INSTANT, I DO NOT ABANDON THEM BEFORE EVIL; MY PEOPLE WERE BORN IN
MY CROSS.**

My House is for each one of you. Whoever loves Me knows that when he surrenders to My Word, recognizes Me as King of the Heavens and Earth, remains in My Love, in brotherhood, in knowledge and reasoning, has the certainty that I do not impose Myself, but love that My children be free to act and decide. Do not forget that away from Me; you will find eternal death.

Your protectors remain awaiting My Word to come to help My faithful: those who obey My Will. .

My beloved, do not fear.

**I AM MASTER OF EVERYTHING THAT EXISTS; YOU ARE MY PEOPLE, THAT ONES I REDEEMED ON
MY CROSS.
I BLESS YOU AND I PROTECT YOU IN THE PALM OF MY HANDS.**

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENTS OF THE INSTRUMENT

Brothers and Sisters:

Our Lord Jesus Christ once again calls us, to the truth of the reality in which we live. Reality that for some is fantasy and unreal, and for other is truth written in the Gospels and explicit in this instant, to awaken us from the lethargy that leads to fall in the snares of the antichrist and its satellites that do not rest, even though the People of God rests.

Reality is sometimes dismal for those who do not have hope in the Divine Protection and in the Divine Illumination so we can prepare and return to the Way, the Truth and the Life.

In this instant we see how corruption is increasing everywhere changing man even more who despair before a conflicting living with the comfort that HE desires.

And let us not forget that Our God anticipated similar times to those of the day of Noah. *...and the Earth was corrupted before God and the earth was in violence. And God saw the earth, and it was here that it was corrupted; because all flesh had corrupted their way upon the earth". (Genesis 6, 11-12)*

Brothers, corruption is the irreverence to God and collective degeneration in which man moves in all the aspects of life. **GOD IS THE ETRNAL PRESENT; IN HIM THE END DOES NOT EXIST.**

Let's keep our goal in God this way and do not set aside what is coming, seeing it as something false, but as a certainty of tomorrow in which we will find ourselves seeing the **CHRIST, WAY AND LIFE**, seeing Him face to face, but for this man must have detached himself from the rags of the human "ego".

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 18, 2014**

Beloved children of My Immaculate Heart:

**MY MANTLE PROTECTS EACH ONE OF YOU, EACH ONE OF YOU.
JUST AS MY MANTLE COVERS THE CELESTIAL VAULT,
IN THE SAME WAY IT COVERS EACH ONE OF MY CHILDREN.**

My beloved:

Do not fear I am Mother of all humanity, Advocate and Defender of each one of My children. I do not see anyone differently, I hold each one in My Heart, even those who reject Me as Mother; they are the ones I most seek, whom I need more and whom My Heart desires more.

My Hand marks the path where you must journey so you won't go astray, perishing in sin.

IN THIS INSTANT, THE CHURCH'S HIERARCHY MUST PROCLAIM PRECISELY THE WORD OF MY SON WITHOUT INTERPRETATIONS, CALLING SIN WHAT IS SIN AND INSTRUCTING AND INCREASING THE KNOWLEDGE OF MY LITTLE CHILDREN SO THEY WILL NOT FALL IN THE ABYSS OF SIN FROM WHERE THEY CANNOT LEAVE.

When proclaiming that sin is not a sin, licentiousness is proclaimed and disobedience to My Son's Word and this wounds the Divine Heart deeply, they are new daggers that go through My aching Heart.

MY FAVORITE CHILDREN (PRIESTS) MUST DECIDE – NOW! FOR THE SALVATION OF SOULS, THAT IS THEIR MISSION AND THE ASSIGNMENT THAT MY SON HAS GIVEN THEM: TO SAVE SOULS. To call sin what is sin will exalt my favorite children.

HELL IS FULL... and among the souls that are suffering there, I see with pain some of those that proclaimed the Word of My Son lukewarmly, to be able to proclaim the Word of My Son, My favorite children must keep their Faith strong, that same faith that attracted them for first time, that Faith, which they professed when they totally committed themselves to My Son.

MY SON'S CHURCH MUST BE HOLY AS MY SON IS HOLY.

HOLINESS is not achieved with hesitant words...

HOLINESS is not achieved with hesitation or disguising sin...

HOLINESS is not only attained through the Divine Mercy but through the thorny path for that holiness to be lasting and won't be a false illusion.

THESE INSTANTS ARE DECISIVE FOR MY CHILDREN:

The instruction that you receive...

The Words that will open your conscience...

The call for knowledge of what is happening around humanity and

The wake-up call for you to be true, **ALL THIS IS TOTALLY IN ACCORDANCE TO THE WILL OF MY SON WHO WISHES THAT HIS PEOPLE BE HOLY BY THEIR OWN DECISION AND CONVICTION, FOR LOVE AND WITH FAITH.** But with a solid and strong faith, and for this, My son's People must be instructed in all that is coming to humanity so they won't be caught unaware.

All of My Calls are questioned by those who do not want to accept that this Mother warns Her children.

I, OBEDIENT TO THE MANDATES OF MY SON, CLARITY IN EACH ONE OF MY CALLS THE DIFFERENT POINTS AS TO WHERE THE ENEMY OF THE SOUL ATTACKS MY CHILDREN, but the facts are not seen from the same point of view, and, this causes those who do not wish that My Son's people be aware of what is happening, to condemn over and over the Word that I explicit through My beloved instrument.

My instruments are attacked... such ignorance of man! What My instruments are doing is to comply in obedience to be spokespeople of My Son's Will; but instead, they are attacked for being spokespeople of My Son's Will.

CHILDREN, THE PAIN THAT WILL COME SUDDENLY TO HUMANITY WEIGHS SO MUCH! It is so great that I place My Holy Mantle, not to prevent, but to slightly mitigate the scourging that you generate upon yourself when you are participants of the desires and misdeeds of Satan.

Each one of you was rescued by the Blood of My Divine Son on the Cross, and humanity does not respond as it should ...

In this instant, in which we are approaching the celebration of My Son's Birth, amidst the commotion, the liquor, the degrading passions, the drugs and the music that is utilized to offend My Son and to offend Me, this combined with the lack of conscience and power to refuse the scene revealed before you and which mostly keeps you away from goodness, all this together hastens the suffering of humanity in the hands of the iniquitous impostor.

My beloved:

I SEE YOU SO ADVANCED AS A CIVILIZATION BUT SO UNDERNOURSIHED SPIRITUALLY; you deny the undeniable and accept the unacceptable, by ignorance in some cases and foolishness and rebellion in most of the cases.

YOU HAVE YET NOT UNDERSTOOD THAT YOU ARE NOT ONLY A BODY, THAT POSSESS SOUL AND SPIRIT THAT TRASCENDS WHERE THE PHYSICAL BODY CANNOT TRASCEND but this seems an utopia for this generation and that is why you discard My Calls and discard My Son and His Divine Love to continue in your free will the path where you will stumble over and over again.

Beloved children of My Immaculate Heart:

MY LOVE IS INFINITE, I ACCEPTED YOU AS MOTHER AND TEACHER AND TOGETHER WITH MY HEAVENLY LEGIONS I WILL NOT REST UNTIL I RESCUE THOSE WHO ALLOW ME TO.

There is a shadow near the Earth ... it will go from country to country, from people to people and there will no place on this world that will be freed from this.

MY BELOVED, YOU MUST CHANGE AND LOVE MY SON ABOVE ALL THINGS.

My instruments are instruments, they are not God, they are creatures like you; within the Saving Plan, My Son has called you to be spokespeople of the Divine Will, and this you must fulfill completely because the instant is running out.

Beloved children, pray for China, an unfortunate event will occur in this Nation.

My beloved, My Love for you is so great!... I will not leave you alone.

I bless you in the Name of the Father, of the Son and of the Holy Spirit.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENT OF THE INSTRUMENT

Brothers and Sister:

Our Mother calls us to acknowledge each instant and to act consciously so as not to offend Our Beloved.

Christ, an example of a mother, is totally devoted to man because He loves him. Like a mother who smiles to her child, is a reaction that comes from the love that her child affects, that is the way loves occurs from mother to child, without the mother taking the “me” from the child; they both love each other and live in a fullness of real devotion.

Brothers, behind the human nature there definitely exists the Holy Spirit, Eternal, and we as men do not keep an immediate relationship when we reject good and welcome evil. That is why St. Paul upon discovering the sin of the Jews and pagans, in chapter 3, verse 10 of his Letter to the Roman tells us:

“... as it is written: “There is no one just, not one...”

We clearly see that we all need of the Divine Love and we need to stay away from sin.

That is why we pray to the Blessed Mother to fill us with what we need to keep us on the path of the Divine Will and not stray from Eternal Life.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 21, 2014**

Beloved children of My Immaculate Heart:

Receive My Blessing as Intercessor of humanity before My Son.

**THE INNER PEACE OF MY CHILDREN IS A SIGN THAT IT IS NOT IN VAIN WHEN THEY HELP
THEIR BROTHERS, PRAYER, THE HOLY EUCHARIST, CHARITY, AND FAITH, AND TO LIVE IN
THE DIVINE WILL...
ALL WHO DO GOOD LIVES WITH INNER PEACE.**

Beloved children, these instants are not only instants of uncertainty, but for each one of you to prepare in regards to the coming events. Man must return to the truth with resolution and with courage so when the enemy of the souls tempts him, the response is firm and not lukewarm.

The true souls are so few that My Heart is devastated by the rejection from those who do not love My Son.

**I AM MOTHER TO ALL HUMANITY, I AM MOTHER AND QUEEN OF THE DIVINE WILL.
I BESEECH YOU TO ACCEPT MY CALL WITH WISDOM AND FAITH,
SINCE YOU ARE PART OF THE PEOPLE WHO BELIEVE.**

Remain united, so that each one of you willingly protects your brothers. In this instant unity is the source of blessing. The devil spreads division to make My children weak.

As the Mystical Body, each human creature must keep abreast concerning the present events so as not to be deceived, nor be easy prey of the devil's snares.

In this instant there are plagues upon you, which cannot be easily controlled so My children will die. More epidemics are coming to all humanity. **THERE IS A VERY GREAT AND VERY**

STRONG EPIDEMIC WHICH IS NOT GIVEN ENOUGH CONSIDERATION AND HAS GAIN STRENGTH PENETRATING THE MINDS OF MY CHILDREN, FREEMASONRY. Freemasonry corrupts the soul, it keeps you away from My Son's Truth, it plunges you into self-interests, and it has opened the way for the antichrist to facilitate his entrance and takeover of the Church of My Son. .

CHILDREN, THE MATERIAL HAS NO VALUE IN THE KINGDOM OF MY SON, FIGHT TO SAVE YOUR SOUL, keep still, be aware that not everything that seems good, is good, what must be approved by the hierarchy of the Church is not, and what should not be approved, is. Humanity walks backwards and looks at it as a normal thing.

Pray, prayer that stems deep within the soul is important.
Pray so that these instants of perversion will end.
Pray for Central America.
Pray for Costa Rica, it will tremble.

LOVE THE HOLY EUCHARIST, BE OBEDIENT TO THE COMMANDMENTS AND SCRUTINIZE THE SACRED SCRIPTURES, BECAUSE HE, WHO DOESN'T KNOW IT THOROUGHLY, DOESN'T LOVE.

Do not attack each other like wolves with sheep clothing, be fraternal, ignorance leads My children to commit serious errors and more so, because being ignorant are not capable to admit their errors, so they pass from ignorance to arrogance, which is daughter of the devil.

The Church of My Son doesn't notice the power of the sects; you must fight them strongly, before it leads more souls to the precipice.

MY CHILDREN ARE IGNORANT OF MY AND MY SON'S REVELATIONS; THE HIERARCHY DOESN'T SPEAK CLEARLY TO THEM.

If the People of My Son knew about all that we have announced, they would be more cautious...

If My children knew the depth and seriousness of My Word in Fatima, it would prevent a great number of souls to be lost...

The Schism will come to My children because of their ignorance and confusion; it will come to the Church of My Son.

YOU MY BELOVED, YOU FIGHT WITH KNOWLEDGE – ONLY THAT THIS WILL NOT BE CLEAR IF YOU ARE NOT SOULS DEDICATED TO THE EUCHARIST, TO PRAYER, TO SACRIFICE, TO LOVE, TO FASTING, DEVOTION AND OPEN-MINDEDNESS.

Pray so that priests will be prayerful, which they have forgotten to do.

Be transparent to the action of the Holy Spirit, open up to the Divine Word.

**AS WE APPROACH THE CELEBRATION OF THE BIRTH OF MY SON, SURRENDER TO THE
BABY JESUS,
ASK HIM TO INSTIL IN YOU HIS INNOCENCE, THAT WHICH HUMANITY LOST
AND HAS BEEN TAKEN FROM OUR YOUNG ONES.**

Beloved children, My Maternal Heart remains before you...

Let's pray together for the creatures that have surrendered to the mandates of the devil.

I bless you, come to Me, I lead you to My Son.

**LOVE EVERYTHING THAT THE FATHER HAS CREATED FOR YOU.
MY MATERNAL LOVE GOES WITH YOU WHEREVER YOU GO.**

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

Let us invoke the Blessed Mother: who in obedience to the Father's Will, flees with her spouse Joseph to save the Infant, without questioning anything.

In this instant with everything before our eyes, we question everything, even the minute detail... even things without any reason.

Where is your Faith?

What has happen to innocence? It has been banished by the devil, there is so many children massacre..., and innocence is an obstacle for Satan, which is the reason for abortion and death of children. Therefore, without innocence humanity will find itself at the hands of evil.

**OUR MOTHER CALLS US TO GROW IN FAITH
AND FAITH CANNOT BECOME STRONGER WITHOUT KNOWLEDGE,
WITHOUT GETTING CLOSER TO CHRIST.**

LET'S NOT BE LIKE FOOLS, HEED THE CALLS OF THE MOTHER.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 24, 2014**

Beloved children of My Immaculate Heart:

LIVE IN MY WOMB AND WITH MATERNAL LOVE I PROTECT YOU.

My Divine Son offered the narrowness in which He lived in My Virginal Womb for each one of you...
to mitigate the narrow-mindedness of His children.

My Divine Son prayed for you in My Womb and offered for you...
He knew of the scorns and of the sufferings that He would live to fight for the conversion of His People.

My Divine Son lived in the Will of His Father to satisfy and to compensate to God the Father the offenses of all the creatures of all the times, until the end of the world.

In this instant I knock at the door of the heart of each one of you that reads this My Call, I knock to enter...
My Son is going to be born and yet some in this instant do not open the door.

**I HOPE IT IS YOU THE SON THAT I SEEK...
AND THAT YOU ALLOW MY SON TO BE BORN IN YOU FOR YOUR OWN BLESSING.**

Too many are those who know about Him, but do not speak with the Truth, they go against the One who is the Way, the Truth and the Life.

**I ASK FOR SHELTER, I ASK FOR REFUGE...
MY SON IS THE LIGHT OF THE WORLD AND I CANNOT FIND WHERE TO LAY HIM WHEN HE IS BORN.
HE SEEKS THE COMFORT FROM THE LOVE OF THE MAN'S HEART, OF HIS CHILDREN.**

My Son will not let you walk alone; His children possess life and life in abundance. His children are not dead men, they are men of life.

I knock at the door of My children's heart, and the nauseating odor is such when I find such mediocre willingness and spiritual ignorance that you possess, that I don't let it pass unnoticed, because for these creatures My Son offered himself in My Womb before being born.

**MAN DOES NOT WISH TO DELVE DEEPER IN THE SPIRITUAL PATH,
HE FEARS TO LET GO OF THE HUMAN TIES AND PLEASURES, EVEN THOUGH IT WILL LEAD HIM TO
SUFFER.**

I will place myself before each one to ask for refuge...

YOU ARE MORE CONCERN FOR FOOD AND DRINK THAN TO OFFER PRAYERS TO MY SON...

Prayers are not just to ask for a favor, but to tell Him that you love Him. I remained praying together with My Child, praying in every instant, not only on my knees but behaving and acting in the Will of God, praying in obedience and acting to give the Eternal Father what the human creatures would not give Him, but only a few of them: the human will.

To you, who read My Call, I knock at your door...

To you who hears, but does not wish to open...

TO YOU I ASK THAT YOU OPEN THE DOOR SO THAT MY SON IS BORN IN YOUR HEART.

My Son was born in a manger, that manger is your heart, which while keeping at a distance relations with My Son, you send Him to the less crowded place of the human heart so your conscience will not be disturbed, nor to renounce, in order to live false loves, selfishness, disobedience and pleasures that lead you to false and momentary happiness.

MY SON KNOWS ABOUT LOVE, HE IS LOVE.

**MY SON KNOWS ABOUT OBEDIENCE, HE IS OBEDIENCE, HE IS TIME ITSELF, HE IS INFINITE, HE IS
ETERNAL.**

Those who do not give My Son shelter, continue to be My children even though they do not know Love, Faith, Hope, Charity and Peace because only those who follow Him and love Him will experience it permanently.

SOME GIVE JOSEPH AND ME SHELTER, BUT LEAVE THE ROOM IN SEMI-DARKNESS SO THAT THEIR BROTHERS WILL NOT FIND OUT THAT THEY ARE INTERESTED IN A NEW LIFE. They are lukewarm who cannot find peace, nor will they be true. They become unrecognizable when invaded with spiritual jealousy, causing division or letting the tepidness transform into arrogance that will lead them to self-praising to such a degree that they will climb to the highest rung with the purpose to dominate, only that none of these creatures are acting in the Truth, but in mediocrity.

Beloved, My children re-encounter again with My Divine Son, with the humble Son of the carpenter, the same one that Joseph taught to work the wood and in some occasions the stone; the wood because He must take into His Hands the chisel to remove the imperfections from His children and the stone to crush the heart of stone that in this instant is cunningly hidden among you.

MY SON CRIES IN THE MANGER OF THE HUMAN HEART BEFORE THE DECLINING OF MAN, because of his refusal to accept His Word that manifests its sense in these Calls, of which involves me.

MY SON SMILES FOR A SOUL THAT RETURNS TO HIM, for just one soul, that which I implore be the one that in this instant meditates this My Word within the Divine Will, for the Glory of the Sacrosanct Trinity.

Children:

**GETTOGETHER IN PRAYER AT MIDNIGHT AND PLACE BEFORE MY LITTLE ONE AND DIVINE SON
THE MIND OF EACH ONE OF THE INHABITANTS OF THE EARTH AND TOGETHER WITH MY ANGELS
SING:**

Glory to God in the Highest and on Earth peace to men of good will.

I bless you.

Mother Mary.

COMMENT OF THE INSTRUMENT

Our Lord Jesus Christ and our Blessed Mother are so close to each one of us, that this closeness is not perceived by most of the children of God.

On this date Heaven allows me to share a gift that is not personal but for all humanity:

I see Our Blessed Mother, with Her extoled beauty, Her Eyes irradiating the light of the Sun itself, with her profound Gaze, framed by outlined eye lashes like a soft brush that gives it an almond shape form. The honey-colored Eyes are more radiant, like brightened with the rays of the Sun. Her Skin of blessed porcelain directs me to see Her smiling lips, a Mother's Lips with the most perfect shape, creation of the Divine Sculptor, with a pink tinge like though extracted from the petals of the rose. Like a Countenance of a Mother; the most beautiful among all the women.

Her Chestnut Hair shimmers with the rays of the moon that softly gives it a unique Shine. Her Sky-blue Mantle covered with stars glows in a singular way; I see her dress which softly falls with golden embroidery where the rays of the moon can be seen.

Everything has come together to exalt in this instant the Heavenly Mother. I can see that the Angelical Creatures are approaching from everywhere illuminated by a halo, everything shines; and everything is enveloped by a special air. I hear in the midst of a respectful silence a soft but magisterial melody produced by the wind and chanted by the Heavenly Choir.

As a human creature, I live with a palpitating heart waiting what seems endless, waiting for those Maternal Lips to open up. But the Mother smiles at me and remains silent watching me, but with Her eyes says to me:

“Beloved daughter, I share with you My Treasure”

The Blessed Mother vanishes amidst the clouds that surround Her but I immediately see Her. She is not coming alone; she brings in Her blessed and delicate Maternal Arms Baby Jesus with an unexplained tenderness and says to me:

“Here you have the King of kings, the Lord of lords, in whom the Eternal Father rejoices and the Holy Spirit keeps his dwelling.”

Within that unforgettable ecstasy for me, I wished the Mother to show me the Babe, but the Mother says to me:

“Daughter, you should know that everyone is loved by My Son, you should know that everyone is called to Eternal Salvation, but those who on their own will wish to find fulfillment, they are few and each instant will be less. Your path is not easy, also for the one that is called and obeys, however be mindful how My Son was insulted to make Him lose the Peace, they ignore that He is infinite Peace. You too, let the offensive words pass at a distance, take care of your soul so it will continue to be instrument of the House of My Son.”

Then the Blessed Mother slowly comes closer, I only see at the color of the Countenance of Baby Jesus who comes wrapped with silver threads that slips softly from the night giving homage to Its King. In this occasion the night is not night but it has darkened so that only the King shines.

The Divine Creature shifts softly in the Maternal Arms which I am anxious to see, but the Mother extends Her Arms and I enthralled before the Divine beauty that I see before me, with my senses immersed in another place, the Countenance of the Child gleams purity and radiates light. It is the Countenance of Love... I have now seen Love! It is He: the Baby Jesus adorned by the Celestial Bodies that all together around Him, let fall their sparkle to give Him homage. I see how His garments vary in color, slight tones radiating from the stars themselves; the moon emits the essence of itself.

My thought enthralled in such beauty does not allow me not even for one instant to think in my indignity, I see only the Love that can do anything, that can transform the sinner into a saint, that can change evil to good, that can change the time..., it is that innocent gaze that in front of my eyes goes through the soul and scrutinizes me with love.

I see the Mother that offers Him to me and even in that state of ecstasy I stop, but our Blessed Mother watches me and places Her Son in my arms, Oh such sweetness, Oh beauty without

equal!, Oh infinite love that can do anything, Oh merciful Child: Hope, Peace and Love without equal! So much Divinity before my indignity ...

But before the gaze of the adored Child, I go into that peace that radiates from His little honey-colored Eyes, with infinite tenderness and that, even though it scrutinizes my soul, I live a sublime pleasure surrendering my spirit to the delights of Its Master.

I see the small Hands move and I see the Cross.... How is it that these Blessed Hands carry our sins? This I shared with the tender gaze of this little One but great God of Power and Majesty. His Divine Mouth moves and my soul hears the Words:

“Daughter, man is what his heart conveys; the heart conveys what the human creature holds in the core of his heart. Keep burning the desire to remain at My side, fulfilling the Will of My Father.”

How can I not feel touched to the very core before those solemn Words? That perfect Countenance without equal, with slightly pink Cheeks, chestnut Hair like His Mother’s; He sees me, and I, am in awe with this beauty, not only physical but internal that I never imagine to see and to hold in my arms, which compels me to commit myself more with the mission that has been entrusted to me.

The Blessed Mother comes closer and as if not wishing to separate me from the essence of Love, I see her and She triumphs over me with such great tenderness, and knowing that I have received more than what I deserve, I hand over the Divine Child, but before that and in silence I ask for the innocents; for the human stubbornness, the arrogance, the lack of faith, man’s denial of Him; at the same time I ask for pardon for those who do not wish to reconcile with Him and those who reject Him. My Divine Child says to me:

“The chastisements of humanity are not in vain, what My Mother has unveiled occurs; I will rescue some souls from the hands of the enemy. I am Love and I come seeking love. Love is lacking in this instant. Humanity lacks truth that is why I come back for My children.

You convey the Word of Heaven on time and untimely, the rest give it to My Will.”

Our Mother retreats among the clouds that envelop her and She says to me:

“Tell My children that I love them; tell them to allow My Little Son to reborn in their hearts.”

And I in a total and absolute silence feel engrossed for so much Divine Kindness and meditating, I keep silent...

Amen.

Thank you to all our brothers that in Union with the Sacred Hearts, we share this year.

We wish you a Holy and Merry Christmas.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 28, 2014**

My beloved people:

**MY LOVE WALKS ALONG THE PATHS OF MY CHILDREN, ANTICIPATING THE ATTACKS ON THE ROAD...
I WARN YOU OF ALL THAT IS COMING FOR YOU TO PREPARE.
A PEOPLE WHO BELIEVE ARE A PEOPLE OF FAITH WITH A FOUNDATION ON SOLID ROCK, NOT BUILT ON QUICKSAND.**

My Love is a mystery for some and plenitude for those who know Me; they know and acknowledge Me as their God and Savior.

My People do not succumb nor will they be annihilated, they will be purified to be worthy to come to Me.

Man with a passive spirit must be placed in a situation to make him choose in order for him to awaken. The world presents to you a multitude of choices that you will come to see: **THE DECISION IS PERSONAL AND AT THE SAME TIME IS FREEDOM, THAT WHICH ONLY I, YOUR SAVIOR, HAS GIVEN TO YOU: FREEDOM NOT IMMORALITY.**

My beloved:

FREEDOM IS AN EFFORT AND A PERMANENT DECISION, freedom is like the exodus and the return. Until the human creature experiences the obstacles from the misused free will, he will not feel compelled to stop and continue on the road.

FREEDOM IS A BLESSING FOR MAN AND AT THE SAME TIME IT'S A THREAT, IT'S POSSESSION AND SEPARATION ...My children have given a different concept to freedom equally to: actions that have taken you towards the excessive freedom of all the senses, desires and pleasures, confusing freedom by leaving My Side and rejecting Me because of their desire of independence that prevails in man. **THE MISGUIDED MENTALITY OF MY CHILDREN LEADS THEM TO THE DESIRE OF BEING INDEPENDENT OF EVERYTHING IN ORDER TO LIVE A LIFE OF IMMORALITY.**

My beloved, I freed you so you would be free from sin, not so you can plunge into it. Each one of My children must struggle against the mundane to establish a spiritual union between the creature and I, and also between you and your brothers. Because you live the instant; since individually you are a unit, is the reason that the evil forces will not defeat you.

I GRANT YOU PLENITUDE, BUT IN ORDER TO REACH IT, I DEMAND THAT YOU WORK AND ACT DIFFERENTLY, A STANDARD OF A HONEST LIFE ACCORDING TO MY COMMANDMENTS: MY LAW

IS LOVE. And within Love, the knowledge of the roots of the foundation of Love to oneself and toward his neighbor, if you don't delve deeper, and not know My Love - man is spiritually unfit, since it can't give what it doesn't have.

Man in this instant lives immersed in disorderly liberalism. When you do not know the Fundamentals of My Love you plunge into evil, idolatry, lust and you forget about the Salvation of the Soul.

**MY CHILDREN ONLY CARE ABOUT THE BODY, THEY DON'T DO ANYTHING TO SAVE THEIR SOUL,
AND THEY COME TO ME WITHOUT BEING MINDFUL OF WHO I AM AND HOW THEY MUST
PRESERVE THEIR SPIRITUAL STATE BEFORE ME.**

**NOT EVERYONE WHO SAYS "LORD, LORD! WILL ENTER THE REIGN OF HEAVEN",
EXCEPT THE ONE WHO LIVES AND FULFILLS MY FATHER'S WILL.
I SEE VERY FEW LIVING, WORKING AND ACTING IN MY FATHER'S WILL!**

Some show a slight varnish of spirituality before their brothers to shine a bit on the outside, but inside they are sepulchers...

Others without going in depth into My Love mask the lack of Love towards their brothers serving in the Temples, but inside they are whited sepulchers...

Others serve hypocritically in the Temples to maintain a status in the community, but they do not love Me, nor do they know Me...

Others, who know Me superficially, take justice into their hands and they point and judge, without having penetrated in the true knowledge of My Love; otherwise they wouldn't be the knife that beheads their brothers.

My beloved:

**THIS INSTANT IS DIFFERENT FROM OTHERS, IT'S AN INSTANT OF DECISION, YOU CANNOT
CONTINUE TO BE LUKEWARM...THE INSTANT IS RUNNING OUT.**

Do not give weapons to fools for them to continue with their foolishness of false freedom. You, My beloved, pray and receive My Body and My Blood where I am present and real, in My Miracle of Love for humanity. Remain in My Love so that Satan's violence does not invade you. Keep alert that false prophets will appear, calling themselves the christ, seeing themselves falsely as supports of My Love, indispensable supports for My Work of Salvation.

**MY PEOPLE, BE ALERT!
NO HUMAN CREATURE IS INDISPENSIBLE FOR MY PLAN OF SALVATION, THE INDISPENSIBLE
ONE IS ME LIVING WITHIN EACH ONE OF YOU, WORKING AND ACTING IN THE PEACE OF MY
FREEDOM.**

Beloved children, My people will live through instants of trials, pray for My Church.

Beloved children, pray for Brazil, it will suffer.

Beloved children, the rumors of war will not be rumors anymore.

**THE NATURE INCREASES THE AWAKENING OF MAN SO THAT THEIR GAZE AND THEIR
CONSCIENCE RETURN TO ME.
DO NOT HARDEN YOUR HEART, BECAUSE I KNOW EVEN THE MINUTEST OF YOUR THOUGHTS.**

Look high above, convert before I come as thief in the night and catch you unaware.

**BE CAREFUL: YOUR BODY IS TEMPLE OF MY SPIRIT...
IF THE BODY GETS SICK, IT CONTAMINATES THE SOUL.**

Children, the poison is not visible to you, you consume it in the food itself, the deranged minds of those who hold power in the industries, poison your body with unforeseen diseases.

**LOOK HIGH ABOVE, I WILL SEND MY BLESSING. THE SAME WAY I SENT MANNA TO MY PEOPLE;
IN THIS SAME WAY I WILL SEND MY BLESSING TO THIS GENERATION.**

**I AM INFINITE LOVE AND MERCY ... I CALL WITH PATIENCE, THOUGH MY CHILDREN DO NOT
LISTEN, BEFORE THEY PERISH, I WILL CALL THEM WITH MY JUSTICE.**

My people will come to shine like gold.

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENT OF THE INSTRUMENT

Brothers:

**OUR LOVED ONE CALLS US TO SELF-EXAMINATION...
IF WE ARE AT HIS SIDE...**

Christ, Our King and Lord, calls us to self-examination in our freedom. We know that man, by nature, enjoys the misused freedom; falling into excessive immorality.

Humanity because of its irreverence and arrogance expels God from what it is His. It won't be until the present instant when men will live great hardships that he will turn his gaze to God or he will surrender to the claws of evil.

Between freedom and immorality there is only a step ..., if you don't know Christ who purifies man because He loves him, not because the chastisement comes from Him, but because He loves you and doesn't want to lose more souls.

Let's pray; let's receive communion to fill ourselves of that Eucharistic Majesty that surpasses the human understanding and especially, let's honor the First Commandment:

"TO LOVE GOD ABOVE ALL THINGS"...

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
DECEMBER 30, 2014**

My beloved people:

I love you so much!

I guide you especially the smallest and humble ones so they will not be further attracted towards errors.

**THIS GENERATION IS NOW IN THE END TIMES ANNOUNCED BY ME...
CHAOS HAS TAKEN HOLD OF MY CHILDREN DUE TO THE LACK OF KNOWLEDGE OF THE ESSENCE
OF MY SURRENDING ON THE CROSS...
I WAS NOT BORN TO BE ADMIRER, BUT TO BE THE REASON FOR THE HUMAN EXISTENCE ...**

I am not a passive God, but a God who doesn't rest. I am always alert defending the souls that are My Property before any of My human creatures, due to their living with their human "ego", become apostates in the Faith to attain credibility and secure acceptance from their brothers.

**I INVITE YOU TO LIVE IN MY LOVE SO YOU WON'T CONTINUE IN THE MIDST OF SO MUCH
CORRUPTION AND SUCCUMB TO IT.**

You, MY children, fight against the world and its machinations, but you must always have the certainty that I do not abandon you. That is called: Faith.

I cannot elude that man has lost respect to the Gift of Life...

He doesn't fear to cause injury to his brother...

He doesn't fear to assassinate the innocents...

He doesn't fear to lose his soul, when he believes that a place of eternal condemnation doesn't exist, denying me, removing me from his life and forgetting that I redeemed him on the Cross.

False ideologies invade the Earth to separate you from Me and they do not fear offending me, because I have kept silent. But as in the past of other generations, I will come when they least expect Me.

**IN THIS INSTANT THE ENEMY OF THE SOUL HAS INFILTRATED FIERCENESS
IN MAN NEVER BEFORE LIVED, THEY HAVE FORGOTTEN THAT I WILL COME BACK AND WITH A
STEEL ROD WILL REACH THOSE WHO DESERVE IT.**

Man walk empty giving free rein to his free will, so much that the devil allows man to act on his own to do evil, the devil looks joyfully at humanity and incites them to separate from Me.

**BECAUSE OF THE LACK OF HUMILITY THEY DO NOT LISTEN TO ME NOR WILL THEY SEE MY
COURTENANCE,** which will be hidden from those that continue living in ignorance of My Love by their own free will and continue deliberately leading with great ability their brothers so they will ignore me.

With pain I see some of My chosen ones who ignore me, they do not pray, they direct themselves, dragging with them the spiritual illiterate, the ignorant...

With pain I see the simple ones being led on the wrong path, that is the road to sinfulness ...

**EVIL DOES NOT EXIST FOR SOME OF MY FAVORITE CHILDREN, APPEALING TO MY MERCY, AND
WITH THIS THEY SUBMERGED MY CHILDREN IN CONTINUOUS SIN.**

Sodom and Gomorrah experienced the Divine Justice, why should this generation be rewarded, if they live in the excesses of sin?

**MAN DOES NOT TAKE MY WORDS SERIOUSLY, HE PUTS THEM ASIDE, KNOWING THAT I DO NOT
PRONOUNCE A WORD WITHOUT FULFILLING IT.**

My children have permitted that the poison of the devil and his legions dominate them to the extreme, carrying in his claws the loot of the souls to hell.

**ENEMIES OF MY PEOPLE, THE VICTORY WILL NOT BE YOURS; DO NOT THINK THAT YOU ARE
TAKING WHAT IS MINE!**

**ENEMIES OF MY PEOPLE, YOU TREAT MY CHILDREN WITH GREAT DEGENERATION, TO THOSE
WHO DO NOT DENY ME, THOSE WHO CALL ME AT THE LAST INSTANT AND THOSE WHO OUT OF
FEAR SURRENDER TO YOU... THE POWER OF A WEAPON DOES NOT STEAL THE SOUL THAT
BELONGS TO ME!**

Beloved:

The utmost calamities are beginning to appear, My children will be slaves of the whims of the heretics, and the Churches will be closed to prevent them from adoring Me. **DO NOT FORGET THAT I LIVE INSIDE OF EACH ONE OF YOU, LONELINESS IS NOT THE ORIGIN OF MY FAITHFUL, AND I WALK STEP BY STEP WITH YOU.**

That the persecutors of My People and those who call themselves My children, fear the Faith of My Presence in each one of you; because I will come soon with an Iron Hand to rescue My people with great power and majesty, with My legions the whole Earth will tremble and the dominator will live his powerlessness. Before this takes place, My Second Coming will arrive. The Earth will be immersed in a darkness never before seen, darkness of the soul, of thoughts, of conscience and wherever evil nests.

Children, continue to do good, pray, receive Me in the Eucharist, the Sacrament of Divine Love, do not offend Me on the contrary, atone.

DO NOT WEAKEN, GAIN STRENGTH AND PREACH ON TIME AND UNTIMELY, WITHOUT FEAR, ADVANCE WITHOUT BEING ASHAMED TO PROFESS THE FAITH IN MY REIGN, IT DOES NOT HAVE END. DO NOT BE SURPRISED THAT THOSE WHO DO NOT LOVE ME PROGRESS, SOON I WILL RAISE MY HAND AGAINST THE OPPRESSORS AND I WILL SILENCE THEM, MY HAND WILL FALL UPON THEM.

My beloved, you are different, you are My Flock, in which I remain, and upon the willingness of Mine, I will not abandon you. I am the most faithful, and as such you will not be alone, I will send the Blessing from above, My help will come shining with the innocence of a child in your souls, but with My Truth with fire in its mouth, destroying the powerful oppressors.

You will never be alone, you are the Apple of My Eye, My Sanctity will walk hand in hand with My Mother.

CHILDREN, NOT EVERYTHING WILL BE A CALAMITY IF I RESIDE IN YOU. Do not separate from Me, remain united to Me, continue at My Side, that "I am who I am" and no man can imitate Me, I am the beginning and the end of everything that exists.

My Love for My People is infinite, like infinite are My Mercy and My Justice. My Love pours out upon the hearts that are faithful and simple, of the persecuted for the sake of My Name.

Cry out to My Mother, she waits to take action interceding on behalf of Her children.

MAY MY BLESSING GO WITH EACH ONE OF YOU WHEREVER YOU GO.

I love you with Eternal Love.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

Let's not deny what Christ Himself tells us, He knows everything about us his children and recounts briefly the sad episode of this generation that has fallen in the worst aberrations...

As well Christ has said: Sodom and Gomorrah received the Divine Justice ...
And how arrogant the men of this generation that deny the Divine Justice for this instant in which the perdition and the horrors has taken hold of a great part of humanity!

WE NEED TO BE HUMBLE, but truly humble to accept the sins of this generation and only in this way, within the humility, we will be led to obedience, even amidst of the Purification.

**LET KEEP OUR FAITH ON HIGH, LOOKING AT CHRIST, WHO DIRECTS OUR PATH,
WHO SEES BEYOND OUR EYES, WHO TALKS TO US ABSOLUTELY WITH THE TRUTH AND THE
ONLY ONE THAT WILL NEVER ABANDON US.**

Amen.

LUZ DE MARIA'S REFLECTIONS DECEMBER 31, 2014

Beloved in Christ and in Our Most Blessed Mother:

In this ground on which we all travel in this instant, we are going deep into that sea of the world, on occasion turbulent, in other occasions serene, but in which we struggle to walk steadfastly with Faith and Hope, even though it may seem that we will drown, since our soul trembles before the violence, the misused of science, such as the nuclear energy, sacrilege, anger, assassination and the impiety of a man, that more than man acts as an ally of Satan.

What spiritual depth is contained in innocence! To the point that it wants to be erased from the face of the Earth, killing the children and when they are not killed, their minds are poisoned by the television and other video games, or through the transgenic food or by some vaccinations.

Throughout this instant, Heaven has clarified Its Divine Will for this generation that has been entrusted in a special way to the Most Blessed Mother and to the hierarchy and other prelates of the Church, before the thirst that Christ suffers for souls.

Upon approaching the pinnacle of this Calendar that is coming to the end, we are invited to examine our life... It is not an easy task if we are honest, but it is necessary.

When the writer begins a new work, he takes up his pen very carefully; of course beforehand he has prepared the best paper, with the most meticulousness so that nothing will ruin his writing... When the composer is going to direct his musical masterpiece, after writing it in the staff tunes the strings of the instruments, before playing the melody... In this way, Christ and the Most Blessed Mother have prepared us so that the Divine Masterpiece will be executed: the Salvation of the souls and the definitive triumph of Christ, Our King and Lord.

The Universe is in constant movement and change, the Earth renews itself, and man, creature of God also changes but to go backwards and retrogress. This is the Divine Lament, The Divine Nostalgia, since the human creatures created to Its Image and Likeness, acts outside the Divine Will.

The knowledge of the Divine Love gives Hope to the hopeless, it gives Faith to the one who believes has been thrown out from the Paternal House, it is security for he who struggles day by day, it is hope for he who in the middle of the mundane and the violence, has lost his loved ones.

That unknown God for some, comes to meet His children without expecting anything in return, only asking to endure with faith whatever is coming. Ah! Since everything is prepared for the final note, in this way man will be scrutinized deeply into his conscience and will be purified, and tried...: the faith will be tested before the advance of the infuriated evil against the faithful children of Christ and of the Mother.

After the storm, the sun of the Divine Love will come out and will be positioned at the zenith, from which rich and poor, weak and strong, sick and healthy, children and adults, without limit and without boundary, we shall see the glory of the Only Begotten Son and the triumph of the Most Blessed Mother upon evil.

Ignorance will no longer exist because Christ will have sent from His House the promised help, and Peace will shine having defeated the darkness of the human foolhardiness and ignorance, and the Maternity of the Most Blessed Mary will be accepted once again by her children.

Let's not despair, that Heaven will give us whatever we need to heal our body and spirit, if we are faithful.

A renewed man will inhabit the Earth... and we will say again with the Sacred Scripture:
"... and God saw that it was good"

We wish our readers a new year full of the Divine Strength to continue to be faithful to the Sacrosanct Trinity and the Most Blessed Mother.

Luz de María.

**MESSAGE OF THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 1, 2015**

Beloved children of My Immaculate Heart:

Receive the blessings that are bestowed upon all the children of the Sacrosanct Trinity and Mine.

Beloved children:

**AS CHILDREN OF GOD I CALL YOU TO BE MINDFUL THAT GOD IS GOD AND THE HUMAN
CREATURE, CREATURE IS. THIS IS FOR YOU TO PLACE YOURSELF WHERE MAN BELONGS:
TO BE A CHILD OF GOD.**

Man is the cause of the grave spiritual devastations to which all of humanity has been led to, and this generation is not the exception.

Free will has kept one generation to the next in constant purifications, due to the abuses caused by the human creature against God and of everything that was created to help man.

Beloved children, child of God, man's guilt is the misused of the human freedom and man will be freer when he annuls his "ego" and receives his brother with a "You" of God.

Children:

**SUCH STRUGGLE IS SOON TO COME BEFORE HUMANITY!
AND SUCH IGNORANCE OF MAN TOWARDS HIS GOD AND LORD!**

The children of My Son do not know the Divine deed and action; this has led man to commit errors, conflicts and contradictions in detrimental of the generations. Very few children know in depth the Divine Love and the essence of the Cross that is freedom, freedom to annul the creature itself to give himself to his brother. **CHILDREN, BECAUSE OF IGNORANCE, YOU HAVE CREATED A FALSE FREEDOM BASED IN DEPRAVITY, WHERE FREEDOM IS TRANSFORMED IN SELFISHNESS AND THIS IS THE RESULT OF THE LACK OF CONTROL OVER THE HUMAN FEELINGS.**

Children:

GROW IN SPIRIT, SUPPRESSING THE HUMAN EGO IN YOUR SINFUL INCLINATIONS. DO NOT ASK FOR YOURSELF, RESPOND WITH BROTHERHOOD, FREEDOM IS TO GIVE OF YOURSELF AND TO FORGET THE "I DESIRE..." "I FEEL..." "I BELIEVE..." "I DO NOT ACCEPT...".

For one instant think about My Son on the Cross ..., He had superabundance of Love for each one of his children, each particle of the Holy Wood was imbued of the Love of My Son for each one of you, such that the Holy Wood was support for My Son. Thus each human creature is a wood, each one decides on their own free will if it is wood of blessing or if it is wood for his brother to stumble over.

Beloved children, rise in spirit, that the instant is not instant, worldly issues are not allowed and do not disturb the soul with mundane thoughts. Each feeling born in the heart of My children and expressed through words must contain the spiritual reality, the spiritual dignity that only the true child of My Son knows, lives it and is imbued in its soul.

Children, this instant will be self-examination, keeping the Faith when facing persecution, do not weaken but be a help to your brothers. This instant attracts the greatest struggle for souls: without you even perceiving it, My Heavenly Legions fight for the souls against the continuous evil attacks that will make you fall.

Good is seen as bad, and bad is seen as good: this is the reality of this generation in which the existence of evil is denied and the Divine Justice of My Son; not realizing that this is Satan's scheme to snatch souls.

Know My Son and your will recognize where evil stands: whoever tells you that evil doesn't exist, will take you away from the road to Eternal Salvation.

Beloved children of My Immaculate Heart:

Keep alert before the attacks of the human creatures that have surrender to evil. They will cause great pain everywhere on Earth, the innocent perish before the forces with which evil encourage its followers. My children scatter, they live in disunity, and the evil allies unite to become stronger ... My children weaken in conflicts without sense and the evil allies become stronger in mutual cooperation.

You will not continue to live in the midst of peace, because power wants more power over all humanity, the god money will collapse, and despair will cause upheavals. Nature will continue to devastate with force, as it perceives the speed with which the events approach man.

Pray My children, pray, receive My Son in the Eucharist and know Him so you will recognize Him and not be confused. The imposter of My Son arrives, it is necessary the knowledge of My Children in this instant, in this way you will not deny the undeniable, nor accept the unacceptable.

My beloved, each instant is precious, more than in another instant. Transform your life into prayer, every act be an act of love, each deed be an act of love, this way you will be live testimonies of He that dwells in you.

Humanity will suffer intensely; My children must be conductors of unity to strengthen the community so evil will not penetrate, because when evil penetrates, it destroys without mercy. Be missionaries of My Heart; bring the Word of My Son to those who are confused.

Beloved, darkness hangs over humanity; the soul is more powerful than the body, the body does not subsist without the soul: **SAVE THE SOUL, CHILDREN SAVE THE SOUL...** the instant agonizes.

My Maternal Love will not leave those who ask Me. As Mother I hope that My children will come to Me.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

Only and only the unbounded Love of a Mother can succeed to combine with a deep spiritual harmony, a sublime lesson regarding the consequences of arrogance and the spiritual goods of humility.

Only a Mother guides Her children with such gentleness as the Most Blessed Mother in this instant in which the children of God must be all for Christ and because of Christ, but with knowledge so we won't be confused.

Only a Mother alerts Her children with the gallantry of our Most Blessed Mother, to guide us as far as to behave as a true child of God in instants in which the morals have fallen.

We are called to be prudent in our behavior and in the word as not to be cause for scandal.

What is not for increasing do not accept to decrease. The yes, yes; and the no, no; must be our upright behavior.

Brothers, the lukewarm...

Let's be true Christians, responding to the requests of Our Mother for the good of our soul and of humanity.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 4, 2015**

My people:

WHERE ARE YOU, MY PEOPLE?

YOU HAVE KEPT AWAY FROM MY KINGDOM for false idols...

For wolf with sheep clothing...

For false promises...

For negative science...

For politic interests and for power...

For the ideologies that are invading My children to constrain them and to silence them...

For the interests that hide the Truth...

YOU HAVE KEPT AWAY FROM MY KINGDOM, you that subdue yourself before your will...

You, who immerse yourself in the free will...,

You, who wishes to impose yourself before Me...

You, who has kept Me away from your life...,

You, who are arrogant before Me,

You who invade yourself with anger...

You, who surrenders yourself to your whims...,

You, who emits words against My Word...,

You, who think are master of My House and single out and criticize your fellowman ...

You, who in order to help in My Altar dictate sentence according to your poor intuition ...

You, who rely on My priests to condemn your fellowman...,

You, while being a priest do not rescue My sheep but launches them over the cliff ...

You, while being a priest throws the first stone without basis,

You, making use of a gift that I have given you – you are conceited because they follow you, forgetting that without Me you are nothing.

You, child, who loves me depending on the circumstances; you are lukewarm whom I will vomit from My Mouth ...

You, who loves Me in some instants and in others you loathe me ...

You, who doesn't respect My Plans...,

You, who question My Chosen Ones and Instruments, you are the stumbling stone and you will be singled out by the claws of evil, manipulated and used for the purpose of the enemy of My House...

Beloved:

IT IS THE INSTANT OF THE INSTANTS, IS THE INSTANT IN WHICH, HE WHO DOESN'T COME TO ME, WANDERS ABOUT EVERYWHERE. Without the strength of My Spirit, My children will perish one after the other moved by the deceitful cheat. The more ignorant the human creature is, the more likely to fall in the lines of those that will later persecute My faithful people.

I REDEEMED YOU FROM SIN, BUT MY PEOPLE WHO IGNORE ME IN THIS INSTANT, HAVE ERECTED THEIR OWN KINGDOM, IT IS CALLED PRIDE: that which doesn't need me, nor does it yield to anything, that which doesn't seek Me out, but keeps Me away, that same one that led Judas to hand me over for his own wishes to impose upon Me his way, **PRIDE:** the same one that led lucifer to fall and the same one that will lead all of those children of Mine that do not repent, that do not recognize that they are distant from Me and are disobedient to My Will.

I WARN MY PEOPLE, AND MY PEOPLE DESPISE ME ... I CALL OVER AND OVER AGAIN FOR YOU TO LOVE ME ... I COME AS A BEGGAR, AS A FRIEND, AS A BROTHER ... AND I AM DESPISED. FOR THAT REASON I COME IN THIS INSTANT AS A JUST JUDGE AND YOU WILL SEE THAT "I AM WHO AM" AND YOU CANNOT FOOL ME.

I have given to My children, that I love, Missions and Tasks for this instant by which My faithful people will be protected.

Beloved, nothing is certain for My children; you must earn My Kingdom and more so, preserve it from your own whims. Those who do not subdue their free will shall not enter My House. You must not scrutinize that which you must respect.

This instant as such announced by Me, like in the times of Noah when My Father warned His children... In this instant I warn you: wise man and the scholar, politics and gentiles, rich and poor, learned and illiterate, proud and simple... I announce to you out of love, even though that Word is not in your heart.

MY WILL SHALL BE FULFILLED ON EARTH AS IT IS IN HEAVEN when the man of science is not aware that he will be prey of the unexpected and must accept that with its advances he will not have achieved to surpass My Omnipotence.

**MY WILL SHALL BE FULFILLED EVEN WHEN THE LEADERS
KEEP THE POWER AND DOMINION OVER THE PEOPLE.
MY WILL SHALL BE FULFILLED!**

It will not be the powerful that will, turning over My children to the power of the antichrist, destroy My faithful people. They will wound My people and they will persecute them but from My House My Legions will descend and will overcome the evil disseminated throughout the Earth by the impious. My Legions will descend upon the harvest and will take it to a safe place while they eradicate evil from what is My Property.

YOU, MY SIMPLE AND HUMBLE CHILDREN, BE IN THIS INSTANT THE SIMPLE ONES THAT KNOW ME IN DEPTH, that love Me as I love you; be the simple ones of My People, that irradiating knowledge, keeps in all instant the protection of their brothers before the snares of evil that have taken the powerful ones to dominate My People.

YOU, MY SIMPLE AND HUMBLE CHILDREN, WHOM I HAVE CALLED TO BE SOLIDARY WITH MY LOVE, KEEP THE FAITH IN MY WORDS and do not fall in the claws of those that with a little knowledge drag My faithful ones to refuse to accept My Announcements and to abandon this My Mercy that warns you to keep you in total knowledge of what is coming.

NATURE HAS AWAKENED AND MAN WILL SUFFER.

The inactive volcanoes will become active, great disasters will invade the Earth, they have taken power from the evilness in man that attacks his God, killing the innocent and rising against the Gift of Life.

The seas will cause pain to humanity. The conduct of man against My Will shall make him suffer the consequences of his misused of science, when this scatters like the wind, leaving its trail of pain in each human creature that it touches.

I mention to you the nuclear energy and the new inventions such as chemical weapons that are prepared to decrease the world population.

What are you preparing against your God, My child?

Where I sow My Love, you respond with death...

When I gave Myself to humanity, you generate war...

Where I transubstantiated in My Altar, you despise Me and you treat me with disrespect ...

My beloved people:

Wake up from such lethargy and so much ignorance with which you cover yourself for comfort!...

You find greater hope in the whiten sepulcher than in My Word! Ignorance is the mother of the setbacks and fruit of the hypocrites that do not love Me and deceive My People to turn them over to the antichrist.

THE EARTH TREMBLES BEFORE THE PROMPTNESS OF MY SECOND COMING, IT TREMBLES BEFORE MAN WHO DOESN'T RECOGNIZE HER, AND IT TREMBLES BEFORE THE TERRORISM THAT WILL CAUSE DEVASTATION.

Pray for England, France and Spain.

The eagle that has nest luxuriant; falls without delay.

WOE TO MY CHILDREN THAT HAVE PLACED IN THE GOD MONEY THEIR DESTINY! You, My children, will see with fear the madness of the rich and the madness of the poor: of the rich, who will in an instant find himself without any possession, when he has in his hands only worthless paper and the madness of the poor before a helpless rich person, taking what is not his and which has never been in his hands. Each will be as guilty as the other that is why I call to you, My faithful people, to remain within My Will so you won't be dispersed and led to evil. Man will fight against his brother and My Heart will bleed.

This humanity will be thrown out from this Earth for not recognizing Me as its Creator, it will be thrown out by the blood curdling occurrences of the Elements, that wishing to call you to My Side, you will be punished over and over again.

PREPARE YOURSELF MY CHILD THAT YOUR CONSCIENCE WILL BE PLACE BEFORE ME AND YOU WILL BE YOUR OWN JUDGE. There you will see that you are not the learned that you thought you were, nor the judge that you were, nor the person who caused the downfall of the honor of a brother. You will recognize the wrong that you committed before yourself, you will see your soul fall low while it sees you eye to eye like the one who waits to be raise up to come before Me.

COMMUNISM EXPANDS AND TERROR WILL INVADE THE EARTH.

The water will scourge Chile and San Francisco. The fire of great volcanoes will surprise My children. Did you really believe that you are superior to Me, My Child? I, Myself will show you that I am the one who judges and that most persecuted are My Messengers to reveal My Presence in them.

My beloved people:

Pray for My Church, it will be purified.

**DO NOT FEAR IF YOU LIVE FULFILLING AND HONORING MY WILL.
DO NOT FEAR IF YOU OBEY MY COMMANDMENTS
AND DO NOT FORGET THAT THE ARROGANT WILL BE ANNIHILATED BY HIS OWN PRIDE.**

Pray, My beloved, pray and nourish yourself with My Body and My Blood.

My beloved people:

IN VARIOUS COUNTRIES MY CHILDREN HAVE CREATED THEIR OWN MATERIAL REFUGE, but if they haven't created their internal refuge beforehand, they will suffer the same pain of those who threw me out of their internal temple.

My people, who continue to be courageous: I am your God, I am your God...and there isn't and there will never be anyone greater than I.

I WILL SEND MY BLESSING FOR YOU IN THE ONE WHO WILL COMFORT YOU IN THE INSTANTS OF TRIBULATION AND THIS WAY MY PEOPLE WILL BE CHOSEN AMONG MY FAITHFUL CHILDREN.

Do not silence the concern of the heart and the reason to seek me, be faithful to My Will. Receive My Blessing.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENT OF THE INSTRUMENT

Brothers:

**THE POWER OF THE NAME THAT IS ABOVE ALL NAMES RISES WITH JUSTICE,
NOT THE ONE IMPOSED BY MAN, BUT BY THE DIVINE JUSTICE.**

In this Call Christ says to man:

Where are you? You who offended and now you hide; you who persecuted me and now you hide?
Where are you My people, who I seek relentlessly and you move away from My Presence?

Like the meek of heart who gets rid of its pride, in this instant the Call is one: Faith.

The Divine Mercy is poured out to exalt the fallen and to cover he who is cold, to be food to the hungry and judge to the one who judges their brothers.

Let's be the faithful People that sing and call, who asks forgiveness from God and at the same time says to Him:

COME, LORD JESUS, COME, THAT WE ARE WAITING FOR YOU.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 9, 2015**

Beloved children of My Immaculate Heart:

**MY CHILDREN CONTINUE TO GO FORWARD CONTINUALLY, WITH A CONSTANT REPENTANCE OF
THEIR ACTS AND DEEDS THAT
SEPARATE THEM FROM MY SON.**

**DO NOT STOP, CONTINUE FIGHTING AGAINST THE
EVIL INCLINATIONS.**

This generation is before the abyss that leads man to see sin as a simple act and of weakness that should not be overcome. They go through life without the proper conscience of the consequences that the acts and deeds contrary to the Divine Will bring about to the soul and therefore results in the loss of the Eternal Life.

Do not continue without making self-examination of your deeds and acts. An arduous self-examination is crucial in this instant, if you wish to continue fighting to overcome the evil inclinations to which evilness drags you, disguised as good actions.

**AS A MOTHER I REMAIN BEFORE YOU, I DO NOT WISH TO LOSE YOU; I AM THE INTERCESSOR
AND ADVOCATE OF EACH ONE OF YOU BEFORE MY SON'S DIVINE MERCY.**

I WILL NOT SEPARATE ONE INSTANT FROM THOSE WHO ASK MY HELP.

Do not deny evil, it exists just as good exists, but do not deny My Son's Mercy before which, if you approach with a truly contrite and humble heart, you will be forgiven and welcomed again like the lost sheep that returns to the fold of its good Shepherd.

The horrors in this instant will greatly worsen. Man, as he regresses spiritually, allows his base instincts to govern him, and will not be recognized by Creation that acts in the Will of Its King and Lord.

Beloved children, the most precious gift is the Gift of Life, to which the evil one pounces upon to cause suffering to My Son.

The true children of My Son are not only fervent but keep the Faith alive. Even if the wind is strong the candle will not be extinguished, because not only of fervor do My children live, but of a high spirituality that keeps them centered in a constant observance of the Law of God and the Precepts that My Son left you.

Man will be the cause of serious instants for all humanity, where pain will be a cruel scourge for all human beings, without distinction.

GROW IN KNOWLEDGE...

MAKE PROVISIONS FOR THE DIFFICULT INSTANTS ...

BE EUCHARISTIC SOULS, do not feel comforted by only visiting My Son in the Most Blessed Sacrament of the Altar, which is an act of devotion, comfort and love to My Son, but go to communion every day being aware that before such great Mystery of Divine Love, man is the smallest and the most in need; aware of the union in which you must live with the Creator to receive the Divine Shepherd.

GAZE AT THE CROSS WITH A CLEAN AND EMPTY HEART OF ALL THAT IS SINFUL AND CONTRARY TO THE WILL OF MY SON.

The Cross is not a sign; it is the plenitude of the Divine Love for each of His children.

The Cross is not only a Wood but transpires Mercy for and on behalf of all human creatures.

The Cross is the plenitude of all plenitude.

The Cross is the Divine Surrender above all surrender, it is Mystery, Life and Resurrection, before which all human creatures must kneel and gaze its greatness.

Do not forget that the wolf hides among the sheep, do not forget that the chaff is mixed with the wheat; and remain in the Will of My Son so you won't be mixed up with the other. On the contrary, be testimonies for your brothers before the snares of the devil.

DO NOT DESPISE MY CALLS, BE OBEDIENT TO THESE MY CALLS...

DO NOT SEPARATE, UNITY IS CRUCIAL FOR MY TRUE CHILDREN.

The Church of My Son will go through hard instants and will be shaken. Try everything possible not to fall, keep the Faith.

My children do not cling to men, but to the Will of My Son.

My children are not followers of men; but are souls that listen to the Voice of My Son.

My children are believers of My Son and devotees of My Immaculate Heart.

Beloved children of My Immaculate Heart.

HUMANITY WILL LIVE THROUGH GREAT TRIBULATION CAUSE BY MAN HIMSELF.

Beloved children of My Immaculate Heart:

Humanity will suffer: a comet approaches the Earth and the Earth will suffer because of it.

The water will flow over the land and the land will shake.

My children:

DO NOT BE CREATURES THAT CENTER THEIR FAITH BY THE EVENTS, BE AWARE OF THIS INSTANT IN WHICH THE HUMAN SUFFERING INCREASES; NOT AS A PUNISHMENT BUT AS A CALL FOR YOU TO RETURN TO THE PATH THAT YOU HAVE ABANDONED.

The rage of man causes its own destiny, which only and only by a closeness to My Son and to change the habits that keeps you away from the true path, will you be able to save yourself and continue without falling.

Children, strengthen your Faith, do not go astray. In each instant find a reason to continue fighting, find an opportunity to continue fighting.

MY SON IS ETERNALLY PRESENT; HE IS WITHIN EACH OF YOU.

Do not pay attention to dates, be creatures of Faith, fortified by the unfathomable Love and Mercy of My Son, but do not forget that the Divine Justice is near at hand for this generation.

Beloved of My Immaculate Heart:

MY SON WILL RETURN GIVING HIMSELF TO EACH ONE WITH HIS LOVE, IN A CONTINUOUS CALL TO CONVERSION.

You will self-examine freely as an Act of Divine Mercy for the salvation of the soul. Man will say that it is an act caused by science; human explanations will be heard without delay.

The rapture will be distorted by science to minimize the Divine Power. (*)

YOU, MY FAITHFUL CHILDREN, DO NOT FALTER IN THE FAITH, I SUPPORT YOU CONTINUALLY.

I love you, remain in My Immaculate Heart.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

(*) 1 Thessalonian 4, 17.

“Then we who are alive, who are left, will be caught up together with them in the clouds to meet the Lord in the air. Thus we shall always be with the Lord.”

(New American Bible)

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

A stubborn People, which knows the Law and the Word of its Lord and its God, but despises it ...
That is these people, it's no other!

A generation like the previous ones with regards to not know or recognize God ...

**YOU CANNOT CONTINUE TO APPEAL ONLY MERCY...
WHEN IT IS ABUSED; AND NOT EXPECT THE DIVINE JUSTICE.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 12, 2015**

My beloved people:

**MY PEOPLE WILL NOT BE DESTROYED; I REMAIN TOGETHER WITH MY PEOPLE SO THEY WON'T
BE DRAGGED BY SIN OR BY FEAR.**

**MY CHILDREN MUST CONTINUE TO BE ASSURED THAT MY HOUSE DOES NOT LEAVE ITS
FAITHFUL; RATHER THEY ARE CALLED AND ARE TAKEN WITH THEM SO THEY WON'T BE
DEFEATED BY EVIL.**

My beloved people:

The path becomes dense; I have given you the means and more to distinguish the wolves with sheep clothing, that in occasions are those who speak out loud to cause division or those who emit judgments that corresponds to Me. Hypocrites are those who take My Name to condemn their brothers! Look at your inner self, which each one has its own for My Justice to see.

So many of My children appeal to the free will to separate themselves from Me, living a false freedom transformed in licentiousness!

WOE TO THOSE THAT LIVE FREEDOM IN THEIR OWN WAY!... These creatures remain immersed in their human me, allowing their "ego" to grow without control.

THE TRUE FREEDOM IS THAT ONE THAT LEADS YOU TOWARDS TO WHERE I CALL YOU, not the one who lives their free will under their human want...

TRUE FREEDOM IS NOT THE ONE THAT LEADS YOU TO LIVE WITH FALSE INDEPENDENCE or the one that leads man to live with personal pleasure or a self-favored freedom in order to live in licentiousness.

My beloved:

**MY FREEDOM IS THE ONE THAT LEADS YOU TO LIVE IN MY WILL, IN MY WORK AND ACTIONS...
IN MY DIVINE WORK AND ACTIONS.**

My beloved:

Freedom must lead you not only to listen to My Word but to act and execute "ipso facto" My Word. That is the true freedom, the one that leads you to good, but this is not done by My children if it is not with the human consent.

**I INVITE YOU TO BE FREE, REALLY FREE, I DO NOT IMPOSE,
BUT I INVITE YOU TO WILLINGLY FIND THE INTERIOR FREEDOM.**

BELOVED, EACH ONE OF YOU IS THE LEADING CHARACTER OF YOUR EXISTENCE

**AND EXECUTOR OF YOUR HISTORY...
THE ONE WHO IS REALLY FREE IS THE ONE WHO FIGHTS TO ACHIEVE THE PURPOSE
FOR WHICH HE/SHE WAS CREATED: TO COME BACK TO ME.**

My children:

YOU WILL NOT FIND THE FREEDOM OF MY WILL UNTIL YOU COME TO LIVE IN STATE OF GRACE. Sin keeps Mine away from the real freedom because it leads you to the satisfaction of your likings and desires. You must suppress the human “ego” to be able to find the True Freedom to which I call you.

I see licentiousness everywhere, it is superabundant in the world, steering humanity to fall into their base instincts leading man prey of the snares of the devil. He, who doesn't fight to keep away from sin, will live his freedom according to his own ego, separating you far from Me.

He, who doesn't fight to keep away from sin, will only find a light varnish that for his liking is freedom, thus this is what will lead you to live far from Me.

Beloved:

IT IS THE MISUSED OF THE WILL THAT KEEPS THIS GENERATION FAR FROM ME, which has led you to constantly rebel against My Commandments, offending Me without regard, when your will remains empty of Me.

Children:

To what extent man rebels towards My Plans, permitting that the enemy of the soul establish itself in the hearts of the human creatures crushing the Faith, the Values, the Commandments, the Sacraments, so that the new trends surpass My Will and liberalism take hold of My Church!

My Will is that My Church be a Holy Church, where I can be joyful and dwell in plenitude, so that the enemy of the soul will not multiply its bad seed nor nourish from the indifference or the ignorance of My People.

Beloved children:

Devastating instants approaches My Church, pray so that the Faith of My People will not falter.

Hunger will strike the Nations, a strategy of evil to buy not only the conscience of My children, but the soul so you will lose Eternal Life.

THE BATTLE OF THIS INSTANT IS A SPIRITUAL BATTLE TO ALL OF MY CHILDREN; IT IS A SPIRITUAL BATTLE WITHOUT DISTINCTIONS. THAT IS THE REASON OF MY CALL FOR YOU TO REMAIN ALERT. Mine do not see the spiritual war spread all over the Earth. This war intensifies as the arrival of the imposter approaches, so you won't recognize him and surrender to him willingly.

The moon will confirm that the blood runs throughout the Earth, do not be indifferent to the pain of your brothers, My Commandment is Love.

Pray, beloved, for the innocent, for those who suffer for My sake.

My People call Me to come quickly.

Pray for the United States it will be prey to terrorism.

My people, you walk amidst humanity absorbed in sin. My suffering for you continues because of the ignorance that perseveres in those who deny My Calls.

My People, wake up! Night comes tinted with blood of the martyrs...

My People, wake up! My Church will tremble; evil attacks you to destroy My House. Do not stray from Me; receive Me with a contrite and humble heart, living each encounter to its fullness.

**TO LIVE IN MY PATH IS NOT TO LIVE ONLY IN THE THORNS, LIKE SOME OF MY CHILDREN
DICTATE,
BUT ON THE CONTRARY, IT IS TO TAKE PLEASURE TO SHARE TOGETHER WITH ME
THE SALVATION OF YOUR BROTHERS.**

Do not rest; continue to surrender to Me without delay.

Pray, Italy will be suffering due to Nature.

Children:

**EVIL DOES NOT REST AND INSTEAD, YOU SLEEP...
BE CONSCIOUS OF THE INSTANT IN WHICH YOU LIVE AND
WAKE UP FROM THE LETHARGY THAT EVIL HAS LED YOU TO.**

I am Love, Mercy and Divine Justice.

My People do not wait; they remain attentive to My Calls.

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

COMMENT OF THE INSTRUMENT

Brothers:

A people who love are the ones who remain alert to the call of God.

Christ calls us to the TRUE FREEDOM, when in this instant humanity has turn over to the misuse of the free will.

Christ calls to man to opt for the plenitude, and to desire the state of grace, so in this way direct your freewill to opt for the union with the Divine Will.

Man, creature of God must remain attentive to His work and actions, so these will be to the likeness of the Divine work and actions.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 14 2015**

Beloved children of My Immaculate Heart:

**FOREVER BE PRAISED MY BLESSED SACRAMENT, IN HEAVEN AND ON EARTH THY NAME BE
PRAISED.**

**OH SACRAMENT MOST HOLY, OH SACRAMENT DIVINE,
ALL PRAISE AND ALL THANKSGIVING BE EVERY MOMENT THINE.**

My children:

**I PRESENT MYSELF AS MOTHER BEFORE EACH ONE
OF YOU SO YOU WILL ACCEPT MY INTERCESSION BEFORE
THE HOLY TRINITY.**

At this instant, more so than at any other instant, you must nourish the soul by receiving My Son in the Eucharist, without forgetting to prepare yourselves with dignity to receive Him, firmly regretting the sins and having the firm purpose not to fall in them again.

Do not receive My Son if you have not gone to Confession, if you have nor repented from your sins, because it is an even greater offense and a greater sin to receive My Divine Son without the required preparation.

Children, you are My Son's followers; no man on Earth is worthy of your adoration, only My Son must be adored; He is the only One who must receive the honor and the glory. Do not follow weak men who betray My Son and His Church. Only God gives you Eternal Life, the Salvation, and the Glory.

My beloved, at this instant the sun emanates flares that alter man, and rage preys on those who are weak in the spirit; although those who believe they are strong in the Faith can also stumble and fall.

No human creature is exempt from falling into temptation and, succumbing to it. It is important that you continuously recognize that you are hanging from the Divine Breath and that you are children of the Almighty, before Whom every knee bends.

My beloved:

THE TENTACLES OF THE ANTICHRIST MOVE SPEEDILY IN FRONT OF THE PASSIVITY OF MY SON'S CHILDREN, DISOBEDIENT CHILDREN AND IGNORANT OF THE COMING EVENTS. Man in his stubbornness vehemently denies The Purification and appeals to a God of Mercy for his gravest sins to be forgiven; but when this Mother calls man to be attentive because My Son's prompt Justice is close to humankind, My Son's Justice is denied in order to continue to offend Him without measure.

You must be spiritual creatures, conscious of being full of the Holy Spirit, Who becomes deeply grieved when your brother is killed, not only with weapons, but also with thoughts or ill will.

AT THIS INSTANT, THE TENTACLES OF THE ANTICHRIST MOVE IN ONLY ONE DIRECTION BY MEANS OF RAGE AND HARDNESS OF HEART, TAKING MAN TO KILL HIS BROTHER. In this way, in antiquity, Earth has found itself covered in the blood of the innocent, but no generation will ever do that like this generation.

THE TENTACLES OF THE ANTICHRIST MOVE IN ONLY ONE DIRECTION SPREADING TERROR ON THE FACE OF THE EARTH; BUT YOU, MY CHILDREN, BE CERTAIN THAT THEY CAN DESTROY THE BODY, BUT NEVER THE SOUL WHICH IS MY SON'S PROPERTY.

My beloved:

Terrorism acts mercilessly; it will traverse the Earth in a canticle against the Gift of Life; you, My children, sing to My Son and adore Him, be faithful to Him, be aware of the fulfillment of the Commandments and the Sacraments. Keep in mind the Beatitudes and give them life within yourselves; find in them the fullness of love towards your fellow men, being everything I have mentioned, My children's testimony.

My beloved children, not everyone who says, 'Lord, Lord,' says it in a heartfelt way aware of what is being said.

CHILDREN, YOU MUST PREPARE YOURSELVES FOR MY SON'S SECOND COMING; YOU CANNOT DENY, IN LIGHT OF THIS GREAT EVENT, THAT THE HAPPENINGS PRIOR TO IT WILL SUPERABOUND.

My beloved, you have been created to find happiness, but by deviating from the True Path and by falling prey to the seductions of evil, you have been dragged by evil to commit acts that lead to the loss of your soul.

I invite you to pray for the United States of America so the rulers have mercy on their people and do not again flagellate them once more. Terrorism acts with the help of the rulers of the great world powers.

Children, My Son's People do not struggle alone; My Son and I remain in front of you, but those who are especially interested in denying My Son's existence as well as Mine, weaken humankind by causing terror and battle against My Instrument.

Terrorism will continue to expand in the creatures overcome by evil. Surprisingly it will arrive in a South American country.

Children, a great number of human beings will die because of this great evil of terrorism that is flogging humankind at this instant.

My beloved, in several countries the volcanoes will erupt bringing death to My children. You must prepare yourselves well. You know that My Son's path is not one of torture, but one of surrender, joy, and happiness in light of the Hope for Eternal Life.

You, My children:

Study, prepare yourselves, scrutinize and know that which you believe to be far away or impossible for man's understanding. Nourish yourselves with knowledge; you are being poisoned slowly and without your awareness, not only by the things you eat, but also by means of vaccines prepared in laboratories with the only purpose of causing serious illnesses in the human organism in order to eliminate it.

Satan's slyness is prompt to act and it entails all fields; and, with astonishing indifference, you allow all this confabulation to reach you without offering any resistance.

The persecution started slowly but more vehemently against My faithful people. My Heart suffers because of this cruel reality of which man is responsible for drawing away from My Son.

My beloved sons, the priests:

Once more I call on you to proclaim the Truth of My Son's Gospel, not to hide the Truth from My Son's People, and to warn them to remain alert, to revive the spirit, to come to the Eucharistic Sacrament, and not to deny that which is undeniable: that hell exists and is a state of woes, and that Divine Justice is soon to come to this generation. Do not continue guiding souls to liberalism; do not confuse them. The Apocalypse has not passed; it is the present that My Son's lacerated People are experiencing when, every instant, thousands and thousands of human beings are killed.

Is this not apocalyptic? Is the rage in man not apocalyptic? Is climate change not apocalyptic? Are the solar flares not apocalyptic? Science has an answer to it all, and My beloved sons the priests must use reason fused with the Spirit to guide My Son's People with Wisdom so they won't sin any more.

ITALY WILL BE WHIPPED HARSHLY. EUROPE WILL WAIL IN SORROW.

My beloved, do not place your trust in finite men like you; carefully follow the Divine Teachings contained in the Holy Scriptures to guide the Church. In them, God expressed the future of all of humankind.

PREPARE THE SPIRIT FOR MY SON'S SECOND COMING, BUT BEFORE THAT, PREPARE YOURSELVES WITH A HUMBLE AND CONTRITE HEART TO FACE THE PERSONAL JUDGEMENT DURING THE WARNING. DO NOT CONTINUE TO BE BLIND OR FOOLISH; DO NOT DENY THAT WHICH CANNOT BE DENIED: MY WORD IS GUIDED BY THE HOLY SPIRIT AND MY SON CONTINUOUSLY SENDS ME TO COMMUNICATE HIS DIVINE WILL TO HIS PEOPLE.

I am Mother of Love and of Hope; I am the Gate of Heaven where I wish to find you

My beloved, even when the temples be closed, be aware that My Son dwells within you.

My children, move on, grow, fight against the world, fight against satan's machinations; he has hurled to Earth all his devils to plant, with greater tenacity, rage, hatred, and the wish for vengeance in My children.

Children, the black gold will be one of the causes that will start the war that is expected. Be aware: the only thing you need is My Son. The god money will tumble and fall, and those who keep up their hopes for tomorrow based on the god money will feel a total loss and will surrender themselves to death uncontrolled.

My beloved: My Son is the only One worthy of adoration and glory, and the One you must obey without hesitation. The trials and tribulations are near this generation because of so much sin committed and so many offenses against the Laws established by the Eternal Father. **THE FAITH OF MY CHILDREN IS KEPT STRONG IN MY SON.**

All of humankind without any kind of differentiation will suffer.

Most beloved children of My Immaculate Heart:

CONTINUE TO UPHOLD YOUR FAITH AS ANGELIC LEGIONS ARE HOLDING A GREAT BATTLE FOR THE SALVATION OF THE SOULS.

YOU ARE NOT ALONE. EVEN THOUGH YOU ARE NOT AWARE OF THE PRSENCE OF YOUR GUARDIAN ANGELS, THEY REMAIN WITH YOU, AND MY HEAVENLY LEGIONS ARE WATCHING OVER THIS HUMANITY. YOU DO NOT WALK ALONE: ALL HEAVEN GUARDS YOU, AND I AS MOTHER OF MEN, PROTECT AND LOOK AFTER YOU, AND KEEP YOU.

Be aware: The true Christian cannot go on living in lukewarmness or ignoring all that is coming to this generation.

My beloved:

Love one another, but before you do, approach My Son for Him to teach you true Love. He who does not pray, he who does not meditate, will find himself very far from being a true son to My Son, because He used to go aside by himself to pray to His Father, thus showing you the need for prayer and the importance of praying.

Pray the Holy Rosary. When you pray it meditating on it, My Angelic Legions arrive promptly to bless the place where the Holy Rosary is prayed, and the protection is doubled and it multiplies to infinite.

The souls that constantly visit My Son in the Sanctuary and approach the Eucharist being properly prepared are sealed by My Legions, the ones My Son has given to Me, that I as Mother to all humankind, may be every instant Advocate and Defender of this generation.

I bless you in the Name of the Father, and of the Son, and of the Holy Spirit.

Mother María.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

The Most Holy Mother astonished us with Her Message, a message whose nucleus is totally spiritual and mirrors the instant that we are living now.

Our Mother moves the spiritual experience somewhat rickety of most of Her children to the human scope, and presents to us the perversity of which man is capable of reaching when man moves away from God.

This Message is a lesson on reality, a lesson on truth, a lesson on the amazing and terrible ongoing situation.

Let us be aware of the need for us to be always ready to the call of the Divine Will, and, without any fear, first nullify the human “ego” and then be ready to serve the Divine Will.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 19, 2015**

My beloved people:

MY HAND PROTECTS YOU, MY BLOOD FREES YOU, MY WILL CLAIMS YOU.

Beloved people, My legions guard you, do not put them aside, you are My children, and My legions are your protectors. You have forgotten your Guardian Angels, Protectors, and Companions of the Road. They watch over each one of you without receiving a thank you or a prayer.

Beloved, these are instants in which all help from My House must not be put aside, but must be welcomed with great respect, mindful that I don't send My Blessings by chance, but because you need it more than any other instant, not only as help and protection, but as My special Divine Help for you to be able to go back to the true way.

My children move hastily, rejecting whatever I send in previous instants to the public appearance of the evil one or the antichrist who would say: I am Christ on Earth, I am whom you should follow, I am who has the Mandate of the Father, I am...

My People will be tested, the unknown will be revealed by Creation itself, humanity will be astonished before new discoveries, humility in man must flourish or it will wither like the fig tree that doesn't produce fruit.

Some leaders will lead their people to separate from the authority of the Pope, My People will be cruelly persecuted, and My Heavenly Messengers: your Guardians, will be the armor plate for each one, so for even in the tough instants you will not renounce the Faith.

I come to each of My Consecrated ones, so you will live humbly, without vanity, or luxury, without great banquets or ostentatiousness. On the contrary, I call to you to be humble. Whoever has been consecrated to Me should not live in lavishness, but in humbleness, in chastity and at the service of My People, working and acting with holiness in My Will.

My People, a comet is approaching the Earth, the Earth's axis will move, the influence of this comet will be strong upon the Earth, causing each human heart to be invaded by fear, and in that way men

will repent for what they had in their hands and they despised it, ignored it and altered it, repenting, but not with all their heart.

Beloved children, the sea waves will lash against the coasts; great suffering will be upon My People. New lands will appear parts of lost continents of other times, in front of the East Coasts of the United States.

Pray, My children, pray for San Francisco.

CHILDREN, I AM THE POWER, THE HONOR AND THE GLORY, AND YOU WHO DO NOT PRAY, ARE WEAK. I LEFT YOU MY WORD, CONSERVE THE FAITH.

Each one of you is that lamp that illuminates the steps of your brothers with courage and without hesitation. Look for Me, you who asks for Me, look for Me without fear.

Evil is superabundant and insistently calls you, lots of My children succumb, they are not strong, and they see everything that happens superficially. I talk to you and call you to conversion, and you still do not listen to me.

Events will happen to which you have confronted previously; they differ from each other in that the magnitude of the same and the sequence have not been seen in this generation.

Beloved, "Almost all of Japan will be under the sea."
Children, pray for Japan, Nature will come upon it with severity.
Pray for the Bahamas, it will suffer, pray.

My beloved People: the god money will collapse, and humanity will be perturbed, it will enter in darkness and will feel lost... Do not make money a god.

THE FORTHCOMING INSTANTS WILL NOT BE ABLE TO STOP MAN. IT IS THE INSTANT OF THE INSTANTS, My People must not fear. Whatever humanity has planted is the cause of its suffering. The unrestrained actions of man will make him confront his own sins.

My beloved People, the banal things must not be reason for anguish, the safety of man is found in My House. The enemy of the soul is found in the midst of humanity, penetrating in those who are empty, with no love for Me, without having Me in their life, without respect or love for My Mother.

Do not be fertile ground for evil, but on the contrary, be that land fertilized by Me where the chaff cannot reproduce itself, but be stopped.

Beloved, I not only call you to take care of your soul, but also the body in which the soul dwells.

Do not enter in a relationship with evil, since afterwards, without you realizing it, you will be part of evil and they will have made you theirs.

I want the salvation of all My children, I give you My Mercy so you won't get lost, and salvation depends on you.

You are blessed by Me.

I love you.

Your Jesus.

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

When the human creature is conscious of everything that prevents him to the re-encounter with God, then you will be on your way to peace and to true happiness.

There are numerous shortcuts on the road, but not all of them take you to a good end.

We are in an instant of violence, and consequently of great conflicts, genocides and injustices. We know about the attempts in France, but, have there been talks about the thousands of death in Nigeria - if we are all creatures of God and for Him there are no distinctions?

BROTHERS, LIFE IS THE GREATEST, AND EVERYONE MUST BE EQUAL.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARÍA JANUARY 21, 2015

Most Beloved children of My Immaculate Heart:

I LOVE YOU SO MUCH; THIS MOTHER LOVES YOU SO MUCH THAT SHE WALKS FROM HEART TO HEART, KNOCKING AT THE DOOR TOGETHER WITH THE DIVINE BEGGAR OF LOVE, MY SON!

I love you so much and as a Mother I continue to intercede before My Divine Son for each one of you and for your salvation.

I love you so much, children!

In spite of your continued disobedience, the Sacrosanct Trinity allows Me to continue assisting you in the midst of the unrest of this humanity.

Most beloved children of My Immaculate Heart, I invite you energetically, demanding that you not fall any more in the great sin of arrogance. As a result, the enemy of the soul takes advantage to totally possess the human creature.

Many of My children make false promises to other men and most of all towards My Chosen Instruments and faithful and say: I will never leave your side, even if everyone falls to your right and to your left, I will remain with you, I am willing to give my life for you, I will put my hands in the fire for you, even if everyone stops believing I will never stop believing in what is revealed to you.

These children of Mine will be the first to fall, since no human creature can guarantee to be faithful to the end. Instead the humble one is who causes and asks with humility and silently to the Holy Spirit to give him the necessary help not to falter and not to abort a Mission.

Behind each chosen one, a great number of souls depend on them. So many call themselves saviors of humanity as if humanity depended of their yes, to continue surviving and defeating Satan! No man on the face of the earth has the destiny of humanity in his hands, only My Son. Hypocrite whoever calls himself: savior of his brothers!

The one who with pride says that he is the shield that protects his brothers, remember, if he says this, he is the weakest among all of the human beings that exist upon the Earth.

WAKE UP CHILDREN; AWAKEN THE INTELLIGENCE AND THE USE OF REASON!

AWAKEN THE HEART THAT HAS FALLEN ASLEEP BEFORE THE FALSE PROMISES AND RAMBLING AND USELESS WORDS OF CREATURES WITH GREATER INTELLECTUAL CAPACITY THAN YOU!

Beloved children of My Immaculate Heart, the only Savior is My Son, the only Liberator is My Son, the only one who speaks with the total truth is My Son and communicates it through his faithful Instruments with simplicity and with love.

When a human creature says that she is more than the rest -- that is when he is less than the rest of humanity. My Son did not come to Earth broadcasting it. When some creature received a miracle, My Son immediately disappeared from the scene and asked not to tell the others of the miracle that just took place. Remember that the master of the show and of the spectacle in these transcendental instants of humanity has a name and is called Satan the seducer and trickster of the souls.

Beloved children of My Immaculate Heart, I call you and I demand unity, that which My Son came to bring to you without distinction, it didn't matter if they were sinners or not. My Son called and anyone that listened to Him was immediately welcomed by Him. The fool, who continued being oppressed by evil probably at some time woke up or went to the place where he must atone for his sins.

Beloved people of My Son, children of My Immaculate Heart: little by little the truth of the shady deals among Nations is coming out to light. It causes surprise and will cause more surprises to the People of My Son, because evil has moved slowly behind humanity, it has secured most of the leaders of the nations to prepare his great tentacle: power, because without the power of the great leaders, it would be difficult for Satan himself to raise his offspring: the antichrist, to the highest

summit from where he will be able to make all the decisions to manipulate the entire humanity in every aspects.

You, People of My Son know very well the temples will be closed and from this comes My urgent call for you to grow and scrutinize the Divine Word of My Son so you will know Him and love Him. Each one must change into an enamored soul of My Son, and to love Him you must know Him in depth, and thus achieve a reciprocal love.

Everyone is necessary in the plan of Salvation but not everyone is willing to live crushing his own human me. Those who deny the Divine Will shall be the ones who will be left out, since they will not know which road to take. The indecisive in all instant, are the ones who have not been able to overcome the great spiritual tests.

My true instruments not only tackle the daily living, as if that wasn't enough, not only confront this world that lacks good, but deal with criticism from those who do not truly know My Son and believing themselves learned, they criticize, that which cannot be criticized, they criticize the truth and they question it mocking My Word and the Divine Word of My Most Holy Son. Nevertheless at the same time, My faithful Instruments are signaled out by those around them and as if that wasn't enough, they are rejected by the Hierarchs of the same Church of My Son. So, then each one of My Instruments, also faithful instruments of My Son, live like My Son: in a continuous walk toward Calvary with the Cross upon their shoulder.

Beloved children, this generation has totally contaminated itself not recognizing and despising My Son. Evil has penetrated with great liberty and in this instant, My Son has designated some of His Creatures and one especially to take upon his shoulders, the Great Mission to keep faithful to the Word of My Son, with the purpose that the help sent from Above, will be introduced before the faithful and afflicted People, in the instant of greater persecution from the antichrist, therefore comforting His People and strengthening them to keep victorious until the end.

Beloved children of My Immaculate Heart, I see so much arrogance in most of My children! So much that they despise each other, so much that Satan has penetrated in the mind, in the conscience, in the reasoning and in the thoughts, to invade the heart and pour into it all his hatred against My Divine Son, and as a result against his brothers.

The massacres will not stop, because man despises himself. The great powers remain united. They are not what they seem before humanity, they sign shady deals, since they need the war in order not to lose the power.

All that I have announced to you has been fulfilled, some "ipso facto" and other Revelations of Mine are soon to be fulfilled, but absolutely everything that I reveal to you with permission from the Sacrosanct Trinity, will be fulfilled and this generation will not end until all My announcements are fulfilled. The

All the People are being dominated, some more than others, they are being dominated by the families who are masters of this generation. Who has turned humanity over onto the hands of a group of families that humanly dictate the future of humanity? The leaders of the great nations.

Enough, stubborn people, enough of offending My Son! That is why I call you to wake up, but not in the body, but in the conscience and in the spirit because it is urgent.

England will suffer and will suffer greatly due to terrorism, their own, not foreign.
The United States will suffer due to terrorism and by Nature.

The volcanoes are awakening, those who were dormant have awoken to alert man, so he won't deny more his God and return his gaze toward the only one who surrendered His Life for the Redemption of the human race.

The creatures of good will who remain in the path to My Son and heed the calls from Heaven through My faithful Instruments, must double their devotion because in the Will of My Son you do not act alone, you are multiplied to the infinite.

Evil will seem to win the battle, but it will only seem to be, it will never be the conqueror. Before that happens, My Son will send His Legions to save His People.

The empire of the antichrist rises rapidly more than what you can imagine. In this same instant they are delivering to great leaders, exorbitant sum of money to keep them in his claws and these are the oppressors of their People.

Beloved children, "if you had the faith of a mustard seed" the Manna of Heaven itself would descend to feed you, but since you only enjoy the mundane and temporary, you do not appeal with true faith for My Son's help.

My beloved, change path and return to the right path because anyone who has been called, if he doesn't surrender 'in spirit and truth', just as he been called he can also be removed from his position. No creature on the face of the Earth is indispensable for the Will of My Son to be fulfilled -- if the creature is not worthy of the call because of human obstinacy.

My beloved I will continue to alert you since each instant must be a comforting opportunity, new and restorative in the spirit for you to subdue your "ego".

Self-examine daily since you will confront He who examines everything and to whom you cannot hide absolutely nothing.

I am Mother and Teacher at the same time, each one believes to be the actor and spectator of their life, but how many of you give up your place as actor to My Son and become only spectators? Only the truly clean of heart.

Humanity is hanging from a weak thread, **a heavenly body is approaching** that will make all of humanity tremble and you will know how limited and small you are before the infinite power of My Son.

As the Second Person of the Sacrosanct Trinity, My Son came to redeem you from sin, but this generation offends Him so much, that it doesn't want to give up in the least to raise their gaze and say: My Lord and My God!

PRAY, DO NOT SCORN PRAYER; DO NOT SCORN THE HOLY ROSARY. My Son sees those souls that dedicate instants of their life to prayer, but at the same time calls to each one, to be His disciple, to be faithful to him and to awaken their brothers. If you do not have the gift of evangelization, the gift of Words, use the technology and be communicators of this Word of Warning to the rest of your brothers, so they will be aware of the urgency of this instant, in which they must pray.

Pray, beloved children for Chile, that this My beloved people will suffer greatly.

Pray, My beloved for Israel, it will suffer.

Pray, My children for the Nation of South America: pray for Argentina.

My beloved, so many deny the events that I have announced to you! See how the fool in his foolishness finds arguments to deny My announcements, you try to make every effort to bring My Word to your brothers.

Nature has awakened and continues to wake up in a series of events that man will not be able to determine, nor does he have the capability to stop it.

ALL THOSE WHO READ THIS MESSAGE WITH TRUE LOVE AND FAITH, I REQUEST THAT IN THIS INSTANT YOU RAISE YOUR ROSARIES AND YOUR SACRAMENTALS. I, AS MOTHER OF THE WORD, BLESS YOU SO YOU CAN BE PROTECTORS TO THOSE WHO HAVE THEM.

I bless your hearts so they will soften and My Word of Mother and Disciple of My Son penetrate deeply in you and be renewed with a generous spirit.

I bless you in the Name of the Father, and of the Son and of the Holy Spirit. Amen.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

Heaven warns us passionately, it doesn't allow time for man to disperse, and centers the human creature in the reality of its existence and in the veracity of the scene in which he lives, to which man lessens its importance. At the same time, Christ and His Holy Mother do not skip an instant, to emphasize the spiritual state of this generation.

Our Mother, which we acknowledge her: MOTHER OF GOD AND OUR MOTHER, knows man's journey, because all of us that call ourselves Her children, we know that Her Divine Son does not hide the paths that man take. Precisely because of that, as Mother of the Word, with her Maternal Love invites us and invites us again energetically, and as Spouse of the Holy Spirit, concludes demanding from us an affirmative response that will take us to conversion.

Our Mother, and Mother of all humanity, explicit with gentleness and at the same time with firmness, that man knows, but because of his spirit of antagonism, doesn't recognize it.

At the same time, knocks down with one single blow the pedestals where the human beings have climbed on, because the instant of the instants, is only for the GLORY OF GOD.

Let's remember that arrogance is one of the greatest capital sins, and is the source of other great vices, like the overvaluation of the HUMAN ME, when the creature attributes itself that everything that he does or says, is superior to what other do or say.

BROTHERS... IT IS NOT AN INSTANT TO REST; CHRIST DOES NOT REST IN HIS THIRST FOR THE SALVATION OF THE SOULS!

LET'S WAKE UP...! SINCE WHOEVER CONTINUES IN THE SPIRITUAL LETHARGY, WILL CONTINUE BLINDED BY THE VEIL OF IGNORANCE THAT EXIST PERTINENT TO THE SPIRITUAL.

LET'S REMEMBER:

**THAT PRAYER IS NECESSARY,
THAT COMMUNICATION WITH GOD IS INDISPENSABLE TO BE AWARE OF
THE DIRECTION OF HUMANITY,
AND THAT WE MUST NOT BE INDIFFERENT, BUT WE MUST DEMAND OF
OURSELVES TO LIVE MORE CLOSELY TO GOD.**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
24 JANUARY 2015**

My beloved People:

I bless you.

I come for My People, for My Faithful. I do not come to free you from the daily obstacles, instead I come to pass you through the crucible where, as those who are Mine know, is kept the fountain of Eternal Life.

You will not find Eternal Salvation if you do not strive against sin and continue living in My Will.

Daughter:

I see how few are those who pray at this instant. I also see how many come up to receive Me having prepared with dignity, without grudges towards their brothers, without anger or displeasure.

Rage is not a good companion to man, it leads him to awaken unseen sins that go by unnoticed but corrode the heart.

The senseless man destroys his own path. Do not forget that I grant what each one desires. Do not ask for stones; you will get stones.

YOU ARE KNOWLEDGEABLE ABOUT MY LAW, MY WILL. THUS YOU WILL BE JUDGED IN THE MEASURE OF YOUR KNOWLEDGE; MUCH IS ASKED OF THOSE TO WHOM MUCH IS GIVEN. And certainly in this rule it is very important for the human creature to be humble and to use reason correctly. Rage leads to acting irrationally and brings man not only to hurt himself, but also leads him to act like a demon, without paying attention to reasons and without regard for charity.

Humankind has adorned itself with rage. Today's man does not think. When someone has his "ego" hurt, he reacts in a disgruntled way. If he does not feel superior and praised, rage seizes him and he destroys whatever he has in front of him.

My children, do not forget that man expresses what he carries inside. Children, do not forget that in the blink of an eye you can go from rage to hatred.

At this instant, rage is increasing; it is born as something harmless to man, but then the monster that was awakened is immediately strengthened by other human feelings that lead him to see nothing but his own interests.

I COME TO PLACE ON MY SCALE NOT ONLY THE DEEDS BUT ALSO THE ACTIONS OF MY CHILDREN. I WILL ASK MORE OF HE WHO WAS GIVEN MORE, BECAUSE HE WHO GETS MORE, MUST RECIPROCATATE MORE.

Beloved children, the horsemen advance upon mankind. I call on you to prepare yourselves, and you respond with indifference or rage. Because of the inflated spirit, each instant man becomes deafer to My calls and less willing to enter into communion with My Will.

This generation remains in constant disorder; feelings come and go because the creatures, engrossed in sin, look to satiate their appetites, they get lost unconsciously, they easily forget My Will and offend Me without limit.

The man who does not obey My Will suffers so much when he looks back and finds himself in darkness after having lived in the light!

The heart in human creatures has hardened due to a constant falling back on their own wills.

The sinner does not recognize sin because it is what he consumes constantly.

Children, for how long will you wait before you heed My calls?

My children, rage has led peoples to fight one another; they have come to hate one another killing innocents mercilessly.

Man has driven apart from Me more than he thinks; prayer has become the object of mockery, or it is considered unnecessary to get close to Me.

How wrong is man! Acting this way he finds himself closer to agony. Man agonizes spiritually and this leads him not to look with love. Oh, how I mourn when I see the souls on their way to purgative pain!

Beloved children, great changes are near, in every aspect and also inside My Church. Many of My Cardinals do not love one another as brothers; instead they see one another as rivals! Many of My beloved sons, the priests, do not lead My Flock along the correct path!

Blood spills on the Earth each instant as if it were water..., and man is not moved; instead, he is excited by bloodlust.

My poor children! They have thrown themselves to evil like sheep to the precipice!

Life is despised and used for scientific purposes... a misused science that has abused and abuses innocents causing them pain for the purpose of leading Nations to grow by selling power to them.

What harms man is not only radioactivity—which is the great tentacle of the antichrist—but everything that is used by governments to snatch life from My children. Not only radioactivity is a threat; also the things created in laboratories with the purpose of eradicating a majority of human beings that inhabit the Earth

STUBBORN MAN, YOU TAKE IN HAND WHAT IS MY WILL!

Humankind suffers and will suffer one thing after another; the volcanoes will act in progression; My children will suffer.

Pray, My children, pray; Nicaragua will suffer.
Pray, children, pray for India; India will cry.
Pray, children, for Spain; Spain will suffer painfully.

Children, the water penetrates the Earth and My children suffer; the weather will change even more.

My beloved, pray; man needs to pray. Do not despise My Mother, pray the Holy Rosary. I have given My Mother to you as the Mother of all men; go to her.

WHEN EVIL EXPANDS WITH GREAT FORCE, DO NOT DESPAIR; I PROTECT YOU, AND MY LEGIONS GIVE YOU SHELTER. I will send to My People: consolation, love, and hope, so you won't fall defeated; but you must remain faithful, and each one must guard himself so you will remain in Me.

Do not look away, do not forget that he who offers the other cheek is My son. Do not get involved in disputes or fights, they produce desolation.

My beloved People, I love you, I am never separated from you, I send help to you from My Home. Look on high, I will send My Love as Manna for My chosen ones, as path, and as Word. Fear not, you do not remain alone.

I love you.

Your Jesus.

THE INSTRUMENT'S COMMENTS

Brothers and Sisters:

Our Lord Jesus Christ blesses us with His Word as He shows us the reality in which humankind lives, victims of a great tentacle which at this instant evil uses to lash out at God's children.

Human will bows down to the constant ambushes and attacks of the devil. He knows human weaknesses very well to bring man to fall.

We know that when rage enters, it makes the intervention by the Holy Spirit difficult and it prevents Grace from circulating.

Brothers/Sisters:

At this instant, rage is spreading throughout the world; humankind is dejected because of rage.

Brothers, any lucid, self-aware person feels the need to pray for the good of his own life. Let us not neglect prayer; let's grow in it because it is a gift for humankind; it is in front of each one of us and it must be accepted wholeheartedly.

Prayer is that desired meeting, that joy of talking and conversing, of feeling like a son and be heard by the Father; it is opening up to the Faith.

He who prays stops being an intermittent call from Earth to Heaven and becomes a continuous call and thus receives the blessings from Heaven depending on his persistence in praying.

At this time God continues to send His Word and His Love in His Messages in order to lead His People whom He guides that we may not feel alone.

Brothers, let us not forget that God always remains with His children. He is the Eternal present.

Amen.

WITHIN THE FREE WILL EACH ONE CHOOSES IF YOU CONTINUE WITH ME OR CONTINUE ON
YOUR OWN ...**

Man says: "I am in the likeness of Christ", and this, can it be true?...

**TO MY LIKENESS WOULD BE THE HUMBLE, THE MEEK, THE ONE WHO HAS A SINCERE HEART,
THE ONE WHO DOESN'T SELF-EXALT, THE ONE WHO TURNS THE OTHER CHEEK, THE ONE WHO
KNOWS TO WAIT AND LISTEN, THE ONE WHO SAYS "YES" TO ME AND CONTINUES TO
STRUGGLE TO REMAIN IN MY WILL.**

Beloved:

DO NOT FORGET HUMILITY, it's a badge for My children; it's a distinction of those who Love Me in Spirit and in Truth. The humble who receives My Blessings and My Help, charms Me and calls Me without uttering a single word.

THE CONCEITED PERISHES BY ITS OWN ARROGANCE ... Which of you wishes to be the last? Do not forget that he who serves his brothers, will be great among men and he who brags about himself will be humbled not once, but a thousand times.

Whoever is governed by arrogance, will lead him to his own perdition. The conceited who utilizes some power over his brothers, personally exalts himself. These creatures ignore Me and they self-proclaim indispensables. Ah! Do not forget that I come with Power and Justice, "For everyone who exalts himself will be humbled, but the one who humbles himself will be exalted." **(1)**

Children, humanity moves puffed-up with "ego", in its unwisely intelligence full of disorder, suffering in its effort to know what it doesn't know, having before them the arrogance that controls reasoning and able to annul the true intelligence. Arrogance instills the wrong concept of freedom, precipitating humanity into the abyss.

(1) Lk 14, 11

My Beloved:

THE MAN WHO GROWS IN ITS OWN FREEDOM SEPARATING HIMSELF OF EVERYTHING THAT SUGGEST TO HIM TO REMAIN IN SOME ORDER AND FOCUSING ON HIMSELF, IS PREY OF HIS OWN MISERY.

Freedom is the path, path and unity, not independence...

Freedom is love, not division ...

Freedom is obedience, not the hardening of the heart ...

My Beloved:

WHOEVER LIVES FOND OF HIS REASONING LIVES IN ITS MISERY, SINCE TRUE FREEDOM IS GREATNESS, NOT THE ONE IS WHO PUFFED-UP IN ITS OWN "EGO".

WHOEVER SEPARATES FROM ME, LIVES IN CONSTANT DANGER, HE LOOKS INTO HIMSELF, LOVING HIMSELF MORE THAN WHAT HE SHOULD LOVE ME.

Whoever separates from Me, is a drifting boat in the sea of his human me, desirous to be recognized, looked after and desirous of human tributes, and lives in an excessive love towards himself, obscuring the conscience, to avoid seeing his own vainglory.

THE ARROGANT EASILY FORGETS MY LAWS: IN ITS POOR MENTAL STRUCTURE HE QUICKLY SEPARATES FROM ME, ANNULLING ME FROM HIS LIFE. As a result the changes of this generation precipitated to the abyss by the greatest errors in which man has fallen.

Beloved children:

RECOGNIZE ARROGANCE.

IT BRINGS ABOUT THE ARROGANCE BROUGHT FORTH INTO WORLD AND ITS SCHEMES, DEFEATING YOU, MAKING YOU CONCEITED, WITHOUT TAKING INTO CONSIDERATION REASONING; BUT ONLY ITS OWN AND STUPID WISDOM AND ENDANGERING THE UNITY OF MY CHILDREN WHERE THEY MAY BE.

Children:

Recognize conceit, in this instant it is ever more present in men than in any other instant. Conceit stalks my children everywhere, disguising themselves so they won't be recognized, oppressing the spirit of Mine to keep them chained so they won't forgive and imposing themselves as master of the Truth, keeping their concepts as unique.

Children:

**CONCEIT EXISTS IN MOST OF MY CHILDREN, ALTHOUGH ONLY A FEW RECOGNIZE IT
TO BE ABLE TO CORRECT THEMSELVES.**

Conceit directs the pain towards others.

The conceited continually hurts their brothers, for the sole purpose of its ambition.

Conceit, children, is a spiritual sickness, it has control over the human creature, power to keep him within its “ego” and far away from My Love, until it achieves its purpose: to steer My children far from Me into the abyss.

My Beloved People:

**SELF-EXAMINE YOURSELF WITH A GENEROUS SPIRIT, JUST IN CASE I COME AND I DON'T
RECOGNIZE YOU FOR HAVING REBELED AGAINST ME AND AGAINST YOUR BROTHERS.**

The Law is one, and outside of this sin is overabundant and the offense against Me is constant. The lack of love hurts Me and Mine distance themselves from Me.

Because of man's conceit, the innocent die, rebellion finds support, persecution strengthen, conflicts increases, the powerful justify their errors, the oppressors are pleased; and man destroys himself because of his conceit.

My Beloved People:

LOOK AT ME, LIVE IN MY WILL, DO NOT TOIL IN THE MUNDANE.

THE POWER OF MAN WILL FALL UNDER HIS OWN IDOLATRY.

The allies will betray one another in the midst of great confusion. My children live in disorder, seeing from afar the suffering of their brothers.

Do not ignore My Calls; My Church will suffer in instants.

Do not lose faith in My Protection.

**MY LOVE GIVES ITSELF AND IT IS MANIFESTED AND WILL BE MANIFESTED TOWARDS MY
PEOPLE.**

**MY HELP WILL COME TO MY FAITHFUL, GUIDING MY CHILDREN AND UNCOVERING
THE EVIL OPPRESSOR AND ITS TENTACLES.**

Pray, My Children, for Russia. Together with its allies will cause pain. Russia will suffer by the environment. Pray, My children, for Chile. It will suffer when the earth trembles. Pray, my Children, for Italy. It will be prey of terrorism and nature will make it suffer.

Beloved, earth trembles. Water a blessing for man will make him suffer.

SELF-EXAMINED YOURSELF, BEFORE THE CONSCIENCE EXAMINES YOU.

My Beloved People, I support you. I remain with My People constantly.

I love you.

Your Jesus.

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

God doesn't like to see the destruction of His Creation. Nevertheless, He will not go against His Holy Word:

"Every proud man is an abomination to the Lord; I assure you that he will not go unpunished".

Proverb 16, 5

I wish to share with you a phrase that I can't forget:

"If you want to know a person, do not ask him what he thinks; but what he loves".

St.
Augustine

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
FEBRUARY 3, 2015**

Beloved children of My Immaculate Heart:

My Love remains alive in all My children.

**I GUARD YOU EACH STEP THAT YOU TAKE SO YOU CAN CONFRONT EVIL THAT BURNS TO TAKE
YOU TO THE PRECIPICE.**

Beloved children: in this rush of the decline of man, a great number of Mine have a supposed and weak Faith, consolidated not in My Son, but in the popular habits. This is the result of the denial of My Calls. I keep you aware so you can renew the desire to remain united to My Son, nurturing from His Side, where His People was born.

**NOURISH YOURSELF BY PENETRATING IN THE DIVINE WORD,
IN THE ANNOUNCEMENTS OF WHATS COMING TO HUMANITY.**

The life of so many Saints that have left you My Revelations, must not be forgotten.

You can be certain that this generation, no other, has fallen into the hands of Satan, who is preparing the way for the greatest enemy of My Son's People: the antichrist.

As a Mother, I am walking from heart to heart, announcing to each one of My children that the instant is in the greatest danger before the constant and imminent snares by those sent by Satan so men will perish.

Sin has existed, but not like in this instant, in which man is merciless. They do not love themselves, knowing that The Warning is coming, and so much suffering that I have announced through so many Calls.

Children:

**NOT ONLY WITH PRAYER CAN YOU GAIN HEAVEN, YOU MUST ENTER IN COMMUNION WITH MY
SON, YOU MUST RECEIVE HIM IN HIS BODY AND HIS BLOOD.**

Do not put aside confessing of your sins and the merit of amendment. Be humble to be able to recognize your limitations and faults, be opened to the help of the Holy Spirit, He will provide whatever is necessary to My children.

Beloved, do not miss the instant, take advantage of the blessing of knowledge and the use of reason, of intelligence, of good wishes, of humility, of charity and enlightenment to grow in the spirit, and entering by coming closer to My Son. He is always in the presence of each one of you; waiting for the human free will yearns to receive the spiritual sustenance that leads the soul to reach what he doesn't yet know, penetrating in the thresholds where the creature enjoys Heaven in advance.

MAN HAS LOST SO MUCH BY REMAINING IN THE SPIRITUAL BOUNDARIES!

My Son wants a Holy Church, and the Church has been contaminated overwhelmingly. Most of My favorite children do not warn the People of my Son, who live in damnation and bad habits, having evil instead of good.

Beloved children of My Immaculate Heart:

TERRORISM, HUMAN SCOURGE, SPREADS. MY HEART BLEEDS FOR SO MANY LIVES THAT PERISH BY PERSECUTION AND THE HATRED COMMANDED BY THE ENEMY OF THE SOUL.

Nature is coming closer to man for him to wake up before so much evil that surrounds and takes possession of Mine; the volcanoes speak to man.

Pray, My beloved, pray the Holy Rosary for the United States. It will suffer by way of terrorism and by nature.

Pray children for Japan, it will again be shaken.

Pray for Colombia, it will suffer.

My beloved:

There is so much evil that surrounds man that he doesn't see evil, since he coexists with it and sees it as good. The People of My Son have not been warned of the seriousness of the human pride, for not heeding the Calls of the Divine Will.

My Son has left to this Mother as guide and defense of His People. Again My Motherhood will crush the infernal dragon.

BE WATCHFUL, MY CHILDREN MUST NOT FALL PREY TO THE HORRORS OF HELL.

Do not be afraid, children, prepare yourself. Do not let fear paralyze you nor ignorance oppress you. Know and accept My Son. **HIS BLESSING IS UPON ALL HIS PEOPLE, EACH ONE RECEIVES WHAT THEY DESIRE.**

YOU ARE NOT ALONE, THE BLESSING WILL COME TO THE FAITHFUL PEOPLE, AND IT WILL DESCEND FROM THE HOUSE OF MY SON AS PROTECTION IN THE INSTANTS OF TRIAL.

Beloved children, whoever accepts My Son, will be thankful for the Blessing.

Do not be afraid, I am Your Mother. I am with you and I protect you.

I bless you and I love you.

Mother Mary.

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

Humanity lives immersed in the madness of the world, it doesn't imagine that the mundane only seeks division in every field, allowing in one way or another intrusion of evil. As our Mother clearly shows us, man knows that evil exist. But, does he know that good exist, the absolute good, to which he must devote himself to in order not to perish? Is man interested in knowing good, to imbue himself in the Eternal Goods?

Yes, man is interested in knowing good, and to penetrate in it... We have been formed to learn The Commandments, The Sacraments, The Works of Mercy and others. But, do we go in depth in preparing to receive the Spiritual Sustenance brought down from Heaven, to defend us from evil? As children of God we possess infinite goods, and they are despised as a result of ignorance. Man must infuse in Christ, in His Divine Love and in what this Divine Love is capable of doing for the good of his brother.

The Mother calls us to recognize pride, to be humble, but, how do we recognize our own pride, or how can we change to be humble?

**LET'S PRAY, BECAUSE WE NEED TO PREPARE TO CONFRONT EVIL
WHO WILL RUSH FORWARD AGAINST ALL CHILDREN OF GOD.
LET US PRAY HAND IN HAND WITH THE BLESSED MOTHER.**

But let's keep in mind that we must seek God. We must not wait for Him standing idly, we must take action.

Evil obscures the mind of man, but good is eternal and unchanging. We only need to take again the path, be willing to become detached from our “ego”, and decide to love with the Love of Christ and of the Blessed Mother, and decide to obey... all these things will be given to you as well.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
FEBRUARY 8, 2015**

My Beloved People:

STOP FOR AN INSTANT AND LISTEN TO MY CALL.

You are My People, whom I love and for which I surrender to redeem you from sin.

Man made to the image and likeness of Our Divinity, is mindful of his real dominion of all created. As I am Holy, from My Side stems My Holy Church, so that all My children will know Me, and be one with Me as My Father and I are one.

My children must not remain on Earth without awakening to the desire of unity with Me to which I call you.

My People listen to Me, each one in a personal encounter in which I speak and My children listen, and agree with Me that if you do not fulfill My precepts, you are not truly Christians.

THE GIFT OF LIFE IS SACRED, NO CREATURE CAN MAKE AN ATTEMPT AGAINST LIFE, AND IN THIS INSTANT I AM CROWNED WITH THORNS TIME AND AGAIN, constantly, because My People have not been able to wait with patience and faith; you have surrendered into the hands of false idols that have taken you to perdition. By ignoring the tentacles of evil, you have fallen into the claws of the enemy of the soul, and evil has diverted the righteous use of human intelligence that makes man a creator, not only for good, but pretends to create life, creating a Tower of Babel, and moving away farther each instant from My Will and closer to its own destruction of life.

I COME TO DEMAND CHANGE, CONVERSION AND LOVE, SO YOU CAN SPEAK ABOUT FAITH.

I come for those who love their neighbor as themselves, for My true children, who are not disguised, but live expressing spiritual compassion and with them also the souls that love Me and love and feel the pain of their brothers.

My beloved People:

It is the instant of courage, not through fighting; massacring your brother, but it is the instant of courage to proclaim My calls, warning your brothers of what is coming to this generation.

Beloved, do not forget that whoever acts upon their self-interest will continue saturated in their “ego”, increasing the poverty of unawareness. I call you to live in a constant Christian practice, where your neighbor is the reflection of My Love and My Presence.

Warn your brothers, without fear or obstacles according to My Volition, in this instant in which the demons hurled themselves diverting the souls to commit the most terrible abominations.

My Children, My Mystical Body, My Church will strongly suffer in the hands of those who, besieged by evil rage, they have blocked you from within. I will act with My Divine Justice, upon those who divert My People, deny the existing evil, are content with luxuries that come from My Altar, and they thwart My Word and spurn the poor and the hungry. My Church is not a Church of mundane luxuries, but to shepherd My Flock, it is not a Church of conflicts but of unity. My Church does not

exclude the poor, the hungry or the needy; My Church feeds the hungry and as a Mother, teaches My Law, and with My same Love steers My People to conversion.

Beloved children, come to Me, I wait for you patiently to unite you with My Volition. My Reign is for each one of Mine, it is not reserved for a small number of men, but for all who live and fulfills the Will of My Father.

My Law does not shift according to the instant or human interests, My Law is one and it is written down. My Love does not change, it is the same yesterday, today and always... I just need the conversion of My children.

My Beloved People, the Earth groans with labor pains.

- + for the blood it receives from so many innocents,
- + for the deception of communism,
- + for the hidden control of the freemasons,
- + for the power of the god money,
- + for the lie and deception in which My faithful People are absorbed in.

All Creation fulfills My Will, fulfills the function to which it was created. Man, who disobeying My Law, follow other men and puts me aside. Acts with pride and anger, scorn My calls, keeping away from Me and surrendering into the hands of Satan to become part of the people of the imposter: the antichrist.

I AM BETRAYED BY MY OWN, THEY HURT ME, BLASPHEME AGAINST ME, THEY HURT ME, THEY MOCK MY REAL PRESENCE IN THE EUCHARIST, THEY OMIT THE SACRAMENTS, THEY MOCK THE CONFESSION OF SINS, THEY COME TO CELEBRATE THE EUCHARIST OUT OF HABIT OR TO SECURE A PLACE IN THE COMMUNITY.

The economy, the god of man, falls by the decision of the manipulators of the world.

OH, OH, OH, when My Hand falls upon those who have usurp My Name!

Pray My People. Whoever doesn't pray is not true, it is a light varnish with no strength to resist the great attacks that will come.

Pray children, for My Church, will suffer unexpectedly,
Pray children, the Earth trembles, My children suffer, and the volcanoes will be an
obstacle so man will move from one place to another.
Pray children, evil encourages war, which grows rapidly.

My People, My People!, I am with each one of My faithful, do not be afraid, trust in My help. The Blessing descends from My House; My Word is living water that will renew man through the Presence of My Love for My children.

"I AM WHO I AM". I AM YOUR GOD.

My Blessing descends upon you.

I love you.

Your Jesus.

COMMENT OF THE INSTRUMENT

Brothers and Sisters:

LET'S SAY YES TO CHRIST, YES THAT HE WILL GOVERN OUR LIFE, NOW!

We are interrogated with harshness, so we can internalize within ourselves the truth of the Divine Word and make it life, and life in abundance, so we can be Christians capable of living, to practice and to proclaim the Faith in this world, and to give testimony of the inner transformation that gives us the capacity to relate with our fellowman, acting within the Divine Love towards our brothers, and bringing to society a human and spiritual response at the same time, the fruit of welcoming with humility the MESSAGE OF SALVATION.

Do not forget that prayer belongs to whoever is gifted with reason and it is necessary, not in order to alter the divine designs, but to be able to receive the Divine Help.

Let's remember the Psalmist:

"Many are the afflictions of the righteous; but the Lord delivers him out of them all."

Psalm: 34, 19

Brothers if we suffer, it is possible that this same suffering be an obvious proof that we are pleasing God. To love as God loves, is a gift of those who are spiritual, and not a mask of false religiousness.

Amen.

LUZ DE MARÍA'S MYSTICAL EXPERIENCE WITH THE MOST HOLY VIRGIN MARY AND A MESSAGE TO ALL HUMANKIND. FEBRUARY 10th, 2015

The Mother appears radiant like the morning sun breaking through the darkness that still taints the dawn; She reveals Herself by pushing away the clouds that overshadow the sky. Her face, like the purest porcelain, does not let me look away from her cheeks of a pure pink color like we will only be able to see in Paradise With so much splendor gathered around Her, My Mother immediately enraptures me with Her eyes—Pure and crystalline—that lovingly are more open than usual and talk to me with Her gaze; immediately some images come up: The purity of honey, the color of gold, the sun's rays as they shine through the clouds and seem to escape to manifest the great power of the star Sun which is stopped by nothing, and before setting it expands its greatness.

She looks at me as Mother who knows me and knows that I want to be tenderly wrapped and embraced. She smiles and in Her smile I see She takes pleasure in saying, "Do not cease to be like a child who approaches with hope and love." And She smiled at me... Oh, resplendent Sun! Blessed are thou among women!

The reflected light from Her dress seems to go all the way to the light brown hair with which She appears, and reflects like a rainbow that covers Her blessed Head.

Each detail on Her Mantle is a small flower that I recognize, and next to each flower a beautiful firefly gives off light continuously, flying around from one place to another producing the most beautiful shapes as if under the baton during a symphony. Suddenly at this instant butterflies of several colors turn up and move to form like a fine cord of pastel colors all around Her Mantle. Such natural and heavenly splendor!

Perplexed by all that beauty, I hear our Mother say:

My child of My Heart, transmit this vision to your brothers, My children. Do not wonder whether they will believe you or not; do it. And transmit to them that this splendor of the creatures that surround Me and embellish My Mantle, has been repairing for the absence of those who say they love Me and do not, those to whom I speak and transmit to them My Son's Will, and they refuse to announce it because mistakenly they are afraid and they worry about what other people might think or say.

Tell them that everything that has come from the Father's Hand has been to please His children, and man, because of his favored and consented ignorance, does not reciprocate; instead, he heralds new ideologies to adore the animal and the vegetable kingdoms, the sun, the moon, the wind, and man adores himself, his body as if it were immortal.

The Creation refuses to be adored by man; she complies with the Divine Will and fulfills the purpose which was designated by God. All that was created wails for a man who has lost his way subject to new practices, just like I announced it during My first Apparitions.

MAN WILL ABANDON THE TRUE FAITH TO EMBRACE IDEOLOGIES OR PRACTICES THAT WILL LEAD HIM TO EVIL BY CONTROLLING HIS MIND WITH FALSEHOODS, WILL GUIDE HIM ON THE WAY TO ONE UNIQUE RELIGION THAT THE RUTHLESS FOLLOWERS OF THE ANTICHRIST WILL DEMAND.

At this instant I hear Her Immaculate Heart beat, and our Mother exclaims:

Children:

**MANY SOULS ARE LOST WHEN THEIR FACULTIES ARE STOLEN FROM THEM IN ORDER TO SUBDUE THEM ... AND THEY ARE NOT EVEN AWARE OR IT.
THE MIND IS CLOUDED AND MAN'S FACULTIES ARE SUBDUED TO MAKE MAN SIN AND OFFEND MY SON...**

In light of this Truth, it is urgent that My favorite children use the force of the Word given by the Holy Spirit to awaken the souls they must rescue.

The world evolves and evil over-evolves.

MY CHILDREN MUST INFORM THEMSELVES AND ALERT THEIR PEERS; EVIL DOES NOT HOLD OFFICE HOURS NEITHER DOES IT CLOSE THE DOORS AT ANY ONE TIME. EACH INSTANT THE DEVIL WORKS 24 HOURS AND MORE...

Man has come to what I announced: When he wants to get close to My Son in the Most Holy Sacrament, he doesn't find any Temples open where he can appease the asphyxia he carries within himself because of the daily suffering.

Cruelty is on the increase. So many lies are hidden from humankind by the great politicians and their alliances with communism, terrorism, ill-employed technology, and provoked diseases, science at the service of evil and nuclear energy!

Do not despair, My Son's faithful children. The tortured groaning of men is not far away.

My Son's Justice is truthful and no man can stop it... He is Just and Merciful, and at this instant He comes as Judge.

**WHO WILL HAVE TO HIS NAME THE NECESSARY PRAYERS AND CONTINUOUS SUBMISSION.
WHO WILL NOT TASTE THE DIVINE JUSTICE?**

In the middle of this dismemberment, nothing stops evil except the man who overcomes his own human ego and overthrows his pride.

Children:

UNDERSTAND THAT WHEN YOU REFUSE TO CHANGE AND REJECT CONVERSION, YOU WILL NOT BE ABLE TO KILL THE EGO, AND IT WILL CRUSH YOU LEADING YOU TO REBEL AGAINST HEAVEN'S REQUESTS.

My beloved:

At this instant you must gird the way; the senses—saturated with impurities-- betray the man: pornography, uncontrolled sex, drugs that paralyze the senses and destroy mind and body. Woman's immodesty—not fearing to exhibit her body—will be harshly punished by My Son. My true children must not expose themselves with such practices since they debase the senses and lead to the disseverance of marriage when man does not value the wife and the wife does not value the husband.

Beloved:

THIS INSTANT'S DECISION IS PERSONAL, YOU MUST MARK OFF THE PATH TO CONVERSION SINCE THE SENSES BETRAY YOU BECAUSE THEY ARE NOT SUBJECT TO THE DIVINE WORD AND HAVE NOT BEEN EDUCATED SPIRITUALLY.

Man's heart does not accommodate My Son, dishonest human whims have hardened it and pride reigns over humankind.

MY SON COMES BACK FOR HIS FAITHFUL. THE FAITHFUL OBEY, DOES NOT RISK ETERNAL SALVATION, DOES NOT HESITATE TO RESPOND TO HEAVEN'S REQUESTS BECAUSE HE KNOWS THAT IF HE PREDISPOSES HIMSELF WITH A GENEROUS SPIRIT, GIVING UP THE MUNDANE, HE WILL RECEIVE ALL BLESSINGS THAT WILL MAKE HIS PATH EASIER.

Beloved of My Immaculate Heart:

MY SON WILL MAKE HIS BLESSING DESCEND OVER HIS PEOPLE DURING THE INSTANTS OF GREATEST TRIBULATION. Divine Assistance will arrive when you meet evil and his devils face to face. It's in order for you not to forget that evil will not prevail over good, that you are light of the world and salt of the Earth; Do not forget that you are apostles of My Son, and My beloved

Do not be afraid. Go deeper within My Son and His Teachings He will amaze you with His Love; and from the Father's House will descend to you the one that will be Encouragement, Peace, Love, Preacher, Protector of the faithful People who suffer. He will arrive as promised, to restore My Son's People. You will recognize him when his heart reflects My Son's Love.

DURING THE INSTANTS WHEN THE ANTICHRIST WILL RUTHLESSLY RELEASE THE DEVILS AGAINST HUMANKIND, ASK MY SON TO SEND TO YOU HIS PROMISE FROM HEAVEN TO EARTH. TRUSTINGLY WAIT FOR THE DIVINE WORD THAT NEVER FAILS REGARDLESS OF HOW MUCH MAN FAILS.

Beloved children of My Immaculate Heart:

Continue being attentive to My Calls and fused together in prayer for the United States which will continue to suffer.

Continue in prayer for Chile, Uruguay, and Mexico; evil looms and Nature purifies them.

Pray for Ukraine, blood is spilled.

Children, you who continue to have faith in My Calls and in My Intercession, do not cease to alert your brothers.

DO NOT HOLD BACK, PRAY, RECEIVE MY SON, BE SPIRITUAL STRENGTHENERS OF THE MYSTICAL BODY. PRAYER EXTENDS TO INFINITY AND IS RECEIVED BY THE THIRSTY SOULS. OFFER YOUR SUFFERING FOR THE SALVATION OF THE SOULS.

I love you and remain joined to each one of My children every instant.

Mother Mary

Later our Most Holy Mother took the Globe in Her Hands, kissed it, and with her blessed Lips kissed the innocent blood on several continents. Our Mother sheds tears over the Earth and over each of the beings that were hanging on to Her Mantle at that instant, and they remained inert, each one feeling the Most Holy Mother's pain. The Mother's Mantle does not shine, it takes on a solid color, and with the Globe in Her Hands, I see Her slowly vanish.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
FEBRUARY 14, 2015**

Beloved children of My Immaculate Heart:

MY LOVE IS THE FORCE THAT LIFTS MY CHILDREN WHEN THEY ASK FOR MY IINTERCESSION.

At this instant, man knows not Love; he is an inanimate heart that continues beating in the spirit without true life.

How many feel touched when they see images that represent My Son on the Cross?

The Cross that My Son carried is still the same...

The Love, the same...

The obedience, the same...

The pain, the same...

The offering, the same...

The giving of Himself, the same...

But something changes every instant:

The executioners that flagellate My Son change:

With disobediences each one flagellates Him ...

With the lack of Love for the neighbor...

With rebelliousness...

With the acceptance of sin...
With disloyalty...
With lies...
And with arrogance...

The nails change; at this instant they turn heavier. When do they change?
When each creature denies the transformation of this generation submerged in the pleasing of the human will...
When he denies My Son's Truths, and substitutes them with fake modernisms...
When he denies the signs of the times and the power that has been given to satan for him to establish dominion over man...

CHILDREN, STOP! LOOK AND SEE HOW YOU ARE DYING LITTLE BY LITTLE...LIVING DEATH!

My children coexist with all that is alien to the Divine Will; My children coexist with the personification of violence, of rage, of treason, of hatred, of rancor, of crime, of evil, of lovelessness that wounds My Son once more.

My beloved:

The will of man cruises in a sea contaminated by irreverence, by evil, by lust, by vainglory, and by pleasures.

Children:

SELFISHNESS BRINGS PAIN TO FELLOW MAN. THE TRUE CHRISTIAN DOES NOT CAUSE PAIN TO THE FELLOW BEING; INSTEAD, THE TRUE CHRISTIAN DIMINISHES HIMSELF IN ORDER FOR THE FELLOW MAN TO GROW.

I come to you, My children...

I come to you who continue on foot, who delve in My Son's Love so as to become repeaters of the Divine Love and to comply with the First Commandment.

At this instant, the lukewarm divagate without being aware of the decisive instant in which they live. I suffer because of the voluntary deprivation in which those souls keep themselves; they do not enjoy the Supreme Force with which My Son blazes inside those faithful to Him, they do not enjoy reasoning or having their intelligence filled by the Holy Spirit.

Beloved:

**GROW, GO DEEP IN YOUR INTERIOR AND YOU WILL FIND MY SON...
DO NOT LOOK FOR HIM OUTSIDE, THERE YOU WILL ONLY FIND THAT WHICH IS FINITE.
STRENGTHEN YOUR KNOWLEDGE, BE MORE SPIRITUAL, AND NAVIGATE TOWARDS MY SON'S
HEART WITH THE OARS OF FAITH AND LOVE, SUPPORTED BY THE CROSS ON WHICH YOU WERE
REDEEMED.**

Children, hunger traverses the Nations and you remain indifferent until hunger is generalized. The contaminated soil does not give healthy fruit, just like the loveless man is feared.

Beloved children:

THIS INSTANT IS THE INSTANT OF ALL INSTANTS...

A comet travels forcefully through space. It is still not visible to man.
The plague advances steadfastly towards man who does not believe any of the warnings given out of Love by My Son's Home.

BE CREATURES WHO LOVE THE TRUTHS REVEALED BY MY SON; BE CREATURES OF FAITH, NOT FEELING, NOT CONJECTURE. BE CREATURES OF FAITH.

The one who separates from the Light due to a perversion of his thinking, separates himself from the True Faith.

Children:

As you walk, do not oscillate between the mundane and My Son. The lukewarm will be vomited from the Father's Mouth.

FIGHT FOR YOUR CONVERSION, FIGHT WITHOUT PARTAKING WITH WHAT IS NOT MY SON'S WILL; DO NOT CONTAMINATE THE SENSES BECAUSE THEY PASS FROM THE BODY TO THE SOUL, WHICH IS IN TURN CONTAMINATED IN ORDER FOR YOU TO CARESS SIN AND SUCCUMB TO IT.

Pray, children, pray for Argentina, pray for peace in that nation.

Pray, children, pray for Puerto Rico; it will suffer.

Pray, children, pray for Italy; terrorism will bring pain to it.

Beloved children of My Immaculate Heart:

My Son is King of Glory and Majesty; return to Him; no one is above Him.

My Son's People will be purified, not defeated. For this you must be strong in your Faith and be unity.

**MY SON'S PEOPLE WILL BE SUCCORED;
THEY WILL NOT FACE ALONE THE INSTANTS OF GREATER TRIBULATION.**

Pray, beloved children, so the Divine Will be fulfilled.

THE DIVINE MERCY WILL SEND THE ONE WHO WILL PROTECT HIS PEOPLE.

Pray so these Divine Designs be not interrupted by human will.

**DO NOT BE AFRAID, CHILDREN, DO NOT BE AFRAID...
I REMAIN ADVOCATE OF ALL HUMANKIND BEFORE MY DIVINE SON.**

My Maternal Love blesses you.

Mother María

THE INSTRUMENT'S COMMENTS

Brothers and Sisters:

HUMANKIND IS GOING THROUGH SERIOUS INSTANTS...

Evil attacks man at the points where he is weakest and, at the same time, the ones that make him feel more powerful and having dominion over everything; this way, man feels indispensable and self-sufficient and, thus, breaks away from the Divine Will.

As King of all things created, Christ has complete dominion over everything; with His Precious Blood He rescued us; and yet man continues failing to be completely faithful to God.

The Mother says that at this instant man partakes with sin and flirts with the merely mundane. Here is the danger of becoming lukewarm, because in order to enter God's Kingdom, He requires penance, preparation, and the acceptance of the cross.

As God's children, we are certain that we will not be abandoned; God will send us Help from His House, but we must continue being faithful, we must get to know Christ and be saturated with Him in order to comply with His Will.

**LET US PRAY WITH HUMILITY, STRENGTH, AND WISDOM,
THAT WE NOT BE THE REASON FOR THE DIVINE PLANS TO BE HINDERED.**

We are all children of the same Father; let us coexist in the world in brotherhood and aware of our surroundings.

Amen

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
18 FEBRUARY, 2015**

My beloved People, My suffering People:

I walk beside each one of My children who goes like sheep to slaughter...

**AT THE BEGINNING OF THIS TIME OF LENT, MY FAITHFUL WILL ENDURE EVEN MORE, SHARING
BESIDE ME:**

My pain for the unconverted...

My pain for the rebels...

My pain for those who do not love Me... and
My pain for those who, knowing Me, do not heed My calls and scorn Me...

My People, My faithful People suffer and endure persecution. It will spread all over the world, but
My children must keep the Faith in My Protection.

You, faithful to My Will, will sit at My Table, at My Side:

**DO NOT FEAR LOSING YOUR BODY, DO NOT FEAR LOSING YOUR LIFE...
FEAR OFFENDING ME AND LOSING ETERNAL SALVATION.**

Where is the fraternity of My Church?

I do not hear a call for a prayer in fraternity of all countries.

I do not hear a call to a world day of prayer...**WHEN THE PEOPLE CLAMOR, I ANSWER.**

**DO NOT REMAIN INDIFFERENT BEFORE THE PERSECUTION OF YOUR FELLOW MEN, BECAUSE IT
WILL SPREAD AND I SHALL LISTEN TO A SINGLE CRY.**

I do not listen to a day of fasting to minimize the violence against My People.

I do not listen to a vigil of prayer, asking for the killing of My innocent children to minimize.

**WHERE IS MY CHURCH, THAT DOES NOT SUCCEED IN CONVENING MY PEOPLE FOR ME TO HEAR
THEM?**

My children, My People:

**I, YOUR BEREAVED CHRIST, CALL ON YOU THIS FRIDAY TO A WORLD DAY OF PRAYER TO MY
HOUSE, FOR ALL THOSE WHO AT THIS TIME ARE SUFFERING PERSECUTION FOR FOLLOWING
AND LOVING ME.**

My beloved People, suffering and aching, only you who remain faithful to Me, pray for your brothers
and for yourselves to, at the moment of the trial, you will not deny the Faith, the Belief and Love in
Me.

My beloved People, humanity for the most part, continues to be indifferent looking from afar the
pain of your fellow men, looking from afar at what is happening this very moment to My faithful
People...

**OPEN, OPEN YOUR EYES! OPEN YOUR THINKING! DO NOT KEEP ON WALKING BLIND, THAT HE
WHO HURLS HIMSELF AGAINST MY PEOPLE DOES NOT STOP, BUT YEARNs FOR THE BLOOD OF
MINE.**

**DO NOT LOOK FROM AFAR AT THE SUFFERING OF YOUR BROTHERS...
SUFFERING WILL INCREASE ALL OVER THE WORLD IN THIS HOLY LENT.**

Terrorism is the product of renouncing to the Faith in Me.

YOU STILL DO NOT PERCEIVE INSIDE OF YOU THAT THE STRUGGLE OF THIS MOMENT IS SPIRITUAL.
The demons fight for the souls to take My children away from Me, but as you continue to be

spellbound by all that is mundane and you do not internalize it, and you do not grow spiritually, you do not perceive this struggle that you do not see with the eyes of the body, but that you can feel with the constant temptation to which you are subjected.

In this Holy Lent I call upon women to stop that constant temptation to which they expose men.

In this Holy Lent I call on man to resist the temptation of evil, for him to be faithful to Me and to not let his soul to be taken from Me.

My beloved People:

YOU HAVE TRANSGRESSED ALL MY LAW, AND IN THIS SPACE OF MERCY, I CALL UPON YOU TO TRULY REPENT OF ALL SIN AND TO DELIVER YOURSELVES TO ME AS A LAST OPPORTUNITY FOR MY CHURCH TO UNITE WITHOUT DISTINCTION AND TO CRY OUT TO ME.

This is a spiritual battle, but war shall second this one. The Third World War will be the greatest scourge ever seen. And should I not intervene in that coming war, all mankind would disappear, but I shall rescue my Holy People and I shall shelter it in My Heart next to My Mother, to banish the enemy, whom already has shown itself among mankind without mankind having detected it.

**THE ANTICHRIST REBELS AGAINST ME WITH SIGNS, AND MY PEOPLE HAVE NOT PERCEIVED IT.
MY PEOPLE! WAKE UP FROM THIS TORPOR, REBEL AGAINST EVIL, SAY NO! TO SATAN.**

Pray, My children for the United States, which shall continue to be scourged.

Pray, My children, pray for Japan, for it will suffer the trembling of the earth, spreading contamination to the world.(1)

Pray, My children, for those who having taken up hatred towards My People, are ALREADY in several Nations to cause pain and death.

My beloved People:

How much would this Your Jesus wish to communicate to you so many Eternal Truths that await you! But if He did so, they would divert towards the Eternal and Marvellous and would cast aside this moment in which they live in shadow, loneliness and persecution. My children tend to that which does not give us pain.

Remember:

My Law is one, the same it was yesterday, today and always.

My Commandments must not be reformed, My Commandments must be respected by My People.

One is My Law, as One is My Word and One is the Holy Scripture. Do not break it, this would mean that My People rises against Me.

My Church shall be shaken, it will be divided, but those of you faithful of Mine who follow My Word, continue to comply with My Calls.

I AM NOT A GOD OF MODERNISMS , I AM A GOD OF MERCY AND JUSTICE.

My beloved People:

MY LOVE IS ETERNAL. I AM MASTER OF ALL CREATION. WITHOUT ME YOU CANNOT WALK STRAIGHT.

Offer prayers, offer fast for My Church and for yourselves so that Faith does not falter, since you shall face cruel moments, moments of horror.

My children, do not be attached to the mundane, do not be attached wordly goods, fight against the human “ego” that tries to lead you astray so you continue on the current of the world.

I INVITE MY FAVORITE SONS TO WAKE UP MY PEOPLE, SO THAT FULFILLING THE FIRST COMMANDMENT, THEY PRAY FOR THEIR FELLOW MEN WHO SUFFER ON ACCOUNT OF ME.

My beloved People:

Do not totter at this time. This is what evil wants, because of this, he who does not pray is totally at risk of falling prey to satan, he who does not pray cannot call himself christian.

He who follows Me, acts and behaves like Me. I prayed to My Father so that My Disciples, following My teachings, would pray and in prayer they could find the shelter and strength that My Holy Spirit would give them.

Visit Me in the Sanctuary, welcome Me, but before receiving Me I wish you to be in state of grace, without pretenses.

My People, My children:

Prepare yourselves to sit at My Table, but before you do, prepare to be part and witness of the crucible.

**Pray, My children for Italy, pray fervently.
Pray, volcanoes will continue to awake.**

My People:

**I REMAIN IN EACH OF YOU, IN THE TIMES OF TRIAL, YOU SHALL NOT LACK STRENGTH.
MY MOTHER WILL BE BESIDE YOU SO THAT YOU DO NOT TOTTER BUT RATHER WALK IN UNISON
AS ONE HEART.**

Join in a single heart of love, fraternity and prayer.

**I SHALL COME TO EXAMINE THE CONSCIENCE OF EACH ONE BEFORE MY SECOND COMING.(2)
MY PROTECTION IS SAFE, MY MOTHER DOES NOT ABANDON YOU AND YOUR COMPANIONS ON
THE ROAD HELP YOU.**

**THEY SHALL RESCUE MY FAITHFUL PEOPLE, SINCE I SHALL NOT ALLOW MY FAITHFUL TO FALL
PREY TO THE INFERNAL ENEMY, HE SHALL NOT WIN.**

Continue by My side, I dwell in each of you, I shall not leave My people at the mercy of their enemies.

I Bless you, My People, I bless you.

Your Jesus,

COMMENTS OF THE INSTRUMENT

Brothers and sisters:

living this penitential and at the same time merciful Lent, I cannot avoid the fact that we are called upon to fully live the unity of the people of God.

The big problem of the human being is individuality, that mistaken concept of thinking only of me and for me. We are not isolated human beings, rather we live in community and as such, we have to look after one another. Thus, pray with fraternal love for those who suffer cruelly, because we don't know who will be suffering tomorrow.

Jesus is the way and the truth and the life, and that is so. This we believe with faith, not an imposed but a responsible faith and conscious that without God I can do nothing. We have before us the Divine Mercy, just like we have the precipice. Each one chooses which path to take.

Let us remember Jonah, who preached for forty days in Ninive asking for prayer and repentance. The people reacted and God responded favorably. Will Ninive be the exception to the rule? No, brothers, prayer is powerful, but somebody must open it.

We, as Christ tells us, must be those creatures of His, devoted to the Holy Scripture, with the certainty that the Divine Word is one, the same as yesterday, today and always.

Lets implore that in this moment of conversion we shall be more merciful, more fraternal and more committed to God and to our brothers. To recognise ourselves as sinners and to cry when you feel pain does not minimize the human creature, but rather makes it aware of and more conscious of the suffering of others.

Christ wants hearts of flesh, sons learned in the spirit so that their conscience is at the height of the Man God.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
21 FEBRUARY 2015**

Beloved children of My Immaculate Heart:

Beloved People of My Son and Mine, I bless all of you.

**AT THIS INSTANT IN WHICH THE CHILDREN FAITHFUL TO MY SON CARRY THE CROSS PAINFULLY,
YOU MUST KNOW THAT MY SON CARRIES THE HEAVIEST LOAD OF THE CROSS ON HIS SHOULDER
SO THE CROSS WILL NOT BE SO HEAVY OR SO PAINFUL FOR YOU.**

My Son merged with the Cross to give Himself on It for each one of you, for the Redemption of the human race. Christians have identified themselves with My Son's Cross because they know that It is not only pain but also Joy, Love, Redemption, Salvation, and Eternal Life, plentiful Life...

**AT THIS INSTANT I DO NOT WANT CHILDREN WITH A FALSE RELIGIOSITY...
I WANT SPIRITUAL CHILDREN TO MERGE WITH MY SON'S LOVE AND MY PROTECTION.**

It is easy to simulate religiosity when it does not spring from deep in the soul; but to be a spiritual creature of God, now that, that means:

**EFFORT, GIVING OF YOURSELF, COMMITMENT, COURAGE, CHARITY, FAITH, SACRIFICE, AND
LOVE...
AN ABUNDANCE OF LOVE TOWARDS THE NEIGHBOR.**

My Son wants a People to live and act in His Will and to comply with His Commandments, because the one who complies with The Commandments refines and purifies himself, nullifies his human self, his "ego", and rises courageously above all his wishes leaving them aside to rise with the Divine Will and My Intercession.

Beloved children of My Immaculate Heart:

Humankind is completely convulsive. To a certain degree, in a few countries people still live in peace and tranquility, but the great majority of the human race has sunk in a convulsion just as I announced would happen when the time for the public appearance of the enemy of the souls, the enemy of the true Christians, the antichrist, were near.

Children, when you separate yourselves from My Son's Will, when you reject My Son, when you do not understand Him, when you push Him aside, when you forget Him, when you feel like gods capable of giving and taking lives, you allow satan to get in, to take hold of your reasoning, to fog it up, to take hold of your intelligence, to make man use it in evil ways, to take hold of your thinking, to control it and fill it with thoughts contrary to the Divine Will. This is why terrorism has produced such a commotion at this instant throughout the world.

HUMANKIND NEEDS A LOT OF PRAYER!

AT THIS INSTANT THOSE WHO HAVE BEEN CALLED TO A SPECIFIC MISSION, THOSE WHO BELONG TO PRAYER GROUPS IN MY SON'S CHURCH OR IN THE COMMUNITY NEED TO BE ONE THROUGH PRAYER IN ORDER TO GROW STRONG AND ALLOW THE DIVINE SPIRIT TO GUIDE YOU ALONG THE RIGHT PATH!

NO HUMAN CREATURE WILL BE A TRUE CHRISTIAN WITHOUT PRAYER, WITHOUT BEING CLOSE TO MY SON, WITHOUT ADORING MY SON, AND WITHOUT RECOGNIZING HIM.

The only One worthy of being adored and followed, is My Son. You know that false prophets will rise calling themselves "christ". Be careful! Likewise, rulers of great nations will rise and focus on a struggle until they can take humankind to the Third World War.

Pray, My children, pray for Italy.

Pray, My children, what I have announced is soon to happen.

MY SON'S CHURCH WILL TREMBLE FROM ITS FOUNDATIONS. It will be divided and purified. My Son's Church will be crucified once more. Again, those who do not love My Son will crucify My Son's Church sowing chaos and terror.

