IT IS NECESSARY THAT YOU BELIEVE, THAT YOU INCREASE YOUR FAITH; and this does not come about if the human creature does not know My Son...

Mercy comes to meet man and, at the same time, Divine Justice waits for its due instant, which is this one, the one facing mankind, and which is closer every instant, producing chaos, devastation, rage, revenge, lust, immorality, ...

Beloved children, do not think that a nuclear confrontation is a matter of science fiction; provocation leads humanity to suffer, man's new inventions for military purposes are a scourge for man, and man will suffer firsthand, in his own flesh, the effects of it.

Beloved children of My Immaculate Heart, at his instant, Divine Love does not prevail; instead, total individualism does, because of man's lack of control of himself.

Children of My Immaculate Heart,

THIS GENERATION HAS HAD A TECHNOLOGICAL REVOLUTION, AND TECHNOLOGY OWNS MY CHILDREN, IT HAS IMPRISONED THEM IN ITS CLAWS, it has annulled man's reception capacity, and therefore, man's faculty of memory has started to vegetate: It no longer produces, it obeys a series of commands having seemingly religious intentions, with which the large advertising companies lead man to serve science and to despise My Divine Son.

Children, you have not noticed that you have been subjected to a study with the purpose of defeating and dividing you, for most of you to walk carrying perverse desires and so be irrational and pagans.

Man's instinct has invaded several of the so called religious leaders to make them behave as pagans, to make them blaspheme about what they do not know in the midst of a boundless idolatry of the good life and money.

Poor children, those who before money fall to their knees! When the economy falls irrecoverably all over the world, it will be like a game of dominoes in which money will be hurled down with no chance of stopping it (1). My children, you will look in amazement how too many of your brothers will fall prey to the sickness of lack of economic power, and the devil, taking advantage of that instant, will offer you comfort in exchange for your souls. It will be when the evil legions take the bodies of those of My children who sell themselves for money by persecuting those who were their brothers before. **PRAY WITH FAITH BEFORE THIS PROPHECY IS FULFILLED.**

Children, delve into the knowledge of the Holy Scripture so you will not offend My Son by following false christes that move around the world.

My children, do not follow false teachers who confuse you with ideologies that are not in the Scripture. Do not forget that My Son's Kingdom is forever and for all generations.

At this instant, false teachers move around, who call themselves christ, to lead you to another reality that is not My Son's, grafting in their followers a cult to those teachers that are seen as small gods. Do not get lost, children, do not get lost in those hidden claws of the enemy of the souls.

Evil flies around Earth like wind, in the same way, you breathe wickedness. Only those who know My Son and His Word find the way to get away from evil. Those who do not know Him are trapped in nets of heresies that do not seem to be what they are.

Evil runs in its lawless and unbridled desire to cause as soon as possible the persecution of My children and of innocence at the global level. Voluntary abortions are seen as a defense of woman who is losing the sense of motherhood and responsibility. In most countries this practice is accepted; since man despises the Gift of Life, what awaits man for his destiny?

MY CHILDREN HAVE BEEN SEVERELY INFECTED WITH ALL THAT IS WORLDLY; THEY DO NOT WANT TO LISTEN TO MY SON OR TO ME, AND THEY GO TO THE ABYSS LIKE SHEEP TO THE PRECIPICE, EXPERIENCING PAIN LIKE NEVER BEFORE.

This instant of great spiritual battle is not perceived as such by those who are not fighting for the salvation of the soul; for this reason, My children are called crazy and are persecuted. They have been blinded and do not see how war advances towards humanity... Where do they find total peace?

Beloved children of My Immaculate Heart,

The Middle East will be a source of great confusion; therefore Nations who wore linen will wear rags given the usurpation to which they will be subjected by their invaders.

Pray, My children, pray for Argentina; the rebellion will be stealthy at the awakening of the day.

Pray, My children, for Europe; it will be harshly lacerated by invaders. Pray, children.

Pray, My children, the volcanoes continue to erupt with force all around Earth.

Pray, My children, the United States will be cause for news at the loss of citizens from terrorism

Earth continues to tremble strongly given the power that the sun exerts on Earth; from the center of the Earth, it moves abnormally.

The minds—agitated and confused—hurl themselves on their brothers; agitation leads to rage, and man will be an animal without being one.

**CHILDREN OF MY IMMACULATE HEART, CONSECRATE DAILY TO
MY SON, PRAY TO SAINT MICHAEL ARCHANGEL, BUT, ABOVE ALL,
COMPLY WITH DIVINE WILL. GOD’S LAW IS AND FOREVER WILL BE
THE WORD YOU MUST KNOW AND OBEY.**

**Each of you consecrate yourself to My Heart; pray for what was not fulfilled regarding My
Request about Russia.**

My children, I bless you. To those who read and carry in their hearts this My Word explained in this Call, I bless you and I protect you with My Mantle.

I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT’S COMMENTS

Brothers/Sisters,

We have seen how the union of several Nations leads us to think about Daniel’s Prophecy (Daniel 7:7-8). The rapid approach of several major global Nations is related with what Daniel describes. It is the strategy with which they handle the presentation of the antichrist, of the single world government, of the single coin, of the single religion...

Man has not understood that all his works and acts are totally related with all that happens on Earth; the mud of sin that mankind unloads onto Earth is such that Earth trembles. We will soon see in awe strong earthquakes of great intensity in several countries.

The weather is not only the result of a phenomenon that affects it and changes it; for several years we have seen how the weather on Earth has changed, and it will continue to change until it will be completely different from what man is accustomed.

As our Mother explains, the spiritual battle is truly perceived given the diversity of sins that are exposed to the light every day as if they were normal.

Brothers, the fear of offending God has been lost, and we know that this causes what we are seeing: The death of Christians, offenses to God, and the exultation of the devil.

DURING THE ECSTASY OF THE MESSAGE, CHRIST TOLD ME HE IS “SORRY THAT HE HAD MADE HUMANKIND ON THE EARTH”... (Genesis 6:6)

With these words of Christ, deeply saddened, it is our duty to be better every day, to ask for strength so as not to decline, and to continue all united, being Christocentric and loving our Most Holy Mother; and, as She has requested, it is our duty to consecrate ourselves to repair for what She asked and did not happen.

Brothers, let us go on walking because God does not abandon His own. We will always have protection from Heaven and we know that our Travel Companions remain attentive at our side.

Amen.

Notes:

1-Genesis 6:5-8

“5 The Lord saw that the wickedness of humankind was great in the earth, and that every inclination of the thoughts of their hearts was only evil continually. 6 And the Lord was sorry that he had made humankind on the earth, and it grieved him to his heart. 7 So the Lord said, “I will blot out from the earth the human beings I have created—people together with animals and creeping things and birds of the air, for I am sorry that I have made them.” 8 But Noah found favor in the sight of the Lord.”

2-The Bible used is the New Revised Standard Version Catholic Edition

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
9 APRIL 2016**

Beloved children of My Immaculate Heart,

My Son gave up Himself for the Salvation of the human race, as each one of His children is the hidden treasure.

As Mother of all Humankind, I love them without reservations, even if they do not love Me the way I love them... and I will go where My children in a state of Grace call Me, or where they look for Me with firm desire to amend their lives.

Beloved children,

YOU MUST REMAIN ALERT TO THE ATTACKS OF EVIL; AND FOR THIS YOU MUST KNOW WHAT IS GOOD AND RECOGNIZE WHAT IS EVIL SO THAT WITH CERTAINTY YOU CAN DISTINGUISH GOOD FROM EVIL AND NOT MAKE MISTAKES OR FALL INTO CONTRADICTIONS.

Ask the Holy Spirit for discernment so that you will not fall into the mud from which you cannot come out. You must know that sin is sin, and there is only one step between venial and mortal sin. For this reason you must not be satisfied when the only sins you commit are venial; these become a habit that ends up clouding your way and without thinking you'll be in serious sin.

Children, it is every Christian's duty to respond with excellence, not only using the heart—because the heart does not think—but also using the mind, the thinking, and the reason, in the daily, constant friction to which man's acts and works are exposed, instant to instant, as if man were constantly riddled with darts from evil to separate him from the Faith.

Beloved children, Faith must not remain inert, Truth is not inert, the life testimony of Christians must not be an inert testimony; otherwise, if they were inert, what testimony would they give of My Son? **CONSTANTLY LIVE THE TRUTH OF THE DIVINE WORD PUTTING IT INTO PRACTICE INSTANT TO INSTANT.** As My Son is palpitating, you must be responsible and be certain in the Faith because Christianity is not a theory, it is life, and life in abundance.

Insensitive creatures with cold minds occupy themselves thinking about how to criticize, to destroy, to kill, about slandering and lying, about offending and denying... Children of My Immaculate Heart, you are Love and, as the Love of My Heart, you know the path along which My Son was taken to the Cross. You know this; and yet you are dedicated to fighting to be more of Heaven and less of the world.

BELOVED, BY YOUR OWN FREE WILL, YOU MUST FIGHT TO BE MORE VIRTUOUS, and for this you need a Grace from God, not because the human will cannot perform acts or works by itself, but because without God the acts and works are more for the creature, they tend to what is human, they are not more of God and they will not tend to God in the same way.

CHILDREN, IT IS YOUR DUTY TO DELVE INTO KNOWLEDGE SO YOUR WILL SHALL MAKE THE RIGHT DECISIONS without being carried away by all that arrives from everywhere with no foundation whatsoever.

You know that My Son knows how much of the path you will travel, where you will travel, and how you will travel, and even then He continues to love you. My Son knows all you need; He knows all you desire that is human will, and all that you need that is Divine Will.

YOU MUST CONTINUE PRAYING; NOT ONLY PRAYERS WITH WORDS, BUT ALSO PRAYER TO HELP YOUR FELLOW MAN, PRAYER OF SURRENDER, PRAYER OF DETERMINATION, PRAYER ALONE WITH GOD SO THAT YOU MAY LISTEN TO THE DIVINE VOICE.

Children, God is great and infinitely Good and Merciful, but He does not give Heaven away for free, you must earn it with acts and works in agreement with the Teachings of Christ and the Law of the Father.

Beloved children of My Immaculate Heart, in view of the Good News of the Second Coming of My Son, He wants to find a People worthy and prepared, not a hesitant People, but a People with Wisdom and who are confident. This is why He continues to send His Word to prepare you.

Beloved children, you sense so many events that you well know, and those that are soon to arrive have hastened... You are waiting for events in order to measure the nearness of the fulfillment of My Revelations. You are so wrong! Human calculations will never surpass the Divine instant. You forget that all you are expecting can happen in one single instant if that is Divine Will. That is the Truth which only God owns.

Beloved, you must be honest with yourselves and commit to be better every instant, so that My Son will receive from His People Love, Sincerity, Peace, and repentance that all creatures should give Him.

Events recrudescence; man will be more savage and will penetrate into unthinkable and impenetrable fields with evil's help. As the instant approaches, evil's actions get more violent.

Man reasons according to what he sees; he forgets that the truth of the big picture is hidden from most at this instant.

MY CHILDREN, DO NOT EXPECT A BIG CHANGE ON THE PART OF HUMANKIND; THEY LIVE IMMERSSED IN INDIFFERENCE TOWARDS ALL MATTERS OF MY SON'S HOUSE, LOOKING FOR ALTERNATIVES THAT WILL GIVE THEM MORE FREEDOM WITHOUT HAVING TO MAKE ANY COMMITMENTS, EVEN THOUGH THIS COMPROMISES THE SOUL AND LEADS IT TO BE LOST, BECAUSE THE TEACHINGS GIVEN BY MY SON'S CHURCH REGARDING THE VALUE OF THE SALVATION OF THE SOUL HAVE BEEN VERY SCANTY, POOR, AND ALMOST NULL, offering innovations to the believers who at this instant want what is easy, what is convenient for the world, what implies easiness and minimum effort regarding the search for the Merciful God that forgives everything and gives freedom—the one man wants—even if it goes against the written Word in the Holy Scripture.

The hearts of some of your brothers are contaminated, and reason believed the idea that justice must be taken by their own hand. This has led them to commit the most serious sins: Rage, which blinds man so that he will make great mistakes and fall without being able to get up again. This is one of many frontal attacks from the devil that you face without being aware of it.

Children, evil knows how to buy you, how to defeat you and compromise you so you cannot dig yourselves out of his circle, which is controlled by the uncontrolled desire of those who lead Humankind to the great catastrophe.

Evil is continuously nourished even by those who call themselves My children, and rage keeps them imprisoned...

Evil is nourished and easily infiltrates every human creature...

Children, the human organism will be altered by the great emanations coming from the sun. These will cause alterations in man's psyche, in his nervous system, increasing the stress in which humanity lives, and altering at the same time the behavior of Nature. Earth's weather will never be the same.

EVIL APPROACHES WEARING LAMB'S CLOTHING. I HAVE TOLD YOU ABOUT THIS; HOWEVER, IF YOU DO NOT KNOW WHAT EVIL IS,

HOW WILL YOU UNCOVER IT?

Beloved children, evil spreads and the plague of hatred advances with it.

Desperately it has been imposed the eradication of purity, of goodness, of fraternity, of understanding; for this reason you must know how to reject those instants when the devil arrives to cause discord.

My children, protect the children with My Son's Love, pray to their Travel Companions for their angels to protect them from evil; suckling children are the fury of satan who wants an Earth without children.

Pray, My children, pray for Canada; it will suffer because of man's egotism through terrorism, and Nature will flog it.

Pray, My children, for Argentina; they have neglected My Son's Teachings and they have separated Me from their lives; the devil lashes man's mind; I have knocked on the door but I was not answered. Argentina will suffer.

Pray, My children, for France; it will be flogged by those who live with hatred and thirst for vengeance. What is unexpected comes to France in broad daylight.

Pray, My children, for My Son's Church; it will suffer unexpectedly. Attention will focus on Her.

Beloved children of My Immaculate Heart, Spain will suffer in its territory without having it taken away; it has given it without giving it, and its People will be foreigners in their own land.

CHILDREN, DO NOT FORGET THAT YOU MUST PRAY IN AWARENESS OF PRAYER BEING THE COMMUNICATION OF MAN WITH MY SON. Do not pray repetitively; pray, meditate, and wait for the one My Son will send at the precise instant to help you in your pain and confusion, the confusion that will arrive from the four cardinal points and never seen before.

Be astute, do not fall in the traps of evil; be a blessing for your fellow human beings, take light wherever you go, do not allow your homes to be destroyed by the influence of the devils that nest on Earth and take pleasure destroying families.

You are children of the Most High; you will be helped by myriads of Angels if you trust the Power of Divine Will and if you act and work in love, God will be with you: To those who are sad or suffer physically, He will give shelter; to those who suffer, He will give relief; to those who are troubled, He will give peace. None of you is alone; My Son is in each of His children.

**LOOK ON HIGH, CHILDREN, LOOK ON HIGH.
DRINK FROM THE FOUNTAIN OF LIVING WATER. (Ref: John 4:11-14)**

I bless you, I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

These are difficult times that have led us to this instant just prior to the full development of what will be lament for humanity.

We have God's Law in the Holy Scripture so that all of us be aware of It and attain the necessary Knowledge and Wisdom to know what belongs to God and what does not belong to God.

We need to grow as Christians and know that Divine Mercy is not shelter for sin. Men have confused Mercy—which is forgiveness in the presence of repentance—with Mercy that forgives any sin—even without repentance. Divine Mercy is sublime, so much so that it requires from the creature nothing but determination [to be better] and recognition [of Its magnanimity].

Our Mother calls us to pray meditating. In most cases, praying means to recite some words without thinking or meditating about what is said. Our Mother asks us to pray with the heart, whispering to God, straight from the heart, how much we love Him and how much we need Him.

God in His Will is the most pure Love, but at the same time He is Just Judge, and this cannot be denied.

Amen.

The Bible used is the New Revised Standard Version Catholic Edition

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
APRIL 14 2016**

My beloved People,

My Mercy comes looking for you so that you will not be lost leaving aside My Word and the explanation of it.

At this instant, it is essential that I instruct you, reminding you of the Truth, so that you will not deny what is undeniable. I do not want you to be lost believing that the devil does not exist and, because of this, plunging yourselves into sin and taking My Mercy for granted.

**HELL IS ETERNAL...
THE CHOICE OF HELL IS PARTICULAR, PERSONAL; EACH ONE WILL HAVE WHAT HE HAS ASKED.**

The sinner does not find himself before eternal fire just because; the reason is that during his life he rejected repentance and despised My Mercy.

THE EUCHARIST IS THE LIFE AND THE CENTER OF MY CHURCH: I giving Myself up in My Body, Soul, and Divinity, so that all of My children look for Me and obtain nourishment from Me being properly prepared. Respect shown to My Body and My Blood on the part of My Priests will be cause for persecution; the worldly man does not respect My Divine Presence.

My Love is Mercy for each one of My children. My Love is not blind; it is infinitely Merciful; this is why I constantly grant you opportunities so that, after a due remorse for each committed fault, you make and keep the proper correction for every sin. The man who has fallen into sin is free to amend his fault and return to be, before Me, undefiled. Not so those who do not repent or do not firmly believe, despising Our Divine Law.

My beloved People,

THE REALITY OF THE PLACE OF FIRE IS INDISPUTABLE, AS IS HEAVEN FOR THOSE WHO SET ASIDE THE HUMAN EGO AND GIVE IT UP SO THAT I WILL BE ALL IN THEM.

Children, My Mercy does not destroy My Justice; on the contrary, My Mercy reaches its plenitude when it appeases My Judgment...

**CHILDREN, SAVE YOUR SOUL!
DO NOT LOSE YOUR SOUL WITH FAKE ANALOGIES THAT THE MODERNISTS WANT TO IMPLANT IN YOU.**

My beloved People, My Love and My Justice are a mystery to humankind, so much so that there are too many individuals who at this instant evoke Me to tell My People what are not My Truths.

You well know that the signals abound, but man does not see them because he does not believe and does not wait. The wickedness in which he lives makes the impious refuse to see the Signs that I allow.

My beloved People, you will suffer because of the irreversible scarcity of natural resources; you will suffer all over Earth because the entire economy will stop due to the plan devised long, long ago by the groups that antecede the antichrist.

You will be confused by those who call themselves "christ" and My Church will be lost ... and the Schism will come to be.

For man, having money is what keeps him attached to the world and gives him status. Children, lists will be made in parishes with the names of My faithful to persecute them and to deliver them to freemasonry and, in turn, to the allies of the antichrist who will subject them to merciless tortures with the purpose of having them renounce their Faith.

MY CHILDREN WILL BE HUNTED TO IMPLANT IN THEM THE MICROCHIP AS I ANNOUNCED TO YOU SEVERAL YEARS AGO.

A large part of humankind has lost the fear of Me; they will lament the atrocities against My children. Man has surpassed the devil; there is no finding who can stop the appetite of the human will filled with desire for violence.

Those who have given themselves to the devil, at this instant, are thirsty for blood, sign of life.

Beloved, weakened in its entrails, Earth opens up; faults that reach the surface of the Earth vibrate causing strong earthquakes whose waves affect extreme points of Earth.

Pray, beloved children; keep in mind that the geography of Earth will change.

Pray for Indonesia; it will suffer the ferocity of Nature.

Pray, My children, pray for Japan; it attracts towards itself the shaking of the land.

Pray, My children, for Bolivia; it will be flogged; its inhabitants will suffer.

My beloved People,

The aurora borealis will be seen all over the Earth; these effects will be signs for men of change in the Earth's axis and the movement of the Earth's axis.

My beloved People, social agitation is unchecked by man; the lack of control together with the nullity of values and the scarcity of foodstuffs lead several countries to desperation.

Some eagerly wait for the fulfillment of My Mother's revelations in Fatima in order to undermine what She truly asked of My Church.

I LOVE AND WAIT, WAIT AND LOVE.

My People, not only Earth has hastened its changes; My children have separated from Me, embracing what gives them greater comfort, leaving aside the principles of Our Divine Law, and hauling their own misfortune.

My beloved People,

YOU MUST CONTINUE TO PRAY; PRAYER FROM THE HEART REACHES OUR TRIUNE THRONE, AND WE ARE NOT INDIFFERENT TO EARTH...

Pray being fully aware that each word is a coming together with Our Trinity and with our Most Holy Mother.

Request protection from your Travel Companions and the intercession of the Saints.

Pray from the heart, reasoning each word so that you will meditate in depth each word instead of repeating it senselessly.

At this instant, man needs to expand his knowledge of Me so that he does not limit My power in him. I give Myself to you as much as you allow Me.

I flood you with the greatness and power of My Love so that wisdom will not be attached to Earth but elevated by My Holy Spirit.

**YOU MUST BE SPIRITUALLY WISE SO YOU WILL DISCERN AND NOT BE FOOLED BY EVIL.
LOVE MY MOTHER. SHE IS THE PROTECTION AND SHELTER
FOR EACH ONE OF THOSE WHO ARE MINE.**

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

After receiving this Divine Word, we are called to meditate on the need to be aware, at the personal level and as part of humankind.

The Love that only comes from the Holy Trinity is the only one that does not tire of calling us, one way or another, as part of the same Love that creates us.

There does not exist neither will there exist a Love for us greater than that of God the Father, the Son, and the Holy Spirit, and that of our Most Holy Mother who embraced us on Her Son's same Cross.

This "pray from the heart" must remain with us as the Divine Command to which we cannot say no...

This "Pray from the heart, reasoning each word so that you will meditate in depth each word" must motivate us to know that there is no spirituality without prayer, that without the contact of the human you with the Divine You there cannot be spirituality, because in order to remain close and reach the great things that are reserved for God's children, the children must go to meet God, they must go to look for God. We come to God joining Him, praying and putting into practice our prayers in our brothers in the whole world; but the truth is that we must pray the way He asks, from the heart and the conscience, and for this we must know Him.

These are instants when evil moves with great stealth. If we ask the Holy Spirit for guidance, we can discern, but...How can someone who does not pray discern? How can someone who does not know God, who does not venture to become intimate with Him heart to Heart discern?...

**THE DISCIPLES—SOME MORE THAN OTHERS—SCRUTINIZED CHRIST'S TEACHINGS, BUT CHRIST
TALKED TO ALL OF THEM THE SAME.**

**LET US BE OF THOSE WHO NEVER TIRE OF BEING NEXT TO CHRIST, LEARNING FROM HIM.
LET US BE SPIRITUAL AND MATURE CHRISTIANS.**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
APRIL 17 2016**

My beloved People,

I KEEP YOU IN THE PALM OF MY HANDS... as the ears of grain grow up taking the color of the sun, so you, My children, must look towards My House and reflect in the depths of the heart: How close are you to Me?

When the wind shifts suddenly and untimely...

When the seasons do not continue within normality...

When the fruits and foods cause harm to the human body...

When contaminated water infects man with great diseases...

When man no longer looks his brother in the eye...

When man and woman do not look at each other and look at another of the same sex...

When small children have lost their innocence...

When Earth has aged because of man's ill will...

When science has been taken by those who do not have a conscience but, in their eagerness to serve evil, leave aside Eternal Life and forbid My children to declare Me as their Lord and their God...

THE IMPOSTOR WILL BE AT THE DOOR OF HUMANKIND. IN YOUTH HE BEGAN HIS SILENT ATTACK AGAINST ME AND AGAINST ALL WHO DECLARE BEING FAITHFUL TO ME.

My Mystical Body will suffer the unspeakable. The closer it is to humankind the unveiling of the impostor, the antichrist, the greater will be the persecution of My faithful children.

My Prophets will be mocked, especially you, My daughter. Do not stop! Continue! I will not let you go from My Hand.

Earth will be contaminated by man who, tossing deadly weapons, will cover the clouds with fire and, before the horror of My children, the sky will be seen burning, and they will see the resistance of the non-believers that will make fun of this event until, immersed in the pain of their own bodies, they will lament, blaming Me for the lethal effect of the weapons on their bodies.

AT THIS INSTANT, NATURAL CATASTROPHES WILL INCREASE, ANNOUNCING THAT THE PATH MAN MUST FOLLOW IS QUITE ANOTHER, DIFFERENT FROM THE ONE HE IS ON NOW.

Time is no longer time... I am the Eternal Present! Man has given names to the months, dates to the years, and names to the days of the week. **I GIVE HUMANKIND MY REVELATION AND THEY MAKE FUN OF ME...**

MY MOTHER GIVES YOU HER WORD AND YOU DO NOT LOVE HER... THE GREAT APOSTASY IS NEAR; MY PEOPLE WILL BE REDUCED TO SILENCE AND WILL ADORE ME IN HIDING. My Church will lose part of My Favorite children [the priests] due to the apostasy. Then, the enemy of My children will enjoy his entrance into humankind to take over the power of this generation that, having rejected Me, is opening the door to the enemy of souls.

**THESE INSTANTS HAVE THEIR HOURS AND THEIR MONTHS;
DO NOT WAIT LIKE FOOLS WHO DO NOT OBEY MY WORD,
HEED MY CALLS AND MAKE THE DECISION TO CONVERT.**

Difficult instants await you: The water will not stop and the sun will raze several countries; in his desperation, man will knowingly drink contaminated water. To the admiration of man, snowfall will arrive for no reason. My children will find themselves in the sea—which has been harmless—and before their eyes, to their astonishment, the sea will recede making the beach a desert.

Nature will be cause of fear for My children and of rejection for those who will blame Me for such human suffering.

Society finds satisfaction in transient pleasures. Those who live a faith of instants and emotions will mistakenly search My calls, because they do not see that this explanation of My Word antecedes the events.

A ruler will act impulsively and will light the fire, and conflicts will worsen until they become unsustainable. One, two, three: In an instant, what man has constructed will fall in the hands of those he considers his enemies. The Powers have involved small countries providing them with weapons in order to usurp the territories to store strategic weaponry.

The metal god is a sign of power and stability for man; it will fall and succumb and will not rise again. Humankind will accept what is offered to them, they will accept being marked, and in view of a single value, without hesitation they will give themselves to the clutches of the announced enemy of this generation.

I invite you not to let My Words go by. **“I AM WHO I AM”** (Exodus 3:14).

OUT OF LOVE FOR MY CHILDREN I WILL SEND MY ENVOY ANGEL WITH MY PEACE. He will arrive and will shelter those who will adore Me in solitude, he will be Love for those who decide not to deny Me in spite of being persecuted by the antichrist. My Angel will be Voice of those who, subject to persecution, live under the rubble, in the mountains. He will lift the weak so that standing they will wait for My Second Coming. I will give My Envoy legions of Angels for him to help My children.

MY PEOPLE, NATURE INCREASES ITS WEIGHT UPON MAN. DO NOT WAIT TO LOOK FOR ME; COME TO ME QUICKLY. Incandescent fire will come down from on high and will fall on Earth wreaking havoc and destruction.

CONVERT QUICKLY; LOOK FOR ME TENACIOUSLY, TIRELESSLY; LOVE MY MOTHER, AND PRAY SO THAT SHE WILL INTERCEDE IN YOUR FAVOR.

Pray, My children, pray for the United States; it will fall prey to terror, and Nature overwhelms it, the land trembles, the smoke from a volcano alarms humankind.

Pray, My children, pray for Italy; pain comes to its land, man's hand falls on Italy. Nature shakes it.

Pray, My children, from one end to the other Earth moves with force.

Japan, Chile and Greece will suffer.

My People, nuclear energy continues to be the scourge of men.

DO NOT LOSE FAITH. I EXPLAIN WHAT LIES AHEAD SO THAT THE COMING EVENTS WILL NOT FIND YOU ASLEEP.

**WAKE UP FROM YOUR LETHARGY! DO NOT SLEEP! AWAKEN!
TIME IS NO LONGER TIME, AND THE INSTANT HAS STOPPED BEING INSTANT.**

I am with those who look for Me; My Love yearns for them. My Mother, Shelter for My children, fills you with goods in each Rosary you pray.

"I AM WHO I AM." I bless especially those who take this My Word and make it life, and life in abundance.

I Love you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Faced with the magnitude of this Divine Word, my soul emits "My Lord and my God!" (John 20:28)

A large number of brothers know that humankind is close to the most painful instant this generation has ever encountered, instant that is known but not accepted by all, because it does not fit in the minds of some that Christ continues explaining His Word so that His children not be lost any more.

In the previous Message, very clearly Christ warned us of seismic and volcanological activation of the so called Ring of Fire. But His warning goes unnoticed because people do not delve into the Word from Heaven and therefore this blessing with which humankind is alerted goes to waste.

Brothers, in the course of the revelation of the Message, Christ gave me a Vision:

I saw several Angels that were looking at Earth and they had in their hands water, earth, fire, and air, which were released and fell upon the Earth. As they touched the earth, they penetrated into the depths of the Earth and, from there, they left for different parts of the Earth; the air certainly moved at high speed destroying everything in its path.

I saw many people suffering, and when some implored God's help or called our Most Holy Mother, I felt that those pleas were coming from their hearts and they were touched by the Light of Christ and began a new spiritual path. At the same time I saw a great calm that turned into Divine Peace which moved all over the Earth and calm came.

Brothers, man wants increasingly more and more; and, as he anxiously looks to have more, to be more, misused science has come to want to find the Divine Word that gave birth to everything that exists, the Divine "LET THERE BE." And it continues to create a new Babel Tower, the CERN Large Hadron Collider ... Lest with this, man will suffer a new and gratuitous charge.

The Divine Gaze remains on us. Our Most Holy Mother calls us to return to Her Son; let us not dismiss Eternal Salvation.

Amen.

[At CERN, the European Organization for Nuclear Research, physicists and engineers are probing the fundamental structure of the universe. < <http://home.cern/about>>

CERN has built the world's largest and most powerful particle accelerator, the Large Hadron Collider. The LHC is the largest machine in the world. It took thousands of scientists, engineers and technicians decades to plan and build, and it continues to operate at the very boundaries of scientific knowledge. < <http://home.cern/topics/large-hadron-collider>>]

Note: The Bible used is the New Revised Standard Version Catholic Edition

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
23 APRIL 2016**

Beloved children of My Immaculate Heart,

As Mother of all humankind, I love you.

My Heart suffers for each one of you when you do not respond to My Son's Call. Conversion is necessary.

**ALL OF MY SON'S CHILDREN MUST COME THIS VERY INSTANT IN SEARCH OF CONVERSION; YOU
MUST COME OUT TO THE ENCOUNTER AND CONVERT, BECAUSE AT THIS INSTANT MAN
GALLOPS AT FULL SPEED
ON HIS HUMAN EGO FILLED WITH IMPERFECTIONS WHICH HAVE BLOSSOMED AS YEARS PASS.**

Beloved children,

Humankind must immediately stop all acts contrary to goodness. You are incapable of seeing how much you harm yourselves by denying My Son. You have obstinately shut yourselves not to look at your wrongdoings or at the good you do not do. Each one looks at himself from the perspective that is most convenient, leaving aside all that entails irreverence, contempt, disobedience and even more, sacrilege committed against the Divinity.

BELOVED CHILDREN, YOU HAVE NOT BEEN ABLE TO LOOK AT YOURSELVES, TO SEE YOURSELVES WITHOUT MASKS AND WITHOUT FRIVOLITIES, TO SEE HOW MUCH YOU DENY YOURSELVES, HOW MUCH YOU OMIT, AND HOW UNFORTUNATE YOU ARE WHEN YOU SHUT YOURSELVES IN THE IMPOVERISHED HUMAN EGO WHICH IS CONTAMINATED WITH THE MUNDANE, IN ORDER NOT TO SEE YOUR SPIRITUAL REALITY. You have decided not to see the Truth; you have decided to live hypocritically on the side of evil so as not to feel any remorse for the daily wrong works and acts.

Beloved children of My Immaculate Heart,

I see you walking in the world, but more than walking I see you wandering, because he who walks stops at some instant of his life to look at himself, but he who wanders around the world does not stop, he continues madly, wildly, stumbling over and over again and, when he stumbles, he gives himself up in the hands of evil, because he does not want to see his reality so he can go on living in this unreality, in that falsehood, in that darkness that evil presents as something nice to make him feel good, mired in sin.

Beloved children, **ENVY OVER-ABOUNDS AT THIS INSTANT AMONG ALL MY CHILDREN! ENVY, THE GREAT EVIL THAT AFFLICTS HUMANITY!** Because envy blinds and debases man, it makes him attack the innocent, it makes him attack those that My Son has called to be His spokespeople, faithful and truthful; it makes him attack his brothers, because envy makes him think, 'Why not me and why him?' I will give several answers to this, but some will not be pleased; but what you are missing, children, is to speak the Truth.

A large portion of My Favorite children could be instruments of My Son as Prophets, in the sense that you could spread the explanation of My Son's Word revealed directly to you, My Favorite children. My Son has chosen a few souls amid that priestly and religious sea, and the rest He has taken from His People; and He has not given more power to those who lead His Church so that they will stop and think, when they see My Son's instruments, My Son's spokespeople, faithfully raise the Word, which My Son reveals and explains to them, before the entire People, believers and non-believers.

My Son gives His Word according to His Will, not according to rank or to wisdom, not according to studies or to position. In most cases, My Son explains His Word through His People, through His children whom He has culled from His own People, because at this instant not all His Priestly People act according to His Will or to His Law, and this causes envy—in some of His Favorite People and in some human creatures—towards the souls that My Son and I choose, who are then harshly attacked and are called impostors and fake; but this should not be news to My Son's Faithful People because My Son was called 'Beelzebub' and He was mocked when He said He was the Father's Son, and even on the Cross they did not believe Him.

BELOVED CHILDREN, MY SON'S PEOPLE, YOU WILL NOT AWAKEN UNTIL YOU REPENT, AND WHEN THIS HAPPENS, IT WILL BE LATE, not late to win My Son's Mercy, but late to go to your brothers, to

those you have criticized and massacred through the tongue, to those you have offended and have tried to silence, to those you have called absolute liars, apocalyptic; to those instruments of Heaven who tell you the Truth, the Truth you have hidden in the deepest part of your heart and that you do not want to accept.

Again, I repeat, maybe it is late because the conditions of the world may not let you send word to those brothers, one word of apology because you have harmed those that My Son has chosen.

Beloved People of My Son,

The Prophet's life is not easy; he is constantly and wrongly refuted and attacked. However, he lives what others will not, others, "like whitewashed tombs" (Matthew 23:27), dedicate themselves to criticize everything because they consider themselves learned in spirituality, and they almost think of themselves as gods, but these will not enjoy Heaven in advance because he who lives of envy lives disrupted, lives in sorrow, in ambition, lives with his heart filled with arrogance and looking down on his brothers.

He who lives filled with envy falls easy prey to the devil, and acts and works according to satan's acts and works, until some event in his life leads him to open his heart, his mind, and stop his aggressive instincts and return to the true path.

Beloved children of My Immaculate Heart,

AS MOTHER, I HAVE TRIED TO TALK TO YOU AND GUIDE YOU IN ONE WAY OR ANOTHER, TO MENTION THE MISTAKES, THE SINS, THE DEFAMATIONS, AND ALL THAT LEADS YOU TO MUDDY THE SPIRIT.

BUT YOU DO NOT HEED MY RECOMMENDATIONS! What can I expect as Mother if you do not obey My Son and you despise Him? I must tell you that you are in a most delicate instant for all of humankind; you are at the edge of the precipice of the great events, you are at the edge of the cliff: Just one minimal movement is enough for Humankind to fall.

It is unfortunate and extremely painful for a Mother, having to issue these words to Her children, but My Voice will not be silenced just because a few want it... If My Son is thirsty for souls, as Mother, I am willing to go on to the last instant calling you, because if one single soul looks at Me and returns to My Son, I will give My Son the greatest happiness...

My beloved,

WHAT HAPPENS, WHAT HAPPENS WHEN A MAN APPROACHES A PLANT THAT HAS ITS LEAVES AND TRUNK FULL OF THORNS?

He gets pricked and it gives him pain; and he must pull out the thorns one by one. You constantly do this to My Divine Son's Heart, and all the Angels, shedding tears, worship My Son so that you will not give Him so much pain.

Man's unconsciousness has reached unthinkable levels, so much so that he does not think but instinctively acts insanely. The same instinct that the devil places in man because of the

irresponsibility with which man has undermined all Creation, by that instinct with which man touches a tree and the tree dies because of the feeling the man externalizes, a feeling that has become a sense of death and, at the same time, it is a sense that can lead man to reconsider and to amend his life...

All that My Son tells you is as if it was the wind, you hear it go by and then you continue in the daily sin. Children, I lament this instant so much! Because the one who sins and does not repent, the one who sins and does not make amends, the one who sins and does not have a firm purpose of amendment, that child of Mine walks in shadows that lead him to greater sins and, when this child wants to regain the right thinking, the right walking, the right acting and working, he finds himself so saturated with evil that he must make a heroic effort to return to good with humility and with the Truth in his heart, in his mind, and in his word.

“Not everyone who says to me, ‘Lord, Lord,’ will enter the kingdom of heaven” (Matthew 7:21) because Heaven is gained with the works and acts on this Earth. My Son does not give away Heaven. My Son is big on Mercy, *“...slow to anger...”* (Psalms 103: 8), but My Son does not give away Heaven even though He loves you so much. **HE DOES NOT GIVE AWAY HEAVEN JUST AS HE DOES NOT APPLY HIS JUSTICE UNNECESSARILY.**

Beloved children of My Immaculate Heart,

Stop to reconsider the suffering of all humanity, the natural, social and economic disasters of this instant... What humankind lives at this instant is total convulsion. Earth shakes with force and it continues to shake. The sea behaves in a different way, natural phenomena cannot be compared with the scale of the past; these are giants that rise against man, not because they have been created to punish and purify man, but because man exudes so much negativity towards My Son, so much wickedness toward My Son, that Creation, not finding a resemblance to the human creature, turns its gaze toward that creature, sees God’s workmanship, and wants to awaken it from the evil in which he lives, wants to snatch it away from satan’s clutches, and Creation, because of the negativity that man exudes, calls him by the only way known to what was created by God’s Hand, **CALLS HIM BY THE LOVE. AND THE THING IS THAT MAN BELIEVES LOVE IS ONLY WHEN THINGS ARE WELL. LOVE IN TURN CALLS TO ACT RIGHTEOUSLY; AND THIS IS WHAT NATURE DOES AT THIS INSTANT. NATURE CALLS MAN TO ACT RIGHTEOUSLY BY TREMBLING, YES, BY THE WATERS THRASHING AROUND, YES, THIS IS HOW NATURE CALLS MAN TO AWAKEN AND RETURN TO HIS GOD AND LORD.**

Man’s rage has led him to look at other men as inanimate objects, lifeless, without the Gift of Life, and the acts that man commits at that instant against the Gift of Life are sins against the Holy Spirit.

BUT, WHAT DO MY CHILDREN KNOW ABOUT THE GIFTS OF THE HOLY SPIRIT OR ABOUT THE GIFT OF LIFE WHEN THEY HURL THEMSELVES AGAINST ONE ANOTHER IN AN ENDLESS HUNT?

Beloved children, if some of you were given the opportunity, given by My Son, to be taken out of this Earth at this instant and be placed on another planet, and if you could see the convulsed acts and works of man, and if you could see the negative force that comes out of man towards all things created, you would choose not to return to Earth, because at this instant man throws away onto Earth the waste of a spirituality totally contrary to the one My Son has bequeathed to you, and this transforms Earth into a repository of filth—spiritual, carnal, and social—where those who hold the

power and have more money are the ones that rule, while those who do not have it subject themselves voluntarily to the law of the ones that rule by means of money.

Beloved children of My Immaculate Heart,

The state of this Humankind is regrettable and My Son's People do not unite; I see how they constantly separate, ceaselessly criticizing one another, destroying one another... This makes My Son's Sacred Heart and My Immaculate Heart hurt infinitely.

Beloved children of My Immaculate Heart, My Son's beloved People, I must inform you that the Earth will continue shuddering strongly. Do not expect a different action from the Earth that has nestled you; this is a grievance from Earth to its children.

Pray, My children, for Ecuador; it has suffered and it will suffer.

Pray, My children, because the United States will be shaken so much that the inhabitants of this Nation, that is loved by Me, will want to stand up but will not make it.

Pray, My beloved, for France; terrorism will wreak destruction and will exterminate a great number of lives.

Pray for England.

In Italy, volcanoes that lay asleep will awaken. Woe to you Rome, woe to you Rome, how much pain it brings to all its inhabitants!

Pray, My children, pray for Chile and Argentina. Chile will be shaken and will be surprised by something unexpected.

Pray, My children, I call you to pray for My land of blessing, Puerto Rico; it will suffer; it will suffer because I myself inhabited this land and, at this instant, it has been taken by the enemy of souls and by those who take part in sects. And why? Because My Favorite children do not use the Truth, prayer, and the Gift of the Word that they have received in order to attract the sheep into My Son's fold.

Beloved children of My Immaculate Heart, My beloved, I will tirelessly warn you and call you to reconcile with My Son; and those who judge at this instant should reconsider whether your life is testimony of Divine Love.

Beloved children, My Immaculate Heart bleeds for each one of My children, but it bleeds even more because of the contempt for the Law of Love.

**TO ALL THOSE WHO READ THIS MATERNAL WORD, I BLESS YOU AND
KEEP YOU IN MY HEART. I COVER YOU WITH MY MANTLE.**

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

United in the Love of the Sacred Hearts, once more we thank the Queen of Heaven for giving us this Word as Mother and Teacher.

It brings to the present something that man has dragged, something that has been present since the Angels and until the end of the world: ENVY. Envy has been present in both, those who have been great in our history and in the most insignificant. Envy is truly an evil that eats away man, both physically and spiritually, and it leads him to ruin, to lose Divine Grace.

Luzbel rebelled against God; he did not only want to be like God, he wanted to supplant God...

Not in vain Saint Augustine said, "*Envy is the diabolical sin.*" **SO GREAT AND WISE TRUTH!**

Envy generates a great many sins and feelings that make man fall to so low levels that he becomes worse than beasts.

There are so many cases that can be cited regarding this evil! But this is not only true in the past history, also in the present when, regrettably, greed, which is the daughter of envy, devastates everything that could become an obstacle on the road.

Brothers, who owns the show? satan; and he delights in watching the children of God maybe separate for wanting something that is very common among Catholics: stay in first place.

THE FIRST PLACE BELONGS TO CHRIST, THE SECOND PLACE IS FOR CHRIST, AND THE THIRD PLACE IS BY AND FOR CHRIST.

Let us not be so close-minded to aspire to make our own the Works that do not belong to man but to God, and which He assigns to men to keep so that they be signs of the Divine Presence through Love that comes from the Holy Spirit.

Brothers, these are instants when we must call to be united to weaken evil. When God's children unite, evil diminishes. Let us not nurture the one who will become the persecutor of God's People, but on the contrary.

LET US, EACH ONE, BE A GUIDING THREAD TOWARDS THAT UNITY TO WHICH WE ARE ALL CALLED.

What is anticipated is strong for God's children; but let's keep in mind that our Mother and Teacher is our model. Let us ask for Her intercession so that She will keep us in Her Motherly Hands.

BROTHERS, WE ARE IN AN INSTANT SUCH THAT, IF WE WERE AWARE OF IT, EACH ONE WOULD BE A DISSEMINATOR OF THE ONLY THING THAT SHOULD DRIVE A CHILD OF GOD: THE EXPLANATION OF THE DIVINE WORD.

Amen

Note: The Bible used is the New Revised Standard Version Catholic Edition

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
27 APRIL 2016**

My People, My beloved People,

**I AM THE SAME YESTERDAY, TODAY AND FOREVER ... I AM INFINITE LOVE...
EACH OF YOU IS TO ME THE REASON FOR MY LOVE.**

My People, you will walk filled with tribulations until you return to Me. I do not abandon you, but you reject My Protection...

I do not abandon you; I anticipate the events so that you will get ready by coming back to Me, but you despise My Warnings...

Disobedient people! You attenuate My Word like wax in the fire... You are deaf to My Calls because you are controlled by human blindness, which defeats each one of you so that you will not see or hear or face the truth of the coming events.

**MY WORD IS FULL OF LOVE FOR HUMANITY, CONSTANTLY CALLING
YOU TO RETURN TO ME SO THAT I EMBRACE YOU ANEW.**

I am the Mystery of Love revealed at the Cross, but humanity used the Cross as a generalized fashion symbol—not out of love and not for its Meaning—until this moment when what was taken as fashion is a source of shame and persecution.

You take up the fight against Our Divine Law without compunction, adulterating the Will of Our Trinity to fall prey to satan.

MY PEOPLE NEED ONLY A BREATH TO FALL INTO THE CRAG. For this reason and before it happens, I will intervene giving humanity a new opportunity to look at yourselves—each one of you in particular—and be renewed by My Holy Spirit, and be filled with Faith, Strength, Hope, and Charity so that you face all that this generation must encounter to be worthy of My Goods which this generation has despised.

My Mother wails in pain for Her children, for all humankind, and She continues to be despised by much of humankind.

DIVINE LOVE CALLS HUMAN LOVE TO BECOME SPIRITUAL, BECAUSE ONLY THIS WAY YOU WILL BE NOURISHED BY MY WILL WHILE STAYING IN THE WORLD WITHOUT TAKING PART OF WORLDLINESS. Only with Our Divine Strength will you be able to resist the attacks of the evil legions.

When calamities are accentuated, there is a proliferation of those who announce in My Name these and other calamities, or of those who, taking advantage of the circumstances, are perceived as indispensable for their brothers.

My People, you do not mature because you do not know Me!
My Father sent Me and I am still the Eternal unknown! (Ref John 1:10)

I AM THE CENTER OF MY PEOPLE, I GIVE UP MYSELF TO YOU IN MY BODY, MY BLOOD, AND MY DIVINITY IN THE EUCHARIST; I AM THE ETERNAL FOOD.

At this instant, I am not received with decorum; My children come to My Temples sloppily dressed, shamefully dressed, without scruples, and My Representatives do not warn them that in order to enter My House they must dress properly, and that to receive Me, they must be properly prepared.

MY PEOPLE SEE THE COMMANDMENTS WITH CONTEMPT AND WITHOUT ATTENTION; THEY COME IN SIN TO RECEIVE ME WITHOUT CARING THAT THIS IS A MAJOR SIN. The awareness of approaching Me in a state of sin does not exist, they have left it underground; they come to receive Me as a social participation, for participating in something they do not see as Sacred or Divine; instead they **SCOFF AT ME IN FRONT OF ME.**

Sometimes people take me and bring me to dark places or places of satanic rituals; and I see with pain the scope of human indifference and unconsciousness, conditions that allow the devil to seize more souls and My Representatives do not raise the voice.

My People must awaken from the sedative that evil has given to My children, invading them strategically to achieve spiritual decay of My children.

MY MOTHER HAS REVEALED TO YOU THE WISHES OF OUR WILL, YET HER WORD HAS BEEN HIDDEN, DEVIATED, AND DOWNPLAYED BY ALL MY PEOPLE; SATAN HAS TAKEN ADVANTAGE OF THIS AND HE ELABORATED HIS INSERTION WITHIN HUMANITY WITHOUT BEING IDENTIFIED. He took possession of My People by means of misused science with which man has pleased the whims of the devil that has wasted no time.

Children, the intelligent, rational and thinking man has been sold, and he himself has allowed it. His possessions have gone to other creatures without man being totally aware of it. An enemy has gotten inside the households and with great joy you open the doors for him, and he arrives to cause more division than there already is, he brings about diseases not only at the personal level but also emotional. My Mother has already warned you and you have failed to get ahead of that enemy; instead he has entered your homes and, at this instant, he has become familiar with the family members and with all of society, thus achieving greater family disintegration, infidelity, and psychological disturbance; I speak of the most popular means of communication at this instant: the phone.

**I SEE A ROBOTIZED PEOPLE WALK IN A STATE OF SEDATION, HYPNOTIZED BY TECHNOLOGY,
DEBASED BY TECHNOLOGY.**

**THEY HAVE LOST MODESTY, SHAME IS NOT KNOWN TO THEM; AND THIS IS THE WORK OF
SATAN WITH THE COMPLACENCY OF MAN WHO USES THIS AS AN EXCUSE TO DELIVER HIMSELF
TO SIN IN MOST CASES.**

New things will arrive with which evil will dazzle man, and man will love the new things and will despise God... My Mother warned you.

My beloved People, Earth has been saturated with sin which, for most, is an everyday thing, nothing new. This sin is a magnet that attracts more calamities towards humanity.

The land will crack majorly, the landslides, man will not be able to justify this. Misused science has led and leads My People towards hatred, revenge, sin, death, lust, senselessness, and Creation reacts without science being able to explain it.

My beloved People, the sun will emanate its heat affecting communications. It will be then when humanity will feel silence and impotence.

My beloved People, pray for Nicaragua; this Nation will be flogged.

**My beloved People, pray for Germany; it will be betrayed
and it will live the harshness of Nature.**

My beloved People, pray for Japan; its land will shake with force.

**My beloved People, pray for the United States and for Mexico: the great shuddering of the earth
will cause alarm and Nature will affect them greatly.**

Pray for Central America.

My beloved People, do not separate from My Mother; I am Her Son.

My beloved People, the tyrant that will persecute you has given the order to hasten his plan.

Continue growing in My Love, in Wisdom, and in Knowledge.

Wait patiently; My House will assist you; do not give up. "I AM WHO I AM" (Exodus. 3:14) and no one will snatch My faithful.

Beloved children, control your free will lest it control you.

**MY PEOPLE, BEFORE DARKNESS INVADES YOU, APPROACH ME.
COME TO ME, ALL YOU THAT ARE WEARY AND ARE CARRYING HEAVY BURDENS, AND I WILL
GIVE YOU REST. (Matthew. 11:28)**

I bless each one of you,

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Lord Jesus Christ tells us: *"I anticipate the events so that you will get ready by coming back to Me, but you despise My Warnings..."*

Some human beings maintain a certain aversion to the Messages and Warnings from Heaven. This leads you to disobey all that the Divinity has pronounced to prevent you from being taken unawares by the events.

At this instant, humankind counts on several different scientific services that are used to benefit man, among them we have the meteorological services, and when these alert a country, a village, etc. about for example a hurricane that is approaching, the inhabitants of the place that has been warned protect themselves in basements, protect the windows of the homes with wood, and more... however, when Heaven alerts ahead of time about events that will make man collapse, not only physically but also SPIRITUALLY, Heaven's warnings are not heeded!

Is this lack of Faith or incredulity? I think both. We can believe that man has taken a pill to reject God. It is called skepticism. Humankind has ingested incredulity and has accepted falsehood as part of life. This is why we see how people live in the unreality that has led man to decadence in every aspect, and to the rejection of all that means sacrifice or the giving up of oneself, in favor of embracing what is easy and profane for fear of having to face the disorders of the ego.

Our Most Holy Mother shared with me that sin becomes a magnet that attracts calamities towards man. Our Mother also explained how humankind's sin influences Earth which in turn transforms into a magnet within the Solar System.

This Call from Christ is a call for us to be attentive and to protect our spiritual organism from the constant attacks of evil and to strengthen our Faith so that the devil will not take what belongs to the Divinity: **ETERNAL LIFE OF THE CHILDREN OF GOD.**

It is never late. Let us listen to those who Love us and will Love us forever.

**OUR LORD JESUS CHRIST REMINDS US THAT OUR MOST HOLY MOTHER IS THE FIRST DISCIPLE,
HIS OWN MOTHER, QUEEN OF DIVINE WILL, AND INTERCESSOR OF MEN BEFORE THE HOLY
TRINITY.
THIS WE CANNOT FORGET.**

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
ROSARIO, SANTA FE, ARGENTINA
2 MAY 2016**

Beloved children of My Immaculate Heart,

**MY BLESSING REMAINS AS A LAMP FILLED WITH OIL FOR EACH ONE OF MY CHILDREN.
I CALL YOU TO READ ATTENTIVELY AND TO PUT INTO PRACTICE EACH ONE OF THE MESSAGES
YOU RECEIVE
BY DIVINE WILL.**

You must not feel satisfied with just reading the Holy Scripture; you must delve into the Divine Word and not feel satiated, but each instant feed more and more on the Divine Truth, on the Divine Way so that you will live in Divine Will and thus be more mature spiritually and less mundane each instant.

Beloved People of My Son, My Heart remains palpitating in view of the events prior to the Great Purification of humankind in its totality.

I speak to this generation by Divine Will—this stubborn generation—waiting for one soul to convert in the midst of the sea of human will, shattered and snatched away by the evil oppressor of souls.

**IT IS NOT A PRIORITY FOR MAN TO BELIEVE IN MY SON OR IN THESE CONSTANT CALLS.
MAN IS SATISFIED WITH MATERIAL GOODS; HE HAS FORGOTTEN ETERNAL SALVATION...**

Selfishness has reduced man to be a delirious passionate for satisfying his ego and his well-being, making him increasingly in need to own everything his imagination could want.

My Son's People are being manipulated without them being aware of it and without consenting to it. Children, you are literally and aggressively led to rebellion, to challenge My Son.

Children, so many of you have wasted the opportunity to help your fellow men!
Do you hear the laments of your brothers who suffer at this instant?...

Beloved children, storms will become more frequent, so much that you will feel fear. The waves will rise in one place and the other, and science will not be able to warn you. You do not know that this happens because of the movement of the tectonic faults of the Earth's layers.

My children, you will shudder at the events and the fury of Nature; you will see with perplexity the power with which the sea will penetrate the land and will destroy what man considers indestructible. In My Pain, I anticipate the fury of the Elements: Inactive volcanoes will surprise humankind, Earth laments at the indifference of man towards his Creator.

FOR WHAT ARE YOU WAITING, MY CHILDREN, TO RETURN TO MY SON?

I do not keep from you the fact that scarcity will be felt all over the world. Rich and poor will suffer hunger, money will not be a means to get food or dress or medicines. With the fallen economy nothing will be valid for human subsistence until you be willing to put in your body the mark of the beast, the microchip that the rulers of the Nations will require of the people in order to deliver them in the hands of the antichrist.

Beloved children of My Immaculate Heart,

FAITH WILL STAGGER, MY CHILDREN WILL CRY AND WILL REGRET NOT HAVING OBEYED MY SON PREVIOUSLY; MY CHILDREN WILL LAMENT NOT HAVING BEEN AWARE OF THE PERSONAL NEED TO LOOK FOR AND TO DELVE INTO MY SON'S WORD; AND MY CHILDREN WILL REGRET NOT HAVING DELVED DEEP INTO THE DIVINE TEACHINGS AND NOT HAVING PUT THEM INTO PRACTICE IN LIFE.

IT IS NOT RELEVANT TO MAN TO GROW SPIRITUALLY because he does not believe in the announced events and he does not believe that the conditions of the world will change; even when he sees the sudden and unusual change in Creation, he does not want to face the truth of the condition of his soul and he does not allow his conscience to move him to change. He stops his conscience with his will.

Beloved children, violence in Humankind will increase, attacks and assaults will be continuous, the weather will be intensely deranged, and the seasons will change all over Earth, the winds will wreak destruction, and frost will rush.

Children, the antichrist is guarded by the elite that rules Humankind's destiny through power; the control exerted by these allies of the antichrist will intensify with social repression. My children, through health they will lead you to deliver yourselves to the enemy; unleashing its hidden power, freemasonry will find its crucial point to dominate My Son's Church, and they will take off the mask before the People who cannot intervene in this regard.

You, My beloved children of My Immaculate Heart, **REMAIN IN FAITH**, even if what you see next to you is barren, in Faith continue praying and giving testimony of My Son's Love and of His Promises. **UNITE TO FACE EVIL**, so you will be able to uncover it and not be trapped in its nets.

Beloved children, you will witness the testing of a new weapon; the consequences of this will be spread by the wind... and death will be a comfort to My children. You will not find a place to bury the dead and the stench will rise with diseases, crying will come from within the soul for having disobeyed the Calls from the Paternal House. Confusion will be great because of man's desire to control his brothers.

A world leader loses his life at the hands of his brothers. Agitation increases, rage increases.

Pray, My children, pray for Argentina; it will be flooded again by the water that falls without stopping; its soil will not bear fruit, and My children will experience shortage and lack. This My People will be purified by themselves; blood will be spilled.

Pray, children, pray for Chile and Venezuela, they will taste again the pain; the land will be shaken.

Pray, My children, alliances seem to be affirmed when betrayal is the hidden strategy which, as a bird of prey, will arrive unexpectedly.

Pray for France; it will suffer by terrorism and Nature flogs it.

Pray for the United States; Purification has not left its land.

Pray for Russia; it will scourge Humankind; it has won the desired time.

Beloved children of My Immaculate Heart, know My Son so that you discover Infinite Love, without which you will live empty and, not being able to find the way, you will come to adore men who, with treacherous words, will tell you they own the power given by My Son... they will tell you they own My Son's Word... they will tell you that they are chosen by My Son... and instead, they will lead you to be stray creatures separated from grace.

Beloved children, **THE COMET THAT I HAVE ANNOUNCED IS NEAR**, and with its nearness, the alteration of man will be visible, in the weather and in Nature in its entirety it will be evident.

Earthquakes increase, My children, and tsunamis with them. **MAN DOES NOT BELIEVE THAT SIN INFLUENCES ALL HIS SURROUNDINGS** and even animals will change their habits and the way they treat man.

Beloved children,

LOOK FOR THE TRUTH; IT IS WITHIN YOU. FIRST SEE YOURSELVES WITH TRUTH AND, AFTER YOU HAVE EXAMINED YOURSELVES, GO RECONCILE WITH MY SON, this way you will be able to start on the path towards order within yourselves, towards interior order.

Rise above yourselves so you will truly know yourselves, finding the Center of Truth which resides in each of you. You will only find the Truth within yourselves, because the Truth, without being light, without being reason, without being conscience, is necessary for you to rise above yourselves. You have goodness, you must do good, you must work and act in goodness, you must walk in goodness. My Son does not expect any other treatment from His children.

Beloved, you walk insecurely in My Son's Power, in His Divine Omnipotence, in the Divine Providence, and this is denoted in fear, in a weak and inconstant Faith.

THESE ARE INSTANTS WHEN MY CHILDREN MUST LIVE FULLY BEING MY SON'S CHILDREN AND HAVING THE GOODS OF THE FATHER'S HOUSE, BEING ASSISTED AND FILLED WITH THE HOLY SPIRIT.

Allow the fruit that My Son bequeathed to you to blossom; do not hesitate because the instant is closer than any other instant to the nucleus of the Great Tribulation.

Beloved children of My Immaculate Heart,

I AM WITH YOU AT THIS INSTANT MORE THAN IN OTHER INSTANTS; LET ME GUIDE YOU. COME TO ME. I LOVE YOU.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Our Mother: all Motherly Love...

We receive a Call; it must not be one more call; it must be like the First Call; it must move the conscience so we will react to the indifference towards our Lord Jesus Christ.

Beginning with Nature—the one man refuses to acknowledge that it has changed—and ending with the soul, our Mother takes us on a spiritual tour so we will be able to achieve that instant of silence in life so we can decide to belong more to God and less to the world. It is not something unattainable for those who have Faith, but it is for those who deny themselves Salvation.

Brothers, these are not instants to hesitate or to stagger or to make fun of the Word we receive from the Paternal House; this is the instant to be children of Divine Will and to plea for that unction that will lead us to remain firm in the face of what is coming.

So many have placed their faith in the power of Nations or rulers!... And we will see that a great power has risen while Humankind slept.

BELOVED BROTHERS, DO NOT TAKE THIS WORD OF THE MOST HOLY MOTHER IN VAIN. "LET ANYONE WITH EARS LISTEN!" (Matthew. 11:15).

Amen.

Note: The Bible used is the New Revised Standard Version Catholic Edition

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
4 MAY 2016**

My beloved People,

MY LOVE FOR MY PEOPLE IS INFINITE...

**DO NOT ASK WHO ARE “MY PEOPLE”, MY PEOPLE ARE ALL THE HUMAN CREATURES FAITHFUL
TO
OUR WILL, ATTENTIVE AND OBEDIENT TO OUR WILL.**

Beloved children, indifference are the antithesis of Love, and, based on this, My People are divided by their own will. He who does not have Love is not worthy of entering My House.

Just as a bird soars through the air, the souls that have an overabundance of My Love are the ones that soar in the spiritual path and know well My Mercy without discarding My Justice.

This is the instant when you evoke My Mercy to justify human sin... The man who acts this way is so mistaken!

My Love has no limits...
My Mercy has no limits...
My Justice has no limits...

You talk about My Mercy with hesitant words leading My People to believe that they are worthy of My Mercy without repentance.

**AT THIS INSTANT THE PATHS MUST BE WALKED WITH THE HELP OF MY HOLY SPIRIT; THIS WAY
EACH STEP WILL BE GUIDED SO THAT YOU WILL NOT BELIEVE IN WHAT IS NOT TRUE.**

My Love—deposited in each one of My children—leads you to recognize and accept that, if you do not live giving testimony of My Love, if in the last instant of life you refuse to see yourselves as sinners and to reconcile with Me, then, by man’s will, My Love is withdrawn and replaced with indifference and hatred; and you will not attain Eternal Life.

My beloved People, you are all loved by Me, but not all accept My Love; this stops many of My children. As they reject Me, hatred invades them taking the acts and works away from My Love and, thus, away from My Mercy.

You do not have the power to imagine what it would be like to remain on Earth without My Love; all experience My Love according to the human will: Some more, some less, each one in his own measure.

**CHILDREN, FOR AN INSTANT IMAGINE LIFE WITHOUT MY LOVE; IN THE LAKE OF FIRE, THE SOULS
REMAIN TOTALLY DEPRIVED OF ME. THEY DO NOT LIVE MY LOVE THERE.**

When man resigns Me, the nature of the creature is invaded by all things contrary to good and by everything that is contrary to My Love. Violence increases and, therefore, horror and fear spread all over Earth as man separates more and more from Me.

You forget that in My Vineyard everyone receives the same retribution; that is, all those who embrace My Call and make it come alive before impiety spreads like a plague.

**THE ENTIRE CREATION INTERACTS WITH MAN AND RECEIVES FROM MAN WHAT HE HAS
INSIDE.** This is why I constantly repeat that Creation does not recognize the man who despises Me and disobeys Me. It would be different if Humankind had taken the righteous path, working and

acting in My Likeness. Men would possess so many virtues! This instant would be so different! My Light would invade everybody and the fire of My Justice would not touch you.

My People, the instant shortens; contaminated sunrays fall on Humanity and weakness in man is felt in the body; this weakness does not allow man to resist satan's insinuations that call him to leave aside Grace, Penance, Faith by deceiving man with falsehoods and making him fall into evil doings.

My beloved People,

SAVE YOUR SOUL AT THIS INSTANT WHEN THE PRESENCE OF EVIL COMES TO MEET UP MAN UNDER ALL CIRCUMSTANCES, when sin is the evil that suffocates man so that he will not understand My Love, move away from It, and deliver himself to evil with pleasure, having been taken by the evil spirits that move in all directions.

Evil will drag My children, those for whom I gave up Myself; and the possessions of those who are Mine will be destroyed in order to make them seek shelter with those that work for evil. The unbelievers, the wicked, the ones who have lived in darkness will be like vultures in search of prey. This is why I Call you to make an effort to hold on to the Faith and be not of those who do not know Me.

You will live pain anew. Unbelievers will pounce with more force against those that are Mine; right will be wrong even more so that it is at this instant. Goodness will be seen with disdain and the righteous man will hear false doctrines from evil's mouth that will spread all over Earth. The righteous man will be able to differentiate what the ignorant man will accept as correct.

My Mercy goes as far as My children will allow. My Mercy is waiting for man's call, even when he may be the greatest sinner. They ignore forgiveness because they do not forgive. **I AM FORGIVENESS AND I DO NOT IGNORE A SON REPENTED, A SON WHO PLEAS WITH REPENTANCE AND A FIRM PURPOSE OF AMENDMENT. MY MERCY IS INFINITE AS INFINITE IS OUR LOVE FOR MAN.**

My People, not only seawater will invade the land; it has been invaded by satan just as I announced it, just as My Mother announced it. Not only the sun causes skin cancer, it is man who keeps his heart in a state of putrefaction and is therefore insensitive to the pain of others, and pity is a nonexistent word for him.

I OFFER YOU MY MERCY, MY FORGIVENESS. COME TO ME; DO NOT REJECT MY CALLS.

Clouds will advance quickly; man will look upwards and disown what he sees; nothing will be familiar to he who delivers himself to the malignant oppressor.

War has not stopped, My children, it is under cover in a territory in order to catch man unawares.

EVIL HAS MADE HIS THE POWER AND HE HAS GIVEN IT TO SEVERAL WORLD POWERS TO ALTER HUMAN NATURE AND THE ELEMENTS. AT THE INSTANT OF INSTANTS, EVIL PRECIPITATES ITS ACTIONS AND MAN LOOKS SIDEWAYS.

My People, My Church will suffer; do not forget that “I am who I am” (Ex 3:14), and My People will never be left out of My Hand or of My mother’s Hand.

My beloved, what man dismissed as a danger, at this instant will be activated with force. Dormant volcanoes will awaken, streams will be flowing rivers, mainlands will be muddied and will lose resistance and solidity... The sin that man has deposited in the land will rise to the surface.

My People, man created with his hands what he uses to combat his enemies. At this instant, power is in weaponry, except that man has not foreseen that the atmosphere is contaminated by the sun and by the same man, and hence the effects of his creations will surpass the expectations of science.

Children, My People, the instant does not wait; I wait for My People NOW!

**YOU WILL RECEIVE MY HELP AND MY PEACE SO THAT YOU WILL NOT DESPAIR IN THE PRESENCE
OF THE EXECUTOR OF EVIL.
MY ANGEL OF PEACE WILL ARRIVE TO GIVE MY PEOPLE THE LIGHT THAT WILL HAVE BEEN
STOLEN BY THE MALIGNANT OPPRESSOR.**

My Love will live with My People each instant until those who are Mine receive My Heritage.

**DO NOT LOOK FOR ME OUTSIDE OF YOU; LOOK FOR ME IN THE INTERIOR OF EACH OF YOU
WHERE, OPPRESSED, I WAIT FOR ONE WORD: “MY LORD!” ...**

Pray, My children, My Mercy does not despise any of those who come to Me repentant.

Pray, children, the land will continue to shake changing its geography.

**Pray, My children; the creatures, agitated by the convulsion of the Peoples, will lead to spilling
innocent blood.**

Pray, My children, pray to My Holy Spirit; ask for discernment, do not separate from Me.

My People, My Love is Eternal; you just have to love Me and repent of the evil committed.

Come to Me, children, come to Me, your Lord awaits you!

Do not despise My Calls, do not wait. Come to Me! Live the miracles of My Love. I love you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

In the face of trials, Faith...

In the face of evil, Faith...

In the face of indifference, Love...

Divine Goodness is not contained and does not cease donating himself in generosity to those He loves; and those He loves are you and me.

Our beloved Lord Jesus Christ affirms to us His Mercy, but it is a Mercy that must have something prior on the part of man and that is repentance.

It is important for the Christian not to stagnate in prayer or acts of worship if these are not accompanied by acts of love towards the brothers. The practice of the Divine Word is the connection which achieves that spiritual light be made, spiritual light that gives man the clarity to understand and to accept what Heaven reveals ahead of time. "Faith without Works Is Dead"(Ref: James 2:14). What can this be?

Christ bears witness to a constant practice: Each of Christ's acts was directed to the larger number of children within the silence and prudence with which He always carried out everything. Likewise, we, His children, must exercise the practice of the Word of the Gospel and act and work the way Christ teaches us.

When He was sharing this Message with me, He allowed me this Vision:

I saw many people who walked holding candles in their hands; they heard a strong voice that spoke to them, called them: "children"... and these people turned and looked at the group of people that continued walking, following the light. But some doubted and looked at both lights. I saw that the light that appeared later shone brighter than the one that was guiding them from the beginning, and those people ran towards that light, the one that shone brighter.

Christ allowed me to see what happened next: When the people entered the area of the light that shone brighter, the light turned into darkness and I heard wailing.

Christ said to me:

"My daughter, those who do not know Me, those who follow Me by appearances, those who do not know what will happen to this generation will be deceived by evil."

And Christ, in profound pain, closed His Divine Eyes and traversed the way to the Calvary...

Brothers, conversion is necessary for man to be strong and not to desert along the way. Our Mother gives us Her Hand; as She is the First Disciple, the Mother and Teacher, let us not refuse to take Her Hand.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
8 MAY 2016**

Beloved children of My Immaculate Heart,

I seek a place of refuge, I pilgrim from heart to heart in My children to give them the support of My Maternity and lead them to My Son: “the Way, and the Truth, and the Life.” (John 14:6).

Beloved children, you must not separate from Divine Will where all order is concentrated: Goods, virtues, and gifts over abound for those who decide to be more spiritual.

My Son continuously calls you to live in Divine Will; that is, **IN OBEDIENCE TO DIVINE WILL, TO ORDINANCES, TO A LIFE OF LIVING TESTIMONY OF DIVINE LOVE AND OF EVANGELIZATION OF THE WORD—REVEALED IN THE SCRIPTURE AND EXPLAINED IN THESE CALLS OF LOVE—AND THE DAILY PRACTICE OF IT ALL, WHICH CHARACTERIZES MY SON’S PEOPLE.**

Beloved children, you must understand that each of you has been given, from on high, a mission which is to be living examples of the acts and works of My Son, and to fight for Eternal Salvation, not only personal, but also that of your brothers.

This generation has transgressed the Law given by The Father to His children, **ETERNAL AND UNIVERSAL LAW. THIS LAW WHICH HAS GIVEN YOU THE KNOWLEDGE OF GOOD AND EVIL IN THE INTIMACY OF THE HUMAN CONSCIENCE BY MEANS OF THE INTELLECT, SO THAT YOU CHOOSE, IN FREEDOM, THE WAY MAN HAS BEEN ALLOWED TO CHOOSE. THIS GENERATION CHOOSES EVIL AND—WALKING AGAINST THE UNIVERSAL LAW—REVOLTS AND REFUSES THE ILLUMINATION OF THE HOLY SPIRIT EVEN THOUGH THEY ARE RATIONAL CREATURES.**

Beloved children,

Human will needs Divine Help to continue in union to the fullness with force. At this instant, humanity strongly rejects this Divine Help and embraces evil which it should not access, thus hindering the human powers, rendering them inert by acting on the inferior which is evil. At this instant, man looks at himself and stagnates; he does not think there is something more. All are My Son’s children, **BUT NOT ALL HAVE GAINED ETERNAL LIFE.**

**YOU MUST ACT AND WORK IN LIKENESS TO MY SON,
YOU MUST OBEY HIS WILL, YOU MUST LIVE THE COMMANDMENTS,
YOU MUST EMBRACE THE BEATITUDES, AND FULFILL THE SACRAMENTS IN ORDER TO BE
WORTHY HEIRS OF ETERNAL LIFE.**

All have been redeemed by My Son, but not all live the Redemption or are extensions of it. Therefore, not all accept to participate of HIS LOVE or ETERNAL SALVATION. Not all have gained Heaven; each one must achieve it.

Beloved children of My Immaculate Heart, use your reason to ask yourselves: What have I given? ... What do I deserve?...

**MY SON DOES NOT DECEIVE YOU WHEN HE PROMISES ETERNAL LIFE;
WHAT HAPPENS IS THAT MAN DOES NOT KNOW WHAT IS ETERNAL LIFE,
HE DOES NOT DELVE INTO THE SALVATION OF THE SOUL WHEN HE IGNORES WHAT IS THE SOUL
AND HOW HE MUST SAVE IT.**

My children see what happens to them, but they do not see what they do and do not think about how they use the human will; and, My children, **it is precisely the human will the one that is innocent or guilty of man's acts and works.**

Men say that mercy comes from God. And Justice? Divine Justice is the Justice of the One who is Just among those who are Just; Divine Justice is not given if man is not worthy, if he does not attract it.

Fear, insecurity, wondering what is about to happen, confusion, disobedience, rebellion, and incoherence are human factors with which the man of little faith makes himself known, as well as his big question...

To believe or not to believe in what is coming, in the crises, the great shortages, rebellion, pandemics, political coups, robberies, killings, and persecutions, among some cases I mention, together with the scourges that will arrive from the Universe to Earth, signs and signals of the elements; it is a sign of man's spiritual immaturity, immaturity in the face of a reality that is closer each instant and that man will only manage to stop with a serious repentance and constant conversion.

My children, My Immaculate Heart calls you to return to the righteous path, listen to the voice of the Shepherd of Souls; do not confuse the Divine Word with the word spoken by men. Know the Sacred Word and allow the Holy Spirit to guide you. Do not let reason be a hindrance; instead, it should be light that leads you to penetrate the Heights.

Beloved children, the sun remains in constant boiling; a great sign will descend from the sky that will arrive on Earth; the meteorite will wreak devastation. The world powers do not ignore this; you must not ignore it. All of you have been warned by My Son and by Me. This signal will cause terror while it leaves death along its way; the tsunami will rise and in instants will usurp life.

Wickedness has increased without measure; the devil has embedded his wickedness in men, transforming the minds and the hearts into shields contrary to Love and to Life. On the face of the Earth there has never existed a generation so lacking of will as this one that is subjected by the devil forbidding man to express the Faith in My Son.

Immorality—the lack of God in present society and in the whole world—is a great sign that I have announced in My Apparitions; and men do not wish to see it as such. Egotism among men is so great that they kill one another as they throw venomous criticism to defeat missions without thinking that the devil is the one gaining ground when God's children are divided.

Parents come into anguish, their children revolt, lying rises and gains territory, the enemy eclipses the youth that have lost all shame, because of the air that has been contaminated with the insanity of the devil.

**YOUTH THAT FALLS IN THE BASENESS OF ERROR...
PARENTS WILL LAMENT FOR NOT HAVING LED THEIR CHILDREN TO KNOW MY SON!**

**Pray, My children, pray; industries are closing down around the world,
the economy falls, and man looks for the guilty ones.**

**Pray, My children, pray for Argentina; it suffers by man, pain precipitates. The weather will be
relentless and will cause more pain. Convulsion is on hand; minds are inflamed.**

**Pray, My children, pray for the United States; its land shakes with force, weakening arrives, its
inhabitants have fallen in great error, politics will stop as never before.**

**Pray, My children, pray for Italy; its nightmare arrives amidst torment; volcanoes roar, the
slumbering ones awaken, Vesuvius yells, and men run out of time. Men with economic power
will want to share their riches, but it will be late, too late.**

Beloved children of My Immaculate Heart,

**THIS THIRTEENTH OF MAY, I WISH A WORLD CHAIN OF THE HOLY ROSARY (4); EACH HUMAN
CREATURE MUST CONSECRATE HIMSELF TO OUR SACRED HEARTS. IT IS IMPORTANT FOR
HUMANKIND TO UNITE AND THE PRAYER OF THE HOLY ROSARY BE UNINTERRUPTED IN THE
ENTIRE WORLD.**

Pray for Russia; the one that slept in seeming peace awakens.

**Pray, My children, love and adore My Son; remain in Faith so that the winds not bend you
before the steps of the great tyrant of Humanity.**

Earth speaks to man, but man has not listened to it before the instants of great compromise with evil. What is mundane continues to exist and will recrudescence giving free rein to evil; My children will feel to die. Do not turn away from My Son; receive him worthily prepared.

You, My children, wait patiently and in Faith. You will witness the Angel of Peace that My Son will give to His faithful so that they will not be oppressed by the wickedness of the antichrist.

Beloved children of My Immaculate Heart, **save the soul**; call Me; I am with you to lead you to My Son.

I am Mother to each of you and, as Mother, I lead you to the Light.

ASK THE HOLY SPIRIT FOR HELP; DO NOT WALK WITHOUT ENTRUSTING YOURSELVES TO HIM.

My Son is life and life in abundance; do not let your Faith decline.

I warn you so that you be prepared, not for you to decline or lose heart. Be one in My Son's Love. Come, I take you on the path of good.

THOSE WHO READ AND PUT INTO PRACTICE THIS WORD, I BLESS EACH ONE OF YOU.

I bless you. I Love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Together let us say, "Your will be done." (Matthew 6:10)

Given our Mother's warning, not only at the spiritual level, but also regarding the events prior to the public appearance of the antichrist who needs a weakened humanity, we must unite and in Faith delve into the knowledge of our Highest Good, so that the reason will understand and the will be determined to act and work always in Divine Will.

Belonging more to Christ than to the world is not an easy task, but I am sure that it is not impossible if the Faith is strong; and, for the Faith to be strong, the Holy Spirit that guides us and our Mother and teacher, who does not abandon us on this journey, must prevail in us.

Our Mother anticipates—or reiterates using other words—what is coming, because man forgets, and Heaven does not want man to forget what is close, closer than you would imagine.

The Maternal wish for Salvation for Her children is revealed in every Word. Let us pray together so that this wish of our Mother to form a chain around the world with the Holy Rosary on this thirteenth of May will not encounter envy or harmful rancor or differences among groups; instead, may we unite in one single heart of obedience to our Mother who asks one day on unity; and I know we can achieve it if we are part of the men of good will.

Brothers, let us react; do not discard Heaven's warnings; instead, knowing that Divine Mercy is before us, let us give our hand to our Mother so that She leads us to this Mercy that is Eternal Salvation.

Amen.

Note: The Bible used is the New Revised Standard Version Catholic Edition

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
11 MAY 2016**

My beloved People,

I PROTECT YOU AS YOU ADVANCE TOWARDS OUR ENCOUNTER.

This is the instant when many of My children give themselves to the wrong path because they ignore My Word or because they want to remain within sinfulness.

Since the beginning of My Calls to all of My children, in this Word I have anticipated all that has happened to this generation, what is happening, and what will happen, so that you be prepared. I have been left aside, as My Mother has been left aside. You are living the consequences of My Revelation and you do not believe even though you have the events in front of you.

My Merciful Love does not stop; it remains in constant motion in search of souls and renewing those who give themselves to conversion.

My Universal Love is full; it makes no distinction or partiality in favor of some individuals. I offer My Hands to all who call Me with a contrite heart.

My beloved, Salvation is not found by reaching out, or by solely reading and memorizing some verses of My Word. No! Salvation is found in loving obedience to Our Will and by living in full **THE SACRED WORD**, putting it into practice every day, every instant. **HE WHO DOES NOT LIVE PRACTICING MY WORD RUNS THE RISK OF BELIEVING ANYONE WHO APPROACHES SAYING "I AM THE CHRIST."**

What has not been said yet will be said: *"where sin increased, grace abounded all the more"*(Romans 5: 20).

My People, I love Rome where Grace has over abounded; however, sin has been spreading, sin that stealthily infiltrated it, taking power among my people, distorting the *raison d'être* of My Church.

Humankind has corrupted their flesh; no need for death, without being in grace, they have achieved this while alive. The powerful have dug long underground tunnels as a place to stay after committing great mistakes against My People, giving them pain, tragedy, famish, and pestilence, and forgetting that nothing will allow them to escape from My Hand.

**"AND YOU, O MORTAL, DO NOT BE AFRAID OF THEM, AND DO NOT BE AFRAID
OF THEIR WORDS, THOUGH BRIERS AND THORNS SURROUND YOU**

**AND YOU LIVE AMONG SCORPIONS; DO NOT BE AFRAID OF THEIR WORDS, AND DO NOT BE
DISMAYED AT THEIR LOOKS, FOR THEY ARE A REBELLIOUS HOUSE." (Ezekiel 2:6)**

No creature will pass before Me without being judged, not even the most exulted one on Earth.

THIS INSTANT IS OF GREAT RESTLESSNESS, GRIEF AND ANGUISH OF MIND.

MY PEOPLE SUFFER, FEAR, BUT MY HOLY SPIRIT WILL LIFT THEM WITH FORCE, WITH THE POWER OF MY HAND.

IN ORDER FOR THEM TO COME TO ME, MY CHURCH MUST BE PURIFIED OF ITS MISTAKES.

The upheaval in the world grows under the influence of the public appearance of the antichrist, who, since before, has been giving guidelines to My People.

MY CHILDREN ARE LED TO GREATER TEMPTATIONS BECAUSE OF THE PROXIMITY OF THE GREAT WARNING—ACT OF MERCY FOR MY PEOPLE.

I EXHORT YOU TO BE MY TRUE CHILDREN, COME TO ME AND I WILL GIVE YOU ETERNAL LIFE.

I have not sent you to suffer, but to live being one in My Love. Evil has not been inert and man has paralyzed the Law of Love and has become an automaton of the course of the world. Thus he comes to suffer from his free will being outside of My Will, and attracts not only wickedness, but also his own purification. Suffering is not light or easy for any man, and this generation enjoys the suffering of their brothers, betrays his own parents... **SO MANY DEDICATE THEIR LIVES TO IMMORALITY WHICH, AS GOD, I DO NOT CONSENT!**

I have not moved away from My children; My Love gives them the strength to resist temptation; I forgive them and wait for them to return when they repent for having sinned. My children do not believe in sin because they do not know My Love.

I RETURN IN MY SECOND COMING AND I WILL GIVE JOY TO THOSE WHO HAVE SUFFERED AS I SEPARATE THE WHEAT FROM THE WEEDS.

My beloved People, each one of you must bear witness to My Love; each one of you is responsible before Me of what happens at this instant; each one of you takes part, consents, assents good or evil, in one way or another, with the passivity with which you let go whatever happens. You are astonished for an instant and return to their chores again.

I call you to be spiritual by showing spiritual growth, being the last, carrying the greatest burden, not seeking honors, accepting My Provisions, responding with My Love, not judging, being UNITY, because he who calls to disunity, this one, this one is not in My Love. I have instruments that I use to explain My Word to you, disobedient generation. None knows all about My instruments. This only I know as God.

My People, the way the earth shakes in its entrails is the way in which man's heart will shudder when he looks on high and sees that the fire is approaching more and more until it falls into the sea and causes high waves in the sea water that will pounce on countries.

Pray, My children, pray for Puerto Rico; the water will rise over this land.

Pray, My children, pray for the United States; they have hosted world citizens, and live with them in degeneration. The power in the land is not My Power.

Pray; this nation will suffer because of the Pacific Ocean and the Atlantic Ocean; the East Coast is cleansed of its sin. Nature acts.

Pray, My children; Mexico will suffer; its land will tremble; violence intensifies; these People will be oppressed.

Pray, children, pray for Europe; it will suffer strong attacks by those who rebel against Europe. Spain will give up My Temples to the abomination.

Italy will nestle in My Temples the music that calls the devil, and he arrives with terror and dread. Bulgaria will suffer.

Children, My People, do not wait, the instant is ...

“I AM WHO I AM.” (*Exodus 3:14*)

MY SHADOW COVERS YOU. BE FAITHFUL CHILDREN, I DO NOT ABANDON YOU. COME TO ME.

CONSECRATE YOURSELVES ON THE 13th OF MAY; DO NOT DESPISE THIS LOVE FROM OUR TRINITY.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT’S COMMENTS

Brothers/Sisters,

At this instant, Christ calls us to remain alert and vigilant in every way, to comply with Divine Will.

We have been told several times that the children of the Most High will be persecuted and purified by the hand of those who mock the Divine Word, by those who deny the Second Coming of Christ and the Final Judgment.

In this Message, Christ clearly reminds us that this generation will be purified as the previous ones but through of fire.

The Christian of this instant is not one who is satisfied with half knowing the Holy Scripture; he must thirst for knowledge, for delving deep into the Scripture and thus merge with Christ to grow spiritually.

At this instant, this generation wanders from one place to another looking for refuge; at the same time it is an instant of confusion. For this reason we must not leave aside the knowledge but we must delve into it with the help of the Holy Spirit so as not to fall into what is not correct.

Salvation is free but it is not given away to us; it is work—intense, constant, disciplined—in which we must be willing and determined, and be prepared; but this preparation does not end until we are before God.

We are part of humankind, but each one individually as a child of God will explain his behavior, his works and acts which he will present to the Father.

Brothers, we go through extremely difficult instants in every aspect... Let us heed the calls before it is late.

Sometimes we traverse almost the same path..., and Christ allows it so that we mature in our Faith. Each time we traverse a path we must do so in a higher, better way, and then we will be closer to working and acting in the likeness of the Son of God.

Brothers, with each piece of knowledge we acquire we advance and our Faith grows, not only by reading or by being active in the community, but also in the daily practice of life. Let us not forget that we are on our way to the Promised Land.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
13 MAY 2016**

Beloved children of My Immaculate Heart,

I remain before each one of My children because My Son does not want you to be confused.

BELOVED CHILDREN OF MY IMMACULATE HEART, IT IS NECESSARY FOR EACH ONE OF YOU IN PARTICULAR TO REQUEST MY HELP SO THAT, AS MOTHER, I WILL TAKE YOU BY THE HAND AND LEAD YOU TO MY SON.

To Me, each call from you is the balsam for which My Heart yearns so I can intercede in favor of your salvation before My Divine Son.

I will not abandon you, children, I will not leave you alone, at this instant, with the infernal enemy, through organizations created for the good of man but which have created death and you ignore this because you trust human protection, **AND THESE ORGANIZATIONS GAVE UP THEMSELVES TO THE DEVIL.**

TECHNOLOGY HAS ADVANCED AND AT THE SAME TIME IT HAS CREATED MEN WHO DO NOT THINK, WHO ACT LIKE MOST.

MISUSED SCIENCE CREATED BY MAN IS THE WEAPON WITH WHICH MAN FLOGS HIMSELF.

Look, children, all that happens on Earth! Earth is suffocated by man and his wrongdoing; sin has stopped being sin to become blasphemy. Some Temples have been the nauseating stages where the devil has pleased himself and continues indulging. This is how, right before all of you, My children, the devil will be given some Temples sacrilegiously.

My Son's Temples are not stages for worldly shows; music that calls satan the king of the world must not be accepted where My Son is adored. The devil infiltrates the Church and the Church does not see the great offense caused to Heaven. **CHILDREN, DO NOT ATTEND SACRILEGIOUS ACTIVITIES INSIDE TEMPLES.**

My children must expand the knowledge so as not to be confused: "*give to the emperor the things that are the emperor's, and to God the things that are God's.*" (Luke 20:25)

**THERE IS NO HALF WAY IN THE SPIRIT: YOU BELONG TO GOD
OR YOU BELONG TO THE DEVIL.**

Man in his insanity—because of his contempt of Divine Law and disobedience—has become the greatest threat to himself. My Maternal Heart suffers so much!

Beloved children of My Immaculate Heart, not only in Fatima but also in My Apparitions and My Revelations to the world, I continue to Call for man to be saved. The walking must be constant. In order to achieve the joy of merging with My Divine Son, you must make an effort until each work, each act that you carry out be done with the conscience of being children of the KING, and this leads you to act and work in My Son's likeness.

This behavior is seen as impossible because of the agitation of Humankind; but this is not impossible for those who want to belong more to My Son, to be more spiritual, to be closer, truer to themselves and to Divine Will, to which all men must aspire.

My Son's People will be greatly persecuted in their own land; each creature faithful to My Son will be persecuted as has been announced, each in a different way. Offer everything you live for the salvation of souls.

Beloved children of My Immaculate Heart, the Holy Trinity has entrusted Me with the protection of His children so that, as Mother of the Word, I be the one to fight by your side against the hosts of the devil with the defense of Saint Michael Archangel and the Celestial Legions.

My children, the specter of war has stopped being specter; and you live the onslaught, only silent, through a war of words and threats that will become action: The feared and announced Third World War.

YOU MUST NOT ALLOW THE MICROCHIP TO BE IMPLANTED IN THE HUMAN BODY, HAVE FAITH; neither My Son nor I will allow the faithful People to march under the delusions of the followers of antichrist that walks freely all over Europe, daring to enter even My Son's House.

A weapon superior to the ones you know is in the hands of a Power, and it will not hesitate to use it if it feels threatened. The great insanity of man created the weapon that can cause the greatest devastation on Earth.

**ENOUGH IS ENOUGH! DO NOT CONTINUE TO DENY THE CALLS OF MY SON AND MINE!
DO YOU NOT UNDERSTAND THAT YOU GIVE THE DEVIL MORE POWER?**

Man is not only flesh; he has spirit, soul, reason, five senses, intelligence, and will, all of which, when offered and taken to act in My Son's path, multiply infinitely, spreading good over all of the Earth and beyond, to the Universe.

Bacteria and viruses proliferate in a sick body; they multiply if the disease is not treated promptly. This happens to Earth; each one is a body that spreads good or spreads evil, and thus evil attracts negative effects to the Earth itself, from the Universe Therefore it is several Celestial Bodies that will reach Earth. Man does not know how good or evil can influence for better or for worse.

My prophecy in Fatima has not concluded. My Son's Church will suffer the schism; Humankind does not perceive it, due to the accelerated daily life, man has separated from My Son because of human occupations to which man gives a higher priority. **MY SON'S PEOPLE MUST RETAKE THE PRAYER TO SAINT MICHAEL ARCHANGEL, DEFENDER OF MY SON'S CHURCH.**

**MY REQUEST IN FATIMA HAS NOT BEEN FULFILLED...
CHILDREN OF MY IMMACULATE HEART, AS MOTHER I ASK YOU TO CONSECRATE YOURSELVES
TO OUR SACRED HEARTS, A PERSONAL CONSECRATION AS WELL AS FOR THE WORLD.
I POUR OUT ABUNDANT GRACE FOR THOSE WHO COMPLY WITH THIS REQUEST ON THIS DAY.**

I made a greater request which would have stopped the sorrows that Humankind will encounter. **I WAS NOT HEARD...**

Children of My Immaculate Heart, do not separate from My Son, receive the Eucharist, remain united, share the happiness that comes from being children faithful to Divine Will, thirst for souls so that you will bear fruit of Eternal Life, remain in the Faith even when you think that all has been lost. To the astonishment of all humanity, Angelic Legions will come to rescue My Son's People, My children that I have begotten in spite of the darkness that has attempted to undermine My Son's Church.

**EVIL WILL NOT PREVAIL; I WILL CRUSH THE TYRANNICAL OPPRESSOR OF HUMANKIND,
AND I WILL TIE HIM UP SO THAT HE WILL NOT BE ABLE TO SCOFF MY SON'S PEOPLE.**

You have entered the instant of instants, and My children know it, **THE INSTANT OF PURIFICATION.**

The Shepherd that Loves His Flock does not deliver it into the hands of the enemy; instead, He warns them and leads them to another pasture where they will not be devoured.

Beloved children of My Immaculate Heart,

My Immaculate Heart will triumph and you, children faithful to My Son, will be the ones to rejoice on the Eternal Lap.

RECEIVE MY BLESSING AS YOU READ THIS CALL AND GIVE IT LIFE.