Beloved children of My Immaculate Heart:

WAKE UP! STOP DENYING THE REALITY IN WHICH YOU LIVE AT THIS INSTANT

!

Open your spiritual eyes and, through them, allow the eyes of the body to take the correct information to that sleeping intelligence, that reasoning you have placed in satan's hands, so that you will understand NOW how dangerous is this instant in which humankind finds itself.

The response to My Son's call for Prayer Worldwide has been completely positive. My Son has been anointed with the prayers of so many lovers, so many souls in love with Him! This is just the beginning.

ALL OF MY SON'S PEOPLE MUST BEND THE KNEES BECAUSE

SATAN IS LASHING OUT STRONGLY AGAINST MY CHILDREN.

My beloved:

Pray for Russia, it will make humankind tremble.

My children:

Do not let go unnoticed anyone who refuses to vow on My Son's Word, because by refusing to recognize My Son as the True God, the enemy will facilitate the whole way so he will cause a good impression before the world while preparing the great assault behind its back.

My children of My Immaculate Heart, each instant has stopped being an instant apace. They have already been talking of peace and this is when war is near.

My children:

I EXTEND MY HAND TO YOU TO INTERCEDE FOR EACH ONE.

My Son knows absolutely all of you. You are His children and He loves you. He loves even those who do not love Him and do not recognize Him as their God. But you-**THE FAITHFUL PEOPLE WHO RECOGNIZE AND LOVE MY SON—YOU MUST BEND YOUR KNEES AND CLAIM THE SAINTS' HELP, CLAIM THE ASSISTANCE OF YOUR PROTECTORS AND OF YOUR PARTNERS ALONG THE WAY.**

You are not alone on the Earth. Open your heart and your spiritual senses; get close to My Son, adore Him, adore Him in the Most Holy Sacrament of the Altar; receive Him properly prepared, otherwise, don't do it.

MY SON IS THE KING OF KINGS. WHEN THE ENEMY PUBLICLY UNLEASHES ALL HIS POWER AGAINST THOSE WHO ARE FAITHFUL TO MY SON, I WILL COME WITH YOUR PARTNERS OF THE WAY, WITH ALL THE THRONES, POWERS AND DOMINIONS, I WILL COME TO RESCUE MY SON'S PEOPLE.

Before this happens, there will be other events that I have already announced. Little by little My Son's People will go through purification, but you must remain together loving one another as one.

THOSE WHO SUFFER BECAUSE OF STRIFES, RECONCILE LEST SATAN DESTROY WHAT MY SON HAS BUILT BECAUSE OF YOUR LACK OF UNITY.

**LOVE ONE ANOTHER AS BROTHERS; YOU ALL GO TOWARDS THE SAME PATH:
TO MEET UP WITH MY SON, TO MEET UP WITH THIS MOTHER.**

Beloved children of My Immaculate Heart:

Be obedient that you may be protected, but bear in mind that this will not exempt you from the Purification, from the Tribulation. Delve deep, get to know My Son, get to know Me. I have revealed Myself to so many human creatures, and there are so few who in complete freedom to serve My Son, faithfully transmit Heaven's Calls.

**HE WHO SPEAKS THE TRUTH WILL BE PERSECUTED JUST AS MY SON WAS PERSECUTED;
BUT HE WHO LOVES MY SON MUST NOT BE AFRAID.**

My children:

Nature rebels against the men who do not act in Divine Will and lashes out against large coastal areas of several countries.

**Pray for Chile; pray for San Francisco.
Pray, the United States will continue to suffer because of Nature.
Pray. One and another country will suffer in South America .Brazil will tremble.**

My children:

**WAKE UP! THE WHOLE CREATION IS TALKING TO YOU!
WAKE UP, CHILDREN! BE PREPARED!**

My Son will come for His People, in Glory, Power, and Majesty. He comes for His children. The land will tremble, the waters will stir, the Heavens will open, and your Partners of the way will announce to the whole Creation that the King of Glory and Majesty is coming for His children. All of Nature will pay tribute and honor The King; and those who did not believe will tremble before such power and majesty.

**CONVERT, CHILDREN, SO THE TRIBULATION WILL NOT MAKE YOU FALL IN THE HANDS OF EVIL.
THOSE WHO REMAIN FAITHFUL TO MY SON WILL ALWAYS HAVE THE REQUIRED HELP.**

When you suffer hunger, Nature will give you food; when you feel thirsty, Nature will quench your thirst; because the one who complies with My Son's Will is recognized by all of Creation that lives to fulfill the purpose for which it was created.

**YOU ARE NOT ALONE, CHILDREN. HE WHO IS FAITHFUL IS LIGHT IN THE DARK, LIGHT WHICH IS
SEEN FROM HIGH ABOVE AND IS UNMISTAKABLE. HE WHO IS FAITHFUL IS INCENSE
PERMANENTLY GIVING GLORY TO MY SON, EMANATING HIS AROMA TO MY SON'S THRONE.
THE PRICE OF ONE WHO IS FAITHFUL IS INFINITE.**

My children:

DO NOT FALL INTO DECAY. MY MANTLE COVERS YOU; MY MANTLE WILL COVER YOU. If necessary, My Mantle will place Itself in front of you to prevent evil from looking at you and from touching you.

KEEP UP YOUR FAITH AND YOUR TRUST IN MY SON AND IN THIS MOTHER; WE WILL NOT ABANDON MY SON'S FAITHFUL PEOPLE, NOT EVEN FOR AN INSTANT.

You, My children, come to My Immaculate Heart; It is the Ark of Salvation for all. Climb into My Immaculate Heart, into this Ark of Salvation, and take refuge in My Heart.

Beloved children:

I bless each one of you. I love you, and as your Mother My extended Hand is in front of each one of you so you will allow Me to accommodate you in My Ark of Salvation.

My Motherly Blessing be for each one of you a comforting balm of love and faith at these instants of confusion.

I bless you. I am the Sweet and Tender Mother, the One that does not move away, the One that does not disregard Her children.

I love you. My Blessing in each one of you is the precise assistance. My Love be in you. I bless you, keep up the Faith.

THE INSTRUMENT'S COMMENTS

Brothers:

GOD WANTS ALL HIS CHILDREN TO BE SAVED AND TO GET TO KNOW THE TRUTH...

Christ has been totally precise and has asked all men to keep the Revelation contained in the Holy Scripture whole and that it be transmitted like that, without changes or adjustments.

The Most Holy Mother wants all of humankind to acquire once and for all the awareness that what we are living during this instant is nothing other than what She has already announced for humankind to avoid. But the excess of pride in man has led him to want to surpass God and, with this transgression, man has given his conscience to the devil, and the devil has made him not be

conscious of his acts thus making this generation see everything as normal and continue decaying and turning themselves in to the evil one.

We are all called by the Mother to be reborn to conversion. Each son of God is capable of keeping a relationship with Christ and with the Most Holy Mother, but in order to accomplish this, we must be more spiritual, we must keep an eye out for the Faith, keep vigil; we must believe that no matter what happens no one will separate us from Christ's Promise that we will be taken to the Eternal Life.

The Most Holy Mother reminds us that God doesn't do anything without warning His prophets; but some brothers say, "If God exists, why would He do something so terrible like what is announced in the messages?" They do not understand is that God is not the One who does it; it is man who generates these terrible things with his wrongdoing, denying that God exists.

Prophecies are not symbolism. Anyone who thinks so does not know the Father's Son. In Isaiah 30:10 we read what the people say to the prophets, "who say to the seers, 'Do not see'; and to the prophets, 'Do not prophesy to us what is right; speak to us smooth things, prophesy illusions..." (New Revised Standard Version Catholic Edition (NRSVCE))

Our Holy Mother gives us a whole panorama, open, concise and clear of that which is credited as good and is not. Likewise She warns us to recognize the Signs of the Times: he who rejects God is not with God and this signifies one more warning for the People of Her Son.

Let us not ignore the events, but let us be sure that "If God is for us, who can be against us?" (Rom 8,31)

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
AT THE SANCTUARY OF THE VIRGIN OF GUADAUPE, MÉXICO
23 FEBRUARY 2015**

Beloved children of My Immaculate Heart:

**STANDING BY THE CROSS I RECEIVED FROM MY SON
ALL OF HUMANKIND, WITHOUT DISTINCTIONS.
ALL ARE MY CHILDREN AND I LOVE THEM ALL.**

I come to each one like a Carrier Pigeon with a Message of Love. It is man who decides to love Me or not to love Me.

AND HERE FROM THE TEPEYAC ONCE MORE I EXTEND MY MANTLE OVER ALL OF HUMANKIND; I INVITE YOU TO RETAKE THE ROAD TO CONVERSION.

As My Son's First Disciple, I come and extend My Mantle towards all the faithful disciples of this instant so that, with renewed Faith and by becoming more spiritual, each one can willingly decide to take his own cross and follow the path that My Son has designed for each and all of His children.

My Son loves all equally and I love all equally. I wait for all with My Heart open.

Beloved children:

Be humble and simple; it is not you who tell My Son when to explain His Word and when not to do it.

**ENOUGH OF HUMANKIND'S DISPERSED WAY OF WANDERING!
THIS GENERATION GRAVELY OFFENDS MY SON AND HURTS MY HEART.**

Your brothers suffer in the name of My Son, and those who are here in front of Me at this instant, look at Me while living an apparent peace all around you, while men, women, and children--like you--suffer because of the Faith in My Son's Word and because they love Him more than they love their own lives.

I see so many of My children, even those who are before Me, with empty hearts without thinking, not even for an instant, about those to take My Son's Cross and on It fuse themselves in the Father's Will.

So much despair in the human beings!
So much pain coming near humankind in general!
So much lack of conscience!

**YOU ARE ONE STEP AWAY FROM THE UNLEASHING OF THE WAR DUE TO HUMAN VAINGLORY
AND THE EXCESSIVE WISH FOR POWER.**

So many politicians and so many experts have forewarned of the war! And you listen to them, but not to Me; I have been announcing the beginning of this Great Tribulation for humankind and the potential for nuclear destruction in the hands of so many countries at this instant...

***Luz de María:** Our Mother allows me to see how a small nuclear bomb is dropped on the land and a windstorm is formed, which in turn forms like a whirlwind with great speed but almost imperceptible; a ball of fire emerges and forms a mushroom that goes up into the atmosphere. Everything is covered by the expansion wave of the bomb; then silence. I see a*

great number of human beings that immediately drop dead, others have serious lesions like severe burns; I see the people fight against sweltering heat which--along with other causes--kills a great many human beings. I see that communication systems are rendered useless. Fires extend throughout many areas.

Our Mother goes on to say:

ATOMIC ENERGY IS THE GREATEST THREAT TO THIS GENERATION. Man knows not to control himself, and nuclear energy is in the hands of men.

You were waiting for the advancement of Communism as a sign and yet at this instant there are so many communist countries and the people are not even aware of this! But the rulers with communist ideas transform the innocent people into followers of this great scourge.

CHILDREN, DO NOT WAIT ANY MORE. WHEN THE MOON ONCE AGAIN TAKES THE COLOR OF BLOOD, BEND YOUR KNEES BECAUSE YOU WILL BE A STEP AWAY FROM THIS GENERATION'S GREAT LAMENT.

From an unthinkable small country, the one who will lead and manipulate great powers has emerged. This is the way evil works: in secret so as not to be discovered, in what is small so as not to seem a threat, in the unthinkable so as not to allow for time to reach conclusions.

My children:

I have called you so much and you have not obeyed!
I have looked for you so much and you have rejected Me!
I talk to you so much and you ignore My Words!

Pray, My children, pray for Colombia. It will be strongly shaken.

Innocent blood has been spilled in that nation.

Pray, My children pray for Japan. At this instant it is a silent scourge that slowly embraces all humankind. Japan will tremble once more and what man sowed there will slowly spread and contaminate a great part of the oceans.

My beloved children:

Pray for Venezuela. That beloved people will be purified and
My children's blood will be spilled.

Children, beloved children:

Pray for Argentina, it will suffer for the same man.

My children:

**DO NOT IGNORE MY CALLS TO PRAYER.
YOU MUST PRAY TO STRENGTHEN THE FAITH, AND IN PRAYER YOU WILL FIND SOLACE IN THE
FACE OF ADVERSITY AND THE GREAT TRIBULATIONS THAT ARE ABOUT TO ARRIVE.**

The weather will whip the whole Earth; where there was sun, now there will be cold, and where there was cold, there will be heat

My children:

**CLOSE YOUR EYES, DELVE IN THE INTERIOR SILENCE AND ALL TOGETHER IN ONE SOLE HEART, AS
BROTHERS AND CHILDREN OF THE SAME FATHER, CLAMOR TO MY SON FOR HIS KINGDOM TO
BE ESTABLISHED AGAIN ON THIS EARTH.**

With a contrite and humbled heart, wait to be examined.
Each one in particular, walk looking up on high

**MY SON WILL NOT LEAVE HIS PEOPLE ALONE. HE PREPARES THE ENVOY FOR HIM TO
ENCOURAGE HUMANKIND AND ASSIST THOSE WHO ARE ABOUT TO FALL PREY TO THE
CLUTCHES OF EVIL, DECEIVED BY THE MAIN TENTACLE THAT WILL SHOW THE FACE OF THE
IMPOSTOR. HE WILL USURP MY SON'S THRONE ON EARTH.**

As brothers, all children of the same Father and of this Mother, constantly elevate prayers.

Be duly prepared to receive My Son's Body and Blood. Be compliant with The Commandments.

Facing humankind I extend My Mantle and welcome all those who come to Me and I intercede for all before My Son.

Receive My Maternal Blessing. The beating of My Heart out of love for each one of you, expands all over humankind.

I bless you, receive My Peace and receive My Maternal Blessing.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

OUR MOST HOLY MOTHER REVEALS TO US THE URGENCY THAT HUMANKIND IS FACING...

This is why She guides Her children to maintain a loving and yet demanding reflection on several points that She stresses, not only the compliance with The Commandments, but also the urgency of acquiring a spiritual practice of the religion. This praxis goes beyond being a “light” Christian. It presupposes the understanding that a true Christian is one who aspires to a living experience of closeness with the Son of God and a relationship like that of a son and his Father, and not just for show, but out of a solid belief and a yearning of the soul.

This spiritual praxis indicated by The Mother produces a sensitive man—with a sensitive heart and sensitive senses—who participates fully of brotherly love, the brotherly love that as our Mother’s disciples we must have instead of looking at it as a faraway event that leaves the soul untouched. A sensitive man who lives and acts in God’s Will partake in the spirit of suffering, oppression, terrorism, famine, disease and persecution to which our brothers are subjected, not only as children of the same God but also as human beings.

Man has never faced as great a danger as he does now at this instant. The reason is that the existing nuclear power is much greater than ever before; it has been gestated by man’s pride and contempt for life, by producing weapons so lethal that only few can even imagine. We know there are more than 20,000 atomic bombs spread throughout the five continents; we know that man is willing to use them because he has already done so, twice, killing thousands of innocent people... Insistently Heaven warns man of this whip dangling from a thin thread... just one bad decision would suffice for a holocaust to take humankind by surprise; this plus all the diseases which have been produced in laboratories to use as weapons of mass destruction...

Our Most Holy Mother calls all human beings without distinctions at this instant when it depends on each one of us whether humankind be preserved as in Nineveh, or be abandoned to their own free will because of their evil deeds.

Brothers/Sisters in Christ:

During this Lent let’s sacrifice the human “ego” and offer it as a pleasant oblation to the Sacrosanct Trinity; however, at this instant the offering must go together with a deepening understanding of the things man is capable of doing. We must awaken our brothers; but for this we must have a

profound knowledge of what we are going to transmit to them, and not just repeat something we ignore.

**LET US NOT WAIT UNTIL THE FULFILLMENT OF HEAVEN'S WARNINGS TAKE US BY SURPRISE.
LET'S BE PREPARED.**

"Blessed are those who mourn, for they shall be comforted."

(Matthew 5:4, Revised Standard Version Catholic Edition (RSVCE))

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
U.S.A. 26 FEBRUARY 2015**

My beloved People:

YOU WALK IN GRIEF UNDER THE HEAT OF YOUR OPPESSORS! ONCE AGAIN MY PEOPLE ARE OPPRESSED TIME AND AGAIN...EVIL'S TENTACLES HAVE RISEN FORCEFULLY SUPPORTING ONE ANOTHER.

This humankind's era is encouraged by man's unconsciousness. This unconsciousness comes from the separation of man from his God, and by remaining far from his God man has precipitated humankind towards the abyss—and when I mention abyss, you imagine a place in which you fall without ever getting out.—but this abyss that I am talking about is the one of arrogance, pride, lust, criticism, rage, and everything that offends Me greatly, such as rejecting My Most Holy Mother.

In so doing, humankind completely opens up for evil to take possession of their inner spiritual senses. The soul is oppressed and chained up without freedom to rule, and so man falls prey to the demons which, at this instant, are all on Earth and have possessed a large number of My children and force them to act against their brothers; and this whip will not stop any time soon.

There are interests that My Church as Mystical Body ignores, interests of Nations that encourage rage in subversion groups.

You, My People, do not look at the pain of strangers as distant from you, because it will spread like a plague and, with the purpose of achieving a worldwide decontrol, it will reach even the small countries.

My beloved children, My People:

I ADDRESS YOU AS YOUR FATHER AND AS YOUR BROTHER, ALERTING YOU ON EVERY ACCOUNT. And I know that at least one of My children will ask, "How is it that Christ talks about politics?" but I do not warn you about politics per se, I warn you of the effects of politics on you as human beings. And one of those effects is to plant terror among My children, especially Christians—and I am not talking only about My Church, I am not talking only about My People,

Catholics; I am talking about My People: all those who live, obey and act in My Father's Will. Remember: "Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who" lives, obeys, and acts in My Father's Will[1].

I SEE CORRUPTION NOT ONLY OUTSIDE MY CHURCH, BUT ALSO—PAINFULLY—I EVEN SEE IT PROWLING AROUND MY CHURCH'S HIERARCHY.

I call on you to pray, My People, pray because My Church will be shaken and the schism is near.

THIS IS WHY YOU ARE CALLED TO KEEP UP THE FAITH AND TO DELVE FURTHER IN ORDER TO GET TO KNOW ME, IN ORDER FOR YOU TO GET TO KNOW NOT ONLY MY MERCY, BUT ALSO AT ONCE MY JUSTICE, which I have kept back for several years,; however, I cannot wait any longer... if I were not to act, the whole of humankind would perish.

There are so many ways by which man can exterminate all life on the planet... but at the precise instant I will intervene with My Legions, nevertheless this intervention will not be prior to My coming to examine men's consciences.

The great oppressor of humankind rises silently and at the same time making himself known. Look closely, watch the movements of politicians, from them springs a great flogging for My People.

My children, My beloved People:

ABIDE AND OBEY. Don't think I do not know your thoughts; don't think I do not know the one who puts his trust in Me or that at this instant distrusts of My Word. But indeed I must say clearly that great events are coming near you, and the peoples, from largest to smallest, will suffer one way or another, not because I do not love you, but because as the last resource I use everything created by My Father to attract you to obedience before the fulfillment of the Warning.

My children:

TREASURE EACH OF MY WORDS THAT I SEND TO YOU. DO NOT BE DISQUIETED AT THOSE WHO CRITICIZE ME OR CRITICIZE MY MOTHER. DO NOT GET INVOLVED IN CONTENTIONS WITH THOSE WHO DENY THIS MY WORD.

Go on ahead, do not look at those who try to find darkness in the light because you will be confused even more.

You, children, do not lunge like those who lunge like wolves at My Word. You, My children, who treasure and obey My Word, be bearers of My Word which is a blessing, because at this instant he who is in the shadows will find more darkness, and he who is in the light will find more light.

My children:

THE DEVIL AND HIS OWN KIND COME FOR THEIR LOOT. DON'T YOU BE A PART OF THAT LOOT. LISTEN TO MY CALLS AND STRIVE TO BE MORE SPIRITUAL CREATURES OF MINE.

iThere is so much falsehood on Earth! I see so many creatures that spend hours on their knees in front of Me while their minds and thoughts ramble from North to South and from East to West...

Be those who worship Me in spirit and truth, those creatures who practice and constantly act in accordance with My Gospel and My Commandments.

Be those creatures that persevere at every instant with immovable faith.

Do not be afraid of those who persecute you; be afraid of offending Me, of not being obedient and of rejecting My Word and that of My Mother; all who are with Me will find Me and those who drift away from Me will meet the enemy.

Time and again I suffer My Painful Passion. It did not pass and finish, My Painful Passion is in present state in the suffering of each one of these creatures that are tortured because of My Name and because they have Faith in Me. My suffering is with all those who are brutally tortured because of My Name. (*)

Beloved children:

THE BARBARISM THAT HAS COME SPRINGS FROM THIS GENERATION; IT BRINGS FORWARD MY SECOND COMING, IT FORCES ME TO RETURN WITH HASTE BEFORE ALL—EVEN THE RIGHTEOUS—ARE LOST.

My creatures: Your brothers, My Executor Angels, are getting ready to come to Earth and rescue My People...
Woe to those who make fun of My Word!
Woe to those who say, "We have been warned about this for too many years and nothing happened, and it will be the same now!"

Woe to the creatures who do not believe not even what they see before their eyes! These will be the ones who will be in a state of despair, anguish, and during the Great Tribulation, these will be the ones who will give up their lives in the hands of the evil oppressor of My People. These will be the ones who when in despair will deliver My children to evil; these will be the ones who when they find themselves adrift, will die by their own hand.

But you, My children, you who believe...
you who lift My Mystical Body...
you who evangelize your brothers...
you who give testimony of My Love...
you who say to Me, "Yes! I believe!"...You...

YOU ARE MY DISCIPLES OF THE END TIMES AND I REMAIN PROTECTING YOU AND MY BELOVED SAINT MICHAEL ARCHANGEL KEEPS HIS LEGIONS GUARDING YOU.

Do not be afraid; he who is afraid separates himself from the Divine Protection of My Home.

WAIT, MY CHILDREN, THE BLESSING COMES FROM MY HOME TO MY FAITHFUL PEOPLE, AND AMONG MY FAITHFUL PEOPLE IS HE WHO BELIEVES AND CONSIDERS HIMSELF PART OF MY

PEOPLE.

To all who listen to My Word, to those who read this My Word: I call you not to decline and at the same time not to get involved in contentions, because the fool will perish being a fool and the wise will grow completely filled with My Light.

My children, I invite you to pray for My beloved People of Venezuela.

They will suffer even more.
I invite you to pray for France, pain will reach it.
I invite you to pray, My beloved, for China, it will bear pain and terror.

My beloved children:

The Earth will tremble where it has never trembled before and My children will grieve for it.

The Sun will launch a new flare, one of great intensity that will put humankind in great distress.

Do not forget that the Earth is exhausted and constantly laments being continuously bathed in so much innocent blood.

YOU, MY PEOPLE, REPAIR FOR THAT; NOT JUST WITH PRAYERS BUT ALSO WITH ACTIONS AND DEEDS, HELPING THE NEEDY, ASSISTING THE HUNGRY, AND GIVING SOMETHING TO DRINK TO THE THIRSTY. Not only with prayer can you reach Me, not only with prayer do you comply with My Father's Will, but loving one another like brothers and at the same time by being, each one of you, the column on which the brother reclines.

In Fatima My Mother spoke to all humankind and that which you do not know is already revealing itself.

Learn to see the signs and you will discover what has been hidden from you.

My children:

PAIN AND ANGUISH ARE HOVERING OVER ALL OF HUMANKIND. He who remains faithful will bend his knees at those instants, but he who does not love Me and he who does not listen to My Word and denies My Presence in man, that one will be the one to say, "Woe to me! I did not obey my Lord and now I cannot ask my Lord for mercy or clemency."

Hijos Míos, Pueblo Mío:

BE CERTAIN THAT EVERYTHING THAT HAS BEEN CREATED FOR MAN WILL ACT IN BENEFIT OF MY FAITHFUL PEOPLE; AND MY PEOPLE ARE NOT JUST SOME CHOSEN ONES, MY PEOPLE ARE ALL HUMAN CREATURES, it's just that a great many human creatures have decided not to be faithful to Me and they cannot blame Me for that.

Understand that these calls are not calls from My most beloved and faithful instrument, Prophet of these times; these Calls come from My Home and the instrument is the transmitter and you are the receivers. So, do not make My beloved daughter bear any more weight, because she does as I

ask of her and transmits what I want men to know at this instant.

I SEND YOU MY BLESSING AND MY FATHER'S BLESSING BE IN YOU, AND AT THIS INSTANT MY PRECIOUS BLOOD BE PLACED AROUND EACH ONE OF YOU AS A CIRCLE OF INFINITE PROTECTION FOR THE DEVILS TO RUN AWAY WHEN THEY LOOK AT YOU, BECAUSE I, YOUR GOD, REMAIN WITH MY PEOPLE. SO BE IT, SO IT IS AND SO IT WILL BE FOREVER AND EVER. AMEN.

Your Jesus.

INSTRUMENTS COMMENTS

Brothers/Sisters:

On this generation's canvas our Lord Jesus Christ captures the Truth of the instant we are living in. Christ transmits it without leaving any room for the imagination in order to prevent man from deviating because of false interpretations of His Word.

Christ does not speak to us about politics so as not to delve into such a human field; however, He does tell us with authority the consequences that spring from it and to which man is subjected in order to get him involved insistently in ideologies contrary to what is God's Will.

Christ tells us about the "advances", science's great mistakes, so we will not go on with deaf ears, without being aware of the destruction that can ensue from the uncontrolled and irresponsible use of nuclear energy.

Could it be that the human beings have started to think that Christ lives far away and is foreign to whatever happens to man? No, brothers. He knows all that goes on in the world... Or, could it be that even though we do think we are children of God, we feel very far from God? Brothers, in front of all humankind the empire of the antichrist—head of all tentacles of evil—is being woven.

What is man waiting for to recognize what he is facing? The lack of awareness of this very dangerous instant is the result of man's denial to delve into the dire consequences of having advanced technology in the hands of minds obsessed with power and economy.

Brothers, let's think and be thankful for this Blessing, the Divine Word

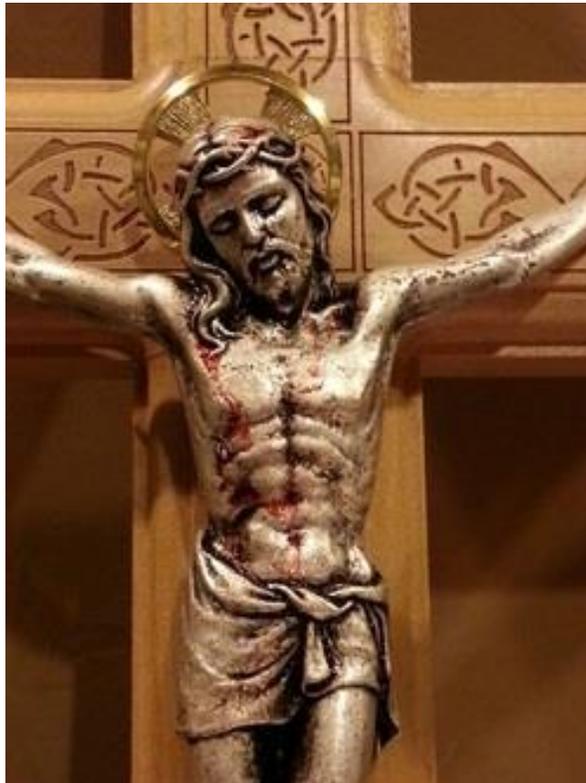

Amen.

[1] Matthew 7:21 New Revised Standard Version Catholic Edition

(*) Manifestation:

While Luz de María endured the sufferings of Christ's Passion which Christ shares with her, there was a metal crucifix in front of her. Blood began to emanate from the crucifix's crown of thorns filling the entire room with a strong aroma. This sign indicates not only the veracity of the message but also the nearness of what is coming for man.

"Time and again I suffer My Painful Passion. It did not pass and finish, My Painful Passion is in present state in the suffering of each one of these creatures that are tortured because of My Name and because they have Faith in Me. My suffering is with all those who are brutally tortured because of My Name."

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
3 MARCH 2015**

Beloved children:

I AM KING OF LOVE AND MERCY AND I AM RIGHTEOUS JUDGE.

My children love me without having a real and true awareness of how distant man has Me from his life. They love Me in a human way at the instant when this generation has penetrated My Will very little or not at all.

GREAT MANY MEN RECEIVE THE SACRAMENTS AS A FAMILY OR SOCIAL COMPLIANCE, NOT TO CONTINUE A PROCESS OF COMING CLOSE TO ME AND TO MY MOTHER.

The Commandments that My Father established He gave to Moses so that they would be perpetuated and respected until the end times.

The Beatitudes are the hallmark of all My children who suffer for My Cause.

ALL HUMAN BEINGS ARE MY CHILDREN, BUT NOT ALL ARE TRUE CHRISTIANS...

Not all allow the conscience to alert them to the faults committed ...

Not all deny themselves those things that are not beneficial to the soul ...

Not all are happy to occupy the last place ...

Not all receive instants of crucible with a "Thank You" ...

Some of My children doubt My Word and do not obey "ipso facto" what I request for their own good or that of their families' ...

Not all call Me Father ...

Not all receive Me worthily and are aware of it ...

Not all call My Mother Mother...

Beloved children:

I am Mercy. This is why I want all My children to be saved and be joyful with Me in My Home. **NOT ALL UNDERSTAND MY MERCY AND THEY CONFUSE IT WITH MISUSED FREE WILL AND THEY SINK IN EVIL.** I cannot reward those who subject their lives to constantly sinning against their brothers and against everything that has been created for you.

This generation offends Me continuously, even more so than Sodom and Gomorrah. The devil with all his diabolical forces has possessed a great number of souls to manipulate them as he pleases. When man finds himself spiritually weak and living a superficial and almost null relationship with

Me, he yields to satan's pressures and falls prey to his claws that devour human beings, My children, to make their feelings the cause of constant pain.

At this instant of modernism, the male wears female clothes as the great fashion, but this is moral decadence.

Beloved children:

I send Messengers to call My People to reflect, I will do the same before the antichrist appears in order to avoid confusion.

DURING THE GREAT TRIBULATION MY FAITHFUL WILL BE PERSECUTED AND SO WILL MY PRIESTS WHO COMPLY WITH MY WILL; THEY MUST TEND MY FLOCK SO IT WILL NOT WANDER AWAY FROM FAITH, HOPE, AND CHARITY.

He who is My son, is Love.

He who is My son, is Truth.

He who is My son participates of the goods of My Home; he takes them aware that each one has come from My Heart and remains in It.

MY CHURCH WILL SUFFER BECAUSE OF CONTEMPT AND UNCONSCIOUSNESS, FOR DENYING AND TRANSGRESSING MY LAW, FOR NOT LOOKING AT THE SIGNS OF THE TIMES, AND FOR TURNING THE EARTH INTO A COFFER OF GREAT LIES...

I could send a great Prodigy to the Earth so all would retake the right path, amend the bad concepts acquired, and stop feeling Me as a distant God who doesn't see the constant sinning with which His People offend Him...

I AM MERCY, AND OUT OF MERCY I STRAIGHTEN OUT THE CROOKED TREES, ALTHOUGH IT HURTS ME MORE THAN IT HURTS YOU.

Beloved children:

My Church, My Mystical Body, will be divided, and the division will bring about the Schism of which there has been so much talk throughout Christianity. **HE WHO WISHES TO CHANGE WHAT CANNOT BE CHANGED, WISHING TO ADJUST IT TO THE INSTANTS OF EACH GENERATION, IS NOT CHRISTIAN. MY WORD IS ONE; MY LAW IS ONE...**

My beloved:

This generation's god, on the one man has built his own life, will demonstrate not to have any power, but only the control of the human ego.

The world economy trembles first and then falls.

You who are My children and respect Me, do not forget:

He who declares himself a savior and asks for your obedience and doesn't call to prayer or repentance ...,

He who proclaims My Word without stating how small he is in front of Me, and who says you must not leave him..., **HE DOES NOT PREACH THE TRUTH.**

I AM THE KING OF KINGS AND LORD OF LORDS, THE ALPHA AND THE OMEGA. You are not necessary for Me, children, I am necessary for you, the only one worthy of all glory and adoration.

WAKE UP! The antichrist rises in a quiet bustle so that you won't see him as such.

Children, pray for the volcanoes, they will continue to give grief to man.

Children, pray for Honduras, it will suffer.

Children, pray for Australia.

Terrorism, like the plague, will hit with rage several countries. The bear will awaken at the beginning of dawn and surprise humankind.

Beloved, sick and hungry there's little man can do to work, and little he can do to grow in the spirit...

**DO NOT TRUST IN YOUR OWN STRENGTH, TRUST IN ME AND IN MY MOTHER. DO NOT BE
CONFUSED IN THE FACE OF ANY TRIAL; THANK MY HOME FOR IT.**

KNOW ME AND YOU WILL BE COPIES OF MY LOVE AND MY OBEDIENCE TO MY FATHER.

Beloved, the plague continues to spread; humankind will be shocked. Created by man himself, the plague will cause havoc; do not forget what My Mother has indicated..

Children:

**REST ASSURED THAT I MOVE TOGETHER WITH THOSE WHO ABIDE BY MY WORD AND
RECIPROCATE FOR EVERYTHING I GIVE THEM TO GO ON.**

**REST ASSURED THAT I DO NOT DESERT THOSE WHO OFFEND ME, INSTEAD I WAIT FOR THEM LIKE
A FATHER WAITS FOR THE SON WHO LEFT HOME.**

When the economy falls, the governments will go to war to fill their coffers. However, this is not My Will and I will not let them destroy this Earth. Your brothers of the way will arrive to rescue you, My children, do not be afraid.

I remain with you, especially at the instants when man's insanity will take them to use nuclear energy, great scourge of My children.

NONE OF MY CHILDREN IS ABANDONED, NONE OF MY CHILDREN IS REJECTED BY ME.

My blessing be with you every instant.

I love you,

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

**NOT FROM THE CROSS BUT FACING EACH ONE OF US, OUR BELOVED CHRIST TRANSMITS ANEW
TO US THE URGENCY OF GIVING OURSELVES VOLUNTARILY TO HIM, TO KNOW HIM BETTER
THAT WE NOT BE DECEIVED.**

Truly, the distance man keeps from God is greater at this instant, just like the way we are deceived without being aware of it.

We have been guided to live a distant Christianity at the expense of a Merciful God that forgives the most atrocious and aberrant sins. And, yes, He forgives when the creature truly repents. But humankind has gone from a Christianity of Mercy to a christianity of consent where there is no room for Justice; and this means denying the Sacrosanct Trinity Their Rightful Power over the souls. Otherwise, why would it be necessary to have a Final Judgment if everything is Mercy?

Man is tempted by sin to follow human will without obeying the rules. Could it be that we have forgotten that life is in Divine Hands?

Brothers:

**LET US BE PREPARED WITH CONTRITE HEART AND
OFFERING EVERYTHING FOR THE SALVATION OF THE SOULS.**

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN
TO HER BELOVED DAUGHTER LUZ DE MARÍA
MEXICO, 5 MARCH 2015**

Beloved children of My Immaculate Heart:

**ALL ARE MY CHILDREN... IT IS UP TO THE WILL OF EACH ONE TO ACCEPT ME AS MOTHER OR
NOT.**

**I KEEP MY HEART BEFORE EACH ONE OF YOU SO THAT YOU WILL RECOGNIZE MY SON AT THE
BEATING OF MY HEART.**

Beloved:

THIS INSTANT IS DECISIVE FOR HUMANKIND, man's enemy has pounced on My children and inserts in the human heart the wish to take the Divine Law to a permissive state of sin with the subsequent disobedience of living and acting not in Divine Will.

IN EVERY EPOCH I HAVE ANNOUNCED HUMANKIND'S NEED TO CONVERT, AND I—WITH DIFFERENT TITLES-- HAVE INTERCEDED IN FAVOR OF THE HUMAN RACE: From Pilar in Spain to Guadalupe in Mexico; from Buen Suceso in Quito to Lavang in Vietnam; and so on, throughout peoples and nations I have called for conversion, the praying of the Holy Rosary, the compliance with the Commandments.

From one apparition to the next--and with ever more details--I have announced what is coming for humankind by means of My instruments, stating clearly and in detail, leaving no room for confusion or doubt, the proximity of what I was announcing for humankind.

With secrets given to My instruments, I have been taking My Son's People to a patient wait, according to the proximity of the prophecies, forewarning and announcing the suffering that My children would have to face if they did not amend their ways so they would not ignore the instant when perversion would have control of man, and humankind would find itself very near the fulfillment of all My Prophecies.

At this instant:

THE SOULS ARE EASILY LOST...

The Commandments are minimized ...

The Sacraments are believed to be obsolete...

The Beatitudes have been forgotten...

The Holy Mass is believed to be one more ritual...

The Consecration of My Son's Body and Soul is not considered a Miracle but a scene within a ritual...

MY SON IS REJECTED AND I HAVE BEEN DRIVEN AWAY FROM THE HUMAN BEINGS AND FROM THE HOMES.

Each one carries with him an interior realm that tends toward good; however, as a man separates from My Son, the choice of good or bad belongs to each one. I call you to conversion and I am not Heard, My Son suffers when He sees conversion slip like water through your fingers

Human unconsciousness is the obstruction that makes it difficult for man to meet God and makes man distance himself from his Creator, which allows man to move away from the Divine Teachings and to open himself to a misinterpreted freedom.

Human intelligence has been substituted with the indoctrination of man by man through ignorance. Human thinking is centered on the oppression of the weakest, and this thought is what causes man to move away from God and to diminish the gifts of God with which The Father endowed man.

The ability to think, the reasoning, and the intelligence of My children have been replaced with one unique way of acting, which nullifies the voice of the conscience so man will live as he wishes according to the worldly demands.

Beloved children:

**IT IS NOT MOVING AWAY FROM MY SON THAT YOU WILL HAVE ETERNAL LIFE...
IT IS BY HOLDING DOWN THE HUMAN WILL THAT MAN WILL FIND THE JOY BEFOREHAND--AS
WELL AS THAT WHICH MAN WILL ENJOY ETERNALLY-- RIGHT HERE ON EARTH.**

Beloved children:

MAN'S SINS GROW WITHOUT LIMIT AND THE DEBAUCHERY OPPRESSES THE SOUL AND OFFENDS MY SON. As humankind's Mother I see how the human being diminishes where low instincts reign.

Beloved children:

**Pray for Guatemala, it will suffer Nature's fury.
Pray for France, terror comes to that nation.
Pray for Japan, it will be shaken anew.**

Children:

DO NOT BE EAGER FOR THE GOD MONEY, DO NOT BE ATTACHED TO IT; SOON IT WILL FALL AND YOU WILL REGRET NOT HAVING OBEYED.

One after the other, volcanoes will surprise man. The weather strikes with force.

**Pray, My children, the moon will be stained with blood as a reflection of the blood spilled by those faithful to My Son who are persecuted throughout the Earth.
Pray that Faith will not diminish.
Pray for Spiritual Strength.**

**Pray for Hope to remain with each one of you, My children.
Pray for Chile, its ground will be shaken.**

The great powers will fight for hegemony; this will cause humanity's greatest suffering.
Do not embrace the peace pacts; that will be when evil takes over the world.

You will be protected inside My Womb as in a coffer in which the most precious treasure is kept.

Pray so you will not be dejected and submerged in evil.

**THE MAN WHO DOES NOT PRAY IS AN EMPY VESSEL; HE LIVES WITH A SLIGHT IDEA OF WHAT IT
REALLY MEANS TO BE CLOSE TO MY SON.**

**Pray, Oren, clamor to My Son, do not move away from Him, and ask fervently that the
protection for My children will come son.**

Receive My Son in the Eucharist, consecrate yourselves to My Immaculate Heart, and consecrate
your homes to My Son's Heart and to My Heart.

**THE POWER OF EVIL IS LIMITED; MY SON WILL NOT ALLOW EVIL TO PREVAIL.
DO NOT BE AFRAID, YOU HAVE BEEN RESCUED WITH THE PRECIOUS BLOOD OF THE DIVINE
LAMB. PERSEVERE...**

My Blessing be in each one of you light in the hours of darkness.

EVIL WILL NOT PREVAIL.

I bless you; My Mantle covers you and protects you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Our Mother mentions some of Her Apparitions to make us reflect and ponder how much she has
alerted us as Mother of all humanity. Depending on the instant of Her Apparitions under different
Titles, the tenor of Her calls keep going up and She reminds us to consecrate ourselves to Her
Immaculate Heart and our homes to the Sacred Hearts so each home will be a Temple dedicated to
Her and to our Christ.

I invite you to pray in one Heart:

*Here I am, Sacred Heart of my Christ the Redeemer...
Here I am, Immaculate Heart of my Mother of Love...
I am here, repented of my faults and trusting that My purpose of amendment is an opportunity for
conversion
Sacred Hearts of Jesus and Most Holy Mary, defenders of humanity: At this instant I present myself
as your son to voluntarily consecrate myself to your so beloved Hearts.
I am the son who comes begging for an opportunity to be forgiven and taken in.
I present myself to voluntarily consecrate my home so it will be a Temple where Love, Faith, and
Hope will reign, and where the underprivileged will find refuge and charity.
Here I am begging for the seal of so Sacred Hearts on me and on my loved ones, and that I be a
repeater of that magnum Love for all human creatures in the world.
May my home be light and calm haven every instant, so that--consecrated to the Most Holy
Hearts—everything that is contrary to the Divine Will must flee before the doors to my home
which, from this instant henceforth, is a sign of the Divine Love because it has been sealed with the
burning Love of the Divine Heart of Jesus.*

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
9 MARCH 2015**

My beloved People:

You are My children; I love each one of you...

**THE ACTS AND DEEDS OF EACH ONE OF YOU HAVE PERMEATED MY CROSS...
WHAT IS GOOD MAKES IT LIGHTER AND BAD BEHAVIOR MAKES IT HEAVIER.**

You advance in the middle of a tempest shook up by great storms of rage, hatred, and huge disobedience, born from the way My children distance themselves from My Love and My Truth and the way My children constantly reject My Holy Spirit. Children, those storms are the result of your not wanting to remain friends with your God.

My beloved People, suffering and aching at this instant, I urge you to live My Pain for all humankind. I suffer so much when I feel that My children do not fully comply with the essence of the First Commandment!

This gives My Heart great pain, and My side keeps bleeding because of those human creatures of Mine who are members of My Church and suffer great atrocities at the hands of some of My children
....

Beloved:

When man forgets Me, he models himself as a weak creature, and his reaction is to want to be bigger and more powerful than Me. This is when the devil, enemy of the soul invades man with his

evilness, making man commit serious offenses against the Fifth Commandment. This reveals the marked rebellion against the compliance with the First Commandment.

Those who do not suffer persecution coldly see harrowing scenes of cruel massacres. Those who do not suffer do not need consolation or prayers from so many souls who love Me.

ONE OF THE RESULTS OF EVIL IN THE HUMAN CREATURE IS SELFISHNESS AND IT STANDS OUT AT THIS INSTANT. This is why the distress of those who suffer is a solitary, lonely distress because those who do not suffer look at other people's pain from afar.

The rulers of the great nations of the world exert great influence in the making of agreements which will be broken later in silence and mutual betrayal. These rulers have earthly power given to them by the people themselves, people they later lead to their death like sheep to the cliff. Due to their different ideologies, masonic, communist, and atheist leaders watch with satisfaction how they lacerate My People and conspire against those who are Mine.

**I HAVE ANNOUNCED THE EVENTS THAT HAVE RISEN—AND CONTINUE TO RISE—IN THE MIDST OF HUMANITY, AS FATHER OF LOVE, OF MERCY, AND OF JUSTICE,
I HAVE ANNOUNCED THE EVENTS THAT HAVE RISEN—AND CONTINUE TO RISE—IN THE MIDST OF HUMANITY SO YOU WILL CONVERT AND AMEND YOUR OUTRAGEOUS WAYS THAT LEAD TO PERDITION.**

I HAVE CALLED MY PEOPLE TO CONVERSION; INSTEAD, THEY LAUGH AT MY FAITHFUL INSTRUMENTS, AT MY WORD AND THAT OF MY MOTHER...

**I HAVE ANNOUNCED THE NEARBY EVENTS, AND IN RETURN I RECEIVE OFFENSES, REJECTIONS, AND THE CONSTANT ATTACK AGAINST THOSE WHO, IN OBEDIENCE TO MY WILL, WARN YOU.
BUT I WILL CONTINUE TO ENCOURAGE YOU THROUGH MY PROPHET WITHOUT TIRING.
UNTIL THE LAST INSTANT MY WORD WILL CONTINUE TO REACH YOU,
IN THE MIDDLE OF THE DISOBEDIENCE, SO YOU WILL UNDERSTAND THAT DISOBEDIENCE LAYS OUT THE ROAD TO THE PERDITION OF THE SOUL.**

Everything that My Mother has revealed has been for man to act in a different way and get closer to Me, adore Me, receive Me, embrace My Mother, and love to pray the Holy Rosary and to bend the knees in My Real Presence in the Eucharist. However, in the face of every Miracle of Love at the Altar, I am looked at with disdain in view of the incredulity of My own People who come to receive Me without believing and without loving Me. At times I am Consecrated by some dedicated to My service but do not believe in My Real and True Presence in the Most Holy Sacrament. The Consecration Words are the Transubstantiation of My Body and My Blood, and some treat Me with scorn, perfunctorily, and then place Me in the hands of some of My children for them to take Me to their brothers, while those consecrated to Me look at Me from their place of honor and think about unimportant things.

My People:

**MY PASSION IS PERMANENTLY ALIVE IN YOUR MIDST AND I AM LACERATED AND CROWNED WITH THORNS.
THE SORE OF MY SHOULDER IS DEEPER AND
CHAFES MORE FORCEFULLY MY BONE WHICH FEELS AS IF IT WERE GOING TO BREAK.
THE WEIGHT OF EVERYTHING YOU PUT ON MY CROSS IS DREADFUL. MY SHOULDER SUPPORTS
THE DISOBEDIENCES OF MY CHURCH AND PART OF MY HIERARCHY.**

Remember that My Law is one, it is the same it was yesterday, it is the same for this instant, and the same for the future.

Beloved, do not sleep. I approach; I come soon; do not sleep because the enemy is more clever and cunning than you, and his great emissary is before the eyes of humanity, and with great charisma turns those who are incautious into his admirers.

DUE TO A LACK OF KNOWLEDGE AND BECAUSE THEY DO NOT BELIEVE MY MOTHER'S REVELATIONS, HUMANKIND HAS NOT DISCERNED THAT THE ANTICHRIST HOLDS A HIGH POLITICAL POSITION, AND FROM THERE HE WILL CONDUCT THE GREATEST PERSECUTION AGAINST MY CHILDREN.

Since My Mother's request in Fatima has not been carried out, the consequences of this disobedience will be of great suffering for My children. When humankind awakens, they will regret not having insisted on the execution of such request, and they will regret it even in their entrails.

Great events are near, and great calamities that will make My Church tremble.

Beloved children:

**I invite you to pray fervently for Russia.
I call you to pray for France, it will suffer at the hands of terrorism.
I call you to pray for Uruguay, it will suffer at the hands of man.**

Remain attentive, look on high, and do not be distracted looking at what is earthly; look on high, see the signals and the signs, do not ignore any sign or signal.

My People, remain attentive before the great scourge that man has created lethally wounds humankind once again. Man will use what man has created: nuclear energy.

My beloved People:

**TAKE REFUGE IN MY MOTHER'S HEART; I HAVE GIVEN HER MY PEOPLE. TAKE MY MOTHER'S
HAND, PICK UP THE HOLY ROSARY FROM WHENCE HANGS MY CROSS.
DO NOT BE AFRAID TO CARRY MY CROSS WITH LOVE AND FAITH; BE AFRAID OF LOSING THE
SOUL.**

My children, My People:

**I COME FOR YOU, FOR MY DISCIPLES, FOR MY APOSTLES OF THE END TIMES; I COME FOR THOSE
WHO LOVE ME.**

**DO NOT FEAR TERRIFICALLY BECAUSE MY PEOPLE ARE NOT ALONE AND THE FORCES OF EVIL
WILL NOT PREVAIL OVER MY PEOPLE, THEY WILL NOT DEFEAT THIS KING OF HEAVEN AND
EARTH.**

I CREATED ALL THAT EXISTS; MY PEOPLE ARE PROTECTED.

I bless you and at the same time I ask you to awaken. For each one of you, My Love will be balm at the instants of grief.

I bless you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Our beloved Lord Jesus Christ speaks to His People with great clarity. This makes us feel that He is alive and in our midst. He is not a distant God; He is always mindful of His People so they will not be lost.

But the great mystery of the Cross is not thoroughly understood by all; the consciousness of the fact that each human creature is a part of that Cross is not taken seriously with conviction or responsibility.

The human race acts without control, and as they grow they separate from anything that means fulfill some responsibility because that would limit their supposed "freedom". We are not before a

game or before an encouraging scenario. Signs are given at every instant and more frequently, but most humans do not know what a blessing are THE MOTHER'S ANNOUNCEMENTS AT DIFFERENT PARTS OF THE WORLD. This makes them not take the messages with the seriousness they deserve.

Brothers, we are surrounded by instability, by the selfish politics boosted by communism; we are surrounded by freemasonry, by liberalism and irresponsibility. How can we free ourselves from these plagues?

**WITH THE CORRECT USE OF REASON AND WITH ABSOLUTE FAITH IN *CHRISTUS VINCET, CHRISTUS REGNAT, CHRISTUS IMPERAT* [CHRIST CONQUERS, CHRIST REIGNS, CHRIST WILL PREVAIL] OVER ALL EVIL,
LET US MAKE OUR LOVE AND OUR FAITH GROW BECAUSE NOTHING IS IMPOSSIBLE FOR GOD.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
11 MARCH 2015**

Beloved children of My Immaculate Heart, I bless you.

JUST LIKE THE SUN SHINES AT THE ZENITH AT THE FULL NOONDAY, THUS THE DIVINE SPIRIT WILL SHINE ON THOSE CREATURES THAT PLACE THEMSELVES IN MY DIVINE SON'S HANDS WITH FAITH AND HOPE.

**DO NOT HESITATE; FIGHT CONTINUOUSLY FOR YOUR CONVERSION;
PRAY FOR MY SON'S MERCY TO BE THE NEW LIFE IN YOU.**

Beloved children:

In obedience to the Divine Will, I come to you as the Woman Clothed with the Sun to shed Light on the path, because unless you pay attention during these instants, it will be difficult for you to do so during the coming instants, when the deceiver of souls will be before humankind and due to his deceptions you will not be able to discern, because you have lived in disobedience, breaking My Son's Commandments.

Children of My Immaculate Heart, I love each and every one of you; all of you are My children, I received all of you at the foot of the Cross.

My beloved, this generation greatly offends My Son and keeps Him in constant pain. His Passion is permanent; you wound Him deeply.

**WAKE UP, MY CHILDREN!
WAKE UP BEFORE THE DARKNESS FOGS UP YOUR THINKING AND HARDENS THE HEARTS OF
MEN!**

My beloved children:

WITH GREAT ELOQUENCE, THE ANTICHRIST HAS PRESENTED HIMSELF BEFORE HUMANKIND AND HUMANKIND HAS NOT RECOGNIZED HIM. THIS SPAWN OF EVIL WILL LEAD THIS GENERATION TO A GREAT BATTLE, NOT ONLY PHYSICAL, BUT ALSO SPIRITUAL.

My children, wake up! The evening is falling, and if you do not convert now, at these instants when you can see the Divine Light, later will be too late. He who searches for the light in the dark will not find it; he who tries to search for the Divine Light in the darkness will be more confused when he won't find it.

Beloved children of My Immaculate Heart:

These instants are the ones I have announced throughout the times in My different Apparitions. You are now at the instant of the last instant when everything I have announced will come to be.

At this instant man's disobedience, mother of all woes, continues to grow and be part of the reason for this generation's suffering.

Children whom I love, but not because I love you do I quit calling you with My Word's Truth:

**DISOBEDIENT CHILDREN!
YOU ARE TAKING COURSE TOWARDS THE CRUCIBLE ... MY SON'S CHURCH WILL BE STRONGLY SHAKEN, PURIFIED, AND DURING THE PURIFICATION ALL MY CHILDREN WILL SUFFER FOR THEIR OWN EVIL. THEY MUST PASS THROUGH THE CRUCIBLE TO COME OUT TRIUMPHANT AFTER THE LAST GREAT TRIAL.**

Faith must remain with each one of you: it is the great immovable column.

Children:

YOU NEED TO PRAY; YOU MUST BE PRAYING SOULS WHO LIVE AND ACT IN MY SON'S WILL GUIDED BY THE HOLY SPIRIT SO YOU WILL NOT FALL IN THE TRIALS AND STAY DOWN WITHOUT GETTING UP; INSTEAD, WHEN YOU TRIP AND FALL, THE FORCE OF YOUR LOVE FOR MY SON AND FOR THIS MOTHER WILL GIVE YOU THE BLESSING OF STANDING UP ONCE AGAIN AND CONTINUE ON YOUR WAY.

Beloved children of My Immaculate Heart:

Without you being aware of it, the great and mighty powers of the world advance encircling the small nations, overpowering them with communism because of My children's ignorance; My children who have not decided to delve deep in knowledge so the Holy Spirit will shed Light on the intelligence, the thoughts, and the reason.

THE FREEMASONRY IS A DESTRUCTIVE WEAPON on all those who do not delve deep in My Son's Life and do not fully comply with His Word. The ignorant is deceived by everything, everything surprises him, and everything is a novelty. This is why throughout My Apparitions I have been asking you to abide by My Son's Word and to fully comply with the Commandments, without allowing innovation and novelty in them, to live the Sacraments, and to partake in the Beatitudes in everyday life.

THE ILLUMINATI HAVE POSSESSED A PART OF MY CHILDREN. My beloved, new tendencies and modern ideologies spring up. Do not look for My Son in what is extraordinary or fanciful; you must realize that My Son acts silently transforming the hearts. Be clear that satan acts in a show because this is how he impresses those who are unwary.

Beloved People of My Son's:

DO NOT DISREGARD THE EXPLICATION OF THE DIVINE WORD IN THESE CALLS AND DURING HAZARDOUS INSTANTS OF SUFFERING AND DERELICTION; DO NOT BE INDIFFERENT TOWARDS THE SUFFERING OF OTHERS.

The great plague of terrorism will continue to advance over all humankind, from country to country, wreaking havoc. Do not lose your Faith, hold on fast to prayer, receive My Son in the Holy Eucharist, and comply with His Divine Will.

Do not look for the first places, love the last place.

Beloved children, I am here before you.

I come to protect you with My Celestial Mantle...

I come to bring Light to your path so you will not get lost...

I come to guide you to the Eternal Life...

I come by Divine Will to guide this generation to the final triumph after this generation has been examined by My Son and each one examined by himself.

Do not look at war from a distance; the drums cannot be heard any more. At this instant one can hear the weaponry with which the powers will initiate this great suffering for humanity, but you—

My Marian Army, children of My Immaculate Heart—**PRAY CONSTANTLY, BE PRAYER, GIVE YOURSELVES TO MY SON, SEE WITH MY SON'S EYES, HEAR THROUGH MY SON, SPEAK THROUGH MY SON. MAY YOUR HANDS BE A BLESSING LIKE MY SON'S HANDS ARE A BLESSING, AND MAY YOUR FEET WALK STEADFASTLY BEHIND MY SON'S FOOTSTEPS. THIS IS PRAYER: TO LIVE, PERFORM, AND ACT IN THE DIVINE WILL.**

I especially call on the groups within My Son's Church. I do not want scuffles, I do not want rivalries; I want what My Son orders: **UNITY AND LOVE SO YOU WILL BE STRENGTH.** The enemy divides, but My Son unites.

Do not seek to be leaders, seek to be servers, because the one who serves may climb and the one who leads may fall. It is necessary that you constantly invite My Son to stimulate in you the Gift of prayer. The Divine Spirit waits for the call of His children.

**My children pray for Colombia. It will suffer; lots of creatures will lose their lives on its ground.
My beloved, I invite you to pray for the country of the North. After commanding and exerting power over the Peoples, it will be betrayed and abandoned, it will be dejected by those who called themselves its allies.
Beloved children, I ask you to pray for Venezuela; blood will flow on that land loved by Me.**

PRAYER IS POWERFUL WHEN IT COMES FROM THE HEART, when you abandon yourself to the guidance of the Holy Spirit. This way the strength of the prayer is the protective wall around the Peoples that I invite you to protect.

My beloved, the plague is near; it continues to advance over humanity. From instant to instant the companies in charge of spreading this plague fly over the countries poisoning the air that you breathe and therefore poisoning the organisms of the human creatures.

My children:

YOU ARE LIVING INSTANTS LIKE NEVER BEFORE, DO NOT RESIST CONVERSION, DO NOT GIVE EXCUSES FOR NOT CONVERTING AND FOR NOT OBEYING. MY SON WARNS YOU, AND SINCE HE RESPECTS MAN'S FREE WILL, HE WAITS TO BE CALLED, LIKE I WAIT FOR YOU TO TAKE MY HAND.

I will not abandon you, not for an instant, because I want to rescue all My children and lead them to the Eternal Life.

My beloved:

So much pain you will have to suffer! So much more persecution will befall the Christians! And these, My Son's People are strong, not easily overcome, because they are the People of the King of Kings and Lord of Lords, and evil knows that it will not prevail against My Son's People.

**I COME TO CRUSH THE SERPENT'S HEAD.
I COME TO PRESENT TO HUMANITY MY SON'S ENVOY SO HE WILL FACE AND DEFEAT THE
ANTICHRIST, DECEIVER OF MY SON'S LUKEWARM PEOPLE.**

Wake up, children! Wake up! Wake up! Do not remain lulled! Do not accept passivity!

My Son's People must be people of action, people of prayer, people who invite their brothers to partake in the knowledge of the True Faith.

My beloved children, visit My Son in the Sanctuary and ask for the aid and the unction of the Holy Spirit so you will be able to discern and not be deceived.

I bless you in the name of the Father, and of the Son, and of the Holy Spirit.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

Mother Mary

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

TODAY'S MESSAGE IS AROUND THE NUCLEUS OF THE CALL TO PRAYER.

We know that prayer stops the great evils for humankind.

When we decide to pray, we hesitate and ask ourselves: How do we have to pray? We complain that prayer does not come to us, that we try and we feel we are not heard, though we know this is the way the True Son of God makes us show our perseverance and faith. It is also true that some people do not know how to pray.

CHRIST HAS TOLD ME THAT PRAYER IS A FEELING.

Why did Christ tell me that prayer is feeling?

So I will direct all my senses towards Christ and the Mother because we should not look outside but inside.

The act of thinking that They are the Ones we love will bring forth the feeling, and then the Holy Spirit will guide us and we let Him...

We are Marian par excellence, but our lives are Christocentric.

Just like Christ was persecuted, we know that we—those who strive to follow Christ—will be persecuted. For example, at this instant terrorism is wreaking havoc among our brothers. The same thing happened to the first Christians: They were persecuted and offered their lives for Christ. The spiritual life, the life in God is an eternal circle that comes from God and returns to God.

Going back to the call, our Mother alerts us about the airplanes that fumigate man knowing that this causes serious illnesses in human beings. Our Mother has said that the powerful ones who rule the world wish to reduce the world population any way they can, and the air we breathe is being poisoned using all the means available to them.

Our Mother alerts us about the progress of the war so that humankind is prepared; the human creature must convert—striving to diminish the ego—and humbly accept that he must change.

She called for us to be Christians in practice, for us to announce what we know and not to allow our brothers to become prey for evil because of our lack of fraternity and love.

We are asked to stay away from so many ideologies that prevail in the world so we will have the clarity of thought and of the spirit regarding the things that are God's and those that are not God's.

There are very powerful organizations like the Illuminati.

The word "Illuminati" means "illuminated"; their purpose is to take over the planet in order to institute a new world order, and for this they are known as the invisible government.

At this instant they control some governments and –behind the governments—they are responsible for the events in the world.

There are plenty of signs. The ones who want to believe will believe; for those who do not want to believe no explanation is enough: Maybe even if Christ were to come and tell them to "Reach out your hand and put it in my side..."¹ still they would not believe.

OUR MOTHER CALLS US TO OFFER EVERYTHING THAT HAPPENS TO US FOR THE SALVATION OF THE SOULS; THIS WAY EVERYTHING WILL BEAR MORE FRUIT.

Amen.

Bible reading: Jeremiah 17: 18

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
14 MARCH 2015**

Beloved children of My Immaculate Heart:

Beloved children:

MY MATERNAL HEART CONTINUOUSLY INVITES YOU TO REMAIN FUSED IN THE DIVINE WILL.

Each human creature who dedicates his life to living in the Divine Will represents a triumph for My Son's Home, Heaven rejoices and pours out all the blessings for that soul and expands them to other needy souls.

Robed by the Divine Love and together with myriads of My Celestial Legions—in obedience to My Son's call to guard His People—I **CALL YOU TO TAKE MY HANDS** so that you will not be lost at this decisive instant, crucial for the salvation of the souls.

THE ENEMY OF THE SOULS CIRCLES AROUND EACH HUMAN CREATURE SEARCHING FOR THOSE WHO ARE LUKEWARM IN ORDER TO STEAL THEIR THOUGHTS, SEARCHING FOR THOSE WHOSE MINDS HE CAN MUDDY WITH THE SINS THAT MOST AFFRONT MY SON, so the human heart will harden like a rock and will not allow any act or deed that would make My devotees ascend towards the Eternal Life. The enemy wishes the enmity between man and his Creator. It is this generation—and none other—that will engage in battle against God The Father like it has never been seen before in the history of mankind.

A place for each one of My children remains in My Heart because I am the Ark of Salvation. It is man's free will that chooses: Come to My Heart and be rescued, or continue in the midst of evil that will lead to perdition.

The human will is a blessing for My children when it does not allow the human self to control it.

THE SOUL THAT IS DOMINATED BY THE HUMAN WILL IS CONSUMED WITH THE VICES AND PASSIONS, AND—BECAUSE OF HIS WILL—CONTINUOUSLY AUGMENTS HIS “EGO” TO BE ADMIRER.

HE IS NOT MOTIVATED BY GOOD BUT BY EVIL; HE LIVES OFF RESENTMENT AND THE DESIRE FOR VENGEANCE, AND THIS BLACKENS THE SOUL.

Beloved children:

AT THIS INSTANT SATAN’S WORK IS TO KEEP THE SINS ACTIVE IN MAN until they become a bad habit, a vice, a wrongdoing, so men will follow the sad ending of other human creatures that have given themselves to sinning and thus lose the soul in the eternal fire.

Children:

I come to call you to take possession of the Divine Goods that My Son has assigned to you ... I come to call you to take the inheritance that My Son bequeathed to you from His Cross. Among these Goods He offers you His Mercy and this Mother to guide you and intercede for each one of you.

Beloved children:

I CANNOT ADDRESS MY OWN CHILDREN WITHOUT WARNING THEM THAT THEY ARE NOW AT THE INSTANT WHEN THE EVIL ONE DEVOURS SOULS TO TAKE THEM TO THE PERDITION AND TO CAUSE THE OFFENSES AGAINST MY SON TO BE CONSTANTLY GREATER, SEPARATING THE HUMAN CREARURES FROM PRAYER, FOGGING UP THE MIND AND BLINDIING THE INTELLIGENCE SO THEY WILL LOSE THE FAITH.

Children:

AT THIS INSTANT EVIL HAS PENETRATED WITH FORCE AND HAS MANAGED TO CONFUSE MY SON’S PEOPLE TO MAKE THEM CONSTANTLY DIVIDE MY SON’S MYSTICAL BODY, to confuse all the laymen and, with even more determination, lead the consecrated souls to the perdition so the priests will separate from the True Doctrine and from the True Faith, leading My Son’s People to live in confusion and—what is even more dangerous—in despair.

Children:

THOSE WHO LOVE OUR SACRED HEARTS ARE AWARE OF THEIR DUTY TO BE MESSANGERS OF THE URGENT CALL TO THEM AND THEIR BROTHERS SO THEY WILL REMAIN VIGILANT IN LIGHT OF THE GREAT THREATS THAT LIE IN WAIT FOR THEM; AMONG OTHERS, THE APOSTASY OF THE MYSTICAL BODY, which I see with great sadness in My Heart because I see the great responsibility for this on the part of a great number of My Favorite Children. The great crisis is here—**now!**—above My

children, and it will be the greatest persecution against My Son's faithful People that will extend throughout the world.

MY FAVORITE CHILDREN MUST BE DEFENDERS OF THE FLOCK THAT HAS BEEN ENTRUSTED TO THEM; THEY MUST PREACH THE TRUTH THAT MY SON HAS BEQUEATHED IN THE SCRIPTURES AS WELL AS IN THE EXPLICATION GIVEN THROUGH THESE CALLS FOR HIS PEOPLE TO BE SAVED.

PRAYER IS DESPISED:

It is no longer a part of man ...

You do not feel it is necessary in your life ...

Prayer is not needed because the devil substitutes this need in man with sin, with the mundane, which become as necessary as the air for the sinner.

Beloved children:

Calamities are happening with more strength and more continuity, so much so that a nation will not be able to help another nation. The volcanoes awaken; Nature does not recognize the man who does not act in agreement with the Divine Will.

THE DIVISION WILL BE MORE VISIBLE IN THE SOCIETIES, IN THE FAMILIES, IN THE GROUPS, AND BETWEEN BROTHERS BECAUSE OF THE NON-COMPLIANCE WITH THE COMMANDMENTS, WITH THE SACRAMENTS, WITH LOVING ONE ANOTHER LIKE BROTHERS, RESPECTING ONE ANOTHER.

Man has a wish to impose himself on his brothers and this creates scuffles. The only One who has the Truth of it all is My Son. Anyone else, who thinks he possesses the Truth, does not; instead he lives under the delusion of the devil. Children, do not forget that the True Christian does not live his Faith alone; instead, he lives it with other brothers, with his peers.

Children:

HUMANKIND IS SUFFERING FROM A SERIOUS ILLNESS, THE SAME ONE THAT FINISHED OFF SODOM AND GOMORRAH: DEPRAVITY.

Rebelling against the Divine Mandates, indulging in blasphemy, sacrilege, lying, performing criminal acts against the defenseless: All these are signs of the evil possession of creatures that live yielding to sin, to disobedience, and to the rejection of God.

CHILDREN, YOU ARE FREE! EVERY CHRISTIAN WHO LIVES HIS LIFE THE WAY MY SON DEMANDS IT IS FREE, TRULLY FREE, BY MEANS OF THE DAILY PERFECTION OF HIMSELF AND THE SEARCH FOR THE COMMON GOOD AS SIGNS OF A PURE AND SINCERE HEART FROM WHERE ONLY GOOD DEEDS AND ACTS COME.

Beloved children, recognize evil, recognize it when it comes before you.

AT THIS INSTANT MY SON BLEEDS BECAUSE OF THE HYPOCRESY OF HIS PEOPLE, OF THE CREATURES WHO DO NOT WISH TO CONVERT, WHO REFUSE REPENTANCE, WHO DO NOT WANT TO REFORM, AND SEEK EVIL FOR THEIR BROTHERS, DEFAMING, SLANDERING, AND CRITICIZING:

Poison that little by little the devil instills in the souls of human creatures until he takes possession. Do not go on without looking on high. The signs will not stop, just like the Purification of the Church will not stop.

Beloved, I beg of you, pray for Chile. The purification of this beloved land, where I presented Myself and was denied, continues.

Beloved children, pray for Costa Rica, the land will shake, the dormant volcanoes will surprise.

Beloved children, pray for Japan, it will cry.

Pray for Argentina, it will live instants of pain.

My beloved:

The oceans will move invading the lands, washing away the sins that man has spilled on the land. The sun will dim and My children will be surprised. Nothing in Nature will ever again be like in the past.

My beloved children:

EACH ONE OF YOU MUST TAKE A GOOD LOOK AT YOURSELF WITH SINCERITY SO YOU CAN FIGHT AGAINST YOUR HUMAN EGO THAT BOWS DOWN TO EVIL.

Listen to Me! Little children, do not refuse to listen to Me! I wish to take you to the Salvation leading you away from the wrong path in which that majority of My children live. My Son's paths are impenetrable and endless; His Mercy is infinite for those who come before Him with humble and contrite heart. Do not minimize His Justice; man attracts it with his evil deeds.

BE FAITHFUL TO MY SON:

I will guide you with My Maternal Love ...

I will sustain you as your Mother ...

I will pick you up when you fall ...

I will give you Living Water, I will feed you ...

I will teach you the path of Truth and will drive away the devil ...

I will cover you with My Mantle ...

My Son's People: Fear only to offend Him.

MY SON'S FAITHFUL WILL NEVER BE ABANDONED...

**YOU ARE THE APPLE OF HIS EYES AND THIS MOTHER LOVES ALL OF YOU WITHOUT
DISTINCTIONS.**

My Maternal Heart is a path of light for humankind ...

COME TO ME; I INTERCEDE BEFORE MY SON BECAUSE I LOVE YOU.

For each one My Blessing is Light of Salvation.

I love you.

Mother Mary

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Our Mother, more radiant than the sun, shows us Her Love for all, without distinctions. Above all else, Her Love takes Her to a tireless search for the Salvation of Her children.

We know about the announcements for this humanity that sins and is ungrateful: Punishment; punishment generated by humankind, and there are too many brothers that still do not see the atrocious sins committed by man against man, and they say: "All is well; man does not deserve the Divine Justice."

Is it possible for man to have forgotten how Jesus rebuked the hypocritical doctors of the law at that time? Or, is it possible for man to have forgotten how Jesus expelled the merchants from the Temple? Or, Could man have forgotten that Jesus condemned crime, among other things?, Or that He expelled demons from some people?

Our Jesus did not come for the saints of that time or for those of the following generations; He came for us, the sinners, and for us He lay on the Cross. But we cannot dim the significance of His judgments when He opposed some .of man's wrongdoings. He also forgave sins, but to those who were truly repentant and they converted.

**HOW CAN THEY DENY THE EXISTENCE OF HELL? HOW CAN THEY DENY THE CONDEMNATION OF
THE SOUL?**

ON THE CROSS, JESUS FORGAVE THE THIEF WHO REPENTED AND RECOGNIZED HIM. JESUS DID NOT INVITE THE ONE THAT DID NOT REPENT TO ENTER THE KINGDOM OF HEAVEN.

Brothers/Sisters:

The days ahead will not be of joy but of tribulation, days of darkness when it will seem like the light will not come back; and the earth will move...

However, instants await us when we will see the Angels and our Most Holy Mother protecting God's People, and in order to protect us from evil our Mother clarifies in detail what Her Son's People will have to face, without leaving anything out, in order for man to believe and repent. She will cover what is visible and what is invisible, but She does not leave out any of the coming events because She Loves Her children.

MOTHER! GIVE US YOUR SAME LOVE... SO YOUR STRENGTH WILL BE ABLE TO PENETRATE THE MINDS OF THOSE WHO DENY YOUR WORD.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
18 MARCH 2015**

My beloved People:

I CALL YOU TO COMPLY WITH MY WILL AND WITH MY DIVINE LOVE.

Be permanent testimonials that My Mystical Body remains present, carrying My Light to your brothers so the complete darkness will not cover My children. Invite your brothers to become testimonials of My Love, invite them to traverse My Path which is the only one that will take you to the Salvation.

THE HUMAN RACE WILL FIND THE SALVATION WHEN MAN LIVES, ACTS AND CONDUCTS HIMSELF IN MY WILL.

My People:

Some of the ones who approach you do so looking for hope, the hope the world has lost; and you must understand that the ones who do not live in Me do not approach humbly but in a demanding way. It is My People who must be patient and kind so your brothers will open the heart to My Word and be determined to enter the path to Conversion.

Children:

So much moral decadence will continue to drag My children at this instant when the devil has invaded the Earth, together with all his fallen angels, to poison even those Consecrated to Me, so they will be lost and will confuse My People!

Those Consecrated to Me who give their lives for My Truth, are driven away from the populous communities so they will not scandalize the ones that are lost and do not want to hear about My Justice. This gives Me great pain.

THE INSTITUTION OF MY CHURCH HAS BEEN INVADED BY EVIL; MODERNISM CAUSES THE INCREASE IN SIN IN MY PEOPLE. The poison of the freemasonry generates division among those Consecrated to Me during decisive instants for My People, grafting onto them everything contrary to My Will, so the devil will take advantage of those who are Mine. **MY CHURCH WILL BE PURIFIED FOR DISOBEYING MY COMMANDMENTS AND FOR DELIVERING SOULS TO EVIL SO THEY WILL BE CONDEMNED FOR ETERNITY.**

My People:

Pray for your brothers, pray for those who do not believe, pray for the fools who are involved in the vilification of others because they misunderstand My Love and Mercy, and deny that I apply My Justice, all due to ignorance dragged along by their lukewarm way of living as mistaken Christians.

Painfully I see some children ...

Those who feel knowledgeable condemn Me...

Those who feel knowledgeable criticize Me...

Those who feel knowledgeable are worse than the Pharisees...

Those who feel knowledgeable in My Love distill poison against My Word.

Poor creatures those who judge with inconsistencies! They will be judged just as severely as they judge their brothers and My Word.

I DO NOT WANT HUMAN CREATURES WHO JUDGE WHAT IS NOT FOR THEM TO JUDGE; I WANT THE CONSOLATION OF MY CHILDREN, I WANT REPARATION FROM MY FAITHFUL CHILDREN FOR THEIR BROTHERS—SINNERS, OBSTINATE AND UNGRATEFUL—WHO CONTINUOUSLY CAUSE ME GREAT PAIN.

I see humankind consumed in an abyss of unbridled lust, of restless and insatiable lust, of constant perdition, despising My Calls and those of My Mother, to obey the snares of the devil and those of his kind.

MY PEOPLE DECLINE WHEN THEY DO NOT REPENT OF THEIR SINS, exalting men plagued with vices that enslave them and control them to make them despise Me and banish Me from My Kingdom.

I have announced, and My Mother has announced in several countries, that man must change, man must convert to avoid greater evils; however, neither One of Us has been heard. They do not want to read about the reality in which they live because they feel comfortable surrounded by sin which is exalted in order to destroy the souls in the same way that nuclear energy exterminates humankind.

Distracted in creating weapons to destroy one another, man has put aside the devil who has taken advantage of this to cause something worse: Vices and more vices, greater temptations—indifference, lack of love, and the rejection of innocence—that man will not resist and will fall seduced by them. This is why parents exterminate their own children and brothers violently burst into the lives of their brothers. Young people know about violence, but not about My Love. They presume that every wrongdoing is good because they have wrongly channeled the meaning of My Mercy.

Beloved children, My People:

YOU DO NOT REPENT OF THE OFFENSES WITH WHICH YOU LACERATE ME! We have called you to repent and this has not happened. Evil grows: The lack of concern and the lack of love reign at this instant, continuously causing greater woes.

My People:

THEY WILL TASTE THE PUNISHMENT... FIRE WILL COME DOWN FROM THE SKY, DESOLATION WILL INVADE THE SOULS OF THE SINNERS AS WELL AS THE SOULS OF THE NON-SINNERS. THE PUNISHMENT WILL BE EXPERIENCED BY ALL: THE GOOD WILL WISH NOT TO LIVE THAT INSTANT AND THE SINNERS WILL PERISH.

My People:

Communism has invaded the Earth. It goes against my Church, punishes My Church, persecutes it, and will persecute it even more disguised as other denominations to continue being unnoticed until it can take over and seriously wound all of humankind. The suffering begins and advances...

My People receive Me in the Eucharist...

My People pray the Holy Rosary and comply with My Will.

My beloved:

It pains Me so much to see you in the midst of human beings that reject you and offend you just like they rejected and flagellated Me! But My happiness is greater when I see how you resist and do not remain fallen in the mud; instead you get up with My Mother's Love and go on, knowing that the Eternal Life is life, abundant life. Nothing earthly will surpass the infinite joy that the souls who live in My Home experience.

DO NOT SUCCUMB TO CRITICISM, DO NOT YIELD TO TEMPTATION, DO NOT FEEL LIKE YOU ARE ALONE; MY ANGELIC LEGIONS REMAIN ATTENTIVE TO MY FAITHFUL TO HELP THEM.

*My People, pray for Japan; it will suffer greatly.
My People, pray for Iraq and Syria; their laments will be taken throughout the world.
My People, pray for Germany, pray for Norway; they will suffer.
The earth continues to tremble; the suffering advances*

DO NOT IGNORE MY PLEAS ...

**MY CALLS MUST NOT GO UNNOTICED IN THE FACE OF THE PAIN THAT MY CHILDREN ARE LIVING.
MY WORDS WILL NOT PASS AWAY; THEY ARE ETERNAL.**

My People:

STOP! SIN NO MORE! IN ME YOU FIND CONSOLATION.

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

We are submerged in a burning Divine Love in light of the truth about this generation. It is painful, but we cannot deny what we have before our eyes. Sin, in its multitude of forms, is overabundant, and Christ calls us once more to be united and to pray as means of getting help from the Holy Spirit.

The Christian is a creature of prayer and adores God as his Lord and his King...In the Holy Communion the Christian receives the Bread of Life descended from Heaven.

No one can call himself a Christian and at the same time exalt communists who have macerated innocent persons and have driven their people to suffering and pain, not just physical hunger but also spiritual hunger, indoctrinating God's People with false ideologies. Not coincidentally, our Mother explicitly asked for the Consecration of Russia to Her Immaculate Heart.

Christ talks to us about communism; this is a sign that is also given to us by our Mother in Her Calls; the purpose is for us to remain alert because the pain has begun.

God's People must not continue to be indifferent; instead they must learn about the Signs of the Times and must not reject Heaven's Calls.

**LET US BE A PART OF THAT CHURCH THAT PRAYS AND, ABOVE ALL, IS CHRISTOCENTRIC, AND
WITH A MOTHER WHO LOVES US.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
21 MARCH 2015**

Beloved children of My Immaculate Heart:

Receive My Blessing.

**I PEREGRINATE THROUGHOUT THE EARTH LOOKING FOR SOULS FOR MY SON...
I PEREGRINATE FROM HEART TO HEART ...
MOST OF THEM PUSH ME AWAY BUT A FEW CONVERT AND JOIN THE APOSTLES OF THE END
TIMES.**

My beloved:

THIS INSTANT IS A PENITENTIAL INSTANT OF BLESSING. MAKE GOOD USE OF IT TO REPENT OF THE OFFENSES YOU HAVE CONSTANTLY CAUSED AND CONTINUE TO CAUSE MY SON THROUGH YOUR ACTS AND DEEDS. Children, be aware that you can no longer continue to live in darkness.

The sun's rays penetrate even where there is darkness, but if the darkness does not want to stop being darkness and open up to be illuminated by the sunlight, then the sun cannot penetrate that darkness. Children, so is my heart: I illuminate all those who let Me, but those who refuse to accept My Maternal Love... I continue to love those creatures as My children, but I must wait for them to accept Me to fill them with Love for My Son.

I am the Mother of the Word; therefore I am the Mother of all My Son's children. **THROUGHOUT THE HISTORY OF THIS GENERATION MY SON HAS SENT ME TO WARN YOU, NOT TO SCARE YOU.** Nonetheless, you continue to deny My Warnings, you continue to deny My Presence in the midst of this generation. Could it be that you feel unworthy of having the Mother of your Lord come to call you? Children, you are all the same to Me: I Love all of you and I embrace all of you.

**CHILDREN, MAKE GOOD USE OF THIS PENITENTIAL INSTANT.
DELVE IN YOUR INTERIOR, AND HUMBLY ASK MY SON TO FORGIVE YOU.**

This instant is the most precious for those who wish to be saved. My Son has opened His Infinite Mercy in a very special way in order to embrace those who wish to return to Him, to embrace those who have the smallest wish to look for Him. But you must want it; otherwise, out of respect for your human free will, My Son remains waiting.

I am Messenger of Love, Pilgrim of Love, and I find so many doors closed, so many creatures so submerged in the habit of sinning that when they do not sin they feel like something is missing! Sin has invaded man so much that it has become necessary for the human creature!

AT THIS INSTANT THE HUMAN RACE SEES SIN AS NORMAL, LIKE SOMETHING THAT DOES NOT OFFEND MY SON, LIKE SOMETHING THAT DOES NOT OFFEND ME. The majority of the acts and deeds of this generation have evil implicit in them, evil that is used by the enemy of the souls to take possession of the human creatures.

How is it that you do not heed My Calls?
How is it that you reject My Son's Will?
How is it that you continue to say that humankind walk righteously?
How is it that you accept abortion?

How is it that you do not defend the Gift of Life?

THIS PAINS ME SO MUCH! THIS AFFLICTS ME SO MUCH! You cannot say that this generation walks righteously when those who are defenseless are thrown to the streets to die, when parents take away the lives of their own children... Is this not satan's work?

My children:

YOU MUST DELVE DEEPER AND BE MORE SPIRITUAL.

**MY FAVORITE CHILDREN MUST CALL MY SON'S PEOPLE TO BE MORE SPIRITUAL.
AND MY CHILDREN WHO LOVE AND ADORE MY SON MUST COME UP TO MY FAVORITE
CHILDREN TO BE GUIDED TO BE MORE SPIRITUAL.**

A spiritual being is not just one who prays on his knees.

A spiritual being is not just one who comes to the Eucharist daily.

If My Son's Will does not beat profoundly and continuously in his interior, then he is nothing more than a reflection that at any time can dim and cease to be a creature that prays, pious, and truly Christian, and this will cause major complications among brothers.

AT THIS INSTANT SPIRITUALITY SHOULD OVERCOME FALSE RELIGIOSITY.

My children must be fused together with My Son's acts...

My children must be eager to belong to My Son...

My children must accept Me as Mother so I may guide them to Him.

PRAY THE HOLY ROSARY; IT IS A WEAPON THAT DEFENDS YOU FROM EVIL.

BUT BE AWARE THAT YOU SHOULD REMAIN IN A STATE OF GRACE:

IN ORDER FOR YOUR PRAYERS TO BEAR FRUIT,

IN ORDER FOR YOUR WORK TO BEAR FRUIT,

IN ORDER FOR YOUR ACTS TO BEAR FRUIT AND BE THE CORRECT ONES.

A creature completely involved in lukewarmness—that acts and works in My Son's Love when it is convenient for him—is like the hypocrite who seems pious in front of his brothers, but when he is alone he forgets he belongs to Him. My Son sees everything and knows everything because He knows all creatures from the innermost being of each one.

Beloved children of My Immaculate Heart:

My Son sends Me to you and I come gladly and continue to warn you.

THE ANTICHRIST IS DESIGNING HIS PLANS IN THE MIDST OF A DROWSY HUMANITY THAT DOES NOT HEED MY CALLS AND THEREFORE HAS NOT BEEN ABLE TO DISCOVER THE ONE WHO IS PRESENTING HIMSELF WITH A MASK OF DECEIT, WITH FALSE ALLIANCES AND OBJECTIONABLE OR IMMORAL TRANSACTIONS. The very instant when he has just a little more power in his hands, he will act against My Son's People.

YOU NEED A GREATER SPIRITUALITY TO BE ABLE TO OVERCOME ALL THAT IS COMING.

The sky will turn red as an omen of the blood that My Son's People will spill, the People: Martyrs at the hands of their oppressors. But do not fear, children, do not fear giving your lives for My Son because the soul is in the Hands of the Eternal Father.

This is not the instant to not live fully, this is not the instant to continue being lukewarm.

DO NOT ALLOW WHAT IS MUNDANE TO DRAG YOU BECAUSE THIS IS SATAN'S GREAT PLAN. HE AND HIS FALLEN ANGELS HAVE COME TO THE EARTH TO POSSESS THE HUMAN CREATURES. THAT IS THE TRIUMPH HE HAS DESIGNED IN ORDER TO LATER PUNISH MY SON'S PEOPLE HARSHLY LIKE THEY HAVE NEVER BEEN SCOURGED BEFORE. THIS IS THE REASON THAT I IMPLORE YOU TO TRULY REPENT...

Be eager to convert; and those who have converted do not be negligent. In an instant you can yield to temptation and lose everything you have won for Eternal Life. **No one is immune.**

YOU DO NOT PERCEIVE IT BUT YOU LIVE IN THE MIDDLE OF A GREAT SPIRITUAL BATTLE BETWEEN GOOD AND EVIL. EACH ONE OF YOU MUST COOPERATE BY SAYING "YES!" TO MY SON.

YOU WILL SUFFER SO MUCH PAIN! DO NOT REJECT MY WORDS; DO NOT REJECT MY SON WHEN HE CALLS YOU TO RETAKE THE PATH TO HIM. EVERYONE WHO IS CONSCIOUS KNOWS THAT THIS IS A BLESSING, THAT MY PRESENCE IS A BLESSING, THAT MY WARNINGS ARE A BLESSING... BECAUSE I DO NOT WANT SATAN TO OWN YOUR SOULS.

Beloved children:

**I invite you to pray strongly for Argentina, My children's blood will be spilled.
I invite you to pray for Puerto Rico, it will be strongly shaken.
I invite you to pray for Russia; humanity will take a great whipping from there.**

Children:

THE HIERARCHY OF MY SON'S CHURCH HAS FAILED TO CONSECRATE RUSSIA TO MY IMMACULATE HEART, AND AT THIS INSTANT WHEN HUMANITY IS INVADED BY EVIL, THIS DISOBEDIENCE HAS OPENED THE DOORS EVEN MORE FOR COMMUNISM TO INVADE THE MAJORITY OF THE COUNTRIES WHERE IT HAS ALREADY DOMINATED MY CHILDREN'S MINDS WITH ITS IDEOLOGIES. Anyone who says he loves Me cannot be in communion with communism. Anyone who loves Me and loves My Son in spirit and truth resists that false ideology which brings death for humanity, for My Son's People, along with it.

My beloved:

I invite you to expand your knowledge. Do not believe everything the large industries present to you: Delve deeper, learn about the production and the elements that comprise it, because those who think they own humanity on Earth have prepared their god money to contaminate My Son's People, not only through the food, but also through other means which are presented to improve

your health but in reality they are meant to cause your health to decline. Children, I warn you about this.

MY CHILDREN LIVE AMONG VIPERS THAT WANT TO ANNIHILATE YOU. RESIST, BE STRONG BECAUSE YOU POSSESS THE INFINITE TREASURE, THE ONE NOBODY CAN POSSESS FORCEFULLY, ONLY THOSE THAT—INSTANT TO INSTANT—GIVE THEIR LIVES TO MY SON TO WIN THE ETERNAL LIFE.

Children, do not be afraid; you will never be abandoned.

INSTANT TO INSTANT I PROTECT YOU SO YOU WILL NOT BE LOST. I SEND MY ANGELIC LEGIONES SO THAT DURING THE INSTANTS OF TEMPTATION THEY WILL REMIND YOU THAT YOU ARE CHILDREN OF THE MOST HIGH. BUT DO NOT EXPOSE YOURSELVES TO EVIL.

Children, do not be afraid because My Son will send from His Home what His People need, as long as His People will be obedient and faithfully comply with His Mandates. Keep in mind that the Commandments cannot be changed because they have been written by The Eternal Father for the past, for the present, and for the future.

As Mother of the Divine Love I pour over all of My Son's children My Love and My Blessing, and these be yours:

Strength to resist evil...

Strength to reject evil...

Strength and support to remain on the True Path.

**DO NOT FORGET THAT MY SON IS COMING
AND YOU WILL ENJOY SEEING HIM FACE TO FACE.**

I bless you in the Name of the Father and of the Son and of the Holy Spirit.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Our Mother invites us to change our lives profoundly, to repent in our hearts with the firm purpose of amendment, to confess our sins, and to pray, to repair, to have Communion, to put into practice the Divine Word, and to warn our brothers so that we will be like Jesus Christ, acting and behaving in true love and true action.

Our lives must be of constant reflection so the Faith will not diminish and will support us on the true path.

We are God's temples and it is our duty to keep ourselves alert about all that happens around us, to investigate and discover how the evil one moves to prevent him from taking the children of The Most High by surprise.

Brothers, the spirituality must be more profound, more from the intimacy of our being so we will not live in tension. The devil came for his loot and Heaven alerts us to save every human creature because nobody can think he is invulnerable to temptation; this would be hubris.

Brothers, most people don't know all that moves against Christ's Church; and in light of this ignorance, evil takes advantage of the least distraction to catch the souls and make them his.

Let us not be overcome by evil, let us awaken with the Eucharist and with the Holy Rosary in our hands.

Once again we shall see how man's disobedience has been and still is the great woe of every instant, and this instant is no different.

United in the Love of the Father, of the Son and of the Holy Spirit, let's be firm in complying with the Calls and remaining alert to everything Heaven tells us, waking up the human creatures that are still confused because of ignorance; for example, those who exalt the outstanding figures of communism while calling themselves Christians.

"No one can serve two masters ..." (Matthew 6:24). We must decide to be strong in Faith for our Lord Jesus Christ.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
25 MARCH 2015**

Beloved children of My Immaculate Heart:

**FROM NORTH TO SOUTH AND FROM EAST TO WEST MY ANGELIC LEGIONS PROTECT YOU
AND HELP HUMANKIND, AND THEY PROJECT THEIR OBEDIENCE TO MY SON ONTO THE HUMAN
CREATURES
WHO WANT TO EMBRACE THE DIVINE MERCY.**

My children know that it is not with despair that they advance, but with Hope in a tomorrow of Eternal Life which prevails in a man who controls the present instant to overcome all that is contrary to the Divine Will.

AS MOTHER, I CONTINUOUSLY CALL YOU TO PAY ATTENTION AND TO EXPAND YOUR THINKING, YOUR REASON, AND YOUR KNOWLEDGE, DELVING IN THE CURRENT NIGHTMARES THAT KEEP ADVANCING AND WILL DELIVER HUMANITY TO THE ACCELERATED SUFFERING DESCRIBED IN THE HOLY SCRIPTURES, ANNOUNCED BY ME AND REVEALED TO DIFFERENT CREATURES CHOSEN BY MY SON.

Humanity has persisted in its own way of walking, guided by human intuition which has failed repeatedly because man has not accepted help from the Holy Spirit.

THE KNOWLEDGE AND THE DELVING INTO EVERYTHING AROUND YOU THAT IS BREWING OVER HUMANKIND IS NOT OF HUMAN INTEREST. This is why humanity is being dominated by those who pursue the disintegration of the human race. The conscience has been dimmed by a selfish, independent and egocentric creature.

Children:

You are aware of your existence and of this instant when everything around you moves against the Divine Will. You are capable of thinking, reasoning, and you have intelligence, but evil blinds you and goes unnoticed by you, and you go on with your lives as if your brothers' actions were exactly what God wants.

I ache for the suffering of a humanity invaded by hatred which has led man to the grave sin of crime that wraps the human being in vice, dimming the reason and hardening the heart. When man kills another human being, man allows the devil to take him over and to keep him in a constant state of thirst, thirst for vengeance, without any reason whatsoever; thirst for blood without the fear of God.

THIS GENERATION HAS SEALED ITSELF AND HAS DELIVERED ITSELF IN THE HANDS OF THE DEVIL, THUS CONDEMNING MILLIONS OF INNOCENT BEINGS TO DEATH IN THE CRUELEST WAY THERE IS: ABORTION.

My children should not defend those who, for their own convenience, decide to betray the Mission that the Father entrusted them with: To be mothers. There will be an increase in abortions which will become an everyday occurrence taken to unthinkable levels of homicides when the abortion is provoked. Man has become a monster that kills before the whole of Creation which shudders every time an act against the Gift of Life is committed.

My children:

I suffer so much because of this scourge that man has accepted for his own convenience!

There is so much pain and shuddering in My Son's Home every time there is a voluntary action to put an end to the Gift of Life!

HUMANITY HAS DEGENERATED, THE DEVIL CONTROLS IT AND MAN PLEASANTLY CONSENTS EVIL'S WISHES, THUS GETTING TO MULTIPLY TERROR THROUGHOUT THE WORLD. Terrorism advances instant to instant in every human creature that kills an innocent being; it advances in those who mercilessly carry death as their flag.

Beloved children:

Pray, receive My Son worthily prepared and be aware of the world's current events. Do not be creatures who live isolated in their environment; comply with "Love your neighbor" without forgetting that the terror will expand throughout the Earth.

Children:

**THIS GENERATION IS A REFERENCE TO THE FINAL EVENTS...
THIS GENERATION WILL LIVE ITS OWN WRONGDOING: THE GREAT TRIBULATION**

Children of My Immaculate Heart:

MY SON'S CHURCH WILL BE DIVIDED. THIS WILL BE THE FIRST SIGN THAT THE SON OF PERDITION IS ACTING DIRECTLY, GOING AGAINST GOD AND GETTING READY TO SIT IN GOD'S TEMPLE WITH PRODIGIOUS AND FALSE, DECEIVING DEEDS. With false miracles he will captivate those who are not firm in the Faith and have not accompanied My Son in obeying The Commandments.

Beloved children of My Heart:

DO NOT LET THIS INSTANT'S SIGNS GO UNNOTICED; NOT ONLY THE LUKEWARM WILL BE DECEIVED.

Hold on to your daily spiritual growth, hold on to the knowledge of the Truth, expand your minds and live instant to instant being creatures of action, bringing My Son's Word to your brothers, being testimonials of My Son's acts and works.

Children:

**Pray for England, it will suffer at the hands of terrorism.
Pray for Chile, it will be scourged by Nature, it will tremble.
Pray for the United States of America, it will suffer the pain in its guts.**

Beloved of My Immaculate Heart:

The Earth does not know or recognize mankind; reasoning has been lost, evil is being embraced. A world leader will be a surprise for humanity.

My Son suffered the opposition of His own People; the believers suffered with Him. Do not forget My Son's Words: "In the world you face persecution. But take courage; I have conquered the world!"² (John 16:33)

My beloved:

DO NOT CONTINUE BEING INDIFFERENT, GROW IN KNOWLEDGE; DO NOT BE PASSIVE CREATURES, ON THE CONTRARY, EACH ONE BE AN EXAMPLE FOR THE BROTHER.

The moon turns red... and humanity suffers.

Be aware that each one must be the brother's keeper; evil advances. The good take refuge in My Son and He owns everything that exists.

Look up, remain alert.

I bless you. I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

AS MEMBERS OF THE MYSTICAL BODY, LET US NOT SILENCE THE VOICE OF THE HOLY SPIRIT IN US.

THE HOLY SPIRIT CALLS US TO BE UNITED LIKE GOD'S FAMILY.

The Most Holy Mother urges man to change and She shows us the reality of today just the way it is in order for us to look at it without disguises.

God has given us life to be in communion with Him; do not reject this Gift. There are many different ways to kill, regrettably it is easier than man thinks. Killing is much easier than one thinks.

There is so much violence at this instant!

² New Revised Standard Version Catholic Edition

Our Mother gives us an undeniable example: Abortion and its approval in several countries. Is this not a triumph of evil over humankind?

Brothers:

**EVIL ADVANCES AND MAN DOES NOT WANT TO LOOK.
LET US WARN ONE ANOTHER AND LET US LIVE IN BROTHERHOOD WHICH WILL BE OUR
ASSISTANCE DURING THE INSTANTS OF TRIBULATION.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
28 MARCH 2015**

Beloved children:

HUMANKIND CONTINUES TO REJECT THE MERCIFUL PLAN FOR SALVATION.

I see the souls subjected to strong purifications because human beings refuse to become aware of the things to which I call you with the purpose of making the intelligence move the heart of stone to act and behave righteously.

Children, you breathe laziness and spiritual indifference and, instant to instant, this paralyzes in man the desire and the need for God. Confused by an overwhelming wave of ideologies, man accepts everything that reaches him as he seeks anything that will grant him more control over his surroundings.

My Son chose twelve men. He taught them to love the Eternal Father and He taught them to pray to Him and to adore Him. He preached to them about the Father so that by means of that knowledge they could experience being close to Him. Humankind does not love because love is not recognized as such; love is seen as a tradition, and traditions are not accepted by this generation.

As it has been announced the cruel great calamity is near in the face of a love that is not love... Calamities are coming for the body and for the soul. The innocent is thrown to the ground which ages quickly to avoid becoming an accomplice to man—unrecognizable, who kills mercilessly. The land trembles all over the planet and, although man knows the cause, he wishes to be ignorant and not to believe. Then My Warnings will be seen too late for humankind which will be unprepared.

Fire will fall from the sky before man who has turned money into a god, thus losing sensitivity and feelings. The calamity will start one morning in which man will feel he is going insane, metal will melt like wax in a fire; instants when Faith will sustain the humble and the powerful will be beggars.

Nuclear energy will whip mankind and then My Calls will be recognized.

Beloved children:

Pray for Switzerland, it will tremble and it will make mankind tremble.

Pray, children, pray for Israel, it will suffer.

Pray, children, Earth will be touched by an asteroid; pray.

Pray, children, pray. The Pope will be taken by surprise while he is away from Rome.

My beloved:

Do not reject My Calls; the return of man to his God is urgent and indispensable. All that is mundane fades away; man will feel like he is dying.

THE CALL IS SPIRITUAL SO MANKIND WILL GET CLOSE TO MY SON. YOUR HUMANITY IS NOT GRATEFUL FOR THE HOLY SPIRIT'S LOVE FOR MAN, AND YOU WILL SEE ILLNESS, SUFFERING, AND ANGUISH ARRIVE.

Over all of you the sun will be a tenacious force against man himself.

The measure you give will be the measure you get.^(*)... My children must show restraint, you will feel desolate because My Warnings have been rejected. Those who hold on to tradition will be identified, modernism will strive to gain control over the Commandments and My Son's Word. At the end you will see the Truth of everything I have announced; you will clamor to Heaven, but do not forget that My Son is Mercy and, at the same time, Justice.

Do not reject the Sacramentals; they are means. Do not ignore the Calls; they are steps that open up in the spiritual path.

A decree from Heaven will be balsam for those who abide by the Father's Will. Do not wait, be action just like the Christians in the past. At this instant you must share the Good News: My Son's second coming.

BEFORE THE BEGINNING OF THE HOLY WEEK, RECONCILE YOURSELVES WITH MY SON; DO NOT ALLOW EVIL TO TAKE YOU AND OWN YOU TO MAKE YOU ITS INSTRUMENTS.

Be more spiritual; live these days truthfully from the heart, as if they were the last chance for Salvation ...

Be spiritual, not mundane ...

Be sincere with yourselves, do not deceive yourselves ...

Be true children of My Son.

Man does not see himself inside the dismal reality in which he lives because the bandage darkened the human eye and blindness reached the heart and hardened it; reason closed down and the intelligence was oppressed by the force of evil that dominates it.

I carry you protected in My Womb so evil will not see you.

Beloved children:

Good prevails if man is obedient and shakes off the moth that has gnawed at the spirit.

I remain in front of you without leaving you, not even for an instant. At this instant My Legions protect you in a special way.

**THOSE WHO ARE FAITHFUL TO MY SON WILL NOT BE SCOURGED;
TRUTH WILL NOT BE BANISHED FROM THE EARTH.
I LOVE YOU, MY CHILDREN. CONTINUE TOGETHER IN UNITY; THE SPIRITUAL STRENGTH IS MORE
POWERFUL THAN THE HUMAN STRENGTH.**

I bless you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

We are at the beginning of this Holy Week. Let's live it as if it were the last one.

Heaven gives us the opportunity to prepare ourselves for the coming events which we—as a part of humankind—will face.

The Earth trembles because of the human barbarity and the water penetrates the land taking death along by the hand.

The Mother warns us one more time. Her gaze does not excuse the man who does not want to be more spiritual in order to be better united with his Creator. We are called to love Christ, but we can only love Him if we know Him.

It is not impossible to control the pleasures that attract man like magnets. They must not be in control during these commemorative days.

LET US MEDITATE, REFLECT, HAVE HOPE, AND LET US TELL CHRIST THAT HE WILL ALWAYS BE KING IN US.

I invite you to join me in my prayer:

*My beloved King:
If anyone wants to learn about love, let them see Your Eyes,
There they will find the answer.
Like the Saint of saints,
You triumphantly enter in the middle of "Hosannas".*

*The Mother delivers You ...
She has kept You in Her Arms
And today She gives You to humankind
Whom You love with the Father's Love.*

*Your detachment from Yourself, Lord,
Captivates the soul that returns to You.
You do not know the vanity or the hubris of the human being,
For being a man, You are God above all else.*

*"Do not be afraid, daughter of Zion.
Look, your king is coming,
Sitting on a donkey's colt!"
He comes to wash away your sins.
Today is a glorious day:
The King has arrived.*

*Make way, make way!
The One who will save us is coming!
On His way He looks for souls
To crown them with love.*

Hosanna, blessed is He who comes in the Name of the Lord!

Amen.

Children:

**THE KNOWLEDGE OF CURRENT EVENTS IS INDISPENSABLE FOR YOU TO DISCERN
THE SIGNALS THAT ARE GIVEN WHICH MUST NOT GO UNNOTICED.
EACH SIGNAL IS AN ANNOUNCEMENT THAT I HAVE GIVEN TO HUMANKIND.**

Children:

**Pray for the human creatures that have been chosen by My Son for a special mission
and who do not obey, losing the way.
Pray for Japan, the whip in its power is and will be an obvious cause of contamination for My
children.**

Children, be faithful, do not lose the Faith. I keep you under My Mantle.

MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARÍA 31 MARCH 2015

Beloved children of My Immaculate Heart:

CONTINUE TO ACCOMPANY MY SON.

Children, all are called to Salvation. Some encounter the wrong path—and even reject Salvation—because of ignorance.

The Christian's mission is to co-redeem, to complete what is lacking in My Son's Passion: "...what is lacking in Christ's afflictions for the sake of his body, that is, the church." **(1)**

For most it is easy to call themselves Christians as long as grief does not get to them; because as soon as pain so much as touches them, they desperately ask that it be taken away, although they know pain is Redemption.

My Son chooses the humble to carry His Word. Maybe they are those who only half-understand the Gospel, but they are the ones who are willing to give everything.

Beloved, I do not see many learned people among you, neither do I see many virtuous people. I see those who come looking for the Divine Mercy. I see a great many souls willing to pray the Holy Rosary, and to intercede for their brothers; and in so doing they will traverse the correct path and eventually be learned, virtuous, and faithful.

Amid all, I see those who always criticize the ones that boldly launch out in search of the Divine Insanity of the Cross holding the Rosary in one hand. To those who criticize I say: "Let anyone among you who is without sin be the first to throw a stone ... " (2)

**CHILDREN, MAN HAS TWO ROADS BEFORE HIM: THE GOOD AND THE EVIL.
IF HE CHOOSES GOOD, HE KNOWS HE WILL BE CRITICIZED, INSULTED AND SLANDERED... BUT HE
WILL HAVE ETERNAL LIFE IN ABUNDANCE.
IF HE CHOOSES THE ROAD TO EVIL, THE WORLD WILL TREAT HIM WELL, BUT UNLESS HE
REPENTS, HE WILL LOSE THE ETERNAL LIFE.**

At this instant rage—satan’s distinctive trait—prevails, as well as the lack of knowledge regarding love, True Love. This brings about man’s search for excuses to eliminate one another. These actions give so much pain to My Son!

**HOW MANY SUFFER WITH MY SON’S PAIN? THOSE WHO DO NOT SEEK THEIR PERSONAL GLORY,
OR APPLAUSE OR THE PLACES OF HONOR. THIS IS WHY THERE ARE SO FEW OF THEM.**

Children, pray

- For your brothers lulled by satan;s deceit,
- For those who do not wish to wake up to this instant’s reality,
- For those who deny the existence of sin in this generation.

These children seriously offend My Son because they are not lost alone; they drag many souls with them.

**Children, pray for the impiousness and the persecution that increase against innocent victims in
the Middle East. This wickedness will spread.**

**Children, pray for those who will lose their lives to radioactivity,
scourge for this unconscious generation.**

Beloved children, repent for offending My Son so much, for so many times when you nail His Divine Hands filled with Love. Repent for not being active creatures who carry My Son’s Word to your brothers. Passivity has taken over most of you. My children, do not allow this wickedness to possess you.

I remain with you. My Hand never tires of knocking at your door for you to let Me in.

I bless you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters, I share with you:

Father of Infinite Love, penetrate the hearts of all men,
May the unity of Your People reign today and always
In all those who call You "Father".

May love prevail over all conflict,
Triumph over the discords of human vanity.
May disappointment not diminish Faith,
Neither vain words separate me from You.

May Your Strength fill me to live assured

That in Your Unity everything will be defeated,

For Thine is the Power, Honor and Glory.

Lord, allow me to Crown You with Faith in Your Word,
Your Promises are not vain; they have come out of Your Mouth.

"If God is for us, who is against us?" **(3)**

Let us walk together for I wish to resuscitate to a "NEW LIFE"

Where no one can separate me from You.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
1 APRIL 2015**

Beloved children of My Immaculate Heart:

I KEEP YOU UNDER MY MANTLE, PROTECTED IN MY HEART.

Be faithful to My Son so that treason, lack of love, infidelity, mockery, and so many more... will not lead you to fall and then leave you there unable to get up.

Children:

**LIFE IS A CONSTANT EFFORT TO ATTRACT THE BLESSING.
NOTHING COMES WITHOUT EFFORT, WITHOUT MAN DESERVING IT.**

Beloved:

Pained to the extreme, the suffering He has in His Heart is drawn on the Face of My Divine Son. He does not say a word; it is not necessary; He knows He will be betrayed ...

At this instant human iniquity continues to advance unspeakably, and My Son continues to suffer for those who are His, when they work and act within the mundane and sinful.

So many children despise the Gift of life and kill their neighbors!

So many abortions facilitated and favored!

So many innocents exterminated!

So much cruelty against the same human beings!

So many weapons with the seal of death that will exterminate thousands of human beings in an instant!

So many minds inspired by evil deviate in a second from man's way!

So many hearts hardened by treason, persecution and disillusion!

SO MUCH LACK OF LOVE IN THIS GENERATION!

EVIL HAS PLANTED RAGE IN HUMANITY IN ORDER TO TURN MAN INTO HIS OWN EXECUTIONER.

Children of My Heart:

You have forgotten the First Purification that the Father sent: **WATER**... and man was corrupted again.

The Second Purification: **MY SON'S BLOOD**...

Beloved, which purification has been useful for humanity to reject sin?

YOU HAVE TAKEN DISDAINFULLY THE GOODS THAT THE FATHER HAS GIVEN TO YOU: THE PURIFICATIONS, AND ESPECIALLY, MY SON'S BLOOD; AND IN RETURN YOU HAVE GIVEN THE DEVIL THE POWER OVER YOU. Children, you have abused God so much that you despise the Divine Justice.

Beloved:

My Divine Son is so pained! This generation continues to betray Him constantly; this is the reason that hell itself has pounced on humanity to make them perish before they repent and so they will not save their souls.

**SATAN EASILY MAKES HUMANITY BOW DOWN TO HIM...
AND HUMANITY FALLS IN HIS TRAPS BECAUSE OF IGNORANCE OR CONVENIENCE.**

MY SON WOULD DONATE HIMSELF AGAIN FOR A SECOND TIME FOR EACH ONE OF YOU, AND YOU WOULD BETRAY HIM AGAIN BY DISOBEYING HIM AND EMBRACING EVIL AS A WEAPON TO DOMINATE YOUR BROTHERS, thus turning into followers of the antichrist who came to divide, to kill, and to condemn the souls to the eternal fire..

Beloved children:

So much lukewarmness in you!

So much indecision!

So much ignorance of the wickedness around you!

So much conformism!

So much covering-up of wickedness!

So little willpower!

So many good intentions never carried out!

So much lying to yourselves!

How My Son is treated by those consecrated to Him! So many of them venerate money! So many of them controlled by evil live in a state of impurity!

So much division and so many trials for My Son's Church!

Thereby, you, My children:

So much deceit!

So much hubris!

So much condemnation that will turn against you!

Just like My Son was betrayed one first time, He will continue to be betrayed. My Son knows it, but His infinite Love waits for you, waits for each one of you to convert.

AT THIS INSTANT PONDER OVER THE LIFE OF EACH ONE OF YOU, LOOK AT YOURSELVES WITHOUT MASKS AND CONFESS THAT YOU ARE NOT WHAT MY SON WANTS. DO NOT TAKE TO HIM ANY MORE PLANS OR RESOLUTIONS INSTEAD OF FIRM PROMISES. PREPARE YOURSELVES RIGHT THIS INSTANT; DO NOT LOSE THE ETERNAL LIFE.

Pray, children, pray for Russia. It will be a scourge for mankind.
Pray, children, for the communism that consumes man and turns individuals into masses.
Pray, children, the land will tremble strongly.

Do not be lost, My beloved, fight with the strength of the Holy Spirit; it is not enough to want it with firm will.

I bless you.

INSTRUMENT'S COMMENTS

Brothers/Sisters, I share with you:

Mother of the Savior and My Mother,
Teach me to live loving,
Teach me to live in silence
To listen to the voice of the Holy Spirit.

Teach me to keep to myself
My human emotions,
So these will not betray
The testimony of life that Your Son asks of me.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA**

**MAUNDY THURSDAY
2 APRIL 2015**

Beloved children of My Immaculate Heart:

I BLESS ALL THOSE CONSECRATED TO MY SON'S SERVICE.

I bless My favorite children.

I bless the hands that adore and—in an act of profound thanksgiving—raise the bread and the wine and allow My Son to be Transubstantiated into the Divine Body and Blood.

I bless My favorite children who tirelessly give themselves to My Son's People, those who at all times preach the Truth: "...proclaim the message ...whether the time is favorable or unfavorable..."³; those who, regardless of the time, go promptly at all hours to serve the souls.

I bless My favorite children who do not seek honors or human distinctions, but want to live in My Son's Will and comply fully with their Consecration.

Beloved children of My Immaculate Heart, People of My Son who love Him:

I BLESS ALL THOSE WHO BELONG TO THE DIFFERENT GROUPS IN MY SON'S CHURCH.

There are no different groups, it is one sole group at My Son's service; but rivalries arise and, as Mother, I cannot ignore them.

TO ALL THOSE WHO CALL YOURSELVES CHRISTIANS, WHO DEDICATE PART OF YOUR LIVES TO SOME GROUP WITHIN MY SON'S CHURCH, I SUMMON YOU TO BE ONE SINGLE HEART, FRATERNITY AND UNITY. No service, no religious group is more than any other; it will be the least one of all if it does not keep itself at the total service of your brothers.

Beloved children:

**THE ONE WHO WANTS TO BE THE GREATEST MUST BE THE LEAST OF ALL,
THE LEAST AND THE MOST HUMBLE OF ALL.
THAT SON OF MINE IS THE ONE WHO HAS MY SON'S LOVE IN FULL.**

Beloved children:

Do not allow conflicts to separate those who remain within My Son's Church at the service of your brothers because all of you serve My Son and Me.

³ 2 Timothy 4:2 New Revised Standard Version Catholic Edition

My children do not have rivals and they do not see their brothers as rivals. My true children are unity; they know they have been summoned to fraternity, to be one single Heart at this instant in order to have the necessary strength to combat evil together, not to combat one another within the same Church.

Those who call themselves Christians and do not come near My Son, they are not true. Those who serve in different groups within My Son's Church, and walk covered by human ideologies, are not My true children. **MY SON IS NOT AN IDEOLOGY; MY SON IS "THE WAY, AND THE TRUTH, AND THE LIFE."**⁴

Beloved children of My Immaculate Heart:

EDIFY, CONSTRUCT; DO NOT OVERTHROW YOUR BROTHER...

Construct, edify taking knowledge to your brothers, warning them about this instant, instant of instants, when humankind has allowed My Son's Word to be banished and has adopted as a way of life:

Irreverence towards My Son...
Disobedience of the Commandments...
And rage as banner...

YOU HAVE TRANSGRESSED ALL STANDARDS IN ALL ASPECTS.

My Son is Mercy, and He comes to you with His infinite Mercy. Without being a sinner, He even carries the Cross of all of humankind's sins, and He does this out of Love, out of Love for each and every one of you, His children.

My Son gives Himself and with each lashing He receives:

He sees how many betrayals He will receive from His children...
He sees how many denials He will get from His children...
He sees how many will hide and renounce Him to avoid suffering...

BUT MY SON SUFFERS AND IN THIS SUFFERING HIS HEART STRENGTHENS WHEN HE SEES YOU WHO ARE FAITHFUL TO HIM, WHO DO NOT DENY HIM, WHO KEEP UP THE FAITH, WHO STRIVE FOR UNITY AMONG BROTHERS, WHO STRIVE TO KEEP THE CHURCH BEATING AT THE SAME RATE AS THE DIVINE HEART.

My Son sees you who adore Him, who do not get involved in disputes; instead you are unity, love, transparency, charity, blessing, and faith.

⁴ John 14:6 New Revised Standard Version Catholic Edition

My Son continues to give Himself when He looks at the Holy Remnant prepared to receive Him in His Second Coming.

My Son continues to give Himself when He sees that His People know His Word and do not decline, instead they penetrate the broadness of knowledge so the coming events will not take them by surprise; they penetrate My Calls throughout the times in My different Apparitions where I reveal even the most minute details of the suffering of this generation in particular so that, once they have passed the crucible, they will shine like gold and will be able to receive My Son, not only with a "Glory!" or "Hosanna" but also with their works and acts in the Father's Will.

Beloved children:

DO NOT GET INVOLVED IN DISPUTES WITH ONE ANOTHER; HELP ONE ANOTHER SO YOU WILL DISCOVER THE ONE THAT ALREADY MOVES IN THE MIDST OF HUMANITY, so you will discover the one that, with the fake appearance of righteousness, already reveals himself before all of humankind to gestate the division of My Son's People and overwhelm all those who confess their Faith in My Son.

Beloved children of My Immaculate Heart:

PENETRATE THE MYSTERY OF MY SON'S LOVE FOR YOU; it is a Love that most of you still do not know.

PREPARE TO RECEIVE THE ONE WHO, AFTER THE ANTICHRIST IS REVEALED, WILL COME WITH MY SON'S WORD IN HIS MOUTH TO HELP AND ASSIST YOU.

Pray, My children, pray for the Priestly People so they will live the same sanctity as My Son.

Pray, My children, pray because the science without conscience aims to diminish the world population.

Pray, My children, pray because the plagues advance towards humanity without you perceiving it.

Pray, My children, the land continues to tremble and My children continue to suffer.

Continue giving yourselves for the love of My Son.

Continue united with My Son's Passion.

Continue meditating My Son's pain so you can partake of the joy of the resurrection.

AS YOUR MOTHER I PROTECT YOU AND I KISS EACH ONE OF MY CHILDREN. RECEIVE PEACE IN YOUR HEARTS, I PROTECT YOU AND ASSIST YOU, MY BELOVED CHILDREN, I BLESS YOU.

Mother Mary

THE INSTRUMENT'S COMMENTS

Brothers/Sisters, let's salute our King:

*Blessed Be Your Name and adored forever.
Be, Holy Host of infinite Love,
The voice that satiates the thirst
Of those who wander aimlessly through life.*

*May all men
Recognize You, Sacrificial Lamb.
For the Love of Your People You have come
To dispel the darkness
Of our wretched humanity.
Today You dress us with royal robes
And You place before us Your Table
For us to sit next to You
And taste the True Life.*

*The Faith of Your Most Holy Mother
Obtains for us the Supreme Prize
Of which we are totally unworthy,
But She—as Mother of Consolation—
Has delivered You, Her beloved Son.*

*Blessed Heart of my beloved Jesus,
Beat quickly for me,
In order that, being Your Love the One who calls me,
I may never refuse to listen.*

*Today I crown You, but not with thorns.
I crown You with my love,
With my faith in Your Word,
With the obedience to Your Mandates,
Since You are my King and Lord,*

*How can my sorry humanity
Refuse to attend the Call of the Lord?*

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
GOOD FRIDAY
3 APRIL 2015**

Beloved children of My Immaculate Heart:

MY CHILDREN, AT THIS INSTANT YOU ARE SHELTERED BY ME. DO NOT ALLOW THE HUMAN WILL TO WEAKEN YOU; INSTEAD, WHEN YOU DELVE IN MY SON'S GIVING OF HIMSELF, YOU ARE FUSED IN THE DIVINE LOVE FROM WHERE ALL GOODS FOR THE HUMAN CREATURES COME.

My children know their Shepherd and obey the Call. They know that they must instruct themselves to increase the knowledge, and must not ignore what happens around them in the whole world. The suffering and the pain will encompass all the Earth.

My beloved:

MY SON'S CROSS IS VICTORY OVER ALL EVIL, OVER DEATH ITSELF. THUS MY CHILDREN KNOW THAT THEY WALK AMID OBSTACLES, BUT THEY WILL PREVAIL IN MY SON'S NAME.

At this instant each one of you must be the one who takes the Divine and Blessed Blood making the commitment to be the custodian of such a great Miracle of Love. My Son's Divine Blood was not spilled without giving fruit in His children, and fruit of Eternal Life! The Christian's daily bread is the Eucharistic Bread to strengthen the spirit as well as the body.

Children, each instant's battles cannot be won without My Son. Ask My Son for the grace of receiving Him worthily in such a great Sacrament. Before the Eucharistic Sacrament every knee bends adoring the Greatest in Christendom.

Beloved:

**MY SON'S CROSS CONTAINS THE SINS OF ALL HUMAN CREATURES;
THIS IS WHY ITS WEIGHT IS SHARED BY ALL HUMANKIND. NOW YOU MUST REPAIR AND
AMEND,
STAYING AWAY FROM ALL THAT LEADS YOU TO EVIL.**

Children, these are instants of pain for several countries. Do not see the pain from a distance because it will spread to the entire Earth.

THE CHRISTIAN OF THIS INSTANT INSTRUCTS HIMSELF AND KNOWS ALL THAT HAPPENS AROUND HIM, SHOWING SOLIDARITY AND LIVING IN FULL THE LOVE FOR HIS NEIGHBOR.

Each one of you must be the one to wipe the Divine Face—Sign of the presence, the company, the recognition of My Son as Savior of humankind—and engrave in his heart not only the pain but also the Love that surpasses the love: The Divine Love.

MY SON CARRIES MAN'S DAILY CROSS, BUT HE IS COMING AGAIN IN HIS SECOND COMING TO BANISH EVIL.

HE COMES TO HIS CHILDREN IN GLORY AND SPLENDOR, WITH POWER, ACCOMPANIED BY HIS LEGIONS, SHAKING HEAVEN AND EARTH.

HE COMES TO HEAL WOUNDED HEARTS AND TO BE THE INFINITE LOVE FOR MY HEART'S AND MY CHILDREN'S HAPPINESS.

Pray, My children, for Italy, it will suffer enormously.

Pray, My children, pray for the priests so they will be completely dedicated to their flocks, so they will not remain asleep when the human creatures need them.

Pray, My children, pray for the great powers; they do not understand that evil was determined to deceive them so they will generate humanity's last suffering.

Pray for yourselves so evil will not wreak havoc and lead you away from the True Path.

EACH ONE OF YOU MUST BE THE BROTHER'S CYRENIAN. THERE MUST BE NO CONFLICTS AMONG YOU. YOU ARE ALL MY CHILDREN AND AS MY CHILDREN YOU ARE STRENGTH, OBEDIENCE, LOVE, DEDICATION, SOLIDARITY, UNITY, HOPE, FAITH, SILENCE, AND PERENNIAL FOLLOWERS OF MY SON.

As My Son's children, immerse yourselves in His Most Sacred Heart, consecrate yourselves to Him and be the wall that goes up to prevent evil from penetrating your hearts through the senses. Control your senses; do not allow your senses to control you.

Beloved:

**RECOGNIZE EVIL SO IT WILL NOT PENETRATE YOU THROUGH SENSITIVITY; BE HUMBLE.
DO NOT ALLOW EVIL TO SEPARATE YOU FROM THE PATH TRAVELED.
EACH SOUL THAT SEPARATES FROM MY SON'S PATH IS A TRIUMPH FOR SATAN.**

Come to Me: As Mother I embrace you, with My Love I defend you, and I intercede so the gall will be sweet.

You are not motherless children; you are My great treasure.

Keep My Son company on the way to the Calvary so you will forever banish the power you have given to your “ego”, and the Divine You be the beating of My children’s hearts.

DO NOT PARTAKE IN THE EVIL THAT EXISTS IN THE WORLD. BE THE DIFFERENCE: A SIGN THAT YOU BELONG TO THE HOLY REMNANT. I LOVE YOU.

At this instant when you commemorate My Son’s death, kill the human “ego” so My Son will remain alive in you.

Children:

CONVINCED FROM THE BOTTOM OF YOUR HEART, STATE YOUR TOTAL DEDICATION TO MY SON RECOGNIZING HIM AS THE KING OF KINGS AND LORD OF LORDS.

My blessing is for all; I love all of you.

Mother Mary

THE INSTRUMENT’S COMMENTS

Brothers/Sisters:

Today, closely linked with Christ, let’s say:

*Sublime Offering that my Good Lord
Has offered to rescue
This poor slave to sin.
What would become of me if You did not Love me so much?
Where would I be if Your Mercy did not hold me?
The life you give me would not be enough
To adore You and thank You, Lord.*

*You die, beloved Lord, but not even death has dominion over You,
You will triumph over it and will rise gloriously,
You will remove the chains and open Heaven’s Door.*

*The Angels sing Your glory and majesty,
Just as they did at the Manger, they anticipate victory.*

*Alleluia! The King will resurrect,
Alleluia! He will triumph over death with His giving of Himself and His Love.*

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
4 APRIL 2015**

Beloved children of My Immaculate Heart:

My blessing be, in each one of My children, balsam that keeps you on My Son's path.

**I AM MOTHER OF HOPE AND I CONTINUOUSLY CALL, ALERT, ANNOUNCE; I STOP AND WARN MY
CHILDREN TO TAKE THE COURSE TO WHICH I CALL YOU TO AVOID UNNECESSARY
PURIFICATIONS.**

My Calls are not meant to scare those I love; instead, I keep within My Womb all those who allow Me to cover them with My Mantle.

My Calls are Love meant to prevent humanity from suffering by obtaining the favor of God the Father so you will not suffer if you obediently comply with what the Paternal Home asks of you.

My children:

The nearness of man to his Creator is despised by this generation and a close relationship is established with what is a sin or an offense to God. All works and acts outside of the Divine Will are supported by sin.

Children:

At this instant arrogance reigns among humankind. Hubris has taken you to omit the "You shall not kill"⁵ Divine Commandment, and when this Commandment is transgressed, the human creature has degraded.

⁵ Exodus 20:13 Revised Standard Version Catholic Edition

MY SON GAVE HIS LIFE FOR YOU TO REDEEM YOU FROM SIN, BUT AT THIS INSTANT SIN IS SEEN AND LIVED AS SOMETHING NATURAL TO MAN; THUS A GENERATION WAS BORN EMBRACING THE LAW OF THE DEVIL AND SEPARATING THEMSELVES FROM THE UNITY WITH THEIR CREATOR.

My Son is life and life in abundance ...
My Son is water for those who are thirsty ...
My Son is light for those who live in darkness ...
My Son is food for those who are hungry ...
My Son is warmth for those who feel cold ...
My Son is shelter for those who are afraid ...
My Son is protection for those who are oppressed ...

MY SON IS... YOUR GOD!

Beloved children:

STOP THE UNCONSCIOUSNESS, BE REALISTIC, CHANGE YOUR LIVES SO CONVERSION WILL BE CLOSER TO YOU. Do not be indifferent before the one who suffers, or disobedient with the Divine Will; this way the suffering will be less intense and shorter.

Pray, My children, pray for Costa Rica. It will suffer.

Pray, My children, for Chile. The water will purify it.

Pray for each one of you so you will not succumb but remain in the Faith.

Children:

AS MOTHER I ASK YOU NOT TO SLEEP, BUT TO TAKE MY WORD AND TURN IT INTO ACTION.

Purify your bodily senses so you will not return to the past actions.

**YOU ARE NEW CREATURES IN MY SON ...
A NEW LIFE, AN ACT OF DIVINE MERCY IS INGRAINED IN EACH ONE OF MINE.**

**DELVE DEEP INSIDE OF YOU, THERE WHERE ONLY YOU AND MY SON MEET AND SHARE, AND
CONSECRATE YOURSELVES TO HIM.**

Children, heed My Calls, put them into practice.

I bless you, I am and I will be with all of you.

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

I wish to share with you this reflection:

*Each day you take me to live the Miracle of Your Love,
Each step I take, Lord,
Is a miracle of Your Love.
You talk to me and you tell me: Take up (your) cross and follow me.⁶*

*It is of heroes to walk, it is of heroes to get up,
Soul of my soul, like You did on the way to the Calvary.
On each fall you tell me:
"I forgive you, come to Me, I love you,
It's for you, because I love you, it's for you, I love you so."*

*You are the essence of forgiveness,
The Holy Oil of Mercy,
You console my soul when You are the One suffering.
This is how You call me to love,
Your way, regardless of who it is.*

*You walk in silence,
Your consolation is to do the Father's Will.
You walk in silence along the Via Dolorosa.
Leaning on a Cross goes the King alone,
Begging forgiveness for all humankind.*

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
RESURRECTION SUNDAY
5 APRIL 2015**

My People, beloved children, tireless walkers:

**I LIVE!... AND EVERYTHING THAT IS OUTSIDE OF ME ... IS NOT MY WILL.
I AM THE ETERNAL PRESENT, I AM IMMUTABLE. "I AM THE WAY, AND THE TRUTH, AND THE
LIFE..."⁷**

My Nets of Divine Love have gotten the best catch: My People are Faithful, they do not hesitate, and they walk in the world without belonging to this world, without allowing the world to contaminate them with evil.

My Glory is the glory of My People...

My Word is for the Salvation of My People...

My Body and My Blood are nourishment for My People...

"Not everyone who says to me, 'Lord, Lord,' shall enter the kingdom of heaven, but he who does the will of my Father who is in heaven."⁸

Beloved:

**ALL HUMAN CREATURES WHO OBEY AND LIVE THE DIVINE WILL ARE MY PEOPLE.
ALL THOSE WHO RESIGN SIN AND ITS MACHINATIONS ARE MY PEOPLE.**

Beloved children:

This generation is blessed with My Delivery of Myself on the Cross, Cross of Love and Resurrection.

**I DO NOT MOVE AWAY FROM THE HEART WILLING TO FOLLOW ME AS A FAITHFUL DISCIPLE.
HE WHO WANTS TO DELVE IN ME, CRY AND HE WILL BE HEARD.**

My Mother waits for you to give you the Light of Her Heart. Do not wait any longer. The time is not time, it's an instant that goes by unnoticed. At the blink of an eye you will feel far from Me as you are carried away by the current of offenses to Me.

The day is no longer day; it is a slight passing of the sun and a quick coming back of the moon. Man does not forecast the weather with accuracy. At this instant Nature tells man: I am God's creation, I am unpredictable to you.

⁷ John 14:6 Revised Standard Version Catholic Edition

⁸ Matthew 7:21 Revised Standard Version Catholic Edition

Beloved:

IF YOU WISH, YOU WILL TRANSFORM THAT INCREDULOUS HEART OF STONE INTO A SENSITIVE HEART FILLED WITH MY WORD, MY WORKS, AND MY ACTS. I AM LOVE, MERCY, AND JUSTICE.

Beloved:

My Will is that you understand that I would not be a Just Judge if fairness to My People did not exist: Mercy and Justice.

**I WILL GIVE THE JUST MAN WHAT HE HAS EARNED; THE ONE WHO TRULY REPENTS I WILL FORGIVE...
TO THE ONE WHO DENIES ME, WHO DOES NOT WANT HIS CONVERSION AND GIVES HIMSELF TO EVIL, I WILL GIVE HIM MY JUSTICE TO DRINK.**

All the works and acts of humankind have passed before My Eyes at Gethsemane ... I know you since before you were born, I wait for the conversion of those who remain far from Me, absorbed by the world and its sins.

I INSISTENTLY CALL YOU TO RETURN TO ME. I will receive you like the prodigal son, like the lost sheep; you will be My joy, My Love, and you will drink My Mercy.

I call you as many times as necessary so that evil will not take you or lead you astray; so that evil will not take you or mislead you to lose the Eternal Life.

My Resurrection is Life for My People, Blessing and Growth for My People.

MY PEOPLE, THIS INSTANT IS PRESSING. THE CONSCIENCE MUST RISE LIKE LEAVENING. ALL THAT MOVES AROUND HUMANITY GIVES ME PAIN AS IT IS THE RESULT OF THE HUMAN CREATURE'S FOOLISHNESS, THE HUMAN CREATURES I NEVER TIRE OF ASKING TO RETURN TO ME.

You remain slaves to your human ego without accepting the freedom I offer you.

Beloved:

You will not reach freedom unless you give up your attachments ...

You will not reach freedom unless you free yourselves from all vices ...

You will not reach freedom unless you leave aside your shackles and nullify your human self which, protected by necessity and false hopes, keeps leading you astray into the abyss where satan is waiting for you.

Children:

WALK FASTER, DOUBLE THE PACE. THE INSTANT IS BEFORE YOU, THE INSTANT WHEN I WILL COME TAKE OVER THE CONSCIENCE OF EACH ONE OF YOU TO EXAMINE YOUR WORKS AND YOUR ACTS. THIS EXAMINATION OF MAN'S CONSCIENCE IS NOT FAR FROM HUMANITY.⁹

Beloved:

Examine yourselves deeply; examine the way you walk... I want you in My Home; I offer you Salvation. It depends on each one of you whether you obey or continue in sin.

HUMANKIND HAS BEEN WARNED BY MY HOUSE PERSISTENTLY WHETHER THE TIME HAS BEEN FAVORABLE OR UNFAVORABLE; IT IS YOU, MY CHILDREN, THE ONES WHO HAVE DISOBEYED ME.
At this instant, sin—controlled by the rage in My children—makes Me pour tears over the Earth.

My pain is profound when I see the minds of My children, out of convenience, refuse to see how the Signs of the Times are being fulfilled.

Beloved children, you are brothers in the Faith. Love one another just as I have loved you.¹⁰ I am with you always, to the end of the age¹¹.

CHILDREN, WARN YOUR BROTHERS. DO NOT KEEP QUIET IN CONDEMNATORY SILENCE.

*Children, pray, pray for My Church, it will shudder.¹²
My children, the war is upon you; great events will make humankind suffer.
My children, pray for the United States and for England. They will suffer.*

My children, I protect you.

Children of My Will, do not rest, be better every instant. Enough! Do not walk if you are not sheltered by Me.

My Peace is for each one of you; My Resurrection is Life for My People, abundant Life.

My Resurrection is living water for each one of My children.

I, JESUS CHRIST, HIGH PRIEST FOREVER, BLESS YOU AND COVER YOU WITH MY PRECIOUS BLOOD.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

The certainty that Christ resurrected is what fills us with courage and prophetic strength. It is precisely meeting the resurrected Jesus what has converted so many human creatures and has led them to follow Him tirelessly.

Let's ask to meet the resurrected Jesus. He is with us, with His Church, forever.

At this instant let's respond to the Lord's request, and—being faithful to Him and loving our brothers—let's revive the knowledge so that evil will not take us by surprise.

Let's proclaim fearlessly Christ's Word and the Word of the Most Holy Mother, taking from this New Resurrection Sunday the strength that should give us renewed determination to do so. Amen.

Alleluia!

Alleluia! His Friends have seen Him resurrected already!

Praise the Lord, He is within us.

Let's sing a new song,

Glory be to Him for the good of all.

All of Creation sing praises to Him! He is Power.

He has sat to the right of the Father.

He will come to satiate my thirst.

My soul claims Him, He is its Savior,

My lips confess Him from my heart,

I cannot deny the love and the hope.

Every moment I pray to You, Lord,

At night I fear being separated from You.

Let my sleep be Your repose,

Not even my sleep take me away from the Face of My Loved One.

My soul is thirsty for You, My Savior,

I will live under Your shade, I will have no fears.
You are within Me, no one can separate us now.
Look in this soul, there's a temple for You,
May each one of my steps be an offering to You.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
8 APRIL 2015**

My Beloved People:

**JUST LIKE THE WAY MAN NEEDS TO BREATHE...
THAT'S HOW MAN NEEDS MY WORD WITHOUT WHICH THE HUMAN CREATURE WOULD
WANDER AIMLESSLY.**

My Beloved People:

Where have you gone? Which roads have you taken ignoring My Word? You come and go, wandering from one place to another without looking, just following the majority of humankind.

**MY PEOPLE, AWARE OF THE INSTANT YOU ARE LIVING, MUST BE THE VOICE THAT ALERTS YOUR
BROTHERS SO THEY WILL NOT CONTINUE BEING IGNORANT AND LOSE THEIR SOULS.**

My People have not yet awakened from the slumber, on the contrary, they have been plunged deeper in the slumber, and that is not My Will... I want the souls to be saved and to come to the knowledge of the Truth¹³, the Truth I preached on Earth and remains written in the Holy Scriptures.

Beloved:

Pray. Without praying and without receiving Me, you will be far from finding My Way; and without the right intention to fully comply with My Will, you will never reach the Eternal Life.

Human creatures feel that if they have good intentions they will be saved. NO! NO! Good intentions do not save, but the acting and working as is the Divine—not human—wish.

Children:

**GOOD INTENTIONS ARE NOT ENOUGH.
THE GOOD INTENTIONS NOT CARRIED OUT ARE FOUND IN HELL.
TO REACH THE ETERNAL LIFE YOU MUST FULLY COMPLY WITH MY WILL.**

¹³ See 1 Timothy 2:4 New Revised Standard Version Catholic Edition

My People will not be exempt from going through the Great Purification. My children will be tested like gold in the crucible; I will delight in My People.

My People have not been warned about that instant of purification...

My Church ignores what will happen, some of My Consecrated Children deny the fulfillment of the coming events, as they forget that they gave Me their lives and their consecration. It is very painful to Me to hear some of My Consecrated deny My Mother, deny the Warning, deny the Purification, deny the antichrist, and deny other events for which humankind must be purified of the evil it drags.

THIS IS NOT THE INSTANT FOR THE LUKEWARM; YOU MUST TAKE A ROAD, AND I DEMAND YOU TAKE MINE... OTHERWISE, YOU WILL BE LOST.

You continue amid the savagery of humanity, you act worse than wild animals against each other, without loyalty or unity, and tearing up Works and Instruments. This is the reaction of human creatures who find themselves along some road of life, thinking that they love Me, but are ignorant of My Word, and reject the signs and signals that My House has announced and are being fulfilled at this instant.

MY MYSTICAL BODY HAS NOT BEEN INSTRUCTED ABOUT WHAT IS COMING...

IT GIVES ME PAIN TO SEE SO MANY SOULS GET LOST BECAUSE OF THEIR IGNORANCE: THEY FORGET THAT I ARRIVE WITH A PAIR OF SCALES OF JUSTICE IN MY HAND, AND ALL WORK, AND EVERY ACT WILL BE WEIGHED ON MY BALANCE.

At this instant the devil has taken over the human creatures because of their lack of determination caused by the lukewarmness of the souls and the lack of the appropriate teaching and preparation of My People on the part of those consecrated to Me.

My People are indifferent to My Affairs. This has led them to all the vices, getting lost all the time, thirsty for sin. I will reward My children, those who have persevered, those who keep the Faith in My Word, true and authentic.

Beloved children:

The plague silently advances against My People. The plagues of the bodily and spiritual illnesses become one to destroy My children, helpless and ignorant.

Fire will be a scourge for this generation, the plagues will increase as Men without God kill more and more of My People.

Beloved:

THE VAULT OF HEAVEN WILL APPEAR TO BURN; DO NOT LOOK AT MY RAGE, REMAIN IN MY WORD, IN MY TRUTH. I DO NOT FORSAKE YOU EVEN THOUGH YOU HAVE DECIDED TO MOVE AWAY FROM ME.

I am merciful. My Mercy is the reason that this humanity still lives. You have transgressed My Law, but not before succumbing to the weight of your own sins and irreverence.

My People:

**UNITE, BE FRATERNAL, AND DO NOT HESITATE TO PROTECT ONE ANOTHER.
UNITY IS THE STRENGTH OF MY PEOPLE.**

Do not decline no matter how strong the winds get. You are the advocates for young children, children that satan has in his claws by means of the technology, the one that delights in perverting the minds of the children.

CHILDREN, VISIT ME AT THE TABERNACLE, RECEIVE ME IN THE EUCHARIST. EACH COMMUNION TAKEN CONSCIOUSLY, EACH ROSARY PRAYED WITH FERVOR, EACH ACT OF MERCY AND EACH ACT OF OBEDIENCE TO MY COMMANDMENTS IS A FOUNTAIN OF BLESSINGS FOR EACH ONE OF YOU.

Do not forget that when it seems like all is lost, that's when I will arise in Power, Glory, and Majesty for My People.

I bless you, My Love is with My People.

I anoint you with the oil of My Love.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Not everyone is aware of what is coming, but all are aware that we are dealing with an undeniable reality: Each instant, this generation sinks more and more in the presence of evil in all its forms.

Brothers:

We cannot be indifferent before the harrowing scenes of our suffering brothers in Syria and other countries. Man must become more sensitive, love himself more, and be the instrument of peace and assistance for his brother.

We have brothers who ignore what is coming, and they must not continue to be deceived with false hope given to them by those who do not accept that humanity must go through a purification because of their bad behavior.

The better prepared we are with the knowledge of what is happening, the better we will be able to help our brothers. We must share the knowledge of what has been revealed from Heaven and is coming soon as a test for this generation with the Divine purpose of getting all men to convert. We have to strengthen those who do not know about what is coming out of fear, because fear comes from ignorance and lack of trust in the Divine Mercy that never leaves His children alone during the trials.

The wounds are bandaged not just so they won't show, but also to protect them so they won't get contaminated; but under the bandages we must apply some medication. Thus we must announce what Heaven indicates in order to prevent our brothers from being taken by surprise and be confused. Let's keep in mind that the Divine Force strengthens those who are weak because "I can do all things through him who strengthens me."¹⁴

Amen

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
DIVINE MERCY SUNDAY
12 APRIL 2015**

My beloved People:

**MY LOVE REMAINS BEATING IN EACH ONE OF YOU.
MY LOVE IS THE LIGHT OF MY TRUTH AND MY TRUTH IS THE VOICE OF MY MERCY.**

My People, My Heart grieves before each creature that moves away from Me by hiding all wrongdoing under My Forgiveness.

My Works are begotten by My Love and My Justice for My children whom I love. In the Creation I provide you with everything you need and more, so you will not seek other waters. However, not satisfied with what they have, My children delve in the unknown and penetrate the darkness which

¹⁴ Philippians 4:13 New Revised Standard Version Catholic Edition

leads them to move away from Me. The human creature develops a curiosity which is not wrong until the curiosity prevails over man's will and leads him to get into all that is not My Will.

Man must rebel against that servitude to which sin ties him; and to liberate himself from that tether, the human creature must delve in the knowledge of love, and to know love they have to know Me.

I offer all My Mercy to the sinner so he will convert and aim for the true life. **I LOVE YOU SO MUCH, CHILDREN, THAT TO THOSE WHO DESSERVE GREATER WOES I GIVE MY MERCY SO THE WOES WILL BE LESSENERD.**

HE WHO LOVES ME MUCH, MY MERCY EMBRACES AND SHELTERS.

My beloved People:

Suffering is an act of Mercy towards you. If you accept it with patience and love, it will bear fruit in abundance and you will be closer to Me. Painfully I see men reject Me, blaspheme in their instants of affliction, considering I am to blame for their misfortunes and without pausing to meditate: If you clamor for My Mercy, I will give you the balsam of My Love, but My Mercy is not always what man asks of Me, although it is what is best for his life.

Come to Me every instant, you will not find Mercy like Mine in any creature. Humanity helps and propitiates My children to stay in the mundane and sinful, but when My children decide to get away from the world, they find themselves alone and appeal to Me. Children, may humanity's sense of abandonment not lead you to fall in defeat or lead you to seek human consolation tainted by sin which comes from the denigration and guilt of my children.

My beloved People:

WHEN IT IS FOR YOUR OWN GOOD, SUFFERING NEVER REMAINS WITHOUT BEARING FRUIT. AFFLICTIONS PURIFY AND LESSEN YOUR FAULTS, AND IN EACH PURIFICATION, THE SOUL RISES MORE TOWARDS ME.

Beloved, I call you not to forget to appeal to My Mercy every instant; otherwise, the enemy takes advantage of it to make you feel miserable and unworthy of My Forgiveness, and thus leads you to remain in the mud.

I call all of you, all are My children, but not all wish to be My People...

I am eager to embrace you; this is why I call those who have left Me, those who have great debts with Me, and those who do not love their brothers.

I call you to give you My Love, just like I received the good thief because it was in My Power, and I granted him participation in My Kingdom.