I love you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

CONSECRATION TO THE SACRED HEART OF JESUS

LUZ DE MARIA, JUNE 2009

*Sacred Heart of my beloved Jesus,
Spring of infinite mercy,
Receive on this day the complete surrender of my being.
Take my life, I offer it to You
Let your sacred Heart be a fountain of blessings,
Not only for me, but also for all of humanity,
Which at this moment united with me, I give to Your protection.*

*I give You my heart, so that it only loves You,
I give You my sight so that I see Your Love everywhere,
I give You my ears so that they hear your heartbeat,
I give You my thinking so that protected by You, it be a constant hymn of adoration,
I give You my hands and my feet so in your likeness they may be
blessing for my brothers and sisters.*

*Sacred Heart of my beloved Jesus,
I accept you today as my refuge from
anguish and tribulation at all times,
I accept You as protector and custodian of my life,
Above all in moments of temptation.*

*Sacred Heart of my beloved Jesus,
From today on I give myself wholly to You.
I plead with You to help me in this life,
So that nothing and no one separates me from You.
Fountain of infinite mercy, take possession of my being;
I, in exchange, promise to love You, and I resolve to never offend You.*

*Receive, I beg You, this my consecration to You,
And keep me, as of this moment, as Your own possession.
Amen.*

CONSECRATION TO THE IMMACULATE HEART OF THE BLESSED VIRGIN MARY

LUZ DE MARIA, AUGUST 2011

*I give myself, Mother, to Your protection and to Your guidance; I do not want to walk
alone in the midst of the storm of this world.*

*I present myself before You, Mother of Divine love, with empty hands, but with my heart filled with
love and hope in Your intercession.*

I ask You to teach me to love the Most Holy Trinity with Your same Love, so as not to be indifferent to Its calls or indifferent to mankind.

Take my mind, my thoughts, my consciousness and unconsciousness, my heart, my desires, my expectations, and unify my being in the Trinitarian Will, as You did, so that Your Son's Word does not fall on arid land.

Mother, united with the Church, Mystical Body of Christ: bleeding and despised in this instant of darkness, I raise my pleading voice to You so that the discord between men and the nations be annihilated by Your Maternal Love.

Solemnly I consecrate to You today, Blessed Mother, my entire life, from my birth. With full use of my freedom, I reject the devil and all his machinations and I give myself to Your Immaculate Heart. take me by Your Hand from this instant, and at the hour of my death, present me before Your Divine Son.

*Allow Mother of Goodness, that this: my consecration be taken in the hands of the Angels to every heart so that it might be infinitely repeated in each human being.
Amen.*

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
17 MAY 2016**

My People,

I LOVE THE HEARTS OF THOSE WHO ARE HUMBLE BECAUSE THEY ARE DOCILE TO MY CALLS...

My People, you look for Me outside of you and you will find Me within you...

MY PEOPLE'S INTEREST IS ANOTHER; IT IS NOT TO COME NEAR ME AND GET TO KNOW ME; instead, it is to delve into the new things that the world presents to them. This is why they have stopped looking for Me, they have stopped obeying Me, and they have forgotten My Requests and have changed them for their own personal wishes, interests, and whims, which leads them to be like small children, behaving as such, immaturely and with the ego so ingrained that they do not see the brother next to them and, least of all, the ones who need them. They allow the ego to continue with deeper roots until these become so strong that, although they may want to overcome their own humanity, hubris will defeat them.

THEY QUICKLY FORGET THAT THEY FIGHT AGAINST THE DEVIL AND HIS LEGIONS AT THIS INSTANT MORE THAN OTHERS, and they do not see him, they do not believe they hear him; he only controls them taking them out of My Will to become others of his own, repeaters of his behavior. And what does he attack? Man's heart, hardening it, desensitizing it, until he leads the heart to act contrary to the way in which it should move properly in man's interior.

My People, you mistakenly look for Me with hardness in your hearts. It is not so much the wisdom—although it is necessary—what manages to transmit My Word; it is the constant living, practicing, what man keeps in his heart.

My beloved, the hardened heart does not grasp the interior of his brothers; he is not clever to draw spiritual gain in his brothers; on the contrary, he becomes senseless and foolish.

My People, you must thirst for Me. When you abandon this thirst, the interests are different, personal interests emerge and not My Will, and you imprison the heart of your brother inside your personal human will.

Children, you must constantly remind your memory that you do not know everything. **INNER STRENGTH IS BORN WHEN MAN KNOWS WHAT IS KEPT IN MEMORY, BUT IT [MEMORY] MUST BE REMINDED CONSTANTLY THAT IT IS NOT MEMORIZING THAT YOU COME TO ME; YOU COME TO ME WITH WHAT IS KEPT IN YOUR HEART**, because the heart cannot give what it does not have and therefore what comes out of the memory is memory, not reality.

My People, he who lives in discord does not allow Wisdom to guide him on his way. The wise man is humble and in his heart is the intense living glow of My Merciful Love.

There are so many who with great eloquence talk about Me, but they do not transmit My Love to their brothers!

MY PEOPLE, LOOK FOR KNOWLEDGE, DELVE INTO ME; but, with a heart of flesh, the knowledge you obtain will be incorrect. Look for Me loving that for which you search, loving yourselves and your brothers, because, in order for man to act correctly, there must be a parallelism between what he transmits and his heart.

MY PEOPLE, YOU SAY YOU LIFT YOUR HEARTS UP TO ME, AND IT IS NOT TRUE... YOU TIE THE HEART TO THE HUMAN WILL OR TO THE WISH OF PERSONAL INTERESTS WHICH MOSTLY BELONG TO THE WORLD AND ITS EGOTISM. You strive looking for answers to the unity to which I Call you as My children, but this unity does not have an answer except for the one that naturally springs from the heart that is merged with Me and that wishes to be united with his brothers.

My People,

I CALLED YOU TO UNITY. As God, I know each one in particular; you are not alike, your interests are different. But if I Call, each one must be available to the purpose for which I called you...

YOU HAVE BEEN CALLED BY ME, BUT YOU COME AS SPECTATORS WITHOUT MAKING THE DECISION TO PASS FROM BEING A MERE SPECTATOR TO BECOMING PART OF THE ACTION TO FORM THE UNITY.

He who desires to be a spectator at some instant will be a stumbling block...

He who desires to be action in the Call, fights first against his human ego in order to look for internal similarities with his brothers and is available with a docile heart to be life of My Request...

THE DEVIL IS AGILE TO PRODUCE CONTRARINESS AMONG THOSE WHO ARE MINE; THEREFORE YOU SHOULD NEVER NEGLECT THE UNITY. This unity is lost when each one of My children takes a personal priority and is not humbly available to be a part of what I desire, but moves away from the Knowledge of My Call.

He who claims to know Me overcomes his own humanity for the benefit of My Requests...
He who does not know Me strives in favor of his own personal interests, even when these are not Mine.

UNITY IS NECESSARY AND FOR THIS YOU MUST KNOW ME...

Agonizing instants are close to My children, instants when loneliness will accompany My faithful children, and the unity of My People will be the help that will achieve your triumph in My Name.

I do not explain My Word so that a few will live it; I wish all humankind to live it. Satan has dispersed My People and there are few who follow Me, but with those few I will manage to keep My People alive.

MY ANGEL OF PEACE WILL ARRIVE TO BE THE COMPANY THAT YOU WILL THINK YOU HAVE LOST WHEN YOU ARE PERSECUTED, STALKED AND SLANDERED. THE STRENGTH OF MY SPIRIT WILL ACCOMPANY YOU SO THAT HE WILL HEAL HEARTS WITH HIS LIGHT, AND CONFIRM THE CERTAINTY OF MY LOVE FOR MY FAITHFUL.

MY ANGEL OF PEACE WILL BE SHELTER FOR MY PEOPLE AND LIGHT IN THE DARK, STRENGTH FOR THE ONE WHO THINKS HE WILL GIVE UP, AND UNFATHOMABLE CHARITY THAT CAN COME ONLY FROM ME. HE COMES TO BE FORTITUDE OF MY PEOPLE AND PEACE FOR THOSE WHO ARE SCARED. HAVE FAITH.

My beloved People,

Pray; the movement of the earth will continue to increase; there will be great earthquakes all over the Earth, this increases the inversion of the magnetic field of the Earth and this, together with a strong volcanic eruption, can accelerate magnetic change in a few months.

Pray, My children, pray; the Earth's nucleus emanates its activity towards the external layers of the Earth, and this attracts change in the Earth's magnetism. Communications will be paralyzed and man will understand that he does not have control over everything.

Pray, My children, chaos goes into man. Those who prepare the entrance of the antichrist (*) hasten the pace; the elites that rule the Governments of the Earth disclose their biggest lie; remain attentive.

Pray for Venezuela; pray for Brazil.

Pray, My children; where it has never trembled it will tremble.

Pray for Spain and for Argentina.

Pray, My children; natural disasters increase; pray for Sweden, Stockholm.

MY PEOPLE THAT CONSTANTLY COMBAT RAISE THE PRAYER AND ASK MY HOLY SPIRIT FOR WISDOM.

HE WHO DOES NOT DISCERN DOES NOT KEEP A FIRM PACE.

These are instants of confusion and convulsion when My children express violence and rise against Me; they have changed good for evil with which they confidently ally themselves.

New plagues flog you; they do not come by natural causes; they are created to act against My children.

Do not separate from Me; **"I AM WHO I AM"** (Exodus 3:14), and I seek the humble.

Since now, they please the antichrist with human blood; on that blood he will get drunk... he is the beast that will flog My People. *(read comments)*

My beloved People,

I REMAIN IN EACH ONE OF YOU; YOU ARE MY PEOPLE WHOM I DEFEND AND WILL CONTINUE TO DEFEND.

You must be obedient, do not allow evil to penetrate the heart in any way because evil will disturb you and lead you to commit evil deeds.

Come to My Mercy; I am the Good Shepherd; My Mercy awaits you.

Come, I tend you (Ref John 21:16). My Heart is consolation for all.

I BLESS YOU, MAKE THIS CALL LIFE, MAKE IT LIFE. I LOVE YOU.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

We see our Lord warning us about the human ego because it is an obstacle in man's way, and in man's spiritual way, the human ego is the one that does not allow the human being to achieve the end for which he was created: To be one with his Creator.

Given that this is an instant of confusion, we cannot live being spiritually blind, because, as Christ says, "Since now, they please the antichrist with human blood." In other words, the antichrist is pleased with the innocent blood spilled because he finds his enjoyment in the death of the innocent.

Brothers, man is prompt to see the mistakes of others and to see that which does not agree with us in others. Christ says that we must positively bend our ego, not someone else's, but our personal ego.

It is extremely easy to feed one's own ego and for flattery to cause a negative effect leading vanity and pride to grow in the human creature and without man noticing, he will fall in hubris and therefore perdition.

Each one must find ways to stop the ego from wanting to be more than the other brothers, in order to stand out, and to despise those he thinks are ignorant or intellectually challenged.

Christ insists with Love on the importance of Knowledge, because the more man knows, the more he discerns, and his thinking expands, because, just as each one keeps a different image of God, each one is different, but this difference and the respect for this difference make us all useful within the Church, the community, the home, and as part of Humankind. It is precisely in this diversity that man has more opportunities to be better and to love the qualities of his brothers and it will be easier to achieve Unity in God's People.

We have free will and we must clearly see that free will leads the human being to find true freedom, the one we have inside and yet we seek in a thousand ways. Man looks for it outside and falls into the opposite of freedom, falls into debauchery which is none other than sin.

Each one carries true freedom within himself by living as God commands, being a copy of His Love, and walking along the path of Unity.

We are called to true Unity, and this does not happen until man gives himself up for Love to Obedience and thus control the senses and lead them towards good. When man finds that in common good there is also a form of communion with the Commandment of Love, then, as Humanity, we will receive the Blessing that God has in store for His children.

We must recognize that without the Commandment of Love the true Unity of God's People will not be achieved. At this instant when each one has his own idea of God and of Unity, we must bring to our brothers the living God, real and true, that we know by Divine Grace.

Our Lord calls us to be one because, when we are one in God's Love, divisions do not subsist.

Let us share with our brothers true freedom, the one Christ has bequeathed to us at this instant when man mistakenly seeks consolation in passing appeasers that lead to perdition.

Brothers, this instant prior to the Warning is a Blessing that no one should lose, to react, reconsider, and find the freedom of the children of God.

Amen.

Note: The Bible used is the New Revised Standard Version Catholic Edition

**MESSAGE FROM SAINT MICHAEL THE ARCHANGEL
GIVEN TO LUZ DE MARÍA
20 MAY 2016**

Beloved People of God,

**OUR PROTECTION REMAINS WITH YOU BY DIVINE LOVE WHICH THE HOLY TRINITY CONSTANTLY
EMANATES TOWARDS HIS CHILDREN.**

Our Queen and Lady of All Things Created loves you and protects all of you, whether you love Her or not.

As Chief of the Celestial Legions, I have been sent to issue instructions to the People of Our Lord and God:

**THERE EXISTS ONE SINGLE TRUTH IN HEAVEN AND ON EARTH, EVERYWHERE: THE DIVINE WORD
BEQUEATHED IN THE HOLY SCRIPTURE EMANATES GOD'S LOVE FOR HIS CHILDREN.**

Regarding the Faith, the Spirit, and the Soul, today's man lives in total unconcern; he is satisfied with a poor and ambiguous thinking on which he bases his Faith. At this instant, most of men's opinions regarding religion have no foundation, they are empty; however, he defends them as if he had lived a blameless life of unity to **OUR KING**.

Today's man thinks he expresses himself with authority; and lies, because he does not have the knowledge which is achieved by means of Faith and conviction, the adhesion and fusion with the Divine Word.

**THE NORM OF LIFE OF THE SON OF THE MOST HIGH IS A CONSTANT PRACTICE OF LOVE
TOWARDS THE HOLY TRINITY, TOWARDS OUR QUEEN AND MOTHER, TOWARDS HIMSELF, AND
TOWARDS HIS BROTHERS.**

Every man is called to be a creature that seeks the Truth with Wisdom, using his reason to acquire knowledge, enlightened by the Holy Spirit.

The man who looks for God without the assistance of the same God does not find Him.

Humanity believes that the conscience is mute, that it has no voice, and therefore he usurps the Divine Word, giving the Mandates of the Eternal Father another course. The Church, as the Mystical Body of Christ Our King, must obey and fulfill God's Law. **GOD'S LAW IS NOT LIABLE TO CHANGE FOR ANY MAN; IT IS DESIGNED TO BE THE ETERNAL PRESENT OF DIVINE WILL FOR GOD'S PEOPLE TO COMPLY WITH IT.**

At this instant, Our King's Church is being invaded by currents that oppose God's Eternal Law. The purpose is for humankind not to oppose this modern religion that allows man's disobedience.

Debauchery is a matter of men, with the participation of men, and promoted by men who do not have God as the priority in their lives and, therefore, they do not feel the need to partake in the ineffable happiness that comes with the fulfillment of everything the Divinity has stipulated for man's correct walking on Earth.

Our King has been left aside. For this reason, those who fight to be faithful are not in line with today's society that looks at them with contempt.

Woe to the men who live in constant sin!
Woe to the allies of evil; they will suffer so much being satan's captives!
They will regret so much after all the evil they will be led to commit!

CHRIST'S CHILDREN, HUMANKIND IN GENERAL HAS ENTERED A PERIOD OF DARKNESS, IN BOTH THE BODY AND THE SPIRIT.

They do not heed the Calls of Our King or of His and Our Mother. The vile man strives to sully his neighbor unmercifully; man is invaded by the madness of demonic wrath.

This instant is in a convulse movement of the Universe when man receives what the same man preaches: He preaches evil with his acts and works.

He suffers the ailment of lack of morals, which leads him to lose his sanity, and he does not reason, he only acts driven by low instincts.

Solar emanations have come to alter man's mind, and a man without God is more vulnerable than a man with God.

The gravitational force of the Universe is not the same, it is accelerated; and all the elements that exist in the Universe have lined up with that accelerated force. Earth is more prone to receive Celestial Bodies that will harm her in some places of the Planet.

OUR QUEEN AND MOTHER SHEDS HER TEARS OF BLOOD IN SEVERAL COUNTRIES AS A PRELUDE TO THE EVENTS THAT HUMANKIND WILL LIVE.

Man sends out a constant rebellion towards the Holy Trinity and towards Our Queen and Mother of Humankind. At this instant, this has led Humankind to succumb in spiritual ignorance that is expressed by means of abnormal acts and works without scruples, without a heart, **WITHOUT THE FEAR OF GOD.**

The trajectory of some Asteroids and Comets orbits towards Earth. Some have been recorded by man; others will appear in instants and will baffle the men of science. Some will fall in the sea causing tsunamis, and others will wipe out Towns.

Pray, children of God, pray; the lack of order that lives in the minds of men bring chaos to countries in several Continents.

Pray, children of God, pray for Brazil; it will suffer social effervescence due to moral and food shortages.

Pray, children of God, pray for Venezuela; it suffers. These people will continue to suffer the ravages of communism. Extreme poverty leads to uprising which in turn leads to death; allies of communism will scourge the people.

Argentina is convulse; in the shadows are those who covertly inflame the mind and heart of this Nation where blood will spill. Man will not be able to stop the agitated society and the fighting arrives without being recognized.

Pray, children of God, pray for the United States; confusion is the result of this Nation's wrongdoing that has seriously offended God. San Francisco will suffer; noise will be silence when the water comes in over that land. The state where fun reigns, where money is man's god, and formal party gowns adorn the festivities, where the great fashion events take place, will be destroyed by the same man.

Pray, children of God, pray; the Middle East burns pitilessly.

Pray; the Third World War has begun and you do not recognize it.

Pray, children of God, water causes great suffering in coastal areas and, suddenly, on lands where water will spring up unexpectedly.

Pray, children of God, pray; the butcher antichrist gets help and protection from the members of the elites that rule behind the throne: The Bilderberg Club, the Illuminati, and the masons will make him rise in instants.

Pray, children of God, pray; at this instant, the Elements are purification: Snows arrive in haste, the increase in force of the hurricanes will be like never seen before; fires will increase and the land, by means of earthquakes, will give man pain.

THIS IS THE INSTANT OF INSTANTS; THE INSTANT IN WHICH MAN HAS REFUSED TO BELIEVE...

Do not forget that the Unity of God's People is shelter against attacks.

Do not get dispersed, remain united in the Sacred Hearts.

We, your Travel Companions, your Custodians, are near each of you; call us, allow us to help you in this tribulation.

**WHO LIKE GOD?
WHO LIKE GOD?
WHO LIKE GOD?**

**GLORIFIED BE THE NAME THAT IS ABOVE ALL NAMES, WORSHIPPED IS THE TRIUNE GOD!
MY PROTECTION IS CONSOLATION FOR THE CHILDREN THAT STRIVE FOR CONVERSION.
ADORED BE THE HOLY AND AUGUST TRINITY!**

Saint Michael Archangel

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

Let us invoke the powerful Chief of the Celestial Militia and let's trust in his protection by saying His prayer:

St. Michael the Archangel, defend us in battle.
Be our defense against the wickedness and snares of the Devil.
May God rebuke him, we humbly pray,
and do thou, O Prince of the heavenly hosts,
by the power of God, thrust into hell Satan,
and all the evil spirits, who prowl about the world
seeking the ruin of souls.
Amen.

O Glorious Archangel Michael,
with your sword defend us,
with your light enlighten us, and cover us with your wings.

Saint Michael pray to God for us.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
22 MAY 2016**

My Beloved People, My children,

I bless you with My Love which I pour over all those who are thirsty for My Will.

You walk and walk, discuss and discuss; you think you understand and you do not understand. **YOU MUST KEEP THAT ENTHUSIASM OF WANTING TO BE UNITY IN MY LOVE.**

Children, you do not perceive it but each one, in his thinking and in his memory, is keeping the issues that have impacted him in his life. Once those issues have made you shudder and each of you has thought he has forgotten them, at some instant, what each of you carries in your interior jumps up for better or for worse, according to your free will.

IT IS IMPORTANT FOR EACH ONE OF YOU TO ENTER IN COMMUNION WITH ME, AND TO FOCUS ON ASKING MY MOTHER AND MY HOLY SPIRIT TO HELP YOU SO THAT YOUR THOUGHTS BE TRULY MY WAY, AND YOUR MEMORY KEEP YOU FOCUSED ON ME.

Children, in the interior of each of you there is a flow of your thoughts, personal intuition, the concepts each of you takes as a rule of life. At this instant, you must be astute, because the envoys of evil move all over Earth and, in the slightest indisposition of man, enter to cause a serious storm where there should not be even a light drizzle.

I have called you to be faithful and persevering. The devils come to produce restlessness in those who want to live close to Me. You have not realized that the fight is not visible. The devil attacks man's interior to give him discomfort, misunderstanding, convulsion, wrong reactions; he brings out the worst of the human ego in order to divide.

BE ASTUTE; DO NOT FALL IN SATAN'S TRAPS.

My People, I lead you to inner peace. The soul in peace belies a creature centered on Me, and a creature that tends to Me and is oriented towards Me belies the peace of the soul. Human will must move towards Me, live in Me, and be subjected to Me, so that the creature be ordered to My Love and to what is derived from My Love.

MY CHILDREN, YOU ARE IN CONSTANT EVALUATION BEFORE ME. EACH ACT, EACH WORK CONSTITUTES THE TREASURE YOU WILL PRESENT BEFORE ME.

Passivity before Me is the lack of being testimony of each of My Words; the apparent certainty of man before Me is the greatest insecurity and the clearest sign that he does not walk next to Me.

MY PEOPLE, YOU CANNOT SEPARATE YOURSELVES FROM THE POWERS OF THE SOUL:

MEMORY with which you do not let yourselves move away from Me as you keep your memory active. I am in the memory of each one of My children.

INTELLIGENCE to want to be a part of My Mystical Body, an active part, by means of the Love that leads you to the correct behavior at every instant.

WILL so that you live of and for good. The will chooses correctly and directs My children towards Me, or it leads you to spiritual weariness, denial, disobedience, and thus distances you from My Love.

At this instant, this is relevant for My People who cannot walk to the wiles of evil without knowing in order for them to resist.

He who denies evil and sees everything as good cannot rid himself of evil, but in evil lives...
He who lives above his brother to judge him cannot see the harm he causes because he does not think it is wrong to judge, as it is part of his being and he has not been instructed on the correct way of walking of My children which is **DO NOT JUDGE...**

He who lives of envy does not see envy as an act contrary to Love of neighbor when the soul is poisoned with what the same creature produces...

THE EVIL THAT CORRODES HUMANKIND IS INDIFFERENCE AND BEING SELF-CENTERED. THAT TO WHICH I LEAD YOU IS THE COMMON GOOD IN MY WILL. This turns men into a community of like-minded creatures that constantly look for mercy for their fellow men.

MY LOVE LEADS TO UNITY; UNITY LEADS TO UNION; UNION TO ORDER, AND ORDER TO OBEDIENCE TOWARDS ME. He who is obedient is free from pride, does not live in disorderly love where the first place is held by the same creature; instead, he lives in charity which unites the soul with My Love.

My children, keep in mind that he who loves Me, loves his brother firmly and abundantly, in such a dimension that the certainty and security of living in Me leads him to externalize My Love, present and joyful in the human creature, revealing at each instant the greatness of what is not human and common, but acquired by Grace and by the permanence of My Spirit, in constant and active giving of self to his fellow men.

My People, remember that the love you possess is Love that comes from Me as you work and act in My Will, without rejecting Me but in constant evolution to achieve a greater possession of this Gift.

The Earth that has nestled you cracks more often and these cracks will make territories disappear.

Pray, My children, pray for the United States; it is being purified, racism will proliferate making past events be revived again. There will be mass arrests for no reason other than it's an order.

Pray, My children, pray for Italy; the Vesuvius volcano attracts pain, awakens with force unexpectedly.

Tyranny arrives in Europe; betrayal will happen in these lands.

Pray, My children; you will see the great light come down from space; it will shine with its own light creating panic. Then it will fall into the sea and, in a few instants, Nations will be flooded with water.

MY PEOPLE, WHAT I SHARE WITH YOU IS NOT FEAR, IT IS WHAT YOU WILL ENCOUNTER.

You must stop the great sins you constantly commit and with which you offend Me. Admit that you have allowed satan to penetrate your hearts, **RESIGN HIM AND COME REUNITE WITH ME; I WILL NOT REJECT YOU.**

Suffering in the Middle East will surprise the rest of humankind. In few days they will wage bloody battle by the territories. In the midst of suffering they will find what does not belong to them and is My Property, **THEY WILL FIND REASON TO ENACT THE GREAT BATTLE FOR WHICH THEY HAVE BEEN PREPARING FOR YEARS.**

My children, do not continue being creators of death...

Be obedient children that return to Me...

Implore the intercession of My Mother who does not abandon you...

I look at Earth and I see it uninhabited; the souls that love Our Trinity and My Mother are the ones that attract Me, but they are not a majority.

My beloved People, communism seems to diminish; this is a strategy of evil to create a new form of captivity which will be turned over to the allies of the usurper.

Do not trust, convulsion will remain all over the world; the pain will be unspeakable for those who live it. At this instant, power in some Nations of the world represses man with torture in the desire to subjugate him in light of the agreement of some leaders with the elite that holds sway over the Earth.

My beloved People, My People's freedom has been sold to those that prepare the entrance of the infernal butcher. Do not be confused with modernisms of My Word which is written.

Know Me, delve into Me; it will be forbidden for My favorite children to alert My People. **AN UNUSUAL EVENT WILL BE ANNOUNCED TO MY CHILDREN.**

REMAIN ATTENTIVE; THE GREAT POWERS OF THE ILLUMINATI AND OF THE FREEMASONS WILL IMPOSE WHAT IS NOT MY WILL AND MY PEOPLE WILL BE PERSECUTED.

**PRAY, ENTER IN COMMUNION WITH OUR WILL.
YOU LIVE IN MY BLESSING; I AM FAITHFUL TO MY PEOPLE.
I BLESS YOU.**

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

As soon as Christ gives me His Word, He allows me to see clearly two ornaments that are used by those who preside in other religions, and I do not pinpoint to whom they belong and Christ does not mention it.

And Christ tells me, "***Persecution!***"

I saw two Envoys from Heaven; they had so radiant a light that I could only see the light they possess because my eyes blinked too much. From a holy place they take out a book, big and heavy. Christ tells me, "***I rescue what is Mine; I will take it out of the Earth that does not deserve this knowledge.***"

Then Christ tells me, ***“Your brothers must remain in constant vigil. Do not allow evil to cloud My Word nor injustice to bloody My People.”***

Christ looked at Earth, took His Mother’s Hand, and placed Earth in the Hands of the Most Holy Virgin Mary, and with His entourage of Angels, they watched the Earth in the Hands of so great a Queen.

Suddenly, some darkness was moving towards Earth; it did not cover all of Earth because it was the result of a war, and the Mother shed tears.

And She said, ***“My children must be prepared... the Warning...”*** and I did not see anything more.

I share this in the Will of the Father, the Son, and the Holy Spirit.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
MAY 26, 2016**

Beloved children of My Immaculate Heart,

As Mother, I love you...

As Mother, I bless you...

As Mother, I speak to you with My Heart...

**HE WHO IS AWARE OF MY SON’S LOVE FOR HIS PEOPLE IS AN OBEDIENT CREATURE.
HE WHO DOES NOT OBEY THE DIVINE MANDATES EXPRESSED
IN THE HOLY SCRIPTURE CANNOT CALL HIMSELF SPIRITUAL.**

He who remains away from My Son—who redeemed you—cannot aspire to the affairs of Heaven.

Beloved children of My Immaculate Heart,

THE UNION WITH MY SON IS VITAL TO MAN.

This generation is rebellious, deceiving, indifferent, ignorant, and hostile to everything that is a sign of Salvation...

This generation is concretely hostile to My Son and lover of riches, among other things...

This generation will be shaken until they gnash their teeth...

By all means I look for you to intercede for each one of you and to bring you to rediscover the true Way.

Children, each one possesses intelligence, thinking, reason, heart, and will. It is with each one of these that you must look for My Son and find true Knowledge, the one that is only given by the Holy Spirit to those who plea for Understanding and Knowledge, but guided by the Holy Spirit.

BELOVED CHILDREN, DO NOT WASTE THE INSTANT DELVING INTO KNOWLEDGE THAT IS NOT BASED ON THE DIVINE WORD. THIS IS DECEITFUL, FAKE, AND WILL LEAD YOU TO HELL.

You must focus your thinking on using the so precious instant on expanding the Knowledge in order to act and work in Divine Likeness. He who only thinks about himself does not act correctly. First you must give life within yourselves to the Word from Heaven, not to keep it, but to share it with your brothers.

Reason, illuminated by the Holy Spirit, will manifest itself in humility and wisdom with which each child of My Son acts and reacts, as mirror of the works and acts in My Son's Love.

My children's hearts must be sincere and must keep My Son's Will in the first place, even against the human will...

My children's hearts are hearts of flesh, not stone; and they offer the first place to the King of kings and Lord of lords, Jesus Christ...

To acquire the *raison d'être*, knowledge must remain submerged in the principle of My Son's giving: **IN LOVE.**

DO YOU WISH TO CONTINUE PENETRATING INTO THE TRUE PATH? I DEMAND OBEDIENCE. If you do not understand, you will understand along the way. Do not stop at this instant when the Divine Love embraces within His Mercy anyone who leaves what is worldly and sinful and gives himself without reservations or conditions.

I guide you strongly and tenderly, with Maternal Love and firmly; this instant is not for tepidity; this instant is for fidelity and unity of all the People of My Son and Mine.

Come to Me and by My Hand I will take you to the depths of the human will and you will clearly see that My Son is Everything and man is man. **EACH ONE BEARS FRUIT AND THIS IS THE TESTIMONY: LOVE.**

DO NOT LIVE IN THE PAST. THIS IS THE INSTANT WHEN YOU MUST GROW. REMEMBER THAT TO WHICH YOU ARE ALL CALLED SO THAT YOU WILL NOT BE LOST.

Children, you may know arithmetic, grammar, literature, the great sciences; but We keep coming to instruct you on obedience and true Love, because you do not finish learning the basics as you are under the control of the human ego which you must discard.

You keep ignoring the Divine Word; you ignore the warnings received in each Call, because unconsciousness has overcome all the senses, contaminating them until they have hardened.

Beloved children of My Immaculate Heart,

The man of this generation thinks he is superior, he feels like he can control, by means of technology, all that exists...

Science has forgotten that God exists and that what moves faster than the speed of light cannot be seen by science. What man thinks he has achieved as goal is only progress; and within that progress, man will find another greater one to overcome. Thus, man has reached a small scale of the Grand Universe; he has won a small scale of knowledge.

Children of My Immaculate Heart,

THE INSTANT CONFRONTS MAN. LARGE-SCALE EVENTS ARE COMING. You have not believed in the Miracles that My Son has allowed during My Apparitions, especially some of them. You have seen the sun approach Earth (*), you have seen stars fall from the sky. **IS THIS A DIVINE MIRACLE OR IS IT NOT?** And you continue in disbelief!

You remain within the infinite Universe, and without the sun detaching itself from the sky, the Divine Hand, as if shrinking the Universe, at the speed of light, manages to make man feel as if the sun were falling and hurling itself towards Earth, although its position has not changed. This has happened in some of My Apparitions; but not even the man of science has believed in what he should know and accept as a Miracle. However, this generation will indeed see the Powers of the Sky move strongly, changing places.

This generation will suffer through the star Sun (1) and before the power of man, this generation will feel the supremacy of the Creator, and will have to accept that what man has achieved is not what he thought he had achieved.

Beloved children, darkness will be separated from light; and darkness is closest to the unconscious Humankind that makes fun of the Divine Word.

By Mercy, you receive from the Holy Trinity the advancement of what will happen, but still you do not obey. You know well that you are warned about the coming events, not for you to be afraid but for your human will to search for the True Path.

Children, Heaven is the transmitter and man is the receptor, but the receptor is an unbeliever, he is disobedient and arrogant, so much so that he does not even question why there are so many announcements from the Father's House to this generation. The few who are aware are mocked and continuously attacked by multiple fake data that are spread in order to disperse My Son's People from the Truth.

**HUMANKIND BLINDLY FOLLOWS THE CURRENT OF THE UNCONSCIOUS MAJORITY.
YOU HAVE FREE WILL; YOUR FREE WILL SHOULD DECIDE IN FAVOR OF ETERNAL SALVATION.**

Beloved children, survive this constant flow of evil's insinuations, overcome everything that is not Divine Will. The devil likes it when man follows him; he likes everything he suggests and man obeys without thinking.

Beloved children of My Immaculate Heart,

**OPEN THE SENSES, CORPORAL AND SPIRITUAL SENSES.
IT IS THE INSTANT TO GIVE EVERYTHING FOR SALVATION; SPIRITUAL TEPIDITY IS NOT FOR THIS
INSTANT.**

Pray, My children, pray for Portugal; it will suffer unexpectedly.

**Pray, My children; Italy will be greatly flogged by Nature. The Vesuvius volcano will be news and
Etna will make the man living in surrounding places leave those places.**

**Pray, My children, pray; France is shaken; terror arrives again in daylight, agitated by its own
rulers.**

**Pray, My children; Ecuador suffers again; Chile is shaken in its land. Argentina suffers; from the
subversion of a few will come the cry that later will engulf all My children.**

Pray, My children, pray for Hawaii; its lament will be intense.

My children, volcanoes will continue to awaken; food will be scarce because of intense flooding;
strong heat will contribute to food shortages. Where there is desert they will have rain, where they
have rain there will be desert.

**MEN OF THE ENTIRE EARTH, ALL CHILDREN OF MY IMMACULATE HEART: MAN WILL EXPERIENCE
WHAT HE DENIED OUT OF STUBBORNNESS, THUS EXPOSING HIS INDIFFERENCE TOWARDS THE
DIVINE WORD.**

**MY SON'S CHURCH WILL BE DRIVEN TO THE SCHISM.
CHILDREN, DO NOT WAIT ANY LONGER; SEEK SPIRITUALITY, THE ONE THAT DOES NOT COME TO
MAN WITHOUT MAN'S FIRM DECISION TO LOOK FOR KNOWLEDGE AND, THROUGH
KNOWLEDGE, UNITE IN DIVINE WILL.**

Do not be afraid, My Immaculate Heart will triumph. You live in My Maternal Heart.

I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

(* The so called miracle of the sun to which the Most Holy Mother refers as a Superior intervention
has manifested itself as a tangible sign without altering the order of the star sun.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

After Our Mother's Call I can only say, **THANK YOU, MOTHER, FOR YOUR FIAT!**

Heaven's Requests for our generation are several... How can this generation brush aside these Requests so easily?

If we take a look at the previous Purifications of Mankind, we see how the prior events are similar to the ones happening now at this instant. This generation will be examined in a special way. This is why this generation is warned, so that man can decide to convert, freely and ahead of time.

The Holy Trinity does not abandon His children. This is why we know about the things that will afflict Humankind, but the acceleration in which man lives keeps him far from inner silence needed to hear the Divine Voice; that Voice which may come through a brother or in many ways, but since man lives in constant acceleration, he does not see or hear that God is warning him to save him.

Brothers, so many "LET US PRAY" at Our Mother's requests are the mirror of Maternal Love for us, Her children. We know we will not be abandoned by God or by Our Mother, and that Divine Help will be there always as long as man allows it. If necessary, the same Heaven will open so the Celestial Armies will come down and help God's People.

We have so many Calls that encourage us, among them those that talk of an Angel of Peace, an Envoy who will help God's People in the face of the bitter persecution of the antichrist against the faithful of Christ. We receive and will receive constant and renewed strength so that we will resist the trials with the help of the Holy Spirit.

The land trembles, so must man shudder to react and heed the Calls in these Messages.

Brothers,

AS OUR MOTHER EXPLAINS TO ME, THIS INSTANT MAKES SOME EVENTS BE VERY CLOSE TO THIS GENERATION. THE MANY "LET US PRAY" MUST NOT GO IGNORED; THEY MUST BE TAKEN VERY SERIOUSLY. WE WILL BE EXAMINED IN THE CONSCIENCE, EACH ONE INDIVIDUALLY. IT IS NEVER LATE TO REUNITE WITH DIVINE MERCY.

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
29 MAY 2016**

My beloved People,

How I love you!

Without My children I would have nobody to love.

I am King, and a King without children... What kind of King would I be?

My People, go deep into My Heart and drink from the Fount of Mercy that spills for those who want to retake the Path towards Eternal Life.

I CALL YOU TO UNITY. MY CHILDREN ARE HUMBLE AND STRIVE FOR UNITY, even if they must put first what they want, as long as it is not detrimental to the guidelines of My Word contained in the Holy Scripture or The Commandments, the Sacraments, and other pious works of Love toward neighbor.

I call you to Unity at instants when you witness great human cruelty. In instants you will have to open the doors, not only to your home, but also the most important one, **THE DOOR TO YOUR HEART SO YOU WILL RECEIVE THOSE WHO DO NOT KNOW ME BUT WANT TO KNOW ME.**

**YOU SAY YOU KNOW ME.
ASK YOURSELVES, DO YOU REALLY TRULY KNOW ME?**

Do you see Me in your neighbor? Or do you see another creature that does not follow the path you want?

In the measure in which you love Me, in that measure you must love your neighbor so that your humility be My Humility, your patience be My Patience, your tolerance be My Tolerance, your charity be My Charity, and your rigor be the same one you apply on yourselves.

My People, each one has before him a scale; each act and work is placed on that scale, and I see how self-love outweighs the love of neighbor and the love of My Requests.

**I ASK AND YOU DISOBEY ME...
I EXPLAIN AND YOU DO NOT HEED MY EXPLANATIONS, YOU IGNORE ME...**

**ARE YOU AWARE OF HOW THIS OFFENDS ME?
NO, MY PEOPLE, YOU HAVE NO CONSCIENCE OF THE OFFENSE YOU CAUSE ME.**

FOR THIS AND MORE, THOSE WHO REMAIN WITHIN MY WORKING AND ACTING ARE FEW.

I LAMENT MUCH THAT YOU RECEIVE ME WITHOUT BEING UNITY, without being aware of My Real and True Presence in the Eucharist. How can you approach to receive Me when the rags of sin are attached to you?... You do not want to be aware of who I am.

I reprimand the ones I Love; this is why I instruct you on the behavior, on the good way to act and work, on what is good.

MY PEOPLE, YOU MUST GIVE YOURSELVES WITHOUT MEASURE IN ORDER TO ATTAIN THE GIFTS, VIRTUES, AND GRACES I SEND TO MY PEOPLE. He who searches finds the Way, not only using man's finiteness, but also the mind illuminated by My Holy Spirit. He who seeks—with his soul, his mind, his heart, and his powers—to belong more to My House than to the world, must be open to the Grace so he can project himself towards his brother and spread good like the rays of the sun to illuminate everything and everyone.

Children, will, reason, and thinking do not ascend if good is not in them. You will find yourselves mired in tepidity which leads the creature to do more evil and thus lose Eternal Life.

My People, use your freedom to approach with goodwill the acquisition of Eternal Goods. Abide by My Will so that the Eternal Laws, together with the effort of each one of you, will achieve the flow of the Holy Spirit in My children.

My beloved People, this instant is valuable; do not allow evil to continue lodging in your brothers; be testimony of My Love and, this way, attract those who wander lost in the mundane, away from Me.

My People, evil moves all his tentacles in search for souls to lead them to eternal perdition. If evil is not curtailed in My People, by themselves they will not seek out good; evil is comfort, debauchery, senselessness, ignorance, ... accepted freely. And this, children, is what the tentacles of evil achieve, being attractive so that you will become easy prey.

THESE ARE CONFUSING INSTANTS FOR MY CHILDREN WHEN THEY CALL GOOD WHAT IS IMPROPER. BE ALERT! WHAT IS IMPROPER IS IMPROPER; IT DOES NOT CHANGE LIKE DAY AND NIGHT. Confusion will spread with the wind and My People will be divided looking for debauchery. It will be then when the tentacles of evil will show the truth they were hiding, but by then, man will already be prey contaminated with the carnage with which his mind has been invaded.

**THESE ARE INSTANTS WHEN YOU MUST DECIDE TO LIVE AWAY FROM THE HUMAN EGO, AWAY FROM HUBRIS, AWAY FROM SIN.
THESE ARE INSTANTS WHEN YOU MUST CALL SIN ALL THAT IS AGAINST THE LAW OF GOD'S PEOPLE.**

Pray, My children, pray so that those who approach to receive Me will be worthy of Me.

Pray, My children, pray. Food will be scarce. Power denies food to the people, and Nature interrupts the production of food.

Pray, My children, pray in instants just prior to the imprudence of...

Pray, My children, pray for Japan and India; they will be strongly shaken.

Pray, My children, pray; water strongly hurls over Mexico and the Philippines.

My People, you do not listen to the explanation of My Word; you do not wish to use My eye drops of Truth to stop and regain the dignity of My children. Communism attacks without being seen; this is how it extends its power on the peoples. Communism seems to be kind but once in power it is the enemy of My children.

MY CHILDREN SUFFER THE HORROR OF THE SILENT WAR WHICH HAS SPREAD THROUGHOUT THE WORLD; war against man with the consent of the man of power; war against the people that suffer because they are hungry, not only physically but also spiritually, and in the face of this, man falls prey to fake satanic ideologies. The devil constantly usurps man's will with a will that tolerates sin.

My People, darkness comes to Earth suddenly, without explanations. Remain prepared in the spirit united with My Mother who does not abandon you. From space you receive the threat that science has denied.

Laboratories in the hands of the elites continue to spread flogging for My children; disease continues.

The Sun will give a spectacle without being cause for alarm for Humanity.

My People, social agitation spreads all over Earth; do not be involved in violence.

A leader finds death, pre-planned by those close to him.

**MY PEOPLE, DELVE WITHIN ME, COME CLOSE TO MY MOTHER.
DO NOT BE AFRAID; KEEP PRACTICING CONSTANTLY THE COMMANDMENTS.**

Be docile to My Word. My children have Faith; even when they walk without seeing the physical light, **THEY WILL BE ILLUMINATED BY THE LIGHT OF THE PARACLETE.**

Pray; always raise a prayer—it is nourishment—and put that prayer into practice.

**MY LOVE POURS OUT IN A SPECIAL WAY OVER THOSE WHO RECOGNIZE ME.
“I am the Lord your God”. (Deuteronomy 5:6)**

I Bless you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT’S COMMENTS

Brothers/Sisters,

It is not one more Call; it is a Call from Christ to His People; it is a fount of Love so His People will remain alert before every aspect of Humankind’s evolvment.

It unfolds how much the elites that control Humankind are planning for God’s People.

It gives us a map of events which, if we see between the lines, confirms that, as human beings, we are exposed to all kinds of attacks.

Man knows there are those who plan the events at the global level, the instability of the peoples, the diseases, famine and more. What was not known before is now revealed by Heaven.

As God's children, we are called to think wisely—this means asking the assistance of the Holy Spirit—so that external forces will not lead us astray and, with great dexterity, take God's People to the abyss.

Each one is responsible for knowing and recognizing what is God's and what is not God's.

Man's ignorance in knowledge, in reason, and in spirit is the work of human negligence fed by the elites that rule us.

Brothers, treasure the explanations of the Divine Word and you will find that, at this instant, the signs guide us towards the nearness of the examination of consciences and, thus, towards the nearness of the lament of God's children. At the same time, we are led by the Divine Hand, and this is the greatest thing a man could possibly want. So, let us not despair and let us be part of that guiding light, that light which emits not only clarity, but also love, understanding, charity, and, above all, testimony of He who lives in us.

Earth is in convulsion, not only man. The elements are stronger and attack man in several varied ways. **WE ARE NOT DEFENSELESS; WE HAVE THE OWNER OF HEAVEN AND EARTH.** Let us be witnesses to His Love, and invoke His Name that we may not be indifferent to Creation.

IN THIS MOST SPECIAL CELEBRATION OF GOD'S PEOPLE, LET US ADORE, IN SPIRIT AND TRUTH, THE DIVINE BODY AND BLOOD OF OUR BELOVED LORD JESUS CHRIST WHO GIVES HIMSELF TO US IN A CONSTANT MIRACLE OF LOVE, IN THE EUCHARIST.

Amen.

Note: The Bible used is the New Revised Standard Version Catholic Edition that we may not be indifferent to Creation.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
3 JUNE 2016**

Beloved children of My Immaculate Heart,

I BLESS YOU.

The clock continues ticking, and humanity subjects itself to time; humanity constantly thinks about time and about how to allot it so that the day's engagements fit the scheme that man has designed for his day-to-day life. Time is no longer time, but human beings brush this aside.

Beloved children of My Immaculate Heart, you live in your own time, in the time each one fabricates for his life plans and projects. Time stopped being time. Again and again We have reiterated that, in God's time, the space called time has stopped being time. Time has come to be instant which is the one in which you live, which is the instant of instants when human time elapses between day and

night; but, in the instant of the Universe, it is a brief and fleeting flash of light; hence the importance of man's consciousness to every Word that the Holy Spirit gives him.

**MAN ALONE IS NOT CAPABLE OF UNDERSTANDING THE URGENCY OF THE DIVINE CALLS.
THEREFORE I TELL YOU THAT YOU MUST FOCUS YOUR SENSES TOWARDS THE TRUTH,
MANAGING THE THOUGHT FOR THE MIND TO CENTER IN GOD AND THUS TEND TOWARDS THE
SALVATION OF THE SOUL.**

The soul remains in constant contact with the Holy Trinity; and the Holy Spirit, through man's spirit, communicates him with God's Will. This is why I call My Son's People for them to react and not get involved in the mediocrity of low instincts.

Children,

Most of the rulers do not wish to leave their places of prominence since they are aware of everything that reaches humankind and so they wish to keep their power.

Earth is a beautiful place. At this instant, man has turned it into the shame of the Universe. Man has come out of himself, of his sanity, without being aware of his behavior; man has forgotten the value of his soul and does not heed Our Call to act and work in the Divine way.

Beloved children of My Immaculate Heart, destruction arrives for the small countries as well as for the large Nations.

Men do not want to pay attention in any way; all I can say is that Prayer, Penance, and Sacrifice are most indispensable in the acting and working of this instant, crucial for the salvation of souls.

Sin keeps man in great darkness which blinds him and clouds his thinking, it gives him no truce and therefore he commits unthinkable acts.

With great sadness in My Heart, I reiterate that disobedience to the Divine Precepts wants to imprison Justice so that injustice be a daily practice.

**Pray, My children, pray; an asteroid is divided by man,
but a large portion falls into the sea, being the cause of terror and fear for Humanity,
while some other fragments penetrate the earth.**

HUMANKIND IS IMMERSSED IN CHAOS WITHOUT SEEING IT IN THE LIGHT OF TRUTH.

The iniquity of the evil ones is confusing My children who cannot get out of the tentacles filled with lies and errors. My Son had already announced it: They will walk on evil seeing it as good.

Beloved children of My Immaculate Heart,

The devil is gravitating next to each of you so you have setbacks and dismiss this reality. This way you are easy prey to evil and thus you act in favor of evil by your wrongdoing, killing those who are innocent and defenseless, seeing a suspect in every brother and, like savages, fighting one another.

The Warning is a great truth revealed to you so that you get prepared... All feel prepared, but it is not true as long as you do not stop muddying the soul and the spiritual senses with daily sin. **THIS INSTANT IS FOR YOU TO ASCEND IN THE SPIRIT, FOR YOU TO DELVE INTO THE HOLY SCRIPTURE AND COMPLY WITH THE DIVINE WILL IN THE COMMANDMENTS, THE SACRAMENTS, AND OTHER... BUT ABOVE ALL IN THE LAW OF LOVE.**

Pray, My children; the sin of this generation is the scourge of the brothers, it bleeds Humankind with so much blasphemy, lust, impiety, and other sins; this generation is stained with human blood. This blood attracts to Earth the purification, thus the diseases that they will suffer have not been previously experienced and only with medications that I have given them and that I will give to them in My Calls will they be able to be healthy.

**CHILDREN OF MY IMMACULATE HEART, YOU WILL SEE GREAT SIGNS
IN THE SKY, GREAT SIGNS THAT YOU HAVE NEVER SEEN BEFORE,
AND THESE WILL HAPPEN ONE AFTER THE OTHER.**

You will discover that Earth not only inverts its poles, but also plunges itself against the same man, and the animals and plants have mutated due to the climate change.

As Humankind, you do not stay in tune; and, as God's children, some walk struggling to be faithful while others walk in total debauchery and disobedience. Not now, this has been gestating for some time by forgetting about God which the same Church of My Son will take to itself. That which is spiritual has been postponed for money, for politics and social relations... the Church will suffer the consequences with greatest pain.

Pray, My children; Italy will suffer; it will be invaded from one instant to another, and Rome will be flogged in the midst of labor pains; Russia will enter and take what belongs to My Son: The Basilica. (*)

My Son's People will have to gather with My faithful favorite children in hidden places, but from those hidden places, the light of Faith will rise up to the Paternal Throne. Beloved children, the Church will be desolate and will know that the alliances with other religions have not been true; instead, they have served to lead My children to confusion; and as a result, My children have become more tepid than they were before and the devil has taken them and drank their blood to abate them... **MY CHILDREN, THE DEVIL IS ON THE PROWL; HE IS NEAR.**

The Warning is not far from man; in instants you will explain your disobedience and the harm you have caused, the good you have not done and the disobedience with which you have hurt My Son's Most Sacred Heart.

CHILDREN, EACH ONE HAS GROWN SPIRITUALLY WITHIN HIS OWN FREE WILL: SOME HAVE CLOSED DOORS, OTHERS HAVE HALF-LIVED, OTHERS DO NOT WISH TO LOOK AT MY SON, AND OTHERS GIVE THEMSELVES WHOLLY. I MUST CONFIRM TO YOU THAT THOSE WHO HALF-LIVE WILL HAVE TO CONVERT; OTHERWISE, THE PAIN THEY WILL SUFFER WILL BE GREAT.

Pray, children, pray; the war that has already started will intensify its activity when political decisions in the United States draw near. This Nation will be threatened by a meteorite that will approach; politics will become static.

**This Nation will suffer ad nauseum. The volcano Mount Saint Helens will erupt.
The Yellowstone volcano is larger than scientists think.**

My Son's People, Earth will continue to agitate with force; the large volcanoes will erupt and those that were dormant will awaken. Man with his wrongdoing emanates evil towards the Universe and the Universe returns it to Earth with even greater force, thus awakening Creation which looks at man as the great unknown.

Children of My Immaculate Heart, with sorrow in My Maternal Heart I speak to you at this instant that will not pass until Humankind purifies itself and cleanses itself of all sins.

My Son warned you: When Mankind ignore the Law of God, and man lives together with man, and woman with woman, when governments accept this behavior and a part of My Son's Church dissimulates it—remember—this is a great sign of the nearness of what has been announced. Do not be lost; the purification will happen. Nature will alert man with sudden changes and great events never experienced before. Then the great impostor will come without Humanity understanding, without Humanity recognizing him, due to man's separation from Heaven. Freemasonry, the Illuminati, communism, those who are economically powerful, will appoint king the spawn of evil.

**HELP WILL ARRIVE FROM THE PATERNAL HOUSE AND
IN YOUR MIDST HE WILL BE THE MIRROR OF MY SON'S LOVE; HE WILL KEEP YOU IN FAITH,
HOPE,
AND CHARITY UNTIL MY SON ARRIVES IN HIS SECOND COMING TO EARTH.**

My Son and I do not abandon you. Once the Tribulation is over, and with new eyes, new ears and a renewed will, man will cry out **ABBA FATHER!**

Beloved, wait; My Son in His Second Coming will shake the entire Creation and will arrive for His faithful; therefore, persevere and do not give up.

**BELOVED PEOPLE OF MY SON, IN VIEW OF THE UNEXPECTED WAR,
MY MATERNAL LOVE SPILLS ON EACH AND EVERY
HUMAN CREATURE THAT WANTS TO BELONG ALL TO MY SON.**

**I WILL SEND MY CELESTIAL LEGIONS TO YOU;
I WILL GATHER YOU SO YOU WILL NOT SUFFER.**

I bless you, I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

(*)Prophecy. Saint Maximilian Kolbe (1894 - 1941)

"One day the flag of the Immaculate Virgin Mary will flutter over the Kremlin (center of communist power), but first the red flag will flutter over the Vatican." In other words, Russia will convert but not before communism (its errors and atheism) reach to the very Vatican, the seat of the Pope.

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

IN THIS DAY WHEN OUR MOTHER HAS GIVEN ME THIS CALL OF LOVE FOR ALL HUMANKIND, SHE HAS GIVEN ME A VISION THAT I WISH TO SHARE WITH YOU:

Our Most Holy Mother, dressed in white in a garment that looks like fine lace—I seem to see shapes like roses on Her dress—with brushstrokes in light blue pastel the roses I see are more defined.

Her blessed translucent Mantle allowed me to see the constellations that seemed to hang from Her Mantle and gave shine and light to the figure of the Mother.

Her light brown hair was down with waves that seemed to play with a slight breeze that always precedes Her arrival. She looks at me and speaks to me, and extending Her delicate and blessed Hands, She takes me to see the following:

"Men from different cultures and of different races are united, but not in Christ's Love, but in a large combined army of alliances; they walk towards Italy leaving behind a trail of death as they walk. It is a large and powerful army; the rest of the world practically shudders at the decisive advance of this army towards Italy.

I see them advance and the United States, in pain and suffering, appears immediately. Our Mother indicates to me to look to the sky and I... when I look, I see a bright light that comes towards Earth.

I think it is a meteorite of great size; it is intercepted, but the biggest part goes towards the sea, towards the United State.

Suddenly, our Mother raises Her other Hand and I see human creatures sick with great plagues; I see a healthy person approach a sick one and is immediately infected... I ask our Mother, 'How can we help these brothers?' and She says, 'Use the Oil of the Good Samaritan. I gave you the necessary and convenient ingredients.'

Our Mother told me that true plagues will come and that we should ingest a raw clove of garlic every morning, or oil of oregano; these two are excellent antibiotics. If oil of oregano is not available, oregano can be boiled to make an infusion; however, the oil of oregano is a better antibiotic.

Our Mother told me, 'Ignorance in the human being is what leads to so much conflict. Knowledge is of utmost importance to eradicate ignorance. Tell your brothers that they must learn to pray and to put this prayer into practice with their fellow men; tell them they must be action. Tell them not to be fanatics but creatures of faith, strong, firm, and determined; creatures of faith who know what they love, who practice what they say, and who give testimony of what they preach.

Tell them to use the will to prevent the ego from taking control; tell them to be humble so they be

true. Tell them that man causes his own evil; in some cases, he is the direct cause; in others, he is led by the ignorance that has been given to him as truth.

Tell them I love them and that My Son wants Me to take a place closer to His People.

Tell them that My Help is with all of them.

Tell them to call Me.

Tell them I bless them and love them.”

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
5 JUNE 2016**

My beloved People,

I CONVENE YOU TO JOIN IN PRAYER; IT IS NECESSARY FOR THIS SINFUL HUMANITY.

I have already revealed to you the instant in which you live... you continue without heeding My Calls, you continue without looking at reality, and, since you do not know Me, it is more difficult for you to recognize Me.

I have been infinitely Merciful, I am infinitely Merciful, and I will eternally be Merciful...

Man abuses My Love and refuses to return to My Lap when false and mistaken ideas about what is forgiveness wander in his mind... **I WOULD BE AN UNJUST JUDGE IF I DID NOT JUDGE THE SINNER WHO DOES NOT REPENT; I WOULD BE AN IMPERFECT GOD.** It is ignorance on the part of man to pretend that I not judge sin.

Modernism believes it has modified all that I bequeathed to man by assuring him that I will return and forgive him. **YES, I WILL RETURN, BUT TO SEPARATE THE GOOD FROM THE BAD AND THE LUKEWARM. I WILL SEPARATE THE ONE WHO REPENTED AND CONVERTED FROM THE ONE WHO DID NOT REPENT.**

Man's denial increases the power of evil over the same man; the will to fight against sin is not the same in the one who struggles and makes an effort not to be lost as it is in the child of Mine who does not oppose any resistance and, seduced by evil, voluntarily sinks in vices and mistaken beliefs regarding the nonexistence of the place of grief for those who have been obstinate in evil.

Man has five senses and, with them, he has the Gift of perceiving the outside; at the same time, man has interior spiritual senses that help him perceive the Truth of what his reason approves, and the folly and lie that his reason calls him to disapprove.

You are not alone; Humankind has one thing in common which is **YOU ARE MY CHILDREN...** This is why reason calls you; it makes you restless when you refuse to say yes to the understanding of something that is True and you resist in order to continue in the world's insanity.

CHILDREN, MY PEOPLE, EVIL IS NOT GREATER NOR DOES IT HAVE MORE POWER OR GREATNESS THAN ME. You have free will and, therefore, without reasoning, without heeding the calls of reason

and understanding, you throw yourselves headlong towards the void, giving yourselves up to the devil at these instants so crucial for Humankind.

If you remain inactive and refuse to grow by delving into My Word, you will allow what is contrary to My Will and aberrant, and you will approve what your brothers, by means of pacts with evil, will present to you to hasten the arrival of the domain of the antichrist.

My People, it is not that you do not see evil. As men, you feel where is evil; however, since evil is allowed by some who represent Me, you omit that feeling and rampantly indulge in lust, dishonesty, immorality, and all other sins with which the devil tempts you, and you fall, accepting everything that is presented to you along your way and you refrain from nothing.

I ask you to understand that you must delve into knowledge. This is a duty of those who are Mine so that, by means of knowledge, you resist what is improper and outside the limits of Divine Law.

BELOVED, MY TRUTH IS IMMUTABLE AND HE WHO OBEYS IT AND MAKES IT LIFE WILL FIND THE LIGHT OF THE TRUTH, LIGHT THAT IS UNIVERSAL BECAUSE OUR TRINITY IS THE ESSENCE WHERE ALL TRUTHS RESIDE.

Children, We have called you so much to delve in Our Trinity, in Our Truth, in the explanation of Our Word, to accept the Word of My Mother to whom We have given a most special place at this instant with each one of you so that She will guide you.

WE HAVE CALLED YOU SO MUCH AND JUST THE SAME YOU HAVE REFUSED TO ACCEPT THAT, AS SECOND PERSON OF THE TRINITY, I OFFER YOU SALVATION.

AND YOU WALK IN SEARCH OF EVIL TO WHOM YOU EASILY DELIVER YOURSELVES DUE TO EVIL'S AUDACITY IN TEMPTING YOU SO THAT YOU DO NOT REASON.

Technology, which has been used to keep man voluntarily imprisoned, has stolen from you the power of decision, and you, My children, do not think, do not reason, and therefore do not distinguish between good and evil, because reason has been removed from thought.

YOU ARE HUMAN BEINGS INCOMPATIBLE WITH REASON AND I COME TO BREAK THAT STRUCTURE TO ELIMINATE IT AND TO CALL YOU, THROUGH MY APOSTLES OF THE END TIMES, TO RETAKE THE PATH OF GOOD, OF REPENTANCE, OF WISHING TO SAVE THE SOUL.

You know that Earth will change its structure and its geography, and what is man's response? You know through the Calls in which We explain the extreme harshness with which the climate will treat you, and what is the response? **THE ETERNAL LETHARGY, THE LIVING THE INSTANT WITHOUT THINKING ABOUT THE FUTURE, THE IGNORING THE SOUL AND THE MISERIES AND SORROWS TO WHICH THE SOUL WILL BE SUBJECTED BECAUSE OF DISOBEDIENCE.**

Beloved People, Earth convulses and man will be severely shaken, so much so that some will disappear inside the earth.

This I have made known to you, but in some cases, knowledge is not illuminated by My Holy Spirit, because man thinks that, by having human knowledge, he has control over everything; man thinks he has reason through knowledge, and this is a great mistake. Knowledge must be illuminated by My Spirit so it be correct—and even then it will not always be the absolute truth, because, over the years, each human creature has formulated his own concepts—**BUT HE WHO PLACES ALL HIS WORKS AND ACTS IN THE LIGHT OF MY HOLY SPIRIT WILL BE CLOSER TO THE TRUTH.**

Beloved children, because of the Sun Earth is overheating. This raises the interior temperature of Earth and, since the Creation does not recognize you, volcanoes (3) that have caused great destruction in the past are erupting; volcanoes that lay dormant awaken; the heated waters quickly evaporate and very quickly fall on the Earth's surface causing irremediable disasters across the Earth.

Man finds himself before the purification, the greatest purification of Humankind! **AND THIS DOES NOT CAUSE YOU FEAR AND YOU DO NOT REBEL AGAINST WHAT LEADS YOU TO THIS PURIFICATION... BUT YOU DO REBEL AGAINST THE EXPLANATION OF MY LOVING WORD WHICH ALERTS YOU AND WARNS YOU...**

You refuse to think about the drastic change that all of Humankind will undergo due to the Third World War...

You belie My Word and welcome the modernisms that go against The Commandments, the Sacraments, the Works of Mercy, and other...

You offend Me ad nauseum and resign Me because I call you to amend yourselves...

You are hypocrites with yourselves when, without repentance, without conscience, without acting the way I order when you kill the brother and offend him mercilessly and judge him with great levity, **AND THEN YOU APPROACH TO RECEIVE ME IN THE EUCHARIST... WOE TO THOSE WHO FORGE THEIR OWN CONDEMNATION!**

My Ministers must be devoted to the salvation of souls before the voices of those who serve Me be totally drowned by persecution, by the hand of the same man, and by order of the antichrist.

Pray, My children, pray; the new plague hastens making Humankind shudder and man dies in instants.

Pray, My children, pray; South America trembles.

Chile will be invaded by the sea due to the shaking of the earth, and Peru, Bolivia and Argentina will share that shaking of the earth.

Pray, My children, pray for Spain; terrorism will take it by surprise.

Pray, My children, pray; communism will show its true face.

Pray, My children, pray; terrorism together with the false religion penetrate France and renew and enhance the pain of these People.

LOOK ON HIGH. THE SIGNS FROM ABOVE ARE ON HAND.

My People,

Serve with My Truth...

Be Unity...

Prepare to face the harshness of the purification that advances with force...

Prepare by complying with Our Divine Will...

Obey, pray and practice what you pray, be constant practice of The Commandments...

Adore Me, visit Me, be charity and hope for your brothers...

Do not be whitewashed tombs, do not be pharisees or birds of prey...

Beloved, sin is not only one act, it is a habit and it is negative energy that leads you to like evil, and that energy spreads to those who are weak in the Faith.

**BELIEVE WHAT I ANNOUNCE. YOU MUST CONVERT.
I WILL SEND THE WARNING (6) TO STIR UP CONSCIENCES AND
FOR MY PEOPLE TO UNITE IN ORDER TO HELP ONE ANOTHER.**

I am within you; do not look for Me outside, outside there is confusion. I am above the senses, above memory, above what is finite, above man...

**I AM WHO I AM (Ref Exodus 3:14) AND I WILL SEND TO MY PEOPLE MY ANGEL THAT WILL
ILLUMINATE THE PATH AT THE MOST DIFFICULT INSTANTS.
MY ANGEL WILL EMBRACE YOU SO THE DARKNESS WILL NOT TORTURE YOU.
HE ALREADY LOOKS AT YOU WITH LOVE.**

**MY BLESSING IS WITH ALL THOSE WHO MAKE AN EFFORT TO REMAIN ON MY PATH, WITH ALL
THOSE WHO REPENT AND WITH ALL THOSE WHO LOOK FOR ME.**

“I am the way, and the truth, and the life.” (John 14:6)

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

Note: The Bible used is the New Revised Standard Version Catholic Edition

THE INSTRUMENT’S COMMENTS

Brothers/Sisters,

**GOD IS THE ONLY ABSOLUTE TRUTH...
WE RECEIVE THE WORD THAT IS THE ONLY TRUTH.**

I wish to share with you that Christ has asked me to tell you that we must be constant so that the desire to want, to know, and to be close to the **KNOWLEDGE OF THE TRUTH** will grow in us.

Let us delve in the Divine Word, in that Divine Love that all of us have enjoyed in some instant or instants of our lives.

Christ speaks to us about evil and what evil causes; good is a Grace that little by little becomes a necessity in the human creature, and leads him to oppose sin.

Brothers, sin leads man to division and makes him ignorant in every way. Good, on the contrary, leads man to better himself, to bring himself out of ignorance, and to possess the wish for unity; it enhances the powers of the soul and spreads itself everywhere like the wind.

**BROTHERS, LET US EMBRACE THE EXPLANATION OF THIS WORD THAT IS REVEALED TO US IN
THESE LOVING MESSAGES.
LET US BECOME REPEATERS AWARE OF GOODNESS.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
JUNE 9, 2016**

My Beloved People:

**MY BLESSING BE WITH EACH ONE OF YOU.
YOU ARE MY PEOPLE, WHOM I LOVE AND THROUGH WHOM I CONTINUE GIVING MYSELF TO
ALL.**

All Humanity proceeds from Our Divine Will, without distinctions. Before Me there are no distinctions, all are equal. It is human creatures who distance themselves from My Love, when they have allowed their physical and spiritual senses to become contaminated with the emanation of the force of evil, which not only leads them to despise the good, but also to despise being My children.

My Beloved People, do not seek culprits for the evil that you commit, as whoever falls into sin commits sin, acts in sin and should not look for the author of sin outside himself.

Whoever sins, is the author of his own sin and his wrongdoing. When a man sins, that sin stems from free will, that aligns itself with the will to carry out the act or work.

My Beloved People, I keep you alert in order that you might not fall into sin, but some insist on putting aside My Instructions and are invaded by evil inclinations. One of these the misuse of free will.

I have called you to remain vigilant against evil..., I have mentioned to you that evil is spreading and contaminates the will of man...

WHOEVER IS NOT STRENGTHENED IN ME IS EASY PREY FOR EVIL.

No man will attain Salvation without Me ...
How resistant you are to living in peace!

HOW SOME HUMAN CREATURES TRY TO LIVE IN A CONSTANT CONVULSION, IN WHICH PEACE DEPENDS ON YOUR INFLATED HUMAN DESIRE!

Children, look within yourselves, examine yourselves. Human pride is a great personal evil, it is the plague that contaminates the senses, until these come to think that they will dominate every brother around them.

I CALL YOU TO UNITY; PRIDE LEADS YOU TO DISUNITY.

My Love is creative; whoever does not live in My Love is not a creature who creates acts of goodness, does not exhale My Love and therefore continually find obstacles on its way.

MY PEOPLE, YOU ARE RAPIDLY DISTANCING YOURSELVES FROM ME, YOU DO NOT SEE THE BEAUTY OF THE FATHER'S WORK.

Those who do not maintain peace within themselves do not ascend. On the contrary, they sink into the mud, at every moment they descend further and further until they come to be less than an animal.

CHILDREN, SOME OF YOU BELIEVE THAT YOU ARE MAINTAINING YOURSELVES IN A GREAT SPIRITUAL EVOLUTION AND THIS IS NOT SO, SINCE IF THERE IS NO LOVE IN THE CREATURE, IT WILL REMAIN FAR FROM ACHIEVING A CHANGE IN ITS WORKING AND ACTING.

My beloved, every action has a reaction and every reaction gives fruit for good or for evil. You have the Gift of Speech; if you use this Gift for good, you will grow in Me. If you use this Gift of Speech against your brethren, the words uttered against your brothers not only reach your brother, but come back to you once more.

EACH PERSON IS SHAPING THEIR PATH, SHAPING IT THROUGH THEIR WORKS AND ACTIONS, ABOVE ALL IN LOVING NEIGHBOUR, GIVING HIM/HER SUPPORT, BEING CYRENE IN EVERY ASPECT OF LIFE, LOVING THE BROTHER'S VIRTUES AND HELPING WITH THE OTHER'S DEFECTS.

Each of you has a personal set of scales, where you place your acts, the works of each moment. When the personal scales weigh more on one side, the creature is flooded with anger, envy, contradiction, arrogance and the denial of forgiveness, until that same creature becomes aware that it is working and acting wrongly and, therefore, is not going towards Me but towards itself.

BELOVED CHILDREN, DO YOU ASPIRE TO FINDING THE GOOD? LOVE AND FORGIVE.

My People, science has become so out of control that sometimes it does not manage to halt its own discoveries or investigations ... generating ills for the health of Humanity and for the climate. Faced with this, Humanity in general is most affected when they alter the air and water.

I have called you to remain vigilant against those who have taken power over Humanity. These decree a fierce assault against man, via the annihilation of everything that has to do with My Love and My Presence in you. They have decided upon persecution for My People, giving their approval for the greatest manifestation of world war. They have made pacts with some rulers of great nations in order that in small nations satellites of political, social, moral, educational and religious destabilization should be formed, all over the Earth, for the purpose of accelerating chaos at the global level.

Rainfalls throughout the Earth will be massive. These are provoked by the order of this elite, the handmaiden of Freemasonry and the Illuminati, who in turn are servants of the evil one awaiting the antichrist.

My People, a plague of insects will come; these will seek food and plantations, and My People will suffer
hunger.

I WILL SEND MY ANGEL OF PEACE. You should pray for him, pray with the praxis of love towards your brother so that there might be peace in homes, peace in persons of good will.

My Angel of Peace will gather you in one Flock, he will protect you with My Word. My People are not
alone...

My Angel ought to be waited for appropriately, by preparing yourselves spiritually, being those who accomplish My Will, and obeying the Commandments, but above all, living in My Peace, My Love, My Charity, in My Hope, fighting the evil that wants to disperse you. My Angel reunites and is already suffering because of Humanity's ignorance, especially because of the acts of those who will stay by his side on Earth.

**MY PEOPLE, MY WILL DOES NOT CEASE, IT CONTINUES WITH THE GREAT PLAN OF SALVATION ...
FOR THIS I HAVE CALLED YOU: THOSE WHO OBEY AND FULFILL IT WILL BRING MY WORK TO A
CULMINATION; THOSE WHO REFUSE WILL DENY ME.**

Pray, My children, pray for Ecuador, it will again suffer and its volcanoes will awaken.

**My children, pray for Argentina, the land of peace will be a land of pain coupled with the
scourge of Nature.**

Pray, My children, pray, Australia will be scourged.

Pray, the sun will cause sorrow for Humanity.

Pray My children, Europe will weep tears of blood, the scourge of terrorism will not stop.

My people, I am to be found within each person. Do not rebel when I correct you, do not put Me aside when I lead you towards My Truth.

Do not forget that what is created by man himself is completely changing ...
Come to Me who "AM WHO I AM" (Ex 3, 14).

**THE LEARNED IS FOOLISH; IT IS ON THE SIMPLE AND HUMBLE OF HEART THAT I CAST MY GAZE
AND MY LOVE.**

**I LOVE TRUTH IN THE WAY OF LIFE. THE WORD MAY BE TEMPORARY AND SUPERFICIAL.
YOU, MY PEOPLE, ARE MY CHILDREN, YOU ARE NOT THEREFORE MY OWNERS.**

**DO NOT FORGET THAT I LOOK WITH SPECIAL LOVE AT TIRELESS SEEKERS OF MY LOVE WHO
BRING IT TO LIFE. MY CHILDREN ARE NOT AT EASE WITH THEMSELVES BUT ARE EAGER TO
REACH THEIR BROTHERS IN ORDER TO SHARE SALVATION WITH THEM.**

My People, I love you, I bless you.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

Our Lord Jesus Christ gives us lessons in Christian "*etiquette*". We should meditate on this, not only read it.

OUR LIFE IS CHRISTOCENTRIC, ALL THAT EXISTS IS IN THE SERVICE OF THE DIVINE WILL.

What is happening with man? ... he is dominated by his own passions, consumed by his ego. We are believers, but at the same time we are tireless seekers after God. In this Divine Call we can see various issues and these are where we must improve with all our might, since all of them form a part of our inner being, for example the "human ego".

At the same time, we are warned as to the great imbalance that exists because of the manipulation of a group of people. They have devoted themselves for years now to deciding the fate of Humanity on the earthly plane. We will be invaded by constant plagues and illnesses spread all over the Earth, with the aim of reducing the world population. The war will be more overt.

The earth continues to shake with greater force, and the water that penetrates the earth with enormous waves will wash part of the sin of Humanity. This causes man to fear, but Christ speaks to us at this moment of the danger of losing Salvation and calls us with a lesson of Love to remain on the right path. He calls us to see ourselves, for **ONLY IN CHRIST ALONE WILL WE RESIST, UNTIL THE DIVINE WILL COME TO PLENITUDE IN EACH PERSON. LET US CLING TO CHRIST, LET US RECEIVE HIM! LET US CALL OUT TO HIM WHO LOVES US.**

**OUR MOTHER HAS BEEN DESIGNATED BY THE MOST HOLY TRINITY TO LEAD THIS GENERATION.
IT IS THE WOMAN CLOTHED WITH THE SUN, WITH THE MOON BENEATH HER FEET WHO WILL
RETURN THE EARTH TO ITS CREATOR.**

And in order that this be accomplished, we must be less mundane and more spiritual in order that Our Mother might be able to guide us, in entrusting our self to her in order that She should present it before Her Son and unite us in order to be new creatures in the Hands of the Holy of Holies, HE who Is and Will Be...

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JUNE 15, 2016**

Beloved children of My Immaculate Heart:

**I SEE MY CHILDREN ON EARTH DEFIANT, WITHOUT RESPECT OR MORALITY, IN AGITATION
FACING THE INDICATIONS OF ECONOMIC LOSS, CONFRONTING ONE ANOTHER REMORSELESSLY.**

What generation is this? One which has been trained to react in this way facing that with which it disagrees.

Heaven has warned you about the elite which manipulates societies, governments, humanitarian aid organizations, organizations that include the world's governments, organizations of global health, food, organizations for religious instruction for children and young people...

Children, this elite has for decades been programming this generation to react in this chaotic way at this precise moment. Everything has been manipulated beforehand, so that in the midst of the turmoil and protests, My children should attack what is Sacred, repudiating My Son and allying themselves with the devil.

Beloved children of My Immaculate Heart, this elite composed of the powerful families and companies of the world call themselves the **BILDERBERG CLUB. SOME OF ITS MEMBERS BELONG TO THE MASONIC AND ILLUMINATI INSTITUTION AND ARE WITHIN THE CHURCH OF MY SON IN HIGH POSITIONS AND IN PARISHES.**

You, children of My Heart, are the product of a long wait by this elite, **I CALL YOU NOT TO CONSENT TO BEING AMONG THOSE WHO ACT BY IMITATION.**

This elite has prepared this moment in order to advance the pain of humanity, uniting the satellite countries of communism in order to impose itself and to constitute a real threat in every region of the world.

Humanity is angry, the devil takes those who live with ideas outside of the Truth so that at this

moment they might shout: 'Crucify him' anew.

CHILDREN, YOU HAVE BEEN LED TO A LACK OF FOOD, AND THIS ELITE HAS DECREED THE FALL OF THE ECONOMY, IN UNION WITH A WAVE OF GLOBAL TERRORISM. They will announce that the day will end at the hour they indicate and then you will not have freedom of movement, you will be surrounded by those who execute the law. Acts of vandalism will become more common by the moment until you, children of My Immaculate Heart, are limited to remaining in your homes or in faraway places ... in My Refuge, **My Heart.**

Beloved children:

MAINTAIN FAITH IN THE LOVE OF MY SON FOR HIS PEOPLE, AND AT THE SAME TIME HELP YOURSELVES WITH THE TRUE KNOWLEDGE OF THE DIVINE WORD IN SACRED SCRIPTURE, in order that you might not say yes to what is not Divine Will.

NOURISH YOURSELVES WITH THE BODY AND BLOOD OF MY SON IN THE EUCHARIST AND PRAY THE HOLY ROSARY; the homes in which you pray the Holy Rosary are defended by My Angels; creatures loving the Holy Rosary carry My constant Protection with them.

**LITTLE CHILDREN, DO NOT IDOLIZE HUMAN CREATURES:
ONLY MY SON IS "THE WAY, THE TRUTH AND THE LIFE" (Jn 14: 6).**

Beloved children of My Immaculate Heart, terrorism is the new arm with which the powerful will fight the Peoples in order to destabilize them. In this way it is easier for them to create conflicts for the Third World War.

REMAIN FAITHFUL TO MY SON, CULTIVATE YOURSELVES SPIRITUALLY, GO DEEPER INTO GOD'S LAW, DO NOT LOOK OVER IT, BUT GO DEEPER WITH A THIRST FOR TRUE KNOWLEDGE.

Children, look up on high, the signs will not delay, see that the climate is aggressive. The land continues to sink, unannounced; the trumpets alerting man to the fulfilment of what has been announced are heard by man.

Pray, My children, pray for the United States; it will suffer through terrorism, its people will be killed by those who consider themselves enemies of this Nation.

Pray, My children, pray for France: the lament is not finished, it will increase with the light of the sun.

Men dedicated to terrorism will pounce with destruction in their hands, and a motto: killing the greatest number of My children. How My Heart aches because of these bloody events!

Pray, My children, pray for Argentina, it will live the anguish that in the past caused pain and stained this soil of mine with blood. The moment will come and the argentines will pray: religion has been contaminated with another god - money.

Pray children, pray, Russia awakens the world, pray, pain comes by the hand of an alliance.

Children of My Immaculate Heart:

Chile shakes, California shakes. Mexico shakes and Central America shakes. The volcanoes continue erupting because of the heating up of the Earth's core. England will weep bitterly. Lightnings fall with force on earth, making news in the world. A lake will appear in the United States.

MY SON'S PEOPLE MUST BE STRONG IN FAITH, AND FOR THIS IT MUST DEEPEN IN THE KNOWLEDGE OF DIVINE LOVE FOR EACH ONE OF YOU. Be love towards your neighbour, do not seek him far away; he is the one by your side - there, yes, look for your brother.

Every home must be a centre of Peace so that the enemies of the soul might not disturb you nor bring you into discord.

Do not forget that satan with his legions is roaming the Earth before his moment runs out. Therefore, you must be more astute and be and live out the Love of My Son at every moment.

Beloved children of My Immaculate Heart:

FACING SUCH AN ALERT, DO NOT LOSE PEACE OR HOPE, STILL LESS LOSE FAITH. AS YOUR MOTHER I WILL NOT ABANDON YOU. I WILL SEND YOU MY ENCOURAGEMENT AND MY PROTECTION, I WILL NOT ABANDON YOU. The Heavenly Legions are watching you attentively to defend you. Call on your travelling Companions, your Guardians, that they might free you from evil.

Creation unites itself to the man of Peace and Love. **THEREFORE, IT IS SO IMPORTANT THAT YOU SHOULD LIVE IN PEACE AND UNITY. USE INTELLIGENCE AND WILL TO DOMINATE THE HUMAN EGO WHEN THIS TAKES YOU ON OTHER PATHS WHICH DISTANCE YOU FROM MY SON.** Do not tire yourselves by then travelling the same path because of not obeying.

**CHILDREN, IN MY SON I SAW EACH ONE OF YOU...
CHILDREN, BEFORE YOU LOVE ME, I LOVED YOU AT THE FOOT OF THE CROSS...**

Come, enter into My Immaculate Heart. I love you. I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

MOTHER AND TEACHER, QUEEN AND MOTHER, HOW MUCH YOU LOVE US!

How man has been deceived at the global level!

We are called to a state of spiritual, mental and physical alertness.

Humanity lives under the power of an invisible government behind the governments of the nations of the world. And those belonging to these institutions, elites or sects, are preparing the great schism in the Church of Christ.

Brothers, all the time we are receiving news of many human beings who die at the hands of terrorist groups. The cruel methods that these groups use towards their captives are surprising.

Our Mother calls us to be Christians, to pray and to receive the Eucharist. Without prayer there is no progress in the spirit, and we have to be more spiritual and less of the flesh.

Humanity is facing unthinkable things. The government, which governs without being seen, does not allow the truth of what is happening to be known to its full extent by this generation.

Chaos is already being lived, it is only a matter of moments before it reaches our countries. Brethren, if previously you have not prayed, pray, return to God, return to the path, for the worst is coming. I know that for him who does not want to believe nothing is sufficient and nothing is new.

Brothers, let us all unite, let us pray for each other. Let us not ignore or think that what is happening in other countries will not reach the countries where we live.

Let us comply with our Mother's Call, **LET US FOLLOW THE INNOCENT ONE, THE LAMB WHO SHED HIS BLOOD FOR EACH ONE OF US.**

Amen.

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
JUNE 18, 2016**

My Beloved People:

IN THIS INSTANT MY PEOPLE MUST POSSESS COURAGE, WILL AND DECISION.

My People maintain the intent of being obedient to Our Will. In this instant, intention is not enough for My People to continue advancing in the midst of the spiritual density that humanity carries.

I call you to be more spiritual in order that fortitude forces you to change for the good of the soul. The crazed workings and actions of Humanity in this instant, taken by evil, must find My People spiritually strong.

My children must remain immune to the world's constantly attractive activities, before the rampant and undenounced immorality, before obliviousness and bad attitudes. You will not be able to reach this if you do not commit yourselves to Me, being better children for Me, praying and being the praxis of that prayer, being aware of what happens throughout the world, fortifying each other and receiving Me in the Eucharist.

You must save your soul by remaining strong amid so many false doctrines, amid so many opinions that lead you to doubt and stagger regarding My Word. In this instant man is violent, arrogant and does not enjoy peace. You do not think that Creation sees the cruel acts that you commit.

**CHILDREN, YOU MUST CENTER YOURSELVES IN MY LOVE IN THIS INSTANT,
YOU MUST KEEP THE FAITH GROWING CONTINUOUSLY, KNOWING ME,
ADORING ME AND REMAINING IN MY LOVE.**

You have to understand that Love unites you to Me, as the rational creatures that you are, the bond of Love keeps you united to Me and to neighbour. It is therefore necessary for you not to forget this LAW, in order for evil to not rejoice in bringing you into disunity. Remain attentive to the slightest loss of peace, stop, examine yourselves and do not allow evil to lead you to discord. Be astute and know that this is the work of the devil: to keep you in argument, disagreement, misunderstandings, in order for interpersonal relationships to break and My children be dispersed, and scorn fraternity.

Humanity, in living the exercise of free will, is mistaken in exercising it without placing it in Our Divine Will, and this is the reason why it becomes sin on the majority of occasions.

My people, I call you to practise prayer and to be contemplatives in order for you to keep serenity and find the Truth that resides within each person. Otherwise, you will live as repeaters, robots of your brothers, whether the brother's work or action is right or improper.

Man believes that he is master of his life, he thinks that he directs his earthly passage very well, believes that he is the actor of life. The majority of man in this instant maintains perversion within his environment; the word cancer is applicable to the human ego of a large portion of My children. The demands of the human ego are bringing homes to ruin, when within families the pursuit of power is taken up on the part of one of its members with a constant excess of harassment towards members of the family entourage.

My People, until you examines yourself with the truth, and you are able to see your own defects without masks, and what these defects have an effect for ill on yourselves and of your own square metre, until you see yourself as you are, it will otherwise be the devil who moves you at will like pawns, working and acting in a terrible way. If you do not recognize your errors you will not overcome ambition, you will never be capable of discarding your own, ill-intentioned convenience.

My People, when the human creature is not capable of seeing itself, it causes such a disaster to its brothers that it leaves deep wounds which leads to contempt within for whoever acts in this way.

"I AM WHO I AM" (Ex 3, 14) AND I KNOW EACH ONE OF MY CHILDREN, AND I ASK YOU THAT IF YOU WANT TO SEE YOURSELVES AS YOU ARE, THE GOOD OR DAMAGE THAT YOU MAY BE CAUSING, BE HUMBLE AND SEE YOURSELVES WITH EYES WHICH ARE NOT THOSE OF THE HUMAN EGO.

Beloved, pride leads you to believe that you are indispensable, granting you the power to try to subdue those who stand in your way, until loneliness takes possession of the human creature and helplessness gives the human ego a lesson when your brothers go away and the creature understands that it is just one more among those at My disposal for making the GREAT WORK.

Children, in this instant the devil is throwing his darts towards the human ego, with the goal of taking intolerance to families. The devil knows that society without the family is a society in chaos.

Man in his eagerness to stand out from his brothers, has decayed and fallen spiritually; the devil has taken advantage of this to attack forcefully and to bring evil to men, consciously or unconsciously or out of ignorance. In the spiritual dimension, those who keep doing evil have been prepared to "do evil", while My children have stagnated and remain in a spiritual state in which it is difficult for them to act immediately against temptations, against what is improper, against sin.

THE HUMAN BEING HAS DEVOTED ITSELF TO KNOWLEDGE, WITHOUT MY ASSISTANCE, AND THIS HAS CAUSED THE EGO TO BECOME SATURATED WITH HUMAN KNOWLEDGE, WITHOUT LEAVING ROOM FOR A KNOWLEDGE MADE MORE PERFECT BY THE ACTION OF THE HOLY SPIRIT.

Although evil is limited, because it acts as far as I allow it, you have not kept the proper spiritual balance so that evil no longer work within you. I do not want fanatical children, I do not want blind children, I do not want impatient children. **I WANT SPIRITUAL BALANCE TO LEAD YOU TO MAINTAIN THE CORRECT FUSION WITH OUR DIVINE WILL. THE GOOD OF MAN GOES AS FAR AS MAN HIMSELF ALLOWS IT.**

Do not forget that the devil needs followers, and through wrongdoing, without being aware of it, you come to act negatively and isolate yourselves in this negative field, working and acting in evil, without realizing it.

YOU MUST DRAW NEAR TO ME, SINCE WITHOUT ME YOU WILL NOT ATTAIN ETERNAL LIFE.

My People: How much I have warned you to prepare, and yet I see few that attend to the explanation of My Word!

Creation is reacting faced with the proximity of events, and man, not wishing that I guide him, leaves My Warnings aside.

**Pray My children, pray, in every instant evil is gaining followers,
it seizes souls through rancour, discord and presumption.**

**Pray My children, pray, the United States will no longer be the strong power that used to take decisions, it is one more power, lacking Me. It has therefore become pliable to unsuspected attacks by those who identify themselves as its enemies. Thus this Nation will suffer in instants when its destiny must be traced. Nature scourges it strongly as this Nation devotes itself to remaining in a constant blasphemy, heresy and profanation of My Word. The earth shakes and some coastal cities will suffer as never before seen,
the land will not be land but sea.**

Pray My children, pray for England, it suffers from error. Water will scourge it through a strange meteorological phenomenon. They have scorned me, supporting what is not Our Will, transgressing My Law. Suffering comes coupled with the disease that went through this Nation many years ago.

Pray My children, pray, Russia is arising, it seemed asleep, it strives against Humanity

and in a temporary alliance, is feared by all.

The one you saw from far, shows its power, and with hundreds of creatures will come to Italy where it will discharge its anger. Italy, how you will weep before you are awakened and warned so you do not drink the elixir of death! The world's amazement will be a lament for you, oh Italy.

Pray, My children, pray for the France of the music, of the bohemian nights, which is simultaneously My People, and it is for this people that I come, even if I find little acceptance. With the high tower cast down, this land will shake.

Turn to the prayer of the Holy Rosary, keep praying, and enter into a real commitment to spreading the explanation of My Word. The comet looms, the instant will arrive when I will make known to My children the evil that threatens them.

Pray My children, pray for Venezuela and Argentina, the peace of these countries will destabilized, crazed and fanatical minds distribute arms to the people, who without knowing why or for what, receive what will then make them lament; they will bring violence which will awaken the nations of the world.

MY PEOPLE, CONTINUE TO BE FAITHFUL; I AM FAITHFUL AND A JUST JUDGE. My People will be purified but never defeated, evil will cause Mine to suffer. Then I will give My People My own Love, and without weapons made by men My People will be strong; being faithful to Me, they will plough their way, awaken the sleeping, they will see the firmament and will know that I see them in every created element, in all matter surrounding them, in silence and in the Word.

THE ENEMY OF THE SOUL WILL NOT TRIUMPH, I WILL RESCUE YOU FROM ETERNAL DEATH.

You are My People, the apple of My Eye.
I bless you, I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

How I wish that each one of you could feel the indefatigable desire to save all souls that Christ shared with me sending this loving call!

We are on a path that is not easy, in an instant in which we must see very well every step that we take. With each step, we have an opportunity to know ourselves better, an opportunity to feel without so much anxiety for what we see developing over the Earth.

It is good to be intelligent, but in this instant intelligence must be presented before the Divine Will, so that man develops it for the salvation of souls. Every human being deserves good treatment and an opportunity to amend his/her actions; this is why Christ insists that we return to the True Path.

Nothing of what Christ explains to us is symbolic, everything has a reality regarding the instant in which we live or will live. This is why we have to be better children of God in every instant, better brothers and better human beings, since only united to the Divine Will can the people of God overcome so much evil that is visible and which pounces upon Humanity.

The reality should not surprise man, although yes, we should be concerned about the mistake of denying God what is His.

Brothers, each person lives within an inner cloister, which is their reality and which only each creature knows. Peace gives man the exact vision of reality, uncertainty reduces the human being's strength for staying in the Divine Hand and under His Shadow.

I invite you to be among those who live this Divine Folly of the Cross, as through the foolishness of living by Divine Love we learn to love more the one who created us and our neighbour. Perhaps some will in the end want to hear this Divine Truth that we who live this Divine folly carry deep within our hearts.

Amen.

**MESSAGE GIVEN BY THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
21 JUNE 2016**

Beloved children of My Immaculate Heart,

Children, there is no need to stop thinking about yourselves, My children. Each one needs a stop on the road to look at yourselves and analyze the spiritual state in which you are.

As Mother of Humankind, I must tell you:

**ENOUGH! STOP NOW! I DO NOT WANT YOU TO BE LOST...
YOU ARE IN A MOST DANGEROUS INSTANT IN WHICH YOU CAN LOSE YOUR SOUL.**

Humanity's convulsion invades man's mind, thoughts, and heart.

This convulsion has been designed to occur at this precise instant; it was programmed ahead of time as part of those who gestate the establishment of the antichrist, the aberrant deceiver, the defiler of all that belongs to My Son's House.

Beloved children of My Immaculate Heart, the human ego is a blessing for each one of you who know and recognize that you are human creatures, each one different from the brother. Man has

misused the human ego, different as a free creature, free to make decisions contrary to Divine Will at this instant.

The instant will come when My Son's children will take the wrong path and fall in the abyss, by living in sin, increasing the power of the devil who will usurp the minds of the innocent—youngsters and adults—to fight for his objective: **“THAT AT THIS INSTANT MEN WILL NOT LOVE ONE ANOTHER AS BROTHERS OF THE SAME GOD” BUT INSIST ON CORRUPTING EACH OTHER.**

The human ego will not produce goodness in man. Man knows that he has his human ego, and he has led the human ego to be invaded by his wrongdoings...

My children, the human ego feeds off of negative feelings, negative wishes, hubris, the imposition on other brothers, and vengeance...

The human ego feeds off of the thoughts, feelings, wishes, and acts of each one of you. The more selfish the creature is, the more he imposes his ego without caring for the brother who has feelings, sensitivity, thoughts, a mind, and a heart.

THE HUMAN EGO CAN MAKE A GREAT MAN... OR CAN TURN THE MAN INTO ITS GREAT SLAVE.

My children, this is the instant when you must know how the Gifts you received influence you to lead you to My Son and for the Gifts to be multiplied by the Holy Spirit. This is why Heaven takes you by the hand, so that you not be mistaken and each one recognize himself for what he is in order for the devil not to deceive you.

**MAN WILL NOT GROW UNTIL HE HONESTLY RECOGNIZES THE WAY HE BEHAVES...
FOR AS LONG AS MAN DENIES HIS WRONG ATTITUDES OR TENDENCIES,
HE WILL NOT BE ABLE TO COME OUT OF THE DARK, AND HE RUNS THE RISK OF BELONGING
MORE TO THE
HUMAN EGO THAN TO THE FRATERNITY TO WHICH MY SON CALLS HIM.**

EACH WORD OF THIS CALL IS FOR YOU, MY CHILD, FOR YOU THAT READS; IT IS FOR YOU TO PONDER ON IT AND NOT LET IT GO BY AS IF IT WERE FOR ANOTHER HUMAN CREATURE. Each man has his human ego, and he has the responsibility of recognizing what his human ego is like, so that he will not walk against Divine Will.

At this instant, it is necessary for man to put his ego in the proper place, **SO THAT THE SPACE, THE CENTER, BE GIVEN TO MY SON SO THAT HE “MAY BE ALL IN ALL.”** (1 Corinthians 15:28) Only this way will My Son be able to help His children for them to act and work in His Divine Way.

**AS MOTHER, I DO NOT WANT MEN WHO DO NOT REASON...
NEITHER DO I WANT MEN WHOSE REASON HARDENS THE HEART.**

Fix your improper acts and works; this is accomplished by great people, the great children of God, knowing that the time to reap the harvest will come and that they will be either on the side of the wheat or on the side of the weeds. This instant merits the practice of goodness, and this practice begins within man himself.

DO NOT EXPECT YOUR BROTHER TO CHANGE; ON THE CONTRARY, CHANGE MUST BE PERSONAL, AND THIS WILL MAKE IT EASIER FOR THE BROTHER TO DECIDE TO BE A BETTER SON OF GOD AND A BETTER HUMAN BEING.

The true Christian knows that it is not the duty of others to adjust their acts and works to his demands which could be wrong to begin with. Living in Divine Will starts with loving God and brother, not in a battle field trying to stand out.

Children, do not misuse intelligence through personal gain. **IN AN INSTANT YOU WILL FIND YOURSELVES FACING THE GREAT WARNING AND, AT THAT INSTANT, ALL OF YOUR IMPROPER ACTS AND WORKS WILL BE THERE BEFORE EACH OF YOU, IN THE SILENCE OF THAT INSTANT WHEN EACH ONE WILL BE BEFORE HIMSELF.** The silence in which you personally examine your conscience, the silence of the personal verdict, is the greatest silence you will have ever experienced. The solitude in which the least act will be felt in the personal scale, for better or for worse, will seem interminable. The WARNING is Divine Mercy if, after the Warning, the human creature repents and does not listen to the voices of those who, full of wickedness, refuse to accept what they have seen in themselves and rebel against God.

Children of My Immaculate Heart, you refuse so much matters of the spirit! Some do not recognize the existence of evil; others do not know they have a spirit that lives within the human body.

SATAN OPERATES CUNNINGLY; HE STRIKES ONE BY ONE; HE SENDS HIS LEGIONS TO ATTACK A DETERMINED HUMAN CREATURE. He is angry with you, My children, because you strive to be better each instant given the proximity of the fulfillment of the Divine Word.

You are not of those who believe that what you are living in this instant has always been lived and that later everything will continue as before. **THE DEVIL INDEED RECOGNIZES THAT HE HAS LITTLE TIME LEFT TO TAKE THE SOULS TO HELL;** in this he has an advantage over those who do not believe that the instant has come.

The devil knows that he must act with force depraving man, separating him from My Son, and leading him to love evil and to wish for evil.

Satan knows that at this instant he has a great problem. Yes, children, you are satan's great problem, because you continue loving My Son, you continue to receive His Body and Blood, you continue to love fraternity, and you continue to overcome the flaws that separate you from Eternal Life. **MY CHILDREN, YOU ARE THE DEVIL'S GREAT PROBLEM. THIS IS WHY YOU MUST BE ASTUTE TO RECOGNIZE HIM AND NOT TO FALL INTO TEMPTATION.**

My children, the causes of disasters on Earth will increase. Man will act more viciously to cause harm; the human mind will be invaded with a fixation: Kill the brother, lacerate small children, and cause terror and uncertainty.

Do not be afraid, My children, pray and practice the Commandments of God's Law, be merciful, adore My Son in truth and spirit. We will not deliver you into enemy hands; Divine protection is called by all of you with full consciousness.

Pray, My children, pray. Pakistan... this people will cry over itself.

**Pray, My children, pray for China; from one instant to the other,
the conflict of this Nation will spread all over Earth.**

Pray, My children, pray for France; tears will be rivers of sorrow.

Pray, My children; the land continues to crack, and man will not find solutions.

Pray, My children, and look at the Sky; wonderment will be great.

Nature arrives on Earth with greater power, unleashing its fury against sin.
The Sun will have man in tension; it is no longer as much man's ally.
Ecuador suffers, this people suffers, laments, and cries.
Indonesia watches in awe the strength of the volcanoes as the land shakes.
Argentina, land of peace, leaves lament over its soil.

**MY SON IS DENIED, SATAN AND HIS TENTACLES ARE IDOLIZED...
MY FAVORITE CHILDREN [THE PRIESTS] MUST BE STRONG IN THEIR PREACHING. FIGHT FOR THE
SOULS!
THOSE WHO APPROACH SATAN HAND OVER TO HIM CONTROL OF THEIR SENSES.**

Beloved children of My Immaculate Heart,

**THIS INSTANT IS TRULY AN INSTANT. MASONIC FORCES DO NOT WASTE TIME; THE ILLUMINATI
FORCES HAVE ISSUED ORDERS TO THEIR GREAT ELITE. THEIR OBJECTIVE IS THE EXTERMINATION
OF A LARGE PART OF THE WORLD POPULATION.** Large world organizations are under this control,
and the goal is human degeneration so that people will deliver themselves to evil.

My Son's Church will be a source of great criticism. You, My children, do not lose Faith.

A president will lose life at the hands of opponents.

Nicaragua is a land of provision of communism; he who does not speak has a loot...

Children, do not take time to get back on track; be children who are attentive to the Calls, to this
explanation of the Divine Word. **REMAIN ATTENTIVE TO THIS BLESSING THAT YOU RECEIVE FROM
THE HAND OF GOD THE FATHER.**

Children, pray and put it to practice; unfruitful prayer is dead.

Awaken your brothers that sleep; do not be afraid. Wait patiently. The Father's House does not
abandon His People.

I BLESS YOU, CHILDREN; YOU REMAIN IN THE BOAT OF MY HEART.

I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

Note: The Bible used is the New Revised Standard Version Catholic Edition

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

I definitely feel the anguished Call of our Most Holy Mother in view of man's shortage of knowledge and the faculties we have.

Our Mother gives us a lesson on the HUMAN EGO or HUMAN SELF; maybe because it has been the cause of great disasters in Humankind, one of them being the Second World War.

At this instant of prayer put into practice, of meditation and instruction, our Mother tells us that it is not necessary to participate in a war in order to experience a war. What war? The war that the human ego maintains in each man. And our Mother's Call is to combat all things to which each of us is attached in a personal way because evil arrives and fertilizes the ground that is favorable, the ground that is flooded with the force of the ego.

As our Mother says, each of us recognizes his virtues and limitations, which most of the time are part of that self-idolatry and of hubris where the devil has penetrated.

This is the instant to nullify all that separates us from the path towards Eternal Life.

Our Mother calls us not to be selfish, not to judge our brothers negatively, not to be destructive, because these are indicators of one who has an elevated ego and, when that ego is in that condition, reality as it is cannot be seen; one lives wearing a mask.

Our Mother shared with me what She asks of all Her children: **"DO NOT DECLINE AT THIS INSTANT", BELONG MORE TO GOD THAN TO THE WORLD.**

And She asked me to ask each of you in this call **TO LIVE EACH ONE IN PEACE, THE FAMILIES IN PEACE, RELATIONSHIPS WITH BROTHERS IN PEACE**, because the devil urgently needs to keep Her children—our Mother's children—in constant battle.

Therefore, brothers, we have so much for which to remain united that it is not good for anyone to take peace away from others.

We are alerted about events against the Temples; lavish rites are held for satan. In what state is this generation? Is there anything we can do?

**YES, LIVE THE WAY OUR MOTHER INDICATES AND USE EACH INSTANT TO SAY:
"I AM ALL YOURS, MOTHER, TAKE ME TO YOUR DIVINE SON."**

Amen.

**MESSAGE GIVEN BY OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
30 JUNE 2016**

My beloved People,

**IN OUR DIVINE LOVE, INSTANTS ARE A TREASURE THAT OUR TRINITY OFFERS EACH HUMAN
CREATURE...
EACH INSTANT IS FRUIT OF OUR MERCY FOR YOU.**

So much incredulity on the part of men towards Our Calls and towards Divine Law magnetizes evil on Earth!

Each one of you is transmitter and receptor of everything that lives in your interior, whether it be through words, gestures, emotions or thoughts, this causes a reaction in the brother towards you. You must work to be very transparent at the instant when you are transmitter or receptor.

My People, the upheaval in which you live degenerates you physically and spiritually. You must understand that daily living does not separate you from Me; what separates you from Me is to resign My Help, obedience, and My Love.

DENYING MY TRUTH IS A SIGN OF THE IGNORANCE INTO WHICH EVIL HAS MADE MY PEOPLE FALL, spiritual ignorance that has been inherited by My Church from before, and at this time, My Church has become subject to a new, strengthened and reformed ignorance by those who lead My children the wrong way.

**MY PEOPLE HAVE NOT BEEN DIRECTED TO LIVE A TRUE SPIRITUAL LIFE
OR TO WISH FOR A SPIRITUAL ASCENT.**

My People have come to enjoy a comfortable ignorance with which they intend to excuse sin, hubris, and control over the human ego of each one of you.

I have called you so much to be certain that I live inside those who are Mine, but limitations prevent you from delving into this My Truth; you do not look for Me or crave My Affairs...

I carry so many crosses and there are so few children who lighten My load!...

**MY CHILDREN, I ANNOUNCE THROUGH MY PROPHET...
I DENOUNCE THROUGH MY PROPHET...**

In Humankind I see a field that is arid, denied, disturbed by the daily instant, wild, without objectives or wishes for Salvation.

The Hierarchy of My Church must remain firm and abide by Divine Law so that more souls are not lost, encouraging them to prepare in the spirit and grow towards Me.

CHILDREN, AT THIS INSTANT YOU CANNOT SEE THE SNARES THAT EVIL PLACES ALONG YOUR WAY, because they are varied and, in most cases, the works and acts do not seem to be wrong or serious sins...

MY PEOPLE, AT THIS INSTANT INNER PEACE IS ESSENTIAL; IF EACH ONE WERE TO REALIZE THE VALUE OF PEACE, YOU WOULD TAKE MEASURES REGARDING THE HUMAN SELF SO AS NOT TO GRIEVE THE SPIRIT.

This is the instant when you do not look at yourselves; you have lost the measure of what you really are, and you react improperly to unexpected situations. You judge without having to do so, you look at the brother's ego—the one that is obvious, the one you think you recognize.

Children, peace is the dressing of all you do; peace seasons the actions and those around you—and farther away than you can imagine—are impregnated with it. The echo of peace in Our Will has infinite repercussions.

My People, the economy together with man's desire for power cause man to worry and to enter into constant contentions. At the end of the instants, man will want to possess, and in this eagerness man will become more fearsome than the beasts. For the sake of economic control, Earth has been rapidly destroyed by My children, turning it into a place that will be almost incompatible with human life. **AT THE END OF THIS INSTANT, MY PEOPLE WILL FOLLOW THE CURRENT OF THE WORLD, ACTING INCORRECTLY UNDER THE PLOT OF THE ENEMY OF SOULS.**

Evil is confusion, separation, disorder, imperfection, lovelessness, pride; and he exerts with force this reality against man, for example when people say that evil does not exist. And this is how man is not afraid to offend Our Divinity, believing that the devil does not exist does not disturb man, as he ignores that evil's seduction arrives unnoticed, thus creating a man that will pact with the devil in order to possess what the devil offers him.

CHILDREN, HE WHO DENIES THE EXISTENCE OF EVIL IN THE WORLD IS A SLAVE OF THE SAME EVIL. The instant has come when man feels close to satan. This is a regrettable action of those who are Mine which brings suffering upon them until they experience firsthand that satan only has slaves that he takes and uses as he pleases.

Man acts under the control of evil to whom he has given his human will, and My Presence is annulled and unwanted. **I AM THE ABSENT IN THE LIVES OF MY CHILDREN; THEREFORE MAN RUNS A GREATER RISK OF SELF-DECEPTION AND OF CONTINUING TO ACT TOWARDS THE ABYSS.**

Man likes heights; the higher he finds himself in the human ego, the greater the thought of wanting to be remembered by his brothers. But man forgets that he who believes to be the first will be the last of all. (Ref Mark 9:35). My People, only those who are humble are aware of this, and this awareness is what I want My People to have, My People that I discipline before I examine them.

INCREDULITY STANDS OUT AND EATS AWAY AT MY PEOPLE AT THIS INSTANT, AS A PRELUDE TO THE PROXIMITY OF ALL I HAVE ANNOUNCED TO YOU, ESPECIALLY THE WARNING.

My People, those who follow Me are continuously harassed, mocked and derided. Traps are continually placed before them and they are regarded with contempt and suspicion by those who call themselves brothers. Children, do not forget that those who approach My faithful to lead them to stumble, trying their patience and measuring their Faith, greatly abound.

CHILDREN, YOU FEED YOUR PHYSICAL ORGANISM AND FORGET THE SPIRITUAL ORGANISM...

Attract your brothers so they will look for Me and be nourished by My Body and Blood, being aware of My real Presence in the Eucharist.

Man on Earth is spiritually confused because of the currents that agitate the mind and the human heart. **ONE IS MY LAW, ONE MY WORD...ETERNALLY PRESENT.**

My beloved People, evil's strategy is to cause confusion and then to divide; after the division will come contention in which some will perish. **YOU MUST NOT ENTER IN CONTENTION. MY WORD IS ONE. MY PEOPLE MUST MAINTAIN UNITY AND, WITH IT, LIVE IN MY LOVE.**

Pray, My children, pray to strengthen interiorly and to ministering to one another. I do not want cold prayers that do not bear fruit and do not move consciences. From My children I wish the piercing prayer that vibrates in the inner moved by My Holy Spirit.

My People,

Pray, pray for Italy; its lament will spring up everywhere; even the land will exhale pain. Great aberrations are committed on this land. It will be strongly shaken; volcanoes will make themselves felt. Terrorism wants to destroy images and relics of My Beloved Cross, AND THEREFORE I ORDER: THEY MUST BE PROTECTED.

Pray, My children, pray for England; the pain will be felt with the light of day and mourning will fill the hearts. Rain will be relentless.

Pray, My children, pray; Argentina slips with evil in its hand. Betrayal arrives. My children suffer. The river will be sea.

Pray, My children, pray; the United States is in front of the face of pain, the one that does not wait or think. This Nation will suffer the unimaginable force of Nature. Sin cries for purification.

Pray, My children, pray; Japan continues to suffer; Russia will hasten.

Pray; the economy shows the world that it is in the hands of a few.

My People, Earth wails; some of Mine have Heard it. It wails not only for the sin that Humankind deposit on It, but also because of the ignorance with which man acts in complete contempt of The Commandments, Sacraments, and Deeds of Mercy, in an absurd denial of all that reminds him of My Love, My Mother's Love, and all that is Sacred.

Groups that do not believe in Our Trinity will enter to demolish most of the places that Christianity has kept in remembrance of the delivery of the martyrs and where relics of My Delivery on Earth are kept.

THE DEVIL DOES NOT WANT TRACES OF MY DIVINITY TO EXIST ON EARTH. THIS IS WHY HE PLUNGES AGAINST MY PEOPLE WHO ARE INNOCENT AND AWARE OF MY PRESENCE IN EACH OF THEM.

My People, do not continue sleeping as you face the harshness in which this instant will move. Threats between powers will provoke action.

Look on high; an unexpected asteroid will amaze Humankind.
Volcanoes continue to awaken and Central America shakes.
The land cracks and water emerges in search of the purification of Earth.

My People,

Humankind does not live in My Peace; you keep My Peace...
Humankind lives maddened, without morals; you live in Me...
Humankind disowns Me; you love Me and recognize Me...

LOVE MY MOTHER, PRAY THE HOLY ROSARY. I do not abandon you, and My Mother asks of you to entrust yourselves to Her Protection.

Do not be afraid, My beloved; I will raise you out of the rubble and I will call My Apostles not to silence the voice but to be lamps with the best oil and to shine amid the darkness produced by the awakening of a volcano.

MY PEOPLE WILL NOT WANDER THROUGH THE DESERT. I SEND MY ANGEL FOR YOUR SAFEKEEPING.

**EDUCATE YOURSELVES BY LOVING ME, ADORING ME, FEEDING OFF OF ME...
YOU ARE NOT TRUE IF YOU EDUCATE YOURSELVES WITHOUT MY WORD.**

With the Oil of My Love I bless My children, those who give life to this explanation of My Word.

Do not look for Me to satisfy your curiosity; look for Me because you love Me.

I bless you in a special way at the beginning of this instant.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTS

Brothers/Sisters,

The spirit of each one of us looks for unity in Christ who strengthens us. (Ref Philippians 4:13)

Christ calls us to support ourselves with spiritual strength. We arrive at this by adoring God above all else and loving the neighbor as ourselves. (Ref Mark 12:30-31)

This instant is to awaken the life that comes from the Holy Spirit, so that, through the Holy Spirit and from our inner, we will be guided to live with the strength that comes from the Holy Trinity—the only way to cope with what lies ahead.

Brothers, let us prepare ourselves to awaken in us the life that remains asleep and which will give strength to the weak, and to the strong, greater encouragement to resist evil.

Earth is not the same, Nature does not behave as before; everything has changed as man has separated from Christ. The Creation reacts against man and man reacts against himself. This is the greatest evil that Humanity has done: Separate itself from God.

Each one of us has great blessings in the body; we do not put our faculties to good use because man does not live a true spirituality that transcends what man has been taught to be religiosity.

Brothers, Christ calls us to be more spiritual and to resist evil. We have a mighty river which is the spiritual life; and, as we walk, we must make other rivers flow so that the Word of God may flow for all of us.

Amen.

**MESSAGE OF ST MICHAEL THE ARCHANGEL
GIVEN TO LUZ DE MARIA
JULY 3, 2016**

Children of the Highest:

**YOU MUST PUT THIS DIVINE SCIENCE OF CHARITY CONSTANTLY INTO PRACTICE, IN ORDER THAT
YOU EXERCISE THE GIFT OF DIVINE LOVE IN YOU.**

I MAKE YOU AN APPEAL TO CHARITY, as being charitable not only gives reason for giving or giving oneself to others with material aid but at the same time is it that fullness of the human creature that has managed to impregnate the soul and the body with Love. **CHARITY, BELOVED, IS IN REALITY A GREAT SCIENCE, VERY IMPORTANT FOR THESE INSTANTS.**

Charity leads man to immerse himself in the stability of Truth, and at the same time it impregnates you with generosity: that which leads to giving without expecting to receive.

Children of the Highest, the Gifts of the Holy Spirit elevate the conscience and inculcate in man Spiritual Understanding in Heavenly Knowledge, which communicates to the soul all that it needs, if it is desired and sought in order to draw nearer to the Divine.

Whoever is not love, is an isolated man, dry as the fig tree that bears no fruit, weighed-down, and in most of his decisions he only counts with what he creates for his personal benefit.

Love Charity, led by the Holy Spirit, takes man and leads him consciously to work and act in that form stemming from the Paternal House, where the soul desires what is from Above, being a just, merciful, grateful human being, who in every instant looks for how to do good.

Beloved of the Most High:

God has no beginning or end ...

God has taught each one of His children goodness and justice ...

IN THIS INSTANT MAN, BY HIS OWN FREE WILL, DOES NOT KNOW GOD AND EVEN SO BLAMES HIM FOR PERSONAL MISFORTUNES.

The Most High has given everything to man but man does not long to approach God. He respects the freedom with which He has endowed man.

The Most High created the Sun for the benefit of Humanity. If a human being does not want to look at the Sun, although he perceives heat and enjoys the light of the Sun, he will say: "this does not come from the Sun, it is another source that radiates both heat and light". So is man with the Most High: he denies him.

Every human being knows that the Almighty created him as a work of His Infinite Love and put all Creation there for him in order that he should not lack anything.

EVIL WAS BORN OUT OF ARROGANCE, PRIDE, ENVY, OF THE HATE THAT AWAKENED IN A BEAUTIFUL ANGEL WITH ALL THE PROPERTIES AND ATRIBUTES THAT THE MOST HIGH ORDAINED FOR HIM. But this angel looked at the Woman with a pure and virginal Womb, where the Son of God would be born. And in this angel there grew a feeling of envy, and envy sparked the feeling of pride that became reality.

This fallen messenger has brought Humanity to discord, to spiritual and moral baseness, he has disrupted all the good in order that man transforms it into evil.

YOU ARE NOT CONSCIOUS OF THE SCOPE OF EVIL ACTION

Beloved, you are not conscious of the scope of evil action... **EVERY EVIL ACT, EVERY ACT CONTAMINATED BY ANGER, PRIDE, ENVY, IMMORALITY, PERVERSION AND AGGRESSION IS NOT STATIC, IT DOES NOT REMAIN WITHIN THE HUMAN CREATURE BUT EXTENDS TO ALL CREATION,** as man is the multiplier of his works and actions for good or for evil.

Likewise, acts of goodness are amplified throughout Creation, without man being aware of it: it is the Law of Love that is not static. **MAN IS A RECEIVER IN CREATION, BUT AT A TIME HE IS A SENDER, AND THIS IS A GREAT RESPONSIBILITY BEFORE THE MOST HIGH AND BEFORE HUMANITY ITSELF.**

Man emits thoughts, desires, acts among others; and what man emits comes out of him and is amplified towards the whole of Creation. Just as the sun influences man and as the moon influences man, so man continually emits his thinking and feeling *ad extra*, outside his physical body. Man is

not trapped inside his body but is an amplifier of his works and deeds, hence the importance of prudence attracted by the believer, emanating from the Holy Spirit.

THE CHILDREN OF THE MOST HIGH ACT FOR THE GOOD OF THEIR BROTHERS.

In this instant in which each step forms part of the great crossroads towards the prophesied events, bear in mind, beloved:

"Act upon all without murmurings and mutterings, so that you may become blameless and pure, children of God blameless among a perverse and degenerate generation, in which you must shine like stars, bringing the Word of life" (Phil. 2, 14 -16).

By maintaining this awareness man will know that he carries on his shoulders the weight of all what is happening in Humanity, and he should remain on the defensive against the lightest whisper of evil inciting him to the most detestable of consummations as a human creature. I do not want to see monsters in the place of men of God, I do not want to see monsters who destroy everything in their path.

BELOVED, YOU MUST UNDERSTAND THAT THE LACK OF LOVE IS A DANGEROUS SIGN IN YOU, the lack of love is a sign that a correct correspondence to the Holy Trinity and to his neighbor eludes man, being the most dangerous of doors through which satan penetrates.

Those who transgress Love do not delay, they are continually working to counsel man to do evil. Nevertheless, the Most High continues exhaling His protection for man, He defends him from what may cause an irreparable evil, but man refuses Him.

The instant has come when pagan peoples, confident in their own human strength, make war against Christians: "Let us kill them like a flock of sheep."

THE INSTANT ANNOUNCED HAS ARRIVED, IT DEVELOPS LITTLE BY LITTLE, ALTHOUGH YOU ALREADY SEE IT.

From far away places immoral, malicious, perverse creatures will come to Europe, to America principally, who like birds of prey will pounce on those who confess true faith in Christ, our King. Eager to destroy every vestige recalling Christ the King, they will invade the holy places and take great spoils, carrying off the spoils for great sacrilege.

Likewise, human vanity will allow ecclesiastical norms to be corrupted, transgressing the Commandments of God's Law.

Humanity does not see the traps of evil and persists in evil, the one which will come to you from the same Creation that does not know you, and so you suffer and will suffer earthquakes and tsunamis.

The force of the volcanoes will be greater, meteorological phenomena will possess great force, viruses will spread over the Earth.

Chaos grows and the foolish man denies it, while more men will be asphyxiated by fire, a product of the creation of weapons of war, the ones man should never have created.

Beloved:

BEFORE THE OUTBREAK OF WAR, BE STEADFAST IN PRAYER, AND IN UNION WITH OUR KING IN THE EUCHARIST, PRAY TO OUR QUEEN OF ALL ANGELS AND ALL LOVE ONE ANOTHER.

Do not distance yourselves, beloved of the Most High, do not distance yourselves!

Pray in season and out of season, being each one of you an imitator of the Love of our King and expanding goodness, which will triumph, and will give Eternal Life and Life in abundance.

Pray for Europe, it will be prey to terrorism.

Pray for the Middle East, it will burn.

Do not forget that evil presents itself as a predecessor of the one who is its essence: the antichrist.

Those who do not believe do not laugh, rejoice those who believe and prepare, rising above their own pain and trials.

OUR KING CONQUERS AND WILL CONQUER IN THOSE WHO REPENT AND PROCLAIM HIM KING AND LORD OF THEIR LIVES.

WHO IS LIKE GOD?

St Michael the Archangel.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
JULY 8, 2016**

I bless you, you who remain attentive to My strong and firm Appeals, so that man be aware that you do not deceive Me, nor can you hide your acts from Me.

I LOVE ALL MY CHILDREN WITH ETERNAL LOVE, WHO IN THIS INSTANT ARE ACCOMPLISHERS OF OUR WILL AND THOSE WHO WILL BE FOLLOWERS OF OUR WILL.

The Mercy of Our Trinity for each one of you is inexhaustible when man draws near to Us, determined not to return to sin and to make amends with actions for past mistakes

HUMANITY COLLAPSES FOR LACK OF OUR LOVE PRESENT IN IT, NOT BY OUR WILL BUT BY THE WILL AND FREE CHOICE OF MAN, WHO WISHES TO WALK WITHOUT US. You have taken the short way, which is easier but more painful, that which satan offers: the way of sacrilege, of killing, immorality and abuses, the way of dishonesty, theft and blood. This is not for free, it costs the soul's surrender to satan.

At the end you will see, My children, your brothers worshipping satan: the king of lies, erecting it sculptures and giving themselves over to all kinds of sins and offenses. There will be multiple heresies within My Church. The god of money will come to take a privileged place within My Temples and within My Ministers.

Evil will not stop and My children, with a fragile education, are permissive and are easily deceived. Children have entered into an improper and distorted sexual education; centres of learning pervert minors. Centres of learning will be turned into places of sexual practice inducing children to an immorality never before seen.

In countries where great sculptures have been erected to worship satan, satan will take more power, coming to take possession of human creatures, transforming them into strong followers of evil. Demons will move very quickly and easily, disrupting the mind of man in order that he commits various acts which will become daily events.

Evil will offer daily spectacles confronting men against men. Racial struggle will rise anew in great nations. The United States will become one of them in this regard.

My Beloved People:

You do not attend to My Calls, despite watching how evil spreads and takes My children in order to carry out its diabolical plans. It is not necessary for man to show himself to be possessed, allowing clear signs of demonic possession to be revealed in the instant when the devil needs an atrocious act to be carried out. The devil acts stealthily, taking the creatures that follow him even indirectly and using them to carry out his macabre plans.

The children of darkness develop a great addiction to evil, the mind does not stop, it creates and recreates its demonized acts, they enjoy the suffering of others and enjoy the blood of the innocent.

This is the instant when the devil keeps his legions and followers ready to attack the family; thus he destabilizes society and thereby every human creature.

MY CHILDREN HAVE A GREAT OBLIGATION FOR THIS INSTANT: FROM OBEYING WHAT SEEMS TO BE INSIGNIFICANT TO BEING THOSE WHO ACCOMPLISH WHAT SEEMS TOO GREAT...

You who love Me:

You must love Me in spirit and in truth...

You must advance spiritually in order that evil might not overtake you...

You must master the human ego in order for it to serve your own good and that of your brothers...

Man causes Me great pain; influenced and sometimes taken over by satan, it has managed to make evil instincts emerge from within man, which he has acquired from all that is contrary to Me, with which misused technology has flooded him.

Love for neighbour is not a Commandment for the man of the present but a battlefield. Each man carries within himself what he has acquired throughout his life. In the environment where they have developed, some of My children have grown up in the midst of evil, and in seeking Me and finding Me have changed their lives; other children of Mine have grown up surrounded by families devoted to Me and have surrendered themselves to satan, seduced by what is worldly, or seeking dark experiences on wrong paths.

My beloved People, I have called you to recognize evil and you refuse to do so. Evil sifts you mercilessly and you, like creatures without conscience, allow evil to use you to cause division, primarily in your homes.

My Heart is torn apart at hearing the insults and disrespect with which you treat one another in families, as if you were enemies. Violence is not only lived on the streets, in centres of study or in workplaces; the most dangerous violence is that which takes place in homes, those that satan has set out to destroy.

MY PEOPLE, YOU HAVE TO KNOW THAT WHERE VIOLENCE, LACK OF LOVE, INSULTS, CONSTANT ANGER, LACK OF CHARITY, LACK OF FAITH AND CONTINUOUS INCIDENTS EXIST, EVIL HAS ENTERED.

Do not forget that satan uses those who are far from Me.

Those who attend Mass or receive Me daily or know My Word are not exempt from the attacks of the devil, since a creature that receives Me continually, but does not live in Our Will and causes evil to his fellows, being a lamp in the street and darkness at home, that creature is a whitened sepulchre and removes Me from him, leaving the creature exposed to evil.

YOU MUST UNDERSTAND THAT EVIL DOES NOT WASTE OPPORTUNITIES FOR CAUSING DIVISION.
This should be

clear to you, as it should be clear to you that I have chosen human creatures in order that they let My Word be known, and they are not exactly saints, although they are perfected in their daily living in union with Me.

**WOE TO THE ONE WHO PUTS GREATER WEIGHT ON THESE CREATURES OF MINE!
YOU DO NOT KNOW WHAT IT IS TO SERVE ME AND WHAT IT IS THAT I CHOOSE.**

Both have merit, those whom I choose and those who choose, but the one that I choose not only suffers what I ask of him, but also suffers what his brothers make him suffer.

So many human creatures with great intelligence are servants of evil. How My Heart grieves! Yes, servants of the evil that dominates them, and they live in continual war with their brothers, going away from Me at an increasing pace.

**CHILDREN, YOU REBEL AT MY REQUESTS AND DEMAND FROM ME:
WHAT DEMAND AM I GOING TO SATISFY IF I KNOW WHAT EXISTS WITHIN EACH PERSON?**

I will not answer the one who demands, I will not give to the insolent, I will not settle with the presumptuous or the haughty, I will not encamp with the proud.

I am one with the humble, I encamp with the one who desires to know Me and is industrious, I give My Word to the needy. I will give the Gift of Science to the simple in order to astonish those who, thinking themselves intellectuals, err in My Word.

**I AM JUST AND WITH JUSTICE I WILL ACT TOWARDS MY PEOPLE.
YOU SHOULD REMAIN ALERT, EACH ONE GIVING THEIR BEST EFFORT, TRUSTING IN ME.**

Already you will see how My Temples will be destroyed in order to that you might not gather. My People are feared because **"I AM WHO I AM"** (Exodus 3:14). They will close My Temples and you should not stumble; where you are gathered in My Name I will be there.

**BE CAREFUL, MY CHILDREN, THE ONE WHO WORKS AND DOES NOT PRAY
IS LIKE THE ONE WHO PRAYS AND DOES NOT WORK.**

May each person be the praxis of My Word and of every prayer that you lift up towards Our Trinity and towards My Mother. The intercessory Saints, your travelling Companions, are constantly waiting for your requests for them to help you.

My Beloved People, the forces of the Universe are moving, the moon is quickening the ocean waves and this is more dangerous for man. The waters rise and pounce on cities, great buildings will be part of the past together with the great works of man.

The unstable seasons cause Humanity to suffer hunger.

Pray, children, the outbreak of war is approaching, the suffering of humanity will no longer be far away. Those who are promoting war have made haste that it might be so.

Pray, children, pray, science is hiding great advances, Humanity does not know of them, they have been created for evil. Great scientists have disappeared this is not certain; they work for the elite for the purpose of making millions of human beings disappear.

Pray children, pray, volcanoes evoke bygone Eras, their fury shakes the heart of man.

Pray children, pray, the earth trembles together with the man of terrorism, France will weep for its children, England and Italy will be consumed in lament.

Pray, Chile suffers, Ecuador is not without fear. California will weep with great groaning.

Pray, from Spain you will hear laments, they will also come from Asia. The Earth does not stop, changes are arriving and man does not see them.

My Beloved People: I do not delight in the suffering of My own; let the one who recognizes him/herself as a sinner repent and come to Me. What it is not earthly will not endure.

THIS INSTANT IS FOR EACH OF YOU, MY CHILDREN, TO STOP LIVING FROM WHAT IS IMMEDIATE AND TO BE MORE SPIRITUAL, FREEDOM IS PRECISELY IN AMENDING YOUR WAY AND RETURNING TO ME.

Become aware of what you are, do not act mechanically; spiritualize every act, every work, carry it out together with Me; in this way you will tell the human ego: "You are not the one who is executing or carrying this out, it is God alive in me who acts ". You will be humbler, until the instant will come when you will not need praise, even personal, **BECAUSE I WILL BE ALL IN ALL.**

You do not find Me because the majority look for Me on the outside, and the outside says to you: "I am not God, God is above me." Man believes he is like Me, and so he has fallen into the depths, into what is dark and false, because of his pride.

My beloved People, do not expect to encounter events, come to Me, I await you with Eternal Love, there is no man who is what I am: your God.

**DO YOU DESIRE TO DRAW CLOSER TO ME?
SERVE ME WITH A GENEROUS SPIRIT, SERVE ME IN MY WILL, UNITED TO ME. THUS I WILL GROW IN YOU AND THE HUMAN SELF WILL BE MORE SPIRITUAL AND THE EGO WILL DECREASE, GIVING ME ALL THE HONOUR AND GLORY THAT YOU SHOULD HAVE GIVEN ME.**

Let those in tribulation come to Me. I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

At the end of this Appeal Our Lord talks to us about spirituality ...
We know that we are not perfect, but we are perfectible ...

AS CHILDREN OF GOD WE HAVE THE DUTY TO FULFILL THE LAW, as part of Humanity we can do everything or we can do nothing, each according to free choice and according to our own will. Therefore, in becoming spiritualized man will accomplish in greater measure the purpose for which he was created: to act and tend to the good.

Man's freedom entitles him to act within himself in search of perfection, although this occurs gradually, based on a constant voluntary activity by man.

OUR LORD SAYS TO US: THE SPIRITUAL MAN IS NOT THE ONE WHO KNOWS MORE, BUT THE ONE WHO LOVES MORE. SIMILARLY SPIRITUAL PROGRESS BEGINS WITH THE CAPACITY FOR LOVING AS CHRIST LOVES.

We are in a dangerous instant in which it is precisely free decision that can lead man to take a path contrary to duty and accomplishment. Debauchery is gaining ground, Humanity aspires to what is easy, to what will not involve sacrifice, although this will make him go backwards, regress.

We might think that this instant could be chosen for catechizing the People of God, preaching clearly about evil, sin, hell and how the devil keeps tempting man. Unfortunately, few speak clearly about these issues; instead the idea of hell is felt by young people to be a topic invented by some in order to frighten and to avoid sin.

Brothers, these are signs of the time in which we are living; we must be more spiritual in order to repair such an offense to Christ and our Mother and prepare ourselves in order to confront without flinching new modernisms that will come to light and that will give greater freedom to sin.

CHRIST SAID TO ME:

MY BELOVED, THE MORE MY PEOPLE SUFFER, THE CLOSER WAR BECOMES, THE MORE MY MOTHER WILL COMFORT YOU. TELL YOUR BROTHERS TO LOOK UPWARDS.

Amen.

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
JULY 10, 2016**

Luz de Maria:

I saw Christ sitting watching the road.
He called me and I approached.
He continues looking and does not speak to me.

Looking at Him, I try to fill my mind with various thoughts ...

Christ says to me:

Nothing of what you think is what I feel: these are My children whom I love, these who despise Me and rebel against Me. They are my people, as are those who love Me.

I, not knowing what to respond to the pain of the Divine Words, am silent.

Christ:

My Love surpasses all that these creatures of Mine are. Ah! but that I love them does not prevent My Justice from being fulfilled in each one of those I love.

Luz de Maria:

I listen in silence.

And Christ tells me:

The lack of love of parents towards their children is what has led the children not to respect their parents. This lack of love and lack of justice is what keeps youth without values.

See, My beloved, see those naked bodies with symbols that represent My Church. It is painful for Me and this made My Cross heavier on the way to Calvary. All this I lived through for every human creature that offends Me in this instant.

See how they tear down the Crosses of My Temples, and they are not exactly those who do not love Me or who rebel in order to follow others. See how those tear down My Temples who falsely say that they love Me and hide in the darkness to crown Me with thorns.

My beloved, how should My People be?

Luz de Maria:

I answer: Lord, a holy, holy People.

Christ:

Beloved, I do not want a modern People, I want a People respectful of sound Doctrine, accomplishing My Commandments, accomplishing My Will. **MODERNISMS CAUSE ME NAUSEA, EVERY MODERNISM PREVAILING WITHIN MY CHURCH IS A NEW SCOURGE THAT I SUFFER.**

Evil leads man to his own destruction. You live in war and deny it, you live in fractional war. You will see the earth trembling before the provocations of some nations towards others. Some of My children live with their mind focused on their life, on their human will, in what is immediate, they do not look beyond what they can see with a short-sighted view. Therefore, they deny war and war will soon arrive with its conflicts, pains and invasions. The organization composed of many countries will take a wrong step and this will be a great provocation that will detonate a great conflict.

Beloved, man is constantly assaulted, not only physically but psychologically and spiritually. Aggressively in creatures overflows instantly, detonating poisonous darts at those at his side. Few homes live like domestic churches. The majority of the members in families are a fruit of fear of the ire of the strongest one in the home.

Beloved, how many warnings have I given My People in order that they might stop?

Luz de Maria:

Lord, they are countless, but they are lost on one reading, could it be that there are few brothers who really live Your Word?

Christ:

Beloved, it is thus, they are few who stop and analyze My Word. Some do not analyze it because it is not convenient for them to face their conscience ... You fools, what poverty of hearts! You lie to yourselves rather than facing your personal reality and making amends for your errors.

Luz de Maria:

Christ shows me many severely malnourished and sick children; I see how the mothers of these children trying to weep and the tears do not come out of their eyes: they weep with their hearts! Truly terrifying, what I see is really terrifying.

How many innocent ones, I feel faint! I would wish to save all those children, some have wounded bodies.

Christ immediately presents me another Vision:

Large chains selling fast-food throw out the products that have not sold during the day.

Then Christ shows me mansions where children of families who live there do not accept the food offered to them, and it is thrown away.

Immediately, He shows me a meeting, I recognize some of those present, who without feeling even a slight pain in their hearts over what they decide, vote in the affirmative so that in Africa our brothers continue dying because of hunger.

He makes me look towards India, and so much poverty contrasts with the luxury of a few.

Christ:

My beloved: thus is the man of this instant, more cruel with his brothers than in other generations. Genocide passes like a shadow from one end to the other, without conscience moving hearts.

Christ laments over the disobedience of man and says to me: My servants should not live in opulence, but with dignity.

Beloved, the spirit of man has become saturated with evil, so much that he has come to transgress My Designs, through misused science. Rulers allow some atmospheric phenomena to be manipulated by science. In this instant the climate is not the same because of the manipulation of man and because Creation disavows man.

Tell your brothers to pray for Asia, it will suffer excessively.

My children try to surpass Me and in their eagerness they have altered all Creation, and with Creation they have altered the human body, causing a series of diseases caused by the irresponsibility of Humanity itself.

Tell your brothers to pray over the pestilences that scourge you and will scourge you frequently, being greater one than the other.

Tell them to pray the Rosary of My Precious Blood, and to use what My Mother has given them for combating pestilences and plagues.

Luz de Maria:

Christ shows me His Mother and our Mother, covering with Her Mantle many human creatures who groan and at the same time beg that they will not fall prey to sickness.

Then, in an instant, Christ says to me: My beloved, see how the invaders are taking over Europe, see how they march leaving everything in flames. And I see so much calamity and oppression that My heart is oppressed at such destruction and pain.

Christ tells me:

Tell your brothers to pray for France, Paris will no longer smile, it will be overwhelmed by terrorism.

Tell your brothers to pray for the United States, the actions of its leaders have created as many enemies as it has had leaders. Tell them that the earth will shake with great force.

My beloved: not all is pain if My children are faithful, if they strive to remain in Our Will, offering when they suffer for the salvation of their brothers.

I bless the path of those who persevere, who look at themselves and recognize wrongdoing.

I bless the path of My children in order that they wake up and that goodwill towards their brothers increases in every instant. My Hands cleanse the path of those who fall and get up, so that the weight of the falls might not leave them prostrate, but so that they get up and be creatures renewed in faith and willing to reach the finishing-line where I am waiting for them.

My People must instruct themselves, enter into My Word, know Me in order not to fear Me but to enter into My Mercy ...

My People must be more spiritual in order to understand My Words and wish to fulfill them. Whoever is not spiritual in this instant, has before them a great hindrance.

Beloved, Humanity has learned to deceive itself and hates those who tell it the truth, preferring to pass by without stopping instead of truly looking at itself. Those who refuse the explanation of My Word will perish in their foolishness.

I AM LOVE, I AM FORGIVENESS, I AM RECONCILIATION, I AM CHARITY, I AM THE TIRELESS BEGGAR OF LOVE, I AM THE ETERNAL SEEKER OF SOULS, I AM MERCY, I AM THE INFINITE TRUTH. COME TO ME, CHILDREN, COME TO ME.

There will be another instant where peace will be air, earth, water and fire. Another instant of infinite peace ...

In this instant, you will be purified, then love will be reborn in each one of My People, and with love, spiritualized man will call Me: Father, and you will be My children.

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

What infinite love is that of Christ! How much He loves us, how much He warns us and how much He forgives us! What is happening in the high governments of the great nations of the world? Why is it that so much of the world's population should die in the cruelest fashion?

CHRIST IS REFUSED, THE CROSS IS REFUSED, REDEMPTION IS REFUSED AND SATAN IS ACCEPTED

...

**DOES IT NOT APPEAR TO YOU THAT THIS IS CONSISTENT WITH THE REVELATIONS THAT WE
HAVE RECEIVED AND WHICH SPEAK OF THE REIGN OF THE ANTICHRIST?**

Brothers, man's suffering is already a sign of the instant towards which we are rushing. The earth quakes, volcanoes have increased their activity, the land is sinking in some places, the sounds that are heard in several countries come from the innermost plates of the earth. Diseases that had been eradicated will return to scourge man ...

Christ calls us to be more spiritual; is it because what is needed to overcome in this instant is spirituality and not false religiosity? Could it be that it is necessary that the people of Christ know Him in depth in order that they thus love Him with all their strength, power and senses, and recognize Him as King and Lord of all creation?

Amen.

MESSAGE OF OUR LORD JESUS CHRIST TO HIS BELOVED DAUGHTER LUZ DE MARIA JULY 14, 2016

My Beloved People:

**MAN HAS NOT HAD THE WILL TO DOMINATE THE EGO WHEN IT CALLS HIM TO TRANSGRESS THE
LIMITS PERMITTED BY OUR TRINITY.**

The Great Tribulation of this generation is living without the Love that Our Trinity has sent to you, not recognizing the authority coming from Our House.

Man yearns for immortality; thus he wrongly searches for how to find bodily immortality. The soul is immortal and this is what should occupy men. The soul is immortal in Heaven or in hell; be aware of this so that work and action be accord with Our Will, so that you enjoy Eternal Life.

Each one of you walks as you please, until the road is as you wish, until the road is as you like; otherwise, you abandon it. So it is with the engagement that you have towards Us.

Our children, Our People weep before so much trial, which ultimately results in greater Faith and a great patience, that which I had. Patience is a great partner for humility to overcome the judgments that men are accustomed to make lightly.

Then Christ said to me:

My child, the whole Universe was entrusted to man, in order that, serving My Father, he would dominate everything created. The Universe is not outside man nor man outside the Universe, since what happens in the Universe interferes in man and man will be called to account for what he does against what has been entrusted to him.

A great planetary alignment is beginning and this movement is altering the entire Universe, managing to penetrate the Earth and therefore man, altering his psyche and causing man to receive this emanation that is occurring in the Universe. For man is not normal to receive this reaction that reaches him forcefully from the Universe, altering and changing man's thinking, behaviour and intelligence, him who is not equipped to receive such convulsion.

THE REACTION OF MAN WHEN HE IS NOT CENTRED ON ME IS: VIOLENCE, REPROACH, INTOLERANCE, EGOISM, JEALOUSY, CRITICISM, ARROGANCE AND A STRONG EMANATION OF REJECTION. Therefore Humanity is characterized by strong actions and reactions, different from how man used to act and react previously. This, coupled with satan's snares upon humanity, has transformed My children into veritable time-bombs who react impulsively, and their actions are unexpected and incredible, due to alienation from Our Trinity, from My Mother and to the unbelief in the intercession of My Blessed Ones.

MAN OF THIS INSTANT IS VIEWED BY EVIL AS A WEAK HUMAN BEING, TO WHOM A DOSE OF REBELLION IS ADMINISTERED UNTIL REBELLION TRANSFORMS ITSELF INTO HATRED. This is why I constantly call you to remain attentive to your own selves, to your actions, reactions and deeds. Therefore, I call you constantly to stop, to meditate on how you are acting and to review the extent of your Love towards Me and your neighbor.

My beloved, crises will be anticipated in the countries that will enter into continuous protests until these are uncontrollable. Scarcity is becoming widespread in every aspect for man's survival. The Sun, which you believe has entered a stage of passivity, is preparing for a strong solar eruption, which will emanate coronal mass ejections, affecting the great advances of science in various fields. Humanity will remain unable to communicate, forced to return to the past to survive.

My beloved, Humanity does not think of these contingencies coming from outside the Earth, nor of those which it receives from Nature itself. In the nations there are agitators in charge of generating conflicts, releasing loose talk into the air that sows discord.

Pay attention My People! Those desiring world domination are supplying arms to the people. I suffer over young people who are casually brought to bear arms. **I CALL UPON THE YOUTH NOT TO PARTICIPATE IN RIOTS OR PROTESTS, AS BECAUSE OF THE HEAT OF THEM THEY WILL BECOME PARTICIPANTS IN MASSACRES. YOUNG PEOPLE, FLEE! DO NOT STAIN YOUR HANDS WITH YOUR BROTHERS' BLOOD.**

The Southern Cone will first be anguish and then peace. **MY MOTHER EMANATED HER BLESSED BLOOD ON ARGENTINE SOIL AS A PRELUDE TO WHAT WILL COME. NOTHING HAPPENS WITHOUT MY WARNING TO MY PEOPLE. MY MOTHER WAS NOT HEARD.**

North America will be a land of convulsion. On the great bridge they will find themselves facing death which is lying in ambush in wild hands.

Brazil weeps, weeps and together with this land the whole world will weep.

**THE CONVULSION IS NOT SEEN BY HIM WHO DOES NOT BELIEVE AND PROTECTS BEHIND A FEW WORDS ...
THIS HAS ALWAYS HAPPENED.**

HOW THESE CREATURES OF MINE WILL LAMENT AT NOT HAVING OBEYED IN SEASON AND OUT OF SEASON!

The enemies of the soul have taken hold of human weaknesses in order to destroy what is Mine. In this instant, My own have become unrecognizable and irrational creatures, without recalling My Will, knowing that the heart of man leads him to be a beggar or a hero, not for his bravery but for his spirituality, for living the Divine Will.

Argentina, you do not possess riches, agitation is growing, the murmurs rise and these are shouts in the streets. The wise people fear the repression of the agitators. At dawn there will be plotting. Oh, Argentina! land of writers and songs, voices will drown in the lament that you will suffer unjustly. I asked you for devotion and meanness triumphed; you will weep faced by disobedience, mobs will enter the Palace in search of valuables.

MY PEOPLE WAIT FOR MY ANGEL OF PEACE; HE WILL BE IMPARTIAL, HE WILL POSSESS MY LAW IN HIS HEART AND HIS WORD WILL BE MY LAW.

England will sigh, pain will come unexpectedly.

Europe will know destruction; the ancient palaces will be ruins.

**HOW MUCH LOVE AND RESPECT ARE LACKING TOWARDS OUR TRINITY, WHEN YOU OFFEND MY MOTHER, AND MY TEMPLES REMAIN EMPTY, THE DOORS CLOSED!
MY PEOPLE DO NOT FIND ANYWHERE TO COME AND WORSHIP ME.**

Man puts Me out of his life, and I, **BEGGAR OF LOVE, CALL HIM SO THAT EVERYONE COMES TO ME.**

The Middle East will detonate, cruelty has overflowed and the Earth suffers.

I call you, I explain My Word to you in order that you do not believe I have forgotten you. I call you in order that My People stay by My Side without losing Faith in the Divine and Maternal Protection.

COME TO ME, WALK IN MY WORD, BE FULFILLERS OF THE DIVINE LAW AND DO NOT TAKE DIFFERENT PATHS.

THE WORD IS ONE FOR EVER AND EVER.

I love you, My children, you are My Great Treasure.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

In the midst of the rampant state of most of Humanity, which has distorted the Message of Christ and wants to make it fit within what man calls "modernism", we receive - because it is not mine, but of the People of God-, we welcome this explanation of the Word of Christ.

This explanation is not to be taken lightly. Humanity accepts the measures taken by those who run governments, institutions and the Church. You accept them with or without awareness, with or without fault - that only God knows - but the guidelines have to be set out firmly so as to leave no ambiguity in any aspect of the life of man so he does not give himself over to evil.

Brothers, at this instant man faces the battle that has always existed between good and evil. But in this instant, because of the proximity of the fulfillment of the Warning and the most dramatic Prophecies that man has overlooked, evil is committed to take possession of the greatest possible number of human creatures with the aim of bringing man to a total rejection of God and all that is Catholicism.

Cruelty against Christians is devastating. In this instant it is occurring in most countries and the response in defense of these suffering brothers is almost zero, or a "let us pray for those who suffer". Reactions in defense of Christians seem conditioned so as not to create political conflicts.

Christ did not come for politics; He came to teach us the True Way to the Father.

Let us read Matthew 24: 6-13:

"You will hear of wars and reports of wars; see that you are not alarmed, for these things must happen, but it will not yet be the end. Nation will rise against nation, and kingdom against kingdom; there will be famines and earthquakes from place to place. All these are the beginning of the labor pains. Then they will hand you over to persecution, and they will kill you. You will be hated by all nations because of my name. And then many will be led into sin; they will betray and hate one another. Many false prophets will arise and deceive many; and because of the

increase of evildoing, the love of many will grow cold. But the one who perseveres to the end will be saved."

Brothers, let us consider that persecution is spreading, in this instant we see it on the news and in our countries towards churches and images and see the desecration against the Blessed Sacrament, which is a very grave sin. From this to acting against the physical person, is only a matter of an instant.

Brothers, we must not forget that we they can take our lives, but nobody can take Christ from us.

Let us not forget that we are called to be the light of the world and the salt of the Earth ...

Let us not forget that the joy of the Holy Spirit remains in us to be an example of Christ who strengthens us.

We must know the Divine Love in depth for each one of us. The glory of the Kingdom is reserved for those who remain faithful.

**WE ARE NOT CHILDREN ABANDONED TO OUR FATE, CHRIST AND OUR MOTHER REMAIN WITH US,
LET US SILENCE THE BUSTLE OF THE WORLD AND LISTEN TO THEM WITHIN US.**

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
JULY 17, 2016**

Beloved children of My Immaculate Heart:

**MY MOTHERHOOD EMBRACES EVERYONE...
MY PROTECTION REMAINS OVER EACH HUMAN BEING.**

You are My children, whom I received at the foot of My Son's Cross and, as My children, I care for you in every instant and intercede for all in equal measure.

Beloved People of My Son:

**DO NOT SKIMP EFFORTS TO REMAIN UNITED...
UNITY IS FUNDAMENTAL FOR YOU IN THIS PRECISE MOMENT, AND ITS PROTECTION
TRANSCENDS THE PHYSICAL AND IS AT ONCE ALSO SPIRITUAL.**

I announced to you the instants that would come... **THESE ARE THOSE INSTANTS!** And I called you to Unity, to that unity which in this instant is very important and necessary for every man, for all as brothers and sisters and lovers of the Heavenly Father, of My Son and of the Holy Spirit.

The way in which violence has increased throughout Humanity is not new for you, My children. The Paternal House has already been alerting you constantly about this lamentable fact. In My Apparitions I explained to you what this violence would consist of: that evil would take as prelude the global apparition of the antichrist as the only leader of Humanity.

Heaven warned you that you were at war, since this war was presenting itself unlike previous models of other wars throughout History. This Third World War consists of a scale of violence of different forms, within which men will reach unthinkable extremes for human thought. The most powerful nations will use protests and states of global turmoil to seize power with greater force. Millions of My children will be mutilated, persecuted and violated in every aspect, and they will be killed. Temples will be pillaged. Already, some temples are desecrated with worldly and satanic spectacles.

YOU KNOW THAT FIDELITY IS EXPRESSED NOT ONLY WITH WORDS BUT IN ACTION.

IN EVERY ACTION YOU CARRY OUT, IT IS EVIDENT IF YOU ARE CHILDREN OF MY SON, IF YOU ARE LUKEWARM OR IF YOU BELONG TO THE DARKNESS.

This instant is the one in which a thermometer has been placed before each one of you, the thermometer that measures My children by their words, their witness and their actions: that is how they will know and recognize you... If you belong to My Son you must keep Peace in your hearts, since you have the knowledge and certainty that this instant is one of trial for everyone and evil attacks you to bring out the worst in you: the least Christian reactions, so that you give ill witness to the Faith you profess to My Son Jesus Christ and to the love you have for Me as a Mother.

THE TRUST IN MY SON'S WORD IS ESSENTIAL IN THIS INSTANT, MORE THAN IN OTHERS:

Some will be tested in stealthiness...

Others will be tested in patience...

Others will be the wall of prayer, not only born of Faith and of the heart but of prayer put into practice, so that they are witnesses of true love to the Divine Will, calling their brothers and sisters to conversion...

Others of My Children will be tested in trust, in charity, in hope...

AND THE MAJORITY OF THOSE TESTS LEAD TO ONE: TRUE UNITY IN FRATERNITY.

My children, whoever thinks too much about the future is led to despair due to the evil that surrounds all of Humanity and remains attentive to souls so as to attack them...

Whoever lets himself or herself be carried away by the moment of trial will be led to act by evil, as he or she has never before acted...

WHOEVER OVERCOMES THE TRIAL WITH FAITH AND LOVE IS FULL OF THE HOLY SPIRIT AND THE TRIAL WILL BE THE GREAT BLESSING OF HIS OR HER LIFE.

Children, who dares to say that a trial will not appear on the path of the true children of My Son at the most unexpected instant?

WHOEVER IS TESTED, IS TESTED BECAUSE HE OR SHE IS ON THE RIGHT PATH, WHOEVER IS NEVER TESTED SHOULD WORRY AND SINCERELY LOOK AROUND -- UPON WHAT PATH IS HE OR SHE WALKING?

Welcome the trial with Love, Patience, Charity and Faith. Love will make the trial less heavy; Patience will give you peace and security, leading you to offer up whatever comes for your brothers and sisters who suffer throughout the Earth. Charity will lead you to trust in My Son. The greatest thing about a Christian is the love he or she has for God and for neighbor, knowing that in one way or another, the brother or sister beside him or her, can offer aid. Faith gives you the certainty you have been chosen to be faithful children of My Son and because of that, you are tested.

People of My Son, children of My Immaculate Heart:

THE SACROSANCT TRINITY HAS CONVOKED GROUPS OF YOUNG PEOPLE THROUGHOUT THE WORLD SO THAT THESE YOUNG PEOPLE MAY BE A SUPPORT FOR THEIR BROTHERS AND SISTERS WHO NEED IT IN THIS INSTANT, SO THEY ATTRACT WITH LOVE OTHER YOUNG PEOPLE WHO MUST JOIN THIS VERY CALL, BUT DUE TO THE LACK OF A SINGLE ACT OF LOVE, THEY REMAIN OUTSIDE. These young people will be the ones to accompany this Mother being the support of their brothers and sisters, even of those older in age. These young people will be an example of living in My Son's Will and are the ones who will accompany the Angel of Peace, so that the mission that the Paternal House has given that Child will be fulfilled, and He will help My Son's People in the instants of greater tribulation.

Beloved children of My Immaculate Heart:

BE CHARITY, CHARITY IS MATURITY AND MATURITY IS A SIGN OF FAITH, UNDERSTANDING, EDUCATION, RESPECT TOWARDS MY SON, TOWARDS ONESELF AND TOWARDS ONE'S NEIGHBOR. Charity is proof of a soul who has matured and this is what each of My children must maintain at hand in every instant. Give aid to your neighbor, be untiring servants of others.

CHILDREN, REMAIN VIGILANT IN REGARDS TO YOUR NEIGHBOR: DO NOT GIVE INSULT, DO NOT SLANDER, DO NOT BE AVARICIOUS, DO NOT REPROACH THE PAST. ALL HAVE THE SAME OPPORTUNITY TO AMEND THEIR PATH. Be Love in every instant without faltering, because whoever loses Love can get ahead of himself or herself and be overcome by rage, which is an important weapon for satan, since it has different forms, among them poison that wounds and causes one and one's brothers and sisters to bleed out. Rage is the great evil of this instant for My Son's People. Whoever lives under the power of anger, cedes territory over to satan each instant, and satan makes that person more vulnerable every instant, conditioning the person until satan takes that person for himself.

PEACE IS VERY IMPORTANT FOR THE HUMAN SPIRIT, EVEN IN THE MIDST OF A STORM. You will know of brothers or sisters who in a moment of folly will lose their life by themselves. These children of Mine cause Me great pain; as a Mother I do not want to lose them. **That is why I invite you to pray for one another in every instant, so that you minister to one another and protect one another.**

You will encounter different paths, but you, who have remained faithful, must double your good actions, good works, so the merit is greater and overcoming temptation is greater.

Children of My Immaculate Heart, there is no manual that exists for the life of a christian, not one I can give you as a Mother. You would have to wait for Me to describe to you each and every one of the events and the unexpected of each one of you in particular, and this as a Mother I would not detail.

THERE EXISTS ONLY ONE MANUAL FOR THE LIFE OF A TRUE CHRISTIAN: THE TEN COMMANDMENTS OF GOD'S LAW. Whether they appeal to you or not, they are the Manual of the life of a true christian, they were, are and will be, without leaving out the Beatitudes, the Works of Mercy, the Sacraments and the adoration of the Eucharist. Each one of you is a Temple of the Holy Spirit, and satan's wiles should not enter into the temples, not in any aspect or under any form.

KNOW MY SON'S WORKS AND ACTIONS, and after putting them into practice say to Me: "Mother, I am a child of Your Son." Before that, do not assure it lightly.

KNOW MY SON, YES, IT IS NECESSARY FOR YOU, SO THAT YOU MAY BE TRUE, but getting to know Him you must put that knowing Him into practice, for knowledge without due praxis is worth absolutely nothing. It would be like a gardener who planted a variety of all the most beautiful roses, fertilized them constantly, possessed all the knowledge of cultivation, of plagues, of the smallest signs of plagues that could attack them--but if this gardener does not give his love to the roses, the ingredient that will distinguish them and make them special would always be lacking.

If a person possesses everything he or she desires and considers to be necessary for his or her life, knows about what they will ask him or her, is prominent and knowledgeable about all ideologies, sciences, arts, music, mathematics, is a prominent historian of the Universes, but if he or she does not have Love to overcome himself or herself and also his or her ego, he or she will succumb before the lack of knowledge of what is most important: Love and the development of this precious Gift in himself or herself and will not be able to recognize it in his or her brothers and sisters.

Beloved People of My Son:

I MUST CONFIDE IN YOU AS A MOTHER THAT YOU MUST REMAIN ALERT; EVIL'S VISION IS TO DRAG WITH IT THE GREATEST NUMBER OF SOULS AND THOSE SOULS ARE THE SOULS OF EACH ONE OF YOU, NOT OTHER SOULS. EVIL WANTS THAT BOUNTY, THE ONE OF THE SOULS OF THOSE WHO BATTLE CONSTANTLY TO CONTINUE TO BE FAITHFUL TO MY SON.

In this battle arise disagreements, uprisings, threats, persecutions and the acts taken to reality; this war is based on threats, acts of violence, cruelty and of the reality of man against man himself.

Beloved People of My Son and of My Immaculate Heart:

Revolts are poisoning peoples; it is a plague that goes from people to people. Evil moves in the emotion instability of man, in which evil is an expert in the one who lacks faith. You will hear of calamities, in place after place. Each instant there will be a seizure in some country, it will seem unending. Due to evil needing to keep man's mind immersed in violence and to guide the nations and people in constant uncertainty, so as to cause fear in this instant in which the birth of evil has

come to light, which is terrorism and it will continue to carry suffering to all of Humanity and it will not tire of doing so.

**AS A MOTHER I WARN YOU, CHILDREN, TRUST IN MY SON'S PROTECTION,
IN MY PROTECTION AND BE CAUTIOUS AND ASTUTE.**

Pray, My children, pray for Ecuador, pain will be a mark on the heart and mind of this beloved People.

Pray, My children, pray for Paris, England, Spain, Italy, Portugal, Germany, the United States, the Middle East, Venezuela, Nicaragua, Pakistan, Japan, China, Nigeria and Russia. Evil has become entrenched in a special way in these nations.

Pray My children, for Italy, it will be in the midst of the light that the hand of evil will come. Suffering comes from the depths of the earth; two great volcanoes which I have already mentioned, are about to become active and are a great danger for My children.

Pray, My children, pray for the United States. When the strong eagle dabbled with other countries, it gained enemies. In this instant those who consider themselves enemies can be found within and will be a great lament for this nation. Nature will scourge them without ceasing. This nation will be mentioned for the great trial it will live in its system of government.

Pray My children, the waters of the sea will invade the land without cause and inactive volcanoes will become strongly active.

Children, in every home there must exist spirituality, peace, harmony, understanding and you must have the Sacred Scriptures, but not to decorate your home. Have Sacramentals, receive My Son in the Eucharist, pray the Holy Rosary. In every home there must exist true union with My Son and the constant praxis of the true child of My Son: the Law of Love.

BE CHILDREN AWARE OF THE INSTANT. There are children who did not recognize the instant in which Humanity moves, but they are recognizing it now, just like it was announced by the Sacrosanct Trinity.

BE PEOPLE WHO CARRY OUT AND NOT ONLY READ THIS WORD THAT HEAVEN UNVEILS TO YOU IN ADVANCE IN THESE CALLS, BUT ABOVE ALL, BE PEOPLE WHO FULLFILL GOD'S WILL.

My Son's Church needs the prayer of its members; evil has entered it with force but covertly. You are the Mystical Body. Recognize that that Mystical Body simultaneously has cancer and must be healed.

**CHILDREN, TRIALS PASS...
MY SON LEADS YOU TO LIVE IN INNER PEACE, HE GIVES YOU WHAT YOU NEED BECAUSE HE
LOVES YOU.**

People of My Son, beloved children of My Immaculate Heart:

DO NOT DOUBT IN CALLING ME, I AM MOTHER OF ALL MANKIND. WHEN YOU ENTER INTO DARKNESS PROVOKED BY MAN, DO NOT FEAR. THE LIGHT OF YOUR SOULS WILL ENLIGHTEN YOU.

You, My children, are the peace guided by the Holy Spirit that will keep your brothers and sisters standing.

I see in every town some souls who call Me and I come quickly to fill them with Love so that they remain in Faith. I see more souls in the towns who call Me and I go to them to give them My Hand and guide them. I see souls that grow every instant and My Son is pleased by the response to His Requests, and I come to give them My Hand to guide them. I see groups of children, that as in the cenacle, receive Heaven's Word with special love.

BELOVED CHILDREN, EACH ONE OF YOU IS A REFUGE FOR MY SON, FOR ME AND FOR YOURSELF. You must know places of refuge exist where you can protect yourselves in the instant I point out to you, created by some of My children. Some places of refuge are large to accommodate many of you, others are not so large and others are familial places of refuge. You must not enter in search of these, or feel bad because you do not form part of a group conformed for this aim of protection. You possess the protection within you by working and acting like My Son works and acts.

Your homes are permanent places of refuge for Our Hearts if in them Divine Love dwells, if you are messengers of Peace and fruits of Unity and Fraternity, being witnesses and testimony of Faith, of Hope and of Love for your neighbor, remaining in a state of grace or in permanent vigil to ensure you come to possess this state of Grace, not only for you but so that you are able to give yourselves to others in a single Heart: that of My Son, which will not allow you to make discriminations.

**MY SON'S PEOPLE ARE ALREADY VICTORIOUS AND WITH THE ANGELS, COMPANIONS ON THE JOURNEY AND BLESSED, PROCLAIM THE GLORY OF GOD FOR EVER AND EVER.
AMEN.**

I love you, My children. Carry your scapulars with you. I bless you with My Heart.

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

United in the Sacred Hearts, let us continue on Earth, with faith in Divine Help.

Not everything our Mother expresses to us is encouraging, but we, children of the Most High, continue working in every instant to be worthy of Divine Mercy.

Man has freedom; this is a great Gift God has given man. Among the components of this Gift, we can cite that freedom is taken by man to judge, analyze, understand what he wants to interpret, according to his state. Man reasons, and this is good; he thinks and this is good, as long as we are what our Mother tells us: every work or action must be governed by the Will of God, otherwise, it would be another whim with which man buffets himself and his neighbor.

We must maintain clarity in our daily life; not everything that is desired is the Will of God and a great part of what man comes to put into effect in his life is a fruit of his free will. That is why our conscience must lead us to live in constant vigilance so as not to decline and cede the reigns to our human ego that has not been purified in God's Will.

Evil fights with all its strength, but greater are the Gifts that the children of God possess when we are ground that is prepared and fertile for planting.

Let us remain in the Divine Hands, on the lap of Our Blessed Mother and let us ask for the intercession of the Saints and give thanks for the prayers of our brothers and sisters. All help is infinitely good for us, and all that is good we need.

Every area in which a person is lacking is replaced by the Holy Spirit, when the person asks for it. **EVERYTHING RESTS ON MAN BEING WILLING TO OPEN HIMSELF UP TO DIVINE LOVE, ON BEING WILLING TO RECEIVE WHAT THE DIVINE WILL HAS ARRANGED FOR HIM.**

This generation will be purified in the crucible like wax before fire due to man having supplanted God. Man wants to possess God's creative power and humanity distanced itself from the Sacrosanct Trinity. From that instant all the tragedy for Humanity began.

We have no turning back, but we do have the Great Divine Mercy to guide us and keep us in the constant effort to save our soul and attain Eternal Life.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
JULY 24, 2016**

Dearly beloved children of My Immaculate Heart:

I bless you and as the Mother that I am of Humanity, you remain in My Heart. May the heart of the one who lives in continual search of conversion not be troubled.

THE PASSAGE TOWARDS MY SON IS A WAY OF TRIALS. HOWEVER, EACH TRIAL IS A BLESSING WITHOUT WHICH YOU WOULD NOT GROW INCREASINGLY QUICKLY AS YOU SHOULD GROW IN THIS INSTANT, IN WHICH THE PEOPLE OF MY SON MUST KNOW AND RECOGNIZE THE DIVINE WORD IN SACRED SCRIPTURE.

Children of My Immaculate Heart, Humanity finds itself in confusion; you ask one another what to believe and in what to believe. This way of working and acting is not in accordance with the Divine Will set out in the Law of God: in the Commandments, which are non-transferable, unchangeable and inalterable. They are the Eternal Will of the Father in order that His children do not enter into confusion and clearly remain within Love, fulfillment and practice, obeying the Divine Will.

You, whom I love, you My children, I call you to remain steadfast and unmovable. Your brothers need testimonies that motivate them to continue in the pursuit of saying yes to God without faltering, without tiring, without setting aside commitment to neighbor and to each person individually.

I had mentioned to you that uncertainty would be the nightmare of the People of My Son, and thus you are living it. Terrorist acts are occurring with greater frequency, the aim is to frighten, to create chaos and to lead man to impatience and bewilderment. **I ASK YOU TO NOT DOUBT, BUT TO STRENGTHEN YOUR FAITH IN EACH EXPLANATION OF THIS WORD OF MY SON.**

Whom is evil pursuing? The innocent, the poor children of this Mother, but above all it is pursuing young people in order to take them to form part of this terror that is expanding everywhere, without any fear or amend hesitation. How I grieve over these works and acts!

The devil seeks My children in order to make them fall and so that they abandon My Son, transgress the Law of God and be those who interrupt the fraternity that My Son asks of you and has entrusted to each person, in order that in complete fraternity you might progress in Love , Charity, Hope and Faith.

For the one who is not Love it is difficult to walk. Continue receiving My Son in the Holy Eucharist. Discover the Divine Presence in every instant of life, in all creation, so that, in being aware of it, you at the same time be tireless seekers of the Truth.

Beloved children of My Immaculate Heart, you are aware that the smoke of Satan has invaded the Church of My Son and that evil therefore rejoices in shaking those who are Mine, threatening the Faith of My Son's People.

THE DIVINE WORD IS ONE: YESTERDAY, TODAY AND ALWAYS, IT IS AND WILL BE. The threats of ideologies and sects towards the Church of My Son have become reality. From within the Church itself they attack it, oppress it and distort the true Divine Word in order that chaos spread and the faithful depart from the Church that My Son instituted.

THERE IS DIVISION AND THE CHURCH OF MY SON WILL BE STRONGLY SHAKEN TO ITS FOUNDATIONS. Some of My Priests have set aside the true Teaching to My Son's People, in this instant serving interests foreign to the Divine Will. Freemasonry has strongly influenced the faithful

People, it has given them conditional teaching regarding the true Faith and for this reason the weak Faith of My children is like a weathervane in the wind, and even doubts what it believes.

MAN HAS NOT SUCCEEDED IN CONQUERING HIS EGO, ALLOWING PRIDE AND THE LOVE OF SELF TO BEND HIM SO AS TO OPT FOR WHAT IS IMPROPER AND SINFUL, GRAVELY OFFENDING THE MOST HOLY TRINITY.

CHILDREN, INSIST ON CRUSHING THE HUMAN EGO WITH DIVINE LOVE IN ORDER THAT IT DOES NOT RESIST. Do not forget that love conquers all and remains in constant evolution, because from every act or work it receives the equivalent of these acts and works for the good or ill of the human creature.

BE THOSE WHO FULFILL THE DIVINE WILL IN EVERY INSTANT, BE TRUE TESTIMONIES OF THE DIVINE LOVE THAT DWELLS IN YOU, DO NOT FORGET THAT YOU ARE NOT EMPTY CREATURES, BUT THAT THE HOLY SPIRIT RESIDES IN EACH ONE.

Beloved children of My Immaculate Heart:

The instant, that is no instant, is God's time in which every revelation is being fulfilled. Live in peace and do not despair or become anxious. Faith in the Love and Mercy of My Son for you must be greater, and do not despair. In every instant actions must sum up this testimony of true Christians before your brothers and in secret. In this way, the waiting is not feared as much, nor will Divine Justice lead you to despair, as you are a reflection of the acting and working of the true child of My Son.

The human will should overcome every attack in order forcefully to say 'No!' to what can cause it to be separated from the Divine and to depart from Eternal Happiness.

Pray children, pray for France, it suffers without respite, pray for this nation.

Pray children, pray for the United States, it suffers at the welcome they give to the devil. That same devil is pursuing it, in order that it falter and not invoke God. Suffering will be caused by minds disturbed by evil, and Nature will make it suffer.

Pray for Germany, an event will shake it.

Pray for Brazil, pray. In instants terror will invade this land.

Pray My children, in this instant of agitation, despair and lack of love for God in which Humanity is living, give way to evil's dominion over men. The way of acting is not consistent with a man who is a child of God. Humanity does not see evil in anything: wrong is right and what is right is

old-fashioned. This is the ruse of satan that you do not wish to recognize, and which leads you towards the eternal fire, if you do not repent and convert.

War will be recognized as such and those who struggle for world supremacy do not delay.
Humanity will be taken by surprise in the midst of fear.

Children of My Immaculate Heart:

THE DEMON URGES MAN TO SURRENDER TO HIM, MISUSED TECHNOLOGY CONTINUES TO ENSNARE THE MINDS OF CHILDREN AND YOUTH. Innovations are not innovations, the games they practise are traps of satan. Do not accept these traps of evil, do not be introduced into the new games, these are traps that lead you to be involved with evil.

STOP MANIPULATIVE TECHNOLOGY THAT LIES IN WAIT FOR AND RUINS CHILDREN AND YOUTH IN ORDER TO STEAL THEIR SOUL!

Children, these instants are strong instants. At the same time the child of God knows that he will not be defeated if he remains on the right path.

I protect you as a Mother who loves Her children, do not fall away.

Nature is altered in the extreme.

Be those who adore My Son, and with the Love of My Son, spread blessings to all Creation.

I love you all, I bless you. I kiss your hearts so that you continue onwards, without faltering.

THE PEOPLE OF MY SON DO NOT WALK ALONE, BUT UNDER THE SHELTER OF YOUR GOD.

In every instant lift up this request:

In instants of spiritual plenitude:

Sacred Hearts of Jesus and Mary, be my strength and that of my brothers.

In every instant of unity:

Sacred Hearts of Jesus and Mary, be my strength and that of my brothers.

In every instant of loneliness:

Sacred Hearts of Jesus and Mary, be my strength and that of my brothers.

In every trial:

Sacred Hearts of Jesus and Mary, be my strength and that of my brothers.

In Faith, Hope and Charity:

Sacred Hearts of Jesus and Mary, be my strength and that of my brothers.

In blessing your family:

Sacred Hearts of Jesus and Mary, be my strength and that of my brothers.

In trial and agony:

Sacred Hearts of Jesus and Mary, be my strength and that of my brothers.

I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

Our Mother calls us to total conversion.

She details the events that we are going to face, that cannot be put aside.

But above all, every Word of our Mother calls us to go beyond the events.

It is a constant reinforcement of Faith, with the practice of the Divine Word that is written, but not deepened in order to be brought to life.

"SAVING THE SOUL": for some this phrase means nothing or little, but it is so deep, because man encloses the soul in himself.

It is therefore necessary that each person be successful in throwing a bridge between the creature and his Creator in order for the soul to tend more towards God.

We are free, but we will find true freedom in doing and living in the good, but this is not achieved if is not with the grace of the Illumination of the Holy Spirit, in order that the evil that stays in the mind, thought and memory be overcome and that the heart be wholly for the good and the creature "ALL OF GOD".

Let us pray that our God free the soul of every person, free it from the bondage of sin, because of wanting to hear what is desirable, not the truth of work and personal action.

Let us discover God in prayer, but not in that where we ourselves talk, but in that prayer in which we allow God to speak to us, in order to hear what Christ or our Mother truly have to say to us.

Let us remain attentive to what is happening and discover evil in subtlety, in the little things from where it attacks the Mystical Body.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
JULY 29, 2016**

Dearly beloved children of My Immaculate Heart:

ALL ARE CHILDREN OF GOD, "ALL", EVEN THOSE WHO DO NOT BELIEVE IN HIM.

Those who flee from God swim against the current of their own existence. God knows everything that man wants, He knows it in advance: "**BY THE HANDS OF GOD MAN WAS FORMED**".

**TIME IS: THE WORK OF GOD'S HANDS AND EVERYTHING IS FULFILLED IN HIS TIME ...
NOT IN THAT WHICH THE MAN WANTS TO IMPOSE.**

You, My children, know that far from the Father you are heading for an ignominious death, you head towards failure, you go against the established Order, you go in search of what misused free will shall give you, shall facilitate for you. Who facilitates man using his free will against what the Father has established? Satan.

It is in this instant when man does not see the alignment he maintains with sin and hands himself over to evil, establishing a pact with sin, which takes human freedom and invades it, dominates it, maintaining supremacy over man.

Evil, therefore, is what orders and maintains power over the will of man, provoking in man the awakening of base instincts ensuing from the calamity that emerges from the misuse of human freedom, which has led the soul to find itself at the great crossroads facing sin that oppresses it and does not allow it to regain unity with the Most Holy Trinity.

MY SON DIES ON THE CROSS IN ORDER THAT MAN, LOST AND DEAD BECAUSE OF SIN, BE RESURRECTED TO THE NEW LIFE OF UNION WITH THE MOST HOLY TRINITY. This has been forgotten by a great number of My children, who neglect the fact that each sin is alienating them even from

their own selves. You are not a unity of Divine Love, but a unity that rebels against what God's Law has established for the straight walk of His children. Man walks against Unity.

A GREAT PART OF HUMANITY MOVES IN THE INTERESTS OF FASHION, OF A PURPOSE THAT IS NOT THE DIVINE WILL. YOU GO LIKE ZOMBIES TOWARDS THAT WHICH IS NOT THE FINAL END OF MAN, WHICH, AS CHILDREN OF GOD, IS ATTAINING ETERNAL LIFE.

The devil has succeeded in making evil and discord enter the Church of My Son. The aim of the devil is to divide the Church of My Son, to fracture it in order to facilitate its possession of the Church and lead it to schism.

FOR MY CHILDREN, THIS INSTANT IS THE INSTANT FOR STAYING AWAKE, THE INSTANT OF KNOWLEDGE, OF ABSOLUTE FAITH, OF UNCONDITIONAL LOVE TOWARDS THE MOST HOLY TRINITY. In this instant the lukewarm find themselves in grave danger.

You must know and accept a reality, My children: **UNITY IS FRACTURED, YOU CALL YOURSELVES CHRISTIANS BUT YOU FIGHT AGAINST ONE ANOTHER.**

The devil has divided without man offering resistance, without recognizing that this is the great work of evil: dividing the People of God and introducing the deadly poison even among some Cardinals, Bishops and Priests in order that the poison not be so evident.

Children of My Immaculate Heart, some of My Priests have taken the Celebration of the Eucharist as a routine, and Transubstantiation has been forgotten, making My Son present in the Eucharist out of love for those who receive Him with Faith.

My children:

YOU SHOULD NOT FORGET THAT IF YOU RECEIVE THE BODY AND BLOOD OF MY SON WITHOUT HAVING REPENTED OF SINS COMMITTED AND A FIRM INTENTION OF MAKING AMENDS, EACH COMMUNION OUTSIDE THE STATE OF GRACE CAUSES YOUR OWN CONDEMNATION.

Evil possesses cunning and knows the weakness of every human creature, standing in man's way in order to defeat him.

The proud man does not listen to the Voice of Heaven that time and time again announces to him the dangers in which he finds himself ...

The one who is proud is puffed up and listens to nothing but what he or she wants ...

The one who is proud blames his/her brothers in order to hide his/her conceit ...

The one who is proud argues at all times ...

I HAVE MENTIONED THIS, BECAUSE SOME OF YOU LIVE BEING PROUD AND DO NOT ACCEPT IT, YOU REMAIN PUFFED UP AND DO NOT ACCEPT IT, YOU SPEND YOUR LIVES FEEDING YOURSELVES WITH SCIENCE, BUT WITHOUT GOD.

THIS IS THE SCIENCE OF EVIL: SCIENCE WITHOUT LOVE, SCIENCE WITHOUT CHARITY, SCIENCE WITHOUT HUMILITY AND WITHOUT JUSTICE. SCIENCE WITHOUT GOD IS SCIENCE OF EVIL.

Children of My Immaculate Heart:

In this instant, you who are overcoming the setbacks of every instant will find strength in the Eucharist, in union with My Son, in fulfilling God's Law, in Works of Mercy and progressing in the fulfillment of the Divine Will.

You must strive to be that New People who find their support in My Son, in the ardent desire for Unity. You must walk so as to bring fulfillment to the Will of My Son, being those new men who love My Son and are disposed to be fulfillers and lovers of the Divine Will.

In this instant, humanity has taken its course: some walk towards Divine Truth and other wound the Sacred Heart of My Son, rushing thirstily towards sin and its novelties. For want of this awakening of man regarding sin, as this accompanies man, is that the tentacles of evil continually appear with novelties in order for man to be lost. The devil needs to steal man's time so that he does not react, keeps his mind occupied by an imaginary life and so that he does not hear the call of My Son.

My children: I received you at the foot of the Cross of My Son, and as Mother I must warn you.

THE GAMES THAT YOU ARE USING AT THIS INSTANT THROUGH THE TECHNOLOGY THAT YOU CONTINUALLY CARRY IN YOUR HAND MAKE YOU ROBOTS, TAKE YOU AWAY FROM REALITY AND ABSORB YOUR INTEREST TO THE POINT OF CAUSING YOU TO BE THOSE WHO FULFILL THE DEVIL'S DESIRES.

There is no Unity; the Gift of Speech has been lost. Each one of My children has constructed their own world, without love for neighbor, but only for himself; daily living is that of one more film that you transmit to all those you want, without considering the consequences.

The man of this generation falls into the abyss of contempt for freedom and has immersed himself in debauchery in every respect. Children, this is the product of evil, this is what evil desires in order that those who are followers of evil do not stop and carry out all its work and action upon you, who expose yourselves gratuitously.

I deeply grieve for what adult man has brought childhood to, opening up for it the way of unbridled sex, sexual deviation, of seeing what is immoral as being natural, of taking that which is the great drawing near to evil as being a part of life

Pray, My children, pray for the Church of My Son, schism is approaching by leaps and bounds, confusion spreads and the devil is taking advantage of this instant.

Pray, My children, pray for Romania, it will be overcome with pain, Nature will shake it and water will flood it.

Pray, My children, evil is moving upon the nations, seizing the darkness in order to prepare its actions. Suffering is evil's goal. Terrorism lives by nourishing itself at each instant on the product of its action.

Pray, My children, pray for Brazil, its soil attracts pain.

Pray My children, chaos becomes one with the United States that has lost its peace.

Beloved children of My Immaculate Heart:

LOVE THE MOST HOLY TRINITY, PENETRATE INTO THE DIVINE LOVE AND FIND THE FLAVOUR OF THE GOOD IN FULFILLING THE DIVINE WILL.

Humanity receives the evil actions of terrorism with distress. This tentacle of the devil is reinforced by those who suffer from the voluntary absence of My Son in their lives.

Beloved children of My Immaculate Heart:

I CALL YOU TO CONVERSION: CRY OUT FOR THE WISDOM OF THE HOLY SPIRIT WITHIN YOU, CRY OUT FOR THE GIFT OF DISCERNMENT FACED BY NEW INFORMATION THAT WILL LEAD YOU INTO CONFUSION.

Children, Charity is disappearing; you draw Charity towards Humanity and infect it with it.

It is not only calamities that should keep you on alert, but staying on the Way of My Son and in the reciprocal fulfillment of Divine Love.

WARN YOUR BROTHERS ABOUT THE INSTANT IN WHICH YOU ARE LIVING. Some will believe, others will reject you. Do not give up, but continue warning your brothers in order that they return to the path of the Gospel.

My children should not expect the organizations assigned for the protection of the Earth to alert you to the truth about the threats approaching from the Universe. Earth is threatened from space by an asteroid. Do not strive to save the body but the soul.

Beloved children of My Immaculate Heart:

UNDERSTAND THAT THE GOAL OF EACH ONE OF YOU IS LIVING ETERNAL LIFE.

I protect you, I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers/Sisters:

Man as part of humanity is not managing to penetrate the reality of this instant ...

Man is disposing himself voluntarily or involuntarily for a definitive change. If the human will, had kept up this quest for the Divine Will, the changes facing Humanity would take a different form. But man intensified a rebellion against God's Law, against unity with his Creator, when science interfered with the creation of life.

At the same time, public contempt for life began publicly on a large scale, and in various countries abortion law was passed. Perhaps we shudder on reading of the slaughter of innocents on the part of Herod when he sought to take the life of the Infant Jesus. In this instant there is a silent pandemic: abortion, where millions of children are aborted every minute, whereby man repeats that act of Herod on a large scale in this instant.

By science achieving and reaching in creating life, it has given man , a sort of "we do not depend on God" with this man's rebellion towards God increases in every instant, and the devil has taken advantaged of this in order to entice man into distancing himself from His Creator and living without God.

Embracing a negative science which generates sin, Humanity has entered a very dangerous spiritual territory, as, just as he ascends in the quest to maintain unity with God, so too man descends when he decides to unite himself with the devil.

This act of unity with the devil results in man's action against God and acceptance of the control of his works and acts on the part of evil. The choice of millions of human beings who worship the devil in front of large statues in some countries of the world is very serious, more than serious, abominable. And in those [countries] that have not erected statues, satanic groups ask the devil to remain on Earth, prior to the establishment of the reign of the antichrist.

What is man without God? A machine generating evil...

Brothers:

WE ARE FACING A REAL CHANGE, WHERE THE FORCES OF CREATION ATTACK MAN, FOOLISH AND STUBBORN, WHO HAS BROKEN THIS UNITY WITH HIS CREATOR.

Humanity with its works and acts in total disjunction with Divine Working and Acting is viewed, as Christ and our Mother have mentioned, as an enemy of Creation which it has destroyed, an enemy of life, an ally of evil and therefore, a generator of violence, contrary to the **PEACE, UNITY, CHARITY, FAITH AND LOVE TO WHICH IT HAS BEEN CALLED FROM THE INSTANT OF CREATION.**

Therefore, in the midst of the current chaos, where the hypothesis that some are selling to man in this instant is that evil does not exist, nor hell, nor the devil, the strong mystical experiences of great Saints and even Church Fathers are rejected, who were led by Christ and Our Mother to see and to live this spiritual reality that is denied: the existence of the devil, of evil and of hell.

The People of God must spread and diffuse the Explanation of God's Word in order to save a soul, a soul that for God is the greatest thing.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
AUGUST 1, 2016**

My Beloved People:

My children, receive My Blessing.

MY LOVE AND MERCY DO NOT DECREASE BEFORE THE SLIGHTS THAT MAN UTTERS AGAINST ME.

I call you to repentance and conversion. My Love and Mercy do not decrease; at the same time My Justice remains present.

My Beloved People:

YOU HAVE THE KNOWLEDGE OF WHAT WILL HAPPEN IN THIS INSTANT, YOU HAVE COME TO KNOW IT IN SACRED SCRIPTURE. Men will revolt against My Love and will come to mock Me and everything that reminds them of the Love of Our Trinity, above all of the Redemption of humankind. And this revolt is occurring at this instant, so this is the instant referred to in Sacred Scripture.

You have forgotten the suffering of those disobedient children who, of their complete free will, handed themselves over to punishment for their sins. Punishment, the fruit of their constant sins, ignoring the Warnings of Our Trinity.

CONCUPISCENCE RULES; EVERYTHING THAT IS AFFIRMED BY SACRED SCRIPTURE AND OF WHICH MY MOTHER HAS FOREWARNED YOU IN HER APPEALS, IS IGNORED AND SCORNE SO THAT MY PEOPLE DO NOT FEAR. This is not My Will, although, not all who claim to spread My Word are genuine, My instruments are criticized harshly when I or My Mother warn you and explain to you what you are living and what you will live in expiation. Man perished with the Flood, and a with new deluge of fire the wicked will perish.

This generation would have to remain united to Me so that the errors of the previous generation would not be repeated. This has not happened. Past errors, offenses and sins have multiplied everywhere; offenses are greater, as are the inventions of sin.

**THE DEVIL IS DEMONSTRATING HIS CUNNING AT THIS INSTANT, MORE SO THAN IN PREVIOUS INSTANTS ...
SATAN MAINTAINS THIS INSTANT AS HIS GOAL, AS THE FINAL INSTANT FOR SPREADING HIS EVIL AND MAKING IT GROW IN MEN.**

A great number of My children claim to love Me and pretend to do so, persecuting My faithful

children in secret, sowing discord so that unity cannot bring My People close into one peacemaking consensus.

The demolisher of Humanity finds ground prepared upon which to be well-received: sin has increased, and the power of evil over man goes as far as man, with his free will, allows it to go, before a Grace diminished by man's constant refusal of Salvation.

In the depths of their being, every one of My children maintains the recognition that I Am the Truth, but they refuse to recognize Me. I do not command man to act outside of his possibilities; I do not call you to be as you cannot be. Those who do not act rightly, do so not because they cannot act rightly, but because the world and the flesh have become entrenched in them and are stronger than their own will and good intentions.

**MY BELOVED PEOPLE, IT IS URGENT FOR YOU TO TAKE MY APPEALS
AND THOSE OF MY MOTHER WITH GREAT SERIOUSNESS.**

THE INSTANT IS NOT AN INSTANT... WHAT MUST BE FULFILLED HAS BEEN REVEALED TO YOU AND IS BEING FULFILLED. WAKE UP! Do not be among those who go on as if evil did not contribute to the suffering of this generation that suffers, that suffers and will suffer the unthinkable.

At this time, the interests of the leaders of powerful nations are centered on their own personal interests. Therefore, the suffering of man will be continuous until the antichrist is defeated.

**MY PEOPLE MUST PREPARE THEMSELVES SPIRITUALLY,
ASCEND AND STAY UNITED TO MY HOLY SPIRIT SO THEY DO NOT ERR.**

Man's thinking has not expanded, rather it has been limited spiritually and has been limited more in this instant, so he does not react to My Appeals and continues surrendering to evil. My calling you to transcend, to be mainly spiritual applying My Teachings and Commands in all your works and deeds, is described as being "out of the bounds" of which I can direct My People, and therefore those who think themselves learned, describe you as followers of the so-called new age.

**YES, CHILDREN, I WANT YOU TO COMPLY WITH MY REQUESTS, I WANT A NEW MAN, RENEWED,
WHO THINKS AND KNOWS ME FULLY, OPEN TO HEARING MY HOLY SPIRIT, SINCE I HAVE NOT
RESERVED HOLINESS FOR SOME BUT HAVE IT AVAILABLE FOR ALL MY PEOPLE.**

Children, new ideological currents want to limit you with the goal of keeping you in the traps that satan places before you, hindering you with incorrect definitions of a false religiosity, from being more spiritual and less worldly. The spiritual man is not the one who stays far from the world, but the one who is not worldly and whose life is a testimony of My Love present in the fulfilling of what Our Divine Will has commanded of you.