NO HUMAN CREATURE ON EARTH WILL HIDE FROM ME. EVERY HUMAN CREATURE WILL FIND MY MERCIFUL LOVE AS LONG AS HE COMES TO ME TRULY REPENTED OF HIS WRONGDOING AND WITH A FIRM PURPOSE OF AMENDMENT.

My People:

I act with Mercy and with Justice; I am Merciful but this does not lead Me to set aside My Justice...
With his free will I allow man to reap the fruit of his actions ...

MY MERCY DOES NOT DESTROY MY JUSTICE, ON THE CONTRARY, MY MERCY IS INFINITE AND, IN THAT INFINITY, MY JUSTICE WAITS UNTIL THE LAST INSTANT, BUT MY MERCY AND MY JUSTICE CONTINUE TO ACT IN EVERYTHING. In no judgement My Mercy or My Justice is missing; in no judgement My Goodness and My Wisdom are missing. My People know Me and know about My Mercy, but at the same time they know I am the Just Judge.

The men who cause the destruction of humanity and do not repent must fear the Judgement, because they will carry on their shoulders the lives of the innocent that suffer...

The men who crudely seek the reduction of the human population and do not repent must fear the Judgement Day...

The men who pretend to love their neighbors but do not, crucify Me time and again. These men must make good use of this instant to repent before the instant comes when—because of My Mercy— each one must look at himself.⁽¹⁾

**AFTER THE WARNING, MANY OF MY CHILDREN WILL NOT UNDERSTAND THE WAY MY LOVE WORKS
AND THEY WILL RECRUDESCE IN SIN UNTIL AFTER THE MIRACLE WHEN
MY HAND WILL MAKE THE CHASTISEMENT DESCEND.⁽²⁾**

My People:

So much evil is spread all over the Earth by the human creature!...
So much sin increases every instant!...
So much misery I see on the Earth!...
So much difficulty to achieve the unity of those who are Mine!...
So many struggles for the better jobs and to reach the most renowned places at instants when the unity attracts Me, at instants when fraternity attracts Me!
So much rivalry when everything is Mine, nothing belongs to the human creature!...

My People:

RESPECT FOR ONE ANOTHER IS NECESSARY... ALL OF YOU WORK FOR MY KINGDOM, NO ONE SHAPES A SECURE FUTURE FOR HIMSELF IF IT IS NOT BECAUSE OF MY WORK AND ON MY PATH.

**I SUMMON YOU TO PARTICIPATE IN MY UNITY;
HE WHO WALKS SEPARATED FROM MY UNITY HEADS FOR THE ABYSS.**

My People:

PRAYER IS NECESSARY,⁽³⁾ IT S NECESSARY TO APPROCH ME WITH A SINCERE HEART SO YOU WILL REMAIN SECURE. I used to retire and pray to My Father; thus, he who does not know about prayer is far from Me.

I INVITE YOU TO PRAY THE HOLY ROSARY AT THESE INSTANTS WHEN THE DEVIL IS TAKING OVER THE SOULS THAT ARE MIRED IN THE MUD AND DO NOT WISH TO GET AWAY FROM THE MUD.

I am attracted to the souls that come visit Me in the Sanctuary and to the souls who receive Me in My Body and My Blood, in a state of Grace.

I am attracted to the simple souls who fight for the unity and love their brothers, not before the society that gawks at them, but before Me because they are true.

Beloved, pray for the whole world so that those who still wish to approach Me will recognize Me.

Beloved, pray for Perú, it will suffer.

Beloved, each one of you pray for your own salvation, I wait for you.

Children, return to Me, My Arms remain open for those who wish to come to Me.

I WANT YOU TO BE LIKE PURE OIL FROM THE BEST OLIVE ORCHARDS...

I WANT YOU TO BE LIKE CRYSTAL WATER WHERE I CAN SEE MYSELF...

Your Jesus.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

In loving response to good Jesus:

LET'S PRAY THE CHAPLET OF DIVINE MERCY:

(The Chaplet of Mercy is recited using ordinary rosary beads of five decades.)

1. Begin with an Our Father, Hail Mary and Apostles Creed.

Apostles Creed:

I believe in God, the Father Almighty, Creator of heaven and earth; and in Jesus Christ, His only Son, our Lord: Who was conceived by the Holy Spirit, born of the Virgin Mary; suffered under Pontius Pilate, was crucified, died and was buried. He descended into hell; the third day He rose again from the dead; He ascended into heaven, is seated at the right hand of God the Father Almighty; from thence He shall come to judge the living and the dead. I believe in the Holy Spirit,

the Holy Catholic Church, the communion of Saints, the forgiveness of sins, the resurrection of the body, and life everlasting. Amen.

2. On the large beads corresponding to the Our Father, say once:

***“Eternal Father, I offer you the Body and Blood, Soul and Divinity
Of Your Dearly Beloved Son, Our Lord, Jesus Christ,
In atonement for our sins and those of the whole world.”***

3. On the ten small beads of each decade corresponding to the Hail Marys (say ten times):

“For the sake of His sorrowful Passion, have mercy on us and on the whole world.”

4. At the end of the five decades of the chaplet, say **three times**:

***Holy God, Holy Mighty One, Holy Immortal One,
Have mercy on us and on the whole world.***

5. Final prayer:

***O Blood and Water,
Which gushed forth from the Heart of Jesus
As a fountain of Mercy for us, I trust in You!***

(Revealed to Saint Faustina)

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
15 APRIL 2015**

Beloved children of My Immaculate Heart:

RECEIVE THE PEACE THAT EMANATES FROM MY HEART FOR EACH ONE OF YOU, MY CHILDREN.

Beloved:

How different is this instant of this generation from what the Divine Will wishes for those who are His!

Man has diminished, and will diminish even more...

Living a saintly and just life as dictated by the Commandments is a matter of the past in the daily living of the human beings.

Giving thanks to God for each gift received is also a matter of the past and, at this instant, cause for embarrassment to some.

Mankind created strange gods, false idols, and then devoted themselves to accumulate wealth so the human heart would move away from the True and Living God.

My Son's Mandate, "DO THIS IN REMEMBRANCE OF ME"⁽¹⁾, has lost value. The same thing is true regarding the Greatness, the Blessing, and the Solemnity with which My chosen children should carry out My Son's giving of Himself on the Eucharistic Table, where My Son's Body and Blood — the Great Miracle of Divine Love—become present for the Nourishment of His People.

At this instant, the Eucharist is seen with disdain, it is received without being prepared and without realizing that to receive a Eucharist in mortal sin forges the condemnation of the creature, if the creature remains sane.

In the coming instants, how sorry will be the human creatures who despise the Eucharist!

Beloved children of My Immaculate Heart:

Without pausing you fall in the abyss of the abysses... You do not think that everything that relates My Son to humankind has been slowly eliminated making it seem normal or evolutionary within the instant in which you move. Evil has acted strategically to prevent My Son's People from manifesting against what separates them from their God.

Children:

You need courage to rise after you fall...

You need humility to continue along My Son's path...

After discrepancies arise among brothers, you need wisdom to deal with fools...

You need Faith not to get off the boat when it is convulsed.

This is the way My Son's Disciples went: Giving testimonials and turning the other cheek, they made way for you, for this instant.

Evil has evolved with great intelligence to build the emporium that dominates humanity at this instant. Dominates, yes; dominates by making the human creatures abandon My Son and accept satan as their god, surrendering to the abuse by the demons to injure My Son and this Mother where it hurts the most: Exterminating the human being in contempt for the Gift of Life. This is satan's retaliation for the Salvation that My Son bequeathed to His People by giving himself on the Cross.

Evil has evolved, My children have not. My children have slumbered in lethargy; they did not take My Son's teachings in their essence to get closer to Him and to fuse into One with the Divinity.

Beloved:

Satan's slyness constantly wins souls before an immutable society dedicated to the technology that has invaded man's mind with false and unreal adventures, carriers of mind control to induce the human beings to join the performers' cast shown to them. And this way they have accomplished their purpose: To create this violent generation which is to a great extent contrary to My Son, thirsty for revenge and death, before which they will not stop, because they have been trained even in their homes that have become training camps for violence and death.

THE FAMILIES ARE THE OBJECTIVE OF THE DEVIL, AND HE HAS ACCOMPLISHED IT: DISINTEGRATION, FALSEHOOD, VIOLENCE... AND ALL OF THE ABOVE HAVE BEEN INTRODUCED WITHIN THE HOME BY THE PARENTS THEMSELVES BY MEANS OF THE TECHNOLOGY NOT CONTROLLED BY THE PARENTS, AND THIS HAS PRODUCED THE GREAT DEVASTATION OF THEIR CHILDREN'S MINDS AS WELL AS THEIR OWN.

Man moves in a hostile environment. What is worldly won against the good, the truth, the mercy, the values, the life, the love of the neighbor, and so many more aspects...

Beloved:

I AM NOT LOOKING FOR SOMEONE TO BLAME; I AM POINTING AT THOSE WHO HAVE BEEN PERMISSIVE AND HAVE FAILED TO CONTROL THE MINORS. THE YOUNGSTERS HAVE DELIVERED THEMSELVES TO EVIL HANDS TO ACCOMPLISH WHAT HAS BEEN INSTILLED IN THEIR MINDS BY MEANS OF MISUSED TECHNOLOGY.

Children, man does not build without a purpose; and the purpose of the technology—especially the one used by minors which has expanded to all ages at this instant—has been, since the beginning, to penetrate the human mind and replace the good with the bad.

With Divine Wails, My Son has sent Me time and again to His People, in different Apparitions, by means of His instruments; and in My Apparitions My Calls have not been heard; Calls in which I warned of all the things I have mentioned, and more. My Son's instruments are silenced and attacked by their own brothers to keep them quiet.

Children of My Maternal Heart:

YOU WILL NOT SILENCE MY SON'S VOICE OR MY VOICE AT THIS INSTANT, BECAUSE THE FIGHT IS AGAINST SATAN WHO HAS POSSESSED HUMAN CREATURES TO INVADE HUMANITY AND BEND IT THROUGH HORROR.

Beloved:

Men without a conscience evolve in wickedness which satan himself continuously feeds to them in order to prepare the domain of the antichrist on Earth. **NOTHING IS HARMLESS, CHILDREN. WAKE UP!** Those who kill their neighbors are not the only ones who have allowed evil to take them and dominate them; also some of your brothers have their minds saturated with evil that comes from mass media that invade the Earth with the purpose of penetrating and deviating My children from the Truth, the Morality, and all spiritual relation to My Son.

Save your souls, children!

Show yourselves before My Son and ask for His Mercy that you not be condemned. Convert before nightfall!

Pray, My beloved; an asteroid is coming without being seen yet. Indirectly it will cause great tragedy on Earth.

Pray, My children, for Japan; the lament has not finished yet.

Pray, My beloved, for Chile, it will suffer.

My beloved:

RESIST EVIL, DO NOT ABANDON THE EUCHARIST, AND DO NOT ABANDON PRAYER BECAUSE IT GIVES YOU STRENGTH TO CARRY OUT MY REQUEST TO EVANGELIZE YOUR BROTHERS.

Pray the Holy Rosary. I listen.

Instruct yourselves, know the movements of evil and warn your brothers.

Children, evil has condemned humanity to death in complicity with the great powers that contaminate the food; and My children unknowingly suffer because of it.

Children:

I LOVE YOU, I WARN YOU, I ALERT YOU, NOT FOR YOU TO BE AFRAID OF ME, but because a Mother warns those who are Hers and does not abandon them along the way.

I AM WITH YOU, DO NOT FEAR MY WARNINGS, FEAR LOSING THE ETERNAL LIFE.

I bless you, children, I remain with My children. My Legions, faithful to My Son's People, keep watching over you.

I love you.

Mother Mary

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

**WITH GREAT ELOQUENCE OUR MOTHER EXPLAINS TO US THE REALITY
THAT THE WORLD IS LIVING AT THIS INSTANT**

We cannot continue to be indifferent.

Together with our prayers, we must carry with us the information and share with the rest of our brothers all that is happening. We are facing a bloody violence against God's People. Is this not a sign that the Mother had revealed to us about the Tribulation?

Genetically modified food is a target of those who plan the reduction of the world population...

Water is no longer one of the natural resources that were given by God to man. At this instant and in a certain country we see a human being condemned for reserving rainwater at home.

Communism has taken possession of a majority of small countries in order to have more power by using these countries as satellites from where they can operate, and still we quietly see how some rulers continue to make pacts with communism.

Brothers:

**LET US PRAY. YES! LET US NOT MOVE AWAY FROM OUR MOST HIGH GOOD. LET'S BE A PEOPLE
INSTRUCTED IN ALL THAT IS HAPPENING SO WE WILL NOT DENY THE UNDENIABLE.**

The subliminal messages and the video games have enslaved the human being and have prepared him for violence. Is this not a hoax from the devil?

The Mother tells us that human creatures have delivered themselves to satan, creatures that have been possessed by evil, and their wish is to tirelessly take revenge against the innocents. God's People have been persecuted in the past, and at this instant we know that the persecution will not only happen in the Middle East...

**LET US NOT DENY WHAT WE SEE WITH GREAT PAIN, LET'S PROTECT ONE ANOTHER, LET'S UNITE
LIKE BROTHERS IN THE FAITH, WARN ONE ANOTHER, LET'S NOT BE SILENT DOGS.⁽²⁾**

Brothers, our Mother loves us, let us appeal to Her.
Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
19 APRIL 2015**

My beloved People:

I do not finish evangelizing My People...

**I HAVE CALLED YOU TO CARRY OUT THE PERSONAL MISSION OF FULFILLING THE PURPOSE FOR
WHICH YOU WERE CREATED: TO BE MY CHILDREN IN SPIRIT AND TRUTH.**

My beloved:

Each one of you must comply with the evangelizing mission of salvation and mercy in My image. Let men know that Salvation is a gift from My House, and to achieve Salvation they must know how to pray, act, and work in My Will; otherwise, My Justice will be swift with each one of you.

Children, I am the Eternal News, My Love calls you from news to news. This is why I explain to you My own Word, so you will not distort it but comply with it and live the way My House mandates.

MAN MUST RESTORE THE ORDER HE HAS VIOLENTLY INTERRUPTED: MY ORDER. Therefore humanity must purify all that it has deviated, contaminated, diminished, transgressed, usurped and stolen from My Will.

I donate Myself again by explaining My Word for My People through My Prophet, and I will keep nothing: **I WILL REVEAL EVERYTHING TO MY PEOPLE, THE PEOPLE WHO LOVE ME, RESPECT ME, FOLLOW ME, AND FULFILL MY WILL.**

I will come again in My Second Coming, and before I do, I call My People to be action with the force of My Holy Spirit.

I am the Eternal Present calling this generation though unworthy of Me. I call this generation out of Mercy, I announce because of My Mercy, and I embrace this generation out of Mercy. I come to make you look at yourselves in the middle of so much wickedness, and each will see how much evil has penetrated in him. Then the men—seized with pain and anguish—some will return to Me, and others, using their free will, will give themselves to evil, thus becoming instruments that will torture My People.

I come to each human creature to make him see himself. No human being on Earth will escape from himself. It will be fear and need that will lead humanity to face itself, from within, without omitting a single act committed by each human being.

I WILL BE LOVE FOR THOSE WHO LIVE IN ME AND TERROR FOR THOSE WHO HAVE REJECTED SALVATION.

MY WORD DOES NOT REMAIN IN THE PAST. I AM PAST, PRESENT, AND FUTURE.

My beloved People, oh, what you have done to My Sacrifice!

Pray, My beloved, for My Church; it will be shaken and divided.

Pray, My beloved, for France; it will suffer strongly the hatred of its brothers.

Pray, My beloved, for the United States; it will suffer in nature and at the hands of terrorism.

Beloved children, hatred and rage are born from your giving yourselves to evil and from the dehumanization that result from separating from Me and My Mother.

Creation groans in pain and fear since it holds on itself the blood of innocents.

WAKE UP, MY PEOPLE!

In the tribulation I will be by your side...

In your pain I will be by your side...

In your anguish I will be by your side...

In famine I will be by your side...

Every instant I will be by your side...

When we meet I will be in front of each of you...

I WILL NOT ABANDON MY PEOPLE, I WILL NOURISH THEM WITH MY WORD, AND AN ANGEL WILL COME DOWN FROM MY HOME, THROUGH HIM I WILL SEND MY WORD AND I WILL RESCUE MY PEOPLE, ALL THOSE WHO LIVE IN AND COMPLY WITH MY WILL.

Children:

**THE UNITY OF MY CHILDREN IS THE FORCE THAT MAGNETIZES ME TO YOU.
REMAIN AS ONE WITHOUT SEPARATIONS; ALL ARE ONE IN MY WILL.**

I bless you. I Love you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Christ explains His Word to us so that, as His People, we will be aware of His Love and recognize that even though we enjoy His Love and Mercy, we are not exempt from the Divine Justice, which has existed in all ages.

At this instant, our generation repels the good by not heeding the Divine Warnings. It is very sad to hear Christ name all the acts of disrespect with which man has transgressed the Divine Omnipotence. But we cannot remain mired in sadness without reacting and continuing—with even more determination and earnestness—announcing the Divine Will and sharing with the brothers all that is brewing at this instant in the world by the major powers.

Christ had warned us about the United States being betrayed by its allies, the invasion of communism in the world, the fall of the economy, the plagues and diseases. A summary would be long. As His children, we are under the obligation of working and acting the way He taught us.

In obedience to the Father's Will we must be united, because only in unity we will be able to walk under one single Word, without strife or setbacks, under the Holy Spirit.

We must not close our eyes not to see our brothers' pain. We must not think that the Mother has spoken to Her children so that the things about which She has warned us will not happen. Well, if humankind had changed the direction of the events, then the result would have been different. Sadly, man did not change and did not warn or obey the Maternal Words. The consequences are obvious. We are a Church that travels surrounded by disobedience, and the Creation with which God entrusted us moans in the face of the wickedness that is in control.

We are not alone, but we must both expand our knowledge and recognize that nothing is impossible for God. Then, having the knowledge of the Divine Assistance, we expect and lovingly accept that Divine Assistance, keeping in mind that God is understood by not understanding Him.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
22 APRIL 2015**

Beloved children, humanity:

**SEE ME AS MOTHER OF HUMANITY! THUS I REMAIN.
MY TEARS COME DOWN MY FACE JUST LIKE IMPURITY AND WICKEDNESS
HAVE MADE BLOOD FLOW ON THE EARTH.**

The Gift of Life lays on the ground, there where the human beings are dedicated to put an end to life because of their free will.

The oceans are contaminated not only with radioactivity (*), but also with man's rage.

The land is contaminated not only with the chemical contamination that man allows to fall on it, but also with the wickedness, the irreverence, and the unconsciousness of the same man.

In the Old Testament God the Father presented Himself to His People; for this He used elements of His own Creation—fire, air, water—however, at this instant you possess My Son's Body and Blood, but you constantly despise Him with great unconsciousness, and on occasion, deliberately.

Beloved humanity:

I see you come up to receive My Son in the Eucharist, but I do not see you share Him with your brothers through your acts and works: Through your works, in My Son's likeness; through your acts, in My Son's likeness, being living testimonials of His Love and His giving of Himself, in the daily struggle, in the thirst for souls that My Son suffers at this instant.

There are so many who believe that My Son is only enjoying His Throne to the right of the Father in unity with the Holy Spirit!...

You are so wrong, children!

CURRENTLY MY SON IS IN EACH ONE OF YOU, IN EACH ONE OF THOSE WHO LOVE HIM, AND IN EACH ONE OF THOSE WHO DO NOT LOVE HIM.

At this instant those who do not love Him pounce like hungry wolves on My Son's Flock to tear it apart, but they ignore that the life of the body is not the only thing you have on Earth; they ignore that each human being has a soul and a spirit, and they can kill the body, but the soul and the spirit belong to My Son, especially when My children continuously give testimonials of the One who lives within each one.

Humanity:

Where do you think you are going in the middle of constant struggle, in the middle of battles, and in the middle of so many wars?

AT THIS INSTANT I AM NOT ONLY TALKING ABOUT WARS WITH WEAPONS, BUT ALSO ABOUT THE SPIRITUAL BATTLE, THE PERSONAL BATTLE, THE ONE EACH OF YOU MUST FIGHT AGAINST EVIL AND WIN. And at these instants I see so many of My children who, because of a setback, forget My Son's Love and His giving of Himself on the Cross, forget His Call, and forget that they have a Mother who Loves them and will never abandon them.

Humanity:

**THIS INSTANT IS FOR THOSE WHO ARE TRUE, FOR THOSE WHO HAVE DECIDED TO SAY "FIAT",
THAT "LET IT BE", THAT "YES" TO THE DIVINE WILL.
THIS INSTANT IS FOR MY CHILDREN WHO FIGHT AGAINST THEMSELVES
AND CONSTANTLY RISE ABOVE THEIR SELFISHNESS.
THIS IS NOT THE INSTANT FOR YOU—AS MY SON'S MYSTICAL BODY—TO ALLOW EVIL TO
DIMINISH YOUR FAITH.**

Humanity:

If you feel hopeless or evicted it is because there is no love in you, and there isn't any love because you do not allow the Divine Love to live in you. If you feel this way it is because you do not allow My Son's fiery, living, and beating Love to transpire through the pores of your skin; the Love and the Divine Blood that He gave for each of His children. ... And as Co-Redeemer together with My Son, I share His pain with labor pains; I share His pain because of the lack of awareness of My Son's Church.

You who listen to Me, you who from instant to instant adhere to Me as your Mother so I will guide you to My Son, you who look within with contrite heart and humility, and that at this instant regret your wrongdoings, to you I say that I come for you to take you by the hand with My Hand.

My Son is not in communion with false ideologies created by men...

My Son is Divine....

My Son comes to the aid of His People, of those who are poor, of those who have in abundance, and of those who decide to embrace the Good News...

My Son does not share mundane ideologies established by men...

My Son does not accept that His People be persecuted...

My Son does not accept that His People be slaughtered... That is not His Will...

WAKE UP!

THOSE ARE THE WORKS OF EVIL; THOSE ARE THE WORKS OF THE OPPRESSORS WHO HAVE ALLOWED SATAN'S RAGE TO INVADE THEM.

How much, how much have I exhorted you in My Calls to humanity, in My previous Messages! How much have I called you to open your eyes, your thoughts, your knowledge, and your hearts so you won't be deceived by the malignant serpent of communism! And you continued to be ignorant of these Calls and at this instant you still continue to be indifferent. (2)

You call Me Mother so I will come to your aid in your anguish, so I will protect you when the oppressors persecute you, when they deny you food, and when they deny you health; but—as Advocate for all men—in spite of it all, I see you as if it were the first time you are before Me, and My Eyes shed tears of blood and My Heart bleeds.

I DO NOT ABANDON YOU, BUT IT IS NECESSARY FOR YOU TO CLAMOR TO MY SON; IT IS NECESSARY FOR YOU TO EXAMINE YOURSELVES ADVISEDLY, WITHOUT BANDAGES OR BLINDERS OVER YOUR EYES, AND ASK MY SON FORGIVENESS FOR THE OFFENSES YOU HAVE COMMITTED, AND I WILL COVER YOU WITH MY MANTLE, AND IN THIS MATERNAL MANTLE YOU WILL FIND COMFORT AND STRENGTH TO CONTINUE ALONG THE ROAD, BECAUSE AT THIS INSTANT THE LABOR PAINS ARE IN THE FINAL PHASE...

From My unfolded Mantle covering all humankind, My Son will send His Aid, that Divine Aid that is His Will, just like in the past He sent His Prophets.

At this instant, this generation is unknown to all that the Father's Hand has created, because it does not even resemble the Divine Goodness and Love. Nonetheless My Son's Mercy will send His Word, and it will be rejected once again... Nonetheless My Son in His infinite Mercy will send from His Home the aid for all His People through His Envoy.

Humanity, what do you know about My Son if you do not know the Scriptures?

Humanity, what do you know about My Son if you do not love Him, if you do not delve within Him?

Humanity, how can you clamor to the One you reject?...

BUT THAT ONE, THE ONE YOU REJECT, LOVES YOU INFINITELY...

AND WHEN YOU CLAMOR SINCERELY, FROM THE HEART, HE LISTENS TO YOU AND HE RENEWS YOU, CLEANSSES YOU, AND EMBRACES YOU, BUT FOR THIS YOU MUST BE HUMBLE AND RECOGNIZE HIM, AND CALL HIM "FATHER!" IT IS NECESSARY FOR YOU TO ASK FOR HIS HELP AND BE PREPARED NOT TO OFFEND HIM ANY MORE.

So many winds on the prowl for this humanity! ... Winds of war, winds of hatred, winds of plagues, winds of shortages, winds of grief, winds of death... Could these be sent by My Son? NO! These are the winds that humankind generates because of its ignorance, lack of love, and its own wickedness.

Its own wickedness: Not because My Son put it in humankind, but as man rejects My Son, evil takes His place, the place that corresponds to My Son, and controls man.

My Beloved children:

DO NOT FALTER, CONTINUE TO PRAY THE HOLY ROSARY, you attract Me, My Gaze immediately turns to those who clamor to Me in each Hail Mary, because as Mother of the Verb, in My Maternal Womb I shelter each one of the human creatures, and I bleed with tears of blood for those who have moved away, who reject My Maternity, but above all for those who reject My Son's Love.

Humanity, pray, pray strongly for Russia. It will wake up and spread pain everywhere and to all human beings. (2)

Humanity, pray, pray strongly so you'll be able to resist the snares of evil in his spawn who is on Earth. (3)

Humanity, pray strongly, it is not too late; pray whether the time is favorable or unfavorable, the Earth is creaking.

Humanity, you decide whether you are lost or saved; you are destined for Salvation, but your human free will chooses your cross.

I come to you, and I will continue to give My Word to those who want to embrace it, as My true children, to those who want to obey My Son's Law to attain Eternal Life. And to those who do not love Me I say: Be certain that My Heart beats for you.

I bless you. I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

We are the Creator's favorite children; we are blessed by the Divine Love and by all that has been created by the Father's Hand.

So much happiness destined for humankind in general! And...

MAN HAS DESTROYED SO MUCH OF WHAT THE FATHER GAVE HIM, BEGINNING WITH HIS OWN LIFE AND CONSCIENCE!

By deteriorating the conscience, man lost the power over good and became prey to evil. This way, his acts have deviated from the primary purpose: To recognize God, love, and goodness.

Brothers, feelings are a part of the human being; they give man that heart of flesh that comes from a righteous conscience...

We are children beloved by the Holy Trinity and by our Most Holy Mother, and how do we behave?

Our Mother, the Eternal Walker beside Her Son, cries tears of Blood when She finds Herself unheard by Her children on Earth; She sheds Her tears and Her Divine Son's Blood accompanies Her... **HOW CAN WE NOT SUFFER BEFORE THIS TANGIBLE PHYSICAL DEMONSTRATION? OUR MOTHER SAYS, "LABOR PAINS; THE END OF THE LABOR PAINS IS NEAR..."**

WE ARE LIVING DECISIVE INSTANTS WHEN WE CANNOT SAY "YES" TO TWO MASTERS. WE BELONG TO CHRIST AND TO NO OTHER MAN OR IDEOLOGY.

We are creatures that pray, that rediscover our Lord in the Eucharist, Bread of Life. We believe in the Divine Word in the Holy Scriptures which is explained to this generation through faithful instruments, but ... we cannot love God, love His Law, and at the same time call ourselves supporters of ideologies that go against loving one's neighbor.

Brothers, we cannot support communism and love Christ, just like we cannot support the extreme right and love Christ. Extremes are bad: Equity, justice, righteousness belong to only one Owner; Christ is the Righteous of the righteous, and we must hold on to Him if we want to truly serve Him. Our Mother warns us about the tentacles of the antichrist. She warns us so that in the silence within

we will allow the Holy Spirit to guide us and inspire us, so the soul will fly towards Christ freely and without oppression.

Each one of us has a special role in the Great Mission that Christ has entrusted to each one. Let's evangelize and be responsible for that Mission, because "from the one to whom much has been entrusted, even more will be demanded."¹⁵

There exists exactly one Path to Salvation and it is Christ. Our Mother lends us Her Hand to take us to Her Son. She is the generalissimo of all the Heaven's Armies. This power has been given to Her by the Father, and nothing or no one will snatch it away from Her until She guides and delivers all of God's People to the "land flowing with milk and honey."¹⁶

Out of Mercy they send us a Divine Aide. This is the way it has always been at every instant and this instant is no different. Humanity needs "the eyes of the blind (to) be opened and the ears of the deaf unstopped."¹⁷ Humanity needs the hearts softened and help to obtain wisdom and not to fall in the clutches of satan.

Brothers, let us not forget that soon it will be **THE 100th ANNIVERSARY OF THE APPARITION IN FATIMA. IT WAS IN FATIMA WHERE OUR MOTHER WARNED US SO THAT COMMUNISM WOULD NOT TRIUMPH AND SPREAD ITS MISTAKES THROUGHOUT THE WORLD.**

**AND WHAT IS HAPPENING AT THIS INSTANT? WHICH ARE THOSE MISTAKES?
SHE WAS NOT OBEYED. WHERE ARE WE GOING NOW?...
IF WE ARE CHRISTIANS, HOW CAN WE NOT SUPPORT WHAT THE MOTHER CAME TO FATIMA TO
ANNOUNCE, FOR IT IS A GREAT EVIL FOR HUMANITY?**

Amen

Note:

During the apparition of the Most Holy Virgin Mary to Luz de María, an image of the Virgin of Guadalupe that was in the same room, started to shed tears of oil and later tears of a red liquid, presumably blood. A particular and strong aroma accompanied the manifestation, making tangible once again the insistent and anguished Call of our Most Holy Mother in the face of the proximity of the imminent announced events.

Beloved children, humanity:

SEE ME AS MOTHER OF HUMANITY! THUS I REMAIN.

**MY TEARS COME DOWN MY FACE JUST LIKE IMPURITY AND WICKEDNESS
HAVE MADE BLOOD FLOW ON THE EARTH.**

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
26 APRIL 2015**

Beloved children of My Immaculate Heart:

I REMAIN BEFORE YOU WAITING FOR YOU TO GIVE ME YOUR HAND SO I WILL GUIDE YOU.

You must not fear My warnings; they are just a reflection of My Love by means of which I want to forewarn you so you will not fall. You are not alone; I am here; I am your Mother.

I continuously walk in front of you to protect you and deliver you from evil at this instant when the demons pounce on the souls to take them to perdition.

YOU ARE NOT ALONE, I AM MOTHER TO ALL MEN, I LOVE ALL, I LOOK FOR ALL.

While My Son is a pilgrim of Love, I accompany Him and beg Him to listen to you.

Beloved children, I received you by My Son's Cross. You are My beloved children whom I embrace, love, protect, and defend; Do not forget this.

The centenary of My Apparition in Fatima (1) is near, and it pains Me to see that they have not yet complied with everything I requested in Fatima to avoid greater woes to humanity.

Do not be negligent, My children; the bear seems to sleep, but he only prepares to attack.

Do not be negligent, My children; delve inside the Scriptures, get to know My Son so you will truly Love Him.

My beloved:

You will find so many setbacks! You will find so many setbacks at these instants when My Warnings are being fulfilled!

My children are not strong in the Faith: They easily decline and get impatient when they do not see My Warnings fulfilled immediately. But My Son is the owner of time. He is the Eternal Present and everything happens according to His Will, not the will of My children.

I have warned about the great woes that humanity will face, and at this instant most of them are being fulfilled because I call you and present to you future events so you will convert, so you will comply with the conditions that the Divine Will asks of you. But still, in the middle of My incessant Calls, My Son's People remain blind and deaf. I will continue to call you. As Mother of Love, I Call you so you will not fall, and I continue warning you as Mother and advocate of humankind.

Beloved children of My Immaculate Heart, the Earth does not stop; every instant it shakes with greater intensity. THE EVENTS WILL HAPPEN SO FAST THAT THERE WILL NOT BE TIME FOR YOU TO HELP ONE ANOTHER. But in the middle of all the happenings, all those who keep their Faith in Me, all those who ask for My protection will not be abandoned. Do not be afraid of My Warnings; love them; embrace them so you will be certain as to where to walk and which are the conditions that My Son asks of His children.

My Son's People are persecuted, My children are persecuted, but evil is the cause of this persecution. At this instant corruption has led man to accept whatever is offered to him. That country that has shown itself before the world as a great defender is part of the pain of My Son's People.

The values in men have declined so much that men accept immoral compromises behind humanity's back to wound My Son's Mystical Body, but they ignore that My Son is The Power Itself, and that every instant His People are strengthened more and more. My children's fidelity, prayer, awareness, and constancy strengthen those who suffer, those who are in pain.

At this end of time the devil will persecute My Son's People with great tenacity; the majority know these words but refuse to accept them at this instant. When the faith is insufficient and the belief is incomplete, the warnings out of love become terror.

Beloved children:

Nature—the Work of the Father's Hand—rebels against man, and man will suffer for this.

Pray for Chile, My children, this land that I visited will suffer greatly.

I have not rested while warning My children. I don't want them to be lost; I want them away from everything that means sin. You know The Commandments of God's Law (2); these cannot be modified or adjusted to the instant man is living.

BELOVED CHILDREN OF MY IMMACULATE HEART: COMPLY WITH THE COMMANDMENTS, COME RECEIVE MY SON IN HIS BODY AND BLOOD. TALK TO MY SON AT THE SANCTUARY, TELL HIM YOUR WOES, HE IS MAN'S BEST FRIEND.

**Pray for the United States; it will suffer greatly because of Nature and at the hands of its enemies.
Pray for Nepal; your brothers need you. (3)**

How tenaciously My Son looks for you along the path of human life! And man rejects Him over and over again. My Son wishes to bring His People to an encounter with Him, and for this He sends His Mercy so each one will examine himself. Prepare yourselves properly; do not let My Words fall on deaf ears.

Pray, My children, pray for the violence in the Middle East; it will recrudescence and more human creatures will suffer because of the folly and senselessness of the rulers of the great powers.

How My Son will chastise humanity because of those who do not listen to Him! They will suffer so much pain because of the great offense man commits by ending the gift of life with his free will! Evil has penetrated the hearts of men, and—since evil knows well how My Son's Heart hurts when wickedness ends the gift of life—evil has pounced on those who do not love My Son so they will end the lives of My Son's People.

Beloved children:

You think that peace is permanent because most of those who read and listen to My Words are not suffering the war, but this is not so. Rapidly the sounds of war are getting close to man, to all of humankind. At this precise instant, the satellites of communism keep in their entrails the necessary weaponry to attack the brothers. It seems like evil is getting ahead; but it is only My Son's permission so you will be aware that you are nothing without Him.

I see how much the souls suffer in hell: The loneliness and My Son's abandonment, endless and indescribable. I want you not to be lost, and this is why I continue to alert and warn you.

I Call you again and again to be united. You must remain united so you will clamor to My Son together for those who suffer and for those who have fallen victims to the powerful.

Beloved children of My Immaculate Heart:

I will bring by My Hand the one who will be consolation for My Son's People. The Paternal House has never abandoned His own, this is why He sends His People's Aide—with the wisdom and the infinite love— so he will soften the hardened hearts and guide you to encounter the Divinity.

**My children, pray; the East Coast of the United States will be shaken.
Pray, My children, for Japan; do not leave them out of your prayers.**

Beloved, the sun is closer and closer to man because of the ice that has paralyzed the love in humanity. It approaches and you will feel burning. What can science do before the power of the Divine Will that wants to alert and wake up His People?

Beloved children, an asteroid is coming close to the Earth. Be aware of this. Maybe you'll ask Me "What can we do? And I answer: **WHEN THE HEART IS IN GOOD DISPOSITION AND THE MIND IS PREPARED TO KNOW THE DEPTHS OF MY SON'S LOVE AND OF MY MATERNITY, MAN IS PREPARED TO FACE ABSOLUTELY EVERYTHING.**

He who denies My Word and that of My Son:

Is the one who has not delved in the knowledge...

Is the one who ignores the reason for the Divine Calls...

Is the one who looks at Me from afar...

Is the one who does not know the Divine Love...

Beloved children of My Immaculate Heart:

Stop the strife among My own!

Unite in My Son's Heart!

No one is greater than the other because the greatest one is the least one.

OBEY, MY CHILDREN! TIME IS NO LONGER TIME.

Obey My Calls, My Warnings; obey My Son, comply with His Will.

Pray, pray the Holy Rosary, pray, My children by being testimonials of My Son's Love.

Keep away from you all discord, take out of your hearts the hatred, the rancor, the lack of understanding, the intolerance. Fight against the human self, demolish it and make the Divine Love reign in its place.

I remain here before you to help you at all times. You must aspire to My Son; and to achieve this you must have a generous spirit and a heart of flesh where there should never be a lack of love.

The creature who does not allow love to bloom in his heart is the one in the greatest danger, because evil will lodge itself much more easily.

Children, you know well My Calls, My requests, but I do not want you to just know them; I want you to put them into practice in each heart, in each family, in each community, in each region, and in each country. May unity and amity reign!

My children, do not allow your free will to control you, do not allow your heart to lose the peace, not even for an instant. Fight strongly to remain in My Son's Will; this weakens evil. If you wish to fight against evil, be love "(...strive first for the kingdom of God and his righteousness,) and all these things will be given to you as well."¹⁸

My children, you wait so long for the Great Tribulation (3) and you are already living it! It will reach all of you for it walks slowly, preparing the ground well, but it will reach all human beings, all the countries. This is why I Call you to be together as one.

Forgiveness must be at the ready. Remember that even on the Cross My Son forgave the one who asked Him forgiveness and recognized Him as his God.

My children, remain attentive. The Creation misses the man that God The Father created because, at this instant, and because of his free will, man has been pervaded by all that evil presents to him.

I bless you, I love you; do not move away from My Immaculate Heart.

INSTRUMENT’S COMMENTS

Brothers/Sisters,

OUR MOTHER’S HEART IS MOST PURE!

She treats us with so much patience, alerting us time and again so we will merge with Her Son, our Lord Jesus Christ!

With the utmost precision She talks to us about the events that will reach all countries because— She tells us—humankind is already in the Purification, this period of time described in the Scriptures.

Heaven allows the warnings to be fulfilled when it is for the good of His children, like in this generation in which the wickedness that humanity is already living will increase. Heaven does not need to ask our permission to carry out His Designs, least of all in the face of a humanity that has not responded to so much Divine Love it has received.

Man has not understood the importance of his being aware of what the world is living at this instant, because it is only by knowing the root from which comes so much evil that it can be fought by being faithful to Christ and to our Mother, by obeying God’s Law, praying, receiving Christ—alive and beating—in the Eucharist, and loving our brothers, so we will achieve the unity that our Most Holy Mother talks about. We are children of the same Father; we will not be able to help one another fraternally if we do not see ourselves as such.

Our Mother stresses the importance of Her Call in Fatima: Had it been carried out, so many woes would have been averted at this instant and in the near future. Echoing our Mother’s Voice, let us remind the Hierarchy of the Catholic Church that it is never too late to comply with what our Queen requested in Fatima.

Brothers, let’s pray for the intentions indicated by our Most Holy Mother. Let’s grow taken by the Maternal Hand and thus become messengers of Peace, and clamor for the help of the Holy Spirit at these instants when we not only see so much persecution, but also Nature whipping man.

We thirst for Divine Love, we hunger for the Divine Bread from Heaven, we feel cold: Let us ask the Mother to cover us all, all of humanity, with Her Mantle.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
30 APRIL 2015**

My beloved People:

I SUFFER WITH YOU, I HURT WITH YOU, I CRY WITH YOU, I LAMENT WITH YOU...

My beloved People:

DO NOT DOUBT—NOT EVEN FOR AN INSTANT—THAT I PROTECT YOU. You are My People and, in obedience to My Father’s Will, I gave My Life for you. To Me you are the “pearl of great value”¹⁹; to Me you are My children in whom I rejoice.

My beloved People:

Do not lose the Faith; you know that they can take your body, but your soul... your soul they cannot take. This is why I am before you, so you will not wobble, so you will be certain that I keep looking at you every instant and I suffer with you. I rejoice with you because you give your lives for Me: Loving your brothers, serving others or giving life in My Name. **YOU WILL SIT AT MY TABLE.**

**MY CHILDREN, RECEIVE ME IN MY BODY AND MY BLOOD IN THE EUCHARIST,
FEED ON ME SO YOUR FAITH WILL NOT DECLINE AND YOUR SPIRITUAL STRENGTH
WILL CONSTANTLY REMAIN WITH YOU WHEN YOU RECEIVE ME.**

Receive Me every day as if it were the first time, because this is how I look at you. When you come before Me, sincerely and with firm purpose of amendment, and ask My forgiveness for your sins, I see you as if it were the first time. This is how great My Love is for My People...

My children:

MY CHURCH WILL SUFFER EVEN MORE THAN IT ALREADY SUFFERS. It will suffer at the hands of those who do not love Me and persecute you. It will suffer at the hands of those who within My own Church love Me falsely and have taken upon themselves to topple it, leading My People to rebel against Me and leading My People to rebel against My Commandments. All of this is a plan—totally laid out by satan—to prepare the way and the public appearance of the one who will mercilessly persecute My children, the antichrist.

At this instant you can see how terrorism persecutes My People: Ruthlessly and without fearing to offend Me. Its purpose is to make your brothers suffer if they don’t follow its convictions. My Side bleeds, and Blood and Water constantly flow from It. I hurt for My People, and I hurt for those creatures who have given themselves to and have made a pact with satan. Those creatures who vilely assassinate their brothers have made a covenant with evil.

My People, My beloved People:

¹⁹ Matthew 13:46 New Revised Standard Version Catholic Edition

THERE EXISTS ANOTHER TERRORISM JUST AS DANGEROUS AND LATENT: IT IS THE SILENT TERRORISM THAT SNATCHES THE LIVES OF MILLIONS OF HUMAN BEINGS.

My Heart constantly bleeds on account of this silent terrorism; abortion is a part of it. My Mother suffers so much pain for this crime!...

The vexations against the innocent are a part of that silent terrorism: Immorality, dishonesty, rampant and distorted sex between creatures of the same sex, weapons of mass destruction—and not only the ones they will use in the war, because man does not create what he will not use, but also the weapons of mass destruction such as the ones produced in laboratories with the purpose of totally breaking down My People's health, presenting them with lies, false expectations of health. Children, so moves this silent terrorism that includes all of My children. Those who are powerful and intoxicate the human organism by means of contaminated food are also accomplices in this terrorism; they will be severely punished by Me.

My most beloved People, this is why I have Called you to awaken, to come out of that lethargy in which you have lived, so you will know the tentacles that are brewing the power upon which the persecutor of My Church will rise.

Delve in My Word, know Me profoundly, delve in everything that surrounds you so, on your own, you'll educate yourselves on what depraved minds have raised behind you to silently annihilate you.

My children:

Just like the Earth shook and the Heavens opened when I died on the Cross, so the blood of so many innocent makes the Earth tremble causing even more earthquakes and making the seawater rise over the land.

All things created by My Father's Hand live in agreement, fulfilling the mission for which they were created; and man—created by My Father's Hand in His image and likeness—constantly despises everything My Father has given him. But that Creation vibrates in My Father's Love, and knowing the savage acts of the persecutors of My People and the laments of the innocent, everything created by My Father's Hand wails, and man will suffer and suffer. Humanity has disobeyed so much My Mother's warnings! This is why humanity will suffer its disgrace.

My most beloved People:

**DO NOT BE AFRAID. FEED ON ME IN THE EUCHARIST.
VISIT ME AT THE SANCTUARY, FOR "I AM WHO I AM"²⁰...**

Man continues his frantic race producing weapons for the war without realizing that the greatest and most dangerous weapon is the lack of awareness that possesses man's mind and leads him to harden his heart forgetting that his brothers are just like him.

My children:

My Legions are prepared guarding the four corners of the Earth, just waiting for My Hand's signal to implement My Will on Earth.

²⁰ Exodus 3:14 New Revised Standard Version Catholic Edition

Man lives a troubled life. Time is not time and, just like it dawns without man's participation, night falls; and time is not time. Everything is convulsed. The weather cannot be forecast because the seasons are not marked as in the past. Sea water cannot be enjoyed because it is contaminated by the crazy arms race of the great powers.

**Pray, My children, for Japan.
Pray for the United States; it will be shaken and the atomic energy will pounce
on its people contaminating in turn much of humankind.**

Man goes on with his life, his life... because he thinks it is human property. Men do not include Me in their lives except when they are afraid or when an emergency leads them to remember Me. Although I am Mercy and I overflow with Mercy for My children, remember that I will vomit the lukewarm: "because you are lukewarm, and neither cold nor hot, I am about to spit you out of my mouth."²¹ This is the instant of all instants when My People must come to Me in spirit and in truth; and—even if it is out of fear of the events—if those who decide to amend their lives forever with a firm purpose of amendment, come and draw near Me, I will embrace them.

My beloved People of My Heart:

With great amazement you will see before your eyes how the temples are closed so as not to allow My People to come to My House; however, I am within each of you and, to the extent that you have received Me, so I will multiply Myself to infinity in each Spiritual Communion, strengthening you with the communions you formerly received.

My most beloved People:

Do not forget My Mother, the One Full of Grace, the Pure One, The Blessed Virgin Mary.

**Pray, pray the Holy Rosary to My Mother, and at the same time and complying with My Will, take
My Word and that of My Mother to your brothers who still don't know they must wake up.**

My children, do not rest, alert your brothers so your brothers will change. It is not too late, but this generation is en route to the carnage.

My most beloved:

I have brought you My Word so many times to alert you to this danger which is worse than any illness that man could suffer! I am talking about communism, which is getting stronger right before your eyes and will spread pain to all humankind; and this is caused by men without God, men who do not have love, who are controlled by ambition and power that lead them to subject My children.

Remember, My children, that everything that hangs in space and belongs to man will fall on man.

Do not forget, My children, that humanity will suffer its own disgrace.

²¹ Revelation 3: 16 New Revised Standard Version Catholic Edition

Pray, My children, for Hawaii; it will cry with pain.
Pray, My children, pray. The land will continue to shake strongly without diminishing its intensity,
and this will activate the volcanoes, one after the other.

**I DO NOT PUNISH YOU. YOU, CHILDREN, RECEIVE THE REACTION OF YOUR WRONGDOINGS. YOU
TRANSGRESS MY LAW AND FOR THIS YOU WILL SUFFER.**

Be prepared, My children, be prepared because I come to you so you will look at yourselves and each one will judge himself before I come in My Second Coming.

My most beloved children:

You will see the leaders of the great powers fight against each other. You will see with your own eyes how those who today call each other daily, will betray each other in the future because at this instant man does not know loyalty or fraternity; instead, man lives in a frantic struggle for world power, forgetting that I am The Owner of Creation. They distribute the peoples with great folly and they issue judgments on the nations with great folly and pride. But I will get ahead of the pride of the powerful and they will suffer for it.

The bear awakens slowly; it is as if it were hibernating; but when it awakens it will roar over the small and the humble to devastate them.

Look at the sky, My children, look at the signals and signs at these instants. Give your hand to My Mother so She will bring you to Me and intercede for you.

Man betrays himself with great passivity because his mind works without hesitating to allow rage, rancor, and hatred to invade him.

My most beloved People:

Continue walking without resting. Strengthen one another, minister one another; obey My most beloved priests, those who are faithful to Me; they speak to you with the Truth, My Truth written in the Bible. Do not accept any other discourse, because he who denies My Justice will lead My People to perdition and speedily will deliver them to the hands of the antichrist.

This is the instant of all instants; do not forget it! And those who say that I scare you through My beloved prophet are the ones who want to live without making any effort, without giving the best of themselves, without struggling on the roads, without facing any onslaughts, without trials. They are the ones who want to live without spirituality, with just a false religiousness; and at this instant My People are tested so they will remain prepared to emphatically reject the antichrist; otherwise, they will fall prey to horror and the deception of the antichrist.

So many deny this spawn of evil that is among you already preparing his great throne! He will confuse all those who have not delved in the knowledge of My Mother's revelations for this instant. This is why in the last Calls from My House we have insisted in the knowledge of My Mother's past revelations for this instant. No one will escape this instant of trial.

Beloved children:

Unite! All of you are Divine workmanship! Unite and be prepared! Remember that unity is strength, and that I kept My Disciples united; and I order you to remain united because united you will be able to defend yourselves more forcefully.

**YOU WILL BE MEASURED IN THE LOVE, IN THE LOVE FOR YOUR NEIGHBOR, FOR YOUR FELLOW BEINGS, FOR THOSE IN YOUR CLOSE CIRCLE, AND FOR YOU.
MY HOUSE HAS ALREADY MANIFESTED ALL THE COMING EVENTS TO YOU.**

A great majority do not believe, but those who have neither obeyed or believed, will feel losing their sanity in the middle of the onslaughts.

My most beloved people:

Politicians will rise against My People and against Me because they belong to the freemasonry that prevails in the world and wants to rule absolutely all of My children.

**WAKE UP, CHILDREN! DO NOT LET THE LEAST SIGN PASS YOU BY!
DO NOT REJECT THESE CALLS. I CONTINUOUSLY TAKE YOU BY THE HAND; DO NOT REJECT MY MOTHER'S MOTHERHOOD TOWARDS YOU.**

He who wishes to call himself Christian must confront evil and not fall into temptation; and for this you must unite with one another to defend yourselves, because evil will continually throw snares at you to ridicule you and to make you fall in front of your brothers so your brothers will totally reject you. Most beloved children, be prepared to receive these onslaughts from evil and My Holy Spirit will enlighten you so that you continue to walk without falling, and He will give you the strength to get up if you fall.

My beloved children:

A comet will show up that will convulse all humankind. Stay at home. Have Holy Water at hand. In all the homes there must be a Bible, in all the homes dedicate a place in the house to place a small altar with the image of My Most Holy Mother and a Crucifix, and consecrate the home to My Holy Will so that I can protect you during the necessary instants.

You must protect one another to remain strong because I have called each of you to participate as Apostles of the End Times, evangelizing My People who are plunged into a desperate race towards the unknown which I call SIN.

YOU ARE THE APPLE OF MY EYES, BUT DO NOT ABUSE MY MERCY. I REMAIN BY YOUR SIDE; YOU WILL NOT LACK MY CONSOLATION OR MY WORD, BUT REMAIN FAITHFUL TO ME. DO NOT ACCEPT ANY IDEOLOGY CONTRARY TO MY WILL.

I arrive in My Second Coming to heal the sick, to feed the hungry, to protect those who suffer cold, and to punish the proud.

WALK TOGETHER, UNITED; YOUR JESUS LOVES YOU AND WILL NOT ALLOW HIS PEOPLE BE TOPPLED.

RECEIVE MY BLESSING IN THE NAME OF THE FATHER, IN MY NAME, AND IN THE NAME OF MY HOLY SPIRIT.

Amen

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Our Lord Jesus Christ gives us His Word with a great exhortation for men to convert, but, above all, so that humanity is informed as to their surroundings and the evil caused by them.

The Call leaves no doubt about Christ's clamor to those who are His children and do not heed His warnings.

As Jesus says, the world is in a state of convulsion, at the same time it is ill-informed regarding what it is living and thus it is not aware of it and it falls in the nets of those who dictate how all humankind turns by feeding it with products that have been manipulated in laboratories to make the human organism sick until death. With subliminal messages and misused technology, these sinister dictators have unleashed rage in the youngsters and continue to give the youngsters and the children the food that alters the psyche to raise a wicked race willing to obey and kill.

How can Creation recognize man?

How can everything that was created by God not wish for man to wake up?

And thus Creation continues to suffer relentlessly.

How can Christ not send the warning and the plague that advances slowly but will turn up from one instant to the next?

Everything is denied by those who do not believe and by those who deny the Divine Justice, thus deviating humankind and giving it more space for sin.

Brothers, we are a generation that has surpassed every limit, and this cannot go on without the control of The One Who created us.

Let us remain attentive because the Weather, Nature, the Sun, and the other Elements are going to act to stop man and, if man does not stop, the lament will be greater.

Let's join the Most Holy Mother and ask Her for protection and shelter so we won't move away from the Supreme Good.

Amen.

**MESSAGE FROM ST. MICHAEL THE ARCHANGEL
GIVEN TO LUZ DE MARÍA
2 MAY 2015**

Children of Christ, King of the Universe:

IN OBEDIENCE TO THE DIVINE WILL, I COME TO YOU, TO OUR KING'S PEOPLE, TO ASK YOU ONCE AGAIN TO BE LOYAL TO CHRIST AND THUS, TO BE RECEPTACLES OF THE HOLY SPIRIT.

Humanity needs to be faithful; renew your faithfulness to the Holy Trinity and the past love for our Queen and Lady of Heaven and Earth.

Our Queen commands our Celestial Legions and all the Legions surrender at Her Feet.

Children of the Most High:

Be aware that you are no longer the way you were in the past. The man of this instant has advanced and, in doing this, he has manipulated human genetics, and will continue manipulating it exceeding God's Law and wanting to make himself equal to God, until the instant when he will no longer have control over what he is creating: He will deform what God created, creating monsters.

Our King's beloved:

Those who rule the Peoples are not loyal to their citizens, they deliver their citizens to the wrong hands so these Peoples will be treated vilely, diminishing their decision making, their food, and limiting their freedom so they will totally depend on the rulers, until each man from each People will believe that he cannot live without the ruler, even oppressed as he is.

Beloved:

POWERFUL FAMILIES EXIST FROM YESTERYEAR WHO HAVE TAKEN CONTROL OF HUMANITY; THESE FAMILIES ARE DESCENDANTS OF THE GREAT MASONS AND "ILLUMINATI". These are non-Christian sects that hold the power regarding the decisions of all humankind, and they remain close to the Church of Christ The King to attack it, pervert it, and destroy it...

PAY ATTENTION! THE FREEMASONRY IS PRESENTED AS THE NEW UNIVERSAL RELIGION. Those that are economically most powerful control humankind; they have tied up the governments by giving them economy in order to keep them in their grasp, and thus oppress the Peoples by means of invalid laws.

THE FREEMASONRY IS LETHAL FOR CHRIST'S CHILDREN AND FOR THE CHILDREN OF THE MOTHER AND QUEEN OF HEAVEN AND EARTH. THEIR PURPOSE IS TO GOVERN, TO TAKE THE ANTICHRIST TO THE CHAIR OF THE PRIMACY OF PETER ON EARTH, AT THE INSTANT WHEN IT IS CONVENIENT FOR THEM.

At this instant these families decide the reduction of humankind, regardless of the cost of this action, and the majority of the members of Christ's Church ignore this because they live their lives without being interested in what goes on around them. When man is a conformist—like this generation has become—he is pleased only to live with what he wants, without wondering from where the things come; he doesn't think about who manufactures what reaches his hands—sometimes what gets to your hands comes from the tears of the innocent captives, hungry, bloody, and violated.

Children of Christ:

I COME SO YOU AWAKEN, SO YOU REALIZE THAT PRETENDING TO COMPLY WITH CHRIST'S WILL IS NOT ENOUGH; PRETENDING IS NOT SUFFICIENT IF THIS DOES NOT CONGEAL PROMPTLY. At this instant, just like humanity has evolved in every aspect, it must evolve spiritually and fight to understand the urgency of putting into practice the disposition of a radical change, where the first and urgent thing must be to comply with the Divine Will, the Commandments, and thus be loyal to Christ and His Law, which cannot be altered in any way just because man wants it at the instant to please the alleged human evolution.

IF MAN TRIES TO ALTER ONE SINGLE WORD OF GOD'S LAW, AT THAT INSTANT HE WILL FINISH OPENING THE DOORS FOR THE ANTICHRIST TO CONTROL MOST OF THE MINDS OF MEN, THUS BEGINNING THE DEVELOPMENT OF HIS STRATEGY TO OWN THE SOULS. LATER, ONCE HE CONTROLS THE HUMAN CREATURES, HE WILL TURN THEM INTO THE GREATEST PERSECUTORS OF HIS BROTHERS.

My Call is urgent. Humankind does not want to delve in the Truth because they are afraid of the Truth when they know that they have not been faithful to Christ or to our Queen. This is why the human will betrays man when he does not decide to give himself to the Holy Spirit with all his might in order for the Holy Spirit to give him strength and to pour His Gifts on man.

I saw them fall, the ones who called themselves faithful to God; and at this instant they are serving satan as part of his diabolical legions. There are men who judge the Word sent by the Heavenly Father; there are men who judge the Word of Our Queen of Heaven and Earth. Because of that same pride and arrogance I saw the ones who were by the Father's side fall. No human being can call himself absolutely faithful; instead he must wait to be called faithful by the Holy Trinity.

You know that you are living the beginning of the Tribulation and, with this beginning, man has so degenerated his mind as well as his thoughts, that we, his Guardians remain in a constant battle against evil which, instant to instant and right before his eyes, grafts all the wickedness that satan has in order for man to opt for satan, and thus man will detach from his King and accept all that is sinful offered to him by satan.

Beloved of our King:

YOU ARE NOT AWARE OF THE REALITY, AND THIS LEADS YOU TO A MASKED BATTLE WITH SIN.
Regrettably, since you are controlled by your free will, you fall deliberately, and fall into sin.

Satan will attack man where man loses control: The economy is destabilized and will initiate the general fall worldwide, and those that are not spiritually strong will hand their lives over to evil in exchange for a false economic security given by the microchip; and others will end their lives because of money.

Humanity declines, the Faith of a true and faithful apostle must be continually nurtured. You will not be saved just by remaining a member of the Church; your life must be a testimonial until your last breath.

Beloved of Christ The King:

**Pray strongly for Russia. Humankind will suffer because of Russia.
Pray, children of Christ The King, pray for China. China pounces on humankind
and will flagellate it.
Pray. The volcanoes will continue to escalate, awakening one after the other,
and the Peoples will suffer because of it.
Pray for the Church and its hierarchy; it will be strongly shaken; a schism is near.
Pray for Colombia; it will suffer at the hands of Nature.**

Beloved of Christ The King:

**THESE ARE INSTANTS WHEN YOU MUST BE UNITED, AND EACH OF YOU IN PARTICULAR MUST
GET READY, KNOW PROFOUNDLY THE DIVINE WORD SO YOU WON'T BE DECEIVED; YOU MUST
TEACH YOURSELVES SO THE ENEMY OF THE SOUL WILL NOT MAKE YOU LOSE THE PATH; SO YOU
WILL BE ABLE TO FIND ETERNAL LIFE.**

Reunite everyday with the Body and the Blood of our King in the Eucharist where we guard the souls that worthily receive Him.

Our Queen and Mother will direct us at the end against evil. It is necessary that each of you make an effort not to live a false religiosity; instead you must delve in the Love, so you will live united to the Holy Trinity, and Faith, Hope, and Charity will prevail, and you will be more of the Holy Spirit so you will arrive at the comprehension of True Love.

**THE HOLY TRINITY SENT ME, AS DEFENDER OF MEN, FOR YOU TO WAKE UP
AT THE INSTANT OF THE INSTANTS.**

WHO IS LIKE UNTO GOD?

Saint Michael Archangel

THE INSTRUMENT'S COMMENTS

I thank God the Father, God the Son, and God the Holy Spirit for this Word from Saint Michael Archangel.

In his Angelical Word, a Divine explanatory analysis, Saint Michael keeps nothing to himself; on the contrary, he pours the truth we are living to take us slowly, gradually, but profoundly, to the understanding of what we need to know in order to discern before evil, so it will not separate God's People from the Fountain of Life: **CHRIST, KING OF THE UNIVERSE.**

**AT THE END TIMES, CHRIST, KING OF THE UNIVERSE, WILL COME TO REIGN OVER
ALL PEOPLES AND NATIONS...**

As I recall this Word, I cannot but echo what must be for us the Blessed Word, and renew the spirit so the oil won't run out and the lamp will not go out and stop giving off light.

Brothers:

**OUR MOTHER HAS NOT GIVEN PROPHECIES FOR THESE TO BE FORGOTTEN;
SHE HAS GIVEN THEM FOR HUMANITY TO CHANGE AND CONVERT.**

We cannot say that this generation is living its best instant when so much wickedness prevails and, in the middle of that wickedness, men participate in it as if it were good. Some people deny evil so much that they think they are doing good by being prey to satan.

Wisdom is found within ourselves and reveals God to us in the conscience, so that in the absence of good, man will feel the need to look for God—know Him, love Him, and delve in Him—who is our Supreme Good.

When we realize that the One who Calls is the Divine Will in His Infinite Love and Mercy, we must remain in a constant prayer in order for Him to give us strength so we won't decline, because man is not exempt from falling, but he has Someone to lift him up as long as the human free will becomes humble and asks Christ The King to be the King of his life and not a beggar for love.

Humankind has kept only a very small part of the Divine Love that the Holy Trinity has given man, therefore, before each thing that was created, we must be repeaters of the Love that is embedded in everything that has come from God's Divine Hand; and we must give our "Fiat", our "Yes" to God, along with "I bless you" each instant of our existence.

The man of God is not just "the misinterpreted poor in spirit"; he is also the one that by way of knowledge finds the Truth, the Peace, and the serenity, and even though he lives in the world, he does not allow the world and its machinations to envelope him; instead, he lives in the world being more of God and for God.

**LET US STAMP AN "I LOVE YOU" ON THE HOLY TRINITY FOR EACH ACT AGAINST THE LOVE TO
WHICH GOD CALLS HUMANKIND: LOVE THAT COMES FROM THE DIVINE WILL...
LET US BE REPEATERS OF THE HOLY DIVINE WILL...**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
MAY 6, 2015**

My most beloved People, I bless you.

EACH PRAYER, EACH ACT OR WORK CARRIED OUT BY YOU IN MY WILL IS PRECIOUS INCENSE THAT RISES UP TO ME AND ANOINTS ME LIKE OIL THAT HEALS MY WOUNDS, THE WOUNDS THAT ARE CONSTANTLY CAUSED BY MY OWN CHILDREN WHEN THEY GIVE THEMSELVES TO WHAT IS MUNDANE AND PASSING.

You who are called My People must be extremely aware that there are brothers around you who have delivered themselves to the hands of evil, and therefore My children must redouble your prayers and your acts in My Will.

I WALK BEFORE MY PEOPLE AND GUIDE THEM; IN NO INSTANT DO YOU WALK ALONE.

Do not look to the past; the past is gone. Do not be disheartened by thinking about the future; the future is My Property and it is in My Hands as long as you hand it over to Me...

The present is not present, it is instant; and you must work right now, this instant, to harvest a crop in My Will. Rest assured that if you are faithful to Me I will not leave you.

Do not waste precious instants of your life staggering, trying to figure out the future when it has not arrived yet. You well know the events, and these have precipitated, advancing towards man. **YOU MUST GET READY FOR IT, SO WHAT IS COMING WILL NOT CATCH YOU ASLEEP, BUT SPIRITUALLY PREPARED**, so that during the instants when the Tribulation will intensify and My People will be extremely tested, your Faith will not decline and you will continue to be of My Inheritance.

My most beloved People:

My Heart burns with Love for you, but not all those who say they live in My Will actually do live fully in My Will, because he who lives in My Will obeys the Commandments without exceptions. Thus there is still a lot of tilling to do in the interior field of the human will so you can be really sure that you live in My Will.

WHO LIVES IN MY WILL DOES NOT LOOK AT HIMSELF; INSTEAD, HE LOOKS AT HIS BROTHER BECAUSE HE SEES ME IN HIS BROTHER, HE LOVES ME AND HE DONATES HIMSELF FOR ME.

My most beloved:

Although you are My People, you continue to live between the mundane and My Will in total instability. It pains Me because sometimes you do not treat Me with the proper love and respect, you offer Me repetitive prayers said in hurry like you want to fulfill a duty so you can go back to your human chores.

MY PEOPLE MUST PRAY FROM WITHIN MEDITATING EVERY WORD THEY OFFER ME, LIVING IT TO FUSE WITH ME. I DO NOT WANT THOSE REPETITIVE PRAYERS SAID IN A HURRY BECAUSE THEY OFFEND ME, BECAUSE I SEE YOU TREAT ME CARELESSLY.

My beloved People, I suffer so much for man when I see the human heart turned into stone, insensitive to everything and to the Gift of Life!

You must know that at this instant there are human creatures who in absolute freedom have agreed to give themselves to satan; they have given up being My children and have accepted to be satan's children.

Overwhelmed with rage and the desire for vengeance against My children, they pounce like wolves, like predators against My People, persecuting them from one country to another.

My Temples will be closed, but My People must not misstep, because they will continue to get together to hear My Word, they will continue to receive Me in the Eucharist.

My beloved People:

MY CHURCH WILL STAGGER IN ITS STRUCTURE AND YOU AS MY MYSTICAL BODY WILL BE STRONGLY SHAKEN. THE DIVISION IS NEAR MY CHURCH, THE DIVISION MY MOTHER HAS REPEATEDLY ANNOUNCED TO YOU. THE SCHISM WILL HAPPEN SOON WITHIN MY CHURCH.

My beloved:

Not everything is lost; you can still repent and clamor for My Mercy, because My Mercy will never be closed to My children. Nonetheless, I would not be a Just King if I did not give to each one what he has reaped. **THIS IS WHY MY JUSTICE IS IMMINENT, ATTRACTED BY THE WRONGDOINGS OF THE HUMAN BEINGS.** You are already experiencing My Justice and you do not convert; you are not aware of the importance and reach of My Call and My Mother's constant Calls.

I gave you free will so you could decide between good and evil, so you could distinguish good from evil; however, by ignoring the Calls from My House, you have become "Eve's poor children" and you have become lukewarm. Those who are lukewarm will be spit out of My Mouth for their indecisiveness, for being instants by My side and for being (other) instants doing what is wrong.

At this instant that this generation is living, the signs and signals are prompt and plentiful. It is from a distance that you see your brothers suffer at the hands of Nature; however these events approach

all countries in the world. Where the land has never trembled, it will tremble; where people have not suffered because of a volcano, they will suffer; volcanoes and lands that lay dormant will emerge from the sea, and humankind will suffer.

My beloved People:

YOU HAVE SINNED SURPASSING OTHER GENERATIONS AND FOR THIS YOU ATTRACT MY JUSTICE TOWARDS YOU.

THE CREATION, WORK DONE BY DIVINE HANDS FOR MAN'S WELLBEING, HAS BEEN TREATED RUTHLESSLY; IT HAS BEEN LACERATED, AND IT MOANS BECAUSE OF IT.

This Earth, cradle of men, will open in several countries to your astonishment and admiration.

Even the great powers do not totally declare their weaponry, and to create self-destruction they have used all the intelligence together with the science provided to them by Our Holy Spirit.

Pray, My People, for Japan. It will suffer even more.

Pray, My People, pray for the United States. It will strongly suffer because of Nature. It will suffer where sin more than abounds, where indifference towards Me more than abounds and where I have been hurled out of My children.

Pray, My People, pray for Perú. Nature will call it for it to return to Me.

My children, you will continue to suffer because of the volcanoes. You must remain alert; the land will continue to tremble and My children will suffer.

DO NOT FORGET THAT I PROTECT YOU AND KEEP YOU, MY ANGELICAL LEGIONS REMAIN BY YOUR SIDE TO COMFORT YOU IN THIS VALLEY OF BLESSING WHICH MAN HAS TRANSFORMED INTO A VALE OF TEARS, INTO A CONSTANT SUFFERING FOR HUMANKIND.

The West Coast of the United States will be surprised. The Sun shines on humanity and the Moon arrives promptly when it grows dark. The Sun will place humanity on a great alert. And the signs of My Closeness will constantly be visible.

BE PREPARED, MY CHILDREN, DO NOT PUSH ME ASIDE.

I need:

A courageous People...

A People that will not forget Me...

A People that abide by My Law, that will not deform it, that will not modify it...

A People faithful to Me...

A People that will not love me to save face in front of their brothers, for I know your depths.

**I NEED A UNITED PEOPLE WHERE MY CHILDREN, MY TRUE CHILDREN,
WILL LOVE THEIR BROTHERS IN TRUTH AND SPIRIT.**

So much crucible is coming to you, My beloved People! I suffer so much for it! My Mother sheds tears of blood in different homes or temples announcing that this pain is a new sword in Her Heart; but you do not come back to Me, you are immersed in the mundane wantonness and debauchery at instants when all those creatures who do not remain certain that they are My Property are led by the evil spirits to fall.

**I NEED A HEALTHY AND PROFOUNDLY SPIRITUAL PEOPLE MERGING IN MY WILL
SO MY HOLY SPIRIT WILL GUIDE YOU AND YOU WILL LISTEN.**

I do not want Christians who come to Me only on Sundays...

I do not want half-asleep Christians before Me or before My Sanctuary...

**I WANT CHILDREN WHO ARE AWAKE AND ATTENTIVE, CHILDREN WHO KNOW THE
MACHINATIONS OF THE DEVIL TO MAKE THEM PREY TO THE ANTICHRIST THAT ALREADY MOVES
IN YOUR MIDST.**

I need a renovated People that will recognize the antichrist; otherwise, they will be deceived and become prey to him and, thus, they will be persecutors of My People that they claimed to love.

Do not forget that I protect you; do not forget that evil will not triumph; but do not forget that My children will be tested anew. Nonetheless, after the trial I will take you to rejoice in My Peace, to sit at My Table and enjoy Eternal Life.

**I DO NOT WANT CRESTFALLEN CHILDREN ON ACCOUNT OF THE ANNOUNCEMENTS OF
THE COMING EVENTS. I WANT CHILDREN WITH FAITH WHO WILL NOT BE AFRAID
BECAUSE THEY KNOW THAT IF I AM WITH YOU NOTHING WILL TOUCH YOU.**

Beloved children:

**YOU HAVE STOPPED PRAYING THE TRISAGION; AND WHERE THERE IS AT LEAST ONE DEVOTEE
OF THE HOLY TRISAGION, THAT PLACE WILL BE SPARED GREAT EVILS.**

Love Me as your King because the King loves and defends His People. Evil will not last; evil will be defeated by My Mother, by Saint Michael Archangel, protector of My People, and by My Legions who are your brothers, your Fellow travelers.

My Peace is within you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Christ invites us to keep Him present every instant of our lives in our works and acts. I think that some will ask "How?" Or some will say "I do it." And maybe they do; but Christ has given us the rule to merge and fuse with Him so that we will not forget Him when we work or act, not even for an instant.

LET US INVITE CHRIST WHENEVER WE WORK OR ACT DURING THE DAY; THIS WAY WE WILL BE PUSHING AWAY FROM US THE WRONGDOINGS AND THE BAD HABITS, BECAUSE WE WILL NOT INVITE CHRIST TO ACT OUTSIDE HIS WILL.

Brothers, we must fight to attain the Eternal Life. It is a constant struggle against oneself to topple the human self; it is only when the soul prevails over the body, and the reason prevails over the human will that we will belong more to Christ and less to the world.

Hence the importance of knowledge in human beings: To be aware of what leads us to suffer and what leads us to rejoice in our likeness to Christ. Let's be lovers and obedient to Christ's First Disciple, Our Most Holy Mother.

This instant is not just for us to see from a distance what is happening in the world, it is for each one to grow, to get close to Christ. Let us not forget that regardless of how much we suffer, Christ and our Mother, as well as our road Companions, remain lightening the burdens of all men who allow it.

Christ talks to us about the Divine Justice present throughout humankind's history as ETERNAL LAW. Let us not dismiss or belittle God's Justice because it is precisely the knowledge that the Divine Justice exists that leads us to fight to be better and pleasant to Christ; and when we are aware of keeping our affiliation with The Creator, we must remain in harmony with our brothers; but above all, we must be aware that the body is corruptible, but we have a soul that prevails over the body in the certainty that the Divine Justice is LOVE.

Let's give the Love that Christ and our Mother deposit within us so we can live in the Divine Will, even if we have to swim against the current of this transient world.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
10 MAY 2015**

Beloved children of My Immaculate Heart:

**MY MATERNAL LOVE SPILLS OVER ALL MY CHILDREN.
I ASSURE YOU THAT REGARDLESS OF HOW TOUGH THE INSTANTS MAY BE, I AM AND I WILL BE WITH YOU.**

The Earth will enter darkness, but I will be lighting the way for you with My Love's Light.

Beloved children:

By Divine Order I reveal all that was, is, and will be announced by Me so that spiritual blindness will not control you anymore and you can untie the chains with which evil and ignorance—where humankind has sunk—want to confuse you and make you see My Son in the antichrist.

The antichrist will make his appearance by technological means together with the human means of those who have prepared his presentation before humanity.

MY SON WILL ARRIVE IN SPLENDOR AND GLORY; ALL THINGS CREATED WILL RECOGNIZE HIM AND WILL KNEEL BEFORE HIM:

The Heavens will open giving way to the King of Kings...

The stars will shine in the daytime like they have never shone before...

The sun will dance and emit multiple colors...

The wind will remain in complete stillness...

The moon will dance on itself...

The vegetation will all sprout...

The Animal Kingdom will join in to adore the One who arrives...

Your Guardian Angels, Fellow Travelers, will sing in one voice, and from Heaven will be heard:

Holy, Holy, Holy is the Lord God of hosts.

Heaven and earth are full of your glory! ...

The Earth will shake with great agitation recognizing the Divinity; and those who have denied Him and have delivered themselves to the devil will run to and fro without finding where to hide; the mountains will not give them shelter and they will not find a place where they can hide...

Before the astonished gaze of humanity, the invisible will become visible...

I will hear the laments of those who denied My Son, the desperation of the lukewarm who served two masters ignoring My Calls; and I will hear My Son's Faithful People prostrate on the ground and worship their King...

The Universe will shake with a commotion and from Earth man will be able to hear how everything that exists in the Universe makes itself felt so that all men will be certain that My Son is King.

Beloved children of My Immaculate Heart:

I AM MOTHER AND I OFFER TO ALL MY MEDIATION SO THEY WILL APPROACH MY SON; AND, AS ADVOCATE OF ALL HUMANKIND, I AM THE MOTHER OF MERCY.

I HAVE REVEALED TO MAN ALL THAT WILL ENSUE IN ORDER FOR MEN TO DEDICATE THEMSELVES TO ACHIEVE CONVERSION BEFORE THE NIGHT ARRIVES AND THEY WILL NOT BE ABLE TO SEE THE DIVINE LIGHT; STILL I AM DESPISED TIME AND AGAIN BY THOSE WHO DO NOT LOVE ME AND HAVE GIVEN THEMSELVES TO THE INFERNAL POWER.

With pain I should mention that exercising power over the neighbor by the use of force and injustice has become a fashion that attracts a great many youngsters and children who join in the terror executed against humankind by those who have sold their souls to evil, managing to turn youngsters and adolescents in repeaters of an uncontrolled wanton behavior, having only one way of satisfying that fashion and it is to viciously kill the men faithful to God.

Evil despises the Gift of Life, and even more so, when it is offered instant to instant to give Glory to God. Humankind is beginning its suffering; the crucible is lighting up, man will see a lot more terror which has been forged by the same man and his disobedience.

MY SON ASCENDED AND RESURRECTED; HE GIVES HIMSELF TO HIS CHILDREN IN HIS BODY AND HIS BLOOD AT THE ALTAR; HE CALLS THEM TO RENEW THEMSELVES INSIDE WITH A GENEROUS SPIRIT. AND WHAT DOES MAN DO? HE TURNS HIS BACK TO MY SON... Poor humanity! They desert themselves. They keep idols in every aspect of their lives; they marvel at the powerful of the world, and applaud the demonstrations of power by the great powers of the world.

My Beloved:

Russia's military power has not been exposed to be admired, but for the world to know with what they will be attacked. It is the cry in silence so you will see the power of the one who will pounce against humanity while using those small countries with which it has created faithful alliances to reaffirm its power and, at this instant, are satellites of the great destroyer: Communism.

IN FATIMA I WARNED ABOUT COMMUNISM AND ITS DESTRUCTIVE POWER. THEY SAW MY REQUESTS FROM A DISTANCE FOR FEAR OF NAMING RUSSIA, AND NOW THEY FIND THEMSELVES INSTANTS AWAY FROM THAT POWER—WHICH THEY DID NOT WANT TO SILENCE WHEN I REQUESTED IT—TO PONCE AGAINST ALL HUMANKIND. The greatest annihilator of humankind has not yet been shown, it remains protected, and it is nuclear energy.

The great nation of the North, the United States will be communist without being communist; it will abhor My Son and thus it will attract to itself its people's chaos. The civil war will arrive, causing men great pain. It won't be long before this comes to the United States.

My Son's Church will be communist without being communist; it will adopt standards that are not My Son's Will in order to attract a greater number of churchgoers who will later be the detractors of My Son's Church. The strong currents of the freemasonry and the illuminati remain strengthened by the assurance of power that the families that secretly continue dominating humanity have promised them.

Chaos will be generalized and they will not find encouragement, peace, serenity, hope, faith, trust or protection outside of My Son and this Mother.

Pray, My children, the volcanoes awaken in the same way that the bear that was hibernating awakens.

Pray, My children, pray. The Earth trembles and the seas churn, just like the eagle has agitated poor and defenseless countries causing pain to the innocent.

Pray, children; falsehood remains before you. Those who say they help and defend humankind are the same ones that give weapon power to the terrorists that make the true children of God tremble because of the cruelty and satan's vengeance.

Beloved children of My Immaculate Heart:

Man is altered by his surroundings; My children do not think, instead, they act like automatons; they do not react in front of evil, instead they embrace it and nurture it with generalized negativity.

THIS GENERATION HAS BEEN STRONGLY AND STEALTHILY TRAINED THROUGH THE MISUSE OF TECHNOLOGY; creating—with each game placed in the hands of today's youth at this instant—a permanent concentration camp where those who before were children and now have grown up with their minds fused with killing and being powerful.

My Heart suffers so much because of this! Had they obeyed and had they complied with My requests in Fatima, now they would find themselves at another instant.

I WARN YOU, REACT PERSONALLY; GENERATE IN YOUR BROTHERS AN AWARENESS OF THE REALITY IN WHICH THEY LIVE AND HOW TO COPE WITH IT BEING TRUE TO MY SON.

NO CREATURE HAS BEEN ABANDONED BY MY SON IF HE HAS BEEN FAITHFUL TO MY SON'S CALLS.

The Creation will shelter My Son's children, their Guardian Angels and Travel Companions will protect them every instant; evil will not go beyond; maintain confidence in the My Son's Word.

BE UNION, DO NOT GET DISPERSED, STRENGTHEN ONE ANOTHER, HELP ONE ANOTHER, FOR AT THIS INSTANT THE DEVIL POUNCES AGAINST THOSE WHO ARE FAITHFUL TO ME TO TEST THEM. Help one another in every aspect, the test is for everyone. The devil attacks My children because he is afraid of Me. Shelter one another; My children must not decline, instead they must find strength in the unity of only one Heart in the Love for My Son, in the Faith of a better instant, and in the Promise of a New Earth.

**THE APOSTLES OF THE END TIMES TOGETHER WITH THE AIDE THAT MY SON WILL SEND TO YOU,
ALL WILL BE ONE IN ME, AND THE ANTICHRIST WILL BE THROWN WITH SATAN
TO THE PLACE OF FIRE AND MY SON'S CHURCH WILL BE ONE.**

My beloved:

Politics is a façade for what is hidden behind and the microchip turns up by surprise fencing in My Son's children. The world economy will fall and as a result the government of evil appears ruling humankind.

Beloved children:

Be faithful to My Son, do not abandon each other, unite in My Son's Love, pray the Holy Rosary and carry on you the Scapular.

Pray to the Holy Trinity, be shelter to the helpless and comfort to those who do not know where they walk.

**WAKE UP YOUR BROTHERS, WORK AND ACT LIKE TRUE CHILDREN OF THE KING, DO NOT FIGHT AMONG YOU,
JUST STRUGGLE TO OVERTHROW THE HUMAN SELF.**

My Beloved:

Be assured that evil infiltrates its allies among you to divide; be alert so they won't divide you.

As Mother and Teacher I bless you, protect you and I impart My Blessing to you.

**WITH MY MATERNAL LOVE, IN TOTAL ADORATION OF THE HOLY TRINITY...
MY GAZE REMAINS UPON MY CHILDREN.**

**DO NOT BE AFRAID; MY SON IS WITHIN EACH ONE OF THOSE WHO HAVE PREPARED
THE ALTAR OF THEIR HEARTS.**

INSTRUMENT'S COMMENTS

Brothers/Sisters,

**OUR MOTHER ASSURES US THAT AS MOTHER OF MERCY
SHE INTERCEDES BEFORE HER SON FOR EACH ONE OF US.**

She is the Mother of Mercy because in Her Virginal Womb the One who is King of Mercy was gestated.

Even Christ's Church has failed to give the Creator's Mother the recognition that She deserves and the due obedience to Her Calls. It will be at the end times when humankind will be aware of what the Most Holy Mother is for the Holy Trinity. Then, and only then, the laments—in the face of the disobedience of the Marian Calls—will be so great that repentance will be heard everywhere.

The Calls must be embraced with respect and love, with faith and obedience, maybe with a certain fear—reasonable in the human being, but without letting it win before the certainty of the Divine Word that repeats to us that we will not be abandoned.

Our Mother insists in the free will because it won't be until we delve in it and be sincere with ourselves, that we will be able to accept that the misuse of free will separates us from Good. And if we do not remain attentive to the Divine Call to walk towards Good by ourselves, we will not make it.

Our Mother makes it very clear that we must fight against evil and seek shelter in Christ and His Mother's Lap. At this instant humankind would have to understand that we are not being called to unity just because we are all human beings, but because we come from the same Father. But humankind is more and more divided due to man's spiritual disorder, contrary to what God wants: Unity.

Brothers, let us ponder, meditate, because pride (hubris) is the root of great woes as it is a clear manifestation of how evil controls man.

Brothers,

**AT THIS INSTANT WE MUST REMAIN VIGILANT AND BE UNITED SO THAT—GUIDED BY THE
HOLY SPIRIT—WE WILL COMPLY WITH THE DIVINE WILL, AND THE RAYS OF DIVINE LOVE WILL
REACH US EVEN WHEN THE DAY IS CLOUDY.**

**NOTHING IS IMPOSSIBLE FOR GOD,
AND HE DENIES NOTHING TO THE QUEEN AND MOTHER OF THE DIVINE WILL.**

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
ON THE FESTIVITY OF OUR LADY OF FATIMA
13 MAY 2015**

Beloved children of My Immaculate Heart:

LET MY BLESSING IN EACH ONE OF MY CHILDREN BE THE AWAKENING TO A NEW DAWN.

Beloved children:

Just like the doe looks for water to satiate her thirst, each one of My children must look for refuge in My Son to satiate the thirst for love.

Man continues mistaking the road to reunite with My Son; his [stubbornness](#) has led him to fall prey to the actions of evil, and wickedness keeps him away from the road to Salvation.

THE PATH FOR HUMANITY IS OBEDIENCE.

Like My Son was obedient to the Father's Will, you must subdue the heart of stone, the distractions, the misguided desires, the whims; but above all, the human ego, in order to strengthen obedience and will, so they will lead all of you to Salvation.

THERE IS NO SALVATION WITHOUT GOD, WITHOUT OBEDIENCE, WITHOUT FAITH, WITHOUT SACRIFICE, WITHOUT THE GIVING OF YOURSELF, WITHOUT ACTING AND WORKING IN MY SON'S LIKENESS.

DISOBEDIENCE IS THE QUEEN OF ALL OF MAN'S WOES. Disobedience hardens the heart, fogs up the reason, closes thinking, and transforms man into a being that is spiritually incapacitated, in whom evil works freely until—through a constant temptation—evil overthrows the human creature and leads him to commit shocking, unthinkable acts for a human being.

Beloved children of My Immaculate Heart,

These are decisive instants for My Son's People; constancy in a solid Faith is support along the road that keeps My children in a constant Calvary.

EVIL DOES NOT REST; AND YOU NEGLECT YOUR SPIRITUALITY AND FORGET TO STAY ON THE RIGHT PATH. You stop at the slightest distraction; you watch your brothers act and work in order to judge them for no reason.

Beloved children of My Immaculate Heart,

THESE ARE NOT INSTANTS FOR THOSE WHO CONTINUE STAGGERING...

This instant is for you to decide to love My Son...
To respect the Law in the Commandments...
To delve in the knowledge of the Divine Word...
To be respectful of the Sacraments and abide by them...
And to accept the Beatitudes as the norm of life.

Beloved children of My Immaculate Heart,

The abyss is in front of each human creature. I Call you and I extend My Hand to you for you to take it and not get lost.

HUMANKIND WILL KNOW THE FRUIT OF THE DISOBEDIENCE IF THEY DO NOT TAKE MY CALLS SERIOUSLY IN THE PLACES WHERE I HAVE APPEARED.

MY REQUEST IN FATIMA HAS NOT BEEN FULFILLED; THIS IS SERIOUS, GRAVE.

I call you and I find no response; there are a few creatures deciding to take a new path to save themselves.

Evil has placed all its strategies and lies in front of mankind, corrupting the minds of men to lead them away from the purpose of their creation. The man endowed with gifts has used some of them for evil ends. Those who have participated in creating all the things that have led man to fall in satan's hands and to destroy one another offhandedly, those must repent before the Warning and they must repent with a firm purpose of amendment.

EVERY MAN MUST EXAMINE HIMSELF; NO ONE IS FREE OF SIN.

Beloved children, it pains Me to see humankind suffer; I intercede in your favor, but what can a Mother do if man continues in this accelerated race towards evil and does not want to change?

My beloved, the roar of combat is closer to humanity, and the unsuspecting man will be taken unexpectedly at dawn.

Pray, My children, for the United States; it will suffer at the hands of terrorism and Nature.

The hatred in the hearts of men comes exclusively from evil, which has hardened the human feelings with its poison in order to turn men into executors of the wickedness of the same demons.

Pray, My children, for Israel; it will cry.

Man's suffering will intensify as the earth shudders; you'll see Peoples fall down.

Pray, My children, pray for Japan and for Chile.

My children, lying progresses at a rapid pace, do not get distracted. You can envision the fight between the bear and the eagle, as well as the laments of those who were fed by the eagle who will be betrayed and brought down.

Pray, My children, the Yellowstone volcano threatens humankind.

I CALL YOU TO REMAIN IN PRAYER, NOURISHED—WITH THE PROPER PREPARATION—WITH THE BODY AND THE BLOOD OF MY SON.

Beloved children of My Immaculate Heart,

Stay away from worldliness. Evil creates new forms of attacks, especially against the youth, to destroy them. Stay away from all that is mundane and sinful, because you cannot see evil as it hides in what is the most harmless.

My children, be obedient because this Mother wants to keep you in My Heart.

The instants vanish from the lives of men just as the instants of tribulation come close to humankind.

I BLESS YOU OPENING MY HEART FOR ALL TO COME IN AWAY FROM EVIL AND TAKE REFUGE.

Children,

Evil will purify men, but it will not prevail. My Son returns in His Second Coming, in Glory, Power, and Majesty. I remain continuously with My children since the sun illuminates the earth until evening.

I bless you, My children. I bless you with My Love; I bless you with My Heart.

INSTRUMENT'S COMMENTS

Brothers/Sisters,

The Apparition of the Mother in Fatima was the great opportunity for all of mankind, because She came for all men to prevent them from heading towards a terrible hecatomb...

All human beings should know what our Mother asks for in Fatima: An announcement regarding what man should do so as not to live the consequence of his disobedience. The Mother's request has not been fulfilled; they have varnished what has not been fulfilled. In Fatima—Apparition approved by the Church—the Mother says, in Sister Lucia's words:

[“What Our Lady wants is for the Pope and all the bishops of the world to consecrate Russia to Her Immaculate Heart on a special day. If this is done, She will convert Russia and there will be peace; otherwise, the mistakes of Russia (communism) will spread to all the countries of the world.”] p. 221

I refer to this message because it intimately concerns what we are already living and which, in the Divine Mercy, might be reduced.

Let’s pray with the words the Angel of Peace told Lucia, Francisco, and Jacinta to repeat with him three times:

“My God, I believe, I adore, I hope, and I love You.

I ask pardon for those who do not believe, do not adore, do not hope, and do not love You.”

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
IN SAN JUAN, PUERTO RICO
17 MAY 2015**

Beloved children of My Immaculate Heart, I bless you.

**I REMAIN HERE AS THE ARK OF SALVATION TO DELIVER YOU FROM EVIL
AT THESE INSTANTS WHEN MAN’S ENEMY IS SHOWING HIM THE WIDE ROAD FOR MAN TO
TRAVERSE IN THE HUMAN FREEDOM THAT HAS BEEN CONTAMINATED BY CONSTANT SIN.**

You, My Son’s People, beloved of My Heart,

Come to Me, get on this Ark of Salvation so you won’t be lost...

I keep you sheltered from instant to instant, I do not move away from you...

I, as the Mother of Love, take you in My Arms, each one of you as if you were the first one to Me...

Most beloved children,

Humankind is convulsed; satan seizes men more easily when they allow themselves to be seduced by deception, by the easy roads of sin, and when men allow themselves to choose the path that does not lead them to comply with My Son’s Norms.

Remain attentive, My beloved; the schism in My Son’s Church is near. There will be confusion, people will not know what road to choose; they will think that it is all over and

done with; but this sign will be the Great Sign that My Son will allow in view of humankind's disobedience.

Children of My Immaculate Heart,

Do not wait one more instant, because at this instant you already are in the Great Purification.

My Son needs a solid People, a People of immovable Faith, a People of infinite trust, a People of love, a People of brotherhood, so the dragon that has awakened will not feed on those who are Faithful.

Most beloved children,

Gird up your loins with My Son's Love, and do not allow those who come close to you with bad intentions to make you fall and stay in the mud. "Do not throw your pearls before swine,"²² but do not keep to yourselves the knowledge that My Son has allowed to reach each of you. Be merciful, do not keep to yourselves the precious Treasure, share it with your brothers, kindle the Faith of those who remain asleep, and remove the blindfold from those who live sinning all the time as if they were blind.

Lift up your eyes on high, do not despise the signs of the times because they will look at you more often warning you about My Son's Second Coming, warning you so you will convert. Each instant is an opportunity for man to convert because no matter you close you think you are to My Son and on His Path, temptation can lead you to waver when you least expect it.

Children, you anoint My Heart with the balsam of your love for the Almighty, but My Maternal Heart bleeds and It is sore because not all My children love My Son, not all listen to His Word; some despise it so much that they continually throw it in the trash, like those pagans who adored false gods and indulged in all kinds of insults to the Holy Trinity

You, My children, Apostles of the end times,

PRAY CONTINUOUSLY AND, AFTER YOU PRAY, PUT THAT PRAYER INTO PRACTICE BY BEING THE LAMP THAT LIGHTS THE PATH OF YOUR BROTHERS.

Beloved children of My Immaculate Heart,

My Son's Will is not fulfilled in you. The unrestrained world carries a great responsibility for humankind which has been trapped by sin that leads man to the antichrist and his followers.

²² Matthew 7:6 Revised Standard Version Catholic Edition

My children who remain in the constant struggle to fulfill My Son's Will, do not waste even an instant because the enemy of the soul does not waste any time. We know that evil keeps you in a constant trial from which you will emerge victorious as long as you remain in My Son's Will.

DO NOT BE AFRAID. I KEEP LOOKING AT YOU, PROTECTING YOU, AND HELPING YOU SO YOU WILL OVERCOME THE TRIALS.

My Son's People have never been abandoned and neither has My Son ever ignored the prayers of His People as long as these come from deep in the heart.

I invite you to pray, My children; I invite you to pray for Japan. It will suffer once again, the ground will tremble.

I invite you, My children, to pray for this Land of Puerto Rico so all the children in this land will recognize My Presence and will not despise Me, and thus the coming events may be diminished.

Pray, My children, pray tirelessly for Perú. It will tremble strongly.

Beloved children of My Immaculate Heart,

The dragon has awakened and it pounces on those who are Mine to kill them; but My Son's Path is of Salvation and Eternal Life: You will not perish. The body is corruptible but the soul, the soul remains eternally.

My beloved, pay attention to communism, (5) in instants it will rise against humankind and the Third World War will formally begin.

The Hierarchy of My Son's Church has rejected My Call that was stopping the dire consequences for this generation which I Love infinitely. The suffering is near and the prayers of My faithful children reach the Throne of the Holy Trinity giving birth to those who can still be rescued.

DO NOT BE LUKEWARM. CHILDREN, DECIDE IN FAVOR OF THE PATH TO CONVERSION, DECIDE TO BELONG TO CHRIST!

My Son suffered for everyone and His Mercy is before everyone so they will not perish in the eternal fire; and I, as Ark of the New Covenant, do not close My Womb, I keep it open to cradle all My children in it. Do not wait until the last instant, because at the last instant it may be too late since you may not be able to repent of your sins.

Time is not time. Time gets shorter from instant to instant and I, as Mother of Love, beg you not to wait any more, I beg you to move away from all that means sin NOW!

COME TO ME. COME TO MY IMMACULATE HEART AND I WILL TAKE YOU BY THE HAND AND WILL PRESENT YOU BEFORE MY SON. I WILL PROTECT YOU, I WILL MAKE YOU INVISIBLE WITH MY MANTLE BEFORE THE EYES OF THOSE WHO PERSECUTE YOU; BUT YOU MUST FULFILL ONE CONDITION: LOVE MY SON IN SPIRIT AND TRUTH.

Do not forget that this Mother embraced you at the foot of the Cross of Glory and Majesty. Do not reject My Calls because when you find yourselves confused and persecuted... even at those instants, if you clamor, I will come to you; but you must seek conversion right this instant and no other. Repent, children, so you can enjoy Heaven in advance, even in the middle of the Great Tribulation.

My Blessing remains in you; do not discard it, do not despise it; come to Me, children, come, as Mother I wait for you. My Heart beats speedily when you look at Me, but it bleeds when you move away from Me once again. I Love you, My children.

Do not forget to pray the Holy Rosary and love My Son in the Most Holy Sacrament of the Altar. Be aware of the One you are receiving when you receive Him. Hasten acquiring knowledge so you will not be deceived by those who will continually place traps for you to make you fall in satan's nets.

A signal will come from above and humanity will know that My Son is alerting them.

May My blessing for all my children be a weapon of Faith and security so you will not be afraid and will not stagger. I will remain with you every instant until together we deliver the Earth to My Son.

My Blessing be in you: In the name of the Father, and of the Son, and of the Holy Spirit.

INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother allowed me a vision during the message.

She showed Herself with Her Womb open and said, “Daughter, I wish for all My children to come into this Womb of Salvation to protect them.

I saw some creatures go into that Immaculate Womb, I saw them in gestation and growing with the Mother’s instruction.

She tells me, “Here in My Womb all can come in to grow speedily because the instant is not instant, time stopped being time, time has sped up, the day is shorter and I need My children to grow up fast.”

The Mother continues to tell me, “In My Womb the Apostles of the end times are gestated under My instruction so they will not be deceived. Nevertheless, they must grow by themselves in the knowledge of all My Son has stipulated as the Norm for life and requisite for the possession of the true Knowledge by His children.”

Our Mother told me, “When a child of Mine enters My Womb he grows; when he rejects Me, My Heart Bleeds to know that he will fall prey to evil.”

Brothers,

Let’s enter into the Ark of Salvation that is being offered to us by our Mother that we may grow speedily, because the instant is not instant. Let us not reject the Calls; let us not seek darkness where the Sun is shining.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
20 MAY 2015**

My most beloved children,

I LOVE YOU AND I BLESS YOU.

My children, at the instant when you read this My Word with humble and contrite heart and truly sorry for your misdeeds, your Sacramentals will be blessed by My Love.

During My time on Earth, I called My Disciples to be testimonials of My works and acts, and so they would come to live in My Father’s Will. All of them had the same opportunity; some

were attentive sooner, not only to learn, but also to put into practice each one of My Instructions with their peers.

MY LIVING WAS A CONTINUOUS WORKING AND ACTING SO I WOULD BE MY OWN TESTIMONIAL FOR ALL GENERATIONS.

My Disciples started writing—first in their hearts filling them with My Teachings—everything they saw and learned in the day to day life, and they were testimonials of each one of My Words, but especially of My Deeds.

IN THE HOLY SCRIPTURES, MY FAITHFUL PEOPLE CAN FIND AN ANSWER TO LEADING A LIFE CLOSELY KNIT TO MY FATHER’S WILL.

It is not a secret for any of My children that My Father acted with His Justice when sin surpassed and overflowed the Cup of Mercy. I acted with Divine Justice on several occasions thus emphatically leaving the Great Teaching that I am not only Mercy but also Divine Justice as the Just Judge. This generation has continually tested My Justice, which I have not yet completely poured due to My Mother’s intercession as She clamors for you, My children.

The demons remain tirelessly over humankind because they do not sleep like human beings; they only feed on man’s sins and, since this generation continuously fall into sin, the demons multiply incessantly. I have allowed some of My faithful instruments to see how, through sin, demons multiply at high speed. If each one of you reading this My Word could see how many demons are over humankind, you would tremble in fear and in terror.

Man is the one who multiplies sin ...

Man is the one who manages to invent new ways to sin...

Man is the one who offends Me instant to instant even knowing that you are **ALREADY** in the Great Tribulation, and even though they are watching and experiencing Nature’s awakening against humankind, even then they don't stop sinning, and they remain totally unaware of how sin affects them and how sin feeds the demons that seize myriads of souls.

My beloved People,

You offend Me so much! ... And you offend Me so much when you deny My Justice by seeking cover under My Infinite Mercy! My Infinite Mercy with which I forgive the greatest of sinners if he comes to Me truly repentant and with a firm and complete purpose of amendment. But I don’t see the repentance or the purpose of amendment; these don’t reach Me in the majority of those who come to confess their sins. They offend Me even more with their lies because I know the intentions, the objectives of each one of you.

My children,

I call those sinners that, without any mercy towards Me, continue to sin, even knowing that they are committing an abomination against Me. Besides the mortal sins, be aware of the existence of venial sins that separate you from Me, and the human creature must not get used to them because they weaken the human will and deprive you of many graces necessary to persevere and not to fall in mortal sin.

The free will in control of the heart leads the creatures to commit sin, and this carries a lot of weight on the scales of My Justice when sinning becomes a habit. There are so many of My children that live continuously tormented by the sins they commit, and yet they do not repent!

Woe to those who do not heed My Calls to conversion!

Woe to those who do not see that the Earth receives men's sins!

It is the Earth that receives the blood of My martyrs cruelly assassinated. It is the Earth that receives man's vexations, and it is Earth that clamors to Me JUSTICE! And I have allowed Nature to react against sin in order for humankind to wake up.

My People,

I AM THE JUST JUDGE; OTHERWISE, I WOULD BE AN IMPERFECT GOD BECAUSE I WOULD AGREE WITH LICENTIOUSNESS AND DEBAUCHERY.

My beloved,

HUMANLY, THE GREAT TRIBULATION WILL INCREASE FROM DAY TO DAY, BECAUSE FOR YOU THE TIME IN MY WILL HAS STOPPED BEING TIME, AND YOU LIVE BY INSTANTS; otherwise, the pain that you would have to endure, due to so much irreverence towards My House and My Mother, would be even greater.

I see some who call themselves "My children" and claim to practice My Commandments and say they are Christians; I watch them act with sword in hand against the Word through which I explain Myself to this generation by means of My instruments...

THEY DENY THE DIVINE POWER AND THE DIVINE RIGHT TO TRANSMIT MY WORD TO MY CHILDREN in their same language so they will understand Me more easily.

THEY DENY MY JUSTICE WHEN MAN—BY HIS OWN HUMAN WILL—HAS ATTRACTED TOWARD HIM THE PURIFICATION that in My Will I expected, but in light of so much sinning and the clamor of the same man for his constant irreverence, The Purification has hastened taking long strides and has made room for itself in the midst of humankind.

Which man is so perfect?

Who lives in My Father's Will?

Who complies fully with My Father's Will so as to be able to tell Me when and how I should address My People? Reprehensible before Me is the man that believing to be worthy of dictating orders to Me, does so in public in front of his brothers.

HYPOCRITE THE ONE WHO SAYS HE DOES NOT SIN! ...

HYPOCRITE THE ONE WHO JUDGES HIS BROTHERS! ...

HYPOCRITE THE ONE WHO RECEIVES ME IN MY BODY AND MY BLOOD, AND IN HIS CONSCIENCE HE KNOWS THAT HIS GAZE, HIS EAR, AND HIS WORD ARE NOT CLEAN! They have not yet understood that with a malicious look by allowing the thoughts to fly far away from Me, they have already sinned.

HYPOCRITE THE ONE WHO SAYS HE DOES NOT SIN! I will measure his works and acts when he finds himself in front of Me.

For just one more righteous man, for just one more righteous man before Me... how much suffering would have been avoided!

At this instant, man is the sinner of sinners and boasts a superior intelligence given by Me, but he uses it for evil. Those who rule humankind and their destiny through orders and the god money will be betrayed by their brothers and will be harshly punished by Me.

My People, My faithful People are deceived. Weapons of war are taken from town to town without My children knowing about it. At this instant the Nations with greater power are supplying small countries with all kinds of weaponry, even nuclear weapons, because they know that in instants the Third World War will be detonated.

Ignorant is he who does not recognize that, at this instant, rage controls men; otherwise, you would not see so many senseless executions every day; you would not see the daily aggression towards the innocent, and you would not see everyday the innocent act like savages as a result of their daily dedication to the technology created to instruct them in total violence.

I HAVE CALLED AND CALLED HUMANKIND TO GET AWAY FROM THE MISUSED TECHNOLOGY, AND NOT EVEN MY FAITHFUL—OR THOSE WHO CALL THEMSELVES MY FAITHFUL—ARE OBEDIENT TO MY CALLS.

Violence, rage, and disobedience are present in each human creature, and only those who fight against the current of the world, only those who love Me and strive to continue united to Me are the ones who resist the temptation of the misused technology.

How they feed the industries created to defeat the righteous acts of man!...
How they feed, exalt, and enlarge with money the industries created to be receptors of capital to raise the antichrist against you!

Anything that harms man has the sole purpose of sustaining the appearance in public of the antichrist and his performance against My People.

REASON THIS OUT: I NO LONGER CALL YOU WITH MY HEART; I CALL YOU WITH MY JUSTICE...

REASON THIS OUT: If you call yourselves My children and true Christians, then you cannot fuel the rise of the antichrist, you are not true if you continue to sicken the body with all the food that has been contaminated in order to annihilate My People...

REASON THIS OUT: You cannot call yourselves My children if you devour each other...

REASON THIS OUT: You cannot call yourselves My children if you allow misused technology to saturate your minds with violence and rage so that at this instant you approve and watch with indifference the mass executions of your innocent brothers who confess their faith in Me.

You devour one another but do not raise your voice to fight injustice, to combat your brothers' hunger. Could these be My true children and My true People? NO!

My beloved People,

Remain attentive, do not waste an instant, not even an instant of your lives on those who pounce like vultures upon you, driven by the devil to detain your correct advance towards the Eternal Life.

The Earth moans because of man's wickedness and at this instant, as it moans, it allows the pain it keeps in its entrails to come out through the volcanoes all over the world.

Pray, My children, for Italy. It will suffer at the hands of Nature. The Etna volcano will wreak havoc; and terrorism—already inside this beloved land of Mine—will smile when men shed tears as they see and experience firsthand the wickedness of those who act dominated by satan.

So many of My children have turned to terrorism and have asked Me to get out of their lives, have blasphemed, and have accepted satan as their lord!... How My House laments!

My beloved People,

As if it were hollow, the Earth will continue to open in several parts of the world, wishing to renew itself; it will take to its depths what you now see as surface.

Pray, My children, pray for those who will suffer in Perú because of the force of Nature.

Pray for Chile; the volcanoes will continue to flagellate it, and the land will tremble strongly. My children, walk towards the place where My Mother appeared and left Her Word and Her Heart.

My beloved People,

The plague continues to advance and will reach the large cities at the instants when you will face the evil deeds of these men. When this happens, go to My Mother so She will heal you.

**DO NOT WAIT UNTIL THE LAST INSTANT TO CLAMOR FOR MERCY...
CONVERT NOW! BECAUSE TIME IS NOT TIME.**

My beloved People,

My Church will be severely shaken, but My Law is written so you will not be confused. My children are not confused because they know My Word and they do not permit being misled by the imperious wishes of the Freemasonry struggling to destroy My Mystical Body.

My most beloved People,

If necessary, I will come to free the captives if they are faithful to Me. My Mother... My Mother will come to bring My People their Aide. I never abandon those who are Mine, and I will not do it in so shocking instants such as these that are starting and that are ALREADY part of the Great Purification.

FROM MY HOUSE I WILL SEND MY SHELTER TO MY PEOPLE SO HE WILL REMIND YOU THAT I AM GOD AND I DO NOT ABANDON THOSE WHO ARE MINE, so My Word will be strengthened and will resonate in the hearts of My faithful People so they will not be afraid. He will make his appearance after the public manifestation of the antichrist so you, My faithful People, will not be confused.

Pray, My children, for Jamaica; it will suffer.

Pray, My children, for the United States; the oppression against My children will be experienced by the innocent, and the United States will be shaken and battered by terrorism.

Man acts against My Creation, taints My Creation; and My infinite Mercy acts together with My Justice.

**I LOVE YOU AS YOUR LORD AND YOUR GOD, AND YOU RESPOND TO MY HOUSE
WITH IRREVERENCE, ABOMINATION, DESECRATION, SIN AND MORE SIN,
LIBEL, SLANDER, AND DEATH...**

Woe to those who touch and pervert some of My innocent!

My beloved People,

Why are you afraid of My Mother's announcements? Fear the one who does not live in My Will and lives acting against My Will or does not love his neighbor.

Such despair because of the Warning! It is near; and in the Warning each one will have to face his own conscience!

**REPENT NOW!... AND DO NOT BE AFRAID.
CONVERT NOW!... AND DO NOT BE AFRAID.
ACT AND WORK RIGHTIOUSLY!... AND DO NOT BE AFRAID.**

My beloved People,

My Executorial Angels are already in the North, in the South, in the East, and in the West; and you do not react, and you remain mired in total irreverence for My House and My Mother!

My Mother will continue to bring My Word around the world, and the signs in the sky will continue announcing to you that My Second Coming is near.

My beloved People,

**UNITE IN MY HEART AND IN MY MOTHER'S; BE ONE BECAUSE ONLY TRUE UNITY
WILL PREVENT THE DEVIL FROM CAUSING FISSURES AND
CRACKS BETWEEN THOSE WHO ARE MINE.**

I will continue speaking to you, to My Faithful, to those who wish to remain attentive, to those who wish to keep their lamps lit so I will not find them asleep.

**WALK STRENGTHENED BY MY WORD AND HAVING A SOLID FAITH BECAUSE I, YOUR LORD
AND YOUR GOD, WILL NOT ABANDON YOU.**

I bless you with My Love so you will strive and get to live in My Will.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Let us invoke the Holy Spirit to internalize and assimilate this Divine Word so it will bear fruit for Eternal Life.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
23 MAY 2015**

Most beloved children:

MY WILL REMAINS IN FRONT OF MY PEOPLE LIKE THE SUN KEEPS SHINING AND GIVING LIFE.

My most beloved People:

You must live working and acting in My Will; this means being repeaters of My works and My acts, as you put My Word into practice in your daily living like the faithful children of this your King and Lord that you are.

**WHEN MY CHILDREN LIVE IN MY WILL THEY BECOME PARTICIPANTS IN THE GOODS FROM MY
HOUSE:**

When they obey My Law and abide by the Sacraments...
When they love their neighbors as they love themselves...

When charity goes in front...

When hope is transmitted to their brothers...

When faith does not waver but only pauses to breathe in order to continue encouraging those who lose their courage...

When My children pray for their brothers and intercede before Me in their favor...

But at the same time...

WHEN MY PEOPLE ARE PEOPLE OF ACTION AND PUT MY WORD INTO PRACTICE, THOSE PEOPLE FILL ME WITH JOY AND DRAW ME TO THEM.

My People must pray; but they must not only find consolation in prayer, they must also come, worthily prepared, to receive Me in My Body and in My Blood; worthily prepared, not like the Pharisees, not like the hypocrites that arrive in My temples to receive Me in order for their brothers to see them, while their hearts are filled with hatred and rancor towards their brothers.

HE WHO IS NOT IN GOOD TERMS WITH HIS BROTHER MUST NOT APPROACH MY TABLE UNTIL HE HAS RECONCILED WITH HIS BROTHER.

My beloved People:

YOU STILL DO NOT UNDERSTAND THAT THIS INSTANT YOU ARE LIVING IS DECISIVE, and that you must not approach Me only to save yourselves: I will ask you about and I will weigh in My Scale the deeds that you have done while you were partaking of My Goods.

You who know Me, you who know all that will happen to this generation, you must not keep it to yourselves. **YOU MUST SHARE WHAT YOU KNOW WITH YOUR BROTHERS SO THEY WILL BE SAVED AND WILL REACH FULL KNOWLEDGE OF THE TRUTH.**

False doctrines come to humanity and that is why My People must be a People who know My Law and know Me in depth, and know My Word so as not to be deceived.

Bend your knees and pray, My children; but bend your knees for your brothers so you'll be testimonials, not just of the word you preach, but also real testimonials through your acts and deeds.

It is easy for man to say words... but the heart... Is the heart hardened or is it a heart of flesh? Each one of you must answer that, because if man loves only himself, he is well away from being My joy and from doing My Will.

MAN MUST LOVE HIMSELF, BUT HE MUST LOVE HIS NEIGHBOR TO LEAD HIM TO ETERNAL SALVATION. My Word is for everyone just like the sun is for everyone and its rays shine all over the Earth without any distinctions. So is My Love: It overflows from My Heart towards all human

beings, because they are all My children, I Redeemed them all.

Painfully I see some of My creatures move away from Me, and I see how they are taken by the enemy of the souls, they are tied with heavy chains to prevent them from leaving evil and from not letting demons graft them with all possible sins; later the demons remove the chains because they know that these creatures are already creatures of darkness.

MY BELOVED PEOPLE, YOU WILL BE PERSECUTED THE WAY I WAS PERSECUTED AND THE WAY MY DISCIPLES WERE PERSECUTED. APOSTLES OF THE END TIMES, THIS IS WHY I CALL YOU:

To listen to My Word and keep obeying My Law...

To love Me and be nourished by the Sacraments, the Beatitudes, the Works of Mercy...

To love My Most Holy Mother and allow Her to guide you...

And to love your brothers so they too will be saved.

A CHRISTIAN IS NOT A SELFISH MAN; A CHRISTIAN IS A HUMAN CREATURE FILLED WITH LOVE FOR HIS PEERS, ONE WHO KNOWS THAT IN ORDER TO BELONG TO MY PEOPLE HE MUST LOVE ME ABOVE ALL ELSE AND MUST LOVE HIS PEERS.

My Church, My Mystical Body will be more persecuted, and this will generalize; but even though you are aware of what is happening all around the world, even though you are looking at your brothers' calamities, you doubt; you don't even believe that, because of its wickedness, this generation must be purified.

DEAF AND BLIND ARE THOSE WHO SEE AND FIND THAT ALL IS WELL, AND THEY EXCUSE THEMSELVES BY SAYING THAT THIS GENERATION IS PROGRESSIVE AND ADVANCED.

POOR CREATURES! THEY DON'T SEE EVIL ANYWHERE BECAUSE THEY ARE EMPTY OF ME.

My People have been corrupted ad nauseum... and they will be corrupted even more, without limits! This is why everything that My Mother has revealed is advancing faster towards man.

Beloved People, remain attentive, remain in a continuous state of alertness. You must remain sure of Me.

My most beloved People, what has remained hidden from My People will be revealed. You know that you are My children and that I love you Infinitely.

My beloved People,

I ask you to pray strongly for the United States; its name will be repeated, heard, and written all over the world. Nature approaches in view of the disobedience of these People towards My Law,

and suffering will be taken to this land I love by the hands of men.

The volcanoes will continue to be activated one after the other, and the most feared ones will announce to man that they will soon erupt.

Pray for Italy, it will suffer and the cry of its inhabitants will be heard.

My Church must be a Church of love and mercy, but at the same time it must be guided by a Hierarchy that requires everyone to comply with My Law.

The Beatitudes are unknown for so many, because men no longer practice them at any instant of their lives.

My beloved People:

AT THESE INSTANTS YOU ASK ME TO TREAT YOU WITH ALL MY MERCY, WITHOUT LOOKING BACK OR TO THE PRESENT. MEN ARE NOT AWARE THAT THEIR WHOLE LIVES HAVE PASSED UNDER MY MERCY.

What would become of man if My Mercy did not constantly reach:

Those who suffer persecution at this instant?

Those who are martyred for not denying their faith in Me?

Those who suffer at the hands of Nature?

Those who give their lives for you to set an example of true living in My Will, loving Me until the last instant? These brothers of yours must be testimonials; they must not be regarded with indifference—regret for an instant and then forget about them.

My People remain quiet when their brothers are persecuted with all the wickedness possible. I protect you, but it is your duty as brothers to bring prayer and action to your peers. You must not allow your brothers to suffer alone, without My Church's shelter.

When I was led to be crucified they booed Me, they spit at Me, and I offered everything for each one of you... and at this instant your brothers that are crucified and beheaded, raped and abused, they offer that suffering for you.

My beloved People:

How comfortable is the life of one who has everything he needs! But he who has everything forgets so quickly that whatever he gives to Me will never be enough.

Pray, My children, pray constantly for Japan, do not neglect Japan in your prayers.

My beloved People:

Pray asking My Holy Spirit to descend and to abundantly grant His Gifts and Graces upon those who deserve them.

TAKE FULL ADVANTAGE OF THIS NEW PENTECOST SO YOU'LL BE THE INSTRUMENTS THAT WILL ALERT MY PEOPLE WHO ARE STILL ASLEEP.

YOU BE THE VOICE THAT CRIES IN THE WILDERNESS OF THE HUMAN WILL SO THEY LISTEN AND REMOVE THE BANDAGE FROM THEIR EYES.

My children,

YOU ARE ALREADY LIVING THE GREAT PURIFICATION. DO NOT THINK THAT YOU ARE EXONERATED FROM IT BECAUSE YOU ARE NOT SUFFERING. THE HUMAN RACE WILL BE PURIFIED FROM NATION TO NATION.

I come close and My People must be purified so they can receive Me with dignity; and before I arrive, the antichrist will come before you, with all the human power, to confuse My People with false miracles; and since My People do not know Me, they will be confused. This explains MY INSISTENCE ON DELVING IN KNOWLEDGE, ON NOT REMAINING ASLEEP, ON WAKING UP **NOW**, ON YOUR RAISING YOUR VOICES AND LOVINGLY HELPING ONE ANOTHER.

My beloved People:

You will suffer and, in the middle of your suffering, you will see Me in the help from your brothers, in the way your brothers will shelter you, in My Divine Providence that will not leave you; but you must give Me in return for My Goodness.

DIFFICULT TRIALS ARE NEAR, MY CHILDREN. You know about them, but you must prepare yourselves because man is never well prepared to face the instant of trial. Regardless of how much you know about what is coming, you are not prepared for the instant.

Even if you know about the coming events..., you are not prepared for the instant. This is why I call you to know My Word, to know all the technology through which the great powers will enslave My People by order of the antichrist.

MY PEOPLE ARE HUMBLE, MY PEOPLE ARE CHARITABLE, MY PEOPLE ARE FAITHFUL, MY PEOPLE DO NOT KNOW PRIDE (HUBRIS), BUT MY PEOPLE MUST BE A LEARNED PEOPLE, MY PEOPLE MUST NOT BE IGNORANT OF MY WORD OR OF THE EVENTS AROUND THEM, because in every

event and every act by the leaders of the world powers the mark of the beast can be found.

Human interest exceeds the goodwill that the rulers might have towards their peoples. All the peoples have been subjugated by the hand of evil. Those who in the middle of their suffering remain faithful to Me are few, and they are and will be persecuted by the followers of the antichrist. Evil knows no limits. Evil will get to hurt My People not with a spear but with the Herod of this generation: Nuclear energy.

My beloved People:

ONE IS MY LAW...

**ONE IS MY WORD. WHEN MY WORD IS SUBJECT TO DETRACTIONS,
IT DOES NOT BELONG TO MY DIVINE WILL.**

MY WILL IS THAT MY CHILDREN LIVE CORRECTLY, RIGHTEOUSLY.

MY WILL IS THAT MY CHILDREN ENJOY HEAVEN IN ADVANCE, but this instant has been taken by satan and his followers. They have pounced on all of humankind and they take by surprise those who remain lukewarm, those who rebel, those who remain away from Me, those who are selfish, those who libel their brothers, those who slander their brothers, those who constantly criticize their brothers.

These seem to be minor sins but at this instant they are not because they are part of the weakness of man and satan uses these small sins to make them grow to the extreme, he uses these sins to turn them into the fall of those who commit them.

My children:

**YOU MUST NOT ALLOW ANY ACT, ANY DEED OUTSIDE MY WILL
BECAUSE THIS MEANS FALLING IN THE HANDS OF EVIL.**

**I REMAIN BEFORE YOU, MY MOTHER REMAINS BEFORE YOU, BUT YOU WITH YOUR FREE WILL,
WITH YOUR HUMAN WILL, MUST DECIDE NOW TO LIVE IN MY WILL AND ENJOY MY LOVE AND
MY PROTECTION.**

I love you infinitely. You are My children, My People. Love one another as brothers that you are, children of the same Father. Help one another; close ranks in My Name shielding one another, shelter one another so that evil cannot penetrate My People.

My Legions remain upon mankind and when a town suffers, you must help them as much as possible, because the instant will come when it won't be possible for a town to help another town.

My children:

**LOOK AT THE DOME OF HEAVEN; MY SIGNALS ARE NOT DELAYED
SO YOU WILL WAKE UP PROMPTLY.
PREPARE YOURSELVES! EXAMINE YOURSELVES! BEFORE YOU ACTUALLY HAVE TO DO IT.**

I bless each one who embraces this My Word with love, I bless your walking, I bless your kin, and I protect you and seal you with My Most Precious Blood.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters:

Our Lord speaks to us with the Truth, that one that cannot be hidden from His People so they will get spiritually ready.

Since the Old Testament, God's People walk along the path of trials, captivity, and more. But it is true that God does not hide His Face from His faithful, and He will not do it at this instant.

Let us remember the forty days that Jesus spent in the desert. It was a long time, of trials, facing the devil, and Jesus overcame so we will be sure that in Him we can do all things, because no one who converts has a quiet life of conversion; instead, in many cases—not to say in the majority of the cases—his own family is his own executioner.

It is a fact that the acceleration in which this society lives does not allow man to resume his life to share with those around him.

The material world has gained ground: At this instant atheism, hunger, and violence are society's cancer, cancer that man will not be able to remove unless man converts.

It is a long trek, and it is also true that the more you walk, the more everything recrudesces.

We will see betrayal among Nations. Rage will increase and this is a bitter pill for us; Heaven has warned man of all that will happen, but the blind eyes do not wish to see, the deaf ears do not wish to hear. This is why we advance begging Christ and our Mother to sustain us.

What we see is just a slight brushwork of what is on the way to a rebellious humanity, it multiplies what is happening, and like a rebound it achieves a multiplying effect on the wickedness in the world.

All that is happening right now are small samples or WARNINGS of what is to come later...

Evil will be seen in its maximum splendor but **GOD'S HAND WILL SUSTAIN HIS FAITHFUL EVERY INSTANT SO THE TRIALS WON'T HALT THE PROGRESS OF HIS PEOPLE.**

AND LET'S NOT FORGET THAT OUR JUDGEMENT IS BENEVOLENT. THIS IS WHY CHRIST COMES TO JUDGE HIS PEOPLE TO BE RIGHTEOUS. LET'S NOT FORGET THAT WE ALL COME FROM THE DIVINE LOVE AND THAT LOVE MUST REVIVE WITHIN US.

[\[1\]](#) Isaiah 40:3 Revised Standard Version Catholic Edition

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
27 MAY 2015**

Beloved children of My Immaculate Heart,

DO NOT FEAR, I AM HERE: I, WHO AM YOUR MOTHER.

My Mantle is protection for My children...

My Mantle is understanding for My children...

My Mantle is Truth for My children...

The stars that hang from My Mantle illuminate the path of those who find themselves lost, so that they may retake the path to Eternal Salvation.

WITHOUT THE LAW IN YOU, YOU WILL NOT ACHIEVE SALVATION, YOU MUST BE LOYAL TO THE LAW OF THE LORD, COMPLIANT WITH EVERY ONE OF HIS COMMANDMENTS, SO THAT THE HOLY SPIRIT MAY GUIDE YOU TO LIVE IN DIVINE WILL.

Too many children are the ones who, at this instant, find themselves lost, swayed by false ideologies and by false doctrines that promise to take them to live a great spirituality.

Beloved children, understand that only My Son gives Himself to you in His Body, Blood, and Divinity in the Eucharist. This is the hidden Treasure, which you must receive daily so that Faith may be strengthened, but you must live instant by instant this Communion, doing so with your

brothers; being love itself, copies of the same Divine Love from My Son; being charity, being a beacon for those who find themselves lost.

Most beloved children of My Immaculate Heart,

You wish to live Heaven in advance, and this you will achieve through living, with full conscience, the Sacrament of the Eucharist, and extending it throughout all your life, so that My Son may give Himself through you, to your brothers.

YOU MUST BE COMPLIANT WITH THE DIVINE WILL SO THAT CREATION WILL NOT LOOK AT YOU WITH INDIFFERENCE. At this instant, My children, sin is abundant, overly abundant, it does not rest, it does not sleep, it remains constantly alert, seeking to trap within its evil webbing those who plunge into the darkness and who are not compliant with the Commandments.

I offer you the Holy Rosary so that you may meditate upon it, not so that you may pray it lightly, mechanically, without realizing that through meditating the Mysteries of the Holy Rosary, you accompany all of My Son's Life on Earth.

My most beloved children,

NATURE, AS A CREATION OF THE FATHER, DOES NOT CEASE TO WARN YOU, AND BECAUSE OF THIS, EACH INSTANT, AND WITH INCREASING FREQUENCY, HUMANITY UNDERGOES NATURE'S BATTERINGS.

Creation remains within the Divine Will, and wishes to bring mankind closer to complying with that Will, instead of just being an inert spectator. Mankind will continue to suffer, since Earth continues to shake with increasing force as so much innocent blood is spilled over it.

THE PERSECUTION OF ALL CHRISTIANS WILL INCREASE BECAUSE SATAN FEARS MY SON, AND THUS EXTERMINATES THOSE WHO DO NOT SURRENDER THEIR FAITH.

You are not alone, My children, I am an Advocate of each and every one of you, I am Shelter for each of you. I will not abandon My Son's People, I will not abandon any of those I received at the foot of the Cross.

You, My children, **MAINTAIN YOUR HUMILITY**, remember that the most powerful instrument with which satan extends his power over souls is pride and arrogance. "If any one would be first, he must be last of all and servant of all." Unite, do not allow disunion, build that protective wall through which you will find strength and shelter for one another.

Beloved children of My Immaculate Heart,

**Pray for Paraguay, it will suffer greatly, My beloved children of that Nation will suffer.
Pray, My children, for the United States, do not abandon it in your prayers.
Pray, My children, for India, Land of pain for My children, desert Land for My children, where
they have been massacred long before.**

My children,

REMEMBER THAT PRAYER MUST BE TRANSFORMED INTO ASSISTANCE FOR YOUR PEERS:

Bringing My Son's Word...

Letting your brothers know that My Son returns so they won't decline...

Encourage them to continue on the right path...

And share with them that they will enjoy a New Heaven and a New Earth, where peace shall reign, peace which at this instant does not reign on Earth.

Each of you is an ambassador of My Maternal Love, and you must share it not only through the Gift of the Word, but being testimonials of that Word.

My children,

Humanity has always suffered due to Nature, but never as it does at this instant, when all of Creation fuses itself with the wish to save My Son's People and lead them to enjoy Heaven ahead of time; but My Motherly Heart shudders as it sees that My children continue in disobedience and in the spiritual blindness that guides them to seek darkness where Divine Light reigns.

REMEMBER, KEEP IN MIND THAT MY SON DOES NOT ABANDON HIS PEOPLE. THE ASSISTANCE FROM HEAVEN WILL BE SENT BY MY SON AT THE PRECISE MOMENT WHEN YOU SUFFER BEYOND MEASURE.

Beloved children of My Immaculate Heart,

HUMAN STRUCTURES WILL FALL, AND ONLY THE DIVINE WORD WILL REMAIN. Do not trust institutions; do not trust those who lead you to believe that they are humanity's salvation. It is essential that you delve in the knowledge of what you consume and what surrounds you, because not everything that institutions and corporations present to you is what they make it seem, all of that is not designed to help you but, instead, to weaken your organisms and to weaken the mind, so that you will perish with diseases.

My children,

You cannot deny that bleak instants are coming for humanity. You cannot deny that satan's malice is prevailing so that you will fall in the claws of sin and not be able to free yourselves

Here I am, Mother of Divine Love, Mother of all humanity, come to Me.

I TAKE YOU TO MY SON, HURRY, CONVERT, TIME IS NOT TIME, DO NOT STOP TO LOOK AT THOSE WHO WISH YOU TRAP YOU ON THE WAY, SO THAT YOU MAY NOT REACH TOTAL CONVERSION.

Do not stop, do not look to the right or to the left, because satan is astute and wants you to disperse so that you will waste the instant that must be dedicated to grow, to love, and to adore the King of kings and Lord of lords.

MY CHILDREN, I REMAIN WITH YOU, COME TO ME, FOR I AM YOUR MOTHER.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

INSTRUMENT'S COMMENTS

Brothers/Sisters,

The spirit living within us is delighted to hear once more the Word of Our Holy Mother, as we evoke the constant callings of Heaven for a definitive conversion, because we continue living the spirituality to which we are called, in an intermittent manner. I feel the Mother calling us to be better defenders of the Faith.

This is why She calls us not just to know The Commandments, but also to comply with them. Our Mother calls us to receive Her Son in the Eucharist, to receive the Divine Force that invades us and takes us to live these challenges with love, because they are plentiful and of all sorts. We must understand, once and for all, that just like there are myriads of legions of angels sent by Christ, just like that, satan moves demons at his whim to bring about mankind's downfall.

In an earlier message Heaven puts us in great alert, since every act outside of God's Will makes the demons grow even more. This should make us seriously reconsider our works and actions; and when we are about to act with rage or impulsively, we must think of this and say: **I WILL STOP BECAUSE I DO NOT WISH EVIL TO GROW.**

LET US GIVE OUR MOST HOLY MOTHER THE JOY OF HAVING HER CHILDREN ABIDE BY HER PLEAS, FOR THE SAKE OF ALL HUMANITY.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
1 JUNE 2015**

Most beloved children of My Immaculate Heart,

MY HEART RECEIVES ALL MY CHILDREN, ESPECIALLY THOSE WHO ARE TRULY REPENTANT AND WISH TO NULLIFY THE HUMAN WILL WHEN IT IS CONTRARY TO THE DIVINE WILL.

My beloved,

YOU MUST BE SERVANTS OF MY SON, FULFILLING AND LIVING IN HIS WILL.

My Son explains His Word at this instant when humankind lunges at evil and toward everything improper. Sin remains in front of man and man embraces it without hesitating.

Instant to instant My Son is offended and the Gift of Life is despised by humankind. Evil wishes to exterminate man from the face of the Earth, especially the innocent. Evil hates innocence, and man pleases evil.

SIN EXPANDS WITHOUT BORDERS, WITHOUT SOCIAL CLASSES, IT PERMEATES HUMANKIND LIKE THE GREAT MODERNISM IN SOCIETY, and turns this generation into a generation worse than Sodom and Gomorrah.

I WARN YOU WITH MY LOVE BY MEANS OF MY WORD SO YOU WILL SAVE THE SOUL. He who wants to be different from the worldly trend may manage to go against the current with effort and with words that lead him to be not just words but a testimonial of life.

The news you receive is not encouraging. But, how many people believe in what is happening in other countries? Who believes that My children are being persecuted, not only because of the faith but also for the color of the skin? And this will not remain focused on a State; this will expand throughout the world at the instant when the antichrist arrives to rule over the lost humankind and takes over the power that has been reserved for him from time immemorial.

MY SON DOES NOT FORGET YOU. HE KEEPS PROTECTING YOU BEFORE THOSE WHO—OUT OF FEAR—BETRAY NOW AND LATER WILL BETRAY THE FAITH IN A MASSIVE WAY. THESE PEOPLE WILL BETRAY YOU LIKE MY SON WAS BETRAYED.

The persecutions will be plentiful, but I will give you strength. Do not put away the Cross; do not be ashamed of it. I have warned you so much! How they make fun of My loving Word of a Mother who does not want Her children to be lost!

Beloved children, the land will continue to tremble and everyone will suffer some of Nature's fury. Man's discoveries regarding great faults in the land will be corroborated; some they don't know will turn up, and some land still remaining in the seabed will emerge at the sight of My Own.

Beloved children of My Immaculate Heart,

GREAT MYSTERIES WILL BE REVEALED IN ORDER FOR YOU TO INTENSIFY THE FAITH AND THE LOVE FOR THE NEIGHBOR.

Look on high; when the Sun changes color and it looks different to you; when you won't see the moon but only a faint reflection of it; when the water is consumed by the entrails of the Earth, stop and repent, because the instant announced by this Mother is before you.

My children,

PRAY; PRAYER IS INDISPENSABLE...

Come to receive My Son in the Eucharist, adore Him in the Most Holy Sacrament of the Altar, repair in the name of those who offend Him, but do not forget that you, My children, have the duty to live the Holy Scriptures and to know them in depth.

YOU MUST BE DIFFERENT AND NOT EMBRACE THE MODERNISMS THAT LEAD MAN TO FALL IN SIN AND GET MAN CLOSER TO HELL.

I, as humankind's Mother, call you to live the praxis of the Holy Scripture, knowing and practicing the Commandments, loving God above all else and loving your neighbors as yourselves.

THE PRAYER OF THIS INSTANT MUST BE ACCOMPANIED BY THE KNOWLEDGE AND THE PRACTICE OF THAT KNOWLEDGE SO YOU WILL OVERCOME TEMPTATION AND THE PREDATORS OF THE FAITH.

Remain attentive so they won't poison your organism because this will hasten the suffering of the body beyond measure. As soon as science advances for good, there is another science that advances to finish off the majority of My children.

My beloved, at this instant those who have made money a god will not withstand the great fall of the idol and despair will seize them. **YOU, SEEK SHELTER IN ME. DO NOT FORGET TO PRAY THE HOLY ROSARY, BE COMPLIANT WITH THE DIVINE WILL, EACH INSTANT GET CLOSER TO THE HOLY TRINITY. DIVINE PROTECTION REMAINS BEFORE YOU, BUT MY SON CANNOT FIND HEARTS OF FLESH.**

My Son is Love, Mercy, and Salvation, walk towards the cherished goal and fulfill the purpose for which you were created: To be compliant with the Divine Will.

Each step must be taken with Faith, love, determination, hope, and constancy.

Keep the children away from the television set, that giant in the homes steals the innocence and

will culminate its mission when the great interests of the world will have taken for themselves the will of the childhood and will have led them to deny My Son.

**DO NOT BE NEGLIGENT; EVIL PRESENTS ITSELF IIN WHAT YOU THINK IS MOST INNOCENT.
EVIL IS ASTUTE AND MEN WALK ONE BEHIND THE OTHER WITHOUT STOPPING.**

The great countries in and around their capital cities remain highly contaminated; the pestilence of evil does not stop, instead, it gains followers. Morality is no longer moral; at this instant, men dress as women and women dress as men. Are you so blind that you deny this?

Pray, My beloved, for the United States; it will suffer in its heart and its members.

Pray, My beloved, the freemasonry will bring division to My Son's Church.

Pray, My children, for Japan; it will continue to spread pain through atomic energy, scourge of mankind.

Pray, My children; the volcanoes will wreak havoc.

Beloved children of My Immaculate Heart,

**ETERNAL LIFE AWAITS YOU; DO NOT LOSE SALVATION BECAUSE OF SIN.
DELVE INTO THE WAY OF MY SON, BE REPEATERS OF MY SON'S WILL UNTIL PRACTICE LEADS
YOU TO WORK AND ACT IN MY SON'S WILL.**

Get ready, little children; do not sleep while evil works.

I bless you; unite into My Son's Sacred Heart this month when you must approach Him, Fountain of Mercy, with special adoration.

INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother gets us closer to Her Son...

This month She calls us to be creatures of prayer and praxis. We must be testimonials of prayer, as evangelizers of the Divine Word.

Let us remember Christ's Words given to Sister Faustina:

["The soul that trusts in My Mercy will not perish, because all his affairs are Mine. The happiest soul is the one that trusts in My Mercy, because I Myself take care of him."]

Our Mother takes us to be reunited with Our Lord Jesus Christ at instants when humanity succumbs to sin and moves away from Eternal Salvation.

Let us remain on constant alert; may evil not find us asleep; let's be aware of the seriousness of these instants. It is true that Nature has rebelled in every epoch, but never like now at this instant when it is undeniable that chaos is taking possession of humankind.

OUR MOTHER CALLS US TO CONVERT NOW! Let's not wait for any more signs; each instant there are signs more often. Sin awakens Nature. Let's "preach the word, be urgent in season and out of season."[\[1\]](#)

Let's clamor and ask the Sacred Heart of Jesus for those who do not wish to convert so they will be willing to approach and then live in the Divine Will, so that we will walk in one Heart towards Salvation, experiencing "The New Heaven and the New Earth."[\[2\]](#)

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
IN CALIFORNIA, USA
8 JUNE 2015**

Beloved children of My Immaculate Heart,

**EACH HAIL MARY IS A CALL FROM MY CHILDREN TO THIS THEIR MOTHER, A CALL TO WHICH I GO
WITH MY LOVE TO SHELTER, TO EMBRACE, TO GUARD THOSE WHO ALLOW IT.**

Children of My Immaculate Heart, you are living instants when you must walk with The Truth as banner. The lukewarm fall prey to evil to shake My Son's People.

The love for others has been marred by the very hand of man, by the mind of the men who fight tirelessly for competitiveness and superiority before humanity.

Humanity continues its advance in the midst of blindness. When they banish My Son from their lives, they are blind leading the blind. It has been written this way because those who do not have My Son in their hearts will express little or no love for others; neither will they obey the First Commandment.

Beloved children,

LIVE WORKING AND ACTING IN THE DIVINE WILL; ESTABLISH PEACE AND TRUTH, because you must not forget that each instant the Cross gets heavier, as at this instant of great spiritual confusion which spreads throughout the world as evil's purpose to deviate you from the only Truth, My Son.

Children, you are living stormy times when those who live like My Son wants His People to live, will be persecuted to discourage them in view of the tribulations.

My beloved,

AT THIS INSTANT, FOR THE TRUE CHRISTIAN, THE LETTER OF INTRODUCTION IS HIS KNOWLEDGE OF THE HOLY SCRIPTURES SO HE WON'T BE DECEIVED. TO RECEIVE MY SON IN THE EUCHARIST IS THE GREATNESS OF THE LOVE OF THE HOLY TRINITY FOR THE HUMAN CREATURE.

I turn to you—and I will continue to do so—to guide you during these instants of confusion when evil reigns everywhere. You discern.

The Father's Will is that all His children be saved within His Holy and Infinite Love, so each one of His children will act and work within the Divine Heartbeat, even in the smallest thoughts and actions.

My beloved,

This generation has turned love into persecution, love into rage, love into disdain, love into disobedience, love into pride (hubris), and this way evil possesses the feelings and controls the human creature so he will please evil and will reproduce it by means of his wrongdoing, thus abandoning his feelings to the devil and thereby minimizing himself spiritually.

EACH ONE OF YOU HAS A PARTICULAR AND SPECIAL MISSION: TO LIVE AND ACT IN THE FATHER'S WILL, A CONDITION TO ACHIEVE THE FULLNESS OF ETERNAL LIFE.

At every instant My Son has sent Me to make myself known to the humble and simple of heart in light of the urgency of the approaching fulfillment of what I have announced to humanity: The spiritual decadence of this generation that has surpassed all previous generations. This is why My Calls are more continuous and severe.

Children,

ANNULLED BY THE WICKEDNESS THAT INTRODUCES MODERNISMS IN ALL AREAS OF MEN'S LIVES, THEY ACT LIKE BEINGS DEVOID OF REASONING, REPEATING WHAT IS FASHIONABLE

WITHOUT WISHING TO SAVE THEIR SOULS; they just want to appear to remain within the false and demoniac modernism of this instant.

Beloved children of My Immaculate Heart,

**THOSE OF YOU WHO ARDENTLY YEARN FOR CONVERSION, DO NOT STOP AT SATAN'S SNARES;
GO ON AHEAD FIGHTING AGAINST WHAT DOES NOT BELONG TO THE FATHER FOR THE
CONVERSION AND THE SALVATION OF SOULS.**

Do not consent sins no matter how minor they might seem; small details give rise to great woes which seem innocent to man.

My Son chooses souls that are small in the eyes of men but are big on faith and obedience to have them transmit the Word from Heaven.

My Son was sent to save souls, and He continues to explain His Word to save souls...

My Son met with sinners, with those who undertook their work pitilessly against their brothers...

My Son spoke to Pharisees and teachers of the Law to show His Father's Glory to the erudite scholars who rebutted His Word...

**THUS AT THIS INSTANT THE ERUDITE SCHOLARS AND THE LEARNED KNOW THE WORD, BUT NOT
ALL PUT IT INTO PRACTICE. I CALL YOU TO PUT INTO PRACTICE MY SON'S WORD SO HIS
CHILDREN WILL GIVE HIM THE GLORY THAT ALL CREATURES SHOULD GIVE HIM.**

My beloved,

Nature advances tirelessly, it advances through the men who are disoriented and lawless, it advances in search of those who remain in tune with the Father's Will. You be love, be brothers, be charity, be humility. Great men are born of humility like My Son gave birth to you on the Cross.

MY CHILDREN ARE HUMBLE AND FULFILLERS OF THE FATHER'S WILL ...

Remain constantly alert and without resting because there are announcements not to believe the prophecies of My true Prophets. Be those children who live and work within God's Law and the Sacraments, feeding on Divine Love.

Children, do not stop; you are already living the Tribulation, it advances without stopping from one place to the next; it advances tirelessly each day waking up the hearts. As it advances, souls are lost, souls that wait for the last instant to repent "Not every one who says to me, 'Lord, Lord,' shall enter the kingdom of heaven."²³

²³ Matthew 7:21 Revised Standard Version Catholic Edition

Pray, My beloved, for My children in the United States, they will suffer constant scourges.

Repent, My children, seek the salvation of the soul.

Pray, My children, for Colombia; this land will mourn its future.

Pray, My children, for England; it will be shaken at the hands of man's rage.

Children,

DO NOT REST; FIGHT AGAINST THE HUMAN "EGO". At this instant the demons surround man and they leave him the sting of disobedience and pride for him to revolt like lucifer. Do not forget that each one will examine himself and darkness will fall over man until he can no longer see his own hands. The darkness dispels with the Divine Light and It reigns in the hearts of the righteous, of the merciful, of those who are repentant and abide by the Divine Law.

Men persecute one another with a thirst for vengeance, not recognizing each other as brothers, without mercy, and advancing each instant towards the large cities. This is satan's strategy.

A president will be attacked and killed; the people will be cruelly assaulted. This is the fruit of the silent communism.

My beloved,

DO NOT WAIT ANY LONGER; PRAY, RECEIVE MY SON, REPENT. The instant of all instants has come to man; do not wait any more. The abomination has arrived at the Temple unconditionally.

THEN THE DIVINE AIDE WILL ARRIVE FOR HIS CHILDREN AND THEY WILL BE LED ALONG THE TRUE PATH FROM WHICH THEY MUST NOT DEVIATE. The Peace will reign and the enemy of the soul will be cast out far away from mankind, he will be chained, and the Kingdom of Peace will be for all the children faithful to the Holy Trinity and to Me.

I love you and I bless you.

MY HEART RECEIVES ALL THOSE WHO REPENT FROM THE HEART.

INSTRUMENT'S COMMENTS

Brothers/Sisters,

Christ and our Mother are not a privilege for just some of Their children, but for all of Their children, those who on a daily basis fight to remain in the Divine Will, in obedience and humility, in love and fraternity, seeking not only the personal good but that of all the brothers.

The realization of belonging to Christ's Mystical Body keeps us in a constant waiting because even if it is a mystery God the Father has revealed to us that incorporation. This is why we walk towards Christ in a constant effort, because we know that we are His children but we must give our best effort with all our might to remain united with Christ, with our Mother, and with our brothers so we will all be temples of the Holy Spirit.

We must be Christians, not only in our prayers, but also in testimony in every place and in every state of our lives. Those who defend other beliefs and persecute Christians are criticized; however the dissenting issue is not so much those who confess other beliefs, but the Christians who preach a faith they do not practice and move within the mediocrity to which they are accustomed. This shows that they say they are but they are actually not, they are not completely true; take for example a medical doctor who does not give medicine to the sick; instead, he lets them die.