**YOU RECEIVE GREATER DIRECTION FROM OUR HOUSE DUE TO THE PROXIMITY OF GREAT EVENTS,
BUT DO NOT TRUST THOSE WHO DO NOT REAFFIRM SACRED SCRIPTURE TO YOU,** because there is no man on Earth who possesses the Truth of Our Trinity. Man cannot attain absolute Truth, for it is above the human spirit.

My People, how many falsehoods are being communicated to you! World power is on the shoulders

of great contenders against Our Truth. That power is hiding what is coming to Humanity, what is in the Universe and will come to impact the Earth.

Much of science is willingly muzzled and at the service of the powerful. Human power over man is more important for those who govern the great powers than the very safety of human life throughout the planet.

They refuse the loving Legacy of My Mother and My Warnings so Humanity does not enter into panic, and thus they hide the soul's Salvation from man, hindering him from being primarily spiritual. They saturate man with science that is misused and bent on a technology that makes man a plaything under the dictatorship of satan, in order to create in man a false spiritual regeneration and growth of evil, with the intention that man be the one to break the unity with Our House and his brothers, seeing everyone who is at his side as an enemy.

My Beloved People:

WAKE UP BEFORE IT IS TOO LATE! ...

Pray, My children, pray for the United States: misused technology has invaded homes, it has led them to feel supremacy over Humanity. In this instant, My Heart aches for this nation that will suffer due to the earth's shaking; the offenses against Our Trinity are innumerable; the devil takes control in that nation. Terror has been formed on its own soil and My children will suffer in broad daylight. Nature scourges it, the politics of this nation will be news.

Pray, My children, pray, communism progresses, underhanded in its falsehood. What has seemed good is not - on the contrary, it has dressed itself as a lamb in order to invade other territories and gain power.

Pray children, for Germany, it will weep before terror.

Pray for Russia, Nature scourges it.

Pray My children, in the world's great meeting sin reigns in all its forms. Pain looms forcefully.

Pray My children, the winds strike unexpectedly, the waters surprise man, the seas are not the same as in the past, deformed sea creatures are emerging.

Pray, the earth shakes. Pray for Chile, Japan, pray for the West Coast of the United States, pray for India.

My Beloved People, from Heaven you will see looming that which will make man tremble; fire is approaching without Humanity being aware. Selfishness will allow it.

**BE MESSENGERS OF PEACE, BE UNITY.
I PROTECT MY PEOPLE: YOU, MY CHILDREN.
I LOVE YOU AND PROTECT YOU, I KEEP GUARDING YOU, I AM KING AND LORD.**

I love you with Eternal Love. I bless you from My Sacred Heart.

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

Christ calls us to reflect on the reality in which Humanity is living.

Man believes that he has control of his life, his family, his work and other aspects that directly concern him.

In this Appeal Christ makes it clear that in the world there is a power that has control of everything occurring in Humanity. The directives are issued from the dome of world power, and Humanity, under the control of other media, carries out the desires of this world power, hidden for the most part but present in all areas: social, political, economic, religious, moral, educational, in health organizations, etc.

Christ is clear and strong: man does not discern but merely follows what he is told or what catches his attention, without meditating, without discerning, because he has not been taught to use these spiritual graces that would save him so much suffering.

Technology is not used entirely for evil, but it is precisely misused science that reaches the masses, that is developed in order to individualize man so that he does not live in fraternity. Little by little Humanity has been blinded by all possible means, as part of the plan that this hidden power has drawn up which disposes of man at will.

We continue to see with greater emphasis the battle of evil against good, and at this instant it is regarded as a somewhat cultural event, or part of fashion, that leads man to respond without even thinking of whether he is responding consciously or not.

A planned amnesia has been created, which leads man to be indifferent to what is the Salvation of the soul, and to deny and not see evil until man becomes skeptical to the reality of being a child of God.

Every day we can inform ourselves about what is happening in the world: massacres, terrorism, fraud, the innocent dying of hunger, drugs, abortions, earthquakes, volcanoes active to a greater extent than in the past, the sea behaving unusually, deformation of the Divine Word, opposition against God and His faithful, the establishment of statues of satan, etc. And how does Humanity

react? Indifferently: evil is commonplace for man and what occurs, if it does not concern him directly, is not seen by him as such.

The strategy? Cancel out human conscience so that it might be disposed to accept the dominion of evil and then disposed to follow the antichrist.

Humanity lives in the midst of anger, and anger would not be born in man, if man did not despise peace. Thus consecutively with everything: evil is born from an imperfect good.

Christ has mentioned to me on repeated occasions that good desires that remain good desires, without becoming works for the common good, are an imperfect good, because they are not made concrete, they remain good intentions, not implemented in reality.

In this instant, Christ warns us about the dangers, not only related to the lack of consciousness and discernment in man, but the great dangers for all Humankind coming from space, which are not reported. This is how the power operates that gnaws away at society, at the mind, at the heart of man, at consciousness. It is the power that will take man by surprise: the ruthless antichrist, who is being reflected in acts of men against men.

BROTHERS AND SISTERS, LET US NOT BE INDIFFERENT. THIS IS THE INSTANT TO BE RECONCILED WITH THE CREATOR AND TO RECOVER THAT HERITAGE OF SALVATION THAT CHRIST LEFT US. We know that we are not nor will we be abandoned; the Holy Trinity keeps Its Gaze on Its People, on all of us, Its children. Let us worship God in spirit and truth, and let us say to him: ABBA; FATHER!

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
AUGUST 6, 2016**

Beloved children, My People:

MY BLESSING IS CONSTANT TOWARDS ALL MEN.

Mercy constantly emanates from My Hands that wishes to be received by those who need it. With pain, My Mercy returns to Me anew: there are few who accept it.

Humanity dismisses My Love and this has led humanity to have a heart that hardens more and more by the instant.

My children look at each other with contempt; the struggle of the great nations is a struggle that has taken shape in the hearts of the majority of their inhabitants.

In this instant, My People are viewed with contempt, My People of whom everyone who follows Me and wants to save their soul forms a part.

THE INSTANT OF SUFFERING ARRIVES, THE INSTANT THAT I DELAYED ... It comes inexorably to this generation to which so much has been revealed in all My Mother's Apparitions, and men do not recognize it willingly.

The foundations of the Earth will be shaken again and again. The water of the seas will emerge through the land, it will come to the surface and flood cities.

How much I have to mention, again and again! My People need to enter into the Revelations of My Mother in various beloved countries where She has revealed in advance what you are living and will live through in this instant.

My Beloved People:

**DO NOT KEEP MY LOVE FOR YOURSELVES OR THE KNOWLEDGE THAT YOU POSSESS,
DO NOT WITHHOLD FAITH OR BE LUKEWARM.**

**"I AM WHO I AM" *(Ex. 3:14)* AND I MAINTAIN MY LOVE AND PROTECTION OVER
THE ONE WHO DOES NOT DENY ME.**

Humanity celebrates and in the midst of the distraction appears the darkness of the man with a heart of stone. Impiety does not wait, disease and violence are displayed amidst the hubbub and the nations react without conscience.

The seas have been taken by the powerful as their property and the waters are contaminated with constant bombardments from nations wishing to intimidate other nations. Men have forgotten that the waters of the seas filter down into the depths of the Earth and that contamination is definitive.

Earth, given for man's subsistence and habitat, is at this instant indiscriminately contaminated by a Humanity without conscience that only wants to achieve its goals: **TO BE THE POWERFUL WHO DOMINATE THE WORLD.**

**DO NOT CONTINUE CONTAMINATING THE WATERS OF THE SEAS ...
THIS WATER INVADES THE LAND AND MY CHILDREN GROW SICK.**

At this instant, My beloved children, you find yourselves under a constant threat. Some are aware of this; others, deaf and blind to these Warnings, ignore them and have created their own Tower of Babel so as not to hear ME, and soon they will fall.

Beloved children, My beloved People, hearts vibrate with excitement caused by the propaganda of competition, thus succeeding in diverting your attention from the frightening truth that is approaching.

**MY CHILDREN ARE VENTURING INTO INNOVATIONS THAT TAKE THEM AWAY FROM ME;
CONFUSION HAS COME TO MY CHILDREN AND THEY DISTANCE THEMSELVES FROM THE
FULFILLMENT OF MY WILL.** Evil has taken hold of this libertine generation in order to display the sins that most offend My Sacred Heart and the Immaculate Heart of My Mother. Satan accomplishes its task, confusing My People who walk between doubt and darkness.

Do you seek the Truth? Turn to My Word in the Sacred Scriptures, in the Commandments, in the Sacraments, do not turn away from prayer and from the contemplation of the Mysteries of the Holy Rosary.

In difficult instants, confusion increases when the Pharisees display a false concept of the Divine Word in order to lead more souls astray.

DO NOT ARGUE IN A FALSE RELIGIOSITY, YOU KNOW WELL THE COMMANDMENTS OF THE FATHER'S HOUSE.

DO NOT BE AMONG THOSE WHO SEEK EXCUSES TO OFFEND OUR TRINITY.

IN ORDER TO LIVE IN THE DIVINE WILL YOU CANNOT REMAIN LUKEWARM, YOU MUST LIVE IN THE 'YES, YES'.

THE LUKEWARM WILL BE VOMITED FROM MY FATHER'S MOUTH ^(Rev. 3:16).

MY MERCY IS ONE, AND IT IMPLIES CONDITIONS WITHOUT WHICH MY MERCY IS HINDERED BY MAN'S OWN FREE WILL FROM ACTING TO ASSIST MY CHILDREN. If these conditions are not taken into account you do not bring My Mercy to where sin is committed daily, life is a constant sowing of offenses and the Divine Law is ignored at one's convenience.

You refuse to realize that the life of each one of you is what each one desires.

Beloved children, these instants will be more difficult as time progresses. The persecution of My People will be constantly in the news, **NEWS CONVENIENT FOR THE RULERS OF THE NATIONS WHO HIDE THE TRUE PURPOSE BEHIND THE CLOSURE AND INVASION OF MY TEMPLES.**

MAN, WITH HIS SOUL DARKENED, SEEKS THE DEVIL. I CALL YOU TO RETURN TO ME.

Satan takes the spiritual chaos of man in order to forcefully begin the predicted spiritual confusion, to bring down and confuse consciences, to bring down persons of Faith and to muddy them, in order to contaminate My chosen ones and catch them in its nets.

Love Me, nourish yourselves with My Body and Blood, receive Me in the Eucharist. Receive Me in the mouth; thus you prevent Me from being taken and offended by those that hide Me in their hands in order to spit on Me and insult Me in ceremonies dedicated to satan.

Children, My People, **DO NOT CONTINUE THINKING THAT THE WARNING WILL NOT COME, IT IS AS NEAR TO YOU AS YOU REMAIN NEAR TO SIN.**

Each one of you will live instants of spiritual solitude; I will allow you to see yourselves thoroughly. In that solitude you will see yourselves as you truly are. Horror will take hold of you, desolation will be lived, not felt, but lived by each one of you. It is necessary for My children to see themselves within, to see their work and actions, so that they seek to fulfill the Divine Commands.

You will see how fire approaches the Earth and the Earth will be shaken for some instants; silence will be the scourge for many souls.

My People, prepare yourselves! Calamities are calamities, persecutions are persecutions. Plagues will increase and will be increasingly unknown. My Mother has given you the protection against the plagues: the Oil of the Good Samaritan and other means to fight what science will not succeed in fighting.

My People, with the advance of terror famine advances, and with famine advances the threat for the man who centers his life on what is material.

**I WILL ASSIST MY PEOPLE, MY MOTHER WILL TAKE YOU BY THE HAND.
IMPOSSIBLE THINGS ARE IMPOSSIBLE FOR MAN, NOT FOR ME.**

The war is in its first phase; soon it will be unleashed without compassion and man will suffer as a result of misused science.

My Beloved People, pray for Russia; the sleeping giant awakens and displays its power.

My Beloved People, pray, the one who seemed innocent will be uncovered, his wings have become stained with blood, giving power to terror. The United States will live its own internal war.

My Beloved People, pray, Humanity will see how far evil goes; it disavows love, brotherhood, solidarity, disavows man himself and sacrifices itself in order to kill without mercy. Pray for Brazil.

My Beloved People, pray, the Earth shakes, it sinks and is transformed geographically; Nature strikes Humanity with all its power. Events never before seen will be lived by this generation.

My Beloved People, man, not wishing to become a child of Mine, draws calamity upon himself.

Pray children, pray, Humanity lives in constant terror, peace will be unknown and it is fear that rules in the world.

MY CHILDREN, I CALL YOU AT THIS INSTANT TO DRAW NEAR TO ME WITH FAITH AND STRENGTH.

I bless you, My Love surpasses what you can imagine.

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers/Sisters:

Our beloved Lord Jesus Christ, keeps us on constant watch and asks us not to sleep. The important thing for His people is that we take seriously the Words that come from His House. It is important to take measures, those which we know are necessary on a spiritual level in order to be reconciled and reunited with God.

The lack of humility, lack of awareness of the fact that man is limited, forgetting the need and obligation to seek God is for man the biggest nightmare that he has ever faced.

The humility with which Zacchaeus recognizes his mistakes and his decision to change is what we need. We are those "Zacchaeuses" ... Christ comes to meet us, tells us directly where we failed and what we lack, tells us where we are going with our wrong works and actions, but even so there is no stopping for a healthy correction. Christ and our Mother tell us repeatedly that we are not responding as we should, and that we should return to the duties of a true child of God.

We see the modesty to which humanity is called, and the immodesty in which we live.

Where are we heading? ... Heaven has already told us, but it seems that no amendment exists when both Christ and our Mother continue to reiterate Their Call to conversion.

Where are we heading? ... Everyone has his or her own answer. But Christ gives us the definitive one: towards catastrophe.

The Earth is destroyed and man does not attend to or understand the fact that the more he contaminates the earth, the seas and the environment, the less the possibility of life for Humanity.

Brothers and sisters, we know that some powers have created large shelters to protect themselves from what is coming, but a shelter without Divine Protection will be penetrated as paper by water. What for man is safety, before God it may not be so. Therefore, let us lead ourselves to become better every instant in every respect. In us must increase the Love for God, for our brothers and sisters and ourselves, in order that every instant might be an ascent towards Eternal Life and towards safety at this instant, **BECAUSE THERE IS NO ONE AND NOTHING GREATER THAN GOD, AND WE ARE HIS PEOPLE, THE APPLE OF HIS EYE.**

GOD HAS NEVER ABANDONED HIS PEOPLE, BUT HAS GIVEN HIS PEOPLE LESSONS IN ORDER THAT THEY MAKE AMENDS AND ACT ACCORDING TO THE DIVINE WILL.

WE ARE NO DIFFERENT, JUST AS IN THE PAST, WE HAVE ALREADY BEEN TOLD THAT WE WILL SUFFER AND WE KNOW THAT THIS SUFFERING WILL BE VERY FIERCE, AS ANGER DOMINATES THE MINDS OF MEN; BUT CHRIST CALLS US: 'MY PEOPLE' ...!

THAT 'MY PEOPLE!' MUST RESOUND IN OUR HEARTS; WE ARE NOT UNKNOWN TO GOD, WE ARE HIS CHILDREN AND HE IS WAITING.

It is a change; everyone knows what that change is that he or she needs in his or her life. Every good action produces blessing, not only for the one who carries it out, but for the brothers and sisters who also receive blessing.

Let us foster patience in ourselves, and understand God who loves us, and in every step we take He is found who calls us and gives us lessons so that we grow and become better children.

Let us help one other and let us foster unity.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
AUGUST 9, 2016**

My Beloved People, I bless you.

**SEEK ME WITHOUT CEASING ...
DESIRE IT, UNTIL I AM THE GREATEST NECESSITY FOR YOU.**

LOVE ME, UNTIL REASON CALLS THE WILL TO BE AWARE THAT I AM THE SUPREME GOOD.

My People, be docile towards My Appeals; the right disposition of the human person is necessary in order that Faith, Hope and Charity might grow in you.

The virtuous man is seen without saying a word, since in him My Love shines ...

The man who seeks to be admired lives from his pride; he will possess eloquence, but it will be empty and his word will not achieve more than momentary admiration.

**WHOEVER DOES NOT ENTRUST HIMSELF OR HERSELF TO ME AND IS NOT HUMBLE,
DOES NOT POSSESS VIRTUES BUT ONLY EMPTY WORDS.**

My People, you must seek unity, you must go in search of the common good so that devotion for one another be the fulfillment of the Divine Command.

Whoever is not fraternal and walks over his or her own well-being is prevented by pride from seeing the need of his or her brother and sister... Whoever is fraternal and follows Me is pleased to guide his or her brothers and sisters towards the good of all, knowing that My Providence sees the direction in which man works and pours himself out, providing for all in their needs according to My Will. I ask you only for a right disposition and My Providence welcomes and blesses, blesses and loves.

**I ENLIGHTEN YOU WITH MY WORD, FOR MY WORD IS REVELATION, WHICH YOU BELIEVE BY
FAITH, ACCORDING TO HUMAN UNDERSTANDING AND HUMAN WILL**

THAT COMES TOWARDS ME OR GOES AWAY FROM ME.

Revelation is not contrary to reason, rather both are necessary. Although reason does not reach Divine Mystery, Faith prevents man from falling into error. Just as the one who proclaims that the pain of hell ends by Divine Mercy falls into grave error; this is contrary to Sacred Scripture. Human will is free to receive good or evil. Even so, I seek man so that he desires good.

My People, you have persisted in evil; if you do not seek to make reparation, you cannot be forgiven by Me. Whoever has known Me and rejects Me is more culpable if they do not return to union with Me.

My People, it is not enough to call one another Christians; it is not with dead works that you gain Eternal Life. It is not with an empty prayer, or with acts without My Love that you attain Eternal Life, it is not with appearances that you gain Eternal Life. Every instant should be lived as if it were the last, and Love must prevail over your own selves; otherwise, you have not attained the comprehension of living in my Will.

I call you not to forget this: Humanity has forgotten brotherhood, love between brothers and sisters, the helping of brothers and sisters. The struggle for what is material makes man selfish and hard of heart.

How much more will you live?

How much more will the system that man has implemented prevail?

Do I not take care of My children, in order that My children should give mutual assistance to one another?

The birds of the field do not die, I feed them. Thus my children are protected by Me, guided by Me, and, pointing out the way in advance to them, I warn them so that they might not be prey to the errors of the moment.

WAKE UP! DO NOT ALLOW FAITH TO DECREASE. Stay awake, My children, do not trust in the agreements of the men who govern the great Nations; be aware that at this instant hunger is taking lives, diseases are not stopping, natural disasters continue at their peak.

Humanity turns its back on Me, rejects Me, immorality is present at every instant and this, My People, is what you must flee: violence - it knows no bounds. Some want to be more violent than others, some of My children have become willing to be the most ruthless. The youth grieve Me with their insensitivity and lack of respect for life and for their elders.

MAN IS LIVING THE GREAT CHAOS REVEALED BY MY MOTHER AND NOT RECOGNIZED BY MEN.

My People, do not be distracted by trivialities, be careful, do not be distracted by the cunning of the devil who wants to distance you from reality.

My Mother shelters your soul so that you may remain beside Me.

My People, since the beginning of this Revelation, I have invited you to stay in the Immaculate Heart

of Mary and in My Sacred Heart. **THIS REVELATION BELONGS TO OUR HEARTS. THUS I DESIRE THAT THIS REVELATION OF THE IMMACULATE HEART OF MARY AND OF THE SACRED HEART OF JESUS BE RECOGNIZED**, so that each one of you, my People, might cry out: **THY KINGDOM COME!** at every instant, however difficult the instants may be, because Our Hearts will keep beating with My People.

David defeated Goliath with a sling. My People will triumph with My Love and by the Hand of My Mother.

Pray, My children, pray for the suffering of France, England and Spain, they will be surprised by terror, and Nature will scourge them.

Pray, My children, pray for Venezuela, pain increases. The earth shakes.

Pray, My children, pray for Costa Rica, violence looms. The earth shakes because of its volcanoes.

Pray, My children, pray for Japan, it suffers, its land shakes, the water is stirred up.

Pray children, pray for the Middle East, it moved violence against humanity, peace is not peace, man suffers.

I WILL SEND MY HELP TO THIS PEOPLE OF MINE, MY ANGEL OF PEACE WILL COME AND LOVE YOU WITH MY LOVE. HE WILL FIGHT EVIL AND SHAPE MY WORD IN YOUR HEARTS.

My people, how many martyrs at this instant!

Do not become used to the pain of your neighbor, stand in unity, in fraternity, in charity, in respect towards one another, do not raise your hand against your brother or sister, or use the tongue as a double-edged sword.

My People, I desire in this instant especially, when evil has taken possession of so many human beings, I desire that you receive the Holy Eucharist in the mouth.

MY BODY AND MY BLOOD MUST BE TREATED WITH RESPECT; RECEIVE ME IN THE MOUTH, DO NOT TAKE ME IN THE HAND. YOU LET ME FALL WITHOUT NOTICING IT WHEN, AFTER RECEIVING ME IN YOUR HAND, THE PARTICLES OF MY SACRED BODY FALL ON THE FLOOR WHEN YOU LOWER YOUR HANDS CARELESSLY AND THROW ME TO THE GROUND. THIS IS NOT BECAUSE THE HAND IS NOT WORTHY OR PART OF THE BODY, BUT BECAUSE YOU DO NOT KNOW HOW TO TREAT ME AND IGNORE THE VALUE OF A SINGLE PARTICLE OF MY SACRED BODY.

My People, I am the Shepherd who does not neglect the details of His Flock, I anticipate and warn you so that you do not make careless mistakes.

When you repent of your sins, I see you as for the first time, and I love you more. Do not fear because of what is to come, fear offending me.

My Mother does not leave you. Have faith, at this instant each one of My People has his or her load. Some suffer for those who live in sin; others, for the dying so that they might repent; others, for

those who do not recognize their errors; others, for those who do not want to change and persist in sin. Each one of you is like a finger of the hand; all play a role, but all belong to Me. I lead you, **I AM YOUR LORD, "I AM WHO I AM"** (Ex 3:14).

My blessing is with each one of you: in the Name of the Father, of the Son and of the Holy Spirit. Amen.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Divine Love does not delay in pouring itself out on those it loves. Let us seek reconciliation with the Father's House, this is necessary - always.

BROTHERS AND SISTERS, THIS INSTANT IS THE INSTANT ...

Humanity is living the instant prior to being examined by God ...

Humanity is living the instant prior to being purified ...

The hand of man rises with anger against man himself.

Brothers and sisters, may whatever comes out of our heart, our mind, our will, be directed towards the Will of God.

In this instant, we are called to act as children of God. Each person knows what he or she must do: whether to humble oneself, correct oneself in some particular way, accomplish works of mercy, fulfill a specific Commandment—everything we act or work to maintain union with the Father's House, **IT IS WORTH ETERNITY.**

"Humble yourselves therefore under the mighty hand of God, so that he may exalt you in due time."

(1 Peter 5:6)

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
AUGUST 15, 2016**

Beloved children of My Immaculate Heart:

IN THIS INSTANT I BLESS YOU IN A SPECIAL WAY.

In this instant when the Divine Will is being hindered from being fulfilled, and thus the Word of God expressed in Holy Scripture and made explicit in this Revelation of Mine is not believed.

CHILDREN, THE FAITH OF MY CHILDREN IS SCARCE, ALMOST NULL IN SOME AND NULL IN OTHERS.

In order to be true children of My Son you must live the Gospel in spirit and truth, you must enter into Divine Love. I know that you will understand the Mysteries of the Kingdom, since you, beloved children, are humble and simple of heart.

The Father's House has not left His children alone; always and at every instant it has announced to them what is going to happen to them if they do not obey, but the proud do not understand how Heaven chooses human beings who are simple of heart in order to make the Divine Word explicit to its People.

'Why does Heaven not speak to me?', the proud often say. I answer that question: because you are not humble, or because the learned dare not reveal what the Father's House gives to its instrument, since for the learned it would be a matter of studying and comparing the Truths that Heaven is revealing at this instant with what their intellect has come to know - managing in some cases to put human exegesis full of rational interpretations before the **TRUTH OF THE DIVINE WORD.**

Acting in this way causes great confusion among My Son's People. Sometimes they deny the greatness of My Son, the Miracles He performed, the life of purity and love, in order to bring doubt into man's mind, **SO THAT MAN DOUBTS THE MISSION OF MY SON, HIS SELF-GIVING, HIS RESURRECTION AND THEREFORE MAN'S SALVATION.**

My children:

Few are the learned who put human intellect aside in order to jump into the great Truth of the Divine Word ...

Few are the human beings who, out of love for the Father's House, raise their voice when conveying the Messianic Message of My Son ...

Few are the instruments who, according to the Divine Will, disclose what My Son reveals to them. Human considerations prevail in the human heart over conveying it according to the Sacred Heart of My Son ...

**BELOVED CHILDREN, I WILL BE PUSHED AWAY FROM MY CHILDREN,
AS MY SON IS PUSHED AWAY FROM HIS PEOPLE ...**

I WILL BE DENIED AS THE MOTHER OF MY SON, YOU WILL BE AN ORPHANED PEOPLE ...

Not all those called to bring the Divine Word to My Son's People accept this great challenge, which at the same time is a great blessing in this instant, when a great majority of Humanity is going against

the Commands of the Father's House and has joined those who follow evil. In this instant, human beings trample their brothers and sisters without hesitation, disavowing their parents, siblings and relatives when their mind, disturbed by satan, clouds their reason leading them to be less human and more worldly.

Children, fierce struggles are going on at this instant, great massacres of the innocent, the earth shakes upon receiving so much innocent blood, it shakes when prayers and petitions for satan to reign completely on Earth fall upon it. **THIS, BELOVED CHILDREN OF MY IMMACULATE HEART, IS WHY THE UNITED STATES IS SCOURGED SO MUCH AND WILL BE IN GREAT MEASURE, BECAUSE THE AUTHORITIES DO NOT COMPLY WITH THE FIRST COMMANDMENT OF GOD'S LAW ... SO MUCH OFFENSE DOES NOT GO UNPUNISHED.**

Again and again, My Son is lacerated, is derided in homes and in public and private institutions so that He is thrown out, and in the same way man does not want to know about My Son, but only about lust, moral decadence, lack of love and disorder.

Children of My Immaculate Heart, Humanity, for the most part, lives without love in its heart, and if man's heart contains some love, expressing it is cause for great embarrassment.

IN THIS INSTANT, A LARGE NUMBER OF MY CHILDREN PIERCE MY HEART WHEN MAN AND WOMAN LIVE TOGETHER IN HOMES IGNORING ONE ANOTHER, because the man has been formed in a society where man's heart has become hardened and reason dictates to him that he should not express his emotional feelings, principally towards his wife, with the aim of distorting the true meaning of family. This is the action of satan, this is. How is it that you do not recognize it? ... Marriage has been led to indifference for the purpose of being destroyed by the lack of commitment in the couple and in the absence of feelings that keep their lamp lit so that neither storms, nor strong winds, nor snares manage to bring down the love in the couple and in their family.

CHILDREN, KEEP YOUR HOMES ALIVE. The family must survive in the midst of such madness, man and woman must live in peace and be a testimony for themselves, for their children, as well as for the Church of My Son and for society. Therefore, you should not hide the love of marriage, you must constantly cause it to grow. When a family works and acts hiding love, it satisfies evil and enlarges it, because love usually disappears.

From this is born the little love that children give to their parents, to their siblings, to their grandparents and so on. I suffer for the lack of the expression of love between families, and this lack is expressed in society through totally inhuman, unthinkable and irreparable acts.

Beloved children of My Immaculate Heart:

**LOVE IS BEING REMOVED FROM THE EARTH.
A FEW POSSESS IT, AND THESE FEW ARE CONSTANTLY TEMPTED.
THEREFORE, I CALL YOU TO KEEP ALIVE THE FLAME OF LOVE.**

My children are not hard-hearted, nor can they afford to be outwitted by satan, when they lose control becoming enraged because of life's unforeseen events. Children, you must understand that each of you represents a challenge for satan. The lord of lies needs to grow through his tentacles, those that torment man, therefore you should not participate in this; you would be accomplices of

satan when you usually keep hidden the sublime Sacrament and true devotion of marriage, respect in courtship and love between brothers and sisters in the family.

The enemy uses the **LACK OF CONCERN** of one for another like a great tentacle against Love ...

The enemy uses **LIES** as another great tentacle against Love ...

The enemy uses **INDIFFERENCE** as another great tentacle against Love ...

DISLOYALTY AND UNFAITHFULNESS is another great tentacle of satan, deceit warrants every sanction. This tentacle of satan is one of the great snares with which evil is taking possession of and destroying families.

Beloved children of My Immaculate Heart, Humanity is living upside down, sin abounds throughout the Earth. Is this or is this not a great rebellion against My Son? ...

Beloved children:

**THE EXTINCTION OF LOVE WILL GIVE ALL POWER TO EVIL.
FAMILIES WITHOUT LOVE ARE FAMILIES IN AGONY, EXPOSED TO THE ATTACKS OF EVIL.
DO NOT FORGET THAT MY SON WILL SEND BESIDE YOU HIS ANGEL OF PEACE,
AND HE WILL RECOGNIZE LOVE IN THE HUMAN BEING.**

My children, **LOVE MY SON** and My Son will show you the Way, the Truth and the Life.
CALL OUT TO ME and I will help you to love as My Son loves each one of you.

Pray, My children, pray for Germany, terrorism will be a great plague for this nation, it will be constantly shaken by terrorism. Nature will come with force to shake the heart of this nation.

Pray, My children, pray for Switzerland, the tears of My children will flow without restraint, the losses will be innumerable.

Pray, My children, pray for Italy, the volcanoes become active, the ground shakes and the People will suffer terror.

Pray, My children, pray for France and Spain. These Peoples will suffer inexorably through deplorable acts which will be committed against them. These Peoples will suffer pain.

Beloved children of My Immaculate Heart, Humanity has pounced against evil and evil has no compassion towards man.

REMAIN ALERT: a great pandemic is about to make itself present in Humanity, this is a fruit of misused science - it is sent to Humanity by a great power.

Man, possessing intelligence, uses it in the large technological companies and remains in competition to push this human intelligence to the limit and thereby create dehumanized human beings with a need for violence.

Beloved children of My Immaculate Heart:

YOU ARE ON THE EDGE OF THE ABYSS: the world powers are making secret alliances. War is moving slowly, but it advances without stopping; prepare yourselves. The Third World War, after great struggles, will lead the world powers to make use of nuclear energy. I suffer greatly for this reason; My Son loves each one of you, and He does not want you to suffer, but man in his great ignorance will only see his mistake after having committed it.

Children, follow closely the peace treaties that are being signed. These will be broken without those who sign them having interference in it.

Children, you believe in astronomers, but not in the Calls of Heaven ... An asteroid is roaming around the Earth, it will appear unexpectedly.

Volcanoes are entering a new stage of activity.

Do not continue living like those who do not love My Son.

Pay attention to the signs of this instant and do not neglect the Signs of the Times.

Fire will rain down from Heaven; the Earth will be purified again.

**I INVITE YOU TO KNOW CLOSELY THE TRUE LOVE OF MY SON.
I INVITE YOU TO INVOKE THE HOLY SPIRIT SO THAT HE CONSTANTLY ASSIST YOU.
I INVITE YOU TO CALL ME MOTHER.**

Do not be troubled like those who doubt and believe in men and not in the Protection of Heaven.

Do not enter into conflicts, maintain the Unity of My children.

LOVE ONE ANOTHER, LOVE IS THE STRONGEST BARRIER AGAINST SATAN. AT THIS INSTANT, YOU SHOULD DISCOVER THE GREAT POWER THAT VANQUISHES EVIL AND WITH WHICH MY CHILDREN MUST FIGHT: THIS IS LOVE, BORN IN MY SON AND FULLY LIVED ACCORDING TO THE DIVINE COMMANDMENTS.

**UNITY PUTS A HALT TO EVIL...
HE WHO HAS EARS, LET HIM HEAR ^(Mt 11:15)**

I am with you, I am your Mother. My Peace be with you. I bless you with My Heart.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

How great and important is the love of Christ and Our Mother present in each of us, their children!

Without love I am nothing, says a song dedicated to Christ, just as great and famous poems say it. And this because man still needs to understand and truly heed Love.

Man's ignorance has led him to be a careless creature in various and important respects. In this instant, as our Mother tells us, we see the product of a man who tends to live from what is temporary and has postponed Love, giving birth to indifferent men and women, sometimes of little Faith, or without Faith, insensitive to the pain of others and indifferent to God.

At this instant, Humanity should remain alert, demons have taken up a strong role among men, especially against the family, and therefore against Love, in order to divide.

Scandal is a harmful adjudication of the devil, serving to create chaos; because of this our Mother asks us to remember the precious Gift of humility.

The human being is complex; the human ego takes hold of man, growing until it takes control of the reigns of human work and action, resulting in the ego taking first, second and third place.

Humanity has detached itself from every Indication of Heaven, it has not delved into the Sacred Scripture, living a "lite faith", this represents part of the lack of interest towards others. Violence governs the path of a large part of Humanity; this violence makes man live on the defensive facing a supposed aggression that he suffers at every instant, with this being an excuse for harming one's brothers and sisters.

We are called to unity as the People of God. Let us seek unity and give our neighbor what most deny him or her: **LOVE FOR ALL AND THROUGH ALL.**

Brothers and sisters, **THE SIGNS OF THE TIMES ARE HAPPENING AND THE SIGNALS DO NOT WAIT.** Let us see, let us not be blind, let us reason and talk to others about the error in which Humanity is living, sowing detachment from the Divine, from ourselves and from our brothers and sisters.

We are children of God and God will not forsake us. We have this Mother who loves us and warns us; we are not orphans - Christ gave us His Mother so that we love and respect Her; let us act as Christ has commanded us, and thus we will walk securely towards Eternal Life.

Amen.

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
AUGUST 16, 2016**

WHAT DO I SEE FROM HEAVEN?

A planet in agony, lacerated by the hand of man, whose task was to keep the planet in perfect condition ...

I SEE THE RAVAGING OF NATURE. Trees have been and are eliminated without thinking of replacing them; water grows scarce in the earth; where water overflowed, it is lacking at this instant. During war they will fight for water, just like in instant they seek to take control of the oil.

How many men serve in My Temples in the interests of gaining a little importance in society! but do not respect or love Me as I desire that those souls love Me.

I SEE HOW MY CONSECRATED ONES DELEGATE TO EUCHARISTIC MINISTERS THE FUNCTIONS WHICH ARE EXPRESSLY THOSE OF MY PRIESTS; they do so because some do not serve Me with sufficient Faith. I am treated carelessly without My Consecrated ones being totally jealous of My Real Presence in the Eucharist. I see this and My Heart aches at such a serious act.

I SEE THE LACK OF PRAYER AMONG SOME OF MY CONSECRATED ONES; from this arises the deformation in the spirit that leads them to fall into despondency, into routine. Some sermons are poor, lacking My Word, some of these sermons lack the motivation and strength to wake up My People.

My Church must remain in constant observance of the fulfillment of The Commandments. Without omitting them, It must maintain a balanced zeal for the fulfillment of how much the Commandments of Our Divine Will dictate.

Unfortunately, some of My Consecrated ones have entered into politics, an act that influences them in being impartial and protectors of My Own.

My Mandate for every Consecrated is to teach My Flock; to go in search of those who have strayed; to call sin, sin and evil, evil. Lukewarmness nauseates Me, it precipitates My children towards satan so that they fall into damnation.

Freemasonry together with the illuminati and other sects have taken high-ranking positions within My Church, impoverishing the Truth that I want My People to know. **THESE SECTS STAND AT KEY POINTS WITHIN MY HOUSE IN ORDER TO DIVERT THE LAW THAT MY FATHER SENT TO HIS PEOPLE IN THE HANDS OF MOSES IN ORDER TO BE FULFILLED IN ALL TIMES AND PLACES.**

Evil, disguised by falsehood, has introduced itself into My House, the smoke of satan has blinded some of My Consecrated ones, and they do not see how the demonic serpent cunningly creeps into My House, introducing the poison of evil among My representatives.

Some of the theologians write papers about this difficult time, without describing the time. The time is each one of My children, the time is Humanity itself, since every generation defines how the time is in which it lives.

THIS GENERATION HAS BROKEN OUT AGAINST EVERYTHING DIVINE, AGAINST MY MOST HOLY MOTHER ... THIS GENERATION HAS VOICED AGAINST ME. THUS IS AND WILL BE THE TIME IN WHICH IT LIVES: calamities, diseases, natural disasters, great cataclysms, uprisings of men against

men, the massacre of innocents, disrespect and lack of fulfillment of the Divine Law, of the Sacraments and other practices of piety.

Among some of My children, My Cross does not hang on their chest out of love but out of modernism, and in some cases out of derision.

**SATAN IS INVOKED IN ORDER THAT IT TAKES CHARGE OF HUMANITY...
THEY IGNORE THE FACT THAT EVERYTHING WILL PASS BUT MY WORD WILL NOT PASS.**

Lucifer's rebellion is occurring anew among some of My children who in this instant rebel against our Most Holy Trinity and disregard My Mother, as a result of love for man's human ego, as a result of uncontrolled love for the flesh. **THIS IS WHAT MY FAITHFUL PEOPLE ARE SUFFERING AT THIS INSTANT; THEY SUFFER BECAUSE OF THOSE WHO ENJOY UNGODLINESS, THEY SUFFER BECAUSE OF SERIOUS OFFENSES AGAINST MY MOTHER AND THE MOTHER OF HEAVEN AND EARTH.**

I am infinite Mercy and I watch over My Children. I wait patiently so that sinners recognize themselves as sinners and seek Me, and be reconciled with Me ... So infinite is My Love, yet at the same time I am Just and I come to separate the wheat from the chaff.

**EVIL APPEARS TO BE WINNING BUT IT WILL NOT PREVAIL AGAINST MY CHURCH,
AGAINST OUR TRINITY.
WHOEVER DOES GOOD, WILL ENJOY MY HOUSE.
WHOEVER LIVES IN EVIL WITHOUT MAKING AMENDS, WILL SUFFER ETERNAL FIRE ...**

Sin seizes men of their privileges, it succeeds in making the senses rebel against Our Trinity, engendering in Humanity the need for bad actions and works. Because of this I command you to reverse the evil done, to ask Me for forgiveness of bad actions, and to ask for My Assistance in what you cannot overcome.

I SEE THE LACK OF HUMAN AWARENESS WHICH DOES NOT THINK BEYOND ITS PHYSICAL BEING; IT IS NOT AWARE OF ITS SPIRITUAL BEING, it is not aware that the body emanates good or evil, and this affects all Humanity. A creature of goodness is an expansion of My Love, and goes touching the souls of his brothers, moving hardened hearts.

I SEE HOW YOU DO NOT UNDERSTAND THAT YOU ARE AN IMPORTANT FORCE ON EARTH, A FORCE FOR GOOD OR FORCE FOR EVIL. My children have to be aware that they emanate darkness or light, and that emanation remains latent in every instant. You are not inert bodies; you are capable of achieving miracles with the power of Unity.

Each one of you is like a universe in miniature with the greatest potential of Creation. Attend to this and use it for the good of the soul.

I warn you, I alert you, I call you not to lose heart or to be taken forever as prey by the power of darkness.

DO NOT FORGET THAT OUR HOLY SPIRIT WILL REMAIN WITH YOU, BELOVED CHILDREN.

"... and I will pray the Father, and He shall give you another Comforter,

that He may be with you forever" (Jn 14, 16)

Children, wake up, react, make reparation! ...

I HEAR THE CRY OF MY PEOPLE, I PROTECT THEM ESPECIALLY IN THIS INSTANT.

**RECEIVE ME, PRAY TO MY MOTHER THAT SHE INTERCEDE FOR YOU,
ASK OUR HOLY SPIRIT TO POUR OUT HIS GIFTS UPON YOU.**

I see Humanity- violent, angry, drawn by evil in order that the struggle of bother against brother comes sooner. Humanity has been undermined by violent games with no respect for age, because they have been created to wipe man out, affecting the unconscious, preparing him for struggle and rebellion.

Pray, My children, pray in order to discern the Signs of this instant. The Warning will not delay and you will suffer because of evil actions.

Pray, My children, pray for Argentina, turmoil advances, dragging this nation along. Violence grips this nation, danger advances. Do not pay attention to terror, be one another's keepers - only then, in unity, will you succeed in overcoming the turmoil.

Pray, My children, pray for the Philippines, they will suffer through terrorism.

I SEE MY CHILDREN SUFFERING BECAUSE OF NATURAL DISASTERS, the awaited great earthquake draws near to My children.

The Earth will be chaos; violence will spread like a plague. Peace will be unknown, violence will be this generation's instant.

My People, be constant in prayer, in devotion, do not let the ego cause you to remain unstable in character. Do not neglect Love among you, be experts in Love and the rest I will give to you.

The creature who is a reflection of My Love is stable and aims to give without expecting to receive ...

The creature who is a reflection of My Love expresses the Truth of his/her heart, is compassionate and merciful...

I SEE MY ANGEL OF PEACE COMING IN THE MIDST OF MY PEOPLE, being of assistance in instants of persecution.

MY LOVE WILL NOT CEASE, IT WILL CONTINUE POURING ITSELF OUT ON YOU.

My Blessing is a treasure for My People. May My Blessing be a spring of Faith, Love, Hope and Charity within you. I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Christ wants to touch the fibers of the human heart, of human reason and therefore of Faith.

Let us recall the Words of Christ when He says: "**FATHER, THE HOUR HAS COME**" (Jn 17,1) ... To us He says: the instant has come, and He is repetitive in this, because He wants us, His children, to penetrate that dimension where we remain in the Mystery of the Most Holy Trinity, confirming that what the Son asks of us is the Will of the Father and of the Holy Spirit, as they are one in essence.

We are called to remain in the Unity of the children of God, in the midst of this instant in which disunity is what is most common for man. Only that here Christ calls us to a different unity: the unity of His children, unity with the Father, the Son and the Holy Spirit.

OUR BELOVED CHRIST COMMUNICATES WITH US VIA A GUIDING THREAD: HIS LOVE, in order that we all affirm His Love and make it ours, as is the Divine Will.

It causes us astonishment the terrible state of this generation that has the audacity to believe that it has power over the Holy Trinity, drawing magnetically towards Humanity the fury of Creation that lives in full accordance with the Divine Will.

God entrusted the Holy Spirit the care of man and man refuses it, in order to stand in front of evil that is exuded by the devil.

Brothers, we must make reparation for those who do not make reparation, be aware for those who are not.

Let us love for those who do not love, and let us be those magnets that with Love for God above all things attract the Divine gaze upon the Earth, and with perseverance let us be light in the midst of the darkness.

Let us always seek the Kingdom of God.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
AUGUST 21, 2016**

Beloved children of My Immaculate Heart,

IN A SINGLE ACT OF LOVE MAN MUST, AT THIS INSTANT, RECOGNIZE HIS DISTANCE FROM GOD AND REPAIR THIS, AS IT IS A GRAVE ERROR.

At this instant, man is moving about in an unreality that causes him not to listen to the inner voice of His King and Lord.

At this instant irrationalism prevails. The Divine Word falls on barren ground that welcomes every way of thinking; this is the irrationalism of the instinct of brutality.

In My Heart I grieve so much over this distance of My children towards My Son, that My Heart bleeds. **MY CHILDREN CAN FEEL ANXIOUS FACED BY SPECIFIC SUFFERING OR WRONGFUL CONDUCT, BUT THEN THEY DO NOT REACT, DO NOT MAKE AMENDS.**

My children seek debauchery that makes them cold and hardens the heart. Debauchery fertilizes the spiritual soil in man with irrational manure, which produces only acts and works that are fruits of unconquered temptation.

My Beloveds, Humanity is mostly material and less spiritual. You have no interest in the spiritual aspect but in growing materially, you do not stop to think that the body needs to be sustained by something and that, just as the heart beats in the body, "something" must exist that maintains the spiritual organism.

CHILDREN, YOU HAVE A SOUL, THE SOUL SUSTAINS THE BODY AND IT IS PRECISELY THE SOUL THAT YOU MUST SAVE IN ORDER TO ENJOY HEAVEN.

FEEDING THE SOUL IS THE WAY YOU COME TO FAITH IN THE MOST HOLY TRINITY.

Children, you do not know that you have souls!, you have forgotten it ... I am reminding you in this instant.

I do not call you to an empty Faith, I call you to live the Faith. I call you to look at yourselves within, stilling the senses in order to fill the heart, reason, mind and thought with the greatness and the necessity of the Most Holy Trinity.

Beloved children:

GOD IS THE ONLY TRUTH AND REMAINS PRESENT WHETHER OR NOT YOU ARE AWARE OF IT. He remains present in the secrecy of the mind, of thought, of reason and in the heart. This is the familiarity that you have with the Father, the Son and the Holy Spirit, **WHO LEAVES YOU THE LOVE THAT YOU ALWAYS HAVE TOWARDS TRUTH AND TOWARDS LOVE; IN THIS WAY YOU ALWAYS TEND TO THE GOOD.**

Man needs to know himself, he should know that the soul is something deeper than saying: "I have a soul", and affirming it without clarity, without comprehension, without knowledge, allowing the devil to administer all of man's spiritual possessions. When the human creature does not attend to the knowledge of God, the spiritual soul is blind and merges with what is temporal.

Beloved children:

**DESIRE TO BE SPIRITUAL AND TO LIVE DESIRING GOD ...
IMMERSE YOURSELVES IN THE KNOWLEDGE OF MY SON, OF LIFE IN MY SON'S LIKENESS IN
ORDER THAT YOU BE RENEWED, AND THAT THE MIND, CLEAN OF ALL IMPURITY, THIRST FOR
GOD.**

Humanity is saturated with vices. The mind of man finds no rest. Man is immersed in concupiscence, man has mutated into a creature of greater carnality, where he finds pleasure and puts his heart.

To you, My children:

I CALL YOU TO A GREATER TASTE FOR RECOLLECTION, to distance yourselves from so much distraction that keeps you in constant temptation ...

I CALL YOU TO BE MORE SPIRITUAL, for which you must look within each of you, where the Deity resides.

Beloved children, only when you close the door to everything that comes from what is worldly and live in happiness, will you know that you are truly loving with your understanding guided by the Wisdom proceeding from the Holy Spirit.

Dearly beloved children of My Immaculate Heart:

THE SOUL IS IMMORTAL, DO NOT LOSE ETERNAL LIFE.

Live every instant as if it were the last. Do not take false steps, do not live with an eye on your brothers to criticize them, do not look for the needle in the haystack in order to criticize that needle. You need to work at being more spiritual. Strengthen Faith so that you do not stumble.

Be strong and firm in the Faith, as this is not an instant for you My children to be lukewarm.

Many of My children have been taken by the devil, they are possessed, they attack everything that reminds them of or represents My Son and Me.

Nobody should believe that they know everything. Do not be of those who feel that they are superior. Humility gives the human creature the pedigree of being children of God, the humble person knows how to be love, charity, forgiveness, possesses wisdom. Humility gives the human creature what neither books, nor titles, nor experiences give, because all the foregoing are tinged with pride that contaminates and destroys what it has found on its path.

My beloved, this is the instant when Humanity has entered into suffering slowly but surely, going towards the encounter with its crucible. My children, My emissaries, My mystical souls who convey the Divine Word and whom My Son has entrusted to Me especially in this instant, are protected by My Angels. Do not make them suffer ahead of time, as for those who cause more pain to My instruments, greater will be the charge and slower the walk towards the final encounter with My Son. "With the measure you use it will be measured to you". (Mt 7,2)...

Dear children, do not be proud towards the humble. When the humble person sees you powerless by the side of the road, he will give you his hand so that you continue. By contrast, the proud will grieve and be ashamed of themselves.

Beloved children of My Immaculate Heart, the whole Universe flows with energy. Each one of My children emanates good or evil from within them, in a space and time. That good or evil is in its decisive instant.

In this instant evil abounds, attracting serious dangers to Earth that are approaching from space. The Earth itself is at boiling point, warding off so much evil that Humanity is depositing on it: there will be suffering, grief, terror ...

Man acts against the Divine Will; therefore, I call My children to be spiritually strong, immersing themselves in the knowledge of Divine Work and Action, so that at every instant the soul desires to be more like My Son and less like the world.

SAINTS... YES, I WANT SAINTS!

BELOVED, IMMERSING YOURSELVES IN DIVINE ACTS AND WORKS LEADS YOU TO BE MORE SPIRITUAL, TO ENJOY THE GOOD, TO DO THE GOOD AND TO TAKE THE GOOD TO YOUR FELLOW MEN.

DO NOT FORGET THAT ETERNAL FATHER IS THE ONE WHO ADMINISTERS EVERYTHING, AND HE WANTS WHAT HE ADMINISTERS TO ASPIRE TO HIM.

Beloved children of My Immaculate Heart, you must ascend in order that the spirit survives in the Divine Light. Do not let them steal your peace, love, Faith, constancy. Be astute, assist one another taking the same path.

LOOK WHERE YOU ARE, OBSERVE WHAT IS AROUND YOU: DOES IT HELP YOU TO GROW?... IS IT CAUSING YOU TO DECREASE?

From the Father's House you receive all the good that you create and the good that you need, if you request it with humility.

Children, pray for Germany, pray, this people will suffer the effects of evil, it will be a grieving and frightened people.

Children, pray for Hungary, Nature will scourge it fiercely.

Children, pray for Chile, it will shake with great intensity.

Children, pray for one another; plague is spreading, accelerating over the Earth.

Beloved children of My Immaculate Heart:

You will not be abandoned, the Angelic Forces remain with you. You should know that man's free will has precipitated events. You will be examined by yourselves. The chastisement will descend to

Earth, the temperature of the entire Earth will be lower, the cold will seem to penetrate the bones of your body.

**UNDERSTAND, CHILDREN, THAT THE MORE SPIRITUAL THE CREATURE IS,
THE CLOSER IT IS TO THE MOST HOLY TRINITY.
DO NOT SEEK POWER, SEEK UNITY AND FRATERNITY.
BE THAT LOVE THAT KEEPS MY SON LOOKING TOWARDS THE EARTH.**

Receive My Blessing.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

What wisdom from our Mother released in one Call!

Anger is growing everywhere; it spreads like dust in the midst of Humanity's stormy rebellion.

Man, in turning away from God, is at the mercy of evil, which, intent on taking its prey, does not waste the opportunity, and this is when we see our brothers acting as we had never imagined.

Humanity acts without thinking about the signs it is receiving at this instant; it is easily distracted and forgets, or lets go unnoticed, what it has previously received from Heaven in order that it stays alert.

Our Mother calls us to be spiritual so that we be disposed to stay more united to God, and at the same time to elevate the soul in order to detach it from what is worldly.

Our Mother calls us to be more spiritual, to rise above ourselves, to put aside what is holding back our spiritual journey, because instant starts been no longer instant.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
AUGUST 25, 2016**

My Beloved People:

**BLESSED IS THE ONE WHO COMES TO OUR WILL IN SEARCH OF MERCY.
BLESSED IS THE ONE WHO COMES TO OUR WILL WITH THE FIRM INTENTION OF AMENDMENT.
BLESSED IS THE ONE WHO COMES TO OUR WILL WITH LOVE.**

My Beloved People:

Humanity is instants away from the Great Warning ...

Evil has devoted itself to sowing evil in the man deprived of Me.

Humanity is laying great and heavy sins upon itself, which have blackened man's work and action. The human creature has fallen so far that it no longer appears to be a child of Our Will, but a child of free will feasting with the devil.

THE STAR SHINING IN THE SKY WILL NOT DELAY, illuminating those who live in darkness and those who live in the Light. The Earth will seem to burn and everything to be consumed in the flames, but you who believe in Our Trinity and in the Mother of all Humanity - some will know that it is the Warning, others will enter into a great panic that can lead them to perish. My children will enter into a great calm as if seeing themselves in a great mirror, that of the conscience. Everything will stop before the fulfillment of Our Will, not even the demons will be able to interfere at that instant, everything will be paralyzed.

My People, minimize the suffering of your own sin ...

ENTER WILLINGLY INTO A CHANGE that will give you the opportunity to remain closer to Our Trinity.

ENTER INTO THE LOVE OF THE QUEEN OF ALL OF CREATION so that She shows you inner silence is indispensable in whoever decides to be more of Our House and less worldly and sinful.

You should be aware of the state of madness into which Humanity has fallen, taking disobedience and the lack of conscience as its banner. The devil is guiding thousands of My children so that they enter into the maze of sins and are unable to get out of them.

I, your Lord, see from Heaven the actions of My children, and every action in favor of evil and contrary to Our Law and to Love leaves on the earth an amount of physical contamination such that I see the Earth covered with garbage in large quantities.

How you have deformed the House that you received!

AT THIS INSTANT MAN'S SPIRITUAL GARBAGE IS SO GREAT THAT IT NUMBS HIS SENSES. Thus every instant, man's every waking moment is infected with indisposition and this paralyzes you, so that

you are unable to dispose yourselves to a radical change in your lives and to distance from yourselves the feeling of complacency towards what you know is wrong.

HUMANITY REMAINS WITHIN THE CLOUD THAT CLOUDS REASON, NUMBS THE MIND, HARDENS THE HEART AND CHAINS THE WILL.

Therefore, you do not see with clarity, you cannot discern or be strong to fight against evil.

My People:

YOU ARE NOT IMPOSING THE FORCE OF YOUR WILL IN THE FACE OF EVIL IN ORDER TO REJECT IT, you fail to turn away from what is sinful, you live allowing all that inner power living in each one of you to be suffocated by the power of evil, and that inner power is extinguished by cowardice of fighting against evil.

YOU DO NOT RESPECT YOURSELVES, YOU HAVE LIMITED YOURSELVES MENTALLY AND SPIRITUALLY, so that evil has managed to surpass you to a great extent, due to the instability in which you keep your intellect, limiting yourselves to live in a past time, denying yourselves the possibility of being more spiritual and less of the flesh.

My People:

YOU HAVE DESIRED TO REMOVE ME BY ALL MEANS FROM YOUR LIVES, THINKING THAT TO LIVE IN ME IS TO LIVE BEING SUFFOCATED, HINDERED, REPRESSED, WITHOUT FREEDOM.

Unfortunately for my People, such thinking has brought you to stop in your ascent towards Me and to hold back the awakening of the spiritual faculties with which you were endowed in order to be closer to Our Will. What you continue ignoring and will ignore, is that in moving away from Our Will you have moved away from man's true identity as a child of God.

My People, how I have called you to halt the momentum of the human ego! ... and you do not heed Me.

That momentum which governs you at this instant, will die, and the soul will have been carried along the path of evil, governed by the human ego with the full use of poorly employed freedom.

How many of My children live in this instant as if they had condemned themselves to hell, constantly spewing out the arrogance of the human ego upon their brothers and sisters!

How many, without knowing it, are denying themselves the happiness of being Our children, living poisoned by the human ego, envy and selfishness! The human ego has incrustated itself in man's thinking so that man likes to think he maintains his predominance over his brothers and sisters.

**POOR SOULS LACKING MY LOVE, LACKING WHAT IT IS TO TRULY BE MY CHILDREN!
THEY CONTINUALLY JUDGE THEIR NEIGHBOR,
THEIR SIGHT DOES NOT ALLOW THEM TO LOOK AT THEMSELVES.**

How regrettable it is for Our Trinity to see man's state at this instant, in which for much of Humanity God does not forbid anything! Thus evil grows in the midst of a Humanity tolerant of the lack of values, where oppression is important, being superior is more important, the absence of love is more important, not fulfilling the Divine Law is more important. I look with pain upon Humanity that is ill, where men's evil acts go unpunished and there are recriminations against those who act in goodness.

You live in impunity, valuing sin, gravely offending Me with this way of acting.

**YOU HAVE DRAWN PURIFICATION TOWARDS THE EARTH,
MY FATHER'S HAND FALLS UPON MANKIND...
AND THE ELEMENTS REACT IN CONVULSION AGAINST MAN WHO IS TOTALLY INDIFFERENT TO
THEM.**

My people, great pieces of land will sink and the water that will emerge will cause severe flooding. The volcanoes will roar, announcing to man the proximity of their activity.

You will find strange creatures created by man in the sea, created by radioactivity in the ocean's waters.

Pray beloved children, pray for Japan, it will be strongly shaken.

Pray, beloved children, pray for Chile, lament will be heard with the ground's shaking, and water will invade the land.

Pray, My children, pray for France, pain comes again.

Pray, My children, pray for England, the heart will be bitter.

Pray My children, volcanoes are ready to erupt in one country and another, rapidly.

My people:

Turn away from evil and return promptly to Our Trinity...

Turn away from the stubbornness of the human ego so that you attain the good things that are for you...

Continue without being afraid and prepare, even if they say that you do not know what you are doing. Keep supplies in the places specially prepared to be My Refuges. I will bring you from one place to another and will protect you.

Love My Mother, find in Her the Intercessor for you to be endowed with Our Divine Love, and may Peace therefore reign in your hearts.

DO NOT FEAR, WHERE THERE IS A TRUE DEVOTEE OF OUR TRINITY, THEY WILL ATTAIN PROTECTION.

MY PEOPLE, DO NOT FALL AWAY IN THESE INSTANTS, FORTIFY YOURSELVES WITH OUR BLESSING.

I bless you with My Love.

Your Jesus

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

The Most Holy Trinity outlines for us the state in which Humanity finds itself, swimming in the refuse of the effects of human selfishness, consequently burdened with all the evil that is continually being done around the world.

Evil is what Christ describes as the one who draws calamities upon the Earth. He tells us the causes and the harmful effect on the soul and on everyone as Humanity.

If this generation does not heed the Word made explicit from Heaven, which does not tire of warning us, what then does this generation hear?

Christ tells us that a Humanity without God is a Humanity condemned to evil.

Brothers and sisters, it is never too late to return to the path of Truth and Life. It is never too late to make amends as children of God.

Let us be strong in order to resist the wiles of evil, let us be strong, holding on to the Hand of Our Mother, with the inspiration of the Holy Spirit. But for this, we need to get rid of the ballast, that as

a generation that forgets the Divine Principles has welcomed what is improper, turning away from God.

LET US RESTORE UNITY WITH THE MOST HOLY TRINITY AND LET US OVERCOME THE HUMAN EGO IN ORDER FOR IT TO BE MORE OF GOD AND LESS SINFUL.

Brothers and sisters, volcanoes will cause major disasters; when the earth is stirred up the volcanoes roar.

Each person has the power to choose ... The people of God must continue choosing God. **BECAUSE WHEN THE ANGELIC LEGIONS ARRIVE FOR GOD'S PEOPLE WE MUST BE WALKING WITHIN THE MARCHING COLUMN, WITHOUT WANING IN HOPE OR IN THE ASSURANCE THAT GOD NEVER FORSAKES HIS PEOPLE.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
AUGUST 28, 2016**

My Beloved People:

**IN EVERY BEAT OF MY HEART MY PEOPLE REMAIN PRESENT.
NONE OF YOU SHOULD EXCLUDE HIMSELF OR HERSELF FROM MY PEOPLE, YOU ARE ALL MY CHILDREN**

I need you to recognize one another as brothers and sisters. I am gathering My people from all over the world so that, united in My Love, you be the force of goodness that expands throughout Creation, throughout the Universe.

Some may ask: "How is He going to gather us"?

In the encounters that each person has with me: in prayers, in our encounter in the Eucharist, in the meditation of My Passion, in the meditation of the Seven Sorrows of My Mother, in the meditation of the Holy Trisagion, in Confession, in love of neighbor, in love within the family, in the fulfillment of the Divine Law, in sacrifices, in obedience, in hope, in charity, in faith and in being true Christians in spirit and truth.

MY PEOPLE'S STRENGTH WILL REMAIN, IT WILL NOT DIMINISH, MY PEOPLE ARE FAITHFUL AND TRUE.

Because of this, I call My Priests not to feel that they are in Heaven in advance but to be worthy of their Magisterial office, at every instant serving My People with humility, **SHARING WITH HUMANITY THE RIGHT TO ETERNAL SALVATION.** My Bishops must live in humility, they should not

live in palaces: with decorum, yes, but without excess, they should not have luxuries but should assist the poor, the needy.

I grieve over those Ministers who have given themselves over to the service of Freemasonry, usurping My Church and taking Her along completely wrong paths. Imposing themselves at this instant from within My House, they are taking advantage in order to prepare the arrival of the usurper. **WOE TO THOSE WHO ARE HANDING OVER MY CHURCH! THEY WILL EXPERIENCE MY PEOPLE'S LAMENT AND THE SEVERITY OF MY HAND**, for these allies of evil the separation I come to make of the wheat and the chaff will be a great sorrow. Ministers who call themselves faithful to Me will mourn with tears of blood for having disowned me, having deceived and having given themselves over to evil, directing My People wrongly.

I do not accept lust, excess, opulence, arrogance, the lack of charity, the denial of what I make explicit to My People, and woe to My Servants who are not devoted to My Mother!

My people, in this instant of discernment, you must remain in constant proximity to Our Will; otherwise I will see you deteriorating even more, with there being a greater number of those who muddy themselves, and their nauseous stench will be irresistible.

**EVIL BINDS ITS FOLLOWERS, THOSE WHO ACCEPT IT,
THOSE WHO DO NOT RESIST IT, IT TRAPS THEM IN ITS CLAWS...**

My People, do not mistreat each other; let it not be the members of My Church who strike Her, smear Her, denigrate Her when they enter into arguments against each other. **UNITE, DO NOT ENGAGE IN CRITICIZING ONE ANOTHER BUT IN UNITING IN MY SACRED HEART AND IN THAT OF MY MOST HOLY MOTHER**. May it not be My own people who stone one another out of petty envy or unjustified jealousy. No grouping within My Church is greater than another, all tend towards a single purpose: **GIVING BACK TO US THE EARTH THAT WE HAVE LEFT FOR YOU**.

I come to call you to continue sharing My Cross. **LET EACH PERSON TAKE UP HIS OR HER PERSONAL CROSS, IN ORDER THAT YOU DO NOT DESERT ON THIS WAY OF MINE** and not be a part, in this decadent instant, of this generation that offends Me to the point of nausea as never before.

Peace is a fleeting memory for Humanity, terror has taken hold of various countries, spreading and taking leadership in Europe.

My Church is sick, confused by the division that exists; this is not good because these are signs of the instant in which My Church will experience agony and then fall into schism.

A ray of lightning alerted My People about what is to come, and about My People's strength, and although they intend to destroy My People, the forces of evil will not succeed in removing Me from the Heart of My People.

Our Will has entrusted My Mother with the command of the Heavenly Legions in order that She be the one to crush the head of satan and, as the Queen that She is of all Creation, guide the spiritual struggle that Humanity is living through in these instants. Hence the importance of rapport with the prayer of the Holy Rosary, hence the awareness of praying the Rosary and of the meaning of every word and every act performed in said offering.

Do not wear the Rosary around your neck if you are not aware of what It means, because to do otherwise is to offend Me. **YOU POSSESS A WEAPON WHICH THE DEVIL FEARS WITH HORROR AND FRIGHT: IT IS THE WEAPON OF THE HOLY ROSARY, NOT RECITED BUT CONSCIOUSLY MEDITATED.**

Evil will appear to triumph, but will never prevail. At this instant unbelief prevails, you constantly offend Me, I am despised, a great number of My children have declared themselves among my enemies, the worst and greatest enemies, willing to serve satan as solicited by it, not knowing that after carrying out its purpose, it will send them to the eternal flames.

Because my people have been taught to see My Mercy without meditating on Our Divine Justice, at this instant it horrifies them that My Prophet obeys Me and conveys My constant warnings for you to wake up. Scripture contains in the Gospels:

**"I HAVE COME TO BRING FIRE ON THE EARTH ..." (Lk 12: 49)
TO PURIFY, TO SEPARATE THE ONE WHO FULFILLS MY LAW FROM THE ONE WHO DOES NOT
FULFILL IT.**

**I WARN YOU, MY MOTHER HAS WARNED HUMANITY, AND MAN DOES NOT PAY HEED AND
DENIES THE NAUSEOUS STATE OF HIS SOUL..., YOU ARE STIFF-NECKED.**

**MY WORD IS NOT GIVEN IN ORDER THAT YOU SEE EVIL AS SOMETHING WITH WHICH MY
CHILDREN LIVE AND CONTINUE DOING EVIL, CAUSING MY TEACHINGS TO BE FORGOTTEN AND
SUPPLANTED.**

**THOSE WHO ARE STIFF-NECKED WILL NOT SUCCEED IN CHANGING UNTIL THEY ARE AWARE
THAT, AWAY FROM THE SACRAMENTS, THEY ARE HINDERED FROM BEING ASSISTED BY GRACE
ON THE PATH OF CONVERSION.**

My People, some of you are harder than others, some are determined not to listen to Me, to deny Me, and because of pride, they continue along the road to perdition.

The lack of humility of this generation is the weapon of satan. You forget humility, all think that they are wise without recognizing that **"WHOEVER REMAINS STIFF-NECKED AFTER MANY REBUKES WILL SUDDENLY BE DESTROYED—WITHOUT REMEDY."** (Prov 29: 1)

My Beloved People, I come to purify this generation with fire. You have two paths: good or evil, there is no in-between. **COMPLY WITH MY WORD!**

**Pray My children, pray for the United States, it continues its purification, fire will emerge with
the feared roaring of the great volcano. Nature and man emanate pain.**

Pray My children, pray for India, it will be scourged by Nature.

Pray My children, pray for Chile, the earth moves from inside its core, forcefully stirring the sea.

Pray My children, Spain will suffer, Italy will suffer greater pain.

Pray My children, Mankind has attracted Purification and this has not been denied.

Coastal countries will suffer and famine will come to the great cities. Man with his anger is a means that stirs up evil in order to cause situations of emergency in various countries, where agitation will cause social havoc. Humanity rebels against its rulers and then comes the suffering of all with the grief of seeing the suffering they have caused. Man, in all he develops, manifests rebellion towards Me.

Argentina will suffer chaos. Pray for Argentina, they have disobeyed My Mother's warning.

My people, satan is cunning, it will appear to triumph.

Do not say you are saved by having being baptized. This instant is hard, this instant is for My true People, tho who are looked at by the whole of Creation whose elements aim to assist the faithful.

**THE STATE OF MAN HAS BEEN LIFTED UP TO CREATION THAT SUFFERS BECAUSE OF IT,
CAUSING A CHAOS THAT MAKES THE COSMOS IN GENERAL SUFFER;
THE UNIVERSE IS SHAKING AND IS AMAZED AT MAN'S DISOBEDIENCE.**

**MANY WILL BE SCANDALIZED AND WILL BETRAY AND HATE ONE ANOTHER,
"BUT HE WHO ENDURES TO THE END WILL BE SAVED." (MT 24:13)**

My blessing is with the one who strives to overcome his or her human ego and to ascend to My House.

My Mercy is ready to receive you.

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers / Sisters:

ONE IS THE WAY, ONE THE TRUTH, ONE THE INSTANT.

When cancer enters a body, man rushes towards the medicine needed to stop it. The warnings are first given in the body and the doctor tells him what the alternatives are for stopping the cancer. So it is with this generation: Heaven warns us against the cancer of evil that gnaws away at man's insides, hindering his knowledge, closing him off to the truth, making man see calamities as normal, stopping him from alerting his brothers and sisters.

We are at a crucial point, so much that the Divine Word is questioned, as in the past when the people of God have suffered. Reality is not seen but rather what man wants to see and deny. And it is when man turns away from God that misfortune appears.

Prayer is not an obligatory repetition, it is an encounter of the soul with its Creator for spiritual growth and in order to worship the Most Holy Trinity.

We have a spiritual body that must be maintained, nourished, awakened, so that the cancer of evil does not penetrate and bring it down so as not to rise again.

Each one of us must wake up and hasten to the Divine Promises in which we will find salvation. Let us run towards the goal, let us overcome obstacles, for when the road is hard, it is a sign that we are advancing.

Jesus said, "Whoever is not with me is against me" (Mt 12: 30), so let us be among those who want to continue, to obtain Mercy and to keep striving in order to reach the Promised Land.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
SEPTEMBER 1, 2016**

Beloved children of My Immaculate Heart:

I WATCH OVER HUMANITY, WHICH I PROTECT AND LOVE AS YOU ARE ALL MY CHILDREN.

Man continues on his way through life and at this instant he should stop to see himself within, even if he has no notion of what it is to see oneself within. In order to see within he must silence his mind and heart, in order that, in the silence, the Holy Spirit guide him to within himself and so that man perceive the Divine Presence.

**MY SON REMAINS WITH YOU ...
YOU ARE THE ONES WHO REFUSE TO ENTRUST YOURSELVES TO MY SON GIVEN THE DECEIT OF
THE WORLD THAT REMAINS IN THE HANDS OF EVIL.**

Humanity has changed, it has been transformed into the machinery that moves the tentacles of evil. Every day a new deception emerges with which satan surrounds My children. Instant by instant, evil raises its possession of souls to unimaginable levels through contempt for what is right and therefore a manifestation of good.

IN THIS INSTANT THE DISTANCE HAS BEEN ACCENTUATED BETWEEN THE ONLY TWO PATHS THAT REMAIN FOR HUMANITY: GOOD OR EVIL. You cannot call good that which is contrary to God's Law.

Woe to My Priests who induce the people of My Son to act wrongly!

Woe to My Priests who love what is worldly, strive in what is worldly and put being shepherds of souls to one side!

My children should know that in the end, evil will pounce upon My Son's People, and **THAT END IS THIS PRECISE INSTANT OF THIS GENERATION**, the one which has been taken hold of by the legions of evil while it was distracted, submerging it in all kinds of sins through the tentacles of the devil, oppressing the mind and hardening the heart so that it act against what God ordered it to respect.

**DO NOT WAIT FOR MORE SIGNS OF THE TIMES, MY CHILDREN,
THESE ARE ALREADY BEING GIVEN THROUGHOUT THE EARTH.**

WAKE UP!, LOOK AT THEM! DO NOT WAIT FOR THE POWERS OF HEAVEN TO BE SHAKEN.

I have mentioned war to you, which has rushed forward stealthily, famines, increasing natural phenomena, persecution, and I have called you to center your life on God. **BE LOVE, SAVE THE SOUL!**

I see the majority of My children curious with the dates and events.

What does man achieve by knowing a date if his work and action is not in accordance with the Divine Will?

How does curiosity increase the determination towards conversion?

Man has to till the soil in order to obtain good seed. **MY CHILDREN MUST NOT LIVE IN CURIOSITY, BUT IN FAITH AND IN THE FULFILLMENT OF GOOD INTENTIONS.**

Beloved children of My Immaculate Heart:

You must not sin anymore! Stop! Do not be blinded, do not let your thinking be captured by the one who should not have the first place in the life of a true child of God.

Live in peace; you have not allowed yourselves to see in the light of the Truth how satan remains standing over you, in order for peace to be abolished at the personal, family, social and global level.

**SATAN'S PLAN, THE ONE TO WHICH YOU CONSENT OUT OF FOOLISHNESS, IS THE LOSS OF LOVE.
AS LESS LOVE EXISTS IN THE WORLD, SO MORE LEGIONS OF SATAN PENETRATE AND CREATE
DISCORD.**

Little children, you need to be humble to recognize that pride leads you to see yourselves in the first place and to put your brothers and sisters in other places. With pain I see how what you have constructed with spiritual and physical hard work crumbles in an instant for lack of humility. The one who is proud feeds evil.

I ANNOUNCE TO YOU THE TRIUMPH OF MY IMMACULATE HEART, and for this triumph I need each one of My children: those who do not offend My Son, those who do not offend their brothers and sisters, the humble, those who do not rebel against God.

I love My children: those who offer their suffering for the salvation of their brothers and sisters, those who remain attentive to their neighbor, those who do not justify sin, those who heed the Divine Word, those who evangelize with their testimony, those who repent of their mistakes.

Beloved children:

I HAVE ANNOUNCED TO YOU THE ARRIVAL OF THE ANGEL OF PEACE, WHO COMES TO ASSIST MY SON'S PEOPLE IN THE CRUELLEST INSTANT THAT YOU WILL COME TO LIVE. HE WILL BE PEACE, LOVE, CHARITY, FORGIVENESS, HOPE, FAITH FOR ALL OF YOU. THE PEOPLE OF MY SON WILL NOT BE ABANDONED.

You are in the instant of the instants, when evil does not lie in wait but pounces upon the children of God. Therefore, I am among you to help you.

The demon attacks you in all your senses, it does not rest, it remains attentive to detonate his weapons of disunity, and with pain I see how you are so weak and in instants fall into disunity. This is because you act on impulse, you do not ponder how to respond or how your action will affect your brothers and sisters.

The great children of God are seen in the small details.

Beloved children of My Immaculate Heart, pray for Europe, it will suffer the agonizing scourge of terrorism.

Beloved children, pray for Turkey, blood covers that land, impiety leaves its mark.

Beloved children of My Immaculate Heart, pray, the threat to Earth is emerging from space.

Beloved children pray, Freemasonry will strike an unexpected blow within in the Church of My Son, and I grieve for you, My children.

Beloved children, pray for Venezuela, pain hangs like a cloud over this people, whom I do not leave abandoned. It will be shaken.

The coasts will be shaken, the water of the seas penetrates into the land.

Humanity will be surprised at the force of Nature when it shakes.

With the awakening of the instant, Nature does not delay. As soon as man sins, Nature calls him to return to friendship with God. Man suffers through the elements, they purify him. The volcanoes emerge with unexpected eruptions. The surface of Earth changes its color and man strives to continue handing it to over the devil.

My Children, a discovery will make the Church and science come into great conflict that will unsettle Humanity.

I CALL YOU TO RECEIVE MY SON IN THE EUCHARIST PROPERLY PREPARED.

I CALL YOU TO PRAY THE ROSARY, MEDITATING EVERY WORD WITH WHICH YOU GO OVER MY SON'S LIFE.

SURRENDER EVERY INSTANT TO THE DIVINE WILL AND ENTRUST YOURSELVES TO ST MICHAEL THE ARCHANGEL AND HIS LEGIONS.

Man must reflect before evil causes him to be a persecutor of his own family.

I will hear the lament of the man who did not listen to the Calls of Heaven. My pain has no comparison, it is intense.

Children, it is precisely the human ego that you must govern in order to bring it to say "YES"! : yes in favor of good deeds and good works.

CHOOSE GRACE, DO NOT ENTER INTO SIN, THIS LEADS YOU TO MISERY, AND THE HUMAN CREATURE IS NOT ONE OF MISERY, BUT OF GLORY.

Children of My Immaculate Heart, receive My blessing.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

At every instant we see how violence is taking hold of Humanity and how Nature surprises man with its force and frequency. Nature acts and reacts on receiving the emanation of human work and action. We know that the geography of the Earth is going to change and this will be generated by a very strong event. Earth is in convulsion, alerting man to what is to come.

In one way or another Heaven is shaping with its words the future of mankind, for not having obeying repeated calls to Salvation.

How many acclaimed satan as king!

How is it that Creation is not going to react, sensing that they will deliver it into the hands of evil?

Let us keep in mind that sin becomes habit, and this habit gives energy to the principle that generates evil, and until Truth becomes man's principle for his drawing near to God, it will then be the beginning of initiating reconciliation with God, and man sees himself as he is and finds true freedom.

Brothers and sisters, Nature is preparing man's Great Purification.

LET US BE UNITED TO GOD, LET US PRAY AND TIRELESSLY SEEK UNION WITH GOD AND LOVE OF NEIGHBOUR.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
SEPTEMBER 5, 2016**

My Beloved People:

**YOU ARE NOT CHILDREN WITHOUT A MOTHER!
MY MOTHER IS BOTH THE MOTHER OF HUMANITY AND THE QUEEN AND LADY OF ALL
CREATION.**

Turn to Our Mother, She stretches out Her Hand to you so that you maintain the necessary strength in this instant and not be lost. My Mother comes to give you Her Motherly Love so that you, My faithful ones, be those who take the Good News of My Second Coming to your brothers and sisters.

My Beloved People:

**CONVERSION DOES NOT COME ON ITS OWN OR WITH MINIMAL EFFORT ON MAN'S PART.
WHOEVER DESIRES FROM THE HEART TO ATTAIN THE SOUL'S SALVATION MUST ERADICATE
FROM THEIR LIFE:**

- * Evil deeds, evil thoughts, evil desires, greed, avarice, despair ...
- * Pride, impatience, counter-witness, falsehood, evil, judging one's neighbor ...
- * Denying assistance to one's fellow human being, fear, coldness, bad feelings, intolerance ...
- * Competitiveness, eagerness for material things, the denial of growth in the spirit ...
- * They must stop living out of human free will, they must subject their intelligence to My Will and eradicate all that is contrary to Works of Mercy and to the Divine Laws, among which are the Sacraments.

MAN ONLY SEES HIS PHYSICAL BODY: skin with its different layers that compose it, eyes, nose, hands and feet, without stopping to give thanks for breathing, for the enjoyment of sight, without thinking of others among his brothers and sisters who do not have these faculties.

MAN DOES NOT GIVE THANKS TO OUR TRINITY for everything that the human body executes.

MAN ACTS MECHANICALLY AND THINKS THAT HE CAN LIVE WITH HIS SPIRITUAL ORGANISM IN THIS WAY. A great mistake! Whoever does not feed his spiritual organism does not grow and does not come to Me with the speed that all My children should attain.

In the action and work of man Our Work and Action are embodied. Painfully, My children truncate and ruin this work and action in their spiritual organism, and because of this, they do not ascend but fall back, without managing to live in Spirit and Truth, in Our Likeness.

My Beloved People:

YOU HAVE NOT BEEN CALLED ON OUR PART TO LIVE IN OR LIVE WITH SIN, BUT TO ELEVATE YOUR SPIRITUAL SENSES THAT SIN HAS SUBJUGATED IN EVERY PERSON.

Children, you must not be kept bound to the lowest level on the spiritual plane, but you are called to ascend and to awaken the whole supernatural organism that you possess, so that it freely empower the human self so that the latter be more of Heaven than of Earth.

My People, **I ORDER YOU TO TAKE THIS CALL OF MINE SERIOUSLY**, so that formally and with urgency you be conscious of the reality in which you are living for the personal and communal good, or of the distance that you keep with My House.

Each person is the manager of the soul's destiny. You are faced with two paths and the decision is a free one, but at the same time it must be nurtured by what man might not know, and therefore deny himself Eternal Salvation.

In this instant, Humanity is about to experience with greater force and power a variety of events among which are volcanic eruptions, which are the result of a strong reaction that manages to create a process with volcanic substances such that these substances come out forcefully.

IT IS NOT THROUGH FEAR THAT MAN COMES TO LOVE US, man loves Our Trinity for the Truth that is born from Our Trinitarian Heart, but we ask man to hold back anger and the desire for revenge, which has great negative force .

Man loves Our Trinity because he experiences Our Assistance, Our Love, Our Protection when human reason does not close itself to Our Truth, which carries Divine Love manifested in every detail, not only within man himself, but in all Creation.

HUMANITY WALKS IN THE FOOTSTEPS OF NOVELTY, WITHOUT THINKING THAT NOVELTY IS STEALING ITS SOUL. The novelty of sin in its greatest expression makes an unrecognizable creature of man, as he rages against his own brothers and sisters in order to eliminate them. The novelty of evil, which grafts itself onto the one that accepts it, transforms him with the poison of evil, with the worst thoughts, the most abrupt actions and the greatest heresies in human history.

My People, novelty is the aggression, it is the experience of how to serving satan, paying him homage until it takes possession of the human creature and penetrates within, endowing him with power and malevolent attributes with which the creature thinks he possesses everything, ignoring the fact that thought does not belong to man when he hands himself over to satan, since satan does not respect free will, but subjects it to its evil interests, since his goal is dominion over man.

**THE INSTANT IS PASSING, MY CHILDREN ARE BEING LOST ...
AND WHERE IS THE ORDER THAT I GAVE TO MY CHURCH TO SAVE SOULS?**

Pray children, pray for Ecuador, it will suffer in its land and its volcanoes will awaken.

Pray children, pray for Greece, the land shakes and the soil is invaded by water.

Pray, My children, the threat to Humanity is approaching from the Universe, you will see it approaching. My children will be afraid.

Pray children, pray, provocation at sea will no longer be provocation and an error will unleash horror.

Pray for United States, the land will shake forcefully.

Pray for Japan, it continues to pollute Humanity.

MY BELOVED PEOPLE, THE DEVIL ATTACKS MY CHILDREN, it hurls seduction in order for it to go round Earth like the wind and so that My children might be prey to this sin. The Earth will be saturated by infestations of evil, men possessed by the devil will roam the streets rushing forward to kill large numbers of human beings. Evil has families in its sights so as to dismember and break them up. Unity makes evil furious. For this reason, disunity is a triumph for evil, and gradually disperses man in order that he does not live in brotherhood.

MY PEOPLE, UNITED AND GATHERED IN MY BODY, BLOOD, SOUL AND DIVINITY, ARE ILLUMINATED BY MY HOLY SPIRIT. Hence the awareness that being My Child is not a phrase, but the fulfillment of My Precepts and the unshakable Faith that My People are the apple of My Eye.

Lukewarmness is not a good companion, it is the inclination to grant whims to the human ego so as not to commit to the fulfillment of the Truth. My poor children who are in lukewarmness! - they will be vomited out of My Father's mouth.

My People, Love of My Heart! **I COME TO YOU AS A BEGGAR OF LOVE IN THIS INSTANT OF TRUTH IN WHICH I AM SPEAKING TO YOU, SO THAT YOU DO NOT BE LOST AND THAT YOU RETURN TO THE WAY OF TRUTH THAT OUR LOVE EXUDES TOWARDS HUMANITY, INSTANTS AWAY FROM BEING EXAMINED BY OUR DIVINITY.**

Amen.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Let us not fail to heed this appeal of the Most Holy Trinity. Let us be children who heed the Requests of their Lord. Let us ask for the intercession of Our Most Holy Mother and of our Travelling Companions and of the Saints in order to come to live more of Heaven than of Earth.

Without forgetting that, as children of God, Divine Protection covers us, always and when we do not deny or ignore the fact that God is God and we His people.

Amen.

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
SEPTEMBER 12, 2016**

My Beloved People:

EVERYONE FORMS A PART OF MY CROSS, YOU ARE IMPREGNATED IN MY CROSS.

I come to you with the explication of My Word, in this instant in which only and only the foolish continue denying that My Word is what I am giving to My own in these Calls.

Children: are you among those who fulfill My Word, among those who live out Our Will, or are you among those who believe that they can serve two masters?

No third way exists for attaining Salvation; there is only the path of good and the path of evil on which, if you do not repent, you lose Salvation.

When I rebuke you, you rebel against Me out of pride, out of stubbornness. I present to you how you live, the evil that you accept and in which you may perish, and instead you harden your hearts and turn away from Me.

You judge My Word with the same foolishness with which you carelessly judge My instrument who is conveying this Call of Mine to you. You judge a priori, without thinking about it, and what difference is there between you and those who, carried along by momentum, sentenced Me to the Cross?

Some of the so-called learned of this time are, to My Sorrow, the same ones who serve and represent Me, they are those who could transform so many souls if they shared My Love, if they did not confuse My People with banal assumptions, unsettling My Flock, scattering them so that they give themselves over to the clutches of evil in this instant when they should return to Me.

My own do not see the talents with which I endow some of My children in order to warn My People, nor do they see the suffering of these people who, for love of Me, in fulfilling My assignment, suffer indignities. My instrument does not walk alone, I continue receiving the offenses, since the Word that she conveys is not her own but comes from Me.

Do not forget that I did not come to bring peace but division; for some My Truth is unpleasant, upon not committing to true conversion: **LOVE**. When man resists My Truth he becomes hostile, not only towards Me but towards those who do not share his way of thinking.

Stay alert - you should not accept everything; in the end there will arise many false prophets who will deceive many, and as iniquity grows more every day, the love of many shall grow cold.

BUT ONE THAT ENDURES TO THE END WILL BE SAVED. THE ONE THAT ENDURES TO THE END, THROUGH INSULTS, INDIGNITIES, INSULTS, SLIGHTS, CALUMNIES, THIS SON OR DAUGHTER WHO HAS DECIDED TO SERVE ME WILL BE SAVED.

My people, in this instant you are living under strong pressure to act contrary to everything that is My Law, before the lack of commitment to be pleasing to Me and save your soul, you only want to live in what is easy and does not imply effort and decision.

So much evil cannot coexist with good; evil will be eradicated, but beforehand, My People will be purified in order that they be worthy of Our Trinity and the Love of My Most Holy Mother.

My children:

NOT ERADICATING THE EVIL IN YOURSELVES, OF YOUR OWN FREE WILL, EVIL WILL LEAD YOU TO PERISH TO THE FLAMES OF HELL. WHEN MY CHILDREN GIVE UP AND DO NOT FIGHT AGAINST EVIL, THE LATTER DEFEATS MAN AND MAN LOSES ETERNAL LIFE.

Evil does not delay, it has entered My Church, precipitating disregard for the Divine Law, causing confusion so that you rise up against each other, and so that My warnings be denied.

Humanity has acted in consent towards the tentacles of evil, **ESPECIALLY THE TENTACLE THAT ACTS AGAINST THE TEMPLE OF OUR HOLY SPIRIT, THE BODY**: abortion, immorality, impurity, drugs, fornication, pornography, misused science, acts against purity, evil thoughts, killing deliberately and with premeditation, and so on; it is in one of the tentacles of evil, and man accepts them as good, without thinking, indulging the desires of evil and acting against Our Will. By pleasing the devil, humanity has entered into chaos, into upheaval, and that which is around man enters into this upheaval which is in constant movement, dragging along with it that which is nearby. Hence at this instant, evil is taking possession of some souls with such ease.

MY BELOVED PEOPLE, IT IS URGENT THAT YOU RESIST EVIL, THAT YOU CONSECRATE YOURSELVES TO OUR SACRED HEARTS, SO THAT YOU ARE NOT OVERCOME BY EVIL.

Pray, My children, pray for Finland, it is urgent.

Pray, My children, for India, it will suffer.

Pray for Mexico, its volcanoes arise and the land suffers a severe shaking.

Pray children, pray for Puerto Rico, its purification is near.

Pray for the United States, it is seized by panic.

MY PEOPLE, IT IS ESSENTIAL FOR EACH OF MY CHILDREN TO BEGIN A PERIOD OF SPIRITUAL AND PHYSICAL AMENDMENT. Man's physical senses must come into harmony with the spirit. You will

begin with the sense of sight for a week, every instant you will devote yourselves to cleansing the sense of sight, until your sight is surrendered in order to please Our Will and the soul's greater good.

FIRST DAY:

I offer the gift of sight on this day to the Most Sacred Hearts of Jesus and Mary, I offer you this Gift of sight in this instant for the Divine Glory and for the good of souls.

In every present act of my sight,

give me the strength to see only that which is for the good of my soul and of my brother or sister.

I cry out to You Blessed Mother, so that you take me as Your disciple,

guide my life, and my path be directed towards meeting Your Son.

ON WAKING I OFFER:

I have sight, and with it I see good and evil from this instant on,

I offer my constant effort in order that this Gift be made more spiritual, prioritizing the Divine desire for my personal salvation.

I propose to free my sight from occasions of sin,

seeking the Divine purpose in everything I see,

finding the good in every brother and sister and in each thing created by the Eternal Father.

I do not want to sin any more with the sense of sight, I surrender it to the Sacred Hearts so that, being Your child, my Lord, you lift me out of sin.

I do not want my sight to come to provoke me to evil thoughts

nor that I neglect the Divine kindnesses that lead me to remain in a state of Grace.

Sacred Hearts, sustain my thinking so that it subjugates my sight and my sight see the good and the qualities that every human being possesses and which are hidden from me in his or her work and action.

May I possess the courage to oppose to myself forcefully and not allow my sight to be used for evil.

I hold back my free will and subject it immediately and surrender it to the Sacred Hearts, and thus they mold my sight so that it turn away from human pettiness.

May my sight be cleansed in the Purifying Water of Love coming from the Sacred Hearts.

Amen.

MIDDAY:

Review together with Our Mother the morning's efforts and note down weaknesses.

BEFORE GOING TO SLEEP:

I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, to whom I pray for succor for this purpose, in order to be a better child of God.

Our Father, three Hail Mary's and Glory Be.

My People:

**OUR TRINITY WILL TRIUMPH AND IT IS MY MOTHER WHO WILL CRUSH THE HEAD OF SATAN.
IN THIS INSTANT, MY PEOPLE, CONVICTION AND DETERMINATION ARE THE DOWRY AND MORE
FOR YOU TO SUCCEED IN UNITING WITH ME.**

I bless My children, and I tell you that whoever does not bear witness to My Love will receive little or nothing from Me.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Christ Our Savior wants to perfect His children; He came to take sinners out of sin, He came to establish His Kingdom in each of His children.

He calls us firstly to cleanse our sight, giving us the necessary tools for this and shutting out what does harm to our spiritual body.

Everything comes from God and returns to God, but in man's passage through life, man is contaminated by what is merely temporary, and then this encysts itself until it perverts the senses and causes them not to be a blessing but a burden that brings man to condemnation.

We are all different, but Christ asks us to respect each other and to fraternize in the midst of the immense wave of evil and contempt that has been poured out upon Humanity, which forgets God and has detached itself from everything related to the Trinity, to Our Most Holy Mother and Our Intercessors, because order is not pleasing to evil, to which much of Humanity pays homage, acting against the Divine Law.

Let us act in obedience to the guidelines for this week and let us cleanse our sight in the Divine way, because if our sight is clean we will therefore also feel and speak about that which we have in our hearts.

Amen.

**MESSAGE FROM THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
SEPTEMBER 15, 2016**

Beloved children of My Immaculate Heart:

My Maternal Blessing accompanies you, as a mother stays by the side of her little child.

I CALL YOU TO REDISCOVER THE TRUE MYSTERY THAT LIVES AND BEATS WITHIN YOU.

**THE TRUE MYSTERY IS MY SON, HE LIVES IN YOU ...
YOU SHOULD NOT SEEK IN THE WORLD THAT WHICH LIVES WITHIN EVERY PERSON.**

Man's feelings are so innumerable and the affections of the heart so unpredictable, until the desire to amend your path comes to be the primary goal.

**MY SON CALLS YOU TO BE RENEWED, THAT IS: TO UNITE WITH HIM IN THE FULLEST EXTENT OF
THE WORD.**

The human ego remains latent in My children; in one instant you decide to stay with My Son, and in another instant, no ...