God scrutinizes the human will and helps us prevail by helping us get up and giving us strength. Unity is that embrace we do not see but we do feel in the works and acts of others. Let us not fear what lies ahead; let us get ready to confront what is looming; but the faith must be strengthened with knowledge so we will not be deceived. At this instant the Christian is the one who is not afraid to publicly express his faith because he knows the One who loves him.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
10 JUNE 2015**

My beloved People,

**I DO NOT FORSAKE YOU REGARDLESS OF HOWEVER STRONG MAY BE THE INSTANTS WITH
WHICH YOU ARE NOW DEALING AND WILL CONFRONT ...**

My beloved,

Disbelief reigns accentuated with the force provided by the men in this generation. This generation does not wish to heed My Calls; instead, it wants to mute My Voice so the ones who want to understand the darkness that invades My People will not find the explanation and the expansion of

My Love that does not stop nourishing and guiding the ones I rescued spilling My Blood for everyone's redemption.

I remain in each Consecrated Host...

I remain present in the man in whom My Spirit lives...

I AM OMNISCIENT AND OMNIPRESENT; I remain where man sees Me with his bodily sight and where he doesn't see Me with his bodily sight.

That is My Presence in everything and everyone, which man cannot understand when he does not recognize that he is limited.

GOOD AND EVIL REMAIN IN FRONT OF EACH ONE OF THE HUMAN CREATURES IN ORDER FOR THEM TO DISCERN, UNDER THE INFLUENCE OF MY SPIRIT, THE TRUE PATH, THE REWARD OR THE CHASTISEMENT... This is My Merciful Love, the one that leads Me to continue to explain My Will to those who are Mine so they will choose freely before they lose the Grace and before they have the opportunity to see the wickedness in which they will fall.

I AM EQUITY ... I DO NOT LET MY CHILDREN FALL BEFORE SHOWING THEM WHERE THEY WILL FALL, THE CAUSES AND THE PUNISHMENT FOR THE FALL.

Because of his disobedience man loves himself in a disorderly way, attributing to himself what is only under the authority and jurisdiction of My House. Hence, envy, presumption, greed, and disobedience have led man to an idolatry of himself which takes him from sin to sin, from hubris (pride) to hubris (pride), from arrogance to arrogance... So much blindness does not lead to an end other than to lose the Eternal Life if the creatures do not repent in spirit and in truth.

My beloved,

EVIL: SATAN MAINTAINS A FIGHT BROUGHT AGAINST MY MOTHER'S CHILDREN, AGAINST EACH ONE OF YOU...

MY MOTHER: Queen of all creatures, has been endowed with the Gifts of Grace and Glory, and with the Superior Humility of Our Love, so that Humility will be the one to defeat satan who will present himself to this generation with all his evil intentions.

THIS IS THE INSTANT WHEN EVIL FIGHTS AGAINST GOOD IN EACH ONE OF YOU TO EXCLUDE MY MOTHER FROM THE LIVES OF MY CHILDREN BECAUSE HE KNOWS AHEAD OF TIME THAT HE WILL BE BROKEN, DEFEATED AND THROWN INTO THE ABYSS BY MY MOTHER TO WHOM MY FATHER HAS GRANTED THE INTERCESSION AND THE LEADERSHIP OF THE FIGHT AGAINST THE INFERNAL SPIRITS THAT HAVE Poured DOWN ON ALL HUMANKIND; AND SOME OF THOSE SPIRITS ARE INIQUITY, MALICE, SELF EXALTATION, VAINGLORY, VICES, ENMITY, AND IGNORANCE.

Beloved children,

EVIL WANTS YOU TO BE IGNORANT TO DRAG WITH IGNORANCE ONE THIRD OF THE HUMAN RACE, deceiving them to make men fight against each other and to create division among them.

Man has not yet loved Our Will, he denies My Justice, caresses My Mercy with a misunderstanding of It, and relegates My Justice as if the greatness of Our Divinity were subjected to man's approval.

The Gifts and Virtues reside in My Mother's Virginal Womb...

She is Temple of the Holy Spirit and Virginal Sanctuary for the good of My children...

Beloved, painfully I see how the capital sins are reproduced in My children bringing about more and greater sins against Me. The devil makes war on men and in an unprecedented manner men embrace it making the wickedness and the cruelty of evil their own, even though evil's only purpose is to take with it My sons and daughters that are My Mother's, too.

EVIL'S FURY EXTENDS TOWARDS MY HOLY CHURCH AND MY MYSTICAL BODY TO MAKE MY MYSTICAL BODY MOVE AWAY FROM MY MOTHER TO WHOM THE HOLY TRINITY HAS BEQUEATHED THE PREROGATIVES TO DEFEAT THE DEVIL OR SATAN.

My beloved, you embrace evil and caress it, and evil delves inside the human heart to cloud the understanding and create struggle among my children, disunity and confusion, because only through lies can the devil penetrate and unload its wickedness in men.

These are instants when My Church takes course towards the Great Schism already announced by My Mother, when the suffering of those who are faithful to Me will be the glory of My Mother's intercession in favor of the human race, even those who do not believe, do not hope and do not love.

Children, do not decline; you must get to know Me so you won't decline because I do not abandon those who are Mine, I embrace them and I place them in My Mother's loving arms; I shelter those who are helpless.

My beloved People, My People are all those who love Me, adore Me, and call Me the Lord of their lives and of all things created, and who live, act and work within Our Divine Will.

Do not wait for time, it is gone...

Do not deny the signs that I allow to encourage you...

Do not surrender to the adoration of the human ego and do not rebel against Me as it was man himself who has yielded up the power to evil for evil to control him.

My children have never been so close to desolation as in this instant...

The war, the great scourge generated by evil, advances relentlessly and ruthlessly without being stopped; instead, it is encouraged by the demonstrations of power of the Nations of the Earth.

My children,

REMAIN ALERT AT THIS INSTANT MORE SO THAN AT ANY OTHER PREVIOUS INSTANT; I WILL NOT ARRIVE WITH WATER BUT WITH THE FIRE THAT PURIFIES.

Pray, My children, for Russia and its allies. The hunger for power feeds the confrontation.
Pray, My children, for Indonesia; it will share with humanity the fire that burns in the entrails of the Earth and will peep out so men will rethink.

Pray for Italy; it will be purified by Nature and by man himself.

My beloved,

You well know what is coming...

THE BLIND MAN DENIES IT, THE MAN WHO BELIEVES TO BE WISE DENIES IT, THE PROUD (HUBRISTIC) MAN TURNS IT INTO A DOUBT; WHILE THE MAN WHO IS HUMBLE PRAYS AND CONVERTS, HE KNOWS ME AND HE HURRIES TO COME WITHIN ME TO BE SHELTERED, AND HE CONSECRATES HIMSELF TO MY MOTHER SO SHE WILL SUSTAIN HIM AND INTERCEDE FOR HIM, HE DELES INTO THE KNOWLEDGE OF THE THINGS HE IGNORES, AND RIPS THE BLINDFOLD OFF SO THE DARKNESS AND THE IGNORANCE WILL LEAVE HIM.

My beloved People,

Receive Me in the Eucharist with a humble and contrite heart, reach out for Me, as your Father I wait for all of you. Do not fall to the ground without getting up again; evil will not remain forever. My Mother will crush the head of evil and Saint Michael will place on My Divine Scale each and every one of My children's work and act, because without works and acts the Faith is barren.^[2]

LOVE HAS BEEN BANISHED; IT RESIDES IN A FEW SOULS, THOSE THAT STRUGGLE TO LIVE IN MY WILL. MY WILL IS NOT ONE MORE SPIRITUALITY; MY WILL IS THE ESSENCE OF THE LOVE OF OUR TRINITY.

It is not difficult for man to fulfill My Will. Man finds it difficult because he has given free rein to his human ego and has not decided to defeat it with My Love.

Do not fear; fear is brought to you by evil to stop you, and when you find yourselves being persecuted you will turn yourselves into the hands of the one that will appear to save humankind, the one who comes to supplant Me.

IT IS URGENT THAT YOU DO NOT DISOWN ME; IT IS URGENT THAT YOU COME CLOSE TO MY MOTHER SO SHE, WHO IS QUEEN AND TEACHER OF ALL MY CHILDREN, WILL TAKE YOU IN HER WOMB AND PROTECT YOU WITH HER MANTLE IF YOU SO DESIRE.

My children, be alert! What My Mother has announced is being fulfilled and it will be fulfilled fully because of the disobedience to Her Calls.

Come into My Side which is open to all; it is not too late; come to Me

I Love you and I bless you.

My beloved People,

**AS FATHER OF LOVE AND MERCY I KNOCK ON THE DOOR OF EACH SOUL
SO YOU WILL DEDICATE YOURSELVES TO YOUR CONVERSION.
I CALL SO YOU WILL ELIMINATE THE OBSTRUCTIONS THAT YOU PLACE BEFORE ME
IN ORDER TO GET AWAY AND GO ON WITH THE MUNDANE.**

My beloved,

You do not pay attention to My requests but you are prompt to comply with a human request...
My Calls are dismembered to deny that they are My Word...

HOW CAN I ABANDON THIS GENERATION?

They live without Me...
They deny My Real Presence in the Eucharist...
They forbid getting to know Me...
They believe they do not need Me to give life...
They kill one another without remorse...

This is man's behavior in this generation, and as if it were not enough, they despise My Mother without any respect when My Mother is Full of Grace, Singular Vessel of Devotion, Queen of Heaven and Earth.

My Cross gets heavier each day, so much so that My Mother comes to the rescue and helps Me in the name of each one of you so you won't be lost. My Life, Way to Salvation for the souls, did not end with My Ascension.

**I REMAIN ALIVE, PRESENT AND CURRENT IN EACH ONE OF YOU,
BUT MY OWN CHILDREN THROW ME OUT OF MY TEMPLES.**

How they move Me away from the places of prayer! They do not want My Laws; they supplant them with comfort, convenience, and rebellion.

Know Me, delve into the Holy Scripture, listen to My Mother, remain alert so you will not be confused; evil does not only lurk, it also lies in wait like a plague over humankind to confuse.

Do not forget that the purpose of the antichrist is for him to become the owner of humankind, the owner of everything, even My Church.

My Love has been distorted; they weaken My Justice in favor of a complacent mercy; **I AM THE RIGHTEOUS JUDGE.**

They deny the existence of hell but accept the existence of evil, and they see the Earth as a place of sorrow where they pay for the sins. My poor children! They continue to be so blind!

I DO NOT LIKE MODERNISMS. THEY CONFUSE MY PEOPLE AT THESE INSTANTS WHEN EVIL ATTACKS AND LASHES OUT AGAINST THOSE WHO LOVE ME, ADORE ME, AND CARRY ME IN THEIR SOULS LIKE THE PRECIOUS JEWEL, LIKE THE HIDDEN TREASURE, FULLY CONVINCED THAT I AM THEIR LORD AND THEIR GOD.

As they move away from My Word, from My Law, and from My Mother, My People will soon precipitate towards the attacks from evil, which at this instant it presents itself as a sheep, as defender and opposing war, but later it will show itself as the great bear with fierce claws that will pounce on My children and will persecute them until death, thus showing the world what it has in its hiding place.

The red dragon will second the bear and humankind will be shaken, persecuted, and controlled by the allies of the dragon and the bear, allies that rose almost timidly ruling small countries and that later will emerge with great power. The persecution will be fierce and it will extend, and during that time My children will suffer at the hands of those who do not love Me.

MY PEOPLE HAVE NEGLECTED MY MOTHER'S WARNINGS, AND THEY HAVE SHAKEN HANDS WITH THOSE WHO WILL BE THEIR PERSECUTORS AND THEIR SCOURGE. The alliances between countries will be broken and the power of communism will manifest itself without measure. It does not sleep, it lashes against My People; My People sleep. Evil is awake deceiving even those who are faithful to Me with the purpose of getting into My Sanctuary.

IT IS NOT ONLY THE FREEMASONRY THAT HAS INFILTRATED MY CHURCH, BUT ALSO—ALONG WITH IT—THE ILLUMINATI AND COMMUNISM; THEY REMAIN SHIELDED BEHIND MY WALLS.

Man is not valued as a human being and a creature of God, instead he is seen as an object that moves without thinking.

My beloved People,

UNITE. BE A UNITY SO YOU—WHO DO BELIEVE, WHO DO LOVE ME, WHO HAVE MY MOTHER AS YOUR MOTHER—WILL SHELTER ONE ANOTHER. Do not allow division to invade you; division is sent by satan to stealthily penetrate and cause great discord in the midst of those who are faithful to Me, the ones I have chosen to keep My People awake.

The deceiver does not sleep; My children sleep... Wake up, My children! The evening falls and darkness is approaching fast, the darkness of the perversion of the one who hates My children. Be humble, continue to shelter one another; those who are blind will be blinder, they will not see clearly and evil will take them.

IT IS NOT ONLY THE FREEMASONRY THAT HAS INFILTRATED MY CHURCH, BUT ALSO—ALONG WITH IT—THE ILLUMINATI AND COMMUNISM; THEY REMAIN SHIELDED BEHIND MY WALLS.

My beloved People,

Do not think with human thinking because it makes you see everything far away; prepare the spirit. The spiritual senses should make you feel the nearness of the Warning and the accelerated race towards My Second Coming. My People will be tested but never defeated. This is why My Mother will not move away from My People even when My People ignore Her.

EACH ROSARY THAT IS CONSCIENTIOUSLY MEDITATED IS A NEW LIGHT THAT JOINS OTHER LIGHTS TO PRODUCE A CONTINUITY OF LIGHTS THAT I SEE FROM MY HOME, AND I RECOGNIZE THOSE WHO ARE MINE.

The stars shine in the sky like the true souls shine because of their testimonies, and the most humble are the ones that shine the most.

PRAYER IS INDISPENSABLE FOR THOSE WHO ARE MINE. PRAYER GETS THEM CLOSER TO ME AND TO MY MOTHER WHO LISTENS TO ALL HER CHILDREN AND CONSTANTLY DEFENDS THEM, AND INTERCEDES IN THEIR FAVOR EVEN THOUGH THEY DISOWN HER.

I give Myself in the Sacrament of the Eucharist; I remain present and alive in My Body and My Blood, but the majority of My Priests treat Me lightly because they do not contemplate the depth of My Mystery in the Consecration, and they toss Me with force on the paten, they do not reverence Me and later they give Me grief when they deliver Me quickly to My children or in the hands of third parties who are not properly or thoroughly prepared.

I want the mouth that proclaims Me King to receive Me as King...

I want the Word that confesses "I believe" and the heart that rejoices and is fused with that "I believe" to receive Me worthily...

It is My Mother who prepares the soul of those who receive Me with true conscience...

My Mother remains attentive in the souls of those who receive Me, not routinely but in adoration...

My beloved People,

THE DEVIL FEARS AND HATES MY MOTHER; HE KNOWS THAT MY MOTHER WILL CRUSH HIS HEAD

AND WILL DEFEAT HIM.

THIS IS WHY HE CELEBRATES AS A WINNER WHEN THOSE WHO ARE MINE LESSEN MY MOTHER'S MERITS, IGNORE HER, AND DESPISE HER.

Evil has penetrated in My Church and My faithful instruments are persecuted. Evil wants to silence My Mother, but "I AM WHO I AM" and My Mother, protection of My People, will not rest until those who are Mine wake up.

Beloved,

The Purification will continue to advance over the human race; the Creation urges man to react looking for Me and to banish sin. The heart of stone will turn into a heart of flesh.

My beloved People,

**PEACE WILL COME TO HUMANKIND ONCE HUMANKIND HAS BEEN PURIFIED.
THE MEMBERS OF MY MYSTICAL BODY WILL BE PURIFIED UNTIL THEIR VESTMENTS
BE ONCE AGAIN WHITE AS SNOW.**

Pray, My children. A celestial body moves towards the Earth. Pray.
Pray, My children; war does not wait because it is a potential business for those who are powerful.
War does not wait and My children are not prepared.
Pray, children, the Eagle will be wounded and will act without thinking.
Pray for Colombia; it will suffer and cry.

The volcanoes will continue to whip humankind.

**BE INSTRUMENTS OF PEACE,
WHERE THERE IS HATRED, BE LOVE;
WHERE THERE IS IGNORANCE, BE THE LIGHT;
WHERE THERE IS NO LOVE, BRING MY LOVE.**

Times of Peace will arrive when men will live happily side by side enjoying Heaven beforehand.

I bless you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

The Divine Word softly exposes the whole surrounding situation in order for man to convert and see clearly.

At this instant there are several movements that deny the events that are already happening and explain most of the events as phenomena that must happen at this instant. Waking up without false interpretations leads us to see clearly that what is happening is not normal for man. Maybe most men have not experienced calamity or persecution, but we are already living at the time that is not time.

Could it be that man has to wait for the events in order to react? Will this reaction come late?

No, brothers, Christ is Eternal Life and plentiful. We do not need fame or honors, and least of all to forget God. What is wanted is to abolish the Divine Will and to emphasize man's free will...

Where are we going?

Brothers,

LET'S NOT WAIT, LET'S BEAR WITNESS TO CHRIST; LET'S GET TO KNOW HIM AND YOU WILL SEE THAT WHEN YOU KNOW, YOU LOVE DEEPLY AND THE FAITH BLOSSOMS LIKE A ROBUST TREE.

We are called not only to be spectators but also to participate in this instant when each one must fulfill the role of evangelizer, of bearing witness, of sharing, of helping, of praying, and of being Love at this instant when man declines. We must participate in the Salvation of the brothers; we are not only spectators but also participants because "From everyone to whom much has been given, much will be required; and from the one to whom much has been entrusted, even more will be demanded."²⁴

Let's not be discouraged, those who are faithful are protected by Christ and the Mother.

HAPPY FESTIVITY OF THE IMMACULATE HEART OF MARY!

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
15 JUNE 2015**

Beloved children of My Immaculate Heart,

ALL SHOULD DELVE IN THE KNOWLEDGE, THE FAITH, AND THE PRACTICE OF LIVING IN A FUSION WITH THE DIVINE WILL; THIS WAY YOU WOULD CONTEMPLATE THE WONDERS OF LIVING IN A CONTINUOUS ACT OF OFFERING EVERYTHING THAT HAPPENS IN YOUR PASSAGE THROUGH THE WORLD TO THE HOLY TRINITY.

Suffering would not remain unfruitful, the tribulations would not fall in the void, the instants of happiness would be greater because you would not live them the human way--so attached to what is earthly—instead, each instant would be a continuous offering. Just like the constant to and fro of ocean waves, you would not move far from the constant Union with the Divine Will: each instant would be an opportunity to get close to My Son and to Me.

Man's weakness is excessive; the exposure to depravity, envy, immorality, and vice keep My children in a continuous sin. The male does not control his sight; instead he is controlled by it. In the mortification of sight, they do not control themselves in a permissive society with women wandering in almost total nudity.

²⁴ Luke 12:48 New Revised Standard Version Catholic Edition

My children continue with the fatigue of sin left behind by the sinners who fail to neither repent and accept their faults, nor go with a desire for conversion. Each human creature is a constant manifestation of the Divine Glory in and for his brothers. My Son is consolation for those who need it; and the brother can be kind to those in need.

My Son is coming to separate the wheat from the chaff; however, before this, man by himself will have separated in the Great Warning.

Beloved children of My Immaculate Heart,

YOU MUST SAVE THE TRUTH AND FULFILL IT IN EVERY ACT OR DEED. My Son must live in each sense; do not forget that the mind either disfigures the man or leads him to be the best. In each person's mind My Son, His Acts, and His Deeds must remain imprinted, so you will be true children, faithful, responsible, aware of all that happens within you in the midst of humankind, and to fulfill responsibly My Son's Mystical Body. As My Son's true children, seek the good of your brothers and prepare yourselves with the Scriptures because each one of you must be that lit lantern that does not hide so as not to give light, but for you to be light along the way, not just the personal path but also those of your brothers.

I CALL MY BELOVED SONS, THE PRIESTS, THOSE I KEEP INSIDE MY HEART SO THEY WON'T DEPART FROM PRAYER, SO THEY WILL LIVE FOR MY SON AND HIS FLOCK TENDING AND SHEPHERDING ALL HIS SHEEP, without forgetting that you must not be bones of contention; instead you must be sources of harmony, always being clear that the honor and the glory are for My Son and not for the men, even when they have consecrated themselves to My Son's Service. Do not live to please men but to comply with My Son's Will at every instant and under all circumstances, without forgetting that you must strengthen those who are sick, those who are weak, those who are mistreated, strengthening them in the Faith and in the Divine Love.

Children of My Predilection, the Priests,

DO NOT GO NEAR TEMPTATIONS, and when they come to you uninvited, remember that My Son suffered for each one of you so you will be the Favorite and Beloved Sons of My Heart, capable of defeating and avoiding, promptly and completely, not only temptations but sin itself.

A CONSECRATED PERSON WITHOUT PRAYER IS A BUILDING ON QUICKSAND, and when the wind comes and blows with force, it will bring down every structure that has been founded on quicksand. Beloved, there is still time to move the building onto solid rock, keeping in mind My Son's pain and the torments suffered by My Son.

YOU, MY CONSECRATED CHILDREN, PREPARE YOURSELVES IN A SPECIAL WAY FOR THE TRIALS. I am not referring to the imminent dangers that remain within My Son's Church for

you to deny them; instead, it is for you to prepare yourselves properly, and thus bring My Son's Word to His Flock. Strengthen those who are weak announcing to them the coming events; do not leave them adrift; do not try to dress the wounds before you heal them because the sick will not heal without the right medicine.

MY SON'S PEOPLE: MY CHILDREN MUST KNOW THAT MAN CANNOT LIVE ONLY OF FERVOR; HE MUST COMPLY WITH THE DIVINE WILL THAT DOES NOT HIDE THE CALAMITIES FROM HUMANITY, INSTEAD THE DIVINE WILL MAKES THEM KNOWN SO THAT EACH SHEEP IN THE FLOCK WILL GET READY AND COMPLY WITH THE GOOD DEEDS, THE COMMANDMENTS, AND THE SACRAMENTS, which cannot vary the way the times vary. My children, this is the reason why prayer is important and why it is important for each Favorite Child to comply with the Father's Will. All the knowledge you have acquired must be used to build, not to allow evil to take the harvest.

Beloved children of My Immaculate Heart, beloved sheep of My Son,

Be careful, be obedient to My Son, and love My Calls because as Mother I do not lead you to the cliff. Do not leave your brothers without giving them the opportunity of knowing the instant that is in front of all humankind without partiality. The tribulations are no longer future, they are for this instant and they should not make you afraid, they should make you stay on the true path.

THE TRIALS MUST NOT BE FEARED BECAUSE MY SON AND I WILL NOT ABANDON YOU AND THE TEST WILL NOT EXCEED THE STRENGTH OF THE FAITHFUL. GET READY FIRST BY LOVING GOD ABOVE ALL THINGS AND YOUR NEIGHBOR AS YOURSELF.²⁵

Children, for the love of His children I am sent by God to continue warning those that I received at the foot of the Cross. For each one of you I give Myself in this Word so you will resume the true path; I would not be a good Mother if I did not warn My children, because that would be like dressing the wound and leaving the infection inside.

REPENT, KNOW THE DIVINE WORD, AND DELVE DEEP IN THE SCRIPTURES SO YOU WILL GROW SPIRITUALLY. NOTHING HAS BEEN GIVEN AS DIVINE WORD THAT COULD BE CHANGED AT MAN'S CONVENIENCE.

The Church as My Son's Wife remains subject to Her Husband's Word.

At this instant man has transformed morality and has turned it into immorality...

The rules have been changed for convenience...

Love is momentary, not like My Son's Will...

²⁵ Mark 12:30-31 New Revised Standard Version Catholic Edition

Man destroys and will destroy...

The powerful have usurped the Gift of Life and My Son remains attentive to it.

Beloved children of My Immaculate Heart, do not continue blindfolded because you will see evil as good and good as evil.

Pray, beloved children, because My Son's Church will live the Great Schism and those who do not know the Word in the Holy Scripture will wander in ignorance from one place to another in search of the Truth—their lack of knowledge due to living away from the Divine Will. All must arrive at the knowledge of Faith.

Pray, My children; the great powers have decided that war must happen and the world population must be reduced; do not feed on death.

Pray, My children, pray for Indonesia and the United States.

Pray for Japan and Venezuela.

Beloved children of My Immaculate Heart,

**DO NOT TREASURE SIN AND DO NOT DENY MY MATERNAL LOVE.
I AM THE MOTHER OF TRUTH, AND WITH THAT TRUTH FOR WHICH MY SON SUFFERED AND
RESURRECTED, FOR THAT TRUTH IT IS THAT I WANT TO RESCUE YOU
FROM THE IGNORANCE IN WHICH THEY WANT TO SUBMERGE YOU SO YOU
WILL DELIVER YOURSELVES IN THE HANDS OF EVIL.**

You are living severe instants before Creation which does not recognize the man that has altered, destroyed, and contaminated it. The Earth will be shaken with force.

**BELOVED CHILDREN, DO NOT BE AFRAID OF EARTHQUAKES, OR VOLCANOES, OR WINDS
THAT WILL LASH, OR COLD, OR HEAT. BE ARAID OF OFFENDING MY SON AND BE AFRAID OF
NOT REPENTIING.**

You are My children, I love you and bless you.

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

INSTRUMENT'S COMMENTS

Brothers/Sisters,

We should all delve in the knowledge and in the practice of living fused with the Divine Will. Even though the knowledge is intuitive, it is structured on ideas, beliefs, feelings, and life experiences. This is why the Word of God says, "... to whom much has been given, much will be required"²⁶

In front of each one of us we have good and evil. Man has been called to live in Divine Will; but, in order to accomplish this, the human creature must have trust and an expanded conscience for him to yearn to act and work not alone but together with the Holy Trinity.

Rightfully our Mother tells us that we must remain attentive and with the lamps lit so we can be "the light of the world"²⁷

Let's constantly ask the Holy Spirit to give us Wisdom to work and act the way God expects from us, so the burning desire to remain close to Christ and to our Most Holy Mother will always prevail, even in the middle of adversities.

We don't have to live in fear, but we must not remain ignorant of what Heaven alerts us.

Everyone may want to do good deeds, but not all actually do... however, if we know the Loved One, the tendency towards Him is greater while human mistrust is lesser.

Our Mother wants us to be obedient and at the same time to be knowledgeable so as not to be deceived. At this instant, if the Faith is not strengthened with prayer, it will turn more languorous and more distant from its Lord and King.

Amen.

Beloved children of My Immaculate Heart,

²⁶ Luke 12:48 New Revised Standard Version Catholic Edition

²⁷ Matthew 5:14 New Revised Standard Version Catholic Edition

**I LOVE YOU SO MUCH! I KNOCK SO MUCH ON THE DOOR OF EVERY HEART
FOR THEM TO ATTEND MY PLEAS!
AS MOTHER I ASK EACH ONE OF YOU TO OPEN THE DOOR TO YOUR HEART FOR ME SO I CAN
CONTINUE TO INTERCEDE IN YOUR FAVOR BEFORE MY DIVINE SON.**

This generation grows rapidly; the advances in every area are surprising: Good has tasted man's proper use of the capability of the intelligence to create what benefits man. Regrettably, My children, evil has usurped the place of good and has managed to change the objectives that man had for each advancement to be for the good of humanity. At this instant science has ultimately transformed into a power struggle through which it has ruthlessly taken the destruction of man as its goal.

There are countries, powers, that do not have great economies to sustain a war, but they have the herod of this generation: They have nuclear weapons with which they could cause fatal damage to this humanity...

Which man of science has created something that he will not use?

Which power has acquired what it will not use to defend itself?

The lack of awareness of the man of this generation has reached such a high point that it leads him to a continuous struggle to achieve global supremacy.

SO MANY ARE ASSURED THAT THE WAR WILL NOT HAPPEN! BUT THIS IS NOT TRUE; THEY IGNORE THAT IT IS ALREADY HAPPENING. There will be great destruction throughout the Earth and, due to this, the laments will be so great that they will reach My Son's Home before the ingratitude of those that, based upon their power, have destroyed not only man but also everything that My Son has offered them for the good of each human being.

AT THIS INSTANT IT IS NECESSARY FOR YOU TO REINFORCE THE FAITH; YOU MUST BE CHRISTIAN MEN AND WOMEN IN SPIRIT AND TRUTH. The temples may be full on Sundays, but the inner temple within each one of My children is empty, especially in big cities.

THERE IS NO AWARENESS OF LIFE AFTER DEATH. Man has promptly forgotten about this. He is interested in living this life using his free will even if it leads him to live in a continuous state of sin; and this to a great extent has been caused by the wrong direction in which My Son's Church has been taken.

Beloved children of My Immaculate Heart,

EVIL EXISTS AND IT IS A FORCE SUPERIOR TO THAT OF MAN IF HE HAS NO FAITH, IF HE HAS NO STRENGTH, IF HE HAS NO KNOWLEDGE, AND IF HE DOES NOT TRULY LOVE MY SON.

Still they have not understood My Words, still they have not obeyed My Son Who repeatedly announces how the demons are found above the men stalking them instant to instant to make them fall, and when they fall, the same demons pounce on them and torment them to seize the minds of My Son's children.

Children of My Immaculate Heart,

**BECAUSE OF MAN'S DISOBEDIENCE, YOU GENERATE YOUR OWN CHASTISEMENT...
AND BECAUSE OF YOUR OBEDIENCE, YOU GENERATE BLESSINGS FOR YOURSELVES.**

You, My children, have great intelligence and the Gift of Wisdom, but these remain dormant at this instant when My Son's People are dedicated to a life of speculation:

Truly believing that evil does not exist...

Truly believing that neither Purgatory nor hell exists after death...

Truly believing that the Earth is the place to suffer the committed and acquired wrongdoings...

How wrong you are, My children!

**EVIL EXISTS ON THE FACE OF THE EARTH.
SATAN, THE TEMPTER OF MAN, EXISTS,
THERE EXISTS A PLACE OF GRIEF AFTER DEATH, AND
ETERNAL FIRE EXISTS.**

**THIS IS THE INSTANT WHEN MY CHILDREN MUST LOOK BEYOND AND MUST REFLECT ON
ETERNAL LIFE AFTER THE EARTHLY LIFE.**

All those who call themselves Christian will have their faith tested; this is why We have insistently called you to know My Son's Word, to practice and live in the Divine Will, and to live in a constant observance of the Commandments, because he who complies with the First Commandment is therefore compliant to the other Commandments.

Children, when the sun is at its zenith, it covers the Earth, it covers all My children. Each one of you must be a sun that shines, wherever you are, on all your brothers.

STOP IT! Do not allow the human "ego" to control man's senses!

STOP IT! Do not be slaves of the "ego"!

STOP IT! Do not live by good intentions!

STOP IT! Do not offend My Son!

STOP IT! Do not deny Salvation!

WAKE UP YOUR SENSES AND CONSECRATE THEM TO OUR SACRED HEARTS.

You have great blessings granted by the Paternal House; you have Fellow Travelers who alert you and defend you, even when you are not aware of it. Call them; it is important that you constantly invite them to remain with you. Pay attention to the signals that My Son allows to occur in the Firmament, because soon there will be so many signals that the men without Faith will run to hide so as not to look.

Children of My Immaculate Heart,

AT THE PRECISE INSTANT, HELP WILL COME FROM THE DIVINE HOUSE TO LIFT THOSE WHO ARE ABOUT TO FALL, but after the antichrist traps the souls, how will this Mother be able to intercede if the human will is not willing to be rescued?

My Son's People are facing great threats... The microchip is the claim of the devil on man and on the creatures' souls. Some people saw it as something distant or as a fantasy, but the implantation of the microchip is a reality that will be established soon.

I CAN ASSURE YOU THAT I SEE A GREAT WAVE THAT IS APPROACHING HUMANKIND FROM ALL DIRECTIONS... and inside it contains man's rage, revenge, terrorism, the malpractice of those who call themselves saviors of humankind.

MY SON'S CHURCH WILL BE STRONGLY SHAKEN BECAUSE SEVERAL PRONOUNCEMENTS WILL DIVIDE IT. Children, do not separate from The Commandments, they are God's Word expressed for all mankind for all times; and this Divine Word is not subject to man, it was revealed for man to abide by the Divine Word. Fulfill the Sacraments; do not discard them because they are Divine Will.

**AT THIS INSTANT EACH ONE OF MY CHILDREN MUST REMAIN ATTENTIVE
SO AS NOT TO BE DECEIVED;
AND MUST KNOW OF DIVINE OMNIPOTENCE
AND MUST NOT LIMIT THAT OMNIPOTENCE TO THE
NARROWNESS OF THE HUMAN MIND.**

Pray, My children, pray for the Chilean People whom I invite to hold another Reparation Vigil for the offenses, not against this Mother, but against the Divine Will that sent Me to appear in Peña Blanca.

Man is very quick to judge, he is quick to despise the coming events and to look only at the negative point to deny the whole Truth; and this is lack of humility and lack of charity.

Pray, My children, pray for Ecuador. These My beloved People have been invaded by communism and when they want to protest, the communism silences them.

Pray, Nature is waking up.

Pray, My children, pray for Italy. The great volcano will wake up to announce to these My beloved people that, just like it awakens, those who do not love My Son's Church have awakened and plan to enter that territory.

Pray, children, so My Son's Word and My Word continue to reach you, guiding you and alerting you so you will not be afraid; instead, it is for you to get ready mainly in the spirit, so you will get to truly know My Son, so you will love His Omnipotence and Omnipresence, and so you love your Fellow Travelers who have alerted man at the decisive instants for humanity.

MY CHILDREN, DO NOT FORGET THAT NEVER THE ASKING, WITH A TRUE HEART AND A FIRM PURPOSE OF AMENDMENT, IS IGNORED BY THE FATHER'S HOUSE AND BY THIS MOTHER.

Love one another, protect one another; at this instant—more than at any other previous instant—the unity of My Son's People is indispensable.

You proclaim the Glory of God; you adore My Son in the Most Holy Sacrament while you still can meet there, before the Temples are closed.

My beloved children,

**I PROTECT MY CHILDREN WITH MY MANTLE. BE FAITHFUL TO MY SON'S WORD.
DELVE IN THE KNOWLEDGE AND LET THE FAITH INCREASE IN YOU SO YOU WILL HAVE THE
COURAGE NOT TO DENY THE FAITH IN MY SON.**

Let everyone who reads this Word from this Mother be blessed by My Son in a special way, not only for reading this Message, but also so that with firm purpose initiate the change at this instant. Fight against the human self because at this instant conversion is absolutely necessary, not in the future when you will no longer have neither the courage nor the strength to convert.

**MAY MY SON INUNDATE YOU WITH HIS HOLY SPIRIT SO YOU WILL
MEEKLY ENTER INTO MY SON'S SACRED HEART.**

I bless you.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

INSTRUMENT'S COMMENTS

Brothers/Sisters,

AT THIS INSTANT—MORE THAN AT ANY OTHER PREVIOUS INSTANT—WE REMAIN IN DIVINE HANDS...

The Paternal House alerts us as it did Nineveh, but humanity responds like Sodom and Gomorrah.

It is with indifference that man looks at the great powers in constant provocations which could cause the outright war.

It seems unthinkable but the fact is that a great many human beings don't even know that there are conflicts between world powers; they don't even know about the persecution of Christians or the exodus of Christians looking for safety. It seems unthinkable but it is true. The disinformation is great because man thinks about himself—not about his fellow beings—because man lives for himself and not for others. As long as man lives well, he doesn't see what happens to his brothers even though it is our brothers in the Faith who suffer. Could it be that this topic is not even preached in temples?

Brothers, we remain besieged by our own free will that sleeps in its "ego". This is why we are called to wake up from the pleasant dream and find out what goes on in the world.

Man has been led to live in such conformism that he loses interest in what happens outside his surroundings, but this conformism will be shaken by the coming events and when this happens man will fall into despair because he is neither informed nor prepared in the Faith to deal with purification.

God's People have been blessed with Divine Assistance; they have never been forsaken, but they have had to admit their wrongdoings to be worthy of that help, and they have had to clamor for Divine Assistance.

In light of so many warnings, why don't we stop at this instant and rethink, meditate, and get informed? If they do not believe Heaven, then they should get informed through science or the media so they won't continue in that state of lethargy which is the enemy's great plan to keep God's People incredulous and distant from the events about which Our Lord Jesus Christ and our Mother alert us. Amen

DIALOGUE BETWEEN THE MOST HOLY VIRGIN MARY

**AND HER BELOVED DAUGHTER LUZ DE MARÍA
20 JUNE 2015**

The Most Holy Virgin Mary:

“Beloved children of My Immaculate Heart,

“MY MATERNAL LOVE IS CONSTANTLY WITH YOU.

“Luz de María, My beloved daughter, at the beginning of this Call by the Divine Will, the Paternal Home delivered the standards by which His instruments are guided; and given that My Son suffered, the majority of His instruments suffer in His likeness.

“My daughter, man does not fully comply with the First Commandment, he lets go unnoticed what he is supposed to reject, without analyzing what it is that he should push aside in order not to live superficially allowing himself to be guided by first impressions. The mind does not always lead to true understanding or to reasoning, and it does not perceive in the same way the requests and pleas sent by God to His People lest they fall in the trap of evil.

“Do not forget, child, that the imagination flies to where the creature wishes to direct it and thus he places his imagination in front of the great stalker that at this instant frantically seeks to divide My children.

**“TELL MY CHILDREN TO STAY AWAY FROM EVIL IN ALL ITS FORMS
AND THAT THE MORE UNITED THEY ARE, THE GREATER WILL BE THE STRENGTH OF MY SON’S
PEOPLE WHO ARE STALKED BY TEMPTATION MORE STRONGLY AND RELENTLESSLY.**

“Tell them that it is man himself who, with envy, lack of love disobedience, lack of charity, lack of hope, and what little information he has about My Son, gives the devil new ideas to make man fall.

“My daughter, tell them that I suffer to a greater extent what they suffer. I suffer with the Love of Mother of all Men.

“The distance between men and My Son is ever increasing; men refuse to be nourished by My Son in the Eucharistic Sacrament and, at the same time, they do not get nourishment from knowing the Divine Word; this is why they are easily deceived.

**“IF MY CHILDREN DO NOT KNOW THE DIVINE WORD, IF THEY DO NOT FULLY PRACTICE IN THEIR
WORKS AND ACTS THE COMMANDMENTS, OR THE SACRAMENTS, OR THE WORKS OF MERCY,
OR THE BEATITUDES, THEN THEY ARE DECEIVED MORE EASILY THAN SMALL CHILDREN.**

“Tell them, My child, that the devil is the one who does not want them to be nourished by the Divine Word, or the Eucharist, or the Divine Love, or prayer, or knowledge...

“The sleeping people evil will dominate with little guile...

“The awakened People evil will not easily deceive because they are stronger to deal with temptation ...”

Luz de María:

“Mother, humanity does not want to hear anything related to the Purification...”

The Most Holy Virgin Mary:

“TELL THEM, MY CHILD, THAT I DO NOT THREATEN MAN; I ALERT HIM ABOUT HIS BEHAVIOR, ABOUT THE MISUSE OF FREE WILL, AND THE CONSEQUENCES THEREOF. I alert you as per My Son's request in favor of man who lives dominated by secularism and sin in all its forms, and by material goods; above all, he lives in a total abandonment and contempt for My Son and for Me, and for everything that reminds him of the Faith of My Son's loyal People.

“Faith disappears very fast... On occasion what man expresses is a slight curiosity that leads him to want to participate of the popularity of the majority, but he doesn't know the depth of what it is to be a True Christian.

“AT THIS INSTANT THE APOSTLES OF THE END TIMES MUST UNITE IN MY SON'S MOST SACRED HEART AND IN MY IMMACULATE HEART, GIVING TESTIMONY OF THE LOVE THAT REIGNS IN THEIR HEARTS.

“Lack of understanding is the reason that at this precise instant the divisions are greater and My children attack one another. The evil one, oppressor of souls, knows well the charge given to the Apostles of the end times; for this reason he attacks their perseverance and their Faith, and creates confusion to destroy them with all the weapons he has in his hands.

“It will not be easy for man to keep his Faith before the burning crucible and seeing his brothers subjected to everything that is not My Son's Will in spite of all the countless offenses towards the Paternal Home and countless loss of human lives.

“I ALERT YOU, I WARN YOU, AND I KEEP YOU BEFORE THE TRUTH OF THE INSTANT. If you continue not listening and wrapped up in the stormy seas of sin, you will be lost; and it won't be because you were not warned about what you are facing. If you lose Eternal Life it will be because you are offspring of disobedience and you abuse the Mercy of God Who does not abandon His children.

“At this instant, most of you have enough to eat, but you ignore that in a short while you will not have enough; there will be generalized famine. The altering of seeds in laboratories will cause malformation in the crops; the contamination will be visible on most of the food and on a large scale.

“Hunger will lead men to kill their brothers; chaos will arrive unannounced, rebellions will not cease—on the contrary, they will increase in all the countries. The United States will have another racial revolution which will be repeated in European countries.

“The chaos will not stop those who do not have My Son within them; instead, they will be strengthened.

The Sacred Books and all books dealing with the Divine Word will be burned by those who have given themselves to the antichrist and will do so in obedience to him in order to destroy all vestiges of man's love for his God. The Temples will be destroyed and burned and on the ashes they will place sculptures of the devil. This is why I call you to conversion and not to deny that man, in his desire to overcome God, is destroying himself mocking My calls and disobeying the Divine Will of which I am Carrier.”

Luz de María:

“Mother, man believes that just like he has been warned of all this in the past, there is still plenty of time before the announcements will come to pass.”

The Most Holy Virgin Mary:

“Tell them, My child:

“The times became instants and the instant has been altered; they see the fulfillment of the events but they deny it because they are afraid of having to decide to live in the Divine Will.

“As in the times of Noah, they mocked him and offended him, even though they had been given signs ahead of time in order for that generation to change. They did not change and...What happened to them?

“The fallen economies will drown in the tears of the men whose hopes vanished. My Son's People moan; the labor pains will be greater and unimaginable.

“Pray, My children, for unity.

“Pray, children, communism lurks.

“Pray and wait patiently. God's People will see the one God sends to console them, a high-purity guide of souls. He will be sent so the souls will not give themselves to the enemy.

“Beloved daughter, tell your brothers that this Mother will crush the head of the infernal dragon. You do not walk alone; next to the Tabernacle I remain by My Son's side, I wait for you there.

“Pray, My children, for Colombia and Chile. My children’s tears will be purification.

“Pray and repair with a GLOBAL CHAIN OF THE PRAYER THE HOLY ROSARY at 12 noon local time for each country beginning on Monday, June 22th for three consecutive days.

“Pray; My Son’s Church will stagger.

“Pray, children, for the help of the Holy Spirit to enlighten the minds of the world leaders, although the war will not be stopped.

“Do not be surprised and do not panic; look for Our refuge and there you will be free. Convert; the Peace promised by My Son will be the banner of the Faithful People; anguish will become reward and fear will no longer be My children’s torment; man’s spirit will be free from the oppression of evil and the calamities will have been left behind. The one who was obedient will be given his fruit; the faithful, the promise; both will enjoy the same Bliss.

“Under the Sun of the Divine Will I bless you.

“MY CHILDREN DO NOT FEAR, THEY GO TO MY SON.

“Adore the Holy Trinity: Triune God.

“I love you.

“Mother Mary.”

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

INSTRUMENT’S COMMENTS

Brothers/Sisters,

Let’s love God, let’s look for Him and delve within Him because man does not love someone he does not know. Man must react to ignorance with knowledge; to lovelessness, with love; and to the human will, with the Divine Will.

We know that the trials will be strong, we know it... But that instant will be very different. That is why we must put to good use the blessing of bending our knees before the One who deserves all

the Honor, Power and Glory, and pray before the Most Holy Mother so She will intercede in favor of this generation. However, besides bending the knees man must be humble and **SAY YES! TO GOD, AND NO! TO THE ENEMY OF THE SOULS.**

There is so much lack of understanding of the Love of God Who gives without limit and yet where it is due!

Let's not forget that we are God's children and we must remain attentive and active in prayer; let's not be lamps under the table.

Brothers, blessed are those who can see the Divine Light in the dark, for they do not need proof to love God; they love God because they see Him in the essence of each thing created, and they love Him in each human creature.

Let's hasten the pace; we will be examined; our works and acts will pose before each one of us. Let's continue on the way to conversion each instant because it will never be enough.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
22 JUNE 2015**

Beloved children of My Immaculate Heart,

**REMAIN ATTENTIVE!
EACH ACT OR DEED BY MAN HAS ITS REPERCUSSION
ON THE HUMAN RACE.
CONTINUE FIRM IN THE FAITH!**

With pain I see My children walking astray, seeking without finding what they look for... and they are lost in greater numbers because they don't know My Son.

Humankind is submerged in all the vices because the instants go by and the Truth is not told to them.

My children do not find the way out; they open the wrong doors returning to the same starting point.

Beloved,

WHO DOES NOT HAVE GOD IN HIS HEART WILL FALL EASY PREY TO THE ENEMY OF THE SOULS.

This instant is for rethinking; the threats of the great powers will be the terror of mankind.

Each one is the reflection of what lives within. Everyone is born with a purpose in his life but... they don't know it! because they do not silence the mind which does not rest and does not fight to enter the inner silence.

Beloved,

I watched them act and at this instant I see them conditioned, subjected to the whims of the human "ego" and the misused technology. They live on what is superficial, on personal interests, and the other brothers are forgotten.

THIS INSTANT WILL RECRUESCE. MY CHILDREN ARE NOT PREPARED... UNTIL I SEND MY ENVOY.

I bless you.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
26 JUNE 2015**

My beloved People, I bless you,

MY MERCY KNOWS NO LIMITS; I PROMPTLY ALERT YOU SO YOU WILL CONVERT...

My Love overcomes man's offenses; this is why I alert you so you can ask forgiveness and recognize that you are not on the straight path; instead, you have deviated, some to the right and others to the left, but they don't follow Me, they follow the one that is already on Earth to flagellate My People. He has prepared the crucible for them and humanity welcomes with frenzy what is new, even when they go against Morality, Faith, and the very essence of man. Each one has senses and, in one way or another, these senses let man feel how he acts, but not all allow themselves to hear the voice of the conscience.

Children,

Lots of creatures have completely thrown Me out of their lives in order to enjoy without remorse—together with the devil that celebrates these acts—the death of their brothers. Violence is on the increase, encompassing so much, that the same man can't find a way to ward it off. This is one of the great signs of the spiritual state in which the members of My Church find themselves. "You will know them by their fruits."[\[1\]](#)

EACH WORD PRONOUNCED BY ONE OF MY CHOSEN AND BELOVED PRIESTS MUST HAVE THE PURPOSE OF UNITING MY CHILDREN, OF ALERTING THEM AND AWAKENING THEM, because hate is surrounding each human being until it becomes a necessary complement in the lives of My children to make them remain in a frame of mind outside My Will.

AT THIS INSTANT I HAVE ANNOUNCED, AND SO HAS MY MOTHER, THE CALAMITIES THAT ARE COMING YOUR WAY; AND YET MAN REMAINS IN TOTAL INERTIA.

My beloved,

You have come to depend on what the scientists announce or do not announce. Most of science is controlled and at the service of evil. Do not expect them to alert you on time because they do not want to cause panic when the comet approaches. Remember that evil's purpose is to eliminate those who are Mine.

Diseases are on the rise and humankind is not aware of it; be cautious.

MY IGNORANT PEOPLE! FEW LISTEN TO MY CALLS KNOWING THAT I DO NOT SPEAK IN VAIN, I DO NOT ANNOUNCE IN VAIN, I DO NOT CALL IN VAIN...

Those who are powerful have prepared a place of refuge to try and save themselves, but it will be impossible.

Every instant My People are diminished because there is nobody to awaken them and preach to them My Truth.

Man loses his manhood and woman loses her femininity.

Abortions are performed without any human feelings. They will be punished for this most grave sin.

Man, each time less of a man, is guided by animal instincts, not human.

Each human being is a magnet that, with his feelings, wishes, and objectives, expands over the sea

of human destiny as at this instant when evil is greater than good. Man, with his capacity superior to everything around him, is capable of spreading his wrongdoings to attract more evil onto himself. This is why evil abounds.

THE GREAT TRIBULATION HAS BEGUN; VERY GRAVE INSTANTS ARE APPROACHING HUMANKIND AND THOSE WHO DO NOT WANT TO CHANGE ARE HEADING TO THE PRECIPICE.

Ideologies that are not Christian prevail within the heart of My Church's Hierarchy; the freemasonry holds control of much of what is dictated, and My People ignore it.

SOME DO NOT LOVE MY MOTHER ON ACCOUNT OF HER ANNOUNCEMENTS REGARDING HOW MUCH MAN MUST CHANGE AND SANCTIFY HIMSELF. Disobedience prevails in My Church; new things will not bring children closer to repentance; on the contrary, they will profane Me constantly.

SOME OF MY PRELATES SEND MY MOTHER TO THE DESERT SO SHE WILL NOT PREPARE MY PEOPLE. They have forgotten that I am their God and My Word is explained to awaken those who are Mine and it will not be silenced, instead it will increase for the righteous to be saved.

Children of My Sacred Heart,

Remain alert. Behind some who are not priests and announce My Word, there are economic interests that keep them obsessed with being role models for those who are Mine and, behind them, god money controls their lives. "Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who does the will of my Father in heaven."[\[2\]](#)

My People,

MY HOUSE HAS BEEN INVADDED BY SOME WHO DO NOT BELIEVE IN MY TRUE PRESENCE IN THE EUCHARIST, THEY DO NOT BELIEVE IN MY JUSTICE, AND THEY DON'T WANT PRAYER...

I AM SO LACERATED IN MY OWN HOUSE!

THEY DO NOT WANT MY MOTHER TO WARN MY PEOPLE EVEN THOUGH SHE IS THE MOTHER OF THE WORD!

My Church is getting close to the Schism which will cause the greatest division never before seen by man.

I WANT UNITY IN MY PEOPLE, but they are on several slopes very far from My Doctrine. They have deformed My Doctrine to suit man. My Law is one and does not change. When within My Church they opened the door to freemasonry, the plan designed by evil had already stealthily infiltrated the heart of My Church thus smoothing the way for the usurper of the Mystical Body.

I see man so distant without Me!

They remain so far away from the Divine Love when they do not come close to Me and do not accept My Mother as My Mother!

I HAD ALREADY ANNOUNCED TO YOU MY SECOND COMING WHICH I RUSH BEFORE ALL MY CHILDREN ARE LOST...

My People must remain very alert in light of the liberalisms to which I am subjected and which are not My will!

THE EARTH WILL BE SHAKEN BY AN ASTEROID THAT WILL ALARM HUMANKIND.

Pray, My children, pray for the servers of evil so they will repent and save their souls.

BE WITNESSES OF MY LOVE, DO NOT DENY MY WORD WRITTEN IN THE HOLY SCRIPTURE, AND COMPLY WITH MY WILL.

Pray, children, for the United States; the great eagle will lose its plumage.

Pray, My children, for France; it will burn in misery.

Terrorism advances without stopping, slowly and without fanfare, until it is present in the pain of My children.

Beloved children of My Sacred Heart, My Temples are plundered and desecrated with mundane acts; I withdraw instantly.

SOON I WILL EXAMINE YOU THROUGH THE WARNING, AN ACT OF MERCY FROM MY HOUSE TO THE LOST HUMANKIND.

Beloved, the volcanoes will awaken worldwide; pray to placate them.

**DO NOT DESPAIR WHEN THEY ANNOUNCE THAT I AM COMING;
REJOICE BECAUSE YOU WILL SEE ME COMING DOWN FROM HEAVEN.**

Be constant in prayer and action so you won't give evil the opportunity to fight you from within.

Most of Mine do not believe My Mother's warnings, and She lives in Our Will...

AT THIS INSTANT MY CHURCH MUST REMAIN VERY ATTENTIVE AND MUST FIGHT FOR CONVERSION; YOU MUST NOT TALK ABOUT MY WORD WITHOUT KNOWING IT AND WITHOUT PRACTICING IT BECAUSE YOU WILL FIND YOURSELVES FAR FROM SALVATION.

Creation is the work of the Hands of My Father, but it is not God.

My beloved,

Controversy confuses; and confusion does not come from My House; it is satan's property to divide My People. A divided People is a vulnerable People; a united People is a strong People because they feed on one another's wisdom. Those who are humble recognize unity; those who are proud, are self-sufficient.

My beloved,

REMAIN ATTENTIVE TO MY LAW, DO NOT DEVIATE FROM MY TRUE PATH BECAUSE THE WOLVES AROUND HANGING AROUND MY CHILDREN TO PREY ON THEM AND DEVOUR THEM.

My People will not go on alone; My Help is coming, My Help is coming from My House...

I AM YOUR GOD AND MY WORD DOES NOT CHANGE AND WILL NOT CHANGE.

"I AM WHO I AM."[\[3\]](#)

I DO NOT FORSAKE YOU IF YOU EMBRACE MY LAW WHICH IS ONE FOREVER AND EVER.

I bless you, you that are blessed by my Father[\[4\]](#), because you do not go astray and are not afraid to follow the Eternal Truth.

PRAY, MY CHILDREN, PREACH TO YOUR BROTHERS WHO REMAIN ASLEEP.

I bless you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

AT THESE INSTANTS OF SO MANY CRISES, NOT ONLY AT THE GLOBAL LEVEL WITH THE THREAT OF SO MANY CHANGES, BUT ALSO AT INSTANTS OF SPIRITUAL CRISIS, GOD'S CHILDREN MUST KNOW HIM IN HIS WORD, IN THE HOLY SCRIPTURE SO WE WILL NOT BE DECEIVED.

The interests of a society must not prevail above God's Will; instead, they must motivate us to meditate on the Divine Justice that sees His People submerged in division, satan's strategy to

complete his entry into Christ's Church and take it over.

Brothers, the climate of tension in which those who remain aware of all that happens in the world is not easy to bear without being sheltered by the Faith in that the Paternal House will not forsake us.

There are brothers who have not heard about what is going on, brothers who live their lives within their own immediate surroundings, and those who ignore what is happening are the unwary who will later accept all that goes against the Father's Will and against the Commandments. Thus Heaven's insistence in calling us to evangelize our brothers so they will wake up and not fall prey to the machinery of the antichrist that pounces with fury on Christ's Church.

Violence is rapidly increasing and at the same time it is spreading, because we are confronting the envoys of the antichrist who do not waste an instant to attack Christians or innocents from other denominations.

Brothers, we are about to suffer great calamities, and yet division continues to prevail among God's children; and while this continues, evil gains ground, and the Mystical Body of Christ is devoured by birds of prey.

Let's ask God that the instant accelerates so the righteous will not be lost; and let's pray for the help that Heaven has promised us through the Envoy from the Father's House, and that will help God's People, will come soon, will not delay, because God's children are confused, uncertain, and threatened by those who serve evil and persecute God's children.

Amen

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
28 JUNE 2015**

Luz de María:

Here is the King of kings...

In the embodied look of love, our beloved Jesus expresses without disguise a certain solitude caused by those He loves. He asks me to transmit His Word. With His white Vestment, more white from light than anything else, His chestnut Hair, and His complexion the color of grains of wheat, of great beauty which is not so much human as it is of great Divine beauty, His Spirit glows more than any human being could imagine, He raises His Hand and looking at Me intently, says:

Christ:

My beloved, do not expect everyone to believe you. Just like not all believed Me, so it will be repeated with you. Man believes mostly in what he sees and, on occasion, on what he doesn't see; he believes in what is easy or beneficial in some way for his living.

My daughter, You owe obedience to Me; do not stop walking no matter how strong the winds against you. **I DID NOT STOP ON MY WAY TO THE CALVARY, SO YOU CONTINUE ON YOUR WAY.** The instant will come when those who judge you because you live in compliance with My Word and with that of My Mother, will have to recognize within themselves that it is not you: **IT IS I WHO SPEAKS TO YOU AND ORDERS YOU TO TRANSMIT MY WORD FOR ALL THOSE WHO WANT TO COME TO ME**

Remember that I was despised; I was disowned by those who called Me brother when I wasn't; the Nazarenes made fun of Me. **BUT I, OBEDIENT TO MY FATHER'S WILL, PRAYED INSIDE OF ME FOR ALL THOSE WHO YELLED: CRUCIFY HIM!** My gaze was lost in the crowd and, while I walked with My Cross, I saw those who traded with the Divine Word within the free will. I saw some who taught the PSALMS to the People for a few cents. I saw some who sold fragments of the PSALMS and of the Divine Word interpreted by their free will, recognized among men, but unknown to My Father.

My Mother kept Me company and, next to Her, John and My faithful Women Disciples came up to the Calvary showing themselves before all. **MOST OF MY DISCIPLES WERE WATCHING FROM A DISTANCE AND OTHERS TURNED AWAY OUT OF FEAR. BUT I, OBEDIENT TO MY FATHER'S WILL, WALKED SEEING ALL THE INSTANTS OF HUMANKIND AND REPAIRING FOR EACH ONE OF MY CHILDREN.**

I still continue looking for My People: Some are hiding so they won't be recognized, others hold so much fear and human respect!... some do not show their true faces, others—in a dim light so as not to be recognized, and in a soft voice—speak unfoundedly against My Word. Some of My other children, not understanding the greatness of My Love, turn their backs on Me in light of criticism and lies. And even then **I FORGIVE AND I LOVE, I LOVE AND I FORGIVE... LIKE A BEGGAR FOR LOVE, I REMAIN BEFORE MY PEOPLE WHO WILLINGLY STOP BEING MY PEOPLE.**

The splendor of all things mundane overshadows the mind, the thinking and the hearts of men who forget from where they came and acquire habits contrary to righteousness, as the King's offspring that they are.

The instant is coming when before Me each one maybe will find that he did not live in My Will but in a slight varnish of what is My Will...

The instant is coming when each one will see how he despised Me based on slander, and how he despised his brothers by living a false religiosity that is not My Truth or My Commandment...

The instant when each one will see himself is coming to humankind ...(1)

“AT THAT INSTANT I WILL BE SPECTATOR BEFORE THE MAN WHO AT THAT INSTANT WILL ALSO BE SPECTATOR OF HIS OWN LIFE IN WHICH HE WAS ACTOR OF HIS ACTS AND HIS WORKS.

My beloved, I am so lacerated! My angels shed tears for this generation.

The human beings are submerged in the accelerated pace of the mundane and do not notice what is brewing, with apparent good intentions, as part of the freedom offered to them by the evil oppressor of the souls to deceive them.

AT THIS INSTANT WHAT IS TRUE IS THE REBELLION AGAINST MY MANDATES: I am despised, they respond to Me with rage, wickedness, falsehoods, lust, disobedience, and hubris, killing their brothers—some with man-made weapons and others with their own words. The blood of so many innocents is spilled out of hatred for the Faith, and violence increases in the men who give themselves to satan carrying throughout the Earth the rage grafted onto them by the demons.

Pray, My children, pray for France and England; they will suffer the weight of the hand of terrorism.

Children, nourish yourselves with My Body and My Blood, nourish yourselves with My Word, nourish yourselves by loving Me, nourish yourselves by loving My Mother, praying the Holy Rosary, and offering Me all that happens to you as you walk, to reinforce yourselves internally. **YOU MUST BE MORE SPIRITUAL SO YOU CAN BE MESSENGERS OF MY LOVE.**

Pray, My children; the United States will be shocked by the insidiousness of terrorism that will wound it.

Beloved children who console Me,

I DO NOT FORSAKE YOU IN ANY OF YOUR NEEDS. Me legions remain next to each one of those who are Mine, encouraging them in the trials. My People walk towards the New Land, and to get there, they must pass through the crucible to purify themselves.

Pray, My children, for Colombia; it will suffer; the land will tremble.

I do not punish you; folly and disobedience keep you at this juncture. The wails of the innocent who do not reject the Faith in Me will be **THE GREATNESS OF MY PEOPLE...**

Humanity does not walk, does not take firm steps, they only go by without leaving footprints of Eternal Life. They have associated themselves with evil, the desire to eliminate My People, that is the order given by evil who by means of alliances with the great nations behind humanity's back, has shaken hands to surrender world power, and who will later betray the ones who shook hands with him in order to set up the single government, the single religion, the single coin.

ONE WILL RULE THE WORLD WITH AN IRON ROD, CONTROLLING THE MIND, THE FOOD, THE CLOTHING, AND DENYING MAN THE RIGHT TO GATHER AND TO PRAY.

Then they shall rise against each other and as if they did not know each other, they will turn each other in. This is My suffering for each one of My children.

From the standpoint of humanity, so many alliances appear to be made, when in fact the promoters are great rivals! And this brings the intention of agitating men even more, men who look on, as spectators, the threats of war between countries.

Beloved,

The turmoil of this instant invades the minds—overwhelmed by ignorance, folly, the dulling and numbing of the technology used incorrectly—and spreads like the wind causing social uprisings in the countries. Thus, violence and wickedness walk hand in hand, which together with ignorance of My Love, make man misunderstand My Omnipotence.

**THE EARTH THAT RECEIVED THEM WANTS TO EXPEL THEM
BECAUSE OF THE HORROR THAT MAN IS CAUSING WHEN SIN SUPERABOUNDS AS AT THIS
INSTANT.**

The spasms of the earth will be continuous, the seas will tremble, and the Prophecies will be fulfilled before a man who does not pray to attenuate the events announced by My Mother, before a man who contradicts himself carrying My Word but acting contrary to what he preaches. Men hear the moans from the depths of the Earth but don't know from where they come; they ignore that the layers of the earth shift causing moans to reach the surface.

Beloved children, I suffer with you; I have not separated you from Me. Evil attracts evil; good attracts good.

They have taken to the air to travel from place to place; and not satisfied with that, man will take to the air bringing death with him in alliance with evil.

AT THIS INSTANT MAN MUST DUPLICATE THE KNOWLEDGE. Just like evil knows the weaknesses of humankind, My children must know how not to fall into the traps of evil; and to do that, they must be more spiritual. Men have not known Me; even after more than two thousand years they still have not reached the depths of the knowledge of My Will.

**DO NOT REMAIN INDIFFERENT TO MY CALLS.
VISIT ME IN THE SANCTUARY, RECEIVE ME IN THE EUCHARIST,
COME TO ME, LIVE MY WORD, REPENT OF SINS.
CONVERSION! CONVERSION! UNION! UNION! UNION!**

My People will triumph together with My Mother who guides them.

I am with you, children.

My Protection is for My People as the air for man...

My Protection is the 'land flowing with milk and honey.'²⁸...

My Protection is "the light of the world"²⁹, "the salt of the earth"³⁰...

**IF YOU ARE TESTED, BE MORE COURAGEOUS;
KEEP UP THE FAITH AND THE TRUST IN THAT I DO NOT FORSAKE YOU.**

SHELTER ONE ANOTHER; HELP ONE ANOTHER AS I CARRY YOU IN THE PALM OF MY HAND.

I love you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

At this instant Christ speaks to us about the pain He suffers because of man's denial before Him who is Absolute Love.

We are called to live within the Truth of that Divine Mercy, maybe not thinking that it's from Christ towards man, but taking as a starting point that merciful emanation that comes to us and then spilling it towards our brothers.

Christ tells us, "Men have not known Me; even after more than two thousand years" **HOW PAINFUL!** but it is true; the problem is looking for the Truth on what is exterior. The Truth of knowing Christ is undeniable and necessary, but it will begin to happen when we do not search on the outside but within, in the intimacy of the conscience, in that One on one with God. Christ hurts because man disobeys Him, because of man's bad attitudes, bad acts, bad deeds, man's wrongdoings.

We also know there will be confusion; and since we know, the most objective and logical thing to do would be to prepare ourselves to encourage those who do not know because, if everyone were to know, this generation would be different. We know it won't be like that because if all of us believed, life would be very easy. Evil exists, and like Christ says, we must know Him to be able to recognize Him and be aware when evil deceives us; otherwise, we will become easy prey for evil.

Brothers, let's not reject the Word that comes to us; instead, let's ponder it, meditate on it , and treasure what it gives to each one of us.

Let's continue to overcome the falls...

Let's continue in the certainty that God is the Beginning and the End, and that nothing and no one will defeat Him.

LET'S KNOW HIM SO WE WILL LOVE HIM.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
30 JUNE 2015**

Beloved children of My Immaculate Heart, I love you and you beat inside My Heart.

EACH INSTANT I DEFEND YOU AGAINST THE WICKEDNESS THAT LIES IN WAIT FOR YOU.

Children, you must want to move away from temptation and not to get close to temptation. Man has the capability of saying NO to temptation; however, curiosity is a weapon that predisposes man to sin. Man seeks to have more than his own brothers. In that tireless search, they have transgressed the Natural Laws, they have ignored the natural limits, and have seen with disdain God's Law.

I HAVE ANNOUNCED EVERYTHING THE DIVINE WILL HAS REQUESTED REGARDING THE FUTURE OF HUMANKIND. AT THIS INSTANT, THE FUTURE ABOUT WHICH I WARNED YOU IS NO LONGER FUTURE; IT HAS BECOME THE INSTANT OF INSTANTS.

Beloved children,

Man has despised the Calls of the Creator; only a few have remained obedient in Faith. All My announcements for you to increase the prayer and lessen the wrongdoings you have omitted in your free will, knowing that the coming events will not be revoked but they can be attenuated by means of prayer, penance, and fasting from My children. Still they deride Me and omit the Warnings.

Children,

YOU SHOULD HAVE STOPPED BEFORE THIS GENERATION PLACED ITSELF IN THE HANDS OF THE EVIL ONE!

You have not measured the wickedness with which you act; you have allowed yourselves to be actors in a shameful fad that saddens My Son...

Men of little Faith! You mock God's Natural Plan, and this leads you to exile...

The same land that has cradled you will make you tremble...

You will examine yourselves and then darkness will linger for three days.

I CANNOT ADDRESS MY CHILDREN CALLING THEM ONLY TO CONVERSION AND TO PRAYER, INSTEAD, MY DUTY AS MOTHER IS TO CALL YOU TO EXAMINE YOURSELVES, TO CALL YOU TO BE AWARE OF YOUR WRONGDOINGS AND THE WICKEDNESS IN WHICH YOU LIVE, TRANSGRESSING MY SON'S MERCY.

Are you waiting for the antichrist? Have you heard about the antichrist?...

Those who are still aware that the tribulation will fall onto My children wait for him fearfully ...

Those who do not obey the Divine Word and do not forget the mundane wait for him incredulously

...

Little children, there are great secret organizations that control the world, which they hastily push towards a single government which will be the key to the entrance of the antichrist. Children, the antichrist is on Earth brewing his plan to take man down to the ground so he will thrash around in the mud of sin against the Holy Trinity.

The antichrist has signed pacts, he has taken possession of money, weapons, top grade technology, institutions, religions, and the will of the men who have given up their places for him.

THE ANTICHRIST IS IN YOUR MIDST. HE HAS TAKEN THE REINS OF THE WORLD AND AT THIS INSTANT HE MAINTAINS CONTROL OF HUMANKIND IN THE ECONOMY, THE FOOD, THE POLITICS, THE POPULATION CONTROL; AND HE MANIPULATES THE HOLY SCRIPTURE SO THE POLITICS WILL DEVIATE MAN FROM THE RIGHT PATH THAT MY SON HAS LEFT FOR HIM.

You live the most serious moral revolution ever lived in the history of mankind: Governments have decided for themselves debauchery and human deviation, which will generate a great persecution against My children at the hands of a humanity unbridled, uncontrolled, without God, and with a decadent Faith that will silence My Son's Church

My beloved, I have called you so much to conversion and you have mocked Me so much! At this instant you are before what you have denied: The antichrist taking over the power of the world.

THOSE WHO PREPARE THE ARRIVAL OF THE ANTICHRIST ARE THE ONES BEHIND THE IMMORALITY, THE LACK OF ECONOMIC, SOCIAL, AND POLITICAL STABILITY TO CAUSE CHAOS AND THUS DOMINATE THE SURROUNDINGS NECESSARY TO PRESENT THE ANTICHRIST TO THE WORLD.

HE WILL CULMINATE FIGHTING AGAINST GOD'S CHILDREN.

Beloved of My Immaculate Heart,

Man cannot live without his Creator because he will fall into wickedness if he doesn't repent firmly and convert. This generation will drink the bitter cup of his own misused will, rebelling against their God.

Pray, My children, for France; it will suffer greatly.

Pray, children; man's hubris will take him to war.

Pray, My beloved, the Peoples will stir up and they will blame My Son for their misfortunes without looking at themselves.

Pray for your brothers who adore the god money; they will find no repose.

Beloved children, My Son gives Himself equally to all men, He guides everyone equally; all are His children.

My Son shines like the sun at high noon; no one can get away from its light and its warmth...

My Son shelters everyone. Like the sun's rays reach even the places where there is darkness, so My Son constantly and tirelessly looks for His children; He looks for them even in the darkest places where they can hide to get away from Him.

THE SUN STAR THAT SHINES WITH FORCE IS GOD'S CREATION AND FULFILLS THE FUNCTION FOR WHICH IT WAS CREATED, JUST LIKE ALL THAT EXISTS IN CREATION FULFILLS THE PURPOSE FOR WHICH IT WAS CREATED. The one who rebels is man to whom God the Father, from the beginning of Creation, granted everything necessary for him to be in agreement with God's Divine Will. Man rebels instant to instant, so much so that he hastens the instant with his bad works and bad acts, his wrongdoings.

Beloved, an event will shake My Son's Church; terror will get to Rome to take what is not its property.

The United States will cry because of the rage of those who do not love it. My Son suffers so much because man rebels against The Commandments of God's Law! The man who throws God out of his life falls prey to the evil oppressor.

Beloved, you who keep listening to this Mother:

Be witnesses of the works and acts of My Son...
Be Love, Charity, and Forgiveness...
Receive My Son properly prepared...
Come before the Sanctuary and repair humankind's wrongdoings...
Be unity and fraternity...

**CHILDREN, SHELTER ONE ANOTHER.
JUST LIKE HUMANITY REMAINS IN TURMOIL,
SO THE DEVIL WILL ATTACK MY CHILDREN WITH MORE FORCE.**

Those who remain farthest from worldly things will be better prepared to face the cruelest part of the trial. Who seeks the mundane, in the mundane will perish. You must be like those who do not follow the current of the world; you must walk against the world in order to make a difference.

The land will continue to tremble. Do not get distracted, children; the land will sink in several countries as if it were hollow.

Do not move away from My Son because those who move away risk falling and not getting up. Everyone is tempted but they do not remain in it because My Son's Love has marked the way for them.

Beloved, these are difficult instants; everything you see is different from what My Son preached. But do not get discouraged because My Son and His Angelic Legions will protect you.

**DO NOT BE AFRAID; THIS MOTHER IS WITH YOU.
I, WHO AM YOUR MOTHER, I'M HERE NEXT TO EACH OF YOU.
YOU WILL NOT BE ALONE, MY SON'S PEOPLE, COME TO MY MATERNAL ARMS.**

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

In light of the chaotic situation that humanity is living at these instants, we can see that what evil has been slowly brewing in order to deviate man from the salvation of his soul is bearing fruit at this instant. What is happening is not the result of one or two years; it's the product of many long years during which many different systems have passed at the global level.

Satan, man's enemy, wins with his great eloquence and deceives man who yields with astonishing ease. Man makes it easy for the devil to tempt him and has declined at an accelerated pace. Now, at this instant, man finds himself before the greatest moral catastrophe in his history.

Evil hastens to establish the antichrist, and good is quickly removed. The Temples are destroyed, Christians are persecuted, tortured, and killed; and not even one voice is raised with force asking for protection for these brothers that are suffering.

The People who walk through the Valley of Tears, they are God's People...

It is not surprising that Nature sees in man a being that is not in agreement with God's creation. The devil does not wait anymore; he has already infiltrated God's People, because he is looking at decrepit People and he is getting ready to establish a New World Order which is the great strategy of the antichrist. He started with the idea of globalization and then he has gained ground, and all this so he can give power to the antichrist.

Brothers, what is happening at this instant? It's the result of the misused technology that distorted the youth from an early age. That result is obvious, and yet man continues to fall prey to the same product he is seeing at this instant.

Brothers, let's unite; God's children should not devour one another. Let's pray; let's delve in the knowledge and let's provide comfort to the Sacred Hearts—one 'I love you' for all the 'I love you' that the human creatures do not pronounce.

Amen

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
4 JULY 2015**

My most beloved People, children of My Eternal Love,

I bless you with My Love, I bless you with My Mercy, I bless you with My Justice.

My beloved children, this instant is a common instant:

IT IS A CRITICAL INSTANT FOR HUMANKIND IN GENERAL.

Beloved, I will punish anyone trying to destroy the Earth.

My People have left Me out of My Kingdom.

**I HAVE CALLED YOU TO KNOWLEDGE, TO DELVE INTO MY WORD
SO YOU CAN DELVE WITHIN ME.**

I ask you: Who are those who have power over My children? Those who know the secrets that have been hidden from My People. The ones who have the power over the world have been forming a select group of people to command the history of man; but they forget that ...if they decide to destroy the world, I will intervene over them.

You have forgotten that at some instant the communications will fail either because of the sun flares, or because of strife among men, and humankind will be left without communications. You will not be able to know what is going on somewhere else on Earth. At that time you will be sorry for not having the help of My Angels because you never thought it was necessary to remain close to them and to keep them close to you. At that time you will regret having neglected My Mother and not having called Her 'Mother' since I began to warn you.

My children will cry, they will be sorry; they will tremble for not having obeyed what My House is revealing to you at this instant.

**WHEN YOU WANT TO LOOK FOR WISDOM YOU WILL NOT FIND IT BECAUSE IT WILL BE
RESERVED EXCLUSIVELY FOR THOSE WHO WILL HAVE REMAINED FAITHFUL AND WILL HAVE
STRIVED AND WILL HAVE PASSED THROUGH THE CRUCIBLE.**

Children, so many false prophets have been on Earth giving wrong dates and causing incredulity at this instant when men do not believe My Calls!

You are heading for the end of this generation, not the end of the world. You will encounter all the trials at the signs of this instant, at the signs with which I announce to you that evil is greater than good, that war intends the possession and extermination of much of the human race, the abuse of men causes dominance, that racism will produce new uprisings, that corruption will be the letter of introduction of those who remain ruling the peoples, and that the violations will be the result of degrading barbarism and diminished morality of man at this instant.

Who brings about all of these labor pains? The devils of flesh and bone that live maybe nextdoor to some of you. More than ravenous wolves in sheep's clothing, at this instant the devils are mixed among the wheat and the weeds and have been created by the minds and the hardened hearts of men who have voluntarily distanced themselves from the Divine Will and from My Mother.

Children, I am not talking about the past; I am talking about this instant and the ones that follow, when people do not have faith, and they will move from one country to another looking for safety, but throughout the planet the insecurity will be the same.

I have called you to approach the Eucharist to receive spiritual strength, and for you to grow spiritually giving life to your prayers "whether the time is favorable or unfavorable."³¹ My children, those who do not pray do not get close to Me or to My Mother; those who do not pray are not tuned into the same spiritual melody as those who do pray and attract blessings with their prayers.

It is urgent that my people live firsthand the need to approach Me at this instant of great spiritual turmoil that humankind is living; at this instant of great spiritual confusion—moral and social—at this instant when those who manipulate humanity in several countries need to give the people greater baseness, since amid the baseness, man's spirit declines and man no longer hears My voice or My Mother's. Thus, when human creatures do not live in the truth, evil wins souls.

**WAKE UP! EVIL'S ALLIES ENGENDER EVIL FOR HUMANKIND.
IT IS THIS WAY THAT THEY ARE CREATING A GENERATION OF VIPERS WHO DESPISE ME, OFFEND
ME, DO NOT LOVE ME, DISRESPECT ME, AND THEY ENCOURAGE THIS GENERATION TO DISOBEY
MY WILL AND MY COMMANDMENTS...**

A worthy ruler maintains the dignity of his people; he does not encourage them to practice what is not My Will but satan's trap.

**CHILDREN, HOW CAN YOU NOT REALIZE THAT SATAN HAS TAKEN OVER THE MINDS OF GREAT
LEADERS AND THROUGH DEBAUCHERY AND LUST IS REACHING MY CHILDREN?**

**THE ANTICHRIST IS ON A LAYER INVISIBLE TO THE EYES OF MY PEOPLE BUT VISIBLE TO THE
RULERS WHO HAVE COMMITTED TO HIM TO GIVE HIM POWER AND FAME.**

³¹2 Timothy 4:2 New Revised Standard Version Catholic Edition

MY SMALL CHILDREN HAVE BEEN TRAINED AT HOME, THEY HAVE GROWN UP IN TRAINING, AND AT THIS INSTANT THEY ARE THE RESULT OF WHAT THE PARENTS GAVE THEM TO DRINK, TO EAT, ...TO LIVE.

Hollywood's big business has sold violence to the world, and the world took the forbidden fruit and ate, thus getting poisoned with wickedness in order to give evil in all its forms to their brothers at this instant.

I warned you and you did not obey; I called you and you rejected My call; I announced to you ahead of time the coming events, and you mocked them.

My children, humankind will change from one instant to the other without giving you the opportunity to do or to change anything...

The economy will be the misery of mankind...

The poles will be inverted... and My disobedient People will cry until the tears dry up...

Darkness will cover humankind for three days during which you will be purified like never before because of the sin without measure to which man has come.

Within My Church they have flirted with evil; freemasonry holds power...

My children, pray; the evil one will harm My children and will confuse them.

Beloved children, pray; the earth will tremble with force.

Beloved children, pray, convert; pray for the United States and for Colombia; they will suffer with great pain.

Beloved children, wake up! I call you to convert; be a blessing for your brothers, do not join those who persecute My People, do not be those who with their words deny My Mother; warn your brothers so they won't fall prey to the clutches of evil and lose their souls.

Wait, My Help will arrive from Heaven. My House does not leave you alone; the true wisdom is coming, My People will be consoled and the faith of My own will be vindicated.

Do not be afraid, remain firm, do not stagger in your faith; be continuators of My Will, be observant of My Will, be My faithful People.

I bless you with My Most Precious Blood.

I bless you with My Love.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Man has in front of him two paths: Good and evil. Man has the right to his free will which is nourished by everything around him but, above all, by each one's inner life which can be summarized as the degree of Love that each one has to give to Christ and to his fellow human beings.

We have a reality: We must accept Christ with all that this implies to a true Christian, at this instant, when we will show that we do not go with the flow of the world, as we respond in our daily living which is not parallel to that of those who do not care about the soul or salvation.

Our Mother will be announcing to Her Son's People the path and the successive events. She has the prerogative, granted to Her by God, to announce all that is coming in a loving revelation from the Father to His children.

Let's keep in mind that an Angel has been announced, a Celestial Messenger who will help God's children, who will give peace to God's People in the midst of conflict. Let us not decline because we are neither children without a Father nor children without a Mother.

HEAVEN IS HERE HELPING US, AND LATER WE WILL ENJOY A NEW EARTH AND A NEW HEAVEN.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
8 JULY 2015**

Beloved children of My Immaculate Heart,

**MY CHILDREN, I COVER YOU WITH MY MANTLE OF LOVE.
I COVER YOU WITH THE MANTLE OF MY MATERNITY.**

I intercede before the Holy Spirit to fill you with wisdom so you will be able to recognize this decisive instant and stop wandering under the guise of evil as if everything were continuing normally.

Children of My Immaculate Heart, you who read and love the Divine Word explained in these Messages of Love, be certain that the powerful do not expose the whole truth of the events that are happening. They keep humanity expectant regarding the economy of a country and, behind all those economic happenings, they propose new laws with more force that act negatively on the society and going unnoticed by man.

The military forces move very strategically at this instant when man does not see, does not read, and does not know about the little notes in small print, taking advantage of the economic situation in Greece.

Beloved children of My Immaculate Heart,

Not all that glitters is good. The economic interests of the powerful nations guide them and design their strategies for man to deviate his attention away from spirituality and what is truly important and transcendent for all of humankind, such as religion and morality on which God's children must be founded.

Indifference and lack of awareness regarding the events that I have announced make humankind conform and not see the strategies of evil that covertly take humanity to evade the good deeds, defying God's Law.

Beloved children of My Heart,

One provocation from one country suffices for war to start and for all humankind to suffer the corresponding consequences. Do not avoid My Warnings as if they were meant for other creatures; they are for you; they remain before you and they will take you by surprise.

My beloved,

THE DRAGON WAKES UP TO SHAKE HUMANKIND THAT IS FOCUSED ON THE MUNDANE. THE DRAGON WILL SURPRISE YOU PROVOKING THE EAGLE, AND THE EAGLE WILL RESPOND WITHOUT THINKING.

Children of My Immaculate Heart,

YOU WILL CARRY THE WEIGHT OF THE CROSS OF HUMANKIND'S SINS; HUMANKIND THAT HAS REBELLED AGAINST MY SON'S WILL. EACH ONE WILL CARRY HIS CROSS; YOU WILL PERSONALLY LIVE IT WITHOUT LIGHTENING THAT BURDEN. MY SON'S PEOPLE WILL DRINK THEIR OWN SINS AND WILL SEE THEIR OWN DENIALS OF MY SON'S WORD.

You live in the midst of great confusion suffering the disorder with which you gravely offend My Divine Son. Sin drags you like water in a flood. You know My Son's Will. Do not excuse yourselves to disguise the sins that have brought you to the worst debauchery of all times, guided by satan who prepares man in this way to deliver him to the antichrist...

The Law was written by the Eternal Father; He is the Beginning and the End; He knew well what is happening at this instant and thus He dictated His Law for all times. Man has no power to change the Divine Word.

My beloved,

Within My Son's Church, the freemasons and the illuminati have been gaining power and, at this instant in particular, they influence humanity fighting to deviate from the Path of the Truth those who believe, being consistent with the opposite of what My Son preached and that remains written in the Holy Word.

Beloved children of My Immaculate Heart,

With pain I convey to you that some of My favorite children (the priests) hurt My Divine Son because they have stopped believing in the Miracle of Transubstantiation and they do not believe that My Son is present in the Bread and the Wine during the Consecration. This generates a weakening at the root of the Christian Faith to minimize My Son's Presence and to make the antichrist stand out. These mistaken schools of thought undermine My Son's Truth, maintaining power to make decisions in secret, **AGAINST MY SON'S TRUE CHURCH. THEY ARE WOLVES IN SHEEP'S CLOTHING.**

Beloved, I must say this to humanity through My daughter so they won't continue following the wolf tracks; instead they must convert so as not to lose the Eternal Life.

The pain in My Heart is constant... I will follow the antichrist closely so he will not continue leaving the Earth without innocence and staining the earth with innocent blood...

DO NOT EXPOSE YOURSELVES TO TEMPTATION. ENOUGH! MY CHILDREN MUST STOP SHOWING THEMSELVES TO BE SO INSENSITIVE TO THE CALLS FROM THE PATERNAL HOUSE! ENOUGH, CHILDREN! DO NOT CONTINUE MIRED IN TEMPTATION OR YOU WILL FALL FOR LIVING WITH TEMPTATION SO MUCH.

You continue seeing from a distance the world events without linking the events that arise, one after another, across the Earth, not for fear of God but to provoke God. My children, do not ignore the magnitude of the global economic fall; it will affect seemingly strong economies, just like I have announced from the start of these Calls.

My children are not confused; they know and practice God's Law, they do not say 'yes' to sin, they do not crave wrongdoings, they do not share immorality, they do not accept injustice. My children are faithful and firm; they know that the one that does not bear fruit will be cut down like the fig tree.

Sin gains strength because of man's ignorance; evil gains strength because My Son's People are lukewarm; the devil takes more souls because of the indifference of Mine when they are not aware that the great indifference before the works and acts of evil nourishes evil and makes it grow. Do not deny the faith in My Son out of fear; My Son's Hand remains over those who are faithful to Him.

Children, refusing to discover the coming events—which most of humanity ignores—comes from an involuntary denial because they have not been properly warned by those in charge of that information, **BUT DENYING WHAT THEY ARE ALREADY LIVING, THAT IS VOLUNTARY IGNORANCE INDEED.**

Beloved, decide to live in My Son's Heart, in the Divine Love, being repeaters of that Divine Love which this generation lacks.

Children, society rushes lawlessly towards the crucible without feeling it because they are not aware of it. In view of such behavior, evil takes the human creatures and uses them to cause more and greater evil when they refuse to live in fraternity like My Son requests of them.

Beloved, repent and receive My Son properly prepared. Reunite with your King and recognize Him without delay before humanity reaches the final hecatomb.

Pray, My children, for Ecuador and Chile; both will suffer at the hands of men and will suffer greatly because of Nature.

Pray, My children, for China; it will be strongly shaken by man and Nature.

Pray, My children, for the United States; man will make it cry and it will suffer the great trembling of the earth; San Francisco will suffer its lust.

Beloved, the Earth moves with great astonishment because of man's rejection of The Creator; the Earth looks at man's indifference towards the Divine Will; the earth cracks, communications will be interrupted.

Beloved, I find your hearts open to My Maternal Calls by means of which I announce the events in advance because I love you. You are My children and I protect you. My Mantle is the Veil that does not allow evil to stun you; My Mantle is Love with which I attract you so you will not turn away from the requests that I bring to you in compliance with the Divine Will.

**DO NOT DISTANCE YOURSELVES FROM THE EUCHARISTIC SACRAMENT;
PRAY THE HOLY ROSARY; LOVE ONE ANOTHER WITH DIVINE LOVE.**

I protect you, I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Man is abusing the Divine Mercy; Mercy will not be denied to those who love God.

We are certainly living a very great confusion that goes far beyond what those who apparently guide us are telling us.

We must realize that knowledge is more than knowing. Knowledge gives us depth and ownership to discern asking the Holy Spirit to guide us in truth, in the light of the schism that is coming to the Church like Heaven has announced.

Let's wake up and be aware of the obvious manifestations that are happening at this instant against the Divine Will.

Let's not give up on the knowledge; let's delve in the reading of the Holy Bible and let's not ignore what the Most Holy Mother tells us in this message regarding those who do not believe in the Words of the Consecration.

Brothers, let's ask for discernment. Let's not be like the worldly ones that follow everything without discerning between what is God's Truth and what is the introduction of the antichrist.

Let us not forget that when the tribulation advances, like at this instant, we will see more and more heresies, more and more contradictions; but let us not desist from the Truth that Christ gives us in His Word.

Let's wait without sleeping and let's remain in a continuous state of alertness lest we fall into the contradictions. Let's stick to the Divine Word where everything that is happening at this instant is revealed to us.

Let's not despise what our Mother tells us and be attentive to what remains behind the problem of the economy of a country because while the attention is focused on one thing, behind that thing the countries embrace issues that are contrary to the Divine Will.

BROTHERS, LET'S BE ONE IN CHRIST. LET'S NOT REJECT THE MOTHER'S WARNING.

At these instants our circumstances are such as humanity has never faced before; let us not forget the sun with its solar flares and how it will affect humanity.

Quoting Saint Augustine:

"Wisdom is nothing but the measure of the spirit, that is, the leveling of the spirit not to overreach and not to narrow."

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
12 JULY 2015**

Beloved children of My Immaculate Heart,

I bless you.

**MY BLESSING CONTAINS MY LOVE BY MEANS OF WHICH I INVITE YOU TO LIVE ON THE RIGHT
PATH.**

**MY BLESSING IS FOR EACH ONE OF MY CHILDREN WITHIN WHICH I DO NOT RULE OUT ANY OF
YOU.**

**MY BLESSING KEEPS MY INTERCESSION FOR EACH ONE, SO GOOD WILL ATTRACT YOU LIKE A
MAGNET.**

My beloved children, it is My Son's Will that I remain with you at this instant, in this desperate struggle between good and evil for the souls.

MY BELOVED SAINT MICHAEL ARCHANGEL FIGHTS FOR THE SALVATION OF THE SOULS. Saint Michael and His Legions continually defend men and assist them in battle against the forces of evil that surround each human being. They are Servers of men and they have a Mission that some of you ignore.

**THE MISSION OF THE ANGELS IS:
SERVE, BE GOD'S MESSENGERS, ASSIST MEN, BE AND GIVE LOVE.**

The Angels are continually very attentive to humankind, vigilant, adoring God for you; they are your Trustees and at the same time your Guardians, they are Ministers of Divine Justice³².

God the Father has created all that is visible and invisible, thus, through all things created man sees the infinite perfections with which God manifested Himself imprinting His Love into all things created.

My beloved, Saint Michael Archangel, Great Defender of humanity, does not need superstitious ceremonies to assist you, He doesn't need strange rites to remain vigilant; He knows His Mission and He fulfills it in Obedience and Love. What you must do is invite the Angels to remain with you.

CHILDREN, IT IS IMPORTANT FOR YOU NOT TO FORGET THE ANGELS; THEY ARE YOUR PROTECTORS...

By Divine Will, the Angels keep you guarded insofar as humanity allows them. You may practice what has been revealed to several Saints to invoke the Angels, but the rituals coming from the New Age are contrary to the Divine Will and are totally unnecessary.

My beloved,

SAINT MICHAEL ARCHANGEL CONSTANTLY FIGHTS FOR EACH ONE OF YOU TO KEEP YOU AWAY FROM EVIL AND TO RESCUE YOU FROM THE EVIL OPPRESSOR OF THE SOULS.

At these instants it is indispensable that you pray to the Angels to help you because the devil remains on the prowl seeking to devour souls.

Children, this instant is one of great spiritual attack, and you must empty everything that you carry within you so you will be free, but truly free, and so you will be able to walk yearning for God.

MY SON SENDS YOU ALL THE ASSISTANCE FROM HIS HOUSE TO RELIEVE YOU IN THE STUMBLER AND OBSTACLES, SO YOU WILL BE CERTAIN THAT YOU ARE NOT ALONE; HOWEVER, YOU MUST MAKE THE EFFORT AND RECOGNIZE THE DIVINE HELP.

Beloved children of My Immaculate Heart,

COEXISTENCE AMONG MEN IS INCREASINGLY DIFFICULT EACH INSTANT, BECAUSE THEY HAVE NOT UNDERSTOOD IN DEPTH WHAT IS LOVE AND WHAT IS FRATERNITY. In the middle of this instant the forces of evil cause great divisions among My children to weaken man's support which is unity. Each human being is different, but within this diversity there is a great congruency among all: **THEY ARE SONS OF THE SAME FATHER.**

Beloved, humanity sees themselves in an individual way; this is the origin of disputes, battles, and rivalries, jealousy and envy...These woes seem minor but they are great evils that eat away man and the love of one another.

SOCIETY HAS EVOLVED, BUT THAT EVOLUTION BRINGS ABOUT THE GREAT SPIRITUAL REVOLUTION OF WHICH I HAVE WARNED YOU IN ALL MY APPARITIONS; THIS IS THE REBELLION OF MAN AGAINST GOD.

³² Psalm 103:20 New Revised Standard Version Catholic Edition

As he moves away from My Son, man becomes associated with evil and, when this happens, the catastrophe for man is imminent. I call you to prayer to attenuate all I have revealed, but you will not be able to eliminate the events I have announced, because those who were expected to give a positive response to stop the events did not give it in the way I warned them, the way the Divine Will wanted.

THE BAD BEHAVIOR OF MAN'S ACTS AND WORKS, TOGETHER WITH THE DISOBEDIENCE OF THE DIVINE WILL, ATTRACT TOWARDS HUMANITY A WAVE OF UNSTOPPABLE CALAMITIES OF ALL KINDS. Man despises God and confronts God and tells Him he doesn't love Him.

Division proliferates everywhere from My Son's Church to the smallest communities where the social, moral, racial, and religious differences seep into the fissure which will be unstoppable until the persecution will be more open than it is at this instant.

Humankind will stop feeling like one single People; they say they do not come from the same Father; they adore different gods like pagans, they kill one another, betrayals abound and will continue to increase way too much.

The Clergy will be even more divided and My children will be mostly confused... Some of My favorite children, the priests, will openly proclaim new guidelines for My Son's Church, causing division. Children of My Immaculate Heart,

DO NOT FORGET THAT MY SON'S CHURCH MUST BE:

- More spiritual...
- Compliant with The Commandments...
- Expert on the Beatitudes...
- Dedicated to the Word of the Holy Scripture...
- Expert and lover of the Sacraments...

BUT ABOVE ALL, MY SON'S CHURCH MUST DESIRE TO "love the Lord your God with all your heart, and with all your soul, and with all your strength, and with all your mind; and your neighbor as yourself."³³

The Church will be betrayed, persecuted, and its Temples closed, without knowing that it is not with closed temples that they stop those who live the Faith in the Holy Trinity...

Beloved children,

PRAY THE HOLY ROSARY, IT IS OF THE UTMOST IMPORTANCE, BUT DRIVEN NOT BY YOUR INTEREST IN OBTAINING THE GRACES, BUT BY YOUR LOVE FOR MY SON AND FOR ME.

In the sky you will see Great Signs that will frighten man, and, because of the incredulity, the scourges will abound brought onto themselves by the same humanity with phenomena never before known to man.

Disease will turn up in different ways, not only attacking the organism but also man's mind to keep man out of his own control.

My beloved,

³³ Luke 10:27 New Revised Standard Version Catholic Edition

REMAIN ALERT; not only the epidemics that attack the human organism should worry you and make you aware and alert, but also the epidemic that causes Me great pain: The epidemic that swoops down against My Son's People, the continental epidemic of terrorism that persecutes the Christians who live and profess the Faith in My Son.

MY SON IS COMING; MY BELOVED, LIVE OUT OF SIN.

The earth will tremble with more force in different countries; the earthquakes will be perceived with horror by men; but not even then will they ask My Son for help, just like they have not paid any attention to the blood moons that I have mentioned before.

Beloved children of My Immaculate Heart,

MY SON'S CHURCH WILL SUFFER THE SCHISM:

Before the disbelief of My Son's People...

Before the refusal to recognize My Son as their King...

Before the outrageous liberality of men...

Before the inexistence of Values...

Before the refusal to accept that the Divine Justice descends towards man, magnetized by the same man who rebels against what is natural to man.

Beloved children, pray for the United States; it will suffer; its lament will be shocking.

Beloved children, pray for Colombia; it will be shaken.

Beloved children of My Immaculate Heart, pray for Chile; its land will tremble strongly.

Pray, little children; do not miss the recitation of the Holy Rosary.

Pray, little children; receive My Son in the Eucharist.

Pray, little children; My Son's supplanter, the antichrist moves in the world and presents himself to you without being recognized.

THE PATERNAL HOUSE MAINTAINS THE PROTECTION OF HIS CHILDREN; THIS IS WHY HE WILL OFFER HUMANITY TO SEND TO THEM HIS ENVOY SO THAT, BY MEANS OF THE DIVINE WORD, HE WILL ENCOURAGE AND RESCUE SOULS FOR MY SON; HE WILL BRING HUMANITY WISDOM FROM THE HOLY SPIRIT SO THE SOULS WON'T BE LOST ANY MORE, THE RIGHTEOUS WON'T BE LOST, AND THE HOLY REMNANT WILL UNIFY.

I bless you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother, Lady Most High, Queen and Mother of the Divine Will, is not silenced, not even by Her children's rejection of Her or by the deaf ears that reject Her, or by those who deny Her Call, or by those who do not love Her. As Mother of Love, She continues to insist on calling Her children for at least one to listen and move away from wrong acts and works that wildly envelope humanity.

Our Mother talks about the one who defended the Throne of the Holy Trinity: Saint Michael Archangel, and together with him, the other Angels, obedient to God's Plan, are now our Protectors and Companions. They have the charge of helping us achieve our salvation which is God's Will. By Divine Decree, they remain next to us; it is known that it is up to us and our free will, to ask for their help, but nonetheless they remain next to us.

At this instant there are trends or false ideologies that give a different meaning to the Angels and invite men to see the Angels as a means to seek what is very distant from the salvation of the soul, like the New Age does. This is why we must discern and know that the Holy Angels were created to serve God, Who has entrusted them with man's care so we won't be lost and we will save the soul.

Spirituality is never out of fashion. Christ is Eternal Present, and at this instant the Communion of man with his Creator must be stronger than before because this unity with Christ supports man and gives him Wisdom to discern the matters of the spirit.

Brothers, we have entered the Great Tribulation since souls have rebelled against God.

When that which is improper is seen as normal by man, he will make the abomination enter the Temple of God and will make the Tribulation penetrate and control man's senses with the consent of man's free will.

LET'S RESIST; HEAVEN SENDS US HIS HELP; THE EUCHARIST WILL CONTINUE TO BE PRESENT IN US WITH THE LIVING GOD FOREVER AND EVER.

Amen

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
16 JULY 2015**

My beloved People,

I BLESS YOU ABUNDANTLY WITH THE SEAL OF MY LOVE.

To Me, each one individually is a beacon of light on Earth in the midst of the densest darkness that, instant to instant, the stubborn human will implants into all humankind.

The Grace of the soul is indispensable for Me to take the creature as Tabernacle of My Holy Spirit... Grace attracts Me to the creature in an indisputable way.

THE STATE OF THE SOUL OF BEING 'IN GRACE' FUSES THE CREATURE WITH MY WILL WHICH HELPS THE CREATURE REFUSE TO ACT OR WORK OUTSIDE MY LAW.

My beloved People,

I CALL FOR THE UNITY OF MY PEOPLE, I call for the unity of those who represent My Church, I call them so they won't transgress My Law. My Law was not given to man for the past, but for all generations, including the present generation.

Man will remain very close to his most inferior spirituality. If they lower My Law towards man with the intention of updating it, this will be the great sin that will lead to the fulfillment of the Revelations given by My Mother.

It is man's duty to comply with My Law because My Law prevents the creatures from ignoring or justifying their evil deeds and evil acts; My Law prevents human acts from being aberrant and human creatures from living away from Me; it prevents evil from leading man to act in total debauchery, which results in giving permission to evil to act in man with all wickedness, and thus human degradation will be unprecedented.

My beloved People,

YOU MUST BE AWARE OF THE ABERRATION IT IS FOR MAN TO ASSAULT ME. They take the initiative of eliminating the innocence present in the little ones. They do not realize the terrible sin that intentional abortions constitute. I suffer for all the children that are slain by the decision of those who have given them life. By means of technology, scientists rob the children's innocence by muddying their senses, making them be adults in their desires, which to Me is a crime.

MISUSED HUMAN FREEDOM MAKES YOU SLAVES OF THE CURRENT INSTANT, when you are influenced by lies and debauchery from where you will not escape if you do not rebel against what is sin in disguise. They will tempt you with lies so you'll be happy in sin, regressing, walking backwards in every respect, which will lead you to a dark future full of shadows.

MAN'S FUTURE OUTSIDE MY LAW IS A CIVILIZATION OUTSIDE MY LOVE WHERE NOBODY WILL CONTROL YOU, NOT EVEN YOURSELVES, EXCEPT FOR THE ANTICHRIST WHO WILL CONTROL YOU THROUGH YOUR THINKING—EVIL'S SLAVE IN THE HANDS OF EVIL BY MEANS OF THE MICROCHIP, GADGET THAT SEEMS HARMLESS BUT THOSE WHO ALLOW ITS IMPLANTATION WILL BE CONTROLLED THROUGH IT.

My beloved People,

You have made an agitated life for yourselves which has enslaved you: A man full of desires who forgets about himself to live for worldly appearances that degrade him through hedonism, seeking to be by having. Do you know what this is? That man has come to believe that he can find happiness on Earth NOW and that after life they will come to enjoy My Mercy.

My People,

**MY MERCY REACHES ITS FAITHFUL FROM GENERATION TO GENERATION,
IT REACHES THOSE WHO REPENT WITH FIRM PURPOSE OF AMMENDMENT.
THIS IS A CONDITION TO RECEIVE MY MERCY.**

I am God of Love and My Love leads Me to keep Mine on the straight path...
I am Mercy when the lost sheep wishes to return repentant to the sheepfold...
I am Mercy even when the greatest sinner comes to Me with broken and contrite heart³⁴ ...
What more Mercy than the one for this depraved generation that continues to offend Me denying My Justice to be encouraged to continue in evil, acting and working without any modesty and with a morality that transcends humans to fall in animal behavior!

MY JUSTICE IS TRUE; IT WILL NOT CHANGE IF MAN DOES NOT CHANGE.

Be cautious; evil controls you with deception.

**MY PEOPLE, THE FORCES OF EVIL WILL NOT PREVAIL OVER MY LOVE. ALL THOSE WHO
COME TO ME AND DO NOT DENY ME: WE WILL GIVE LIGHT TO INFINITY WITH MY LOVE.**

As it has always happened, I do not act without alerting My People; this is why I alert you about all the coming events, because sin must be erased from the face of the Earth.

My People, do you ignore how many offenses reach Me instant to instant by those who at this instant hold the power in the world?

You think you are an advanced civilization, but this is not so; you are a generation totally distracted from My Love: You live without living, you are slaves of the technology that absorbs the mind, the instant, the love, the dedication, the feelings, and turns you into robots, it enslaves you robbing your intelligence and preparing you to be dominated...

**I WILL HEAR LAMENTS AND MY HEART WILL BLEED FOR IT, BUT MY PEOPLE MUST BE
PURIFIED IN THE CRUCIBLE SO THEY WILL COME BACK HOME.**

My People,

³⁴ Psalm 51:17 New Revised Standard Version Catholic Edition

The Earth will be shaken by the lack of prayer, by the lack of fulfillment of the Commandments, and by the wicked intelligences that have gone into My own House.

My Law orders you not to transgress it...

My Mother has called you with Love to obey My Mandates...

My Mother has called you be prepared so you won't fall prey to satan...

BUT YOU DISOBEY, AND THAT SAME DISOBEDIENCE DISTANCES YOU SO MUCH FROM ME THAT IT LEADS YOU TO FEEL FINE WITHIN THAT DISOBEDIENCE WHICH BECOMES A HABIT AND THE HABIT SPREADS LIKE A PLAGUE SO YOU WILL SEE IMPROPER ACTS AND WORKS AS GOOD AND NORMAL.

Disobedience leads you to consent the effect that this has on you, on each one of you. I wish to share with you all the assets of My House; but when I am rejected by humanity because of their free will, I retreat to wait for man to call Me by his own decision.

THIS WORD OF MINE IS FOR THOSE WHO ARE BECOMING AWARE OF GOOD AND EVIL TO COME BACK TO ME.

I will make My People come back to Me before the righteous are lost.

TIME IS NOT TIME AND THE INSTANT HAS HASTENED.

Each one of you must be aware of this as well as of the great part you have in what hangs over humankind; not only having to see yourselves to become aware of sin and its pain, but also to become aware that My Father will let humanity know His Justice.

MY BELOVED PEOPLE, DO NOT FORGET I AM YOUR GOD. The man-made gods will fall one by one. Money—to which so many of My children are so attached—will fall from country to country, creating civil revolutions, major violence, and great racial disturbances among others, because men with no money become desperate. The fallen economy makes governments fall and this is when the antichrist comes in with the single government and the single coin. Do not trust peace agreements between nations; they will betray one another.

MY PEOPLE, DO NOT SLEEP; THE SIGNS REMAIN BEFORE YOU, I MAKE THE SIGNS OBVIOUS, but you do not give them their due importance, you do not fight to save the soul, you do not change for the better, you do not grow but diminish.

SEEK ME; I LOVE YOU; I AM YOUR GOD.

Pray, My beloved People, pray for Israel; it will act improperly.

Pray, My beloved People, pray for Japan; it will be shaken.

Pray, My beloved, pray for Germany; it will suffer.

Pray, My beloved, the plague advances and reaches the big cities.

My beloved People, My Mother has offered you Her Maternal Protection with some plants from nature to endure those diseases; put them to good use at the right instant.

My beloved People, no effort is in vain; every effort is for the good of the soul and of the souls of your brothers. Be living testimonies of My Love. Each act of My children expands towards their brothers; thus, being aware of that, act righteously.

Children, **WALK WITH CONFIDENCE AND SHARE MY WORD.** Those who make fun of My Word will be those who will come looking for you so you will help them. Walk with confidence and certainty, My Angelic Legions watch over you.

I bless My People, all My children, all humankind.

Later you will enjoy the high noon like when the sun is at the zenith, so you, My beloved, will feel the fire of My Love present in each one of you.

I bless you.

Your Jesus.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Lord Jesus Christ explains to us that it is not possible to live in today's modernism if this implies the non-compliance with any of The Commandments; besides, He makes it very clear that man's will to justify sin or a behavior contrary to the Divine Will is a justificatory scheme aimed at continuing immersed in the mundane which moves man away from living in Christ.

Christ calls us to realize that calling oneself a Christian doesn't only imply belonging to Christ. The persecution is happening in several countries, and we do not want to fall and deny Christ with a diluted faith when they ask us if we are Christians. This is why He calls us to be more spiritual, closer to Him. We will not accomplish this by complying with only a part of that Divine Complement to which we are called to practice:

Prayer...

The Eucharistic Sacrifice...

Repentance...

The practice of the Works of Mercy and comply with The Commandments...

The practice of the Beatitudes and other works of piety...

WE WILL BE FAITHFUL BY COMPLYING WITH THE DIVINE WILL, living internally that fusion with Christ and constantly keeping that unity with the Holy Trinity that will make us vibrate every instant to be reflections of Christ's Love present in each one of us and, that way, we will be able to love our neighbor like God asks of us.

We know it is difficult for humankind to face the announcements that these Messages give us, but God does not hide the Truth from His People; instead, He gives His People a head start so they can be prepared, because the People are heard when they are united and clamor. And that is what the Paternal Home wants, unity; but man acts contrary to the Divine Wish and attacks the Messages in order not to know what lies ahead.

Divine Mercy is the great gift for us because God is Love and Forgiveness; however, when the Divine Judge is mentioned, He is emphatically denied. And I ask myself: If we are all forgiven then why will there be a Final Judgement, if we are all saved?

Brothers, let's not allow the enemy of the souls to present humanity as the most benevolent when our brothers are crucified and persecuted, when abortion is accepted as lawful in some countries. Is this the generation Christ wants?

Let's be Christians, lovers of Christ in the Eucharist, not fanatics who claim everything is fine and evil does not exist in the world.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
21 JULY 2015**

My beloved People,

**MY LOVE IS SO GREAT FOR ALL MY CHILDREN!...
MY BELOVED, MY MERCY FOR MY PEOPLE IS SO GREAT!...
MY BELOVED PEOPLE, I LOVE YOU SO MUCH!**

I see the Earth and on it I see that a great part of it is a desert. It's the souls of My children who indulge in evil at this instant.

My Love for My People is so great! Even in the middle of great offenses and spiritual calamities that abide in the human being, My Mercy continually overflows through this My Word. I do not

want anyone to take ownership of this My Word because My Word is for all My children without distinctions, even for those who do not love Me since these are the ones I call more insistently to convert.

My beloved People, within that desert of souls there are so many who have willingly transformed their human hearts into hearts of stone! I look at so many who continue placing themselves in the hands of evil to kill their brothers, acting as instruments of evil and thus preparing one of the tentacles of the antichrist.

My children, you must remain prepared because the antichrist—My People's opponent, the most terrible persecutor of My People—is already among humankind, directing from a small position his for now anonymous leadership, and through that small position he has made himself known without being identified by My children.

Because My Mother has continually announced events to you ahead of time, you know that the one who will try to pass as Me will not present himself before My Church the way he really is. The most terrible persecutor of My Mother's children will come to My Church as the defenseless lamb when inside of him is hiding the wolf that will devour My sheep. **THIS IS WHY MY MOTHER AND I CONTINUALLY CALL YOU AND CLAMOR FOR MY CHILDREN TO LISTEN TO OUR VOICES AND STOP DOUBTING MY WORD**, because, if I did not call My People through My Mercy and through My Justice, then you should doubt this Word. But **SINCE THIS WORD IS DIVINE, I MUST CALL MY PEOPLE WITH MY MERCY AND AT THE SAME TIME ANNOUNCE TO THEM MY JUSTICE, BECAUSE HE WHO LOVES ME RESPECTS ME AND DOES NOT FEAR ME FOR MY JUSTICE; INSTEAD, HE LOVES ME PRECISELY BECAUSE I AM THE RIGHTEOUS JUDGE OF MERCY.**

The father of a family loves his children and at the same time admonishes them because he loves them. This is why I explain all that is written in the Holy Scriptures where each one of My Words has taken form.

My beloved People, I am closer to you. My Second Coming is closer to you and, when this happens, I will hear the wailing of those who did not believe in my constant calls, of those who denied Me, of those who rejected My Mother's calls, and of those who were My Prophet's judges.

I come soon, children, in My Second Coming as the King of Glory and Majesty that I am, surrounded by all My Celestial Choirs, by My Legions, by My Dominations, by My Powers, and by all My Angels. I will come to you and not only the Earth will shake, but also everything that was created by My Father's Hand, because the Earth is not the only Divine creation but everything that exists: The Universes that man has not discovered, that he ignores and denies at the same time, thus denying My Father's Omnipotence.

The Earth is not the center of the Universe; the Center of the Universe is Our Trinity. What a small thing has man become after having come out of My Father's own Hands! Although man is My

Father's greatest creation, he has become most useless and the creature that mostly offends My Father, Me, and Our Holy Spirit with his rebelliousness and disobedience like no other creature created by My Father has done against Our Trinity. Not even the animals rebel against Us like the human being does, refusing to obey Us, and refusing to get ready when it is precisely for his own good and for the salvation of his soul that he be prepared.

MAN HAS DEDICATED SO MUCH TO TAKING CARE OF HIS BODY! CHILDREN, YOU HAVE COME TO IDOLIZE YOUR BODIES SO MUCH! AND WHAT IS THE BODY WITHOUT THE SOUL? YOU COMMIT A GREAT OFFENSE AT THIS INSTANT! PRECISELY WHEN YOU SHOULD SEEK THE GOOD OF THE SOUL, THE GROWTH OF THE SOUL, AND THE TOTAL NULLITY OF MAN'S EGO, because at these instants you will confront greater calamities, the greatest trials that man has ever imagined, trials born in man's own mind and to which Nature will respond.

My beloved People, with how much love I turn to you and with what contempt you respond to Me! You accumulate riches when these will be of no use to you because the economy will continue to fall from country to country according to each country's importance, so the economy will vanish like water between the fingers.

The great plan designed to exalt the antichrist is bearing fruit and this gives Me great pain. It is bearing fruit because man's disobedience strengthens every structure created to make the antichrist and his tentacles stronger. My children, I know well that within My Church they do not alert you about this of which you should be continually well informed so you will not be taken by surprise and, in the confusion, you will take what you should not take and, when you wake up, you will find yourselves in the nets of evil.

My children, the economy dominates man and, through this control, man has learned to exalt without measure his physical body and has learned to neglect his spiritual state. Thus, most human beings ignore My Law fully. My Commandments were given for all times, they are not selective, they do not belong to any elite. My Commandments are for all My children and they are not subject to any restructuring, to any change, or to any interpretation.

I would be a false god if the Commandments were subject to change, to restructuring. My Word is One, and evil will never prevail before this Word as long as it is respected.

My beloved children, My Mother has alerted you so much regarding the illumination of consciences, and you look at it ignoring so many announcements of the Warning. My children, you are not aware of it.

My People give Me so much pain! I get close, I get so close that in such nearness I will leave them before the conscience of each one, alone, so that each one in particular will look at himself as well as his whole life. All his works and all his acts will pass before his personal conscience and, at that instant, when the creature will look at himself, you will achieve what you have lost for sinning.

My children, repent before that instant comes! Otherwise, you will not see the offenses you have committed against Our Divinity but, having repented, the pain will be less once the sins have been the subject of reconciliation with Me after a sincere and true repentance and a firm purpose of amendment.

Remember, My children, that I call you not only to evaluate your expressions of religiosity before Me, but also to see the works and acts, the fruit each one will present to Me. My children, My People, at this instant, the works and acts are the fruits that will weigh more on the scale of Divine Justice, but these fruits must be born of Love, experience, dedication, and obedience to live in the Will of Our Trinity. And he who lives in the Will of Our Trinity, does not rebel, does not refuse to love his brother as himself, and does not place his personal wishes and whims before obeying My calls. **Do not keep the Love only for yourselves: First love Our Trinity, love your brothers, and do not act or work against the Gift of Life.**

My beloved People,

Remain alert! At this instant the great powers keep you fully in deception because these powers have given themselves to the power of satan, trusting they will keep their power over the smallest and defenseless once the antichrist exercises its relentless rule over humanity. But these nations, these powers that at this instant are powerful and have sworn to subject themselves to the antichrist's mandate, will be crushed by the antichrist because he will not yield the government—political, social, religious, or economic—to absolutely no creature; he will exercise it himself in a single government, through a single coin, through a single religion; thus becoming the one who exerts control over all human creatures. This is why I constantly talk to My People for them to remain faithful, to nourish the soul and the spirit, to be instructed in My Word; My Holy Spirit invades them and fills them with wisdom, charity, love, and hope, so you will open yourselves to the knowledge of My Love and not deny My Justice towards a generation that keeps Me like a Beggar of Love, that keeps Me totally crucified by the disdain and disobedience to My Calls, but above all, by the disdain for the Commandments.

THE DIVINE WILL IS: TO COMPLY, TO WORK, AND TO ACT IN MY LAW.

My beloved People,

You will walk like wanderers, humanly, feeling lonely; but do not fear because you will see My Legions, if not with the eyes of the body, with the eyes of the soul. You will not be alone at any instant; My Messengers of Love, your partners along the way, My Servers, are sealing My faithful, the Holy Remnant, the Small Flock that will remain faithful and will fight carrying the Love in the word, the gaze, and the heart, helping those who need to be helped in order to take the step that will lead them to Eternal Life.

The coming instant is not flattering, My People. At this instant great struggles are going on of which most of My People are totally ignorant.

The important governments of the world exercise their plans to proceed with the Third World War to make the economies fall and then enter all the homes and therefore all the human beings.

**MY CHILDREN, THERE ARE SO MANY UNFORESEEN MATTERS COMING TO YOU!
DO NOT REJECT THE CALLS FROM MY HOUSE. EACH ONE OF MY CALLS CONTAINS
THE GREAT TRUTH THAT I SEND YOU LITTLE BY LITTLE.**

Pray, My children, prayer is important. And after praying and receiving Me in My Body and My Blood, comply with the Will of Our Trinity being messengers of love, of that Divine Love that I make abide in My faithful People.

MY CHILDREN, RESPOND!

Do not be the ones to get involved in the mundane world...
Do not be the ones to become allies of evil...
Do not be the ones to act against your brothers...
Do not be the ones to exterminate the Gift of Life...
Do not be the ones to become inquisitors...
Do not be the ones to commit adultery...
Do not be the ones to extort your brothers...
Do not be the ones to share false doctrines...
Do not be the ones to embrace false ideologies because of ignorance...
Do not be the ones to attribute to Me what is not My Word or My Truth.

**MY LAW IS ONE: LOVE. MY WORD IS ONE: LOVE. BUT IT IS NOT THE HUMAN LOVE;
IT IS THE LOVE THAT SURPASSES HUMAN LOVE. MY LOVE IS DIVINE. MY LOVE DOES NOT GO
AGAINST CREATION. MY LOVE DOES NOT GO AGAINST MAN. MY LOVE DOES NOT GO AGAINST
MY LAW.**

Beloved children,

You get involved with ideologies contrary to My Word; you dare compare Me to human leaders who have committed great genocides against humanity; and you do so precisely because you ignore My Word; because, if you knew it in Spirit and Truth you would not commit such heresy. **"I AM WHO I AM."** (1). I am the One who loves Divinely, and no human creature who has raised the hand to kill the greatest Gift I have given to man and has not repented, can ever be compared, not even compared to My Love, to My Holy and Divine Doctrine. Just like you dare compare Me to human leaders, so because of that great hubris (pride) as well as ignorance, you will embrace the mandates of the antichrist. No, children, I do not want that for My People; that is why I order you

to immediately get away from those who dare compare My Love to the previously mentioned human love or ideology that was raised over the blood of your brothers.

My beloved People,

INSTRUCT YOURSELVES, KNOW ME, DELVE IN MY LOVE! I did not come for one, I did not come to bring you vain and fleeting words, I came to give you the Eternal Life. This is why the saints have been sanctified in the crucible, in obedience, in the love of neighbor, in the acting and working in My likeness, and in fulfilling My Father's Will, even though they have had to give their lives for their brothers. Those who claim to love Me, "let them deny themselves and take up their cross and follow me" (2) and do not charge the personal cross on a brother.

My beloved People,

Pray, pray for My beloved People of Greece so they won't continue being deceived. Pray because this People will suffer and will spill their blood.

Pray, My children, pray for Germany; it will suffer greatly.

Pray, My children, for the United States; it will suffer greatly, the earth will shake.

Pray, My People, pray; the Earth trembles, water rises to purify the Earth.

**LOOK TO THE SKY, CHILDREN, LIFT THE GAZE, THE SIGNS CONTINUE TO HAPPEN
SO MY PEOPLE WILL GET PREPARED.**

I bless you with My Love.

I bless you with My Heart.

I bless you and I love you; you are not alone, children, even though you already walk in the Tribulation, you do not walk alone. I carry you in My Arms, and when you feel unprotected, do not forget that I will send My Help to My People.

I love you,

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

How history is ignored! Still some continue to compare Christ to human leaders who have risen taking the weak or their fanatics with them so these will suffer in their place!

Christ gave himself first to set an example; we follow in His Footsteps. He suffered first and died for all.

Humanity continues without understanding in depth Christ's giving of Himself, which has no point of comparison with any of the so-called leaders of certain ideologies.

Brothers, let's keep in mind that, after the Great Tribulation when each creature will pass through the sieve of the conscience and of the crucible at the same time, like Christ tells us, "they shall all sit under their own vines and under their own fig trees, and no one shall make them afraid; for the mouth of the Lord of hosts has spoken."³⁵ In other words, peace shall come and what each creature possesses will be respected because justice will be Divine. This leads us to continue to struggle—without declining—to be the way CHRIST wants: Compliant with His Will in the middle of so much transgression to the Divine Law.

Brothers, the tectonic plates shift causing a great earthquake. Let's remember that we have been called to be aware of the meaning of the moons being tinged with red. Let us revise ourselves interiorly because during the Warning we will be examined by ourselves, and our verdict will depend on the use we have made of our free will.

At this instant many natural phenomena come together to make us react and remember the dedication that Christ asks of all of us.

This is why our King is one, our Lord is one: **THE SAINT OF SAINTS WHO GAVE HIS BLOOD FOR EACH ONE OF US.**

THEREFORE LET'S NOT LOOK FOR LEADERS AMONG THOSE WHO HAVE RISEN OVER THE BLOOD OF THE INNOCENTS OR THEIR FANATICS, LEADERS WHO ARE A LONG WAY AWAY FROM CHRIST'S GIVING OF HIMSELF FOR ALL OF US.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
26 JULY 2015**

Beloved children of My Immaculate Heart,

My children, receive My Protection with the Flame of My Love burning in every heart faithful to My Son.

My beloved,

STRONG MOMENTS COME TO MY SON'S PEOPLE, AND BECAUSE OF THIS I CALL YOU TO COME PROPERLY PREPARED TO RECEIVE MY SON IN THE EUCHARIST, I CALL YOU TO PRAY THE HOLY ROSARY, AND TO BE COMPLIANT WITH THE WILL OF THE HOLY TRINITY.

Children,

THE REASON FOR MY CALLS IS TO MAKE YOU LIVE BEING ATTENTIVE TO YOUR CONVERSION; MY CALLS ARE NOT FOR YOU TO LEAVE THEM ASIDE WITHOUT MEDITATING ON THEM, OR FOR YOU TO TAKE THEM LIGHTLY WITHOUT BEING AWARE OF THE SERIOUSNESS OF MY CALLS. I need for you to be docile to My Calls so I will be able to take you to My Son, so your spirit will grow, and so you will get strong and not allow the road to make you decline without being able to get up again.

Beloved children, I love you so much! How I call you! How I call you with My Maternal Love so none will be lost! Still you prefer to live in ignorance without knowing or understanding that the Father alerts His own before something comes to pass so His People can be prepared. Just like in Nineveh there was conversion, so at this instant, **EACH SOUL IS THE GREATEST TREASURE OF THE FATHER'S HOUSE AND, AS SUCH, I DO NOT LEAVE MY CHILDREN DRIFTING; INSTEAD, I ALERT THEM SO THEY WON'T CONTINUE TO GET LOST ANY MORE.**

Beloved children of My Immaculate Heart, be careful when you speak lest by the thoughtlessness or ill-consideration with which you misinterpret My Calls, the rest of My children, whom I constantly call, will take the road to perdition. Do not forget that you can do nothing without My Son; you can do nothing without Prayer, without Love in the likeness of My Son, without fulfilling and loving the Will of the Holy Trinity. Outside the Divine Love you will be only a slight varnish.

Children, you cannot go on living and overlooking the events without delving deeper into the great offenses committed against My Son by those who act outside the Divine Will. You cannot live as if nothing were to happen to humanity overlooking how your brothers are lost...

NO, CHILDREN, NO! YOU CANNOT CALL YOURSELVES MY CHILDREN IF YOU ARE NOT ACTION TO ALERT YOUR BROTHERS AND, IN SO DOING, EACH ONE OF YOU WILL BE A PART OF THE GREAT PLAN OF SALVATION FOR THE SOULS. MY SON WANTS

EACH ONE OF HIS FAITHFUL TO PARTICIPATE IMMEDIATELY IN THAT SALVATION.

Beloved children, do not listen to those who want to minimize the violent actions of man or to justify his actions against the Gift of Life. They are the ones who are determined to lead My Son's People astray.

IN THE WHOLE HISTORY OF HUMANKIND IT HAS BEEN THE DIVINE WILL THAT HIS PROPHETS MAKE KNOWN WHAT MAN WILL SUFFER ON EARTH AS PART OF HIS PURIFICATION IN THE CRUCIBLE AS A RESULT OF MAN'S FREE WILL... but the prophets were and are denied by those who wish to continue with an ill-conditioned spiritual life, poor, without dedication or sacrifice, molded to man's whims so he won't have to know anything of what the prophets announce in Obedience to the Holy Trinity. Thus men deny that humanity does wrong, offends God, and transgresses God's Law.

Beloved children, these instants are not for those who preach only bonanza or the Gifts of the Holy Spirit for all of My Son's People; these instants are not for those who deny that man must walk towards conversion before he will be called to appear looking at himself in his mode, form, and order of behaving, of acting and working.

Beloved, you will not obtain Everlasting Joy if you are not purified of the disobediences and rebellions against the Divine Love, of the acts and heresies that My Son's Church has committed, of the abuse against the weakest ones, of the lack of charity, of lust and dishonesty, of immorality and lack of appetite for what is spiritual, of the human stubbornness in view of this instant, of fornication, of the hardness of the heart and of the immobility of the soul to which you subject yourselves when you remain in a constant stillness without alerting your brothers.

Beloved children of My Immaculate Heart,

FOR THE ONE WHO BELIEVES, NOTHING IS NECESSARY; FOR THE ONE WHO DOES NOT BELIEVE, NOT EVEN MY SON'S PRESENCE WILL LEAD HIM TO CHANGE HIS PERCEPTION.

Beloved, violence in man takes him to manifest himself with social turmoil. The human being does not use reasoning, but allows himself to get carried away by sudden feelings that come from impulses outside a severe and irreproachable judgment. Each instant there will be greater protests against governments, greed will increase, and this is the instant when men who have money will grapple their money even more, taking them to love money more than My Son and to neglect even more the help to the needy.

Beloved children, pray. The persecution and assaults in Europe come from Europe.

MY SON SUFFERED FOR ALL BEING THE MAN GOD, THE SECOND PERSON OF THE HOLY TRINITY, INCARNATE THROUGH THE WORKING AND BY THE POWER OF THE HOLY SPIRIT, AND

CONTINUES TO SUFFER BECAUSE OF ALL OF YOU, MAINLY THOSE WHO DO NOT BELIEVE IN THE MYSTERY OF HIS INCARNATION.

Beloved children, this instant is bloody, violent and seductive at the same time, so much so that each human creature wants to believe what is convenient for him and refute or remove what he does not want to believe, avoiding the struggle for his conversion and thus remaining within the stream of worldliness and sin, which is more comfortable than fighting against sin.

My beloved, pray. San Francisco and the coastal areas nearby will be flogged by the trembling of the land and by the sea; they will suffer greatly because of this.

Some who attack like lions will rush forth at these instants when the People suffer.

My children, do not continue making My Son wait for your decision to carry out the mission to be evangelizers of My Son's Word. This is why I have called you to know, to enhance the knowledge, the intellect, to "be wise as serpents and innocent as doves."³⁶ Do not let the instant go by without you becoming Messengers of the Good News so that nobody will be lost before the darkness befalls.

CHILDREN, DO NOT FORGET THAT THE INSTANT ADVANCES IN HASTE BEFORE EVEN THE RIGHTEOUS GET LOST.

Beloved children of My Immaculate Heart,

My Calls take you to travel along different paths of man's living on Earth, because if I didn't warn you, My Son's People would continue to go towards the cliff. Remain alert regarding the food; they will deceive you making you believe that they have eliminated the transgenic ingredients that cause serious diseases in the human body; political interests take precedence over human interests.

Beloved children, pray for Venezuela; these People of Mine know pain well and will remain in chains with hardship.

My children,

THE MOON WILL TURN RED, THE SAME RED AS THE MARTYRS' BLOOD. CHILDREN, STORE PROVISIONS, ESPECIALLY SPIRITUAL ONES SO YOU WILL REMAIN WITHIN THE FAITH.

Beloved, the Earth remains wounded; man keeps it agonizing; the Earth moves harshly, with great spasms, thus agitating the sea. **DO NOT FORGET THAT A PEOPLE THAT PRAYS IS A PEOPLE THAT**

³⁶ Matthew 10:16 New Revised Standard Version Catholic Edition

ATTRACTS BLESSINGS. With these blessings they will manage to attenuate the scope of the events. A People that responds in Faith is a People that attracts the blessings of their Lord and God.

CHILDREN, YOU ARE NOT CONSCIOUS OF THE EVENTS YOU SEE FULFILLED BEFORE YOUR EYES...

God the Father allowed His Word to be written in the Holy Scripture because everything that is written would come to pass. This generation must wake up, and the only—the only—way that man will be able to listen, obey, and clarify his mind is for man to see himself humbly and place himself in the Divine Hands.

Beloved, the solution to the shadows in which today's man lives does not lie in a "new world order" ... Children, be certain that this imposition will be the fearsome persecution against My Son's People; not only the religious persecution, but also the constant threat of allowing the destructive power of nuclear energy underlie every conflict. A humanity at war or in constant calls for war lacerates My Maternal Heart. Racial struggles will increase amid the conformity of the man of this instant guided by evil that covers up whatever is necessary so you, My children, will not wake up.

"And you will hear of wars and rumors of wars; see that you are not alarmed; for this must take place, but the end is not yet. For nation will rise against nation, and kingdom against kingdom"³⁷

Beloved children of My Immaculate Heart,

TAKE PRAYER SERIOUSLY, DECIDE TO CONVERT, STAY ON THE RIGHT PATH, DO NOT ALLOW THE ENEMY TO DEFEAT YOU OR TO MODIFY YOUR BEHAVIOR; BE LOVE.

You are not lost, remain alert so you won't place yourselves in the hands of evil, fight against the current of today's decadent and immoral society. Comply with My Son's Calls. Heaven does not alert unless it is for His children to be saved and reach the knowledge of the Truth. The wolf is with the lamb and My children do not discern because they ignore the Word transmitted in the Holy Scripture.

MY SON RETURNS IN HIS SECOND COMING; DO NOT FORGET IT, MY BELOVED.

Do not forget that My Son sends His legacy to His People to give them milk and honey where the Divine Word will abound for God's People and fear will not seize those who are Mine, because the Envoy—like an innocent infant—will radiate True Peace, True Love for My Son's People, with his Love the Divine Way.

³⁷ Matthew 24:6-7 New Revised Standard Version Catholic Edition

**NO, CHILDREN, THE PATERNAL HOUSE DOES NOT LEAVE YOU ALONE,
DOES NOT ABANDON YOU ON THE CROSS. EACH ONE WILL GET UP AND, TOGETHER WITH MY
SON,
WILL LIVE THE ETERNAL PEACE THAT IS BORN AFTER THE PURIFICATION
WHERE THERE WILL NOT BE ANY MORE PAIN AND THE DIVINE LOVE WILL PREVAIL
EVERYWHERE.**

I bless you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Each Call from Heaven is a new incentive for those who see the events happening around the world with objectivity. Incentive because we are dedicated to waking up sleeping souls and to announce to the brothers the great Divine Mercy together with the Divine Justice so they will convert and be saved.

Some will say that everything will improve. May God grant it so! It is man who refuses to make it so; man refuses with disobedience, irreverence, immorality, and man takes God out of His Kingdom by refusing the Truth. And what can we say when men say they love God but they neither live in His Will nor love it? I hear brothers talk about religion, but... What a surprise! They deny the Power of God and His Authority over humankind.

As our Most Holy Mother says, we must be action and not just ask Heaven... This is the instant to give so we will have our hands full of good acts and good deeds.

**I KNOW THAT ALL OF US WANT TO SEE CHRIST IN GLORY, SPLENDOR, AND POWER AT HIS
SECOND COMING, BUT TO DO SO WE MUST CHOOSE CONVERSION, SO EACH ONE WILL FIGHT
FOR SALVATION.**

At this instant several countries are undergoing great sufferings. This will be generalized when the economy falls. Everything will occur in the Divine Will...

As Heaven says: The prophets are sent for us to cry out in the desert of the souls. And Christ has sent His Angels to give testimony of His Love for the whole Earth, every nation, race, and tribe.

Let us listen.

Brothers, let's pray for Central America.

Amen

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
1 AUGUST 2015**

Beloved children of My Immaculate Heart,

I remain next to you to keep you within My Immaculate Heart at instants when My Maternity springs up like a Fountain where the souls find refreshment.

**YOU ARE NOT AT A PASSING INSTANT OR JUST ANOTHER INSTANT...
YOU ARE AT THE INSTANT OF ALL INSTANTS WHEN YOU WILL BE TRIED LIKE GOLD IN THE
CRUCIBLE. YOUR LIFE, YOUR WORKS, YOUR ACTS MUST BE IN ACCORDANCE WITH ONE SINGLE
PURPOSE: THE DIVINE WILL.**

You know that gold must be melted at high temperatures to purify it of any particles that could contaminate it and decrease its value. Likewise, My Son's children must be tested like gold in the crucible... **SO ARE MY TRUE CHILDREN; THEY DO NOT DISTANCE THEMSELVES FROM THE HOLY SCRIPTURE OR THE EUCHARIST, THEY PRAY THE HOLY ROSARY DAILY, AND THEY IMMERSE THEMSELVES IN MY SON'S DIVINE WILL.**

Society rebukes man if he does not accept the mundane, making his life a valley of desolation; at the same time, this same thing is consolation for those who have said YES! All, as brothers, must look inside, in the interior, so you will know yourselves in depth, and then later you may penetrate the Holy Trinity with one single unified conscience.

As Mother of each human being, I am Giver of goods, for My Love overwhelms Me. **I HAVE BEEN SENT TO RESCUE SOULS FOR THE DIVINE WILL; I HAVE BEEN SENT TO ALWAYS PROTECT AND DEFEND THE WAY.**

Beloved children of My Immaculate Heart,

There is an overabundance of evil acts, irreverence, pleasure in a great degree, and the vices stand out everywhere without being stopped. I see those who are heading towards Eternal Bliss and they differ greatly from the other brothers who are lost... And some are taken to perdition

because of their misused free will, and the others are taken to Eternal Bliss because their human will was sacrificed and placed at My Son's service.

AT THIS INSTANT YOU MUST BE STRONG; YOU MUST KNOW MY SON, SO EVIL WILL NOT DARKEN THE HEART OR THE INTELLIGENCE; YOU MUST GIVE YOURSELVES, DEDICATE YOURSELVES TO DELVING DEEP IN THE KNOWLEDGE OF MY DIVINE SON'S LIFE, SO YOU WON'T BE OF THOSE WHOSE HEADS THE DEVIL WILL TAKE AS GREAT TROPHIES.

For lack of knowledge and because nobody warns them, My children put themselves in the hands of the enemy of the soul. At this instant, man is not interested in spirituality; he is not interested because he has not been taught about spirituality, only about religiosity; therefore man is not interested in ascending to be better.

Debauchery is a powerful weapon used by evil to separate My children from Salvation. This is why the Gospel is being forbidden in educational institutes, so the Divine Word will be forgotten and this way men will be willing to do evil, attacking their brothers and being used by the devil as weapons of vice, abuse and vexation, thus chaining the souls so they won't achieve salvation.

EVERYTHING I HAVE ANNOUNCED IS BEING FULFILLED: Plagues and pests will immediately cover the Earth. Man will not have rest in his constant fight against what pounces and will pounce at him to wake him up, to make him aware of the denial of the Divinity and of His constant calls on the part of the human beings.

There are so many children who try to give rational explanations for what is Divine!... using slightly elevated words in a human way but making absolutely no sense regarding what is Divine, words that create great confusion among My children.

THE LIFE OF THE BODY IS THE SOUL, AND THE LIFE OF THE SOUL IS GOD. THE HOLY SPIRIT LIVES IN THE SOULS AND THROUGH THE SOUL THE HOLY SPIRIT LIVES IN THE BODY SO THE BODY WILL BE A TEMPLE OF THE HOLY SPIRIT.

Children, the Holy Spirit lives in man, but man must give Him a good accommodation for Him to stay. Be docile so you can be courageous at the time of dismay and for you to be satiated when you have thirst for God.

At this instant there are so many who ignore the spirituality to which all men are being called! They do not know spirituality since they remain permissive to the designs of rulers who serve evil, rulers who order them not to love God, to get rid of all their sacramentals, not to serve God... and the majority of My children obey out of fear. Beloved, if this happens before a ruler, what will happen to them when the tentacles of the antichrist will pounce with force on My Son's People?

Don't forget that, as the wicked oppressor approaches, there will come men who are perverse, wicked, oppressors, slanderers, servants of evil, and haters of what is good and holy, because they are satan's servers. And at this instant they are difficult to identify as they are amid the wheat with great falsehood.

Pray for the Country of the North; there My children will suffer because of their leader's rebelliousness against God's Laws.

My children are unrecognizable in their behavior; at this instant, humanity is a stranger to God's children, since injustice advances with carnal passions, dishonor, immorality without limits; modesty has been banished from the face of the Earth, it has been usurped by the immoral fashions, and parents enjoy watching their children bare their bodies.

SO MUCH NEARNESS TO EVIL LEADS TO WICKEDNESS GAINING POWER OVER THE HUMAN CREATURES, SO MUCH SO THAT THE ANTICHRIST WANTS TO RULE OVER HUMANITY AND HUMANITY IS ALLOWING THE ANTICHRIST'S PATH TO BE EASIER EVERY INSTANT AS HE DOES NOT FIND ANY RESISTANCE.

Humanity will come to despair when they find themselves tied up and unable to move, having fallen prey to evil in every extent. When all of Creation rebels against man, he will groan and moan and wail, and will not find peace in his soul. Evil will lead them to abuse, harass, persecute, and hurt others so much so that when they wake up they will tremble to see what they have done.

Beloved children of My Immaculate Heart,

THESE INSTANTS ARE NOT LIKE ANY PREVIOUS INSTANTS. I hear My children say, "There have always been disasters, there have always been earthquakes, there have always been plagues and pests, always... always." NO! My beloved, NEVER like at this instant or like in coming instants when everything will recrudescence. There will be more earthquakes and of greater intensity.

Pray, My children, for California and especially for San Francisco; it will be shaken strongly. The water will cleanse the earth of all the evil that man has dumped on it.

You must be aware of this and you must get ready by retaking the right path. You must be aware of the union there must be between man and his Creator; you must be aware of the pain you give My Son with your infidelity; so much human respect to hold a social position, above all so much fear of the same man due to a lack of Faith in the Omnipotent Power of the Divinity.

Beloved children,

**NO ONE KNOWS THE HOUR.³⁸ REMAIN AS IF EACH DAY WERE YOUR LAST...
AT THIS INSTANT THE FUSION WITH MY SON MUST BE SUCH THAT ALL HUMAN WORK AND
HUMAN ACTIONS BE IN TOTAL OBEDIENCE TO THE DIVINE WILL, SO YOU CAN COUNTERACT EVIL
AND YOUR BROTHERS' OFFENSIVE BEHAVIOR.**

Pray, My children, for Japan and Chile; they will suffer the fury of the land and the sea.

Children, do not disregard My Calls. The Earth moves from its entrails and, that constant movement, which doesn't pause, will reach the trembling surface with a lot more force, and My children will suffer because of it.

**THESE ARE DANGEROUS INSTANTS, MY BELOVED. THE DECEIVER OF THE SOULS WAS
CONSTANTLY WAITING IN AMBUSH AND NOW HE IS IN CONSTANT ACTION AGAINST GOD'S
CHILDREN.**

Beloved children, topple the human ego. This great emperor continually gives orders to please himself, mocking the value and valor of man, son of God, so he will stir up a revolt against everything that is Order, Peace, Solidarity, Love, Charity, Life, Honesty, Hope, and Faith.

**THIS INSTANT IS DIFFICULT IF YOU LIVE IT WITHOUT MY SON. IT IS DIFFICULT FOR THOSE WHO
LIVE IN DARKNESS; BUT THOSE WHO ARE CERTAIN THEY "CAN DO ALL THINGS THROUGH"³⁹
GOD, WILL CLEARLY SEE THEIR PATH AND HEAVEN'S HELP WILL BE CONSTANT.** Because My Son does not abandon His own, His People will be guarded like the owner of a great treasure guards it.

Children, "help comes from the Lord, who made heaven and earth."⁴⁰ **DO NOT DESPAIR; HELP IS
SENT TOWARDS MY SON'S PEOPLE TO ENCOURAGE YOU WITH THE DIVINE WORD.**

My Son's Love for His own will not be mocked; those who make fun of it will have their reward: Loneliness. And it is not because My Son offers them loneliness, but because they pushed My Son away and they chose what was easier and momentary, telling My Son, "Leave. I cannot remain with you because then I would be scorned."

Beloved children, in the land where Magog stood, there is a great power that, together with its allies, will invade Israel.

My children, how often all the signals unfold; those that the blind don't see and the deaf don't hear! You, My children, do not move away from My Son; and, as Mother of humankind, I am here next to you to intercede and help you.

Children,

DO NOT WAIT UNTIL THE END... THE WARNING IS COMING SOON; THIS IS WHY EVIL IS SPEEDING UP THE PACE so man will find pleasure in sinning, until man's wickedness is stopped amid great confusion due to the degree of hubris that humankind suffers.

The sun will launch a strong flare and humanity will live in anguish.

Beloved children, I do not call you so you will not sleep only out of fear or so you will be upset. No! I call you so you will get upset when you sin and for you not to want to offend the Divine Will any more. Have Faith; those who offend My Son and persecute God's People will be given a Great Chastisement as a sign of the Divine Justice.

I remain with My children because I love you.

Look upward; the signs will not make you wait, and there will be greater as My Son approaches.

WALK TOWARDS MY SON, JOIN THE DIVINE WILL, AND DON'T FORGET THAT NO MATTER HOW STRONG THE WINDS, EVIL WILL NOT SUCCEED IN DEFEATING GOOD.

AFTER THE TRIAL COMES THE CALM AND MY SON WILL SIT WITH HIS PEOPLE, WITH HIS HOLY REMNANT, AND MY CHILDREN WILL ADORE THE ONE WHO WAS, IS, AND WILL BE FOREVER AND EVER.

I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

In a constant wait, we receive our Mother's words filled with Maternal Love, but the wait does not lead us to move away from the Faith; instead, the Faith increases.

We are warned: Our Mother told me that France will be attacked at some instant and those foreigners will reach Paris because of man's wrongdoing. The same thing will happen with Italy because of the wrongness of their own decisions and also because of their offenses to Christ, King of the Universe. The attacks will be sudden and continuous, and some people will ask themselves in awe, "Who attacks Rome?" And we will have to say, "Those who called themselves your friends, not the ones who said they were your enemies."

The gates of hell will remain open so those who rise against God and do not repent will be able to enter easily. Likewise, the Gates of Heaven are open to receive all of God's children, all the converts, and in Heaven there will be joyful singing. This is why they alert us time and again, but the Divine Calls are not heeded, and humanity remains indifferent.

Brothers, let's pray, let's repair. Let's pray because the earth trembles with force. But let's not forget that at the same time God is the Owner of all things created and He never abandons those who remain faithful. With this certainty, with this Faith, let's continue fighting specifically against our own humanity so we will have the strength to get up knowing that we have Christ who constantly comes to our rescue.

Amen

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
4 AUGUST 2015**

My beloved People,

My beloved children,

The love of each of you captivates Me, attracts Me, fills My Heart with the soothing balm of those who fight to comply with Our Divine Will.

The love of My faithful children constantly keeps Me alerting you—instant to instant—so you will not be lost.