The ego governs man, so much that he neither makes an affirmative decision nor says no; he remains lukewarm, allowing what can lead him to act and work in the good to be moved by the circumstances of the instant and by opportunities that he considers beneficial.

My beloved ones, at this instant sin has managed to transform itself into a habit for man.

I invite you to make Grace a habit within you that is able to oppose sin. Grace brings unity, the overcoming of man, and illuminates him.

Humanity continually surpasses the evil that it committed previously. The evil that man has allowed himself keeps him being a doer of evil that dominates man himself, with great unkindness towards his own brothers and sisters. You believe that the unthinkable actions of this instant will be unrepeatable. It is not so; this generation ought to have been prepared to fight against evil, knowing that this is the instant when the tentacles of evil have arisen and spread throughout the Earth, taking My children captive in order that some physically injure their brothers and sisters, others wound the heart, others the senses, others deceive Humanity and others directly fight against My Son's Church.

EVIL IS TAKING HOLD OF MY CHILDREN WITH GREAT SPEED GIVEN THE HASTE TO DOMINATE THE WORLD. Those who serve evil, believe what evil makes them know, and My children do not believe that this instant is decisive, because this is denied among those who are My Priests.

EVIL IS NOT A FANTASY ... Those who love My Son must unite and recognize one another, be rooted in the Law of God and each commit to being a spokesperson for the testimony of My Son's Love.

EVIL ACTS WITH THE POISON OF FALSEHOOD, falsehood being a part of man's action and work; he is unable to detect it, continuing in what is improper and sinful.

Wake up, My children! My Son bleeds in the face of the abasement to which His People are subjected, before the cruelty with which Christians are persecuted ... and you do not make up your minds to seek conversion.

Beloved children:

**PERSECUTION WILL SPREAD, DO NOT LOOK ON FROM AFAR AT WHAT CAN COME TO YOU
WITHOUT YOUR THINKING OF IT OR SEEKING IT.**

The devil has seized minds, hearts, reason, thought, the human ego, the human intellect, human desire and everything that it can hoard, in order that Humanity allow him to control it and lead it to commit the most unthinkable acts that some of My children commit.

The devil leads man to repeat the actions of his evil spirits, and as a result of the spiritual irresponsibility of My children, they refuse confession, repentance, bearing witness to the Faith, they refuse to say 'no!' to sin, they live a half-hearted spiritual life, without commitment, and they have not become aware of what the Eucharist truly is.

SATAN IS NOT MORE POWERFUL THAN MY SON...

**IT IS MAN WHO SURRENDERS TO EVIL AND SURRENDERS HIS LIFE TO IT FIRST, AND THEN EVIL,
WHICH BECOMES HABIT IN MAN, LEADS HIM TO LOSE HIS SOUL IF HE DOES NOT WAKE UP IN
THE FACE OF THE DAMAGE HE CAUSES.**

I, as the Mother of all Humanity, call you not to fear bearing witness to Faith in the Most Holy Trinity; do not be afraid of being My children, do not be afraid of being recognized by the Love of My Son that dwells in you. The true strength of man comes from the good, the rest is not true. The search for Truth is arduous and you will not easily find it if you are not ready to be tireless seekers of the Eternal Goods.

**CHILDREN, IN THIS INSTANT CHRISTIANS IN APPEARANCE ARE IN GRAVE DANGER IF THEY DO
NOT WAKE UP AND TAKE THE RUDDER OF FREE WILL AND DIRECT IT TOWARDS ETERNAL
SALVATION.**

Humanity has become perverted, its condition is dramatic, the gravest in the history of Humanity; this is why I am continually announcing to you the Purification that you are facing.

Fire is purifying and sending out signals to man that it will purify everyone. Volcanoes, which seemed to be asleep, are waking up. Fire will come from the ground, overwhelming heat when the earth opens in several places and throws out the heat that it is keeping inside. The sun sends solar flares towards Earth; some will affect scientific advances and others the Earth, inundating the Planet with heat, man having to return to old and unthought-of tools and means of survival.

The earth shakes intensely ...

Pray children, pray for Chile, it will suffer a strong earthquake.

Pray children, pray for Ecuador, the earth will shake.

Pray children, pray for Japan, it will spread contamination again, it will shake.

Pray for Italy, it will suffer again.

Pray for the United States; its acceptance of evil is its own scourge; it will be shaken.

Pray for North Korea, it will be a hand that wounds.

I especially call the Argentine people to reconsider their actions; violence will find no limits if not in the union of My children. This people will experience pain if you do not limit the agitation to which this nation is subjected.

The Peoples are being stirred up in this instant in order that commotion reign throughout the world.

Beloved children of My Immaculate Heart:

**YOU ARE LIVING WHAT YOU HAVE SOWN ...
THE INTERNAL STATE OF MAN IS REFLECTED IN WHAT YOU ARE LIVING THROUGH AT THIS
INSTANT.**

Fulfill My Son's Teachings each week. Purify the senses, in order that they honor God above all things, and love your brothers and sisters as My Son loves you all.

My Blessing is with you all, dear children.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Mother, in her ardent desire to save souls, asks us again that we dispose ourselves with soul, life and heart according to the Divine Way ... Each one of us must be disposed to be a better child of God, more grateful, and ask that our Faith increase.

It is precisely in our heart where we see the greatest miracles if we ask to be given a renewed heart, filled with spirituality and the love for God needed in order to cooperate decisively so that a real transformation occurs within us. **AND A FUNDAMENTAL ASPECT OF THIS TRANSFORMATION IS LOVE FOR THE TRUTH.** This way we will realize that evil is to be found in the things that we consider small, in these foolish human things that can cause us to lose Salvation.

Love for the Truth means to keep looking at ourselves in every instant in our acts and works, and this makes us remain vigilant in rejecting evil.

Brothers and sisters, evil leads man to confront himself and against man himself. The objective is self-destruction and in that way evil does not expose itself directly, but in silence, and it is difficult for Humanity to uncover and separate lies from Truth.

WE NEED BLESSING AND WE RECEIVE IT TO THE EXTENT IN WHICH WE ARE A BLESSING FOR OTHERS. Love is the source of life and that life dwells in each person, reproducing the root that motivates our actions and deeds.

Having the assurance that we are not alone gives us strength and courage to continue the struggle of each day to draw nearer to and live in God, and thus to emanate towards our brothers and sisters this force that does not come from us, but which dwells in us.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
SEPTEMBER 18, 2016**

My People:

I bless you. You will not be abandoned by Me, at any instant.

BE MY OWN LOVE, BE HONEST, JUST, CHARITABLE, KIND-HEARTED, CAREFUL IN THE TREATMENT OF YOUR BROTHERS AND SISTERS, BE KIND TOWARDS YOUR FELLOW MEN; GOOD ACTION IS PRAISE BEFORE ME.

Each person must keep in mind how they are spiritually. If you have this present, you will be able to make intention of amends, and you will separate yourselves from darkness, from the wrongful treatment towards your peers. Some of My children look within themselves exclusively in what corresponds to dealing directly with Me. My children must be a reflection of My Love. I regret that for some of my children this Word is not contemplated in their lives.

Love has been supplanted by the 'I am', ruling out the possibility of softening the heart of stone, and this results in selfish and arrogant creatures, who do not tolerate or respect the work and action of their peers, imposing themselves upon their brothers and sisters. Whoever acts in this way becomes a torment for his brothers and sisters, for his own square meter and for himself. Children, you should not impose yourselves, you should be loved and not feared.

In My People, all need each other, all are brothers and sisters, all assist one another mutually, all are generous and retain in their memory and heart the occasions when they were aided by a brother. My children - it is important not to forget the good deeds of your brothers and sisters towards you: this is part of Love. Do not allow pride, which spreads throughout humanity via the spirits of evil, to eradicate the humility that must dwell in you. **YOU WILL FIND MY HELP WHEN YOU REQUEST IT, AND WHAT PREVIOUSLY WAS AFFLICTION WILL COME TO BE DELIGHT IF YOU ALLOW MY SPIRIT TO PERFECT YOU IN YOUR WEAKNESSES.**

My people:

THOUGHT AND MEMORY, FOR SOME OF YOU, HAVE BECOME A GREAT IMPEDIMENT TO CONTINUING THE WAY IN TRUE PEACE. You live from the past, in what was not, and you forget Our

Will, you long for past situations and this becomes a great force that holds you back. Whoever yearns for the past will be left on the way, this impediment of the past will keep you bound and will hinder you from seeing the instant and surrendering to Our Will.

Some cling so much to the past that they live immersed in memories, in the instants of adversity they experienced, and bitterness, resentment or anger spring up, repeatedly, until they become a root that oppresses them and makes them live in constant bitterness. Man lets the past torment him and evil uses this to keep you bound.

You, My children, must surrender your mind to me and allow My Spirit to guide you and lead you to meditate on My Promises, in order that I subject everything to Our Divine Dominion and so that what torments you does not continue to be an impediment to surrendering to Our Will.

In this instant, there are so many children who are content with seeing salvation from afar, as they feel that they do not need to attain it, but are content with seeing it from afar. Therefore, I am constantly calling my ministers to be witnesses to My Work and Action, since man keeps My Word in his memory and in this instant I require you to insist on the correct Love, the correct and proper Obedience, the necessary Faith and the correct leading of My Ministers in order that My People do not lose themselves in banalities.

My children must be constantly strengthened with My Word, My children must strengthen themselves with My Word in order that evil does not take them by surprise because of not recognizing what is Mine.

You cannot judge yourselves, the human being is not competent to do this, as it always tends to see the good in its works and actions or to varnish with good that which has not been good.

Therefore, I lead you to purify your senses so that, on this path, you let go of personal justifications and allow Me to show you the impediments that remain embodied in you and hinder you from coming to Me.

This generation is committing great abominations against Our Will, committing sacrilege as the human being has never before committed, they demerits My Mother, denying Her Virginal Purity and Her Motherhood towards all Humanity. This generation is constantly sinning against My Holy Spirit, forgetting that man's life hangs from Our Will.

It does not believe in the explication of My Word and mocks My Mother's Appeals, denying the urgent purification of this generation before the righteous are lost.

Sin is Humanity's food, increasing upon the Earth the army of satan, the one that will attack My Temples throughout the world, with the desire to extinguish every recollection of My presence on Earth. Given such actions the Warning will not delay, so that some of My children return to the path of Truth.

I INSIST ON KNOWLEDGE OF OUR DIVINE WORD SO THAT, KNOWING IT, YOU LOVE OUR DIVINITY WITH INTENSITY AND IN TRUTH.

FIRM, STRONG, DECISIVE FAITH IS NECESSARY: FAITH THAT IS INDISSOLUBLE AND LIVED OUT AT EVERY INSTANT, IN EVERY EVENT, IN ORDER THAT YOU SUCCEED IN OVERCOMING EVIL'S ATROCITIES.

THE SELF-GIVING OF EACH ONE OF MY CHILDREN IS NECESSARY: THE DECISION TO LIVE IN OUR WILL, THE DISPOSITION TOWARDS UNITY, BROTHERHOOD.

YOU ARE NOT OF THE WORLD, CHILDREN, DO NOT ALLOW THE WORLD TO TAKE YOU.

YOU MUST LIVE IN CONSTANT EXPECTANCY AND IN THE FULFILLMENT OF OUR WILL.

DO NOT LOOK AT WHAT IS WORLDLY. YOU ARE NOT WORLDLY, NONE OF MY CHILDREN IS MEANT FOR WORLDLINESS, NONE SHOULD LIVE OPPRESSED BY SATAN.

YOU ARE MY PROPERTY, I REDEEMED YOU WITH MY BLOOD.

NOURISH YOURSELVES WITH MY BODY IN THE EUCHARIST, PROPERLY PREPARED.

ACCOMPANY ME IN THE TABERNACLE AND STRIVE SO THAT YOUR LIFE BE A CONSTANT ACT OF LOVE WITHIN YOU AND TOWARDS YOUR BROTHERS AND SISTERS.

I WANT HOUSEHOLDS THAT LIVE IN MY LOVE, IN PEACE, IN MY UNITY. When there is no peace in homes or this is taken away instantarily, evil spirits take over the home and create rebellion, causing some to view others' actions wrong, making someone within the home intolerant of the actions of the other family members, and thus little things become great destructive torments.

Children, the devil attacks man, attacks unity, attacks the family, sows discord and empties man's heart of love, **SO THAT MAN DOES NOT FEEL THE NEED TO BE A TEMPLE OF MY LOVE TOWARDS HIS NEIGHBOUR.**

SATAN'S BATTLE IS AGAINST MY LOVE, AGAINST UNITY, THUS AGAINST THE FAMILY, AGAINST MORALITY, AGAINST MY MOTHER, BECAUSE IT KNOWS THAT MY MOTHER, IN UNION WITH SAINT MICHAEL THE ARCHANGEL AND THE HEAVENLY LEGIONS, WILL CRUSH IT AND THROW IT INTO THE DEPTHS OF HELL.

My people, do not despise My Calls, for satan and the evil spirits scattered throughout Humanity remain active, looking for prey to take. My children should not fight against My children; such fighting strengthens evil.

Do not defend me, for what is not Mine falls and what is Mine prevails; do not confuse My People more than evil has them confused. **INSTEAD, PRAY AND DO PENANCE.**

Pray children, pray for Italy, it will have its fill of suffering. Nature rushes against Italy, it will be severely attacked by those who do not love Me, they will move against the Vatican.

Pray My children, pray for France, it has lost peace, it will live with the insistence of terror.

Pray, My children, for Nicaragua, it will be struck by Nature, it will shake, it will suffer because of its volcanoes.

Pray for Costa Rica, it will be shaken.

Pray for Venezuela, Nature will be present in force.

Pray for Colombia, it will be forcefully shaken.

Children, continue with the purification of the senses. And this week, together with the purification of sight, continue purifying the sense of hearing, since this brings what it hears to thought, memory, and makes them sick.

"Remember what you have received and heard; put it into practice and repent, because if you do not stay awake, I will come like a thief, without your knowing at what hour I will surprise you." (Rev. 3:3)

Hearing that I call you not to sin, you need to know that My desire is to guide you so that you cleanse your memory and find freedom.

MY PEOPLE, IT IS ESSENTIAL THAT EACH ONE OF MY CHILDREN SHOULD CONTINUE PURIFYING THE SENSE OF HEARING. The physical senses of man must come into harmony with the spirit. You will continue with the sense of the ear, the sense of hearing, for a week. Every instant you will devote yourselves to cleansing the sense of hearing, until it is surrendered in order to please Our Will and for the greater good of the soul.

FIRST DAY OF THE SECOND WEEK:

I offer the Gift of hearing, on this day, to the Most Sacred Hearts of Jesus and Mary Most Holy.

I offer you this Gift of hearing in this instant for the Divine Glory and for the good of souls.

In every present act, my memory and my thought will remain attentive, alert, in order not to accumulate what my ear hears and which causes sin to be retained, offending the Most Sacred Hearts.

Give me the strength to listen only to what is for the good of my soul and of my brother or sister.

I cry to You, Most Holy Mother, so that You take me as Your disciple, guide my life, and that my path be directed towards meeting Your Son.

ON AWAKENING I OFFER:

I have ears and with these I hear good and evil.

From this instant on I offer my constant effort in order that this Gift be made more spiritual, prioritizing the Divine desire for my personal salvation.

I propose to free my hearing from occasions for sin, seeking the Divine purpose in everything I hear, remembering the good that each brother and sister has provided for me and listening in Creation to the greatness of the Eternal Father.

I do not wish to sin any more with the sense of hearing, I surrender it to the Sacred Hearts so that, being Your child, my Lord, you might lift me out of sin.

I do not want what I have heard to continue provoking evil thoughts nor that I neglect the Divine kindnesses that lead me to remain in a state of Grace.

Sacred Hearts, sustain my memory and my thoughts so that my hearing leads me to retain only what is good.

I hold back my free will and subject it immediately and surrender it to the Sacred Hearts, so that they free me from occasions for fault,

and thus mold my hearing so that it brings to my memory only that which is for the good of my soul and so that I do good to my brothers and sisters.

May my ears be cleansed in the Purifying Water of Love coming from the Sacred Hearts.

Amen.

MIDDAY:

Review together with Our Mother the morning's efforts and note down weaknesses.

BEFORE GOING TO SLEEP:

I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, to whom I pray for succor for this purpose, in order to be a better child of God.

Our Father, three Hail Mary's and Glory Be.

CHILDREN, COME TO ME, AND ENTRUST YOUR LIFE TO ME.

I bless you. I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

In this instant Christ is showing us the importance of being children of our Mother and entrusting our life to Her.

Our Mother was chosen to fight the last battle against satan, and we her children need to keep ourselves firm and secure, because next to Her we find the force to remain standing.

Christ insists that we do not forget, and shows us the importance of keeping memory subject to Him. Sometimes memory betrays us, bringing to the present some event with mold on it, but, keeping ourselves available for the Divine Word, we need to push it away before it makes its nest in our mind.

The senses are a blessing, but we need to place them in the Divine Hands in order for them to be used for the good of all and for the Glory of God.

Amen.

**MESSAGE FROM THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
SEPTEMBER 23, 2016**

Beloved children of My Immaculate Heart, receive My Blessing.

**HUMANITY IS MY CONSTANT SORROW ...
MY CHILDREN ARE MY GREAT TREASURE AND AT THE SAME TIME MY GREAT PAIN.**

Some who call themselves My children do not fully comply with the love that they say they have for Me, ignoring My Teachings, as true disciples of My Son disposed to fulfill the Divine Law. Constantly they hurt My Heart and I intercede immediately in order that My Son does not suffer so much.

True love is not known at every instant because it is surpassed by interest, and you should not ignore that interest is the great self-deception with which man is submerging himself in chaos.

UNCONQUERED PRIDE AND IMMATUREITY LEAD THOSE WHO SAY THAT THEY LOVE ME AS THEIR MOTHER TO DEPART FROM THE BALANCE THAT THE TRUE CHILD OF MY SON OUGHT TO MAINTAIN. Do not forget that this has been required of you as a prerequisite for the devil not to oppress you. You quickly forget, without thinking of the consequences for the soul, just as you forget that the devil remains attentive in order to invade you with pride and to lead you to refuse forgiveness between brothers, entering into a lack of spiritual courtesy.

You easily lose reason because of spiritual weakness and are easy prey to the wiles of the devil, which incline you to improper behavior of a child of God.

The instant has come when the man who calls himself a Christian and Marian will be unjust towards his brothers and himself. Conscience will not be able to halt the evil, so undesirable, that causes injustice among My Son's own children. **REASON PARALYZES ALL KNOWLEDGE WHEN THIS IS CONTAMINATED WITH EVIL DESIRES, BITTERNESS, INSENSITIVITY, THE LACK OF WISDOM, SELFISHNESS AND THE LACK OF LOVE.**

Man has come to forget that which is the common good, failing to keep and rejecting the personal good to which you must direct yourselves, so that then, be testimony of the One who dwells within you. For Humanity it is easy to forget the good that My Son has given you. You forget and will forget it because you use the good that you have received to cause evil.

Beloved children:

SOME ARE FALLING INTO THE VANITY OF EXPRESSING THEIR HIGH DEGREE OF KNOWLEDGE IN IMPORTANT AREAS OF LIFE; THIS IS PURE VANITY, SINCE THAT KNOWLEDGE IS FOUND EMPTY.

THE HUMAN EGO IS THE GREAT USURPER OF THE PLACE THAT MY CHILD SHOULD OCCUPY IN MAN'S FACULTIES, IN ORDER THAT THESE ARE NOT AN OBSTACLE BUT A BLESSING IN THE SERVICE OF ALL.

Man, with intelligence void of the teachings of My Son, is zero in practice, because intelligence is unable to overcome the bad conduct, the disorderly habits, which are intended/desired by his bad behavior, **REFLECTING A TERRIBLE LACK OF LOVE**, through work and action lacking a proper understanding of what is truly the effect caused by the power of good intention and the correct execution of what My Son commands you.

THE DIVINE WILL GIVES ME THE POWER OF BEING AN INTERCESSOR, BUT HUMANITY HAS DECIDED NOT TO NEED MY SON IN ORDER TO FIND PERFECTION, IGNORING THE FACT THAT MAN IS NOT GOD. And this is all part of satan's plot of against humanity, which at this instant is the mobilization of the evil spirits towards man.

EVIL IS INCREASING, IT WILL NOT STOP UNTIL THE ANTICHRIST MAKES HIS APPEARANCE, thus it attacks My children in a thousand ways and has pitilessly penetrated man's psyche in order that the one who is far from My Son, instantly lose his sanity, and from apparently being a good man, come to act totally out of himself.

BECAUSE OF THIS I HAVE ASKED YOU FOR REDOUBLED VIGILANCE AND TO REMAIN IN A STATE OF GRACE ...

OTHERWISE, WHOEVER IS NOT IN A STATE OF GRACE IS EXPOSED TO BEING TAKEN BY THE FORCES OF EVIL IN ORDER TO DESTROY ALL THAT IS OF MY SON.

Humanity moves in lies, as the king of lies is the king of Humanity. You will not find order in life until you regain friendship with the Creator.

Dear children, you have lost love for life. You are losing Salvation, allowing yourselves to become detached from God, and with this you are totally devoid of what for Humanity is spiritual sustenance, not because the Father forsakes you, but because Humanity, separating itself from the Divine, has fallen into what is most base, since no man is greater than God.

Human power has caused love in man to degenerate, has increased the sense of power in the human creature. Human thought suffers from atrophy because of a heart immobilized by the feeling of coming to surpass God, deciding about life.

I suffer for the pain caused to My Son facing the destruction of man by man, facing this crucial instant when the specter of war is taking greater power in the eyes of the world and man denies it when you are **ALREADY** living the Third World War, which will jump out at the world in a matter of instants. Countries are gaining military strength and Humanity is reduced to waiting and ignoring the action of the powerful.

PAY HEED TO MY CALL, THE DEVIL AND HIS EVIL SPIRITS ARE POURING OUT DISUNITY, and given the great number of My children who do not put their trust in My Son, the fertile ground for evil to reproduce abounds and oppresses the soul.

Beloved children of My Immaculate Heart: you are living without living instants prior to the great tragedy of the expansion of war and of your being allowed to see your own selves, so prayer is necessary and indispensable at this crucial instant when the task of bringing knowledge and testimony to your brothers and sisters ought ipso facto to transform itself into action.

AT THIS INSTANT, THE EFFORT IS LIKE ONE OF THE FINAL STEPS BEFORE THE FINISHING LINE. UNITY MUST BE REINFORCED AND YOU MUST GIVE STRENGTH TO ONE ANOTHER, KNOWING THAT MY SON DOES NOT ABANDON HIS PEOPLE, AND HIS PEOPLE SHOULD BE FAITHFUL TO HIM.

Have confidence in the Divine Promises for His people, do not be afraid. Reverse the evil committed, the works and improper acts ... **REPENT, MY CHILDREN, REPENT!**

Pray children, pray, the sun is sending its heat towards Earth and Humanity will suffer.

Pray, My children, pray, humanity has focused its life on the god of money; the economy falls again and man despairs because of the lack of faith in Divine Assistance.

Pray, My children, pray for Mexico, it will be strongly shaken, volcanoes will speak to man enveloped in anger by social protests.

Pray, My children, pray, the sea is stirred up and surges onto the land which will shake forcefully.

Pray children, astonished Humanity will see instantly the disaster that shakes the world. Then it will forget that it suffered.

Pray children, pray, do not forget to keep praying for one another, pray tirelessly in prayer chains, pray, do not repeat what you say by rote, PRAY WITH THE HEART, LIVING EVERY WORD.

I REMAIN WITH YOU, INTERCEDING FOR REPENTANT SINNERS AND BLESSING THOSE WHO SUFFER.

Pray, powerful nations have adopted evil as their master and rear up against my children. Uprisings among the peoples are occurring like a contagious plague. The United States suffers heavily; it will have to stop its ways of acting force by the pain.

Beloved children of My Immaculate Heart:

NOT EVERYTHING IS PAIN OR SUFFERING; in the very instant in which man sees in everything that happens to him the Hand of My Son who prepares and loves you, who purifies and love you, Who warns you and does not abandon you, Who accompanies you in suffering for love and Who does not wish that anyone be lost, you will love My Son above all things and your neighbor as yourselves.

The Angelic Legions are above Humanity; as soon as a creature cries out, it is helped immediately. My children are helped so that they do not fall prey to evil; some receive this assistance, others scorn it.

TO YOU WHO WISH TO KEEP THE FAITH, I BEG YOU AS MOTHER NOT TO SCORN THE ASSISTANCE THAT THE HOUSE OF THE FATHER SENDS YOU BY VARIOUS MEANS. OPEN YOUR SPIRITUAL EYES SO THAT YOU SEE THE MIRACLES THAT ARE CONSTANTLY OCCURRING BEFORE YOUR EYES.

MY SON REMAINS ALIVE AND PULSATING ...

TO THOSE CHILDREN WHO OFFEND OUR SACRED HEARTS, I OFFER YOU MY ARMS AND MY INTERCESSION IF YOU REPENT, CONFESS AND MAKE A PURPOSE OF AMENDMENT.

Be not afraid, I remain with you.

I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

When Heaven shared with us that war had begun, Humanity was at the same time called to pray in order that evil didn't take power, causing anger to be spread, taking hold of men without God, leading them to commit outrages.

We have been warned about the different events coming from space which are approaching Earth and which will cause man pain.

We all know the power of prayer; while it is certain that, in surrendering to the devil, man turns away from God and attracts evil, it is also certain that the Infinite Divine Mercy will not abandon those who do not turn away from its Protection.

Brothers and sisters, do not forget that Heaven constantly sends us blessings to assist us. Let us learn how to discover this Divine Assistance in our lives.

We are called to the prayer of action, to prayer, not the repetition of words, that is - we are called to **PRAY WITH THE AWARENESS THAT PRAYERS ARE NEVER DISCARDED. AND PRAYER MUST CONTINUE BEING ACCOMPANIED BY ACTION. PRAYER SHOULD TRANSFORM ITSELF INTO AN ACT ON BEHALF OF OUR FELLOW MEN.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
SEPTEMBER 25, 2016**

My People:

**I BLESS YOU AT EVERY INSTANT, AND IN MY BLESSING IS IMPLICIT MY DESIRE
THAT ALL FORM A PART OF MY PEOPLE.**

I invite you to be part of My People, I invite you all. I desire the salvation of all My children. One by one I am calling you; I have not come for an elite, but for all those who fulfill Our Divine Will.

In My People there is nobody who contains all My Word nor all My Truth, there is no person greater than another if they do not fulfill the Divine Will in all its splendor. As the hand has five fingers, so in My People some have gifts and virtues for giving mutual assistance to each other, but there is no one who knows everything as Our Divinity does.

I CALL YOU TO REMAIN IN OBEDIENCE, IN UNITY AND IN THE FULFILLMENT OF OUR DIVINE WILL. You are not slaves of the world but My children, so I call you to remain vigilant and in constant prayer as you are faced with the government of evil over the majority of men of power and over the future of Humanity on Earth.

I come for those people who are not afraid to leave behind their wrongful life in order to be new people ...

I come for those who, in search of a new Humanity, decide to be witnesses to My Work and Action, not superficially, but entering deeply into the knowledge of My Life in order to be persons who come to discover that to be part of My People they do not need what is material or intellectual, but to go further, to go to My Teachings, which are not of this world, just as My Kingdom is not of this world.

Each one has been brought into My People by Baptism, by the Holy Spirit, but not for that are they saved. They find Salvation when they work, live and act in the Divine Will.

Some scholars, knowing that My Love goes beyond words, continue guiding My People towards remaining in words, so that they do not respond in the direction of union and the real and continual practice of the Gospel, which is what a person who is more spiritual and united to Me will do. You are nothing if you know the Scripture and do not bring it to life in order to fulfill it in every instant.

Each one of My children has the ability to cause each one of their senses, gifts and virtues to develop fully, placing them in My Love so that they do not contain blockages from the human "ego", which ought to be more Divine than human.

YOU SAY THAT YOU WISH TO ENTER INTO MY DIVINE LIFE ...

**AND YOU WILL NOT ATTAIN THIS UNTIL YOU BRING ME TO LIVE FULLY IN YOU, AND UNTIL YOU
HAVE BROUGHT THE "EGO" TO BE TRANSFORMED INTO FREEDOM WITHIN OUR DIVINE WILL.**

You must live the Law and fulfill it in order that you eliminate rivalries, selfishness and strictures. Humanity must learn that I speak and you must obey, because I will not give you vipers in exchange for bread, **I WILL NOT HAND YOU OVER TO EVIL IF YOU LIVE AND DEVOTE YOURSELVES TO FULFILLING THE LAW OF LOVE.**

You have a duty to be definite before your brothers and sisters, you should talk about Me without hesitation, you should know that to be part of My People you must comply with the Commandments, the Sacraments and the practice of Divine Love, without which all that you undertake will bear the seal of the human ego and not the seal of Our Divine Will.

You have gone through instants on the path of purification of two of the senses, so that they be led towards My Love and not to the desires of human caprice, governing the supremacy of the "ego". If you are fulfilling this Request of Mine, you will have noted that you find yourselves in an internal struggle and that nothing from outside will make you change. My People are not aware of how much they have rooted maintaining the senses together with the human "ego", and the evil that this taking root is causing you, not only limiting you concerning encountering your brothers and sisters, but limiting you in spiritual growth and in becoming more My children and less of the world.

Each sense is a blessing for those who channel it properly towards the fulfillment of the First Commandment, but those who allow the sense to act in worldly human freedom, are contaminated with evil, making the other senses become a cause of continual sin, giving free rein to everything that leads to the loss of Eternal Life if not amended promptly.

It is My People who continually ferment their brothers and sisters with My Love remaining in them. My People do not remain waiting, but go to meet them, being the yeast and the salt that gives the truth of My Encouragement to those who decisively and constantly fulfill **THE LAW ENSHRINED IN SCRIPTURE.**

Some of My children stay within the Temples that they have erected to Me, helping with what is needed there, but they remain pervaded by jealousies and antipathies, anger and gossip, conceit and giving orders as if I were sending them to be the balance in which everything that happens should be weighed. **NO! WHOEVER SERVES WITHIN MY HOUSE HAS THE OBLIGATION OF BEING THE SERVANT OF ALL AND OF REMAINING IN THE LAST PLACE;** whoever acts as the ruler of all is he who possesses the most "ego", and he unmask himself single-handed.

Yeast ferments and causes growth for the good of others, not for its own good.

Some say that they are close to Me and remain too far away ...

HYPOCRITES! HE WHO DOES NOT LIVE THE DIVINE WILL IS OUTSIDE THE DIVINE WILL.

Man, being My child, has the attributes to overcome the "ego", but from within, since within man lives that spiritual organism that leads you, according to free will, to attain fullness or to attain eternal fire.

**I AM THE LIGHT OF THE WORLD ... (Jn 8:12)
AND MY PEOPLE MUST MAINTAIN THAT LIGHT WITHIN EACH PERSON, NOT OUTSIDE EACH PERSON.**

You, being My children, are not limited creatures; what limits you is the sin that chains you to disorders and causes of sin. **THEREFORE, I DESIRE THAT YOU BE FREED FROM THE CHAINS OF THIS HUMAN SELFISHNESS AND SURRENDER YOUR SENSES TO MY LOVE AND TO THE CUSTODY OF MY MOTHER, IN ORDER THAT THIS ACT HELPS YOU TO LIVE AS I DESIRE.**

The unity of My people with My Word in fulfilling the latter is the sign that is needed for good to be reborn, therefore you are going to be purified, since humanity, immersed in indignities, will not find in that state **THE TRUE PATH NOR TRUE LOVE UNTIL EVERYONE FIRST PURIFIES THEMSELVES.**

MY INSTANT IS NEAR AND I DO NOT WANT TO FIND YOU UNPREPARED.

My children should not live acting and working hypocritically; you should not do to your brothers and sisters what you do not want them to do to you, because not even in secret can you do it without Me seeing you. Do not accumulate treasures on Earth, as the instant has shown you that this is not for My children, but for the children of darkness that are handing over the Earth's power to evil so that it causes harm to Humanity through the power that man himself grants to it.

Every image of evil on Earth will be torn down by My Legions after My People suffer and entrust themselves to Me again.

EACH ONE OF MY CHILDREN SHOULD PURIFY THEMSELVES, KNOWING WHAT IS COMING TO FULFILLMENT AT THIS INSTANT, not giving the impression of not having ears or not having sight. You are walking in darkness, and not exactly what you know as darkness, but in the misery of human stubbornness that causes you to see in limited fashion the step forward you take as a great triumph.

I cannot speak to you of an instant of glory for My People, when My People have come to believe that they fulfill the Divine Will acting against Scripture, denying Divine Omnipotence. Men live in rebellion against everything that is order, and satan acts freely against purity, morality, faithfulness and the good work and actions of My People.

DO NOT DESPAIR, THE NEW RAINBOW WILL SHINE FOR MY PEOPLE.

Pray, My children, pray for Mexico, it will be purified, evil takes hold of souls thirsting for what they do not know and leads them to act against what represents Me.

Pray for Syria, My children, it will not delay, to the world's surprise.

Pray, My children, pray for My Church, it makes news and will be shaken.

Pray for Costa Rica, it will suffer through Nature, the disastrous decisions of those who govern it, they will try to disturb the peace.

Pray, Central America suffers through Nature and violence.

My People, do not stagnate in the senses without raising them up to Wisdom, nor stagnate in intelligence without this being guided and enlightened by My Holy Spirit.

I protect you, I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

In this insistent call for the proper use of the senses, let us enter into internal, personal purification. And it is the case that Christ wants to make us true, purifying ourselves so that we bear His Word, working and acting as He asks of us.

We are at the instant when purification not only comes from outside of us, but from within us, in order that we be able to discern before everything that will confront us, as we face what seems to be of God and is not of God.

The People of God need to have the eye of an eagle so as not to fall into the finely-spun webs that want to stop spiritual advancement. From Heaven we have received the Word, but within that Word we are receiving the keys to awaken as children of the Living and True God **WHO DESIRES THAT HIS PEOPLE BE AWARE THAT IN ORDER TO LOVE HIM THEY MUST GIVE HIM EVERYTHING AND ENTRUST EVERYTHING TO HIM, INCLUDING THE FINAL EFFORT TO ASCEND AND THUS TO LIFT ONE ANOTHER UP, HELPING OURSELVES.**

In this instant we must be Cyreneans in order that the People of God remain standing and not falter, neither when being persecuted nor singled out nor insulted nor slandered, but being servants of those Consecrated ones who courageously serve the Truth that is revealed in the Gospel for these times.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
OCTOBER 2, 2016**

My Beloved People:

I BLESS YOU, I CALL YOU TO PRAYER, TO REMAIN UNITED TO ME.

Receive Me in My Body and My Blood, properly prepared, with full awareness of the need for a real amendment. Do not deceive yourselves, do not dig your own condemnation.

I love you, My People, I await you, having repented of your works and wrongdoings, I await you at every instant in order to press you to My Heart.

My people, keep Faith in My Protection, remain on constant spiritual alert in these instants in which turmoil is proliferating throughout the Earth, on which the spirit of evil has settled as it had already been announced to you.

I do not come in vain, I come to each one of you who read this exposition of My Word so that you put it into practice.

I GO FROM SOUL TO SOUL, CRYING OUT SO THAT YOU DO NOT DEPART FROM ME AND EXPOSE YOURSELVES TO THE CLUTCHES OF EVIL.

Events of all kinds are increasing without stopping; you My children, feel it constantly - My Word is not in vain.

The devil together with its legions are advancing, seizing souls given over to what is worldly, in every state in which man lives. Within society shamelessness is progressing, the offences do not stop, the massacres of the innocents continue mercilessly. For evil there are no social distinctions; it penetrates the top of society and the lowest level of society.

I call you to remain on spiritual alert so that evil does not take you by surprise. My desolation finds no refuge in those who do not fulfill My Calls. How much the man who disobeys the Divine Calls has to repent!

I do not come to give a different description of the hardness of human ignorance; this would be to deceive you so that you do not wake up, do not return to the path to Me and do not convert.

Not all Humanity is marching toward the abyss, but not all humanity is crying out for My Love. On the contrary, much of humanity is led blindly towards wrong paths, disguising sin in order that you surrender to it, being subjected and chained to the increasing sequence of acts and works contrary to Our Will. Satan's ruse is to hold you in total contempt of obedience and the fulfillment of the Divine Law; the ploy of Satan has been to keep sin escalating so that you do not have time to notice the evil in which you are perishing.

No spirit of evil is greater than I am, but My People have opened the door to the devil, and the latter, who was prowling around like a roaring lion, has seized everything in its path without man offering resistance.

Humanity has opened itself to evil, with great permission, destroying itself; it is walking towards self-destruction.

OH MY PEOPLE! WHAT HAVE YOU DONE? I LOOK FOR YOU AND SEE YOU SCATTERED AROUND AND AS YOU ALL SCATTERED CONTINUES RUSHING IN THE ABYSS.

I look at my People - decadent, chained to what is wrong, and it hurts My Heart. You do not respect My House, you offend Me, you desecrate and destroy images evoking Our Trinity, you destroy what reminds you of My Mother and you mock the good. **CAN A PEOPLE LIKE THAT OF THIS INSTANT**

CALL ITSELF FAITHFUL AND TRUE? ... CAN SUCH A PEOPLE ONLY RECEIVE MY LOVE WITHOUT ME MAKING YOU KEEP IN MIND THE EVIL THAT YOU ARE COMMITTING WITH PLEASURE? ...

My people, Humanity's mistakes are beyond compare. Some of My chosen ones have deviated from the path to which I called them. Therefore, they cannot ask of My People what they do not offer them as an example of salvation.

YOU WISH TO SILENCE ME AND WILL NOT SUCCEED, MY PEOPLE WILL CONTINUE BEING CAUTIONED BY ME SO THAT THEY RECOGNIZE EVIL, so that they recognize the evil of those who, belonging to sects contrary to Our Divine Will, hold them within erroneous concepts with speeches that confuse them, becoming - without My children noticing it -, the existing power that controls them at will in order that they succumb to errors and depart from My Way, sowing enmity between My children and Myself.

Be seekers of the truth, do not rush in search of novelties without seeking the meaning of what they present to you. The novelty of symbols with which you are being inundated has a dual purpose; firstly to accustom you to bearing symbols on your bodies, and secondly so that you consider them as being part of normal means of expression, gestures and signals with which those who belong to Freemasonry, the Illuminati and other sects that act against My Divine Will identify themselves.

MY CHILDREN NEED TO AWAKEN, TO COME OUT OF THE WORLD OF THE DEAD AND ENTER INTO THE WORLD OF FULL LIFE IN MY WILL.

I want you to continue purifying your senses for the rest of your life. Root out the evil that has attached itself to each sense. Limit the trappings of the emotions in order that the emotions no longer attain supremacy over the senses.

You have been waiting for instructions regarding the sense of taste; have you asked yourself, how is the sense of taste? as you associate it with flavors, heat or cold, but you do not stop to consider that the sense of taste is not only what you associate with the mouth, but at the same time is that which is called reason, taste is at the same time the mind, with those man desires right or wrong.

Through taste, man has become an unreasonable creature, favoring himself in everything without the mediation of love or compassion. I commend to you this difficult task, which is not impossible to accomplish, although you must put every effort into it.

For man it is easy to exclaim 'I do not understand', and with that I do not understand what is asked of me, it is deemed unreasonable, without thinking that understanding comes from reason. Whoever reasons with human reason will not understand; whoever reasons with My Holy Spirit will pass from human reason to reason enlightened by My Spirit. They are two different aspects and the results of both are too far apart; I want you to find the truth within yourselves.

Act sincerely, be pure of heart, transparent. Do not seek human greatness. Although reason leads you to believe that you are great, view yourselves as the smallest, look at yourselves within in order to recognize the smallness in you.

My People struggle against what is worldly, therefore they know that they should not seek places or positions of honor, nor be recognized for excelling except in humility. Everyone has to be aware

of the need to know Me in Spirit and in Truth, that is, in the Light of My Spirit, not of human reason, so that you are not be prey to the ridiculous, since some claim to know me and fall into grave errors. Therefore, I call you to devote yourselves to removing from your mind, thought and reason, everything that distances you from My Way.

You will not manage to advance if you welcome whatever comes to mind. The appetites of taste with respect to food must be controlled. Food is ruled by large industries and these do not respect the human body, they invade it with toxins so that you fall sick.

Reason has not been trained by you, it is contaminated through and through. Prejudices come and go at will, because you reason in human fashion. Do not despise your brother; the one you believe to be the most inept may be the one who is most full of Me.

Pray, My People, remaining united to Me at all times. The work and action of My children must testify to My Presence.

The sea is rising; its waves will be greater than normal. At this time, the sun is not man's ally; on the contrary, the Earth will receive a solar emanation without man expecting it.

My People should bend their knees. An advanced generation will go to being a man of primitive science again.

Pray My children, pray for the United States, it is being strongly shaken. Terrorism rages against this nation, paralyzing its normal action.

Pray My children, pray for Canada, encysted evil rears up, causing horror and pain.

Pray My children, pray for Central America, the land shakes. The arm of communism operating and active in small countries will be uncovered, supplying weapons to those who are suffering from hunger.

Pray My children, pray, there is talk of peace and this will be violated, and greater will be the strife.

Pray My children, pray, the land will continue to open, without man lending importance to it. Disease progresses without being stopped, science finds no cure.

My Beloved People:

Continue purifying the sense of taste. Do not forget that taste not only refers to what enters through man's mouth, but also to what enters the mind, reason and thought.

FIRST DAY OF THE THIRD WEEK:

*I offer the Gift of taste, on this day, to the Most Sacred Hearts of Jesus and Mary.
I offer You this Gift of taste in this instant for the Divine Glory and for the good of souls.
In every present act, my mind, memory and thought will remain attentive, alert,
in order not to accumulate what the sense of taste desires and which leads to sin,
offending the Most Sacred Hearts.*

Give me the strength to free my sense of taste and to make it work and act with regard to the good of my soul and of my brother.

I cry to You, Blessed Mother, so that You take me as Your disciple, to guide my life; and may my path be directed towards meeting Your Son.

ON WAKING I OFFER:

I have mind and thought, I reason for good and evil.

From this instant on I offer my constant effort so that this Gift be made more spiritual, prioritizing the Divine desire for my personal salvation.

I intend to free my reason and my appetite from occasions for sin, seeking the Divine purpose in everything, remembering only the good that each brother has given me, and in Creation the greatness of the Eternal Father.

I do not wish to sin any more with the sense of taste, I surrender it to the Sacred Hearts so that, being Your child, my Lord, You lift me out of sin.

I do not wish that what I am continues causing bad thoughts, nor that I reject the Divine blessings that lead me to remain in a state of Grace.

Sacred Hearts, be the sustenance of my mind, memory and of my thinking so that my reason leads me to retain only the good.

I restrain my free will and subjugate it immediately and surrender it to the Sacred Hearts, so that they free me from occasions for fault and thus mould this sense so that it brings to my memory only what is for the good of my soul, and so that I do good to my brothers and sisters.

*This sense of taste desires the Purifying Water of Love coming from the Sacred Hearts.
Amen.*

MIDDAY:

With our Mother I review the morning's efforts and make note of weaknesses.

BEFORE GOING TO SLEEP:

I give thanks to the Sacred Hearts of Jesus and Mary the Virgin, to whom I pray that They help me with this intention, in order to be a better child of God.

Our Father, three Hail Marys and Gloria.

Children, come to Me and entrust your lives to me.

I bless you. I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

When we hear about the sense of taste our thoughts immediately go to the mouth, and yes, of course it has to do largely with the mouth. But we see how Christ alerts us to other appetites to which the sense of taste is subject. Such as those that go against humility, respect for others, those which lead us to feel supremacy over others, thinking them to be ignorant, and others.

Another flaw is the lack of knowledge that prevents reasoning correctly, as Christ shows us.

The human being is driven mostly by sensations and this makes man most ignorant. As children of God, we must ask for wisdom enlightened by the Holy Spirit.

When Christ calls us to contemplation, almost immediately the human creature thinks of experiences, sensations, visions. We are called to contemplation without wanting the sensation of what is unusual for us.

Let us awaken the understanding, the intelligence that lie dormant, let us nourish them, let us reason, and thus we will we balance mind and thought, entrusting them to the Holy Spirit, in order that everything be illuminated by the Divine Light.

Amen.

**MESSAGE OF THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
OCTOBER 7, 2016**

Beloved children of My Immaculate Heart:

MY MATERNAL LOVE IS WAITING FOR MY CHILDREN'S CALL, IN ORDER TO COME HASTILY.

I wish that you come closer to My Son, being those who fulfill the Divine Will and observing the Law of God at every moment of your lives.

I constantly watch you to protect you because, continuing to live amid the turbulence of the world and being unaware of the depth of the Divine Word, you are easy prey for those dedicated to serving evil.

MY BELOVED ST MICHAEL THE ARCHANGEL, ST GABRIEL AND ST RAPHAEL, TOGETHER WITH THE HEAVENLY LEGIONS, HAVE TAKEN UP AS NEVER BEFORE THE PROTECTION OF THOSE WHO ALLOW IT, BEING THE DEFENSE, PROTECTION AND LIGHT OF MY SON'S PEOPLE.

This generation is called to remain attentive and to look at reality with clarity, as it faces continually the unexpected reactions of man of this instant.

Children, you are constantly being attacked by the darkness which accompanies the demons, and remain attentive in order to act when impatience invades you. Impatience leads to ire and ire clouds your thinking. It is precisely at this instant when evil penetrates reason, seizes it and destroys it, enslaving man so that he offends My Son through atrocious sin.

The great Work of Creation is watching man attentively, in rebellion against his Creator, seeing man constantly committing one sin after another, one offense after another, without tiring.

AS CHILDREN OF THE FATHER, YOU POSSESS GREAT GIFTS THAT YOU ARE KEEPING DORMANT. The Holy Spirit pours out His Gifts upon each one of you so that man works and acts rightly in Obedience and Love in every instant.

My Son's People have embraced spiritual lukewarmness, entering into acts that bring them closer to the darkness in which evil moves, enjoying man's destruction at this instant.

Some of My children appear strengthened by putting into effect negative attitudes contrary to the personal and common good. They do not stop to measure the great calamities in which they are plunging the soul of those who act in continuous rebellion, carrying out deplorable acts towards whatever represents My Son.

The Cross - sign of Divine Love, sign of Salvation, sign of Redemption - is treated with contempt in the midst of the spit that followers of evil and some Christians dressed in sheep's clothing hurl against It.

Beloved children of My Immaculate Heart:

The instant passes amidst constant uprisings in various countries, before human agitation, generating ire, chaos and protests for what man desires, without any awareness of the spiritual damage he is causing himself.

Humanity has stagnated in its stubbornness in order to not accept My Calls, denying them and minimizing the power with which Nature is acting, trying to distort what I announce to you.

THE DEVIL INVADED THE EARTH IN ORDER TO DIRECT MAN AGAINST GOD. The allies of evil have achieved that the antichrist, from times past, manipulates Humanity, grafting evil onto the minds of men. The antichrist has launched his rule without his public appearance having been made, augmenting the harmful acts of this generation which will be remembered for having forged its own misfortune.

Man will come to use what he has created with his hands in order to guarantee his superiority in war. I see how some are waiting for war to start, when it is already devastating everything in its

path, stealthily deploying the use of atomic weapons, the product of the action of the devil in misused science.

THIS GENERATION WILL SUFFER TO THE UTMOST AT THE HANDS OF THOSE WHO RISE UP THE ANTICHRIST AGAINST MY SON'S PEOPLE, as a result of the lasting action of freemasonry, the illuminati, communism, rebellion, falsehood, lack of Faith and satanism which has infiltrated in the Church of My Son, provoking the tentacles of evil to be ruthlessly activated against all Humanity.

FIRE IS THE GREAT PURIFIER OF HUMANITY IN THIS INSTANT.

I SHED MY TEARS THROUGHOUT THE EARTH IN VARIOUS PLACES, CALLING YOU TO CONVERSION SO THAT YOU DO NOT SUFFER WHAT IS NOT THE DIVINE WILL.

The fire of volcanoes is pouring outwards; My children see and will see, dumbfounded, the force of Nature, but will soon forget.

Man does not recognize his need of Divine Assistance. In the midst of the most unexpected shocks, you will continue surrendering to evil in all its forms, making the Earth lament at maintaining such a perverse generation upon it.

You take Divine Mercy as a shield in order to act in evil...
You proclaim Divine Mercy in order to defend evil actions...

You declare Divine Love and Divine Forgiveness in order to hide the sins of Humanity...

**CHILDREN, WHAT PLACE HAVE YOU GIVEN TO WHAT IS JUST?
WHERE IS DIVINE JUSTICE TO BE FOUND FOR YOU?**

You have relegated Divine Justice to past generations, so that you continue erring in free will directed towards augmenting sin everywhere.

Were Sodom and Gomorrah not destroyed for their wickedness? Evil is an uncontrollable plague from which arise the most horrific sins with which Humanity is giving itself over to condemnation.

Children, you are deceived, seriously deceived by large global organizations that were created to assist you. Humanity has been taken in order to experiment with diverse foodstuffs, medicines and clothing containing substances harmful for the human body. Because of this, we asked you earlier to be cautious before eating, especially because in some foods there is such toxicity that the human body reacts with diseases that cause death.

In Global Organizations the instruction exists to exterminate much of the world's population. This is contradictory for you, but not for those living under the orders of the antichrist, whom they constantly serve.

The unified thought in those who cater to this generation with food, medicines, clothing, technological implements and so on is to condition you to being conformed to the creation of a single government which will rule the world under a single currency and the establishment of a single religion. This single religion will eliminate the religion that My Son established.

THE EUCHARIST WILL BE PROHIBITED, DEVOTION TO ME WILL BE PUNISHED BY DEATH, MY SON'S PEOPLE WILL BE PERSECUTED AND MY SON CRUCIFIED ANEW ...

Dear children, it is necessary for you not to forget the perverse plan of evil to destroy My Son's People; may you desire the Divine Will.

The Father's House does not ignore the efforts of His children to remain faithful, their integrity as children of the Creator, their continuing efforts so that temptation does not defeat them. God's Assistance is infinite, just as infinite is Divine Love for His faithful.

THE ANGEL OF PEACE WILL COME TO RESTORE THE UNITY OF THE CHILDREN OF GOD WHO WILL FIND THEMSELVES SCATTERED, REMINDING THE PEOPLE OF MY SON OF THE TRUE VALUE OF THE EUCHARIST AS STRENGTH AND FOOD, UNITY AND LOVE, NOT ONLY FOR THE BODY BUT FOR THE MIND OF MAN, THE FOOD OF ETERNAL LIFE WHICH IS NOT FINISHED ON BEING CONSUMED BUT WHICH ENDURES IF THE CREATURE REMAINS IN THE APPROPRIATE STATE.

Pray, My children, pray for Jamaica, it suffers from the constant onslaught of Nature.

Pray, My children, pray for the United States, adherence to evil causes it to be purified, the earth shakes, disease spreads rapidly.

Pray children, pray, Japan is a scourge for Humanity.

Pray children, pray, Chile shakes forcefully.

Beloved children of My Immaculate Heart, the road towards My Son is not made of thorns if love for attaining Eternal Life remains rooted in you.

When man does not look at himself hope in God does not fade easily, since the heart of the child of God finds itself raised towards Him.

**DO NOT FALL, DO NOT FEAR, TRUST IN GOD, IN HIS LOVE, AND BE GIVERS OF THE GOOD.
DO NOT POSTPONE CONVERSION.**

Be witnesses to My Son's self-giving and union with each one of you. I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Mother is categorical in mentioning that the antichrist is already issuing orders and mobilizing organizations and political leaders at its convenience: the only thing missing is its public presentation.

For this reason, it is so important that God's people be prepared and recognize what is of God and what is not of God.

We are a People who have been walking throughout the history of Christianity, we are walking towards the encounter with God. Therefore, nothing can stop this People, because God is a Shield and Fortress, Protection and Mercy for His children.

"While he was still speaking to the crowds, his mother and his brothers appeared outside, wishing to speak with him. Someone told him, "Your mother and your brothers are standing outside, asking to speak with you." But he said in reply to the one who told him, "Who is my mother? Who are my brothers?" And stretching out his hand toward his disciples, he said, "Here are my mother and my brothers. For whoever does the will of my heavenly Father is my brother, and sister, and mother."
(Matthew 12:46-50)

Amen.

**MESSAGE FROM THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
OCTOBER 11, 2016**

Beloved children of My Immaculate Heart:

MY SON KEEPS WATCHING THIS HUMANITY AND BLESSES THOSE WHO REMAIN FAITHFUL ...

My Son blesses those who were astray and have repented of their evil work and action ...
My Son blesses those who are still astray, so that they renew their walk and maintain it, united to the Divine Will ...
My Son grieves over His children who neither love Him nor wish to come near Him ...

Beloved children of My Immaculate Heart: How lost is this generation! You are not afraid to offend My Son, protecting yourself on His Mercy and ignoring the fact that unless you repent, Divine Mercy is bound and cannot help you.

Divine Mercy is open to all His People...

I intercede for all, but it is necessary for man to recognize his error, to repent and to want to make amends.

I offer you My Hand to lead you to the path of goodness; may you decide to take my hand. I assure you that all your effort will be taken into account.

Children, I invite you again to work earnestly for the Kingdom of God; be faithful, put aside worldly life, the true children of My Son cannot serve two masters, they cannot live in what is worldly and polluted and live against sin. **DO NOT CONTINUE EXPOSING YOURSELVES TO TEMPTATION; IT IS DANGEROUS; EVIL REMAINS ALERT TO MAKE YOU FALL.**

Beloved children, evil weakens man, attacking his senses.

You are living in the midst of the confusion; the Church of My Son has been divided, giving way to modernism and gradually moving away from the obedience to Holiness to which the People of My Son are called. Morals in the Church of My Son are melting like wax in the fire so as to be infringed freely. As Mother I suffer, seeing My children soiling themselves in the mud of every state of impurity. My children have allowed atrophy to take over their thoughts, so as to commit impure acts without feeling guilt or pangs of conscience.

**THIS GENERATION TAKES THE LAW OF GOD AND TRANSGRESSES IT,
FORMING LAWS TO ITS CONVENIENCE, GRAVELY OFFENDING MY SON.**

Beloved children: you do not see that the works that lead you to spiritual death are those that are hidden so that the conscience does not lead you to repentance.

CHILDREN, SOME OF YOU BELONG TO VARIOUS GROUPS WITHIN MY SON'S CHURCH AND GO TO DAILY PRAYER. YOU DO THIS IN ORDER TO SILENCE YOUR CONSCIENCE FOR NOT CORRECTLY LIVING A LIFE COHERENT WITH THE LIFE YOU PROFESS. Those works, those actions, those prayers are dead, mistaken and fruitless works, since they have the purpose of distracting the conscience so that the conscience does not discover the stench that covers the lives of those who act incorrectly.

My beloved, at this instant confusion is taking the reins with many of My children, being led down to the wrong path. Persecution of My children increases as man distances himself from My Son and forgets Him in order to take the devil as his god.

Humanity descends into what is satanic and dark; the devil welcomes them, providing them with all debauchery so that shelter in greed, in impurity, in immorality, and thus be allies of evil, allowing demons to dominate them. **WHEN HUMAN CREATURES ALLOW EVIL TO DOMINATE THEM, THIS EVIL TAKES THEM AND GIVES THEM WHAT THEY NEED IN ORDER TO INFECT MEN THROUGH DECEPTION.**

Oh unrecognizable generation, how much grief you are causing My Son!

Social upheavals will continue, the economy falls and man rises against man.

Differences between social classes are a cause of great upheavals; struggles because of this motive will not delay in coming, overpopulation warns of great economic changes leading society to lose its peace in every respect; fear is constantly being breathed in the face of violence and terrorism.

Man will feel foreign in his own Homeland ...

The elderly are disrespected on their own soil ...

Women are frightened in their own homes ...

The one who was invited in will within instants will be the owner of the house ...

The youth that has been welcomed in some countries rise up among the adults, taking what is not theirs and doing violence to those who are faithful to My Son ...

Temples will go from being Houses of prayer and adoration to being places feared by My children faced with the violence that is rising up the whole time because of the growing wave of followers of satan.

My Priests who are faithful to My Son will be scourged for wearing the habit; death will constantly be around them for not giving in to the threats of those who join the hordes of evil.

Beloved children:

Hunger is riding over the Earth, the climate will change everywhere until the crops wilt because of the heat, rain and plagues; famine will become widespread because of the proximity of the Great Comet that will come more and more closer to the earth. The nations of great opulence will fall into poverty. The proximity of the Great Comet will cause some coastal cities to be flooded as it has not been seen before. Destitution will take up its place within Humanity. You forget all of what I have warned you about.

The great nation in which My children from all places live will suffer greatly; the ocean will rise up above it and will silence the hubbub and will stop acts contrary to the Divine Will.

My children, pray for England, the plague is at the gates; its ground will shake.

My children, pray for China, it will suffer, its ground will shake. It will pour out pain upon Humanity.

My children, pray, children, pray for Italy, it will be shaken, terror is gathering strength.

Beloved children of My Immaculate Heart:

MY SON HOLDS YOU ON HIS LAP. EVIL INCREASES, BUT MY SON'S LOVE FOR HIS PEOPLE IS INFINITE AND THE ANGELIC LEGIONS COME QUICKLY TO PROTECT THE PERSON WHO ASKS FOR THEIR PROTECTION. Do not refuse Divine Shelter, detach yourselves from what causes you to fall and hold out your hands towards this Mother who loves you. My children have never been abandoned by Me; in every instant no matter how bloody those instants have been, this Mother has protected and defended you when evil has drawn near to defeat you.

DO NOT TURN AWAY FROM THE FOOD OF THE EUCHARIST, EACH ONE OF YOU IS A TEMPLE OF THE HOLY SPIRIT and is therefore protected by Angelic Legions, therefore stay on the right path that leads you to the soul's salvation.

IN THIS INSTANT I CALL ON YOU VEHEMENTLY TO STAY WITHIN GOD'S LAW SO THAT YOU DO NOT GO ASTRAY DOWN WRONG PATHS. Be faithful to My Son's Word in the Sacred Scripture and pay attention to the explanation revealed in these Calls.

You are My Son's People, and I will not abandon you. The crueler the instant, the greater will be my Protection over you.

**BE NOT BE AFRAID, CHILDREN, DIVINE LOVE MITIGATES THE DIFFICULT INSTANTS
AND PROVIDES YOU WITH SPIRITUAL STRENGTH SUCH AS THE PEOPLE OF GOD
HAVE NEVER BEEN PROVIDED WITH BEFORE.**

**BE NOT BE AFRAID, THIS MOTHER LOVES YOU.
I CALL YOU TO ENTER WITHIN THE SACRED HEART OF MY SON AND WITHIN MY IMMACULATE
HEART.**

Persevere, do not decrease in the Faith, maintain your confidence in My Son. I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Mother explains to us, She does not frighten us, She explains to us the importance of fulfilling God's Law and of obedience to the Divine Will, of which all of us are heirs, just as we are heirs of Divine Mercy.

Our Mother reaffirms that Mercy to us and at the same time makes it clear that in order to be deserving of Divine Mercy we must request it, repent of wrongdoing and propose ourselves to a proper amendment.

Heaven is open to all but it also needs to be merited, hence the constant call for the People of God to keep on fulfilling the Divine Word.

Our Mother grieves over the pain suffered by Her Most Holy Son because of the offenses of this generation, that is more and more exposed by the minute to the wiles of Satan.

The instant of the battle of the Woman Clothed with the Sun and the infernal dragon is approaching, thus we see how evil is seducing man and man gives himself over pleasing evil.

Each one of those reading this Call is not doing so by chance, but because God's Will allows it. It is up to each person whether to be grateful for it or not.

Let us thank God for this blessed Mother that He has given us.

Amen.

**MESSAGE OF THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
OCTOBER 18, 2016**

Beloved children of My Immaculate Heart:

**MY SON'S LOVE FOR HUMANITY KEEPS ME PROTECTING YOU
AND INTERCEDING FOR EACH ONE OF YOU.**

I bless you abundantly, I bless you to strengthen you in these instants in which Humanity is mired in indifference towards the Love and Law of God.

MY CHILDREN ARE CAUTIOUS AND ATTENTIVE TO THE WORD EXPLAINED IN THIS REVELATION OF LOVE, MERCY, JUSTICE AND TRUTH WITH WHICH THE FATHER'S HOUSE IS CALLING ALL HUMANITY, revealing step by step events and serious changes of Nature, social changes, political changes, changes in morality and spiritual changes that this generation is facing and will face before the establishment of the reign of the antichrist, who, within its retinue, holds leaders of the great powers and organizations of all kinds related to man.

CHILDREN OF MY IMMACULATE HEART: THE SUFFERING OF MY CHILDREN IS ESCALATING BEFORE THE PROXIMITY OF THE PUBLIC APPEARANCE OF THE ANTICHRIST, WHO NEEDS UNCERTAINTY AND HUMAN TURMOIL THROUGH WAR IN ORDER TO APPEAR AS THE GREAT SAVIOR OF HUMANITY.

Because of the continuous and widespread persecution throughout the Earth of My Son's People, I have called on you to consolidate your union with the Most Holy Trinity so that, being one with the Divine Will, you will not be easy prey for evil.

Beloved children, the pain has not finished but, as when a woman is to give birth, the purification of My Son's People will increase as time grows shorter and evil comes closer to man.

The devil knows human weakness well and knows that in what is worldly it is tempting My children with great ease. I invite you to turn away from what is worldly so that, overcoming the world, to turn away from what leads you to stain yourselves with immorality, immodesty, offences against the Commandments and the Sacraments and against human nature.

My beloved:

**BE ASTUTE, WEAKEN THE DEVIL BY OVERCOMING WHAT LEADS YOU TO REMAIN IN SIN.
KNOW MY SON SO THAT YOU DO NOT TAKE THE DEVIL AS YOUR GOD.**

At this time, much of Humanity has been taken over by the devil. I see My children given over to evil and possessed by evil, acting with anger, violence and arrogance, acting against the Holy Trinity, blaspheming, committing impure acts and sacrilege, for which My Son pours out His Precious Blood, and because of this the Passion of My Son continually remains current at this time.

Children, overcome the human ego! The human will, taken over by what is contradictory and wrong, has led this generation to desire what is sinful, awakening in man, from an early age, the strength

of the "ego" and imposing one's own rules at the whim of each one of you. God's children immersed into this chaos at this instant, as the devil and his legions continue bringing down the greatest number of souls.

**YOU CANNOT LIVE IN SPIRITUAL LUKEWARMNESS BECAUSE THE ONE WHO IS LUKEWARM
WILL BE SPEWED OUT OF GOD'S MOUTH.**

At this instant, you must hold to what is good in the Eyes of God and hold to God's Law, not to the lukewarm interpretations that some of My children give of what is God's Law and which cause man to lose Eternal Life, denying Divine Justice, denying the existence of hell, denying the purification of a sinful Humanity.

My Son is Mercy towards the one who seeks mercy and makes a firm purpose to amend their way. My Son is Mercy with the one who repents of having offended Him, but this act of humility is necessary on man's part wherein he acknowledges that God is God and man is man.

Beloved children of My Immaculate Heart:

The sun will no longer be man's ally; within the sun the agitation will be accelerated and the heat that it emits will cause devastation to man's technological advances. What man has achieved with technology will be reduced to nothing and in this way man will have to return humbly to the times when he did not affect or distort the Elements so as to cause evil, as at this instant.

Man gives names to changes in nature, such as "climate change". God created everything good with the Work of His Hands; man with his hands has destroyed the whole Work of Creation and has altered it to the point of losing control of what he has altered, causing irreversible changes for Humanity which will come back against man himself.

Humanity has chosen its future; it does not want to heed the calls of the Father's House. Reason is clouded in man and the "ego" is leading Humanity towards the precipice, as water drags a leaf off a tree.

MY PETITIONS HAVE NOT BEEN HEARD. I have come to intervene in the history of this generation by Divine Will, as Mother of all people. My Words have been calls of distress anticipating this instant and those to come, with the Maternal Hope of being heard so that the purification of My Son's People not be as severe. My Requests not having being heard, My Pleas unfulfilled and unheeded by the hierarchy of My Son's Church, denial is leading this Humanity to be purified by Creation and by the hand of man himself who in the absence of Love for neighbor, rises up to be an executioner of his own race.

**BELOVED, SINS ABOUND AGAINST THE HOLY SPIRIT...
YOU HAVE FORGOTTEN THE SEVERITY FOR THE MAN WHO SINS AGAINST THE HOLY SPIRIT!**

You must be responsible for the works and actions of each one of you ...
You must be generators of good and immerse yourselves in Sacred Scripture so that you know the Will of God ...

**DO NOT CONTENT YOURSELVES WITH WHAT YOU CAN DO, ENTER INTO THE TRUTH OF THE
DIVINE WORD AND GROW, MATURE SO THAT YOU MANAGE TO LIVE ACCORDING TO GOD'S
LAW
AND FIND GRACE IN THE DIVINE EYES.**

Children, Humanity is at the critical point. This instant keeps man in two states:

Those who commit to the good and know My Son and recognize Him as God, rising up in the midst of the falls, will receive the strength to stay within the Holy Remnant ...

Those who deny My Son and surrender freely to the devil will be the cause of their own condemnation.

**THE PRESENT INSTANT HAS TWO PATHS:
SPIRITUAL GROWTH OR WITHDRAWAL FROM THE DIVINE PRESENCE.**

Divine Mercy does not close with the Year of Mercy, but will remain open for all those who come in repentance before God, only that freely drawing near to seek the meeting with his Lord and his God must come from man.

Beloved children:

**THE ANGEL OF PEACE WATCHES YOU WITH LOVE, HE WILL COME TO COMFORT THOSE IN
TRIBULATION AND TO GIVE STRENGTH TO THE FAITHFUL SO THAT THEY DO NOT DECREASE IN
FAITH.** My Son's People will again see Hope with the arrival of the Envoy, the Angel of Peace, in the midst of the siege of evil and My children's persecution. As Mother of Humanity, I come to crush the head of the devil and its hosts. My beloved Angel of Peace is strength for My Son's people and will not be confused with the antichrist.

My children, be true, do not be deceived, do not lie to one another, do not be false; be light at all times, do not allow yourselves to be confused. Man's deceiver is using its tentacles to dominate all Humanity and you, children, still deny the change in which you find yourselves, change with which Nature maintains itself and reacts. Man is not recognized by Creation, Creation fears man, who with his hand has destroyed what God left him.

Beloved children of My Immaculate Heart, the forces of nature are redoubling all over the Earth. The water is gaining strength and penetrates the land, contaminated wind carries the plague with it. **DO NOT FEAR, I AM WITH YOU.**

Beloved children, pray for Denmark, it will suffer, its ground shakes. The wailing will not stop.

**Beloved children, pray for Spain, death at the hands of terror will not delay. The water comes
and penetrates the land.**

Beloved children, pray for Australia, the plague continues advancing in silence.

**Pray children, pray for Italy, she will be scourged without the need for foreigners to penetrate
within her. The roar of the land comes out with great power through its volcanoes. Pray; Etna
and Vesuvius cause pain.**

Beloved, pray for the Church of My Son, confusion divides.

Prayer for the suffering of the United States should not decrease.

Beloved children of My Immaculate Heart:

KEEP ON WORKING AND ACTING IN OBSERVANCE OF GOD'S LAW, DO NOT BE EASY PREY FOR WHAT IS WORLDLY. DO NOT FORGET THE WORD OF MY SON OR THE EXPLANATION OF THIS REVELATION.

Do not forget that you are loved by My Son, do not forget that My Son is "the Way, Truth and Life" (Jn 14,6), do not turn away from Him.

My Son speaks to every person individually and you do not listen to Him, you do not look at Him because of the turmoil in which you live. In every instant the Divine Presence is implicit, through which every instant should be lived on the Right Path.

MY SON REVEALS THE DIVINE WILL TO YOU ALL IN ORDER THAT YOU DO NOT CHOOSE WRONG PATHS. Be astute, live every instant on the Right Path, do not allow yourselves to be separated from My Son, be creatures of peace, love your brothers and sisters, and be bearers of the Divine Word. Do not give back evil for evil, be those who teach with the testimony of Divine Love. Whoever calls themselves Christian at this instant, must be so in the fullness that this title carries with it.

I bless you, I enlighten the path of My children.
I am warmth when you are cold ...
I am a refreshing breeze when the sun is stifling ...
I am rain causing seeds to germinate ...
I am a Word that instructs, Love, the Gate of Heaven ...

**THUS I CALL YOU AGAIN AND AGAIN:
THE DOOR IS OPEN, COME, MY CHILDREN, ENTER SO AS TO ENJOY THE ETERNAL GOOD.**

Fear not children, be united; thus you are a strong wall, impenetrable.

I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Every word of Our Mother makes the heart beat faster, not out of fear but because **EVERY WORD IS IMPREGNATED WITH MATERNAL LOVE.**

The first Disciple of Christ instructs us so that we stay on the **RIGHT PATH.**

This instant is crucial for us as Humanity, we have entered a minefield, where the devil remains attentive to man's every step in order to go out to tempt him. **BECAUSE OF THIS OUR MOTHER ASKS US TO KNOW AND RECOGNIZE THE DIVINE WORD IN ORDER NOT TO BE DECEIVED.**

She reminds us that She who is **FULL OF GRACE** has come to give us Her Word by Divine Will in order to tell us in advance of the difficult way by which the People of His Son will have to pass in order to be able to surmount the Purification.

Humanity must recognize the antichrist, but for this it must know in depth and love **GOD THE ONE AND THREE** with all its strength, powers and senses in order not to be deceived.

Faith in Maternal Protection and in the advance warning of events so that they do not find us asleep, should generate in each person the confidence and conviction that **OUR MOTHER IS WITH HER SON'S PEOPLE, AND THAT AS THE GATE OF HEAVEN, SHE ILLUMINATES OUR WAY SO THAT EVIL DEPART FROM US.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
OCTOBER 23, 2016**

My beloved People, you are My beloved People, whom I love with all My Heart.

I CALL YOU TO REMAIN IN PRAYER, TO BE MESSENGERS OF MY LOVE, TO WORK AND ACT IN MY WILL.

Do not be afraid, "**I AM WHO I AM**" (Ex. 3:14).

I CALL YOU TO LIVE IN MY LOVE, TO BE FAITHFUL TO MY WORD AND TO LIVE FAR FROM WHAT IS WORLDLY.

This instant is precious; do not waste it on banalities, be prudent and merciful.

Repeat the Consecration to the Immaculate Heart of My Mother so as not to forget that you are Her children. Live with the certainty that My Mother intercedes for you, and each Hail Mary, prayed with consciousness, is a great blessing that you receive, not only for the one who prays but for their brothers and sisters.

EVIL FEARS THE ONE WHO PRAYS WITH TRUE AWARENESS, AND IN UNION WITH MY MOTHER, OFFERS AND LOVES, LOVES AND OFFERS.

The sound produced by the Holy Rosary shakes evil and makes it flee quickly, if the creature is properly prepared, has confessed sins committed and has proposed to amend his or her way definitively in order to turn away from what separates him or her from Me.

My beloved People, stay alert, do not be lukewarm or look with approval at what is apparently good; discern what comes into your hands, since evil prowls like a roaring lion with great cunning in order to mock those who are Mine, taking them down paths that are not My Will.

**HOW MUCH THOSE PROGRESS WHO KEEP STRIVING TO DIRECT
THEIR SENSES TOWARDS THE WAY OF THE SPIRIT!**

Children, whoever does not live of the Spirit walks with greater difficulty because they fight against everything they face without differentiating what is good from what is bad.

My People, you toil to fulfill all the desires of the "ego", whether appropriate or not, and this leads you to fall into vices without being able to control yourselves, and vices cause you to fall onto a steeper and more difficult path. You want to flee the distractions of the world without the caprices of the human ego disappearing, caprices which you hide knowing that you are causing yourselves great spiritual harm, lying to yourselves.

**CHILDREN, ASCEND IN THIS DECISIVE MOMENT, CONTINUOUSLY EXERCISING YOUR PHYSICAL
AND SPIRITUAL SENSES SO THAT THE WILL AND HUMAN DESIRE ASPIRE TO LIVE IN MY WILL.**

You need to be aware that living in My Will is not an accident, but a necessity without which you will not be stable human creatures.

My children are constantly being distanced from everything that leads them to bear witness to faith in Me.

Dispersion reigns everywhere, desensitizing the human heart so that it hardens and humanity struggles for individuality and not for fraternity, thus exuding the poison of man's indifference towards his brothers and sisters.

My Beloved:

**NO MAN IS THE OWNER OF MY WORD; ON THE CONTRARY, WHEN MY WORD COMES TO MAN,
THE LATTER MUST LISTEN ON HIS KNEES AND WITH DEEP AWARENESS, DISCERNING EVERY
WORD IN ORDER TO UNDERSTAND MY MESSAGE FULLY.**

In this instant, the action of evil is gathering strength due to the proximity of what you well know. In the pulpits I need strength in preaching so that My People's understanding is not flat, but expand and open up to the Truth of a spiritual reality of which they know little or ignore or deny: the existence of sin, My Second Coming, the existence of the devil, the Warning and what My Mother has announced to you.

Humanity has allowed evil to take hold of it, and evil, finding human freedom willing to accept it, has poured out hatred, indifference, greed, ignorance, wickedness and folly in order to make of Humanity a collectivity ignorant of the Truth and therefore totally stubborn.

The fool in his folly becomes a defender of his own stupidity, and, without wisdom, cannot see or distinguish evil from good, and Humanity's contradictions keep him in total darkness, being a stumbling block to himself and his own.

YOU DO NOT HAVE TO SEEK MY KINGDOM IN THIS WORLD, BUT YES, YOU DO HAVE TO LIVE, WORK AND ACT WITHIN THE DIVINE LAW. At this instant hatred reigns in My People and with it anger is gaining ground, transforming itself into an obsession that brings self-destruction.

I suffer because of ingratitude, because of the proud man who destroys the lives of his brothers and sisters.

I suffer with the lament of the innocent who suffer physical and spiritual hunger, because of a lack of strong training for combatting evil. **YOU CANNOT SERVE TWO MASTERS - EVER: YOU MUST CALL EVIL, EVIL; AND GOOD, GOOD. DO NOT PRETEND TO DISTORT WHAT IS CORRECT BY ALLOWING IT, MY WORD IS ONE.**

You have not valued Creation, you have not kept due respect for it, nor have you loved it as an expression of Divine Love towards man. The beauty of Creation has been replaced by the cruelty of man who has destroyed beyond measure everything at his disposal.

Humanity does not seek but wants to find everything instantly; he neither devotes his thinking nor his senses to looking for what does not fall into his hands. **MY CHILDREN HAVE BECOME CONFORMISTS, TAKING WHATEVER REACHES THEM AND ACCEPTING IT AS TRUTH.** Impatience is the principal possession of those who are far from Me. Dominated by impatience, Humanity is fragile and falls into all the defects that open the gates to evil, pouring out upon the Earth the product of the lack of love that lives within those who have diverted the way and have surrendered uncontrollably to all unrighteousness.

Creation, consistent with Our Divine Will, suffers because of the spiritual deafness of Humanity. Lovelessness is poured out upon Creation which, shuddering, is bathed with the blood of My Own. It is madness in which evil has enraged man, and man accepts, rising up against all that is Divine, as a sign of rebellion and acceptance of whatever is contrary to the good.

MAN, SEPARATED FROM THE GOOD, ATTRACTS EVIL, AND THE CONSEQUENCES ARE DIRE FOR HUMANITY. Indifference to the man on the part of Creation is imminent, thus disasters are increasing and with them the pain of My children.

This is the instant when the Earth, oppressed by man's sin, is strongly shaking; the waters are stirred up, fire progresses relentlessly, the air, taking on forms that intimidate man, is a cause for constant alerts.

Pray, dear children, pray for Mexico, the volcanoes cause pain amid the shaking of this land of My Mother, in which evil has overflowed in all its aspects.

Pray, dear children, pray for Chile, fear looms because of the ground that seems hollow when it is shaken.

Pray for My children of Venezuela; in the grief caused by power, other interests will enter this land. My children wail and with them weapons spread to other nearby lands in which peace is a disguise of power.

Pray, My beloved, this instant draws pain to man who has ignored My Calls and those of My Mother. From the air the power of evil comes towards My children; lethal weapons will be spread without conscience, destroying life. This grave offense against Our Trinity is the fruit of human pride. Misused science harms Humanity without thinking.

Pray for the United States, disunity enters, giving pain to this nation.

The struggle for world power is escalating amid the increase of rebellions in the world. A phenomenon not seen before occurs in the sea.

My beloved People:

CONTINUE PURIFYING THE SENSE OF SMELL, considering that the physical sense of smell is the one that provides the development of conscience in the man who does not despair but hopes unfailingly. You associate smell with the palate and this is not correct. The spiritual sense of smell leads My children to live in the Hope of Salvation, seeing the goal of the final meeting in an ecstasy of love, that the human creature constantly offers Me in the struggle of each instant. My People desire what is improper and are therefore become corrupt and does not maintain Hope, nor Faith in My Word.

Beloved children, continue awakening the Gift of smell. With a clear conscience, immersed in Hope, My People walk in obedience.

FIRST DAY OF THE FOURTH WEEK:

I offer the Gift of smell on this day to the Most Sacred Hearts of Jesus and Mary Most Holy.

I offer You this Gift of smell in this instant for the Divine Glory and for the good of souls.

In every present act, my mind, my memory and my thought will remain attentive, alert, so as not to accumulate whatever the sense of smell fancies and which leads to sin, offending the Most Sacred Hearts. Give me the strength to free my sense of smell and cause it to work and act with regard for the good of my soul and my brother.

I cry to You, Most Holy Mother, that You take me as Your disciple, guide my life and that my path be directed towards meeting Your Son.

ON AWAKENING I OFFER:

I have mind and thought, I reason for good and evil.

From this instant I offer my constant effort so that this Gift comes to be more spiritual, giving priority to the Divine Will for my personal Salvation.

I propose to free my reason and my appetite from occasions for sin, seeking in everything the Divine purpose, remembering only the good that each brother and sister has provided me and in Creation, the greatness of the Eternal Father.

I do not wish to sin any more with the sense of smell; I surrender it to the Sacred Hearts so that, being Your child, my Lord, You lift me from sin.

I do not want what I am to continue causing evil thoughts, nor that I neglect the Divine kindnesses that lead me to remain in a state of Grace.

Sacred Hearts, be the sustenance of my mind, my memory and my thought, so that my reason leads me to retain only what is good. I hold back my free will and subject it immediately, and surrender it to the Sacred Hearts, so that they free me from occasions for fault, and thus mold this sense so that it only brings to my memory only that which is for the good of my soul and so that I do good to my brothers and sisters.

This sense of smell desires the Purifying Water of Love coming from the Sacred Hearts.

Amen.

MIDDAY:

Review together with Our Mother the morning's efforts and note down weaknesses.

BEFORE GOING TO SLEEP:

I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, to whom I pray for succor for this purpose, in order to be a better child of God.

Our Father, Three Hail Marys and Gloria.

CHILDREN, COME TO ME AND ENTRUST YOUR LIVES TO ME.

Do not forget, My children, that the sense of smell fancies attractive aromas, but not everything that is appealing to the sense of smell is right. Gold shines, but gold is not man's happiness.

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Beloved looks at us with Eternal Love, otherwise little or nothing would exist on Earth. Only the infinite Mercy of God can take pity on those who continually offend him.

Denying the existence of that which is contrary to the good has led the People of God to live in dissolution. It is true that one should not be afraid of God, but He is to be respected and obeyed.

As our Beloved points out to us, if man kept the awareness that through his wrong work and action he draws evil to himself, to his brothers and sisters, and to the Earth itself, human work and action act could have prevented such dissolution. But with the denial of the existence of evil (a force tempting man to work and act outside the Law of God), man has given free reign to his misused freedom and Humanity's failure brings pain all round.

Brothers and sisters, we not only need the willingness to remain united to Christ, but we have to be executors of what we profess and witnesses to work and action in the likeness of Our King.

LET US UNIFY OUR SENSES SO THAT KNOWLEDGE DOES NOT ONLY TEND TO REASON, NOR REASON HINDER THE HUMAN WILL FROM ASPIRING TO LIVE IN THE WILL OF GOD.

Amen.

CONSECRATION TO THE IMMACULATE HEART OF THE BLESSED VIRGIN MARY

Luz de Maria, August 2011

I give myself, Mother, to Your protection and to Your guidance; I do not want to walk alone in the midst of the storm of this world.

I present myself before You, Mother of Divine love, with empty hands, but with my heart filled with love and hope in Your intercession.

I ask You to teach me to love the Most Holy Trinity with Your same Love, so as not to be indifferent to Its calls or indifferent to mankind.

Take my mind, my thoughts, my consciousness and unconsciousness, my heart, my desires, my expectations, and unify my being in the Trinitarian Will, as You did, so that Your Son's Word does not fall on arid land.

Mother, united with the Church, Mystical Body of Christ: bleeding and despised in this instant of darkness, I raise my pleading voice to You so that the discord between men and the nations be annihilated by Your Maternal Love.

SOLEMNLY I CONSECRATE TO YOU TODAY, BLESSED MOTHER, MY ENTIRE LIFE, FROM MY BIRTH. WITH FULL USE OF MY FREEDOM, I REJECT THE DEVIL AND ALL HIS MACHINATIONS AND I GIVE MYSELF TO YOUR IMMACULATE HEART. TAKE ME BY YOUR HAND FROM THIS INSTANT, AND AT THE HOUR OF MY DEATH, PRESENT ME BEFORE YOUR DIVINE SON.

Allow Mother of Goodness, that this: my consecration be taken in the hands of the Angels to every heart so that it might be is infinitely repeated in each human being.

Amen.

**MESSAGE FROM THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
OCTOBER 27, 2016**

Dearly beloved children of My Immaculate Heart:

I bless you; My Maternal Mantle remains over you, over the faithful People of My Son.

**I ENTREAT YOU TO PAY THE UTMOST ATTENTION TO THE APPEALS OF MY SON FOR YOU TO
KEEP YOUR PHYSICAL SENSES IN CONSTANT PRACTICE AND TO SEE TO IT THAT, WITH THIS,
THEY ARE MORE SPIRITUAL THAN PHYSICAL.**

You must understand, children of My Immaculate Heart, that in these instants of such difficult in which My Son's People are living, it is essential that you continually mortify the human will through love, in order that it understands that it must be given over to the constant search for being more spiritual and denying itself human whims.

My Son wants a faithful people, He wants children who are understanding towards their peers. Each person has their personality, but at this instant, you must strive for that personality not to be so worldly but to tend toward holiness; only in this way will you manage to endure to the end.

From various sources you are hearing dates, announcements, you pay attention to everything... instead, you should focus on growing spiritually, on endeavoring to leave behind all that is worldly and sinful.

You know very well what it is that you have to change in order to draw nearer to and fuse with the Divine Will ... You talk about charity and when My Son brings you a trial with your peers, the human ego emerges. No, children, in this way you do not give testimony to what you say with your word, you must give testimony by working and acting with Faith, Hope and Charity.

**THIS PRACTICE OF THE SENSES IS SUPREMELY IMPORTANT, AS WHEN, AND ONLY WHEN THE
SENSES GO FROM MERELY BEING USED UNCONSCIOUSLY TO BEING PLEASING TO MY SON WILL,
THEY WILL ACHIEVE TO BE LESS WORLDLY AND MORE ATTACHED TO THE WORK AND ACTION OF
MY SON.**

I come to bring to you the Living Water, I come to immerse you in the Living Water - regenerating and purifying, the water of love, of devotion and obedience to what Heaven asks of you.

YOU MUST BE WILLING TO BE OBEDIENT, BECAUSE OBEDIENCE IS THE ART OF HOLY SOULS. Obedience does not mean walking blindly but walking in the light of the Holy Spirit using the Gift of Discernment. I have called you to unite yourselves to My Son, to travel the path of love, knowing and scrutinizing the Word of My Son, so that you do not walk blindly but enlightened by Knowledge,

by Wisdom, and therefore understand that obedience to the Divine Will is necessary, even when you do not understand the why or wherefore of things...

My Son sees further than you see, man can see further if he does not use the sense of sight as a purely physical sense. Consecrate the sense of sight to Me and then you will see what you do not see at this instant.

My Son is hastening the steps of His People. You have so many blessings, so many gifts, but you keep them locked up out of ignorance and sometimes out of fear. But behold, I come in the Name of My Son, out of love for the People of My Son, love for you who are My children, to tell you to free these gifts, these virtues that you keep locked up, to place them before the Holy Spirit so that He be the One who guides you, and so that you in obedience to the Word of My Son, achieve to become more spiritual.

CHILDREN OF MY IMMACULATE HEART, SUCH IS THE DEGREE OF TRIBULATION APPROACHING YOU, HENCE THE IMPORTANCE OF YOUR BEING MORE OF HEAVEN AND LESS OF EARTH.

The whole Earth will be shaken, it will turn on its axis, the water of the seas will not be contained and will rise up upon the land. The land will shake forcefully, you will live through exceedingly strong instants, and only with a true faith in the Promises of My Son and in My Protection and the assistance of your Travelling Companions and the intercession of the Saints, will you remain standing.

YOU URGENTLY NEED TO PREPARE YOURSELVES AND TO KNOW, PRACTICE, ACQUIRE KNOWLEDGE REGARDING HOW TO SURVIVE WITHOUT ADVANCED TECHNOLOGY.

You know that soon, very soon the star that is the sun will attack the whole Earth and man's technology will be reduced to ashes. This will be chaos for man, since you depend completely on technology. You must investigate how to survive without this technology that has made you easy prey for satan, because it has clouded your thinking, has hardened your hearts to the point that some are zombies, wandering around fully controlled by all the negative effects of science and a misused technology.

You have not yet recognized the tentacles of satan that have been acting from beforehand, and in this instant they have risen up against all souls. For you, what you see as normal leads to great sins, great offenses towards My Son, great and serious pain to my Immaculate Heart, and this is because you do not discern, you merely follow modernism.

Children of My Immaculate Heart:

YOU ARE CLOSER TO RECEIVING THAT GREAT ACT OF DIVINE MERCY THAT IS THE WARNING, AND THIS IS WHY MY SON IS HASTENING YOUR STEPS, SO THAT YOU SPIRITUALIZE YOUR SENSES AND FUSE THE INNER SENSES WITH THE PHYSICAL SENSES, IN ORDER THAT YOU SEE WRONGDOING WITH CLARITY. There will be instants of desolation and of blessing; each person will see themselves as they are, which will cause great pain. You will be examined in depth by yourselves, there will not be a single act or a single work which will not be seen and examined by you. Conscience will act fully as it has never before acted in each person. And then, those who will refuse My Son will give themselves over with greater force to evil and will carry out all the evil that the devil has inside him against those who in repentance choose to continue beside My Son. **HENCE THE URGENCY OF YOUR**

PUTTING INTO PRACTICE THE WORD OF MY SON, in order that you do not only repeat it, but that you be aware of this Word of Eternal Life.

THE GREATEST ACT OF MERCY TOWARDS MAN IS APPROACHING. DO NOT LOOK FOR DATES ...

PREPARE YOURSELVES, PREPARE YOURSELVES.

My children, pray for France, suffering at the hands of terrorism will continue.

Pray, pray for the United States, when it seems that tranquility is coming near, My children will suffer the most.

Pray for India; these children who have suffered so much will be strongly purified.

Pray for Costa Rica, children, it will be shaken.

My children are intoxicated, not only by what they see, but by pride and arrogance, the cause of the great disobedience in which they live, the cause of their distance from My Son.

When man turns away from My Son he loses his center and evil takes all strength that man possesses in order that every creature that turns away from My Son be an instrument of persecution, of pain and of scourge against the children faithful to My Son.

**I ask you again to pray the Rosary, it is a great blessing for whoever prays it.
Do not pray repetitively, but maintain a full and absolute awareness of this Great Prayer
dedicated to the life of My Son.**

My children, the winds will gather strength and atmospheric phenomena will be unleashed that will cause alarm. These are scourges born in the hand of man. My pain is great when I see man preparing the death of his brothers and sisters with his own hand.

You are souls in need of Love, Truth, Charity, Hope, and strengthen all this with Faith. As Mother of all Humanity I bless you and call each one of you individually to be Messengers of the Word and of Divine Love.

I BLESS YOU IN THE NAME OF THE FATHER, OF THE SON AND OF THE HOLY SPIRIT. AMEN.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

We are unity, as our Most Holy Mother expounds to us in this Message. Body, soul and spirit that move within the Trinitarian Love in a constant reciprocal action of feedback in order to give man the vitality and commitment to cry out to Heaven for the Wisdom that does so much good to man.

In the great work of Creation everything remains in perfect balance. What happens to man when he moves away from the Divine Center in which all things move? Rebellion, irresponsibility, ire, intolerance, negativity, greed and other terms with which we wish to describe Humanity's irresponsibility at this instant.

How much Divine Love to forgive the indiscriminate destruction of man towards God's Creation?

Brothers and sisters, like the master going to direct the best of his works, so as children of God we must focus upon spiritual growth so as not to fall prey to evil. Commitment is personal and at the same time communal... Everyone has to give the best of themselves.

Christ takes us by the hand in order that we renounce in time to everything that takes us away from Him and brings us closer to evil.

Brothers and sisters, Love is the fountain of great blessings. And it is important to center human efforts on the spiritual ascent of the senses, as once the person manages to stay in God, they will achieve mastery in pacifying feelings and will leave behind that inner struggle that prevents him from clearly seeing wisdom - **THE HOLY SPIRIT**.

We will not achieve anything being lukewarm, we must let go of mediocrity so that **THE CALL TO BE MEN AND WOMEN OF GOD IN ALL ITS BREADTH** be less burdensome.

Let us fight against everything that draws us away from Christ. Let us not falter ...

GOD IS THE WAY, THE TRUTH AND THE LIFE (John 14.6)

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
NOVEMBER 1, 2016**

Beloved children of My Immaculate Heart:

MY MATERNAL HEART IS THE ARK OF SALVATION; COME TO ME, I LEAD YOU TOWARDS MY SON.

On this day I come to Purgatory, and take a great number of souls with Me to the Trinitarian Presence, through Divine Mercy. Do not forget to pray for the dead; prayers are light and a great comfort for those who are in Purgatory.

Children of My Immaculate Heart, you do not have to be part of the chaos reigning on Earth. You possess the Love of My Son, and the Most Precious Blood of My Son is Salvation for man.