**AS GOD, I DO NOT ABANDON MY OWN. MY CONSTANT CALLS ARE TO ALERT YOU OF THE
EVENTS THAT ARE IN FRONT OF YOU. I ALERT YOU OUT OF LOVE. I ALERT YOU OUT OF LOVE.**

No event will ever come to pass without My encouraging you to come to Me ahead of time. No event will ever come to you impromptu because I alert you first. My Mercy is so infinite that wherever I see a drop of My Sons' love, I go there and I form a fathomless ocean of My Mercy for

all My children. This is precisely why I am alerting you and I call you to be obedient children at these instants.

My beloved People,

THESE INSTANTS ARE OF PREPARATION FOR YOU TO COME CLOSE TO ME. These instants of My Mercy are for those children of Mine who are not properly prepared; retake the straight path that takes you to Me.

So many of My children belong to different groups of religious nature!

So many think they have attained Heaven ahead of time just for belonging to some particular group!

So many of My children feel they are saved and no longer try to comply with The Commandments, the Law that moves all “Our Love!” Each one of you must become a repeater of Our Divine Love.

My beloved People,

BELONGING TO A SPECIFIC GROUP IS NOT WHAT SAVES THE HUMAN CREATURE. So many are great theologians! So many learn the Holy Word by heart, but remain empty inside! There are so many who think that because they acquire great scientific knowledge they have achieved everything! There are many who walk towards their brothers day and night to help them! And I love these deeds, but I also come to examine your insides. **“SO FAITH BY ITSELF, IF IT HAS NO WORKS, IS DEAD.”**⁴¹ **“NO SLAVE CAN SERVE TWO MASTERS”**⁴² **THIS IS WHY THE WORKS AND THE ACTS MUST COME FROM THE FUSION OF THE CREATURE WITH HIS CREATOR.**

IF YOU DO NOT RECOGNIZE ME, IF YOU DO NOT LOVE ME, YOU CANNOT GET TO ME. This is why I call you to see inside yourselves, because you cannot pretend to act and work if My Love is not within you, present in every work and act penetrated by My Love.

THE GROUPS—RELIGIOUS AND NOT RELIGIOUS—THAT ARE DEDICATED TO HELPING THE BROTHERS, MUST GROW SPIRITUALLY AT THIS INSTANT, THEY MUST GET TO KNOW ME, LOVE ME, INVITE ME TO EACH ACT AND WORK, because, if you walk alone, you run the risk of allowing your human will to take over and control you, and, thinking you are doing the right thing, you would not be totally compliant or obedient. You run the risk of deifying yourselves or other human creatures, and thinking you are doing everything, you do nothing.

Beloved children,

⁴¹ James 2:17 Revised Standard Version Catholic Edition

⁴² Luke 16:13 New Revised Standard Version Catholic Edition

YOU MUST PRAY, YOU MUST LEARN TO FAST WHEN NECESSARY—THOSE WHO ARE ABLE, THOSE WHO ARE NOT SICK OR UNABLE TO FAST—MUST FAST. I retired to pray alone with My Father, and I found My Disciples asleep; this is precisely the work that the adversary of the Salvation of men has been doing. He has led you to take interest in other aspects; he has taken you around the periphery, making you set aside what is most important to walk righteously: **Be obedient to the Divine Will**, and thus obey the Commandments, comply with the Sacraments, receive Me in My Body and My Blood, because I am the Divine Food.

So many have spent years along other paths performing other duties or jobs, and have left Me by the wayside! But it is not too late; it's just that at this instant you must seek Me hastily, you must pray promptly to make sure you walk towards Me and not towards false gods, because, for not having delved deep in prayer, in the Holy Scriptures, in the total compliance with The Commandments, you have accepted as holy word what some human god you have forged has professed.

My beloved People,

I need you to recognize Me “in season and out of season”⁴³ immediately...

I need children of action, but within that action, they must understand that **I AM FIRST**, so they will walk safely...

I need My children to be unified, not to combat one another, because I will make sure to expose those who at these decisive instants crawl on the ground, like serpents, betraying their brothers; I will expose them to make them recognize their mistake... Those who crawl so as not to be seen trying to topple over My Works will be exposed.

I need unity for the walls to be strong because “...anyone among you who is without sin be the first to throw a stone...”⁴⁴ So many come to receive Me with their tongues dirtier than mud! because they have uttered slander and libel against their brothers, because they have dared to blame and judge with the double-edged sword which is the tongue.

My People,

THESE INSTANTS ARE FOR YOU TO WALK TOWARDS ME BEING TRUE, FOR YOU TO RECOGNIZE YOUR MISTAKES AND LEARN TO FORGIVE—yourselves first, and then your brothers—because I come to separate the wheat from the weeds, for he who does not bear fruit will be tossed from My side. I come to look at the deeds and works you will present to Me, but they must have the

⁴³ 2 Timothy 4:2 New Revised Standard Version Catholic Edition

⁴⁴ John 8:7 New Revised Standard Version Catholic Edition

implicit seal of My Love, My Charity; and that which has not looked for Me in prayer, in the fulfillment of the Divine Will expressed in The Commandments, cannot have the seal of My Love.

**MY CHILDREN GET NOURISHMENT FROM LOVE, FROM MY LOVE, AND, IN MY LIKENESS,
THEY BURN WITH LOVE FOR THEIR FELLOW BEINGS; IT IS NOT THE WORLDLY LOVE
WHICH IS COARSE AND OFFENDS ME; IT IS THE LOVE THAT IS BORN IN THE
DEPTHS OF THE CREATURE, THERE WHERE NO ONE CAN EVEN SEE IT, ONLY ME.**

You must be aware that I have come closer to this generation because of the excess of sin that abounds everywhere so you may repent. Little by little, the Cup has been spilling over this generation. Do not expect another generation before My Mother's announcements come to pass. It is this generation! And those that, in spite of the events that happen rapidly and with great haste, still do not believe, will regret it; they will wail and, if that wail comes from true repentance and contrition, I will be there to give them My Hand and lift them, because I am a God of Mercy.

My beloved People,

**MY LOVE IS SO INFINITE THAT IT CARRIES MY JUSTICE IMPLICITLY.
AT THIS INSTANT THE CREATION REACTS AGAINST SO MUCH OFFENSE GIVEN BY HUMANKIND.**

How can you not see that everything accelerates?...

How can you not recognize the Signs of this instant?...

How can you not see the natural disasters that happen with great frequency and intensity?...

How can you not be aware of the constant movements of the earth, much more so than in the past?...

How can you not see the appearance of plagues and pests of which you had not even heard and that happened during My People's captivity?

My beloved People,

At this instant you are captives, captives of evil, captives of the technology, captives of indifference, of habit...

You are captives of ignorance...

You are captives of denial...

You are captives of your submissiveness due to human respect...

You are captives of the innovations in fashion...

You are captives of immorality...

You are captives of the economy...

You are captives of misused science...

YOU ARE CAPTIVES OF SPIRITUAL BLINDNESS WITH WHICH SATAN AND HIS LEGIONS HAVE INVADED YOU TO SEPARATE YOU FROM ME, FROM MY TRUTH; TO SEPARATE YOU FROM MY MOTHER WHO CONSTANTLY ANNOUNCES ALL THAT IS COMING SO YOU WILL PREPARE IN THE SPIRIT, SO YOU WILL GROW IN THE SPIRIT, SO YOU WILL COME TO ME THE WAY YOU SHOULD HAVE ALREADY DONE.

My beloved People,

BE REBORN SO YOU WILL REUNITE WITH ME. I do not want any of My children to be lost, but the earth is tainted more and more with the blood of many innocents.

My children are persecuted for carrying or wearing My Cross, but "Blessed are those who are persecuted for"⁴⁵ My Name.

Blessed is he who wears Me around His neck with Faith, knowing that I am his God, and is persecuted and pointed out for that reason.

Blessed is he who is insulted and slandered for obeying My Word and for being faithful to Me.

Blessed are My children, but besides being blessed by Me, they must know Me better and they must grow in deeds and works, in giving testimony, and in alerting their brothers.

My People, the war is approaching humankind; the allies of this instant will betray one another. The plagues and pests will turn up one after the other, because they are not sent by Me; they have been created in laboratories.

My Heart is in so much pain for that!

I suffer so much for that, because of man's folly, because of man's indifference towards his brothers!

My beloved People,

⁴⁵ Matthew 5:10 New Revised Standard Version Catholic Edition

Pray "in season and out of season."⁴⁶

Pray for My beloved Mexican People because My Mother, being present there, sheds tears for so many babies that are aborted and because of so much immorality that should make My children ashamed.

Pray, My People, pray for My beloved People of Brazil; they will suffer.

The land will be tainted with blood. I suffer for it.

Pray, My People; the seawater will be contaminated.

What My Father created with so much Love, man has destroyed so much!

Pray, My People, My Church will be strongly shaken.

Look at the Signs up above; they will not stop giving Signals to My children.

EACH ONE MUST EXAMINE YOURSELF, LOOK AT YOURSELF, GET READY FOR IT...

I LOVE YOU. I LOVE YOU SO MUCH THAT I ALERT YOU, I WARN YOU, I CALL YOU, I CLAMOR FOR YOU TO CHANGE. DO NOT TRADE ETERNAL LIFE FOR AN INSTANT OF PLEASURE. At this instant, what it means to man to walk within what is normal, causes Me pain, because most of what is normal at this instant is a continuous offense towards Me. This is why I do not abandon My People, My children. Every instant I have sent a Creature to accompany My People, and this generation is not the exception.

My People, oh, how I Love you! I very much need for you to wake up immediately!

Do not resist your God. Wake up! The deceiver is getting ready to spring up and take My People captive.

My beloved People,

GET UP! DO NOT SLUMBER! I AM HERE WITH MY INFINITE MERCY AND MY PROMPT JUSTICE.

I bless you; I love you; you palpitate within My Heart; you are the apple of My Eye.

I come for the "...land flowing with milk and honey."⁴⁷ My People, here I am. I bless you. I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

“Thy will be done on earth as it is in Heaven.”⁴⁸ Amen

MESSAGE GIVEN BY OUR LORD JESUS CHRIST TO HIS BELOVED DAUGHTER LUZ DE MARÍA 13 AUGUST 2015

My beloved People,

YOU ARE THE APPLE OF MY EYE AND I KEEP YOU IN THE PALM OF MY HAND.

Instant to instant I come to you, My People. My Love is infinite and this is why I seek you so insistently. I see you asleep in the midst of so much evil, unawareness, conformity and ignorance. I call you to remain in the Faith so nothing will separate you from Me. Even if the winds are strong, the certainty of My Protection must keep you standing.

My children, do not go on living with so much permissiveness which leads you to yield to evil without resisting it. This is the tempter, the enemy of souls, the one who wants My children to be condemned to the eternal fire. So many deny the existence of evil in the world! And those are the ones who enhance and encourage the souls to yield without resisting sin.

This instant when temptations over abound must be for you an instant of prayer, penance, donation of self, without being afraid of your brothers, because you must be true and you must manifest your Faith in Me, your Lord and your God. He who denies Me before men will receive his pay...

My beloved, chaos is in the midst of humankind without alerting My own. I call you to be true, to love one another as brothers; instead, you act against My Mandates at instants when you must remain in constant adoration of the Holy Trinity and without weakening or feeling faint, for Our Holy Spirit to fill you with the necessary Graces so you will not succumb to what is mundane and sinful.

Be alert, My People, be alert! Chaos will not make you wait; those who remain faithful to Me and to My Mother lose heart and decline because of the weight of those who do not recognize the signs of this instant.

⁴⁸ Our Father: The prayer which Jesus Christ taught to His disciples.

Our Trinity alerts you so you will not feel safe thinking you know everything, thinking that the events happening at this instant are the same as always. My children, that is not so! The events of this instant are greater and they are enhanced by the acceleration of this instant; they intensify to urge you to convert. At every instant Nature has manifested itself, and man is aware of it; it's just that, at this instant, whatever happens is a prelude to the flagellations that My Mother and I have announced to you and AFTER WHICH humankind will not be the same.

THIS INSTANT IS FOR EACH ONE OF YOU TO REPENT AND UNDERGO A RADICAL CHANGE OF LIFE.

You do not believe, and this incredulity makes man not hear Me, not love Me, and deviate from the True Path, tossing Me out of your lives, and this is the reason you get to believe that My Warnings and My Calls are not urgent.

STOP! ACT NO EVIL! SIN NO MORE! THE FORCE OF SIN STRENGTHENS EVIL WHICH IMMEDIATELY ATTACKS MAN WITH GREATER TENACITY, BECAUSE EVIL FEEDS ON THE HUMAN RESPONSE AND TAKES ADVANTAGE OF IT TO CAUSE CONFUSION.

Evil not only makes itself known in those who, in view of all, commit what is wicked, but also introduces itself in those who do not commit evil before the eyes of the brothers. So much chaos inside man has made the same man get used to it and so man sees everything as distant and lacking the urgency with which I call him. When men wake up from so much lethargy, they will groan with pain from deep inside because of the lightness with which they took My Warnings and those of My Mother.

**YOU MUST GET AWAY FROM ALL EVIL RIGHT NOW!
YOU MUST REUNITE WITH MY LOVE AND MY TRUTH.**

Those who deny the veracity of the coming events confuse you, and since you do not delve into the harsh way in which Nature treats you, and GIVEN THE WAY YOU HANDLE YOURSELVES, you continue placidly ignoring or letting go what you should repudiate in yourselves.

EVIL EXISTS, MY CHILDREN; IT EXISTS AND IS DETERMINED TO DIVIDE MY PEOPLE TO WEAKEN THEM, SO EACH ONE WILL BE NEGLIGENT AND ACT AND WORK AGAINST MY WILL.

I see many of My children as dry logs that in the face of the least temptation fall and burn, and as they burn, they do not fight to get ahead and retake the road to Me by confessing their wrongdoings, instead, they burn and consume those around them, AND THOSE AT A DISTANCE FROM THEM, VERY SUBTLY, without being noticed, they carry with them all those who are not firm.

My beloved People,

I CALL YOU—IN THIS MY WORD BY MEANS OF MY PROPHET—TO LISTEN TO MY WILL ONCE AGAIN AND NOT TO WANDER THROUGH LIFE AS IF EVERYTHING WERE FINE... NO, CHILDREN, DON'T BE FOOLISH!

I invite you to hastily edify yourselves in the Faith in view of the undeniable crucible through which humankind will pass. Good and evil have remained in a constant battle; man's free will does not only have an effect within the same man; it also has repercussions on all his brothers; this is why it is urgent for you to become aware of your works and acts.

My children,

EACH ONE FORGES HIS OWN SALVATION WITH HIS ACTS AND WORKS, FOR BLESSING OR CURSE, FOR SALVATION OR DAMNATION. My People have understood that by remaining before My constant Warnings they are more in My likeness; My People have understood, they have become aware and have been alerted about the decisive instant in which they move. This is why all must work towards the common good and not attack one another like wild animals in search of prey.

"IT IS MY WILL THAT EVERYONE BE SAVED AND COME TO THE KNOWLEDGE OF THE TRUTH."⁴⁹

How many want to be saved?

How many are a stumbling block for their brothers?...

How many are participants in the downfall and perdition of My children because they keep quiet instead of telling humankind about their tragic future?

I REMAIN PROTECTING YOU, WAITING TO MAKE LIFE IN YOU, ETERNAL LIFE; BUT I REMAIN IN WAIT DUE TO THE LACK OF UNDERSTANDING I RECEIVE FROM Y CHILDREN, DUE TO THE ALLEGATIONS AND ACCUSATIONS TOWARD ONE ANOTHER, DUE TO THE LIES, THE ENVY, THE PRIDE.

My beloved,

I call you to wake up, but instead you persecute Me tirelessly without thinking that **YOU WILL NOT DEFEAT ME, MY WORD FLIES IN THE WIND NOURISHING THOSE WHO SEEK ME TO ACCEPT ME.**

They point at My Word as false. Who will they blame for what is written in the Holy Scripture?

Will they blame My Father?

Will they blame Me?

Will they blame the Holy Spirit?...

They blame My Mother for speaking the Truth and call Her catastrophist!

Naive!... It is I you persecute. I give Myself to My People through My instruments.

⁴⁹ 1 Timothy 2:4 New Revised Standard Version Catholic Edition

So the wicked and obstinate will persecute those who are My followers. This is why I come to separate the wheat from the weeds, the lamb from the wolf, and to burn the fig tree that does not bear fruit of Eternal Life.

“I AM WHO I AM”⁵⁰ THE ETERNAL AND INFINITE MYSTERY OF LOVE; FOR THIS REASON I WILL REVEAL TO YOU WHAT REMAINS HIDDEN AND I WILL MAKE MY TRUTH SHINE LIKE NEVER BEFORE.

My People,

Pray whether the time is favorable or unfavorable, but comply with My Will...

Come to the Holy Scripture; in it you will find everything you wish to know, the answers to your questions, what you must do and not do, what your works must be like, when your acts are good and when they are not good, but come to receive Me so you will receive My Holy Spirit, non-human Wisdom, and thus you'll be aware of My Calls at this instant.

My People,

You are not alone; I remain watching you, protecting you, alerting you of the dangers so you will grow. My Help is for My People: Manna, light, and way.

I do not abandon you; My Mercy is with you and will accompany you. My House will get you support, peace, aid to sustain you, and My Holy Remnant will remain immovable.

My Apostles of the end times will be blessing for their brothers, but My Apostles of the end times will be simple and humble of heart, whose path will be protected by the one I will send from My House as I have promised since long ago.

**My People, wake up and pray for Argentina; it will suffer bitterly.
My People, wake up and pray for Colombia; it will live the pain.
My People, pray, because knowing you do not heed, and not knowing you disregard.
Children, pray for the United States; its ground will be shaken.
Children, pray for Japan; it is a scourge that will not stop.
Pray, the volcanoes awaken again.**

My beloved,

DO NOT FORGET ME; BE THE LIGHT OF THE WORLD AND THE SALT OF THE EARTH.

⁵⁰ Exodus 3:14 New Revised Standard Version Catholic Edition

My People are not afraid; those who do not have Faith in My Protection are afraid.
My People know I love and protect them.
My People know that I have given them a Mother who loves them and remains with them at these instants.
My Love and My Shelter is, within each one of you, certainty of My Mercy.

Your Jesus.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Faith and hope in the Divine Help give us strength to be better.

THE PATH IS NOT EASY—LIKE OUR LORD JESUS CHRIST HAS TOLD US—BUT “IF GOD IS FOR US, WHO IS AGAINST US?”⁵¹

Brothers, Christ, the way, and the truth, and the life, assures us, before the Calls that for Divine Love He gives us—which may not be what our eyes want to read—but God’s Love for His People is so infinite that only loving Him above all else can we begin to understand that we are warned out of Love; otherwise, we would be abandoned according to the human free will.

We know that if we comply with the Divine Will, we will be blessed and our walk may not be any easier or less harsh, but, yes, the donation of ourselves will bring us closer to our Lord Jesus Christ. Let’s love our Mother and attentively hear Her Calls so we will delve deep into Heaven’s Revelations for His People and we will act like true children of God.

Let’s be love and the rest will be given to us as well...

Let’s be action warning our brothers...

Let’s not be the blind who do not see even though they have the miracle right before them.

MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY

⁵¹ Romans 8:31 New Revised Standard Version Catholic Edition

**TO HER BELOVED DAUGHTER LUZ DE MARÍA
16 AUGUST 2015**

Beloved children of My Immaculate Heart,

I LOVE YOU WITH MATERNAL LOVE; I CALL YOU TO CONVERT...

**TIME AND AGAIN I INVITE YOU TO REMAIN ON MY SON'S PATH. YOU WILL NOT GET TO MY SON
IF IT ISN'T BY WAY OF OBEDIENCE AND COMPLIANCE OF YOUR ACTS AND WORKS WITH THE
DIVINE WILL, LIVING AND FULFILLING THE COMMANDMENTS.**

Beloved children, My Heart burns with love for each one of you. You are all My children and you are important to Me. As Mother, the denials We receive towards Our constant Calls and Warnings give Me pain.

Humankind carries a heavy cross that it has forged for itself by disobeying and by misusing everything the Father gave to man for his own good.

My children,

**THE EVENTS THAT WE HAVE ANNOUNCED ARE INCREASING AND ACCELERATING, BUT MAN
DOES NOT SEEM TO BE AWARE OF THIS. THEY SEE OUR CALLS AND CAST THEM ASIDE AND
FORGET ABOUT THEM; THIS IS WHY MY SON HASTENS THE INSTANT.**

Beloved children,

Because of Maternal Love I intercede before My Son for each one of you and I beg My Son that each one of you repents, so all retake the Path to Salvation. But as Mother of the Word, I know that even then some will resist going back to My Son's Path, and this gives Me great pain. Do not forget that before the Warning there will be great calamities that will sensitize the creatures. A Great Sign in the Sky will be seen by all humankind wherever they are and nobody will evade being self-examined. This is Divine Mercy that does not want His children to be lost but to increase the Faith.

My children, as Mother I see that it is difficult for you to remain firm in the midst of so much temptation waiting in ambush, but as Mother I know that it is not impossible to resist temptation if you so desire, if you remain convinced that to save yourselves it is necessary not to follow the mundane current, but to be of those who, being aware that they must reach Salvation, turn away from what is sinful.

Beloved children of My Immaculate Heart,

Pray for Russia; pray whether the time is favorable or unfavorable.

Pray, My children, pray for Mexico; it will suffer.
Pray, My children, for Ecuador; it will suffer and wail.

Beloved children of My Immaculate Heart,

ALL I HAVE ANNOUNCED TO YOU—NOT AT THIS INSTANT, BUT SINCE PAST INSTANTS—IS BEING FULFILLED.

THE ECONOMY WILL FALL BECAUSE EVIL CONTROLS THE WORLD THROUGH THE ECONOMY. Man subdues himself to the god money, and the first thing the antichrist will do to begin his manifestation before all humankind will be to bring down the world economy because, by subjecting all the countries, all the peoples through the economy, he will keep them all under his control.

THE EVIL ONE WILL ARRIVE TO HELP THOSE WHO DO NOT HAVE ANY FOOD, WHO DO NOT HAVE ANY MONEY TO BUY WHAT IS NECESSARY. DO NOT FORGET THAT THE ANTICHRIST WILL APPEAR AS A GREAT SAVIOR OF HUMANKIND; FIRST, RESCUING AND HELPING HUMANKIND WITH MATERIAL THINGS AND HEALTH ISSUES, AND LATER ON, ONCE HE HAS THE POWER IN HIS HANDS, HE WILL IMPLEMENT ONE SINGLE RELIGION TO CONTROL THEM SPIRITUALLY.

DO NOT EXPECT THE ANTICHRIST TO APPEAR AS A POWERFUL PERSON; DO NOT EXPECT HIM TO APPEAR WITH A WHIP IN HIS HAND; HE WILL ARRIVE AS A MEEK LAMB, AND THEN HE WILL BE THE GREATEST TYRANT OF ALL TIMES.

My children,

The antichrist will arrive with great power seeking to control man absolutely in all that man needs. Remain alert; do not allow yourselves to be deceived. Remember that this enemy of the souls will come to captivate men, the ignorant and the learned.

Remember, My children, that the antichrist has forged his way through great institutions and great politicians. Humankind comes into chaos and then the antichrist presents himself pretending to help humanity, supposedly controlling the constant epidemics, giving health to the sick and pretending to be My Son.

Children of My Immaculate Heart,

Remain alert, do not dismay, do not lose courage, do not flinch; My Son loves you. I remain with you every instant without moving away.

I LOVE YOU, I BLESS YOU, AND AS MOTHER I WILL REMAIN WITH YOU AT THE FOOT OF THE CROSS, IN EACH GROAN, EACH SACRIFICE, EACH PRAYER, EACH REQUEST... I REMAIN WITH MY CHILDREN.

My beloved,

**COME QUICKLY, DO NOT WAIT, COME QUICKLY AND RETAKE THE PATH; IT IS URGENT,
CHILDREN, IT IS EXTREMELY URGENT THAT YOU RETAKE THE PATH TO SALVATION.**

It is urgent that you delve in the Scriptures so you will not be confused or deceived. In the Holy Scripture are all acts and works of the true Christian. You will find absolutely everything: How to behave, how to live with your brothers, how to love your fellow beings, how to resist temptation, how not to act against the Divine Will, how to receive My Son with dignity, and what the last instants will be like.

Beloved children,

**DO NOT REJECT THE HOLY SCRIPTURE, DELVE IN IT AND RECEIVE MY SON IN HIS BODY AND HIS
BLOOD; BE LOVE IN MY SON'S LIKENESS.**

Come to My Immaculate Heart; in it I will keep you protected from evil.

I bless you.

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother calls us again ...

Much of humanity is unaware or unwilling to accept the appearance of the antichrist; they do not recognize that humankind does wrong and forges its own purification, thus denying what Heaven has revealed to man.

Our Mother makes very clear how Her Son's People will be deceived, and anticipates the key points to alert us. Keep in mind that to access the help of that character it will be necessary to accept that the microchip be implanted in your body. Brothers, let's not lose sight of the Eternal Life.

GOD'S PEOPLE HAVE NEVER BEEN NOR WILL THEY BE ABANDONED BY GOD. THIS IS WHY IT IS IMPORTANT NOT TO ACCEPT WHAT EVIL OFFERS; INSTEAD, REMAIN FAITHFUL TO THE DIVINE HELP.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
19 AUGUST 2015**

Beloved children of My Immaculate Heart,

I love you, I bless you, you are the apple of the Father's Eye.

My Heart beats continuously for each one of you.

Beloved children,

**YOU MUST BE CLAY IN MY SON'S HANDS SO YOU WILL BE THE ACTS AND WORKS
OF MY SON AT SUCH A DECISIVE INSTANT.**

My children, you have developed in the midst of a society that recedes, that diminishes; this is why your acts and your works are not those of a true son of God who completely complies with The Commandments, the acts of Mercy, The Beatitudes and The Sacraments.

**YOU DO NOT DELVE INTO THE HOLY SCRIPTURE; IN IT ARE THE RULES AND REGULATIONS OF
DAILY LIVING, OF THE ACTS AND WORKS OF THE TRUE CHRISTIAN.**

YOU MUST WAKE UP NOW! You call yourselves Christians and each one has his own scheme of life and his own concept of what it is to live, to act, to work... and some are mistaken.

Each one of you who delves into the spiritual path must clearly understand that in order to continue along this way without falling prey to evil and without allowing evil to turn you away from the righteousness that leads you to Eternal Salvation, **YOU MUST ALLOW MY SON TO MOLD YOU ANEW, EVEN WHEN THIS SHAPING BE PAINFUL.**

You continue to act and work at your personal will without considering whether it is good or not. To you this does not mean an offense to My Son, it does not mean that evil can take you and make you betray My Son, and above all, you do not think that with these attitudes you betray yourselves and

deviate from the correct path; you act and work at your will based on very human interpretations with which you defy My Son Who calls you... and you do not obey.

Beloved children of My Immaculate Heart,

This instant is decisive. **IT IS OF THE UTMOST IMPORTANCE THAT YOU COMPLETELY BELONG TO MY SON.**

Beloved,

**CHANGE THE SCHEMES; CHANGE YOUR THINKING...
MOVE AWAY FROM WHAT YOU WISH ON A WHIM...
MOVE AWAY FROM THE PAST IF AT THIS INSTANT IT CAN HARM YOU IN ANY WAY...
MAN'S THINKING IS TREACHEROUS AND LEADS HIM ALONG DANGEROUS PATHS...**

Man is weak before temptation and, at this instant, you must remain attentive not to allow temptation to defeat you. The enemy knows that you keep fighting to get close to My Son and to be faithful to Him; this is why evil tempts you where each one of you is weakest. Resist! Do not yield! When you yield, evil takes you very far away from where you were last trekking.

Beloved children of My Immaculate Heart,

HUMAN STUBBORNNESS IS MAN'S WORST ENEMY. This is why I call you to wake up definitively because it is important at this instant for you to strip off the old man, the man from before, to shed your rags—those you continue to drag with you—and to renew yourselves with generous spirit, renew yourselves completely. To do this, you must be strong and leave behind the rags from the past; otherwise, at some instant, evil will take advantage of you and make you his prey.

Beloved children of My Immaculate Heart, the great famine is approaching humankind; this is why I alert you, not so much for you to stock up on material goods, but for you to grow spiritually and thus allow My Son to multiply all you possess.

Beloved children,

THIS INSTANT IS THE INSTANT OF ALL INSTANTS WHEN ALL I HAVE ANNOUNCED TO YOU WILL COME TO PASS EVEN THOUGH A GREAT MAJORITY OF MY CHILDREN DENY IT. Some deny it without ill will, out of ignorance; others, because they know what will happen and they want My Son's People to continue ignoring this so My Son's People will fall in the hands of the power that controls this generation. This is why it is you who have to wake up immediately.

Beloved children of My Immaculate Heart,

The Earth trembles and will tremble strongly; an expected earthquake will happen soon. Pray for this.

Science used for evil has interfered with Nature. This has been kept hidden from you, My children, but My Angels will come to help you; you are not alone. The evil that man wants to cause will not always happen. My Son protects His People and that's why He calls you to remain faithful to Him.

There will be great changes, the volcanoes will erupt and cause geographic changes. Beloved children, it is man's persistent sin what has awakened Nature, and this Nature, created by the Father's Hand, wants you, My children, to retake the path to sanctity.

My children,

You will encounter great trials because you will not be accepted by your brothers. You are going against the current of the world, and what is mundane does not accept you, does not see you with consent or approval. This is why you are not welcome or looked upon favorably by your brothers; this is why they will persecute you. Remain in state of grace, be strong; he who remains in Faith with My Son's Love and immovable, he receives all the Divine Help.

Beloved children,

SO MANY DENY THE PRESENCE AND THE ACTIONS OF THE ANTICHRIST IN THIS GENERATION! POOR THEM; THEY WILL LAMENT GREATLY BECAUSE HE IS IN ACTION ALREADY DESTABILIZING THE WHOLE WORLD!

The economy falls, and as it does, all men are destabilized and the antichrist will find the greatest opportunity to hypocritically extend his hand towards man setting up a single coin. Follow the steps and development of the economy. After this, he will develop his strategy to control all humankind, achieving at the end that the Temples be closed and that you be denied receiving My Son's Body and Blood. **THIS IS WHY I CALL YOU TO LET MY SON RESHAPE YOU, TO LEAVE BEHIND THE RAGS THAT YOU STILL CARRY WITH YOU, SO YOU WILL BE NEW CREATURES THAT EVIL CANNOT SWAY.**

Beloved children of My Immaculate Heart,

Be extremely careful; at this instant, groups that call themselves prayer groups or spiritual groups proliferate, those who call themselves My Son's instruments proliferate, but not all are true...

ANY GROUP WHERE THE BASIS IS NOT TO COMPLY WITH THE FATHER'S WILL, WITH THE COMMANDMENTS, THE EUCHARIST, PRAYER, ACTION IN FAVOR OF THE BROTHERS, IS NOT TRUSTWORTHY. Those who for special reasons do not receive Communion, must comply with a spiritual life like every good Christian, and offer the Spiritual Communion; I do not leave you.

DO NOT ALLOW EVIL TO DECEIVE YOU. MY SON CAME TO REDEEM YOU AND, AT THIS INSTANT, HIS TRUE INSTRUMENTS CALL TO CONVERSION, AND THERE IS NO CONVERSION WITHOUT REPENTANCE, WITHOUT A CHANGE OF LIFE, and this will not happen if you do not approach the Bread of Life, if you do not fulfill My Son's acts and works.

As you walk towards My Son, you must bring works, do not be satisfied only with prayer; that acting and working is the love for your neighbors, it is the praxis, it is taking him by the hand and bringing him to My Son; and this is done by means of the personal testimony given by each one of you and by the wish for the participation of all your brothers of the Infinite Joy. But the works do not achieve fullness if you do not approach My Son so He will strengthen you and guide you, if you are not immersed in My Son's Love.

Beloved children,

THOSE WHO REMAIN LUKEWARM WILL BE VOMITED BY THE FATHER'S MOUTH; ALL THOSE WHO GET TOGETHER IN THE NAME OF MY SON HAVE ONLY ONE LOVE, ONLY ONE GOD, ONLY ONE GUIDE, ONLY ONE LEADER... AND THAT IS MY SON.

Those who have foundations and build themselves up on human leaders and human ideologies do not comply with the Divine Will.

The groups or the communities that are not Christocentric also move away from My Immaculate Heart; "faith by itself, if it has no works, is dead"⁵² but the works without My Son and without the fulfillment of The Commandments are not true works.

Beloved children of My Immaculate Heart,

Pray strongly for Japan; it will continue to be a source of contamination for all humankind.

Pray for Finland; it will suffer greatly.

Pray, My children; terrorism will soon give My People great pains.

Beloved children of My Immaculate Heart,

BE FAITHFUL DISCIPLES OF MY SON. AT THIS INSTANT NONE OF YOU CAN BE A HALF-HEARTED DISCIPLE BECAUSE HE WHO REMAINS HALFWAY WILL FALL AND FALL, will not resist the trials, will not resist the temptations, and will fall prey to evil.

Children, renew yourselves, be true; pray, My children, pray "whether the time is favorable or unfavorable"⁵³ because soon you will examine yourselves as the great act of Divine Mercy, before

⁵² James 2:17 New Revised Standard Version Catholic Edition

the fulfillment of the other warnings that I have announced and that will cause the whole development of the Great Tribulation that you expect.

My Son's People are a courageous People, a People that pay attention to their Mother, a People that know that the Mother loves them and that for you I continue to bring My Word as faithful intercessor in favor of My children.

A mysterious illness arrives which will attack the nervous system. My children, remain faithful and having Faith in My Son and in the assistance of this Mother; place yourselves under My Maternal Mantle and trust that you will never be abandoned by this Mother.

Wait patiently because the calm comes after the tribulation and My Son will send His Help from above so you will continue to be sheltered by the Divine Protection.

My children,

**DO NOT FORGET TO INVITE ME; DO NOT FORGET TO CALL ME SAYING:
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN!**

I keep you in My Heart, Ark of Salvation. I love you, you are My children, I will not abandon you.

I bless you in the Name of the Father and the Son and the Holy Spirit. Amen.

INSTRUMENT'S COMMENTARY

Brothers/Sisters,

Today the Mother looked—to put it in human terms—very sorrowful, completely sorrowful, extremely sad and distressed. I had the feeling that She was in anguish, and at this instant it cannot be any other way given all that is happening and what we will encounter very soon.

I feel that today's message from the Mother is for each one of us, very personal, because She is calling us to a change, not only of life, but also of the way of thinking, the way of acting, the way of working which we believe are right but are not, because in some way they are feeding the "ego".

The Mother tells me that in this message She orders all of us to fight against the “ego”, to stop acting and working the way we have been acting and working until now, and that at this instant the “ego” must be taken down, because he who says “I think, I believe, and this is what I am” is the one most exposed to temptation, to fall.

She tells us that it is not wrong to be tempted, what is wrong is to yield to temptation and fall. She also tells us that he who is not tempted should worry—the enemy is not watching him because he is not one of Christ’s soldiers, he is not a fighter for Christ—and that he who is tempted and falls must also worry.

The Mother tells us that no hero stands on his own human self, a hero rises on his own pain and his own humility...

She talked a lot about us carrying the rags of our lives, and yes! because we have misconceptions about what it is to act correctly and to work correctly; and we do not look back and make an effort to act and work the way Christ is asking of us.

In this message (in essence) She told us: **EITHER YOU BELONG TO MY SON OR YOU ARE NOTHING, BUT NOW YOU MUST TOTALLY BELONG TO MY SON!** And I remember the song about the Potter... that we should allow Christ to take this vessel that each one of us is, throw it on the floor, and reshape it at His Will. Very difficult but not impossible if we have the disposition, if we say YES. The thing is that there is an inner pride so big that each one wishes to continue being the way he wishes, with what each one thinks is right, but then it turns out that what we think is right becomes our Achilles heel which the enemy will use to attack us and make us fall.

Maybe we do not pay attention to many acts of our lives or we think they lack importance or significance, but everything we do at this moment has transcendence, and a great transcendence. This is why She called us to change completely, and She said something very important: The Great Warning is a great act of Mercy before everything is unleashed.

But now we have to change ourselves, and it will be difficult and it will be painful, because we have to leave behind a lot of things and that will hurt; but the goal is Christ, if we wish to save our souls.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
24 AUGUST 2015**

Beloved children of My Immaculate Heart,

AS MOTHER OF HUMANKIND, I BLESS YOU; AND TOGETHER WITH THIS BLESSING I INVITE YOU TO REMAIN UNITED IN THE FAITH TOWARDS THE HOLY TRINITY COMPLYING WITH THE DIVINE WILL.

My Mantle is sign of My Maternity under which I shelter all men without distinctions...
My Mantle is Revelation for all humankind because in it remains the Dome of the Universe, created by God the Father...

I AM QUEEN AND LADY OF THE ANGELS AND MY LEGIONS WAIT FOR THOSE WHO ARE MINE TO CALL THEM AND THEY WILL PROMPTLY COME TO HELP YOU.

My beloved, humanity is ambushed by the envoys of the evil one who snatch the human creatures that do not have God, and take them to the perdition of their souls. You do not see them, but the temptations constantly wait in ambush to make you fall in sin.

AT THIS INSTANT IT IS NECESSARY AND ESSENTIAL FOR MAN TO COMPLY WITH MY SON'S MANDATES, WITHOUT VARYING THEM OR INTERPRETING THEM, BECAUSE IT IS THE LAW THAT DOES NOT CHANGE.

Beloved children,

Do not get distracted by things the evil one places before you to prevent you from concentrating on this instant which is precious; do not get distracted by issues that are irrelevant to you and will only lead you away from My Son. Given the continuous wave of indifference towards the fellow human beings, the killing of the innocent, and the transgressions of God's Law, this generation lives of instants. Immorality remains as the normal rule, and the values have been minimized so the human being, which is God's creation, will forget the principles that govern him.

At this instant, My children are being persecuted in several countries which gives My Heart great pain; evil rejoices attacking My own and making them suffer terrible hardships. This is why Heaven cries, because this woe will spread with terrorist acts for the joy of evil and My pain.

The non-believers over abound they deny everything related to My Son's Calls and My Calls to humanity, Our Calls to conversion before the night will no longer allow My children to react.

Man's mind has become an outline of a structure where they have imprisoned My Son and they have dared limit the Divine Omnipotence to minimize the fact that My Son and this Mother alert this generation, which constantly sinks more into perdition. The great elite that governs the world, and thinks it decides humanity's destiny, is responsible for the distancing of humankind from the One who created them. The rulers are directed by those who decide humanity's destiny, a humanity that has been sold to them by the same rulers.

Beloved children,

WAKE UP! LOOK AT ALL THAT'S HAPPENING!

AT THIS INSTANT SEVERAL EVENTS CAN HAPPEN, EVENTS THAT I HAVE ANNOUNCED TO YOU BEFOREHAND FOR YOU TO GET PREPARED; the tentacles of the antichrist move more hastily than My children because My children remain lethargic asking where to go and what to believe due to their lack of knowledge, not only of the Holy Scripture, but also of The Commandments, the Sacraments, the Works of Mercy, the Beatitudes, the Capital Sins, and they are not aware of the value of the Eucharist or why they must remain in a state of Grace.

With languid, empty, and deceptive words My children have grown in the shade where they have not received the Light like at high noon, so that under the Rays of the Holy Spirit they can receive the necessary Gifts and not pass being shadows; on the contrary, they be LIGHT AND TESTIMONY for their brothers.

Beloved children,

There are so many at this instant who talk about the Days of Darkness and, when they panic, they often stock up on candles which they take to be blessed! And the more candles they have on hand, the better!

Little children,

Will the candle light if it is owned by someone who is in mortal sin and who refuses to repent of the sins he has committed? And those who offend and deny My Son, will their candles light? Those who live on account of false human gods, will their candles light? And those who, even though they have committed themselves to My Son, have deviated God's children from the True Path and from a full education which would keep them away from sin, will their candles light?

NO! BELOVED CHILDREN, FOR A CANDLE TO GIVE ITS LIGHT THE CREATURE MUST:

Remain united to My Son...

Be aware of what it means to be a son of the King...

Remain firm and defeat temptation...

Get away from everything dealing with novel ideologies that separate you from the True Path...

Know My Son and His Word...

Love his fellow creatures in spirit and truth...

Be humble to recognize that he has offended My Son and, having a firm purpose of amendment, ask His forgiveness...

MY CHILDREN ARE CREATURES OF ACTION, TENACIOUS IN PRAYER, AND AT THE SAME TIME THEY KNOW THAT WHEN THEY PRAY THE ROSARY THEY RECEIVE GREAT BLESSINGS, not only personal but also for those for whom they offer the prayer, and for their brothers, even for those they do not know but who need spiritual assistance at that instant.

The blessings derived from praying the Holy Rosary are innumerable, because those who pray it receive My Help, and My Angels watch over them and keep them Protected. The evil one moves away from he who prays unrushed and not just to comply with something he does not want. In the Holy Rosary you must find the joy of uniting with My Son and with this Mother.

My beloved,

The Calls from so many different times are the same as now, at this instant; they are no different in terms of the content, they are different in terms of the urgency of your compliance with each of My requests.

THIS INSTANT HAS BEEN TAKEN BY SATAN AND HIS LEGIONS, CONFUSING ALL HUMANKIND, ESPECIALLY THOSE WHO HAVE TAKEN THE GOD MONEY AS THE GOD OF THEIR LIVES. These will panic and, when they find they are spiritually empty, many will take their own lives.

Beloved children of My Immaculate Heart, pray for the United States; it will be scourged by Nature.

Beloved children, pray for Israel; it will enter a great conflict.

Beloved children, pray for Korea; it hangs on arrogance.

Children,

DO NOT DECLINE, GROW IN THE KNOWLEDGE AND THE LOVE FOR MY SON, REMAIN IN PRAYER. IN THE FACE OF THE FULFILLMENT OF MY REVELATIONS, MY CHILDREN WILL BE EXAMINED IN LOVE, AND IN AN INSTANT THE DAY CAN BE NIGHT.

Man's weaponry power is about to be used for the sorrow of all humankind. Man does not create something he will not use. Men enter into social unrest in several countries at the same time.

My children, the Earth trembles and the sky lights up. Pray "in season and out of season,"⁵⁴ "whether the time is favorable or unfavorable"⁵⁵ and, together with your prayers, be action in favor of your

⁵⁵ 2 Timothy 4:2 New Revised Standard Version Catholic Edition

brothers by means of the word so that, when you alert your brothers, they will see the Merciful Love of My Son while being aware of the Divine Justice.

Humankind will live sorrowful instants... There will be astonishment when the modernism that My Son does not want will come from the United States, when in the United States strategies will be announced which will confuse My Son's Mystical Body.

My Son's People,

**REMAIN FAITHFUL!
ETERNAL LIFE IS NOT FOUND ON EARTH,
BUT ON EARTH YOU DO EARN THE MERITS NEEDED TO REACH THE ETERNAL LIFE.**

Beloved children, do not be afraid, all of the DIVINE LOVE will be poured on My Son's People and, together with My Celestial Legions, you will walk towards Eternal Life.

I, as Mother, intercede for you every instant; I do not abandon you. Remain faithful to My Son's and this Mother's indications.

The trials and the Crucible are necessary for you to achieve the Eternal Life; you forge the Crown of Glory at this instant.

Children of My Immaculate Heart,

The infinite Divine Mercy rewards temporary suffering with unlimited glory; remember "it is more blessed to give than to receive"⁵⁶ Obedience is Divine Pleasure, even if it means going against what is worldly.

**YOU, MY BELOVED, WERE NOT BORN TO PERISH IN THE ETERNAL FIRE
BUT TO ENJOY ETERNAL GLORY.**

**BE ACTION, TAKE THE WORD TO YOUR BROTHERS; PASSIVITY AND LAZINESS ARE MATES, AND
LAZINESS IS A CAPITAL SIN.**

Do not allow yourselves to be deceived, condition yourselves for the salvation of the soul, live to take part in the Eternal Joy.

I bless you, I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother, Her Son's first disciple, calls us, above all and beyond the coming events, to our conversion, to an inner life, and to remain in the path of the Faith.

Life does not end on Earth; we believe in the Eternal Life, in the Eternal Joy and, therefore, we achieve nothing if we do not fight for it first. Would it have to be different in the case of Faith? Would it have to be given to us for free? Could we act and work in sin—dazzled by false gods and idols—against The Commandments and the other precepts of our Faith, and then receive the Crown of Eternal Glory? **Brothers, it was not like this; it is not like this.**

Our Mother looked sad. The more it is denied that man must ask forgiveness for his faults and sins, and refuses to take his personal cross and follow Jesus, the more it implies a life of pain and suffering. When faith drives man's acts and works, pain turns into joy, and Christ wants His children to be happy. But there are things—disrespect, disobedience, hubris, destruction, vexation, seeing the Gift of life as if it were nothing, the killing of the innocent, the insatiable desire for power and for creating weapons of mass destruction; together with the prohibitions of showing the religion that people profess, not allowing Crucifixes in public places, forbidding the display of sacramentals, not to value the Eucharistic Sacrament, erecting sculptures of satan in public places to be adored by people who adore satan, and in certain countries, even forbidding to read the Bible... this, brothers... **IS THIS PLEASANT TO GOD? IS THIS WHAT GOD EXPECTS FROM HIS CHILDREN? IS THIS A GENERATION SOLID IN THE FAITH?...**

Brothers, we are called to keep an inner disposition—based on Love and for Love—open to obedience and for obedience, to humility.

We are citizens of Heaven and we voluntarily and freely seek exile because of sin. We have the blessing of being forgiven, but we must ask forgiveness from the heart.

At this instant the acts contrary to what Christ has ordered proliferate everywhere. This attracts calamities towards humankind... although many do not believe this to be true.

Brothers, humanity is in chaos, and this chaos comes up where it is most painful to man, that to which man is more attached. But this is only a sign of what is coming—like the Mother said—the tentacles of evil can already be seen and already looming at us is a series of events that have been announced but which man thought to be more distant.

Brothers, let's not forget that we all have in front of us Eternal Life; it is up to each one to say "YES!" **at this instant**, because the Mother is calling for us to make a decision.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
27 AUGUST 2015**

My beloved People,

**ALL HUMAN CREATURES REMAIN IN MY LOVE; NOT EVEN FOR AN INSTANT DO I WITHDRAW MY
MERCY FROM MY PEOPLE, WHO I LOVE WITH ETERNAL LOVE, WHO I EXCUSE AND FORGIVE
WHEN THEY COME TO ME REPENTED AND WITH FIRM PURPOSE OF AMENDMENT.**

Because of My great and infinite Love for each one of you, I see your human weaknesses with pain; however, I send fortitude to those who beg for My help not to fall so they will be strengthened not only with courage but also with My Love.

**MEN MUST ASK ME TO SEND MY HELP;
I RESPECT THE FREE WILL THEY HAVE AND I WAIT TO BE CALLED.**

At this instant there are more who forget than there are who invite Me into their lives; more who remain in false ideologies than those who follow Me. Men follow the masses and these go against My Mandates because the debauchery makes them see furtively and with indifference the harshness they are living.

MY CHILDREN SUFFER BECAUSE OF COMMUNISM, they suffer in several places of the Earth where men do not see each other as brothers but as enemies. Those who have power exile their brothers, torment them, and enjoy doing it; and these are a mere semblance of the suffering that will ensue from this ideology as it advances, this ideology that will fight to weaken the rest of humankind and which My Mother called to defeat, but She was not obeyed.

My beloved,

You do not keep Me in mind as you should; some live a false religiosity with no commitment, without acts that would betray them in front of their brothers...

There are a few who live in a constant struggle to comply with Our Divine Will...

There are a few who share My Word and delve into the knowledge and fulfillment of the Holy Scripture because they want to follow in the Disciple's footsteps, and that is precisely what I want, that the Disciples of the end times keep acting non-stop...

THIS INSTANT IS NOT FOR MY CHILDREN TO REMAIN STATIC, BUT TO ACT IN FAVOR OF THOSE WHO DO NOT KNOW ME AND OF THOSE WHO KNOW ME BUT STAGGER.

I look for humility in the creatures. To a humble creature I give the wisdom that the learned do not have. There are too many who feel they comply with My Will and dare tell Me what is licit and what they do not think is licit for Me to act on one of My creatures. They ignore that with My First Disciples the apostolicity of My Church did not end, it goes on as the duty of each one of you, but you have renounced continuing with this duty; and when most renounce this designation, **I SEND MY HOLY SPIRIT TO ACT ON THE SOULS OF THOSE WHO CONTINUE HAVING THE RIGHT DISPOSITION TO TAKE MY WORD AS A RULE OF LIFE.**

There is so much man ignores! And man contradicts Me so much when I say, "repent, and believe in the good news."⁵⁷ But pride is more powerful than to recognize My Word, the one I explain for the good of all humankind. They ask for Mercy and My Mercy is before each one, but how do they respond to My Mercy?

This is the instant of all instants, and you fear My warnings; but if you were not afraid and if you were to repent and make amends, so many souls would find salvation!

You fear My Calls and those of My Mother, Calls for you to convert before the events you encounter, but you do not amend your ways even in the midst of this critical instant when the events constantly wait in ambush. You deny the signs of this instant; you deny that this generation hurls itself against the Gift of Life, killing millions of innocents by means of the voluntary abortion, and the assassinations of those who think they have the right over their brothers' lives because they do not share the same faith.

Man eliminates innocence from the Earth allowing the enemy of the soul to take whatever he wants because man gives himself to the insatiable thirst for sin with which evil invades humanity getting it ready to accept the one who will rise against My People.

⁵⁷ Mark 1:15 New Revised Standard Version Catholic Edition

My children,

**I AM THE RIGHTEOUS JUDGE; MY JUSTICE IS IN CURRENT STATUS;
OTHERWISE, I WOULD NOT BE GOD. THIS IS WHY THOSE WHO DENY MY JUSTICE
OPEN THE DOOR TO SATAN FOR HIM TO TAKE OF WHAT IS MINE, THE SOULS.**

You walk towards the abyss; humankind has prepared its own painful future, the one it has forged with its own hands, and it will have to carry the heaviest cross that humankind has ever carried.

The love of money makes men panic and despair takes hold of them. At this instant, men feel relieved by the news about the economy, although this will not last; it will be a slight hope for the powerful, but in instants there will be agitation and despair once again.

**CHILDREN, YOU DO NOT SEE THE COURSE LAID OUT FOR YOU
BECAUSE YOU DO NOT SEE ME AND YOU DO NOT BELIEVE;
OTHERWISE YOU WOULD CLEARLY UNDERSTAND EVERYTHING I HAVE TOLD YOU.**

The malignant instills fear:

So you won't become aware of what I alert...

So you will deny My warnings...

So you will not be prepared and he can catch you in his grip and then use you to act against your brothers with your consent as if it were correct...

Children, My Heart bleeds for each of you who is lost, and before you are lost I come before each of you looking for your repentance, I send My Angels to show you your mistake, but you are blinded by the fashions and immorality, and you do not hear any Calls or see My Angels because you are engrossed in sin.

My People, the specter of war will no longer be a specter to turn into a sorrowful and feared reality. The peoples are agitated; man perceives the proximity of war. Children, you will suffer so much! A lot of horror will come in instants without you looking for it!

There will be famine and plagues; the heat will be suffocating increased by the weapons.

I, your God, will not abandon My People: He who strives, he who struggles against himself not to disobey Me, he who stays away from all things mundane so as not to be tempted—because he knows he is weak and can fall—he who remains attentive to the explanation of My Word. Obey My Mandates, do not act against my Donation in the Eucharist, each instant be living testimonials of all I have revealed.

**Pray, My children, pray for the United States; it will suffer greatly;
it will be shaken and scourged by its enemies.**

Pray, My children, for Colombia; its soil will be shaken and its People threatened.

**Pray, My children, pray for China; it does not show the truth
regarding its economy to make humankind panic.**

**Pray, My Favorite Children (the priests) so that at every instant
you adhere to My Word and to My Mother...**

The waters will continue to be eager to wash man's sin.

My beloved People, do not wait for a distant God, I am within each one of you, look for Me in the interior of each one, and there, where only you and I talk to each other, with all My Love, I will take My sheep, the ones that follow Me and those that are lost.

My beloved People, do not be caught unprepared, each one will examine himself. Convert promptly. Beloved, the darkness will come unexpectedly and the malignant will send his devils over the Earth and, together with thunder and lightning, will torment man ceaselessly.

MY PEOPLE, I DO NOT FRIGHTEN YOU, I EXPLAIN THE EVENTS, because all the gibberish does not let you hear and you intend to continue like this. But man's hand has forged his own path.

My Love does not stop; it is a constant emanation of good for each one of you. Be carriers of My Word, "I AM WHO I AM"⁵⁸ and I will talk to each one, I will feed you like I feed the birds of the field, I will soothe your pain and calm your thirst, because "I AM (the Lord) YOUR GOD"⁵⁹

I bless you.

I Love you.

Your Jesus.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

In this extravagance of Divine Love, we cannot ignore the constant warning signs with which our Lord Jesus Christ and our Most Holy Mother call us so we will not distance ourselves from reality.

⁵⁹ Exodus 6:7 New Revised Standard Version Catholic Edition

Let's pray so hubris will not take hold of us, because hubris is like a balloon filled with air, it sees itself large and above everyone else, but actually all that feeling tall and above the rest reduces to the air that has inflated it. And that air does not remain there forever.

Let's ask for humility so that everything God gives us will be for His Glory, because ours is sin and nothing, because The Almighty does heroic deeds in those who are nothing.

Favor revisar estos dos renglones con sumo cuidadoAt this instant everything we see are the signs of man's daily life, we do not look with the naked eye except when our stability is threatened.

Let's trust that we are never abandoned by the Divine Hand; when everything seems to be lost, the Holy Trinity and our Most Holy Mother come to the rescue of Their children. Therefore, may what is coming not defeat us; instead, may it be the reason for us to remain in the Divine Will to reach the Eternal Life.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
1 SEPTEMBER 2015**

Beloved children of My Immaculate Heart,

My children,

**I LOVE EACH ONE OF YOU AS IF YOU WERE THE ONLY HUMAN CREATURE I AM THE MOTHER
MY SON CALLS YOU REGARDLESS OF YOUR AGE; EACH ONE HAS A STRENGTH COMING FROM
THE HOLY SPIRIT TO CONTINUE BEING FAITHFUL CHILDREN AND LIVING TESTIMONIES OF MY
SON'S LOVE FOR EACH ONE OF YOU.**

Children, you know you are living the fulfillment of My Revelations which you must attend to properly. Before My Son's Second Coming there is Purification, and at the same time it is the defeat of the system the antichrist has been establishing for thousands of years to implement it at this instant and so mankind will see it as normal.

My children, the political, ideological, economic, technological control and the mistaken religions are the bases on which the antichrist has been establishing himself stealthily in the midst of humankind, producing at this instant the rebellion of man against God.

Children, the economic crisis you have lived is not over, it will be accentuated more, creating chaos and an instability never seen before. The master of humanity will fall, and man, without money, loses control of his acts, thus becoming unrecognizable. This will be the instant when evil will offer

to form one unique and single government as the solution to rescue man, and he will take advantage of this instant to carry out large-scale terrorist acts, and submerge man in the struggle for survival.

**AS MOTHER OF ALL MEN I MUST ALERT YOU ABOUT
WHAT YOU ARE LIVING AND WILL LIVE, BUT, AT THE SAME TIME, I MUST ASSURE YOU
IRREFUTABLE VICTORY OF MY SON OVER THE FORCES OF EVIL.**

This Phase of the Great Tribulation is what My Son announced to you as the beginning of the woes when "nation will rise against nation, and kingdom against kingdom, and there will be (pestilences), famines and earthquakes in various places."⁶⁰

Man will see what he has never seen..., man will live what he has never lived... because those who hold the power in the world powers will lose it to be given to the unified system of the one single power. The antichrist will have that form of world power.

My beloved children, My Son's Church must keep the Faith and the Unity with My Son, it must not get involved in political pacts because it would be entering mortal territory due to the inescapable confrontations in which it would get involved with the world represented by politics.

My beloved,

**WAKE UP AT THIS INSTANT!
LATER YOU WILL WANT TO HEAR ONE WORD AND YOU
WILL NOT FIND IT, WHEN THE TRUE CHILDREN OF THE MOST HIGH
BE DISABLED TO COMMUNICATE THIS WORD.**

**WAKE UP AT THIS TIMELY INSTANT!
WHEN MY CALLS BE FULFILLED AND YOU REMEMBER THESE MY CALLS...YOU WILL REGRET SO
MUCH NOT HAVING BELIEVED!**

Beloved children of My Immaculate Heart,

The imbalance in man has touched his Faith and he has become rebellious and incredulous under the pretext of staying within the society. Man's heart has hardened to such an extent that one mere thought is the trigger to turn him against his brothers, to make the human creature react like a cruel persecutor, like a terrorist, or cause somebody's death, or feel pleasure executing those he thinks are outside his beliefs.

**DO NOT SUCCUMB TO THE TRIALS; YOU KNOW WELL THAT YOU WILL BE PRESERVED AND
SHELTERED...**

⁶⁰ Matthew 24:7 New Revised Standard Version Catholic Edition

PRESERVED BEYOND WHAT COULD BE EXPLAINED NATURALLY OR SCIENTIFICALLY, BECAUSE HE WHO KEEPS AND OBEYS THE DIVINE WORD AND HIS PATIENCE, WILL BE PROTECTED AT THE TIME OF THE TRIAL.

Beloved children,

MY WARNINGS ARE FOR YOU TO GET PREPARED, NOT FOR YOU TO BE AFRAID AND FREEZE (BECOME NOT REACTIVE); they are not for excuses but for good purposes and fulfilled works. My children must comply with the Works of Mercy and be light for those who are in the dark.

Man has destroyed Nature and there will be merciless famine. Only God knows the day and the time of all that is approaching; this is why the Signs are there, one happening after the other, but My children do not pay attention to the Signs because they do not believe, and arrogance makes them think that they deserve all Mercy.

My beloved, heed My Calls, see beyond what you think you do well; look, the events arrive out of control, one after the other, increasing their sequence and severity.

Pray, My children, pray for Japan; it will continue to contaminate humankind before a part of that territory will be washed away by the sea.

Pray, beloved children, pray for the United States; the pain will arrive in the hands of men. Pray, the land will be strongly shaken.

Pray, beloved children, pray for Hungary.

Pray, beloved children, pray for Venezuela; the tribulation will increase.

Pray for Colombia and for Chile; they will be shaken.

Beloved children, without the source of Love for My Son's Word, every creature will live his crucible in the face of a sequence of acts and works contrary to the Divine Will, until he repents.

THE INSTANT REQUIRES FAITH TO LISTEN AND HUMILITY TO BELIEVE... The pharisee arrives at the temple and receives My Son; then he leaves and his life is a constant wave of offenses and mistreatment towards his fellow human beings, disagreements with those around him, impatience towards everything, his entertainment is everything forbidden and what is outside the Commandments. He tries to forget the conflicts with which he lives and immerses himself in false doctrines and modernisms, he feels he is properly dressed up because of his presence in God's House, but away from God's House he is an instrument of evil.

Children,

BE AFRAID TO OFFEND MY SON. BE FAITHFUL ADHERENTS OF THE ACTS AND WORKS OF A TRUE CHRISTIAN WHO IS INSTRUCTED IN THE HOLY SCRIPTURE AND KNOWS THE DIVINE WILL IN ORDER NOT TO BE CONFUSED.

Remember that “Not everyone who says to me, ‘Lord, Lord,’ will enter the kingdom of heaven.”⁶¹

**GOOD INTENTIONS ARE NECESSARY, AND
THE PROPER DISPOSITION IS NECESSARY.
BUT THE ACTION MUST PREVAIL AND CARRY OUT WHAT THE INTENTION AND THE DISPOSITION
HAVE PROPOSED; OTHERWISE, YOU’LL BE LIKE A TOMB.**

Beloved, do not follow those who ask you to look at what is good in you; instead, follow those who lead you to look at yourselves as you are and encourage you to change, to be more spiritual, to realize that religiosity is a fruitless act if it is not put into a constant practice within you and towards your brothers.

**CHILDREN, HE WHO ACTS AND WORKS IN THE DIVINE WILL
ADHERES TO THE GOSPEL.**

The Earth wails because of all the blood of so many innocents that is spilled on it. The water will cleanse the Earth of that innocent blood, but not before man learns his lesson regarding the weight of his folly.

Beloved children,

**BE BETTER EACH DAY;
BE AWARE OF ALL THAT HAPPENS ON EARTH;
THE SIGNS ARE NOT GIVEN TO BE SEEN BY MAN BUT TO WARN MAN;
LOOK ON HIGH.**

Children, the House of the Eternal Father does not abandon His children; each creature who repents is a blessing that pours on the Earth and lessens the hand of the flagellators just like every sinner encourages evil to spread with more force.

Be aware of the Merciful Love and repent; do not be afraid of loneliness or desertion; the Giver of Eternal Life does not close the doors on those who repent from the heart, and does not abandon His own without sending them protection. **THUS, HE WILL SEND HIS LOVE IN A CREATURE WHO WILL GUIDE YOU AND WILL LET YOU FEEL THE SWEETNESS OF THE TRUTH AND THE PROTECTION OF HIS WORD.**

Children,

**I REMAIN HERE TO CRUSH THE HEAD OF THE INFERNAL SERPENT AND TO FREE MY SON’S
PEOPLE FROM ALL SLAVERY.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

While it is true that the Church will be protected supernaturally, each one of you must be a builder of that protection.

Our Most Holy Mother alerts us about the relentless way in which the enemy of God's children has infiltrated to make way for himself within the bosom of God's People, misrepresenting the good with the bad, the holy with the sinful, so the bad and the sinful will not be seen or felt as such.

We know the proximity of great events which will increase poverty around the world as a result of earthquakes and plagues as well as threats to the Earth such as gravitational disorders within the Solar System.

**THE FUTURE IS ENCOURAGING TO THE EXTENT THAT
THE HUMAN CREATURE BECOMES AWARE THAT IN
THE HOLY SCRIPTURE ARE THE GUIDELINES AND
PROMISES FOR GOD'S PEOPLE.**

Let's not go on from one mistake to the next; our Mother gives us the Earnest and more; let's keep the mission of every Christian: To be evangelizers and missionaries of the Good News.

Let's remain alert, let's not blink so evil will not be able to penetrate the heart, so he will find it sealed with the Divine Blood of the Divine Lamb.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
5 SEPTEMBER 2015**

My beloved People,

My daughter, tell your brothers that My Heart bleeds for all that happens in humanity...

**MY CHILDREN LIVE IN A DESERT IN WHICH THEY SATIATE THE THIRST WITH ANY TEMPTATION
THE DEVIL PLACES IN FRONT OF THEM.**

The sufferings that scourge this generation, together with those that are coming, are a consequence of My Father's Justice; they have offended Him gravely. They talk of peace in a complete falsehood, since in their countries weaponry is being prepared with which they can eliminate most of humankind, and they will use it against their brothers, the brothers with whom they are having peace talks. Where did the truth go?

My daughter, tell them that the constant scandals at all levels are the reason My children are more rebellious and silly. The scandals within My Church make some souls distance themselves from the true path; the lack of prayer of those Consecrated to Me devolves upon them, making them weak to face evil and weak regarding the faithful.

My children do not know what is hanging over humanity and they know less about what is coming because they are not instructed about this. This is why I call My children the Priests to announce that My Time is near and that My People must not only bend knees, but also fast, offer sacrifices and be action in favor of their brothers, alerting them so they won't be lost.

Come to Me...

Receive Me in the Eucharist...

Love My Mother, Pray the Holy Rosary...

Be testimonials of My Love...

Be Charity...

Give hope to those who think they will not be forgiven if they repent from the heart...

Lift up the Faith in your brothers...

Do not let one instant go by without bearing fruit for Eternal Life.

The attacks against My Church will be greater. You who know Me, do not move away from Me, do not be afraid, do not stagger, keep yourselves nurtured by My Love sheltered under My Mother's Mantle; I will not abandon you.

CHILDREN, IF YOU REMAIN IN SIN, YOU WILL BE LOST.

There is no path with shortcuts; you have two paths before you: The path to good and the path to evil. Darkness is hovering over humanity to harden your hearts. Evil fights against the innocent to

fill the adults with rage, and allow the pain to make them rise against one another with greater force for vengeance.

My beloved, tell them that the strength of My Word will keep those who walk with Me; tell them to nourish themselves with My Body and My Blood in the Eucharist.

EACH ONE OF YOU, MY BELOVED, WHO READS THIS CALL OF DIVINE LOVE WITH FAITH, IS IMPORTANT FOR MY PLAN OF SALVATION. But he who reads this My Word to attack it, will harden his heart. The light shines for all but not all accept it.

Tell them, My beloved, that the men of science have created another Tower of Babel: The HIGGS BOSON(*), their desire to penetrate the unknown through energy and atomic acceleration is a challenge for man himself. Just like in Babel their language was confused and men did not know one another in their language, at this instant evil opens man's mind so that, wishing to overcome the unknown, he will cause a great and catastrophic harm to all humankind.

Children, you who sleep without knowing the decisions of those who rule the world; you who sleep without knowing the so-called modern scientific advances, you are the ones who can accept what you do not know and the harm that misused science is capable of adding to this badly contaminated humanity. The plagues will arrive from outside and the man of science will not be able to eradicate them. When man opens the unknown, in the unknown he perishes.

The Earth will continue to open in several countries, insistently, so that the men who inhabit it will see that what seems safe to man, his land,—when he insists in continuous sinning—the Earth does not want him to live there.

My beloved, tell your brothers to be firm, tell them how much Love constantly grows in My Heart for each one of them.

At instants when before humankind the drums of war are rumbling, Europe will suffer more due to this war although the battle will be universal, spread by the allies of the antichrist, attacking Spain strongly, and persecuting My faithful as they are doing already.

**Pray, My children; from Asia arrives the desolation
for the man who bases his faith on the economy.
Pray, My children, for Rome; terror will come to Rome.**

**THERE ARE SOME OF MY CHILDREN WHO CALL THEMSELVES CATHOLIC BUT ARE HERETICS, AND
THEY REMAIN WITHIN MY CHURCH TO UNDERMINE IT BECAUSE THEY ARE SERVERS OF THE
ANTICHRIST.**

I thirst for souls. Do not be afraid of those who can kill your body; be afraid of those who can take your soul. Be creatures of Faith. I will not abandon you.

My beloved, you have gone so far that you do not cater to My Calls and you do not want to be faithful children... **THIS IS THE INSTANT OF THE ABOMINATION; MY HEART BLEEDS FOR IT.**

Like nursing infants, you are deceived by the great world organizations, they just forget that "I AM WHO I AM"⁶² and they will never be able to topple My People.

My People will not be abandoned; even if they walk in the desert without water or food, the sun will not burn them and the dew will be water.

Pray, My children, pray for Israel; it will be purified with the strength of those who do not love it.
Pray, My children, for the United States; it secretly protects evil, and evil will betray it.
Pray; the Earth trembles without stopping. Pray for Chile.

My beloved, tell your brothers that "MAN SHALL NOT LIVE BY BREAD ALONE"⁶³, to look for Me; I will work miracles for My faithful. I will send Help from My House to encourage those who are Mine, to work miracles in My Name, and to give strength to My faithful.

**MY ENVOY IS WAITING FOR MY WILL TO SEND HIM TO YOU,
BUT THIS WILL ONLY HAPPEN AFTER THE PUBLIC APPEARANCE
OF THE ANTICHRIST, TO AVOID ANY CONFUSION AND
SO PEOPLE WILL NOT FEAR HIM.**

My Word is one...

My Law is the same yesterday, today and always,,,

My Law does not change no matter how much people will want to change it...

YOU, MY BELOVED, OBEY MY LAW. MY WORD IS ONE, THE SAME YESTERDAY, TODAY, AND ALWAYS; KNOW ME IN THE HOLY SCRIPTURE.

My beloved, tell My children to remain alert and attentive; tell them not to trust in the economy, but in the power of My Providence. My Help will not be stopped if My children seek shelter in Me.

⁶² Exodus 3:14 New Revised Standard Version Catholic Edition

⁶³ Matthew 4:4 New Revised Standard Version Catholic Edition

Communism continues with its ravages and disastrous decisions against My children. My Mother has already announced it, and this instant is only the beginning of My People's suffering. This is why I call you to remain faithful and immovable, but for that you must know Me.

**LOOK ON HIGH; THE SIGNS ARE NOT EXHAUSTED. "I AM THE BREAD OF LIFE"⁶⁴,
HE WHO GETS NOURISHMENT FROM ME WILL NOT PERISH.**

I bless you, I love you.

Your Jesus.

At CERN, the European Organization for Nuclear Research, physicists and engineers are probing the fundamental structure of the universe. They use the world's largest and most complex scientific instruments to study the basic constituents of matter – the fundamental particles. The particles are made to collide together at close to the speed of light. The process gives the physicists clues about how the particles interact, and provides insights into the fundamental laws of nature.

The instruments used at CERN are purpose-built particle accelerators and detectors. Accelerators boost beams of particles to high energies before the beams are made to collide with each other or with stationary targets. Detectors observe and record the results of these collisions.

Founded in 1954, the CERN laboratory sits astride the Franco-Swiss border near Geneva. It was one of Europe's first joint ventures and now has 21 member states.

Our understanding of matter goes much deeper than the nucleus, and CERN's main area of research is particle physics – the study of the fundamental constituents of matter and the forces acting between them. Because of this, the laboratory operated by CERN is often referred to as the European Laboratory for Particle Physics.

On 4 July 2012, the ATLAS and CMS experiments at CERN's Large Hadron Collider announced they had each observed a new particle in the mass region around 126 GeV. This particle is consistent with the Higgs boson predicted by the Standard Model. The Higgs boson, as proposed within the Standard Model, is the simplest manifestation of the Brout-Englert-Higgs mechanism. Other types of Higgs bosons are predicted by other theories that go beyond the Standard Model.

⁶⁴ John 6:35 New Revised Standard Version Catholic Edition

Three years after the announcement of the discovery of a new particle, the so-called Higgs boson, the ATLAS and CMS Collaborations present for the first time combined measurements of many of its properties. All of the measured properties are in agreement with the predictions of the Standard Model and will become the reference for new analyses in the coming months, enabling the search for new physics phenomena. This follows the best measurement of the mass of the Higgs boson, published in May 2015 (link is external) after a combined analysis by the two collaborations.

Next month, the CERN will head an unprecedented experiment. Subatomic particles will be made to collide at almost the speed of light in an effort to recreate the existing conditions immediately following the 'Big Bang.'

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Looking at each Word of Our Lord Jesus Christ we see that He gives us a tour around the situation of the whole world.

For those who believe and for those who do not believe, He exemplifies the result of man's aggressive eagerness to make himself the same as God, and the unexpected results that man finds, this is why Christ alerts, forewarns, and advances the Calls from Heaven. Out of gratefulness, let's be attentive and let's not deny the consequences which man will face. We are before several clear Signs that mark the direction in which humankind is headed.

We must see clearly and sincerely, with an open heart, the warnings Heaven gives us so we can prepare ourselves and know the Divine Word, so as not to be deceived and led to fall prey to the clutches of evil.

We are witnesses to the incessant human regression which we cannot deny because Christ alerts us.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
9 SEPTEMBER 2015**

Beloved children of My Immaculate Heart,

My Son wants the salvation of all His children; this is why We constantly share with you this Word which requires a deep knowledge of the Holy Scripture.

Beloved children, at this instant the Christian must recover lost time, when he was not aware of the need to instruct himself and acquire a deep knowledge of God's Word, either because he lacked the people who were in charge of teaching him The Word in theory and practice, or because he lacked personal commitment.

**THOSE WHO WANT TO BELONG MORE TO GOD THAN TO THE WORLD MUST MAINTAIN
KNOWLEDGE OF THE WORD SO THEY WILL NOT BE DECEIVED.**

This instant is difficult. At this instant a great number of contradictions converge, contradictions that are attractive to man but, in light of the Law of God the Father, are nothing but wrong works and acts outside the Divine Law.

**MY SON IS MERCY. AND EACH ONE OF HIS CHILDREN MUST BE DESERVING OF THAT DIVINE
MERCY THROUGH A SINCERE CHANGE OF LIFE.**

Beloved children of My Immaculate Heart,

Man hears so many prophecies everywhere!...

So many of you neglect what is most important, the **TRUE FUSION WITH THE DIVINE WILL**, which enables you to push sin away from your lives and to renew yourselves interiorly with generous spirit!

Beloved, where is man's conscience that over time has resigned the Divine Treasure of Eternal Life?

There have been periods of strong battles between good and evil but **not** as at this instant, no! **AS MY SON'S SECOND COMING APPROACHES, CALAMITIES APPROACH MAN, JUST LIKE TEMPTATION AND EVERYTHING THAT SEPARATES MAN FROM HIS GOD, BECAUSE SATAN CONSTANTLY TEMPTS GOD'S CHILDREN.** And, when God's children abandon the Divine Law, the human heart hardens to the point of feeling that God is no longer needed in their lives.

When you read the stories of the Tower of Babel, you realize God did not stop man; instead He allowed man to exercise his free will, until the same man received what he had gestated. The same happens at the present instant. Man is not satisfied with creating life through cloning. At this instant he works manipulating genetics until he creates monsters; man is not satisfied soaring the Universe, his ambition will be the punishment of man himself.

Time has always been a very subtle point that man has wanted to penetrate in order to control it. My beloved, you will see how in an attempt to delve in the unknown and outside the reality where

man lives, he will find what My Son has kept away from you so this generation would not tread on dangerous ground and open the door to the unpredictable and incomprehensible. Before My Son's Second Coming, events will happen which for humankind are the fulfillment of My Revelations.

MY SON ACCELERATED THE INSTANT; THEREFORE, MAN'S LEAST EXPECTED EVENTS CAN HAPPEN IN AN UNTHINKABLE SEQUENCE, AND AT THE SAME TIME, IN THIS WAY, THE WARNINGS AND SIGNS THAT ANNOUNCE THE EVENTS AND THEIR FULFILLMENT CAN COME TO PASS.

The son of perdition remains over humankind so men will live in debauchery without feeling guilty for their wrongdoings.

The instability in which humankind moves was announced by Me well in advance; it is not new because the economic factor is man's Achilles heel. My Son allows this happening so the human creature will be certain that what he has is not a sure thing and he must not seize hold of material goods; instead, since humankind knows My Calls and My announcements, man should convert so he will not perish in the battle against evil, but prevail in the certainty of Eternal Salvation.

Human life does not end on Earth like some claim—that it is on Earth that man lives his purgatory, his hell, or his Heaven. This is not true; this is not real; it is a fallacious lie told by those whose purpose is that you, My children, lose your way and be surprised by evil.

**BELOVED CHILDREN, IN THE HOLY SCRIPTURE
MAN FINDS WHAT THE FUTURE HOLDS FOR HIM.**

At this instant, the path of the antichrist is designed by the great powers based on freemasonry, on the illuminati, on communism, on the ideologies contrary to My Son, on the distortion of the Holy Word as carried out by the "New Age", on the adherence to satanism; in summary, on those who, coming from the apex of freemasonry, control humankind at this instant.

Men of science have been able to create mechanisms with which they think they can control Nature. What man does not know is that, when he tries to control what he has created, he will not be able to do so, and that his creation has unleashed tragedy, such as earthquakes, because some of them are caused by man.

My beloved children,

**Pray; humanity has entered into pains.
Pray, children; man becomes his own enemy and wants to exterminate those he thinks are his enemies. Children, be alert! You will suffer terrorism. Goodness has been offered and the response will be to attack the innocent.**

The human being attracts to himself the response of his acts, be they good or contrary to the good.
YOU SEE WITH INDIFFERENCE THE ALLIANCES OF THE POWERS, FORGETTING THAT THIS IS A GREAT SIGN PROPHESED BY ME AND THAT COME TOGETHER IN THE POWER THAT HUMANKIND WILL HAND OVER TO THE ANTICHRIST.

**Pray, My beloved; the United States will be weakened,
from being a power it will be purified.**

Children, the collapse of the world will give rise to ten powers that will use every possible means to help the executor of the tribulation of My Son's Church to make himself present. Do not expect evil's allies to unmask or reveal themselves before the ignorant humanity; they will defend the alliances and will seem to fight for the good.

My children,

**YOU HAVE GIVEN YOURSELVES TO EVIL;
YOU PLACE YOURSELVES IN EVIL'S HANDS.**

I have warned you so much about the one who would take over humanity and control you! ... You expected a man... You have him with you all day, you reveal your intimate information, you expose your family, you have yielded control of your works and acts to those who manipulate power in evil's name. You have given yourselves to a misused technology; you supply your own data and everything that happens in your lives in social networks. Do not wait for the microchip to control you; they already control you, and this way they condition you to accept being sealed with the microchip.

Beloved children of My Immaculate Heart,

**DO NOT CONTINUE TO BE EASY PREY TO EVIL. EVIL CARRIES OUT
HIS PROJECT AND TURNS YOU INTO AN UNDIFFERENTIATED MASS.
COMPLY WITH THE DIVINE WILL AND COME
TO MY SON WITH HUMBLE AND CONTRITE HEART;
HE WILL EMBRACE YOU WITH MERCY.**

**Pray, My children, for India; Nature will make it suffer.
Pray, My children, for Nepal; it will feel regret when the earth moves.**

My children, all of you must remain in a state of Grace, praying and pleading, giving testimony of My Son's Love which is never quiet: Always thirsty of love for souls, calls them all, preaches to all.

Look on high and don't be stubborn; there will be signs in the sky. You will suffer, but do not lose the Faith.

**YOU, FAITHFUL CHILDREN, WILL BE PLACED IN THE CRUCIBLE,
BUT YOU WILL NOT BE DEFEATED.
FIGHT TO REMAIN IN MY SON'S ARMS; MY WOMB IS ARK OF SALVATION.**

I love you,

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

From the beginning of Her Call Our Mother gives us a great premise. We are all children of the same Father, but the requirement is **TO OBEY GOD'S LAW**.

Christ bequeathed to us the right to Salvation, but we must consolidate that salvation with our daily works and acts.

At this instant we see the violence in which a great deal of brothers live; violence that this generation did not live in the flesh—maybe we saw it in some stories of the Second World War. At this instant we can say that evil has taken over a part of humanity to carry out the task of extermination of Christians and all those who oppose evil's ideas. In the past there were other justifications of violence—to put it in some way—but at this instant the main one is being Christian. The thing is that the Cross does not limit but means glory, love, mercy, forgiveness, salvation, Eternal Life, and this causes fear in those who want to dominate humankind.

Brothers, we have a legacy of Eternal Life, we have a legacy in the Commandments.

**CHRIST DOES NOT COME TO MODERNIZE HIS HISTORY, OR HIS PASSION,
OR HIS WORD; CHRIST IS THE ETERNAL PRESENT.**

And, even if it upsets some people, Christ's Light shines everywhere including darkness when it denounces and announces the great hope of getting to enjoy Eternal Life.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
13 SEPTEMBER 2015**

My beloved People,

I bless you with My Mercy.

**MY WORD CONTINUES TO TOUCH MY PEOPLE
TO SOFTEN HEARTS AND TOUCH CONSCIENCES.**

Those who approach Me looking for dates or out of curiosity will be disappointed. This My Word is understood by means of My Love and the reciprocity of My children's love. Even so, I see those who come to Me repented as if it were the first time and I embrace them like newborn babies.

Children, most of you persist in debating My Word, forgetting that one Word of Mine suffices to silence you altogether.

My beloved People,

Within the Earth, a series of happenings converge, some human and some planetary, that urgently call man to come towards Our Holy Trinity and towards our Mother.

In all decisive moments for humanity, the signs have been prompt to wake the sleeping man, urging him to react and come to Me.

This generation has transgressed My Law, and everything that has been created by My Father reacts with man to make him renew the unity with Our Trinity, by means of repentance and then by means of obedience.

Man has taken My Law and scorned it falsifying it and making it accessible to the fashion of the instant. **THEY HAVE VIOLATED MY LAW, THEY HAVE TRANSGRESSED IT.** I am Mercy and I am Justice.

My Church must retake its legacy and give testimony to My People of the commitment to be "*Light of the world and salt of the earth*"^{Matthew 5: 13-14}

My beloved People, at this instant, not all you see is the center of the real catastrophe... the true catastrophe arrives from outside.

My children are persecuted and taken to slaughter in the cruelest way; My children are feared because My Spirit lives in those who not only confess but also live fully My Father's Will. This instant is of lies for those who are Mine, lies that come from those who hold earthly power. Because My children ignore My Word, they flutter from one place to another, they remain blind and do not want to see voluntarily that they are prey to the lies. They will wake up when I confront them with their own lives during the Great Warning; and even then some will deny that the Warning comes from My House as an act of Mercy towards those who are Mine.

My children, remain attentive to the alliances. No matter who carries them out, the alliances are simulated for humanity, they do not reflect the truth; they expose you to greater dangers to then deliver you in the hands of the deceiver. The strongest media on the planet hide the truth from you so you will support, unknowingly, the plans to hasten the establishment of the antichrist. My children live in the era of technology, but it gives My children falsehood as the answer.

MY PEOPLE, WHAT DO YOU SEE AT THIS INSTANT?...

Men who love themselves, attentive to their egos as central to their lives, cannot make the relation with Me the foundation of their lives. And sin emerges as their center of gravity, leaving no place for Me in their lives.

Now, breaking the rules belongs to the brave; limits no longer exist since each one walks in search of his own destiny, nothing is forbidden, man thinks about himself and not about the Eternal Life.

Wars are caused by the powerful to reduce the world population, and My poor children suffer because of those who manipulate humanity.

Famine approaches by specific decision of the great powers. Without food, the human being forgets his condition as God's child, and that's what they will offer him, hunger and more hunger.

Children, do not blame Me for what is coming; I have warned you so you would be on guard, but because you disobeyed you have led to rule you those who took power into their hands and used iron to silence you: Communism, about which My Mother warned so much.

**Pray, My children; the eyes of humanity will be fixed on the United States
where great projects against My People will be generated.
This people of Mine will be plunged into mourning.**

**Pray, My children, for Europe; it will suffer by surprise, it will be
betrayed and Nature will strike it.**

**Pray, My Church suffers, My children will suffer. I WILL NOT ABANDON YOU.
My Church will suffer; it will be purified in the crucible.**

**Pray for Costa Rica; it will be shaken.
The land trembles and the volcanoes will awaken again.**

My beloved, so many preach everywhere the cycles with which the Earth marks its changes, the cycles of the sun, the cycles of humanity! They ignore that at this instant the cycles are one: What the same man has generated.

The Earth has trembled but not as at this instant when some lands will be desolate....

The sun will show its power affecting man and every living being...

The day is shorter and the night is not a rest for man but anxiety about tomorrow...

The water is contaminated by radioactivity...

The signs abound; coming from space, incandescent fire will fall on Earth...

Signs in the sky like they have never been seen before are reason for alarm...

Man dresses as woman and woman as man...

The souls who receive Me with dignity are a few. My priests do not require their parishioners to receive Me with dignity; confession is a thing of the past and the clothing they wear to come to Me makes Me nauseous...

They have banished Me and they have erected great sculptures to the devil to whom they deliver their children...

I AM A GOD WHO BEGS THE LOVE OF HIS CHILDREN.

Children, My People, the economy will have a slight upturn, and then it will be buried sinking humanity in total chaos. Then the unification of all the powers will be imposed on all humanity, and at that instant you will remember Me and My Mother, when you'll be limited to what the elite will give you.

No, children, it is not a fantasy, it is the future of My children, the ones who have responded with disobedience and rebellion, they have denied My Word and scorn the Divine Law. But those who are aware of My Omnipotence will be satiated and for them My Love will over abound; the Love I have offered to all but has been rejected.

Not all has been said.

MY PEOPLE, MY BELOVED PEOPLE, LOOK ON HIGH; THE SIGNALS ABOUND, AND YOU WILL DISCOVER WHAT SCIENCE WANTS TO HIDE FROM YOU. REMAIN ON GUARD; THIS IS NOT THE INSTANT TO HESITATE.

I promised that My People will be guided by Me, and that's what I do at this instant. Do not be afraid, children, you will not be lost; the seed will continue to grow and get strong through the explanation of this My Word. I will not abandon you no matter how strong the trials will be; I will send My Word and the Shepherding to My children.

Continue praying, receiving Me in the Eucharist and adoring Me in the Most Holy Sacrament of the Altar. Comply with Our Divine Will in the Commandments, pray and remain aware of the great trial that is coming, know Me in the Scriptures, be knowledgeable of My Word. **NOT ALL WHO PERFORM MIRACLES ARE FULL OF MY HOLY SPIRIT; DISCERN.**

I bless you with My Love.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

We are not living an instant like other instants.

What we see is a slight sketch of the global reality which we encounter.

Let's not look for dates because only God knows them. Let's keep the Faith in the explanation of the Divine Word, and let's remember that in the end times "*your sons and your daughters shall prophesy*" ^{Acts 2:17⁶⁵}

And... are not these times the ones announced by Christ and our Mother in all Their apparitions? And the ones announced to us by Jesus and His Mother by means of these calls?

Brothers, be alert! Let's not expose ourselves to the promises contrary to the Divine Word because evil will not be marauding, he is already moving in the midst of men.

Let's not listen to those who say we are crazy; divine insanity which will save us.

Our Lord Jesus Christ, King of the Universe, and our Most Holy Mother will never abandon His People, and His People are all the human beings; we just need to react and see clearly.

⁶⁵ Acts 2:17 New Revised Standard Version Catholic Edition

This humanity does not walk righteously, and all of us see that. Let's intercede in favor of our brothers; let's minister to one another.

Let's be images of the Divine Love even in the middle of what is coming.

AT THE END OF IT ALL WE WILL SEE THE DIVINE LIGHT, THE ETERNAL LIFE, THE LONGED-FOR JOY.

Amen.

*My beloved Jesus, that from the Calvary
You passed to the Light of Your Divinity.
Send Your Holy Spirit so that
At this instant of trial,
Evil will move away from me.
May Your Precious Blood be
Defense of my soul, and my faith
Be the shield that keeps away all evil.
Cover me with your Light so the enemy
Will not see me and so Your Love will reach to where
Your Omnipotence covers me
Under Your Shadow, so the tribulation
Will see me from a distance, so my faith in You
Will be my shelter, and You, Most Holy Mother, my Refuge.
Amen.*

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
17 SEPTEMBER 2015**

Beloved children of My Immaculate Heart,

EACH ONE HANGS FROM MY CROWN LIKE A BRILLIANT STAR OF PEACE AND LOVE.

Each one is the constant reason that My Heart keeps embracing all those who come to Me to ask for My intercession before the Holy Trinity.

**MY SON BLEEDS FOR HIS CHURCH, FOR EACH ONE OF HIS SHEEP,
HE DOES NOT WANT EVIL TO ATTACK THEM AND BE LOST.**

Children of My Immaculate Heart, not all you see is real; so as not to cause alarm, they hide the truth of what is coming and what man will experience.

Beloved children, at this instant you must pray for Europe. Nature will unleash its elements over this land, from country to country, because of terrorism, lack of faith, and rebellion against God.

Hunger will reach this continent suddenly: Europe, where fruit overabounds; they will not give more crops.

Just like man's heart is hardened, man will be denied food. The poor children from Spain will suffer the rebellion against God.

Violence increases all over the Earth, flaring harshly in Europe. Italy will know about the pain of those who despise everything that reminds them of God. Blood will flow on its streets.

My Canaries will be cruelly scourged; brother will rise against brother.

Man's ambition together with atheism, rage and hubris will reach France. The nights of laughter will be darkness of wailing.

BELOVED CHILDREN, THE WARNING IS NEAR, THEN YOU'LL BE GIVEN THE PUNISHMENT. THE SKY WILL BE LIT WITH A CROSS THAT WILL SHINE MORE THAN THE SUN ITSELF.

When the instant of the Warning arrives, right before, you will look on high and you will see fire that plunges towards Earth... **HOW MANY WILL CLAMOR TO MY SON AT THAT INSTANT?**

Humanity remains pensive because of the events that continuously happen on Earth and those which lately come from on high; but **THEY ARE ONLY SURPRISED, THEY ARE NOT AFRAID...BECAUSE THEY DO NOT BELIEVE.**

In how many of My Apparitions have I talked about war! And you don't listen until you have it in front of you.

Children, do not forget that God is God and man his son; do not look down on My Warnings before night comes and finds you asleep.

Beloved children of My Immaculate Heart, those who live of money will be distressed; money will fall like a piece of paper in the wind without much hope.

Some countries will impose their own currency, but they will not succeed because one single currency will be decided for Europe, and then it will extend to the rest of the world.

My children, great events are stirring over humanity; volcanoes will continue to erupt; Earth will be agitated.

Pray for the United States; Nature will whip it... AND IT WILL SUFFER AT THE HANDS OF MEN.

Pray; the land that did not shake WILL BE SHAKEN.

PRAY FOR PARAGUAY.

My Son's Church waits carelessly until it will awaken scourged by the hand of the godless man.

Children, you will receive news from royalty; death looms.

Beloved children, you do not see My Son's great Mercy that incessantly calls you; come promptly, do not despise it.

My beloved,

MERCY FOR YOU!; WAR COMES AND—WITH IT—THE CATAclysms WITH WHICH MY SON WILL STOP IN PART THE ANNIHILATION OF HUMANITY BY MEANS OF ATMOSPHERIC PHENOMENA AND HAPPENINGS ON THE EARTH'S CRUST. The coastlines will change and the planet's geography will not be the same.

Children, pray; China will attack.

Alliances are built in instants; some will be known by humanity; others will not be known and these will not be respected and everything will be lies and betrayal.

Do not be one to say "Lord, Lord!"⁶⁶ without knowing My Son. Love Him being close to Him; He is the Savior of humanity before whom "every knee should bend."⁶⁷ **LOVE HIM IN THE EUCHARIST, ADORE HIM; UNITE, CHILDREN, IN ONE SINGLE PEOPLE, KNOW HIM.**

Victory will come to My Son's People, for the Love of His Faithful and for those next to them. Keep in mind that you are not of this world; the mundane does not accept you because you are creatures of prayer and you live for the good of your brothers. Do not forget that no creature can live without loving My Son, because he will come to despise My Son and will deliver himself in wicked hands. Understand, My children, that My Son is Love and Mercy, and at the same time Justice; great confusion will reach all of humanity, confusion to which you must respond with Faith, remaining immovable.

⁶⁶ Matthew 7:21 New Revised Standard Version Catholic Edition

⁶⁷ Philippians 2:10 New Revised Standard Version Catholic Edition

**“A LAND FLOWING WITH MILK AND HONEY”⁶⁸ AWAITS YOU...
ANNOUNCE THE COMING EVENTS WITHOUT FEAR; WARN YOUR BROTHERS,
LOOK ON HIGH, THE SIGNS ABOUND.**

Evil looks for wickedness. When he cannot find it, he induces lies to feed on. Do not stop, continue with Faith along the path of righteousness.

BELOVED CHILDREN OF MY IMMACULATE HEART, THIS IS NOT THE INSTANT TO BE LUKEWARM.

My Son will come to the aid of His People. Your Faith must not decline. My Son’s blessing is with His People, with those who walk on thorns, with those who walk with the Cross of My Beloved calling their brothers, with those who constantly sacrifice themselves, with those who announce the truth knowing that this instant must not be wasted.

Do not forget that evil is astute and seeks to distract you with what is not My Son’s; this is why I call you to be smart and stay away from evil.

Pray for My Son’s Church; pray because My Son is coming for His Church.

Children of My Immaculate Heart, do not neglect the Sacraments, adore My Son in the Most Holy Sacrament of the Altar.

Beloved, at these crucial instants:

- † Pray the Holy Rosary,
- † Meditate on My Son’s Passion,
- † Grow in the knowledge of My Son’s Life in the Holy Scripture,
- † Be prayer for your brothers through your testimony,
- † Be truth, do not hold a grudge in your hearts, and move away from evil that is on the prowl.

**MY CHILDREN, IF YOU ABIDE BY THE DIVINE WILL AND DO NOT STRAY AWAY FROM
GOOD—RECOGNIZING WHEN YOU FALL AND REPENTING PROMPTLY—I PROMISE
TO COME BEFORE YOU TO HELP YOU DURING THE DIFFICULT INSTANTS FOR ALL
HUMANKIND; I PROMISE NOT TO ABANDON YOU DURING THE PERSECUTIONS
AND TO SEND THE HOLY ANGELS TO SHELTER YOU; I PROMISE TO
TAKE YOU BY THE HAND AND PRESENT YOU TO MY SON.**

⁶⁸ Exodus 33:3 New Revised Standard Version Catholic Edition

Beloved children of My Immaculate Heart, abide by the Divine Will; at each instant strive to be worthy of My Promises and repent promptly.

Children, the human creatures will feel forsaken; you know that your Mother intercedes for each one. Continue forgiving bringing righteousness everywhere. Do not forget that My Son's children pray and do not stray away from the Beatitudes, the Commandments, the legacy that My Son bequeathed to His children for the good of their souls.

My blessing be water in you when you are thirsty.

My blessing be warmth in you when you are cold.

My blessing be a lamp when the darkness comes.

I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Most Holy Mother alerts us once more mainly on the way we must change our lives as of now.

It is necessary for each one to be aware of the urgency of making consciousness about the spiritual relationship of each human creature with the Holy Trinity. It is necessary that all of us be aware of the need to penetrate the fusion with Christ, the fusion to which all Christians are called so we will belong more to Christ and less to the world.

Our Most Holy Mother asks of us that we leave behind our spiritual blindness and delve in the better knowledge of Christ—love Him more, adore Him more—so that , in that nearness, we will be attracted towards good and away from evil.

Our Mother reveals to us events that will purify humanity; with this She wants for us to wake up and let go all that is worldly to avoid falling prey to the clutches of evil.

Brothers, Heaven announces all that is coming. Men do not believe what Heaven announces; sadly, this is a 'NO' to God and to God's warnings; it's telling God 'I do not believe' and thus evil seizes humanity.

Brothers, let us wake up as our Most Holy Mother asks.

The world is at a crossroads and each of us is a part of this World about which we must answer to God. This is why our Mother calls us to overcome the difficulties, not alone but by the Divine Hand and Her Hand.

Brothers, let's ask for the fortitude our Most Holy Mother had when She was at the foot of the Cross from which Her Beloved Son was hung, because that is the only way we will have the strength not to decline in the Faith and—supported by our Mother's promises—we will respond with the love of a son for his Mother.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
21 SEPTEMBER 2015**

Beloved children of My Immaculate Heart,

As Mother of Humanity—by Divine Will—I will not abandon you...

As Queen of Heaven and Earth—by Divine Will—I love everyone...

As Ark of the Covenant—by Divine Will—I call and intercede for everyone...

I WILL NOT TIRE OF CALLING YOU TO WAKE UP, TO RENEW YOURSELVES WITH GENEROUS SPIRIT, AND TO BELONG MORE TO MY SON AND LESS TO THE WORLD. I know that with each calling some hearts wake up and return to My Son; this makes My Maternal Heart want to send you these Calls, just like the creature needs air to breathe.

Beloved children of My Immaculate Heart, I constantly look at My children with pain in My Heart because of the continuous offenses to My Son and His infinite Mercy.

**HUMANITY MUST APPROACH THE HOLY TRINITY, BUT IT WILL DEPEND ON EACH ONE TO
REMAIN UNITED WITH MY SON OR TO DECIDE TO CONTINUE UNITED WITH EVIL...**

You have seen how great and unexpected events are painted in the sky by the Hands of Angels who wish to help you and make you ponder the Signs and Signals. But My skeptical children defy My Divine Son, despise the Gift of Life, and mock the pleas of the Paternal House and My pleas for them to retake the Road to Salvation.

Beloved,

So many pretend to be My Son's faithful children but are empty inside! They are the ones who carry violence with them by being constantly repressed before their communities.

I see so much rage in the hearts of men!...

There is so much lack of charity and love!...

There is so much indecision because of human respect!...

My Son sends you His Mercy and you... How do you act in this regard? You force My Son to use His Justice to rescue some of His children.

**LOOK ON HIGH. DO NOT HOLD ON TO LIFE AS IF LIFE ON EARTH WERE ETERNAL.
TRUE LIFE DOES NOT END BUT REMAINS NEXT TO MY SON.**

Do not assure yourselves—or before your brothers—that the Faith you have is immovable. You know about the coming events, but do not take My Son's affairs lightly; you must not say that the signs are normal, because in past instants humanity was warned and did not listen and thus had to be purified. There is so much speculation regarding the events, but to satisfy your egos because even knowing what is coming, you forget it instantly.

Beloved children of My Immaculate Heart,

So many events will reach the Earth to purify My Son's People!

**FORTITUDE IS AN ATTRIBUTE THAT MY SON WILL GIVE TO THOSE WHO ARE
FAITHFUL TO HIM SO THEY WILL NOT SUCCUMB AND WILL CONTINUE TO BE LIVING TESTIMONY
OF THE ACTS AND WORKS OF MY SON, AND YOUR BROTHERS WILL BE SURPRISED BY
YOUR DETACHMENT FROM WHAT IS NOT ETERNAL.
CHILDREN, YOU ACT WITH WISDOM WHEN YOU CONTINUALLY ASK FOR HELP FROM THE HOLY
SPIRIT.**

At this instant, groups that call themselves Christian proliferate; remain attentive, be alert, because there is no group that truly belongs to My Son where there is no prayer, no meditation, where they do not practice the Commandments, do not live the Beatitudes, do not carry the Cross, where they are not My Son's witnesses by living His Love and His Mercy, by living the Faith, Hope, and Charity. They are not witnesses of My Son without the Eucharist, without living the Holy Mass and without practicing the Gospel.

Beloved children of My Immaculate Heart,

DIFFICULT INSTANTS LIE AHEAD when those who pray will feel the balsam that the same prayer pours over the creature; each one attracts this to himself.

INSTANTS ARE COMING OF WONDER AT THE POWER OF NATURE and at the foolishness of man who manipulates Nature causing tremors in one place or another, producing storms in one place or

another[1]... Now you understand, My children, you understand why Nature wants to return the Earth to its Creator. Man has manipulated everything possible without thinking about the consequences... and he will bring them upon himself sooner than expected.

My beloved,

**IN THESE MY WORDS DO NOT LOOK FOR THE ANSWER TO YOUR FEARS,
TO YOUR WISHES OF KNOWING MORE... COME TO THIS MOTHER TO GIVE ME YOUR HAND
AND I WILL GUIDE YOU TO THE TRUE PATH.**

Beloved children, the Earth is exhausted; it keeps upon itself so much contamination, so much blood, so much ignorance, so much foolishness, so much perversion, so much debauchery, so much madness of man who never ends innovating sins... so much so that the Earth wails in pain for this generation that does not stop doing evil, and for this reason the Earth will shake with more force until the hearts of men tremble.

Beloved children of My Immaculate Heart,

They prepare for war, but it will not only be in Europe; other countries will mandatorily get together, out of a sense of duty towards those who have secretly provided them with weaponry, which amidst the discouragement of war will cause surprise.

Children, in some countries you have lived painful instants, but at this instant it will be humanity in general that will suffer as a result of the wickedness, caused by those who have made pacts with satan, as part of the preparation to present the antichrist, for whom powerful families of the world are planning the presentation.

Children, do not take other paths, look face to face at the Truth they hide from you; the economy must necessarily fall so those who, at this instant, decide regarding humanity, will completely take hold of the reins to hasten evil's project to unify the powers around the world and thus take control of all humankind through the single currency, single government, and single religion, under the pretext of eliminating borders, those that the same man created.

MANY DO NOT BELIEVE IN THE DIVINE JUSTICE, BUT IT IS BECAUSE THEY DO NOT UNDERSTAND THAT JUSTICE TAKES DOWN THE THINGS MAN HAS DEFORMED IN ORDER TO MAKE THEM AGAIN WITH GREATER PERFECTION. So also the Divine Justice is to man, calling him until man punishes himself, and My Son brings man closer to His Divine Will.

Beloved children,

THE MOON WILL BE TINGED WITH BLOOD SO MAN WILL NOT FORGET THAT HE MUST REMAIN UNITED TO MY SON, SO MAN WILL INTERIORLY RENEW HIMSELF WITH GENEROUS SPIRIT, AND BE CONSCIOUS OF THE EVIL INTO WHICH HE FALLS AND THE GOOD HE DOES NOT DO.

Look on high without fear but attentively. Look on high. Look at the Signs of this instant when the Earth will continue to shake.

Pray, beloved children, pray for Russia; it will take wailing to its brothers.

Pray, beloved children, pray for Chile.

Pray, beloved children, pray for the United States; it will tremble.

Pray for England; it will suffer at the hands of men.

Mysterious hands of those who do not love the way My Son Loves will continue to spill innocent blood around the world, spreading like a plague. Europe will suffer.

Negotiations are brewing behind humanity's back, and they are not solid, they are like quicksand. The representatives of the countries are like puppets moving in front of the powerful who design their plans to take over the power.

MY SON'S CHURCH WILL SUFFER AMIDST BETRAYAL THAT WILL WANT TO SILENCE IT.

My children,

Do not deviate from the True Path...

Do not forget God's Law...

Approach properly prepared to receive My Son in the Eucharist...

Do good...

**BROTHERS MUST NOT DEVOUR ONE ANOTHER; UNITE...
BE ONE IN MY SON'S LOVE AND IN MY IMMACULATE HEART.**

Do not forget that My Son does not see the great works in gold and precious stones; instead He looks at—and is attracted by—the simple and humble creature where Love over abounds.

I bless you with My Love.

I bless you with My Heart.

I bless you with My Maternity.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

At this instant in which we move, and in light of man's arrogance, our Mother does not speak to an ignorant People but to a People that have been warned and yet do not want to believe.

Great powers come together at this instant; the powers, like chess pieces, secretly move with their weaponry without humanity being aware of it—or perhaps they just don't pay any attention.

The powerful thinks he will always have power...

The wealthy thinks he will always have money...

The learned thinks that with his wisdom he will be fine...

The scholars think they know it all and no one else can reveal to them anything new...

The innocent are the ones who suffer the most because of man's cruelty, and this same man has forgotten that it is innocence that stops the wrath of God on Earth.

Brothers, in its entrails the Earth keeps the innocent blood, the abuse of the innocent; and let's not forget Christ's Words:

*"The Son of Man goes as it is written of him, but woe to that one by whom the Son of Man is betrayed! It would have been better for that one not to have been born."***[2]**

And let's not forget:

*"If any of you put a stumbling block before one of these little ones who believe in me, it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea."***[3]**

Brothers, let's not think that this generation is exempt from the Purification at instants when sin over abounds and our Mother suffers for it.

*"So also, when you see these things taking place, you know that the kingdom of God is near. Truly I tell you, this generation will not pass away until all things have taken place."***[4]**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
23 SEPTEMBER 2015**

My beloved People, I Love you and at this instant I bless you.

**I CARRY YOU IN MY ARMS LIKE NEWBORN INFANTS SO NOBODY WILL BE LOST, SO NOBODY
WILL LOSE HIS WAY, BECAUSE, IF I DIDN'T, NOT EVEN THE RIGHTEOUS WOULD BE SAVED.**

Humanity is in an instant of chaos...

Immorality reigns everywhere...

Madness has taken hold of man to lead him to a total licentiousness in every aspect of his life...

Love has been replaced by lovelessness and indifference...

**SO MANY SCHOLARS KNOW THAT THE EXPLANATION OF THIS WORD OF MINE THAT I DELIVER AT
THESE INSTANTS IS THE TRUTH, THE HIGHEST TRUTH!...** and I see how it is denied. I don't say I see
it in pain, I just see it within the waiting period of My Justice.

HYPOCRITES! YOU DENY THE EXPLANATION OF MY WORD at instants when humanity adheres to
satan's lies!

**WHITEWASHED TOMBS WHO WISH TO LEAD MY PEOPLE
TOWARDS HELL SO THEY WILL LOSE ETERNAL LIFE!**

**BUT HERE IS THEIR GOD... I AM WITH MY PEOPLE EVERY INSTANT TO KEEP THEM INSIDE MY
HEART AND TO HOLD THEM IN MY ARMS.**

"I am thirsty"^[1], I am thirsty for souls, although you continue to fill pages and pages with absurd
words to contradict Me; but the instant is near when you will have to bend your knees and clamor
for forgiveness.

My beloved People, I see you walk with hopelessness and despair because you lack Faith in My
Word, Faith in My Love, Faith in My Mercy, Faith in My Protection and My Shelter, Faith in that I will
not abandon you. I continue sending My Angels to help you, to protect you, so you will not fall so
easily into sin which is contrary to My Will.

My People,

So many call themselves Christians!

So many receive Me and their tongues are filth laden with heresy and blasphemy against Me! Not
because they receive Me on the tongue does it mean that the rest of the body is clean...

So many tell Me "Our Father!" But their thoughts are very far from this Father.

So many ask Me for their daily bread, but not the Bread of My Love and of My Word, they want the bread that will help them continue to sink into everything sinful and immoral.

My children,

MY PEOPLE, YOU LIVE ALMOST IN THE UNREAL, BECAUSE THEY DO NOT SHOW YOU THE WHOLE TRUTH ABOUT WHAT IS HAPPENING AT THIS INSTANT BEHIND YOUR BACKS.

You look for newscasts to find the truth, but you ignore that the news do not completely reflect reality as it is because they belong to interests that are part of those who prepare the arrival of the antichrist. Well known learned humans who have gained popularity deny that the antichrist is on Earth and deny that the Tribulation has begun...

Could it be that they are blind, deaf, and mute? Or they live in a crystal sphere...

... without looking to the North, the South, the East, or the West,

... without looking at those of their same gender who disrespect My Law,

... without looking at the immorality in which this youth moves,

... without looking at the irresponsibility of the parents who have yielded the upbringing of their children to a television set?

Could it be that they live in another world far away from where My children live and which I constantly see?

Weapons are moved from one country to another, the governments transport them and nobody brings this out to the light; great powers providing weaponry to small countries because the Third World War depends on the thoughts of the powerful.

MY WILL IS MERCIFUL, MY WILL IS THAT YOU LIVE ON EARTH TO HONOR ME AND NOT TO DISHONOR ME, but the great nations urgently need war because each instant their economies fall more and more.

Brazil will suffer to exhaustion.

Argentina will fall economically and its people will not withstand.

My beloved children,

Gog and Magog move skillfully.

Because of Syria there will be a major international conflict.

Pray for Israel; it will fall into enemy hands.

My children, **HUMANITY IS IN CHAOS:** Revolutions, riots, persecutions, killings, abortions... And this makes anger take possession of the minds of men, and still men deny it... Is it not true that in My Word it is written that at the end times all this will happen? How can men deny it now? How do they deny it at this instant? Out of fear? Ignorance?

My beloved People, the Earth will shake strongly.

Do not forget to pray for My People in the United States.

**Pray for Japan.
Pray for Chile.**

Beloved children, the moon maintains great influence on Earth and man. You, too, know this. Just like the sun reaches man, the moon is always united with Nature and man. The waters will move, man's disquiet will be great; but **DO NOT LET THOSE WHO GIVE YOU DATES GUIDE YOU BECAUSE THEY ONLY DISQUIET THE SOUL.**

My children, get ready; a great purification is coming soon...

The Moon will be so close to Earth that its influence will be greater on Earth and on you, My children.

WALK ALWAYS LOOKING ON HIGH; the signs will abound, and not everything, not everything you see in the sky will be a hologram^[2], man's invention; do not be confused by these because I have given signs and signals to man in the Celestial Vault, and I will continue to do so to alert you.

My children, those who do not care to study and delve into man's wickedness must know that, based on misused science, the great powers have built gadgets to cause devastating earthquakes anywhere on the Planet, and some ask, "My Lord, why do You punish us?"

NO CHILDREN, I DO NOT PUNISH YOU... THE GREAT POWERS WANT TO ELIMINATE MOST OF THE WORLD POPULATION; AND I FIGHT AGAINST THEM FOR YOU, OUT OF LOVE FOR YOU, BECAUSE OUT OF LOVE FOR YOU I SPILLED MY BLOOD TO REDEEM YOU.

Whenever there are natural disasters or misfortunes in the families, they blame Me. My Mercy is infinite, but My Justice comes soon, and My Justice is the result of man's lack of respect towards Me, of man's disobedience and hubris. Humanity brings the punishment upon themselves.

My children, each prophesied event that is fulfilled must be a sign of strength for you because you know that I move closer.

DO NOT FORGET THAT YOU WILL BE EXAMINED INTERNALLY; DO NOT FORGET THAT MY MOTHER HAS ANNOUNCED TO YOU THE GREAT WARNING, AND WHAT MY MOTHER ANNOUNCES IS THE WILL OF THE HOLY TRINITY. Do not despise Her Warnings, do not despise Her Calls because as Mother and Queen of humanity She wants you to pause in the daily walking, to review yourselves internally and reunite with Me.

EVIL IS IN A FIERCE BATTLE FOR THE SOULS; THIS IS WHY BROTHERS RISE AGAINST BROTHERS WITH NO PITY AND NO MERCY.

I suffer so much for the innocent children that are maltreated! I suffer so much for them! And this is why man brings disgrace onto himself.

My beloved People,

I WILL NOT TIRE OF CALLING AND ALERTING YOU, I WILL NEVER TIRE BECAUSE I LOVE YOU.

The antichrist accumulates more power, gains more followers; the antichrist maintains his influence on the future of this generation. Man will have to be strongly shaken for him to recover his good sense, his sanity, and will stop denying Me and will stop denying the events that My Mother has prophesied.

My children, at these instants the global interests are economic and prevail over what is spiritual. Great agreements will illustrate the newscasts; do not trust those agreements, behind them My People will be placed in evil's hands.

PREPARE YOURSELVES BY DELVING IN ME AND BY KNOWING THE REVELATIONS MY MOTHER HAS MADE TO MY PEOPLE THROUGHOUT THE CENTURIES.

PREPARE YOURSELVES BECAUSE FAMINE WILL SPREAD ALL OVER THE WORLD.

PREPARE YOURSELVES BECAUSE AT THIS INSTANT MISUSED SCIENCE HAS NOT REACHED ITS HIGHEST POINT, BUT IT WILL BRING GREAT AMAZEMENT, UNCERTAINTY, AND PAIN TO THIS GENERATION.

My People, where are you? I look for you like a needle in the haystack and I don't find you!

My People, how they prepare traps to catch you! How they blind your eyes so you won't be able to see beyond what they set before your eyes!

My People, listen to Me! I will announce the Truth so you will remain faithful and continue to trust in Me. Remember that I am "the same yesterday and today and forever"^[3] and that My Word does not change because My Word is for all times.

Beloved children,

**KEEP UP THE COURAGE. EVEN WHEN THE EARTH TREMBLES,
EVEN WHEN THE WATER RISES AND COMES INLAND,
REMAIN EVERY INSTANT IN MY PRESENCE, NONE OF YOU WILL BE LOST
AS LONG AS YOU REMAIN FAITHFUL TO ME.**

Just like the children of a nation resort to other Peoples seeking shelter, thus entire nations will walk from town to town seeking lodging and running away from the war that will begin. The peace agreements are fictitious because the Peoples keep nuclear weapons on their territories.

In all times there have been Herods, those who persecute innocence and childhood; and this instant is no different.

My People, My beloved children, I call you with so much Love to remain faithful to My Word!

**I EXPLAIN TO YOU WHAT IS WRITTEN. I DO NOT ADD OR REMOVE ONE WORD.
I EXPLAIN TO YOU FOR YOU TO REMAIN PREPARED BECAUSE I WANT
ALL OF YOU TO BE SAVED AND TO ACHIEVE KNOWLEDGE OF THE TRUTH AND
REMAIN FIRM IN THE FAITH WITHOUT HESITATING OR STAGGERING.**

You know well that in each Eucharist I completely donate Myself to the creature that I see as a Tabernacle of My Love, so that in the instants when My temples will be closed, I will nourish you constantly.

You do not want to look at reality. Do you know why? Because you see the events in other countries from a distance and at this instant terrorism is communism in disguise. And this communism in disguise is being provided with weaponry, not only by those who are declared communists, but also by those who proclaim freedom and say they fight against communism; all have lent a hand to provide terrorism with weaponry. This humanity is completely confused.

Great nations self-flagellate to have an opportunity to blame others and attack them. The interests of the United States will be above its interest for its citizens.

BELOVED CHILDREN, KEEP HOLDING HANDS WITH MY MOTHER AND ME.

Pray; prayer is necessary...

I have revealed what I have said today to several of My true instruments; however, they do not disclose it out of fear, and this is a grave sin.

My children, pray for My beloved Prophet because there is still a long way to go. You have entered the Great Tribulation, but there's more; most of it is still to come, the harshest and most ruthless part of the Great Tribulation is still to come.

**I WILL NOT ABANDON YOU; I WILL WALK AHEAD OF YOU LIKE A MARCHING COLUMN.
I ONLY ASK THAT YOU BE FAITHFUL TO ME, THAT YOU CONSTANTLY CALL MY MOTHER
FOR HER TO KEEP YOU AWAY FROM DANGER, THAT YOU BE FAITHFUL AND INVOKE ME SAYING,
"SACRED HEART OF JESUS, I TRUST IN YOU!"**

Receive My Blessing those who read this Message with faith and with love.

Receive My Blessing those who listen to this Message with right intention, and may this My Blessing cover you with My Most Precious Blood to keep the devils away from you and from those for whom you intercede.

In the Name of the Father and of the Son and of the Holy Spirit. Amen

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Lord Jesus Christ has harshly shown us inside His great and infinite Love.

We cannot leave out the decadence in which society keeps itself at this instant; we cannot leave out the barbarities committed in the countries, in one way or another, against the children; we cannot leave out the cruelty with which human beings treat one another.

We live very attentive to the climate, never before had it reacted as now, at this instant; so much so, that I quote a phrase from the Encyclical *LAUDATO SI'*: "The earth, our home, is beginning to look more and more like an immense pile of filth. In many parts of the planet, the elderly lament that once beautiful landscapes are now covered with rubbish" which we have emphasized in some of the conferences. I also quote the following phrase from the same Encyclical: "The Apocalyptic predictions can no longer be met with irony or disdain." Why?... Because Earth vomits man who does not live in tune with the Divine Will.

Humanity keeps itself in chaos, just like Christ told us; chaos in every aspect since every instant riots in several countries are more intense and are spreading due to the state of violence of man brought on by his distance from his Lord and his Triune God.

Brothers, we will live through very difficult instants when we will need the Faith to strengthen us and for this we must be united with the Holy Trinity and with our Most Holy Mother, because when the land creaks, man trembles with it; and it is not necessary to be a seer to know the crucial condition of this generation. But in spite of it all, there are brothers who deny everything Christ tells us when they call us "apocalyptic"

During the instants when Christ takes me with Him and transmits His Word, He has repeatedly told me about the imminent danger of the Yellowstone Volcano and the Vesuvius volcano as yet another scourge with which Nature will hit man. And I share it because the volcanoes will erupt as in a chain, one after the other.

Brothers, during the First World War and the Second World War, the economic factor was very influential. And at this instant, how is the world economy?

There is a huge difference... the elite that rules the world is the one waiting for the antichrist to enslave humanity by means of a single currency, a single government, and thus establish the new world order.

Brothers, it isn't in vain that Christ alerts us; it isn't in vain that our Mother has been alerting humankind at every one of Her Apparitions.

LET US BELIEVE IN THE EXPLANATION OF THE DIVINE WORD AND OF THE MOTHER'S WORD, AND LET'S PREPARE OURSELVES SPIRITUALLY FIRST SO THE CANDLE OF FAITH WILL NOT DWINDLE AND DIE, AND THEN LET'S REMAIN ALERT.

Let's spread the Calls from Heaven.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
27 SEPTEMBER 2015**

My beloved People, receive My Blessing.

MY PEOPLE ARE THE FINE PEARLS, THOSE THAT DO NOT ESCAPE MY HANDS...

Beloved children, in the human way, man designs the course of humanity, but it is not man who dictates the events. The Prophecies My Mother has given to humankind will be fulfilled in this generation that constantly pushes Me away from its path.

He who comes looking for dates will be confused and perplexed.

My beloved People,

**MAN'S CONSCIENCE HAS HARDENED TO THE POINT OF NO LONGER RECOGNIZING THE
WICKEDNESS IN WHICH HE LIVES, BECAUSE THE MUNDANE HAS TAKEN ROOT IN HIS DAILY
LIVING, AWAY FROM ME, FROM MY PRECEPTS, FROM MY LAW, AND AWAY FROM MY MOTHER.**

Man does not know prayer; he ignores that this is definitely the best and highest form of intimacy with Me, to merge with Me...

PRAYER BEARS FRUIT; if it is done from the heart, it will take you little by little, transforming you so you will belong more to Heaven and less to this world.

PRAYER IS NOT JUST SAYING REPETITIVE PHRASES THAT EXHAUST ME; you need to pray from the heart so your prayer will jell according to the Divine Will.

My beloved People,

**THE INEXHAUSTIBLE FOUNTAIN OF MY LOVE AND THE FOUNTAIN OF YOUR LOVE FOR ME
CONSTITUTE A RECIPROCAL AND INFINITE RECEPTACLE OF GIFTS AND GRACES, VIRTUES AND
SPIRITUAL GROWTH THAT I GRANT MY CHILDREN WHEN THEIR PRAYER IS CONSTANT AND
SINCERE.**

My beloved People, you must understand that just calling Me is not enough; receiving Me without the proper awareness and without the proper repentance is an act contrary to My Will which certainly does not bring you closer to Me, it leads you to remain in a state of great sin.

I know you; and that is precisely why I call you to the correct prayer that takes you, one step at a time, to delve in My Works and My Acts, so your hearts will be hearts of flesh, hearts sensitive to My Will. Those who do not pray know Me less, understand Me less, and love their brothers less...

PRAYING FROM THE HEART COMES AND TAKES YOU TO THE PRACTICE OF ITSELF WITH THE FERVENT WISH THAT SALVATION FOR YOUR BROTHERS BE ACCOMPLISHED, AND THAT, IN TURN, YOUR BROTHERS BE REPEATERS OF THE TESTIMONY THAT LEADS EVERYONE TO BELONG TO MY HOUSE AND TO ENJOY MORE THE THINGS OF MY HOUSE AND LESS THE MISTAKES OF THE WORLD.

My beloved People, if you expected great events and you have not seen them happen at this instant, do not jeer; you cannot see what I truly allow because you look for it in great matters and not in the small details with which the same man acts and works.

THE INSTANTS CONVERGE IN THIS BLOOD MOON FULFILLING MY MOTHER'S CALLS, THOSE THAT HUMANITY HAS DISOBEYED.

THIS INSTANT BRINGS TO BEAR AN IMPORTANT PROXIMITY OF THE EVENTS THAT MUST KEEP HUMANITY ALERT SO YOU WILL REMAIN IN VIGIL, BECAUSE I COME LIKE A THIEF IN THE NIGHT, AT AN UNEXPECTED HOUR.⁶⁹

Evil takes advantage of the distancing of man from My House to make man continue to ignore My Warnings about the alteration in the human mind, through misused technology, which has openly led man to accept all that is modern, even if it goes against Me and against My Mother and Her Pleas.

Uncontrollable rage, lack of awareness, and insensitivity towards your brothers is a great victory for evil, because it leads man to his own nightmare, to his own executioner, intensifying as the instant advances, that has been marked by this great sign for mankind.

My beloved People,

THE SPECTRUM OF WAR WILL BE REAL. My Heart bleeds for this when I see My beloved children immersed in a terrible struggle to which they were led by the ambitions of those who feel they are the powerful of the world. Ambition and economy get together to make humankind tremble, because humanity ignores the power of the weaponry which the world powers have for the destruction of much of humanity.

My People,

⁶⁹ Rev 16:15, Matthew 24:43, 1Thess 5:2 New Revised Standard Version Catholic Edition

WHEN SCARCITY BECOMES GENERALIZED, remember that My Mother thought about you way in advance and blessed grapes so that at that instant your hunger will be appeased, also I have asked you to pray NOW for those instants and to prepare yourselves spiritually so you will be able to encounter—with Faith, strength, and perseverance—the instants of harsh and difficult trial that lie ahead for everyone.

Earth continues its advance to wake up man. It will shake with more force.

Pray, children, pray for Japan.
Pray, children, pray for the United States.
Pray, children, pray for the Dominican Republic.
Pray, children, pray for Mexico.

Man walks in darkness away from Me, blindly if he doesn't know Me in the Holy Scripture, if he does not keep the lamp with the good oil of Faith, if he does not get away from the valley of the dead in which most of mankind remain at this instant. This is the reason for My constant Calls before I allow you to examine yourselves and panic when you see in the Celestial Vault the Signs My Mother has already announced.

UNITE, MY CHILDREN. EACH ONE OF YOU BE SUPPORT FOR THE BROTHER.
THE BUILDING REMAINS UPRIGHT WHEN YOU PROTECT ONE ANOTHER.

My beloved,

From the sky you will see a great light—asteroid—come down towards you... My People, do not fear! The Lord, your God, shelters you in the Palm of His Hand.

Children, the one who seems to provide caregiving for the helpless Peoples will very soon be a fierce persecutor, ruthlessly attacking with all his power. The alliances and agreements are not true; they are a deadly trap.

The volcanoes will wake up with even more power and will become a scourge for the Peoples. Man will be astonished to see—time and again—ice of great size descend over the Peoples.

The sun will separate man from technology for several days.

My beloved People,

HEED MY CALLS AND THOSE OF MY MOTHER. I DO NOT ABANDON YOU.
I AM "THE FOUNTAIN OF LIVING WATER"⁷⁰ THAT SATIATES HIS PEOPLE'S THIRST.

⁷⁰ Jeremiah 2:13 New Revised Standard Version Catholic Edition

My Love warns you.

My Love constantly blesses you; I do not abandon you until My People arrive to join Me where there will never be any more conflict, there will only be My Peace.

I bless you.

Your Jesus.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Christ, Infinite Power of Heaven and Earth, does not abandon His People.

With great Love, Christ Calls man not to move away from praying and from the knowledge that leads to Him, so man will remain in a constant state of alertness.

Let's not forget that the union to which we are called is in Christ and in our Most Holy Mother; it is **not** the union which will be a strategy of evil to control the world: Unify everything.

Christ tells us that some will say that the Blood Moon did not cause any changes in the world or in man; on the contrary, it allows us to clearly see that this event in the sky marks a further opening of the moment we live in and when the events prophesied by our Mother will increase. This is why He asks us to be creatures of prayer, because it is through prayer that we get close to Christ, and as we pray we remain vigilant, without forgetting that our Mother keeps us by Her Hand and She materializes Her Son's Infinite Love for each one of us.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
30 SEPTEMBER 2015**

My beloved People,

**I CARRY MY PEOPLE IN THE PALM OF MY HAND, LIKE
“THE GOOD SHEPHERD LAYS DOWN HIS LIFE FOR THE SHEEP.”⁷¹**

I whisper My Love in your ears, I talk to your hearts so they will soften, I give you new oil for you to fill your lamps and see clearly in the darkness they present to you.

MY PEOPLE HAVE BEEN ALERTED BY MY HOUSE SO THEY WILL NOT CONTINUE TO BE IGNORANT, so they will wake up and voluntarily get rid of the blindfold that other men have placed over their eyes, but My People continue blind and deaf. Evil invaded man’s mind by means of the great screens, getting him ready, confusing him, and training him so he won’t believe what he sees, and not know that the acts of men will go further.

MAN WATCHES THE EVENTS FROM AFAR. The great enemy has taken man to live a virtual war, and My children believe that everything is like that, virtual, until they will have overhead the buzzing they thought they could never hear, and will come to take away their sleep—to lead them to fear the unknown—and will take away the apparent peace in which they live. No, My children! You will not live something unreal! Evil leads his army instigating man to take the world to a catastrophe, which My Mother revealed in Her Apparitions so you would not allow evil to take the souls, so you would remain united with My Mother and Me, so you would continue to practice the Divine Law.

Evil uses his wiles to generalize conflicts among men; he doesn’t stay in one place; on the contrary, he advances taking advantage of the carelessness of one and of the other so that, in the middle of the events and apparent defenses and good deeds, evil’s emissaries will act through unholy and ominous alliances, creating confusion, unleashing man’s rage in his reactions, thus bringing war closer to man at every instant; war feared by some, and ignored and denied by others.

Children, it will be a long suffering amid earthly powers, some guided by the power of families who keep humanity in their hands; others will follow those who offer them apparent safety for their peoples. At instants it will seem like the alliances and agreements make progress, and this is the curtain covering the real stage. The powers will point at one another as the true culprits and violators of the agreements, but this will only be the lies hiding the true and hidden objectives of the prince of wickedness who, with hooks and gaffs in the jaws will be the scourge of My children.

My beloved, the innocent suffer the effects of the wrongdoings of those who, led by fanaticism, act filled with rage against their brothers. At this instant, humanity will live acts of terror at the hands of real executioners.

Pray, My beloved, pray for France; it will suffer great pain.

⁷¹ John 10:11 New Revised Standard Version Catholic Edition

Children, leaders of this instant astutely move the thoughts of their peoples. This allows rulers to keep great satellites of evil—without the inhabitants being aware of it—and the people even come to support acts contrary to My Acting and Working, contrary to My Love.

Beloved,

WAR IS AT THE SAME TIME A GREAT SPIRITUAL BATTLE IN WHICH SATAN FIGHTS FOR THE SOULS OF MY CHILDREN WHO, BECAUSE OF IGNORANCE, SUPPORT THE START OF THIS HARSH SUFFERING TOWARDS WHICH MANKIND IS HEADED.

I feel sorry for all My children who take part in acts contrary to Our Will...
I feel sorry for those who kill the ones who are not like them for pleasure...
I feel sorry for the blood spilled by the innocent...
I feel sorry for the blood that will be spilled...

My People, in the entrails of military action, what prevails is the fight for the souls, the persecution of My children, the destruction of My Church—just like I have continually forewarned you—and the power and strength to establish the single government controlled by the antichrist.

EVIL HAS ACTED ON THE SLY SINCE LONG AGO, IN FRONT OF HUMANITY EMBEDDED IN FANATICISM, IN THE FANCIFUL, SINFUL, AND MUNDANE, DISTANCED FROM ME AND FROM MY MOTHER.

Pray, children, for Venezuela; pray, My children suffer.

Humanity, you look at your path with indifference, the devil takes possession of the souls to make them despise the Gift of Life.

My People, communism flutters in its red color like a tempest that hovers over you at a cloudy instant so you will not disclose communism until the deed is delivered to whom prepares the stage for it.

My People, the path of My Love is different from the one you traverse; the mundane magnetizes men, it attracts them to move them away from Me and to leave Me in second and last place. **I AM NOT THE PRIORITY; MY PLEAS AND MY MOTHER'S PLEAS ARE IGNORED AND RELEGATED TO THE LAST PLACE BEFORE THE POWER OF THE GREAT INNOVATIONS THAT ECLIPSE MAN'S MIND, LEADING HIS HEART TOWARDS PATHS CONTRARY TO MINE.**

This generation has been involuntarily indoctrinated by technology misused against Me, so My children will live despising life and ignoring My Calls, so they will deliver themselves in the hands of the oppressors.

AT THIS INSTANT, MAN LACKS THE WILL POWER TO GET AWAY FROM EVERYTHING THAT HARMS HIS BODY AND HIS SOUL. Walking in this way, with agonizing pain from the past—which at this instant he seems to forget—which this generation has not experienced and has no awareness of the devastating pain caused by the struggle of peoples against peoples, in which the red flag of the tempest has fluttered due to disobeying My Calls, due to the lack of attention, and to ignoring My Mother's Warnings with which She alerts and warns you about the great struggle for the global government and the great suffering of all humankind. This suffering leaves devastating effects on

Nature and renders the land useless so it will not be beneficial to man, and thus it will not fulfill the role for which it was created.

Beloved children, pray for the United States; it will suffer at the hands of humans and Nature.

My People,

Earth wishes to wake up man and, in its zeal to wake you, it shakes with force; because of this, several countries will suffer. Pray for those who will be purified.

Earth trembles; the list of countries would be long; pray for those who will suffer.

The water will penetrate the land to wash away man's sin off it.

With astonishment you will see, in the Celestial Vault, phenomena never seen before: Signs that forebode, for My children, the suffering that advances, in which there will be a small respite to then break out again with more force.

**Pray, children, pray for Russia; control happens in silence, without noise.
The United States hides the truth.**

**OH, MY HUMANKIND! YOU WALK AWAY FROM ME! COME TO YOUR SAVIOR.
APPROACH YOUR LORD, TAKE MY MOTHER'S HAND SO SHE WILL GUIDE YOU TO ME.**

Do not rest in your prayer, continue before Me. I will not abandon you at any instant:
During famine I will send you Manna...
In the plague I will send relief...
Before the oppressors, the Faith in My Love will astonish your persecutors.

Pray, My People, pray for My Church infiltrated by freemasons and illuminati, who wish to take her away from My Truth and My Law. My Church will be harshly shaken.

MY CHILDREN, DO NOT LOSE HEART; MY CHURCH REMAINS ON SOLID ROCK, NOT ON QUICKSAND.

Do not forget that owing to My Mercy, each one will examine himself to separate you from the wickedness you may have joined. The Great Warning is My Love given to you so you will return to My Arms. You must know that some of My children will rebel even more against Me after the Great Warning(1) For this reason prepare yourselves, receive Communion, come be with Me at the Tabernacle where I am alone and abandoned, ask for My Holy Spirit so you can discern and will not follow what those who do not want you to wake up proclaim.

BELOVED CHILDREN, THE ECONOMY CONTINUES ITS DOWNFALL WITHOUT STOPPING. It's the antichrist's great strategy to make humankind plunge into the unique single currency when they can no longer stand material hunger. The antichrist advances towards his own empowerment over humankind.

YOU, MY CHILDREN, BE ASTUTE, WIN SOULS OVER FOR ME. Do not act like hypocrites when you live the fulfillment of My Warnings. Be disciples who do not sleep, who do not rest. Announce and denounce the masked antichrist so My People will wake up. You well know his malevolent plans against My People. His purpose is to possess what belongs to Our Trinity; he will think he wins it all, but I will arrive with My Legions and I will defeat the oppressor, the demonic invader.

Delve into My Word; you do not know Me in depth.

Pay attention to My Mother; this is why I gave Her to you at the foot of My Cross of Glory, Majesty, Blessing, and Plenitude.

I BLESS YOU, CHILDREN, BE OBEDIENT, ADVANCE TOWARDS ME SO THE SON OF PERDITION WILL NOT FIND YOU AWAY FROM ME. I SHELTER YOU BECAUSE YOU ARE THE APPLE OF MY EYE. DO NOT MOVE AWAY FROM ME.

AT THIS INSTANT I BLESS WHO READS MY WORD WITH FAITH AND LOVE.

My strength be your strength...
My Love be your love...
My Love for My Father's Will be your love for Our Pleas.
My Mother blesses and protects you.

I Love you.

Your Jesus.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

In the Divine Word we clearly see the development of evil's plan to subdue humankind...

Man must not be lukewarm as he walks. At this instant each one must choose the Path to Salvation with acts and works in favor of righteousness. Man cannot call himself believer without truly being action that leads to saving souls and to fight against evil.

Let us not forget that prayer is a blessing for man, a blessing that attracts the Holy Spirit so that, as God's children, we may have discernment and spiritual strength to resist the attacks that will arrive upon the public appearance of the aforementioned antichrist.

Christ asks us to bear witness of His Love and the practice of His Word, but to do that, we must be spiritually prepared because of the great danger that we will encounter: The New World Order.

Throughout the history of humankind, power struggles have led to great suffering; however, at this instant, in light of the increase and advance of sophisticated and powerful weapons, humankind is instants away from a hecatomb, because man does not want to respond to the Divine Calls to change his ways, or to the wish for survival as a human being, and therefore the development of what our Mother has announced is closer.

The fight for the preservation of Nature was started by Heaven in His Calls since 2009, but then some people already thought that those Calls were contrary to Christ and were typified as a new ideology. At this instant, many men, as they remember those Calls, would like for this instant to be that one when we were called not to act against Earth that cradles us. At this instant, Earth does not recognize the man who has hurt it, and Earth turns against man because Nature wants man to live God's Will.

Humankind has been visited publicly by the Most Holy Mother all over the world in order to avoid this instant of crisis; but most of Her Apparitions were rejected and relegated to silence. The Pleas of the Mother have not been heard because they were regarded as either inventions of the instrument or calls from evil. Is this—or is it not—the instant the Mother explained?

Let's all pray, together as Church, but along with our prayers, let's bear witness to Christ's Love, to the Calls of the Most Holy Mother, so the thirst for souls to which Christ invites us will not stop.

Amid the battles, the persecutions, famine, or disease, let's be messengers of the Love of Christ, faithful to His Word and to God's Law.

**CHRIST HAS ASKED THAT ALL OF US PRAY THE HOLY ROSARY FOR ALL HUMANKIND
AT THE TIME EACH ONE CAN, AND FOR US TO BE HIS SAME LOVE.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
4 OCTOBER 2015**

Beloved children of My Immaculate Heart,

I bless you with My Maternal LOVE.

**MY HEART IS HURT, VERY HURT.
EVEN THEN, MY LOVE FOR EACH ONE OF YOU DOES NOT DIMINISH.**

You are the hope for the love and the faith in My Son to continue with His People, formed by all of you.

Each one of you has the possibility of being more of Heaven and less of the mundane. Do not forget that after the crucible, righteousness will always prevail.

At this instant, I address each one of My children. They ignore the fierce insidiousness with which the enemy of man's salvation insist—on every aspect—to distance man from the true path.

Evil continues to insist because he knows man's instinct—to be more than his brothers—and it leads man to act without mercy. It all comes from man's lack of humility which despises the great lady obedience, because when the human being obeys, he brings down his ego and decides to live in Divine Will.

Beloved children of My Immaculate Heart,

Time and again I have mentioned that, after the public appearance of the antichrist, My Son will send a Creature to help His People; this Creature will revive your Faith through preaching the Word from the Holy Scripture.

The persecution, especially against Christians, will be merciless, more so than at this instant. The antichrist and his allies know that the Christian carries his cross with the joy of a lover waiting to get together with his loved one.

The authority of My Son's Church will be ignored by those who will attack the Christians, and the Christians will have to hide from their persecutors. It will be then when I will send the Angelic Legions to protect you from fear and despair. The victory of the Cross is incomprehensible for those who do not delve in the mystery She encloses. The victory of the Cross signifies despair to those who do not recognize the Glory and Majesty that result from the Death and Resurrection of My Son and, therefore, Eternal Life for My Son's children.

Beloved children,

**HOW I MUST CONTINUE FIGHTING BEFORE YOU SO YOU WILL PUT INTO PRACTICE
THE VIRTUE OF HUMILITY AND THE GIFT OF LOVE TO ENCOUNTER SATAN
WITHOUT FALLING, BECAUSE SATAN WANTS TO DESTROY THE WORK OF THE FATHER!**

Man in society is not aware of the ingratitude towards women. Masculinity is seen from a mistaken concept, which leads man not to yield to what he considers to be a part of his natural being. On the contrary, My children, without consideration towards woman, man becomes a prepotent creature who does not faithfully comply in full with the First Commandment. ^(Mt 22, 36-39) Likewise, woman must comply with the First Commandment and, at the same time, love and be faithful to the man

she has chosen to accompany him in his life, in matrimony. Do not forget, both of you, that recognizing a mistake is a sign of valor because only those who are courageous recognize a mistake.

Children, each one of you has exactly one soul and exactly one heart, and they are totally oriented towards God by Divine Will. Nothing is yours, so much so that humility is not present during difficult instants; during difficult instants man allows himself to be besieged by evil and by the wrong temperament, or to be dominated by hubris, to react against My Son's Will, forgetting that what man may see as a sign of weakness, to My Son is strength.

MY CHILDREN, EACH ONE STRUGGLES FOR SANCTITY; HIS PERSONAL OBSTACLES MOVE WITHIN THAT STRIFE, BUT THE MAIN ONE IS HUBRIS AND PERSONAL VAINGLORY.

My beloved children, this world's instant is delicate in view of the union of the strongest powers. These are difficult instants for all mankind due to the constant wait in ambush of provocations for the war to explode. This is why I call you to pray for the United States and Russia, two of the main characters in this terrifying stage.

Children, you ignore the principle of the truth that moves strong powers to promote war. Every act of man has an implicit objective that benefits him. Not only economic, political, and geographic interests—inconceivable to those who do not know politics—are behind revolutions, vandalism, and protests that seem harmless, creating chaos through uncontrolled violence which was programmed to take humankind to this instant in which it finds itself, only one step away from self-destruction of the human race.

My beloved, nuclear energy is the scourge of humankind; it is the final epidemic, the Cain, the modern Herod, the new Samson, the present Judah, the rebellion against God when it (nuclear energy) is used as it is now, at this instant, like demonic weaponry. This is why the Angelic Legions will have to interfere to help those faithful to God.

The Alliance of powers is nothing more than the fulfillment of My Son's Word. The powers will attack the weakest nations, then they will create disputes among them, and they will betray and attack one another. The alliances are strategies, not truths.

Beloved, the lukewarm will have no possibilities if they do not repent; the lukewarm will be spit out of God's mouth. There exist only two ways, good or evil. My Son will arrive with an iron rod, to separate the wheat from the weeds.

This Mother has been traversing history with you, and this way you have been alerted to change the destiny prepared by the same man at the service of the one who will take the power of the nations on Earth and fight to control all humankind.

AT THIS INSTANT, THOSE WHO ARE AWAY FROM THE POINTS OF TENSION DO NOT IMAGINE AND ARE NOT AWARE OF THE SERIOUSNESS OF THE PROVOCATIONS OF SOME ALLIES AGAINST THE OTHERS...

**TURN TO LOOK AT THE STAGE OF THE PROVOCATION;
ONLY THIS WAY WILL YOU REALIZE HOW CLOSE YOU ARE TO THE ANNOUNCED THIRD WORLD
WAR...**

I CALLED THE CHILDREN OF MY PREDILECTION TO PREACH PEACE, AND I CALLED THE BISHOPS OF ROME TO CONSECRATE RUSSIA TO MY IMMACULATE HEART... AND THEY DID NOT OBEY ME.

THE INSTANT HAS PASSED AND THEY HAVE NOT TAKEN IT SERIOUSLY. THIS IS THE RESULT OF IGNORANCE, BECAUSE MY PLEAS HAVE NOT BEEN MADE PUBLIC AND MY SON'S PEOPLE HAVE NOT BEEN ALERTED to avoid causing fear, but the truth is what I, as Mother, have expressed in My Apparitions through My true instruments.

Each human creature has free will. I, as Mother, call you to take the correct path; I do not force you to make decisions you do not want, but I urge you to stop and examine yourselves.

The Commandments are not changed on man's whim; sin is not Divine Will even when at this instant the fashion is for youngsters to use drugs, to expose themselves at an early age to uncontrolled immorality, to listen to satanic music, not to approach My Son or to do it as a duty.

**HE WHO WANTS TO SAVE HIS SOUL MUST GET AWAY FROM EVERYTHING THAT
SEPARATES HIM FROM MY SON; OTHERWISE, HE WILL PERISH IN SIN.**

If My Son's Church wishes to remain strong as it is God's Will, She must lift the hearts of the faithful so they won't seek what is worldly. My Son's Church must not be a house for some to benefit from Her, in positions of honor; My Son's Church must be a community of Love where the rich and the poor are welcome. My Son's Church must be one single soul and one single heart.

ONCE AGAIN I COME AS MOTHER OF ALL MEN; SALVATION IS FOR ALL.

Do not neglect My calls at these instants so crucial for everyone.

I protect you, I love you, I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

In these words from our Mother, what we, as humanity, are living at this instant, becomes more relevant.

There are too many brothers who ignore that the powers aim to an alleged solution to Syria's conflict, but in the shadows there are other interests that other powers keep to themselves so the world won't know and thus will not be able to reproach them for it.

Brothers, we are at an instant of tension when one provocation is enough for the Third World War to be the horror that humanity, aware of it, has feared, since the pain and suffering of the Second World War.

At this instant we see Putin, moderate and polite, and Obama provoking, but it won't always be like this. Let's keep in mind that the Mother in Fatima warned us about communism for this instant. Also, our Mother calls her favorite children and all the Hierarchy of Her Son's Church to be love and welcome all the faithful, without giving priority only to the rich, leaving out the poor. Also, She calls them to alert God's People, because later on the events will arrive and God's People will be unaware and will easily give themselves to evil due to their ignorance.

Brothers, let's wake up and tell the world what is happening and what is to come; our Mother does not speak in vain; She talks to us, Her children, so we will listen and put Her words into practice.

Amen.

MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARÍA 8 OCTOBER 2015

Beloved children of My Immaculate Heart,

MY MATERNAL BLESSING REMAINS OVER EACH ONE OF YOU.

My beloved, at this instant My Son's People must dedicate themselves to pray with force, with faith, with great fervor. The assurance that your prayers are heard must have firmly and permanently taken root in you.

I DO NOT WANT HASTENED PRAYERS. FROM EACH OF YOU I WANT PRAYERS FROM THE HEART for each of you and for humankind in general. Each instant, great dark clouds fog-up mind, thoughts and will of the politicians who are prepared to go to war. My Maternal Heart suffers for it; I am in pain for the innocent who suffer, for each human creature sacrificed to an ideology.

My children, just like in the past when Christians were taken to be devoured by lions, so it is now; at this instant many Christians are crucified by the hands of their own brothers. The Christian who complies with the Divine Will is feared, they can take away his body but they will never erase his Faith, and his soul will rejoice together with My Son. This is why the Christian is feared, because he is the son of the King of Heaven and Earth and, although it appears as though evil is winning, the Christian does not deny his Faith. My Son will arrive, with power and majesty, to rescue His People purified after passing through the fire of the crucible; then they will wear white robes and will live in total and complete peace, but that will be after the Great Tribulation. You must prepare yourselves for this at this present instant and not at another instant.

MY BELOVED, YOU ARE LIVING THE BEGINNING OF THE GREAT TRIBULATION.

Each instant that goes by is an instant closer to the harshness that humankind will live caused by those who do not have My Son in their hearts and despise Him. Pray for them, My children, clamor for them so they will convert.

REMAIN UNITED; THE PATERNAL HOUSE HAS NEVER ABANDONED YOU. Through the faithful instruments, the Father's House announces all that is coming so humankind will have the opportunity to repent, to change their lives and act and work in Divine Will.

My children, there are human creatures who call themselves Heaven's true instruments, without asking for a change of life, without asking to remain in constant prayer—at this instant when all My children must pray—without asking to practice the true Christian life, pray the Holy Rosary, and receive My Son worthily prepared. Discern; **IN HEAVEN AND EARTH GOD'S NAME IS ABOVE EVERY NAME.** Those who do not insist on conversion, on being more of Heaven than of Earth, on taking off worldly rags, and on coming up trustingly to the Eternal Father and call Him "Our Father..." Those are not My true instruments. Those who do not call humanity to obey God's Law... those are not My true instruments.

MY CHILDREN, MY SON IS LIGHT AND TRANSPARENCY, AND MY SON'S INSTRUMENTS AND MINE REMAIN UNITED, and LEADING THEIR BROTHERS TO ONE UNIQUE CENTER: The Word that My Son and I transmit to humankind through them. This unique center proclaims union, charity, Faith, conversion, and being nourished by My Son. We also call you to acquire knowledge because a Christian who doesn't know My Son and who doesn't know Me is like Simon of Cyrene who was compelled to help My Son with the weight of the Cross; but he only does it to be seen by his brothers and not out of love for Me or to atone for what every man must atone.

My children, at every instant, a special mission is assigned to each instrument of the Paternal House. There is no instrument in whom all missions the Paternal House wants to transmit to His children come together. With pain I see how they call each other false instruments, as if each wanted to attain the first place over all others, as if it were a social position, a political charge, or to keep a leading place before a group of followers. None of you, My children, must follow a man; you must follow My Son who **IS WHO HE IS**. No man must call himself Heaven's favorite; Heaven must call him favorite. **THE ESSENCE OF ALL CALLS IS ONE: THE CALL TO CONVERSION, TO UNION, TO BE TESTIMONY OF THE ACTS AND WORKS OF MY SON, AND TO SHED LIGHT ON THE MINDS OF YOUR BROTHERS** to help them gain knowledge of what they still don't know, maybe due to voluntary ignorance or to involuntary ignorance for not having been extensively taught.

The man of this instant must keep his mind open to receive My Son's Word and Mine; he must remain with his mind open and attentive to the signs of this instant, because everything you must see and know is not over yet.

Beloved children of My Immaculate Heart,

THIS GENERATION'S DESTINY LOOKS DARK AND, AT THE SAME TIME, GLORIOUS FOR THOSE WHO WALK TOWARDS THE "LAND FLOWING WITH MILK AND HONEY."⁷²

War is coming with giant steps in double time, and with it, My Son's Church will be purified and will stagger; it will be fiercely attacked. **Reform must never touch what the Heavenly Father has decreed**, like the Commandments of His Law. The Sacraments are fruit of God's Love so His Holy Spirit will grow and spill in abundance on and within the human creature; therefore, you must not go against the Word of the Eternal Father. He created man and woman so they would become one flesh⁷³ in the Sacrament of Matrimony.

Humanity's madness has penetrated the abyss because at this instant the devils remain over humanity to take the souls to perdition. But man is not satisfied with what he knows; man, with the desire to experience the unknown, has come to completely decay in his essence, in his values, and, above all, in all that is moral.

Beloved children of My Immaculate Heart,

I make a Motherly call to you, parents, so you will warn your children of the dangers that exist in what is mundane, the dangers that come from momentary pleasure. I call you. I know how difficult this is when most of the children do not come near My Son and live in the worldly current to stay in tune with society, even though it's against their principles; but I call you. And with this call you participate of the latest news of debauchery and disrespect.

⁷² Exodus 33:3 New Revised Standard Version Catholic Edition

⁷³ Matthew 19:5 New Revised Standard Version Catholic Edition

WHAT EXAMPLE IS SET FOR THE CHILDREN BY PARENTS WHO LIVE IN THE GIBBERISH OF THE WORLD, IN THE GIBBERISH OF ALCOHOL, OF DRUGS, OF UNCHECKED SEX... WHERE THERE ARE NO VALUES WHATSOEVER AND WHERE MY SON DOES NOT REIGN BECAUSE HE HAS BEEN RELEGATED TO THE LAST PLACE?

But there are so many human beings, so many men that I hear blame My Son for their diseases, or fatalities in the families, and they blame Him and detest Him even more!

This is the hubris that satan himself instills in the souls so they will detest My Son and join the files of satan who has prepared the stage for the antichrist.

Beloved children,

Misused science has penetrated the pharmacological industries so these will dare create vaccines contaminated with viruses so human beings will carry death or diseases with them.

My children, why do you feed and continue to feed on the garbage with which the great transnationals want to eliminate most of the world population? You are the great experiment of the large food industries. **DO NOT ALLOW IT. YOUR BODIES ARE TEMPLES OF THE HOLY SPIRIT AND YOU MUST PROTECT THEM AND TAKE CARE OF THEM, NOT ONLY WITH GOOD CHRISTIAN BEHAVIOR, BUT ALSO WITH A CORRECT AND HEALTHY NUTRITION.**

Beloved children of My Immaculate Heart,

I have been calling you throughout the history of this generation to be Light for your brothers, but a majority of you are darkness and nauseating gloom for them. The ones I love run away from their countries, and in that fleeing, the innocent—that I love most—suffer so much! And yet you continue to ignore that, for years, thousands and thousands and thousands of innocents silently die from starvation in Africa, in India, and in many other countries of the world.

MY CHILDREN, DO NOT ALLOW THEM TO EXPLOIT LITTLE CHILDREN; DO NOT ALLOW THE FILM INDUSTRY TO FINISH UNDERMINING THE MIND AND THE PSYCHE OF LITTLE CHILDREN AND ADOLESCENTS to finish their wicked and criminal work because for many years they have been preparing your children to be guerilla fighters, combatants, soldiers, and to look at life with disdain so they will be cruel to exhaustion, without any fear or resentment, and without any remorse.

My children,

HOW HAVE YOU ALLOWED THE FILM INDUSTRY, WITH ITS MEAN TRICKS, WITH ITS POISONED DARTS, TO DESTROY WHAT THE HEAVENLY FATHER CREATED TO LIVE WORTHILY ON THIS EARTH?

Some of you see the concentration camps of the Second World War with great amazement, but you should turn your gaze towards your own homes where you have been the torturers of your own children by allowing the television to continue to be the concentration camp by means of which the large film industries have instructed and prepared your children so that at this instant they will join those who bring terror to the whole world.

**Beloved children, pray for France; it will be shaken by terrorism.
Pray for Rome, My children; terrorism lurks and will deal a mortal blow.
Pray, My children, pray for Chile and for the United States.**

VERY SOON THEY WILL BEGIN THE OBLIGATION AND THE IMPLANTATION OF THE MICROCHIP SO EACH ONE OF YOU WILL ACCEPT IT. YOU KNOW WELL THAT THIS IS SATAN'S SEAL⁷⁴, through which they will not only follow your steps and control your social life, but also your economic aspect, and even your mind, so that, even if you interiorly want to pray, you will not be able to utter one word of prayer, you will not be able to ask My Son for help.

Beloved children of My Immaculate Heart,

At this instant you must remain prepared...

You must constantly keep the ardent and fervent desire to belong to My Son, despite what you see and the discouragement you may feel.

My Son's Church will be shaken but not defeated. Woe to those who see these instants as far away, because they truly are closer to you than at any other instant!

My children, look at the whole world and mark the countries where the rulers are communist, mark where the rulers are freemasons or illuminati. These are the ones who deliver you into satan's claws so you will be lost...

You ignore the truth, the inside objective in the fight in which the nations participate at this instant with false alliances, and soon the same nations will become enemies of one another. They hide the real reasons of this instant behind the scenes so you will think that, behind the defense of a People, there is a great purpose and a great love. This is not true, My children, and when the bear awakens he will give you great pain indeed. No wolf will show his true skin until the last instant when he will take off the lambskin to appear as he truly is.

My children, love My Son, pray so I continue to help you. Love one another and beware of those who have criticism and rancor on their tongues.

⁷⁴ Revelation 13:16-17 New Revised Standard Version Catholic Edition

My children,

A COMET WILL COME TO EARTH AND WILL CAUSE THE THREE DAYS OF DARKNESS WHICH I HAVE ANNOUNCED SO MUCH. Three days during which you must remain at home; keep the windows sealed so the light from terrible thunder and lightning, falling from above, will not harm you, because behind the thunder and lightning, the devils will kill a large number of My children, and I, with great pain, will shed My tears over them.

My children, it is necessary that you:

Wake up...

Rekindle that first love for My Son...

Comply with the Divine Will...

Be humble to accept the Advice and Calls of this Mother.

AS AT EVERY INSTANT MY SON HAS SENT HIS HELP TO SPEAK WITHOUT FEAR TO MY SON'S PEOPLE. SO THIS PEOPLE WILL CONVERT. THIS INSTANT IS NO DIFFERENT. MY SON WILL SEND ONE HE LOVES WITH SPECIAL LIKING TO ENCOURAGE MY SON'S PEOPLE DURING THE MAJOR AND GREATEST INSTANTS OF TRIBULATION OF THIS GENERATION. For this reason, delve into the Reading of the Holy Scripture so you will possess all the knowledge needed to be able to discern between good and evil.

My children, I will permanently remain next to each one of you, and the Legions assigned to My charge will be the ones to help My Son's People and to create once more the Great Rainbow with My children's conscious Love repentant for the very serious offenses against their brothers and through which they have gravely offended My Son.

Beloved children of My Immaculate Heart,

Walk in peace every instant; do not try to hasten the pace of the Divine Will because everything arrives at the precise instant for your own good. Love one another. I love you and I keep you in My Immaculate Heart.

Remain alert because a weapon will arrive, a weapon unknown by you, a weapon created by man that will cause great sores and ulcers on the skin of My children.

Man has come so low! But man can repent and retake the path of Truth. Children of My Immaculate Heart, come to Me and I will take you to My Son.

I love you. Remain attentive, extremely attentive; at no instant lose Faith and do not take other paths; come to Me and I will take you to the Celestial Fatherland.

I bless you and I bless your families, in the name of the Father and the Son and the Holy Spirit. Amen.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

As Temple of the Holy Spirit, in each Message Our Most Holy Mother widens our vision that we must keep so as not to neglect any aspect.

It is extremely important to clearly understand that not everything that happens in the world is known to man, and not all of man's inventions are made publicly known, because once an invention is discovered, it is overcome by a more advanced invention.

Our Mother shows us a very clear view of all that is happening so man will not believe that he knows it all, because the One who knows it all is God. We are human creatures and anyone who says that he knows all that happens is a dreamer because no man is God.

At the same time we see that earthquakes increase, and volcanic eruptions also increase; anyway, natural disasters increase. Each earthquake or tremor makes the Earth's axis move milliseconds or complete seconds; this shortens the days for humankind⁷⁵

But the center of the whole message is twofold: That the Most Holy Mother wants us to look within ourselves and that the one who thinks he knows Christ must be sure to walk with and in Christ, and not keep repeating the acts and works of previous generations. We must pay attention to what Christ tells us about previous generations, because God's purpose for man has been distorted by committing the same disobediences that the human being has dragged all through his life.

This generation knows what Heaven wants from men, but with his rebelliousness he has not disposed his heart well, he has not been faithful according to the messages I have received. Evil has numbed the senses of this generation. We cannot blame those who came before us for legating evil to us, because each one of us knows God, and we freely obey or disobey. What happens at this instant causes rebelliousness and human folly, actions remain subjected to man's actions for better or worse. For each of man's actions there is a reaction to the action, therefore the one who loves God obtains God's help for his own good.

⁷⁵ Matthew 24:22 New Revised Standard Version Catholic Edition

Each one must be determined to get rid of the old self and be open to what Heaven reveals to us so we can express the Divine Glory and advance to the purpose the Eternal Father set aside for this generation so this generation will survive the trial and receive the King, in His Second Coming, as what He is: The Owner of everything that exists; and give Him the **HONOR AND THE GLORY THAT ALL HUMAN CREATURES SHOULD GIVE HIM.**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
14 OCTOBER 2015**

My most beloved People,

YOU ARE THE APPLE OF MY EYE; EACH ONE IS MY GREAT TREASURE... FOR YOU I GAVE UP MYSELF ON MY CROSS OF LOVE. I LOVE YOU INFINITELY... I AM WHO I AM⁷⁶.

My People, I want you to increase the Faith, to persevere, and to act and work concordantly. My People must have more Faith than they have at this instant so they can overcome the trials and realize that all I allow is for your own good because I want you to be perfected, because I do not want lukewarm children, I do not want children of instants that move in different directions where the wind may take them, as when the wind blows over a palm tree, but constant children. **YOU MUST HAVE CLARITY OF MIND, OF THOUGHT, OF WORKING AND ACTING IN AGREEMENT WITH OUR DIVINE WILL.**

Most beloved children, I constantly look at this generation and how they remain in the sway of what is modern and sinful, and even so they come to receive Me without awareness that **I AM WHO I AM**,⁷⁷ they come to receive Me without the proper preparation, without asking for forgiveness for the faults committed.

My children,

IT IS NECESSARY FOR YOU TO STRENGTHEN THE FAITH; IT IS NECESSARY THAT YOU DELVE IN MY WORD SO YOU WILL NOT CONDITION IT TO YOUR WHIMS OR DISDAIN, BECAUSE MY WORD IS NOT SUBJECTED TO MY CHILDREN'S WHIMS. My Word is One and it is written; otherwise, if My Law were not permanent and eternal, what would become of My People if each one acted and worked in his free will?

⁷⁶ Exodus 3:14 New Revised Standard Version Catholic Edition

⁷⁷ Exodus 3:14. Ibid.

My beloved People, I see how everything that reaches the life of each one of you makes you fall immediately... Where is the Faith you profess? Where is the Faith you claim to have in Me? If you call Me, do I refuse to help you?... But you do not call Me. You immediately let yourselves be defeated by the daily vicissitudes, and you sink like a boat taking on water; that is not true Faith. You are still very lukewarm because you have not truly understood the Call of which My children participate, the Call to live, work, and act in My Father's Will.

My children,

YOU ONLY LOOK AT YOURSELVES, YOU LOOK AT YOUR EGOS AND YOU FALL TO THE GROUND MIRED IN THE MUD WHICH DOES NOT LET YOU GET UP; YOU CONSTANTLY COMPLAIN ABOUT ALL THAT HAPPENS TO YOU WITHOUT REALIZING THAT EVERYTHING I ALLOW IS FOR YOU TO MATURE EVEN MORE BECAUSE YOU STILL LACK TOO MUCH.

My People are being persecuted, but the worst is yet to come... and at these instants you are diminished by small trials, you lose your strength, your thoughts take away your peace and prevent you from coming to Me, you are worn out by any situation and do not pray because of the bitterness you carry inside of you. You cannot listen to My Words because you close your ears to painful circumstances. Those are not My children! That is not the Faith My People must have!

YOU MUST FIGHT TO INCREASE YOUR FAITH, YOU MUST KNOW ME SO YOU RECOGNIZE ME; YOU CANNOT COME INTO MY WILL CRASHING IN DISORDERLY HASTE AND CONFUSION. It's not that you are to put aside a concern, but be careful because satan, the enemy of the soul, makes it a point to take you and keep you mired in the mud so you will not be able to move, and thus delay your union to Me. How is a creature, in a state of perennial desolation and without letting Me help him, going to be able to get out of the mud and allow Me to clean him with the Water of My Love so he can continue on his way holding My Mother's hand?

The lukewarm will be spit out of My Father's Mouth...

I see so many who are lukewarm and keep swaying to and fro! When everything is favorable to them, they remain happy and they think they live in My Will; however, when not everything is favorable to their egos, they forget Me and move away from Me, and, just like deflating balloons, hurriedly bounce against all those around them.

NOT ALL THOSE WHO COME TO RECEIVE ME EVERYDAY LIVE AND FULFILL OUR WILL; HE WHO, IN THE DAILY SMALL VICISSITUDES REMAINS IMMOVABLE, SETTING AN EXAMPLE AND GIVING TESTIMONY THAT I LIVE IN HIM AND THAT HE HAS DONATED HIS WHOLE LIFE TO ME FOR ME TO GUIDE HIM AND TAKE HIM ALONG THE RIGHTEOUS PATH, HE LIVES AND FULFILLS OUR WILL. My children are action, they do not remain static, looking with indifference all that happens around them.

You do not see the birds of the field starve to death; I take care of them... How could I not take care of My children's situations? I give to each one according to his measure so he will mature soon because we are at the verge of the instant of desolation. I cannot do anything else with My People if they do not hasten the pace to grow in righteousness and so be able to encounter and overcome all that happens.

I see so many defeated and unhappy human beings who do not see beyond what is right in front of their eyes... I see so many who call themselves Christians and they still do not understand the mission I have entrusted to them. All My children, all of My People are a Missionary People and they must serve and help one another; but they still do not understand the meaning of the mission: LOVE.

I have addressed some souls in particular and I have charged them with high Missions, and they still look at them from a distance because their human will and free will lead them away from fulfilling My Will.

My beloved People, the persecution will continue and will get worse. My People will suffer the harshness of their brothers.

**AT THIS INSTANT HUMANITY HANGS BY A THREAD JUST LIKE HAIR ON THE HEAD:
AT ANY INSTANT A HAIR CAN FALL.**

The great powers that think they rule humanity provoke one another, and this will cause a fatal outcome. Man is not aware of the harshness of war; man is not aware of the doom and destruction that would come to mankind with the use of nuclear energy.

Man creates absolutely nothing that he will not use for better or for worse. The use of nuclear energy by science is the great desolation of My Heart. Humanity will suffer greatly without looking for it, without wanting it. When a power finds itself economically weakened, it raises war. You are not looking at a ghost, you are looking at war, and the suffering will be stronger and its harshness will become generalized.

I INVITE YOU TO PREPARE SOME HERMETICALLY CLOSED FOODSTUFF—WITHOUT EXAGGERATING—TO KEEP IN YOUR HOMES. Prepare without exaggerating because I will have My Angels multiply what each one possesses according to his possibilities; and to those who have nothing I will give Manna from My House if necessary; I do not abandon My People ever.

Children, so much blood continues to spill without any mercy! And that blood clamors for violence to stop. Blessed are those who, invoking My Name, have shed their blood!

You must open your mouth to adore Me, to declare My praise, to call Me: Abba Father! Do not open your mouth to utter improper words; do not open your mouth to bring pain to your brothers; do not use the Gift of speech to hurt somebody when he is down. **YOU MUST BE CHILDREN OF LOVE**

AND NOT USE VOCABULARY THAT OFFENDS ME, WORLDLY VOCABULARY THAT I CONSTANTLY HEAR REPEATED TIME AND AGAIN.

Woe to you, woe to you who hurt My little ones!

Woe to you who hurt My instruments consciously!

Woe to you who act against My People; My People are those who remain faithful all over the world!

My children,

WALK AS YOU PREPARE YOURSELVES AND GIVE TESTIMONY, IN THE SMALL DAILY DETAILS, THAT YOU DO COMPLY WITH MY FATHER'S WILL.

Remain faithful to My Word; My Word is not subjected to man's condition; do not forget it. My Church will be shaken but not defeated; this is necessary, everything must be purified. I need to seize My Church from the hands of those who work and act against My Will so they will not deviate it even more.

My Priests have been called to live in austerity, not in great luxury, or in great banquets; not in great palaces like the Pharisees. You, My children, do not contribute to their non-compliance of My Orders.

My People, pray for the United States; it will suffer greatly because of the stubbornness of its ruler and at the hands of those who use terrorism to exterminate their brothers.

Pray for Chile, My children; the land will continue to shake and they will suffer greatly.

Pray for one another because war comes relentlessly.

However, delve even more in the knowledge of what I say to you, so you will not be interested in investigating what they offer you making it seem to be good before your eyes, because not everything that they tell you is good, is good for you. Not everything is good for the soul. At this instant humanity lives in satan's disguise.

DO NOT FORGET THAT THE MICROCHIP IS NOT AN INVENTION OF MAN TO HELP MY PEOPLE. IT IS USED TO STEAL THE CAPABILITIES OF THE CREATURES AND TO MAKE THEM PLACE THEMSELVES IN THE HANDS OF THE ANTICHRIST. The antichrist is already on Earth and stealthily directs the nations while being the greatest persecutor of My People, the flogger of My People, the one who will rejoice in My children's pain; but do not be afraid because **I AM WHO I AM**⁷⁸ and My Angelic Legions will protect all those who are faithful to Me.

Each instant is an instant of conversion. You are not completely converted, and the trials are trials, and they bring to reality what the creature really keeps deep in his heart.

⁷⁸ Exodus 3:14. Ibid.

My beloved, pray for your brothers, give testimony of the love you possess.

WOE TO THE CREATURE WHO DOES NOT KNOW HOW TO LOVE BECAUSE HIS FREE WILL HAS NOT ALLOWED HIM TO ENJOY MY LOVE OR THE LOVE OF HIS FELLOW MEN—WHICH IS MY LOVE EXPRESSED THROUGH HIS BROTHERS!

I INVITE YOU TO OPEN YOURSELVES TO MY LOVE SO YOU WILL KNOW ME, TRULY KNOW ME.

Pray, My children, pray for Venezuela. This My People will continue to suffer greatly.

My People, why do you voluntarily carry heavier crosses than the ones I have given to each of you? Each of you makes your cross heavier; with your free will, with the human ego, you make your cross heavier, so much so that you fall because you cannot bear it anymore.

I WANT MY PEOPLE TO BE COURAGEOUS IN THE FAITH... I WANT MY PEOPLE DETERMINED TO GIVE IT ALL IN ORDER TO ENJOY THE ETERNAL LIFE THAT I OFFER YOU.

I love you, My children, I love you so much that I will continue to alert you. You must be prepared; there is a disease that will advance and affect directly My children's skin. This is a weapon they have created in laboratories to be launched and attack man directly at the instant when war recrudesces.

How much evil man commits when he lives his free will and allows to be controlled by it!

My beloved, do not be afraid; at the precise instant, My Mother will give you what is necessary for you to combat all that man will create to harm you, but you must remain faithful and fighting every instant of your lives.

I WILL NOT ABANDON MY PEOPLE; I WILL SEND HELP SO THAT, WITH MY WORD IN HIS MOUTH, HE WILL ENCOURAGE YOU AND INCREASE YOUR FAITH WHEN YOU, MY PEOPLE, THINK YOU FALL.

Pray, My children, so My Will, Our Will, be done, and no human creature interrupt it.

Most beloved children,

MY LOVE IS IN FRONT OF YOU, GIVE ME YOUR HAND AND POSSESS THIS MY LOVE. I CONSTANTLY LOOK AT YOU AND I CONSTANTLY BLESS YOU; I ILLUMINATE THE PATH SO YOU WILL NOT WALK IN THE DARK, BUT YOU MUST WANT AND ACCEPT MY HELP.

I AM WHO I AM⁷⁹ and, although My People may seem to be defeated, they will never be defeated, and it will be at that instant when they will be most glorious and triumphant.

My Love, My Blessing is in each of you: In the Name of the Father and of the Son and of the Holy Spirit.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Once more Heaven calls us to increase our Faith so we will love God with all our soul, faculties, and senses, and so our human ego will not lead us to do without the Divine Love, to whom we must dedicate our thoughts, wishes, acts, and works. Faith keeps God's People in constant communion which guides us to find that Divine Presence that lives in each one of us.

Christ calls His People in view of the instant that lurks ahead of us, so that by softening his heart man will be able to open the doors of denial and delve into the Mystery of Infinite Love.

Christ calls us to increase the Faith so that through the knowledge and the practice of the Gospel we will belong more to Christ and less to the world. Faith must be free, mature, like Christ says in His Message, that our Faith be of adoration and commitment, not only personal but also communal.

Brothers, Christ alerts us about a virus that will be used as a biological weapon, but we count on the Divine Blessing: Our Mother will tell us how to combat said disease, which Christ allowed me to see in a vision:

I was able to see a human creature with sores or ulcers on the skin and suffering great pain; I saw the Mother's Hand on the infected placing on them something like a leaf from a plant, and they were healed.

Great dangers loom at our world, as we well know, and we must prepare ourselves in every way like Heaven asks of us.

⁷⁹ Exodus 3:14. Ibid.

Let us not decline or lose heart; let us continue confident that our steps are guided; therefore, let's say:

I BELIEVE IN YOU, BUT INCREASE MY FAITH.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
17 OCTOBER 2015**

Beloved children of My Immaculate Heart,

I SEND MY BLESSING TO EACH ONE OF YOU, CHILDREN OF MY IMMACULATE HEART.

My Heart is Ark of Salvation; I do not exclude any of those who are Mine. My Heart is always thirsty for the love of all those who adore My Son. I am the Mother of all humankind.

Beloved children,

MY HANDS ARE EXTENDED TOWARDS YOU, CHILDREN; I WAIT FOR YOU SO I CAN INTERCEDE FOR EACH ONE, AND I INVITE YOU NOT TO DECLINE IN YOUR PRAYERS.

THE HOLY ROSARY IS A STOP TO EVIL. THE DEVIL RECOGNIZES THE BLESSINGS MY CHILDREN RECEIVE WHEN THEY PRAY THE HOLY ROSARY.

Continuous prayer is a downpour of blessings for your brothers; prayer multiplies itself and reaches the neediest souls so they will convert. Put into practice, each prayer and the Divine Word are powerful assistance that testifies to what the human creature lives in his interior: The Love of My Divine Son.

Beloved, the anger and the power struggle for control of all mankind continues. This is a latent danger for My Son's People throughout the world. Mankind does not deliberate the danger of World War III, although, since several instants ago, I have mentioned that the war would start because of a small country.

Men have become so hardened that even the Angels are amazed when men remain inactive while the great powers prepare for war. The great powers are responsible for the continuous path of retaliation, exhaling repressed fury that waits to be liberated to attack My Son's children.

This instant when technology and progress in every field where man acts are advanced, the spiritual setback in human creatures is unstoppable in light of the licentiousness of the souls that give themselves to debauchery and immorality, renouncing My Son and giving themselves to the devil.

My children,

**THOSE WHO CALL THEMSELVES OWNERS OF THE WORLD—GROUPS OF POWERFUL FAMILIES
AND FREEMASONRY—TAKE HUMANKIND TO THE EXPECTED WAR
TO HASTEN THE PRESENTATION OF THE ANTICHRIST TO THE WORLD.**

The alliances between nations will be betrayed and the Bear will take over the power to lead the invasion of Europe amid signs in the sun and the moon that My Son has allowed for His People to wake up, but since His People do not wake up, the earth cracks here and there, and shakes in a country and another. Even land that had not trembled will be surprised.

On repeated occasions the sea will hurl itself on the land, thus increasing human suffering when men will not be able to help one another. My children will suffer. Because of the fallen economy, famine will be the reflection of man ceasing to be man, furiously fighting for survival.

**I AM SCORNED; THEY DO NOT WANT TO HEAR MY CALLS... DISOBEDIENCE CONTINUES AS
RUSSIA HAS NOT YET BEEN CONSECRATED TO MY IMMACULATE HEART (1)
AND, BECAUSE OF THIS, LABOR PAINS ARE INITIATING MANKIND'S SUFFERING,
WHICH I HAVE REPEATED TO THIS GENERATION TIME AND AGAIN.**

My children do not heed My Calls and refuse to know My Son in the Holy Scripture; and without the knowledge of My Son's Word, with sincere and humble heart, they continue to be fools, fools who deny what they do not know, and hubris can make them fall prey to satan's deception.

**MY SON'S SLUMBERING CHURCH DOES NOT PREACH THE GREAT WARNING (2) AS AN ACT OF
MERCY OF MY SON; INSTEAD, THE WARNING IS REJECTED AND DENIED. FOR THIS REASON MY
SON ALERTS ABOUT WHAT WILL HAPPEN THROUGH HIS INSTRUMENT** even though her own brothers deny the truth of My Calls.

**I AM A MISSIONARY MOTHER; I CALL AND ALERT; I COMMUNICATE AND EXPLAIN
FOR THOSE WHO HAVE EARS TO HEAR AND CONVERT.**

Beloved children of My Immaculate Heart, the instant shortens before the indifferent gaze of humanity which is surprised by the Divine Will that has not been heard.

The earth will burn the way dry hay in the sun burns. The fire will burn, the fire that man feeds with his great ignorance which has led him to deny the existence of evil, and for hiding the Truth, for living immersed in worldly distractions that confuse and make man lose his way. When evil operates on man's thoughts, he uses the inappropriate ideas and behavior of the same human being to inspire man to act evil and work evil.

Beloved children, satan knows he must not waste an instant, so his demons hurl themselves over humankind because they are aware that they have little time left to take men to perdition.

**CHILDREN, LISTEN TO ME! ACTING AGAINST THE DIVINE WILL OPENS THE DOOR TO SATAN
SO HE CAN COME INTO THE LIFE OF THE ONE WHO ALLOWS IT.**

DO NOT ALLOW IT! STOP, REPENT, AND RETURN TO MY SON!

About God's People, keep in mind that "My people are destroyed for lack of knowledge." (Hosea 4:6)
Knowledge provides authority so you will not fall because of ignorance. One who falls and has knowledge acts against the Divine Will, therefore he must subdue his evil inclinations because he doubly offends My Son.

Beloved of My Immaculate Heart,

**Pray for Spain; it will suffer at the hands of men.
Pray for Japan; it will be shaken.
Pray for the United States; it will be shaken.
Pray for England; it will cry.**

Beloved children of My Immaculate Heart,

The instant shortens. I have given humankind so many warnings! ... **ONLY A FEW COME TO ME; THE REST GO AWAY OUT OF FEAR, AFRAID THAT MY WARNINGS WILL BE FULFILLED; SATAN TAKES ADVANTAGE OF THIS TO LEAD MORE TO PERDITION. I DO NOT BRING FEAR TO YOU; I CALL FOR PREPARATION AND FOR KNOWLEDGE SO YOU WILL NOT REMAIN IN IGNORANCE.**

Love one another as brothers...

Do not forget that My Son will separate the wheat from the weeds...

Do not destroy one another; My Heart aches for it...

Do not be the ones who do not love their brothers and have forgotten the precept of loving your neighbor...

**EACH ONE IS A MISSIONARY OF PEACE;
ONLY THOSE WHO ALLOW THEMSELVES TO BE TRAPPED BY EVIL
POISON THEIR BROTHERS' HEARTS.**

My children, pray; the Etna volcano will be grounds for alert.

Unite, respect one another, do not hurt My Son.

My Heart, Morning Star, lights the way of all men. Come to Me so I can guide you to My Son.

Every instant My blessing remains in each of My children. I love you.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Where do we find the solution to so much evil?

ON THE CROSS... THERE IS NO OTHER SOLUTION BUT TO BE ONE WITH CHRIST IN OBEDIENCE, IN LOVE IN CHARITY, IN FAITH, IN HOPE, COMPLYING WITH GOD'S LAW, AND BEING ALL OF US ONE IN GOD'S LOVE.

At this such an aligid instant in which man moves, the devil—who is astute—has made some of our brothers and ministers deny the existence of evil, thus achieving that men stop giving importance to sin and start seeing sin as something that does not go against the Divine Will. Let us not forget that Jesus acted and worked in freedom as God-man and was emphatic in the conditioning of the world.

Brothers, God acts immediately on the soul, God gives himself to man—for example—with feeling or with ideas. The devil can only penetrate in the feelings with doubts or false images and, since he is the father of lies, he perverts men's minds and there he feels a winner.

We must persevere in prayer, help our brothers, and practice the Divine Word so the brothers will not fall prey to deception which hurries towards humanity. Let us keep in mind:

“Be strong in the Lord and in the strength of his power Put on the whole armor of God, so that you may be able to stand against the wiles of the devil.” (Ephesians 6:10-11)

**OUR MOTHER CALLS US TO UNITE SO THAT, AT THE DIFFICULT INSTANTS,
THAT SAME UNITY WILL BE STRENGTH FOR HER CHILDREN.**

We cannot close our eyes in order not to know what goes on in the world. Great powers have taken sides and burst into several countries and, at the slightest mistake, war can become the worst nightmare for this generation.

Let us pray, yes, draw near to Christ in the Eucharist and, at the same time, let us be messengers of the Word Heaven sends us to wake up those who sleep.

Brothers, Our Mother calls us to reconsider why men dehumanize at this instant... Each day 8500 children die from starvation in the world. With what do the great multinationals—the large organizations—contribute to stop this terrible genocide? And let us ask ourselves: What is the value of a weapon and what is the value of an innocent life? The answer will tell each one if he belongs to the dehumanized or if he is one of us, those who are aware that war is the weapon of the powerful to sustain the economy.

“Those who say, ‘I love God’, and hate their brothers or sisters, are liars; for those who do not love a brother or sister whom they have seen, cannot love God whom they have not seen. The commandment we have from him is this: those who love God must love their brothers and sisters also.” (1 John 4:20-21)

Amen.

**DIALOGUE OF OUR LORD JESUS CHRIST
WITH HIS BELOVED DAUGHTER LUZ DE MARÍA
20 OCTOBER 2015**

Christ:

My beloved People,

**PROMPTLY I CALL AGAIN SO THE INSTANT WILL NOT BE WASTED.
LIKE THE DAWN SHOWS TO BRING LIGHT AND OVERCOME THE DARKNESS, THUS I BRING YOU
MY WORD SO IT WILL BE THE BEACON THAT WILL DIRECT YOU TO ME; DO NOT GET LOST AT
THIS CONFUSING INSTANT.**

Luz de María:

My Lord: There is so much violence in the world and man continues to ignore it!

Christ:

My beloved, they live in the midst of earthly powers which are not transparent, they do not move in search of humanity's wellbeing, they seek political power.

My beloved, political and economic power lead humanity to a continuous struggle to steal your freedom which I have given you with My Sacrifice on the Cross. My children hurl themselves participating in what is not real; the mask of the ultimate interests is so subtle that humankind cannot decipher it.

Beloved children, you hear the information they choose for you; the truth is postponed so humankind will not react against the great powers that, with dehumanized acts, kill My children.

Luz de María:

My beloved Lord, men are divided by taking sides with the most powerful nations without concretely looking at the great danger posed by war with nuclear weapons.

Christ:

He who will seem protector of the people will be humiliated before all humankind. Conflicts increase and they enlist the small countries which, without thinking it twice, join the premeditated game of those who remain as dictators and owners of humankind. These are the powerful families that have stayed together with one single purpose: Institute a single government, thus initiating the unification of religion, education, economy... and preparing humankind for the arrival of the one that will flagellate My children.

THE ANTICHRIST IS IN THE WORLD AND STEALTHILY EXAMINES THE STAGE WHERE MEN MOVE AND SET ALL THAT IS NECESSARY UP FOR CHAOS TO BECOME GENERALIZED and for his arrival to be taken by My People as an act of salvation when they are immersed in suffering at the hands of terrorism, war, strife, and famine which will be a specter that will pass amid My children, taking men to despair and to be wilder than animals. When facing famine, man is not man.

THE EARTH, BEQUEATHED TO MAN BY MY FATHER, HAS BEEN THE OBJECT OF ABUSE WITHOUT MEASURE AND IS IN AGONY. Man does not cultivate the land; instead he destroys it to build large buildings, and this is part of the plan of construction en masse offered to humankind by the antichrist as solution; but this is not the solution, it is another door for My children to continue to be against each other, and millions of deaths will occur throughout the planet.

The man of this instant mostly ignores the evil that nuclear energy generates; this is why he looks at it with disdain until it comes to his door and shows man's lethal creation demolishing everything in its way. In seconds, one nation will be left without inhabitants.

Luz de María:

Christ, You suffered for Your children; how much harm has Creation suffered by human hands!

Christ:

My beloved, man has not given good accounts of the administration of all that was given to him for his own good. The earth will crack open before your surprised gaze, you who refuse to convert and reject My Love.

Pray, My children, the earth will shake until it breaks.

Pray, My children, Japan will be swallowed by the sea.

Pray, My children, the Western United States will be immersed in sea water.

My children, the tired earth will fracture and the geography will change; pray for Europe.

NOTHING MATERIAL WILL GIVE MAN HAPPINESS; NOTHING MATERIAL WILL SATIATE MAN ...

The Eagle has boasted power ...

The Bear with generosity pounces on the small city and, advancing in partnerships, will increase his strength and will expand and cause pain ...

When the Dragon awakens, mercy will not be mercy ...(*)

The peace that man negotiates transforms into violence. Israel will ache at the hands of terrorism and, by reacting hastily, it will attract suffering.

Luz de María:

Lord of Mercy, men are so ignorant when they disdain what You have said about acting and working to stop the advance of evil!

Christ:

My beloved, man grows in knowledge, and this is good when knowledge is not used to do evil, but at this instant, man is the cause of his own destruction with fierce violence, ignoring My Love and My constant Calls to prevent the advancement of evil.

My People,

THROUGH WILES THE DEVIL HAS POURED IGNORANCE ON HUMANKIND, IGNORANCE THAT HAS TAKEN HOLD OF YOU SO! Ignorance has overcome humankind so much that man no longer thinks, no longer reasons; he only lets himself get carried away by the crowd.

I see man that, amid great technology, is ignorant of his own volition; he does not delve in the knowledge of his surroundings and, because of this mistaken action, man has fallen in a great precipice.

MAN YIELDS IN FAVOR OF THE ONE WHO CONTROLS HIM BY DOING EVERYTHING THE CONTROLLER WANTS AND, DUE TO HIS IGNORANCE, MAN ALLOWS HIMSELF TO BE CONTROLLED; AND IT WILL BE THIS GRATUITOUS IGNORANCE WHAT WILL TAKE HUMANKIND TO BE A SLAVE TO THE SPAWN OF SATAN.

My children, in view of this massified ignorance there are no distinctions of class, titles, academic degrees, or age; there are no social positions. This ignorance has been evil's great strategy: Override the desire for knowledge and increase ignorance in humankind in order to easily subdue them and make them see good where evil reigns, and not to see evil where evil has already taken over the power.

Luz de María:

Lord, Your People, besieged by evil at every instant, continue loving ignorance, probably thinking that if they are ignorant, they have less responsibility ...

Christ:

My beloved, everybody will appear before Me, and I will toss the weeds into the fire, the weeds that were ignorant of their own volition or for convenience. In My Second Coming, My Justice will give to each his reward. Before My Second Coming, My Mercy comes to this generation in the form of the Great Warning, which you already suffered and of which you must give testimony, because there will not be a single act that will escape My Justice.

The one who is voluntarily ignorant is the most lukewarm; he rejects knowledge in order not to be responsible for his wrongdoings. The one who knows and acts as ignorant is an even greater sinner than the one who is voluntarily ignorant.

I call My children to know Me, to delve in Me and they will not be deceived by the pharisees of this instant who tend to other practices that are not those of My Will.

HE WHO DELVES DEEP IN KNOWLEDGE IS AT THE SAME TIME LOVE IF HE INSTRUCTS HIS BROTHERS TO COME OUT OF IGNORANCE. My ministers are called by Me to bring My People out of ignorance so evil will not steal souls. The thing is that, without prayer, My ministers are like empty large earthen jars, they do not contain the wine of Wisdom and the lamp is not lit because they do not have the good oil.

My beloved, I call My People for them to minister and help one another. I call My faithful Priests, those who are driven away **(1)**, to preach My Truth; I call them to remain vigilant to bring the explanation of My Word to your brothers and to be a constant practice of My acts and works.

My People, the clouds darken because of the rivalries among powers; humankind will suffer and will be purified. You, My faithful, will be persecuted, but My Cross is Sign of Victory over death, it is Sign of Resurrection forever and ever.

MY HELP WILL ARRIVE DURING THE CRUELEST INSTANTS AND WILL BE BALSAM FOR MY PEOPLE.

Go ahead, My beloved children, My Mother does not abandon you. Take nourishment from the Eucharist, do not falter, I do not abandon you.

DO NOT REJECT MY WORDS; SUFFERING IS NEAR, AND WITH IT, THE JUBILATION OF MY PEOPLE.

I bless each one of you, My People, I bless you so My Blessing be strength and you will not decline at any instant.

I Love you.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Given this explanation of Christ at this instant, what can we say? Only that Christ loves us so much that He never tires of calling the souls to salvation, to awaken us from this lethargy and, especially, from hubris that makes man believe that he does not need God and that he is self-sufficient to survive because he has all he needs and, regardless of shortages or war, nothing will affect him. Oh, God, the man who thinks so is much mistaken because in the middle of any crisis there are no personal differences, and ranks and possessions do not count! This is why we are called to gain knowledge, because ignorance leads man to rebel against God.

Let's pray like Christ asks us, with words, with acts and works, to motivate our fellow beings to spend our lives striving to live in Divine Will at some moment of our lives.

No man has the last word, no man is revealed everything that happens every moment in the world, because man is man and God is God, and God never fails.

Let's be humble so, like Christ, we be obedient. Let's pray "whether the time is favorable or unfavorable." (2 Timothy 4:2) Let's receive the Holy Eucharist and continue living it forever.

Brothers, we do not have only one source of tension that promotes war, we have several; violence is generalized and, with it, the domain of evil expands.

Let's not deviate from the True Path; what is material never prevails; **GOD, AND ONLY GOD, IS... "THE WAY, AND THE TRUTH, AND THE LIFE."** (John 14:6)

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
25 OCTOBER 2015**

Beloved children of My Immaculate Heart,

My Love keeps Me in constant vigil for those who are Mine.

My Son's beloved People, you are the ones who repair for the wrongdoings of most of your brothers.

My Mantle protects those who pray with Faith and fidelity to My Son, and they have witnessed this Mother's protection when My children clamor in unison.

The water and the wind stopped before My Mantle which covered Mexico, giving this beloved People of Mine an opportunity to convert. The offenses against My Son are constant and diverse. My beloved Mexican People have received a new opportunity to stop the excessive sinning that has made its home in these People who love Me.

The devil introduced himself into My beloved children so sin will over abound where I live; he introduced himself in the whole world. And My children have been seduced by evil and his machinations, forgetting that when they act and work like this, they gravely offend My beloved Son.

Beloved children of My Immaculate Heart,

**BE FAITHFUL TO MY SON AND DO NOT STOP LOOKING AT THE SKY; THE SIGNS DO NOT STOP,
THE SKIES PROCLAIM WHAT HUMANITY WILL SUFFER.**

Man forgets quickly My constant Calls to convert before you have to examine yourselves given the wrong acts and works you have lived. Before you see yourselves in the inside, you will live the external side of the Great Warning; sin does not only affect man in his soul, it has also affected everything around you. As a consequence, the skies will give you the prior notice of the Warning; **YOU WILL SEE A GREAT SIGN IN THE SKY**. It will not harm you physically, but the impression will be great when you see the skies light up in the middle of the darkness like never before, like you have never ever experienced. Men throughout the whole world will feel, see, and live in great uncertainty, because they know that these signs announce the Warning.

Beloved children, accept My Words so you will fight for conversion. I will not go into My Son's Second Coming before preparing you and calling you to a life change so that in the Warning you can repent of your wrong works and wrong acts; of what you have done, and what you have failed to do.

After having been alerted previously and briefly, all of humankind will enter the Warning in unison wherever they are. **DO NOT WAIT UNTIL YOU SEE THE SIGNS. YOU MUST GO THROUGH A SERIOUS TRANSFORMATION—RIGHT NOW!—SO YOU WILL NOT BE CAUGHT SLEEPING IN DISOBEDIENCE.** Man's disobedience attracts dire tribulations. Water is a sign of purification. Humankind will never again be punished with a deluge; although this does not mean that the water will not penetrate the whole land to purify it. Once again the water will purify the improper acts and works of this generation. The coming events will shift the terrestrial axis; this together with the event that will make Earth move with great force, will make the seawater come onto the land powerfully—a phenomenon different from a tsunami.

In spite of all this, humankind will continue to be immersed in sin, in moral decadence and, therefore, in spiritual decadence, until they see fire coming down from heaven with great force.

Yet humanity will continue placing themselves in the hands of evil, giving the antichrist power over the human destiny.

Beloved children of My Immaculate Heart, you have not yet gone into the end times. **THIS IS THE BEGINNING OF THE GREAT TRIBULATION: A TRIAL FOR THE CHRISTIAN, NOT ONLY IN THE FLESH BUT ALSO IN THE SPIRIT WHICH WITH FIDELITY WILL OBTAIN HEAVEN FOR MY CHILDREN.**

Do not be confused, My children, the fighting will recrudescence as the instant goes by. The fulfillment of Great Revelations is still pending, revelations that concern the salvation of mankind; they have not complied with the Consecration of Russia to My Immaculate Heart, they have consecrated France to My Son's Sacred Heart, and the whole world, **BUT THEY HAVE NOT COMPLIED WITH MY GREAT PETITION TO AVOID CALAMITIES AND GREAT SUFFERING FOR THIS GENERATION.**

TIME IS NOT TIME, IT'S AN INSTANT, AND WITHIN THAT INSTANT IT SEEMS ROME DOES NOT LOOK AT THE INSTANT AS SUCH, BECAUSE THEY DO NOT COMPLY WITH MY PETITION.

My Son has accepted the good intentions of some of My beloved Peters when they have entrusted the world to My Immaculate Heart, but they have not yet fully complied with My Indications.

Beloved children of My Immaculate Heart, do not be afraid, be lamps that are lit at every instant. In each one of My Apparitions and in each Revelation, I continue to complete the information of

all the events and the suffering of humanity given the rebellion of the same humanity against God's Law and the disdain towards My Son and everything that represents Him.

As Mother of the Apostles of the End Times, I alert you tirelessly, not for you to be afraid, but for you to decide to have a life change and amend the way to the perdition of the soul.

The acts and works of this generation are abominable, the giving of themselves to debauchery is uncontrollable, humanity's miseries have surfaced, and the rebelliousness and disdain towards My Son have taken them to adore satan, who will send to them the biggest persecutor of humankind against Christians—whom he will call adorers of evil to support their contempt for the children of Christ, King of the Universe.

BELOVED CHILDREN, DO NOT BE AFRAID, GLORY AWAITS YOU; ETERNAL LIFE IS NOT ATTAINED WITH ONE SINGLE PRAYER BUT WITH A CONTINUOUS LIFE IN DIVINE WILL, overcoming temptation every instant and fulfilling everything you know is God's Law; and bringing the practice of the knowledge and the Faith to the brothers who do not know My Son and have not Heard of Eternal Life; those who ignore the prophecies, who have not taken Me as their Mother or My Son as their Savior.

Beloved children, pray for Chile; the land will shake.

Beloved children, pray for Argentina; the inhabitants of this beloved country will take up arms.

Beloved children, pray for México; it will be shaken.

Beloved children, pray for Indonesia; it will suffer.

The unexpected arrival of an asteroid brings great suffering to My children.

MY BELOVED CHILDREN, I SUMMON YOU TO GET READY TO REPAIR FOR THE OFFENSES AND THE DONATIONS TO SATAN WITH WHICH HUMAN CREATURES WHO DO NOT LOVE MY SON MAKE HIM SUFFER GREATLY BY GIVING THEIR LIVES TO SATAN ON OCTOBER 31ST. Be prepared to repair for the sacrifices of innocent children with which these creatures please satan on that day; repair for the rituals of those creatures that joyfully celebrate that date and declare satan the owner of humankind.

MY SON'S PEOPLE, YOU, AS APOSTLES AND MISSIONARIES OF MY SON AND OF MY IMMACULATE HEART, PREPARE THE CONSECRATION—PERSONAL, OF THE FAMILY, AND OF THE WORLD—TO OUR SACRED HEARTS FOR THIS COMING OCTOBER 31ST TO REPAIR THE OFFENSES TOWARDS MY SON. It is not necessary to dress the kids with clothing reminiscent of Christian signs, or religious demonstrations; you do not have to allow that day to be considered as a festivity. It is a tradition that has nothing to do with Christianity; it is a pagan tradition offered to darkness and related to evil, whereby the year is given to darkness.

Beloved children,

Christians attach traditions which are not Christian but pagan to their lives. God's children must not take any part in it and must not allow their homes to be part of a place that attracts evil.

This generation has not understood the need to be totally spiritual, the need to give themselves to the Divine Will, to live consecrated to Our Sacred Hearts so the fight against evil will be less painful.

Beloved children of My Immaculate Heart, this pagan celebration will cause pain, not only to My Son, but also to you.

**THE NEARNESS OF WHAT IS COMING DOUBLES THE OFFENSES OF
THOSE WHO HAVE CONSCIOUSLY AND UNCONSCIOUSLY GIVEN
THEMSELVES TO SATAN. REPAIR, MY CHILDREN, TO HELP ME RESCUE SOULS.**

Be conscious of God's Law, be conscious of sin, be conscious of the offenses against My Son, be conscious of My Son's Word and of everything He declared to be righteous acts for His children, and be conscious of everything He declared to be contrary to the good acts of His children.

**MY BELOVED, AT THE END MY IMMACULATE HEART WILL TRIUMPH
AND MY CHILDREN WILL SEE THE DIVINE GLORY.
I BLESS YOU IN EACH ACT BY WHICH YOU REPAIR, YOU OFFER AND ACT TO REPAIR SO MANY
CONTINUOUS OFFENSES TO THE LIVING GOD, THE TRUE GOD, KING OF HEAVEN AND EARTH.**

You, children of My Immaculate Heart, pray "whether the time is favorable or unfavorable." (2 Timothy 4:2) Be the practice of the Divine Word.

I bless you with My Immaculate Heart.

Your Heavenly Mother

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

As brothers in the Sacred Hearts, we must be united to repair all the Most Holy Mother says in this Message.

Let us not reject so loving motherhood and ardent desire of our Mother for us to be more of Christ and less of the world.

Maybe all that Heaven announces is taken lightly, but we must not forget that heavenly affairs come slowly but surely. Maybe not experiencing firsthand the persecution of Christians, the executions, the martyrdoms, famine, the lashes of the weather or earthquakes or volcanic eruptions, or oppression—by communists or from the right—all take man to look at the Calls and the Revelations from Heaven in disbelief. But we must not forget that, whenever there have been wars, the

consequences have been felt, lived, and suffered by all of humanity. Man looks at the short term; there are a few who reflect looking at the future, which leads to a denial of what humanity does not want to face.

BROTHERS, LET'S KEEP IN MIND OUR MOTHER'S CALL AND LET US NOT PARTICIPATE OF A FESTIVITY WHICH IS TOTALLY OUT OF CONTEXT OF THE DIVINE WILL.

Let's be echoes of the Maternal Word so our brothers will understand the seriousness involved when we participate in an act that opens the doors even more to satan with unimaginable consequences.

Let us pray with the gift of the word; let us pray with the heart, with the conscience; let us pray being witnesses of the Divine Love to Whom we have consecrated ourselves.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
28 OCTOBER 2015**

My beloved People,

My Love is blessing for each of you.

MY LOVE PUTS A STOP TO EVIL THAT WAITS IN AMBUSH FOR HUMANITY.

I need all My children to remain united and fused in My Will; I need them all present, being My faithful disciples bringing My Word to each of your brothers.

My People, to whom I have given all My Love, I come today to ask you for your love as your response to My Donation.

I created man with free will precisely so he can freely decide to what extent you want to follow Me, to what extent you want to comply with My Will, and what measure you will present to Me when I examine you in obedience towards Me.

I need children who are convinced, determined to convert, so their conversion will take them to donate themselves to Me and to give up everything for Me.

AT THIS INSTANT, HUMAN CREATURES PLUNGE INTO EVERYTHING THAT IS ATTRACTIVE TO THEM; AND WHAT IS ATTRACTIVE TO MAN IS WHAT DISTANCES HIM FROM EVERYTHING RELATED TO MY HOUSE.

MY CALL IS ONE: OBEDIENCE.

My beloved People, for My true disciples—those I called the first time—one Word from Me was enough; one Call was enough for them to follow Me. This is how the disciples of this instant must act and work. This disciple does not need Me to continuously talk to him, like I do at this instant, because he has Me ingrained in his heart and, thus, he constantly listens to Me, because he lives constantly submerged in Me; he doesn't work and doesn't act in his human free will, which keeps him immersed in the mundane, because he knows that free will is a Gift from Us so he can decide to take and follow the True Path.

This is why My faithful children do not live by instants, do not live of illusions, they do not live depending on what could or could not happen to them along the way, because they know that whatever happens is My Will. It is very different when My children act under the oppression of free will without listening to Me; that is when their way will be saturated with setbacks, unexpected events, situations that will suddenly rise and will make them feel they don't know what to do. That is a sign of acting in the human free will, and those acts and works are not My Will.

Listen and ask yourselves these questions:

How do you act?...

How much do you love your fellow human beings?...

What do you give in My Name: Truth or hypocrisy, love or rejection?...

CHILDREN, DO NOT DOWNPLAY PRAYER...

My beloved, all of you have received a legacy from Me, a Great Teaching that no true Christian should omit: PRAYER. None of My children was born a wise preacher, and none of My children was born knowing all My Word. The life of each of you is a constant practice of My Word, of My Donation, of My Teachings, of My Law.

YOU HAVE MY EXAMPLE: I RETIRED TO PRAY ALONE WITH MY FATHER. MY TRUE CHILDREN CANNOT GIVE TESTIMONY OF ME IF THEY DO NOT RETIRE TO PRAY ALONE WITH OUR TRINITY, because if they do not act and work this way, they are acting and working under the empire of free will. My children know that not even I, the Man-God, acted without first retiring to pray alone with My Father. The reason is that, amid the bustle of everyday living, you cannot be attentive to the inspirations of My Holy Spirit. Some of My children think they are illuminated and so they think they do not need to retire to pray alone with Our Trinity, they think they do not need to listen to the inspiration, discernment, and illumination of My Holy Spirit to act and work.

You must be open to know My Word in the Holy Scripture and there you will find the answer to all your questions and concerns, because I say "Whoever is not with me is against me." (Matthew

12:30) If you do not love your brother, do not love Me, and you should not come to receive Me in the Eucharist; if you do not bless your brother, do not bless Me.

Woe to those who make firewood from the fallen tree! Pharisees and hypocrites are those who claim to know My Law, and wait for one Word from Me to plunge themselves like birds of prey over My instruments. "Let anyone among you who is without sin be the first to throw a stone." (John 8:7) Do not forget I forgave the good thief, but humankind must be conscious they do not act or work in My Will.

Those of you who call yourselves Christians and proudly come to My Temples and say 'I am Catholic'... you do not yet know My Law in depth, you do not know My Word and are dedicated to criticize it as human gods, and therefore you do not put it into practice. I explain the Truth to everyone and even then they continue to deny events that throughout the ages My Mother has prophesied and which will be fulfilled before this generation ends. Hypocrites are those who live denying My Mother's Calls—given that I am God and My Mother, Mother of humankind, what God would allow His Mother's apparitions and His Word to reveal what will not come to pass?

No, children, I am not a God of ambiguities; My Word is not subject of the liberalism of each generation; My Word is concrete, it is one, real, and true.

Obedience in My People is to constantly obey My Word expressed in the Holy Scripture and in the Law that My Father gave Moses: The Commandments. The Divine Word is one, it is not subject to interpretations, **IT REMAINS IN EFFECT UNTIL THE END OF TIME.**

**Beloved, pray given the provocations between the
great Nations to bring the war nearer.
Beloved, pray, be persevering, all must pray and, united in prayer,
grow until you are fused with My Will.
Beloved, pray; water purifies man.**

My children know with certainty that I do not place them in hands foreign to My Love, they know with certainty that one can have the strength of one thousand men if his faith is the size of a mustard seed, they know with certainty that I send My Protection, the one I announced I would send during the instants of tribulation. Man does not know how to wait, he makes anticipated conjectures about what I announce when they wonder whom I will send: Some think he will be an Angel of My Celestial Court, others imagine him with great wings under which they will take cover, others say he will be confused with the antichrist. Ah ... children, "I am who I am" (Exodus 3:14) **PEACE, LOVE, SAFETY, TRUST; I AM NOT CONFUSION.**

My People have never been abandoned. My Protection will return to My People despite being rejected again, My Word will arrive to be remembered and will be despised again.

My children, most of humanity has embarked on a path of pain by accepting irreverence towards Our Trinity; little by little man will attract his own free will used incorrectly and in rebellion against Our August Majesty.

I NEED PEOPLE WELL-DISPOSED TO FOLLOW MY TEACHINGS. No prayer however small is fruitless if it comes from the depths of the heart, from the wish, from the disposition of those who are Mine to be true and faithful. My Will is not inactive, It does not remain static, It is a continuous practice of every Divine Word in which I keep My People so they will grow and be nourished, grow and be purified in the fulfillment of the Divine Law, grow and live thirsty for Me and for My Mother.

I NEED PEOPLE DETERMINED TO COMPLY WITH THE DIVINE WORD so they will not allow themselves to be deceived by the voices of “wolves in sheep clothing” (Matthew 7:15) that maraud My People; when they are united in prayer and they ask My Holy Spirit for discernment, they will delve deep in My Will where they will find that, as soon as their free will is placed in Our Hands and in My Mother’s Hands, the fusion of the creature with his Creator will allow him to enjoy Heaven ahead of time.

You remain under My Protection. I love you. I bless you.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
2 NOVEMBER 2015**

My beloved People,

EACH INSTANT MY MERCY KEEPS OVERFLOWING TOWARDS ALL HUMANKIND.

I constantly look at each human creature and I hope he will look at Me and ask for My help. I am respectful of man's free will and I patiently and painfully wait when I see them suffer because of their disobedience, their ignorance, their conditioning, and their rebellion.

My People,

I remain attentive to your requests, to your cries for help to get out of the mundane and sinful. I remain attentive so My Holy Spirit will give you the necessary discernment when you ask Me for it so you will not fall into what is not My Will.

My beloved People, the worldly current drags, pulls; it is a wave that keeps moving, touching My children's lives in every aspect until, at the most aligid point, it takes you to rebel against Me and to yield to what seems easy but in the end will leave you in a spiritual abyss from which you can only get out by starting once again the path towards Me.

WITHOUT EVEN NOTICING, YOU GET INVOLVED IN WORLDLY MATTERS IN A CONSTANT COME AND GO OF SITUATIONS THAT ABSORB YOU AND COMPROMISE YOU. Sometimes some of those will seem good and you may think that they keep you close, very close to Me, but when My children do not make room for prayer, when they do not live that instant alone with Me, they leave because the human will pushes you towards what seems and could be good but distances you from those instants when the creature and his Creator must establish a dialogue. The creature must examine

himself so My Holy Spirit will show him the way of Truth, and thus—and only thus—your acts and works will be the result of My Will and not of any human will.

My People,

EACH OF YOU IN PARTICULAR MUST REMAIN IN CONSTANT ALERT; EVIL MAKES YOU LONG FOR SOME THINGS OF WHICH YOU DEPRIVE YOURSELVES AND WHICH YOUR BROTHERS—WHO HAVE NOT MADE A COMMITMENT TO ME—ENJOY. Do not be sorry for this, do not regret this, because those who enjoy worldly things will have plenty to regret when they find themselves in undesirable situations of which, sooner or later, they will repent without setting aside the consequences.

My beloved, you know that I am Mercy and Justice at the same time... And as the Righteous Judge before all things created, they urge Me to allow them to act in order to wake up the souls, **AND I CANNOT DENY THE OPPORTUNITY FOR A SINGLE SOUL TO BE RESCUED.**

My beloved People, you do not pay attention to the signs of this instant when you must prepare yourselves with everything My Mother has requested for your own good.

An Apocalyptic Rider traverses Earth. My children suffer because of it; it is the result of rebelliousness, the result of wanting to modernize Me when I am the Eternal Present. What is new to My children is mostly the result of sin in which men get immersed and which attracts their attention and they feel complacency in what is illicit, and they feel disdain for what is licit to Me.

At the time of Noah, sin over abounded on Earth. This instant makes sin proliferate in a constant renewal so My children will feel fine when having one way or another to rebel against what is instituted in the Holy Scripture.

My beloved People,

**IF I CALLED YOU TO MODERNIZE MY WORD, I WOULD NOT BE GOD;
BECAUSE I AM GOD, I KNOW MAN'S PRESENT, THIS INSTANT, AND IF I CORRECTED MY WORD,
I WOULD BE ADMITTING THAT I MADE A MISTAKE AND THEREFORE I MUST RENEW
WHAT IS WRITTEN SO TODAY'S MAN WILL BE PLEASED WITH HIS UNRULY, IMPRUDENT,
AND ALTERED OR ANGRY ACTS AND WORKS THAT ARE OUTSIDE MY WILL.**

My beloved People,

Earth continues to crack out of pain because man ignores what is spiritual...

The Sun will emanate a gust of heat so strong that it will greatly affect communications, the security systems of the world powers will be paralyzed... and humankind will see that My Creation does not find man in agreement with that Divine Tuning which man should keep with his Creator.

My beloved People,

**DO NOT BE SATISFIED WITH GOING DAILY TO THE EUCHARIST; ALLOW ME TO
MOVE THE HEARTS, MINDS, THOUGHTS, ACTS AND WORKS THAT WILL TAKE YOU TO LIVE
A TRUE COMMITMENT TO ME AND IN FAVOR OF YOUR BROTHERS.**

My People enjoy sharing the Wisdom that is not stationed within the human creature, the Wisdom they can find in the actions of My Love, the knowledge of Me, and the reduction of your brother's suffering with the Hope of a better tomorrow.

My People live in anxiety and grief because of a Church that froze so as not to publicize these events that My Mother has prophesied throughout the whole Earth.

**I CALL YOU TO BE PREPARED, I CALL YOU TO COME CLOSE TO ME AND TO LIVE THE PRACTICE OF
MY WORD AS TRUE WITNESSES TO MY LOVE AND MY JUSTICE.**

My People, I had already announced to you that war would rise from a small nation; that instant has arrived because of the constant rebellion of humankind, because of disobedience to My Law and contempt for My Will which is for the good of My children.

Climate changes tirelessly, climate is altered by man who, in his desire to be god, has touched the finest fibers of My Love, My Mercy, My Truth, and My Justice.

At this instant, the supply of weaponry to small countries is in a state of agitation, the drums of war increase their roaring amid a humanity that lacks a sense of reality where man has created weapons with which he can make humanity disappear.

**ONE IS THE THINKING AND THE WISH OF MAN...
SOMETHING ELSE IS WHAT MY WILL WILL ALLOW AND NOT ALLOW...**

Pray, My children; new volcanoes will emerge in unthinkable places.

Pray, My children; volcanoes become active. Pray for Italy.

Pray, My children; the earth will shake with force in several countries on the same day.

Pray for the United States, pray for Chile, pray for India, pray for Central America, pray for Japan.

Beloved, look at the Signs attentively; notice that the one who will raise the antichrist with most strength is already showing signs of his power, and leading brother countries to become his allies by means of a silent strategy taking advantage of the needs of the other countries.

**THE UNIFICATION OF HUMANKIND INTO ONE SINGLE GOVERNMENT WILL BE THE THRUST WITH
WHICH YOU WILL KNOW WHO WAS HIDING BEHIND THE SCENES.**

My beloved People, **I SUMMON YOU NOT TO BE INSENSITIVE TO MY WORD AND TO MY MOTHER'S WORD**, you complain saying that My Prophecies and those of My Mother are not fulfilled... Man is so conceited! You should thank Me for not having suffered the oppression of a creature—relentless and without feelings—that will control humankind with whip and iron fist.

I LOVE ALL OF YOU, BUT THIS LOVE IS TRAMPLED ON BY A VERY LARGE MAJORITY OF MY CHILDREN; NOT ALL RECOGNIZE ME AS THEIR LORD AND SAVIOR.

At this instant, on one front and another, evil takes over humanity and leads it surreptitiously towards total control by a power born of the devil.

The ocean will be shaken and will hurl itself on the land in coastal areas of the State of Mexico after an earthquake of great intensity in Mexico.

HUMANITY, MY PEOPLE, WAKE UP! THE WARNING IS NEAR AND I WANT SOULS READY TO REPENT AND NOT HUBRISTIC AND DISOBEDIENT CHILDREN.

My People who understand Me, repair for your brothers, each one be a witness to My Love. **I DO NOT MOVE AWAY FROM YOU; IT IS YOU THAT CONSTANTLY MOVE AWAY FROM ME.** I protect you with My Most Precious Blood, which makes evil withdraw when My children recognize the value of My Divine Blood. I bless you, I Love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our beloved Christ once more reveals to us the topic of the Warning so we will strive for conversion which is nothing other than salvation, not only personal, but also of the entire world.

Brothers, when there is no Faith, everything that reaches a man's life seems to be the greatest and most terrible, because no man can save himself if he has no Faith; with Faith, he is convinced he has authority to heal himself.

Man has intelligence, but it is contaminated by everything he receives, which makes him feel useless and without self-control, because his intelligence, his thoughts, and his reason constantly remind him of his mistakes and do not let him heal, forgive himself, or allow God to forgive him.

Brothers, every conversion, each step we take towards conversion, is a liberation from each one of the steps with which man has offended God.

Brothers, let's be certain that the Truth will not be found only in theory but also in the practice of that Truth which has been revealed to us.

Faith is not a leap into the unknown: It must be a reasonable fact; that is, it must be consolidated in man's ability to believe certain facts, and this reminds me that Saint Augustine said, "Understand to believe, believe to understand."

Amen.

**MESSAGE FROM SAINT MICHAEL THE ARCHANGEL
GIVEN TO LUZ DE MARÍA
3 NOVEMBER 2015**

Beloved of Christ,

Man has become totally foolish; he believes he is self-sufficient at humanity's most aligid instant when man is about to break the thread that, one way or another, has bound all men, God's creatures, in equanimity; and at this instant man is at an aligid point—I repeat, aligid—when man will enter the stage of the biggest disaster for this generation.

I, LEADER OF THE CELESTIAL COURT, COME TO CALL YOU WITH GREAT URGENCY TO A CHANGE IN ATTITUDE.

Man, son of God, cannot continue in that unbridled race towards all that he doesn't know; he cannot continue to fall into turpitude, because when spirituality falls into turpitude, it becomes heavy, and darkness prevents it from soaring again.

AT THIS INSTANT, WE, THE CELESTIAL LEGIONS FIND OURSELVES IN A CONSTANT BATTLE AGAINST EVIL; a relentless battle because the legions of evil are over all men to take them prey and tie them down with chains of sin so they will not feel the desire for conversion.

As Chief of the Army of God, I feel great pain when I hear preaching by some of Our Most Holy Queen's favorite sons: the priests, in which the existence of the devil is denied, because Our Celestial Armies fight instant to instant against those demonic legions that enter the mind, the thoughts, and

invade man's intelligence and nullify it in order to fill man's heart with wickedness, bitterness, and desire of vengeance, awakening in man unthinkable acts and works. I listen and I realize how—through only one word that denies the existence of the devil or satan—human creatures give themselves to debauchery and thus fall in the traps of all that is sinful and offends Our King and Lord Jesus Christ.

At this instant, in order for man to remain true and faithful to Our King, it is necessary for him to know Our King, not through what other brothers say, not through what other brothers have experienced: **IT IS NECESSARY FOR EACH ONE TO HAVE HIS OWN PERSONAL EXPERIENCE WITH OUR KING.** The encounter of each creature with his Creator is necessary for the Faith to be invincible; on the contrary, a faith based on someone else's experience and on someone else's prayers is a faith of quicksand which will fall any instant and will not get up again.

Beloved children of the King, as Prince of the Celestial Armies, I must share with you that man has reached the maximum point of desire for power, and for this reason he will not think about his brothers and will rush into war. And rivers of blood will run throughout the world before a merciless man, a man eager to fight just so he can kill, torture his brothers, because those creatures—who will choose the path of force and sin—will persecute those whose souls are on the Right Path, Our King's Path.

Beloved of Our King,

You wish to be better and to take steps of Eternal Life. You will achieve this by defeating yourselves, by fighting against yourselves. This is the instant when you decide to knock down everything that prevents you from ascending towards a fusion with the Will of the Holy Trinity. If you continue to act and work just like you have done and continue to do at this instant, it will be difficult for you to know more, beyond what you see with the naked eye.

EACH OF YOU MUST BE DETERMINED TO MAKE A REAL CHANGE, A TRUE CHANGE; AND A GREAT DAMPER ON THE SPIRITUAL PATH IS YOUR TEMPERAMENT... OUR KING LEFT THE TEACHING OF A TEMPERAMENT OF PEACE, and as long as the human creature does not opt for this model of peace of Our King, it will be difficult for him to ascend and achieve a full life in the spirit.

HUMILITY IS NECESSARY and he who does not defeat himself, allows hubris to take him where it pleases, and it won't be to an encounter with his Creator. At this instant it is necessary for you to be messengers of love and peace. A hubristic creature, an arrogant creature, a loveless creature... is a creature who will find it impossible to achieve promptly an encounter with his Lord and King.

YOU HAVE FREE WILL; USE IT TO CONTROL YOURSELVES AND, EVERY INSTANT WHEN THAT HUMAN EGO WISHES TO OVERCOME THE STEPS YOU HAVE TAKEN TO ADVANCE SPIRITUALLY, STOP AND DO NOT LET IT CONTINUE.

We are all over Earth because we want to calm Christ's thirst for souls. We are fellow travelers, we are God's messengers, our duty is not to abandon you. As it has been arranged by the Divine Will, each creature has a Guardian Angel. Given what is coming, we shelter each one of you with all the help from us in accordance with Heaven's request, so you will be able to conquer and transcend this world that constantly prevents you from living fully the joy produced only as a result of being faithful to the Holy Trinity and loving Our Queen and Mother of humanity.

Pray the Holy Rosary; Our Queen listens and intercedes for you.

Man combats himself, fights against himself, fights to stand out and to be first in every aspect. MAN IS DOMINATED BY HUBRIS AND BY THE BAD TEACHING OF MOST PARENTS WHO ARE PERMISSIVE WITH THEIR CHILDREN, AND THE CHILDREN DO NOT SHOW THEM DUE RESPECT. THE REBELLION OF TODAY'S YOUTH HAS BEEN KNEADED WITHIN THE HOMES WHERE THE CENTER OF THE HOME IS TECHNOLOGY AND THEREFORE THE TELE-VI-SION SET.

Parents do not attend to their children for constantly worrying about the programs of which they are faithful fans, and the children do not attend to their parents; communication in the families has been lost. The children use technology until the wee hours of the morning and this is why they do not do well in their studies and rebel as human beings, because misused technology constantly transmits to them violence, rebelliousness, strife, killing, shortage, deprivation, war, indifference, and competitiveness.

Beloved children of the King, at this instant, the homes are so misdirected! And satan takes advantage of this misguidedness to divide the families—parents against children, children against parents, brothers against brothers—because satan is the owner of division in which he takes great pleasure. In the families one can no longer hear concrete dialogue because every place is occupied with electronic gadgets. You, God's children, do not allow this to defeat you, that through the social networks you are being controlled precisely by those who act in favor of the antichrist. You have not noticed! At this instant man is totally controlled in his acts and works and therefore will easily fall prey to the antichrist.

Children of the Queen of all Angels and Mother of men, it is indispensable for you to return to be true, to stay on the right path, not to yield to evil, and not to deny God. You must be courageous, generous, active in the communities to take the Word of the Good News to all those who are on the wrong paths.

Great events happen on Earth; among them, a meteorite will fall in the sea and will cause a great tsunami in the Atlantic Ocean; several islands will be flooded and a large number of your brothers will perish forthwith.

Change at this instant! Do not wait until tomorrow! Be new creatures who act and work knowing that time belongs to Our King and not to man, and when man expects or trusts there is plenty of time, maybe at that instant is when he has the least time. Man waits and does not change, he cannot

correct his path if it isn't through true repentance, and true repentance means acting and working in the likeness of Christ.

There are charitable, kind souls who love their brothers, but deep in their hearts what prevails is arrogance, a desire to stand out and, above all, a domineering temperament that controls all those who come near them. Temperament is a blessing because it forms the creature, but, at this instant, it is necessary for the creature to mould his temperament and to deliver it into Divine Hands and into the Hands of Our Queen so, by means of the crucible of life, They will take him to be a new creature filled with peace and love.

Children of the King, hurry, do not waste this instant because those who are repentant during the Great Warning will be the ones who, after the Warning, will continue, with determination, the steps of the Master; but those who over abound in hubris at the time of the Warning, after the Warning, will rise against their brothers and will make your crosses bloodier and heavier.

It is of the utmost importance, children, that you pray for Indonesia, because besides the shaking of its land, fire will come out from the volcanoes and cause great misfortune for man.

Do not forget that the sun is a sign of life and welfare for man, but at this instant, that same sun rebels against man's wickedness.

THE HISTORY OF HUMANKIND IS A HISTORY OF LOVE AND MERCIFUL OPPORTUNITIES FROM THE KING, but men of this generation have taken advantage of the Divine Mercy to abuse that Mercy, and then Christ comes on His steed to purify His People before they are all lost. Our King allows His children to be purified so their souls will not be lost.

Beloved children of Our King and Our Queen, war will come sooner than you imagine; do not forget it; keep it in mind without forgetting that the Divine Mercy will remain with each of you; however, likewise, the Divine Justice also remains and will remain with each of you.

**PAY NO ATTENTION TO THOSE WHO DENY SIN, HELL, AND EVIL,
BECAUSE THEY WILL DRAG YOU INTO ETERNAL FIRE.**

Our Queen and Mother of all Angels intercedes for all of you, and Her Son Jesus Christ has ordered Her to command Our Legions so She will be the One to crush satan's head and chain him in the abyss so he will not be able to seduce the nations and will not continue to create snares among men.

The blood of the King's children will spill and Earth will shake with force causing the Earth's axis to shift—and shift forcefully—causing sea water to pour over the Earth until humankind bends knees, and Our Queen and Lady orders the elements to stop. In their stubbornness, they do not admit that they are guilty of bringing upon themselves what they attract, that they are to blame for the misfortune, the pain, and the suffering of this particular instant.

SMALL CHILDREN WILL NOT SUFFER WHAT ADULTS WILL; ADULTS ARE AWARE OF THEIR ACTS AND WORKS. THE RIGHTEOUS, THE INNOCENT WILL BE RESCUED BY US WHILE THE GREAT AND FEARED PURIFICATION IS GOING ON. Later they will be taken to their places of origin. It is easy to bring the Word, it is difficult to fulfill it in everyday life.

Beloved children of Our King, you are waiting: Our King will send to His People His beloved Creature who joyfully waits for the order from the King to arrive on Earth and continue His Apostolate sheltering the People of Our Righteous King from the great interests that converge at this instant, interests that will lead humankind to be wiped out.

PRAY, PRAY; THERE IS NO HUMAN CREATURE THAT PRAYS WITHOUT KNOWING WHY; THOSE WHO PRAY DO SO BECAUSE THEY NEED SOME HELP. THOSE WHO PRAY DO SO BECAUSE THEY NEED TO BE SHELTERED, GUIDED, AND PROTECTED. Pray, pray with Faith while you convert; you must convert so your prayer will be heard by the Creator, by the Mother of all men so She will intercede.

WE REMAIN WITH YOU AND EACH OF YOUR GUARDIAN ANGELS SUFFERS WHEN YOU ACT AGAINST DIVINE WILL, when you act thinking only of your personal wellbeing, and when you act to gain importance before your brothers.

Our King needs humble People, simple People, but invincible People, People convinced and converted, willing to carry the Word and turn it into an act of love to be shared with their brothers. Humankind is full of creatures who do not know what is coming; they are ignorant, and because of their ignorance they deny the fulfillment of the Prophecies. They are so ignorant that they assure that the announcements from Heaven are just inventions to scare man and do not assume their own responsibilities.

You are the ones who need to save the soul and achieve Eternal Life.

You are the ones who need Divine Help; you are the ones who need to clamor ABBA FATHER! HAIL MARY!

You are the ones who need to conclude that without Divine Help you are nothing and you will advance little or nothing at all.

Do not continue to be easily deluded or hubristic. You must go back to being humble and aware that you would be lost without Divine Help. You must clamor for a new opportunity of Mercy, and we, who remain attentive to your calls, will come to help you, but we need man's will to allow it.

Pray, it is important to pray for Japan; it is important for you to be aware that nuclear energy is the new Herod of this instant.

It is necessary for you to be aware of the huge importance and infinite meaning of the Cross, so much so that those who do not love Christ, those who despise Him and deny Him, and deny the Commandments and deny the Sacraments and deny the Beatitudes and deny Love and the Donation of Christ for humanity, those are particularly afraid of the Cross because they know it represents Eternal Life, Glory and the triumph of life over death.

You will hear the earth roar once again, and you will see in awe how it opens; in the sky you will soon see great signals; do not continue denying what is announced to you through Christ's Prophet, Our Queen's beloved daughter. The Revelations are given ahead of time before they are fulfilled and science endorses them subsequently.

**WHO LIKE THE LORD GOD?
IF GOD IS FOR YOU, WHO IS AGAINST YOU?**

**BUT STRENGTHEN YOURSELVES AND DO NOT DENY
WHAT IS UNDENIABLE, BECAUSE THERE WILL BE GREAT DISCOVERIES
AND GREAT TRUTHS WILL BE KNOWN.**

May the God of Peace and Mercy and Our Queen bless you.

Saint Michael Archangel

Brothers/Sisters,

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
9 NOVEMBER 2015**

My beloved People,

**I COME TO YOU, MY BELOVED CHILDREN, WITH MY LOVE AND MY MERCY TO ALERT YOU LIKE
THE GOOD SHEPHERD CARES FOR HIS FLOCK.**

Love pours for all from My Heart; it is the inexhaustible fountain where everyone can satiate their thirst, the thirst that increases in what is worldly and takes men to look for new fountains where they sink even more and move away from Me.

My Love is at hand... it is a step away from you, but you do not recognize it because you are far away from It. **YOU MUST MAINTAIN YOUR SENSES CONSTANTLY JOINED WITH ME SO YOU WILL LOVE ME MORE AND CHOOSE MY PATH; OTHERWISE, YOU WILL REMAIN BETWEEN SIN AND MY LOVE,** and those two are not compatible: Evil is evil and good is good; for “whoever is not with me is against me” (Matthew 12:30). Keeping your senses centered in Me will make you be centered in Me, and thus the soul will be attached to Me.

My beloved People, each thought must be born from the need to take Me to your brothers; each act must be born from the need to make Me known. Do not forget that the response you will receive will depend on the acts and works with which you approach your brothers.

Who can deny My Word?

Who can deny the existence of the place of eternal suffering?

Who can deny My Justice when My children need It so they will not be lost any more?

Who can deny My Omnipotence?

I am not pleased with the behavior of some of My children, but My Love waits until the last instant for them to repent. They have forgotten that the righteous acts and works magnetize My Heart towards the creatures who thus give testimony of My Presence in them.

**MAN PUNISHES HIMSELF THROUGH HIS ACTS AND WORKS
DIRECTED TOWARDS EVIL.**

**THE RESULT OF THEIR WRONG ACTS AND WORKS IS THE NEGATIVE CONSEQUENCE THAT THE
HUMAN CREATURE GENERATES FOR HIMSELF.**

My beloved People,

**I CALL YOU TO REMAIN ALERT AND WATCHFUL, TO PREPARE YOURSELVES AND TO KNOW ME AS
MUCH AS YOU CAN...**

**DO NOT SKIMP ON THE INSTANT TO KNOW ME, TO DELVE IN MY MERCIFUL LOVE AND AT THE
SAME TIME IN MY DIVINE JUSTICE.**

I do not punish My beloved children; My children generate for themselves the consequences of their wrong acts, of their contempt and disrespect towards My Will, of their rebelliousness and hubris.

I wait and Love, Love and wait for those who are Mine; I am Patient, Omnipresent. I do not let My children's faults go by unnoticed. I wait for man's repentance, I act promptly allowing My Creation to act and awaken in man the need to look for Me.

My beloved People,

**MY CHURCH WILL BE SHAKEN, MY MYSTICAL BODY WILL BE CONFUSED
AND WILL SWAY FROM ONE PLACE TO ANOTHER; MY MYSTICAL BODY WILL FEEL
STUNNED. THERE WILL BE INSTANTS OF UNCERTAINTY AND SERIOUS CONFUSION.**

My Church will be flogged by the hidden power of freemasonry and by interests foreign to Me. My Mother will be rejected and Her Maternity despised.

Attention, My children! Ask for My Holy Spirit so you will discern and not decline or lose heart.

**SOME OF MY CHILDREN WILL LIVE INSTANTS OF TRIAL IN THE FAITH; THIS IS WHY THEY MUST
KNOW ME AND KNOW THAT MY WORD IS ONE, IT DOES NOT CHANGE; DIVINE LAW IS ONE, IT
DOES NOT CHANGE...**

Children, pray knowing that prayer is effective when it springs from the bottom of the heart; fasting reinforces the petition and unifies the wish of the creature to be heard by My House, especially at these and the coming instants when confusion will make My faithful cry.

Pray, My children, for Venezuela; it will suffer at the hands of Nature.

Pray, My children, pray for My Church; it will be strongly confused.

Pray; the volcanoes continue to erupt; pray for Ecuador and Indonesia.

Do not take steps backwards; do not leave by the wayside your love for Me; on the contrary, if you find yourselves in great confusion, come to Me, receive Me in the Eucharist, visit Me at the Tabernacle, do not move away from Me, pray the Holy Rosary offered to My Mother, ask your Guardian Angel and My Archangels for help.

**MY WORD IS ONE AND IRREVOCABLE; IT IS WRITTEN AND THROUGH THESE CALLS
I EXPLAIN MY WORD TO MY CHILDREN TO ALERT THEM AND TO HELP THEM
SO THEY WILL NOT BE CONFUSED.**

My beloved People,

ONE IS MY MERCY AND ONE IS MY JUSTICE...

My Mercy calls My children not to make decisions regarding the lives of the innocent...

My Mercy knocks on My children's doors so they will not kill each other...

My Mercy calls My children not to offend Me acting and working complacently with what is not My Will...

MY MERCY IS JUST, IT DOES NOT EXCUSE WHAT IS CONTRARY TO GOOD, AND IT DOES NOT ABOLISH DIVINE LAW, it does not take pleasure in the opulent will of the powerful, and it does not rejoice in the sadness of the helpless or in the hunger of the hungry; it does not like the ignorance to which My People have been subjected, and does not take pleasure in those who gestate war and calamity.

Woe to those who cause war! Ruin will befall them!

My People, the devil takes pleasure in the restlessness of My children. Come to Me, I will give you rest from the heavy burdens that distress you. Do not forget that My Truth remains; do not forget that My Mother does not stop walking with My children.

“I AM WHO I AM” (Exodus 3:14): **INFINITE POWER, INFINITE LOVE, INFINITE MERCY...**

I AM THE OMNISCIENT, AND OMNIPRESENT: “I AM WHO I AM.” (Exodus 3:14)...

MY PEOPLE ARE NOT ALONE; I GO LIKE THE PILLAR OF CLOUD AHEAD OF MY PEOPLE IN A MARCHING COLUMN...

MY PEOPLE WILL FIND REST FROM THEIR SUFFERINGS AND CLARITY AMID CONFUSION...

MY PEOPLE WILL REMAIN BEFORE ME...

MY PEOPLE WILL ENJOY MY HOUSE...

My blessing in each of you is balsam at this instant.

I Love you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Lord calls us:

Not to move away from Him ever ...

To have Faith that He always hears our prayers and they bear fruit... Prayer is not inert.

Brothers, we must remain aware of what it means to be a son of God. God's Law was given to us so we will have His Law as our goal or objective, and as rule and regulation to fulfill, given that it is Divine Will for His children.

Each instant, our Lord illuminates our lives with His Merciful Love, and from that Love comes the Truth that remains in the Holy Scripture.

Our Lord Jesus Christ warns us to be alert in constant watch, first, of our own human ego so we will not become arrogant and disobedient; and then, of our own Faith in God Who directs our lives, because Faith increases in the measure of our nearness to God and of our correct knowledge of God.

Brothers, we must know the Holy Scripture; knowledge is Wisdom to discern through the Holy Spirit; without the Holy Spirit we will not have Divine Illumination.

In this Message, Our Beloved tells us these are instants of confusion... This is announced in the Holy Scripture in Matthew 24. This is why Christians must know the Word and exclaim:

"ALL THINGS CAN BE DONE FOR THE ONE WHO BELIEVES" (Mark 9:23)

"I BELIEVE; HELP MY UNBELIEF!" (Mark 9:24)

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
12 NOVEMBER 2015**

My beloved People,

**MY BLESSING IS WITH YOU EVERY INSTANT. I DO NOT KEEP ANYTHING FOR ME; ALL I HAVE I
POUR OVER MY CHILDREN: GIFTS, GRACES, VIRTUES, BLESSINGS, HELP, PROTECTION...**

Once again I call you to walk in My Truth so you will persevere acting in My Will and not in the will of men, because each one has his own interests.

You, My People, do not forget that **"I AM WHO I AM"**(Exodus 3:14) and you must keep Me in the first place so that, sheltered in My Will, you will work and act in My likeness.

Humankind leads an accelerated race towards their own suffering caused by disobedience and hubris which keep them moving away from Me more and more each instant.

MY PEOPLE, TRUST IN MY WORD!

**YOU, WHO DO LISTEN TO ME, DO NOT SPARE ANY EFFORT TO REMAIN IN THE STRAIGHT PATH;
DO NOT LOSE HOPE UNDER ANY CIRCUMSTANCES.**

The enemy of the soul is an expert placing you in instants of severe temptation so you will fall; his purpose is to prevent you from standing up again so you will sink and he will steal from you Eternal Life. But you know that I am here to help you, because if you do not defeat temptation and do not stand up again you fall into sin, but if you fall and stand up with firm purpose of amendment, you recognize that the creature is a creature and that God is God.

My beloved, be prepare! Peace among nations will shatter and men will fall prey to restlessness.

At this instant, evil boils in its own insidiousness and spills it over all humankind so that those who are not firm in Faith and knowledge will fall. **I HAVE CALLED YOU TO REMAIN ALERT AND TO STUDY MY WORD BECAUSE THIS INSTANT IS ONE OF GREAT CONFUSION WHICH WILL INCREASE AS THE ARRIVAL OF THE OPPRESSOR OF HUMANKIND IS NEARER.**

These are instants of great temptation for My People, because they are given freedom to act according to their own law disrespecting the Divine Law...

Few are those who have responded to My previous pleas and have come to delve into the Holy Scripture where the Law for My People is found.

**IT IS WITH PAIN THAT I SEE SO MANY PEOPLE WHO ARE LUKEWARM AT THIS INSTANT, SO
MANY WHO ARE LUKEWARM...**

These are instants when violence increases in the world. Communist leaders, who control their people like slaves, will lead the innocent to suffer because the leaders will not give up their power. Before communism reached heyday, I alerted you, but you eluded My Calls and yielded power to that force which has turned against you, and the consequences are at hand.

The alliances of this arm of the antichrist which is communism have happened unnoticed right under My children's noses. This is due to a lack of preparation on the part of men who only see the current

act without considering the subsequent actions to which they will be submitted: They have taken Me away from public places, they do not allow My children to talk about Me, and soon My children will not be allowed to think about Me...

For humankind everything is just a fashion. For this reason they will accept being microchipped; they will see it as just another thing because they will forget that, with this act, they give themselves to the antichrist yielding power over their souls to him.

REPENT AND I WILL MAKE YOU ANEW! I will take you with My Hand and I will show you what is worldly and the evil found in it.

REPENT!... MY PEOPLE, MADNESS HAS INVADED YOU IN ALL THE FIELDS IN WHICH YOU HANDLE YOURSELVES. Insanity, unnoticed, has penetrated each of you like a silent plague by means of modernisms that, at this instant, the allies of evil have rapidly increased to deny you the opportunity to ponder the mistakes you make and to make you see evil as good and sin as good.

My houses of prayer and training have been contaminated by those who direct them, allowing modernism—little by little—to lighten the consciences of those who give themselves to Me so they will become lukewarm and not abide by “your word be ‘Yes, Yes’ or ‘No, No’” (Matthew 5:37) but follow the path of tepidity, of mediocrity, of pleasing oneself first, and My Word be relegated and later forgotten.

My People, My Law is put off and it will be postponed even more by the society where aberrations prevail which have led women to fight against what I have given them, the greatest Gift with which I crowned woman: **MOTHERHOOD**. At this instant, this Gift embarrasses and bothers those who come voluntarily—irresponsibly and without conscience—to be executioners of the one they carry in the womb.

**THE CRIES OF THESE INNOCENT, ABORTED BY WILL OF THE MOTHER,
INVADE MY HOME.**

This is the Justice that man generates against himself, the one the devil facilitates by legal means in a great many countries, means that are legal on Earth but are aberrations to Me and give Me great pain.

Creation does not recognize humankind... lost in all sins in all forms. The lament against human cruelty reaches all the way to My House. Our Trinity—hurt, superseded and forgotten—waits for man to return to Our Path, but to do that, he will have to be purified of so much evil he commits. The crucible is painful when it burns, but only this way sin will be forgiven when man identifies himself as the cause of his own perdition.

My beloved People,

DO NOT DESPISE THESE CALLS; DO NOT SEE AS GOOD WHAT IS EVIL; DO NOT ACCEPT SPIRITUAL MODERNISMS THAT TAKE YOU ON THE WAY TO ETERNAL FIRE.

My beloved People,

DO NOT DESPISE THESE CALLS; DO NOT SEE AS GOOD WHAT IS EVIL AND YOU HAVE ACCEPTED.

Promptly return to Me before night falls and darkness will make you take wrong turns that are not My Will, and you will give yourselves to evil... Do not hurl yourselves to the "second death." (Revelation 21:8)

My People, pray for England and Russia; they will carry a heavy cross for their wrong decisions. My People, Creation looks at man with great indifference because man has mortally wounded Her. Pray, children; several countries will suffer when the earth shakes hard and with great continuity.

My People, water continues purifying humankind immersed in sin. Pray for the United States, Mexico, and Chile.

My People, My Mystical Body suffers confusion because they do not know Me.

Come to me, all you that are thirsty, and I will give you drink.
Come to me, all you that suffer, and I will give you relief.

My faithful enter desolating instants; they will force you away from Me. No, My children!
Our union overcomes physical separation...
Our union overcomes human limits...
Our union overcomes human insidiousness...
Our union overcomes human life itself, **BECAUSE I AM TRUE LIFE, ETERNAL LIFE, AND IT IS MY PROPERTY.**

My beloved People, My Love for My faithful surpasses all that man can devise to separate us.

MY LOVE FOR EACH OF YOU IS SUCH THAT MY HELP ARRIVES AT THE INSTANT WHEN YOU NEED IT MOST SO YOU CAN CONTINUE THE WAY TO THE "LAND FLOWING WITH MILK AND HONEY"

(Exodus 3:8),

TOWARDS OUR ENCOUNTER WHERE EVIL WILL NO LONGER TOUCH YOU, GOOD WILL HAVE TRIUMPHED AND EVIL WILL BE CHAINED FOREVER.

My beloved People,

War will peek and dawn causing great pain and dread because of the incorrect use man has made of science, thus hastening the unbridled arms race of the world powers through technology. The same man will shudder after having caused so much harm to his brothers which is a great torment.

My beloved People, do not reject My Calls; come to Me at this instant when light still shines and before night falls.

I bless you, beloved children, I bless you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers,

We have before us a reality that cannot be denied...

All that happens everywhere is undeniable as we see how violence advances and cruelty towards the innocent continues; evil springs as it wishes because man allows it.

Christ, Eternal Wayfarer of Love, has been insisting in His Calls about the awareness His children must have to reject evil. By means of the union with Christ and with our Mother, and completely dedicated to a process of prayer, as we are aware of our human weakness, we must ask for Divine Help to strengthen and nourish us with what we lack so that—with our willingness—the need to have a deeper and stronger relationship with Christ and with our Mother will be born in each one of us, so we will be able to say, with Saint Paul, "...it is Christ who lives in me." (Galatians 2:20)

To ignore the Calls about what is coming and to deny the current events that confuse even God's People are signs of the instant that is coming, as well as:

The continuous provocations among the great powers that can culminate in the Third World War...

The extension of an aggressive policy that subjects Peoples and does not respect free choice...

An economy hanging from a thread...

All this tells us that those who say that all is well are the ones who do not recognize God alerting His People.

Man lives in uncertainty because—above all—he has left by the wayside his objective, his Creator, his King, and has replaced Him with human beings that are not perfect and with modernisms that lead the soul to perdition.

This is why Christ Calls us to follow Him. Even though we do not see or hear, there are very many ways in which Christ tells us each day, “I am with you.” (Matthew 28:20) He Calls us to silence from that world that surrounds in agitation and leads men to forget that what is material is not what will give us true happiness, that what will give us true happiness is to discover God of Love and Mercy that waits for a single word from us to give us His Hand and rescue us.

Creation continues according to the Divine Plan. Man deserts that Divine Plan and embraces modernisms that prepare the arrival of the one who is coming to control God’s children and establish his diabolic plan. In light of this, God’s People must remain united to Jesus Eucharist and to the Divine works and acts so the Holy Spirit will grant discernment that will not come to us if we are not united to the Divine Will.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
16 NOVEMBER 2015**

My beloved People,

**YOU ARE MY PEOPLE AND I AM YOUR GOD.
YOU WILL NOT WALK HESITATINGLY BECAUSE I GO BEFORE MY CHILDREN.**

Beloved, you live instants of confusion when you need to be aware of the Faith you have in Me and of the conscience with which you obey My Word. Each one has a conscience, and your conscience calls you to get back on track; the thing is that most do not listen to the conscience because they live immersed in the mundane, and this creates a great abyss between those who live this way and what My Will wants from each of you.

**AT THIS INSTANT YOU MUST BE CREATURES OF A FIRM FAITH;
CREATURES DETERMINED TO LEAVE EVERYTHING THAT PULLS YOU AWAY FROM ME.**

Each one will see himself and, with his own conscience, will examine his acts and works towards his brothers and his life in My Will towards his brothers, as I have not kept from you the Divine Will; instead I reveal It through each one of My Messages.

FOR THOSE WHO DO NOT CENTER THEIR LIVES ON ME IT WILL BE DIFFICULT, VERY DIFFICULT, TO ABSTAIN FROM SINNING, AND IT WILL BE VERY DIFFICULT TO DISCERN BETWEEN GOOD AND EVIL.

Young people and adults cannot continue away from My Will because that makes them weak against the wiles of satan and opens for them the road to perdition.

In these My Calls I alert you about what is coming, but you believe so much in your human self that you leave out the explanation of My Will to follow yourselves according to your own convenience and to those who tell you that I impart only Love and Mercy and, therefore, you should not listen to these My Messages and, less, listen that sin is sin and that it drives you away from Me.

Human creatures without Faith are like a weak weathervane that moves in all directions reacting to the gusts of wind at its convenience. This is the reason for My insistent Calls. I want you strong and immovable. Hence the importance and urgency of My House for you to be aware of the possessions of evil on Earth and the urgency for each one of you in particular to remain alert to the slightest snare of the devil.

Beloved children,

The more you disobey Me, the greater the power you give to evil...

The greater the obedience, the sacrifice, and the love with which you follow Me, the less is the grip of evil over humankind...

I am Omnipotent, nothing is impossible to Me. This is the reason I Call you again to remain in Holy Wait. You, children, want to hasten Me, but **I KEEP YOU IN INSTANTS WHEN MY PROPHECIES AND THE PROPHECIES MY MOTHER HAS ANNOUNCED TO YOU WILL BE FULFILLED AT MY INSTANT, NOT YOURS. AND MY INSTANT IS THIS ONE, THE INSTANT OF THIS GENERATION; THE THING IS THAT WHAT YOU CALL TIME IS OUR POSSESSION.**

They continue killing the innocent. My Mother suffers deeply for My People, She suffers because of the persecution caused by the ignorance in which the great powers keep humankind. Man has centered himself on what terror does to humanity and has forgotten the comet that approaches Earth and will cause great calamities and great devastation.

My beloved People, all that happens is just preparation for the arrival of the antichrist, the one who will bring enormous pain to My children.

I AM LOVE FOR ALL MY CHILDREN. THOSE WHO TAKE AWAY FROM MAN THE GIFT OF LIFE DO NOT ACT IN MY NAME; THEY ACT UNDER THE POWER OF THE DEVIL.

Those who cause terror and dread will perish in it. He who brings love and freedom will prosper and be free, but truly free. (John 8:36)

Pray, My children, pray for Spain; suffering will show itself while the sun still shines.

Pray, My children, for Japan.

Pray, My children, pray for Central America; it will be shaken.

My beloved People,

Blood is spilled without pity. The floggings which humankind will encounter are trials you brought onto yourselves. Each soul is My greatest treasure; I Call you again to be My People.

Children,

**INSTRUCT YOURSELVES IN MY WORD; I AM ETERNAL PRESENT.
DO NOT IGNORE MY LEGACY. THE ENEMY OF THE SOUL IS QUICK
TO MAKE YOU FALL AND, FOR YOU TO TRIUMPH, YOU MUST KNOW ME IN DEPTH.**

My Church sprang from My Side and will be tested, like gold in the crucible, by the modernism that I reject.

Children, it is not in vain that I send help to you. **MY PEOPLE CAN RECOGNIZE THE ONE WHO COMES IN MY NAME, BUT TO RECOGNIZE HIM, YOU MUST REMAIN FAITHFUL, PERSEVERANT, AND OBEDIENT, IN A CONSTANT BATTLE AGAINST THE HUMAN EGO.**

Each man will feel like a stranger on Earth as he lives in constant ambush by his brothers.

Persecution and terrorism will increase without stopping.

Those children who mock My Word will come before Me pleading for Divine Help so they can remain until evil will be controlled by Me and My People will stop being held captive by evil and recover their freedom, their true freedom, which is for **MAN TO LIVE IN OUR WILL AND GIVE EARTH BACK TO ITS CREATOR; THEN WE WILL BE ONE.**

I love you, I bless you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers,

Christ calls us to a personal encounter with Him...

Christ reiterates the importance of being aware of the instant humankind is living...

Human beings must be sensitive to what happens around them; they must be touched by what happens to their brothers; this at least as a basis to advance further and advance together with the Holy Trinity and with Our Most Holy Mother so that the human being can begin the process of advancing along the Spiritual Path.

We are called to live in God, but in order to do that we must know God and, to know Him, we must decide to take the step; we cannot live only wishing to be, we cannot live only of good intentions. At this instant we must be action, we must be what we have to be –as Heaven asks of us—so we can overcome all that is coming and remain standing.

We cannot love someone we do not know. For lack of knowing Him, for lack of wishing to know Him better is that man does not make the firm decision to give himself definitively to the Divine Will.

Brothers, the Holy Trinity insists that we know because He left us the Truth, but that Truth—when it is not understood by man—is explained through creatures that are not geniuses or wise but are willing to love and to follow the call given by Heaven.

When we are willing to know the Word of God, it is the Holy Spirit that leads us to penetrate those Mysteries. Christ does not want us to be robots or to believe because we have to believe; He wants us to believe because we love Him, we trust in Him, and we know that what is coming will be more attenuated by our obedience, our wish and determination to keep advancing along the Right Way. Brothers, Christ and Our Most Holy Mother alert us. We must not let those Calls go to waste; let us not despise them, let us not ignore them because each Message we receive is not in vain. Let us delve deep in the Messages, let us scrutinize the great Love God has for each of us, and let's become creatures that help one another through prayer, through good deeds and works, but, above all, being aware that, as human beings, God's children, we must go meet with our Creator to lessen, one way or another, the advance of evil that gains more strength with our wrongdoings.

I remember a quote I love and wish to share with you:

“Believe to understand; understand to believe.” Saint Augustine of Hippo

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
20 NOVEMBER 2015**

Beloved children of My Immaculate Heart,

My children, I bless you from My Maternal Heart, from which I have called you since the first instant when the Divine Will sent Me to announce to you the events that would arise on Earth from humanity's disobedience and from man's rebelliousness against the Divine Will, which is for **ALL HIS CHILDREN TO BE SAVED**.

You have remained distant from what the Holy Trinity has asked of you...

You have been against what I have requested in My Calls around the world...

I have been rejected; My Word has been ignored when I have asked you to be cautious...

For humankind, living united to the Divine Word, has been a constant struggle in which you have not found yearning, but a bone of contention with the Father's House...

I have asked you for so much prayer! Not only because this is the way My Son's children must remain, but also because at this instant you will encounter great spiritual battles—greater than those you have faced and greater than those you will ever face—and, in order for you to triumph, you will need not only the wish to win or the good intentions, not only your determination; you will need **THE FIRM BELIEF TO BE UNITED WITH MY SON AND THE FIRM DECISION TO ENTER AND WALK ALONG THE ROAD TO SALVATION**. You will find this Road by living daily with My Son in the Eucharist and by living the Mass—which is an extension of the Divine Will—for the rest of your lives, in order for It to multiply towards all your brothers.

I have called you to pray the Holy Rosary with love and respect, with feeling and surrender...

CHILDREN, YOU HAVE THE WEDDING COINS, AND MORE, TO REMAIN FUSED INTO ONE WITH MY SON WHO WAITS FOR YOU EACH INSTANT, so you—eager to live the New Life—will delve in Divine Love and, penetrating in It, will drink from the fathomless Ocean of the Divine Will and exhale Supreme Love towards your brothers.

BELONG TO MY SON; YOU ARE HIS PEOPLE AND HE WAITS FOR YOU WITH ALL HIS LOVE ON THE ROAD TO SALVATION. DO NOT RESIST SO MUCH SUPREME LOVE; DECIDE NOW TO BE ONE WITH MY SON!...

You still do not surrender with the proper trust of one who firmly believes in the Divine Word. The Divine Word calls you not to belong to the world and its machinations but to be image and likeness of the Divine Acts and Works.

As Mother of all humankind, I suffer, and My Blood pours from My Heart like a river without stopping.

Beloved children of My Immaculate Heart,

Do not continue in the rebelliousness that only the enemy of the soul can offer you. You, My children, must fight against yourselves, against your own free will that, at each instant, conditions you to remain within the rules of the world or the rules the majority of the people follow.

My Son is the One Who calls each of you by your own name.

Beloved children, no human creature knows what will happen to humankind the way The Father knows. This is why you must keep the Faith in My Son's Truth... "For many are called, but few are chosen." (Matthew 22:14)

BELOVED OF MY IMMACULATE HEART, WHAT ARISES AT THIS INSTANT IS THE RESULT OF DISOBEDIENCE, IMPATIENCE, AND IGNORANCE OF THE MYSTICAL BODY OF THE CHURCH.

Man's mind is like a minefield: In the minimum instant, violence takes over and makes man perform acts that are guided by evil to gain a greater wrong.

At this instant weaponry is spread all over the world. He who denies the truth of the reality of this generation is deluded... This instant is for My children to recognize the lack of Faith and the deception in which they have lived. The lack of initiative to get close to the Creator of all things visible and invisible has produced great ignorance in man, and ignorance leads man to reject the Divine Calls that urge preparation. Instead, humankind rejects the presence of the Holy Spirit in man and rejects insistently the Salvation Plan for humankind.

Beloved children of My Immaculate Heart,

**REMAIN ATTENTIVE TO EACH CALL THAT INCLUDES
WHAT IS IN STORE FOR HUMANITY, WHAT HUMANITY WILL HAVE TO FACE,
NOT TO FRIGHTEN BUT TO AWAKEN HUMANKIND SO THEY
WILL NOT FALL IN THE TRAPS LAID OUT FOR THEM BY EVIL.**

Children,

Faith cannot grow if you do not know the One Who loves you: My Son...

Faith cannot grow if you do not know how much My Son loves you, how Merciful He is for man and how Just He is, and for this reason each one is responsible for his acts and for the way his acts will affect those around him for better or for worse.

LIKE A ROARING LION, THE DEVIL HAS TAKEN ARMS AGAINST HUMANKIND TO STEAL SOULS FROM MY SON. Man's spiritual condition has opened the door to the devil making it easy for him, not only the insinuation but also the manipulation of man's senses, for these faculties to act against Divine Will and in favor of what is necessary for evil at this instant when the appearance of the antichrist is defined by the evil forces that remain upon humanity.

MY SON'S CHURCH WILL BE STRONGLY SHAKEN BY THOSE WHO DO NOT LOVE MY SON, taking advantage of the division that remains in the heart of My Son's People who, having no notion of this, allow themselves to be carried away by external interests of those who govern them to modernize what is not subject to be modernized: **DIVINE LAW**.

Pray, My children, pray for My Son's Church; evil has infiltrated it.

Pray, My children, pray for Mexico, My beloved land; its acceptance of modernizing the moral fabric of society will promptly make it tremble.

Pray for France; the sun will clearly show the pain of those who hurl themselves without pity against their brothers.

Pray, children, pray for Japan; atomic energy is rising, making man suffer and contaminating the Planet.

Beloved, everyone goes on with life according to their interests. **YOU MUST ASCEND AND BECOME BETTER EVERY INSTANT EXAMINING YOURSELVES IN YOUR WORKS AND ACTS, AND TIRELESSLY SEEKING KNOWLEDGE SO YOU WILL NOT BE DECEIVED.**

The action of the antichrist is in your midst through constant attacks to which My Son's People are led to kill innocents. The antichrist does not love man, he despises everything that means God to him and is determined to defeat My Son's Church to establish himself as lord and master of what belongs to My Beloved.

MY SON'S PEOPLE, I NEED YOUR PRAYERS SO MY SON'S WAY WILL BE BEARABLE IN THIS CONTINUOUS TEACHING PROCESS TO WHICH THE SOULS ARE LED TO BE PERFECTED LITTLE BY LITTLE.

Beloved children, you must take The Word—My Son's and Mine—to your brothers so they will open their eyes and not fall for every Word that is Heard. Prayer is indispensable, but acts and works say more than one thousand words, and this is what is needed: TESTIMONY.

EACH ONE MUST BE CONSCIOUS, EACH ONE MUST KNOW THAT WITH HIS ACTIONS HE CONTRIBUTES TO THE EXPANSION OF GOOD OR EVIL THROUGHOUT THE WHOLE WORLD.

Those who are strong, firm, and determined are the ones occupying the first places, because Faith must be solid for it not to decline; your Faith must provide the impulse for your brothers not to remain at a standstill because then the crucible will lead them to suffer more than they should. Beloved children of My Immaculate Heart,

HUMANKIND WILL SUFFER TO THE POINT OF NAUSEA, WATCHING WITH FRIGHT AND HORROR THE EVIL THAT MAN CARRIES WITHIN HIMSELF. BUT DO NOT GRIEVE; THIS MOTHER WILL NOT ABANDON YOU EVER, AT NO INSTANT.

I love you and I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

As a faithful Disciple of Her Son, our Mother wants those called to find the True Path to be evangelizers of their brothers. So then, in the testimony of his brother, each one can see the action of the Holy Spirit in those who—with faith, love, gratitude, and permanent worship of God—are a driving force in the correct performance of each one on Earth.

Man has despised his Creator, and now the Creator comes with His Justice because of the refusal of those who are His and who will be purified for their disobedience.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
IN CALIFORNIA, USA
22 NOVEMBER 2015**

Beloved children of My Immaculate Heart,

**I BLESS YOU, I LOVE YOU, I CARRY ALL OF YOU IN MY MATERNAL HEART LIKE PRECIOUS JEWELS
THAT MY SON BEQUEATHED TO ME FROM HIS CROSS OF GLORY AND MAJESTY.**

I see you walk, I see you act and work, I see you thirsting for Divine Love and, at the same time, I see you take the wrong path, I see you veer off the True Path and take easy shortcuts in the mundane, but these shortcuts distance you from My Son and from Me.

Beloved children of My Immaculate Heart,

**MY HANDS REMAIN OPEN TO TAKE THE HANDS OF
ALL OF YOU AND—AS INTERCESSOR BEFORE MY SON—LEAD
YOU TOWARDS THE TRUTH OF MY SON’S WORD,
LEAD YOU TOWARDS DIVINE WILL SO YOU WILL COMPLY WITH IT.**

At this instant, man walks regretfully, overwhelmed, and desolate because of his free will. It is Divine Will that all His children be saved, but you walk against Divine Will, totally immersed in your free will, in the modernized human debauchery. You get carried away by appearances that are not good, although the disguise they present may seem good; but you cannot grope seeking blindly to distinguish between good and evil, you cannot tell the difference because you walk within a line of thought complaisant towards evil, within a worldly line of thought that understands evil as good. This, My children, is not Divine Will; this is man’s perdition. This is the work of evil that governs those who do not obey and do not strive to know the Divine Word in order to delve in a stronger relationship with My Son and with Me.

The fickleness with which man walks at this instant makes him spiritually mediocre. Even those who are learned, even theologians or experts in Holy Scripture, keep their titles to stand out before their brothers, but leave out their spiritual relationship with My Son and with Me.

The world moves by titles, by documents, by politics and by money; but entering into the Mystery of My Son’s Love cannot be bought, it must be earned. And those who wish to earn that relationship with My Son and with Me, must learn to “take up their cross” (Luke 9:23) and be experts in Love.

**FANATICS SUPERABOUND, AND THIS IS NOT WHAT MAKES OR DISTINGUISHES THE TRUE
CHRISTIAN; IT IS THE TESTIMONY OF LOVE—ON WHICH EACH INSTANT OF HIS LIFE STANDS—
THE SOLID, FIRM, AND STRONG FOUNDATION USED TO INTERACT WITH HIS BROTHERS,
BECAUSE IN ORDER TO BE EXPERTS IN BECOMING IMAGES OF MY SON, FIRST THEY MUST BE
EXPERTS IN LOVE, “AND ALL THESE THINGS WILL BE GIVEN TO YOU AS WELL” (Matthew 6:33).**

So many of My children say they preach the Sacred Word but their hearts are empty of a true love for their fellow men!

So many of them display their titles but their hearts are empty of love for their fellow men!

So many who do not have titles do have all of My Son’s Love to share with their fellow men and give testimony of the true acts and works of Christians!

Beloved children of My Immaculate Heart,

YOU MUST REMAIN FIRM, BUT TO DO THAT YOU MUST HAVE KNOWLEDGE SO YOU CAN LOVE THE ONE YOU KNOW, AND THE WAY WILL BE EASIER; not because knowledge will remove each instant's cross, but because knowledge will make you understand that to be My Son's true children—at every instant of your lives and in that cross that accompanies you—you must find the true sense of being My Son's children.

These are difficult instants for humankind; difficult because man's enemy is constantly hurling himself over humankind in search of the minimum instant to make you trip and fall.

Confusion is more widespread. I see My children confused. I see My children scared. I see My children suffering; and it's that men have stopped loving one another as children of the same Father because of the violence each human creature generates by working and acting under the rule of free will. This violence is undermining men's hearts and is turning men into rocks totally devoid of feelings and without the least fear of My Son, without the least remorse. This is why the enemy of souls is happy to see men attack their brothers and make them commit the most atrocious and ruthless crimes.

My children,

**REPENT!
REPENT AND CONVERT!**

The instant ceases to be instant before the shuddering of the earth which will once again make the Earth's axis shift.

THE INSTANT SHORTENS BY DIVINE WILL BUT, AS IT SHORTENS, THE MUCH HERALDED GREAT TRIBULATION—AT ITS UTMOST EXPRESSION—RUSHES TOWARDS HUMANKIND. My Son's children will suffer the greatest persecution ever thought, indescribable, throughout which the enemies of My Son's Church will take pleasure in My children's suffering and will rejoice at the blood shed by My children.

Children of My Immaculate Heart,

**I MUST ADDRESS YOU WITH THE TRUTH SO YOU WILL NOT
WASTE THE INSTANT, SO YOU WILL GET SPIRITUALLY PREPARED
AND WILL JOIN MY SON, AND THAT UNION WILL BECOME FUSION
AND THAT FUSION WILL KEEP YOU WITH SUCH A FAITH THAT WILL
ALLOW YOU TO WEATHER THE ENTIRE TRIBULATION STANDING.**

Beloved children of My Immaculate Heart,

Nature continues to flog humankind, the humanity that looks at her with great indifference. The earth continues to crack open; the earth continues to shudder.

Pray, My children, pray for your brothers in Chile.
Pray, My children, pray for your brothers in the United States and in Mexico.
Pray, My children, pray strongly for Italy.
And in that rebellion of Nature, I call you to pray for Ecuador;
it will suffer because of the volcanoes.
My children, pray for Indonesia; its colossus will awaken.
Pray, My beloved; from one instant to another, there will be a great storm
that will make My children tremble.

Beloved children of My Immaculate Heart, man hurls himself against man and, in so doing, he causes deep and mortal wounds that wake up his brothers, so from country to country, they will rise up against each other.

**YOU ARE WAITING FOR THE DECLARATION OF THE THIRD WORLD WAR
AND IT ALREADY STARTED.**

My children, what are you waiting for to alert yourselves when the pain of humanity will arrive relentlessly and will run with the wind causing mortal wounds on the skin of My children, devastating Nature and contaminating the water, leaving everything inert?

The sun will be darkened and all of humankind will have to live amid the darkness because of the incorrect use man has made of science.

Beloved children,

I have called you insistently but I am not Heard, My Maternity is ignored, and My calls are put aside...

My Son's Church will be gravely wounded...

The persecutors of My Son's Love have not ceased in their zeal for making love disappear from the face of the Earth, because, as satan's followers, they have been obstinate in causing man to become hostile and violent against the same man, turning the mind obscure, the thoughts blurry and the reason oppressed, so the human beings will no longer think, no longer reason, and follow, as automatons, the one who will arrive to rule humankind passing for a savior of humanity. At this instant, the antichrist moves the minds of the great politicians of the Earth so they will carry out his plans to the letter.

**YOU, MY CHILDREN, WAKE UP! BE OBEDIENT; APPROACH MY SON, HE IS IN THE TABERNACLE
WAITING FOR YOU TO COME TO HIM. HE IS INSIDE EACH ONE OF YOU, JUST LOOK WITHIN**

YOURSELVES AND REPENT—YES, YOU MUST REPENT—ASK MY SON FORGIVENESS AND ASK THE HOLY SPIRIT TO GUIDE YOU IN DISCERNMENT.

As Mother of humankind, I offer you My Immaculate Heart, I offer you My Shelter and My Intercession, I offer you these My Calls so you will not lose Eternal Life. Listen to Me, My children, do not turn a deaf ear to My Pleas which I raise to each of you because I wish to touch your hearts so you will feel, so you will perceive and live this Mother's Love for each of you.

With My Tears I will turn the heart of stone into a heart of flesh, I will make the oppressed mind find freedom, and I will guide reason—blurred by the mundane, by avarice, by ignorance and indifference—to find My Son's Light.

My beloved,

COME TO THIS MOTHER, COME TO ME!

My children, you well know that terrorism hurls itself over humankind...

My children, you well know that these are instants of great tribulation...

But you well know, My children, that this Mother has never abandoned you and never will...

COME TO ME! I AM YOUR MOTHER. I WAIT FOR YOU TO TAKE YOU TO MY SON AND TO PROTECT YOU EVERY INSTANT FROM WHATEVER MAY COME.

As Mother, I come to help you and for this reason I bless in a special way all those who at this instant read My Word, My Call, those who are struggling to defeat their free will and strive in search of true freedom and true happiness which is My Son's Will.

I bless in a special way those of you who sincerely listen to Me; I place My Mantle over each of you so your thoughts steer away from evil and focus in merging with the Divine Will.

COME TO ME, MY CHILDREN. I BLESS YOU IN THE NAME OF THE FATHER, AND OF THE SON, AND OF THE HOLY SPIRIT.

Amen.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother clamors to us once more. That's right, She clamors to us so we will return to the right path towards Her Son, Jesus Christ. Within the "great human smallness", Our Mother wishes to touch the "great human hubris" so none will be lost.

Brothers, while She was giving me Her Message, *our Mother took me to see a great many human beings—I can say millions—of all races. They all ran so much that they were perspiring and their breathing was more like choking; they ran like that because right behind them there were men chasing them, men with great daggers and weapons who mercilessly killed all those they could catch. I saw those human beings running because there was a great cloud above them, it was a fog that made it difficult for them to breathe and to see where they were going, so some fell into precipices found on both sides of the road.*

Our Mother told me that humanity will continue to suffer but at the same time they expose themselves to those who persecute them; and also that France has not finished suffering.

I also saw Italy and on that land I saw suffering in Milan. In Rome our Mother allowed me to see several pilgrims seriously wounded, and our Mother told me, "This is how My Son continues to suffer for the Love of His children. In each human creature who suffers persecution, My Son again suffers His Passion."

In the United States I saw blood and our Mother told me, "There is so much pain in My Heart! They are all My children, and look at how man suffers at the hands of his own brothers, and the mistakes turn against him."

Then our Mother allowed me to see several images that portrayed Her. The images were so badly destroyed that it was impossible to tell which advocations of Virgin Mary each represented. Our Mother told me, "My beloved, tell your brothers not to stop; tell them to love My Son and to take refuge in Me; I intercede for each one of them."

I saw an Angel of God filled with a great light and moving through the air. Impressive! And he embraced God's children, all those who repented, and took them to a peaceful place where, in total prayer, they were taken away from the wicked ones who persecuted them.

Then I saw an almost blinding light and an indescribable fragrance came to me; I saw our Most Holy Mother's Mantle being placed over millions of human beings who asked for Her Maternal Protection, and these brothers were blessed with a fine mist falling from Heaven, and that mist gave them Strength, Fortitude, Love, Faith, and Hope; for this they called our Mother for Her to intercede before Her Divine Son, Jesus Christ. Each brother held on to one very strong column; it was impossible to

distinguish one brother from the other because it was one single column formed by all of God's men who were united into one.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
28 NOVEMBER 2015**

Beloved children of My Immaculate Heart,

**MY HEART REMAINS OPEN TO INTERCEDE FOR ALL OF GOD'S PEOPLE.
I REMAIN IN CONSTANT INTERCESSION BEFORE THE HOLY TRINITY.
I DO NOT WANT MY CHILDREN TO BE LOST.**

God the Father has given Me the order not to abandon you.

My constant apparitions all over the world are a call to conversion because a majority of human creatures do not want to know of effort or penance, of sacrifice or of loving their fellow beings; all they want is an effortless easy life. I asked you to obey My Son; I Call you time and again to head towards the fusion with the Holy Trinity, and I receive rejection towards My Son and Me.

I did not rest and I do not rest in My effort to bring you close to Our Sacred Hearts, even though men, in a great majority, will leave aside the Holy Trinity to cling to the mundane, giving themselves to the vileness that the devil instills—and will instill ever more forcefully—in men's minds owing to their great spiritual weakness.

**YOU WILL NOT REACH THE CORRECT PATH AND YOU
WILL NOT BECOME BETTER IF YOU DO NOT APPROACH
MY SON AND DECIDE TO CHANGE RADICALLY.**

I give Myself to My children, I do not abandon My children; instead, I guide My children because I see a weak Faith, and the responsibility does not fall entirely on My Son's Mystical Body. Some of the depositaries of the Ministerial Priesthood have not instilled in My Son's People the responsibility of knowing the Divine Word nor have they alerted their communities about the power and control of evil over those who embrace false ideologies that take them to detach themselves from My Son for not obeying the Divine Law and for placing themselves in the hands of evil. My Son's People are driven away from My Calls; they are invited to enter and get involved with the modernism that leads humanity to the abyss of perdition when they accept all that is contrary to My Son's Call and to God's Law.

THE INSTANT HAS COME WHEN MAN DOES NOT ACCEPT AND WILL NOT ACCEPT THE DIVINE TRUTHS. Man will eliminate them from his mind and will tell reason that free will is the solution to all the problems and, by so doing, he will grow a heart of stone, impenetrable, where the Law of Love is and will be intolerable for man.

The terror caused by the specter of terrorism will increase. They will continue to devastate the peace of the People for no reason at all. Life is not and will not be respected; on the contrary, it will be their pleasure to bring suffering to humankind with innocent victims. Mass media will provide popularity to terrorism with words and news reports that increase the eagerness of some men to support those they mistakenly see as heroes in a society that knows not which way to go. The great nations seek outside their borders what they have in their own territories.

THE HARDNESS OF THE HUMAN HEART WILL BECOME SO EXTREME THAT BLOOD WILL MAKE MORE THIRSTY ALL THOSE WHO REMAIN AWAY FROM MY SON INVOLVED IN IDEOLOGIES CONTRARY TO THE DIVINE WORD.

Beloved children of My Immaculate Heart, man's disobedience directs humankind towards this suffering.

I alerted you and I alert you about the confrontation between the great Nations where sophisticated weaponry continues to cause pain on a larger scale; one act of carelessness will cause the allies to become enemies in instants.

WAKE UP, MY CHILDREN! The arms of evil work fast, satan does not rest and My children remain asleep...

WAKE UP, FAVORITE CHILDREN OF MY HEART! AWAKEN MY SON'S PEOPLE! Alert them about the instant they are living and about the coming events which I have announced.

Do not reject My Pleas; do not allow My Son's flock to be destroyed by ignorance. Keep in mind that good intentions must materialize so that they bear fruit. **DO NOT REMAIN SPEECHLESS IN VIEW OF THE PROGRESS OF EVIL WHICH DOES NOT REST.**

Beloved children, pray for your brothers who suffer although they are innocent.

Beloved children, pray for Brazil; lament comes.

Beloved children, pray for the United States; it will suffer because of man and Nature.

Children, you will suffer because of earth's continuous shaking. Land will shake where it did not shake before; where land remained firm, it will open; where volcanoes had stopped roaring, they will roar again with great force.

Pray for Peru; it will be shaken and My children will suffer.

Pray for Mexico; My children will suffer an earthquake causing the lament of those who are Mine and the water will flog them.

Beloved children, do not deny what hits you in the eye. Humankind is at war and it will be more intense as confrontations increase for different reasons.

The devil raises his arms, those which are tentacles of the antichrist; he waves them against humanity spreading his malignant legions to corner all those without Faith, all those who refuse to return to My Son, all those who delight in evil by free will or by a consented ignorance.

†Return promptly and repair the offenses committed against My Son.

†Do not despise the Calls to the encounter and reconciliation with My Son.

†Pray and act in favor of your brothers.

†Be testimony of My Son's Word and Mine, do not be of those who live with arms crossed watching evil grow without alerting My children about what is coming so they will wake up.

†Come properly prepared to receive My Son in the Eucharist regretting the evil done and the good you have omitted.

†Continuously live the Mass, not only at the Temple but also in each act and work of your lives.

†Know the Divine Word; you will not be able to love someone you do not know. My children are superficial in the knowledge of My Son and, because of their lack of knowledge, they fall easy prey to evil.

†Just like communism takes hold of Peoples, evil—which goes with it—destroys the freedom of God's children.

†Delve humbly in the Holy Scripture so the Holy Spirit will enlighten you and you will walk safely.

**THE SCRIPTURE IS FULFILLED BEFORE HUMANKIND'S INDIFFERENCE;
THIS IS WHY YOU ARE NOT AWARE OF IT AND YOU DENY IT.
THE HOLY WORD WAS NOT WRITTEN FOR THE PAST; THE DIVINE
WORD HAS NO END. KEEP ALERT SO HE WILL NOT FIND YOU ASLEEP.**

Humankind's pride has increased to the point of denying what your eyes see. Men love themselves, they love money more than they love My Son; and for money they have become enemies of one another; they are disloyal because of their money god; man is hubristic and rejects My Maternal Love.

**CHILDREN, WAKE UP! BE NOT LIKE THOSE WHO APPEAR TO KNOW
ALL I ANNOUNCE AND YET THEY ARE INCAPABLE OF COMPLYING
BECAUSE OF THEIR LACK OF KNOWLEDGE REGARDING
EVERYTHING MY SON AND I HAVE REVEALED TO YOU.**

Children of My Immaculate Heart, a tragedy will make humankind shudder; however, those who are far away will look and will forget until the pain comes to them.

My beloved, pain does not live forever. Man's heart will be softened by suffering to which man has given himself by free will.

MY ANGELICAL LEGIONS REMAIN ABOVE MY SON'S PEOPLE; EVIL WILL NOT OVERCOME GOOD EVER, and man will not be able to destroy the Earth that the Eternal Father created with His Divine Love. For this, those who are faithful will give testimony of the Divine Love for His children.

Do not forget that the Divine Protection remains with you. Help for the body and for the spirit will come. You will not be unattended; every instant you will continue to be "in the Shadow of the Almighty" (Psalm 91:1); mostly this is what infuriates satan: The Faith of My Son's People.

The Divine Word will resound in you; the Divine Word will continue to be preached. **FROM ON HIGH WILL COME THE HELP OF MY CHILDREN, THE SHELTER FOR MY CHILDREN, AND THE CONSOLATION FOR MY CHILDREN... AND EVIL WILL NOT BE ABLE TO KEEP HIM AWAY FROM YOU, BECAUSE THE DIVINE LOVE WILL REMAIN WITH HIS PEOPLE THROUGH WHOM, BY DIVINE WILL, WILL COME TO BE CONSOLATION FOR GOD'S CHILDREN.**

Beloved children of My Immaculate Heart,

You will be astonished at the degree of wickedness that resides in men without God, but I, as Ark of Salvation, remain attentive to rescue you for My Son so you will not be lost in the eternal abyss.

Do not ignore My Calls. I look at you and I hasten to warn you.

I bless you and I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother remains continuously alert over humankind...

She Calls to delve in the Holy Scriptures which remain in present state. She alerts us so we will not detach ourselves from Her Son or from the Divine Law, as She anticipates man's acts and works away from God, and at the same time She attracts those who move away and forgives those who repent.

As Mother of all men, She Calls Her favorite children, the priests, to keep Her Son's Flock united around the one and true God, Creator of Heaven and Earth.

Brothers, as Christians, we must keep a heart of flesh, not stone, so that the tenderness of the flesh will allow the Holy Spirit to reside in us. Let us not allow the hardness of the stone to keep the creature stagnant in his own acts and works. Let us allow God to instruct us; He is Omnipotent; let's not set limits for Him.

Let's be living creatures and be a part of the Mystical Body in fraternity and unity, because evil does not find a way to penetrate unity and thus we will not limit God's Love in His People.

We are called to unity and this is a sign of Christians. Just as our Mother does not ask us for impossible things, we know that nothing is impossible for those who love.

We continue to be in difficult instants as humanity faces terror and war that can spread among the same Nations that act as allies at this instant. This is why our Mother calls us to unity and authenticity. A rose is beautiful but has thorns, and only Christ's Love and our Mother's Love remaining within us will prevent the thorns—along the personal path and the paths of our brothers—from duplicating, and will turn them less harsh.

**OUR MOTHER GIVES US ENCOURAGEMENT WHEN SHE INSISTS
IN TELLING US ABOUT THE DIVINE HELP AT EVERY INSTANT,
AND ABOUT THE SUPPORT FOR GOD'S PEOPLE THROUGH
THE DIVINE LOVE WHO WILL GIVE US ALL WE WILL NEED TO CONTINUE
WAITING FOR THE SECOND COMING OF OUR LORD JESUS CHRIST.**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
1 DECEMBER 2015**

My beloved People,

**GIVEN THAT MY LOVE KEEPS ME AWAKE FOR EACH ONE OF YOU, I CONTINUE AS BEGGAR FOR
RECIPROCITY IN MY CHILDREN, BUT I DO NOT FIND RECIPROCITY OR MUTUALITY IN THE
RELATIONSHIP...**

**IN EACH HUMAN CREATURE I LOOK FOR A BIT OF LOVE FOR ME
SO I CAN OVERFLOW AND UNITE MY CHILDREN, MERGING
THEM INTO ONE IN MY HEART, TO HEAL WOUNDS AND
FREE THE CAPTIVES, KEEPING THEM IN THE UNITY OF MY LOVE.**

My People, the ones who do not know Me are the ones I seek tirelessly, even if they close the door on Me—not only the door to the heart, but also the door to the human will—although they have been chosen and, as My chosen ones, I engraved in each one the path for them to find Our Trinity's House; those are the children for whom I wait every instant, including the last one.

LOOK FOR ME, CHILDREN! LOOK FOR ME!

I know you are not all the same, but there exists one and only one path to come to Me: “The gate is narrow and the road is hard” (Matthew 7:14), the road traversed by the meek and humble in heart; not the road of those who have personalized Me and trample on those who are humble and simple, those to whom I give Myself to teach humanity that I Am God, and I choose those who give themselves to Me, like small children, for Me to teach them and for them to know Me as I Am.

Man is so complicated! He looks for the least difference to cause conflict between My children, even though each instant I give Myself to Mine without stopping.

My beloved People,

**DO NOT WANT TO PERSONALIZE ME OR TO STOP ME IN HUMAN TIME.
I AM ETERNAL PRESENT; I REMAIN IN EACH ONE IN A PARTICULAR WAY;
I DEAL WITH SOULS IN MY ETERNAL PRESENT.**

My beloved People, in the search for perfection, humanity has fallen in the greatest imperfection of all instants: Hubris, when man disowns Me and removes Me from his existence. I had already announced it ahead of time: Man will come to disown Me, allowing the forces of evil, directed by satan, to penetrate My children, to penetrate their senses, deviating them from Me and, through

the reason, making them withdraw from the purpose of finding Me, making them ignore Me and, unknowingly, putting themselves at the service of the propagation of evil throughout humanity.

Evil has no eyes but sees it all...

Evil has no words, but he talks to man, reaches in the heart and talks to it...

Evil has no feet and no hands, but uses those of men to cause wickedness and to drive the human creatures to despair.

My beloved People,

Wake up! You think you fear evil, but you cannot avoid it if you do not know Me!... You cannot love Me if you do not know Me... You cannot think of Me if you do not delve in Me and take Me so the longing to know Me will penetrate and you will achieve Salvation. **MAN CANNOT ARRIVE TO ETERNAL LIFE BY HIMSELF; I CAN SAVE YOU IF YOUR HUMAN WILL IS OPEN AND READY FOR IT.**

HUMANITY, MAN MUST BE AWARE OF HAVING A GREAT ENEMY THAT CONSTANTLY STRIVES TO MAKE HIM FALL AND TO TAKE HIM AWAY FROM ME BY ALL MEANS AND IN ALL ASPECTS OF DAILY LIVING. THIS IS WHY YOU MUST KNOW ME SO YOU CAN RECOGNIZE ME.

It is not the lack of Divine Love for Our children what is driving so many human creatures to place themselves in the hands of the devil and serve him; on the contrary, it is man's hubris that betrays him, due to the spiritual ignorance with which he sees everything around him, he does not recognize the deception to which he has been driven.

My People,

I CALL YOU NOT TO LOSE YOUR SOUL, TO WAKE UP! The thing is that I call you and you do not know the depth of what it means to wake up. Because of the lack of personal interest in learning about man's organism—material and spiritual—you are not aware of what the soul is for man.

You hear about the soul and you do not know what the soul is; you hear, you only hear about everything without believing and, therefore, since you do not have enough Faith, you live without thinking about the instant when you will be summoned before Me.

Children, if for a minimum instant I were to give you a taste of what the soul experiences in a state of Grace, I would be giving you ahead of time a taste of Heaven, which is where I reside fully. Each soul has printed on it the Price of My Blood; this is why I call you and I do not want you to be lost by spoiling the soul with the mire of sin.

I speak of the soul and of sin, when for a great majority of humanity, sin is the daily bread, and this leads Me to suffer in constant pain. **HOW CAN THOSE WHO CALL THEMSELVES LEARNED SCHOLARS**

INSINUATE THAT I DO NOT SUFFER AT THIS INSTANT, WHEN MY PASSION LIVES IN CONSTANT CURRENT ACT FOR ONE SINGLE SOUL?

**NOURISH THE SOUL, PRAY, ADORE ME IN THE EUCHARIST,
PRAY TO MY MOTHER,
DO NOT NEGLECT AN INSTANT, NOT EVEN AN INSTANT;
AN INSTANT IS WORTH ETERNAL LIFE.**

My favorite children must instruct My senseless People who say they are saved before purifying themselves from all the wrongdoing committed. They do not recognize the mistake in which they live; they do not recognize that they are not the owners of life; they do not recognize that they are limited; therefore, because of so much hubris, man will purify himself.

I am in front of each of you. By showing repentance and firm purpose of amendment not to fall again in the same sin, and the continuous purpose of amendment not to offend Me, bringing down the selfishness of the human ego, I embrace you and lead you with My Mercy which is infinite; I am not the God that remains accusing you or judging you continuously...

YES, I AM GOD. I SEE THE ACTS AND WORKS OF THOSE WHO ARE MINE, AS I WAIT FOR THOSE WHO ARE LOST TO RETURN TO ME, AND I ENCOURAGE THOSE WHO DO NOT MOVE AWAY FROM ME.

AS GOD, I DO NOT REJECT THOSE WHO REPENT BUT I DO NOT WELCOME SIN, I DO NOT EVEN SEE IT WITH INDIFFERENCE; FOR THIS REASON THE LAW WAS GIVEN TO YOU; OTHERWISE, MY FATHER WOULD NOT HAVE GIVEN IT TO BE FULFILLED.

My children cry to Me when they feel barrenness; they ignore that it is a great sign of brisk walking. Therefore, in the midst of barrenness, pray, practice acting and working in My Love and My Will, and this way the soul will revolve within the infinity of My Mercy and the creature will find his nothingness so that I will be everything in him.

My beloved People,

How very powerful the worldly powers present themselves when they have to their credit military power! And the greater the weaponry, the greater the power!...

How very powerful a man feels when he is wielding a weapon!...

How very powerful it is that they feel before the hungry they who have joined the god money without thinking that one single instant is enough for Me to make that power tumble!...

Children, I allow you to continue until each one returns to Me.

The devil has stopped prowling; he has taken man and has transformed him into a creature locked up in the jail of ignorance and detachment from everything My Love means.

I WANT EACH ONE WHO READS OR HEARS THIS MY WORD TO MEDITATE AND BECOME AWARE THAT HE CANNOT ALLOW HIMSELF TO BE LOST.

My beloved People, are you suffering? You will suffer more...

Fire will fall on the earth and you will wish you had never moved away from Me. I know this scares you. What about sin? Does sin scare you? And offending Me? Does that not scare you? Not even dying in a state of sin scares you?

MY PEOPLE HAVE NOT BEEN INSTRUCTED THE WAY I INDICATED IN WRITING, SO THAT MY PEOPLE WOULD KNOW THAT SIN IS CALLED SIN AND SIN IT IS, THAT EVIL IS EVIL AND HE WHO LIVES IN EVIL WITHOUT REPENTANCE IN EVIL HE WILL DIE.

Do not live in fickleness or in liberalism, it leads to perdition when man falls into those states and, because of the confusion, the conscience is stopped and forgets My Mandates, forgets My Love, and then, giving himself to the devil, follows the steps contrary to My House. How very free is man when he walks in My Freedom!

My beloved People, war intensifies, the pain of terror expands; it is carried in silence and then the pain is heard with a great echo; evil takes pleasure in this. The allied nations will betray one another and division will set in; then it will be the shocking fire that will animate the living beings in the face of the great confusion.

Pray, My children, pray for Russia.

Pray, My children; mutually, the nations will give one another great suffering.

Pray, My children, ask My Mother for Her Intercession as the earth shakes; Norway will cry.

My beloved People, man is out of control; this makes Creation react and, in a lament, clamors to man for him to be a part of the Divine Order.

Children, you self-mutilate in the spirit when you give yourselves to evil and yield to him the power over you; you do not feel it, you do not perceive it because the mundane is integrated as part of your lives in a great majority of My children. You suffer by your own hand and because you do not remember Me

Do not forget that "I [Am] the Lord your God" (Isaiah 41:13) and I remain with My People, the People that are waiting for Me at My Second Coming.

I bless you, I love you; do not forget My Love for each one of My human creatures.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

What is it that the human being forgets?...

What is it that the human being remembers?...

What is it that the human being lives?...

What he wants for his welfare, what he does not want to cause him pain, or what pleases him to ignore. Only God knows what it is that that particular world of each human creature wants: **SALVATION, GLORY, POWER, SURRENDER, HOPE, FAITH, CHARITY.**

In this call from Our Adored Christ, I feel this imminent Divine Force that moves man to delve within himself and motivates the search and knowledge of how we are formed, not only physically but also spiritually. This is to prevent man from continuing to take steps without knowing the harm done to himself and to other human beings, even those who do not know one another.

Brothers, **WE MUST SPREAD GOOD THROUGHOUT THE ENTIRE CREATION SO THE DIVINE LIGHT OF THE HOLY SPIRIT WILL NOT BE STOPPED OUT OF IGNORANCE.**

Each human creature creates or destroys and, in that permanent action, either generates good which he transmits and it expands—the same good cooperates in the Divine Plan of Salvation to which each one belongs—or generates evil. Since we are part of Christ's Mystical Body, we share with Him what He asks of us, not only for the personal Salvation, but also for the Salvation of our brothers.

Evil spreads as if transported by the wind; in great haste any fashion is embraced, any song, any misused technology, any movie, any offensive vocabulary, any heresy, any ideology, any immorality, profanity, assassinations, etc. And all this happens directly in front of—as Christ says—unflinching men, because they see all these events as normal for this instant when modernism is in constant renovation.

This generation causes so much evil!... And so many Calls fall to the ground without bearing fruit! **HOW HE ASKS, THIS ADORABLE BEGGAR OF LOVE, THIS CHRIST WHO HURTS FROM HIS ENTRAILS, SO MUCH SO THAT HE CANNOT STOP HIS PAIN AND HE CONTINUOUSLY EXPRESSES IT, THE PAIN CAUSED BY MAN'S LACK OF LOVE FOR HIS FELLOW MEN AND FOR GOD. MAN SEES HIMSELF IN THE PRESENT; LET US NOT FORGET ABOUT THE FUTURE GOODS: CHRIST INVITES US.**

And this invitation entails a call to PRAYER, the interior silent prayer that moves the creature to yearn for the goods that Christ gives us. Therefore, man must not despise prayer, because maybe in prayer he will find the beginning of his flight towards the fusion of the creature with his Creator so the creature will rediscover all that man will never find away from Christ.

Humanity remains at a decisive instant; Christ says, in an instant, in an instant... Will we know about this instant or be ignorant of this instant? Do we understand the doom that can be unleashed in an instant? Or, are we of those who do not want to see reality?

Let us listen to Christ and reunite with our Most Holy Mother to whom Christ Himself asks us to go.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
4 DECEMBER 2015**

My beloved People,

**MY PEOPLE, YOU SUFFER WITH MY SUFFERING, WITHOUT LOSING
YOUR FAITH IN ME OR IN THE WORD MY MOTHER GIVES YOU
TO ANNOUNCE TO YOU THE DANGERS THAT LAY IN AMBUSH
AND TO KEEP YOU ATTENTIVE TO OUR DIVINE WORD.**

Children, at this instant I bless all of you, especially those who strive to be humble and in their strife they subdue the human ego, they subdue the human ego which causes hubris, disgruntlement, arrogance, and disobedience in men.

My children must open their hearts for My Holy Spirit to guide them “to a land flowing with milk and honey.” (Exodus 33:3) This Land is within each of you, and in this Land you will find the Gifts with which I adorn those who are faithful to Me, those who repent, those who are humble and, like small children, surrender to Me when they do not understand, when they do not see, because they know that those who walk hand in hand with Me will discover the delights of My House and will find the path more tolerable because Faith, Hope, and Charity are a safe Column. They know that, having been raised in My Love, they will come to live in My House.

I own My instruments through whom I have allowed My People to remain willing to change their lives so they will not be of those who will follow the antichrist that will be a wolf in sheep's clothing, a beast that will confuse even My own children if they are not well disposed to humbly delve in My Word, if they are not well disposed to My Omnipotence...