**MY CHILDREN ARE A SPRING WHERE THE GIFTS AND VIRTUES PERMANENTLY FLOW
THAT EACH PERSON HAS CULTIVATED IN THEIR LIFE.**

The Love of My Son manages to keep the water of the source in continuous movement so that it is oxygenated. Unity keeps each drop of water in its state so that all receive the necessary oxygenation, since stagnant water accumulates residues, its color changes, and the waste forms a layer that hides the beauty of the crystalline water, and the latter takes on a putrid smell.

**THIS IS AN INSTANT OF SPIRITUAL COMBAT, AND MY CHILDREN SHOULD KEEP THEMSELVES
OXYGENATED WITH THE CONTINUOUS KNOWLEDGE OF THE DIVINE WORD IN THE HOLY
SCRIPTURE.**

My Word brings you the Divine Will so that you stay alert and have foresight regarding the constant attacks of evil. I have explained events to you so that you prepare and especially save your souls.

My children must know in depth the meaning of the word **FAITHFULNESS**, everything it contains for those who walk in the path of the Love of My Son. Whoever surrenders and decides to live truly in the "Way," must be faithful in every aspect of life. But first they have to be faithful to My Son and themselves in order not to be lost.

You are living in a chaos in every respect; man does not define his life, he is inconstant, and therefore tends to follow what comes to him and what seems interesting to him even though it is deplorable. Deviation of values is increasing and with it the lukewarm are multiplying very quickly. From this multiplication heretics come out of their hiding places and devote themselves to leading souls to sin in various forms.

You have managed to see how the Illuminati and Masons have acquired power within the Church of My Son, contaminating the true religion and being permissive towards evil.

**THE SMOKE OF SATAN HAS PENETRATED WITHIN THE CHURCH OF MY SON.
FORMS OF MODERNISM INSIDE THE CHURCH ARE NOT MY SON'S WILL,
THESE ARE PERMISSIVE AND CAUSE SIN TO BE MULTIPLIED.
MY SON CAME FOR SINNERS SO THAT THEY CONVERT,
NOT SO THAT SIN REIGNS IN THE LIFE OF MAN AND BE A REASON FOR CELEBRATION.**

Beloved children of My Immaculate Heart, **I PROTECT YOU**; as a Mother, I do not depart from you but announce and denounce sin so that you do not fall into the clutches of evil.

**THE GREAT WAY THAT ALL SHOULD DESIRE IS THE WAY OF MY SON'S LOVE AND BEING HIS OWN
LOVE.**

My Beloveds, you must strengthen feelings in order that they do not cause you to yield and fall into worldly weakness. You are awakening your spiritual senses and it is necessary that feelings be made pliable so as to work and act well, because in man's instinct is that which causes him to be more comfortable, without the slightest effort.

AT THIS INSTANT, MY BELOVEDS, MAN HAS ATTAINED GREAT SPIRITUAL WEAKNESS, AND THIS CAUSES YOU TO BE WEAK FACED BY THE CHALLENGES OF EVERYDAY LIFE.

You keep recollections in your memory, and the feeling of this recollection leads you to understand whether it satisfied you or not. This understanding you have misrepresented, and you call it 'satisfaction'. Man desires satisfaction in all that he strives for, and without you detecting it, you have taken the desire to be an obsession, and without you detecting the obsession, it has leapt towards frustration.

MY CHILDREN, IN THIS INSTANT EVIL IS NUMBING MY CHILDREN, AND THEY CONTINUE BEING NUMBED UNTIL FRUSTRATION LEADS THEM TO SEEK AND FIND SATISFACTION IN WHAT IS IMPROPER AND UNREAL. In this sea of confusion and numbness of the senses and the spirit is where Humanity finds itself in this instant.

I call you to exercise the will using the thought of the Truth, so that the decisions you take be attached to your intelligence, so that you do not live from feelings that manage to betray you.

Children, look beside you, man is losing his reason with great ease due to the inability to face the vicissitudes of life. Man limits himself regarding discerning who he is, what he has become, what he believes. At this instant this is what is new: man's inability to reason and to accept himself as he is or the inability to correct himself.

Beloved children of My Immaculate Heart, Humanity depends on the decisions of that group of creatures who have made an incursion into the path of man's destiny, in order to falsify the Truth of what is happening in this instant, and they therefore falsify the Truth. The ignorant man is prey to everything that comes into his hands, without meditating whether it is good or not.

My Beloveds:

THE EARTH IS STRONGLY INFLUENCED BY GREAT ASTEROIDS MOVING IN SPACE; man, with great ignorance, with his stubbornness in works and acts, is attracting those elements that are moving through space. The moon will find its rest and the sun will be darkened for several minutes.

This attraction of the Earth towards the elements that are revolving in space is strong, just as much like man's sin. The effects on the Earth are visible at this instant, and are shocking for man himself. You must understand that wrong actions do not die when the act is committed, but the effect of the act continues throughout Creation, inflaming a greater number of people, and the struggle will not be only against men, but against demons, legions and principalities of evil.

GREAT DEVELOPMENTS ARE UPON HUMANITY...

THE SHAKING OF THE SAME WILL NOT CEASE UNTIL MAN PURIFIES HIS DISOBEDIENCE AND HIS OBSTINACY, HIS OFFENSE AGAINST GOD, AND PURIFIES HIS REBELLION.

The force of the elements revolving in space has shortened the days, terrestrial movements accelerate because of the fragility which man has brought to the Earth. The approach of asteroids and meteorites to the Earth is going to increase. Just as you do not know yourselves, but only know

what your brothers and sisters do, so you do not know the whole relationship existing between human behavior and the behavior of the Earth, and therefore of Nature.

YOU, MY CHILDREN, MUST BANISH THE IGNORANCE IN WHICH YOU LIVE, YOU MUST OPEN YOURSELF AND NOT SEE YOURSELF AS AN ISOLATED PERSON, BUT AS AN ACTIVE PART OF HUMANITY, WHOSE WORK AND ACTION SPREADS OUT OVER ALL YOUR BROTHERS AND SISTERS.

The elements are coming dangerously close to man in their eagerness to awaken that man, the image and likeness of God, which they do not find in the great majority. The Earth continues to tremble, awakening man who instantarily brings to memory the God who created him, and then forgets and attacks everything Divine.

The devil grows due to the human wickedness of this instant, inciting man, who, fragile in spirit, easily surrenders faced by the insistence of evil that does not rest.

Dear children:

THIS INSTANT IS DECISIVE FOR EACH ONE OF MY OWN TO SAVE THEIR SOUL AND MERIT ETERNAL LIFE.

Children, you do not overcome your inability to face daily living with its obstacles because of your fragility, for lack of spirituality and therefore Faith. In the face of such weakness, the devil quickly causes you to enter into the desperation of the competitive, pitiless world where worldliness reigns.

Children, anxiety and fear of losing positions within society leads man to a spiritual incapacity that hinders him from feeling the absence of not participating in being a child of God.

Pray children, pray, My Son's People will be cruelly persecuted.

Pray children, pray, be fulfillers of the Divine Will, pray for Italy.

Pray children, geography will change; because of this the Earth is shaking with greater force in its entirety.

Pray children, pray, Chile and Japan suffer because of the shaking of the Earth.

Pray for France, pray for France and the United States, terrorism is planning its action in darkness.

Beloved children of My Immaculate Heart:

MY CHILDREN SHOULD BE MORE DEDICATED TO GOD, WORKING AND ACTING IN THE GOOD, THUS YOU ASSIST YOUR BROTHERS AND SISTERS.

My Angelic Legions are on Earth at the four cardinal points. Call on them so that they help you and assist you in the face of so much evil that exists. The ability of evil to deceive you needs a response, you need to know about evil in order not to fall into its clutches.

Children of My Immaculate Heart, you will face great challenges; receive My Son in the Eucharist, stay away from sin, discern. The Church of My Son suffers. I suffer because of how much you are going to suffer.

**MY PRESENCE IS IN FRONT OF EVERY PERSON, MY LOVE CONTINUES WAITING TO BE CALLED.
MY PROTECTION REMAINS UPON YOU WITHOUT DISTINCTION.**

I bless you: come to Me, I am your Mother.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Mother has given all of us a lecture. She has perfectly outlined man's spiritual situation, which affects correct action and work in life. She has called us to be true, truly to search ourselves inwardly, and with Truth in hand, to find what we have kept hidden.

You cannot be lukewarm or live in a farce, because neither is the spirit separated from man, nor does the soul walk alone, nor does the body remain exempt from human evil.

Brothers and sisters, we are body, soul and spirit, and that is why Our Mother calls us to truly unify ourselves and to admit that without God we are nothing. She also calls us to testify firstly to ourselves of a Truth that is unique, and without which we will not be able to reach the end of this "Way" or face the cruelty of what is approaching.

Our reality is:

GOD, ONE AND THREE, AND AS IN THE PAST HE HAS WARNED HIS PEOPLE, HE WILL CONTINUE DOING SO, BECAUSE HE LOVES HIS PEOPLE AND WILL NOT DELIVER THEM INTO THE HANDS OF SATAN.

THE GOOD IS INFINITE AND AS SUCH IT HAS TO BE ATTAINED WITH EFFORT. GOD DOES NOT ASK US ANYTHING THAT WE ARE NOT CAPABLE OF ATTAINING, BECAUSE HE KNOWS US. LET US BE AWARE OF THIS AND FULFILL THE DIVINE WILL IN THE COMMUNION OF SAINTS.

Amen.

**MESSAGE OF OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
NOVEMBER 3, 2016**

My Beloved People:

I SEND MY PEACE TO EACH ONE OF MY CHILDREN.

You walk in search of Truth, looking with the eyes of your body blindfolded.

MY HOLY SPIRIT IS TO BE FOUND IN EACH ONE OF MY CHILDREN.

At this instant, My Holy Spirit gives strength to My children who wish to remain fused to Me so as not to fall into what is sinful.

"I Am who I Am" (Ex. 3:14) and I do not deceive My children. My Holy Spirit continues giving life, enlightening, guiding My People and especially My faithful Instruments.

My Word is sealed in Sacred Scripture, but I will continue giving the explanation of My Word as a "land flowing with milk and honey", so that souls might not be lost out of ignorance. I entrust My Word to My Prophet to convey it to My People, just as I preach it to her.

I walk with My People; I do not abandon them in instants of pain.

**MY WORD IS ADULTERATED BY SOME OF MY CHILDREN ...
AND THIS CAUSES A GREAT WOUND TO REMAIN IN MY HEART.**

My People, you are not an obedient generation but rather a rebellious one: I call you and you do not pay attention, you scorn My announcements and commit great sacrileges.

YOU SEEK TO OMIT THE WORD "DIVINE JUSTICE", so that My Own act totally immersed in evil, while Humanity has surrendered to the devil without fear of offending Me.

Some of My Temples will be torn down, others will be closed, and in them perdition will remain.

DO NOT FORGET THAT THE GREAT PLAN OF THE ANTICHRIST IS TO TAKE POSSESSION OF HUMANITY QUICKLY, and for this it will unify governments, economies, education, it will issue decrees for you all to think alike, act alike, and that society be a mass of followers of the impostor. **FREEDOM WILL BE TORN DOWN ... AND RELIGION WILL BE UNIFIED ...**

MY PEOPLE WILL BE PROHIBITED FROM WORSHIPING ME, THEY WILL NOT BE ABLE TO MENTION MY MOST HOLY MOTHER, since the antichrist knows that My Mother will defeat evil. You will be persecuted, but they will not rob you of Eternal Salvation. I will send My Angels to help you; do not fear, trust in My Assistance.

I have called Humanity to fulfill the First Commandment, I have not called you to abandon the Eucharist, nor to abandon My Mother, nor to abandon the Commandments, nor the Sacraments, nor the works and acts that lead you to grow in My Love.

**YOU MUST ENTER INTO ME AND KNOW ME SO THAT YOU ARE NOT CONFUSED...
YOU MUST GROW IN THE SPIRIT SO THAT YOU ARE NOT PREY TO EVIL OUT OF A LACK OF
KNOWLEDGE...**

My People, do not be accomplices of evil, do not abandon Our Divine Will that desires "*that all men be saved and come to the knowledge of the Truth*" (1 Tim. 2:4)

My People, remain in a State of Grace. Great events are coming to the Earth, some from the Universe, others with the creaking of the ground or the rising of the waters or with volcanic eruptions and with the anger of Humanity that will rise against itself.

Pray children, pray for United States of America, chaos is coming and with the chaos My children will suffer. This land must be purified.

Pray children, pray for Russia: the one who sleeps awakens over Humanity.

Pray children, pray for China, it surprises Humanity.

Pray children, Nature escalates, it will be the world's suffering.

My beloved People, the traitors, those who are handing over My People, will later be persecuted by their own allies.

MY ANGELS ANNOUNCE THE FULFILLMENT OF MY WORD.

I come to protect My People. Do not forget, My children, that "**I AM WHO I AM**" (Ex 3:14).

I AM THE SHIELD AND STRENGTH OF MY PEOPLE, WHO WILL SIT AT MY TABLE AND WILL ENJOY MY WORD AND MY PRESENCE.

You are not a People without a King; I see everything.

Be light, warmth, nourishment. Be a testimony to My Love.

My People, My Eyes are constantly watching you; you are My Great Treasure.

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

"If any man would come after Me, let him deny himself, take up his cross and follow me" (Mt 16:24).

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
NOVEMBER 6, 2016**

My Beloved People:

I KEEP YOU IN MY HEART. MY PEOPLE ARE CONSTANTLY BEING WATCHED BY ME.

Not everything that occurs is the cause of what encircles man, rather it is human stubbornness that does not allow My Word to penetrate the conscience of man and in this way man be kept in My Will, being centered on My Word, so that My Peace be lived in each one of My children in body, soul and spirit.

My Beloved People, the body walks along a path different from the path of the soul and of the spirit. This is not the Truth of living in My Will; whoever keeps living in this way will not reach fullness so as to be fused with Me.

MY PEACE, LIVED DEEPLY WITHIN THE HUMAN PERSON, IS THE SUSTENANCE THAT MAINTAINS YOU WITH THE NECESSARY VITALITY SO THAT THE BODY, SOUL AND SPIRIT BE FILLED BY THE GREAT NOURISHMENT THAT MY LOVE GENERATES, AND THUS MOVES AND UNIFIES EVERYTHING WITHIN AND OUTSIDE MAN.

The bad relationship between body, soul and spirit has caused Humanity to live in the chaos that is leading it towards self-destruction, and because of the indifference with which man looks at My Love and takes My Calls for him to live rightly and worthily and maintain peace in his life ..., because of this the spiritual chaos in which Humanity lives today is reflected everywhere.

My children deceive themselves, some because they surrender to the devil, others because they say they live in a constant search in order to meet Me, but this is not the truth, it is one more deception for supplementing the control that the human ego exercises over each person. **WHOEVER LOVES ME LAYS DOWN HIS OR HER HUMAN EGO SO THAT THE DIVINE SAP COMES TO MAINTAIN HIS OR HER WHOLE ORGANISM IN UNITY**, and so that every instant be the deepest gratitude that the human person raises up towards Our Trinity.

Each one of My children must learn to be noble and humble so they can transform the personal environment in which they live. You have not understood, despite of My insistent Calls, that if you do not die to personal whims, you my children, you will continue being the actors of the developing drama of your life until you manage to unite with Me for a single instant and understand that "I AM WHO I AM "(Exodus 3:14), and fuse with Me forever.

**YOU DO NOT BELIEVE IN MY WORD THAT ANTICIPATES, ANNOUNCES,
DENOUNCES AND ABOVE ALL, LOVES...**

You forget that pride is punished by each one. Along the way you encounter the result of the pride of the past. Some of My children suffer great spiritual hunger, but they do not like to feed themselves with the food that I bring them so that they grow and desire more of what is spiritual than that which is of the human ego.

**WHOEVER IS NOT DISPOSED AND CONVINCED SO AS TO ALLOW THEMSELVES TO LIVE IN MY WILL,
SHALL DESERT AT SOME POINT. MY WILL IS ALL THAT MAN NEEDS IN ORDER TO FIND PEACE.**

My Beloved People, in order to seek Me, you must first seek humility; without humility every reaction you receive from your brothers and sisters is a high voltage discharge that your brothers and sisters cannot resist, stemming from the action with which you have acted, and the explosion causes serious injuries on a personal level and that of your brothers and sisters.

**NOT ALL MY CHILDREN ARE CHOSEN TO BE MY MESSENGERS,
NEITHER ARE ALL MY MESSENGERS PROPHETS, BUT I LOVE ALL MY CHILDREN WITH ETERNAL LOVE.**

Humility is necessary in order to allow yourselves to live My Love in a personal and communal manner. At this instant, that impediment to respect and love My choices is causing man to be taken by envy and to become an executioner, not only of My instruments, but of My Will.

MY PEOPLE, I AM SPEAKING TO YOU BECAUSE I WILL NOT ALLOW YOU TO LIVE WITH EMPTY HANDS, UNAWARE OF THE WELLSPRINGS OF PURE WATER, IGNORING THE TREASURE THAT EACH PERSON POSSESSES FOR LIVING ETERNAL LIFE, BEING IGNORANT OF WHAT I HAVE PROVIDED FOR MAN SO THAT HE DOES NOT ONLY REPEAT MY LOVE, BUT BE AN INSTRUMENT OF PEACE FOR HUMANITY IN GENERAL.

My people, you need to understand using your intelligence that you should not be distracted by yourselves. The instant that you say to yourselves that you know, that instant is when you are most ignorant of what you think you know. That is the pride of the human ego that you are unable to overcome.

Beloved, you know yourselves with a body that possesses faculties, without discovering the soul, without wanting to reach the spirit, you limit yourselves to living by the mind, thought and heart, thus being very human and not very spiritual. You have totally taken root in what is worldly, preventing My Divine Light from flooding you with the Wisdom of My Holy Spirit, **THUS STOPPING THE TRUE KNOWLEDGE THAT MAN CANNOT LIVE IN FULLNESS IF HE IS NOT UNIFIED WITH THE SPIRIT SO THAT WHAT IS WORLDLY DOES NOT CONTAMINATE HIM. MY SPIRIT GIVES MAN WHAT MAN IS FREELY DISPOSED TO RECEIVE.**

My people, the body, soul and spirit need to be one, the concordance between them sublimates the human person and transforms it so that it fulfills its true mission on Earth: **BEING MY CHILD IN FULLNESS.**

My People, two forces have confronted one another during the history of Humanity: Good and evil.

IN THIS DECISIVE INSTANT, IT IS THE DUTY OF EACH ONE OF MY CHILDREN TO RECOGNIZE THE URGENCY OF BEING AN INSTRUMENT OF MY PEACE. Everyone should know me in order to love Me; it is precisely the ignorance of the Infinite Love of My Father for the Redemption of man that has led Humanity throughout history to distort the Truth and the purpose of My self-surrender.

Man has a restless spirit to which the nourishment of Truth has not been given. Because of this the spirit of man has wandered through different, very mistaken currents in search of a greater spirituality, to live more according to My Will, given the pitiful instruction that My children have received, and thus to live more by the spirit and less by the flesh. Man has been limited and evil has taken hold of this human desire in order to deform man, causing him to search for wrong ways where evil has penetrated and has managed to grow to the point where this generation finds itself: scorning me and aiming to cast me from the Earth, so as to hand it over to the dominion of satan.

BELOVED, EACH ONE OF YOU POSSESSES SPIRITUAL STRENGTH, AND THIS ATTRACTS ME LIKE A MAGNET, WHEN YOU SEEK ME CORRECTLY.

You cannot know Me by the intellect alone...

You cannot know Me by desire alone ...

You cannot know Me by the mind alone, nor by thought nor by reason ...

You need to know that each one of My children has to maintain unity in themselves for that unity to attract Me, and the magnetism of that magnet is: **LOVE, OBEDIENCE, HUMILITY, HOPE, CHARITY AND FAITH ...**

EVERYTHING UNITED IS THE FORCE THAT ATTRACTS ME.

My Beloved People, evil has been unified ; My children are destroying themselves in the foolishness of believing that they are possessors of My Truth. Each person interprets Me as they please. You do not love Me in spirit and truth ; you say that you know Me when you obey Me minimally and with minimal effort, provided that your interests are not affected.

I do not punish Humanity ; proud Humanity is punishing itself, applying the result of the misuse of free will.

Surrendered to the evil that dominates you, you transform yourselves into a rebel against the Law, creating your own law that leads to spiritual and physical destruction.

The Earth has cradled man and man finds himself at the precise instant in which Prophecies, forgotten and ignored, are being fulfilled.

**AT THIS INSTANT I OFFER YOU THE ARK OF SALVATION: MY MOTHER.
SEEK HER PROTECTION AND BY HER HAND YOU WILL FIND THE TRUE WAY, THE ONLY WAY OF
SALVATION AND ETERNAL LIFE.**

My people, pray for the United States, confusion reigns and with it the anger of man will manifest in that nation. The force of evil has taken hold of the minds of My children and they have reduced the Divine Law so that free will is guided by satan. Natural events will paralyze this Nation.

Pray My children, pray, Peru will be shaken, suffering, water penetrates within it.

Pray My children, pray, Chile is shaken, the high mountains show their force.

Pray My children, pray for Italy, from being a daughter she has gone to denying me, she will be shaken, her territory will be divided.

Pray My children, pray, My Church is being shaken; My faithful ones will be more faithful and the persecutors will be greater enemies of My Church.

My Beloved People, do not continue living without watching the Vault of Heaven; Humanity will live through great commotion.

War is gradually being lived out by Humanity in a constant threat that will become the most cruel struggle in the history of man.

My people will suffer and for this they must prepare themselves in the Faith by means of constant praxis.

I WILL SEND MY ANGEL OF PEACE TO YOU, IN ORDER THAT MY ANGEL ACCOMPANY MY PEOPLE; POSSESSING MY OWN LOVE MY ANGEL WILL GIVE HOPE AND FAITH TO MY OWN. Do not forget that My Angel of Peace is nourished by love and where Love is denied, the doors are closed to My Mercy. Humanity must make itself worthy of My Angel of Peace.

I love you, My beloved ones, I love you with Eternal Love.

"See, I have engraved you on the palms of My hands, your walls are ever before Me." (Is 49:16)

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

God does not forget us, his children. He knows our limitations and with them He loves us, He knows even our innermost thoughts, but does not consent to all thoughts if in them the Divine Law is not kept in the first place.

When I look at the Hands of Christ and see those Wounds on His Palms, the great and infinite love that emanates from that sacrifice causes me to tremble, that sacrifice for which even in this instant of great perdition Christ continues explaining His Word to us.

When Christ dictated this Call to me to live more by the spirit than by what is worldly, He caused me to see a multitude of names in the place where His Wounds are ... I know that each person will be able to discern immediately what this Vision means.

He bears us written with our names and surnames in the Palm of His Hands, and this, brothers and sisters, should flood us with Divine Love.

The attacks do not stop, but each one of them brings us closer to Christ, leads us to share with Him - although in a tiny way - His Pain.

This gives us the strength not to set Christ aside. All may abandon us, **BUT CHRIST IS ETERNALLY PRESENT, THE ETERNAL LOVE THAT NEVER ABANDONS US, AND THE ONLY ONE WHO IS SCORNED, IGNORED, AND YET IS ALWAYS PRESENT, SINCE HIS LOVE HAS NO END, HE WILL ALWAYS STAY BY OUR SIDE.**

Brother, sister, nothing of what happens in the world will be able to separate God from your side, Nothing...

THERE IS SOMETHING – YES, BROTHER, SISTER, JUST ONE THING THAT CAN REMOVE GOD FROM YOUR SIDE: YOURSELF.

Amen.

**MESSAGE FROM THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
NOVEMBER 10, 2016**

Beloved children of My Immaculate Heart:

I POUR OUT BLESSINGS UPON YOU WHO HEED THE CALL OF THE FATHER'S HOUSE FOR THE FULFILLMENT OF THE DIVINE WILL.

On this journey of Humanity, not everyone believes in this Word, but yes, you have seen it fulfilled and will see it fulfilled. Man saw My Son and did not recognize Him, as they do not recognize the Divine Word at this instant.

ENVY PREVAILS AS A CONSEQUENCE OF THE DISOBEDIENCE REIGNING AT THIS INSTANT. Humanity has not managed to emerge from the vice of envy because of the pride that remains in the human ego, competing to have supremacy over your brothers and sisters.

MY SON CALLS YOU TO KNOW THE HOLY SCRIPTURE, NOT ONLY IN ORDER TO MEMORIZE THE VERSES BUT TO BRING THEM TO LIFE.

Do not forget, *"For where jealousy and selfish ambition exist, there will be disorder and every vile practice. But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of*

mercy and good fruits, without uncertainty or insincerity. And the harvest of righteousness is sown in peace by those who make peace. " (James 3, 16-18)

Bear in mind: *"Do not lie in wait like an outlaw against the home of the righteous; do no violence to the place where the righteous live; for though they fall seven times, they will rise again; but the wicked are overthrown by calamity."* (Proverbs 24, 15-16)

Beloved children, envy is the achievement of the constant insinuation of the devil and his demonic spirits, who imprison the human mind in order to destroy what is My Son's. Do not believe that by attending the House of My Son you stay away from this great sin that leads to division.

Some of My children live in search of falsehood, when feeling envious at their brother's good, and with the evil on their tongue, they cause division. My poor children, those whose tongue is like a whip, it will turn against them and will make them fall!

Beloved children, in this instant evil is not lying in wait but has pounced upon the People of My Son with great desperation. The path of evil reaps evil, the path of goodness reaps goodness and unity. I do not want My children divided, I want them united in the Communion of the Saints.

**THIS INSTANT OF GREAT CONFUSION WILL BE REMEMBERED BY YOU
AS THE INSTANT OF DECEPTION AND CRUELTY.**

Whoever does not seek the good for themselves and for their brothers and sisters is far from having the strength necessary to overcome what is approaching Humanity.

My children, far from the Truth of My Son's Word, you are easily deceived, managing your own pain that you suffer and will suffer. Again brothers will rise up against brothers, in disguise in order to hide their faces.

HUMANITY IS REVERTING TO PAYING HOMAGE TO THE DEVIL; this poisons the human mind and hardens man's heart, grafting evil onto it so that men do not see the difference and offend My Son, nourished by envy, anger and lies.

How many of My children have rejected the announcements of this Mother in this instant, when they are coming so much closer to their fulfillment! With amazement, they will see the Sky take on the color of blood, and they will see how fireballs will descend towards the Earth. Then they will wail, but not asking for mercy, rather offending My Son.

Children, you will hear of alliances and decision-making among those who were not reaching agreements. Do not trust in this, then; the one who felt powerful and dominant over other nations will be abandoned, betrayed and devastated.

Dear children, pray for the United States, it will make a display of power. It will be betrayed without noticing it until it suffers. This nation will be surprised by an unexpected event, never having happened before... and it will shake it.

Dear children, pray for Italy, the world's gaze will turn towards this nation. Italy again shakes forcefully.

Dear children, pray for the Church. The Church of My Son is entering a period of great division.

Dear children, pray for Peru, this land is being shaken, its volcanoes enter great activity.

Beloved children of My Immaculate Heart, France is entering into great conflicts, it being unexpected terror that comes with the darkness.

Beloved children of My Immaculate Heart, My Son's Word can not be modernized:

What is not of the world, does not walk with the world ...

Peace is the Message of My Son ...

Truth is the Message of My Son ...

Love is the Message of My Son

MAN MUST NOT CONFUSE THE DIVINE WITH THE HUMAN.

THE INSTANT MERITS THE WHOLE ATTENTION OF EACH ONE OF YOU SO THAT YOU CONTINUE IN DEDICATION TO BEING BETTER HUMAN BEINGS AND CHILDREN OF GOD, ONE AND THREE.

Children, do not turn away from the prayer of praxis, do not fall asleep before My Son, entrust Him with your lives so that evil does not take you by surprise. Prepare yourselves to receive My Son in the Holy Eucharist and enjoy the Manna come down from Heaven.

Respect one another, be witnesses to the Love of My Son: present, alive and palpitating. Every step you take should be a reason for inner renewal.

Be virtuous in what you undertake, be upright and be love. You take being love so lightly that you subject it to your personal feeling without thinking of your brother! I mention Divine Love to you, the one which must be the daily bread for each of My own.

MAN LIVES IN ORDER IF HE LOVES HIS NEIGHBOR, HE LIVES IN DISORDER IF HE DOES NOT LOVE HIS NEIGHBOR. He who loves as My Son commands you, knows the depth of Justice, Charity, Truth. I call you to be human creatures of goodwill, and this happens in those who are nourished by their brothers and at the same time nourish their brothers with what they possess.

Why does Humanity intend to live without Divine Love, by carnal love alone?
Because humanity has been conditioned by evil to live by the flesh and not by the spirit.

You must be pure of heart, creatures of good thoughts and deeds. **THE HARDENED HEART MAKES OF THE HUMAN CREATURE A SELFISH INSTRUMENT OF DISORDER, OBSTINATE AND ENVIOUS;** this reigns in the world in those who reject My Son. Whoever communes with the Work and Action of My Son is of simple heart and knows that My Son scrutinizes the innermost heart of man.

Beloved, if you seek My Son, seek Him out of Love; if you wish to see My Son, see Him in Love, in the Divine Love that is all mercy, that is all fairness, that will not give wrongful payment to the righteous.

Humanity does not know Divine Love, it has immersed itself in the love of the world, and this leads you to competition, to failure, to following the footsteps of human idols. Evil has engendered violence and this spreads without reason, but by contagion in hardened hearts.

THE DEVIL DOES NOT REST, HE CONTINUES PROTECTING THOSE WHO ARE LOYAL TO HIM.

War continues little by little and the blind man says: "It has not started" What a great mistake man is making! The blind walk leading the blind, denying what Heaven announces to them so that they do not be taken by surprise.

Dear children, appropriately match the Love of My Son for each one of you. Edify each other; I love you and want you united. I unite Humanity in My Maternal Heart so that you be one, as My Son desires.

I am the Mother of all people, call out to me, cry out: I hear you. Come to Me and remain comforted in My Lap in order that you get up faced with the slightest fall.

My Mantle protects you, from the infinite I watch you, with great Love I wait for you.

I am not hurrying you up, I am showing you that conversion is urgent in order for you to find strength and overcome the trials of life out of Love for My Son.

**MINDS ARE WEAK, SINCE THEY DO NOT LOVE WITH ETERNAL LOVE.
COME TO ME SO THAT I MAY GIVE YOU MY HAND, AND SO THAT YOU THUS MAINTAIN THE
SERENITY THAT COMES FROM KNOWING YOURSELVES PROTECTED AND GUIDED BY ME
TOWARDS THE ONLY WAY: GOD, YESTERDAY, TODAY AND ALWAYS.**

I love you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Blessed Mother shows us the fullness of the Holy Spirit in Her ... That is the greatness of Our Mother, the Woman Clothed with the Sun to whom Her Son has left the guiding of God's People so that by Her Hand we are led in these instants and in those to come to be part of this Remnant Church.

We are nourished by Faith and knowledge; Our Mother delicately shapes the scenario for us in which we move - a serious instant in which most human beings continue to live in the manner arranged by the people who determine the destiny of Humanity.

The man of this instant - as our Mother describes him -, distances himself from Divine Love and therefore becomes irrational and rejects the good. Man has entered into lovelessness, and this has opened the doors to evil, with anger being the daily reason for destroying the family and society.

Indifference has eaten away at the heart of man who is satisfied with himself, nourishing his "ego."

We must ask our Mother to intercede for us, so that evil does not reach us, and so that we continue to be good creatures, worshipers of Christ and worthy children of our Mother.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARÍA
NOVEMBER 13, 2016**

My Beloved People:

IN EVERY BEAT OF MY HEART IS EACH ONE OF MY CHILDREN.

I come to you to heal your wounds, your sorrows, and to give you everything that you need for you to continue in what is right. Sometimes you expect from Me what is not suitable for you; I give you what makes you part of My Flock.

Be aware that "*I am the Way, the Truth and the Life*" (Jn^{14,6}), I am Actor and Spectator, I am the Doctor and the Medicine. Sometimes I am the bandage on the wound; at other times, I am the thread that stitches; at others, I am the medicine against pain; on other occasions, I am the gentle wind that helps to heal the wound; and at other times ... I am the brush that cleanses the wound.

My Beloved People, each of My children must fulfill the Law of Love; only thus will you live in the Truth.

My Beloved People:

THE ONE WHO TURNS AWAY FROM ME LOVES HIMSELF THE MOST, LOVES HIS HUMAN EGO THE MOST AND THEREFORE SCORNS THE ONE THAT IS BESIDES ME ...

Whoever loves himself the most has been infiltrated by the fluids of pride, of self-love, of envy, of unhappiness, of despair, of unforgiveness, of vanity, of cruelty, of ill-treatment, of foolishness, of possession, of imposition, of not accepting My Will ...

Whoever turns away from Me always finds a pretext for his brother to be the one to make expiation and he himself the executioner.

Whoever turns away from Me imposes himself on his brothers and sisters, until pride makes him intolerable for his brothers. **NO, MY BELOVED, OPEN THE EYES OF THE SPIRIT AND DISCERN...**

In this instant, disturbing spirits have taken hold of some of My children in order to keep My People in constant pain. You must discern what comes from Me as necessary for the soul and what comes to you to disturb, scourge and exhaust you in order that you turn away from My Path

In My People, every human creature must be the one who directs their brother to Me and not the one who distances him from Me. He who is obstinate does not grow, nothing satisfies him; for the humble person, it is enough to serve Me and to offer Me what they have, and what they can and cannot, for they make the greatest possible effort.

MY PEOPLE, AT THIS INSTANT UNITY AND THE SECURITY OF THOSE WHO WALK IN MY TRUTH IS INDISPENSABLE. Prepare yourselves in the spirit, assist one other so that the spiritual senses may come forth quickly.

My People are confused on hearing that the Signs of this instant are not signs, but things that must occur and which are natural. You need to be aware that the spiritually blind are those who do not want to see the Signs of this instant as an alert for Humanity to awaken, and instead tell My children that what is happening is natural.

My People, you will see those brothers who have denied the Signs of this instant as a message for you to prepare yourselves in the spirit, you will see them with those who scorn My Mother.

MY PEOPLE, YOU ARE STRUGGLING AGAINST EVIL SPIRITS THAT WANDER THROUGH THE EARTH PERVERTING MEN, STEALING THE SALVATION OF SOULS; THEY ARE DEMONS WHO HAVE COME OUT OF HELL ITSELF, WHO BURN WITH ENVY SEEING YOU ADORING ME, RECEIVING ME, WORKING FOR MY KINGDOM, ANNOUNCING TO YOUR BROTHERS AND SISTERS THE INSTANT IN WHICH YOU FIND YOURSELVES.

THE DEMONS SHAKE WITH ANGER AGAINST YOU, BLESSED OF MY FATHER.

Humanity perverted by sin has contaminated every aspect of society. The poison of pleasure and ignorance has been slowly poured out over men, in order that they do not know Me and distrust Me.

**FAITH WILL GO OUT IN HUMANITY LIKE THE FLAME OF A CANDLE BLOWN BY THE WIND.
THE CRUELEST OF RELIGIOUS, RACIAL AND ECONOMIC PERSECUTIONS WILL BEGIN.
DISEASES SENT TO HUMANITY BY MISUSED SCIENCE WILL BE SUDDEN AND UNKNOWN.**

Pray My children, pray, Nature makes man tremble.

Pray My children, pray, Peru trembles, disease appears.

Pray My children, pray, My Church is surprised.

My People, I insist on the Law of Love and on Charity towards one another. Recognize creatures of charity: they have an upright conscience and a heart abounding in the Truth, they are not creatures of pretend Faith.

MY TRUTH IS LOVE, MY LOVE IS MY TRUTH.

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

I pray to God One and Three: may we be blessed.

We see, feel, share the Word of our Lord Jesus Christ in this Message. Perhaps there is so much information that comes to man, from all parts and in all forms, that he takes what he most feels that he needs, without thinking about it and still less discerning it.

DISCERNMENT IS SOMETHING MAN IS NOT ACCUSTOMED TO USING IN ORDER TO ASK FOR GOD'S LIGHT IN MAKING DECISIONS IN LIFE, AND THEREFORE ON MOST OCCASIONS THE WAY OR THE CHOICE IS NOT CORRECT.

Humanity, living in such agitation and convulsion, does not feel personal satisfaction, and this feeling leads him to placate his ideals or feelings somewhat in wrongful acts or works.

Christ lets us see in the depth of the Message how He speaks of that emptiness that man feels inside and with which he lives. Christ speaks to His People who are oppressed by the misuse of human freedom, **ENCASED IN A PROFOUNDLY SELFISH "EGO"**.

Christ is our great ally in the good, in personal struggle, in the desire to be united with Him, but it will only be when man becomes humble and stops standing on the shaky ground of his "ego", that he will find the help for which he is asking.

Brothers, how much unbelief Christ finds in the hearts of His children! And yet He continues giving us the **LIVING WATER OF HIS LOVE AND HIS WORD**.

The inner void is only filled by the Divine, and therefore the ideas, the situations, the resolutions, the responses that every person humanly proposes to themselves, if they are far from the Love of God, will fall again into the void.

This is man's eternal conflict: trying to solve life without God, or with a prayer but without committing himself and without looking within himself.

Christ knows us, He sees what is deepest in our thoughts, ideas, confusions, denials, but man will never emerge from anything that afflicts him if it is not by God's Hand.

And as our Father St. Augustine says: "God, who created you without you, will not save you without you". AND: **"YOU HAVE MADE US FOR YOURSELF, O LORD, AND OUR HEARTS ARE RESTLESS UNTIL THEY REST IN YOU."**

Amen.

**MESSAGE OF THE MOST HOLY VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
NOVEMBER 17, 2016**

Beloved children of My Immaculate Heart:

MY HEART SHELTERS YOU ALL SO THAT IN IT YOU MIGHT REMAIN WITHIN TRUE LOVE.

Do not leave the path down which I ask you to travel; allow Me to intercede before My Son, keep hold of My Hand.

Each one of My Own is guarded by their travelling companions - the Angels, and alerted when you are in danger of falling into wrongdoing.

Children, it is necessary for personal and then communal spiritual advancement that each of My children should choose to see themselves inwardly, however painful it may be to encounter the reality of how you work and act. You are capable of seeing yourselves inwardly so that you correct what you must correct in life, above all that which concerns the human ego and the treatment of others.

Man would not act in evil so repeatedly if he would stop looking at the evil that he apparently judges in his brother and would see himself definitively in the light of Truth.

When man looks at himself inwardly in spirit and truth, he finds My Son in the depths of his inner being, waiting for you in order to provide you with a deeper awareness of Divine Love and of man's duty as a child of God.

My children, in this instant in which erroneous ideological currents abound, you are called to pay attention in the face of the confusion in which you are living. What the new, spiritual, ideological currents offer you in order that you find My Son through practices of concentration or relaxation, without taking into account the state of the soul, is something completely mistaken.

You need to follow My Son and find in Him what the world will never give you. At this instant in which much of My Son's Church remains inundated by Freemasonry and Illuminati, My Heart grieves at the incompatibility of these secret societies with the religion that My Son instituted.

High positions in My Son's Church are under the power of masonry, unleashing great confusion concerning the acceptance of norms contrary to the Law of God. These practices have drawn satan's smoke towards My Son's Church, taking power in order to conceal its true intention.

My children, you must know Sacred Scripture in order to recognize the difference between the True Path to My Son and the various wrong paths that lead to the worship of the body, of Creation and of satan.

Do not forget that at this instant the devil has activated all his tentacles in order to lash out at you without your perceiving it. The stench of the enemy of the soul covers the streets of cities, spreading hatred and confusion over Humanity, which walks in disorientation, listening to various voices, sinking instant by instant into error, into denial and acting outside of the Commandments.

Evil has invaded Humanity, it has reached unthinkable levels of power, within the religion of the peoples: economic, social, political and moral power; it has taken possession of the lukewarmness of My children, and causes them, under the guise of fraternity, to neither be true Christians nor true children of God.

Beloved children of My Immaculate Heart, you must prepare yourselves so as not to be deceived and led towards evil. Know My Son, know the Divine Will for His People; you cannot believe that you are saved if your work and action are not in accordance with the Law of God, the Sacraments and other works of Mercy.

Change within you begins with the acknowledgement of your personal work and action. If this acknowledgement is not made, you will walk dragging behind you the chains that bind you to evil. I do not find a new man without his having recognized himself as a sinner, recognizing himself as proud, recognizing himself as weak and requesting Divine Assistance.

PREPARE YOURSELVES TO BE NEW CREATURES, RENEWED BY DIVINE LOVE.

Beloved children of My Immaculate Heart, Humanity refuses to be reunited with My Son, the comfort that evil offers you alienates you from the mystery of the Cross.

You scorn the gift of sight by denying that evil is living in Humanity at this instant. You do not act well, you do not commit yourself to a definitive change towards good works, you mock those who strive to live in obedience to the Divine Word.

The stench of the sin of Humanity has caused the earth to collapse in various parts of the world; it does not want to continue bearing upon itself the continuous sin of man. Weakness in the face of sin once more shows itself in human history, the alienation from the Law of God gives evidence of the spiritual lukewarmness of a great number of human beings.

Dates regarding The Warning, The Miracle, The Punishment, catastrophes, regarding The Days of Darkness and The Second Coming of My Son are spreading like the wind throughout the world.

MAN OF GOD: PREPARE YOURSELF AS IF YOUR DAY WERE THE LAST THAT YOU WILL LIVE!

Do not be like the hypocrites who wait with anticipation to be examined in order to ask forgiveness and thus exempt themselves from the penalty of their sins; they forget that God knows the least of their thoughts, works and acts.

My Son will come without warning, thus He will take His people and allow them to examine themselves.

You should be aware of the urgency of this instant and not be like the foolish who deny the signs of this instant in order to deceive the naive.

"Thou shalt love the Lord thy God with all thy heart and with all thy soul, and with all thy mind" (Mt 22:37), and "... thy neighbor as thyself" (Mt 22:39). **THE SALVATION OF SOULS CONTINUES WITH THE SAME REQUIREMENTS, WITHOUT CHANGES IN THE LAW, WITHOUT CHANGES IN THE SUBSTANCE OF DOCTRINE, WITHOUT CHANGES IN THE DIVINE WORD. BELOVED, RECEIVE MY SON, PROPERLY PREPARED.**

WE CALL YOU TO AN INNER CHANGE, WHICH IS: TO BE RECEPTIVE TO THE ILLUMINATION OF THE HOLY SPIRIT, SO THAT YOU DO NOT ONLY SEE THINGS FROM OUTSIDE BUT THEIR ESSENCE. IN THAT LOOKING AT THE ESSENCE, THE SOUL SEEKS GOD, WITH A CONTINUOUS MOVEMENT TOWARDS WHAT IS HIGHER.

My Beloved, the instant is rushing by at great speed, indeed I must express to you that the Earth is turning with greater speed; in as much as the instant is shorter, the weeks pass quickly without you noticing it. Hence the urgency of inner change: events are approaching at full speed.

Evil is wreaking havoc in houses of religious formation; evil distracts the mind of man; evil destroys homes; evil accelerates war in its fullness; evil distances man from God by offering man every possibility of sin in order that he lives in a constant lie.

Man dresses like women, this being one more sign of the instant in which you are living. Thus they lived in the times of Sodom and Gomorrah, in depravity. Women seek the pleasure of the flesh; they offer themselves without shame. You blame evil, therefore I mention evil to you, evil, and it is not evil as such but man's surrender to everything that is not right and the distance that man has taken from God's Law that has opened the door to the devil so that he destroys man and man destroy Creation. Children, this has already happened; at this instant man is receiving the product of his madness.

Everything that happens has been managed by the hordes of the devil who, intuiting the personal examination of souls, is accelerating his attack in order to win souls for himself.

Beloved ones, the Warning is indeed at Humanity's gates, therefore repent, do not let your soul be lost.

Pray My children, pray, you will see on high the fire surrounding the Earth.

Pray My children, pray for the United States, the power of the economically powerful surprises the nation. Racial revolts will not delay. This ground shakes.

Pray children for Russia, the wolf hides behind sheep's clothing.

Pray My children, pray for Denmark, it will be shaken.

Pray My children, for Italy, it will be surprised by terrorism.

This generation will be a witness to the Words of My Son on the Mount of Olives.

Beloved children of My Immaculate Heart, this instant should not be taken lightly, but with an awareness of what Eternal Life is worth. And resembling My Son, look up, look up, you will be surprised.

The effort must be two-fold; he who desires to serve My Son must serve with loyalty. He who is lukewarm is vomited out of God's mouth. Unite, assist one another, be living testimonies of the Love of My Son.

I bless you in My Immaculate Heart.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Presently Humanity remains waiting or is in a denial about what is to come.

Great Divine Mercy is the best demonstration of that Love only the Most Holy Trinity can feel for Their People, as we remain on the earth that was given to us as an inheritance and that man is destroying.

Our Mother leads us towards Eternal Life; She speaks to Her children with the Truth, knowing that our Lord Jesus Christ gives His children the tools and more in order that we not only live by what is immediate, but live by the powers of the soul. Only with a humanity that is spiritualized and conscious that each act does not only have repercussions on the personal level, because we are not isolated creatures, but has repercussions on the whole of God's Creation, we need to commit to change, being better human beings, brothers and sisters, and better children of God.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA.
NOVEMBER 20, 2016**

My Beloved People:

**I LOOK FOR YOU LIKE THE SHEPHERD FOR HIS SHEEP.
LIVE WAITING FOR MY ARRIVAL...**

This instant of spiritual growth in which you are coming closer to Me is clear for those who are aware that in the face of a great evil that is approaching, I am preparing you so that you be one with the Divine Will that has created everything, and resist with spiritual conviction.

**I HAVE ANNOUNCED MYSELF SO THAT YOU REMAIN PREPARED AND AWAIT ME WITH A
GENEROUS SPIRIT AND CLEAN HEART ...
I HAVE ANNOUNCED MYSELF IN MY SECOND COMING ...**

On their own my children are confused; I told you that I will not arrive unless the apostasy comes first and the man of sin appears, the son of perdition. Why do you allow yourselves to be deceived? You look forward to what does not come from My Will, but from the will of men. I will arrive when you least expect it because first you will hear of rumors of wars, and the war will be concretized when every Nation rises against every Nation and when pestilences and hunger are greater than those of this instant. You will hear of peace treaties, but this peace will not come because of betrayal.

Confusion is in sight of all My children. These will suffer until human stubbornness decreases; some do not decide to convert—these are their brothers' executioners. Iniquity will reign on Earth, weak hearts will be allies of evil and the devil's prey, in order that what is written be fulfilled.

My beloved People, pray for Spain, it will be taken by surprise and those who do not love Me will scourge My People, they will empty My Temples and attack My own without fear but with great evil.

My beloved People, pray for the United States, it is strongly shaken. Society enters into chaos; blood will be shed.

My beloved people, pray for Peru and Chile, these beloved peoples are shaken, they suffer greatly.

My beloved People, you are the Mystical Body of My Church, do not see as good that which is not good. Dirty water, if it is not observed carefully, can pass for pure water, therefore you should sharpen your eye and alert your senses so that the whole body remain on constant alert.

Pray for the United States, injustice will be experienced in that Nation. Racial conflicts will return; disorder will be like a contagious plague.

Pray children, pray, the volcano Etna will cause surprise.

Pray children, pray, the earth continues shaking.

Distant human acts will come that have made My People tremble; human discrimination will arise on a large scale.

My People have been flooded with phrases worshiping satan, requesting the taking of the Earth and My children, through the loud music of heavy rock groups and other musical tendencies in which

human beings enter into uncontrolled states and surrender to evil that possesses them. Musical groups take satanic gestures to flood My children with signs used by the followers of satan.

My People, wake up! Music is not what it seems to be; examine the signs, the gestures, the words with which those who present the music to My People deceive them in order to distract them from the true path and add them to satan's ranks. Do not call on satan: with this act you open the door for him to enter your lives, do not allow yourselves to be part of the prey that the devil has entrusted to some people in order to distort the meaning of life and fidelity to Me. Do not follow human idols under any circumstance.

**BE CAREFUL OF THOSE WHO SAY: "I am the Christ" ...
MANY WILL COME IN MY NAME BEING DECEIVERS OF HUMANITY**

My Beloved People, you must be united with My Work and Action, you must despise injustice and be lovers of peace. Do not prefer those who boast, unite with the humble and simple of heart: in them I deposit My Word. Do not believe that you possess the whole Truth, do not be impetuous, be peaceful. Some of My children do not see the darkness because they live in it, thus they reject the light, because they do not know it.

My Beloved People:

My Angel of Peace comes to assist you and comes in search of people with clean hearts in order to call them ...

My Angel of Peace comes to open oppressed hearts, to soften hearts of stone, to help those who want to be saved ...

**YOU WILL CONTINUE ELEVATING THE SPIRITUAL SENSES WITH
THE PRACTICE OF THE SENSE OF SPIRITUAL TOUCH.**

Pray so that My Teachings do not fall on dry ground. This sense is necessary for you to put into practice.

Man's life resembles a circle that remains in constant motion. From within this circle the senses are like emanations that man emits towards his environment, like lights towards his brothers and sisters. The heart, as in the body, keeps beating, so good or bad feelings become apparent in each one of you.

YOU WILL SEE THE SENSE OF SPIRITUAL TOUCH IN THE AFFECTIONS; these you condition them to what you receive from your brothers and sisters, from the environment and from what you expect of life. In order to be correct, the affections have to be born from a new heart, and you receive that new heart when you surrender to Me in conversion.

Children, each one of you must refrain from judging your neighbor with self-justification mixed with perversion, since man normally tends to lie and despises truth, dragging his affections above his behavior.

At this instant, Humanity has buried affection, one's neighbors are a nuisance or a blessing—clearly two ways: again good or evil, love or hate, joy or tension, boredom or action. **THIS IS THE REASON WHY I CALL YOU TO BE RENEWED INTERNALLY WITH A GENEROUS SPIRIT, IN ORDER THAT YOU ASK ME TO SANCTIFY YOUR WORK AND ACTION AT EVERY INSTANT, GIVEN THE BURNING DESIRE TO LIVE IN MY WILL.**

The human will mistakes what it desires; because of this, due to the disobedience of man, the affections have managed to blind man, to silence him, to lead him to deafness, and have created spiritual paralysis. My children, if every person does not allow his or her human understanding to be enlightened by My Spirit, he or she will not recognize or understand the true delights of My Kingdom.

Beloved, you need to come out of the denial due of which you do not understand Me, do not know Me and do not love Me. You cannot walk by refusing to understand My Word, saying: "I don't understand, I don't comprehend the Divine Word." This is because in order for the spiritually blind man to see, he needs to have the healing power of My Word, to follow My Law, and to come to Me without expecting to find the same concept that you have about creation or the rules of My House.

The affections of man are found in the in what is base of the world. You have constructed your own model of how My Work and My Action are, and you have become stuck in what is immediate, in what is visible to your eyes, scorning what is of My House.

The transformation of My children comes through knowing Me in order that I transform them and so that they want to know Me in Spirit and Truth. Everything attains the expected beauty if your affections remain up beside Me.

HE WHO IS WISE IS BENEVOLENT, PEACEFUL, MERCIFUL AND—SOMETHING IMPORTANT—DOES NOT JUDGE.

My Beloved People:

CONTINUE PURIFYING THE SENSE OF TOUCH, considering that physical touch corresponds to the affections in the heart of the man who does not despair but waits without faltering.

You associate touch with feeling through the concrete perception of something, and this is not correct. Spiritual touch leads My children to live in the Hope of Salvation, seeing the goal of the final meeting in an ecstasy of love, which the human creature constantly offers me in the struggle of every instant. My People desire what is incorrect and are therefore corrupted and do not maintain Hope or Faith in My Word.

Dear children, continue awakening the Gift of touch. With a clear conscience and immersed in Hope, My People walk in obedience.

FIRST DAY OF THE FIFTH WEEK:

I offer the Gift of touch on this day to the Sacred Hearts of Jesus and Mary Most Holy.

I offer you this gift of touch in this instant for Divine Glory and for the good of souls.

In every present act, my affections will stay attentive, alert, so as not to accumulate what the sense of touch desires and which leads to sin, offending the Sacred Hearts.

Give me the strength to free my sense of touch and to bring it to work and act for the good of my soul and of my brother and sister.

I cry to You, Most Holy Mother, so that you take me as Your disciple, guide my life, and so that my path be directed towards meeting with Your Son.

ON WAKING UP I OFFER:

I have affections for the good. From this instant on, I offer my constant effort so that this Gift be made more spiritual, prioritizing the Divine Desire for my personal salvation.

I propose to free my affections from occasions for sin, in everything seeking the Divine purpose, remembering only the good that each brother and sister has given me, and in Creation, the greatness of the Eternal Father.

I do not wish to sin any more with the sense of touch, I surrender it to the Sacred Hearts so that, being Your creature, my Lord, you raise me out of sin.

I do not desire that what I am should continue to provoke bad affections, nor disdain the Divine Kindnesses that lead me to remain in a state of Grace.

Sacred Hearts, sustain my affections, leading me to retain only the good.

I stop my free will and immediately subject it and entrust it to the Sacred Hearts, so that they free me from occasions for fault, and thus mold this sense so that it leads my affections only to what is for the good of my soul and so that I do good to my brothers and sisters.

May this sense of touch desire the Purifying Water of Love coming from the Sacred Hearts.

Amen.

MIDDAY:

I review with our Mother the morning's efforts and take note of weaknesses.

BEFORE SLEEP:

I give thanks to the Sacred Hearts of Jesus and Mary Most Holy, whom I beseech to help me in this intention of becoming a better child of God.

Our Father, Three Hail Marys and Glory Be.

CHILDREN, COME TO ME AND ENTRUST ME WITH YOUR LIFE.

Do not forget, My children, that touch desires pleasant feelings, but not everything that is desirable to touch is right. Gold shines but gold is not man's happiness.

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Heaven wants us to be adults in spirit. So much that it addresses a People that advances and does not stagnate, a People that stays alert so that it might not be found sleeping.

IN THIS INSTANT, IT IS VERY IMPORTANT TO GROW, TO ACQUIRE KNOWLEDGE, BUT NOT IN ORDER TO REMAIN WITH THAT KNOWLEDGE, RATHER TO PUT IT INTO PRACTICE.

We read in the Messages the word "soul" and we are invited to save the soul, that inner body that illuminates our whole physical body, that sustains our whole physical body, and that when it leaves this house of the body, the human creature perishes.

Sometimes we labor with other occupations and the person does not know themselves within, but is content with a light veneer.

This explanation is so profound and at the same time so understandable by all, that only God in His Wisdom can do this.

We need to continue being faithful, and for this, what we need to know must not be known solely through the intellect, but we must allow the spiritual senses to be present, so that the Divine Light descends and we understand in the Divine Way, not in the limited human way.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARIA. NOVEMBER 25, 2016

Beloved children of My Immaculate Heart:

WITH THE BEGINNING OF ADVENT, EACH ONE OF YOU SHOULD BE PREPARED TO BE A PART OF THE SPIRITUAL MEANING OF MY SON'S NATIVITY.

Children, keep the flame of Faith, Hope and Charity alight, so that this new wine of the Love of My Son might not be lacking in your hearts as His children. Be aware of your participation in the Mystical Body of the Church, of which My Son is the Head.

You are the candles that do not go out, however strongly the winds may blow...
You are the testimony of the love that My Son has placed in the heart of each person...

Beginning this special Advent, you should renew the Consecration to the Sacred Heart of My Son and to My Immaculate Heart.

IN FAITH, YOU SHOULD HOLD TO THE SECURITY OF DIVINE PROTECTION; THE STAR FROM ON HIGH WILL GUIDE YOU AT EVERY INSTANT, IF YOU DO NOT SEPARATE THE HUMAN WILL FROM THE FULFILLMENT OF THE DIVINE WILL.

At this instant, seek true repentance, that which is born from the deepest part of you, from where true grief is born for offenses committed against God and neighbor.

Humanity turns against the Church of My Son, points the finger at her and undermines her. The lack of prayer among My Priests hinders their true discernment so that they call sin, sin. My Son's People have become depraved, being a powerful magnet that attracts purifications upon Humanity, one after another, in response to human wrongdoing and to the urgency of awakening man's conscience in order that he be faithful to God, One and Three, and not faithful to men.

Whoever among you places your faith in a man, has degenerated and regressed to his or her most primitive state, confusing what is of God with what is of men. The man of God must reject praise, for the human ego desires such honors and inclines the one who receives them to perceive himself as being different and greater than his brothers, and indispensable for his brothers to be saved. **HE WHO RECEIVES HONORS WITH VANITY AND DELIGHTS IN THEM FALLS INTO AS MUCH ERROR AS THE ONE WHO GIVES UNNECESSARY HONORS TO WHOMSOEVER IS A CHILD OF GOD AND NOT GOD, THE ONE WHO ALONE DESERVES ALL HONOR AND GLORY.**

In these decisive instants confusion will abound, and some of My children, desiring to do good, will use their brothers as firewood and throw them into the fire amid undue glorification that corrupts the human creature.

Given the malice existing in Humanity, living without repenting of sins committed hardens the human heart, and the person continues acting wrongly with greater frequency and force, until the habit becomes part of man's daily work and action. That is why souls go so quickly from lukewarmness to forgetfulness, and from forgetfulness to the continual repetition of sinful acts, **WITHOUT ANYONE CORRECTING THEM.**

IN THESE INSTANTS WHICH ARE SO DEMANDING FOR THOSE WHO WISH TO REMAIN ON THE PATH OF TRUTH, MY SON HAS DRAWN UP A SERIES OF STANDARDS FOR YOU TO AWAKEN THE SPIRITUAL SENSES, SINCE WITH THIS TRAINING, THE PERSON WILL LOVE WHAT IS OF GOD AND REJECT WORLDLINESS.

The union between man and the Holy Spirit must arise so that Humanity might not be deceived. Whoever gives honor to man will fall with man. Those who are idolaters, rebels, those who threaten, the ungodly, the deceivers, will be defeated by Me.

As a Morning Star, I shine in the midst of the humble ones who are trained in growing spiritually in the Divine Way: in Love, Grace, Holiness, Truth, Courage and Patience, so that the wheat might shine as if the sun were illuminating it.

Beloved children of My Immaculate Heart, being a Christian is not a title, it is not a name, it is not a denomination or a sign of recognition, **IT IS THE CULMINATION OF THE LIFE, DEATH AND RESURRECTION OF MY SON FOR THE REDEMPTION OF THE WORLD.**

MY SON LEFT HEAVEN TO YOU AND IT IS THE DUTY OF EACH PERSON TO GAIN IT FOR THEMSELVES. YOU ARE NOT ASSURED OF EVERLASTING ETERNAL LIFE IF YOU ARE NOT TRUE CHILDREN OF MY SON AND ADORERS OF THE DIVINE WILL.

I take the hand of My Son's People in order to bring them to be born again. Man must be reborn with a heart of flesh, faithful, filled with peace, with senses purified by the Divine Will and conscious of the true value of the Cross.

My children, do not refuse the effort or the suffering or the pains imposed by the change from being a person accustomed to pleasing his or her "ego", to being a person who lives in the constant practice of living out the Commandments, of loving his or her neighbor, of living out a constant struggle against his or her desires and passions, of requiring of himself or herself a greater knowledge of My Son and His Work and Action in order to be better and to be closer to My Son.

I DO NOT WANT THOSE WHO REPEAT, BUT PEOPLE AWARE THAT IN ORDER TO STAY ON THE TRUE PATH WITH FAITH THAT IS MATURE AND READY TO BE TESTED, THEY MUST ENTER INTO THE WAY OF MY SON AND ASPIRE UPWARDS, being aware of the grandeur of being a child of God and being able to call him with Love and trust: "Our Father who art in heaven ..." (Mt 6: 9)

My Son's People are not just any people, theirs is not the way of the world, but they are a people that respect and love the Divine Word and reject the world and its machinations ...

My Son's People do not disguise sin or make pacts with the devil, knowing that evil interests are leading Humanity to the declaration of one religion that will worship satan ...

You know well that evil wants to prevail over My Son's Church. Do not forget to adore My Son, not only in the Tabernacle, but in every one of the actions and works with which you give testimony of the love that you claim to have for My Son. There are so many who gather in the Temples for purposes so different from those truly asked for by My Son!

At this instant, the Temples have been taken over as amphitheaters, seriously offending the Sacred Heart of My Son, by introducing the very instigator of sin within the Heart of the Church of which I am Mother. You blaspheme with these acts...

With trembling and dread, the Heavenly Hosts look from the House of the Father upon those who receive My Son in grave sin, preparing their own condemnation. Is this the Holy Church of My Son? No! This is the church of men, the church of the human will.

I weep when looking at the suffering of My Son's People... Purification is necessary.

Pray children, pray for the United States, its suffering does not end, on the contrary, it increases. Power usurps the will of the people. The seasons are reversed and the ground shakes.

Pray My children, pray for Italy, it suffers again; sin abounds, repentance is forgotten.

Pray children, pray, the water penetrates the earth. Pray for Japan.

Pray children, pray, new alliances are only false hopes. Treachery is making its way: pray for Colombia.

Pray children, pray for China, it will hold Humanity in fear.

Beloved children of My Immaculate Heart:

MAKE REPARATION, MAKE REPARATION FOR THE GREAT OFFENSES WITH WHICH HUMANITY GRAVELY OFFENDS MY SON.

You betray one another ... Recognize the one who does not love My Son by captivating other men with false words. This is how Satan acts, pitting man against his brother.

KEEP YOUR LAMP LIT, THE WARNING IS APPROACHING ...

Do not tremble before evil, tremble at offending God.

In the end, My Immaculate Heart will triumph. I will lead you by My Hand to the Trinitarian Throne.

Do not fear, children, do not fear. Be souls that adore My Son, love him and make reparation for those who offend Him.

As Mother of Humanity, I will give My Son His Holy People.

I bless you.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Next to the manger the Blessed Virgin and St. Joseph maintain complete humility ...
At the foot of the Cross, our Mother maintains complete humility ...
And She calls us to complete humility ...

Our Blessed Mother tells us that Salvation is not given, we have to gain it, and in order to gain it, we have to seek it and live it.

Our Mother with great humility tells us: "I weep ..." For whom does our Mother weep? For each one of us. And this exclamation by Our Mother ought to shake our hearts.

Humanity has deviated from the path that Christ left for us, and at this instant, we must take that road again. We have received complete instruction from our Lord Jesus Christ concerning the spirituality of the senses. Let us not see this as one more thing, but as the first fruits of the Beloved to His beloved, the Church.

Our Mother has the authority given by the Most Holy Trinity to call us to take the path back up again. And if we remember the Apparitions where the Divine Will is faithfully explained to us, they are **REVELATIONS GIVEN BY OUR MOTHER**. Are these facts significant for Humanity? Are such great facts something that Humanity is allowing to pass by unnoticed?

Mary, the Mother of Christ and our Mother, the Woman Clothed with the Sun who does not keep her distance from Her children, but on the contrary gives us Her Immaculate Heart and fights against evil in order to restore Earth to the Creator in the name of all Humanity.

She calls us not to falter, but to stay beside Her Son, and in each fall, looking deep into the eyes of our Mother, let us find our Savior.

Brothers and sisters, let us enter into the way, just like the disciples in Emmaus, and let us recognize our Savior in the breaking of the Bread.

Oh perfect holiness of our Mother, who, being the work of the Divine Will, has been the most humble of God's children!

Mother, let us touch the hem of Your Blessed Mantle, and let us not be separated from you!

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
NOVEMBER 30, 2016**

Beloved children of My Immaculate Heart:

MY LOVE STAYS BESIDE EACH ONE OF YOU ...

DO NOT FORGET THAT I AM THE MOTHER OF HUMANITY ^(Jn 19, 27), **MOTHER AND QUEEN OF EVERYTHING CREATED**. I am Mother of Humanity and yet it seems that this Word and this designation of the Most Holy Trinity has not been fully understood by My children ...

I do not call you to come to Me because I am greater than the Most Holy Trinity, I call you to come to Me because by designation of the Most Holy Trinity I have been appointed to lead the People of My Son and to intercede for all Humanity so that you might again find the path of Truth, Salvation and Peace.

I HAVE BEEN DESIGNATED BY THE MOST HOLY TRINITY IN ORDER THAT IN THESE DECISIVE INSTANTS FOR HUMANITY I STRETCH MY HAND OUT TO YOU, OFFER YOU MY HAND, AND SO THAT THOSE WHO WISH IT ALLOW ME TO LEAD THEM ON SAFE PATHS.

I will crush the head of evil ^(Gen. 3:15), and knowing by Divine Will all the coming events, I announce to you what is approaching in order that you prepare yourselves properly in the spirit and recognize the Divine Word and not allow yourselves to be confused with modernisms that are not the Will of God.

YOU HAVE THE OBLIGATION AS GOD'S CHILDREN TO KNOW THE SACRED SCRIPTURE, TO RECOGNIZE THE DIVINE WILL IN THE COMMANDMENTS AND TO DISCERN THAT THESE WERE, ARE AND WILL BE THE SAME AND ARE NOT SUBJECT TO INTERPRETATIONS. (EX. 20, MT 24, 35)

The devil is cunning and wants to bring My Son's Church to chaos, to schism. This is why I grieve, and why as a Mother I come to you again to call you to discernment, to prayer, to meditation, and like My Son, to put into practice every Word of the Gospel ^(James 1:22).

My children are not passive regarding their work and action ...

My true children suffer thirst for souls and need to take the Divine Word to their brothers ^(Mk 16,15) and to make known to them what is to come so that they hasten and enter into the way of conversion.

WELL YOU KNOW, MY CHILDREN, THAT THE POWERFUL ELITE THAT MANIPULATES ALL HUMANITY IS PREPARING THE PRESENTATION OF THE ANTICHRIST, AND THIS IS MY URGENCY SO THAT YOU, MY CHILDREN, ARE NOT BE DECEIVED, since those who are not aware of these Prophecies will be basely deceived, utterly confused and made to fall into the fire of hell because they will reject My Son and love the impostor.

This chaotic scenario of this instant throughout the Earth is prepared in order to gradually introduce the People of My Son into a mentality that needs the extraordinary in order to remain standing, and the Church of My Son does not want to open her eyes and see that what is extraordinary, the most extraordinary thing she has, is the Body and Blood of My Son.

Beloved children of My Immaculate Heart:

How many do not love Me! How many reject Me! How many deny My Immaculate Purity! ... **BUT, EVEN SO, I AM THE MOTHER OF THOSE WHO DENY ME, OF THOSE WHO DO NOT LOVE ME, AS WITH MY SON AND TOGETHER TO MY SON I ALSO BORE YOU IN MY WOMB AS THE MOTHER OF ALL MANKIND.** My Son suffered the constraint of every human being in My Womb, and has offered that constraint together with Me for the men of this instant who suffer from narrowness of mind and will, narrowness of heart, and close themselves in order not to look, not to listen, not to discern.

As the "Woman Clothed with the Sun" ^(Rev. 12, 1 ff.) I share with My Son that light that He distributes and with which He enlightens all souls. It is not an honorific title, it is the reality of My Motherhood for all Humanity: thus it is that in the devotion of the Empress of the Americas I lead this rebellious People, taking them by My Hand towards My Son so that they might merit Eternal Life.

I DO NOT DESIRE THAT YOU EXALT ME MORE THAN MY SON, BUT I DO WANT YOU TO OBEY ME, IN ORDER THAT I CAN LEAD YOU IN LOVE AND BE AN INTERCESSOR BEFORE THE MOST HOLY TRINITY.

Beloved children of My Immaculate Heart, I grieve for My children who reject Me, not because they reject the Words of this Mother, but because in rejecting Me and not taking the right path by My Hand, that designation of being Intercessor and Leader towards Eternal Salvation is impeded by you yourselves. You are looking for wrong ways, and those shorter ways are precisely those that lead you to the single religion where the impostor is king.

At this instant messages and calls abound ... **YOU SHOULD REMAIN IN CONSTANT DISCERNMENT, SINCE IT IS THE DIVINE WILL THAT I, DESIGNATED BY THE MOST HOLY TRINITY, BE AN INTERCESSOR BETWEEN MEN AND GOD.**

No instrument chosen by Heaven can condemn or give Eternal Life to a soul ...
No instrument is God so as to condemn a soul to the abyss, nor to grant Eternal Life to a brother ...

Through our faithful instruments, we alert you; through Our Prophet, we shape you in the whole Truth, however painful and distressing this may be. My Son is "the Way, the Truth and the Life" (Jn 14,6) and He does not hide from His People that which can lead them to perdition through ignorance.

If you consider these Calls catastrophic and terrifying, this is what this generation will face (Mt 24:21) for being irreverent, hypocritical, lying, false, for not turning humbly toward the Divine Word, for their Heresies, for their constant sins against the Holy Spirit (Mt 12:32), but always, both My Son and I exalt the Divine Mercy, for you are in the instant of repentance, of conversion, and My Son will not deny forgiveness to anyone who comes truly repentant.

How many of My priests speak to My Son's People against the Calls of My Son and this Mother! **REVELATION IS SHAPED IN HOLY SCRIPTURE (II Tim 3:16), BUT ITS EXPLANATION WILL NOT END UNTIL THE PEOPLE OF MY SON FIND THE WAY.** You cannot be lukewarm and serve two masters (Mt 6:24, Rev 3: 15-19).

MY FAITHFUL INSTRUMENTS ARE THE INK THAT SERVES TO WRITE THE DIVINE WILL, BUT THE INK IS NOT INDISPENSABLE; WHAT IS INDISPENSABLE IS THE DIVINE WORD, because, even if there were ink, without the Divine Word they would not be able to write it. At this instant, may pride not fill the heart of My instruments, but may it be humility that directs them.

Whoever gives themselves the first place is not a true instrument.

A TRUE INSTRUMENT OF THE FATHER'S HOUSE is the one who conveys the Divine Word to you so that you do not go astray, who conveys it so that you do not separate yourselves from My Son and from Me, and not be unfaithful to the Divine Word, the one who calls you to conversion (Mk 1: 12-15), to awaken out of the human will and awaken the senses of the spirit, who calls you again and again to live the Divine Will in order that you might not be lost ...

At this instant, Humanity must possess knowledge in order to prepare and not to fall into the clutches of satan; this is indispensable for you in this instant - awakening hearts, thoughts and minds put to sleep by what is worldly and sinful.

Beloved children of My Immaculate Heart, I insist:

Pray for Peru, this People will be greatly shaken by a great earthquake.

Pray children for Japan, the radioactive contamination that it will bring to all Humanity is unprecedented.

Pray, the Third World War does not occur in a instant, as I have already mentioned, but it has already been in gestation and continues gestating until the instant when it will occur in fullness.

Pray My children, pray for the United States, do not neglect it in your prayers.

Pray My children, the plague is advancing with a new disease for which I will come quickly, in order that you do not perish because of what science will not be able to discover.

Pray My children for a Holy Church, as My Son is Holy.

Pray, prepare, prepare for the great event of Mercy, prepare for the Warning during which I will not separate Myself from you.

I bless you, My children. You can enter into the Ark of Salvation that is My Immaculate Heart, because after all the tribulation, My Immaculate Heart will triumph for the glory of the Holy Trinity.

My Blessing be on each one of you ...

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

How much Our Mother speaks about humility! ... and it is because no one is free from pride.

We have to build ... let us make sure that the foundations are very deep because the construction is high and in order to dig deep foundations we need to go down sufficiently far in order to secure the construction. To achieve firm foundations knowledge is needed, otherwise the edifice may fall. And the knowledge one must have is the one about oneself in order to know how far one can go. And let us not forget what our Father St. Augustine says: "to become great, it is necessary to begin by becoming small."

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
DECEMBER 4, 2016**

My Beloved People:

**MY CHILDREN ARE INSISTENT AND DEMANDING TOWARDS THEMSELVES,
THEY SEEK ME IN SEASON AND OUT OF SEASON**

They know that My Word does not stop but goes out to meet each person in every event and in what the man who does not know Me allows to go unnoticed.

My Call is insistent for My People to be mystical...

**MAN MUST COME TO UNDERSTAND THAT HE IS NOT JUST FLESH, BUT IS MORE THAN FLESH:
HE IS SOUL AND SPIRIT, AND POSSESSES THE FACULTIES TO ASCEND AND TO ENTER INTO THE
KNOWLEDGE OF HIMSELF, OF HIS INNER TRUTH AND HIS INTERVENTION IN CREATION.**

This instant is uncertain for My People, not by My Will, but by the human will that has wished to penetrate into what does not concern the spirit, but which wholly concerns the flesh and sin in all its forms. The uncertainty in which you remain depends, at the same time, on the decisions taken by My children. "No one can serve two masters ..." (Mt 6,24); you will suffer confusion. In the midst of what is happening, you deny My Truth, you seek it in very wrong paths, and because of this you are increasingly lost, you deny Me and flee from Me. What is worldly pulls you: I love.

My People:

You are a weathervane in the midst of the winds of modernism, in the midst of shameful acts by some of My representatives, which will increase, being a scandal and a reason why the detractors of My Church find their constant attacks propitious.

My representatives lack the necessary ingredient for resisting temptation; this is - prayer, not giving preference to those who provide money, appreciating the poor and withdrawal from social life. Some children who represent Me and call My People to conversion before the fulfillment of the Calls to Humanity by Me and My Mother, are swiftly moved away from the parishes so that they do not alert the faithful. These representatives of Mine are called catastrophists by their superiors and even the laity, and on this pretext they send them far away from the cities.

My People, you are manipulated by powerful interests; the concern of these children of Mine is very different from My Will - I seek the good of My children. Those who are within such interests desire power and in their eagerness they will succumb to being subjugated by the one they will elevate before Humanity: the Antichrist. The latter will subjugate them, selfishness will make them suffer the same measure they use with My People.

Some of the powers in the world know the proximity of threats from the Universe and that are going to cause major alterations on Earth.

DO NOT FORGET, MY BELOVED, THAT THE WARNING IS NEAR AND THE UNIVERSE WILL PARTICIPATE IN THIS ACT OF MY LOVE FOR YOU. Just as in Heaven you will see fire, so the fire of My Love will bless you so that you examine yourselves as you are. (1)

The hands of Freemasonry are wreaking havoc in My Church, weakening the heart of My People, which love:

The god of debauchery...
The god of money...
The god of power...
The god of pride ...
The god of misused technology ...
The god that poisons through food ...
The god that penetrates the mind and dominates it ...
The god that plies thought with innovations ...
The god of perversion...
The god of iniquity ...
The god of immorality ...
The god of flippancy ...
The god of extravagance ...
The god of war...
The dictator god ...
The false god ...

What is happening in this instant has been prepared from times unsuspected by man, so that this instant be dominated by the impostor through little antichrists in Humanity. Just as the antichrist (2) has tentacles, these tentacles are supported by those in Humanity who have allowed aberration in the full scope of the word.

Those who know the state of Humanity respond with a shuddering silence, they bury their heads in the ground so as not to give an account of the state of Humanity, forgetting that I know everything that happens.

The Arm of My Father has been held back by My Mother on repeated occasions and the response of My People has been lacking in Love and shameful. My people are living out what neither Sodom nor Gomorrah lived ...

THE DEVIL IS UPON ALL MEN, WAITING FOR THE SLIGHTEST INSTANT TO POUNCE ON SOULS. A great majority do not see sin, they proclaim that Humanity is better, and the Warnings of My House are ignored and scorned.

THE HOLY FEAR OF GOD IS RISIBLE FOR MEN, SINCE SOME HAVE NOT EXPERIENCED THE EFFECT OF SIN ON THE SOUL.

Children who do not see sin, find themselves blinded by Satan himself while innocence is taken from children, violations increase, perversity makes no truce, brutality grows within man, there is approval for laws against life , the creation of weapons of mass destruction, uprisings in various

countries, families destroyed, creatures who consider family what is not a family... **IS THIS NOT A SIGN OF THE TIME?**

Children, My People, which are the leaders who live like a large part of their people, who lack what is necessary? You do not see this because you have been indoctrinated.

MY PEOPLE: WAKE UP, SEE THE EVIL THAT SURROUNDS YOU, COME BACK, WAKE UP!

My Father has been infinitely patient. Our House has listened to the prayers of the faithful and has waited, only for you to continue immersed in sin, ignoring the evidence that appears before your eyes.

THIS IS THE INSTANT IN WHICH YOU SHOULD ASSURE YOURSELVES OF CONFESSING YOUR SINS, SINCERELY REPENTING, RETURNING TO MY SIDE, RECEIVING ME IN MY BODY AND MY BLOOD AND BEING FAITHFUL TO ME.

Pray, My children, pray the Holy Rosary. Each Rosary prayed with true awareness and love is a great attenuation in the face of the cruel suffering that man is going to confront and is a step towards My House if in addition the Divine Will is lived out.

Pray, My children, pray, Nature hastens its pace, events will be nearer to man, these will occur with greater force and continuity. Evil is not comprehended by Creation, born from the Hand of My Father.

Pray, My children, pray, Japan will continue to shake strongly.

Pray, My children, pray for Colombia, this land will suffer a great shaking.

Pray, My children, pray for Canada, its inhabitants will be surprised by terror, its ground will shake.

Pray, My children, pray for Argentina, confusion is born in darkness and comes out at dawn.

Pray, My children, pray, one hand decides about life, the United States rises up.

Pray for My sons the priests, My Church is surprised.

THESE ARE NOT INSTANTS FOR ANY HUMAN CREATURE TO BOAST.

IT IS THE INSTANT TO EXAMINE YOURSELVES INTERNALLY... The man who acts in the good, who works in the good, is accepted by his brothers.

DO NOT FORGET THAT THE DEVIL INCREASES WHEN MAN YIELDS TO ANGER AND DECREASES WHEN THE HUMAN CREATURE ACTS ACCORDING TO THE DIVINE WILL.

Each one is responsible for the great community that forms My Church. Evil has infiltrated within Her, but it will not win. My Mother will defeat it, but first, My People will be purified.

I do not instill terror or anxiety; remain alert towards those who tell you that all is well.

To no human creature do I deny forgiveness if they draw near with grief over the sin committed, and with a firm purpose of amending their life. I come for My children, those who are witnesses of My Love and do not stop even if the wind is against them.

I shelter My People, and this is the whole of Humanity.

WAKE UP CHILDREN, WAKE UP!

YOU WILL SEE SIGNS IN HEAVEN SO THAT YOU DO NOT FORGET THAT I AM PRESENT AND HAVE DOMINION OVER EVERYTHING.

My people will work wonders by keeping the Faith and sharing it with their brothers and sisters. My people lessen events, they do not stop them.

My Love is infinite and therefore I want no one to be lost. In My House there is a place waiting for each one of you.

May My Blessing be for each person the balm that encourages and nourishes you so that you continue on the right Path.

I love you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

This is the instant when each person should pronounce their own 'yes' to God and their refusal of sin.

We are moving into very delicate instants for Humanity in all aspects. If Humanity rejects the Divine Calls, what can man expect?

It is not alarming that Christ should warn us to work and act differently, it is necessary in instants when evil's face and meaning has been changed.

We see how men in various countries confront one another with greater frequency and force. Let us pray for our brothers and sisters; let us not wait for dates but wait for the Love of God.

It is necessary to prepare ourselves at every instant, improving in order to overcome what is wrong in each one. We are called to be witnesses of the Love of God present in our hearts.

Let us give that Love to the needy, to those who are not informed; let us not hold it like the vessel holds water.

Not everything is lost; on the contrary, let us make reparation, let us pray and love our brother.

We have received everything from Heaven; let us be creatures of blessing - strong, firm and determined.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
DECEMBER 7, 2016**

Beloved children of My Immaculate Heart:

MY BLESSING REMAINS WITHIN YOU AT EVERY INSTANT OF YOUR LIFE.

The Love of My Son and His Mercy go beyond what the human mind can conceive and what human thought can embrace. Give thanks to My Son, adore Him constantly, not with your voice, but in every act and every work, as it is there, that you really give yourselves "ad extra" as a testimony for your brothers and sisters.

No human creature is a true worshiper of My Son if they do not love their neighbor with the Love of My Son, and to love his neighbor you must be obedient and humble.

THIS INSTANT IS EXTREMELY DANGEROUS FOR THE SOUL, SINCE IT IS EXPOSED TO THE PERVERSITY THAT SATAN HAS MANAGED TO INTRODUCE WITHIN THE HEART OF HUMANITY. Evil is increasing at every instant until you find yourselves at the highest point of human cruelty, for you do not yet see and are not yet living all the evil that the devil has introduced into man. Walk with Faith; it is the responsibility of each of you to increase your Faith, because without Faith you are easy prey for the enemy of the soul.

Beloved children of My Immaculate Heart:

YOU ARE APPROACHING CHRISTMAS AND EVERYONE HAS THE DUTY TO COME TO WORSHIP MY CHILD, HAVING LEFT SELFISHNESS, PRIDE, HUMAN CLOSED-MINDEDNESS ON THE WAY, AND HAVING SUCCEEDED IN MAKING THE HUMAN EGO TEND MORE TOWARDS GOOD THAN TOWARDS EVIL. Each detachment of yours is one less piece of rag that you carry, and this makes the soul and spirit less heavy and tend with greater ease towards the true Way, and makes them work and act the greater part of the instant within good action and good work.

Extremely forceful instants are coming for all Humanity in every aspect of man's life. Degeneration will be unthinkable in the coming year. A large part of the Prophecies that by Divine Will I have given to Humanity will be fulfilled.

There are still instants of this year to pass through, painful instants, instants of trial for all Humanity and especially for the People of My Son.

I HAVE CALLED TIRELESSLY AND INSATIABLY TO PRAYER, and some have devoted themselves to praying verbally, but I also want you to pray by principally eliminating character, for if the human creature is meeker, the way is more bearable; if the human creature is rebellious, the road is heavier.

YOU HAVE NOT UNDERSTOOD THE TRUE MEANING OF PRAYER. Prayer is praying with the heart, but a heart clean of attachments, bad moods, pride, lies, slander, falsehood ... A heart free from what you desire, from what you want, free from occupying the first places at every instant. That is why I have shared you about My instruments, not as an example, for My Son chooses instruments in which you see the transformation of the creature; He does not always choose holy souls, but he does demand and lead them to holiness.

My instruments are those that go unnoticed, not by not raising their voices but by always occupying the last place, not calling their brothers to them, because the instrument is an instrument but it is not God, but by sharing and declaring the Divine Word already written in Sacred Scripture and explained to the instrument in order that they be a faithful spokesperson for their brothers of the True Word of My Son and My Word.

Beloved children of My Immaculate Heart:

IF I WERE TO SET OUT IN DETAIL WHAT IS APPROACHING SO THAT YOU COULD SEE IT, YOU WOULD BE PROSTRATE AND WOULD NOT GET UP, BUT WOULD REMAIN IN PERPETUAL PRAYER CRYING OUT FOR MERCY AND CRYING OUT FOR THE SALVATION OF SOULS.

The Earth is in danger because a dangerous element from outer space is heading towards it. You must remain attentive to this.

Earth, the Earth has become exhausted from so much sin, from so much taunting and so much innocent blood that man has flung upon it. The ground opens as if hollow in order to renew itself in the face of the misuse that man has made of everything that God put into his hands.

Beloved children of My Immaculate Heart:

You need to continue praying for Japan.

Pray for the United States that will convulse.

Pray for Russia, it will give the world a surprise.

Pray for France that will suffer at the hands of terrorism.

Pray for Peru and Colombia, they will be shaken.

Pray for Costa Rica, it will be shaken.

BUT DO NOT FEAR, I AM HERE AND I AM THE MOTHER OF ALL, AND I LOVE EVERYONE. Do not fear, give me your hand and I will support you because the Divine Will has entrusted me to this generation in this instant.

Beloved children of My Immaculate Heart:

I must warn you about what is approaching for Humanity, but above what is approaching is Love and Divine Mercy, to which you must constantly appeal, without ceasing.

PRAYER ATTAINS THE GREATEST MIRACLES IN HISTORY AND I AM HERE TO INTERCEDE FOR YOU.

Cry out to the Most Holy Trinity! And cry out through true conversion: working and acting rightly.

Pray as families.

I bless you and My Son covers you with His Love and Mercy.

DO NOT BE SEPARATED FROM MY SON, LOVE HIM CONSTANTLY, INSTANT BY INSTANT....

LOVE HIM WITH YOUR THOUGHT, MIND, HEART, BREATHING, SIGHT, HEARING, LOVE HIM IN EVERY PORE OF YOUR SKIN, LOVE HIM IN SPIRIT AND IN TRUTH...

I bless you, I love you, walk in the footsteps of My Son.

Mother Mary.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

COMMENTARY OF THE INSTRUMENT

Brothers and Sisters:

Whom do we serve? ...

Whom do we follow? ...

From whom must we ask for the approval of each of our works or actions? ...

It is true that we do not only live on Earth attached to the earth, but it is certain that detachment from the earth is not achieved only with thought or with an idea, but with acts and works that contain within themselves the weight of awareness and of responsibility as human creatures.

Our Mother asks us for greater awareness on our part at this instant. She calls us to conversion, not only in word, but to a conversion that comprehends the transcendence of the place of each person as a human being, as brothers and as children of God.

Knowledge increases Faith and opens the comprehension of great Truths that would make the walk of each one of us, - as our Mother says - something more bearable.

We are limited precisely by the pettiness with which man is satisfied because of a lack of aspiration to union with Christ.

Brothers, let us not remain tied to the narrow-mindedness that prevents us from accepting with humility the Words of Our Mother. May fear not overcome us, but the assurance that, as children of God and remaining in the ardent desire to save the soul, we receive with reverence and gratitude the calls of the Queen of Heaven.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA.
FEAST DAY OF OUR LADY OF GUADALUPE
DECEMBER 12, 2016**

My Beloved People:

MAINTAIN THE CERTITUDE THAT I PROTECT YOU AT EVERY INSTANT, AS LONG AS YOU ALLOW ME.

My Mercy is open to receive those who come to Me repenting of their sins. Firm purpose of amendment is necessary so that the human creature may obtain the complete blessing implied by the forgiveness of sin.

**MY MOTHER IS THE GREAT INTERCESSOR OF HUMANITY, THEREFORE THE SUN COVERS HER WITH ITS LIGHT AND THUS MAKES SHINE THAT WHICH HER LIGHT ILLUMINATES AND THE UNIVERSE IN ITS FULLNESS.
EACH ONE OF YOU IS HIDDEN IN THE MATERNAL LIGHT.**

My Mother looks with pain on those who have broken away from the Light of Her Love in order to penetrate the darkness of their free will, not because My Mother leads them into darkness but through human stubbornness that does not obey but plunges into constant dissent.

WITH THE HUMILITY THAT CHARACTERIZES MY MOTHER, SHE THUS GIVES HERSELF TO MY PEOPLE IN A TILMA, IN WHICH THE GREAT TREASURE OF OUR WILL IS SET OUT, calling all men to be reborn in Our Holy Spirit, so that they do not live in a false religiosity, but in the grandeur of being children of the Living God.

Each of you must enter into the surest way to strengthen Faith and become aware that when man is willing and surrenders to Our Trinity, the human creature remains in constant movement, and its works and actions expand as a blessing for its brothers and sisters.

Therefore, My Mother, in this Invocation, is not shown only in the Earth, so that you do not limit Her Greatness, nor does She only look at the Earth from above and at a distance, but She looks at Creation from the Celestial Vault, a zealous watcher, and at the same time makes the stars shine so that they illuminate the night of Her children, who, without letting time pass, watch without sleeping.

**SHE IS MY MOTHER, THE HEAVENLY QUEEN, THE MOTHER OF THE END TIMES
WHO GUIDES A FOOLISH, DISOBEDIENT, CAPRICIOUS, AND AT THE SAME TIME FEARFUL PEOPLE
WITH A WEAK AND FALTERING FAITH.**

My Mother loves you as who She is: Mother of Creation, Mother of rebellious Humanity, which does not pay attention to the Signs of this instant, nor heeds My Warnings so that evil does not deceive you in the presence of the antichrist, who is not an invention but the reality that Humanity itself has come to nourish with great ignorance.

My Beloved People, My Mother leads you to grow in drawing near to Our Trinity, awakening internally in the depths of your soul that which you possess and have not put into practice: the Gifts and Virtues that remain in every human creature for their own good and that of their brothers and sisters.

**COME TO KNOW ME! I AM NOT A GOD OF PUNISHMENT; I AM MERCY ...
IT IS YOU, MY PEOPLE, WHO SCOURGE YOURSELVES WITH THE SAME DISREGARD WITH WHICH
YOU ACT AND THE WILLFUL IGNORANCE WITH WHICH YOU REBEL AGAINST ME.**

The instant will come when, subjected to the oppression of the impostor, lacking everything you need, subjugated and without freedom to utter a word, you will groan in great lament, and there will be gnashing of teeth for those who will wish to go away from where they will no longer be able to until My Legions save them if they so request.

DO NOT REJECT MY MOTHER, MY CHILDREN: SHE LEADS MY PEOPLE TOWARDS TRUE FREEDOM.

After this instant of mounting pain, and having passed through the crucible, the liberation of My People will come and My Mother will defeat evil.

My People, prepare yourselves! This instant requires that you be men and women of Faith, of praxis, of an immovable Faith, not only for yourselves, but in the service of those who are Mine. They need a Faith that will bring them to appreciate Divine Matters and not what is passing.

Be people of good, do not neglect what too frequently causes you to fall: the tongue. Ah, children, how you kill with your tongue, how you condemn with your tongue! NO, that is not a work of a child of mine, understand that man does not live by bread alone, but also by the word that comes out of your mouth.

The word is blessing or condemnation; I do not want dead works, but real and true ones. Whoever concerns themselves with causing harm to their brother or sisters, whoever does not cease slandering or calumniating a brother or sisters, *"it would be better for him to have a millstone round his neck and be thrown into the sea than to scandalize one of these little ones."* (Lk 17:2)

You do not attend to My Words, you take them lightly, and so you continue in such great errors that you constantly live on the scale that weighs the works and acts of man.

MY PEOPLE, LIVE WITHIN MY TRUTH, DO NOT JUDGE BUT LOVE, MAKE REPARATION, AND LOVE

...

MY LOVE OVERCOMES EVERY OBSTACLE.

Do not be like those who say to Me, "Lord, Lord" and destroy their brothers and sisters.

Love each other as Our Trinity loves you, respect one another; may it not be so that you think that you act well and instead are stumbling blocks for your brothers and sisters. Do not be a reason for contention, as this is what the devil incites in men in order to invade their thought and darken their heart.

You are living in instants of confusion, great confusion. Do not let yourselves be deceived.

Pray so that you are not deceived.

I call you as the Shepherd of souls; My Flock remains attentive to My Calls. I am freedom and peace.

Look up, from on high purification is approaching, the fire is lit upon the Earth and therefore My children grieve.

Pray, My children, pray for Chile, it continues being shaken.

Pray for Peru, it will weep because of Nature, it shakes.