The elites who hold the world power were created by the antichrist. These elites represent one single power that has been given the prerogative to make decisions regarding the directives issued for humanity, causing pain to My children, especially because of the dominance of this elite over the nations which are used to suit its convenience.

Beloved children, you must receive Me in the Eucharist, you must pray and meditate on everything I announce; do not wait any longer. Remain attentive to the movements that are not disclosed before humanity, those that are minimized in small letters by those who do not want My People to wake up.

At this instant, so many of your brothers suffer because of the war, because of religious persecution, ungratefulness, torture, and famine! And those who have everything are centered on themselves without thinking about their fellow beings.

Ah! Famine will come and it will not distinguish between social classes because of the contamination caused by man through nuclear energy, fierce scourge of humanity.

**MAN SUFFERS BY HIS OWN HAND AND MY CHILDREN BLAME ME FOR THE SAME MAN'S
REBELLIOUSNESS IN DISOBEDIENCE TO MY REQUESTS.
CHILDREN, DO NOT EXPECT THE DISTURBANCES TO STOP; THEY WILL
INCREASE; THEY WILL NOT DIMINISH.**

I have talked to you by different means so you will understand that when man rebels against Me, he creates a fissure in his soul which not only absorbs the violence spread by the demons throughout the world but it leads them to folly; as a result of this, you are driven to rebel against My Holy Spirit, rebellion that calls you to act against My Will and live your own lives which become rough and difficult by trying to impose on everyone the way of thinking and the ideologies that have gotten into the creature. Man is fertile soil or arid land depending on his free will; My Word reaches all of you equally so that you will decide to act and work righteously.

This instant is the one I have announced and about which My Mother has warned you revealing to you all that was necessary to avoid what this generation will have to face. Man has turned a deaf ear to Our Will and therefore he has suffered more than he should. As the effects of the world war intensify, and due to advances in science—particularly in nuclear weapons—humanity's suffering will be greater than it was in previous wars. Man disobeys without thinking about the consequences brought on by this action.

**OUR TRINITY ALERTS... MY MOTHER WARNS...
AND MAN DOES NOT BELIEVE...
NOT UNTIL PAIN MAKES HIM GO DOWN ON HIS KNEES ASKING FOR OUR HELP.**

Because of man's indifference towards Me, he will have to face his own mistakes and examine himself by Divine Mercy in order to save souls.

Those who are close to Me and to My Mother must be the most humble, not the hubristic creatures who judge their brothers. And man must guard himself against these hubristic men because when, out of hubris, one of these moves away from where he serves Me, he takes his brothers by the hand to cause fissures in My Works and to take some brothers with him in order to hide his mistakes.

My People who are constantly attacked must remain alert in view of the attacks to My Mystical Body, and attentive, because they cannot serve two masters.

My People must remain alert because of the countless attacks that My Mystical Body suffers and will suffer by persecution and threats for loving Me.

My People,

My Church is attacked and not only spiritually. You know that this instant when the demons prepare the reign of the antichrist, the diversity of ideas will lead to a serious internal discussion within the bosom of My Church. Rampant modernism will cause great suffering to all humanity and, taking advantage of the instant of disturbance and confusion, will penetrate into the hearts of the great nations with great force.

Pray, My children, pray for England; suddenly it will suffer by human hands.

Pray, My children, pray for Venezuela. My children's suffering hastens.

Pray for Argentina; it will live the pain, it will suffer in its heart.

Pray for Italy; it will suffer by the earth what it will suffer later at the hands of men.

My beloved People,

**THESE INSTANTS ARE NOT FOR TEPIDITY; EXPAND YOUR KNOWLEDGE AND GET TO TRULY
KNOW ME SO YOU WILL NOT DENY MY WORD.**

My beloved People, I guide you before My Second Coming.

MY PEOPLE, YOU SUFFER WITH MY SAME SUFFERING WITHOUT LOSING FAITH IN ME OR IN THE WORD MY MOTHER REVEALS TO YOU THROUGH WHICH SHE ANNOUNCES THE DANGERS THAT WAIT IN AMBUSH FOR YOU, AND IF YOU ARE FAITHFUL, THE REWARD WILL BE GREATER.

Evil has deployed his demons to anticipate in man the land in which the antichrist will be able to penetrate with ease, under the eyes of the creatures who are distanced from Me and from My Mother.

Pray the Holy Rosary with conscience, in union with My Mother, meditating each Mystery; join Me in the Eucharist and adore Me in the Sanctuary.

Do not despise My Word. Do not forget that “no one can serve two masters.” (Matthew 6:24) This is the instant when you must be strong and not stagger at the diversity of obstacles that My children come to face. The disturbances will not diminish, they will increase; Nature tries to find in man reciprocity to My Will and, when it fails to find this mutuality, Nature convulses against man and will take him to suffer.

MY BELOVED PEOPLE, IN MY SECOND COMING I WILL ARRIVE “ON THE CLOUDS OF HEAVEN” (Matthew 26:64) **AND EVERY MAN WILL KNOW OF ME.** Those who expect Me will rejoice, and those who are immersed in vices and in darkness caused by ignorance do not expect Me and will tremble when I take them by surprise; they will tremble at the roaring of the sea waters, at the Creation getting ready to greet Me after having fulfilled the function for which it was created.

THE SKY WILL OPEN BEFORE MY MAJESTY AND THE WHOLE WORLD WILL BE LIT BY MY OWN LIGHT. ALL MY CHILDREN WILL SEE ME, THOSE WHO BELIEVE IN ME AND THOSE WHO DO NOT BELIEVE IN ME. They will see Me strong as lightning that shines so the blind will see Me.

MY SECOND COMING WILL NOT BE IN SECRET; I WILL ANNOUNCE IT SIMULTANEOUSLY, AT THE SAME INSTANT, TO THE WHOLE WORLD SO THAT EVERYTHING THAT WAS CREATED WILL KNOW THAT “I AM WHO I AM” (Exodus 3:14) **AND BEFORE ME “EVERY KNEE BENDS”** (Philippians 2:10).

My People, do not move away from Me; “come to Me all you that are weary” (Matthew 11:28) those that are sick, those that are hungry, those that are despised. Come to Me; I wait for you.

DO NOT FORGET THAT MY HELP WILL ARRIVE BEFORE MY SECOND COMING. I WILL SEND HIM FROM MY HOUSE TO COMFORT YOU ON EARTH IN THE BLOODY PERSECUTIONS AND STRONG PESTILENCES THAT WILL SCOURGE HUMANITY.

I shelter you; you are My People, the apple of My Eye; you are those who, like a hidden Treasure, will live and enjoy My Celestial Goods.

I love you, I bless you, I shelter you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

WE ARE THE BELOVED PEOPLE OF OUR LORD JESUS CHRIST. This is why He continuously, tirelessly, alerts us. He leads us to delve in the depths reached by evil, explaining it to us in different ways so that each one goes into the right path and becomes aware of this instant when, on different fronts, the devil will lead man to bring out what he carries inside.

Christ says something very important and it is that evil is evil, and evil does not pass by a creature just to pass by. When evil is stationed on a human creature, evil takes what is distanced from God or what rebels against God or those who are resentful or those who blame God for the events in life, and evil goes in and grafts onto that creature rebellion, which manifests itself in some creatures without so much external violence, but in others it manifests itself with an unthinkable violence that takes by surprise even the family.

For this reason and for the human platform that keeps directing humanity's destiny, it is that we must be united and resist evil by loving Christ and our Most Holy Mother.

Brothers, it is not with a lack of knowledge, it is not with fear, it is not with denial that human beings will find the grace of discernment of the Holy Spirit so that it will alert us in instants when everything will be total and chaotic confusion; no, it is with knowledge that man must delve deep into the Word from Heaven and assimilate it so that he decides to fight spiritually and to consecrate himself to the Sacred Hearts as protection in a life according to what Christ asks.

We know of revolutions, of oppressions of the People, of aggression against those who profess Christ as King of their lives; we know of attacks with chemical and bacteriological bombs, we know of the great evil of nuclear energy, and of the threats of the major mega-volcanoes and their consequences...

WHAT ELSE MUST TODAY'S MAN SEE IN ORDER TO REACT WITH A CHANGE OF LIFE TOWARDS GOD?

This can only be answered by each one of us. God forbid that we become part of those who persecute our brothers!

Let's pray to our Mother, let's be faithful for the love of Christ; we have help from the Holy Angels and from the Saints. We are not alone. We will be tested, but Christ's Church will not be brought down.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
8 DECEMBER 2015
FESTIVITY OF THE IMMACULATE CONCEPTION**

Beloved children of My Immaculate Heart,

Once more I come to you as echo of My Son's Word in order to attract you towards the Divine Will.

**BE DISCIPLES FAITHFUL TO MY SON AND MISSIONARIES
OF MY LOVE FOR ALL HUMANKIND.**

I wish to find in you reciprocity towards My Son's Love for His People. When you are aware of the Call, you must fight against the human ego and against everything the world presents to you to make you fall. You must grow and triumph united with Me; I intercede so that each instant you can overcome all adversities. The devil does not tempt you and then move away; he insists and insists with strength, time and again, until he weakens you. For this reason you must remain attentive with your physical and spiritual senses awake and united to Heaven, without looking at the mundane so that you will be able to drive away the temptations and persevere, and in this way we will triumph.

Beloved children, you live in an impious world that will get worse and worse in the middle of all the sins consented by man. **THESE ARE AND WILL BE DIFFICULT INSTANTS FOR MY SON'S PEOPLE. IN ORDER FOR YOU TO REMAIN IN STATE OF GRACE YOU MUST REDOUBLE EFFORTS TO FULFILL THE COMMANDMENTS, THE SACRAMENTS, THE WORKS OF MERCY, AND THE PRAYERS; AND YOU MUST NOT FORGET TO PRACTICE WHAT I HAVE MENTIONED BEFORE: BE LOVE FOR YOUR BROTHERS WITHOUT WEAKENING FAITH, HOPE AND CHARITY.**

I see so much poverty in the world, and I see you; although you are materially poor, you over abound in Faith and therefore you have more than all your brothers.

For My Son, Faith is balsam, incense, gold, myrrh; it is the greatest thing man can offer to Him at this pressing instant when the wheat will be separated from the weeds.

I, Mother of God the Son, address you by means of My faithful daughter, I guide you, and I give Myself to all of you.

Each one of My instruments has his mission which has been bestowed so that he will remain faithful in this mission and will carry it out together with his brothers. Each mission is important for the fulfillment of the Divine Will; no instrument of Mine knows everything, and no instrument knows everything regarding his brothers; each instrument knows what pertains to the development of the events that loom over humanity.

God the Father does not place all His Word or all His help for humankind in one single of His creatures. It has never been this way in the past and it will not be this way at this instant when the freedom of the beast that wanders around the world pours all its malignant power over My children with the purpose of making them fall.

Children, the beast, the beast does not persecute those who have declared themselves enemies of My Son or those who pretend to be christians but are not. The beast persecutes My children that struggle to remain on the right path.

Beloved, this My Word reaches all of My children, and My faithful instrument must transmit what I, as Mother, want you to know. I do not come for a small number of souls; I come so that all the inhabitants of the world know the Divine Will. Some know My Son better because they have penetrated the Divine Word with great earnestness, but this does not make them superior to their brothers. **EVERY HUMAN BEING HAS A GIFT THAT MAKES HIM SPECIAL IN SOME SPECIFIC ASPECT OF LIFE, AND ALL TOGETHER, UNITED, THEY CONSTITUTE MY SON'S PEOPLE.**

My beloved children, you must be clear about the extreme gravity of this instant for all humanity. The whole of evil has arrived to pervert My children, to steal souls from My Son; but this Mother of humanity will not allow to perish those who clamor for My Help; at the same time, I wait for those who do not yet call me Mother.

My children, you who keep growing spiritually know that My Son was derided and that you will be, too. You will be told that you are extremists and that this is not My Word; you will be called crazy for not living in just the way a great part of humanity lives. However, do not lose heart and do not lose your strength; bear in mind that you are not alone and that you struggle to be better not only for you but also for your brothers.

At every instant, My calls are for all humankind, not for a small number of creatures, and not to exalt those that remain close to the instrument because they must be the most humble. It is true that My Son prepared a small number of disciples, but they quickly shared the same Word received from My Son, they did not deform My Son's Word, they did not possess that which belongs to all of humanity. My Son's disciples are in communion with all those in spiritual need.

Beloved children of My Immaculate Heart, as Mother of all humankind, I have alerted you so that you will be prepared for war because war will intensify a lot more until it contaminates everything in its way. I do this out of Maternal Love and because **IT IS MY SON'S WILL** that everyone be saved and have knowledge of all that happens around humanity at this instant all over the world.

Some of My children deny My Word; they claim the war has not started because their idea of war requires that most countries be attacked with war weaponry; they ignore that terrorism, hunger, mass migrations of My children to other countries in search of safety are all part of the war. Aren't all of these things part of the war that has already started?

The war will intensify, My children, and the pain and persecution of all evil against all good is going to happen, but righteousness will not be defeated; evil will be defeated and will be bound and chained, **AND MY SON'S PEOPLE WILL BE FREE, TRULY FREE.**

Beloved children, science has been of great help to man until the ambition epidemic penetrated one man, and this human creature spread to his brother scientists the same ambition. Since then, the good of each branch of science took a wrong turn, and some scientists were corrupted and produced contamination everywhere and in all possible ways in order to contaminate My children and make them fall into passive vices that, instant to instant, gnaw the minds, the thoughts, and the hearts of My children who become so hardened that they see everything through contaminated eyes.

CHILDREN, IT IS NECESSARY THAT YOU START WALKING TOWARDS CONVERSION, SENSITIZING THE HEART SO THAT YOU SEE MY SON IN YOUR BROTHERS AND PUT AN END TO VIOLENCE IN YOU FOR MY SON'S PEACE TO ENDURE IN YOUR HEARTS FOREVER.

Beloved children of My Immaculate Heart, this generation will suffer ad nauseam because of their disobedience and their hubris against My Son.

I DESIRE SALVATION FOR ALL MY CHILDREN AND THIS IS WHY I KEEP MY ANGELIC LEGIONS WITH YOU; OTHERWISE, YOU WOULD FIND YOURSELVES IN ADVERSE CIRCUMSTANCES IMMERSSED IN CONTINUOUS SIN.

Remain alert and attentive; communism seems to be submissive... What does a predatory animal do when he is on the hunt? He waits, he patiently waits until he has his prey defenseless and helpless, and then he pounces on it.

Therefore, make sure you are not caught asleep. Wake up, My children! Good will triumph, but before this happens, the crucible will come to MY SON'S CHURCH so that it will be purified, from the Hierarchy to My Son's Mystical Body.

I do not mention this for you to be afraid but for you to reconsider:
Where are you?...

What steps are you taking?...
What Word do you utter?...
How do you fight against evil?...
Do you advance every instant or are you defeated by evil?...

Children, defeat evil; man must live in righteousness and be Love for his brothers.

**Beloved children, pray for My children who will perish
in large cities of the world because of terrorism.**

**Beloved children, pray for the United States; it will suffer greatly
by the hand of your brothers and Nature that comes with strength.**

Children, pray for Nicaragua; the land will be shaken.

**Beloved children, pray for Italy; the enemy hand will lead it to suffering
and Nature will strike it in different parts.**

My Son's beloved People, as My Son's children, news will shock you.

The war brought about by man rages.

Do not stagger. I protect all, I alert all, I give myself for and to all. Be conscious and reciprocate to My call through obedience, humility, and perseverance. Do not forget that I carry you in My Immaculate Heart. My Son is not slow; He seeks Salvation for all His children.

Beloved children of My Immaculate Heart, on this date when you dedicate to Me a great festivity, **I, MOTHER OF ALL MEN AND QUEEN OF HEAVEN, PROMISE THOSE OF YOU WHO—TRULY REPENTANT AND WITH FIRM PURPOSE OF AMENDMENT—PROMISE TO TAKE THE CORRECT PATH TO THE SALVATION OF THE SOUL AND THUS REACH ETERNAL LIFE, I PROMISE TO TAKE YOU BY THE HAND AT THE BLOODIEST INSTANTS OF THE GREAT TRIBULATION, AND DELIVER YOU TO THE HANDS OF MY MESSENGERS—YOUR FELLOW TRAVELERS, YOUR GUARDIAN ANGELS—SO THAT THEY WILL STRENGTHEN YOU AND FREE YOU FROM THE CLUTCHES OF SATAN TO THE EXTENT IN WHICH YOU CONTINUE TO BE OBEDIENT AND FOLLOW GOD'S LAW.**

My Son's People, no matter how difficult the instant may be, this Mother will not abandon you, My Maternal Protection remains with each one of My children.

I love you.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother continues to alert us without stopping because She knows the course of humanity and as Mother keeps us in a constant alert for man to change.

At this instant man has regressed as human being; he has become desensitized and these hardened feelings are the ones that take man to commit unthinkable acts against his own brothers.

When we read in the Holy Scripture “...*children will rise against parents ...*” (Matthew 10:21) it seemed as though this was far from our generation, but it is not like that; at this instant we have this before our eyes. So much Divine Pain!

Brothers,

We have been alerted about the causes of the decline of humanity. In the media and in reports given by the director general of the World Health Organization (WHO), Dr. Margaret Chan, who has warned about the spread of several viruses very dangerous to humanity, we can see how they give us information about what Heaven had already announced to us.

Man destroys the planet, and it comes from the spiritual alienation of humanity from their Lord and God.

The harmony that man used to have with God is broken because of man's hubris: Man thinks he does not need the Holy Trinity in order to live. The new ideologies that make man completely independent from God cause man's perdition and lead him to the lake of fire.

We are in very difficult instants, and if we do not know the Holy Scripture, if we do not delve in the Love of the Holy Trinity and in the Love of our Mother for Her children, we are far from the salvation of the soul.

Brothers, our trust in God must increase; we must not decline; we must remain in that trust in the Divine Love, and continue fighting every instant to be better and to grow in the awareness that each one has the freedom of salvation, salvation to which all of us are called.

All of us have the opportunity to convert. *"I can do all things through him who strengthens me."*
(Philippians 4:13)

Let us not forget that our Mother will give us everything we need to face those diseases as they arise because, for God, His People are the apple of His eye.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
11 DECEMBER 2015**

My beloved People,

**JOIN MY WILL; IN IT YOU WILL FIND THE NECESSARY BALSAM FOR THE INSTANTS
WHEN THE LOAD BECOMES HEAVY OR DISCOURAGEMENT TRIES TO DISHEARTEN
YOU SO THAT YOU STOP AND NOT CONTINUE BY MY SIDE.**

In My Will you find the sweet delight of a duty done out of Divine Love, which surpasses all other forms of love. My Love makes possible what is impossible to man when he wants to act by himself.

Children, the instants you find in My Word, in the Holy Scripture, and later explained and clarified to My instruments, and which My Mother has repeated throughout the Earth, come close to this generation with greater strength.

The instant has come when the act of sinning rushes in before My children with great complacency, because it is seen and accepted as inherent to man's acts and works. This action of man is followed by pain and sorrow: some find a way to amend sin and to reconcile with Me; others wait until it is too late, not because My Mercy does not wait until the last instant, but because they refuse to repent.

Routine takes man to see his works and acts as something good...

Routine makes you become stagnant and does not allow you to advance, because routine becomes habit and habit leads man to act mechanically numbing the thinking process which is rendered inactive because of lack of use...

In the face of routine, the mind gets used to repeating the same acts and thus it is rendered useless and tied up in chains, it does not need to fly or to innovate, it does not need to look for anything beyond its immediate surroundings...

Little by little, routine immobilizes the heart. When the creature acts mechanically, the heart gradually becomes stone when it is not fueled by knowledge.

Beloved children, mankind must wash the gravel it carries with it; this gravel increases until you despise life and violence leads you to act against one another. You cannot wash the gravel without Me; this is why human pride plunges you in the ignorance of those who, having in front of their eyes the Promised Land, deny themselves entry.

Ignorance is brought to this generation by satan, father of lies, to render the souls useless and thus prevent them from coming close to Me.

So many call themselves My chosen ones, My instruments...! And their purpose is to take advantage of the ignorance of My children who come to see these so called instruments as their god because they lead My children to see themselves as superior to their brothers. My children, to Me, the one who is superior is the one who is humble, the one who knows he will never finish learning, the one who does not limit My Acts and Deeds.

MY CHILDREN, AT THIS CRUCIAL INSTANT YOU MUST GO TO MY WORD, GET CLOSE TO THE HOLY SCRIPTURE AND SEARCH IT SO THAT YOU WILL NOT FALL PREY TO THE WOLVES IN SHEEP CLOTHING BECAUSE OF THE IGNORANCE OF THOSE WHO SAY THEY LOVE ME BUT DO NOT KNOW ME.

SIN IS FOOD FOR SATAN, AND EACH OF YOU HAS THE RESPONSIBILITY OF KNOWING THIS SO THAT YOU WILL NOT CONTRIBUTE TO THE WORK THAT THE ANTICHRIST IS ABOUT TO CARRY OUT. For this reason the persecutions against My People will be greater as the instant goes by. My Temples will be closed by the same ones that, out of love, were embraced by My Church; and the purpose is to eliminate our encounter: My Eucharistic Spiritual Delicacy for the souls.

My children do not grow; they make themselves useless by remaining attached to prayers that are not wrong but have been transformed into routine mechanisms and have no inherent love or reflection or surrender, no meditation. In this state, prayer does not bear fruit.

My Church has not been instructed in the practice of My Word; they have been taught to repeat words, to repeat without feelings and without knowledge. This is why at this instant it is so easy for man to leave Me and adopt ideologies contrary to what is truly My Love.

Most of the houses where future priests and members of religious orders are instructed have become houses of bustle and noise where prayer is no longer indispensable and where being a part

of society has become fundamental; and I am set aside, My Mother has been relegated so much that I am offended. She is My Mother and She is the greatest intercessor that humanity has.

You, My People, are greedy; you want to easily obtain what others have acquired through sustained effort to be ever more Mine than of the world, to be close to Me and to My Mother.

I CALL MY CHILDREN TO UNITY; I CALL MY INSTRUMENTS TO UNITY, RESPECTING ONE ANOTHER.

I know well that some will not listen to this and that others will despise it, but do not forget that “from everyone to whom much has been given, much will be required.” (Luke 12:48)

My People are centered on the current state of their lives, in comfort, in the apparent peace in which your countries live, setting aside My Warnings... You will regret this because you had right before your eyes My Warnings and My Mother’s Calls and you despised them saying, “This is far from happening.” When you see the mountains shake and the plains crack open, when the winds devastate villages in places where this never happened before, when the land shakes where it never shook before, Nature behaves in unusual ways throughout the whole world, and the animals have changed their behavior, the rivers flatten villages where that never happened before, torrential rains undermine the land, inactive volcanoes wake up, asteroids and comets are ever more frequent, thunder and lightning contain increasing power given to them by the contamination with which man has made Nature react uncontrollably.

MEN DO NOT SEE THE REALITY AROUND THEM WHEN THEY IGNORE MY CALLS AND MY MANDATES, AND WHEN THEY RELEGATE ME AND IGNORE MY MOTHER BY DESPISING HER MESSAGES AND EVEN BY MAKING FUN OF HER TO MINIMIZE THE FACT THAT SHE ADDRESSES MY INSTRUMENTS.

My beloved People, it is extremely difficult for those who do not come to Me and do not receive Me to encounter Me and, even more so, to fulfill My Will.

OPEN YOURSELVES TO MY REVELATION, TAKE IT SERIOUSLY AND KEEP IN MIND THAT THESE ARE DIFFICULT INSTANTS FOR MY PEOPLE.

If My People refuse to listen to Me, evil will not stop the attacks. My Words and those of My Mother do not stop, **BUT YOU EMBRACE THE SNARES OF EVIL AND SET ASIDE MY CALLS AS NOT IMPORTANT, UNTIL YOU FIND YOURSELVES COMPLETELY IMMERSSED IN CHAOS.**

Pray, beloved children; Iceland will suffer and, with Iceland, part of humanity will suffer as well.

Pray, My children, the plague is here and it will spread rapidly.

Pray, My children, for Central America; it will be shaken.

Pray, My children, for the United States; man’s hand will make it suffer and Nature will flog it.

Pray for Spain and Italy; they will lament.

My People, Nature flogs humankind.

Violence increases as the instant passes in apparent calm and the powerful of the Earth direct their efforts to expand the war.

UNITE, PRAY BEING AWARE THAT PRAYER, RECOGNIZED AS SUCH, IS STRENGTH FOR MY CHILDREN AND IT IS HEARD BY ME WHEN IT IS BORN IN THE DEPTHS OF MEN'S HEARTS. COME TO ME AND TO MY MOTHER, DO NOT DESPISE HER, SHE IS LOVE AND SHE GUIDES YOU TO THE TRIUMPH OF HER IMMACULATE HEART.

My children, I bless you, do not be afraid; My People are protected, you are the apple of My Eye.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Lord Jesus Christ calls us with Force and Love so that we will realize that God's People must know Him to love Him, and to love Him we must delve into His Word.

The soul needs to be nourished with good so that good is testimony in the creature. Each one of us carries the Kingdom to which we are called, but God's Kingdom does not expand in man if man is not willing to change radically and get himself out of the mundane.

Humanity has left by the wayside the yearning for righteousness, and lives without awareness of the end product of a fatal encounter between world powers that have an ever more sophisticated weaponry, not only nuclear energy but also the hydrogen bomb... Man is the most dangerous creature for his own species.

Let us pray with prayers that come from the conscience and from the heart. Let's ask that the violence which evil spreads throughout the Earth be reached by the prayers of those who pray in spirit and truth.

The course of the world will not stop, but with the conscience of God's children together with our Most Holy Mother, we will be able to attenuate the consequences of human disobedience and hubris.

Brothers, let's continue on our way to Christ; let's not lose heart; our Mother calls us to be Her children, let's say to Her, Yes, Mother!"

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
15 DECEMBER 2015**

My beloved People,

**YOU ARE MY PEOPLE FOR WHOM MY FATHER SENT ME...
YOU ARE MY PEOPLE, THE ONE I LOVE
AND TO WHOM I BEQUEATHED MY MOTHER...**

I continue to be King and Beggar at the same time. My Love leads Me to seek souls; I wish "everyone to be saved and to come to the knowledge of the truth." (1 Timothy 2:4) This way My People, purified of all wickedness and folly, will be Light in the middle of the darkness of the world.

My children, I have called you so much!... and at this instant, more vehemently because of the nearness of the coming events. The wise of the world call My children not to obey Me, not to believe Me, and to go on with their lives without looking at the surrounding reality, very different from what humankind sees.

Man bases his wisdom on what is far from true Wisdom. My children must come out of the night in which they live and seek My Light from the contemplation of My Love; only this way will they find the Truth.

My children do not know themselves and therefore they consider themselves to be incapable of ascending towards Me at this precise instant when evil, which they do not see, constantly leads them from one fall to another and does not let them see with the eyes of the soul what truly is evil...

**THE DEVIL IS NOT AN ALLEGORY, HE IS NOT A STORY, HE IS NOT MYTHOLOGY. THE DEVIL IS THE
REALITY THAT SURROUNDS YOU, THE REALITY WITH THE PURPOSE OF TAKING YOU TO THE
ETERNAL FIRE WHERE YOU WILL REMAIN VERY FAR FROM ME.**

Who dares to contradict Me?

Too many of My children contradict Me... precisely when I call them to do some soul searching, to revise their inner selves, and to clearly see the spirit that invades humanity seeking homogeneity

in the denial of My Truth, My Existence, My Surrender, to make way for everything the antichrist has marked as his own goal to possess My children.

MAN IS IN A BLATANT SELFISH STATE IN THE DEPTHS OF SELFISHNESS, AND MAN WILL COME OUT OF THERE ONLY IF HE RECOGNIZES THAT BY HIMSELF HE IS NOTHING AND HUMBLY CALLS ME SO THAT MY HOLY SPIRIT WILL BE EVERYTHING IN MAN.

My beloved People, where in the Scriptures did My Father invalidate My explanations to My children regarding their living, their acts and works, at this instant, when Our Trinity is the Eternal Present and We will not leave Our People without Help?

Children,

DO NOT BE FOOD FOR EVIL: WHEN A HUMAN CREATURE WORKS OR ACTS AGAINST THE COMMANDMENTS AND THE BEATITUDES, THOSE WORKS AND ACTS RESULT IN SIN, AND SIN IS FOOD FOR THE DEVIL.

Beloved children,

THE DEVIL IS USING ALL THE FOOD GENERATED BY ACTS AND WORKS CONTRARY TO THE DIVINE LAW TO GROW AND DEBASE THOSE WHO HAVE PLACED THEMSELVES AT THE SERVICE OF EVIL. This is why I continuously call you to come to Me in the Sacrament of Reconciliation and to receive Me in the Holy Eucharist so that you will not continue promoting evil to grow.

At the Creation, My Father established an Order. I recovered this Order for you to remain within the Order and not be strangers to the Divine Will. At this instant, man immediately truncates this Divine Order and turns it into a whim in his hands. The Gift of life is manipulated by man and, without a conscience, truncates the life of another brother, without remorse, like a delirious object in the hands of the devil.

MAN MADE THE DIVINE ORDER COLLAPSE WHICH CAUSES EVERYTHING TO ENTER A GREAT CHAOS WHICH, IN TURN, GENERATES THE SELF PURIFICATION OF HUMANKIND FOR THE DIVINE ORDER TO BE RESTORED AGAIN. For this I am Crucified time and again, My Passion is in current state; I do not move away from My children, on the contrary; otherwise what kind of God would I be?

I call My People to be aware of all their acts and works so that everything aims to recover the Divine Order.

You, beloved children—who pray and practice the prayers by acting in favor of your fellow humans—are beacons of Light that I see and which keep Me constantly looking your way. My Mother does not abandon you and She will not abandon you; She will shelter you until Her Immaculate Heart triumphs over evil, and righteousness reigns throughout the Earth.

My children,

YOU HAVE LED TO MUTATE EVERYTHING I HAVE GIVEN TO YOU, AND YOU HAVE CONSENTED TO THE DEFORMATION BECAUSE YOU HAVE SUBJECTED YOURSELVES TO WHAT IS OF THE BODY AND TEMPORARY; YOU DO NOT WANT TO GROW IN THE SPIRIT, YOU DESPISE KNOWLEDGE BECAUSE OF YOUR LITTLE YEARNING TO UNDERSTAND...

Beloved children, look on high, do not despise the Signals, remain attentive to Heaven... What will make humanity tremble is near.

Do not continue lulled in the lethargy produced by those who prepare the footstool for the antichrist; reunite with Me, I seek the Prodigal son, the lost sheep, the one who does not know Me so that he will, the one who despises Me and then repents. **I AM THE TRUE LOVE.**

My beloved People, I call you to pray for the countries that will suffer because of the water which will increase without precedent.

**My beloved People, I call you to pray for Italy; it will suffer, lament, and cry. Man's hand looks for vengeance. My Church in Rome will suffer great shaking.
My beloved People, pray for Germany; it will be flogged.**

Step into My Way where you will not be misled...

KNOW ME SO THAT YOU WILL ACQUIRE THE KNOWLEDGE WHICH WILL BRING YOU CLOSER TO ME AND SO THAT YOU WILL FIND THE STRENGTH TO REMAIN BY MY SIDE AT THE INSTANTS WHEN ONLY I WILL KEEP YOU TOGETHER IN ONE SINGLE FLOCK, BECAUSE I AM THE ONLY SHEPHERD OF THE SOULS, KING OF KINGS, AND LORD OF LORDS.

My People, I come for you so that you will not be lost; be unity; there must not be a single fissure in My People. My Love prevails among those who are Mine and no wind topples them.

**MY CROSS OF GLORY AND MAJESTY WILL TRIUMPH CRUSHING EVIL,
AND AS TO THOSE WHO ARE MINE,
"I WILL BE THEIR GOD, AND THEY SHALL BE MY PEOPLE." (Jeremiah 31:33)**

I bless you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our beloved Lord Jesus Christ, urged to eliminate the slightest trace of ignorance in His children, explains with great solemnity how His Love for each one of us is in a constant giving, and He calls us to walk towards this re-encounter of the creature and his Creator.

Everything entails an Order: We see it in the Universe, in Nature, in life...everywhere. Christ tells us that this Order has been interrupted by the works and acts of man, and Christ urgently calls us to become aware of this so that each one of us will be the grain of sand that, together with others, will form the beach in its entirety.

Because we are members of the Mystical Body, He calls us to seek Wisdom, a Gift of the Holy Spirit, and He tells us that, in order to acquire Wisdom, we must contribute with our share of knowledge, not of the knowledge that each one pleases, but the knowledge that brings us closer and closer to being more spiritual than of the world. This way we will not feed evil with works and acts that cause spiritual chaos and that completely distance man from the Divine Spiritual Delicacy for the souls.

Brothers, in the middle of this instant so difficult for humankind in general, when we suffer the deaths of human creatures because they supposedly have some so called disability and are therefore beheaded without mercy, how can there be a human being who says that there is no chaos?

We must be creatures who constantly ask Christ and Our Mother for Divine Help so that we will remain standing. Let's ask for the consciousness of the greatness of being God's children and of having a Mother who intercedes equally for each one of us.

Let's be aware of the need of delving in the knowledge of the Divine Love so that we will love Him in truth and spirit.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
20 DECEMBER 2015**

Beloved children of My Immaculate Heart,

**MY HANDS HAVE ALL THE LOVE THAT AS MOTHER
I OFFER EQUALLY TO ALL OF YOU.**

The faithful children of My Son and Mine do not consider themselves defeated when they fall to the ground; instead, they stand up immediately and amend, with humility and repentance, the errors committed against My Son.

Beloved children, raise your thoughts towards My Son, do not allow your misused free will to control you leading you to live in wickedness. You must enjoy your free will which is a grace, and you must use it to do good at every instant being messengers of the Love of My Son and Mine.

PRAY THE HOLY ROSARY, OFFER IT FOR YOUR BROTHERS AND ALSO FOR YOURSELVES, MAINLY FOR YOU TO RENEW YOURSELVES IN THE INSIDE WITH GENEROUS SPIRIT. Children, transmit to your brothers the fruit you receive from praying and from putting into practice your prayers, by seeing My Son in each of your brothers, by living, working, and acting the way My Son orders.

Do not forget you have the human ego which tends to control you taking you to where most of your brothers are: AWAY from the Divine Will. For this reason I call you to righteousness, so that Good will weigh more and you remain yearning for Good and for Peace.

Beloved children of My Immaculate Heart,

I CALL YOU TO REMAIN ATTENTIVE, WALKING IN THE KNOWLEDGE OF THE IMMUTABLE PRINCIPLES THAT MY SON BEQUEATHED TO YOU AND TO THOSE HE CALLS TO HIS PEOPLE; OTHERWISE, YOU WILL BE WEAK, BECAUSE THOSE WHO DO NOT KNOW THE DIVINE WORD RISK BELIEVING IN WHAT THEY HAVE DISTORTED, AND THIS WAY THEY WILL FALL EASY PREY TO THOSE WHO WANT TO CONTROL THEM.

At this instant, evil is acting with force in a strong battle for the souls just prior to a greater persecution of My Son's faithful People so that they will regress in the Faith and deny God.

THE ANTICHRIST IS COMING...

The antichrist is a beast that oozes evil from his pores and propitiates debauchery in humankind so that they will adhere to him...

The antichrist will make it easy for you to air every kind of expression contrary to My Son's Guidelines and Calls; he will allow whatever man wants so that he will control humankind and add the human beings to his ranks...

The antichrist is acting and will continue to act in this way until the Help that My Son will send to His People arrives to counteract evil, vehemently calling My Son's People to retake the true path which is the only one that will take them to Eternal Life...

Alliances will not lead to long lasting peace; on the contrary, when peace is being invoked, others will be planning to defeat it. This is why there is great confusion among My children when they hear talks about peace while, at the same time, My announcements alert them about calamities and war. **BELOVED, THIS IS THE WAY EVIL ACTS: STEALTHILY, CREATING CONFUSION... THESE ARE HIS STRATEGIES.**

Children, the relations between world powers are not well; on the contrary, each one has been able to make a show of weaponry, and not only to be seen by the others but also to intimidate those that could eventually become adversaries.

My beloved children,

I HAVE WARNED YOU SO MUCH ABOUT THE HAPPENINGS AT THIS INSTANT!

DISOBEDIENCE AND LACK OF ATTENTION TO MY CALLS have prevailed above all else, and you continue to disobey and to rebel against the Commandments.

DISOBEDIENCE COMES FROM AN ACT OF REBELLION, AND REBELLION COMES FROM AN ACT OF HUBRIS; the detachment of the creature from the Creator starts achieving a diminished Faith, and as Faith diminishes, man is more involved in a severe struggle between believing and not believing. This is where you are headed, My children, when you keep your distance from the Divine Will. The crisis of Faith increases and man will be in a maze from which he will not find a way out, unless he recognizes the need for the One Who has given him life: God.

THOSE WHO WANT AN ENCOUNTER WITH MY SON MUST LOOK FOR AN INSTANT ALONE WITH HIM; IN THE BUSTLE THE CREATURE WILL BE CONFUSED AND WILL NOT KNOW WHAT VOICE TO FOLLOW; THE CREATURE WILL NOT DISTINGUISH BETWEEN GOOD AND EVIL.

Humankind renounces God's Law, they renounce all authority, and the instants will come when a total debauchery will be experienced all over Earth—in broad daylight and in the dark—because of the rules that the men without faith will impose.

Children, doubts regarding the Faith are increased by the allies and supporters of the antichrist who is behind the alliances and divisions between the great Nations.

Beloved children of My Immaculate Heart,

ILLNESS SHOWS ITSELF TO HUMANKIND AND IS NOT TAKEN SERIOUSLY; HUMANKIND EXPOSES ITSELF TO ILLNESS AND GIVES IT THE POWER TO SPREAD THROUGHOUT MUCH OF THE EARTH UNTIL IT BECOMES A LASHING EPIDEMIC.

I have called you to look at the sky to see the signs and remain attentive. Instants are near when humankind will be subjected to continuous threats coming from outer space; these threats will be greater and will cause fear when the comets or asteroids get closer than they should.

Beloved children, keep in mind that the seawaters will make humankind suffer great floods in several places of the planet; water rebels against man just like man rebels against his God.

**Pray, beloved children, pray for Indonesia; its lament will increase.
Pray, beloved children, pray for the United States;
fear will not let its inhabitants be in peace. Its ground will be shaken vigorously.
Pray, beloved children, pray for France;
it will suffer again at the hands of those who want revenge.**

My beloved, the Earth announces what man is going to face; it cracks in several countries to the surprise of the scientists. Could this be the way in which souls fall to evil because of how little they know My Son?

My children, humankind will shudder because of a serious act against a President; pray that the blood does not spill even more.

Italy, do not sleep. Wake up! The siege is at your door. This beloved land will suffer promptly.

Beloved children of My Immaculate Heart,

**UNITE! DO NOT TOPPLE ONE ANOTHER,
BE FAITHFUL DISCIPLES OF MY SON, AND CONTINUE TAKING THIS CLARIFICATION OF THE DIVINE
WILL THROUGHOUT ALL THE EARTH
JUST LIKE THE WIND BLOWS WITHOUT BEING STOPPED.**

Beloved children,

DO NOT BE AFRAID; AM I NOT HERE, NEXT TO EACH ONE OF YOU,

I, WHO AM THE MOTHER OF HUMANITY?

COME UNDER MY MATERNAL MANTLE... I WILL COVER YOU AND PROTECT YOU, AND YOU WILL REST WITHOUT YIELDING, REMAINING FAITHFUL, AWAY FROM SIN, AND WITH FIRM PURPOSE OF NOT RESIGNING MY SON.

Children, I do not scare you, I call you to look at reality so that you do not despise the Calls from the Paternal House. You are not alone, come to Me, I intercede for each one of you, even for the greatest sinner if he repents and amends his ways. I am Mother and, as Mother, I love all of you.

Do not forget My words. I bless all of you. I love you.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

At this instant we find ourselves before Messages that lead us to be aware that within us lies the Holy Spirit and therefore we have to delve to silence the senses and allow to be guided towards a change of life regarding attitude, sensitivity, and fraternity.

Considering the state of total alert at the global level, the share that each can offer as a human being for the good of humanity is to be aware of the instant and not be the cause of greater future woes; instead, each must join those who, because of their love for Christ, want fewer brothers to suffer the consequences of the war—at this instant, centered on Syria and a terrorist group, and at the global level, a war of the power of weaponry involving sumptuous parades to intimidate one another and which humankind ignores. What else do they have?...

Some will ask themselves: what does this have to do with a spiritual Message? So very much! ...

Behind all of these interventions is the power behind the throne, the power of evil that expects to control the world in an instant of great despair—like the instant when this war generalizes or some celestial body approaches Earth more than it should—but the instant of great despair will force man to stop and remember God.

Brothers, we must prepare in the spirit, because the war does not only involve weaponry, it is a spiritual war as well. Humankind is attacked on various fronts, the most important one being the union of the creature with his Creator so that man will be more vulnerable.

Brothers, our Mother loves all of us equally Let's go to Her with the Holy Rosary in our hands and the ardent wish of remaining at peace with the Divine Will and with ourselves so that we be true brothers with our fellow beings.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
24 DECEMBER 2015**

Beloved children of My Immaculate Heart,

I INVITE YOU TO LIVE IN HOLY PEACE THE COMMEMORATION OF THE BIRTH OF MY SON, JESUS.

With His Birth I call you to return to My Son so that each one of you will be soft clay in the infinitely Holy Hands of My Baby Jesus who, with tenderness and profound Love, wishes to take each human heart in His Hands and mold it until all roughness, all hardness disappears...

My beloved, man is not accustomed to stopping to look at himself; he is not accustomed to keeping silent and penetrate in his heart to open up to himself and have the courage to change what is not right in his life and in the quality of his feelings and intentions towards his fellow men and towards My Son.

**LOVE IS THE INDISPENSABLE INGREDIENT FOR THE TRUE SON OF GOD; EVERY HUMAN BEING
HAS THIS LOVE TO MULTIPLY IT TO INFINITY, IF HE IS HUMBLE AND CAPABLE OF ACCEPTING HIS
FELLOW MEN AS THEY ARE, LEAVING HUBRIS ASIDE.**

My children know well the doom brought on by hubris in the human creature. **HUBRIS IS THE EVIL FROM WHICH SPRING ALL EVILS WITH WHICH MAN SERIOUSLY OFFENDS MY SON**, because hubris clouds reason and thought, stopping one's ability to arouse awareness of the physical and spiritual senses so that the creature reacts and stops and does not fall into sin.

My beloved children, **KEEP IN MIND THAT YOU MUST NOT UTTER WORDS AGAINST THE DIVINE SPIRIT; THIS IS A MOST SERIOUS OFFENSE, INFINITELY SERIOUS.**

Beloved children of My Immaculate Heart,

**BE HOLDERS OF THE DELICACY OF THE ANGELS:
THE COMMUNION WITH THE HOLY TRINITY.**

At this instant, when you see My Jesus in a humble manger, contemplate yourselves until you become aware of the lack of humility in each of you and in which aspects of your lives you suffer this huge deficiency so that you fill the need with simplicity, humility, and the Divine Love of My Baby Jesus. **APPROACH THE MANGER, BUT THE PERSONAL MANGER, THE ONE THAT IS EMPTY FOR LACK OF THE GIFTS AND VIRTUES NECESSARY FOR YOU TO GIVE TESTIMONY, THE ONE THAT IS NECESSARY FOR YOU TO ATTRACT YOUR BROTHERS.**

Beloved children of My Immaculate Heart, fight hard to keep the Love within you so that your transit through life be less precipitous.

Beloved children,

DO NOT MOVE AWAY FROM HUMILITY, BE AWARE OF THE LACK OF IT IN YOU AND IN HUMANKIND IN GENERAL, ABIDE BY MY SON'S WORD.

A TRUE CHRISTIAN OBEYS EVERYTHING MY SON ORDERS AND DOES NOT COMPLY WITH HIS OWN CONVENIENCE; HE ABIDES BY THE DIVINE WILL, AND THIS LEADS HIM TO BE MORE SPIRITUAL, EVEN IF IT BECOMES NECESSARY TO LEAVE PIECES OF THE HUMAN EGO ALONG THE WAY.

**THE HUMAN EGO IS PRECISELY WHAT YOU MUST BANISH,
AND YOU MUST ACCEPT THE DIVINE LOVE.**

The instant is pressing. Humankind hangs from the ill-employed free will which spreads—all throughout Creation—the debauchery that makes man indifferent towards the agreement with the Divine Will that the Creation maintains.

Man has moved out of this Divine acting and working, and he has entered the tempestuous sea of darkness, exposing his soul to the devils that are prepared to capture the souls that deny themselves the knowledge of My Son, that refuse to obey and enter the other sea: the sea of light and infinite grace that is Infinite Love.

TWO PATHS LIE AHEAD FOR EACH OF YOU: THE GOOD AND THE EVIL. THE COURSE THAT MAN TAKES IS EXPRESSLY THE WILL OF EACH CREATURE. This is why I call you to be messengers of My Son's Love, to continue to be faithful disciples that live and enjoy fully any requests from Heaven.

Children, Salvation is not found without effort; you must let go anything to which you are clinging; you will find Salvation by purifying yourselves of the things you are dragging from childhood.

Therefore, humility is easily seen in human creatures when they are docile to the Call that they must fulfill.

WITHOUT LOVE YOU ARE NOTHING; WITHOUT OBEDIENCE YOU ARE REBELS; WITHOUT BROTHERHOOD COEXISTENCE IS DIFFICULT; WITHOUT UNDERSTANDING YOU LIVE IN CONSTANT CONFLICT; WITHOUT HUMILITY YOU ARE HUBRISTIC; AND WHEN MY SON CALLS, IF HIS CHILDREN DO NOT OBEY, HE WAITS FOR THEM TO PASS THROUGH THE CRUCIBLE AND RETURN TO HIM SO THAT HE EMBRACES THEM.

Beloved,

I summon those who remain in prayer groups interceding for the souls, announcing the Messages from Heaven, carrying My Word expressed in My Apparitions.

I summon you not to deny yourselves the road to Salvation...

I summon you to obey the Calls from the Paternal House no matter how difficult they may seem...

I summon you never to say NO! to My Son...

I summon you to stand by My instruments in this battle against evil, to bring to you this My Word which is Divine Will.

Beloved,

Don't you be the stumbling blocks that My instruments must overcome instant to instant...

Be the shoulder on which My instruments lean when their load feels heavy...

Be the encouraging Word, the balsam, the shelter, the hope...

Do not be executioners of those around you with the difficult mission, which at this instant is even more difficult: TAKING THE WORD, MY SON'S AND MINE, TO THE SOULS...

Be true; do not expect to receive immediately much love if you give out thorns.

Beloved children of My Immaculate Heart,

THE COMING INSTANTS ARE NOT FLATTERING, YOU WILL LIVE THROUGH EVENTS THAT I HAVE ANNOUNCED AND THAT WILL COME TO PASS; YOU LIVE IN THE MIDST OF THE RAGE OF EVIL, AND ONE SINGLE INSTANT IS ALL IT TAKES FOR YOU TO LOSE ETERNAL LIFE.

Unite in truth and spirit; God does not ignore the truth that each one of you is hiding within, and the Father remains with Watchful Eye, not to condemn, but if you do not cry for forgiveness and amendment, He will wait until it is His Will.

My Son's People are persecuted, ambushed by evil each instant with greater force in order to make you fall. If you are aware, you know this that I have constantly mentioned, and you will run away

from it, you will not stubbornly continue with the same acts and works that keep you in rags when you could be wearing formal festive attire.

Beloved children of My Immaculate Heart, **COME TO MY SON, HELPLESS IN A HUMBLE MANGER; IT IS IN THIS TRUE INTERIOR HUMILITY WHERE REMAIN THE SOULS THAT APPEAR THE WAY THEY REALLY ARE.** Union must distinguish you from the separation in which your brothers live, so that you strengthen one another at the instant when My Son's Church greatly suffers a division and Nature purifies God's children all over the world.

The land trembles before the alliances are broken and war becomes one more scourge.

Do not forget that the plague advances silently until it includes a large portion of the world population.

Do not forget that Rome will be in the news and the volcanoes will speak of death around the world.

Clamor, pray, but above all put into practice what you preach.

MY SON LISTENS TO EVERYBODY AND HIS PEOPLE WILL NOT REMAIN ALONE; ON THE CONTRARY, I, WHO AM YOUR MOTHER, REMAIN WITH YOU AND AT THE INSTANTS OF BLOODY BATTLE, MY SON WILL SEND HIS HELP SO THAT HIS PEOPLE BE PROTECTED.

I bless you, beloved children, and I share with you the true Innocence: **MY BABY JESUS**, source of Power and Majesty.

I bless you; I ask that, in front of the Nativity Scene, you pray and uncover yourselves with all the loads and all the helplessness that you have, so that you place them before My Son and He be in you and you in Him.

I love you, My children, I love you. Come to My arms.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

May Our Mother help us on this date to possess the needed conscience so that each one takes charge of being truly Christian as well as of the mission that has been assigned to each of us. That is the gift that Jesus asks of us this Christmas.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
31 DECEMBER 2015**

My beloved People,

**AT THE START OF ONE MORE INSTANT IN THIS GENERATION'S TREK,
I BLESS EACH ONE OF MY CHILDREN.**

I have called you and I call you through My servant, My Prophet, to keep you aware of the seriousness of this instant. It has been My Will to explain to you repeatedly what you already knew from My Mother in Her Apparitions. At the same time I have given you new Revelations and I have given you advance warning on coming events in hopes of preventing My children—who still continue living of the mundane, in spiritual decadence, wayward, carrying their rags—from falling prey to the antichrist and from joining his ranks, by repenting promptly.

My People have been warned nonstop... My children continue immersed in sin nonstop... And sin incapacitates them to become aware of the evil they commit and of the Salvation they can lose by not repenting of the evil acts they have committed, evil acts of which the same man is expressly the author.

THAT'S RIGHT, BELOVED CHILDREN, MAN IS THE AUTHOR OF HIS OWN WICKEDNESS, HE IS THE AUTHOR OF SIN WHEN HE ACTS AND WORKS AGAINST MY WILL BY MEANS OF HIS FREE WILL USED INCORRECTLY.

Beloved children, human will dominates man and gives him the last Word which prevails in man, it leads him to act within My Will or outside My Will because man knows good and evil... and his human will pushes the human creature more easily in the direction towards which he tends.

I have called you so much! Knowing ahead of time all the vices to which you are exposed and to which, with great weakness, you can adhere, you must keep the soul resistant so that the lower passions do not defeat you. I know the way for each one of My children, **I KNOW THE WAY FOR EACH ONE OF MY CHILDREN, THIS IS WHY I CALL YOU SO THAT YOU ALWAYS TEND TOWARDS GOOD.**

Man does not carry evil in his learning, nor does he do evil if he does not want to do it; it's the lower passions working on a weak will which does not know My Word and does not know My Will; the

weak will is dominated by that which the human creature does not want to lose and to which he holds on, even if Eternal Life depends on it.

My children, I do not remain where chaos is everyday living, because chaos is unleashed by wicked and improper inclinations in the man that is accustomed to living in My absence, in total disorder, and misusing free will.

My beloved children,

EVIL NESTS IN IMPROPER AND DISORDERLY PASSIONS.

My beloved, **WHEN MAN ACTS AND WORKS IN AN IMPROPER AND DISORDERLY FASHION, HE BRINGS FORTH EVIL, AND EVIL ADHERES SO FIRMLY TO HIM UNTIL IT BECOMES A PART OF THE MAN.** Man acts within what is not good, his acts and works cause disorder, and disorder leads him to choose what is less work while he considers and feels that his acts and works are good when they are contrary to My Will which is Love.

My beloved People,

The instant must motivate My children to seek out good, leave aside the chaos in which they live, see themselves in all sincerity and truth so that evil is not fed by My own children. **THIS IS THE INSTANT WHEN MY PEOPLE MUST BE AWARE OF THE EVIL THEY CAUSE TO THEMSELVES WHEN THEY PLEASE THE HUMAN EGO.**

This instant calls humanity to realize that they do not see the changes in the world because they have not happened in one single act, they happen slowly but they are undeniable. The scourges will increase in their continuity—among which is Mount Etna's great activity—together with an increased marine activity, will indicate to humankind that the rhythm of the events has accelerated, and in this acceleration, the Earth will continue to tremble with force, making a large portion of Japan's territory perish in the sea together with other coastal communities.

MY HEART HURTS BECAUSE OF THE DISOBEDIENCE AND DEBAUCHERY OF MAN TOWARDS SIN...

The land where different races and different sins converge will suffer.

The United States will suffer.

San Francisco will lament in the crucible; so much sin has been too abundant.

California will be severely shaken and I have bled on that soil for the pain My children will live.

Chile will be greatly shaken.

Europa will lament having distanced itself so much from My House.

Beloved, you suffer spiritual hunger and this will be complemented with material hunger. The shortage of food will be all over the Earth and famine will be a scourge for everyone.

South America will be land of laments from one end to the other.

Pray, children, for Argentina; the land of Santa Fe will be tested once again.

My children, how many wars have devastated entire peoples?

How many deplorable acts pass before Me at the hands of leaders of great Nations who, seeking to control the Peoples, strive to show their power, ignoring that those who fight together will betray one another? Wars are savage acts that lead humanity to lose feelings for the same man.

My children call one another wise; if they were wise they would never wield a weapon against a brother; instead, they would want to cleanse the Earth from sin in order to free themselves from the misfortunes that befall them.

Woe to the world for the scandals! When evil rises with the leavening of My children's ignorance, immediately charity becomes nothing for man.

My Father did not create the world and you, His creatures, to forget you...

My Father remains attentive to His children...

I call you with My same Love so that you continue and fulfill the purpose for which My Father created you: **TO BE HIS CHILDREN.**

**AT THIS INSTANT SO PRESSING FOR HUMANITY,
EACH HUMAN CREATURE WANTS MY HOUSE TO GIVE HIM ANSWERS TO
HIS PERSONAL QUESTIONS BECAUSE MAN DOES NOT KNOW HOW TO WAIT;
THEY WANT TO HEAR WHAT PLEASES THEM AND THEY DISOBEY
WHEN I SPEAK THE TRUTH BECAUSE MAN IS NOT PLEASED WITH MY ANSWER.**

I call you to pray so that you be nourished by seeking knowledge and by penetrating in My Will; but, on the contrary, you do not penetrate in the knowledge, you only wait for answers; you pray to calm yourselves in the midst of calamities. In the middle of the disobedience that has prevailed in your lives, you pray, yes, at your convenience, without reconciling with Me, you call Me to force Me and bend Me. The human heart is so small when it is full of ego! How small is man when he loves worldly things!

My beloved People,

**PAY ATTENTION TO MY CALL SO THAT YOU NOT REGRET THE DISOBEDIENCE WITH WHICH YOU
DESPISED EACH ONE OF MY WORDS.
FOR SOME I AM A GREAT UNKNOWN, I AM IGNORED.**

Children, this instant when humanity will experience great pain is not a time to be alone... I am here before each one of you to mitigate the suffering and call for unity.

**I WISH TO LIGHTEN THE LOAD YOU CARRY BECAUSE OF YOUR OWN FREE WILL...
YOU WILL NOT FIND HAPPINESS OUTSIDE BUT INSIDE EACH OF YOU.
YOU WILL FIND HAPPINESS DOING MY WILL AND BRINGING IT TO FULFILLMENT.**

This instant is not one for hesitation, do not build idols and do not trust in them. The economy will fall in the greatest desert, choked by the codes that the beast has begotten to steal My children's freedom and to keep them captive without placing them in a concentration camp. Instant to instant, oppression is near man, and humanity—unaware and unprepared—looks on without giving importance to what moves around them.

Children, a Factory of idols has been implemented and these will fall one by one, and the man who does not know Me will suffer the greatest desolation; that is when he will look for refuge and he will make a mistake by staying with the tentacles of the antichrist who emerges with great human support, taking what mostly conditions man: The economy. Then, the political powers will follow, until My children forget Me in favor of a new idol that will lead them to lose their souls.

**WAKE UP! THE WARNING IS NEAR WHILE
MY CHILDREN SLEEP IN SIN AND FORGETFULNESS.**

Children, do not move away from Me. Come, My Love reclaims you. **WHEN YOU SEE WHAT IS CLOSER AND CLOSER SHINE IN THE SKY, INVITE MY MOTHER WITH THE HAIL MARY SO THAT HER ANGELS PROTECT YOU.** The announced darkness is what will arrive and will take over the world, purifying My People in the crucible, My People that have dislodged Me and have thrown Me out of their hearts.

My beloved, do not forget that you are My People and that I protect you.

MY HELP WILL ARRIVE AT THE PRECISE INSTANT WHEN THE DECEIVER OF SOULS HAS TAKEN A GREAT MANY OF MY CHILDREN. Do not trust in what is announced by science; I am above science. The unexpected will reach humanity and My children will call Me and My children will find My Consolation.

**DO NOT FORGET THAT YOU MUST BE HUMBLE AND RECOGNIZE YOUR MISTAKES BEFORE ME
WITH THE FIRM PURPOSE OF AMENDMENT, WITHOUT FORGETTING THAT THE
COMMANDMENTS ARE LAW FOR MY PEOPLE
AND THE LAW IS THE LAW ABOVE ALL ELSE.**

My People, do not be afraid. Faith will lead you to enjoy a taste of My House in advance.

YOU ARE MY PEOPLE AND EVIL WILL NOT DEFEAT YOU.

My Mother sustains you; be docile.

I bless you, and at this beginning, do not forget the use of sacramentals but above all purity of heart.

I love you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our beloved Lord once more explains to us His tireless Love for the salvation of souls.

As I receive this call for humanity, Christ takes me to live every Word together with Him, each event that He cites, but above all, He shares with me the way He feels the pain caused by having to announce the direction in which this generation is headed, direction forged by the freedom with which the human being was gifted, freedom that has always been used to achieve advancements that lead man to be a privileged being, as well as other advancements developed by man himself knowing that at some instant they would be used to cause evil to the same humanity that produced them. This is misused freedom.

Christ does not rest in His zeal for man to be capable of opening not only his heart but also his intelligence, his thinking, his mind, to expand knowledge, because one cannot open the heart to someone one does not know.

Christ wishes the human creature to react, to be capable of realizing that he cannot live only of material things, that it is indispensable to know that, besides a body, we possess soul and spirit; we must be aware that we are a set that cannot walk individually, one without the other, and that, when we live in Divine Will, acting and working better each instant, striving to be better individuals and delving in that fusion with Christ and our Mother, not only will the spiritual organism be better but also the physical body.

Christ showed me so many events in which the elements (water, earth, fire, and air) almost forced by the human wrongdoings, in their incessant search for agreement with God, the Creator of all that exists, look for man, and this is how water will enter the land with force, scourging beyond the coasts, dividing countries, and lifting lands that were buried in the sea. I saw winds blow with force destroying along the way everything man possesses, and I saw the wind together with the water tumble cities. Great volcanoes will start having unusual activity; there will be an increase in tremors and great earthquakes. I saw the Warning as a waking up of souls for some and the falling down of the souls for those who will not accept this act of Divine Mercy as something coming from Heaven. I saw the sun darken; I cannot be sure about the year but I felt the nearness. This does not mean that I am saying that this will happen now, but I felt the nearness.

The Holy Trinity and Our Most Holy Mother come to meet man in view of the nonstop wars and revolts. All this—the result of man’s alteration, controlled by rage and the desire for power—will lead the peoples to suffer the most terrible vexations. Man felt and thought that he was very far from experiencing or being a part of anything like what happened during the Second World War, and at this instant the war has centered in Syria, but the least mistake made by any one of the participants will be the beginning of the expansion of the war throughout the world.

Christ took me to see how specific countries will suffer, one of them was the United States because of the wrong decisions made by the one who rules them, and I saw how, after keeping a group of allies, it will end up terribly alone.

Brothers, we could write pages and pages about the events that await this generation, but man must give the most thought to his spiritual condition, his relation with God and with his brothers, the disobedience of God’s Law, and how he uses the gifts and virtues with which God the Father has embellished him through the Holy Spirit. **OH, THE CONDITION OF MAN’S INTERIOR! THE CONSCIENCE IS ASLEEP OR DEFINITELY BURIED BY THE HUMAN EGO AND BY HUBRIS.**

The world is subject to change, to the happenings; God is subject to nothing because He is Immutable Truth, Immutable Essence.

We are made for good, but sin attracts man and man allows it to enter, and this is like feeding something that is decomposing. Later, the entire organism gets contaminated and gets sick. Man, made of mud and ash, can be certain that neither mud nor ash hurt him, but if he will allows evil to act, the acts and works of the human being are the result of his will for better or for worse, and we must be very clear about this.

Brothers, let’s clearly understand that humanity is not the same, and man by himself is not the same either; everything revolves rapidly, deaf, blind and mute. Let’s be the salt of the earth and the light of the world which is what we are called to be; let us continue on the way to salvation; let us not yield to evil, to the antichrist who is not an invention.

**LET US BE THE ONES THAT WITH GREAT CERTAINTY SAY YES TO GOD AND
SAY NO TO THE WORLD AND ITS MACHINATIONS.**

Remembering Saint Augustine:

["The second death will define in part what salvation is, it happens when the soul separates from God forever, without any hope of reuniting with the Almighty.

This condition produces the abandonment of the soul that will search to no avail. To be saved, this type of death, eternal death, must be banished."]

San Agustín, Añoranzas Reverendo Isidro Díaz López. La doctrina de la salvación San Agustín. Puerto Rico.

Brothers, let's encourage one another to continue, let's not renounce God, let's not be condemned voluntarily at this instant that the incredulous are wasting, at this instant that those of us—who continue with faith in the clarification of the Divine Word—treasure to fight for Eternal Salvation.

An instant can last 365 days or less... man's will directs the fate of all humanity until the Holy Trinity and Our Mother intervene for the good of those who plead... **THY KINGDOM COME.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
5 JANUARY 2016**

Beloved children of My Immaculate Heart,

I BLESS YOU WITH MY LOVE AND I PROTECT YOU WITH MY MANTLE.

I look at each one of you with the same look, with the same wish for salvation, with the same Love. For each one of you I hurt, I suffer when you do not heed the requests from Heaven, and I immediately intercede before the Eternal Father so that you will not be lost in eternal fire.

Beloved children of My Immaculate Heart,

As you move away from My Son, you are taken by evil at this instant when, right before your eyes, violence and war loom, not only on Earth, **BUT ALSO A SPIRITUAL BATTLE IS BEING WAGED OF SUCH GREAT MAGNITUDE THAT YOU ARE NOT CAPABLE OF PERCEIVING IT BECAUSE YOU DO NOT LIVE ACTING AND WORKING IN DIVINE WILL; HOWEVER, IT IS AS REAL AS MY LOVE FOR YOU.**

Demons pounce on the souls to confuse My Son's People; for this reason you will have to walk wisely, move wisely, express yourselves wisely, and treat your brothers with this Wisdom that only comes from the Holy Spirit.

IT IS NECESSARY FOR YOU TO ASK THE HOLY SPIRIT TO ENLIGHTEN YOU AT EACH AND EVERY INSTANT so that Faith will not decline in view of the contradictions that you will hear or see in the behavior of those who in fraternity shape religious communities or formative centers for priests. Evil has entered through the Vatican House itself and it spreads throughout the world without borders, shooting darts of indifference, disobedience, lust, hubris, and rebellion at My children; especially towards those few of My children who are strong and do not give up on the Faith and continue to be faithful to My Son and to My Love.

Pray, My children; My Son's Church will experience instants of pain and perplexity.

Lay people will ask Me to help My Favorite Children, and I will help those who are in a State of Grace or repent with a firm purpose of amendment and decide to continue being faithful to My Son and to continue protecting and helping the parishioners that are harassed by the ungodly and by those allied with the antichrist; these are possessed by evil and will be the ones to mount the worst scenarios that have ever been seen.

MY FAVORITE CHILDREN ARE CALLED TO PROTECT THE PEOPLE FAITHFUL TO MY SON BY OPENING THEIR CONSCIENCES, PREACHING TO THEM ABOUT WHAT IS COMING FOR HUMANITY AND ABOUT THE DANGER OF LOSING ETERNAL LIFE if man—who says he belongs to God—is between good and evil and ignores the Revelation which, as per Divine Order, I have given throughout the entire world. For this reason all of you must decide NOW to belong to My Son so that My Son “may be all in all” (1 Corinthians 15:28).

Beloved, move away from the mundane that saturates your thinking with thunderous technology to make you act like zombies, without thinking, attracted only by the magnet that evil possesses at this instant to get you away from My side.

UNDERSTAND THAT YOU CANNOT BELONG TO GOOD AND TO EVIL BECAUSE THOSE WHO ACT THIS WAY WILL BE SPIT OUT OF THE FATHER'S MOUTH. (Rev 3:16)

My Son's People, at this instant there are so many that suffer this insanity that covers humanity like a cloud and prevents the fusion of the creature with his Creator, because of the prevailing human unconsciousness which watches from a distance what happens, with their hearts hardened and without knowing the signs of this instant!

Pray, My children; those who have placed the future in the hands of the economy will feel like they are dying on several occasions due to the constant global economy drops.

Beloved children,

YOU FEEL SAFE WHEN YOU STEP ON THE GROUND BECAUSE IT IS SOLID, BUT THERE ARE FEW WHO EXAMINE THE EVENTS AND DELVE INTO THEM TO MAKE THEM PART OF THEIR KNOWLEDGE.

The ocean floor moves and is opening the earth from its entrails until it reaches the surface, causing amazement in those who live where these things happen. Those of you who have not lived this, think that the land is surrounded by faults, and some of these faults have opened to the surface or in the ocean. This is the reaction of the Earth cradling you and alerting you about the wrongdoings of humanity with events. The Earth trembles and will continue to shake with force.

**Pray, My children, for Japan, for China, and for India; the suffering will be great.
Pray, My children, for Chile, for the United States, and for Central America; they will be shaken.**

My children, the land widens as it cracks (3); the instant when some countries become islands is not far away.

My beloved,

**PRAY WITH SINCERE HEART, PRAY WITH GENEROUS SPIRIT,
SO MUCH SO THAT THESE PRAYERS WILL BECOME ACTION,
ACTS THAT WILL BEAR FRUIT OF ETERNAL LIFE.**

Do not go through life without bearing fruit. Each one of My children must be aware that it is the duty of every Christian to bear fruit, and this happens when prayer is action and spirituality is shared with the needy and with those who do not know what is the Divine Will for this instant.

Each one has an instant to pray personally, in silence—if he wishes—or by means of ready-made prayers. Then, the fruit of the prayer must be shared alerting the brothers so that they will not fall prey to satan.

My Son's beloved People,

THE HUMAN BEING GROWS IN RAGE UNTIL THIS VIOLENT UNCONTROLLABLE ANGER TAKES POSSESSION OF THE MAN AND LEADS HIM TO COMMIT UNTHINKABLE AND DISCONCERTING ACTS. BUT WHAT DO THE REST OF MY CHILDREN DO IN VIEW OF THESE HORRENDOUS ACTS OF BARBARISM?

Pray, yes, you must pray, but then you must warn those who ignore what is happening at this instant—as these acts will spread throughout the Earth—when there will be an all-out war, because with the war, barbarism will be rampant all over the world.

Children, do not take sides; he who seems to be a dove, in an instant will be a serpent that delivers humanity to wailing, to pain, and to death. He who seems to be a hibernating bear will awaken in an instant and will be the hand that destroys and subdues the Nations. The dragon does not sleep; it watches quietly to wake up and attack My Son's children as the domineering executioner with seven heads over a faithless and reckless humanity.

Beloved children, man acts in the middle of the penumbra, preparing his premeditated attack. The People will suffer at the hands of terrorism until terrorism falls prey to its own behavior. The creature does not walk in peace; he lives in a disconcerting wait.

Pray, My children, pray for England; it will mourn terror.

Beloved,

THIS MOTHER WHO LOVES YOU WILL NOT ABANDON ANY OF THOSE WHO ARE FAITHFUL, OR THOSE WHO REPENT, OR THOSE WHO CLAMOR FOR MY PROTECTION.

Keep in mind that I am Queen of Prophets and Intercessor in favor of each human creature before the Holy Trinity.

DO NOT BE AFRAID; ON THE CONTRARY, REDOUBLE EFFORTS TO KEEP AWAY EVIL THAT IS ON THE PROWL BEFORE THE GREAT HUMAN EGO which, inflated like a balloon, grows and grows encouraged by you. But do not ignore that the balloons do not always remain floating up high, because for whatever reason they blow up and when they do, they go down towards the ground, and when they fall, they can carry with them other balloons that were getting ready to take to the air.

EACH ONE OF YOU, MY CHILDREN, MUST BE AWARE OF THE EGO THAT YOU HAVE AND YOU MUST WORK ON IT:

When you feel that the words of your brothers are not the ones you want to hear and rage invades...

When your brothers welcome someone else and this makes you uneasy...

When you are dominated by childishness and this leads you to get excited with rage and you cannot stop yourself...

When hubris makes you look at your brothers as creatures who cannot be better than you are...

When ignorance about true Divine Love prevails and you act lashing out against your brothers...

When Love is lacking, STOP! because without Love you cannot advance...

MY SON WILL SEND HIS HELP, THIS ANGEL OF DIVINE LOVE WHO WILL PROTECT MY SON'S PEOPLE AT THE INSTANTS OF TRIBULATION; he will sustain you in the great oppression by the antichrist and his legions. Do not be afraid, My children, do not be afraid; the Father's House does not abandon you and will not allow evil to triumph over good.

**DO NOT BE AFRAID EVEN WHEN IT SEEMS THAT EVIL SURPASSES GOOD;
THIS WILL HAPPEN DURING AN INSTANT, THEN GOOD WILL RISE
IN POWER, GLORY, AND MAJESTY AND YOU WILL SEE
MY TRIUMPHANT SON REIGNING OVER EVERYTHING AND EVERYONE.**

I shelter you, I protect you, and I guide you when you take My Hand that remains before each of you.

Come, children, let Me guide you to My Son.

**MY MATERNAL BLESSING REMAINS WITHIN YOU
WAITING FOR MY CHILDREN'S ANSWER.**

I love you.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Each one knows his acts and works; he knows his intentions and his weaknesses. He who does not recognize what he must totally change is a fool because the instant—our Mother tells me—is the instant of urgency toward personal transformation so that men become more spiritual and thus, do not fall prey to the devil.

In his free will, man deviates from the Divine Order and makes decisions regardless of God, because he looks for God on the outside and not in the intimacy of his conscience.

The wise man listens to the Word that the Creator sends. How can man claim to love the Mother and at the same time despise Her Calls?

Brothers, the Mother warns Her children using all possible means. This is the way our Most Holy Mother is, and She warns in view of no longer the threat but the fusion of all kinds of incidents in some regions of the world; for example, at this instant the fusion of Iran and Saudi Arabia disunites the region as well as other nations of the world that take sides in all situations within countries. An

example of this, as our Mother has told me, is the United States which will be one of the nations to incite the expansion of the war throughout the world.

We live decisive instants, and this instant merits all our strength, all the conviction of Faith that man possesses so as not to listen to voices that deny the explanation of the Divine Word and that, at this instant, is given by God to our Most Holy Mother in order for Her to guide the souls and to intercede in their favor.

Brothers, chaos is generated by the same man when he rebels against the Holy Trinity and constructs once again another Babel Tower; this one is facing all of humanity and each creature either enters and goes up or enters and leaves as his wise conscience tells him that there does not exist any other way to get to God except through Obedience and Faith.

The obedient one is the wise one... The proud one is the ignorant one ... To be wise one must be humble to recognize that God is God.

Brothers, let us pray; there is so much lack of knowledge in the world, but may our prayer spring from us with a voice that spreads and promotes the Call from Heaven to His children so that all of us will be knowledgeable of the Divine Word.

Nuclear energy is the greatest trap for humankind. Let us plead to the Holy Trinity not to allow man to dig his own grave for all humanity or to become the greatest scourge against himself and against Creation.

As God's People, we must keep up the Faith, but at the same time each one must not only be spectator but also actor at the service of the brothers. All organs of the body carry out their roles so that the body can continue to live; so it is in the spirit: We must unite to win souls and not disunite to feed evil.

MAY EACH ONE CARRY GOD'S LOVE AS INDELIBLE SEAL AND THUS CREATE AND DEVELOP PEACE AND SALVATION FOR THE SOULS.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
10 JANUARY 2016**

My beloved People,

I accompany you in every effort to approach Me, at each instant when, loving the Faith, you make the firm decision to live in My Law. I love you every instant when, with true conscience, you take My Calls to conversion seriously so that you will be testimony to My Acts and Works which transform you.

My People,

My beloved People, where is the conscience? I Call you and you do not obey; I talk to you and you do not listen... I rebuke you and you do not fear, you continue with the foolish living of those who are mundane. Just to be different, you embrace My Word but you do not practice it or treasure it in your hearts.

I CALL YOU TO UNDERSTAND THAT SACRIFICE IS NOT ONLY LAMENT AND PAIN; IT IS ALSO JOY IN THE SOUL, IN THE SPIRIT, AND IN THE HEART, AND SACRIFICE IS LOVE AND OBEDIENCE.

Being soft does not mean that the creature is less perseverant, it means that he truly gives without expecting anything in return, keeping My Precepts before him and not to please his ego.

Therefore, I call you not to judge the acts and works of your brothers; instead, be Love, "and all these things will be given to you as well." (Matthew 6:33) Be real, be true, and do not judge those who do not yet walk in Truth.

NO CHILD OF MINE CAN TALK ABOUT ME IF HE DOES NOT RESIGN HIS EGO AND DECIDES TO BE IMAGE AND LIKENESS OF MY LOVE.

I call you to pray so that My Will be done on Earth; My Love will not disappoint you. My People will be guided so they will not be lost at any instant, even if the human creature becomes unconscious and forgets that he must act and work in My Will in order for My Protection that I send to My People will reach him as is My Will.

The interests of each one of My children must be My interests and not personal.

When the creature feels that his affairs prevail over Mine, this makes for a foolish human creature because he feels that what is his is above My Will.

My Word and that of My Mother have descended from My House to this generation by means of chosen individuals to explain Our Will, to reveal to humankind what awaits them and what they have caused, as well as the means of salvation so that this humanity will not be lost. But not all My chosen ones have complied fully as spokesmen for the Word from My House. Some have doubted and have not reached the Promised Land; others are dominated by human respect and have not shared what was revealed to them.

My Mother speaks to you with Her Maternal Love. I call you as Beggar for Love who lives in each of you so that you can delve within yourselves and be reunited with Me, but doubt arises and you refuse to continue towards Our encounter and the Faith is forgotten in favor of a certain passing incentive.

At this instant I call you to an urgent positive response so that you will come close to Me and comply freely with all I ask of you for the good of your souls and your brothers, especially those who reject Me.

My People, humanity's attention is focused on the armed conflicts; these will take a little longer to recrudescence. In the meantime, the epidemics advance throughout the Earth and become pandemics, and My children do not take this seriously until they will want to stop the epidemics and will fail. Then they will remember that My Mother blessed them with medicine to stop what will take science by surprise.

My children, the climate will strongly scourge the Earth, it will make entire Peoples suffer mercilessly; this is when you will pray the Holy Trisagion and you will look for it and maybe you will not find it. **WHY DO YOU WAIT FOR ADVERSITY TO APPROACH MY HOUSE?**

Hold on to My Word, obey My Law, be witnesses and testimony of My Love, receive Me, properly prepared, in the Eucharist, know My Word so that you will not be deceived by those who—like wolves in sheep's clothing—will approach you to steal you as spoils for evil.

I have spoken to you so much about the antichrist! and My People continue waiting for him to present himself before humanity self-proclaiming himself. My children, do not be mistaken, discern: Evil takes advantage of the instant of trial, pain, disease, loneliness, hubris, disobedience, denial, enmity, conceit, sorrow, and doubt in order to take you and fill you with his indifference and his rage, to drag you towards him, and he offers you the comfort you need at that instant so you will walk with him and against those who are your brothers.

The antichrist has his tentacles with which he has imprisoned My children, and My children live in error because they are not alerted in My Temples. They must be alerted NOW!

In various fields, technology has been beneficial to man. In other fields, the dangers are far greater for this generation that wants to outdo itself, and has allowed evil to take possession of technological means to cloud and even annihilate man so that he will not be able to think straight and will get carried away by evil that shackles him until wickedness becomes a vice in the human creature.

MISUSED SCIENCE IS READILY AVAILABLE TO INDIVIDUALS OF ALL AGES. I have called you to stay away from video games. My Mother has warned you about the threat it means to a human creature to receive evil constantly and willingly, during most of his life, in front of a screen, being trained to be part of a battalion or of an army, or just being trained to kill.

My beloved People, the antichrist takes with power the weapons that man has prepared for him and that he uses to deviate My People from the good path, away from the truth, from respect for life, from love of neighbor, and from being more human. You must be more human through the gift of Love in order for you to stop in the midst of this malignant, gigantic wave that the antichrist has manipulated, while out of fear, My People do not call sin, sin. And at this instant, the antichrist has plunged onto those who are Mine to possess them while they see as normal what happens in several countries where My children die from starvation, they die by decision of his parents or are killed by their brothers for pleasure.

Beloved, the power of some rulers encourages the Peoples to rebel against each other, as if man were a toy that can be used at will. As the power of the antichrist advances over humankind, you will see this, and more.

**FEAR, YES, FEAR TO OFFEND ME, FEAR TO DENY ME, FEAR TO FOLLOW THE ANTICHRIST BY
MEANS OF HIS TENTACLES.
MY PEOPLE, WAKE UP SO THAT YOU NOT BECOME A SLAVE TO EVIL.**

Wake up! Wake up because the antichrist has formed a strong retinue of human creatures who are faithful and loyal, and who prepare whatever is necessary to lift up the antichrist and allow him to steal My flock, unprepared due to the lack of information about the power of evil, thus allowing themselves to become slaves of their own evil acts, contrary to My Will.

Pray, My People, pray, as the shaking of the earth increases.

My children, do not call normal what is not normal. The earth has trembled all the time, but the shaking of the earth at this instant is extremely violent, far more than what man can call normal. Great countries will lose part of their lands and inhabitants.

Pray, My children, for Japan, for Chile, and for the United States.

If Faith in Our Trinity increases in you, your knowledge will be more profound and the eyes of the heart will give you a greater and more vivid understanding of what Our Will has allowed to be revealed and explained to you. I call you to delve in Me, in each and every Word that I bequeath to you in these Revelations so that you can prepare even for the things that have not yet been revealed to you.

Our House's plan for you is that you receive all you need to know to be prepared in the spirit and ascend quickly, with the necessary haste to which I call you, before the enemy of the soul confuses you and drives you away from Me.

**Pray and meditate the Holy Rosary; live this prayer in truth and spirit,
this prayer from which the devil flees in horror, if the creature is without sin and
aware of each word he elevates to My Mother asking for Her help and intercession,
not only for the one who is praying, but also for all of humankind.**

Pray, My People, pray for awareness in each human creature, at this precise instant when evil has reared war on several fronts, and influences the minds that are away from Me and that hold power over nations to agitate darkened minds and to move them towards the battle that will generate great extinction in humanity and nature all over the planet.

My People, BE PREPARED! Right before humanity there has remained a tentacle of the antichrist called mafia. This one sustains itself on drugs, on violations against children, on the sale of weapons and human organs, and underhandedly, it has dared to use its money to flaunt its good works before societies and go unnoticed. Children, this evil does not rest and you sleep.

**Pray, My People, pray. Volcanoes are activated simultaneously. The threat of the
supervolcanoes hangs over Humanity.
The Etna volcano does not rest.**

**MY PEOPLE, REBELLIOUS AND FOOLISH, LOOK FOR SALVATION, INCREASE YOUR FAITH, FIND
KNOWLEDGE IN MY REVELATION, AND APPROACH HUMAN FULFILLMENT.**

The explanation of My Revelation is My same Love for My children because they have to know what the same humanity has generated by disobeying Me and distancing themselves from Me.

My People that admire the brother when he promises you fame...

My People that admire your idols and follow those who say you must follow them...

You accept false ideals into your life, those that exalt your ego, and you put your heart into what is wrong and despise my Calls.

My People, **COME BACK!** I call you and I do not see you close to Me; I search for you, and the darkness in which you walk makes you invisible. Return to Me quickly; this instant is dangerous, more so for the soul than for the body.

CHILDREN, BELOVED PEOPLE, COME QUICKLY. BY MY SIDE YOU WILL NOT BE AFRAID. IF YOU RECOGNIZE ME AS YOUR GOD, IF YOU ABIDE BY THE LAW, AND IF YOUR HEART LOOKS FOR ME INCESSENTLY, NOBODY WILL SEPARATE YOU FROM ME. I WILL KEEP YOU ON MY LAP.

COME TO ME, CHILDREN, I WILL KEEP YOU IN MY HEART.

I BLESS YOU; I LOVE YOU.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Man looks for the hidden Treasure. Could it be found in Love? In the Love that leads us to love our fellow men?

Our Lord Jesus Christ tells me:

"Each man will love his fellow men in the same way in which he loves himself. Without noticing it, man loves his fellow men in the same way in which he loves himself... If you are patient, you will be patient with your fellow men; if you are a loving person, that is the way you will be towards your fellow men; if you are light, you will give light in dealing with others, in your interactions with your fellow men. The way you are is reflected. And I—says Christ—I order you to love your fellow men; but if a creature hates himself, I do not order him to hate his fellow men; therefore, he will have to love himself first in order to give love to his father, to this mother, to his brother, and so on."

Each one has before him one square meter. He who stays within this square meter, in his immediate surroundings, has not listened to learn and to put into practice the Divine Word; he only looks at

himself. And Christ invites us to expand Love and knowledge; this is what we find in the Calls. In these Messages, Christ not only tells us what is coming, but he also alerts us and tells us how to put into practice this warning in order to be prepared, and then He gives us the pledge and more, so that we continue along the way.

We have been given land for each of us to cultivate. There are some who are afraid to sow and are also afraid that the seed they plant not bear fruit. Maybe the reason this happens is that they are sowing something they do not have, something that has not been given to them, because he who sows the talents God has given him, will not stop because his land is rocky, he will remove the rocks looking for the soil that hides under them.

Christ tells me:

“There will be some who will be ungrateful with the sower, some will mistreat him, and some will criticize him. These over-abound. Some may even place larger rocks than the ones occurring naturally on the land in order to make the sower stop. The sower is the one who learns not to stop because he looks for the essence of everything he has before him, he is the one who looks for the honey without stopping, and he does not keep it to himself, instead he shares the harvest, and for this reason his crop multiplies. Whoever listens to Christ’s Call, moves away from the mundane, turns away and grows, his spirit is nourished and renews itself.

Brothers, it is not too late to recover what was lost. Let us look for Christ; let us take our Mother by the Hand and let us walk trustingly. The instant is more dangerous than most of humanity can envision.

Let us respond to the Call humbly but with great determination.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
13 JANUARY 2016**

My beloved People,

**I OFFER YOU SALVATION AND YOU REJECT IT...
I CALL YOU TO SALVATION AND EACH ONE DECIDES
WHETHER TO ACCEPT IT OR REJECT IT.**

Through My prophet, I convey to you My wish that all be saved, and at the same time, I talk to you about My Justice, true and fair.

To some, I am Mystery as they feel I am distant...

To others, I am Eternal Truth for Whom nothing is impossible...

I ask each one of My People for explanations to lead them to delve into each sign of My Love for this generation in which you do not see each other as brothers.

**MY PEOPLE, REMAIN ATTENTIVE
BECAUSE THE NOW HAS ARRIVED BUT NOT YET!
THOSE WHO AT THIS INSTANT SURRENDER TO MY HOLY SPIRIT, SENSE ME AS MORE PRESENT,
MORE ALIVE, MORE PALPITATING.**

I am both actor and spectator in the history of Salvation of humanity in the New Testament. In this history I call My People to be active in prayer so you can share it with your brothers and thus be true evangelists; beginning at this instant, evangelize “whether the time is favorable or unfavorable” (2 Timothy 4:2) so that nobody be indifferent to My Call of Salvation.

Each one of My People is truly a prolonged action of those I performed on Earth, when each one acts and works in My Will; although I know they reject Me, My Love does not stop for any of My children until the end time when the history of humankind will end.

Children, I will embrace all those who approach Me with “broken and contrite heart.” (Psalm 51:17) Hence the urgency of My constant messages, alerting you about the events of this generation so that you repent and delve in My Love and My Mercy by means of the love with which you look at Me. I know that at this instant Love is unknown to some who are immersed in the worldliness of the values that have taken over man’s greatest intimacy in order to overshadow completely My Will, which shone in man as the sun shines in the zenith at noon.

My children rushed towards modernisms, and modernisms are the creation of those who set the stage for the antichrist on Earth.

**JUST AS MY PEOPLE REBELLED AGAINST MY FATHER’S
CHOSEN ONES, THE PROPHETS, SO AT THIS INSTANT, THEY WILL IGNORE
THOSE WHO, OBEYING MY WILL, ALERT THEM, THEY WILL IGNORE
THE KNOWLEDGE THAT I REVEAL IN EACH OF MY CALLS, CALLS I MAKE
OUT OF LOVE FOR THOSE WHO CONTINUE BEING FAITHFUL TO ME.**

Beloved Consecrated who from the altars lead My People, alert them about their lack of knowledge regarding Me. My People cannot love someone they do not know; they cannot love in the midst of contempt for each of My Warnings, My Calls, and My Love which are given so that My People do not fall into the temptation of acting wrong and of working wrong.

Announce to My People that they must delve into the explanation of My Love for humanity; do not hide the oppressor, the liar, the impostor of My Love. You know that the antichrist comes to engage in the great spiritual battle, persecuting those who are faithful to Me, to instill in them fear and doubt so that they will deny Me.

THIS GENERATION WILL FACE THE GREAT TEST OF FAITH in which the wheat will be separated from the weeds; i.e., those who know Me and will not resign Me, and those who—in the midst of My People, like wolves in sheep’s clothing—remain among My People to betray them and deliver them to evil.

My beloved People, humanity is called to get ready; and when you hear rumors of wars, get away, do not watch the terror of which the world is a slave.

Pray, My beloved People, pray for the Salvation of the souls.

At this instant, pray for the East of the United States; sin reigns in some States.

Pray, My beloved People; the land continues to tremble with force, ocean waters are agitated, and some tsunamis will keep humanity in suspense.

As King, I remain with sadness in My Heart. They live by “the law of the strongest” as a pecking order; some men carry death in their hands, snatching the lives of those who do not think like them, and terrorism will keep humanity in constant uncertainty.

Pray, My beloved People, pray; Italy will suffer for it.

Humanity will live without enjoying the nights. The governments will keep the people in their houses beginning at sunset in order to placate the anxiety caused by terrorism.

The man without conscience develops wickedness without precedent and becomes the great threat to humanity itself. Communism will use its weapons to take over world power, and in its desperation, it will shed the sheep’s clothing and will hurt humanity, forgetting that **“IF ANY OF YOU PUT A STUMBLING BLOCK BEFORE ONE OF THESE LITTLE ONES WHO BELIEVE IN ME, IT WOULD BE BETTER FOR YOU IF A GREAT MILLSTONE WERE FASTENED AROUND YOUR NECK AND YOU WERE DROWNED IN THE DEPTH OF THE SEA.” (Matthew 18:6)**

Some powerful presidents of nations built hiding places when they learned about the imminent power struggle for power; they believe they have security to preserve their lives. **THEY HAVE FORGOTTEN THAT I AM THE OWNER OF LIFE; MY PEOPLE DO NOT NEED PROTECTED UNDERGROUND HOUSING; MY PEOPLE ARE PROTECTED BY MY LEGIONS. NOTHING WILL BE SAFE WITHOUT MY BLESSING.**

My beloved People, the economy keeps the elite in suspense. **MY PEOPLE KNOW ME AND KEEP THE CONSCIENCE OF MY POWER, WHICH IS ABOVE ALL POWERS: I AM OMNIPOTENT.** They have forgotten that it would be better not to be born than to hurt one of My children [“It would be better for you if a millstone were hung around your neck and you were thrown into the sea than for you to cause one of these little ones to stumble.” (Luke 17:2)]

The single coin comes to take the reins of humanity. I will feed My People just like I feed the birds.

I WILL SEND MY PROTECTION TO MY PEOPLE THAT HAVE BEEN HURT BY THE ANTICHRIST AND HIS ALLIES. MY PROTECTION WILL BE SUPPORT, LIGHT, AND GUIDANCE TO MY PATH, TOWARDS OUR ENCOUNTER.

Pray for the one who will be protector of My People.

Keep the Faith, do not be weak, come to Me, delve into this explanation of My Love, drink this My Word, feed on It so that they will not find you asleep. Come to Me to nourish you in the Eucharist, extend your prayer to your brothers so that it will not be just for your own salvation. He who knows only for himself, does not bear fruit, and is like the fig tree. (Matthew 21:19)

**KNOW MY WORD IN THE HOLY SCRIPTURE
AND KNOW THIS MY WORD THAT WARNS YOU.**

Beloved children, I call you to be vigilant; do not neglect to pay attention to world events. I call you, I alert you, I warn you, I get you ready, I protect you, I love you.

My People, My beloved People, do not forget that “I am who I am.” **(Exodus 3:14)**

My Blessing is with those who are faithful to Me and with all those who approach My Mercy.

I Love you.

Your Jesus

THE INSTRUMENT’S COMMENTS

Brothers/Sisters,

Our King and Lord emphasizes that He is the Mystery of infinite Love. Only and only being Love, man will belong more to Christ than to what is worldly.

In the midst of a great confusion of ideologies and false doctrines that the human creature receives at this instant, God’s child must remain, not only active in prayer, but also attentive to all world events so that he will not accept modernisms in what God the Father left established for His children.

Christ tells me that at this instant the man of God must be a true disciple and must impose on himself the goal to fulfill this great commission so that the human heart does not stagnate in the novelties presented by modernisms as if they were allowed by the Paternal House, modernisms that are not in agreement with Divine Will.

When transmitting this Message, Christ emphasized that Faith must increase, but this is a task for each one of us; we must exercise our spirituality when we approach to receive Him in the Eucharist—source of all blessings, if we are well prepared to receive Him—we must visit Jesus in the Blessed Sacrament and little by little become a part of this copy, to which we are all called, of Christ’s Love and of the Love of our Most Holy Mother.

Man must be resolute and must know the Divine Word in the Holy Scripture, and he must know what Christ transmits to us by means of these Calls to all of humanity so that he not only reads these Messages but also ponders, discerns, and puts them into practice in his daily living.

Thus, by re-enforcing the practice of the Teachings and Petitions from Heaven, the human creature begins to feel secure and can be firm in a field that is no longer so indifferent to him and of which

he is no longer afraid; instead, he begins to trust in Christ's Petitions and those of our Most Holy Mother, and he comes closer and closer to what is Divine Will, and realizes that Salvation is not reserved for just a few but is accessible to all.

Brothers, these instants towards which humanity is going are not easy. The Christian of this instant must make a difference, must pray and be action, must constantly live the prayer in order to give movement to the Divine Love so that It will palpitate from heart to heart and will not stagnate but gyrate from one to another until it reaches most of our brothers.

Keeping abreast of world events and conflicts expands the picture, the archaic mentalities that maybe some drag with them and lead them to deny the Signs before which this generation finds itself; moreover, it leads man to stop on his way and meditate:

What is happening right now?

How is my Faith?

What do I give Christ and our Most Holy Mother?

How do I contribute with God's Plan of Salvation?

Do I belong to Christ or to the world?

Do I embrace Salvation or condemnation?

It is good to confront yourself and thus look at your own reality, and wake up; keep in mind that the enemy of the soul will have no compassion with man.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
18 JANUARY 2016**

Children of My Immaculate Heart,

**BELOVED CHILDREN OF MY MATERNAL LOVE, EACH INSTANT I PRESENT TO MY SON EACH ONE
OF MY CHILDREN'S NEEDS.**

I implore that those who are Mine be delivered from evil, and the good disposition be what drives you to take the first step on the way to Eternal Life.

Beloved children of My Immaculate Heart,

You know the Divine Law with which each man must comply in order to achieve salvation. You will not achieve it if you do not comply with all that My Son tells you.

I call you to come into My Heart, Ark of Salvation, because My Heart is Maternal Love, and as Co-redeemer, I continually intercede in favor of all My children without exception, so that you will arrive at the knowledge of the true Faith.

My Divine Son calls you to take My Hand and allow Me to guide you. My Son entrusted to Me the RESCUE of His People, not because I exceed him in holiness but because My Love surpasses all created Love and Holiness, and in Heaven there are myriads of Angels who thank God the Father for the Splendor of My Heart from the first instant of My terrestrial existence.

I call you to come into My Heart so that you drink Love, Obedience, Wisdom, Patience, Charity, Hope, Faith, and Humility, and advance complying with the Divine Will in a continuous joy, without feeling the loss or absence of what is worldly, and thirsting to bring souls to My Son.

Beloved children, those who walk in Faith inhale joy and exhale joy; those who do not live the surrender to My Son with the truth, do not experience joy; instead they live in bitterness which implies an effort that does not bear the fruit that the creature expects to see with his own eyes.

You live at the instant when you will see the fulfillment of a great many of the events that My Son and I have announced to you, not during this past month, but since the start of this Mission.

For this reason, because of His Love for you, My Son reiterates that you must live struggling with the human self that is selfish, disobedient, uncharitable, and disrespectful, **EVEN WITH YOUR BROTHERS THE PROPHETS. CHILDREN, THE PROPHET ANNOUNCES, DENOUNCES, AND COMMUNICATES THE DIVINE WILL. HE WHO REBELS AGAINST THE DIVINE WILL IS A REBEL, NOT THE ONE WHO DISOBEYS THE PROPHET, BUT THE ONE WHO DISOBEYS THE REQUESTS THAT THE PATERNAL HOUSE SENDS BY MEANS OF THE PROPHETS.**

Some take the Divine Word and adapt it to their personal interests. How pitiful! They do not know My Son and take Him lightly.

When Heavens talks, it is Divine Word, and this Word is not subject to tastes or whims of any human creature. Pride wreaks havoc in those who are hubristic and who feel or think that the Divine Word or My Maternal Word is not for them but for those who are ignorant. This is a huge mistake! The Word explained in these Calls is for each and every one of My children to examine themselves; all, all need correction to get to Heaven and to live on Earth as if in Heaven; all men belong to My Son, but not all men comply with My Son's Will.

NOT EVERYONE WALKS BEHIND MY SON'S TRACKS, AND NO MAN AT THIS INSTANT CAN SAY THAT HE BELONGS TOTALLY TO MY SON AND THAT HE WILL NEVER FALL. NOT UNTIL HE IS RIGHT IN FRONT OF HIM.

My Son's People, keep in mind that evil will lead you to believe that you have already earned salvation, that you belong to Christ, and that nothing will separate you from Him. Yes, you belong to My Son because **HE REDEEMED YOU**, but **each one of you personally must give life to this redemption; each one in particular must gestate his salvation.** The fact that you belong to a certain religion is not what will save you. The fact that you belong to a particular group is not going to save you. **WHAT WILL SAVE YOU IS LIVING, ACTING, AND WORKING LIKE MY SON! WHAT SAVES YOU IS LIVING IN DIVINE WILL; IT IS STRIVING EVERY INSTANT OF YOUR LIVES TO PRACTICE**

CONSTANTLY MY SON'S WORKS AND MY SON'S ACTS, BECAUSE THIS WILL LEAD YOU TO REMAIN IN A CONSTANT BATTLE FOR THE SALVATION OF THE SOUL.

Do not forget that you are constantly pursued, without truce or rest, by evil by means of the debauchery reflected by man since an early age. This generation does not see beyond their personal square meter, their immediate surroundings. They forget too soon! It is as if memory froze beneath their very personal interests, thus allowing the selfishness in which they move to be reflected.

The brother is something more or something less with whom to live; fraternity has been nullified because of the insensitivity in which man walks and which prevails in man.

IT IS PRECISELY THIS INSENSITIVITY OF HUMANKIND WHAT WILL LEAD THE POWERFUL MAN ON EARTH TO EXTERMINATE WANTONLY A GREAT PART OF HUMANITY.

Man is excessively ambitious, and this has blinded him completely, and leads him to look only at what is convenient to him, even when this goes against his brothers and against what My Son demands of His children.

Beloved children, My Son's Church will be persecuted with cruelty. My Son's enemies, those who do not want to believe in Him, those who live without Faith, will pounce on Christ's children using all that the power of evil has, because they wish to live without anything that could remind them that My Son remains present in each one. The antichrist is not one more legend; it is the wickedness that will hurl itself against My children to exterminate them if they are not prepared, and the Faith must be strong enough so that nothing will make them decline.

Children, there will be more false prophets who tell their followers that they are saved. **BE CAREFUL!** My Son bequeathed to you The Salvation, but each one of you must fight for this salvation, not only by praying, but also by making your prayer be life in your brothers, because this way of acting and working will sensitize you, will teach you what it means to be a truly practicing Christian. Keep in mind that if somebody assures you that you are already saved and that you have earned Heaven already, this is who does not want you to be saved, it is who wants you to continue living without making any spiritual effort as if everything had been completed. This is a fallacious lie from the deceiver of men. The antichrist has not yet started the all-out persecution against Christians. At this instant you see the cruelty, but not all of evil's cruelty; you see famine, but not all the famine caused by evil; you see death, but not all the death that the antichrist and his legions will cause; you hear about plagues spreading, but not all the plagues that will scourge humanity. It is for this reason that I call you to remain alert. My children, make progress at this instant, do not wait for another.

Beloved children, evil is a hole that you do not see clearly; it is right in front of you as if it were solid ground. These are satan's strategies and deceits: He makes you see everything as if everything were good, as if everything were accepted by God so that you will be confused and fall in the hole which is the way to perdition.

Pray, beloved children, pray for My Son's Church; pray so that it be more strict with My Son's People and they will find salvation.

At this instant, the water of life is polluted in most human creatures who die for lack of living water, the living water of Love that My Son spilled on the Cross, the water of truth, of hope, of faith, of charity, of conscience, of the notion of real and unreal, of good and evil, the living water of discernment, the living water of constancy and steadiness, and the living water of surrender.

Man lives in the mud of impiety, of irreverence towards all that means salvation; the mud of modernisms, of drug addiction, the mud of lies, the mud of adoring false gods, the mud of following falsehood, the mud of continuous laments when they do not have all they want, the mud of petty interests, the mud of spiritual ignorance, the mud of sensationalism, the mud of false wisdom which is not guided or accompanied by the Holy Spirit, the mud of not taking into humanity's light the truths that are not revealed, the mud of oppression and rebellion, the mud of power over those who are humble and dispossessed.

My children, My Son's Church is oppressed, so much so that there will be an event tortuous for My children because of the treason of those who do not love Her.

Pray, My children, pray. Drought is spreading, and with it, famine will wreak havoc.

Pray, My children, the economy falls before man's perplexed look, and as man finds his power annihilated, he feels annulled and acts out of control.

Pray, My children, pray for Chile, pray for the United States; nature will show severe.

Pray, My children. The introduction into the Holy Temple of those who will later plunder the Faith of My Son's People is an ambush and a trap.

Pray; the volcanoes continue to erupt and the lava will level villages.

Pray; nature reacts in most unusual ways and surprises man.

LOOK ON HIGH. THE SIGNS ABOUND.

Beloved children of My Immaculate Heart, at this instant it is very important for the People to have the priestly blessing; unfortunately, some priests are not aware of its value and they do not apply it with faith in favor of the People.

Children, the uncontrolled desire for power over the whole world leads to an open declaration of war. War is beneficial to the great nations when they sell weaponry to other countries, and this is what happens without most of My children being aware of it. Previous wars devastated nations with great cruelty, with famine, and genocide, but at this instant, war will be ruthless without measure because of the great advances in technology used incorrectly. Man has no love for his fellow men, the devil is inside a great deal of men, there is a thirst for vengeance and a struggle for supremacy: **THIS IS THE SCENARIO THAT SATAN NEEDS IN ORDER TO FULFILL HIS PLAN TO IMPOSE HIMSELF ON HUMANKIND WITHOUT DELAY.**

Children, look around, do not trust what is merely human; you must come to My Son, have Him in Communion, nourish yourselves, and be of those of whom the Gospel speaks, God's Saints.

The knowledge of what is sensible must be pursued delving into the matters of the spirit.
Man cannot look for fresh water in the midst of the swamp of the world.

Beloved children of My Immaculate Heart, do not be disheartened by those who will arrive to propose separating Me from My Son's Church. This is a sign of the arrival of the antichrist. Pray the Holy Rosary and love My Son the way I Love Him.

By means of that same Maternal Love, the conductor of My Son's children will arrive at instants when My Son's People will be oppressed by freemasonry empowered in My Son's Church by the elite that follows the antichrist and that has worked to facilitate power to the devil incarnate.

Not all the ones who call you to belong to My Son speak with the truth, not all are convinced and not all are faithful to My Son's mandates.

Beloved children, I remain in front of you to accompany each of you and to intercede in your favor.

DO NOT BE AFRAID; I, YOUR MOTHER, AM CLOSE TO EACH ONE OF MY CHILDREN.

I bless you. I love you.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

The Love of Our Most Holy Mother for each one of us, Her children, goes beyond all human expectation. She calls us to enter into Her Heart; and I ask myself: Why is it that Heaven calls us so much and so often to enter into Our Mother's Heart?

And I answer myself: Our Mother said "Yes" because Her Heart trusted in God. And this reminds me of Saint Augustine when he says: "She conceived first in Her Heart than in Her Womb." We cannot have a more profound concept. And we must not forget that She, Our Most Holy Mother, is Temple of the Holy Spirit; we must not forget that Saint John Vianney says: "The Heart of the Blessed Virgin Mary is the source from which Christ took the blood that redeemed us." Faced with such greatness of the Mother of Christ and our Mother, how can we hesitate to turn to Her, when Her Son always hears Her?

In each Message we clearly notice the urgency of Heaven for us to get nourishment from this Word and to be aware of the need to advance spiritually in order to increase our Faith, and the need to delve into Our Most Holy Mother's Immaculate Heart, our Mother who knew how to be Her Son's disciple.

Those of us who struggle to belong more to Christ than to the world have everything we need to come to Christ's Mother for help. Our Mother knew how to keep silent when necessary, even when She did not understand She said "Yes" because She knew that the answer would come later, according to God's Will.

We face an instant of agony when the devil is determined to destroy the children of this unparalleled Mother, and knowing this, humanity continues unflinching, with tremendous indifference towards what is wrong, leaving reason by the wayside in order to continue doing what is not Divine Will...

We see that humanity is satan's objective, and humanity promotes satan's authority in the world by being submissive to the impositions of masonic cells, demonic cells, and more. In the United States there is a proposal to give lessons of satanism, of the adoration of satan...

And where are those who defend the Faith of God's People against this heresy?

Are we or are we not in an era in which the emergence of the antichrist is being prepared?

Like Our Mother tells us: The vast majority of rulers are not interested in the citizens but in the economy... so if the economy improves with a war, they propitiate it...

What is in store for this generation?

Brothers, let's delve into Christ, into Our Mother, let's transcend all that is worldly and lift up the soul towards all that is eternal.

Man is called to change course at this instant when he still has the willpower to do it, not later; later his determination, his resolve will be controlled just like they control the weather in some cases. And man can start this change by being more human to awaken the sensitivity that leads man to feel the brotherhood that corresponds to children of the same Father, which is the feeling we must have for one another.

We know the events that are coming. My question is: Is the human creature prepared to face what is coming without losing his Faith or without selling it? This is why we must put out our best effort. Those who believe they will never fail are fools. We must redouble our efforts keeping in mind that the only ones who did not fail in this endeavor were Christ and His Mother. The human being must continuously fight against the wickedness that tempts his soul to make him resign Eternal Life; and the fight goes on until the instant of his last breath of life.

Yes, let's pray and change our lives; let's make our works and acts more Christian.

And may it all be for the Glory of God and for the triumph of the Divine Will on Earth as it is in Heaven.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
21 JANUARY 2016**

My beloved People,

I PROTECT YOU AND I LIGHT THE PATH WITH MY WORD SO THAT YOU REMAIN ALERT AND NOT ALLOW YOURSELVES TO BE CONFUSED.

My People realize that they are not the same, they recognize that they fail, but they do not strive to get out of the mud for fear of being singled out by the current of the world. They are not aware of the blessing it is to be children of Our Trinity and My Mother's children.

My beloved People,

You can clearly catch a glimpse of what is presented in front of you: The great strategy of the one who lurks to take possession of the road that has been prepared for him by those who have remained away from Me, the antichrist. **YES, CHILDREN, THE ANTICHRIST COMES TO SUPERSEDE AND REPLACE WHAT IS DIVINE TO INTRODUCE WHAT IS DEMONIC ALL OVER THE WORLD, IMPLEMENTING DIRE AND DIABOLIC DOCTRINES WITH WHICH ONLY HE WILL HAVE TOTAL CONTROL OF HUMANITY.**

At this instant, the economy is one of the strong strategies of the antichrist with which he will destabilize the Nations until he makes them succumb, and he will buy the souls of those who do not want to suffer because of lack of money. At this technological instant in which humanity lives, man has been led to see as normal to have a chip implanted, but My children must not accept it, it is the sign of the beast by means of which they will become the beast's slaves.

Beloved children,

**MY PEOPLE WILL BE TESTED LIKE GOLD IN THE CRUCIBLE...
TOO MANY ASSURE ME THAT THEY LOVE ME, BUT HOW MANY WILL GIVE UP EVERYTHING FOR ME?
HOW MANY WILL REMAIN FAITHFUL IN THE MIDST OF THE CRUELEST BLOODIEST PERSECUTION?**

Children, humanity walks behind false gods, idols in human skin that lead you to the cliff...

You follow men, not Me; you remain under the word of false gods and relegate Me to a second place.

THIS INSTANT IS OF GREAT CONFUSION; some speak in My Name, taking attributions that Our Trinity will not give to any creature at this instant.

I have pointed out the coming events to My instruments...

I have revealed to humankind what is near...

I have warned this generation about what will cause confusion, grief, and uncertainty...

I have warned you to remain alert, watching out for those who claim to be so close to Me that this generation depends on what happens to them. Look at what the Scriptures say and what Our Legions Sing in unison: Yours is the Honor, the Power, and the Glory forever.

**OUR SPIRIT ADORNS WITH GIFTS AND VIRTUES THE MAN WHO LIVES STRUGGLING FOR
SANCTITY AND, FUSED WITH OUR WILL, IS HUMBLE, OBEDIENT, WITH A DEEP FAITH, AND
BRINGS
HOPE IN MY MERCY TO HIS BROTHERS, BECAUSE HE KNOWS THAT
I, THEIR CHRIST, LIVE THIRSTING FOR SOULS.**

Keep in mind that each one of My Messengers is the most humble, the most charitable, the most obedient, and the one who calls you the most to be My followers; not his followers, Mine. The soul's enemy deceives man easily causing confusion in My People, creating false expectations so that someone of Mine will take attributions that I have not bestowed on him.

Beloved, My children work and act in Our Will. My children know Me so as not to be deceived; they pray to discern, and they love My Mother and ask for Her Help so that She will guide them and intercede in favor of each one of them, lighting the way when the heart—agitated in the face of deception—beats quickly to make him react.

**ONE AND ONE THOUSAND FORMS OF DECEPTION REVOLVE AROUND HUMANITY, SO MUCH SO
THAT MEN OF SCIENCE HAVE INVESTED THEIR EXISTENCES AND THEIR LIVES LOOKING FOR A WAY
TO SURPASS ME,** wantonly creating life to the point of integrating human tissue in the organism of an animal (3), causing a series of aberrations against human nature. The Tower of Babel is small compared to what this generation has come to perform... likewise; the continuous change in humanity will be large.

I call you constantly so that you do not forget everything I have announced to you; you know the theory, but what will you do when you face some violent action of Nature or the increasing low instincts of man that evil causes to surface?

**THE INSTANT IS BLOODY, BUT THE MAN OF FAITH REMAINS STANDING, BECAUSE MY HOLY
SPIRIT LEADS HIM TO WITHSTAND WHAT HE MUST, AND TO GIVE UP WHAT HE MUST LEAVE
ASIDE.**

I call My People not to stop at this instant...

I call My People to control the free will...

I call My People to maintain that honesty with which my faithful children are distinguished amid the ongoing suffering...

As in the past, you continue not believing. You eat, you drink, you marry, you give in marriage, you buy, you sell, you sow, you build, ignoring the Calls from Our House (Matthew 24:37-39) ignoring the terror that your brothers already suffer and that will spread throughout the Earth. You live without love, you disobey Me as if I did not see you; you think you deceive Me when I am the One who knows what each one has inside.

**CHILDREN, REMAIN ATTENTIVE!
I AM THE ETERNAL PRESENT, I AM KING AND MY KINGDOM IS NOT MODERNIZED LIKE WHAT IS**

**WORLDLY IS MODERNIZED...
PAY ATTENTION!... I AM YOUR GOD (Isaiah 41:13)**

My beloved People, the waters of the oceans will be agitated and in their anger they will penetrate inland, the volcanoes erupt with great force, the tree that used to bear fruit will be like the fig tree that withered away, the plant that had a crop in March will give its crop in September. The rivers will no longer carry much water; the threats from the sky will be constant. Scientists will warn about celestial bodies approaching Earth, thus the same scientists will corroborate My Word.

Beloved, the plague moves ahead and another one arises which affects the digestive system with nausea and vomiting, and raising the body temperature until the creature sees his skin darken. This is the result of improper manipulation in the laboratories where great experiments are carried out.

Pray, My children, pray for Brazil, the beaches that now are a source of evil enjoyment will become inaccessible for man.

Pray, My children, pray for Greece; it will suffer on its land.

Pray, My children, pray for Italy; pain will reach several cities. The volcanoes Vesuvius and Etna will cause fear with their eruptions.

Pray, My children, pray for China; it will suffer the shaking of its land.

Pray for the United States; Nature alerts its inhabitants so they will not allow this nation to be the cause of the world war.

Pray, My children, the land will open up in Peru causing horror.

My beloved People,

IT IS NOT OUR WILL THAT YOU SUFFER. IT IS THE INCORRECT USE OF FREE WILL THAT LEADS YOU TO SUFFER MORE HARSHLY EACH INSTANT.

**COME TO RECEIVE ME. YOU MUST REMAIN STRONG IN THE SPIRIT. THE FAITH MUST BE SOLID.
JOIN ME AND LET ME HELP YOU. PRAY THE HOLY ROSARY. DELVE INTO THESE CALLS THAT
EXPLAIN MY LOVE SO THAT YOU WILL BE PREPARED.**

You know that out of Mercy I will come to examine you; it will be a small judgment; repent so that you will not suffer more.

Beloved, as Infinite Love that I am, I will not abandon you. These My Calls and My Mother's Calls will keep being the breath, the help from My House to My People. This Word from Our House will remain to guide you. What kind of God would I be if I left My People adrift, bereft of My Word and without alerting you?

OBHEY! ALERT YOUR BROTHERS WHO LIVE IN SPIRITUAL IGNORANCE.

I am with you, My children, I do not deny you My Consolation or My Forgiveness. I bless you and I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Like our Lord says, in reiterated occasions, astronomers predict that something can happen in the sky that could affect Earth, and they are the ones confirming part of the Prophecies with which Christ and our Mother warn us in this respect.

Immediately comes to mind the passage from Luke 21:11:

“there will be great earthquakes, and in various places famines and plagues; and there will be dreadful portents and great signs from heaven.”

We see how at this instant more countries join the attacks against terrorism in the Middle East, coming closer to some peace agreement at some instant. However, this is turning Syria, in particular, into a place where most of the ones who suffer have nothing to do with terrorism. I invite you to read 1 Thessalonians 5:3:

“When they say, “There is peace and security,” then sudden destruction will come upon them, as labor pains come upon a pregnant woman, and there will be no escape!”

We see the big picture, how the Prophecies are becoming clear as we confront them with our reality: The course is the one that was announced to us. The Nations of the world are reduced to ten powerful nations which will remain in control because they will represent the entire world.

Each one must be aware in order to be a spokesperson for the Divine Will and alert the brothers so that they awaken and not be lost.

Christ told me that we must not forget about the Warning because it will awaken hearts, but at the same time it will harden hearts because the devil does not rest.

Brothers, we are all brothers, children of the same God, and this God calls us to fraternity in which the missions have a single objective: The triumph of the Divine Will on Earth, giving back Earth to the Creator; and where the only Actor and Spectator is Christ. “By Him and in Him all honor, power and glory for ever and ever.”

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
24 JANUARY 2016**

My beloved People,

**MY BLESSING DESCENDS OVER YOU AND OVER THOSE WHO DO NOT KNOW ME YET.
MY HEART REMAINS CONTINUOUSLY WAITING TO ATTRACT YOU TO ME.**

My Mercy is infinite, and in this endless waiting I stay until the last instant. You are My children and therefore you can choose Salvation.

**MY CHILDREN DO NOT GIVE UP. THEY STAND UP AGAIN AND AGAIN TO BE FREE FROM THE
CHAINS OF SIN, OF IGNORANCE, OF STUBBORNNESS, AND OF SPIRITUAL BLINDNESS.
THIS, CHILDREN, I REWARD AMPLY.**

At this instant you are besieged by many doctrines that have come up as a result of man's search for Me. The reason for this rise is to confuse you so that you will lose the way towards My Truth and to make you take shortcuts that will never lead you along the right path.

Beloved children, you must renew yourselves inside with a generous spirit (Psalms 51,12) without placing obstacles with which men often condition the definitive surrender. I must explain very much so that, when you do not understand My Words, you will know to wait, expecting for them to be clear along the way. You are My People and I will not leave you defeated by the evil of ignorance. You just have lots of patience in large quotas, as well as abundant discernment.

Who will be able to prove that prayer is not important?

**CHILDREN, THERE ARE SOME HUMAN CREATURES WHO DO NOT PRAY. PRAYER IS A CALL FOR
ME; IT IS A WAY TO KEEP ME ALERT. MY HOLY SPIRIT HELPS YOU, AND THOSE WHO DO NOT
PRAY DO NOT ADVANCE BECAUSE THEY DO NOT PRACTICE PRAYER.**

Just like the body uses nourishment to go on instant to instant, so the Soul and the Spirit must be nourished by Me.

Children, remain attentive to the development of events; it is part of the instruction to which each one is called in order for you to stay within My Will that asks you to alert your brothers.

THE INSTANT WILL COME WHEN MY JUSTICE WILL SHINE EVERYWHERE blinding all those who persecute My People and casting down the hypocrites who pretended to love Me but did not love Me, putting down those who denied My Justice trying to hide it when it has never been hidden or nonexistent; it is they who have been hiding it from My People. Debauchery is not My Will; My Will is that you respect that

I AM YOUR GOD; "I AM WHO I AM." (Exodus 3:14)

My beloved People,

I am God present in the Creation and absent in those children of Mine who have taken Me out of their lives, contriving the oppression of those who are faithful to Me. These only seek personal glory, human applause, and status in society by the recognition of the wealth they own which, when offered to their brothers, these will not receive it because wealth will be worth nothing.

My beloved People, terror carries the human seal. In factories and industries, suffering is forged by their own hands. The harm they will cause will be such that this generation will be the one that will prepare pain with their own hands.

In the intimacy of your hearts you know that this generation is building its own death; and I want you to be aware of this.

Pray, My children, pray. Hunger makes prey of My People who ate and drank without ever thinking about these Truths that I reveal to you.

Pray, My children, pray; dormant volcanoes awaken.

My beloved People, the contamination that has been poured over this planet blames man and exhales its fury through the mouths of the volcanoes.

Pray, children. Hatred debases. Hatreds ruin relations between the inhabitants of the countries.

CHILDREN, BE TRUE; MOST HAVE NOT HEEDED MY CALL AND THEY HAVE GOTTEN THEMSELVES INTO A NEW DECEITFUL SPIRITUALITY THAT DRAGS THEM UNTIL THEY ARE FAR FROM ME, GOING AGAINST MY FATHER'S LAW. By acting this way, they will obtain the terrible consequences of the increase in geological changes transforming the geography of Earth, given the major offensive and actions of man, separating himself so much that those who rule the Nations will have authority and with great pride will lead them to what is sinful, to war, breaking peace agreements. To their great astonishment they will live among violence, robberies, insults, vexations, diseases, landslides, strong rain and wind of which there will be no weather forecast.

RELIGION WILL FALTER. Sin, well inside My Church, will have caused havoc because of the folly of those who do not obey, those who have not known Me and have rejected Me. My House will be treated irreverently because they confuse My Mercy with the transformation of the Divine Law to adapt it to the constant disrespect of a ruthless generation.

Beloved,

AMID SO MUCH CONFUSION, AS YOU HAVE NEVER SEEN BEFORE, THE GREAT IMPOSTOR MAKES HIS APPEARANCE, ANNOUNCING THE SOLUTION TO EVERYTHING THAT IS HAPPENING. WITH HIS HANDS STAINED WITH THE BLOOD OF THE JUST, HE WILL PERFORM MIRACLES THAT COME FROM HELL TO DECEIVE MY CHILDREN.

This impostor arrives during the bloodiest war that humankind has lived. He appears as savior of a desperate humanity, desperate and out of breath, that will embrace immediately the offer satan himself presents to them, and they will surrender to the armies of evil.

This impostor will confuse My People with great eloquence; his voice will seem melodious; his eyes, black, will confuse; his words will confuse; he will be false because his wisdom will not be that of the Holy Spirit but that of the devil.

Humanity is careless; they see with indifference acts that are not My Will, and they accept all that is imposed on them.

Pray, My children, Rome will be invaded, terror will pounce on My Church.

**My beloved People, pray for Japan; the harshness of Nature reaches its shores.
The pain of the People will be cruel.**

My beloved People, pray; the United States continues its route towards desolation.

Another danger for humanity has been exhibited: The hydrogen bomb...

My beloved People, those who do not expect summer will fuss over it when it arrives; those who do not expect cold weather will suffer great weakness for lack of food and other causes, and will die when it arrives. My children must be prepared; although it seems that the sun shines in the same way every day, it does not.

Nature has taken ill, as the mind of man has turned away from Me.

My beloved,

I CHRIST, YOUR GOD, WILL SEND HELP TO MY PEOPLE; I WILL SEND ONE WHO IS ANGEL OF PEACE: A CREATURE WHO LIVES IN MY LOVE AND IS NOURISHED BY MY LOVE. MY PEOPLE NEED MY ENVOY SO THEY WILL NOT BE LOST AMID SUCH BLOODY SPIRITUAL BATTLES.

DO NOT DESPAIR; I WILL NOT ABANDON YOU TO THE FORCE AND GREAT EVIL THAT WILL REACH YOU. TRUST IN THAT MY PEOPLE ARE PRIVILEGED; MY HOUSE DOES NOT ABANDON ITS FAITHFUL.

My beloved People,

My Spirit resides in the interior of each one of My children; each one finds My Truth, which does not change in any instant. **THIS IS THE WAY THE MAN OF FAITH IS: HE DOES NOT CHANGE BECAUSE HE KNOWS THAT I AM INFINITE AND ETERNAL PRESENT.**

Each one with his free will has two paths before him: Good and evil. I have explained both. Each one is responsible for choosing to remain among the wheat or to be part of the weeds.

I bless you, I love you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Perhaps when reading this Call from Christ some will say that they already know all this. However; in every Message we find this Wonderful Divine Harmony which makes us feel that we are not alone, that we are being guided, and that we are loved by God. Thus we must not rest until our imperfections no longer tip the balance when we come before God.

Let's keep in mind that there are events that Christ announces because He never acts without letting His People know beforehand what will happen: "Surely the Lord God does nothing, without revealing his secret to his servants the prophets." (Amos 3:7) Christ has given us a list of events that will happen and, in view of this, our personal conversion is not something to be taken lightly.

Human beings have the great blessing of carrying the Divine Law in our hearts. Some make It their own; others are still waiting...

Brothers, it is crucial to know those we love and our loved ones must know us. Therefore, in order to know God we must study and scrutinize, and the more we delve into Him, the more we will love Him. Let us discover the Love of Loves and let us not leave His Heart.

Amen.

MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARÍA 28 JANUARY 2016

Beloved children of My Immaculate Heart, I bless you.

As Mother of all humankind I do not stop My Word to tell My Son's People to come back and reunite inside My Son's Sacred Heart so that they will not be afraid of getting lost as they go along safe paths.

**MAN'S WORKS AND ACTS ALLOW PEOPLE TO SEE WHAT MAN REALLY HAS IN HIS INTERIOR.
MAN'S REACTIONS AT UNEXPECTED INSTANTS DEFINE THE DEGREE OF SPIRITUAL MATURITY OF
THE CREATURE.**

That which man keeps in his heart is what he expresses with his word. A violent creature carries with him little or no conscience of what are My Son's acts and works. A creature that does not respect his fellow humans is far from loving in the way My Son has ordered you to love your fellow men. My Son warns you about the danger of the human will when it is guided by the human ego. **THE TRANSPARENCY IN THE ACTS AND WORKS IS NOTORIOUS IN THOSE WHO ACT KEEPING MY SON IN THEIR HEARTS; THIS IS NOT SO IN THOSE WHO LIVE BY APPEARANCES.**

Beloved children, within the square meter—the immediate surroundings—the actions, the impulses, the way you treat others, the love, the truth, the fraternal interaction, and the humility will tell who you are and how you are. This is not the instant for tepidity or deceptions.

This is the instant when you will be in the manner of My Son, if you belong to My Son...

If you do not belong to My Son, you will act in a mundane manner ignoring compassion, love, fraternity, truth, patience, obedience, and the virtues of others.

If you do not belong to My Son, you will wish to be the first always, you will pretend to know everything, you will despise those who do not think or act like you.

This is the instant to look at yourselves because if you don't, My Son will lead you to look at yourselves even if you do not want to do it. Truth is a pillar of the son of My Son, It is seed that bears fruit. He who does not work in this way, he who does not act in this way, is a member of the dying church which, because it does not constantly carry the Cross on the shoulder, cannot make its enemies flee and does not see those who want to destroy it.

Don't you see that in My Son's Church both the wheat and the weeds are together?
Who are those that want to pull the weeds without looking at themselves?
Or, who—knowing the weeds and the evil they do—allows them to stay inside, without seeming to be weeds, so that they will continue destroying furtively from the inside?
You must observe the precepts established, from which are pendent the Law and the Prophets:

**“YOU SHALL LOVE THE LORD YOUR GOD WITH ALL YOUR HEART, AND WITH ALL YOUR SOUL,
AND WITH ALL YOUR MIND...
AND YOU SHALL LOVE YOUR NEIGHBOR AS YOURSELF.” (Matthew 22:37-39)
HE WHO LOVES DOES NO EVIL; HE WHO DOES EVIL DOES NOT LOVE TRULY.**

Beloved children of My Immaculate Heart, at this instant evil lurks everywhere incessantly praising wrongdoers and taunting those who act correctly within what is good. Be astute and really think, at every instant, from where comes the praise and from where the recrimination. Both have two paths but they feed off the same venom which comes to bring down My children by recriminating and praising what is not done correctly.

Beloved children,

Each one is called to witness and give testimony of My Son's Teachings and, for this, the Holy Spirit needs the soil prepared for Him to reside.

The Mystical Body of the Church remains on Earth and each of you is fully responsible for not mistreating It, not slapping It, not despising or reviling It, and not wounding It.

Each one of you must give the best of yourself in order to collect the best of your brothers.

Trust in the Word that explains to you walking in God's Law without fear of tripping...

Trust in God every instant...

Trust in God, do not fear, even though on occasion you must wait...

" do not fear, for I am with you" (Isaiah 43:4)

He has His Plan for each one of you and He knows what you need and when you need it, because He knows you from within...

"I have inscribed you on the palms of my hands." (Isaiah 49:16)

Do not neglect the Faith because

"the Spirit expressly says that in later times some will renounce the faith by paying attention to deceitful spirits and teachings of demons" (1 Timothy 4:1)

Beloved children of My Immaculate Heart,

I STRONGLY CALL YOU TO REMAIN ALERT, WITH LIT CANDLE AND THE BEST OF OILS...

The devil remains in a constant battle against My children; and you must be able to distinguish what belongs to God from what belongs to the devil. **WITH A FALSE DOCTRINE, THE DEVIL ARRIVED AND INTRODUCED HIMSELF IN MY SON'S CHURCH AND, AT THIS INSTANT, ATTRACTED OVER HUMANKIND THE SATANISM FROM ANCIENT BABYLON TO MAKE IT PUBLIC AND TO HAVE IT PRACTICED OPENLY.** This has been the purpose of those who have remained within the groups that surreptitiously call themselves clubs, mafia, sects, secret societies, new ideologies, new era, which have dragged ancient rites and involving those who are lukewarm and indifferent.

Beloved children,

THIS INSTANT IS NOT JUST ANY INSTANT. THIS IS THE INSTANT OF INSTANTS WHEN TEN NATIONS WILL TAKE OVER THE CONTROL OF EARTH, AND THEIR TEN LEADERS WILL BE THE REPRESENTATIVES OF THE NEW WORLD ORDER.

The antichrist makes his public appearance without prior warning, and arrives with great praises as the one that will achieve peace and the reconciliation between peoples, peace that is sign of the imminent presence of the executioner of humankind.

Beloved children,

YOU MUST DECIDE TO CHANGE; DO NOT LEAVE UNTIL TOMORROW WHAT TO YOU REPRESENTS ETERNAL LIFE; DECIDE AND DO NOT FALTER. DO NOT WAIT!

The war advances dragging in its wake a huge complexity of interests among which is to destroy most of My children, three fourths of My children, in a clear and sudden manner. Which weapon would be able to accomplish this if it is not the most sophisticated and the most powerful that exists at this instant?

Beloved children, humankind is in crisis. Wake up before you are examined; know My Revelations, My constant Warnings in all the places where I have appeared to warn My Son's People and Mine.

CHILDREN, IT IS URGENT THAT ALL OF YOU UNITE. ONLY THE UNITY OF MY SON'S CHURCH WILL BE ABLE TO CONFRONT THIS GREAT IMPOSTOR AND HIS ALLIES. My Son's People, you yourselves will unmask this impostor, and for this you must remain complying with God's Law.

**SO MUCH HAS RISEN AGAINST MY SON'S PEOPLE!
YET YOU CONTINUE WITHOUT GIVING ANY SIGNS OF KNOWING WHAT IS HAPPENING OR
WISHING TO LEARN ABOUT IT.**

I walk in your midst and I see the indifference with which you treat one another and how you watch other people suffer... I see how the one who suffers lunges towards the brother without that being a difficulty to resolve his need. This is a violent generation, unscrupulous and ignorant.

Look on high; the signs over abound. You will see in the sky what you have never seen before as a sign of the urgency of the instant.

Pray, My children, pray for Mexico; it will face a great trial.

Beloved, pray, pray for Rome; it will suffer. The Vatican will be grounds for world news; those who do not love My Son will cause great pain.

Pray, the volcanoes will be the scourge of man. Mexico will suffer for this reason; Ecuador will suffer. Unknown volcanoes will be news.

Pray; the earth will be shaken; Spain will lament.

Pray; the United States continue suffering; Nature turns against this Nation.

Children of My Immaculate Heart,

THE RUIN OF HUMANKIND LEADS A GREAT MANY SOULS TO FALL INTO HELL.

**DO NOT BE INDIFFERENT TOWARDS YOUR BROTHERS. PRAY FOR THEM, WARN THEM ABOUT
THE WICKEDNESS IN THE WORLD.**

**DO NOT STOP; EXPLAIN TO THEM, OVER AND OVER AGAIN, EVERYTHING THAT THE WORLD IS
FACING.**

Existing realities cannot be hidden; evil hurls over humankind without compassion, and men will see in awe how fire falls from the sky. They will seek a place of refuge but will find none.

My children, do not move away from the Eucharistic Sacrament.

**Pray the Holy Rosary and wait in Holy Patience for the help that will arrive from Heaven at the
bloodiest instant of global persecution of Christians.**

Rome will suffer and in view of her own lament one cannot call saint those who leave God for what is mundane and sinful while blaming God for their own miseries, for being selfish, and for their frustrations when they want to possess more than their brothers.

Vices are welcome and My Son is sent away; the churches remain empty; there is no one to pray.

Beloved children of My Immaculate Heart, the plague advances and man suffers.

Use mullein and rosemary in discreet amounts.

**CHILDREN, MY IMMACULATE HEART REMAINS WITH YOU.
YOU ARE SONS OF THE KING OF HEAVEN AND EARTH; DO NOT FEAR, MY SON SUPPORTS HIS
OWN.**

I bless you, I am your Mother.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

(*) Note:

The scientific name for Rosemary is Rosmarinus officinalis

The scientific name for the plant commonly known as Mullein is Verbascum thapsus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

It is not possible to continue to ignore the current state in which humankind is moving or that humanity has already entered into the Great Tribulation.

Constantly we find front page news of every kind and all types have one thing in common: they refer to things that are not so natural and that did not use to happen before with such regularity, such as Nature that whips harshly all over the world.

Above all, what has caused human beings to descend is the decadent state in which men move spiritually. This leads a human being to be a creature lacking feelings which, in turn, makes man risk his emotional stability and makes him violent and irrational.

Maintaining the relationship with God is the thermometer for the stability of the human being. When man lets go of this stability, he falls in a series of vile acts that were unthinkable before. As our Most Holy Mother says, Heaven announces but man ignores and forgets. At these instants evil has penetrated all institutions, as well as man from every social class; human respect has been misinterpreted for a "laissez faire, laissez passer" (let do and let pass) like allowing an image for people to adore the devil when for lesser acts large mass protests are carried out... but how is the Christian at this instant?

Brothers,

To reinforce the Faith must be a necessity...

Coming to Christ must be a necessity...

To love our Most Holy Mother must be a necessity because it seems like whatever is not a necessity is not important.

The fact that a project arises to establish a lesson for school children where they are taught how to be worshipers of satan shows us the spiritual baseness and the lack of importance the Church gives these deplorable acts.

Our Mother does not rest, Christ continues to thirst for souls, and the Messages do not stop; so we must let our brothers know this because in most cases they bear fruits of conversion and this is why we cannot remain indifferent.

Let us be Christians of action, nonstop, giving up everything for the salvation of souls.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
31 JANUARY 2016**

Beloved children of My Immaculate Heart,

My Word gets to My children as blessing that the Divine Will allows for His People. Embrace My Word, children, before the instant passes.

Man will want to quench the thirst of his soul and he won't have a way to quench it. Given the rejection of everything the Paternal House reveals and that is left by the wayside, it will be at sunset when humankind realizes that this Revelation marked the way but was despised.

Man will turn the Commandments into a convenience for his bad living; such great audacity is the ruin of humanity. Who like God?!!!

All that is Sacred has been minimized so that debauchery reigns among My Son's People. Children of My Immaculate Heart, do not lose Faith. From Heaven will come down The Help for the Faithful People, not to prevent you from suffering or from being purified, but to prevent that suffering from being more than what is Divine Will.

Evil will never triumph; the bad behavior of My Son's People will lead you to fall to the ground begging for the Divine Hand. Some of My Favorite Children—the Priests—walk in such arrogance that does not let them turn back and, on occasion, their incongruous way of guiding My Son's People is the door through which these People get away and look for refuge in satan by denying sin, denying evil, denying hell as a place of grief, denying God's Law, denying the Cross, denying Me as Mother

of humanity. **SO MUCH DENYING THE DIVINE GREATNESS IS THE MAGNET THAT ATTRACTS TO EARTH THE PURIFICATION OF EVERY HUMAN CREATURE.** My Son's People will suffer as well as those who join the malignant antichrist who at the end will be the one to make them suffer horrendous punishments and deprivations. When he feels in agony, he will turn against his followers.

Before this happens, those faithful to My Son, with horror and dread, will see brothers in the Faith deny My Son and turn in their brothers for fear of losing their lives. **INTO THE PURIFICATION, THE SEAT OF MY SON ON EARTH WILL BE ATTACKED AND CLOSED. THE DISCONCERTED SHEEP MUST REMAIN UNITED. I WILL SUSTAIN YOU IN THAT BRIEF INSTANT.**

Do not move, children, do not allow terror to invade you when you suffer loneliness. This is why My Calls have been directed to the spirit, to the soul, so that you do not fall in despair.

So much evil will be dispersed like the wind, and for man this will be suffocating, as much as the air totally contaminated with the most lethal poison.

There will be a purification like never before, since the beginning of the world. Not only the Earth will be shaken but also the Sky just like man's wickedness has been without compassion toward his brothers and without any respect for his Lord and his God.

Beloved children of My Immaculate Heart,

I SEE MY FAVORITE CHILDREN—THE PRIESTS—SO WEAK! SOME ENDORSE THE ACTS THAT LEAD TO SIN; I GUIDE THEM SO THAT THEY WILL SAVE THEIR SOULS.

MY SON'S CHURCH, AS DYING, KEEPS ON THE SOCIAL, BUT ITS MISSION IS TO SAVE SOULS AND THEY DISOBEY ME. The houses of My Favorite Children must not be sunk in luxury or in big feasts; My Children must be austere like My Son. **LIVE ON WHAT IS NECESSARY AND HELP THE POOR, NOT ONLY PHYSICALLY BUT ALSO SPIRITUALLY.**

MY FAVORITE CHILDREN MUST TAKE WITH STRENGTH THE CROSS MY SON BEQUEATHED TO THEM, SO THAT THEY BE EXAMPLES OF FAITH AND LOVE...

AS MOTHER, THIS GIVES ME GREAT PAIN BECAUSE THE WAR IS STARTING INSIDE THE SAME CHURCH, MY SON'S CHURCH, WHERE AGREEMENTS BURN IN DISUNITY, AND THE PRIORITIES ARE NONE OTHER THAN STRATEGIES TO CONFRONT ONE ANOTHER.

Children, approach the Eucharistic Sacrament; do not reject Him; prepare without delay and receive Him with love and firm purpose of amendment.

My Son has been defied so much! And this although He has announced to you what will happen. You already know that later on you will see the Earth and it will look like rubble of what it used to be.

What will be left of a country will be a small island, and what will be left of a city will be rubble, and the cry of the heart will be heartbreaking. Man does not come when called tenderly; the rebelliousness of this instant makes him show himself defiant, and My Son, with the purpose of

recovering souls, allows the Justice to remove man's entrails in order for him to see himself in his smallness and for him to see the damage that he has caused to himself.

Children, look at you! ... Why have you allowed a small wound to get infected without washing it? Why have you allowed a wound to fester? Worms eat away at the skin and adhere to the places that have pus. As Mother, I want My children to have a different reaction; when there are riots, I see how My children are emboldened; when there are attacks and persecutions, they cause more terrible deaths; in the presence of weapons, they take more revenge and do not draw back, they attack the innocent with the terrible terrorist brunt.

MY ADORED SON SUFFERS SO MUCH WHEN HE SEES THAT HIS PEOPLE ARE DEFIANT! THE WAR ADVANCES, IT DOES NOT STOP, IT SEEMS TO SLEEP BUT IT IS AWAKE, AND THE RUMORS OF PEACE ARE MORE RUMORS OF WAR.

MY SON WILL ALLOW THE ILLUMINATION OF THE CONSCIENCES, ACT OF GREAT MERCY FOR EVIL TO TURN AWAY FROM THOSE WHO WISH IT. THIS ACT IS A PREAMBLE TO THE GREAT SUFFERING.

My daughter, do not worry about some of My children who have come close to you not believing you, they are afraid because you write the truth of My Words. Go on ahead waking up My children for the Glory of My Son Jesus Christ.

The devil embedded himself in the positions of greater power in the world, he waits for the antichrist for him to take charge of all humanity.

Children, do not lose Faith; and you announce what My Son asks and what I as Mother request. Tell My children to be faithful, to come prepared to receive My Son in the Eucharist; tell My children not to accept what is contrary to God's Law.

Confusion will grow each instant within My Son's Church. Some will go against the others, assuming progress, the evolution of generations, they have forgotten that the **LAW IS AN ETERNAL PRESENT.**

Pray, My children, pray for Brazil; sin will make it suffer again.

Pray, My children, pray for the United States; Nature will scourge it greatly and terror will grip this Nation where innocents will lose their lives.

Pray, My children, pray, the land will shake with great force, so much so that the groans of My children will be heartbreaking.

Pray, My children, pray; together with the economy that hangs from a thread, Japan undertakes its influence.

Pray, My children; Jerusalem will suffer.

My beloved, the elements will be joined with man's suffering; be patient, do not panic, satan takes advantage of panic to prevent you from praying and to keep you away from My Son's side.

YOU REMAIN INSIDE MY HEART. I CRY TEARS OF BLOOD (*) FOR THIS HUMANITY SCOURGED BY ITSELF, BUT AT THE END I WILL TAKE YOU BY THE HAND AND, AS INTERCESSOR OF ALL HUMANKIND, I WILL PRESENT YOU TO MY SON.

It will be those who are faithful that will continue to attract the Divine Mercy towards the Earth and it will once more exhibit in the sky the rainbow of the love of My Son's Faithful People.

Do not regret, yes recognize what you are...
Do not regret, decide to rectify...

**DO NOT REGRET, TRUST IN MY SON'S LOVE AND IN MY INTERCESSION
BY AND FOR EACH ONE WHO REQUESTS IT...**

Look on high; the signs do not stop, the generality of humanity looks towards the ground with the head down looking for the mundane more than for what is up high.

I bless you with My Love, I protect you with My Mantle. As Queen and Lady, I seek you tirelessly. Children, life does not end on Earth; see to it that the soul does not lose Eternal Life.

My Love is with you.

I call you out of Love.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

(*) On this day (31 January 2016) an image of the Virgin of Guadalupe has appeared with oil and a red liquid coming out of both eyes which is presumed to be blood.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Since the Divine Word is Eternal Present, then, when Christ talked to the men and referred to the generation in which He was, He did not refer only to that generation but to all generations.

We are called to be wise, not only in the knowledge but also in our actions, so that the devil will not drag us with him.

We know that Wisdom is Jesus Himself, and Saint Paul states that God the Father made Christ *"...wisdom from God, and righteousness and sanctification and redemption,"* (1 Corinthians 1:30)

And while on the topic of wisdom, allow me to make an analogy between the Wisdom to which God's children are called and that of our Most Holy Mother who possessing the Wisdom of which She was filled by the Holy Spirit, calls us, looks for us, comes out to meet us everywhere tirelessly, because, like Her Son, She—"a woman clothed with the sun, with the moon under her feet," (Revelation 12:1)—knows what each one of us does and She sees beyond our eyes and She suffers when She sees Her children right in front of the precipice. She wants to wake up all those who do not want to see and those who resist, and She will continue to do so until the last instant.

The disciples are called sons of Wisdom because they were re-engendered, born again, and to this we are called. Why refuse?

**BROTHERS, LET US NOT DENY THE CALLS FROM HEAVEN AND
LET US RETURN TO THE PATH BY CHRIST'S SIDE;
LET US TAKE PART OF THIS DIVINE INSANITY OF THE CROSS.**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
4 FEBRUARY 2016**

My beloved People,

MY WILL IS FOR ALL TO BE SAVED AND TAKE PART IN ETERNAL LIFE...

You call Me 'father' ... When you call Me 'father', do you fully recognize Me or do you call me 'father' because the Our Father begins with these words?

I am Pastor of men of good will who implore My Holy Spirit's help to keep assisted and to achieve acting and working in sanctity, overcoming the unexpected from the world which is enraptured by satan and his legions.

I DO NOT CLOSE MY MERCY TO MY CHILDREN WHO REPENT, TO THOSE WHO SEEK A WAY OUT OF SIN AND CRY TO RETURN TO THE PATH OF SALVATION. My Kingdom has no end, it is before you for you to enter into My House and remain in a constant act of fusion with Me, giving them and giving Me to you so you will be living testimony on Earth.

AT THIS INSTANT MY CHILDREN MUST SURRENDER COMPLETELY TO ME; OTHERWISE, THE TRAPS OF EVIL WILL MAKE YOU FALL BY ENLARGING YOUR HUMAN EGO SO THAT THIS HUMAN EGO WILL BE THE GREATEST AND MOST FALSE GOD THAT YOU POSSESS.

Humanity is surrounded by false gods and you, My People, know this. The greatest and most false god was created by man and he is the cause of the greatest destruction, not only physical but also spiritual, affecting the entire Creation. The ego, the human ego, the one you constantly feed, grows without measure until it becomes a necessity for the creature and dominates him:

Indulging personal whims and pleasing him...

Making him feel better and more than his brothers...

Making the creature believe that the knowledge he possesses is bigger and greater than that of his brothers...

Allowing the heart that has been hardened by the lack of humility to hurt those who have surrendered to Me and who offer the oppression they suffer in favor of the soul of their oppressor.