Pray for France, My children do not rest, they live in anxiety.

Pray for Indonesia, the great volcano awakens, the same in Sicily.

Pray for Mexico, this People of My Mother who rebel, minimizes human life and burns in immoral vice; it is shaken and humbled by its volcanoes.

My People, look to your resplendent Mother, calling you to prepare yourselves promptly in spirit and truth, not satisfying yourselves with what is mediocre but penetrating into that which leads you to awaken and to grow in the spirit.

Knowledge is not improper if it is in Me ...

Knowledge is not improper if it is in order to grow and not to decrease ...

YOU MUST REASON IN ORDER TO DISTINGUISH BETWEEN WHAT IS GOOD AND WHAT IS WRONG; THIS IS NOT JUST ANY INSTANT, CHILDREN, IT IS THE INSTANT OF INSTANTS IN WHICH YOU ARE LIVING.

The devil pours out his evil: division, so that My children attack one another. You should love your brothers and sisters, and desire their good.

My People, My Mother does not demand that you be Her children, but gives Her Love to each one of you. That is why She calls you to remain in My Presence, not being spectators, but each one assuming the responsibility of saving their soul and of being an active part of their brother's salvation.

My Mother has not departed from you Her children; therefore, She accompanies you and reveals to you the greatness of Her Devotion, Her Love, Her "Yes", and She invites each one of you to pronounce that "yes" to Our Will so that you do not deny yourselves Eternal Salvation.

DO NOT NEGLECT MY CALLS. I DO NOT ALLOW MY PEOPLE TO WALK ALONE. I WILL SEND YOU MY ANGEL OF PEACE SO THAT IT PROTECT YOU AND ENLIGHTEN YOUR WAY, SINCE MY LOVE AND MY LIGHT THEREIN WILL NOT FADE.

You must be faithful to My House, attached to My Truth, to the Divine Law, not to that which men bring forth amid the chaos that penetrates and deepens within Humanity. Do not forget that every effort to overcome evil is an act of love towards Our Trinity and a sign of love towards My Mother.

My Beloved People:

MY MOTHER IS THE MOTHER OF EACH ONE OF YOU: SHE LOVES YOU WITH INFINITE LOVE.

I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our beloved Lord Jesus Christ impregnates us with that Divine Love towards the one who is His Mother and ours. He is the Man-God, Our beloved Lord Jesus Christ, who spares no Words and Acknowledgements for His Mother and our Mother.

In this instant in which we celebrate Our Lady of Guadalupe, Heaven itself says to all Humanity: **"SHE IS HERE, MOTHER OF ALL MEN, LISTEN TO HER."**

And with Filial Love, and faithful to His Mother, Christ calls us to listen to the Call of the Mother and not only to be servants of Heaven, but at the same time, that each one be the servant of his brothers and sisters. So it is:

"If anyone wants to be first, let him become the last of all and the servant of all" (Mark 9:35)

AND ALTHOUGH THIS APPARITION OF OUR LADY OF GUADALUPE PRECEDES OTHERS OF GREAT IMPORTANCE, THIS APPARITION SUMMARIZES, ANTICIPATING LATER ONES, THE GREATNESS OF OUR MOTHER, WHOM WE VENERATE, AND THE QUANTITY OF DISCOVERIES THAT SCIENCE IS FINDING IN THIS TILMA TELLS US THAT IT IS FOR THIS INSTANT, FOR THIS PEOPLE OF GOD.

Let us not forget that Our Mother continues waiting for us; let us go and enter into that Motherly Love that is offered to us and which Christ reaffirms to us.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
DECEMBER 14, 2016**

My Beloved People:

MY MOTHER AND I HAVE CALLED YOU TO CONTINUE GROWING SPIRITUALLY AND THUS REACH THE SPIRITUAL STATURE NEEDED FOR THIS INSTANT.

Man has forgotten the end for which he was created. Creation continues to fulfill the Divine Will and man rebels instant by instant, being the one who interrupts the Gift of life, being the one who continually turns away from Me, being the usurper of Creation, being the executioner of Divine Creation.

Man receives what he has wrought, thus some forge good and live in the good, and others forge evil and evil approaches them.

We have already called you not to continue with the concept of a distant God and Mother. You walk looking towards the world, you seek a wordly god, who is not to be found in the whole of Creation, you look for a god who is to be found on the ground and whose transcendence goes no further than your eyes. You do not conceive of Me as the God of all creation, but as a god necessary for the resolution of your daily affairs. You must prolong My Words, filled with My Holy Spirit, beyond human limitation.

My Beloved People: **YOU WILL NOT ASCEND IF YOU DO NOT SEE ME AS I AM: THE INFINITE GOD, THE ALPHA AND THE OMEGA.**

I have been patient with you, my Mercy has not been exhausted, but My People limit Me in their concepts and ideologies, limit Me to their needs, you do not look at Me, nor do you live Me within the Infinity and Power of omnipotent Glory and Majesty.

We have called you, not because what is approaching is going to stop, but in order that, by living more prepared in the spirit, with My Assistance and taken by the hand by My Most Holy Mother, you succeed in overcoming the chaos that lies ahead for Humanity.

My People, you continue living as you please ...

Everyone lives religion as they please...

Everyone lives spirituality as they please ...

BUT I COME TO TELL YOU THAT I SEE EVERYTHING AND YOU DO NOT DECEIVE ME.

To be My true children you must desist - now! – from human caprice, you must mature - now! - because the harvest is coming soon. Do not wait for great events but prepare yourselves as My true children and in obedience.

I seek the good of all, but not all allow Me to guide them correctly. Some who say that they stay next to Me dictate their own law for staying next to Me, they dictate their own sacraments, dictate their own beatitudes ... Hypocrites! No man can live in spirit and truth in My Will if they do not live out My Law, if they do not live out My Norms, Laws and Precepts.

How many men offend me infinitely and on their own, dictating their own laws; they forgive themselves the mistakes made when I have not forgiven them! How many human beings come to receive me and I see chains dragged behind them because of all manner of sin and human filth! **YOU STRETCH OUT YOUR TONGUE TO RECEIVE ME AND I AM HORRIFIED AND WEEP BECAUSE YOU DO NOT REPENT, NOT EVEN OF THAT PRIDE, THAT ARROGANCE THAT ENGENDERS THE GREATEST EVIL. DO NOT FORGE YOUR OWN CONDEMNATION, DO NOT RECEIVE ME IF REPENTANCE IS NOT LIVED IN DEPTH.**

I am a living God and I love you, and I grieve when you offend Me and disobey Me.

Nobody is necessary, indispensable, but I wish to save everyone; but My thirst for souls is not calmed with one soul that comes to Me to fulfill My Plan of Salvation. But just as the Earth was entrusted to you in its totally virgin state, abounding with all that man needed, so man came and with his own hand burst in fiercely with his free will and unleashed his "ego" on all Creation, hurting it , humiliating it and making it a slave of the human will. And at this moment the Earth that was entrusted to you cries out to Our Throne: "Come quickly, for I need you, My Lord."

Man has transformed the Earth that was given to him as an inheritance and has converted it into an object of his caprice, and when he can no longer find anything in Creation to continue this mad advance that man is making in order to maintain his supremacy over everything, then man will pounce on man himself to use those of his own species and continue his boundless and diabolical advance for maintaining power over others.

My Beloved People:

How My Heart is oppressed in telling you of My pain and in noting how man cruelly causes this in this chaotic time into which all Humanity has been plunged through the human will!

My Mother is constantly going throughout the Earth with Her Hand held out over you, waiting for

some child to raise their hand and ask Her to help them. How many say that they love My Mother, but continue living under the burden of their humanity, their pride and their selfishness! Man does not want to step back in order to change. Man continues advancing without meditating on the great responsibility it means to be a human being.

My Beloved People: I speak to you and you continue to live in the midst of anger. Homes are—and sadly I must say this—time bombs that continually explode due to the lack of love that family members carry within them.

Society is living out a permanent chaos of dehumanization; love and respect for one's fellow man are unknown. This, they say, is a thing of the past, it is from another era, it is no longer indispensable in homes.

MY CHILDREN, I TRULY COME WITH THE SCALES IN MY HAND SO THAT THOSE RISE TO IT WHO ARE TRULY WILLING TO LEAVE THEIR HUMAN WILL TO DEVOTE THEMSELVES TO CONVERSION, AND SO BE MY TRUE CHILDREN.

Do not allow yourselves to be sealed, do not under any circumstances allow yourselves to be sealed with the microchip. I will take care of My People, I will take care of My faithful ones. As I feed the birds of the field, so will I take care of My faithful ones.

YOU MUST ASCEND QUICKLY, AND THIS ASCENT IMPLIES THE REFUSAL OF WHAT YOU WANT, OF WHAT YOU DESIRE, AND TRUE SURRENDER TO WHAT I REQUEST OF YOU.

This rebellious generation has in their hands the greatest responsibility that I have given to human creatures, since this generation will face the Warning and will witness the fulfillment of the Prophecies given by My Mother throughout the history of Humanity...

This generation will see My Angel of Peace ..

This generation will live the greatest chastisement, worse even than the Flood, but at the same time, those faithful will be blessed with the greatest Miracle that My House has ever given to any creature ...

I HAVE CALLED YOU; NO HUMAN CREATURE, NO INSTRUMENT CALLED YOU... I AM THE ONE WHO CALLED YOU, I AM THE ONE WHO CALLS YOU TO LIVE IN SPIRIT AND TRUTH, because those who feel that they have good intentions will remain with good intentions, and only those who truly live in spirit and truth what I command, only they will succeed in overcoming the temptations and overcoming the impostor.

Beloved People, the Earth has been devastated by you and will shake even more than science can predict, there will be natural phenomena never seen before, for the Earth is convulsed at this rebellious and disobedient generation.

You will see the Celestial Vault burn in fire. You will see the water of the seas disappear, but first it will rush in upon the land.

Pray, My children, since man does not respect the wishes of the majority, power at this instant

is an important sign, and he who has it does not wish to abandon it. The peoples will rise up in great protests and from protests they will go to great turmoil, and from this they will go to provocations and from provocations to the great war, in which, at a certain moment, My Legions will intervene, before man exterminates this Divine Creation: the Earth.

YOU WILL SUFFER THE UNIMAGINABLE, BUT SO WILL MY ASSISTANCE BE UNIMAGINABLE FOR MY PEOPLE BECAUSE I WILL WALK WITH MY PEOPLE UNTIL MY MOTHER RETURNS THE EARTH TO OUR TRINITY.

Pray, communing continually with Our Will.

I bless you, I love you.

I bless you in the Name of the Father, of the Son and of the Holy Spirit. Amen.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
DECEMBER 19, 2016**

My People:

**MY BLESSING IS FOR EACH ONE OF YOU.
YOU ARE MY PEOPLE, WHOM I CARRY ON MY CROSS OF GLORY AND MAJESTY.**

I call you not to scorn the Voice of this Shepherd of Souls. The human creature must focus on awakening from the reality in which you are living. You deny Humanity's reality; man wanders over the earth, and as an irrational creature he rejects the Truth of this time when bad customs, base passions and dehumanization predominate. **OUT OF FOOLISHNESS YOU DENY THAT YOU FIND YOURSELVES IN THE INSTANT OF INSTANTS ...** You do not see the predominance of communism that, disguised in a thousand ways, is manipulating Humanity. With the cunning of a serpent, it has penetrated into all areas, oppressing peoples, scourging them and this, together with Freemasonry, forms the great union between the tentacles and the head of the great dragon that will elevate the antichrist.

My Beloved People: **FREEMASONRY HAS FLOODED MY CHURCH** from strategic positions within the latter's hierarchy; it has corrupted those who, without belonging to Freemasonry, are weak and enter into the temptation that offers deferential positions or money **NOT IN ORDER TO SERVE MY INTERESTS BUT THE INTERESTS OF THE ELITE THAT ARE MANIPULATING HUMANITY AND THAT FORM PART OF FREEMASONRY.**

My children must listen to My Voice that calls them not to continue living as if all were well, when Humanity is in chaos. **YES...**

It finds itself in chaos in denying Me as God and allowing the devil to penetrate into your hearts...

It finds itself in chaos in forbidding My faithful from carrying Sacramentals and allowing those who have surrendered to Satan to build sculptures to him and pay him tribute.

You are in chaos faced by an earth that shakes, announcing to you the prelude to the great earthquakes prophesied for humanity.

You are in chaos for allowing abortion, which is one of the worst aberrations for which this generation will be judged with greater rigor.

The confusion in humanity is great: you accept sin and reject the good.

**I COME SO THAT YOU SAVE YOUR SOUL, SO THAT YOU BE RENEWED INTERNALLY WITH A
GENEROUS SPIRIT AND ALLOW ME TO ENTER IN ORDER TO TRANSFORM YOU.**

Each of you, My children, must grow, you must be more aware of your spiritual state, of the sins that you commit and which have adhered to you, causing you to act mechanically through repetition, without your seeing them as improper acts and great pollutants with which you are dirtying your soul.

Do not believe those who tell you that all is well; they want to cause you to fall into sin so that you lose your soul.

YOU NEED TO KNOW ME AS THE PLANT NEEDS THE SAP IN ORDER TO SURVIVE. You forget me in order to bind yourselves to what is earthly, to what is worldly, you seek wrong affections plagued with lies because you are under the yoke of the tentacles of evil.

My People are being drawn towards what is worldly, you seek Me outside yourselves, in technology and in the influence of the evil that subjects you, and there you will not find Me. You have to enter within yourself, be aware of the senses that you possess and make proper use of them so that you may perceive the world rightly.

My Beloved People, you must approach Me with the desire truly to live in union with My House. The instants plunge man into ignorance, but at the same time spirituality evolves with man, to bring him to the awareness of a very personal decision that has been left in the power of some who do not want My children to evolve. Whoever needs Me in order to unite with Me, does not find the guidance or the necessary support, but must turn away from what is worldly so that My Holy Spirit guides them, for these paths, I say with sorrow, have been relegated to a bygone age.

**THE HUMAN CREATURE SHOULD USE ITS INTELLIGENCE TO GO BEYOND WHERE ITS PHYSICAL
SENSES CAN TAKE IT, IN ORDER TO BE ABLE TO LIVE IN A MICROCOSM SO AS TO UNDERSTAND
THAT WHAT IT HAS CONCEIVED AS UNION WITH MY HOUSE MUST BE EXPANDED IN ORDER TO
OPEN THE WAY TO THE NEWNESS OF LIVING SPIRITUALLY AND DRAWING NEAR TO MY WILL.**

My representatives on Earth must bear testimony to My Love and not be a cause for scandal, they must not be part of the Satan's spectacle in this instant.

I AM GOD AND THERE IS NO OTHER OUTSIDE OF ME.

I call you to My Love and to be reflections of this Love of Mine; ideologies call you to kill your brothers, without any mercy.

Forms of modernism have been created by those who govern Humanity and desire your perdition, My children. I need My People to see deeply, to search out sin in order to find out how sin is disguised. Do not imitate modernism: it is nothing other than the mirror of those who, from the darkness, lead you to surrender to evil.

This elite has taken charge of sowing terror among Humanity; all the while they cast death upon My innocent ones, on My Christian children, with great atrocities that surprise men.

"RATIONAL" MAN IS, AT THIS TIME, THE GREAT PREDATOR OF NATURE. The acts of this generation are shameful, they mock Me, implying that everything announced has happened before and that we go on with our lives. Those who do not look with objectivity at the sequence of all the events of Nature and the folly with which man is acting are deluded: partly because Humanity does not believe in Me and in order to conform to fashion, you deny that **I AM YOUR LORD AND YOUR GOD.**

My people, you find yourself at a moment of decision:

Either you continue crawling like snakes on the ground, attached to the innovations of the world... Or you take the firm decision to be different and to live in the interiority of constantly searching for Me ...

CHILDREN, YOU NEED COURAGE TO COMMIT TO LIVING IN A MORE HEAVENLY WAY.

My People, Creation groans at the devastation that you have caused and continue to cause; you have taken hold of Nature, devastated it, and it is reclaiming from man what he has usurped.

Most of the geography of the Earth will be transformed, the water of the seas will penetrate the land. My children must anticipate what their rulers do not mention for fear of the truth.

High technology will lead to major confrontations that add to those already existing between the great powers, and so at sea a series of events will be triggered that will be part of the dreaded Third World War.

Fire is moving through space and in Earth's direction with great speed; it is coming against all human injustice, that with its evil actions is drawing Purification from outside like a magnet that will cause it pain. Some of My children refuse these Calls of Mine, and this is because it is not pleasant for them to hear about the causes of their own sin. It is true that in the world thousands of children die of hunger, in a world you call "globalized." This is to speak to you with objectivity and truth. Would you judge my calls as negative because of this? Or will you say that it is apocalyptic that I mention the death of the innocent by famine or war? When that apocalypse has been created by man himself! **I CALL ON YOU TO REFLECT SINCERELY.**

Others will tell you that they are sent by My House and will not insist on a change of life tied more closely to a spiritual ascent in order that you be better people with greater sensitivity to creation and especially man, the child of God. Do not listen to those who speak to you in their own names, keep in mind that the one who is called by Me invites people to Me, not to Himself. **NO MAN IS GREATER THAN HIS LORD.**

Pray, My children, pray for Brazil, it will suffer on its soil, this People will weep.

Pray My children for the United States, its thirst for arrogance is unquenched; the scourge is coming, its land is strongly shaken, its people are stirred up, the upheaval will not delay.

Pray, My children, pray for Venezuela, these children of Mine find no peace, they are involved in betraying one another.

Pray, My children, the earth continues to shake forcefully, foreshadowing great geographical changes.

Pray My children, social upheavals are more frequent, man is waking up to oppression, the great powers will be destabilized.

Pray, the danger for Humanity is approaching from space, and it vibrates strongly, shaking Nature and exercising over man a most unexpected form of working and acting.

My Beloved People, continue in union with My House, do not disobey My Requests, in order that you resist the devil with greater strength.

Temptation exists; the wise man is the one who walks and changes when he falls. The prudent man is the one who repels the human ego in order to give himself the opportunity to live in greater union with Me.

Whoever does not suffer is not going on the right path. Be creatures of peace, do not impose yourselves by force, but with the testimony that I dwell in you.

Humanity must look where it is going.

**I OFFER YOU MY CONTINUAL PROTECTION ...
MY LEGIONS ARE WATCHING YOU IN ORDER TO LEAD YOU ON THE RIGHT PATH.
DO NOT SEEK ME FAR FROM YOU, I DWELL INSIDE EACH PERSON.**

Do not forget that I am in your line of sight; call me, look at me, find me. Discern the cause of the purification of a People that renounces its King ...

This King awaits you in order to receive and welcome you without delay. Come to Me and the path will be bearable, Truth will enlighten your path.

MY MERCY IS NOT EXHAUSTED: COME, REPENT AND TAKE UP AGAIN THE TRUTH OF MY WORD.
I bless you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

We must remain on constant spiritual alert, and at the same time not allow events that arise in the world to pass by, because each event is a key to the next step that will be taken by those who govern Humanity.

Terror will continue attacking Humanity; the strategy of evil is to destabilize it so that evil, disguised as a protector, may come out to meet man.

Man will be called by Heaven ... Saying 'yes' or continuing to be among those who refuse to listen depends on each person. Human hardness is a product of man's response to God.

Purification for Humanity is approaching from the Universe.

Let us subdue our disbelief and live fully Heaven's Calls.

MESSAGE FROM THE BLESSED VIRGIN MARY TO HER BELOVED DAUGHTER LUZ DE MARIA DECEMBER 23, 2016

Beloved children of My Immaculate Heart:

May my Maternal Blessing be in each one of you the balm that will lead you to reflect in these instants when you celebrate the Birth of My Son.

In the silence, discover the Voice that guides you, which you do not hear when you remain distracted. You cannot live in inner silence if you do not seek such instants alone with God.

The House of the Father explains Its Will to you, and you do not listen to it because you remain in constant noise.

**BELOVED CHILDREN: SAVE YOUR SOULS!
SAVE YOUR SOULS WITH AN AWARENESS OF ETERNAL LIFE, WITH ENTHUSIASM AND BEING
VIGILANT REGARDING YOUR WORK AND ACTION MOMENT BY MOMENT.**

The Divine Light that remained present in the Ark of the Covenant, on Mount Sinai, in the Manger

and on the Cross, continues to stand before each of you, children. Before sinners, saints, before those who do not believe and before those who do believe, before the fools and the wise, **THE DIVINE LIGHT IS ALIVE.**

In the Divine Love, the one who asks receives, and the one who is wise continues seeking My Son; they stay alert, looking at the signs, not shutting themselves in their shell, but supplying themselves with the Divine Word in order to be penetrated and stirred by this Light of the Holy Spirit that comes to give itself in silence.

Beloved children, the wise person knows the way to go, and even if they do not know the end of the road, they continue their pilgrimage full of humility towards their meeting with My Son.

**YOU KNOW THE PURPOSE OF YOUR MISSION:
YOU MUST RETURN THE EARTH TO THE HANDS OF THE CREATOR AND BECOME THOSE WHO
MERIT ETERNAL LIFE.**

In this instant proud men abound who, by their knowledge and intelligence, believe that they possess everything in advance. No, children, you need to love God, knowledge is a step towards understanding and union with Heaven, but knowledge is not a sign of faith or holiness.

You are called to humility but not to ignorance, because in this instant there is a proliferation of those who have handed themselves over to satan and who are working to increase Humanity's great spiritual holocaust. How many innocents die! How many—through hunger, terrorism, and the terrorism of abortion agreed to by their parents!

You should keep this in mind at this instant, and worship My Son for those who do not worship Him or love Him, and who disrespect Him in many ways.

Dear children:

You do not hear the Voice of God because you live in noise, you do not hear your Travelling Companions because you live in noise ... Your Protectors, appointed by the Eternal Father, protect you ... **AND YOU DO NOT THINK ABOUT THESE SERVANTS OF GOD** who free you from greater evils. The ignorance of My Son's People is such that you do not transcend, you do not appeal to your Guardians to direct you, with your consent, beseeching them not to forsake you at any time.

CHILDREN, CALL ME! ... I AM THE MOTHER OF GOD AND MOTHER OF HUMANITY.

Man is a sinner, but you do not have to live in sin. Arise, believe in this Mother and in the Revelations through which I have called you and continue to call you.

Live as true children of My Son, in humility, adoring Him, entering into unity with Him. Be creatures receptive to the Power of God, to the Greatness of God, and accept My Son, for **IN HIM YOU WILL FIND THE PLAN OF SALVATION AND YOU WILL BE A PART OF THAT SALVATION.**

HUMANITY, YOU DO NOT WANT TO PENETRATE INTO UNION WITH GOD!

My Son remains with you. In this instant, meet once again The Lord of time and space.

Be conscious of the magnitude of the Birth of My Son, from which you cannot separate His Incarnation, nor His surrender on the Cross. So infinite is the Love of the Father. And Humanity limits itself to what is superfluous, to not seeking the essence of each event, every Divine Word, and this out of convenience.

In this instant, your brothers and sisters suffer because of so many Herods who persecute the People of My Son, who find joy in killing children without feeling repentance over this. So many Herods who have given themselves into the hands of the enemy of the soul and who sell the Church of My Son! So many Herods who with their economic power corrode the health of the Peoples, starve large populations, infect the food of the Nations, create new diseases, lacerate the innocent! These are the Herods of this time, those who work from high positions without opening their mouths so as not to be discovered.

You, My children, worship and make reparation for such cruelty in Humanity, for faults before God's Law, for the laws being implemented among the Nations and that are contrary to the Divine Will, make reparation for the blood spilled by acts of terrorism.

MY CHILDREN, DRAW NEAR TO THOSE WHO DO NOT HAVE, AND SHARE THE BREAD OF EACH DAY; GIVE FOOD TO THE NEEDY, BUT SHARE IT WITH THE LOVE OF A TRUE CHILD OF GOD.

Pray My children, pray for those who in the name of God seriously offend THE INNOCENT.

Pray My children, pray this Christmas Eve for the suffering and persecution of Christians.

Pray My children, pray for Europe. It weeps, it does not smile, it grieves at the contempt of its brothers who spitefully attack one other.

Pray My children, pray for the Church of My Son, it is shaking. Rome is distressed and afraid.

By accepting evil so that it directs Humanity's destiny, man has grown up with deformed knowledge for his own suffering. Man uses for evil the gifts that he has received from God and those gifts disappear because of wrongdoing; in this way evil penetrates into the human creature, who accepts it, and it fills him with everything contrary to the good.

THEREFORE, DEARLY BELOVED CHILDREN, FILL CREATION WITH THE GOOD THAT IS BORN OF YOUR SOULS, BE CREATURES OF PEACE, BE PLEASANT OFFERINGS NOT ONLY THIS NIGHT BUT IN EVERY INSTANT OF YOUR LIVES.

Pray ... and in the silence make reparation before My Son for the harm that your brothers and sisters are causing to man himself.

Pray my children, and wherever you may be, be a consolation for your brothers and sisters who suffer in this instant because of Nature, which does not wait but wants you to react.

THE ANGELS SING THE GLORY OF GOD ... AND ON EARTH MY CHILDREN SUFFER.

I bless you as the Mother of each one of you. I want you to be born to a new life, aware of what it means to be My Child.

Receive My Maternal Blessing, do not be separated from Me, I lead you to Eternal Life.

I love you.

Mother Mary

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

At this moment the Saints come to my mind; they answered with a **FIAT**, a "Yes".

For each of us, this date of Our Lord's Nativity is incomplete without Our Blessed Mother.

Our Mother speaks to us of the wise, and a wise person without a Mother, a wise man without the presence of the Blessed Mother, is not wise, for in Her humility, charity, faith are known and **ABOVE ALL, TRUE LOVE FOR GOD.**

If each of us wants to be wise, we must stay in the lap of our Mother.

May this Christmas be the time in which the **GREAT MIRACLE OF LOVE** takes place in each person, and **MAY EACH PERSON BECOME AWARE OF WHAT THEY NEED TO REMAIN FAITHFUL TO CHRIST AND TO ALLOW THEMSELVES TO BE LED BY MARY TO JESUS.**

Brothers and sisters, may peace reign in every heart and may each person be a star, an Angel, a shepherd of those who are in the eternal Manger **WORSHIPING THE KING.**

United by and for Christ through Mary Most Holy.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
DECEMBER 30, 2016**

My Beloved People:

**YOU ARE MY PEOPLE, WHOM I WISH TO KEEP CONSTANTLY BY MY SIDE, YOU ARE MY
CHILDREN,
WHOM I LOOK UPON EVERY INSTANT WITH MY GAZE OF MERCY.**

For you the firmament shows its magnificence, every night the Vault of Heaven is covered with stars, and with the sun's light the day marks a new beginning for you. All these bounties are for each one of those who are Mine, except that the majority do not realize what grandeur surrounds them. Man is not aware of what hangs in the Vault of Heaven, so that he not only looks at it but thinks and reasons in the Power of Our Trinity to create all of what exists, since the origin of everything has been Divine.

You, My People, exist; you are real and remain in a reality that can be external and incomprehensible or internal and comprehensible. Each person possesses knowledge. Keeping it static is the responsibility of each one, just as multiplying it and maintaining it in constant dynamism and evolution is the responsibility of each human creature.

My children cannot make knowledge a generator of useful thoughts if they keep their mind tied to what is sinful, mundane, superfluous, to pride ... Reason in a man who is spiritually barren, with thinking limited to what he is told, is a dry reason that does not bear fruit.

I have invited you to knowledge, not only of Me so that you love Me, but to the knowledge of all that surrounds you, of the instant in which you are living, of what is happening in the world; so that the mind succeeds in leading you to live with inner awareness the result of every step that man takes.

Some of My own wish to live only by experiences, not knowing that experiences are not the basis of Faith. I call them to Obedience. **GO DEEPER INTO KNOWLEDGE, KEEP YOUR SENSES ALERT SO THAT OUR HOLY SPIRIT ENLIGHTENS YOU AND IMMERSE YOU IN KNOWLEDGE ILLUMINATED BY OUR WILL!**

I love you, and your sufferings are not distant for Me, therefore I call you over and over again, but you continue being blind, you do not listen, you do not learn from pain. You do not know My Word, you are rebellious children and you do not see the great labor of satan to destroy My People, you rise up against the True Law. **THE DECALOGUE IS NOT MAN'S INVENTION, IT IS THE DIVINE WILL.**

Evil has taken important prey. Among them some of My consecrated sons, in order for them to guide My People towards the abyss. Children, because of ignorance of the Divine Will, you are kept in a constant coming and going, going from one side to another, until you are anchored in disobedience, being followers of evil.

In this instant, as in the past, I must warn you: those who betray Me abound, those who, accepting what is worldly, hand My children over to evil, and My People surrender because of ignorance of My Word.

An examination of conscience is necessary for each one of My own, so that you might not be among those who betray Me by denying My dwelling in man, denying My Real Presence in the Eucharist, denying the existence of evil, denying sin by calling it evolution. This, My children, is painful for Me, because to work and act outside My Law means a painful way for man.

They betray the Faith, attack the Eucharist and My Mother, who stops the devil from taking hold of My Church. My children, in your ardent desire to search, you cling to sin, indulging your basest instincts. **I AM BETRAYED, I AM BETRAYED BY MY REPRESENTATIVES ON EARTH.**

And My children, ignorant of My Word, without wisdom or knowledge, deny Me in every act or work they perform, deny My Truth by not being aware of My Love, deny My Word that calls them to Holiness. These are not instants like those of the past, this is the instant of instants, this generation swings according to the compass of those who accept and those who do not accept it.

FOR HUMANITY MY GREAT TRUTHS ARE A MERE WHISPER; YOU TURN WHAT IS MINE INTO NOTHING.

MY BELOVED PEOPLE, YOU DOUBT MY WORD ... SO I WILL DOUBT YOU. YOU HAVE BEEN PARTICIPANTS IN THE CONFUSION OF YOUR BROTHERS AND SISTERS, LIVING IN THE LUKEWARMNESS THAT DOES NOT LEAD TO SPIRITUAL GROWTH BUT TO AN INORDINATE CONTINUATION OF THE COMPLACENCY OF THE SENSES, WHICH ARE MISUSED AND CONTAMINATED.

The instant is that which has been indicated. I look with pain on some of My consecrated ones performing the Eucharistic Celebration like a ritual without meaning; they do not live out their priesthood but enter into it like any other profession. This lack of Love towards Me is transmitted to My People, and they show themselves to be increasingly against Me, falling into the hands of the worldly spirits that dwell in some of their brothers, forming part of terrorist groups and acting with great cruelty, anger, and inundated with a particular evil.

Do not forget that evil comes to destroy, and where there is no unity, destruction is tangible.

Dear children, My People, terrorism has grown like the foam of the sea; some human creatures act by imitation. Every instant the number of My faithful is being reduced, because of the lack of openness to living out the proximity of My Truth and My Love. The world is swarming with a multitude of fallen angels in search of souls for satan; do not be absurd, do not resist My Pleas. They have fallen on ground that is fertile for evil. The life of a ruler will be taken away by human hands that have made a pact with evil.

**YOU ARE LIVING IN AN INSTANT OF TRIAL; BE SURE TO STAY WITHIN WHAT IS MY WILL.
THE LUKEWARM WILL BE VOMITED FROM THE MOUTH OF MY FATHER.
BETRAYALS BETWEEN NATIONS WILL ASTOUND THE WORLD.
BUT MY PEOPLE ARE KEPT PROTECTED BY ME; I AM WHO I AM ^(Ex. 3:14).**

Pray My children, pray for the Middle East, war will not delay.

Pray My children for the United States, it will be shaken in its land and by those who will betray it.

Pray My children, the Earth shakes without ceasing.

Pray for Mexico, pray in the practice of My Word. Mexico will be purified.

The great volcano awakens, and humanity is alarmed.

My Beloved ones, when the antichrist appears, My Angel of Peace will come to assist My People, for the truth will flow from his mouth for My People, and the Faith will be taken up again by My children.

PENETRATING INTO MY LOVE, HUMANITY WOULD NOT SUFFER WHAT IT IS SUFFERING AND WILL SUFFER.

COME QUICKLY, COME TO ME.

**YOU ARE BEGINNING A CYCLE OF SPIRITUAL TRUTH. TAKE THE POSSIBLE PRECAUTIONS...
THE TRIALS IN THE FAITH ARE BEGINNING.**

You are not alone: I am with each one of you.

Your Jesus.

**HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.
HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

All throughout this instant, Heaven has warned us about what we see with the sense of physical sight and spiritual sight.

We know that we have been called to fulfill the Divine Will by deepening our knowledge of Sacred Scripture, so that whoever does not know Sacred Scripture might possess the elements for discerning between what is from above and what is of the world.

We have not received a Message of predictions but a Message after the Divine Fashion, alerting us to what is coming and the responsibility that we have as Children of God to venture onto the path of Faith.

The instant is extremely algid, so much that whatever man wants may be unleashed.

We know the level of armament, the power struggle, the envy, selfishness and so many spiritual obstacles that we have to overcome.

The bear awakens and the eagle is betrayed in the midst of constant tensions that affect Humanity, until that which is making man more animal than human falls: the economy.

**BROTHERS AND SISTERS, LET US BE THOSE CHILDREN WHO STRIVE TO BE AS THEIR LORD WISHES
AND LET US CONTINUE GOING FORWARD.**

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY JANUARY 3, 2017

Beloved children of My Immaculate Heart:

I LOVE YOU MY CHILDREN; AS A MOTHER I CARRY YOU IN MY WOMB AS LONG AS NECESSARY.

In My Womb you learn to love as My Son asks you, you understand that in order to live rightly it is necessary for you to know My Son, in order that you might not be surprised by His work and action that are outside every human scheme. My Son is Infinite Mercy and for one soul, He pours out all His Mercy to welcome the sinner; there is no repentant sinner that My Son will turn away from Him. You, as human beings, are confined to the limited vision that each person has; My Son surpasses the human concept of forgiveness and goes out to meet souls, to rescue them and to offer them His Divine Love.

At this instant, children, man must emerge from the fog that prevents him from looking further than his eyes can see. You must break with the ambitions with which you have lived. The ambitious person is never satisfied and this dirties the senses to the point of hardening them so that they only see one goal, which is heavy and destructive.

You cannot walk by dragging the acts and works of others behind you but by undertaking a path of your own, determined, of surrender and humility, of wisdom and, at the same time, of understanding the Divine Justice. All, as children of God, merit opportunities, forgiveness, charity, hope, love, blessing, and above all, deserve to know, at all instants, that they are worthy of opting for Eternal Life.

You, children of My Immaculate Heart, have to strengthen your Faith, strengthen the force that resides in each person, and this you achieve through love and unity. You must look at yourselves in order to achieve a radical change; not looking at your brother as this will stop you: you will always see in your brother aspects that will only lead you to stop spiritually. My children must form an invincible, impenetrable wall.

My Beloved, spiritual torpor, spiritual disillusionment and spiritual blindness cause feelings to spring up that are wrong and contrary to love, making the creature blind before everything. Thus the action of Satan attains double strength, setting continual ambushes for those who do not expect to find any obstacle along the way.

Children, you must know the enemy of the soul, so that you are not be prey of his machinations. You have to know how Satan acts so that you are not prey to his seductions, nor to his ambushes, disguised as good intentions.

Evil walks the world not in one form but in a thousand ways. That is why you have to know in advance against whom and against what you are fighting, in order to draw up the right strategies.

PRAY, PRAY, PRAY; HUMANITY IS SICK FROM THE DESIRE FOR POSSESSION, YOU HAVE FORGOTTEN PRAYER AND FOCUS ON APPEARANCES AND POSSESSION.

The overthrow within the Church will be taken to its most extreme point, not without first leaving strong and deep traces in Humanity, which will have to be evangelized with maturity.

Dear children, humility is not always a sign of modesty. But knowledge gives words of strength so that you have the fire that silences the fool and makes the one who thinks they know everything despair.

I, AS MOTHER OF ALL MEN AND QUEEN OF HEAVEN AND EARTH, SEND YOU TO DEEPEN YOUR KNOWLEDGE OF MY SON AND HIS TEACHINGS.

For this generation in its decisive instants, a week may seem to be several months, and sometimes a week will seem like a day, due to the events that you are living through.

Everything will be different: you will long for the present world, since the one that will exist later will be very different from what you are living today and its possibilities, however restricted they may be.

You do not see how Nature surprises Humanity with its unexpected changes; aviation and aeronautics will have to advance in their systems faced with the unpredictability of the unexpected changes of the winds, of the waters, of the elements; beloved children, everything will change.

Pray beloved children, pray for Argentina, it will suffer and weep.

Pray children, pray for Puerto Rico, it will suffer through the force of Nature.

Pray children, you will see in the sky how fire from the Universe approaches.

Pray children, pray, Brazil will suffer because of its distance from God.

Pray children, pray for Chile, it will suffer, cries will fill the air.

The United States will experience turmoil.

BELOVED CHILDREN OF MY IMMACULATE HEART, BE JUST TOWARDS MY SON, GIVE HIM THE HONOR AND THE GLORY THAT HUMAN CREATURES DO NOT GIVE HIM.

DO NOT BE CONTAMINATED WITH WHAT IS NOT THE DIVINE WILL, FULFILL THE DIVINE WORD.

DO NOT ACCEPT WHAT MY SON HAS NOT TAUGHT YOU.

The children of My Son are faithful and true. The children of My Son are those who do not refuse or deny My Son. The children of My Son know that My Son is returning in His Second Coming and will give them His Hand and lift them from the place where they will be sent. Wait patiently and do not lose faith.

MY SON IS COMING, ANNOUNCED BY ALL CREATION. He will not return in a poor manger but as King; he comes in the midst of the Vault of Heaven that will open to make way for him, he comes accompanied by myriads of Angelic Beings, and of all the Hierarchies.

The stars will seem to descend towards the earth; by day you will see them shine. The martyrs will sing the Divine Glory, all that exists will sing the arrival of My Son. The Archangels and Seraphim will raise up songs with harmonious melodies such as man has never heard. The air will sing and the water will rise up, forming small drops of water that will arise in harmony, forming beautiful multi-colored rainbows, so pure in their essence, that man has not seen such colours before.

The vegetation will join with such rejoicing and will move in unison, producing the sound of the trumpets to the rhythm of the songs.

An Archangel will have a Chalice in his hand with My Son's Blood, the same that was collected at the foot of the Cross, and this Blood will be poured out as abundant dew on the Holy Remnant, faithful and true, who did not deny My Son.

Beloved children of My Immaculate Heart, wait patiently, holding to My Son and to what He makes clear to you. **DO NOT LOOK FOR TREASURES THAT YOU WILL NOT FIND; YOU ALREADY POSSESS THE GREATEST TREASURE: THE EXPLANATION OF THE DIVINE WORD BY GRACE AND TRINITARIAN MERCY.**

I bless you,

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Given so many currents reaching the People of God, we are obliged to meditate. We have been and are being warned of all that will happen in the final stages of this generation, in which the day and hour are in the power of the Eternal Father.

Given everything we know about the suffering of this generation through the rebellion in which man continues to live, we are called once again to unity, because in unity the People of God attains its strength.

We must pray, because deception has existed and thus those have arisen who have misled and martyred the

People of God. We must prepare ourselves because they come to mislead and persecute the children of the Blessed Mother.

Brethren: let us pray, meditate, and pray constantly for the anointing of the Holy Spirit, so that only it may be he who alone is true and faithful one who remains in us, for His Glory, for Ever and Ever.

Amen.

DIALOGUE OF OUR LORD JESUS CHRIST JANUARY 9, 2017

Our Lord:

My Beloved, I see man, My son, whom I love with Eternal Love, boasting about the future with the aim of progressing in every aspect of life, when at this instant his duty is to grow spiritually and to draw near to Me.

Mankind is lost amidst the weeds that it has created in order to fix everything worldly in evil, raving about the instant that will not come, trampling one another without thinking, interpreting My Designs and denying My Word.

My Beloved, will it be of greater benefit to My children to believe themselves saved, to belong to a social elite, to possess the greatest wealth, to have merely human respect, to be mentioned in the media, to be praised by men, to feel that they are idols, to hold sway over a People, to possess the greatest and most sophisticated weapons, contaminate the Creation, dictate laws to destroy life by allowing abortion, accepting relationships against human nature? ... This, my beloved, among so many things that I keep in My Heart and could mention to you.

Luz de María

Lord of my life, none of this is profitable for man, none of it brings him closer to Your Love. As you teach me: wheat must be fixed on firm ground so that weeds do not take shelter among the wheat and cause it to be lost.

Humanity consents to the aridity of the human heart, accepts the lack of Your Presence, as the human creature, being given over to what does not come from You, lives by what is immediate, forgetting that all this is transient.

Our Lord:

Beloved, the passing instant melts away between the fingers of man's hands, not taking into account that in order to be saved he has to offer and obey, fulfill and surrender. So many are they who say that they love me by being present in My Temples every day! And I, knowing the depths of the soul, see the discomfort, disinterest and lack of fulfillment towards the Divine Word.

I experience the great apathy with which I am treated and the contempt of being ignored ...

I see how false human appearances surpass love for Me ...

I look at the preference of some of My Representatives for certain social and even political elites in order to remain among the top positions...

I look at these Priests of Mine lacking spiritual accompaniment

How much power evil holds over man at this instant! So much that it manipulates him to the utmost, so much so that, in search of the best possessions in order to be admired, My children, men and women, are deceived and live without respect for themselves. I grieve for those who live by appearances or by convention... How far these "modern styles of life and love" are from Me!

Indecency in women's clothing is a sign of the emptiness they carry inside. Woman has lost her values, decorum, decency, modesty, discretion and sensitivity.

The little masculinity with which men dress gives clear signals as to what is happening to man in this instant. They look with contempt at the Gift of Life, they see how man has become a creature emerging from darkness, a product of the decadence that you will no longer be able to reverse until humanity is totally purified.

Our Lord:

My Beloved One, tell me, how many of My people enter deeply into Sacred Scripture and the explanation of My Calls with the purpose of freeing themselves from the ignorance that they carry with them? How insistently My Mother has wished to hold back evil for this generation! Her Calls were ignored and continue being ignored because of human respects that are leading you to greater suffering.

With evil rooted in man, weapons of mass destruction will intensify their lethal action, coupled with the false idols that man has created; among them, abortion and its consequent sins are the arrows of satan. In the absence of the fear of offending Me the human person has given himself over to the guidance of satan. You betray Me and forget the Divine Law by agreeing to this planned amnesia, telling me: 'stay away from us, we do not want to know you!' My people only want to survive in any way, without any feeling, mandate, rule, respect or love. Man has forgotten his condition as a child of God ...

Luz de María:

My Lord, the lack of awareness of the instant in which Humanity finds itself has been programmed through man's estrangement from You. Your People are as when Moses was on Mount Sinai and they no longer wanted to wait, they have created sculptures of satan, to whom they surrender, and he sends his legions to impel man to fall into degeneration and the worst of ignominies and heresies.

Our Lord:

My Beloved, Humanity will not stop until it suffers what it has generated ... Part of the Purification is approaching from Space, the force and vibration of Celestial Objects that travel through Space will directly influence the Earth's Orbit, causing the Earth's Axis to move, and the Earth's entrails and the Earth's center of gravity correspond to that vibration and magnetism, altering the normal rotation. Disasters will increase; one earthquake after another will occur without men being able to assist one another promptly, since conditions will prevent it. The fury of the waters will flood the coasts and communications will be altered to the extreme. Then man will see that his technology cannot stand on its own, but depends on what the Divine Hand has created in order to continue advancing. Man is not the Creator but the slave of what he has created ... Nothing goes beyond where Our Trinity allows.

If just for one instant you would listen to My Word and that of My Mother, Humanity would find itself far from so many mistakes and errors. The human will has achieved supremacy in the face of the lack of knowledge of Our Will. A god of solutions is what Humanity seeks, and when those solutions do not fit human desire, it has opted for the devil.

Spread Our Word in season and out of season, awaken souls as I command you.

My People:

Everyone has the power of decision; each one of you, My children, has the power of choice. Those who have decided distordedly to turn away from Me are those who destroy everything in their path, beginning with the Gift of Life and leading Humanity to suffer cruelly. All those who possess power for determining norms, laws and who can interfere with the Peoples, and have used it for evil, if they do not repent in due time, before the appointed hour, will not obtain My Mercy.

THIS IS THE INSTANT FOR REPENTANCE, FOR CONVERSION: THIS ONE, NOT ANOTHER.

Pray, children, pray for Australia, lament comes to that land.

Pray, children, pray for Indonesia, the colossus awakens.

Pray children for Italy, it suffers because of the great volcano that was dormant.

Pray, children, pray for My Church, She is divided and the sheep are scattered.

My people, come to Me, attend to My Pleas.

My Blessing abides in you, My Love claims you, My Mercy awaits you ...

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARÍA
JANUARY 15, 2017**

Beloved children of My Immaculate Heart:

**I CALL YOU TO REMAIN UNITED TO MY SON, AND FOR THIS IT IS NECESSARY
FOR YOU TO REMAIN IN A STATE OF GRACE.**

You have to and will have to restore the relationship that man has lost with God because of the ignominy, rebellion, disobedience, perversion, the present arrogance and heresies with which Humanity insults My Son. A few of My children will be able to multiply themselves as many times as God allows and the acts and deeds they perform will be like those of multitudes.

**CHILDREN, IN ORDER TO RESTORE THE RELATIONSHIP WITH THE CREATOR, YOU MUST FIRST
DIRECT YOUR EFFORTS TOWARDS THE INSIDE OF EACH PERSON, AS WITHOUT INTERNAL CHANGE
YOU WILL NOT ACHIEVE A TRUE AND STABLE CHANGE.**

At this instant, the human being does not live in inner peace and this makes him a spiritually unstable creature, and he therefore keeps acting and reacting unexpectedly towards his neighbor, living in a constant fear of losing what he does not have and of losing what he possesses. Because of these improper cravings it is that you are unable to live in peace, but live in a constant anxiety. The aforementioned is because you act alone, you feel that you can overcome the turmoil and appetites of the world on your own, and this is not so. **INVITE MY SON AND ME TO REMAIN PRESENT, DIRECTING YOU IN WORK AND ACTION SO THAT EVERYTHING MIGHT CONFORM TO THE DIVINE WILL.**

Children, you act by imitation, impulsively and without thinking, since you act without reasoning, without your memory working, without your thinking bringing to mind previous acts that caused you painful and baleful instants; you should avoid repeating the mistakes made, but you do not do so.

You are not sincere with yourselves, otherwise you would avoid falling into pain, frustrations, discord, you would be attentive so as to curb improper impulses, but hypocrisy is greater than Truth.

**PAINFULLY I SEE THAT MY CHILDREN LACK HUMILITY; YOU CONSTANTLY POINT OUT THE ERRORS
THAT YOU BELIEVE YOU SEE IN YOUR BROTHERS AND SISTERS WITHOUT CORRECTING
YOURSELVES FIRST.**

**PRIDE IS SO GREAT IN THOSE WHO ARE MINE THAT THEY DO NOT CHANGE AND LIVE IN A
CONSTANT COMPLAINT TOWARD THEIR BROTHERS AND SISTERS ABOUT WHAT FOR THEM ARE
WRONG ACTS, BUT THE PROUD PERSON DOES NOT CHANGE IN ORDER TO SET AN EXAMPLE.**

Beloved children, as Mother, I know the emptiness in which you are living, and it is precisely through that interior emptiness that the devil penetrates. The devil is subtle and will call you to glorify yourselves - for what? In order for you to eliminate the concept of good and evil, convincing yourselves that My Son has died and that you can therefore act in freedom since you will always be forgiven.

Beloved children of My Immaculate Heart, the glorification of man himself makes God's beloved human creature become a creature saturated with his vaunted human self, which does not reason, thus fulfilling the purpose of satan: that man be the most irrational being of all Creation.

**YOU AWAIT THE ARRIVAL OF THE IMPOSTOR, AND THE ANTICHRIST IS NOW ACTING IN THOSE WHO
ARE WEAK, FINDING THEM EMPTY OF CONSCIENCE AND FAR FROM MY SON.**

The impostor acts upon everyone; the first thing that he carries out in man is to make his pride grow, encouraging him to consider himself judge and lord:
he leads the inhuman to be more inhuman ...
he leads the unjust to point out the mistakes of others and not to see their own ...

At this instant, the devil is emptying man of feelings and perceptions, of intelligence, in order to subject him by means of a state of servitude, and he prevents him from being creative so that man depends on him.

**BELOVED CHILDREN, THE INSTANT IS CRITICAL FOR SPIRITUAL GROWTH,
EACH ONE OF YOU MUST FIGHT WITH ALL YOUR STRENGTH IN ORDER NOT TO CONSENT**

TO WHAT IS CONTRARY TO THE DIVINE WILL.

My children talk about sin and discover it quickly, except that, foolish and irresponsible, they often fall into greater sins. Man has lived through slavery and sees it as a thing of the past. In this instant man is more of a slave to sin than man himself thinks, you constantly chew on slavery to vices, and this terrible food produces creatures who are totally distant from God, mistaken in their convictions and totally idolatrous.

My Beloved, you lack Love and this leads you to seek spirituality in evil. There you will never find it; on the contrary, you will be ever harder of heart and will love what is a product of Creation, but you will not love the Creator.

Children, the leaders of evil are stirring up the Nations through a few men, and the rest imitate those few men sent by those who direct Humanity's destiny, causing greater agitation after a very short period of apparent calm. In the great international scene, they will kill the president of a great Nation, and this will convulse the world, giving an opportunity for people to blame one another, and thus the spectre of war stops being a spectre. A frightened humanity is easily guided to evil's goal.

Those who love My Son truly cannot take part in Freemasonry, the Illuminati, dazzling elites, forms of modernism that offend the Mystical Body, communism and its practices; they cannot live with music that is composed for satan, they cannot allow themselves to be dominated by technology, they must not allow themselves to be poisoned with an irresponsible diet, created to finish off much of humanity. Illnesses created by man are the great pretext for contaminating the body of the human creature and slowing causing death with medicines arranged for this.

Beloved children of My Immaculate Heart, the mighty ones of the world are constantly devising elements so that man might fall and be dominated by them.

A HUMAN CREATURE CONTAMINATED NOT ONLY IN HIS BODY BUT IN HIS SPIRIT IS A CREATURE THAT IS TOTALLY VULNERABLE TO EVIL AND TO BEING USED FOR EVIL.

Not praying consciously, the absence of the practice of fasting for those who are not sick, not scrutinize the Sacred Scripture, lack of true repentance as a sign of humility, not receiving the Eucharist, disrespect for one's own life and that of neighbor, and for the human body as the Temple of the Holy Spirit, and the absence of a total love for God are the key points where satan has found a great weakness and even ignorance and illiteracy in this humanity weakened in its spirit.

THIS IS NOT THE INSTANT FOR YOU TO SEEK WHO IS GUILTY, IT IS THE INSTANT IN WHICH EACH PERSON HAS TO TAKE RESPONSIBILITY FOR GROWING IN THE SPIRIT AND OFFERING TO GOD WHAT BELONGS TO GOD.

Pray My children, pray for Italy, it will be attacked by intruders, causing great pain to the People of My Son.

Pray My children, pray for France, it will suffer a great attack.

Pray My children for Spain, it welcomes fraternally those who need it. It will be assaulted without expecting it, its people will suffer, but I will be attentive to the petitions of the children of My Son.

Pray children, pray for Nigeria, blood is spilt.

Pray for children who suffer from satan's scourging.

Beloved children of My Immaculate Heart:

KEEP YOUR SPIRIT ALERT, AS EVIL IS ON THE ATTACK STATE. BE UNITED, BE FRATERNAL AND, ABOVE ALL ELSE, BE FAITHFUL TO MY SON, NOT TO MEN.

This cycle which you have begun indicates to man that he must remain united and fused to My Son so that he is not carried away by the sea-current of the enemy of the soul.

You must remain alert with respect to Nature: earthquakes will cause the waters of the seas to rise and penetrate the land, the winds will lead to disasters and the sun will heat up the Earth, and the fire will burn and sweep through large areas in various countries.

My children, the purification will be a test for those faithful to My Son; the undecided will be forced to decide before the night does not allow the sun to warm the Earth.

Beloved of My Immaculate Heart, love My Son, if you are faithful to My Son, you will not remain alone.

I stand with you: **"IS IT NOT I HERE WHO AM YOUR MOTHER?", DO NOT FEAR. I PROTECT AND ENLIGHTEN YOU IN THE WAY OF MY SON.**

I love you,

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

We have received a seminar on the part of Our Mother. Regrettably few listen to it, read it, scrutinize and treasure it; that is why Humanity continues being distracted and having other goals far from God.

Brothers and sisters, Heaven tells me that man needs to hurry up, he has walked very slowly as far as spirituality is concerned. Religiosity has been confused with spirituality and mysticism, and false religiosity has repeatedly replaced going to where the human you and the Divine You meet.

We are men and women of a generation that is all too far from what God created and what is God's Will ...

It is never too late, let us remember that when the People of God have been under pressure, surrounded by evil or have rebelled against God and reacted and repented, they have always received Divine Assistance.

While it is true that in the Messages it has been made clear to us that there is no turning back because man has willed it so, God does not deny His Assistance to those who truly seek Him.

Our Mother has mentioned to me in this Word of Hers that those who feel they are not proud should meditate on this Call, and for those who feel proud that it is the instant for correction.

We await transcendental events that will mark this generation as a reference for the generations that are growing up.

Let us ask for the grace that the human heart might allow itself to be touched by Divine Love and that the number of the Lord's Flock might thus increase.

Let us pray that Our Mother will sustain us and protect us in order to be faithful at all instants.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST JANUARY 16, 2017

My Beloved People:

**I SEE YOU, NOT FROM HEAVEN BUT FROM WITHIN EACH PERSON ...
WHOEVER DOES NOT KNOW ME FEELS THAT I AM FAR AWAY, AND THEREFORE DOES NOT FEEL
ME WITHIN THEM.**

I dwell within each one of you, sinners or not ... I dwell within you! And it is precisely within the human creature that all feelings converge, all thoughts, desires, whims, dissatisfactions, pride, hope, hatred, love, oppression, discouragement, kindness, charity, sincerity, humility, reason or anger, forgiveness or the radicalism generated by folly.

HOW MUCH HAVE I EXPLAINED AND GONE INTO THE URGENCY OF AN INTERNAL CHANGE IN THOSE WHO CALL THEMSELVES MY CHILDREN! As I dwell within you and there where you do not see Me

with the eyes of the body, I have to live oppressed by the constant assaults on the part of the human ego that dominates you, and you surrender to the "ego" without any will or authority to bend him.

I SEE THE EARTH FROM HEAVEN AND I SEE SO MANY WHO WANDER WITHOUT THE AWARENESS OF THE CHANGE, OF THE TRANSFORMATION TO WHICH YOU MUST PREPARE YOURSELVES IN THIS INSTANT.

Each person has the freedom to climb the heights of My Love or to crawl on the ground with the infernal serpent. This is the decision of human freedom.

The "ego" is formed by everything that man experiences in life ...
The "ego" receives all the information with which each of you informs yourself...

You, children, are a vessel within which is held everything you keep within your mind in order to remember, to work and to act. Ah children, but the reaction or action of man is not the fault of the mind! The mind has been informed by memories, values, convictions, tastes, ideas, fears, humility or pride. Each life experience is brought to the mind and it depends on each one of you whether that information is taken for good or for evil, to improve or to perish with an "ego" inflated by the vanity produced by pride.

EACH ONE OF MY CHILDREN IS FREE TO LIVE BY THE PAST OR OPEN UP TO THE NEWNESS OF MY LOVE, of ascending spiritually in order to comply obediently with that to which we alert you for the good of your soul, or to continue engaged in the folly of elements shaped by circumstances that emerge in certain situations like an uncontrollable wave that leads you to lose control very easily.

Humanity swells with pride at not needing me ... Within each one of you, I grieve when you treat the Temple of the Holy Spirit with such neglect, while I give you space so for you to prepare yourselves to undergo this interior metamorphosis and leave behind the rags that you carry like chains that do not allow you to be truly renewed: revolting, worm-eaten rags with which you move from one place to another, and hypocritically you flaunt in certain circumstances and others in other circumstances:

WHITENED SEPULCHRES, HYPOCRITES WHO ACT AND LIVE ACCORDING TO APPEARANCES! You go with the waves of convenience, not true surrender to My Word that wishes to transform you in My Way, so that you act in goodness, move in goodness, work in goodness and be My true testimonies.

I feel each person's thirst, each person's appetite, but not the physical thirst and the appetite, rather the thirst that degrades, the appetite that satisfies the "ego." And there I find Myself as if in a cage that imprisons Me and gives me almost no space to bring My Love to your minds or thought, and less to the heart.

Beloved, I am constantly held back by the multiple "egos" that form the "ego" in its totality and that block My way with the infernal desire for dominion.

SO MANY OF YOU WHO SAY THAT YOU ARE PART OF MY PEOPLE, THAT YOU ARE FAITHFUL AND THAT YOU SERVE ME ARE REALLY THIEVES! ... Some dressed elegantly because they believe that they go unnoticed that way, others dressed in their rags in order to pretend they are authentic: BOTH SCOURGE ME! Both are drunk with opulence, greed and pride.

ONE IS THE WAY TO TRANSFORM YOURSELVES FROM A SINNER TO SOMEONE WHO IS REPENTANT, ONE. AND THIS IS THE CONSTANT DETERRENT FOR THE "EGO". UNTIL YOU MOLD YOUR "EGO", YOU WILL NOT BE ABLE TO HEAR THE VOICE OF MY LOVE.

This Humanity has degenerated so much that it looks in the same way at the birth of a child and the beheading of another child. Apparently you grieve, but then you decapitate your brother, steal his heart, throw him to the ground and drag him behind you as a trophy of war.

Children, My People, what are you doing? Where is that Divine image that you possess? Where have you thrown it?

At this instant when you have available so much information from Our House, with so much prevention so that you do not fall, and so that if you fall you get up quickly, you have prior notice of the events that you will face, and even so you are rebellious, and because of rebellion the devil is taking power, growing, increasing, and you work and act with such indifference that you ignore one another ... **ARROGANT ONES! YOU WILL LAMENT NOT HAVING LISTENED TO MY WORD.**

The strategy of evil is not familiar to man; you do not recognize it easily and therefore it penetrates so easily and transforms you. If at this instant you continue to insist on the folly of working and acting according to the "ego" that you possess, and do not lead it towards a state of Truth in My Love, the spiritual battle will be too easy for the devil and he will drag you towards evil, taking hold of you in order to bring down your brothers at every instant.

EVIL DOES NOT REST AND GIVEN THE SPIRITUAL ANEMIA THAT YOU HAVE, THE FORCE OF EVIL EASILY DRAGS YOU ALONG UNTIL YOU FORM PART OF ITS RETINUE.

You do not make a firm commitment to make amends; the first reaction to My Calls is one of "contrition lite", then you forget and continue being the same as before. My Heart grieves at the ease you have cultivated for saying 'yes!' and entering instants later into the denial of what you offered Me.

I WILL SEND MY ANGEL OF PEACE WITH A ROD OF IRON, and when he speaks, His Word will be a fire burning human thoughtlessness and falsehood, unmasking the conceited and stubborn, the conceited who have despised the humble.

My priests will have to amend their way, they who should amend it and once more enter into the prayer and spirituality that guides the mystic by way of My Most Holy Mother. They must devote themselves to calling My sheep and preaching My Word with strength and firmness so that a greater number of My People's souls do not go astray.

My Church is wounded, and each one of My priests is called to be a healer and to heal the greatest number of wounds suffered by My Church before those who do not worship Me devour My People like predators and before My People disintegrate on seeing the Vatican and Rome burn like firewood.

Man's deceiver springs up against each one of you in the instants when you are most vulnerable: when you move outside of My Will. Do you want to be servants of evil, since you do not change? ... **AH, AND THEN YOU INVOKE ME ASKING FOR PROTECTION!**

WILL YOU CONTINUE IN THIS SPIRITUAL HARRASSMENT IN WHICH YOU ARE LIVING, FACILITATING SATAN'S TASK, AS HE DOES NOT HAVE TO LOOK FOR YOU, BUT YOU CALL ON HIM TO USE YOU?

How much the lukewarm will suffer ! They will be seized by the lie of evil and will be easy prey for satan. Satan is not unaware of the desires of each person and with these he will call you. Within himself, man always desires what he does not have, and evil knows it. **BE WARNED, MY BELOVED PEOPLE.**

Pray, My children, pray for Jamaica.

Pray, My children, pray for Venezuela.

Pray, My children, My Temples are devastated.

Pray My children, that the Fifth Marian Dogma be proclaimed (1).

My People, love My Mother, She leads My People. I bless you with Eternal Love.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

(1) Fifth Marian Dogma: Mary as Advocate, Co-redemptrix and Mediatrix of all graces.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

As the beautiful and undeniable Lord, Master of souls, Christ sets out for us the most fraternal correction for His People that we can find.

With the delicacy of a King, he calls His People and touches their most intimate fibers, like one tuning a piano, which is the closest thing that my mind can see to what Christ has put in fine detail for us. We know that the one who tunes a piano does not only have to know how to tune the piano, because if he does not know about piano

repairs or their intonation, or if he does not know the makes of piano, he will not be able to recognize each one of them.

As the most exalted of tuners, Our Christ knows each one of His children, and that is how on the way He shapes and attunes the creature to His Will. He knows all of us, from the smallest of our thoughts to our greatest realizations. And so it is that each one is called to be a string of that Divine Piano that ought to sound in perfect harmony.

Brothers and sisters, being meek is not easy, that is why rebellion comes out in the creature, except that rebellion will pass, while neither Christ nor His Word will pass.

Amen.

MESSAGE OF THE BLESSED VIRGIN MARY JANUARY 22, 2017

Beloved children of My Immaculate Heart:

**AN INFINITY OF BLESSINGS REACHES EACH ONE OF MY CHILDREN WHEN ACTS AND WORKS ARE
IMPREGNATED WITH LOVE.**

**EVERYONE MUST MAKE A RADICAL CHANGE IN THEIR WAY OF ACTING AND REACTING IN ORDER
TO BE THOSE WHO GENERATE LOVE AND WHO ARE ACTIVE WITNESSES TO MY SON.**

Love vanishes like water between the fingers, but not for that do the fingers remain dry; instead the skin keeps the moisture that the water leaves. Thus, you are called to reactivate this Gift and this certainty in work and action that is a multiplier, awakening in your brothers that Divine Spark which illuminates the darkness and overcomes what is thought to be lost.

YOU NEED TO READY YOURSELVES PERSONALLY IN ORDER TO ALLOW THE HOLY SPIRIT TO ACT WITH FREEDOM WITHIN EACH ONE OF YOU, AND THUS FOR YOU TO GROW AND BE MORE OF MY SON AND LESS OF THE WORLD. All is not lost for those who are willing and entrust themselves to Divine guidance. You only have to maintain a total willingness for Humanity to turn in the opposite direction to the one that it is taking at this instant, which is: going towards the dominion of evil throughout the Earth. Humanity will suffer for its rebellion, but everyone still has before them the possibility of Divine Mercy and the opportunity for conversion, and therefore, for the soul's Salvation.

THE REQUIREMENT FOR MAN IS TO SURRENDER INWARDLY AND WITH CONFIDENCE IN THE ARMS OF MY SON. When each one of you is thirsting for the Salvation of souls, in that instant, Love will not only shelter in the human creature that requests it, but will expand to infinity, and in this way, love will transform everything that comes across its path. You must not be sterile: everyone must bear witness by their work and action.

The current reality within My Son's People is chaotic: the blind want to lead the blind... Some of My children wait for My Word in order to focus on criticism, to avoid responsibilities or to enter into the "novelties" of My Son's House.

I feel pain, as Mother, in knowing that some of My Priests do not preach but unload their emotional state in sermons, provoking greater confusion among My Son's People, who are far from acting rightly.

The hands that consecrate My Son have to be kept free from pride, envy, offense, premeditated lies ... Woe to those of My Priests who become persecutors of My Son's People! as a lack of sensitivity demonstrates a lack of Divine Love in the creature, and this paralyzes the Truth, allowing the human ego to emerge.

My Priests sons, evil not only travels the road in search of My lay children, but sends demons with greater harshness to inundate the hearts of those who consecrate themselves to the service of My Son. Evil rises up through a lack of good judgement, spiritual poverty, laziness and anger in order to provoke discouragement in you, dereliction of your duties, the feeling that you are privileged and have superior rank, you therefore being those that cause dryness and hardness of heart in the souls that you lead.

My beloved Priests of My Heart, do not forget that to serve My Son you must be an example and have a right heart.

Beloved children of My Immaculate Heart:

COME TO KNOW MY SON, SEEK HIM, DRAW CLOSE, STAY OPEN TO THE TRUTH... So much so that you seek to know My Son in depth, stopping to look at what is profound in creation, in nature, in the wind, in water, since in everything that Divine Imprint is present which speaks and gives assurance of the Eternity of the one who created it.

**YOU REMAIN IN CONSTANT INTERNAL STRUGGLE ...
AND THIS IS WHAT ALLOWS EVIL TO TEMPT YOU WITH GREATER FREQUENCY.**

One of the obstacles of this instant is the **GREAT DISPERSION** in which you live. Children, dispersion overwhelms the memory and holds back the efforts that you may make to unite with My Son and ascend.

Children, I have already called you to enter within yourselves and to know yourselves without pretense; this will lead you to be firmer, more accurate, prudent and reflective, to recognize what you need to reinforce because of your weaknesses, selfishness, lack of love, and thus you will be able to grow in living together with your brothers.

You live a life attached to the world, but you have these instants to discover the importance of a true relationship with My Son, which is far from the false concepts that you have. You have to come out of that selfish way of thinking, of that "being yourself", of that life that is totally selfish, in order to turn back inward and there to look and be prepared to cancel everything that can separate you from being that true child of God who does not look at himself but at God and his brother.

CHILDREN, SOME HAVE KNOWLEDGE, AND WITH IT YOU DAZZLE YOUR BROTHERS, YET MAN DOES NOT LIVE BY KNOWLEDGE ALONE, BUT BY LOVE, by being understanding, by accepting one's brother with his obstacles and virtues, by not crushing your fellow man, by not letting anger arise because it ruins everything, by avoiding spiritual envy, since it comes to dominate man to the point of making him fall into all vices contrary to Love.

The agitated life of My children in a constantly stormy sea, it does not allow them to quieten themselves, and therefore some are so weak that faced by daily situations they feel unable to resist ... Spiritual deficiency influences upon the physical body.

Children, you have forgotten obedience to My Calls, you fulfill what you want, giving the first place to what is worldly. You forget your own lives with your own law and your own relationships with God. You do not recognize My Son, nor do you respect the Commandments; this has led you to be part of a perverse generation that desires self-fulfillment and imposes itself in order to be heard, without allowing itself to be corrected ...

**MAN CONTINUALLY INTENDS TO RENOUNCE HIS ERRORS AND ATTACHMENTS, BUT DOES NOT
MANAGE TO CARRY OUT THE TRANSFORMATION, HE IS LEFT HOLDING THE INTENTION ...**

Man empties his intentions into the sea of forgetting in order to persist in fantasy, therefore My priestly sons should not preach on the non-existence of evil, because with this they are causing souls to succumb. Humanity desperately seeks the support of the hierarchy of My Son's Church in order to persist in its world of sin and thus continue in debauchery.

Beloved children of My Immaculate Heart, so much rivalry that exists in man is a product of the lack of Divine Love in man's heart; the lightness of the tongue betrays those who live by appearances, totally contrary to the Law of Love.

The instant calls you to not be creatures that feed on the misfortunes of their brothers. Whoever acts in this way feeds evil. Evil grows, it increases its power through your evil deeds; you have to remain conscious of this if you wish to scale the heights of spiritual life.

THEREFORE, YOU SHOULD CORRECT YOURSELVES HERE AND AT SUCH A TRANSCENDENT INSTANT IN THE HISTORY OF HUMANITY when the tendency is to rebel against everything, without thinking whether it is good or not. Man at this instant is acting by imitation, not by reason, not by thought. You prevent conscience from bringing remorse: this you do not know, because you have imprisoned the conscience so that it does not trouble you and does not bring you to repentance.

With sorrow, I see My children finding the most comfortable way to evade responsibilities and changes, bad actions and reactions: bad habits are hidden by blaming others. Man has grown according to this sad pattern,

blaming others for his own guilt that you do not acknowledge. This is a great personal weakness, a self-deception, personal deterioration that has led to the irresponsibility in which humanity is living in this instant.

THE WAY OF THE INSTANT IS SHAPED BY EACH ONE OF YOU, EVERYONE HAS CONTRIBUTED TO THE STATE OF THIS GENERATION BY THEIR WORK AND ACTION.

Momentum, fame, vainglory, fortune, pleasures are so important for man that there is no place for what is spiritual. My Son has been banished from the hearts of His children, He lives oppressed by human folly. This favors man's surrender to the antichrist. He who does not know My Son is easy prey for evil. Fantasy and illusion will make you fall into the deceptive hands of the antichrist.

Those who are powerful make those who do not know the essence of the Truth fall into their nets, and Truth is taken away from Humanity in order to bring it to suffering and constant pain. Uncertainty destroys; whoever remains safe by Divine protection has greater stability in their spirit.

At this instant, Humanity is looking at the work and action of a single man whom it will quickly forget until he, through the human power they have given to him, shakes some People. Such is human behavior, so it is with the spiritual; it calls on the Divinity out of fear, then forgets and continues along its daily path.

Certainly, man suffers and will suffer, but whoever has not suffered will not show signs of love to the one who suffers, but sends him far away in order not to know about what he does not know.

The world Powers are not unaware of each other; on the contrary, they are weaving finely together to not jeopardize themselves. It is Humanity that is deceived by the lack of knowledge and acceptance due to ignorance.

Pray children, pray, Italy will continue to suffer, it will again be shaken in its land and surprised by the powerful volcano that is sleeping, and this will awaken others.

Pray, children, the Church of My Son will suffer unexpectedly because of news that it was not expecting.

THEN IT WILL THINK OF MY WORDS AND WILL BE CONVINCED THAT THIS MOTHER HAS WARNED YOU, BUT THAT YOU HAD NOT UNDERSTOOD.

Pray children, Guatemala will be shaken, this suffering People will weep.

Pray, children, pray, new laws diminish the defenseless and hunger accelerates. He who has, desires to have more, and he who does not have will be stripped of what he has. The United States will stay in the world's gaze.

Pray My children, pain for Humanity will come out of the United States.

Pray, children, seismic activity is increasing, the sun strikes the Earth.

Children of My Immaculate Heart: the instant is instant no longer, the proximity of a meteorite is regarded with indifference, man is living as if the events that I have mentioned to you were not to occur. This is the stubbornness of the man who does not change, neither emanating love towards the Creation so that the latter give him more protection.

Venezuela lives in shadow; within that shadow there is an arsenal of weapons bringing danger for America. Communism has not been defeated, but has spread its power of armament throughout the world and holds greater dominion than Humanity thinks.

Children, may each of you be a true mirror of the work and action of My Son, so that you may act by emanating that Love which much of Humanity has banished.

DO NOT DESPAIR, MY SON AND THIS MOTHER WILL NOT FORSAKE YOU ... WE ARE LOVE FOR THE HUMAN CREATURE: MY SON IS INFINITE MERCY.

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Most Holy Mother in this Message makes evident to us the great collapse that our planet is suffering and in which Humanity is enmeshed. The temperatures on the planet have increased due to irreversible climate change.

Man is not satisfied: the more he possesses, the more he desires, the more unhappy he feels and the further from God he is.

Our Mother warns us about the evils that have always afflicted man and that continue to cause the same evil in the spirit of man. The essence of evil enters into man by selfishness, which leads us to think only of personal good and not of our brothers. Every man thinks he owns the world and therefore has all rights for himself.

If Humanity had taken Heaven's Calls seriously, perhaps history would have changed. But as our Mother says: conscience has left man and the human being is dominated by the sensation of independence, creating a reaction contrary to Peace.

Brothers and sisters, this is the instant for us to develop all the capacity for intelligence with which God endowed us and thus to focus on spiritual ascent. Thus, maybe Humanity will stop competing and man stop thinking that he is the center of the Universe and have true awareness that he is within that infinite Divine harmony - just one note -, and that for that note to remain within the Divine Will, it must be willing to be polished until it matches that Divine Harmony.

Perhaps when we speak of intelligence we think of intelligence on a human level, but intelligence goes further: we speak of the spirit, the union, the fusion of man with his Creator.

Amen.

MESSAGE OF OUR LORD JESUS CHRIST JANUARY 25, 2017

My Beloved People:

**YOU KNOW YOUR LORD WELL, THEREFORE KNOW
THAT MY PATIENCE IS INFINITE FOR THOSE WHO ARE MINE.**

I warn you so that you awaken, not so that you would lose hope in My Mercy, but so that you decide to renounce sin and be renewed internally with a generous spirit.

I NEED YOU TO BE SPIRITUALLY ALERT. My children do not live by appearances but by what they keep in their hearts, which is why the human creature who is not united to Me will not be able to share what it does not keep nor live out, nor maintain practically in her heart.

My Beloved People, evil does not stop ...

My children must not stop fighting against the evil that they receive from outside.

My children must not stop in the struggle they have inside them and which constantly expands with the human ego, making them feel superior.

**DO NOT FORGET THAT THERE IS AND WILL BE A SMALL HOLY REMNANT, AND IT IS YOU WHOM I
CALL TO BE PART OF THAT SMALL GROUP OF MY TRUE CHILDREN.**

Children, watch with your lamps lit, keeping My Word; do not succumb to the generalized apostasy, **THIS IS ONLY THE PRELUDE TO MY FINAL TRIUMPH, NOT THE DEFEAT OF HIM WHO IS ALMIGHTY.**

Stay alert, do not allow appearances to deceive you, for those who do not love Me live by appearances and will come to contradict My Word.

HOW OFTEN I HAVE MENTIONED MY ANGEL OF PEACE SO THAT YOU BECOME FAMILIAR WITH THE ONE WHO WILL COME TO GIVE MY BREATH TO MY PEOPLE AND WILL DIFFERENTIATE HIMSELF COMPLETELY FROM EVIL! Firstly because He will come after the appearance of the Antichrist, secondly because He is the sign of My Love and thirdly because looking at Him, you will see My Mother in His gaze. This Angel of Peace of mine will remain with you.

Pray for those who will stand beside My Angel of Peace; I will call them to be free from all selfish inclination and will remove from the path of My Angel any obstacle prior to His arrival.

Evil preempts those who are Mine and tries to stop them, causing them to think about themselves, managing to take a little portion of sand in his clutches so that My children would suffocate within an apparent mountain of sand.

Oh children, how easily you totter before to the human ego! Recognize that you are not making the maximum effort, recognize that you are weak and proud, recognize that you look at yourselves more than your brothers look at you.

My Beloved People, some are looking with horror, fear or indifference at what is occurring in My Church, but they still continue without examining or putting under the microscope what is really happening at this instant. Some typically say that religious persecutions have always existed, just like events within Nature...

Blind, not only with their eyes, but spiritually blind! ... Those creatures are chained to hell who have decided not to open their hearts in order to understand that in every generation there has been an instant prior to the Purification of those who rebel against Me.

Blind people who with great indifference allow the hidden and silent work of evil to pass by that has always been invading My Church in order to stop Her!

It is just that this instant is the one prior to the Purification - this instant and no other, which is why, a long time beforehand, Satan with great cunning concentrated on attacking My People through the Hierarchy of My Church, but in this transcendent instant, **HELL'S EVIL ADOPTED A NEW STRATEGY: TO INFEST MY CHURCH, ARDUOUSLY WORKING FROM THE SEMINARIES IN ORDER TO ESTABLISH THE FALSE CHURCH TO THE SERVICE OF DARKNESS AND IN REBELLION AGAINST THE PRINCIPLES OF OUR DIVINE LAW.**

Beloved My People, I am present in the Holy Sacrifice on the Altar where I am treated with great indifference, irreverence and contempt ... **AT TIMES I AM EVEN STRUCK WHEN IN THE CONSECRATION THEY LIFT ME UP AND THEN DROP ME ON THE ALTAR WITHOUT THE SLIGHTEST SOLEMNITY.**

Children, is this not a great part of the crisis that My Church is living through in this instant?

Do they not in this way demonstrate unbelief in My Real and True Presence in the Consecrated Host?

Is not this a sign that even the priesthood, is considered in some cases just as another profession, as a means to ... and not as a donation?

So it is that My People live in the midst of ambiguity and do not grow spiritually, because they do not receive the due Food/Nourishment of the Word that leads them to grow and that gives life.

Open your eyes, not only those of the body but of the spirit! And see how little by little the Eucharistic Celebration is losing its value, thus accustoming My People to not needing me or seeing me as the **CENTER OF MY CHURCH**: My children will believe that they do not need their God.

MY PEOPLE, WAKE UP BEFORE THOSE WHO WANT TO GLORIFY THEMSELVES, AND WITH THE UGLINESS OF SPIRITUAL LUKEWARMNESS, ACCEPT THE EVIL ONE AS GOOD!

Those who do not love and respect My Mother and who do not keep the Commandments enter My House and offend Me.

Those who do not fulfill the Divine Will shall be led into great confusion; in constantly looking at what is happening, they will be indifferent and deny that the Signs are signs, spreading the message among My People that all is well. With far-fetched exclamations, a great majority of human creatures will allow the center of Fraternal, Sacramental Union and Food of My People that is the Holy Mass to be taken away from you, altering this Magnanimous Sacrament with the introduction of other ideologies.

**I HAVE NOT SENT THOSE WHO DISTORT MY WORD...
I HAVE NOT SENT THOSE WHO TREAT ME WITH CONTEMPT, NOR WHO BLASPHEME AGAINST MY
HOLY SPIRIT ...
MAN'S ACTION IS THE CRUELTY OF THE MAN OF FOLLY.**

The great apostasy is increasing due the indifference of My priests, servants of My People. Evil has infiltrated My Church in the hands of My own servants, whom I warn so they do not get confused and, through that confusion, not to be persecutors of My People among whom are to be found My Servants, the Prophets, to whom I entrust My Word for it to be conveyed to My own and so that My Word is not distorted.

My Mother guards my faithful Prophet within Her Heart. Wolves in sheep's clothing will be persecutors of My Instruments and will tell My People not to listen in order that ignorance might rule among My own and so that they might not be warned.

You forget that I come as a thief in the night. And what will I find? The devil enthroned and worshiped ... My Temples profaned and My children silenced ...

The Third Secret of Fatima is found contained in My Word, (*) it was given with severity in order that My People would wake up and live a new dawn and would not continue living in ignorance and not be led to the shame of decadence ...

**SILENCE, MY PEOPLE, SILENCE!...
WHO HAS DARED TO KEEP THE WORD OF MY MOTHER SHROUDED IN ANONYMITY?**

SILENCE IS NOT FOR MY PEOPLE, THEREFORE I AM EXPLAINING MY WORD AND THAT OF MY MOTHER TO MY PEOPLE, BEFORE NIGHT CLOSES IN WITH IGNORANCE AROUND THOSE WHOM I LOVE. My Mother will not be silenced, She will continue with greater emphasis in pleading with My People at this instant, being The Woman Clothed with the Sun who leads My own to Me.

Pray My children, pray for Germany, it will shortly be scourged . From that land will come one of the many conspiracies against My faithful people.

Pray My children, pray for the United States, conflicts intensify within an apparent tranquility. Nature scourges that Nation.

Pray My children, pray for Indonesia, it stirs up the nations due to a great volcanic eruption.

Pray for Spain, the people rise up. It laments because of Nature.

This generation will live what previous generations have not lived; the sin of this present Humanity surpasses the sins of previous generations. The grave error: denying sin, denying the existence of evil by giving freedom to the libertines who infect those who remain undecided or the weak who are dazzled by what is worldly.

My Beloved People: I am coming for you!

**BE FEARFUL OF MY WORD, OF MY ANNOUNCEMENTS ...
HAVE A HOLY FEAR OF THE THRICE-HOLY LORD OF THE HEAVENLY HOST.**

Do not forget that a fruit in bad condition contaminates the other fruits.

Do not forget that whoever recognizes that they must change in order to return to the path of conversion deserves to be seated at the Table and to await the Eternal Banquet.

I am Merciful, My children, and I am Just, so much that My Perfection is infinite, both in Mercy and in Justice.

**I COME TO CALL YOU FOR REPARATION FOR THE OFFENSES
THAT YOU COMMIT AGAINST OUR TRINITY.
COME TO ME WHO AM WAITING FOR YOU WITH ETERNAL LOVE.**

I bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Given Heaven's Calls and especially this Call of Christ, I stop and meditate ...

At the same time, because of what my Lord Jesus Christ is telling me during the transmission of the Message, I must say that we have to meditate on how much each one of us is doing to please the Lord and to decide to change critical_points of our lives holding us back in the spiritual walk.

We cannot continue merely being human creatures who pass through life without aspiring to gain God's goodness, to be seen with eyes of Mercy.

Brothers and sisters, let us think and feel that the Divine Ways are not our ways until each one of us desires to be more of God than of the world

Heaven's Calls tell us full well that the human ego, well-directed, attains the perfect harmony of the human creature with its Creator. We know that for those who are striving at this instant, Divine Mercy looks upon them with kindness. We know that the Justice of God is merciful at the same time and therefore, for those who strive, He maintains His Mercy.

Everyone is free, everyone chooses to be saved or to be condemned, this is why in every Call Heaven says to us: "Do you want to be among My Own ? Act in Our Will and you will belong to My House."

We are called to be better human creatures and this we will achieve by committing ourselves to a new spiritual life, leaving aside the emptiness of those who live by the world and for the world. Walking, thinking, disposition, detachment, the decision to attend to the Divine Word lead us to act well and to resolve that our works should be for the good of our brothers and sisters, and of our spirit.

Christ tells us what we have to do to emerge from the life of death. Everyone is allowed to decide, but not only this; when we are willing to obey these Calls, good draws nigh to the human creature. This is an attraction of the Divine Good towards the good that man is willing to do.

Nothing that man gives as an answer in order to please God, nothing is left without an answer.

We are living in this generation and everyone is responsible for the positive response that Our Savior expects, so that the souls that live-in search of that "DIVINE SOMETHING" may find it and come to the knowledge of the Truth.

Amen.

MESSAGE OF OUR LORD JESUS CHRIST JANUARY 29, 2017

My Beloved People:

**AS THE SUN SHINES AT HIGH NOON, SO I ENLIGHTEN YOUR WAY SO THAT NONE MIGHT GO
ASTRAY.**

In the midst of the persistent madness in which man is living, you are unable to see me. I lead you towards Our House and you, wrapped up in this toing-and-froing, do not perceive how close I am to each one of My children. You pass by, looking at what is not going to bring you any spiritual benefit; you do not take advantage of the instant as Our House has indicated to you. **AH! IF YOU WERE OBEDIENT, LIFE WOULD BE TRANSFORMED INTO A WELLSPRING OF BLESSINGS, AND WITH NEW EYES AND A RENEWED HEART, YOU WOULD EMANATE MY LOVE, MY PATIENCE AND MY CHARITY ...**

I see so many of you talking about Me, expressing how much you love Me and love My Mother, but then, when your fellow men do not look at you, the indifference and impiety with which you address your neighbor, especially in your homes, are unrecognizable and inconceivable ...

It grieves me that My children are hypocritical and treacherous!
It grieves me so much that you address your brother with arrogance and great selfishness!

My People are again fomenting the supremacy of man over women and in large numbers women are tortured, ill-treated and put to death at the hands of those who are their parents, husbands, brothers and so on.

THIS GENERATION CAUSES ME SORROW... I am ashamed of the behavior of a great number of the men who claim to follow me, and I am ashamed of the behavior of some women who claim to follow me ...

YOU COUNT WITH THE ASSISTANCE FROM MY HOUSE, BUT EVEN SO YOU REJECT IT WITH GREAT DISDAIN. You do not know that I have asked My Mother to be the protector of My People and that She is ready to help you. My Mother will lead you towards what is not finite: to the glory of faithfulness to Me.

I must tell you the following:

My Mother, and the great majority of Her daughters, were able to spread and expand the Love of Our House all over the Earth, fertilizing the ground so that the fruit might quickly shine forth. **THE WOMAN WILL VINDICATE THE WOMAN GUIDED BY MY MOTHER.**

My Beloved People, how I have warned you to be reconciled to Our House! And you do not trust, but on the contrary, you sink into total licentiousness.

Drugs scourge families and society, man is getting lost in his own free will ...

MY BELOVED PEOPLE, YOU DO NOT KNOW WHAT I DESIRE FOR EACH ONE OF MY OWN, YOU SURRENDER TO THE CONTAMINATION OF THE SOUL BY WHAT IS WORLDLY, BUT I LOVE YOU AS A FATHER LOVES HIS CHILDREN WITH ALL HIS HEART. I LOVE YOU SO MUCH THAT I GAVE MY BLOOD FOR ALL, WITHOUT DISTINCTION.

The world and its machinations despise those who follow Me, especially if they strive to fulfill the obligations of every good child of Mine.

In this moment, more than in any another, Freemasonry is at its apex, no longer infiltrating but dominating what is Mine, deciding over how to govern My People at this instant and preparing the great shaking of My People in order to bring them like sheep to the slaughter.

THEY DO NOT FEAR ME, THEY DISPOSE OF MY PEOPLE, FORGETTING THAT I WILL ARRIVE IN MY SECOND COMING TO ASK THEM TO ACCOUNT FOR THEIR ACTS, AND I WILL JUDGE THEM WITH MY JUSTICE, SEVERELY ...

Freemasonry distorts My Word, tears up the Commandments, oppresses My Church and takes power in order to lead My children through ignorance towards contempt for Our Divine Word. Freemasonry is readying itself to present the great impostor to Humanity, the antichrist, and you, being ignorant about the antichrist, will rise up towards him as if he were Me. He will make My children suffer with the most terrible persecution. He hates those who love Me, are obedient to Me and who fulfill the Divine Will.

MY BELOVED PEOPLE, THE WARNING IS APPROACHING AND THE HEARTS ARE NOT MOVED FOR THE LACK OF DISSEMINATION OF THIS ACT OF MY MERCY FOR MY PEOPLE.

I am wounded by those who from the pulpits deny My Announcements.

I am wounded by those who continue saying that I am not a God of catastrophes, and that therefore My children should not know of all of what I am warning them about. Why do not they not announce that I am Love and that out of Love for My People I tell them in advance what will happen so that they repent in time? My interests should be yours. Instead, before souls are lost, you must shout out loud: how lost Humanity is! This way some of My People would awaken.

I WILL BE SEVERE WITH THOSE WHO DO NOT WARN MY OWN ABOUT THE EVENTS THAT ARE DRAWING NEAR... OR IS IT THAT YOU DO NOT BELIEVE MY MOTHER?

I do not need "shows" or spectacles, **"I AM WHO I AM"** (Ex 3,14).

My Beloved, do not spend your days like the ignorant who live wrapped up in human pleasures; this will end for everybody in general. Faced by the weakening of the Earth, famine will take hold over all social classes ... **THE DIFFERENCE IS IN THE FACT THAT MY PEOPLE WILL BE FED BY MY ANGELS.**

My Beloved People: Those who have prepared to flee the Earth at any instant will not succeed; they have forgotten that I Am the Master of everything that exists.

**MY WORD IS TRUTHFUL...
I AM MERCIFUL AND I FORGIVE THOSE WHO REPENT FROM THE HEART
AND AMEND THEIR WAY.**

Children, those who belong to the platform of the antichrist have worked silently on so-called "fast foods", adding to those foodstuffs, which do not provide what the human body requires, that which is needed to raise levels of anger, undermining man's self-control, weakening him so that faced by the slightest situation he reacts with great anger and loses his composure, his thought is clouded and he behaves worse than an animal.

Children, you constantly receive various impulses from everything that surrounds you, causing you not to know how to decide what is good and what is evil. Are you measuring your action and work? Are you thinking if you act impulsively? Are you allowing the authenticity to emerge of those who acknowledge Me as God, being responsible for their actions and works?

Humanity is volatile in this instant; you use the word "forgiveness" with great ease in order to excuse your evil actions and **I SEE YOU, KNOWING THAT UNTIL YOU COMMIT YOURSELVES WITH FIRM INTENTION TO CHANGE, THAT WORD "FORGIVENESS" IS ONLY A MEANS OF COVERING UP A CHAIN OF UNACKNOWLEDGED ERRORS.**

There is a lack of that inner recognition, that looking inside truthfully in order for you to take responsibility for the acts you commit. It is necessary for everyone to ask: How am I? How do I treat my neighbor? What do I believe in?

My children, those who are Humanity's manipulators are creating every possible scenario so that you do not clearly see what I am telling you. You have to react with your own desire to approach Me, knowing that only I lead you to Salvation.

Just as man is confused and follows wrong paths without knowing himself, so Nature has come to see how Humanity has been ruthless in treating and ruining it. Human egoism has come to invade the Creation and has devastated it. In this instant, man - aggressive, cruel, hurtful, infamous, bereft of love and dehumanized - is not recognized by Creation. Faced with this non recognition by the Creation, Humanity will increase its suffering. Natural forces are uniting so that man seek Me, recognize Me and return to Me. That is why from Space there is coming that which will make man fear and make him invoke My Name without ceasing.

Pray, My children, pray for Chile, the land moves.

Pray, My children, pray for India, its ground shakes.

Pray, children, pray for My Priests, worldliness is a great temptation.

My Beloved People:

**DO NOT CONTINUE IN ERROR, EXAMINE YOURSELVES.
WHEN EVERYONE RECOGNIZES WHAT THEY ARE, CHANGE AND THE RETURN TO ME WILL BEGIN.**

My Heart and that of My Mother await you.

Receive My Blessing and remain alert to what does not come from Me.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Lord insists that we change from the inside out.

Man lets the moment in which he lives pass like a breath, without thinking that time is a reality that consumes man for evil or gives him the opportunity to realize his union with God. And it is to that union that Heaven calls us insistently, because God can wait for us in His Eternity, but human time, which constantly changes, which is in motion and advances without stopping, in a way goes against man because the moment demands a change, **NOW!**

Christ tells us that Creation is turning against man ... and is there anyone who doubts this?

Humanity in its eagerness to advance has become dehumanized, it has devastated the Creation, and at this instant the lack of natural resources means that the breakdown is causing constant earthquakes and other forms of human sufferings.

At the same time, man is altered in his psyche and reacts so aggressively that if he has not sought God, he cannot contain that growing wave of feelings that are alien to what man is capable of receiving, and he activates the opposite of love, pity, compassion and charity.