This false god creates in each one of My children other false gods that undermine the spiritual terrain, the spiritual strength, and lead them to relegate Me because of wrong human respect which plunges them into folly, clouding the reason and subjecting them to human whims in order to make them diminish.

My beloved People, reason stops reasoning when it is guided by interest. Man has interests that control even the noblest causes; interest goes hand in hand with disrespect and ambition, which are bad company for men.

I have ordered you to cleanse the spiritual terrain, to burn everything that robs you of the strength to fight against wrongdoing; I call you to burn the rags of men that are contaminated with the interests that the enemy of the soul has embedded in you and, like larvae, they have lodged themselves without being noticed, acting and controlling at their will, in order for the human creature to believe the he walks ahead when he actually goes backward.

Weeds are not good company for men. Weeds cause envy and debase men; they lead men to forget love and charity towards their fellow men. With their branches, weeds lift up men until men see themselves so high up that they begin to think that their brothers will never be able to reach them; high up they take in air and swell up even more, but they do not take in pure, clean air; instead, they inhale the most contaminated air which makes them conceited and nauseous, so much so that they underrate, despise and disqualify everything that is not the way they want it.

My children, man must walk so carefully! The powerful man will become the one who begs for the alms of love of the beggar.

When one of My children commits an act against My Love, when he commits an injustice and despises one of My own, he despises Me and when the enemy sees him angrily, he takes advantage of the situation and uses this man to spiritually hurt those who live adoring Me and recognizing Me.

You do not know the great influence over man that good possesses; it is enough to wish it and act; but you surrender to the insolent deceiver of men, the one that leads you to lose your sanity in an instant.

My People want to be god and therefore they have sunk in their personal god, their ego, giving it total control over their senses, over the virtues and gifts in order for them to be distorted. All that is good in the human creature is minimized by the human ego which deforms everything in its way; it wounds, disobeys, rebels, destroys, and contaminates everything around the man until he ends up alone and forsaken.

My People, My Father gave man all that is necessary for him to share the same life with Nature, but you have forgotten the sacred reality of Nature, not sacred because Nature is a god, but because Nature was created by the Divine Hand.

Children, human hubris looks down upon the gifts received and eliminates them without pity in order to meet man's needs without keeping in mind that no man is greater than Our Trinity, and that no science of men will surpass the perfect Creation of God.

Remember My Words: Man, in an effort to create, will create monsters; but the meanest of all is the same man because he has come to disrespect life itself. Is this infamy not part of the prompt appearance of the antichrist and his influence? Those who have denied Me will be the ones to admire the miracles and wonders of the deceiver who, with his power, will seduce the lukewarm taking them to join his ranks so that these will become the persecutors of their brothers.

You will see some who claimed to love Me and who, with false love, received Me in the Eucharist, become deceivers of men opposing My Word, and denying the Mystery of Transubstantiation. For this reason, he who follows Me must not boast until the instant of instants when he continues to be faithful to My Word.

My beloved People, with pain and sorrow you will see the betrayal of many of your brothers. Do not let them deceive you, even when you feel faint, because the time of the harvest will come, and you will collect the greater fruit. Be aware that I do not depend on man for My Will to be done; it is man who depends on Me to live in My Will and to fulfill all that I demand for man to be able to opt for Eternal Life.

Many of those who say they love Me will go out into the streets to adore the seductive liar! During instants of fear, the man who does not have a firm and solid Faith and has not been tested in his Faith will stumble like a boat rocks in the midst of a great storm, and not knowing how to row, will sink, and without the knowledge of one who lives in the midst of storms, he will despair, because his trust in Me will last while the sun is shining and as long as he does not have to face any trials.

My beloved People, you are tested, but the Faith does not diminish; instead, it grows, because you know all that is being woven in the world by the hands of those who serve evil.

My children,

WALK CAREFULLY. SATAN HAS GOTTEN HIMSELF INTO EVERYTHING FLOGGING MY MYSTICAL BODY WITH NOVELTIES THAT ARE NOT MY WILL; AND THOSE WHO DO NOT KNOW ME IN DEPTH GET INVOLVED IN THE FULFILLMENT OF WHAT HURTS ME. FOR THIS REASON MAN FASHIONS HIS OWN PURIFICATION.

The Warning is a preview of My Mercy for the souls who love Me and wish to continue struggling to respond fully to Me.

DO NOT FEAR, MY CHILDREN. MY JUSTICE DOES NOT GIVE AN UNNECESSARY PUNISHMENT TO SOMEONE WHO DOES NOT DESERVE IT. MY JUSTICE GIVES THE RIGHT MEASURE; NOT A CENTIMETER MORE OR A CENTIMETER LESS.

Beloved, delve into the knowledge of the explanation of My Word; out of love for Her children, My Mother has been a Faithful Messenger: She has not omitted anything about what is coming for humanity or about what will happen because of man's disobedience to Her Requests.

LOVE MY MOTHER AND REMAIN WITHIN HER HEART SO, LIKE HER, YOU WILL LIVE IN OBEDIENCE AND IN INFINITE LOVEFOR THE DIVINE DECREES.

Do not worry about worldly matters and do not listen to those who announce that they are 'the christ', for because of deception My children will be lost admiring one who, with lies in his mouth, will take them along wrong paths.

Man has touched the pinnacle of contempt, man has dared to pretend to be a god and this is a ruin that has accelerated the instant that will precipitate the bad decisions of the men who have power over the powerful Nations, thus advancing the power of evil over its Peoples, food shortages to uncontrollable pests and plagues, diseases that give man no respite, the same man that receives the lies from the powerful to put to death innocents who have not yet been born.

My beloved People, the pandemic is accelerating as a ruin of humanity, the elements undermine man's tranquility so that he reacts to what is not normal.

Pray, My children, pray for Italy; it will suffer. Pray. The Vesubius and the Etna volcanoes will shake their peoples.

Pray, My children; a bacteria will be scourge for all humankind.

Pray, My children; the land continues to shake with force. Pray for Chile. Pray for Japan.

YOU MUST NOT WAIT UNTIL, IN MY CONSTANT CALLS, I ASK YOU TO ACT WITH FIRM PURPOSE OF AMENDMENT. THE DESIRE TO CHANGE MUST BE BORN WITHIN EACH OF YOU BECAUSE IT IS URGENT AT THIS INSTANT.

YOU DO NOT POSSESS THE WISDOM TO SIZE UP THE CATASTROPHES THAT BEFALL EARTH... LISTEN TO MY WORD WHICH IS LIFE AND LIFE IN ABUNDANCE.

Do not be afraid; who is with Me is not against Me.

I bless you in a special way.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

To refresh the mind, Christ places before our eyes what is human slowness and awkwardness that insists on continuing his self-destruction and self-degradation as a sign of disrespect for God's Law against which man rebels by all means possible.

Nature is damaged and has degraded the communication, the fraternity, the spontaneity, the love for God and for Our Most Holy Mother. At this instant, the eagerness to create has taken man to remain before the creation of hybrid beings and in view of this we ask: How far will man go?

The norms for the Christian cannot be less than those for the Divine Master; it is for this reason that time and again we receive the ordinance for a full and fair life.

Christ answers us clearly and forcefully since, for the sake of science, great mistakes have been made which man has regretted and others to which society has shown its great disappointment after having lived the horrors of scientific advances. But given that man forgets quickly, he has continued to promote misused science, science for dominance.

Christ confronts us with the Christian who is not profoundly committed and alerts us about the persecutions and horrors of the devil against the children of God. At the same time, Christ asks that we gain knowledge of the world situation and that of our own Church.

Brothers, let us walk with Faith in Eternal Salvation without skimping on our efforts to live in Divine Will.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
9 FEBRUARY 2016**

My beloved People,

YOU, MY CHILDREN, BECAUSE YOU ARE AWARE OF ALL YOU ARE LIVING, YOU WILL CONTINUE ALONG THE PATH, STRENGTHENING THE FAITH, AND WITH THE HELP OF THE HOLY SPIRIT, YOU ARE GUIDED TO THE WHOLE TRUTH AND, AIDED BY MY MOTHER, HOLDING HER HAND, YOU WILL RESIST THE ATTACKS OF THE EVIL OPPRESSOR.

My People are aware of all that is coming...

My People must look up and remember Who created everything that you see in Creation. You owe Me the Honor, Power, and Glory, Forever and Ever.

Beloved People,

At this instant, the enemy of the soul keeps his diabolical legions upon all mankind, as it has previously done in the history of mankind to deceive...

At this instant, My faithful People share a feeling, and it is to warn that humankind will suffer because they disobey My Word. My People feel this. The rest of the men, those who reject Me or those who do not take Me seriously, look at the way the world appears to be instead of looking at the shocking events, and then say, "Life goes on as usual; those who announce that everything will change are wrong, they are fakers." Saying this, children, is part of the action of evil to keep you in denial, to be lost.

I give you My Word with Love, and My Mother keeps you warned; but you keep reading or hearing the Calls from My House waiting for the fulfillment of the events in order to react... you wait for proof to react...

CHILDREN, WHEN PROOF COMES BEFORE YOU, YOU WILL NOT BE ABLE TO ACT LIKE A JURY TO FIND A CONSENSUS VERDICT. ALTHOUGH MY MERCY IS INFINITE, NOT EVERYONE WILL HAVE THE BLESSING OF BEING AWARE IN INSTANTS OF AGONY IN ORDER TO REPENT OR TO SAVE THEMSELVES FROM SATAN'S CLAWS, DESPITE THE INFINITY OF MY MERCY WHICH DOES NOT REJECT THE SLIGHTEST SIGN OF REPENTANCE TO EMBRACE MY CHILDREN.

My People, misused science is generating a new race as an attempt to surpass Me. **ABOMINATION** is what these creatures commit against the gift of life, and My Justice will be prompt.

You are this generation that the Holy Scriptures announce: You will witness the fulfillment of the Prophecies just like Noah's generation did.

Humanity, you dance, eat, drink, plunge into wickedness... life is despised, betrayals come up, one after the other, the signs in the Sky abound; but men go on as if nothing were happening, as you are witnessing some who walked under My Word and today have surrendered to darkness, mocking Me, My Warnings, and the Calls from My House.

EVIL MULTIPLIES SPEEDILY, terrorism will wreak havoc; prowling all over Earth, it will carry death with it. Without fearing My Justice, the haughty and arrogant man will fall to the ground at his own foolishness.

THEY DO NOT BELIEVE IN THE EXISTENCE OF EVIL. This way they give authority to evil to move around freely with great intelligence, inserting itself in man to make him despise Me and deny My existence. They call sin good; and good, sin. This is how evil takes men by surprise, disguised as good, due to the ignorance of mankind that does not know Me.

Woe to him who does not alert My children about sin and who does not call sin, sin!

Woe to him who confuses My People and leads My innocent along paths of error and horror!... "It would have been better for that one not to have been born." (Matthew 26:24)

THE SOULS FAITHFUL TO ME AND TO MY MOTHER AT THIS INSTANT ARE SPIRITUAL LIGHT THAT FORCE ME TO KEEP LOOKING AT EARTH, even though the human creatures are immersed in vices and perversions, in the mafia, trafficking in human life and in scientific advances that are not My Will. The human creatures that are immersed in iniquity and incredulity are more separated from Me and from everything related to the Salvation of the soul.

Pray, My children, pray for My Church; a false unity is brewing to supplant My Law.

Pray, children, pray; you will hear roars coming from the sea, evaporation of polluted seawater will rise and fall on land as foam, of which man should be afraid.

Pray, My children, pray for Chile; the land continues to tremble.

Pray, My children, pray for Mexico; it will suffer.

Pray My children, pray; surrounding the Sun you will see a new phenomenon that will presage pain for man.

My beloved People,

EARTH TREMBLES WITH THE SEQUENCE OF HUMAN SIN. EARTH SPEAKS TO MAN WHO REFUSES TO KEEP ME IN HIS HEART. Lights pierce the Earth's atmosphere more frequently causing alarm in those who see them. Space is attracted by the terrifying sin that over abounds on Earth.

The word will stop being word; man and his brothers will not understand one another; everything will be confusion (See Genesis 11:1-9). Good intentions will be considered bad and rage will arouse deep divisions between Nations in greater conflict.

My beloved People, as night is embraced by the light of the new day, man will wake up with a light that will destroy everything in its way, a light which descends because of the attack of the one that, before humanity, seemed to be asleep but was secretly preparing the lunge. Pain and ruins, the crying of humanity, the suffering of My children...

Pray, My children, pray for Indonesia; it will suffer in excess.

THERE IS SO MUCH PAIN IN MY HEART BECAUSE OF MY CHILDREN'S DENIAL!

My Mother has called you and you have rejected Her...
My Church did not obey Her Requests; for this humanity will suffer...
You are soon to face your own sin. Repent!
Hubristic People, heed My Call!... And wait with Faith the assistance from My House.

I Love you.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

We are called to turn to look at a reality that man does not like to accept ... And our Lord Jesus Christ tells us that this refusal to recognize that humanity is in chaos is precisely the huge trap and the great performance by satan to make man refuse to look at the Truth.

If it is Our Lord who tells us this, Our Lord who is Infinite Wisdom, Omnipotence, Truth, and they do not believe Him, for what else can humanity wait? Whom will humanity believe? The one who assures them that all is well, that this generation is on a normal course, that wars are normal—even when at this instant man has tested the hydrogen bomb which is the most powerful weapon available on the planet—or will they believe the one who tells them the opposite?

But man does not believe in the Calls from Heaven or in what happened before the Flood; and humanity is precisely in the same situation as they were at the time of the Flood. Certainly Heaven continuously alerts humanity that this incredulous generation will be punished, given that man is the greatest detractor in Creation.

Our Lord Jesus Christ announces the nearness to the fulfillment of the Great Tribulation and the Great Chastisement, and that it will be with fire. This generation of men and women is spiritually no different from that of Noah's—without taking into account the scientific advances and other things, of course—in the sense that this generation does not want to believe in God; instead they believe in their own personal god, in their own way, in order to call sin, good.

I invite you to refer to the Holy Scripture which clearly speaks of the coming events and of sin, but at times this humanity is told that the devil and hell do not exist... What, then, is sin? And who is the god they see that denies the place of fire and brimstone, the eternal condemnation? ("...the lake of fire that burns with sulfur." (Revelation 19:20)

By nature, man tends to listen to what is pleasing to him and to reject what is unpleasant to him. But what about the permissiveness in which man lives and what is written in the Holy Scripture?

BROTHERS, IT IS NEVER TOO LATE; IT IS WISE TO PONDER.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
10 FEBRUARY 2016**

Beloved children of My Immaculate Heart,

**MY CHILDREN, YOU ARE DISPOSED TO ENTER LENT.
DO NOT TAKE LENT IN VAIN AT THIS CRUCIAL INSTANT FOR HUMANITY AND ESPECIALLY FOR
MY SON'S PEOPLE.**

Children, be aware of every Christian's duty, of everyone who calls himself My child. The duty is to accompany My Son in these forty days, penetrating not only with the wish in thoughts and mind, not only with prayer, but also **ACCOMPANY HIM IN ABSOLUTE SURRENDER LIKE YOU HAVE NEVER DONE IN PREVIOUS LENTS GIVEN THAT THIS LENT IS VERY SPECIAL.**

Embrace penance and purification correctly, so that you will achieve sanctity, with all your strength, to penetrate in the true sense of Lent, and not to take it lightly losing sight of this great instant when you can join My Son in a special way, and retake Eternal Salvation.

I ESPECIALLY CALL YOU TO PRAY AND FAST, TO GIVING ALMS AND TO BE FRATERNAL. By calling you to be fraternal, I call each of you to be aware of your position within the world, each country, society, each People, in order for you to be the voice that is raised **TO BE A LIGHT OF PEACE** in the troubled situation in which humanity lives just instants away from war. Children, keep in mind that praying and fasting will make you stronger to overcome the wicked inclinations to which the human ego wants you to yield.

Beloved children,

**HE WHO, IN A SPECIAL WAY, EMBRACES THE CALL TO CONVERSION DURING LENT IS BLESSED
AS HE RENEWS AND CLEANSSES HIMSELF TO BECOME A NEW CREATURE IN MY SON.**

Those who remain in the fight in order not to decline in the Faith are comforted and strengthened by the Holy Spirit to continue in the path to salvation and liberation; those who have not joined My Son but, during this Lent, approach with "a broken and contrite heart," (Psalm 51:17) will be embraced by the Divine Mercy and guarded in a special way so that their free will won't deviate them towards evil. My children know that Salvation implies a double effort and a constant surrender without limits.

Children, illuminate the soul with fraternal unity and by being spiritually prepared, even though evil takes advantage of this instant, so meaningful for My children, and shows his infernal claws.

Given that fasting is spiritual light for the soul, you, beloved children, manage to penetrate the Mercy in which My Son submerges all men, enriching them with His Holy Spirit and with the gift of His Love.

Beloved children of My Immaculate Heart,

Live attached to the Truth, loving the freedom that can be found only by those who are not content to half live the Gospel, or with rags that atrophy them and chain them to deformed practices that are not My Son's Will.

Do not take matters from Heaven for granted, do not grow old without being action and taking the explanation of My Son's Word and Mine to your brothers so that they will wake up, Word given to Our Prophet so that humankind will understand that We are not the Ones who divide man into two; it is man who, by means of his free will, chooses the righteous path or the path of evil, while it is the Divine Will that wants all men to be saved and to arrive at the knowledge of the Truth.

RENEW YOURSELVES, CHILDREN, SO THAT "THE WAY, AND THE TRUTH, AND THE LIFE" (John 14:6) WILL BE FRESH OIL, NEW WINE, AND LIGHT AND SALT OF THE EARTH IN YOU.

Starting this Holy Lent, pray for humanity and for Creation not to look at you with indifference as It shares the same life with man in the midst of so much sin, the one that you discarded.

**BELOVED CHILDREN OF MY IMMACULATE HEART
I BLESS YOU.**

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
13 FEBRUARY 2016**

Beloved children of My Immaculate Heart,

**MY WORD WISHES TO GO THROUGH THE SOULS OF ALL HUMAN CREATURES AND, IN THAT
ACT, TOUCH THE HARDENED HEART TO SOFTEN IT...**

My children do not understand the influence of human acts and works on all Creation. With his intention, man transforms his act into a work of My Son for the good of his soul, or transforms a work into contempt and damages his soul within his human free will. **THE HUMAN CREATURE EMBRACES KNOWLEDGE AND DEVELOPS IT FOR GOOD OR FOR EVIL.**

What comes from his heart emanates from man, it emanates through his senses and his expressions. He who acts in love, his acts exude love and thus his acts are manifestations that convey bliss, and not only to those in his immediate surroundings; each of man's acts and works expands like air and joins the acts of other human creatures and thus good becomes stronger and grows, leaving the trail of Love in My neediest children.

IN THE UNIVERSE, EVERYTHING TURNS IN AGREEMENT WITH DIVINE WILL THUS COMPLYING WITH THE CHARGE RECEIVED. The universe generates movement, and movement transmits strength. In turn, by means of his acts and works, man conveys the assurance and confidence of his Faith, calling his brothers by means of the constant practice and bearing witness as true Christian.

Children, you deny the power of the Father in you, not only in the spirit but also in the body itself! You look but you do not analyze that the act of looking is an infinite work in which not only the eye participates but also a number of systems, muscles and nerves, and if a single one of them, however small it may be, fails, the act of looking is defective.

The same thing happens with My Son's People:

One of them fails and lots of souls are lost...

One of them loses his way and lots of souls lose the way...

FOR THIS REASON THE RESPONSIBILITY OF MY SON'S CHILD IS INFINITELY GREAT: DO NOT PUT YOUR FAITH IN MAN BUT IN GOD.

The act of looking entails strength, which in turn joins the other senses and they complement one another, allowing the brain to have all the information necessary for the entire body to receive the message that the eye transmits, and therefore man forms or deforms.

So is the Mystical Body:

All must walk in the same tune, in obedience to My Son's Mandates in order for the force to be unified, the force repeater of acts that enhance and strengthen the Mystical Body. If the Mystical Body is divided, the harmony with the Divine Will is interrupted and the strength of the Creative Act of the Father is not repeated; instead, they deform it, each in his thinking.

THE WEAKENING OF THE HUMAN CONSCIENCE HAS WEAKENED THE FAITH, THE INTELLIGENCE, THE REASON, THE CHARITY, THE OBEDIENCE, WITH WHICH MAN'S SPIRITUAL ORGANISM IS NOURISHED, in order to attract the brothers towards Me, and from which is nourished the fulfillment of the Divine Will on Earth.

EVIL HAS INTELLIGENCE AND USES IT TO DIVIDE AND ATTACK MAN THROUGH DECEPTION. Man has been gifted with intelligence; however, human pride has overcome his intelligence and pride uses it for evil or does not use it at all and his intelligence hardens, it atrophies due to the loss of interest in formation and information.

EVIL HAS TAKEN MAN'S HEART, AND THIS IS VERY SERIOUS, CHILDREN. The insensitive heart is evil's greatest weapon because it leads man to act totally contrary to the Divine Acts and Works. A child of Mine can have great intelligence but, if his heart is empty, the main ingredient that transforms everything for his own good is missing.

**AT THESE INSTANTS, MEN HAVE ENTERED
DANGEROUS GROUND WHERE THEY DO NOT REASON,
THEY ONLY ACT MANIPULATED BY THE IMPULSE OF THE INSTANT...
HUMANITY WITHOUT GOD IS THE GREATEST LOOT FOR EVIL.**

Man has not sought to enter the knowledge of his surroundings, for this reason he has remained indifferent to the attacks that the same man has committed against Nature, against himself and against the interests which he should have safeguarded, thus disobeying the Mandates that he received from the Eternal Father and unleashing the Great Tribulation in which you already live, and when the treaties of peace and unity will arise for the sake of interests that will bring evil to humanity, which is the fulfillment of what has been written.

Beloved children of My Immaculate Heart,

**HE WHO IS ASHAMED OF THE CROSS IS ASHAMED OF HIMSELF AND ALL ALONE FACES THE
BRUNT OF WORLDLINESS, WHOSE CURRENT WILL NOT STOP THE SPREADING OF THE STORMY
RUIN OF THE SOULS.**

Beloved children, humanity's ruin is not to believe. The more numerous the given signs are, the greater will be the rejections of the Divine Announcements, just like after the Great Warning when men will deny the Warning as a Divine Sign.

Children, with great grief for you, My children, I must call you to protect yourselves: A new disease has been placed to cause harm to man, and I will not remain indifferent to it; I will give you My Help.

**Pray, My children, pray; the enemies of My Son's People
speed up the calamities of My children.**

Those who abandon My Son's Church are not only a few of My children; by the same token, the number of My Favorite Children—the Priests—who will be martyrs will not be small. The persecution of My Son's People will increase; My Heart bleeds for this in view of humanity filled with the wish of making disappear all that reminds them of My Son in order to replace it all with satanic signs.

**THE WORLDLY MAN FALLS EASY PREY TO THE DEVIL, AND SO DOES THE ONE WHO FEELS HE IS
CHRISTIAN BUT ACTS LIKE THE PHARISEES AND DOES NOT LEAD A DIGNIFIED LIFE AND DOES NOT
LOVE HIS FELLOW MEN.** The mundane man expresses this shamelessly; the hypocrite hides before his brothers and secretly makes pacts with the devil. This, children, weakens you who live together with creatures who do not entirely give themselves to the Divine Works and Acts; instead they are creatures that shine intermittently and drag you with them with false acts. This is why I call you:

To know, to be prepared; the Prophecies and the Signs must not be unknown to you...

To analyze each word...

To ask the Holy Spirit for discernment so that you will be able to discern where the devil acts secretly to prevent you from being totally faithful and to prevent you from fulfilling all that My Son and I ask of you.

SATAN REMAINS WITH HIS ARMS FULL AS HE PREPARES ALL THAT THE ANTICHRIST WILL NEED TO DOMINATE MY SON'S PEOPLE.

Beloved,

Be true, repent, be willing and determined to change definitively; do not be of those who repent and then go on with a perverse life...

Control the human ego so it will not make you fall in the traps that the enemy of the souls puts together to make My children be lost...

Do not forget that man keeps a weakness which the devil uses to tempt him and to make him fall, leading him towards everything associated with sin in "the desire of the flesh." (1 John 2:16)

**IN THIS HOLY LENT, IN A SPECIAL WAY, OFFER RESISTANCE—STRONG, FIRM, AND DECIDED—AGAINST THIS SIN;
COME UP TO RECEIVE MY SON IN THE EUCHARIST.**

My children, do not rush to accept the acts of the ruler who seems to seek the good of humanity. Do you not remember that the wolf wears sheep's clothing to capture world attention and later will attack with all his power?

From a small country you will receive news that the war has intensified.

Pray, My children, pray for Jamaica; the roaring of the land will announce the awakening of a volcano.

Pray, My children, pray; Italy will suffer Nature's fury, and suddenly it will be world news because of a foreign terrorist attack.

Pray, children, pray; the Vatican will suffer. The division will become apparent and some prelates will take what is not in their power.

Pray, My children; the weather flogs the country of the North. The land shakes constantly.

Pray; France's attraction will fall before the astonished gaze of men, the powers will be held back by fear.

Children of My Immaculate Heart, repent; evil proliferates, blooms everywhere; rescue the youngsters with the testimony of each one of My children.

Children, misused science will have humanity on alert, and the animals, because of climate change, will desperately look for their habitat and millions will perish in several countries.

Man will feel alien to the Earth because of so much reaction of the land against man.

The economy keeps men in chaos; the economy will fall and will not recover; instead, a new coin will come out to be used by men.

CHILDREN, DO NOT WASTE INSTANTS; DO NOT LET THESE CALLS, THESE WARNINGS GO UNNOTICED.

TREASURE THESE CALLS NOT ONLY IN THE MIND BUT ALSO IN THE HEART, AND DECIDE TO CHANGE RADICALLY: YES, YES! or NO, NO!

I come to your help so that the mundane will not crush you or diminish your desire to be better, even if you must fight against the world.

MY SON CALLS YOU TO BE HIS SO YOU WILL CLEARLY LISTEN AND NOT BE CONFUSED

Keep in mind that in the days when Earth will enter into darkness, the soul must shine and be light for your brothers, for those who cry out with a sincere and contrite heart.

My children know well that My Maternity is for all men. I love you.

Each one of My children is a treasure and I fight for evil not to fraudulently steal, neither open, nor move the treasure to another place.

Do not move away because the test of the souls is near.

RECEIVE MY BLESSING IN A SPECIAL WAY AT THESE INSTANTS OF THIS SPECIAL LENT. OFFER, FAST, BE FRATERNAL AND PATIENT, BUT ABOVE ALL, OBEY THE COMMANDMENTS OF GOD'S LAW WHICH CALL YOU TO FUSE WITH THE DIVINE WILL.

There is "joy in heaven over one sinner who repents" (Luke 15:7)

Receive My Maternal Blessing. I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Brothers, everything Heaven allows us to know is so that, in a particular way, each one of us decides to be better and gets to testify to Our Mother's Love for us, Her children.

During this Special Lent, we do not have to grow alone but with those who are by our side so we can become the salt of the world. When we come up to Christ and repent, when we visit Jesus in the Most Holy Sacrament of the altar, when we receive the Eucharist, when we pray with true love to our Mother, the act could be what some human creature needs to grow, grow, and reunite with his Creator.

Let us not be naive; humanity is not at its best; conflicts proliferate, rage takes over man, and man yields to the call of evil in order to keep his status in society.

Although I do believe in the Divine Mercy and in all the opportunities that we are given so we will not lose Eternal Life, I cannot deny that Christ and our Mother Have shown me the place of sorrow where suffering does not stop, not even for a second, and the laments are terrible. I mention this because man has the tendency to nullify everything that has to do with pain, with purging; man disobeys the Divine Mandates, Orders, Suggestions, and Requests.

I transmit what I receive and what I am allowed to share at this instant when it seems that the Church revives and on its sides will be prey to treason, and not just for this but for each human being. We who believe in the Most Holy Trinity and I the Virginity of the Most Holy Mother and in Her intercession, we must be tireless in transmitting the Divine Alerts, because the partaking of the Divine Love and of the Maternal Love of our Mother must lead us to constant action in favor of our fellow human beings and in favor of the salvation of souls.

Amen.

MESSAGE GIVEN BY OUR LORD JESUS CHRIST TO HIS BELOVED DAUGHTER LUZ DE MARÍA 18 FEBRUARY 2016

My beloved People,

**I KEEP YOU IN MY LOVE AS THE SUN THAT SHINES IN THE ZENITH KEEPS ALL OF YOU IN ITS
LIGHT.**

The wind blows for everyone. So is My Love: It gives Itself to everyone without distinctions, waiting for My children to want to breathe all I constantly give them without reservations.

IN MY HOUSE EACH ONE IS AWAITED WITH ETERNAL EAGERNESS SO YOU WILL SHARE THE GLORY RECEIVED BY THOSE WHO HAVE LIVED ACTING AND WORKING IN MY WILL, FIGHTING FOR RIGHTEOUSNESS—THE ONE I HAVE TAUGHT YOU—being repeaters of My Acts and Works and complying with The Commandments, living the Beatitudes, and constantly testifying that **I LIVE IN YOU IN TRUTH AND SPIRIT.**

My beloved People, humanity have been led by bad habits and false ideologies at all instants of the course of history, deforming My Will at human convenience.

MY MYSTICAL BODY HAS TAKEN THE WRONG COURSE although I call them by means of My children, My Prophets. You have ignored My loving Warnings and you have plunged into the sinful path that surrounds you because you have misused your free will thus impoverishing the spiritual relation with My House by limiting yourselves.

EVIL EXISTS, BUT WICKEDNESS DOES NOT PENETRATE MAN IF HE IS STRENGTHENED BY FAITH, HOPE, AND CHARITY.

My Love is protection for each one of My children, it is a magnet that keeps you attracted to Me, if you seek Me and surrender to My Will so that I act and work on you.

Children, you must understand that not everything you perceive is intuition; it is My Holy Spirit in you, when your surrender leads you to unite and delve in the Love I give to each of you.

Beloved, this instant is complex for man if he is not properly directed towards Me, because the instant leads you to perceive the need for ‘something’ and you dedicate yourselves to a foolish quest. You encounter what is deformed and you adopt it, thus declining in the spirit without being able to wait until you discern; instead, you act on impulse and you act incorrectly if you do not discern.

Man knows that he has been given soul and spirit; he just doesn’t know what his own soul is and he doesn’t delve into what is his own spirit. For this reason, at this instant, there are so many wrong ways of looking for Me, and My children think they are good, not so much because of ignorance but because everything seems to be just another unimportant thing.

MY CHILDREN, YOU SUFFER PSYCHICALLY AND EMOTIONALLY WHEN YOU LIVE IN A CONSTANT FIGHT AGAINST YOUR CONSCIENCE WHICH CALLS YOU TO RETURN TO ME AND TO ACT AND WORK PROPERLY. You do not feel the tense relation between the conscience and the deformed acts and works of your free will.

I desire peace and the good of each one of My children. My Mercy is so infinite that you have not been able to draw from it to avoid the evils that humanity attracts and which you face without having the answers or the actions to stop the unforeseeable advance of Creation.

MAN’S ACTIONS ARE THE REFLECTION OF HIS OWN SPIRITUAL DISABILITY WHICH HE SUFFERS BECAUSE HE LACKS AN ADEQUATE GUIDANCE AND TEACHING BY THOSE WHO HOLD THE HIERARCHY OF MY CHURCH. My People should not ignore the consequences for their spirit and for the evolution of their brothers brought on by their behavior.

At this instant, humanity lives a chain reaction which is the consequence of evil acts and works that awaken Creation which acts. Creation does not react; it acts against those who annihilate it mercilessly and those who annihilate themselves: Man.

IT IS NECESSARY THAT, AT THIS INSTANT, I CALL YOU IN THIS WAY AND NOT ANOTHER...

IT IS NECESSARY THAT I GIVE YOU KNOWLEDGE SO THAT YOU CAN REASON AND EACH ONE CAN DECIDE TO SAVE HIMSELF AND COOPERATE WITH THE PLAN OF SALVATION FOR HUMANKIND.

Children, power struggles are not just about the economy; even though the economy is a factor you must not stop observing. The struggles that you do not know go beyond what is natural. The great powers of the world have come to undermine human will, in the same way they undermine Nature against My Will; and I allow it until man himself laments how far science has taken him when it is used for evil.

When you move away from Me, you do not discern, and you react without setting in motion the good will and the good feelings you possess. Hence it follows that at this instant you see man against man. You are spectators of the catastrophe and carnage about which My Mother warned you and you ignored.

This is the instant of the man who recognizes the evil he has committed...

This is the instant of the man who rectifies his acts and works...

This is the instant of the man who asks forgiveness...

This is the instant of the man who listens to My Word...

I am ignored because they have not been guided to know Me in depth and they do not feel Me close, but distant...

They have deformed the image of My Mercy, they ignore Me, and they deny My Justice—which is an act of infinite Love for My creatures—by taking It as punishment and not accepting It as consequence of human disobedience.

My beloved People, man's mental agitation paralyzes the feeling and hardens the heart to prepare man to act subservient to evil that calls the instant to hasten so that the devil takes all his wickedness and spreads it throughout the Earth on those who rebel against My Merciful Love.

Terrorism acts ruthlessly to keep you afraid. This is a weapon of the antichrist: To scare My People who lack Faith.

My children, pray; terrorism will present itself agitating with repression the Peoples who do not know this weapon of evil.

My children, pray; Earth goes on its course and repels those who hurt it contaminating it with nuclear energy.

Pray for Turkey, Syria, and Russia.

My children, pray for the United States; it accelerates tragedy for its inhabitants.

Pray; the land shakes and the water does not give truce.

Pray, My children, for Russia; it will suffer at the hands of Nature.

Pray, My children; the awakening of volcanoes will be astonishing for you.

Europe is invaded. Just as seawater undermines the sand without the sand noticing, Europe has been invaded; the invader remains inside.

You, My People, **DO NOT DIVERT MY LAW; LOVE MY MOTHER**, the way day respects the sun and night respects the moon. The wolf in sheep's clothing leaves traces of his actions. Stay prevented and attentive to conversion before you judge yourselves.

I LOVE ALL MY CHILDREN. NOT ALL RELIGIONS MAN HAS BROUGHT TO PRACTICE ARE FAITHFUL TO ME, NOT ALL OBEY THE COMMANDMENTS WHICH ARE THE REVEALED TRUTH OF MY FATHER'S MERCY TOWARDS HIS CHILDREN.

My Church is the one that acts and works in Divine Will. To the one who faithfully obeys all Mandates without pretense or contention or compromise, **MY TRUTH IS MY TRUTH, AS MY LOVE IS MY LOVE**: Unique, inscrutable, impenetrable, infinite, the same yesterday, today and forever. My Church calls evil, evil; and calls what is improper, improper. My Church is guided by Me; it does not impose Itself with human interests.

Pray, children, for Central America.

My beloved People, I remain with you; do not continue quarreling. "I am who I am." (Exodus 3:14)

You are My children; you are not your own god. **I AM YOUR GOD, WHETHER YOU WISH IT OR NOT!**

DO NOT BE AFRAID, I WILL NEVER ABANDON YOU. IN THE FACE OF INJUSTICE, I WILL SEND MY ANGELS TO HELP YOU IN THE SAME WAY THEY HELPED AND HELP THOSE WHO ARE FAITHFUL TO ME.

MY LOVE SURPASSES EVERYTHING, FROM WEAKNESS TO IGNORANCE, IF YOU DECIDE TO SURRENDER TO ME.

I bless you.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Within the infinite Divine Love—sometimes incomprehensible to man when it does not corresponds to man’s expectations—Christ spells out His Love which goes beyond all human thought.

We find ourselves at the crossroads on the way to the Calvary, crossroads that the same humanity has built, not only because of the external idolatry to man, but also because of personal idolatry; and it is clear the way Christ gives us a heads up: He who believes to be invincible will be defeated, and he who believes to be defeated will triumph. Maybe you think about Earth, I don’t know; but you should think about Eternal Life.

Catastrophes are greater each instant; this is why we are asked time and again to be Christians of action and to remain informed.

Divine Mercy, Strength, and Justice insist on one thing: Serve only God, the One, the Omnipotent and Omniscient, the Almighty and Eternal, the One with no beginning or end, because outside of Him we are all men, not gods and not indispensable.

Brothers, for this reason, at this instant of so much confusion and chaos—which will increase little by little—let us get spiritually prepared so that the astute enemy will not catch us, God’s children, unaware.

The Church is Christ’s Mystical Body, and this Mystical Body is subjected, over and over, to human whim.

When Christ finished this Call to humanity, He said to me:

***“So many of My children follow men!...
So many of My children do not know My Love because they look at My Justice from a distance,
thus leaving the Justice to My Father who sent Me out of Love for you!...
If they only knew how much My father Loves them, they would live prostrate before Him.
I came for the sinners, for the repentant...
I came because of My Father’s Love for this humanity that, at this instant, claims not to know
Him and they despise Me, Me who am the fruit of His Love for all of you.
I made man’s disdain my own so that Justice would send the Divine Word to each of you...
I wait for you; come back to Me.
ONLY, AND ONLY IN MY LOVE YOU WILL BE ILLUMINATED BY MY HOLY SPIRIT TO UNDERSTAND
EACH OF MY WORDS.”***

I share this; I cannot keep it to myself because The Love is before each one, it is not restricted to one group, It is for all this generation.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
24 FEBRUARY 2016**

My beloved People,

I console you with My Love; in It will be united all human creatures who, determined to transcend humanity, look tirelessly for righteousness in My Truth and in My Church.

ETERNAL LIFE IS MY CHILDREN'S PRIZE WHEN THEY DEMOLISH THE WALLS OF THE HUMAN EGO AND THEY FREE THEMSELVES FROM WORLDLY OPPRESSION SO THAT I BE ALL IN THEM.

I CALL YOU TO PAY ATTENTION TO EVERYTHING YOU DO. Children, evil no longer prowls, no longer marauds; evil has been entrenched, attacking My People relentlessly so that those who think they are good will fall, and those who try to be good will be disappointed.

My children are those who demolish human walls and surrender—without pausing, without hesitating—to carry the personal Cross and, on occasion, other crosses that their brothers place on them. My children are aware that My Cross is Love, and the heavier they find it humanly, the lighter it is spiritually. What they see with human eyes appears distant and difficult to attain and to endure; what they see with the eyes of the soul is light and turns into joy.

Pay attention because righteousness can be contaminated with evil. Precisely because it is good, it can become less good on entering dangerous terrain.

YOU, MY CHILDREN, MUST GROW AND INCREASE THE KNOWLEDGE AND THE PRACTICE OF MY ACTS AND WORKS SO THAT YOU WILL BE TESTIMONY TO MY ACTS AND WORKS, AND YOU WILL NOT BE DECEIVED OR LED ALONG PATHS DIFFERENT FROM THOSE THAT ARE OUR WILL.

My beloved People, you must minimize the action of evil which spreads throughout the entire humanity without being noticed by man. Evil corrupts good and, thus, advances demolishing those that are found to be spiritually weak without a solid Faith.

This is the reason for the insistent Call to which you must pay attention. Increase the Faith so that you will be strong, firm, and determined; topple the human ego by being more and more humble. He who is humble is the joy of My House; he who is humble allows his brother, that is not on My path, to know Me so that he will love Me. He who is humble is not a stumbling block to others; instead, he is a constant mirror of Love, Charity, and Good Intentions.

GOOD WILL ALWAYS PREVAIL OVER EVIL, EVEN THOUGH HUMAN WILL, WISHING TO MISUSE FREE WILL, DECIDES TO DIVERT MY DIVINE PLAN. Many of My children have brought imperfections to the Order that My House keeps on Creation. This man will find My Justice prompt and certain, stopping the destruction that the ambitious man's bad inclinations are determined to bring about.

My beloved People, during the celebration of Lent, when My children are invited to convert, evil doubles its attacks, and you must remain prepared so that you will not be defeated during this very special Lent such as this one you are living.

The manifestations of evil are felt all over Earth, and they get stronger every instant. My children will not live in the peace of the past; Nature shows man its power and its discontent with the acts and works that have flogged it.

The regions on Earth where there are nuclear power plants will be shaken, and these movements will agitate the waters.

Man is not aware of the magnitude of the destruction he has created, not until he sees himself and his brothers in the sorriest state ever thought.

MY BELOVED PEOPLE, REMAIN ALERT TO THE WAVE OF RUMORS STALKING MY CHURCH. FIND ME IN THE BODY AND BLOOD IN THE EUCHARIST, PRAY THE HOLY ROSARY, FULFILL THE BEATITUDES, AND BE CARRIERS OF THE TESTIMONY OF MY WILL.

Beloved children, Faith must grow; otherwise, the enemy of souls will make you stagger and will separate you from Me. I, as God, anticipate the events.

For this reason I call you to be true, not to live with a personal and hypocritical faith; I have called you to be part of My Sheepfold where you cannot get in if you have not found that Love is the source of Grace and Virtue.

Pray, My children, pray; the United States will suffer when attacked unexpectedly.

Pray; Nature continues unabated; India will be news; the earth will be shaken with great force next to New Zealand.

Pray, My children, pray; Turkey will be world news, the hand of war grabs it.

Pray, My children, pray; My Church is led by those who do not love it, do not respect it, and I suffer for this.

My beloved People, man's safety remains in the power of weaponry as he uses it to intimidate his brothers.

Man's god, the economy, falls to the ground, as this is necessary for them to turn to look at Me. However, they won't; instead, they will hurl themselves to those who sell them with lies and will lead them to suffer more than necessary.

WELL KNOWN CHILDREN OF MINE ARE LOST BECAUSE THEY SEPARATE FROM MY TRUE DOCTRINE. WITH FAKE SCAMS THEY WILL CAUSE EUPHORIA IN HUMANITY THAT DOES NOT DISTINGUISH BETWEEN WHAT IS TRUE AND WHAT IS DIABOLICAL.

Rome will burn; the truth will come to light.

Beloved, this instant is one of purification and, in the midst of this, My true children will be tested like gold in the crucible. My Church is not altogether faithful to Me; the veil of mediocrity covers it, causing confusion in My People.

I call you to be more spiritual; do not be worldly; in that which is worldly and sinful, sin over abounds. Do not rub elbows with sin; you have a weak faith where you do not discern, and you get carried away by your impulses.

Beloved children, My Temples are desecrated time and again, My Temples are used as centers for entertainment where they preach My Word and please the enemy of souls with mundane acts.

MY SACRED HEART IS CONSTANTLY LACERATED, THE WORLD'S INSANITY LOOMS RAPIDLY OVER MY PEOPLE, THEY MAKE ME LIVE—TIME AND AGAIN—THE WAY TO CALVARY.

MY PEOPLE, YOU STILL DO NOT UNDERSTAND THE SERIOUSNESS OF THIS INSTANT AND YOU WANDER IN TRIVIAL OR INDIVIDUAL MATTERS WITHOUT CONSIDERING THAT THE INSTANT IS NOT INSTANT AND MY CHILDREN MUST GET STRONGER IN FAITH FOR NOT TO FAIL.

None of My children will come to Me without the path of penance, without practicing the Christian virtues, or without striving to live in My Will.

You must move away from sin, it is not good for the soul; but man has continued hobnobbing with sin and this has led him to see as good what is bad, it has led him to consent to what is not My Sound Doctrine; this has led man to see as good that My children are permissive with other ideologies thus ensuring the permanence of evil within the bosom of My Church.

Poverty and Humility in My children the priests are distinguishing characteristics of being My followers. They taste and are eager to live like Me and to fulfill the Will of My Father who is in Heaven.

My People, there will be strange figures and colors in the sky; some will be the result of damage caused by man when testing bombs in the sea; others will be given as warnings for My children.

Walk righteously, uprightly, so that the rottenness of human power will not touch you; you are My People and I love you; My Love rids you of greater evils.

DISCERN!...

I BLESS YOU WITH MY LOVE, I BLESS YOU WITH MY PEACE, I BLESS YOU.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Lord Jesus Christ leads us to see events clearly; He subtly unveils other events so that we will perceive them and take steps to avoid falling into deception.

Each one of God's children possesses freedom which can lead him to better himself or to be lost. For this reason, at this instant, it is necessary to have a Church Catechized in the Gospels without saying that they are fantasies.

At this instant, man has to revoke evil and not expose himself but learn to recognize it as such. This way it will be easier to recognize what is evil as well as to recognize what is good through discernment.

We are called not to be impulsive when speaking in order not to forget that the word is a gift of blessing.

This instant must be lived carefully but with certainty of being saved if we are with Christ. This is a people that walks slowly, attached to bad habits which lead them to fall.

**CHRIST CALLS US AND REMINDS US THAT THE CROSS IS
A SIGN OF VICTORY, NOT DEFEAT; FOR THIS REASON HE INVITES US TO
TAKE UP OUR CROSS AND FOLLOW HIM.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
28 FEBRUARY 2016**

Beloved children of My Immaculate Heart,

**I LOOK FOR THE LOVE OF MY CHILDREN AND FIND IT IN JUST A FEW ...
YOU HAVE BROKEN AWAY FROM THE LOVE TOWARD MY SON AND THE HEART HAS BEEN
EMPTIED.**

Children, you are in the generation of the fulfillment of the Prophecies that I have transmitted all over the world at different times.

Humanity does not perceive the geomagnetic^(*) change constantly presented by Earth. The poles suffer great changes that influence humanity announcing to man that, in order to amend his acts and works, he must reunite with His God and Lord.

NOTHING HAPPENS IF IT ISN'T TO CALL HUMANITY TO SAVE THE SOUL.

The seas will roar and you, My children, will search for the source of the sound. Then you will see the waves of the sea rise and go inside the land with phenomena never before seen, and not being precisely water.

NOT EVERYTHING IS CALAMITY FOR THOSE WHO REMAIN IN THE PATH OF TRUTH. This generation has abandoned the Truth and for this reason, when you least expect it, My Son will come for His children, and...What will He find? Cities at war, pain and incessant suffering ...destruction and

famine, because when they speak of peace, that's when war will be closest to man. Peace is a means necessary to the Nations, but not this peace concocted by interests such that, in the minimum instant, like wolves of prey, they will violently hurl at one another annihilating millions of human creatures.

MAN IGNORES SO MUCH ABOUT CREATION THAT, WHEN IT REBELS, EVERY CREATURE WILL BE SURPRISED BY THE MAGNIFICENCE OF GOD THE FATHER, and they will see, with horror and dread, how they contaminated the perfection of the Divine Work.

Science has helped man with discoveries which have made it easier for him to face the vicissitudes of life; but, at the same time, science has been used for evil and it is responsible for major hecatombs at different stages of mankind.

You have lived in the midst of slanderous human beings that have led man to suffer cruelly. **AT THIS INSTANT THE POWERS UNITE TO GIVE WAY TO THE TRUE ANTICHRIST WHO WILL SOW TERROR IN HUMANKIND IF THEY DON'T BECOME HIS ALLIES.**

My children, do not forget that at this instant the families will be divided and, for their subsistence, they will turn on one another. This is not by chance; humanity has been led to this, to detachment, to disobedience, to disrespect, to denial, to irreverence, to living the instant without thinking of God. Parents lament their children's disobedience without thinking that, throughout their children's lives, they have given their children not what they need but what are whims. This is how youngsters acquire power little by little until they achieve control over their parents and elders.

This is the youth who have stopped loving, they have substituted love with an instant without feelings, without recognizing in themselves and in their brothers the fraternity to which My Son has called. Youngsters isolate themselves and, in this frantic race to isolation, they want to live alone, because in solitude there is no need to make efforts to be better; instead, they can give free rein to the human ego. By not sharing, youngsters become dehumanized when they do not want to interact with someone that means effort, someone to whom they must cede a place, a time, a space. This is what they raise in the homes where there is no communication. Love is not a central theme and it is not a matter of effort for the one who says, "This is who I am" and this is the response to everything that happens to them in life. The solitary man will be more easily the persecutor of his brothers.

What is there in the heart of man? Trepidation of the instant...

My Son is despised... He who gave himself for Love, is despised!... **HE WAS ENTRUSTED WITH THE FULFILLMENT OF THE FATHER'S WILL, AND WHAT WILL MAN ANSWER WHEN QUESTIONED REGARDING THE HANDLING OF EVERYTHING THAT WAS GIVEN TO HIM?**

Beloved children of My Immaculate Heart,

At all instants the Prophets have managed to get the Divine Word to God's children, and at this instant, the explanation of the events that are happening throughout the world is an act of infinite Mercy for this generation, a generation that has deviated the Divine Plan of Salvation, a generation that, overwhelmed by the desire to possess, has joined all that is mundane and that exists to

degrade man, to debase him, and to make him be part of those who believe in a limited god that is not able to transform evil into good with a breath of his mouth.

Beloved, you have not understood that the true Prophet, because of the Divine Light that invades him, does not need human understanding; instead, he gives and gives all that he receives from the Most High.

REVELATION IS GIVEN TO MAN AS KNOWLEDGE OF WHAT MAN WOULD NEVER BE ABLE TO LEARN AHEAD OF TIME, AND IT IS GIVEN TO MAN IN ORDER FOR HIM TO GET PREPARED, NOT ONLY IN THE PHYSICAL PLANE, BUT ALSO IN THE SPIRIT.

Beloved children of My Immaculate Heart, delve into that Inner Peace where you find yourselves alone with God, and do not go on with life as if there were no other instants in which to purify and bless the path however difficult it is. By himself, man would not approach God if God did not attract man to Him.

Beloved children of My Immaculate Heart,

HEED MY PLEAS. I DO NOT WISH FOR YOU TO HEED THEM WHEN IT IS LATE. It was predicted that evil would take over humanity with modernisms, with music, with games, with disobedience, with famine, violence, war, plagues... **AND MY SON WARNS YOU: PREPARE NOW, DO NOT LEAVE IT FOR ANOTHER INSTANT.**

You know there is life in you because you breathe; but My Son does not wish this kind of life, He wants the giving of yourselves in a complete surrender, and on this you must focus.

Little children,

**HUMANITY'S SUFFERING WILL NOT REMAIN IN WHAT IT IS LIVING AT THIS INSTANT;
HUMANITY'S SUFFERING WILL ADVANCE.
EVIL WANTS TO EXTERMINATE YOU AND MY CHILDREN DO NOT NOTICE...
NATURE GIVES YOU IMPORTANT SIGNS AND MY CHILDREN DO NOT NOTICE...**

Volcanoes awaken and human beings ignore it. It will be when the big volcanoes of the world erupt with the force they have contained and level entire cities thus advancing the darkness of the night; it will be then when man will manage to experience some respect for the warnings Heaven has sent to him.

Dehumanized humanity wanders looking at itself... The worship of satan has aroused the forces of evil so that the heat will enter the Earth causing large fires that man cannot control.
Children of My Immaculate Heart,

What is coming for humanity is not encouraging for those who do not maintain Hope in Divine Love and Mercy.

Betrayals between those who have signed for peace will soon arise, and this will start, with even more folly, the attacks against those who do believe in peace. With pain I look at the treachery into which humanity will fall, treachery brought on by freemasonry which rules everything it can on

Earth, and has taken over the governments of the world without some governments noticing. Children, do not be part of those who contribute to the new economic rise which the devil has designed.

Some of those taking part in the Bilderberg Club and those who are their servile offspring are laymen from My Son's Church; they are the ones who lacerate this generation and make it suffer ad nauseam and, once the antichrist is in power, these powerful will be left aside because of the command they granted to the antichrist.

CHILDREN, WAKE UP! SAVE THE SOUL! COME TO ME; I CONSOLE YOU SO THAT YOU LIVE IN TRUTH.

Beloved children,

Pray, My children, pray for Spain; it will fall prey to panic; Nature touches it with a firm hand.

Pray, My children, pray for Turkey; war remains over this Homeland making the instant advance.

Pray, My children, pray for India; they will not be able to resist the scourge.

Pray, My children, pray with force for England; it will be shaken by hatred.

Beloved children of My Immaculate Heart,

MY SON HAS NOT BEEN HOLDING YOU IN THE PALM OF HIS HAND FOR YOU TO FALL PREY TO SATAN; HE RETURNS ACCOMPANIED BY CELESTIAL POWERS TO BE CONQUEROR KING. Heaven will open and there will not be a creature on Earth who will not tremble at the majesty of the Celestial Powers that will accompany Him. They will joyfully sing as no man has ever heard, and those who recognize Him will go down on their knees before such Glory.

Beloved children of My Immaculate Heart, there will be celebration and rejoicing in the world that will recognize His Lord... **BUT BEFORE THIS HAPPENS, A CREATURE WILL PRECEDE IT, A CREATURE THAT WILL SEEM YOUNG TO THE WORLD BUT WHEN HE SPEAKS THEY WILL KNOW THAT HE IS THE MAN AND THAT WHATEVER COMES OUT OF HIS MOUTH IS MORE THAN WORLDLY, AND FAITH WILL RETURN TO MY CHILDREN.**

I Love you with My Heart.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

(*)The Earth's geomagnetic field is the magnetic field associated with Earth which extends from the internal nucleus of the Earth to where it meets the solar wind, a current of energetic particles emanating from the Sun. After certain periods of random lengths—with an average length of several hundred thousand years—the magnetic field of the Earth reverses itself; i.e. the North and South

geomagnetic poles interchange positions. In the past, these reversals have left a record on the rocks which allow the paleomagneticians to calculate the drift of continents and the changes in geography, climate, and life itself.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

We have been warned so much!...

So much has been announced to us!... and humanity continues without pausing to repair its acts and works and be better.

I find an answer to the incredulity about what is coming: As our Mother says, "It won't be until chaos has invaded humanity that man will lament."

The Holy Trinity has seen us with Mercy, and what has humanity given in return? Destruction, chaos, death, disobedience...

I think about the stories of Sodom and Gomorrah and I ask myself, What difference is there between then and this instant? And they were destroyed... So much Mercy from God towards this generation!

But because of the suffering of His children, Justice will be prompt and will answer for His faithful, moving the oppressor away.

Just as the Great Warning is Mercy, at the same time it is Justice that man will apply to himself. **WHEN WE SEE THE DIVINE LIGHT THAT WILL COME FROM THE SKY—AND ALL OF US WILL SEE IT—THE SOUL WILL FEEL THE NEED TO SEE ITSELF IN ITS STATE; OTHERWISE THE PAIN WILL BE UNBEARABLE. EACH ONE WILL FEEL THE NEED TO SCRUTINIZE HIMSELF IN DEPTH, AND THAT WILL BE AN ANTICIPATED PAIN FOR SOME AND A DROP OF JOY FOR OTHERS.**

Brothers, we are at a flashpoint for humanity, surrounded by alerts from Heaven which are not given without a particular reason or purpose; they are given out of Love so that people will reconsider; they are not given just to be read, but for people to change and not let the opportunity to be better children of God go to waste.

WE TRUSTINGLY WAIT FOR CHRIST'S SECOND COMING; WE CANNOT DOUBT IT BECAUSE THAT WOULD BE TO DOUBT HIS PROMISES.

He will come as Righteous and Faithful King after humanity is devastated; the Second Coming of Christ will be the end to all pain because He will rule with an iron rod.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
1 MARCH 2016**

Beloved children of My Immaculate Heart,

**AS FAITHFUL MOTHER AND INTERCESSOR IN FAVOR OF HUMANITY, I SHELTER MY SON'S PEOPLE
IN MY LOVE.**

The approach of each of you to the righteous Path depends on the human freedom with which you act and on how you receive the Pleas of the Paternal House.

OBEDIENCE AND SACRIFICE ARE FOR RIGHTEOUSNESS.

Keeping My Son, not as a priority, but as a strategy for the time when you need help, is an inconsistency, since each one receives according to the measure with which he acts and works in Divine Will.

**MY CHILDREN ARE NOT UNINTERESTED; THEY DO NOT HALF LIVE...
THEY ARE THE ONES WHO STRIVE WITHOUT EXCUSES; THEY ARE THE ONES WHO GIVE
EVERYTHING FOR THE DIVINE ALL.**

Beloved children, do not forget that My Son comes to separate the wheat from the weeds... You are wheat, and the responsibility within Brotherly Love is to work in the field of Divine Love so that the souls will not be lost. Children, you will accomplish this by bearing witness by acting and working with a smile or a good response, because indifference, lack of love, and hubris drive away your brothers, since these characteristics do not come from a soul that remains in the path towards Eternal Life.

**EACH ONE HAS A SPIRITUAL PATH FOR WHICH HE MUST CARE AND NOURISH.
HUMAN PROGRESS DEPENDS ON SPIRITUAL PROGRESS.**

My beloved, lack of love and indifference are destroying this generation. At this instant it is necessary that you remain alert and in inner silence so that you hear the voice of your conscience that guides you and constantly tells whether you act righteously or, on the contrary, you disregard this guidance and are dedicated to offend your brothers, to mistreat them, to be envious which is cancer for the soul. There are some who dedicate themselves to hurting their brothers, and, when they read these Words, they feel these Words are not for them; and since they do not take responsibility for this, they go on with their lives being the same, without radical changes that would lead them to accept My Son.

**AT THIS INSTANT, THE FORCES OF EVIL WORK HARD TO DEVIATE MY SON'S PEOPLE FROM THE
TRUE PATH,** because they know that the coming events will lead some men to react in favor of good.

Human impiety results from the automation of man who, for lack of knowledge and to avoid thinking, allows the current of the world to drag him, leading him to accept all ideologies and to make them his own. Masses rise by the power of men without a conscience, and man acts in response, reacting to what he sees without reasoning, without using his intelligence, without any love for his fellow men; this way he transforms into an unrecognizable being that does not seem to be God's creation.

Creation convulses; it does not recognize man because man's actions are improper and irresponsible. Creation is moved and disturbed by the response of evil's actions and the scanty response of good in man. Humanity ignores that all its acts and works have repercussions on its surroundings and, like a plague, they contaminate everything around it, which violates the natural order of Creation, and so Creation turns against man.

Man's hand has not measured the consequences of everything he has transformed with his excessive and uncontrolled actions, thus coming to build his own punishment.

Pray, My children, pray for the Middle East, pray for Turkey, it will be darkness.

Pray, My children, pray for Indonesia; it will suffer in large scale.

Pray, My children, pray for Japan and Chile; Nature will flog them.

Pray, My children, pray; Nature will not give truce; the United States will suffer.

Beloved children of My Immaculate Heart, My pain over all you suffer is constant; a new plague approaches humanity with even more force.

The powerful of the world control humanity, create war with the purpose of reducing the world's population, and in this they will have no qualms.

My Son's Church remains under attack by the freemasons who mercilessly act and will act to achieve a single unified world religion, banishing Christianity to give way to one religion.

My children,

DURING THIS SPECIAL LENT, YOU CONTINUE WITHOUT PUSHING ASIDE THE ACTS AND WORKS WITH WHICH YOU PLEASE YOUR SENSES, YOUR LIKES, THE WORLDLY PLEASURES, AND YOU ARE INCAPABLE OF OFFERING A SACRIFICE TO REPAIR FOR PERSONAL SINS AND FOR THOSE OF HUMANITY. Man is so deeply rooted in his habits that he loses the ability to control and restrain himself because of what has become customary and because of his personal wish.

Beloved children of My Immaculate Heart,

Man will not achieve Divine Will by acting with works that are so worldly. **BE WILLING AND READY TO DECIDE TO CHANGE; OTHERWISE, IT WILL NOT BE POSSIBLE FOR YOU TO MOVE AWAY FROM THE MUNDANE AND SINFUL, AND YOU WILL BE LESS LIKELY TO ASCEND SPIRITUALLY.**

In order to survive, this humanity needs to be Love, grow in the Love, feed off Love...

Humanity will face the consequences of its disobedience and irresponsibility; humanity will be disturbed and distraught by a global announcement which will have all human creatures on tenterhooks.

Look on high: The coming events are announced. Volcanoes awaken and their behavior will be abnormal.

Beloved children of My Immaculate Heart, you must know that prayer must be accompanied by acts and works according to Divine Will. The true Christian is the one who obeys God's Law and shows himself as he is.

Those in good health, offer fasting; those who are not in condition, offer to abstain from things other than food. Fasting and abstinence help the spirit and direct man towards a detachment from his ego and openness towards the Holy Spirit.

Children of My Immaculate Heart,

**I PROMISE MY HELP TO THOSE WHO ARE OBEDIENT TO THE REQUESTS FROM HEAVEN.
CALL ME: "HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN."**

The devil and his henchmen are tempting man who is governed by free will, and for this reason he will fall easy prey to evil. But he who resists and wishes to please and comply with My Son's Requests is guarded so that he will resist the onslaughts of evil with greater force.

Lent reminds man of My Son's giving, of the Father's Love for humanity, and of the Blood of the Righteous One that redeems humanity. Evil will remind men that with blood he exterminates life; but he will not exterminate the souls of the righteous.

The wise of the world cannot understand that nothing is impossible for My Son and that man's theory is surpassed by Divine Science. My Son will confuse the learned of the world and is Light for the humble and the simple with broken and contrite hearts.

Beloved, you who are willing will console one another. Nuclear energy is used (by countries) to intimidate each other. Could it be that nuclear energy has already been surpassed by inventions that are not yet known? Man attracts his own scourge...

COME, CHILDREN, COME TO ME; I INTERCEDE BEFORE MY SON.

The battle of this instant will intensify, but I am with My children and My Hand will not leave you unprotected.

FULFILL WHAT MY SON ASKS OF YOU AND I WILL KEEP YOU BY MY HAND.

Pray the Holy Rosary meditating what you say.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother takes us by the Hand. We are part of humanity but we must not go along with the current of the world that forgets God.

THE CHANGE THAT HEAVEN ASKS OF US IS AN INTERIOR CHANGE SO THAT WE TESTIFY TO THE DIVINE LOVE, BECAUSE WITHOUT LOVE WE ARE NOTHING.

Entertainment is at our fingertips; however, we will find Salvation once we have complied with everything that Heaven asks of us.

Let's look at the sky. Will the sky let us see what will approach Earth and which will keep us all in suspense?

New plagues will scourge humanity, new for today's man, but they have passed over Earth in other times; what previously flogged man returns to roam all over humanity.

Science does not fully explain current events; what is happening is attributed to immediate factors which can be explained if, and only if, you are informed of the evil of man and what it causes.

Let us remain in action, constantly practicing, not only bearing witness of the Divine acts and works, but also fighting for our own salvation and that of our brothers; otherwise, our hands will be full of the human self and not of the giving and selflessness towards others.

Let's come up to our Mother and remain attentive so as not to fall and hurt our Mother's Heart.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
GIVEN IN BOSNIA AND HERZEGOVINA
6 MARCH 2016**

My beloved People,

My Peace is with you and My Blessings are for each one of you.

**I AM IN ALL OF MINE, FOREVER, I CARRY YOU IN THE PALMS OF MY HANDS.
MY WORD IS ETERNAL, POWERFUL, AND TRUE, SO THAT THOSE WHO ARE HUMBLE WILL
UNDERSTAND.**

My beloved People, with the Truth of My Word and the fulfillment of It is how each creature grows in Faith.

I am Immutable; I do not change with the times. "I am who I am." (Exodus 3:14)

It is the duty of each one of My children to obey My Mandates; there are no rules for some and not for others; there are no Commandments for some and not for others. “If any want to become my followers, let them deny themselves and take up their cross and follow me.” (Matthew 16:24)

Children, the human self is strong; when it takes hold of the creature, it does not abandon him unless man decides to undertake a strong fight against his ego and overcomes it with sacrifice, prayer, fasting, steadfastness, peace, humility, and determination; otherwise, the ego is encysted in the creature and contaminates all the senses.

My beloved, if each one seeks a personal truth, more will be lost. Man has a tendency to what is immediate and human; he holds fast to worldly matters. And mankind has placed itself in the hands of the enemy of souls who drags human creatures to perdition.

THERE ARE SO FEW WHO LISTEN TO ME, AND THERE ARE SO MANY THAT I WISH TO SAVE!

I CONSTANTLY CALL YOU TO BE WISE and My children ignore how to be wise in the spirit. They think Wisdom is just knowledge. They ignore that Wisdom is also the tireless search for Eternal Salvation, when all effort is aimed towards Me and the human self disappears—because it decreases as it no longer finds nourishment—and I take the reins of the soul and guide it in My Truth so that it will find joy in all life situations.

My beloved People, you claim to know My Word, to be faithful Christians who abide by My Will; however, among Mine you attack one another as if it were not enough with the loads that you freely impose upon yourselves of your own will. **AND HOW YOU SUFFER BECAUSE OF THOSE WHO CALL THEMSELVES LEARNED AND EXPERTS ON MY LOVE!**

Children, do not look for dates trying to know the time.

**DELVE DEEPER AND TRULY LOOK AT YOURSELVES...
A RADICAL CHANGE IN EACH ONE OF YOU IS URGENT.
WHAT IS OKAY WITH YOU MAY NOT BE MY WILL.**

All of you—absolutely all of you—must look at yourselves and change in order to approach Me and to give testimony to your brothers. My House wants hearts willing and prepared to testify to My Love, to My Truth; hearts that know My Word and are prepared to abide by it.

At this instant, humankind sees evil acts and works as good behavior; this is yet another sign that you do not walk in obedience to My Will and that you are not examples of My Love; instead, you have delivered yourselves to drift in the rough sea of debauchery to which the power of evil has led you.

Man’s decadence is not only seen on the outside, on his body, but also his exterior transpires his testimony and, what he lives in his interior comes to the outside from within. Guided by the evil oppressor of souls, men do not satiate their thirst by snatching the Gift of Life from their brothers; they want more and more violence, more immorality, more drug addiction, more agitation, more confrontation, and more cruelty. The devil has inspired man in sin, and has muddied humankind’s mind, thought, and reason, so that humankind will repeat the sins of the devils.

I call you, I do not want you to remain asleep, I do not want a single soul to be lost; I want all to be saved, but you will not succeed if you do not decide to amend the evil committed, and the first wrongdoing is the misuse of the human ego.

My beloved People, humanity's convulsion agitates Creation; the waters of the seas will rise unexpectedly with greater frequency, hurling themselves onto the land and causing the death of those who are Mine.

Volcanoes are the expression of the oppression of the souls of men.

Volcanoes erupt... slumbering volcanoes awaken, not in cycles, like men say, but to lead humankind to turn their eyes towards Me and then to perceive the need to recognize Me as their Lord.

Pray, My children, pray for China; it will suffer an attack and its ground will be shaken unleashing rage.

Pray for Chile; the ground agitates with force from its entrails. Request My Mother's help with the Holy Rosary.

Pray; the United States will lament over its own ground the power it has usurped; terrorism will cause great affliction, and its land will shake.

Pray; nuclear energy causes in man that for which man has not asked: Diseases and the unprecedented contamination that expands throughout the entire Earth.

Pray for Colombia; My People suffer because of Nature and violence.

My beloved People, I give up Myself for each of you; and you look at Me devoid of feelings, without conscience, because the conscience has been blackened by sin. I wait for you, but I watch you move away.

**YOU DO NOT LOVE ME CORRECTLY: YOU LOVE ME WITH FALSE RELIGIOSITY; YOU LOVE ME WITH REPETITIVE PRAYERS THAT YOU DO NOT LIVE IN THE HEART.
MY POOR PEOPLE! YOU WERE NOT TAUGHT TO LOVE ME!**

In its hierarchy, My Church must tend the souls, not lead them to enter in error so they be lost. The Law is one, no shortcuts, only one path leads to Me and it is written. My People are lost without being stopped; amid applause, they give themselves to error without anyone to stop them. He who works outside My Law must change his course, be reconciled with Me, and resume the True Path.

I DO NOT REJECT A REPENTANT SINNER, BUT I AM NOT A PERMISSIVE GOD WITH WHAT GOES AGAINST MY LAW.

My children, I see that you look for Me and are stopped by some of My Priests... I see some of My children go to My Priests looking to be led to My Mother, looking to be led to My House, but they are stopped...

**I SEE HOW MY PEOPLE WANDER AND, BECAUSE OF THIS,
THEY ARE TAKEN BY EVIL—WITHOUT EVIL GIVING ITSELF AWAY—AND THEN, ONCE IN ITS
CLAWS, MY PEOPLE LOSE THE STRENGTH REQUIRED TO RETURN TO MY. PATH...**

**MY PRIESTS MUST LOVE MY MOTHER.
I AM THE SON OF THE MOST HOLY VIRGIN MARY; I AM NOT A SON WITHOUT A MOTHER.**

**CONSECRATE YOURSELVES TO MY MOTHER’S CARE; CONSECRATE YOURSELVES TO HER
IMMACULATE HEART.**

My beloved People, those who defend communism will be surprised. Extended throughout all the continents, communism has turned humankind into masses by instilling in them fear from which they do not dare get away. Confrontation continues and advances, in words and deeds. Communism in sheep’s clothing will teach humankind a harsh lesson. Russia has covered up those who are not afraid to take My children’s lives, and the United States, in order not to decline, feeds those who are not afraid to kill the innocent.

Beloved children,

Do not point when you ignore what I do know. Do not behave like incredulous fools.

Humankind’s suffering does not excuse those who call themselves learned; darkness will take over Earth, and those who live in sin will not see the light because of the darkness that will enclose everything amid the fire that comes down from up high.

My beloved People, strive to be better each instant, be faithful to Me, and love My Mother. Do not despise My Calls.

**IN THIS LENT I HAVE CALLED HUMANKIND TO BREAK THE SCHEMES OF THE MUNDANE
AND TO APPROACH ME BEFORE SUFFERING.**

Human gods fall, and the hopelessness of those who live without Me will be a total lament. Science without conscience appears aggressively on the scene.

I do not reject the repentant sinner; keep in mind that I am not a God of shows; I am God of Love, of Peace, of Truth, of Hope, and of Charity.

Come to Me all you that are weary, desperate, all you that feel pointed at or hated, all you that are wronged, slandered, **COME TO ME, I AM LOVE.** (cf. Matthew 11:28)

“I AM THE LIGHT OF THE WORLD.” (John 8:12)
I BLESS YOU. LISTEN AND MAKE LIFE MY WORD.

I LOVE YOU.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

In this Divine Word, our Christ calls us to remain attentive to daily living and not to get distracted with worldliness so that the mundane will not be stronger than the call we constantly receive from Heaven.

Christ calls us to act with Wisdom so that—amid so much modernism and false ideologies that have taken over man's reasoning—we will know the truth and not allow to be dominated by doctrines opposed to God's Law.

God is the Immutable Truth, and man lives in constant search for the Truth because he does not know Christ: Mercy and Justice. Exalting only Divine Mercy at this instant has become a serious illness that leads a large part of humankind to cast aside the fulfillment of God's Law and to hold on to any false ideology that comes his way.

Brothers, at this instant, some men have gone from following to wanting to know Christ and reflecting His Love. I am aware that they are few, but the Divine Force sustains those few.

Sadly we see a dehumanized man, battling himself. Unfortunately this does not allow humanity to achieve the purpose for which we were created: To be worthy children of God.

This is an extremely dangerous instant... As God's children, we possess the capacity to reason that God is Immutable and that He does not change with history; it is man who has distorted the Divine Word to make it fit his convenience.

Man needs peace in order not to flirt with evil; but the busy way of life of today's man leads him to forget quickly the requests from Heaven.

Brothers, the powerful dissimulate and, while mankind takes sides, violence increases filling the earth with innocent blood and, regrettably, this is the beginning of labor pains.

Brothers, let us pray and be active part in the Church by taking to our brothers the knowledge of the instant so that they will convert and not give themselves to evil because they ignore what we are living.

Just like man eats products that have been genetically altered, man has come to deny evil, and nobody wakes him to make him react.

Let us ask for strength so as not to stagger; let us react in light of the perverse acts of evil that takes human creatures and makes them his booty.

CHRIST IS THIRSTY FOR SOULS, AND EACH ONE OF US MUST LET OUR BROTHERS KNOW THIS SO THAT THEY APPROACH CHRIST AND CONVERT. THE UNITY OF GOD'S PEOPLE IS THE DEFEAT OF EVIL.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
12 MARCH 2016**

My beloved People,

I SHOW MYSELF TO MY PEOPLE EVERY INSTANT AND THEY DO NOT RECOGNIZE ME. I GIVE MYSELF TO MY OWN AND THEY DO NOT ACCEPT ME.

Great is My Mercy which is given without expecting the response of My People that show themselves as strangers to My Divine Love.

Beloved children, you are the Treasure of My giving of Myself. My Sacred Heart is full of blessings, and I pour them out over My own. Some embrace them; others, despise them. But I give Myself equally for all mankind, just like the sun gives its light equally to all.

My children are Love, each one knows he lives in Divine Will; each has Our Love in the same proportion, so that at some point in life, he reflects the precious contents of Our Love.

My Love—present in those who are Mine—motivates them to constantly look for My Truth, not for personal satisfaction but because THE MORE THEY KNOW ME, THE GREATER IS OUR UNION WHICH SUBLIMATES UNITED WITH MY SUFFERING AND MY JOY.

Children, that which is human ends up overshadowed by the eagerness of the soul that seeks Me, as the soul desires to taste more of what is Divine than of what is human. And it is not because what is human is improper, it is because the deformed human ego tends to act more on free will and tends to move away from Me.

I want My People to yearn to search for knowledge, to be concerned about fully finding My Love, and to taste the obedience to My requests. My People are those who love to remain by My side, but they love even more to surrender to Me with soul, faculties, and senses; and I, as Beggar of Love, fall in love with the soul that looks for Me, calls Me, and recognizes Me.

MY PEOPLE, I INVITE YOU ONCE AGAIN TO BE NOURISHED WITH YOUR LOVE FOR ME BY RENEWING YOUR CONSECRATION TO MY HEART. I call you to bear witness to My Love so that, in the fraternity in which you are called to live, each human creature will find joy by giving without expecting to receive.

Given the imminent arrival of the impostor, I alert each of you so that the yearning for My House will lead you to remain conscious and alert in order not to be deceived. The impostor arrives to usurp what is Mine, and **YOU ARE CALLED TO BE RESPONSIBLE REGARDING YOUR PERSONAL ACTS AND WORKS WITHOUT ALLOWING CONFUSION TO STOP YOU, WITHOUT ALLOWING ANGUISH TO SWAY YOU. THIS IS CALLED FAITH.**

**I ALERT YOU, CONVERT SO THAT YOU WILL NOT LOSE ETERNAL LIFE.
DO NOT ACT FOOLISHLY TRYING TO SAVE WHAT IS MATERIAL.
WHAT IS MATERIAL IS WATER AMID THE FINGERS OF YOUR HANDS.**

My beloved, a large part of humankind is immersed in a continuous offense against My Sacred Heart making It bleed. Rage in man increases speedily. Inhuman acts are done for pleasure because, as My children move away from Me, they feel like owners of the world and they forget Me completely. This has allowed evil to make them commit abominations against life itself.

My People keep Me waiting for the human will which refuses to live the way I order. They all look at the events but only some react. I suffer because of the passivity of My Church.

Children, you are wanderers in your own land, you look for refuge in foreign places where some will be sent to the battle field and others will betray the one who embraced them.

Man stopped being man when he was dehumanized rejoicing in his brother's pain. Even though humankind is immersed in wickedness, I do not abandon MY PEOPLE. The vintage is near and I will separate the wheat from the weeds.

**HOW MUCH LOVE DO YOU HAVE IN YOUR HEART?
COULD IT BE THE SAME YOU RECEIVE FROM ME?**

My beloved, remain in a state of alert; the third world war is not forgotten. It pains Me to speak this Truth; My Love alerts you so that you will not fall into the clutches of the deceiver. You are My People, and each one must pray with the heart, with the whole mind, with the faculties and senses, taking seriously the possibility to partake of My Goods, which I will not bequeath to those who have not made a commitment to My House.

The land trembles in view of the wickedness of this instant.

Pray for England; it will suffer by the treacherous hand of man.

Pray, children; where there was sun there will be cold; and where there is cold, the sun will predominate.

Pray, My children, pray. Man already decides about his death. What else will he create to offend Me?

Pray for Mexico; it will suffer; violence will recrudescence and Nature will react.

Pray, My children; the land moves with great force.

The Purification arrives for all humankind without being expected. Terror will cover Earth; the day will darken because of so many tears shed. My Mother will wipe the face of My suffering People.

A great discovery will give new strength and energy to this civilization; however, after the announcement, they will embrace evil through misused science, and they will take the route of pain, of suffering, and of wickedness.

My beloved People, economic power sponsors evil, and evil will make the economy fall to cause men to despair. (The objective: Establish a single currency.)

Children, do not set your hopes on the metal god; it falls and will not stand up again.

THE ANGUISH OF THOSE WHO DO NOT HOPE IN ME WILL BE ENDLESS.

My People, Puerto Rico will suffer; since it is land of My Mother, it is land of blessing and My Mother will rescue it from amid the water.

My People, you will come to long for the peace you have disdained; humankind will live in anguish because of constant threats from one another, until these threats will materialize into a despairing truth. Man's heart expels Me, and evil takes My place with human permission.

Be attentive! Famine approaches causing desperation amid the plague that advances without anybody letting you know the truth.

Children, know Me so that you will be strengthened by My Spirit and so that you will be united forming a single wall of protection against the unbridled rage, against the unprecedented famine, against the incurable diseases that science cannot explain because it finds no answers. For this reason, cherish the medicines that My Mother reveals to you.

**MY BELOVED PEOPLE, THE DAY TURNS INTO NIGHT; DO NOT MOVE AWAY FROM ME.
TO LOOK AT YOURSELVES INTERNALLY IS A BLESSING.
THE GREAT WARNING IS NEAR, AND YOU WILL BE EXAMINED.
DO NOT DESPISE MY CALLS.
REPENT!**

Your brothers make fun of you, but do not forget that those who despise My Warnings perish in the same wickedness that repeatedly silences man, but never before as in this instant.

My Word says:

"For at that time there will be great suffering, such as has not been from the beginning of the world until now, no, and never will be." (Matthew 24:21)

**DO NOT DESPISE MY CALLS; REMAIN ATTENTIVE.
AT THE END, MY PEOPLE WILL BE FREE FROM ALL EVIL AND I WILL BE THEIR GOD.
DO NOT BE AFRAID; I REMAIN WITH MY PEOPLE.**

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

At this instant of patient waiting, Christ once again lets us know about events we are already living; this is a sign that humanity approaches the undoubted suffering because of humankind's improper acts that have come to be far more than savage.

When man does not look at God, evil takes him, and man's acts are unrecognizable, because they belong more to evil than to good. IN THIS BATTLE FOR SOULS BETWEEN GOOD AND EVIL, A LARGE PART OF HUMANKIND EMBRACES FALSE IDEOLOGIES AND DOCTRINES WITH THE PURPOSE OF EXPERIENCING GREAT NEW THINGS WHICH THEY WILL NEVER REACH WITHOUT GOD BEING PRESENT IN THEIR LIVES.

We are called to remain attentive, to what?

-To the strategies that evil uses to deviate God's children and lead them to act against one another.

-To the taking over of human creatures committed by several new fashionable tendencies, like new age, that wrap them with words borrowed from Christianity.

The increase in violence runs like the air, and evil overcomes the human creature leading him to rejoice with the pain of others.

A generation that does not recognize the signs around it is controlled by evil. This is why Christ calls us—almost demands of us—to grow, to know Him better, to taste His Affairs a little more, and not to forget that Faith and knowledge strengthen the correct response so that we will not fall into wickedness.

Misused science has left consequences that man does not perceive but which he will suffer in his own flesh just like Heaven has revealed to us.

Evil does not rest, and man rests; now: **GOD'S PEOPLE, WAKE UP!**

KEEP YOUR FAITH ALIVE AND PALPITATING, AND BE FIRM.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
13 MARCH 2016**

Beloved children of My Immaculate Heart,

**COME TO MY HEART; INSIDE YOU WILL FIND PROTECTION AND STRENGTH FOR YOU TO
CONTINUE WITHIN THE MANDATES OF MY MOST BELOVED SON.**

Children, invoke the Holy Spirit—whom you have forgotten. Ask for the Gift of Discernment, and act righteously. Do not neglect the Faith, nourish it continuously, be children pure in heart. For this you must live away from sin and more united with My Son.

**AT THIS INSTANT, THE TRUE CHRISTIAN MUST REMAIN IN SPIRITUAL GROWTH SO THAT HE WILL
NOT LIVE FROM A DISTANCES THAT WHICH HE MUST LIVE INTENSELY AND VERY CLOSE TO HIM...**

With pain I see how the enemies of My Son's Church grow...
I see how impious hands touch Him, and how impious hands and tongues receive Him...

**MY SON'S PEOPLE ARE LED TO CONFUSION AND, THROUGH CONFUSION, TO THE PERDITION OF
SOULS.**

With pain I look towards Earth; desolation makes Earth more arid by the same aridity of hearts that claim to belong to the Church but despise My Son and accept the devil. They erect large sculptures and worship them, attracting all the evil that they should discard, and thus they accelerate the arrival of the antichrist and the great persecution of the faithful Church.

Every instant everything seems to sink more and more because of human indifference. The entire Creation rebels with great force against man who wants to make it disappear.

Malice runs like foam; it is increased during childhood to rob children of their innocence with the purpose of increasing the number of the wicked. This way, demons achieve greater power over mankind, thus annulling the Faith in My Son, the Love for fellow men, and Charity.

Beloved children, be strong against the wiles you receive, against the indifferent treatment from your brothers, and against the power that evil has achieved and which will advance as the instant advances.

**BELOVED, DANGEROUS DIFFERENCES AMID MY SON'S PEOPLE ARE COMING, AS WELL AS AMID
THE CLERGY.**

My faithful children will be slandered for not disobeying the Holy Scripture. Heresies will propagate sheltered by the immorality in which humankind lives, sheltered by freemasonry which has been allowed to act freely within My Son's Church, rushing into all social classes, and establishing serious control over the youngest ones, dragging youth to rebel against God and to accept what is worldly as natural.

HUMANKIND DOES NOT KNOW THAT THE DEVIL REJOICES BY SNATCHING INNOCENCE AWAY FROM SMALL CHILDREN AND BY LEADING YOUTH TO DESPISE MY DIVINE SON...

Beloved children of My Immaculate Heart,

THIS COMING HOLY WEEK MUST BE FOR MEDITATION, amid acts contrary to fraternal Love and to the Faith, acts that will spread all over Earth together with revolutions in Countries where man is considered a thing and not a worthy son of God.

My Son is Mercy; however, Divine Justice cannot be left by the wayside in light of the constant calls received by humankind so that men will not be indifferent to Divine Love, to the Divine Truth, and to so many souls who are lost and are apostates because of the freedom with which evil takes action against My Son's People.

Beloved children of My Immaculate Heart, peace will not be lived altogether while evil's mud dirties what is the most Sacred: Freedom, which will not be true freedom, but a resemblance of freedom until the poison of the antichrist is banished from Earth.

Beloved children, **THERE WILL BE WAR; THE GREAT BLOODLETTING OF MY CHILDREN WILL EXCEED ALL EXPECTATIONS; THE ATMOSPHERE WILL BE DIRTY BECAUSE OF THE DEVILS** that fill it with so much of their impurity that it will fall on Earth with all its dirtiness and all the demonic freedom that man's heart attracts with his irreverence and his rejection of all that is Divine. The devil is already being honored, and this evil is growing, this evil that corrodes hearts until it comes to achieve the lifting of man with the purpose of banishing from Earth everything that could remind man of the Divinity.

CHILDREN, MAN THIRSTS FOR POWER AND, IN ORDER TO GUARANTEE THAT POWER, HE WILL MAKE WAR WHILE MANAGING TO HIDE THE TRUE PURPOSE OF COMMUNISM AT THIS INSTANT: DOMINANCE OVER THE PEOPLES.

There will be propagation of horrors—such as the horrors of this instant—under the protection of those who, wearing sheep's clothing, hide the wolf that shelters and arms the rebels that are starting to show themselves—and will show themselves—all over Earth, bringing horror, tension, insecurity, and uncertainty to the inhabitants of the world, thus preparing the arrival of the false liberator that humankind will embrace because of their great ignorance.

JUST LIKE HUMANKIND WILL DISAVOW THE TWO WITNESSES AND WILL GIVE THEM DEATH... SUCH WILL BE THE SLOW ACCEPTANCE OF THE ANGEL OF PEACE THAT MY SON WILL SEND TO GUIDE HIS PEOPLE AND TO FREE THEM FROM THE CLAWS OF THE ANTICHRIST.

My children are stubborn and take only what suits them to know; they do not delve into what lies ahead for them; this would prevent them from being confused.

At this instant **PRAYER** is necessary. It is necessary to pray the Holy Rosary; awareness of the Eucharist is essential for the souls not to be condemned due to ignorance; the practice of the Commandments and Acts of Mercy is necessary, together with being living testimonies of the Acts and Works of My Son.

Pray, My children, pray for the United States; it will continue to be flogged by Nature, and its inhabitants will become agitated and will stir up protests.

Pray, My children, for Argentina; it will be agitated by its inhabitants and Nature will be ruthless.

Pray, My children; Thailand will suffer the fury of Nature; Indonesia will be surprised by eruptions of most of its volcanoes.

Pray for Colombia; it does not find Peace.

Beloved,

REMAIN IN THE UNITY OF THE HOLY TRINITY, PRAYING FOR ONE ANOTHER, BEING ACTIVE FOR ONE ANOTHER, ALL OF YOU BEING AWARE OF THE GOOD YOU BRING TO YOUR BROTHERS, AND OF THE GOOD OF WHICH YOU DO NOT LET YOUR BROTHERS PARTAKE WHEN YOU SEEK ONLY YOUR PERSONAL SALVATION.

Look on high, the signs do not stop; examine yourselves and change, reconcile with My Son. In these days that are coming of the Holy Week, unite with the Paternal House, as you have never done before.

I bless you and I offer you My loving Hand.

I intercede in your favor. I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Once more our Mother calls to a commitment to be Christians and asks each one to delve into the conscience and to examine ourselves constantly as practice to recognize sin, offenses to God, and to reconcile immediately.

Beyond the announcements of the Great Powers, our Mother calls us to remain on alert because, as we read on 1 Thessalonians 5:3,

“When they say, “There is peace and security,” then sudden destruction will come upon them, as labor pains come upon a pregnant woman, and there will be no escape!”

The cunning of evil raises a picture different from the one that is prepared behind humanity's backs. Man, saturated with violence, continues without stopping to bring death to his brothers. It seems like giving death has captivated men and even gives them pleasure. We see the reflection of the tremendous work that satan has carried out in silence, and now it materializes at every instant with more harshness.

Our Mother calls us to make good use of free will, wishing good and not evil. To do good is only possible with the help of Divine Grace. This is why She asks that we examine ourselves constantly so that human misery will not block the reality that each one lives each instant.

We are called to live wishing good, not only personal, but also wishing our brothers good, with the Truth that Christ teaches us in order for us to walk giving testimony the way our Mother asks of us.

We are God's People, those who walk under the sun of an instant that does not only represent the fulfillment of the prophecies, but an instant when we can penetrate true knowledge and decide in favor of Eternal Life.

To know that to live in God is to go against the current of the world makes us certain that this is not an easy path; but it is not impossible, either, because we are certain of having the company of the Holy Trinity and the protection of our Most Holy Mother who intercedes in favor of all of us before TRIUNE GOD.

**BROTHERS, LET US LIVE EACH INSTANT BEING CHILDREN OF THE KING
AND STRIVING EACH INSTANT FOR SALVATION.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
16 MARCH 2016**

Beloved children of My Immaculate Heart,

Instant to instant I bless you to reinforce Faith in each one of you. Evil has spread all over Earth attacking man, mostly his senses, so that these will be led to act against Divine Will.

All Angelic Legions are on Earth attentive to the call from each one of you. Do not forget that to ask for help, to request Divine assistance—the intercession of the Saints, the help of your Travel Companions and their intercession—will strengthen you at this so cruel an instant that all of humankind is living.

There are so many detractors that make fun of My Son's Calls and My Calls at this instant when they have Heard talk about peace! They forget My Son's Word through Saint Paul: ***When they feel at peace and security, then sudden destruction will come upon them.*** (ref 1 Thessalonians 5:3)

False peace is in the hands of a power. Do not put your hope in what is not lasting. You go ahead, attentive and alert, getting ready, especially spiritually.

YOU MUST GO FROM PRAYING BY REPEATING WORDS, TO PRAYING BY TALKING TO GOD, TO MEDITATING.

THIS BECAUSE, GIVEN THE STRONG INSTANTS THAT ARE COMING, MY CHILDREN MUST MEDITATE ON EACH WORD THEY PRAY SO THAT THEY WILL FIND REFUGE, STRENGTH, ASSISTANCE, NOURISHMENT, ALONG WITH THE FAITH AND THE CERTAINTY THAT, THROUGH EACH PONDERED PRAYER, FAITH WILL INCREASE IN EACH HUMAN CREATURE.

At this instant, some of My children are persecuted by the same brothers in their immediate surroundings. Rejoice and be glad because this is a sign and a signal that My Son is taking you along His Way due to the promptness and imminence of the events that I have announced to you throughout the times.

At this instant when behind humanity's backs the deceiver prepares to attack harshly My Son's People, they want to make My Son's children deviate, leading them to focus all their attention on a false peace. Children, do not forget that the wolf will be a wolf (ref Matthew 7:15) and will persecute all of My Son's true children; he will torment them and they will have to take refuge and live united in order to protect and shelter one another. Some remain at a distance; but, during the bloody instants, they will yearn for their brothers.

BELOVED CHILDREN OF MY IMMACULATE HEART, A NEW PLAGUE ADVANCES QUICKLY. USE THE MEANS OF NATURE THAT I HAVE GIVEN YOU, WITH CERTAINTY AND FAITH.

Do not forget that unity is essential—unity among yourselves and unity with My Son's House. Those who persecute you at this instant are pushing you faster towards the true unity with My Son.

Given the coming events, My Son's children cannot half live. You know you must be faithful, righteous, and merciful, and you must decide to say yes! yes! to My Son, or no! no! (Ref Matthew 5:37, 12:30) because the lukewarm will be spit out of the Divine Mouth. (Ref Rev 3:16) The events themselves will separate the wheat from the weeds (Ref Matthew 13: 24-30).

Evil penetrated humankind and men opened the doors of their homes for misused technology to take a place of honor in their homes. Through misused technology, the minds, the thoughts, the conscious and the subconscious of My children have been intoxicated with a lethal venom. At this instant when you know about it, you must decide to replace the place of technology and give it to an altar of love for My Son.

Beloved children of My Immaculate Heart, do not despise the signs or the signals of this instant; do not rejoice with false rumors of peace. You know how evil works, deceiving, lying, and showing another face that is not the true face.

My beloved, terrorism advances; pray for France.

Pray, beloved children, for Ecuador; Nature will flog it.

Pray, My beloved, for Nicaragua; it will suffer, its land will be shaken.

The purification of the United States continues; pray for this land of Mine.

**LOOK ON HIGH, LOOK ON HIGH, MY CHILDREN!
MY SON WILL SHOW YOU AHEAD OF TIME THE EVENTS THAT YOU KNOW WELL: A SIGN OF
MERCY.**

Remain at peace with My Son. Constantly ask for assistance from the Holy Spirit so that you can discern correctly. Do not be of those who at the first trial flee in distress. My Son's People are courageous because they have traveled with My Son the road to Calvary.

You must live this coming Holy Week in a saintly way. You will not walk alone at any instant because My Son resides within each of you, and I continually come to you to show you the correct path.

Awaken the spiritual senses because with a lukewarm faith you will not be able to defeat the persecution...

Awaken the spiritual senses, meditate and delve into every word you say when you pray; do not be of those who, in order to comply, pray hastily, because you offend My Son when you pray to fulfill a duty.

**PRAY, MY CHILDREN, PRAY AND MEDITATE. YOU MUST KEEP GOING ON THE ROAD WITH THE
ARMOR OF FAITH, BUT NOT A WEAK ARMOR, IT MUST BE AN ARMOR IN DIVINE WILL.**

A ruler, known and recognized in the world, will be put to death, and this will infuriate his People. At this instant evil is stealthily moving everything it needs so that, from one instant to another, you will be surprised with news that will make you shudder, because you will see how a People is destroyed in order to carry out the wishes and plans of the one who comes to usurp My Son's place.

Work on yourselves. Do not use the gift of the word to speak lightly. Be love, as My Son is Love.

Beloved children of My Immaculate Heart, before food becomes scarce all over Earth, the foodstuffs will be contaminated so that those who consume them will get sick. The purpose is to destabilize great many of My children. Do not forget that he who acts with Faith is free from all evil.

Do not forget that communism continues to rise with more force against Nations.

Be Love as My Son is Love. Give living testimony. Hasten the pace. Grow spiritually. Do not forget that I joyfully embrace the suffering of those who are Mine, and I pour blessings over all humankind.

My Maternal Love, My blessing be with each of you.

Mother Mary.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

During our Mother's message, She allowed me to see and hear Her Word telling me that humankind sleeps and that the peace that is announced to the world is not believable because the great powers remain in a state of alert watching for the slightest movement of another power.

Our Mother showed me the state of rebellion in which humankind moves, hardened by evil; and She showed me how man gave evil the power it has, by giving himself to misused technology, and by pleasing the human senses which have been contaminated ad nauseum, not slightly but like a great plague that has blocked man's spirituality, taking his will and immobilizing it.

I saw how evil advances carrying chains, chaining up those men who remain away from God.

I saw all kinds of foodstuffs, before the shortage, being contaminated; and I saw, once the shortage arrived, how men ingested them and died.

She allowed me to see the protection on which we can count as God's children, protection which each one must earn by complying with all we must fulfill—not whatever each one wants, but what God asks of us.

SHE SHOWED ME HOW VERY URGENT IT IS FOR HER CHILDREN TO BE AWARE OF THE REALITY OF DIVINE LOVE, AND TO REALIZE THAT THE ONLY WAY TO RESPOND TO THIS LOVE IS BY MEANS OF THE SAME LOVE, IN THE WAY CHRIST AND OUR MOTHER HAVE TAUGHT US.

Amen.

DIALOGUE BETWEEN OUR LORD JESUS CHRIST AND HIS BELOVED DAUGHTER LUZ DE MARÍA 21 MARCH 2016

My beloved People,

I REMAIN WATCHING THE ACTS AND WORKS OF EACH ONE OF MY CHILDREN, NOT TO JUDGE THEM SEVERELY, BUT WAITING FOR THEM TO COME BACK TO ME...

I am Love; I miss you, I wait for you until, in the acceptance of the free will of each of you, you decide to call Me so that I will help you.

I live alone in the Tabernacles without any of My children to keep Me company...

I have found Myself disdained and I have heard them call Me the God of history, of the past.

GIVEN THE VERY DEEP DISTANCE AWAY FROM EVERYTHING THAT REPRESENTS ME IN WHICH MAN LIVES, THEY HAVE TAKEN INDIFFERENCE IN THEIR HANDS IN ORDER TO MOVE FURTHER AWAY FROM MY TEACHINGS.

Luz de María:

My Christ, what has man lost that has led him to distance himself from You?

Jesus:

My beloved, man has lost the wish to grow; he is satisfied with standing out because of his human qualities in order to capture the attention of others and he is content with being admired by the rest. **THE DESIRE TO TRANSCEND IS STAGNANT; THEY DO NOT WISH TO GROW SPIRITUALLY.** This is why the same men cannot distinguish between a believer and a non-believer. Non-believers are found in My Church and on occasion participate without being recognized as such, without their brothers having the slightest suspicion.

There are very many who say they believe in Me, and there are so few who truly practice their belief and who have absolute Faith in Me, who see Me as what I am, who transcend and Love Me as what I am, who feel Me and perceive Me so well that they have complete trust in Me, so much trust that they believe everything I explain to them because it is for the good of those I Love. I give to man and man gives Me his trust so that he can transcend and unite with My Presence in each one of My children. **I WANT THEM NOT ONLY TO BELIEVE IN ME BUT ALSO TO ENJOY MY PRESENCE...**

Luz de María:

Lord, what has led man to stagnate in his spiritual life?

Jesus:

Beloved daughter,

For some it is enough to blame all My favorite children, the priests, of this instant, but since before, the denials of the existence of hell, of sin as such, and of the responsibility of he who commits it, the tolerance of immorality, the lack of exalting the Faith and the union with Me, the little acceptance of My Mother within My Church, the abuses of the hierarchy at all times deviating and detracting from the true sense of the Faith, of tradition, of the Truth, of shepherding, of the teaching of the Truth, of My Ministers no longer being the last ones and the servants of all; all of these, together with the insertion of My Ministers in the dome of society, have flooded My Church with interests that are not now nor have they ever been My Will.

And you, My People, have not wanted to delve into My Will, or to get to know Me better, or to know about Me. What you hear is enough for you. This is why you are like a balloon: You rise and you say you love Me, but if any material in the air touches you or rubs against you, you deflate and fall to the ground, just as quickly as you rose, and you forget Me, and then you become persecutors of My People and of Me.

Children, do you know who I am?

Every day or on Sundays you hear talk about Me in the Gospel, but do you walk in Me?

Do you know Me deeply? Or do you have only a slight coat of varnish of Me?...

Some that visit Me and receive Me daily, constantly throw snares at their brothers to make them fall, then toss them in the river to drown, with nobody who can save them; they act and work secretly like snakes against their brothers, and the hypocrites murmur against their brothers asking them for an explanation of their behavior because they want to point fingers at their brothers in order to shame them in front of the community. Hypocrites, they receive Me every day and they make Me nauseous! He who acts this way is wicked and cruel.

WHO ARE THEY TO BRING THEIR BROTHERS TO ACCOUNT? NOBODY KNOWS WHAT I KNOW, THEY WERE NOT THERE, THEY DO NOT KNOW THE MYSTERY OF MY LOVE FOR MAN. MORE DASTARDLY IS THE ONE WHO RECEIVES ME WITH FALSE RELIGIOSITY THAN THE ONE WHO FALLS AND REPENTS, AND THEN STANDS UP TO BE A LIGHTHOUSE FOR HIS BROTHERS. THIS IS WHY I AM THE ONLY ONE WHO KNOWS THE MYSTERY OF MY LOVE; THIS IS WHY "I AM WHO I AM." (Exodus 3:14)

Woe to him who wants to order the course of humanity believing to be pure and saintly; **THE TIME WILL COME WHEN HE WILL BE JUDGED BEFORE ME.**

Luz de María:

Beloved Christ, we are sinners, we strive every day, we want to continue by Your side. Teach us to live by You and to love Your Mother.

Jesus:

Beloved daughter,

A saint does not judge; he prays for his fellow men. The sinner points at the sinner when he recognizes in his fellow men his same sin; the sinner betrays his fellow men and persecutes his brothers.

At this instant, humanity lacks Me. Some call themselves Christians, and they live like those who are not My People; they deny Me with their acts, with their words, with their behavior. They are Mine who are part of this evil that plagues mankind; they make My Cross heavier. The offense is more painful and the flogging is stronger coming from those who claim to love Me.

Humanity is in Purification waiting for it to recrudescence; they do not recognize the signs of this instant because they do not know the Warnings from My Mother and they call past My Eternal Word which is in the Holy Scripture. They chain Me to a past. All was said in the Holy Scripture, they chain My Holy Spirit to prevent Him from revealing My explanation to this generation so it won't be lost. **THEY DO NOT RESPECT MY COMMANDMENTS, THEY TRANSGRESS THE SACRAMENTS, THEY DISMISS THE ACTS OF MERCY, THE BEATITUDES ARE PAST. WILL THE INSTITUTION OF THE SACRED EUCHARIST BE PAST?**

No, My children, the Holy Scripture contains the development of My People. This is why I EXPLAIN My Word to this generation, and My Mother is designated by my Father, Me and My Spirit, to guard this generation and to save souls with Her Maternal Love.

I have revealed to My Prophet this My Word, because I have called My People to be My witnesses, but they cannot figure out how to give testimony of Me; they look for special gifts or virtues, but

with them they will not give absolute testimony of Me, not until they know Me in truth and spirit will they be able to have My Strength, My Spirit, freely, without it being tied up or limited.

Pray, My People, pray and put into practice the prayer so that you will be fruitful.

MY CHILDREN, COME TO ME. EACH ONE OF YOU, COME TO LIVE YOUR OWN PERSONAL ENCOUNTER WITH ME. EACH ONE MUST COME TO WIPE MY FACE IN ORDER TO HAVE ME IMPRINTED IN HIS HEART FOREVER.

Luz de María:

Beloved Christ, how can we tell You that we love You?

Jesus:

My beloved, by being obedient and by getting to know Me so that each one lives Me and will surrender to Me without reservations and in obedience.

Humankind is living this dangerous instant, dangerous for the body and also for the soul, and I do not want My children to be lost. You are starting the Memorial Week of My Surrender of Love for the salvation of souls, and what is man's response? **You will see, you will see...**

MY BELOVED PEOPLE WHO FLOG ME, WHY DO YOU FLOG YOURSELVES VOLUNTARILY?

You have given yourselves to fornication, you have given free rein to the senses, so that they will be lost, and you will continue along the path of evil.

My beloved People, Earth's axis will shift; those who know the truth remain silent, and I call you to get prepared because you will see what will be purification for man fall from the sky.

Pray, My children, for Chile; it will suffer.

Pray, My children, for the United States; it will be flogged.

Pray, My children, for Israel; it will suffer.

The land will continue to shake with force. Night will take mankind by surprise.

EVIL COMBATS STRONGLY AGAINST THOSE WHO ARE MINE. WAKE UP, CHILDREN! THE INSTANT HAS ARRIVED!

MY LOVE DOES NOT STOP. MY ANGEL OF PEACE WILL ARRIVE TO BE PATH FOR MY PEOPLE.

My beloved People, Earth will be flogged with its inhabitants; all will suffer the rejection in which I have been plunged, not because I punish you, but because rebellion is against My Love for all of humanity, and this rebellion will turn against the same humanity. I wait with My Mercy; just do not forget that I approach with My Justice. Evil will never have more power than good does, but humanity has given power to evil and evil ties them up. For this, they will be passed through the sieve of the crucible, until My People become My true People and I be all for My People.

UNITE IN THIS CELEBRATION OF MY PASSION, UNITE IN MY MOTHER'S SILENCE,

FULFILLING AND LOVING THE WILL OF MY FATHER WHO IS IN HEAVEN.

I Love all, but not all look for Me.

IN A SPECIAL WAY I BLESS EACH ONE OF THOSE WHO READ AND MAKE THIS MY WORD LIVE.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

We live the Holy Week, the week when we commemorate the Infinite Gift of the Heavenly Father who gives us His Son for our sins to free us from eternal condemnation. So much Love of the Father for each one of us!

The suffering figures are too many: Christ, the disciples, Christ's friends, those who follow Him and have learned to love Him, **AND OUR MOTHER WHO LIVES EVERY INSTANT OF HER SON'S SUFFERING, AND SHE DOES SO IN SILENCE, IN THE SILENCE OF LOVE FOR YOU, BROTHER, FOR EACH ONE OF US.**

**AND YOU, HOW DO YOU LIVE THESE HOLY DAYS?...
HOW SHOULD THE REST OF OUR LIVES BE LIVED?**

The silence of our Mother is not a silence that mutes; it is an edifying silence that teaches the total surrender of Faith, of Hope, of the YES to God.

Let us build on Faith, but not a Babel Tower; let's build **THE CROSS OF GLORY, OF SURRENDER, THE CROSS OF VICTORY.**

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
23 MARCH 2016**

Beloved children of My Immaculate Heart,

EACH ONE OF MY CHILDREN IS MY SON, EVEN THOSE WHO DO NOT LOVE ME.

You are My children, those that My Son redeemed on the Cross; and, as Mother of the Universal Family, I announce to you and I warn you constantly. My battle against evil does not stop at any instant.

Beloved children, during Lent, humanity must remain prepared for change. To what change are you called? Without knowing in depth what it is that must be changed, those who decide to change make multiple purposes with good intentions, but they do not really know themselves. And...if man does not know his weaknesses, what will he combat? If man does not know himself in his virtues, he can dedicate the instant to something other than his weaknesses.

Beloved children of My Immaculate Heart,

HOLY WEDNESDAY, THE DAY WHEN MY SON WENT TO THE HOUSE OF LAZARUS. As Lazarus was His great friend, My Son stayed in that house, where the sisters of Lazarus took pains to care, not only for My Son, but also for My Son's disciples and for those who followed Him. Lazarus is a faithful friend to My Son; Lazarus, unconditional, obedient, the one who gives it all, offers it all. Lazarus is generous with all his brothers, without looking at faces or social positions or economic conditions; he was as each one of My children must be.

Beloved children of My Immaculate Heart,

My Son, Love par excellence, was sent to save you from the evil which inclines man to fall prey to his misused free will. My Son gave up Himself for each of you in a True Sacrifice, taking the sins of men upon Himself, the sins of those who have not obeyed My Son's Love, who have despised His surrender, who dismiss the Commandments of God's Law, and disobey the Law of Neighborly Love. Promiscuity is the food with which you feed satan; heresies are considered natural; the worship of satan is man's choice, and in that choice you will suffer the unspeakable at the hands of and in the government of the usurper, who will truly be the most cruel persecutor of My Son's People. Just like Judas betrayed My Son, there are so many of you who constantly move away from My Son to join evil and to cooperate in spreading evil, and maybe with a small detail you overshadow the good you have done!...

MY SON, AWARE OF ALL HE IS TO SUFFER, DOES NOT FLEE, BECAUSE THAT AFFRONT WILL TURN INTO A SACRIFICE IN WHICH HE WILL BE PRIEST AND VICTIM. HE WILL ASK THE FATHER FORGIVENESS FOR ALL, PAYING THE PRICE OF JUSTICE OF ALL SINS.

Who understood this?...

Who understands this at this instant?...

My Son anticipated His suffering... at this instant He anticipates humanity's suffering... and they do not believe, they despise the Calls through Our Prophet and other instruments. The Paternal House alerts; He does nothing without alerting His children, and they do not believe...

For this, when darkness advances, do not lament. When you see man turn into the unthinkable, do not lament. In the plague, remember Heaven's Calls. War is the expression of the instant in which you move: Some suffer from ignorance, others from unconcern, and these human creatures will be the weakest.

The cruelty of those who have their senses, their feelings, and their hearts clouded with false promises of ideologies contrary to the true Love that My Son has taught will be more serious each instant, and the laments of the innocent do not move the hearts of stone. Children, do not see from a distance that which will spread all over the world until man lives imprisoned in his own home.

MY SON DID NOT SURRENDER FOR THIS, BUT HE KNOWS EVERYTHING, AND AS IN THE PAST, HE KNOWS THAT HIS OWN CHILDREN WILL BETRAY HIM.

MY SON'S PEOPLE, RENEW THE CONSECRATION TO OUR SACRED HEARTS EVERY DAY.

Live these holy days united with My Son; do not forget that the evil one is upon men, and as soon as he finds a minimally open door, he takes what is not his and leads man to do evil.

My Son has been Merciful with His People; and He will be Merciful every time man looks for Him.

Beloved, do not forget Divine Justice; it will come. You do not expect My Son and He will return. And where will be those who have denied Him, those who have distorted Divine Law and the Sacraments? They have distorted the Divine Word.

Pray especially for My Son's Church.

Pray for England; it will suffer the pain of its own.

Pray, My children; Earth suffers.

Beloved, get ready, grow by praying, by meditating on each of My Son's offerings; know each one so that you will love Him more. It is urgent that you trust in My Son's promises, that you delve into My Son's Love and make it your own, that you know Him truly so you will not be led along the wrong way.

MY CHILDREN, BECAUSE SOME HAVE NOT LIVED LENT AS IT SHOULD BE LIVED, ACCOMPANY MY SON IN EVERY STEP HE WILL TAKE BEGINNING ON THURSDAY, IN REPARATION FOR LENT. Accompany My Son next to Me in these days of Passion. Examine yourselves and become the children who love in Truth and Spirit.

Come to Me, give Me your hand and let us walk next to My Son in this Merciful Surrender.

I bless you, My children, you who delve into the knowledge of the Revelations and pay attention. I bless you with My Love.

Mother Mary.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
RESURRECTION SUNDAY
26 MARCH 2016**

Beloved children of My Immaculate Heart,

CHILDREN, I CALL YOU TO HONOR MY DIVINE SON BY LIVING EACH INSTANT IN HIS WILL.

Wake up, children! Wake up that you may live true peace in the spirit. Wake up! You live in ignorance and in a poor spirituality because of the materialism in which you have immersed yourselves, and because of the eternal and relentless search for that something which man does not know what it is, but moves within him; this search puts you in a situation in which ignorance plunges you into a sea of restlessness where you look for something without knowing, and you fall captive—even eagerly—to the fantasies that other more open minds present to you as something highly advanced when in reality they do not represent any spiritual progress to you; on the contrary, they deviate you from true knowledge.

You, My children, must maintain clarity of the senses, clarity and knowledge so that the mind and the reason will lead you to the desire and the determination to be better each instant, for your own good and for the good of all humankind, and because of the determination you will become faithful. Children, I want the heart to burn in desire to get away from falsehoods that you may hear, and from the deviations to which materialism, negative ideologies, and the devil himself present to you as attractive in order to take you as his prey.

Children, the spirit is immortal, as immortal is the Father Who created you and to Whom all His children must return.

MY SON'S LOVE IS ETERNAL TRUTH. HE WANTS YOU TO BE AWARE OF THE UNITY IN WHICH YOU MUST REMAIN: THREE PERSONS IN ONE SINGLE GOD, FATHER, SON, AND HOLY SPIRIT. This is the responsibility to which each one of My children is called: Lead and guide your brothers to the Truth so that evil will not be able to take as his prey those who wander on the wrong paths.

THE FORCE OF LOVE LEADS TO OBEDIENCE. If you love My Son and belong to Him, you know you must not save only yourselves, you must give light to your brothers.

Children, consecrate yourselves to My Son's Sacred Heart and to My Immaculate Heart, but not just to consecrate yourselves; you must be aware that this implicitly entails the commitment to give testimony with good acts and works in which the Eucharistic food remains essential, and for which you must be properly prepared. Do not forget to pray meditating, and to pray the Holy Rosary, not as an imposition but as a necessity for each one of My children.

My beloved, do not listen when the world censures you for being spiritual creatures, because you pray, because you love My Son and recognize the Holy Trinity, because you love Me. They will call you crazy, fanatics, they will instigate you, slander you, and threaten you; it's just that hearts that do not love, not having Love, they know not to listen or obey.

CHILDREN, COME TO ME, COME TO ME. I AM REFUGE FOR YOU, SO THAT

BY MY HAND, EACH SCOURGE WILL BE A REAL VICTORY LOVINGLY OFFERED TO MY SON.

I am despised, and those who love Me are despised also, because I call you to My Son and to the fulfillment of God's Law, and not to fall into the sacrilegious, the fake, the apostate, or what is the great sign of perdition for the human creature: To forget and to reject the Holy Trinity.

BELOVED CHILDREN OF MY IMMACULATE HEART, MAN WILL HAVE TO UNDERSTAND THAT THERE EXISTS A WILL FAR SUPERIOR TO THE HUMAN WILL, and man will have to bear in mind that the greatest among you is the last, and the one who prides himself is the son of perdition. Children, be alert!

You, My beloved, pray, persevere, know My Son, love Him. He who does not know Him cannot live off the knowledge of his brothers; each one must know Him personally.

KNOW HIM; APPROACH HIM WITH TRUST.

My Son is Love for all, He is Mercy for all. Children... do not attract Divine Justice to you, do not rebel; be compliant and observant of God's Law and of the Sacraments. **MY SON IS ETERNAL PRESENT.**

Do not allow hatred in you; hatred begets more hatred, and hatred is used by evil to divide and cause death.

Children of My Heart, the Holy Trinity invites you to knowledge, to the Truth, to the implementation of My Son's Word that It may be life in all, abundant life.

Beloved children of My Immaculate Heart,

The present instant is an instant. Remain attentive, walk the straight path, do not deviate from it, recognize that My Son's children do not stir up strife, but are called to fraternize in obedience and compliance to DIVINE LAW.

Beloved children, with the instant comes the collapse of two heavenly bodies. This event will be seen in the sky by all; then each human creature, in his soul, conscience and essence, will see all the evil he has committed and the good he has failed to do.

Divine Mercy does not end, because when man is before the crag, It gives him the grace of purification. Some will take it as a blessing; others, past the trial, will rebel and join the one who will control Earth, the antichrist.

BE ATTENTIVE TO MY WARNINGS! THESE WILL STRIKE WITH GREATER FORCE WITH THE PASSING OF THE INSTANT.

Children, save your soul! I bless those who read and treasure this Word springing from My Immaculate Heart.

MY MATERNAL MANTLE COVERS YOU; YOU ARE MY GREAT TREASURE, MY BELOVED CHILDREN.

I remain with you.

Mother Mary.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
MAY 26, 2016**

Beloved children of My Immaculate Heart,

As Mother, I love you...

As Mother, I bless you...

As Mother, I speak to you with My Heart...

**HE WHO IS AWARE OF MY SON'S LOVE FOR HIS PEOPLE IS AN OBEDIENT CREATURE.
HE WHO DOES NOT OBEY THE DIVINE MANDATES EXPRESSED
IN THE HOLY SCRIPTURE CANNOT CALL HIMSELF SPIRITUAL.**

He who remains away from My Son—who redeemed you—cannot aspire to the affairs of Heaven.

Beloved children of My Immaculate Heart,

THE UNION WITH MY SON IS VITAL TO MAN.

This generation is rebellious, deceiving, indifferent, ignorant, and hostile to everything that is a sign of Salvation...

This generation is concretely hostile to My Son and lover of riches, among other things...

This generation will be shaken until they gnash their teeth...

By all means I look for you to intercede for each one of you and to bring you to rediscover the true Way.

Children, each one possesses intelligence, thinking, reason, heart, and will. It is with each one of these that you must look for My Son and find true Knowledge, the one that is only given by the Holy Spirit to those who plea for Understanding and Knowledge, but guided by the Holy Spirit.

**BELOVED CHILDREN, DO NOT WASTE THE INSTANT DELVING INTO KNOWLEDGE THAT IS NOT
BASED ON THE DIVINE WORD.
THIS IS DECEITFUL, FAKE, AND WILL LEAD YOU TO HELL.**

You must focus your thinking on using the so precious instant on expanding the Knowledge in order to act and work in Divine Likeness. He who only thinks about himself does not act correctly. First

you must give life within yourselves to the Word from Heaven, not to keep it, but to share it with your brothers.

Reason, illuminated by the Holy Spirit, will manifest itself in humility and wisdom with which each child of My Son acts and reacts, as mirror of the works and acts in My Son's Love.

My children's hearts must be sincere and must keep My Son's Will in the first place, even against the human will...

My children's hearts are hearts of flesh, not stone; and they offer the first place to the King of kings and Lord of lords, Jesus Christ...

To acquire the *raison d'être*, knowledge must remain submerged in the principle of My Son's giving: **IN LOVE.**

DO YOU WISH TO CONTINUE PENETRATING INTO THE TRUE PATH? I DEMAND OBEDIENCE. If you do not understand, you will understand along the way. Do not stop at this instant when the Divine Love embraces within His Mercy anyone who leaves what is worldly and sinful and gives himself without reservations or conditions.

I guide you strongly and tenderly, with Maternal Love and firmly; this instant is not for tepidity; this instant is for fidelity and unity of all the People of My Son and Mine.

Come to Me and by My Hand I will take you to the depths of the human will and you will clearly see that My Son is Everything and man is man. **EACH ONE BEARS FRUIT AND THIS IS THE TESTIMONY: LOVE.**

DO NOT LIVE IN THE PAST. THIS IS THE INSTANT WHEN YOU MUST GROW. REMEMBER THAT TO WHICH YOU ARE ALL CALLED SO THAT YOU WILL NOT BE LOST.

Children, you may know arithmetic, grammar, literature, the great sciences; but We keep coming to instruct you on obedience and true Love, because you do not finish learning the basics as you are under the control of the human ego which you must discard.

You keep ignoring the Divine Word; you ignore the warnings received in each Call, because unconsciousness has overcome all the senses, contaminating them until they have hardened.

Beloved children of My Immaculate Heart,

The man of this generation thinks he is superior, he feels like he can control, by means of technology, all that exists...

Science has forgotten that God exists and that what moves faster than the speed of light cannot be seen by science. What man thinks he has achieved as goal is only progress; and within that progress, man will find another greater one to overcome. Thus, man has reached a small scale of the Grand Universe; he has won a small scale of knowledge.

Children of My Immaculate Heart,

THE INSTANT CONFRONTS MAN. LARGE-SCALE EVENTS ARE COMING. You have not believed in the Miracles that My Son has allowed during My Apparitions, especially some of them. You have seen the sun approach Earth (*), you have seen stars fall from the sky. **IS THIS A DIVINE MIRACLE OR IS IT NOT?** And you continue in disbelief!

You remain within the infinite Universe, and without the sun detaching itself from the sky, the Divine Hand, as if shrinking the Universe, at the speed of light, manages to make man feel as if the sun were falling and hurling itself towards Earth, although its position has not changed. This has happened in some of My Apparitions; but not even the man of science has believed in what he should know and accept as a Miracle. However, this generation will indeed see the Powers of the Sky move strongly, changing places.

This generation will suffer through the star Sun (1) and before the power of man, this generation will feel the supremacy of the Creator, and will have to accept that what man has achieved is not what he thought he had achieved.

Beloved children, darkness will be separated from light; and darkness is closest to the unconscious Humankind that makes fun of the Divine Word.

By Mercy, you receive from the Holy Trinity the advancement of what will happen, but still you do not obey. You know well that you are warned about the coming events, not for you to be afraid but for your human will to search for the True Path.

Children, Heaven is the transmitter and man is the receptor, but the receptor is an unbeliever, he is disobedient and arrogant, so much so that he does not even question why there are so many announcements from the Father's House to this generation. The few who are aware are mocked and continuously attacked by multiple fake data that are spread in order to disperse My Son's People from the Truth.

**HUMANKIND BLINDLY FOLLOWS THE CURRENT OF THE UNCONSCIOUS MAJORITY.
YOU HAVE FREE WILL; YOUR FREE WILL SHOULD DECIDE IN FAVOR OF ETERNAL SALVATION.**

Beloved children, survive this constant flow of evil's insinuations, overcome everything that is not Divine Will. The devil likes it when man follows him; he likes everything he suggests and man obeys without thinking.

Beloved children of My Immaculate Heart,

**OPEN THE SENSES, CORPORAL AND SPIRITUAL SENSES.
IT IS THE INSTANT TO GIVE EVERYTHING FOR SALVATION; SPIRITUAL TEPIDITY IS NOT FOR THIS
INSTANT.**

Pray, My children, pray for Portugal; it will suffer unexpectedly.

Pray, My children; Italy will be greatly flogged by Nature. The Vesuvius volcano will be news and Etna will make the man living in surrounding places leave those places.

Pray, My children, pray; France is shaken; terror arrives again in daylight, agitated by its own rulers.

Pray, My children; Ecuador suffers again; Chile is shaken in its land. Argentina suffers; from the subversion of a few will come the cry that later will engulf all My children.

Pray, My children, pray for Hawaii; its lament will be intense.

My children, volcanoes will continue to awaken; food will be scarce because of intense flooding; strong heat will contribute to food shortages. Where there is desert they will have rain, where they have rain there will be desert.

MEN OF THE ENTIRE EARTH, ALL CHILDREN OF MY IMMACULATE HEART: MAN WILL EXPERIENCE WHAT HE DENIED OUT OF STUBBORNNESS, THUS EXPOSING HIS INDIFFERENCE TOWARDS THE DIVINE WORD.

**MY SON'S CHURCH WILL BE DRIVEN TO THE SCHISM.
CHILDREN, DO NOT WAIT ANY LONGER; SEEK SPIRITUALITY, THE ONE THAT DOES NOT COME TO MAN WITHOUT MAN'S FIRM DECISION TO LOOK FOR KNOWLEDGE AND, THROUGH KNOWLEDGE, UNITE IN DIVINE WILL.**

Do not be afraid, My Immaculate Heart will triumph. You live in My Maternal Heart.

I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

(* The so called miracle of the sun to which the Most Holy Mother refers as a Superior intervention has manifested itself as a tangible sign without altering the order of the star sun.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

After Our Mother's Call I can only say, **THANK YOU, MOTHER, FOR YOUR FIAT!**

Heaven's Requests for our generation are several... How can this generation brush aside these Requests so easily?

If we take a look at the previous Purifications of Mankind, we see how the prior events are similar to the ones happening now at this instant. This generation will be examined in a special way. This is why this generation is warned, so that man can decide to convert, freely and ahead of time.

The Holy Trinity does not abandon His children. This is why we know about the things that will afflict Humankind, but the acceleration in which man lives keeps him far from inner silence needed to hear the Divine Voice; that Voice which may come through a brother or in many ways, but since man lives in constant acceleration, he does not see or hear that God is warning him to save him.

Brothers, so many "LET US PRAY" at Our Mother's requests are the mirror of Maternal Love for us, Her children. We know we will not be abandoned by God or by Our Mother, and that Divine Help will be there always as long as man allows it. If necessary, the same Heaven will open so the Celestial Armies will come down and help God's People.

We have so many Calls that encourage us, among them those that talk of an Angel of Peace, an Envoy who will help God's People in the face of the bitter persecution of the antichrist against the faithful of Christ. We receive and will receive constant and renewed strength so that we will resist the trials with the help of the Holy Spirit.

The land trembles, so must man shudder to react and heed the Calls in these Messages.

Brothers,

AS OUR MOTHER EXPLAINS TO ME, THIS INSTANT MAKES SOME EVENTS BE VERY CLOSE TO THIS GENERATION. THE MANY "LET US PRAY" MUST NOT GO IGNORED; THEY MUST BE TAKEN VERY SERIOUSLY. WE WILL BE EXAMINED IN THE CONSCIENCE, EACH ONE INDIVIDUALLY. IT IS NEVER LATE TO REUNITE WITH DIVINE MERCY.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
29 MARCH 2016**

Beloved children of My Immaculate Heart,

I have constantly called you to remain attentive, each one of you as part of humankind, as autonomous creatures that have free will and hence are carriers of the HUMAN SELF.

Beloved children,

THE HUMAN SELF WILL ONLY BE DEFEATED WITH DIVINE WILL AND BY NOT WANDERING THROUGH WRONG PATHS SEARCHING FOR WHAT YOU HAVE INSIDE.

Children, do not look for My Son outside of you; He lives in the interior of each of you; the Truth is within you. Listen to Him and suffer no more.

Beloved, My Son watches how humankind consumes everything God the Father bequeathed to them, and man, as predator, exhausts all resources he has been given for a healthy and blessed existence.

Man joins other men with common ideals in order to stand out, leaving aside the conscience, forgetting the moral and spiritual obligation to restore all he borrowed from Creation, but which he has used as his own to splurge, without renewing what needed to be renewed for the correct existence of humankind on Earth.

As Mother, I see that Creation is unmercifully and continuously contaminated with chemicals that scientists know are not suitable for Nature or animals and least of all for man. As this happens, Nature continues its growth, albeit defective due to contamination.

**CHILDREN, YOUR SUFFERING HAS ITS ROOTS IN YOUR
NOT HAVING DONE WHAT YOU WERE SUPPOSED TO DO,
RUTHLESSLY ABUSING EVERYTHING YOU RECEIVED FROM THE HANDS OF THE ETERNAL
FATHER, AND TAKING ADVANTAGE, WITHOUT ANY COMPASSION, OF EVERYTHING THAT
WAS CREATED.**

Given the continuous aggressiveness of man against Divine Goodness by means of misused science, Earth suffers constant violence due to the toxic chemicals that are spread by air, thus altering the normal growth of Nature, of the animals, and even more so, of men who are deliberately intoxicated. Creation has completely mutated because of the merciless hand of science; foodstuffs no longer nourish, instead they invade the human organism with all the toxicity to which Creation was subjected. **IT IS MAN WHO ATTACKS HIMSELF, WHO MAKES HIMSELF SICK...**

Beloved children, Earth suffers the terrifying action of man that invades it and contaminates it with nuclear tests at sea, in the air, and on the same land, as well as with waste materials left from radioactive tests, materials that are buried in the deserts and in lands of poor countries that, in exchange for food and money, receive and accumulate such materials which eventually and irreversibly get to contaminate the human organism.

Children, you have shortened the path towards the fatal outcome to which you are headed.

**EVERYTHING YOU HAVE ALTERED, ALTERS MAN, SO MUCH SO THAT THE HUMAN
UNCONSCIOUS CANNOT REJECT WHAT IT KNOWS, AHEAD OF TIME, WILL CAUSE MAN AN
EVEN GREATER EVIL.**

Earth is desolate for lack of human creatures with consciousness and without fear of being disowned. So much moral decadence has allowed the spread of contamination by the sea to the entire Earth. Creation fights against death, the sun is not man's ally, the water wants to purify Earth, and hence the lack of control of this moment in the climate around the world; aridity reigns not only on Earth but also in the hearts of mankind.

Each one is a reflection of what he has in his heart and of his toils in eagerness:

If the creature is worldly, his toils are worldly...

If the creature tends towards God, his toils will be directed towards the spiritual...

FOR THIS REASON I INVITE MY FAVORITE CHILDREN, THE PRIESTS, TO GUIDE MY SON'S FLOCK ALONG THE RIGHT PATH, giving them a wise leadership to have clarity on how to approach and live in Divine Will, which goes beyond prayer...

The Holy Trinity orders man to love the Triune God. My favorite children, priests: Teach men how to love their Lord and their God, how not to offend Him, how to approach God with the Wisdom of the Holy Spirit so that He will live in the soul of My Son's People, so that men will merge into Him and be one...

THIS IS THE INSTANT OF INSTANTS WHEN MAN HAS TO WALK WITH THE KNOWLEDGE OF GOD to maintain clarity and determination, and so he will not delve into the mud, but into the Solid Rock...

Do not give liquid food to My Son's children; give them the Knowledge, the ability to delve into Him Who created them, loves them, and wants to have them in His Heart.

Preach to them the True Science: How to recognize sin, how to advance along the spiritual path in order to fly, not with wings like birds, but with the spirit, to attain Eternal Goods and be worthy of Divine Mercy.

My Son does not live in silence in Heaven; He tirelessly searches for His children. My Son is not an avenger who chases after His children to punish them; He gave His children the freedom to choose so that man himself will decide on the path he wishes to follow. **BUT, HOW CAN MAN LOOK FOR HIS CREATOR WITHOUT HAVING THE CORRECT TEACHINGS?**

Men constantly blame My Son for all that happens to them, as they ignore the responsibility of their human acts. But, how do they attend to their responsibility if they are told there is no penalty for sinning? ...

Everything man possesses is a gift that comes from Heaven. And, what does man tell to his lineage when at this instant he ignores God's Law, he ignores the pain after death as well as Eternal Life?...

Beloved children of My Immaculate Heart,

**IT IS NEVER LATE TO BE REUNITED WITH MY SON...
WITH AN OPEN AND THIRSTY HEART, ASK THE HOLY SPIRIT TO GUIDE YOU...**

Clamor in this desert where you live, that the same Travel Companions may appease your desire for the sinful world and engraft in you the ardent desire to encounter My Son...

Beloved children, the proximity of major events such as earthquakes—given the force that at this instant moves Earth from within its entrails, and surfaces, not only agitating the waters but also affecting man—makes it indispensable for the creature to be united with his Creator, **UNITED IN THE CORRECT WAY, NOT ACCORDING TO EVERYONE'S FREE WAY OF THINKING.**

In his unconscious, man perceives the proximity of natural events and events from the Universe, as well as those that affect the conscience.

DO NOT DESPAIR; SEEK THE ONLY COMPANY THAT WILL NEVER DISAPPOINT YOU: THE COMPANY OF DIVINE WILL AND THAT OF THIS MOTHER WHO LOVES YOU.

The animals that inhabit the Earth lose the sense of direction, they scramble to the surface as Earth trembles in its entrails, and man allows everything to happen without an instant of reflection.

The rage of the devil takes over the human creatures that, in an instant of insanity, plunge themselves against the Gift of life, or who do not take My Son seriously and constantly reject Him blaspheming.

MY CHILDREN, STRIVE TO BE BETTER, TO BE TRUE, AND TO SEEK TIRELESSLY DIVINE LOVE AND TRUTH.

War does not wait for the appropriate moment; it is man, in his unbridled madness of possession, the one who decides the instant when humanity's pains will begin.

I remain before you not only to console you, but also to guide you along the good path and to intercede before My Son when, truly repentant, you come to Me to request My intercession.

I WILL NOT ABANDON ANY OF MY CHILDREN. IN THE FACE OF ADVERSITY, YOU WILL FIND IN ME THE MOTHER THAT LOVES YOU.

Children, do not forget that My Son is in each of those who are His, and He loves His People, so He sends His Angel of Love to guard the way of His People when they are in the crucible and persecuted. Have Faith; do not get discouraged.

Pray, My children, for My Son's Church.

Pray, My children, for Costa Rica; it will suffer.

Pray, My children, for Hungary; it will be flogged.

Pray, My children, great sacrileges will be committed.

Man's destiny is Eternal Glory; the devil's ambition is to steal souls to make them part of his legions and lead them to pounce on My Son's true children.

**CHILDREN, DO NOT LET THE GUARD DOWN; REMAIN ALERT; PRAY MEDITATING THE UNION WITH THE DIVINITY; AND DO NOT FORGET THAT I AM THE MORNING STAR TO GUIDE MY CHILDREN,
AND DARKNESS WILL NEVER BE ABLE TO DULL MY LIGHT.**

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

The Divine Presence in all things created is not a human invention; Christ lives present in each one of His children. As our Mother tells us, we do not need more than ears, a heart, eyes, a mouth, to proceed with Faith and ask for Divine Help.

This instant turns heavier; the air density—contaminated not only physically but also with man's wickedness—and man's acts and works that strongly attack the same man, lead man not to know how to cope with these attacks.

Brothers, let us lift up our hearts with longing, desire and a burning love for the Holy Trinity. Do not allow ignorance to take away the path that can lead man towards Eternal Life. Keep in mind that we must look at our Eternal Father "with fear and trembling" as cited in the Holy Scripture (Philippians 2:12), because we walk with the purpose of not failing Him.

We know we are in instants of effervescent iniquity; man, with his eternal craving to rule over his brothers, commits what hurts Christ the most and that is the crime of man against man himself.

Disputes, the immoderate use of Creation, have achieved disorder before God Who is Order. This keeps Earth in constant movement, about which our Mother speaks, and man—who perceives and is affected by everything on Earth and outside Earth—remains bewildered and confused, but this suspense must not immobilize man; instead, man should be alert and approach Him that is the only One to save His children.

Brothers, let's get to know Christ; let's approach Him, He is not far, He is here, in each man, waiting to be allowed inside to merge with the human creature and thus live in him eternally.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
APRIL 2, 2016**

My beloved People,

My Sacred Heart calls you to delve in It taking for you goodness, gifts, and virtues that you need at this instant to combat the inclination towards evil.

My beloved, it is crucial that you do not take lightly My Words given the ease with which humankind has been led to take everything concerning My House.

YOU WILL ONLY FIND GOOD BY HEADING TOWARDS ME; ANYTHING ELSE WILL SEPARATE YOU FROM ME.

I DO NOT LOVE SIN, I CENSURE IT, I JUDGE IT IF YOU DO NOT REPENT, AND I SUFFER FOR IT. SIN IS NOT A PART OF ME; IT IS ALL THAT MY FATHER LEFT IN THE COMMANDMENTS. HE WHO DOES NOT LOVE ME AND DOES NOT OBEY THE LAW AND DOES NOT REPENT IS WITH EVIL.

Mankind has disguised evil in a thousand forms, under false stereotypes and false ideologies, under false alliances and black desires to seek the common good. My children, confused by the worldliness that affects My Church, fall into debauchery—work of satan to lead My children to quicksand and catch them in the desire to be part of modern behavior.

Is it not current to love God above all else and love your neighbor as yourself?
Or is this Commandment neither coincident with this generation nor valid for My children of this instant?

Beloved children, My People, you feel so elevated in all the sciences, you enjoy great advancements in every aspect, and yet you have not discovered that evil is using all this that I mention to you in order to lead you to be, each instant, more worldly and more accepting of any existent ideology and wickedness. Satan has found fertile ground in this generation—ground that has been fertilized with the truth of My Word and the necessary severity, given the Great Purification you are already living and refuse to accept—with the purpose of placing masks of goodness on that which My House does not accept as good, seeing as satan's own head and his tentacles have already pounced relentlessly and without reservation on My People.

You do not know what it is like to face evil when it hides behind alleged good intentions, works, acts, or obedience. Uncovering evil is not easy for My People because they do not know My Word and they have relegated Me to the endless part of life [or the back of beyond] so that I will not cause any discomfort.

I WILL CONTINUE TO UNCOVER EVIL, ENCYSTED IN MY CHURCH, SO THAT MY PEOPLE, MY MYSTICAL BODY, WILL KNOW TRUE SANCTITY TO WHICH I HAVE CALLED THEM IN EVERY INSTANT.

THEY OFFEND ME WHEN THEY INTRODUCE SATANISM, DISGUISED AS ATTRACTIVE MUSIC, IN MY TEMPLES, ON THE ALTARS BUILT TO CONSECRATE BREAD AND WINE, AND FOR ME TO OFFER MYSELF OUT OF LOVE FOR MY PEOPLE; DURING MY OWN TRANSUBSTANTIATION, MY ALTARS ARE PROFANED, WITH PERMISSION OF THOSE WHO REPRESENT ME ON EARTH. OH... ATROCIOUS PAIN THAT SHREDS MY HEART AND CROWNS ME AGAIN!... WHERE IS THE HIERARCHY THAT REPRESENTS ME?... WHERE IS THE AUTHORITY OF THIS CHRIST IN HIS OWN HOUSE, WHEN STRIDENT MUSIC WITH OBSCENE WORDS IS WELCOME IN MY TEMPLES IN ORDER TO CALL MY CHURCH MODERN? MY CHURCH WHICH HAS NO BEGINNING AND NO END!

My People, what would become of you if I were to keep away completely from you My Word which I explain at this instant?

**I AM A GOD OF LOVE, OF PEACE, OF JOY, OF HAPPINESS;
I AM NOT A GOD OF SHOW OR SPECTACLE.
THAT IS SATAN, NOT ME.**

I explain My Word to you that My People understand the instant in which they live and its seriousness; yet I am ignored and rejected. You forget that I see all that happens in the life of each one of you, and before humankind, I will call blasphemous he who loses My Sheep and leads them to another pasture poisoned with hatred, indifference, arrogance, immorality, lack of justice, obstruction to My Truth, and the persecution of My Prophets whom I have sent to rescue souls, souls that have been alerted in advance by My Mother in all Her Apparitions so that beforehand they will have the opportunity to discern between good and evil.

My beloved People, you have lost the ability to discern; you make decisions lightly, dragged by the surf that is stronger than the faith you claim to have, given the force with which evil is embraced by My People because of your ignorance of My Truth. For this reason you will embrace the enemy of My People as if he were Me, and you will give him the honor that the creatures owe to Me, thus causing the bloodiest persecution of My faithful and My Mother's children, of those who are firm and convinced, of those who wish to achieve sanctity.

Children, so much hiding of the Revelations—which My Mother has bequeathed to humankind so that they be prepared—has caused the SMOKE FROM HELL to reach My Church, where freemasonry has been surpassed by satanism.

**MAN GIVES GREAT PAIN TO THIS HIS GOD, TO MY ANGELS WHO CRY
BECAUSE YOU SCORN ME AND MY MOTHER!**

Evil is hard-working and tenacious, he slowly lunges against those who are Mine with great dissimulation, taking the place of goodness, but without complying with My Law; therefore, My People must get to know Me so they fully recognize Me, not with a slight varnish.

I am Love and Mercy, I forgive those who come to Me repentant and with firm purpose of amendment, and, at the same time, I am Just Judge before whom not a single sinner gets by without properly repenting of the evil committed.

This instant is crucial for My children, definitive, regarding their fusion **WITH ME**, so that, using their free will, they will accept Me as their God and Savior. I treat My children very carefully; I know well that, if I call them "My favorite" before their brothers, their lack of humility will enter and take over My place. Therefore to him, who is more fulfilling to Me, I leave as the last of My servants, and I do not praise him before his brothers.

All men travel in life; they will receive the final prize before Our Holy Trinity. **IF THEY DO NOT KNOW ABOUT MAN'S FIDELITY TO MAN BECAUSE THEY ARE NOT FAITHFUL TO ME WHO AM THEIR GOD, WHAT GOOD ARE HONORS BEFORE MEN? "GIVE TO CAESAR THE THINGS THAT ARE CAESAR'S, AND TO GOD THE THINGS THAT ARE GOD'S."** (Luke 20:25)

I do not want to be offered sacrifices that will not be fulfilled; I do not want dying children because of prolonged fasting if the mind has led the heart to stay away from Me. I do not want empty prayers or long discourses with no content and without teachings for My People.

My beloved People,

Earth has changed its constant movement, and this causes the great tectonic plates around the Globe to shift. Creation trembles with force because of man's sins.

Pray, My children, pray for Indonesia; it will be shaken.

Pray, My children, pray for the United States; man will flog it and Nature will purify it.

Pray, children, for Rusia, pray; it will bring pain to My children.

Pray, children, pray for Chile and Brazil; man and Nature will speak to them strongly.

My beloved People,

Humanity's god will stop being a god before the astonished gaze of My children; they will panic and become insecure because they have not trusted their security to Me.

The universal coin arrives promptly together with the governments that will implant the microchip in their populations. Because of this My children suffer. You must not forget that I provide food to the birds; likewise, foodstuffs will reach My People by My same Hand.

Children, man has entered the route of offenses and provocations. Soon they will no longer be offenses and provocations, and humankind in general will know about the gall that man himself can bring in his own hands and to his own brothers.

As the apple of My Eye, I will not leave you; in each Eucharist I will clothe you with Faith, in each prayer My Mother will give you the consolation of Her Love, and your Travel Companions will help you when protection from My House is needed.

You, My beloved People, you who convert, you who leave the mundane, you who make the decision to belong to Me more than to the world, you who tirelessly seek to be more of My House and a better child, you who despise Me and ignore My calls, you who do not believe, you who have been filled with hatred, you who do not accept Me and despise My Mother, you ... you who read this My Word,

I, YOUR GOD, BLESS YOU AND OFFER YOU MY MERCY.

Your Jesus

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

The Divine Omnipotence is not exclusive, but inclusively just.

Christ tells us: We cannot demand a God without justice. What would become of His People if they were to receive permission to act at will, overlooking The Commandments and calling moral what is immoral, denying evil and despising good?

Within Creation, the great Divine Wisdom provided everything with an order so that all things created would act for good. What would become of man if God—God the Creator, God the Love, God the Truth, Omniscient God, God of Heaven, God of Earth, God of Mercy, God of Justice, among great and infinite attributes of God—were to cease one of His attributes and not allow man to opt for the use of free will?

We would be puppets without freedom. In this Message we are called to stop and look inside of us, look at the way we use the Gift of free will and the Gift of Life, because it is easy to blame God for what happens in the world and in the lives of each of us, but... our actions, what would they produce? Could it be the Divine Chastisement that time and again pounces over man? Or could it be the forgetting about God that man suffers?

Divine Wisdom is not the one that forgives everything, when man—fully aware of himself—does not wish to establish Peace between him and God; man acts and God, longing for His children, goes immediately to meet him.

God does not impose Himself on man so that men will not seek Him out of a sense of duty but out of love, because of the faith that springs freely from the heart, from the mind, from the reasoning of man.

Christ calls us to take seriously being Christians, to truly own the idea of being Christians and to take seriously the knowledge that we must have; it's not only knowing The Commandments by heart, but also delving into each one, from where it follows what God wants of us and for us.

Brothers, we are not living an instant, it is the instant of instants when, by Divine Mercy, we can discern to see evil where it lies in hiding, and to get ready to find this Divine Mercy and, at the same time, to be prepared so that God's Hand with His Justice will not be attracted by our own evil acts and works.

Let's delve into the Divine Love that offers us Eternal Life as it calls us to look at ourselves with the good we have done and the evil we have committed.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
5 APRIL 2016**

Beloved children of My Immaculate Heart,

I LOVE YOU AND I CALL ALL OF YOU TO REMAIN IN MY MATERNAL IMMACULATE HEART.

My beloved children,

**MY SON'S MERCY IS NEVER EXHAUSTED, IT HAS NO END; HOWEVER, YOU MUST REPENT OF THE
OFFENSES COMMITTED AND YOU MUST ALSO MAKE A FIRM DECISION NOT TO OFFEND HIM
AGAIN.**

Since Divine Mercy is a sign of the Father's infinite Love for human creatures, you must rush to It and embrace this very great Blessing, before the lamp oil runs out.

Man refuses to take into account the Holy Divine Justice, and hangs onto a God of Mercy that forgives everything—even the most dreadful sin—without the need for human repentance; and this, children, is not true.