Brothers, what are we waiting for as Humanity? For there to be no more time? That the instant runs out without man changing? Everyone knows the measure of their interior, and everyone can think that they know when to change. But let us not forget that our measure is like the heart: it goes on beating until God tells it to stop.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY FEBRUARY 1, 2017

Dear children of My Immaculate Heart:

I BLESS YOU, YOU LIVE WITHIN MY HEART AND I NEED YOU TO BEAT TO THE RHYTHM OF MY HEART.

Humanity has forgotten love, and at this instant man's great obstacle is that he does not know love: love towards himself and love for his neighbor. He does not know love and calls himself a Christian without knowing My Son in depth, working and acting contrary to the Divine Will, working and acting according to his whims, producing words and deeds contrary to the teachings of My Son.

PERHAPS IT IS THE CASE THAT AT THIS INSTANT CHRISTIANS ARE DIFFERENT FROM MY SON? ...

**OR IS THAT MY SON HAS GIVEN A DIFFERENT LAW, SOME DIFFERENT COMMANDMENTS,
DIFFERENT NORMS FOR THIS GENERATION?**

How you deceive yourselves, My children! All are My children, I love you all in equal measure.

How you deceive yourselves by giving yourselves excuses for encouraging incoherent behavior towards the teachings of My Son!

The law of love is not obsolete: it is the same yesterday, today and forever. How many call themselves Christians and say they love me and have formed small sects where they give a different interpretation of Sacred Scripture for their own convenience! They meet, apparently in order to feed themselves and to be different, and they do not fulfill the duties of a true Christian; they do not evangelize but limit themselves to apparent acts of piety, while in essence they do not commune with the rest of the Church of My Son.

You need to gather so that in gathering you would learn humility, for whoever is not humble is proud, and the proud person must bow down until they learn to be humble and obediently to fulfill what My Son demands of whoever wishes to follow him as a true disciple.

The stars illuminate the firmament, and you have been given the Holy Spirit to be the light of the world, but a creature that does not fully live out love towards their neighbor does not fulfill the Divine Mandates, they cannot be the light of the world nor transmitter of My Son's Word.

I see at how little cells have been created that are too far from fulfilling the teachings of My Son, and therefore I am calling them, at this instant, to make amends.

MAN DOES NOT SEE INSIDE HIMSELF; IT IS MORE TOLERABLE FOR HIM TO LOOK AT OTHERS AND CRITICIZE, BUT YOU KNOW THAT AT THIS INSTANT YOU MOST REMAIN ON CONSTANT SPIRITUAL ALERT.

I, AS MOTHER OF HUMANITY, CALL YOU TO TRULY COMMIT YOURSELVES AS CHILDREN OF MY SON AND THOSE WHO FULFILL THE DIVINE COMMANDS.

This instant is one of maximum spiritual alert regarding Satan and all the demons that attack souls in search of the slightest wrongful work or action, in order to make them fall into the greatest depths of sin.

Children of My Immaculate Heart:

You cannot call yourselves holy, you cannot say that you have attained holiness or that you have attained salvation. Such arrogance is not worthy of a true Christian. My children strive until the last instant of their existence for holiness, for salvation, for salvation is not a word, salvation is a set of works, acts, continuous efforts, compliments, of making the human ego compliant, of obedience, of charity, hope, love for neighbor, of humility, of faith ... **FAITH RISES UP WHEN MY CHILDREN STUDY IN DEPTH THE LIFE OF MY SON AND INTO EVERY REASON THAT HE HAS FOUND TO SHOW HIS LOVE TOWARDS HIS PEOPLE AND TOWARDS HIS CHILDREN.**

Each one of you is different but no individual law or treatment has been given, but one is the Law of a whole people, the People of My Son, one is the Word for My Son's People and one is the Mother whom My Son has given to His people.

You still lack awareness, for if awareness were at its maximum, you would strive every instant of your life to put into practice all this Lectio Divina that My Son has been sharing with you for so long now, and about which He has called Me to instruct His People as His faithful disciple. And it is a fact that this Lectio Divina has not been completed because you refuse to look within yourselves and expect from others what you desire for yourselves; you do not respect your brothers, you judge a priori without being God and allow yourselves to sin, like the man who is haughty and merciless.

**HOW MUCH FALSEHOOD EACH PERSON BEARS WITHIN THEM!
HOW MUCH HYPOCRISY DWELLS WITHIN THIS HUMANITY BEREFT OF VALUES!**

I see the earth bleeding, bleeding deeply. Yes, the earth bleeds, it bleeds all the blood that man has unjustly shed upon it, the blood of the innocent, it bleeds at the torture of the innocents, it bleeds because of implacable man whose only aim is to impose himself through terror. How much error there is in this and how much bitterness you bear towards My Son! For He lives presently in each one of you, in whom he renews his sorrowful Passion.

Beloved children of My Immaculate Heart, it seems that you are safe, it seems that you feel safe because you tread the ground, but **HOW MANY OF YOU ARE PUTTING YOUR FEET ON QUICKSAND... EVEN THOUGH YOU HIDE IT?**

AT THIS INSTANT YOU MUST MAKE THE GREATEST POSSIBLE EFFORT, YOU SHOULD TAKE HOLD OF ALL THE STRENGTH CONTAINED IN YOUR BODY, IN YOUR SOUL, IN YOUR SPIRIT, PRECISELY IN ORDER FOR THE SOUL TO BE SAVED.

Each person is different but has to come into accord with the love that My Son left to you, since the man who does not love his neighbor cannot love My Son, with whom he is one.

So many struggles are emerging throughout the Earth, so great is the turmoil that exists at this instant, and how many are blaming the devil for this! ... Do not deceive yourselves, you lack growth in love, in faithfulness towards My Son, you lack Faith faced by life's difficulties, you ask so weakly and doubtfully that your petitions dissipate along the way.

Prayer is of the utmost importance, for when My Son's people pray with Faith, forcefully and with assurance, My Son shows His Infinite Mercy. This does not mean that this generation will not be purified, but My Son will indeed respond with His Infinite Mercy to fervent acts of supplication by His People.

Pray beloved children, pray for the United States that at this instant has the whole world watching. Pray, for from this land there will come affliction and pain for Humanity.

Pray beloved children, pray about supposed alliances, pray for signed pacts, signed agreements, for the instant will come when everything that appeared to be unity will collapse and there will emerge the worst disunity that Humanity has ever experienced, and the consequences for Humanity will be dire.

Pray, beloved children of My Immaculate Heart, pray for your brothers to obey the calls of this Mother and no longer pretend to be lovers and fulfillers of the Divine Law.

The executing angels are near to Humanity. Be strong, firm, be determined. You, children, who struggle at every instant of your lives to remain faithful and to fulfill the Mandates of My Son, strive, find strength in the Food of the Eucharist, reinforce your prayer and be those who totally and absolutely fulfill the love of My Son towards all their fellow men. Examine yourselves, children, examine yourselves; you must make a total change since no human creature can tell themselves that they live in total holiness, for the traits of that "human ego" remain latent in each one of you, you have not reached perfection.

Beloved children of My Immaculate Heart, you already know that the earth will continue to shake, you already know that Nature will strike the whole world. Stay prepared, looking upwards, for man always goes along looking towards the ground and therefore does not detach himself from the mundane. You should look upwards and commit yourselves to going upwards, in order to achieve true spiritual ascent. This is of the utmost necessity for each one of My children at this instant, for whoever fails to detach themselves from what is worldly cannot pretend to be more spiritual; and in order to save your souls, you must be spiritual creatures and more mystical.

IN EVERY WORK, IN EVERY SITUATION THAT PRESENTS ITSELF TO YOU, YOU SHOULD DELIVER A SPIRITUAL RESPONSE AND NOT A PURELY HUMAN RESPONSE.

Ascend, children, go beyond what is worldly in order to be worthy of the fortitude necessary for you to face persecution, humiliation, martyrdom; for it is not only when a human being is martyred by man-made objects, that a human being may be called a martyr. How many of you are martyred daily by your own brothers, by the perversity and lack of love of your fellow men, in your own homes! How many of you are martyred through the most powerful weapon that man has to martyr and kill, to suffocate, to lash: the tongue!

Only those who manage to see themselves, in their own mirror, are those who truly succeed in being detached from themselves and opening up to the true knowledge contained in the Divine Word.

Come to Me, come that I may guide you: I am not more than My Son, I am the Mother of My Son, I am the Mother of each one of you, even if you do not consider me Mother. Come to Me as I lead you and intercede for you. Come to Me, children, resume the path and be intent upon true conversion.

LOVE ONE ANOTHER AS TRUE BROTHERS AND SISTERS, DO NOT MAINTAIN HYPOCRITICAL RELATIONSHIPS, BE AS TRANSPARENT AS CRYSTALLINE WATER, AND I BESEECH YOU THAT MILK AND HONEY MIGHT FLOW FOR THE NEEDY FROM EACH ONE OF YOU.

Keep your lamp lit and do not allow it to become contaminated.

I bless you, My children, I love you, draw near to Me, for I will not refuse to stretch out my hand to anyone who asks me to lead them to My Son.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

**MESSAGE FROM OUR LORD JESUS CHRIST
FEBRUARY 4, 2017**

My Beloved People:

I LOVE YOU WITH ETERNAL LOVE ...

My People, whom I love, are those whom I will defend at all instants. My beloved People are the most humble, the most aware, the most hopeful, and those who transform every instant into one of loving surrender for the Salvation of souls.

Be merciful as I have taught you.

Be the life of My Word, do not read My Word in order to recite certain verses at your convenience.

Nourish yourselves with My Word so that you may love it, and in loving it, Truth draws you near to and unites you with Me.

MY CHILDREN, BE OBJECTIVE AND WISE: I ENLIGHTEN YOU IF YOU ARE FAITHFUL AND TRUE.

Therefore, a human being that does not repent of his or her errors and his or her sins does not find My Light and continues walking in darkness. The whole of Humanity needs to be enlightened in its reason, and at this instant, reason is unable to filter out the malevolence that comes to it, generated by man himself and what surrounds him. This is why it is difficult for the soul to guide the body, which has a weak will.

My beloved People, you are so easily inclined towards wrongful work and action that you confuse free will with licentiousness, and when you enter into licentiousness, you adhere so much to it that licentiousness then becomes obsession, and obsession leads you to contempt for all that you are and have, and because of the contempt for all this, the devil invades man, causing him to be his slave, until the slave cannot live without the master. **AND ... SO IT IS THAT THE DEVIL REJOICES WHEN MAN LIVES ACCORDING TO THE FLESH AND NOT ACCORDING TO THE SPIRIT.**

My children cannot live by My Spirit if they do not know Me, if they reject Me because they desire licentiousness, if they live life in vices of all kinds, if they have given free rein to the human ego that exalts creatures without their noticing, **UNTIL THE SAME "EGO" LEADS THEM TO THEIR OWN DESTRUCTION THROUGH PRIDE**, seeing their brothers and sisters as ignorant creatures.

Beloved, a great evil has trapped man through pride, and that evil is the irony that man bears within his character; and at this instant, man's character has coarsened his thought, his mind, his "ego", his brain, and has encrusted his heart so that Humanity is ignorant of pain and compassion. The human ego displaces man - My son - in order to create the man of the world, an aggressor, murderer, insensitive, a follower of the minions of evil ...

My beloved People, the struggle between good and evil will not cease until you unite in Me. You live in constant misery because of disobedience, misery that has penetrated the nucleus of science, the heart of unity in Humanity, that has weakened order, masked morality and seen to it that man lives by false human compliments, which are nothing but the acceptance of falsehood and the privation of the goods of Our House.

YOU PROMPTLY FORGET, CHILDREN - IT IS NOT PLEASANT FOR YOU TO RETAIN WHAT I REQUIRE

FROM YOU - , IN ORDER TO BE ABLE TO ACT ACCORDING TO YOUR WHIMS. You do not think of the Salvation of the soul and you keep it repressed so that it does not cause you to perceive even a single feeling in the absence of good deeds. **YOU ARE NOT CONCERNED ABOUT YOUR SOUL ...** and this is because you are not taught about the transcendence of the soul in the human being. You prioritize momentary sensations and rebel against Love; you keep in mind what is nauseating for the soul so that it does not receive the slightest word from Me.

**HUMANITY IS FOCUSED ON CREATURELY INTELLIGENCE, CONSTANTLY INSISTING ON
INTELLECTUAL ADVANCEMENT, LEAVING ASIDE THE PRINCIPLE OF RESPECT, FAITHFULNESS AND
GRATITUDE TOWARDS ME.**

I see so many of you with your memory so ragged, clogged with attachments, pretension, foolishness, coldness, unconsciousness, disrespect, lack of charity, lack of awareness and ignorance, living in continuous agony ...

REMEMBER MY WORDS IN ORDER TO PUT THEM INTO PRACTICE. Fools are they who, knowing, do not see, knowing, do not listen, knowing, do not walk, knowing, are capricious, who knowing Me and knowing My Justice, forget it, saying to themselves: "Divine Justice will not reach me"... How wrong they are!

My beloved People:

I COME WITH MY SEVERE WORD TO ADMONISH THOSE WHO KNOW THAT THEY ARE CALLED AND DISOBEY, OR THINK THEY ARE INDISPENSABLE.

Think, look around you: how many Signs, how much Warning, how much conflict in man, how much folly within you who do not change! **DO NOT FORGET THAT IT IS THE HUMBLE WHOM I LOVE THE MOST.** Be the first to reach your brothers and sisters with My Love, be the first to ask forgiveness from your brothers and sisters when you must do so, be the first to witness through good work and action.

YOU MUST CLEANSE YOUR MEMORY OF EVERYTHING THAT CAUSES YOU TO TAKE BACKWARD STEPS AND THAT DISTANCES YOU FROM ME. Use your intelligence to keep your memory enlightened and not muddled by the past, but remain in a constant present, being attentive to renewing your reflection.

Children:

REFLECT! DO NOT ACT WITHOUT THINKING, AS THERE ARE TOO MANY CREATURES WHO ACT WITHOUT THINKING.

I call you to reflect on how you work and act. I do not call you to look at your brother or sister to excuse your own acts or works, but I call each person in a concrete and personal way, since work and action in My sight is a wholly individual responsibility. External influences are what you have to master, not vice versa.

I AM INSTRUCTING YOU SO THAT YOU BE TRUE WITNESSES TO MY WILL. Do not live shielding yourselves behind your brother or sister in order to justify your bad deeds. When you act well you do not say to Me: "Lord I acted well thanks to my brother," but with great ease you attribute to yourselves what is good in your works or actions. So you should do when you are not capable of controlling yourselves, of resisting evil inclinations.

YOU NEED TO ASCEND, TO BE STRONG IN ORDER TO KNOW ME AND LOVE ME.

What is worldly sometimes ensnares those who consider themselves learned, it ensnares them through actions that go unnoticed by man, it ensnares them by means of pride, and when pride enters the human being, the latter is inflated by false knowledge and a demand for respect that exalts the "ego" above everything and everyone.

Be strong, resist the insinuations of evil, which gallops from one end of the Earth to the other, bringing down those who are distracted and who do not mature.

MY BELOVED PEOPLE, YOU NEED TO LIVE IN INNER PEACE IN ORDER FOR YOUR GOOD INTENTIONS TO SUCCEED, IN ORDER TO MAKE AMENDS.

You need inner Peace in order to be united to Me. You need Inner Peace so that you recognize Me and remain faithful facing the trials that you have imposed on yourselves because of great disobedience and rebellion against Me. The unfaithfulness of My People is the cause of so much suffering for Humanity.

**HOW MANY DENY ME OUT OF FEAR OF RETALIATION!
HOW MANY WILL BETRAY THEIR BROTHERS AND SISTERS, PARENTS, THOSE OF THEIR OWN HOUSE, IN ORDER THAT THE CHILDREN OF DARKNESS DO NOT PURSUE THEM!**

Pray, My children, pray for Rome, it will be struck by fire, Italy will be strongly shaken.

Pray, My children, pray, My Church is shaking

Pray, My children, pray for Japan, again it will scourge Humanity.

Pray, My children, pray, the volcanoes are becoming active with great force.

LOOK UP, LOOK UP!

I bless you at every instant, I bless you so that you might resume the path. My Mother does not neglect any of Her children. My Mother seeks you out in order to draw you to Me.

Children, I will not deny My Mercy to the one who asks forgiveness for his or her sins, who truly wishes to make amends.

THIS IS THE INSTANT IN WHICH YOU NEED TO RECEIVE MY LOVE AND MY MERCY IN ORDER TO BE STRENGTHENED SPIRITUALLY.

I love you, I treasure you, I bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our beloved Lord Jesus Christ warns us not to misuse the blessing we have received in being children of God. We have free will and should not only be inclined to our personal good, but to bringing that good to our fellow men. Like Our Lord we should desire Salvation for all.

It is true that the warnings of how much we will suffer as Humanity cause man to feel fear, and this is normal, but it is not normal for fear to lead us to deny the Truth that Christ reveals to us.

We must be strong, firm and convinced that without God we can do nothing, because man is limited and on his own will not go beyond his possibilities.

We are called to know ourselves in order to repair what is holding us back on the spiritual path for each one of us, and is it the case that the lack of self-knowledge is causing man to respond in an incorrect way and to be easy prey for evil.

Save the soul, Our Lord Jesus Christ tells us; first save your own and then that of others. Because it is not so much external but internal poisons that kill the soul. Let us clean this inner house so that the spiritual path keeps us closer to God.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST FEBRUARY 8, 2017

My Beloved People:

MY BLESSING IS NOT CONDITIONAL, MY CHILDREN RECEIVE IT AT EVERY INSTANT.

My Love is for all; it depends on each person whether they receive it or not. The sinner who manages to repent, who manages to open themselves and feel My Blessing and therefore My Love, attains the greatest thing that man ought to desire: **SAVING THE SOUL.**

At this instant you are working in My Vineyard and you will not only experience the fruits in My House, but on Earth you already receive blessings in being those who repeat My Work and Action, succeeding in obtaining the assistance of My House. My Mother is unceasing in Her kindness; she covers you, gives you strength and distances you from temptation.

My Beloved People, **AT THIS INSTANT EVIL HAS ALREADY DEPLOYED ITS FORCE AGAINST EACH ONE OF YOU, MY PEOPLE.** The development of this force is constantly active; it does not stop, it links all elements of society: science, health, weapons, morals and food. Everything is linked and constantly advances in order to bring evil upon you and so that you might retreat in every respect, especially My children, facing those who attack you, not only in your daily living, but in your personality and in your spirituality. The gaze of evil is upon the human being as a species in order to make you disappear.

The goal of evil is not to stop, but to remain in constant action, reproducing itself in order to harm Humanity in everything. Therefore, My children, before every innovation you need to ask yourselves: what is the objective that has motivated the web of evil to create this for us?

MY PEOPLE DO INDEED PAUSE BEFORE EACH PETITION OR ANNOUNCEMENT OF MINE AND DO NOT ADVANCE, THEY DO NOT REACT. The instant that you waste, evil does not waste, but uses it to divert you from what I am informing you, from what I am warning you about and explaining to you, so that you feel each Word of Our House difficult to treasure in your hearts.

KNOW, CHILDREN, THAT MENTAL LAZINESS HAS TAKEN HOLD OF YOU: nothing is difficult if you maintain the desire for inner cultivation. That is why evil acts accelerated and good appears to be in a state of lethargy. You sleep, rest, you let yourselves be carried away by laziness and are not in action, in motion, you take no initiatives ...

Wake up! I have called you to wake up, to come out of your lethargy, but evil continues to accelerate, without stopping, but you, yes, you do stop before everything.

Children, evil is active, acting from person to person, it takes each one of you and confronts you in a personal battle; it knows what is the weakness of every human creature and attacks it unceasingly in order to make it fall. **THIS SHOULD NOT BE AN OBSTACLE ON THE SPIRITUAL PATH: YOU SHOULD RECOGNIZE EVIL AND NOT GIVE IT THE OPPORTUNITY TO TAKE YOU ONTO THE BATTLEFIELD.** My children are less than infants, you react with such childishness at the slightest thing that I am ashamed of the reactions of some of you who are not maturing and who allow evil to drag them off wherever it wishes.

YOU CONTINUE WITH SUCH OBSTINACY AND EGOCENTRISM THAT, KNOWING THAT YOU NEED TO ASCEND, SINCE YOU ARE ALREADY IN THE PERIOD OF PREPARATION FOR THE WARNING, YOU DENY YOUR PERSONAL FAULT AND ATTRIBUTE IT TO OTHERS.

Children, before Me you will not be able to hide your personal responsibility for each work and act.

THIS IS A HUMAN TRAGEDY, A TRAGEDY BECAUSE YOU DO NOT PRACTICE WHAT YOU HEAR, NOR DO YOU BELIEVE THAT WHAT YOU ARE HEARING OR READING IS FOR YOU.

My Patience is infinite, time for you is **NOT!** How often have I told you that each person is responsible for their actions! which is why I have called you to grow spiritually and to mature in your personality, action and work.

Children, you do not understand that when you are hardening your hearts, you are losing the ability to be benevolent, to be charitable, to be a blessing, and what is greatest: **LOVING AND BEING LOVE. THAT IS WHEN YOU WILL NO LONGER FIND HEALING.**

You call yourselves Christians and read Our Word, but you remain indifferent ... You say to yourselves: "what I am reading is not for me" ... **YOU THINK THIS AND YOU TAKE NO ACTION TOWARDS YOURSELVES, YOU DO NOT REPROVE YOURSELVES, THEREFORE I WILL DO SO MYSELF...**

I WILL REPROVE DIRECTLY WHOEVER KNOWS ME AND DOES NOT CHANGE ...

I MENTIONED THAT HARDNESS OF HEART IS REACHES A POINT WHERE IT IS INCURABLE. "AND WHY IS THAT? HOW CAN CHRIST SAY THAT?"

BECAUSE YOU KNOW ME, AND FROM THE ONE WHO KNOWS ME MORE, I ASK FOR MORE, NOT SO FROM THE ONE WHO HAS HARDENED HIS HEART AND DOES NOT KNOW ME; THE ONE WHO DOES NOT KNOW ME AND HEARS MY REPROACH AND ASKS TO BE HEALED HAS A GREATER OPPORTUNITY BEFORE ME THAN THE ONE WHO HEARS ME CONTINUALLY AND REJECTS ME.

I see men who have taken the sad decision to resist this explanation of Our House and have decided not to be moved, however strongly I may speak to them. These creatures are like stumbling blocks; I allow them to continue in their free will until they see clearly for themselves what they had seen as darkness.

Stumbling blocks exist, My children: may none of you come to be a stumbling block, because I will act within My Justice.

The one who refuses to listen to Me and to recognize Me is immunizing themselves against My Word and My Love.

DO NOT BE SURPRISED AT MY SEVERITY; IN IT IS IMPLICIT MY GREAT AND ETERNAL LOVE FOR EACH ONE OF MY PEOPLE.

THIS INSTANT IS EXTREMELY DELICATE, CHILDREN: REPENT! NOT YOUR BROTHERS AND SISTERS BUT YOU ... YES, YOU WHO ARE READING MY WORD: REPENT! IT IS URGENT.

You have to take responsibility for every action; it is easy to blame your brothers and sisters for your personal falls. If one of you falls, it is not because of someone else, but because the one who falls is weak and falls through their own weakness.

You do not see how difficulties are growing throughout the Earth. For one reason or another, turmoil is increasing; it does not stop nor will it stop - anger has penetrated the psyche of man and the latter reacts prematurely. This is not an instant for improper reactions, at this instant My children need to have matured in order to resist evil.

Pray, prayer is powerful, do not neglect the Holy Rosary, receive me properly, do not forget that the Divine Law is in the Eternal Present, the Commandments are not subject to reforms. My People must know Me so that they may live in Me.

Pray, My children, pray for My Church, turmoil grows together with division. My Church will continue to shake,
MY PEOPLE MUST STAY UNITED IN MY LOVE.

Pray, My children, pray, the great Nation of the north will be seized by terror, the hand of iron will be stopped after the suffering of My children.

Pray, My children, pray, man is discouraged by the unforeseen fall of the god of money.

Pray, My children, pray in the face of the threat; the action begins Humanity's suffering.

Pray for Chile and Italy, they will be shaken. Where it has not trembled, the earth will shake.

My Beloved People, I manifest Myself in the human creature, when the creature delights in Me, when it quietens itself in order not to walk on its own, quietening itself without banalities running through its mind.

Be wise, children, fulfill what I ask of you, observe and fulfill Our Divine Law: The Commandments. Do not forget that reason leads to intelligence so that you might fulfill Our Mandates and thus, together with their fulfillment, you will obtain the Wisdom necessary for you to fulfill them, since it is when you are separated from Wisdom that you fall into errors and, therefore, into what is wrong.

My People must be faithful and true.

My People wait in Holy Patience, but being active.

I WILL SEND MY ANGEL OF PEACE, I WILL NOT LEAVE YOU ON YOUR OWN IN THE MIDST OF THE PACKS OF WOLVES IN SHEEP'S CLOTHING, FOLLOWERS OF THE ANTICHRIST. With My Angel of Peace I will reinforce what Our Will has indicated about the family, He will stay within a family.

My Heart is continually lacerated at the millions of abortions that are allowed. These permissions are not only the degeneration of man as a human being, but prevent man from evolving in his spirit.

My children must not only pray in front of the altar in the Temple; each person is a Temple of the Holy Spirit, and as such they must stay in PEACE. He who does not act this way is gravely lacking in My sight.

Children, in My House I welcome you all. The condition: being those who fulfill Our Divine Will. You are not children who are abandoned, you are children who have been warned.

Just as I love you, you must desire and need the explanation of this Divine Word. Do not be shaken, obey. Do not wander, walk in the righteousness of working and acting as My true children.

**I CALL YOU: TURN TO ME.
I LOVE YOU: LOVE AS I DO.**

I POINT OUT THE WAY TO YOU LITTLE BY LITTLE: DECIDE YOURSELVES TO FOLLOW ME.

I bless you, come to Me.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Let us use reason, let us not fall into human weakness ...

Christ tells us that we need to understand what saving the soul means: Eternal Life.

And the soul cannot find Eternal Life if not through unity with God; although the soul is immortal, intellectual or rational, it cannot be saved except by means of fusion with God.

Christ calls us to leave behind the vices that each person has, those vices that take root in human nature and allow evil to cause man to live in a constant to-ing and fro-ing between what is worldly and what is spiritual: the vices that live within man and constantly come out to cause instability. We must remember that the lukewarm will be vomited out by God (Rev. 3: 15-16).

I feel the urgency of this Call, so explicit regarding human foolishness and the refusal to attend to what we must fulfill.

It is indispensable for this Humanity not to continue ignoring what Christ asks of us: being renewed from within in order to be worthy of Divine Grace.

Amen.

DIVINE CONFIDENCES OF OUR LORD JESUS CHRIST FEBRUARY 14, 2017

Beloved daughter, Our Lord says to me ...

I see him with His white Tunic and a gold linen garment crossed from the Shoulder down, tied on the side around the waist with a white cord. His loose, wavy hair moves with the wind. His eyes looks fixedly at me, the clear honey color of His eyes captivates me with their form delineated so perfectly that I immediately recall the eyes of His Mother: they almost form the figure of an almond. The eyes of Christ are bigger than those of Our Mother, His nose is unmistakable: long but with strongly marked masculine features, His cheeks and skin as if tanned by the resplendent sun until they attain the brightness necessary for Him to be distinguished as the Man-God...

Christ opens His mouth and a little beard covers His chin up to the lower lip, and He says to me: Daughter, look at the Earth. And the globe appears in the distance: I can distinguish some continents. My eyes are fixed properly on the Earth and Christ tells me: do not look at the terrestrial ball, see what human creatures are doing. See Humanity's upheaval, see the countries and how agitated they are. In that instant, the Earth comes closer to me and I see how in many countries there are demonstrations, persecutions, protests, and we hear some people discussing a large amount of money that will be the payment for a very delicate job against a president.

Christ says to me: Let us continue, daughter; be aware of the upheaval on the social, political, religious and all the other levels in which is found, since behind each protest is a reason, and that reason is not given by those who protest, but by men in high positions who pay money so that some men be tasked with raising their voices and promoting uprisings among the Nations.

Going around the Earth, in the area of Lebanon, various victims of oppression can be heard, a product of the tendencies towards and beliefs in man's dominion over woman. Christ looks at me with His disfigured Face and it is impossible not to feel that pain of His, reaches the center of the heart, and this pain is shared, not being harbored within the Redeemer but given ad extra in the face of unjust suffering.

And I witness something special: Creation, which retains that Divine imprint with which it was created, reacts, and there is a silence of perhaps just an instant, but it seems like a long time. Silence - everything becomes silent and Creation seems to direct its gaze, as it were, towards Our Lord, and there is an unusual movement: the wind is more intense, the surging of the sea accelerates, the Earth itself moves, and I am watching from close up and feel the Earth vibrate. Brothers and sisters, this is the reaction of the Creation to the pain of our Lord and Savior.

Christ says to me: Beloved, you have seen and heard how the Creation reacts to the pain caused by My children. Think: when there is so much evil coming out of man that clouds the Earth, how the whole Creation reacts. It is not My Justice towards man but man's evil work and action that like a magnet draws the reaction to man himself.

The Earth has aged and this aging has been accelerated by man's evil; cruelty leads Earth to suffer more than necessary. Plans devised by those who have taken possession of the Earth and who believe that they mark Human destiny, are launching against all Humanity its silent but lethal weapons, using man against man himself, stirring up minds so that crazed thoughts come to plague My children, and they believe that they are defending themselves when they are coming to where that perverse elite has planned to take them.

Ah! How these henchmen of the antichrist will mourn, for they will be made to suffer and mourn by the betrayal of that same antichrist, who will not want anyone to remain alive who could be a rival for him! Those who at this instant are launching persecutions against My People will then be made to suffer by the same antichrist.

Christ says to me: Beloved, look: My children do not seem to be human creatures endowed with will and understanding; they do not learn anything from the evil they have experienced, nor are they able to prevent future evils by being unbelieving and disobedient.

Beloved, I have already instructed you in the need to grow in Love and not behave like the beasts. Tell your brothers and sisters that you have to excel in the spiritual realm, but in order to initiate this process of radical change, you have to draw closer to Me and to turn away from what is worldly.

Humanity will be brought to a state of maximum degeneration, the unthinkable will become reality and ... I will be more and more ashamed of man.

My daughter: man, living in community, takes as a model the ungodliness in which some of his brothers are living, and in order not to be rejected, they accept ungodliness and cruelly apply it in order to make themselves stand out, so that fear is unknown to them. Human madness is acting and working in a manner contrary to Our Will.

At this instant, man has adhered to evil and this provides him with elements that man needs in order to continue in the struggle against Me: harmful elements for endangering the Salvation of the soul.

The possession of what is not necessary makes man into a being destined to live his life without his brothers intervening, increasing man's "ego"; the "ego" overcomes man and deforms him without man realizing it.

Beloved, how many are the men for whom I provide more than they need in order for them to remember Me, and when they see that they are on top, they forget Me and the "ego" of their being motivates them to reach for more and more and even leads them to stop believing in Me!

Christ goes from looking at Humanity from the outside, and I see Him inside a man; He speaks to me and says: I am imprisoned, I cannot breathe, I am unknown, rejected. This creature has banished Me and his needs are contrary to My Love. I hear Christ but do not see Him: I only hear His broken voice and beg Him to come out.

He answers me: This is My House and this King is not wanted. This creature of Mine has denied the knowledge of My Will, he has learnt some prayers by heart and with them he believes that he is saved, without works of charity or love of neighbor, refusing assistance to the sick ... You dedicate your lives to the god of money and deny Me assistance for the hungry. You say that evil does not exist, living immersed in evil; you harm yourselves being intoxicated with lust, you accumulate disobedience, conceit, and you refuse Me Love.

Beloved: am I worthy of this? And I answer him: No, My Lord, you are not worthy of this!

Christ answers me: This generation will merit what it is drawing to itself: it limits Me to a few prayers that are not born of the heart but from repetition, without knowing what they are saying, without commitment ...

They come to receive me with the pretension of thereby gaining Heaven, without repenting of their improper acts ...

They do not believe in My Law, they apply it at their whim and their convenience, they read Holy Scripture and interpret it at their convenience. What sorrow! - the Divine Law reduced by man to a mere interpretation; My Word is disregarded and reduced to repetition that prevents man from entering into Me and knowing Me from within the human being where I can be found ...

My Church allows Me to be reduced to modernism; they are accustomed to saying that Revelation finished with Holy Scripture, but in this instant, they change the Law contained in Holy Scripture.

Christ speaks strongly, but always maintaining Divine Love within Him. Then He says to me: Beloved, the preludes to what is to come are strong as a storm, but My children then become hardened and live in the storm as if the times were normal. Until another stronger storm comes, like the one that is approaching for My Church, and then, when they do not have Me nearby as at this instant because I will have been hidden, then My children will groan and cry to Heaven, trying to find me, and I will say to them: do not shout, I have always remained here within you!

Pray, My children, pray for Germany, it will suffer at the hands of terror.

Pray, My children, pray for Costa Rica, it will be shaken.

Pray, My children, pray for Italy, it suffers the consequences of men's bad behavior. This land shakes.

Pray for My children, pray for Spain, the pain will take innocents with it.

See, children, a man's pride will bring pain to Humanity.

Tell your brothers and sisters to instruct themselves in My Love, but above all in the fulfillment of the Divine Law ...

Tell them to receive Me worthily ...

Tell them that My true instruments are those that do not call themselves indispensable, because they recognize My Supremacy over every human creature ...

Tell them that the wolves in sheep's clothing call themselves the owners of what is Mine; they nail those who listen to them to their instrument's personal cross in order for them not to leave them alone.

No instrument is the master of history, neither does a single one possess all Revelation, nor can one call oneself a knower of all Truth, since only My Father knows the date and hour of events. Therefore, I could not reveal without My Father's express order that which is My Father's Will. My instruments are important, each one is like the finger of My Hand. Do not forget that **I AM WHO I AM** ^(Ex 3,14) and that man is man.

Tell them to open their minds and in this they will awaken to great realities that will lead them to be My true children, loving My Divine Way and attaining through Love a Wisdom closer to My House and further from the world ...

Beloved, come, rest, without ceasing to intercede for Humanity. Humility is the center of the virtues of My children whom I love.

Receive My Peace.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Let us reflect: the depth of the Divine Word is filling each one of us His children with a more comprehensive understanding on every occasion. He speaks to our hearts so that the creature might understand that they have to struggle the whole time to be filled with the grandeur of the Divine Will that desires from man a greater closeness and commitment at this instant than in the past.

Christ speaks to us with the power of the King of Kings, since He must bring His people out of their folly and alert them so that evil does not take them unawares. As children, let us respond by drawing near to the Divine Word.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST FEBRUARY 19, 2017

My Beloved People:

MY BLESSING IS FOR EACH ONE OF MY CHILDREN: PROTECTION, PEACE, WISDOM, SECURITY AND MY LOVE.

My People are constantly waiting, and I call you to the practice of My Word in every respect.

You must hold to the assurance that within obedience to My Word you find the wisdom that you do not possess at this instant if you are outside of Me.

I OFFER YOU MY PROTECTION, NOT THE RELEASE FROM THE TRIALS IN WHICH EVERYONE GROWS AND IS STRENGTHENED IN ORDER TO SAVE THE SOUL.

You are My People and My People live, work and act within our Divine Law, which continues to hold for every generation.

Since instants ago, I have announced to you the crisis of My Church, the modernization of the Liturgy, the lack of union with Me in the Consecration. Some of My priests believe in the Transubstantiation of My Body and Blood, others not, despite so much physical evidence, such as in Eucharistic Miracles. For some, the Priesthood is sacred and for others, just another profession.

I have alerted My People about the freemasonry that dominates a great number of My Church's adherents. This I have already mentioned in order to prepare you for the great changes that will arise, and at which My People will be confused. The confusion comes because you do not know Me, and not knowing Me, you do not have the ability to know what is My Will and what is being carried out by men in order to cause My children to falter; this is very delicate.

MY BELOVED PEOPLE, NO FACT BEING ANNOUNCED WITHIN THE HIERARCHY OF MY CHURCH IS A COINCIDENCE; IT IS THE FULFILLMENT OF WHAT MY MOTHER TOLD YOU SINCE THE BEGINNING OF HER FIRST APPARITIONS, where She spoke about the facts that you know, and knowing how much My Mother has revealed for this generation, they do not believe, and they ignore every Word of My Mother. And this they do it in order to justify the unjustifiable: working and acting outside My Will.

So many antichrists have passed through history! and in this instant when you are being warned about the last and great antichrist possessing all terror and evil coming from hell itself, you do not listen to My warnings. Once again My People will face horror, only that this will be the last opportunity for evil upon My children. You will live through what no previous generation has lived, from man's great advances to the purification of the same: the great act of My Mercy towards man in the Warning and the Miracle of My House that you have not had previously. Both wonders will cause the power of My House to overflow so that the Holy Remnant will be increasingly purified until My Second Coming.

My beloved children, beloved People of Mine, just as you as Humanity are facing so many critical events, so My Love is set before each person so that whoever wishes may take and drink the milk and honey that flow from My Love, and not merely live through calamities.

I WANT YOU TO UNDERSTAND THAT GOODNESS EMANATES GOODNESS AND ATTRACT GOODNESS, EVIL EMANATES EVIL AND ATTRACTS EVIL. EACH ONE OF YOU IS FED BY WHAT YOU RECEIVE BY YOUR OWN WILL AND THROUGH HUMAN BEINGS.

I send My Instrument to make known My Will and to convey the correct and least painful way by which you need to pass.

The time of My Mercy has been greatly prolonged through the mediation of My Mother, who has interceded for you, Humanity. My Mother, the great defender of My children, has been the one who has allowed the instant of Purification to be delayed. Children, that time has already passed and the instant has come when, if Our Trinity did not allow the Purification, My faithful children would be lost.

MY PEOPLE, DISEASE ADVANCES TO THE POINT OF BECOMING PLAGUE. STAY ALERT, THE EXTERMINATION OF HUMANITY IS NOT SENT BY ME BUT BORN FROM THE HAND OF MAN.

My Beloved People, Europe will have its fill of suffering, Europe's strength will weaken, its magnificence will disappear. One advance after another of the invaders will be calamitous for My children of that great continent.

The great Nation of grand shows will suffer. The United States, weakened in its economy, will be scourged and lacerated by its enemies who will approach it. The madness reigning in that great Nation, the permissively and the compromises of its rulers with evil lead this Nation to suffer.

My Beloved People, communism will rise up with great force as the great power that will dominate Humanity and will impose itself upon the world. Lack of obedience to the petition of My Mother in 1917 is the trigger for this domination: I mention this in this 2017 on the 100th anniversary of this Word of My Mother.

Man is advancing rapidly in the creation of weapons capable of overcoming the innovations of those he considers his enemies. How Humanity has given itself over to being a messenger of horror for its brothers! But Humanity, imbued with its own madness and licentiousness, does not notice what is happening until it lives out the unfolding of My warnings in its own flesh.

I love all My children and call you to become human beings responsible for your salvation. For this, may you My People testify to My work and action, knowing My Word, receiving Me in the Holy Eucharist, remaining in a state of Grace so that the devil does not confuse you.

YOUTH IS IN THE CLUTCHES OF SATAN BECAUSE OF THE LACK OF KNOWLEDGE OF MY LOVE, OF MY CALL, OF MY SELF-SURRENDER THAT HAS BEEN WRONGLY INTERPRETED. Humanity lives without goals, it feels anguish but does not know what is in its soul, due to the pitiful response that it gives to itself and to Our Trinity.

Humanity seeks its happiness without knowing that happiness is more than that which is fleeting; of its own free will it is ignorant of the fact that the assurance of happiness is to be found in Our Will, which man does not know, and even so, he wants to live forever.

MY BELOVED PEOPLE, YOU ZEALOUSLY SEEK HAPPINESS, THAT WHICH PASSES, ECONOMIC SECURITY, FAME, WELL-BEING ... All of this fails, children, all of this fails. Man is unaware of the necessity of living in Our Will so as not to constitute an obstacle to himself, and of his own free will he denies himself Eternal Life.

Pray children, pray for the United States, it suffers through Nature that is awakening, and it suffers by the will of others.

Pray children, pray for France, it is constantly purified. This Land shows Europe what will spread throughout the continent.

Pray My children, pray for Venezuela, it will be doubly oppressed.

PRAY, CHILDREN, START A CHAIN OF THE DEVINE MERCY ROSARY ALL UNITED TOGETHER, COVERING THE 24 HOURS OF THE DAY.

Pray children for Ecuador, this Land suffers.

Children, you continue in sin, and you continue because you do not want to ask for My Assistance.

I WANT EVERYONE TO ASK ME TO RAISE THEM UP AND WELCOME THEM WITHIN MY LOVE.

My Love is permanent. Do not be tormented by the belief that I am a distant God; I am nearer than you believe.

I bless you with My love.

Your Jesus.

**HAIL, MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL, MARY MOST PURE, CONCEIVED WITHOUT SIN
HAIL, MARY MOST PURE, CONCEIVED WITHOUT SIN**

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Always wishing to justify one's faults is something specific to man. But Christ makes it very clear to us that we do not attain Eternal Life except through the Cross. For some it is joy, for others, mystery.

Let us live in the good, as our Lord says to us. Let us not hold back in doing good, even in the instants when difficulty arrives, so that faith might be strengthened and Christ will look at us and lift us up.

Man falls into error, he falls without needing anyone to lead him into error. But in order to get up he needs Divine Assistance because on his own he will not be able to get up.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY FEBRUARY 21, 2017

Beloved children of My Immaculate Heart:

MY BLESSING REMAINS WITH YOU ...

The Father's House wants every human creature to be aware of what they truly are ...
You do not know what you truly are, giving priority to any number of descriptions of what man is ...

**MAN'S REALITY IS THAT OF BEING A CHILD OF GOD, AND IN BEING A CHILD OF GOD, EACH
PERSON NEEDS TO TRANSCEND AND IN THIS WAY TO BE MORE SPIRITUAL.**

Children, no human being can believe that they are saved until the last instant of their life when, before My Son, consciousness transcends and, ceasing to be that "I", becomes a child that is ready to be examined in every sense, regarding that which God assigned them and that which the creature has assigned itself.

You belong to My Son's People: so many are those who call themselves children who have grown in the Faith! and yet on many occasions their spiritual immaturity is evident, when they decide to fill life with all that is worldly and that makes them subject to what is base. I see you acting so fast, without stopping, and without direction or discrimination, you act as if it were natural to act consciously or unconsciously. You allow yourselves to do this by not being aware of the duty that you have as the children of God. You do not want to stop and become aware of each person's duty, of your own Salvation and of testifying in order to help your brothers and sisters with their Salvation.

Beloved children, Humanity lets itself be led by the majority, by what is popular, by innovations, whatever they may be, even if they lead you to act from the basest of instincts. This happens because the human creature follows the rhythm imposed by society, which does not exactly believe in God, but society has been seized and immersed in a plot prepared so that it does not have even an instant of spiritual relationship with My Son.

I see so many who boast that they are wise and forget that knowledge does not guarantee that they are bearers of the only Truth! Every human creature has sinned, therefore being an old man who has to transform himself into a new man, being reborn and being a true child of God.

YOU HAVE MEMORY AND SHOULD CLEANSE IT. This is difficult when man's attention is not focused on Divine Affairs, but is distracted by what is immediately at hand, with what comes to him from his memory and causes him to be separated from what is right. The Divine purpose is also retained in memory, but it will not exceed the other recollections present in memory if man does not learn to retain that which is for his good and discard what does not help him in his growth.

HAVE YOU ASKED YOURSELF: WHAT IS ETERNITY? It is something so different from time and you transgress it so easily and by not evolving in the spirit, you limit what you call time and space. In setting instant goals, you do not aspire to Eternity, you are not true and the lack of Truth limits you.

Children, do not compete in being spiritually grown-up, focus on common work and action, focus on putting aside the impulse that causes you to see yourselves as children and to utter inappropriate words against your brother. Your personal shadow is the words with which you define your brothers. If you had no personal shadow, you would not look so quickly at what you believe to be the faults of your brothers.

Beloved children of My Immaculate Heart, in this Word with which I guide you, I call on you not to forget that My Son waits for His children's call; He does not break in where human freedom keeps him constantly waiting.

Do not listen to those who say that Divine Justice neither exists nor is applicable to man because of My Son's Mercy. Those who say this have not been reborn; they are not new men, they do not recognize My Son's Merciful Justice, being the Just Judge.

THE EARTH WILL NOT BE PURIFIED BY A NEW FLOOD, BUT IT WILL BY FIRE.

Humanity is so far from the Word of My Son that it comes to disown its peers, and without values it kills, inundated by the spirit of evil, and thus the world is gradually falling.

CHILDREN, HOW MANY OF YOU FEAR GOD? Many of My children will be lost because of the great arrogance that they will not set aside and because the greed that causes them to treasure everything; they prosper at this instant but later they will be tormented.

You look with contempt and disbelief at the current Signs, until crops are lost and the famine forces men to cross the Oceans in search of food.

Water comes with the storm, rising up and entering the land. Then you will say: 'How is it that I did not listen! ... But your negated conscience will be unable to answer them.

Great Tribulation awaits My children, and as Mother I will not silence My Heart's desire so that you heed the Word explained by the Father's House and attain Eternal Salvation.

Pray with your heart, receive My Son, feed on the Body and Blood of My Son properly prepared.

MY SON'S PEOPLE SHOULD REMAIN ON THEIR GUARD, RECEIVING IN THE EUCHARISTIC FOOD THAT WHICH IS NECESSARY IN ORDER TO REMAIN STANDING.

Woe to those who receive My Son improperly, without repentance! They choose their own eternal condemnation.

Woe to those who commit sacrileges!

Woe to those who mock the Divine! They will know the pains of hell.

Children of My Immaculate Heart, may the instant of self-examination not find you not having repented of all the wrongdoing with which you have offended the Divinity. You see one word in My Calls and because of it you make a great scandal, you look for contrary meanings to bring down My Word, in order to relieve yourselves inwardly and not to continue listening to the truth of the misery that you bear within yourselves.

THE FATHER'S HOUSE WILL NOT BE SILENT, BUT WILL CONTINUE BRINGING HIS WORD UNTIRINGLY, AND THROUGH HIS ANGEL OF PEACE, HIS ENVOY, AS THE GREAT ACT OF MERCY FOR HIS CHILDREN, HE WILL MAKE KNOWN ON THE FACE OF THE EARTH NOT ONLY THE INFINITE LOVE THAT YOU, CHILDREN, HAVE NOT ACCEPTED, BUT ALSO THAT DIVINE JUSTICE WHICH IS GENUINE, TRUE AND UNEQUIVOCAL. THIS CREATURE WHO IS THE MESSENGER OF THE TRUE DIVINE WORD WILL CONQUER HEARTS, BUT AT THE SAME TIME OTHERS WILL BECOME HARDER THAN A ROCK. HE WILL ARRIVE IN THE TRIBULATION AND HOW MANY OF MY CHILDREN WILL BE CONFUSED!

Through previous Revelations I have prepared Mankind to love this Envoy of God Who will accompany you who remain faithful. He will accompany you in the instants of ferocious attacks by evil against all Humanity. ⁽¹⁾

THIS MESSENGER OF PEACE DOES NOT COME IN ORDER TO REPLACE MY SON, BUT SO THAT EACH ONE OF YOU AKNOLEDGE MY SON'S KINGSHIP AND ENTHRONE HIM IN YOUR HEARTS IN A PERSONAL WAY, SO THAT EVIL DOES NOT TOUCH YOU.

Pray, My children, pray for France, it suffers. Opulence and lights will be a thing of the past. Terror overwhelms it. From one point to another it will be shaken by terror, the earth shakes.

Pray My children, pray for England, royalty suffers and the attacks will not be long in coming; Nature rises up before this land and enemies surprise it.

Pray My children, pray for Russia: faced by an unforeseen provocation, it responds harshly. In apparent calm, terror will awaken.

Pray children, pray for Canada, it is shaken by Nature that scourges it.

Beloved children of My Immaculate Heart:

**DO NOT DISOBEY MY WORDS, DO NOT DISMISS MY CALL.
THIS GENERATION WILL KNOW THE JUST DIVINE HAND.**

He who wants to save his soul, should follow My Son ...
He who desires to save his soul, should wash himself of sin ...
He who desires to save his soul, should enter into the knowledge of the practice of the Divine Commands...

My Mantle is not merely a fabric, as those who do not believe in My Motherhood, see it ...
My Mantle is the prolongation of Divine Love giving itself to its children, not only in order to cover them, but it is the unity of all the elements in the great element of Spiritual Love ...
My Mantle is more than protection, it is Wisdom and Obedience so that whoever is under My Protection knows and recognizes what comes from My Son.

I bless you, in Peace I give you My Love.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

(1) A Man of Providence: Our Lord Jesus Christ and the Blessed Virgin have been announcing in Their Apparitions throughout the world, from the Middle Ages to our days, the arrival of a chosen one of God, referring to this chosen one for the end of the times as: The Angel of Peace, the Envoy of God, the Restorer, the Great Monarch, among others ... This generation will see accomplished all the prophecies concerning this Chosen One.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

The Divine Word rises up over all Humanity. Humanity will be tested as never before, since God has been relegated as never before.

Unbelieving man will continue to be the great shadow that conceals evil deeds.

We are called upon to clarify our memory so that everything that is wrong and has been accumulated in it and is not congruent with Divine work and action be eradicated and diminished before the Great Truths of the God of Love.

We are called to look beyond, to see the 'why' of the events of life, those which have been induced by man himself and those which have been sent for correction.

Memory retains what man treasures, and not exactly true treasure, but retaining attachments. Precisely those we are called to remove.

Let us ask Our Mother to be Mother and Teacher at all instants, so that She may guide us and so that under Her Protection we may accomplish what Heaven asks of us.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
FEBRUARY 26, 2017**

My Beloved People:

WITH MY MERCY I SEND YOU MY LOVE ... Every human creature has been the reason for My Self-giving.

I do not want anyone to be lost due to the great ignorance in which My People are living, ignorance of themselves and of what they possess in their inward being. **THE INSTANT REQUIRE YOU TO KNOW AND POSSESS THE CONSCIENCE SO THAT YOU DO NOT THINK THAT YOU ARE FLESH AND NOTHING MORE, AS BESIDES FLESH, YOU ARE SPIRIT, THROUGH WHICH I AM CONSTANTLY CALLING YOU TO SAVE YOUR SOULS.**

The little spiritual education of My People focuses My children on their physical body, giving themselves over to hours of training in order to possess a better figure. In causing the body to be deified by Humanity – and how much worship you give it! – you have forgotten that you have soul and spirit and without them the flesh is just flesh.

YOU, CHILDREN, BELIEVE THAT THE SOUL IS JUST AN IMMATERIAL PART OF MAN AND THE SOUL IS MORE THAN THIS. Without the soul there is no life, although that nature of man's concupiscence is lodged in the soul, therefore I have invited you to save your soul, so that it receives the prize of Eternal Life and not suffer the pains of the eternal fire.

My People:

THE SPIRIT REMAINS UNITED WITH ME, IT INFORMS MY HOLY SPIRIT OF MAN'S WALK IN MY WILL.

THE SOUL IS LINKED TO MAN AND TO HIS WALK IN THE WORLD: BECAUSE OF THIS I AM ASKING YOU SO OFTEN TO REMAIN ON SPIRITUAL ALERT.

My Beloved People, how much blood has been shed! I grieve over it; you conceive of Me differently, each according to your human desire, and I do not conceive it. How you resort to violence, arms, brutality among brothers! Although you claim to have made great advances, you have not managed to tame yourselves.

You are suffering the prelude of what is coming ...

THIS YOU MUST ACCEPT, AS THE FACT IS CLEARLY SET BEFORE YOU THAT THE SIGNS ARE NOT LONG IN COMING. PAINFUL INSTANTS WILL COME: ACCEPT IT, ACCEPT IT ... YOU WHO SAY THAT YOU BELIEVE, ACCEPT IT SO THAT YOU WAKE UP.

Each person has to make a proposal to amend their life and within this amendment there is your character... It conquers you so easily! You are unable to put aside the human ego and to think about your brother. You spin around within yourselves in an egocentrism that is so great that it leads you to maintain great personal interests.

I NEED SOULS UNITED TO ME, NOT WITH HUMAN INTERESTS WITHIN MY WORKS, SINCE THIS LEADS TO THE DESTRUCTION OF WHAT IS MINE.

Evil divides and wrongly counsels My children; no one is greater than Me. In these instants in which the confusion is beginning, some want to enter Me through the big door without going through the narrow space of polishing themselves voluntarily. No one who claims to know me can be truthful unless they obey Me, if they do not stay close to Me and live a life close to My Precepts.

My Beloved People, keep away from violence; it grows excessively, war is being experienced in various forms all over the Earth until you are unable to contain it, and this you must all believe, even the most categorical of you. All will suffer because of war - some more, some less.

MY PEOPLE, SO MUCH IS BEING KEPT HIDDEN FROM YOU! ALREADY THE ROPE THAT KEEPS THINGS HIDDEN CAN NO LONGER HOLD, AND WITH A GREAT CRASH YOU WILL RECEIVE TRUTHS THAT YOU HAD DISCARDED, and this is just the instant for you to see them as Truth.

My Church is submerged in chaos, My Word cannot be changed or be made conditional. My Word is one and one the Sacred Scripture.

MY PEOPLE, YOU PAY NO ATTENTION TO MY ANNOUNCEMENTS REGARDING THE ANGEL OF PEACE WHOM I WILL SEND TO THE EARTH FOR THE GOOD OF MY FAITHFUL. He is impregnated with my Love and My children are incapable of being love. How will you look Him in the eye, if My Love is in Him?

Children, be unity, seek unity, persevere in everything you undertake: in society, in your homes, jobs, wherever you are, you need to be unity. Without unity there is no Truth, only a veneer of false truth.

How many of My Priests and some who are learned in My Word deny this Word of Mine so that My children will be lost! Usurping My Word is constant and pacts against the explanation of My Word abound.

The wise man is the pious man, not he who makes great speeches and whose heart is empty...

He who becomes sectarian or who claims to be like Me is not wise...

He who is empty inside or who contradicts himself is not wise...

He who walks against the Law of Love or transgresses Our Divine Law is not wise...

"MAN WILL NOT LIVE FOREVER OFFENDING OUR DIVINE LOVE" ...

You very quickly forget that you are constantly falling into what you need to leave behind. **NOT A SINGLE WORD OF YOURS IS UNHEARD BY ME, NOT ONE.** Therefore, you offend Me and believe that you are not being heard, you reject Me and believe that you are not heard or seen. **You have forgotten that in Heaven there is the BOOK THAT ONLY MY FATHER CAN READ ... THE GREAT BOOK OF TRUTH, IN WHICH ARE TO BE FOUND THE TRUTHS SPOKEN TO HUMANITY – ALREADY! - AND WHICH MAN HAS DISTORTED OR DOES NOT KNOW.**

My people, you are so far from the House of My Father and there is so much you do not know! You raise your voices against My Father, Owner of all Creation. Heretics, blasphemers! - who raise their voices against My Father or distort His loving Work and Action towards His People.

When the Seals are removed from the Book of Truth, many will fall with their faces to the ground, and they will rise no more. Many men deny My Word at this instant and everything that happens takes them unawares, but they are not surprised, since they find an explanation for everything. But the instant is coming when they will not be able to explain the events and these creatures will know that the instant of instants has come, and they will want to hide their faces, without being able to do so.

Pray, My children, pray for Italy, it continues being purified.

Pray, My children, pray for Spain, it will suffer promptly.

Pray, My children, pray for America, it will suffer unexpectedly.

My Beloved People, be tireless executors of the good, be My witnesses, be those who fulfill Our Will; recognize those who deny My Word.

YOU CONTINUE TO LIVE ACCORDING TO WHAT IS IMMEDIATE, FORGETTING THAT YOU MUST BE BETTER CHILDREN OF GOD AND BETTER PEOPLE IN ORDER TO BE WORTHY OF ETERNAL LIFE. As soon as man understands that he must be better, Humanity will be more spiritual.

Man reflects what he carries inside him ... **THIS INSTANT IS THE PRECISE INSTANT FOR YOU TO ACCEPT MY MERCY, AND TO RE-ENCOUNTER YOUR LORD AND YOUR GOD.**

Watch: do not sleep, do not live in darkness, be light for your brothers, be true.

PEOPLE OF MINE, I BLESS YOU SO THAT YOU DO NOT SLEEP, BUT ON THE CONTRARY: OPEN YOUR HEARTS OF STONE IN ORDER THAT YOU OVERCOME THE OBSTACLES THAT PREVENT YOU FROM ASCENDING AND BEING MORE SPIRITUAL.

My Heart is calling you; come to Me.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Our King reminds us of the opening of His Heart so that we immerse ourselves in the knowledge of Sacred Scripture, but at the same time He calls us not to be content with knowledge but to take knowledge and purify it from what may distort it and lead man down a wrong path.

Christ at the same time clarifies to us that the possession of gifts and virtues is not something that is easily given, but they are given by the Holy Spirit so that the human creature be light for his personal journey and that of his brothers and sisters.

In this Word He clarifies that the soul is growing closer to man's walk with the world, and therefore we must remain on constant alert so as not to take steps that distance us from Christ. As for the spirit, He tells us that it is what keeps man closer to God.

Both the soul and the spirit are part of man's spiritual organism, but each fulfills its own function.

Salvation cannot be claimed if we do not recognize our smallness and the urgency of an inner change within man.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY ASH WEDNESDAY – HOLY LENT, MARCH 1, 2017

Beloved children of My Immaculate Heart, I bless you.

At this most special instant in which My Son's People enter into the commemoration of the Passion, Death and Resurrection of the Savior of Humanity, **BEGINNING LENT ON THIS DAY, I CALL YOU PARTICULARLY TO ABSTINENCE, FASTING AND PRAYER.**

This generation, more than any other, is in need of an **INNER CHANGE** containing sincerity, good intentions, willingness, truth, sacrifice, charity, forgiveness, love and peace, so that you again encounter with My Son and know Him, and in knowing Him, love Him. At this instant there are so many who do not know My Son, and an equal number who walk away from Him, since they cannot love Him who they do not know.

I find so much hypocrisy in prayers loaded with empty words without feeling or sincerity, in those who claim to be close to My Son, and in some of My Priests who do not enter into the Spiritual Mystery that is commemorated from this day on, who do not preach a return to the Gospel.

This instant of penance is not lived out with its true meaning, nor with the true repentance or conversion necessary for you to return to My Son. I beseech My Priests to touch deeply in My Son's People so that they do not take this instant lightly, as is it the Eternal Present: God, Alpha and Omega of man's existence.

BELOVED CHILDREN, YOU REQUIRE A GENUINE CHANGE IN ORDER FOR YOU TO ENCOUNTER WITH MY SON AGAIN AND TO BE AWARE OF WHAT IS HAPPENING ON THE EARTH.

The streets tainted with the blood of the innocent should not be indifferent to you, those persecuted for the truth should not be dismissed by you. The hidden and unknown martyrs form part of the path on which each of you has the opportunity at all instants to recover the Truth through Divine Mercy.

Divine Love is the sustenance of those who seek it, and they are not finding it because of the laziness of those of My Priests who abandon My Son's People to their fate, knowing that satan's servants are waiting for their prey in order to trap it and chain it to false doctrines that are rising up forcefully in order to distort the Divine Commands ... They are wolves in sheep's clothing.

Beloved children of My Immaculate Heart, I look at how the great edifice of My Son's Church is taken hold of in order to sow darkness within it, and that darkness grows more and more at every instant upon My children. How many false and uninterested servants of My Son do not preach the Truth, but persist with a deceptive sense of the Salvation of souls!

THE LAW IS ONE, THE DECALOGUE IS NOT SUBJECT TO INTERPRETATIONS, IT WAS DELIVERED BY GOD THE FATHER TO MOSES IN ORDER TO BE FULFILLED FOR EVER AND EVER.

I have warned you: My Son's Church will fall into confusion, which will increase without stopping, and priests will rise up against priests. Those who treasure the Word of My Son will preach the Truth, those who embrace other paths will preach licentiousness, causing My Son's People to go astray.

**THIS TIME IS DANGEROUS FOR THE SALVATION OF THE SOUL,
THEREFORE COME TO KNOW MY SON**

I call you to live in the constant practice of the Commandments; fulfill the LAW OF GOD. Fear disobeying God: this is the Passion that My Son constantly lives, it is the Passion that is in actual state.

The Priestly People must remain attached to God's Law so that My Son's People may fulfill that Law. My Son is again crucified by His own People, by those who doubt the veracity of His Word, by those who do not believe in the Commandments and dismiss them.

Beloved children of My Immaculate Heart, you wait to see signs and wait for the instant to pass together with a multitude of signs, forgetting that in a few days schism can grow within My Son's Church, and this will awaken nations against nations.

Woe to those who leave conversion for tomorrow! ...
Woe to those who wait and do not convert! ... My poor children!

I BORE MY SON WITHIN MY WOMB, HE WAS CONCEIVED AND BORN BY THE WORK AND GRACE OF THE HOLY SPIRIT. I AM HIS MOTHER, I BORE HIM IN MY ARMS, I ACCOMPANIED HIM UNTIL HIS DEATH ON THE CROSS, and in this instant they crucify Him again with every thought with which they doubt His Nature, His Life, His Truth and His Word.

**I AM HIS MOTHER, I BORE HIM IN MY WOMB AND MY MOST HOLY SON IS LIFE,
THE IMMUTABLE TRUTH, THE LORD OF LORDS ...**

Woe to those who confuse My Son's People!
Woe to those who feed satanic tendencies by denying My Son!
Thrice woe to those who deny My Son's Word!

The battle for souls is hellish, Humanity is spinning towards the encounter with its own evil.

THE LAW IS ONE, THE LAW IS ETERNAL, THE DIVINE LAW IS UNALTERABLE, WHOEVER VARIES IT ACCORDING TO THEIR INTERESTS IS ANATHEMA.

WHERE IS THE FEAR OF GOD IN THE MIDST OF THIS INDOLENT HUMANITY?

Beloved children, as I have mentioned, since My First Revelations to Humanity, Divine Love alone is the True protection valid for man: you have lost Love, you keep Love at a distance and because of this you are prey to evil. You will not be able to give what you do not have inside you.

Children, evil lives in all that man undertakes without love or with premeditation in order to cause evil. Evil is the queen of Humanity in this instant and humility is regarded as pride, whoever speaks the Truth is accused and whoever denies the Truth is praised; man is walking backwards.

DUE TO THIS GROWING DISMISSAL OF MY SON'S WORD, THE FATHER'S HAND IS DESCENDING TO MEET HIS CHILDREN: with those who emanate uncertainty and with those who do not believe or do not want to understand for their own justification.

And the Creation? Is it not the work of the Divine Hand? Does it not recognize man? **NO!** It does not recognize the man who betrays his God and offends Him. They are so few who aspire to a true spiritual union with My Son, who wish to know in depth what is true fusion with the Divine Will. Simple-mindedness and reluctance preside over the lives of My children, being reduced to the state of spiritual death by their own selves.

How much is yet to come and, and how little-prepared or not prepared at all you are!
How much lamentation will be heard everywhere!
How many misfortunes are approaching!

The Earth will groan and the water of the seas will scourge it, penetrating the coasts of various nations; nuclear energy is the Herod of this generation. The earth vibrates at one end and the other.

Pray My children, pray, fear descends from Heaven for My Children.

Pray for China, its threats will be a reality.

Pray My children, pray for Chile, it shakes.

Pray My children, pray, plague is advancing silently.

Pray My children, pray for Ecuador, the earth vibrates.

Beloved children of My Immaculate Heart: it is not words that save the soul, it is works and acts within God's Will. Everyone will receive according to the measure of their own acts, everyone is unique in the Divine Eyes.

**THE INSTANT IS NEAR AND MAN LIVES FAR FROM MY SON ...
REQUEST MY SON'S AID, THE INSTANT IS NO INSTANT.**

The Church has a Mother, the Church is not abandoned, blessings are attracted by the human creature itself, who works and acts in union with My Son.

St Michael the Archangel and I are prepared upon you, vigilantly waiting for a word through which you request Our Help. You are not alone: I remain attentive to your requests and My Love overflows for you whom I love.

Have pity, My Lord, have pity!

With Maternal Love,

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

At an instant like this when several sources, opinions and ideologies are converging that are not all in accordance with the Divine Word, God's People must strengthen the knowledge of the Word and be those who fulfill It. A constant internal struggle is being lived out within man who is accustomed to not thinking, but to imitating the majority, and what is correct is not exactly what the majority does.

We are entering Lent and are called to reflect and to put into practice what has been said to us in every Lectio Divina. Inner maturation forms the creature that God desires in each one of us. Looking at ourselves and possessing the courage to see our defects is a triumph over the "ego" that resists and conceals all errors.

Brothers and Sisters, let us welcome this instant in which we must allow our conscience to overcome stubbornness, so that we may prepare ourselves, being fulfillers and knowers of the Divine Word in which we believe.

God is the Eternal, God is the Alpha and the Omega. Let us not be proud to such an extent that we call into question the Word that is above everything and above everyone.

GOD IS THE SAME YESTERDAY, TODAY AND ALWAYS.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
MARCH 8, 2017**

My Beloved People:

HOW MUCH I LOVE EACH ONE OF YOU!

You are at a instant when you are looking for so many adjectives to express what I am ... One word suffices for you to express what I am: **LOVE!**

IF YOU WOULD UNDERSTAND AND LIVE IN MY LOVE, there would flow from you like a spring: charity, hope, faith, self-giving, understanding, and awareness would lead you not to waste an instant on fleeting matters that do no good for the soul.

I LOVE ALL MEN AND I MAKE MYSELF ONE WITH EACH ONE OF YOU ...

It is men who have created divisions, those who do not love each other: *"For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ."* (1 Cor 12, 12).

I come to awaken you, I come for the man renewed, for the conscious man, **FOR THE MAN WHO LOVES WITH DIVINE LOVE.**

I love you, and you, what do you love? How do you love Me? When do you Love Me?

Where your heart is, there you have your interests, and men are far away from the interests of My House.

YOUR HEARTS ARE SATURATED WITH WHAT IS MATERIAL, YOUR HEARTS AND GOALS ARE IN A CAR, IN PROPERTY, IN THE LATEST TECHNOLOGY, IN BEING FAMOUS, IN BEING RECOGNIZED, IN WHAT RENDERS YOUR HOMAGE, IN HONOURS, IN GETTING YOURSELVES KNOWN, IN AMASSING RICHES, IN ACCUMULATING POWER, IN QUESTIONING YOUR PEERS AND JUDGING YOUR BROTHERS AND SISTERS.

AND ... THAT IS NOT ME!, THAT IS NOT MY PEOPLE!

My Beloved People, you are used to acquiring worldly goods. For this you must pay and it is fair that you pay the value of what you acquire. **HAVE YOU THOUGHT THAT IN ORDER TO BE SAVED YOU DO NOT HAVE TO PAY? I PAID FOR YOU AND YOU ONLY NEED TO CHANGE, TO TAKE THE RIGHT PATH AND BE DIFFERENT BY ACQUIRING THE GOOD, IN ORDER TO APPLY IT IN EVERYTHING AND TO EVERYONE.**

I ask you: how is it that you refuse to love me? And I answer you: you refuse to love me because you are afraid of looking at yourselves and recognizing the pettiness in which you live, you fear looking at yourselves and seeing yourselves without anything to offer others, therefore you decide to love your own selves.

You deny yourselves Salvation because you are uncontrollably attracted to the goods created by man and prefer to satisfy your inferior tastes and discard the taste for what is superior and infinite.

Inferior goods so dominate you, that the will becomes something bad when you transform the good you have received from Me into something bad, by making an inadequate and improper use of it. You have not filled your senses with the necessary good, but of what the world offers you, you take everything without prior examination.

My Beloved People:

It is painful for Me to look at you and to see those who dedicate their lives to serving me, inclined to banality; they do not focus on Me, **THEY DO NOT ORIENT THEMSELVES TOWARDS DIVINE TRUTH.**

They are not wise, since Wisdom tries not to enlarge the creature, but to feed the soul and the inner faculties for choosing wisely.

YOU CONFUSE HAPPINESS WITH WHAT IS MATERIAL, AND THIS IS NOT TRUE HAPPINESS, but the most erroneous path and the one that man is used to taking with greater ease. Happy is the one who embraces Me without fear, not the one who comes to Me imposing their authority, since this will never be satisfied.

My Beloved People, **KNOW YOURSELVES FIRST IN ORDER THAT INTERNAL KNOWLEDGE MIGHT GUIDE YOU TOWARDS ME.** Knowing yourselves is the great way by which you will not engage in a struggle against the human self, but a communication that will enable you to find out which part of the human self is the one that draws you closer to Me and which part distances you from Me. Within the truth of knowing yourselves is the greater possibility of straightening your path and of entering into My Love and taming that which in the human self leads you to choose evil.

Humanity has degraded My Image in man to the point of destroying it; that is why there is so much licentiousness and so much sin, until you arrive at that instant when you deny Me and disavow Me as your God.

THEREFORE I COME TO YOU TO AWAKEN THIS IMAGE OF MINE SO THAT IT MIGHT GUARD THE SOUL, AND TO CALL YOU TO THE STATE OF GRACE AND TO THE FULFILLMENT OF THE DIVINE LAW.

My People, man has come to understand that he has not covered all the knowledge of what exists in the Universe and therefore must constantly keep investigating.

Some of My children do not heed My Calls, until science discovers what I have told you in advance. **HYPOCRITES!**

They hold fast to what is worldly, to what passes, they do not value My Sacrifice, they live by what is immediate and by criticizing their brothers and sisters, continually falling without advancing towards Me, but rather towards the evil oppressor of the soul.

My People:

**IN THESE INSTANTS OF SPIRITUAL PREPARATION ...
I CALL YOU NOT TO LIVE IN THIS CLOSED STATE, THIS FLAT POSITION THAT DOES NOT ALLOW YOU TO SEE UP HIGHER, BUT ONLY WHAT PHYSICAL SIGHT MANAGES TO SEE.**

Not all who follow Me are those who truly comply with My Will, but these few will not be distracted if they maintain love, charity, hope, the practice of prayer and patience with those who do not love Me.

I call My People repeatedly, so you need to be patient repeatedly with those who want to put me aside.

At this instant evil is invading everything, principally homes, in order that disunity would cause irreparable ruptures. The family is heavily attacked and used by satan to lead My children to discouragement, and they turn away from My Will. Do not allow evil to separate the family, continue walking steadily, trusting in the protection of My Mother and putting My Precepts into practice.

Youth is being incessantly attacked, so those who follow Me and remain within My own Church, those who commit themselves to me, must distance themselves from what is worldly, from drugs, from perversion, so that, far away from those tentacles of Satan, they might be able to bear testimony to My Presence in them.

AT THIS INSTANT I DEMAND COMMITMENT...

A loving commitment on the part of My People ...

A commitment to following the instructions of My House so as not to go astray.

My people, just as Humanity is constantly being stalked, so the Earth suffers from man's incoherence. Humanity's abuse has accelerated the wearing down of the earth's crust; what in ancient times took millions of years to change is destroyed by man in seconds. Man has become Earth's greatest eroder, and he continues ruthlessly destroying what little he finds in his path.

Humanity will suffer from fractures in the earth's crust, caused by the abuse of man who has weakened his house. The ground continues sinking, to the astonishment of My children. Where there is sea, mountains will come to the surface.

Man has taken the Earth and modified it at will. At this instant he suffers in his body the abuse of the Earth that he has contaminated. Humanity suffers from diseases of all kinds due to abuse against the land which he has infested.

Pray children, pray for Poland, it suffers because of Nature and man in turmoil.

Pray children, pray, know that, as I have told you, the Third World War is progressing little by little, man's suffering will be slow. Uncertainty and power are in confrontation as a first manifestation of that war.

Pray My children, pray, Spain suffers and the sun shows blood.

Pray My children, Chile shakes and the sea comes into the land.

Pray My children, pray, My Church is shaken by confusion.

My Beloved People, **IN THIS LENT, OFFER ME WHAT FOR EVERYONE IS A REAL SACRIFICE.** Be copies of My Love for your brothers and sisters, be charity and forgiveness for those who do not know Me, or who, knowing Me, reject Me.

Do not forget that the struggle for souls is constant and in this, evil does not stop.

See me in your brothers and sisters, at all instants with the Eyes of My Mother. Be upright and do not waver in the face of evil. **MY WORD IS ETERNAL TRUTH.**

**MY PEOPLE, I LOVE YOU, YOU ARE THE APPLE OF MY EYE AND I PROTECT EACH PERSON.
REMAIN FIRM, THE WAYS OF THE WORLD ARE NOT MY WAYS.**

Look up, may the heart of the righteous not tremble facing the coming Signs.

Be a support for your brothers and sisters and assist them with their preparation so that they might be able to look at the past and, together with you, make amends. Be a testimony of My Love.

I accompany you if you ask Me to do so; every human creature is invaluable for Me, and at the instant you repent of a life of sin, at that instant I look at you as for the first time, I cover you with My Love and I take you by the hand so that nothing might separate you from Me.

MY BLESSING IS WITH EACH ONE OF YOU IN THIS INSTANT OF PAIN.

I love you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

This Call of Our Lord Jesus Christ implicitly carries a Mandate with it ...

The inner review of each one of us is necessary in order to begin the process of cleansing the memory.

Seeing ourselves with our virtues and defects gives shape on the canvas of life to the truth of what we possess in terms of spiritual goods or what we do not possess.

With a thick and rough brush the new image is begun of the creature that wishes to become more spiritual, finding Christ within and establishing a new relationship with his/her soul and spirit, so as to stop living on the level where he looks at himself, the faults of his brothers and lies to himself about his own reality, since he hears nothing but his human ego.

We are in this very special period of Lent, of conversion, of Mercy, and we must not turn a deaf ear to each Word of Christ.

He gives us that new canvas, and everyone knows whether they are putting on this canvas the old painting of life or beginning to trace new lines with that rough brush, but which, guided by Divine Love, once again gives us the great blessing of knowing that we are heard, and that we must detach our eyes from what is worldly and desire to live more from above, in greater unity with the Most Holy Trinity.

When the human creature raises its brow and breathes deeply, it begins to perceive that life is more than living from day to day, that it is a sea of innumerable blessings that are poured out over all Humanity, and that by Divine Mercy you and I have been called and have decided to listen to the voice of the Shepherd.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
MARCH 12, 2017**

Beloved children of My Immaculate Heart:

FROM MY HANDS, I EMANATE BLESSING FOR ALL MY CHILDREN.

You should not live in sadness but with a cheerful spirit, confident that you will receive the good things that you need in order to be more of My Son than of evil.

You must attain to an appropriate use of free will; you should fill your physical and spiritual bodies with blessings, Faith, Hope and Charity: with the virtues necessary so that what surrounds you might receive from you the Divine Love that dwells within each person. Therefore, it is indispensable that you should know how great the physical body is and how you should care for it so that, by receiving appropriate food, education, faith, knowledge and understanding, the spiritual body might be like a magnet that attracts goodness towards it and repels what is wrong.

BE ASTUTE AND UNDERSTAND THAT THE PHYSICAL BODY, TREATED PROPERLY, IS THE HIGHEST MEANS FOR THE SPIRITUAL BODY TO ADVANCE TOWARDS FULFILLING THE DIVINE WILL. A body to which you give everything that comes to mind, without discerning between good and evil, is a heavy body that maintains within itself such heaviness in the soul that the latter cannot ascend towards the search for the Divine. Therefore, it is a fickle creature; it goes from one place to another looking for where it can be anchored, but as the wind blows, so this creature quickly changes direction and will not seek the heights of the soul until it keeps its anchor in one place.

Beloved children, I have always spoken to you about the danger lying in wait for you: sophisticated dangers, with all the technology necessary to pass unnoticed, food contaminated to the point of deforming the organism. What reaches you - becoming more subtle all the instant -, is so imperceptible to you that you do not discern, you therefore fall into danger until you perish in it.

It is no surprise to this Mother how man has become lost down wrong paths, since in his search, man is so foolish that he perishes in idolatry towards other human beings or towards himself, so much so that he becomes a stubborn creature who neither hears nor sees the great arrogance to which he becomes prey.

AS MOTHER, I CALL EACH PERSON TO COME OUT OF THEIR FOLLY.

I CALL YOU TO SEE HOW TRANSCENDENT IS THE INSTANT IN WHICH YOU ARE LIVING, I ASK YOU NOT TO REJECT THE CALLS OF THE FATHER'S HOUSE.

My children should recognize evil and should distance themselves from evil so that it does not infect them. I grieve over the ridiculous state into which the human being has fallen, in every aspect of his life, so much so that the one who is most respected is he who is most rotten inside.

What truth do you want to find? If you will truly seek the truth with good intentions, you would be more reflective, more meditative, but you disavow these words, acting by imitation. Man eagerly seeks a point of reference allowing him to know what he does not seek for himself in order to ground and sustain knowledge, and when the creature has no basis, it takes what is within reach, whether right or wrong, and that is where the Devil takes hold of creatures that roam aimlessly or at the expense of others.

Beloved children, **WE HAVE INSISTED ON THE NEED TO CLEANSE YOUR MEMORY**, since in it you harbor feelings, perceptions, tastes, smells, the past, what is lost, and what you lodge in your memory comes out at some point for your good or ill.

My children, you can cleanse the memory of everything that causes you to regress, but you do not want to do so. Some live in the fantasies of the past, others in what could not be, some in illusions, others in regrets, others in denial, and others continue to cling secretly to the past in hiding, in secret, and that is where they

cause themselves the most damage, as they enter into the sadness with which they contaminate everything around them.

Children of My Immaculate Heart, these are instants for spiritual alertness, these are instants for spiritual progress, spiritual growth, unity; but you remain divided. You yourselves live in a duality: you want to change, but you want to continue in what is worldly that you know causes you great physical and spiritual harm.

THAT WHICH HAS BEEN CREATED BY THE FATHER'S HAND CONTAINS THE LOVE COMING FROM THE FATHER, AND YOU SHOULD SEEK THAT LOVE AS THE GREAT HUMAN NECESSITY IN ORDER THAT YOU MIGHT RESPOND TO HIM WHO FIRST LOVED YOU.

Humanity lives in a state of agitation because of a tide of information it receives. In its storms the sun is emanating particles charged with energy that man is not ready to receive. Children, man is altered by such solar emanations.

The sun influences the Earth, it stirs the Earth up without your being aware of it, just as it influences the Earth's atmosphere. We have called you to protect yourselves from the sun's rays and you do not heed. Man's psyche is affected, impairing his behavior at all instants; he reacts and acts unduly in a constant state of folly directed by the demons. He exposes himself to the sun's rays, which, combined with the chemical elements that some nations throw into the air via airplanes, cause great diseases in the skin, in the eyes, in the mucous membranes of the human body; the purpose of the great nations is to exterminate the human being.

AS MOTHER, I ASK YOU OBSERVE, AS PART OF YOUR DIET FOR LIFE, THE DAILY NEED TO INGEST VITAMIN C, TO INGEST RAW GARLIC OR GINGER DAILY.

Beloved children of My Immaculate Heart, the Earth will be shaken with greater force; you will see and experience a shaking of the earth.

Love for the Most Holy Trinity will be prohibited, veneration for Me will be prohibited, the Blessed will be forgotten, paganized Humanity will soon rise up against all that reminds it of the Divine. My Son's People will be enslaved and others will deny the Faith. Faced with the greatest apostasy and defenselessness in which My Son's People are living, my beloved Angel of Peace will come from the Father's House, full of the Holy Spirit in order to relieve those suffering in body and soul.

**HOW MY SON GRIEVES AT SO GREAT AN OFFENSE!
YOU COULD HAVE AVOIDED SO MUCH! ... AND STILL YOU DO NOT CONSECRATE RUSSIA TO MY
IMMACULATE HEART.**

Pray children, pray for United States of America, it will be taken by surprise.

Pray children, pray for Japan, its soil will be strongly shaken.

Pray children, pray for Israel, its inhabitants will weep.

Pray, volcanoes increase the intensity of their eruptions.

Beloved children of My Immaculate Heart, unite, constantly invoke the Precious Blood of My Son and at the same instant, accomplish My Son's Will, do no evil.

LIVE THIS INSTANT BY GROWING SPIRITUALLY, ADVANCING TOWARDS MY SON. I accompany you and intercede for you. Do not forget the protection of St Michael the Archangel, the great defender of the Children of God, do not turn him away, call on him, he is ready to help you.

**DO NOT PARTICIPATE IN THE SIN OF MAN ENSNARED BY EVIL.
MY SON IS COMING FOR HIS RECONCILED PEOPLE.**

I bless you,

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and sisters:

Our Mother, attentive to the needs of Her children, gives us details so that we might become aware of the way in which food not only damages our physical body, but interferes in one way or another with our spiritual organism. She educates us as the Mother and Teacher that she is for the People of Her Son. At the same instant she alerts us to the constant dangers we face without knowing it, so that we might not say that we were ignorant with respect to them.

God is a good Father, but Humanity has abused that Divine Goodness, forgetting that God is Just.

We will see greater offenses and greater acts against the Most Holy Trinity and Our Mother. That is why it is necessary for us to undertake spiritual growth and draw nearer to Christ and our Mother, and to bear in mind that St Michael the Archangel is a great defender of God's People.

Heaven offers us everything, it overflows with Love, but Humanity has to respond in the same measure of the Love that is given to us.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
MARCH 18, 2017**

Beloved children of My Immaculate Heart:

I BLESS YOU INFINITELY.

My Son has gathered you in order to unify in His Love all of you who tirelessly seek Him.

I bless you with My Love, I bless you as Mother of My Son's Infinite Mercy.

You know well that My Son overflows with Mercy for each one of you, but it is not only His Mercy that you must seek, rather each one of His children must seek Him through love so that you come to understand the whole Divine Word.

At this instant, the People of My Son argue, My Son's People do not love each other properly, My Son's People are persecuting themselves.

Beloved children of My Immaculate Heart, man has turned himself into a stiff-necked creature who lives attached to what is worldly, who does not want to scale the spiritual heights in order to unite in spirit and truth with the true and only love that will lead him to resume the spiritual path toward the Father.

My Eyes watch with great sadness how the great Nations are preparing for war, which will last for several years, and the suffering of My Children will gradually intensify, and the persecution of My Son's People will be gradual, because the enemy of the soul wishes to exhaust the physical and spiritual strength of all of you. That is why Our Calls do not cease, nor will they cease, for when My Children are downcast, this Mother makes Herself present by Divine Order to bring comfort, to call you to faithfulness, to call you to knowledge, and so that those who approach My Son's People with the intention of destroying them do not succeed, because the People who know whom they love and know in depth, are not easy prey for the detractors of the soul.

Beloved children of My Immaculate Heart:

YOU MUST EXPAND YOUR MIND, FOR AS THE INSTANT ADVANCES SO KNOWLEDGE ADVANCES FOR GOOD OR EVIL. Some welcome the news of scientific discoveries, without even thinking, and when My Son and I have called them to understanding, love, knowledge, they refuse and turn away from Our Calls.

With pain I see how My Son's People are diminished and how they allow themselves to be oppressed by those who do not know the depth of the Divine Mystery enclosed in My Son's Word; they remain fearfully silent, like dumb dogs.

You, in order to be true, must love in spirit and truth.

You must awaken your spiritual senses so that they attain greater discernment and not be easily deceived.

At this instant in which the great powers have created sophisticated and complex technological means through science, My Son's People must know and remain prepared to discern between the real, the spiritual, the Divine and what is human, for Man has taken the intelligence provided by the Father in order to produce great earthquakes, to produce chaos, to contaminate man's food, causing you to decay in health and meditation.

You need to discern, for you will see Signs in the sky that do not come from the Divine Will but from the will of a Nation to cause confusion and chaos. Therefore you should stay awake and prayerful, you must remain united to the Most Holy Trinity, you must stay within My Immaculate Heart so that you discern the signals and signs that the Most Holy Trinity sends so that those who still remain asleep be awakened before the great deceiver of Humanity appears.

Great deceivers have gone through My Son's People and multitudes have followed and follow them; the prophets sent by the House of the Father are rejected. And those who have voluntarily given themselves over to the service of My Son use that power which has been given to them for accompanying and instructing the faithful People, in order to become persecutors of the faithful children of My Son's Church.

How My Heart grieves for those who, shielding themselves behind 'zeal' for the Father's House, want to silence the voice of the instruments that the House of the Father sends to His People!, so that with words full of Truth and going from place to place they fulfill the mission of every true child of the Church of My Son, that of being one more evangelist and one more witness.

Children of My Immaculate Heart:

Walk without stopping, go forward without stopping, being those who fulfill the Divine Law, those who fulfill the Sacraments; receive My Son by living a true Christian life.

HOW MUCH THIS GENERATION HAS CHANGED BY FALLING INTO THE HANDS OF THE DEVIL!, in being pulled along by the powerful who have united in order to lead this generation to prostrate itself at the feet of the antichrist. (1) That is why I invite you, once again, to look up so that you do not forget that you belong to the Father's House, not to the false ideologies growing at this instant all over the Earth. Therefore, after the antichrist appears publicly, making himself known, not by himself but through his henchmen, **THE ANGEL OF PEACE WILL COME FROM THE FATHER'S HOUSE, WHO IS NOT A PROPHET BUT THE ONE WHOM I HAVE ANNOUNCED OVER THE YEARS IN MY PREVIOUS APPARITIONS.** (2)

How would the Father's House abandon His children and not reach out to them? No, children, the Father's Infinite Love for each one of His human creatures once more stretches out and overflows in love and mercy, and sends His Assistance from His House, which will prepare the faithful People for the Second Coming of My Son to Earth.

Pray for My children, pray for Russia, it has still not been consecrated to My Immaculate Heart.

Pray My children, pray for the United States, it will suffer. This people will suffer as sin abounds and they constantly crucify My Son.

Pray My children, pray for France. That Nation's cry will shake Humanity.

Pray My children, pray. Chile, Peru and Ecuador will share in a major earthquake.
You, My children, pray for your brothers.

Beloved Children of My Immaculate Heart:

HOW MUCH I LOVE YOU AND HOW LITTLE YOU TRULY LOVE ONE ANOTHER!

HOW OFTEN I CONTINUALLY WELCOME YOU DESPITE THE FACT THAT YOU ABANDON MY SON AND ME! ... AND YOU ARE NOT READY TO FORGIVE YOUR BROTHERS AND SISTERS.

How much patience I have for you in the face of your continual needs and childishness! I see how you use the Gift of sight to criticize your brothers and sisters "ipso facto" for the smallest detail.

Such are not My true children, such are not those who love My Son in spirit and truth, such are not those who surrender to Him. Therefore I repeatedly come to you and extend My Hand to you so that you allow Me to lead you and not only be the Mother but Teacher of every one of you.

I have continually welcomed you with love, I welcome you with love and will welcome you with love, but each person must come to Me voluntarily, and I with My Heart filled with love and joy will lead you towards My Son's Divine Presence.

DO NOT FORGET THAT YOU ARE IN LENT; OFFER UP WHAT CAUSES YOU MOST SPIRITUAL DAMAGE IN RELATION TO LIVING WITH YOUR BROTHERS AND SISTERS, SO THAT AT THE END OF THIS PERIOD OF LENT YOU MIGHT BE NEW CREATURES, MIGHT BE LIGHTED LAMPS, BE WHAT MY SON EXPECTS OF YOU.

I bless you in the Name of the Father, the Son and the Holy Spirit.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

If each child of God dedicated part of their life to knowing the Word that our Most Holy Mother has revealed all over the Earth, they would be able to gather and recognize the continuity and forcefulness with which the People of God have always been called and warned.

By Divine Will, our Mother has left us great prophecies in order that the People of God might awaken, and instead, the People of God have turned a deaf ear to these Calls.

Therefore, at this instant Humanity is hanging by a thread, a thread that may break at any instant. Disobedience brings purifying results. This can be seen in Sacred Scripture when disobedient children are punished for rejecting correction.

This instant is no different from other climactic instants in which Humanity has gone astray and has taken irreverence and disobedience as its banner.

Brothers and sisters, we have to raise the level of awareness of our spiritual senses in order to walk towards the Divine Truth. Our Mother asks us that in this Lent we voluntarily offer to eliminate the greatest of the obstacles impeding our spiritual growth. Let us make an effort and comply with our Mother petition.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST MARCH 23, 2017

My Beloved People:

HOW MUCH DIVINE LOVE FOR MY FAITHFUL PEOPLE!

HOW I YEARN, WAITING FOR MY NEW CREATURE WHO LEAVES BEHIND THE RAGS OF THEIR OLD LIFE, HAVING DECIDED TO BE PART OF MY PEOPLE AS THEY WALK!

I have come continually to discipline you, and you have refused to listen to me, immersing yourselves deeper and deeper in chaos of every sort.

You deny the evil surrounding you, the irreverence towards My Father's Commands, and to Our Divine Will for these desolate instants towards which you are heading with increasing speed.

**MY PEOPLE, REMAIN ALERT TO THE GRADUAL INCURSION OF THE FORCES OF FREEMASONRY
WITHIN MY CHURCH, ON MY PREMISES, IN CONTRAST TO MY HOLINESS.**

Freemasonry holds to the objective of alienating My People from Our Divine Law and immersing Humanity in the garbage of the antichrist's innovations, putting the antichrist's novelty in place of My Truth.

MY PEOPLE, I CALL YOU EMPHATICALLY TO CONTINUE RENEWING YOUR COMMITMENT TO BEING A TESTIMONY OF MY LOVE AT ALL TIMES, ALIVE AND PALPITATING IN THE MIDST OF HUMAN CREATURES who at this instant do not know My Word, and who due to this ignorance are going down the barren street of false and attractive but deviant ideologies in which the child of God disappears and the child of evil emerges, with all the licentiousness that exists, so as to transform, as it is doing at this instant, the land of blessing into a land of perdition for the soul.

My Beloved People, how many of those who claim to love me and to be taking My Word to their brothers yearn for the recognition of men and take it upon themselves to judge as they please those who wish to distance themselves from their entourage! **(Cf. Gal 1:14)**

How many of those who write about Me, expressing opinions about events to come, really have a hidden interest in continuing to exert influence among My children, and in partitioning and dividing My People, and with such behavior, taking advantage so to maintain their status amidst My People's ignorance!

The followers of those who at this instant excel among My children by the eloquence with which they write or publish great and famous books on My Mother and My Will, **ARE SUBMITTING TO POOR INTERPRETATION OF MY TRUTH AND OF THE STATE OF AWAKENING IN WHICH OUR HOUSE WANTS TO KEEP THE FAITHFUL PEOPLE, SO THAT THEY BE SAVED FROM THE CLUTCHES OF SATAN.**

THERE IS AN ABUNDANCE OF BOOKS, BUT FEW ARE THOSE CONFORMING TO THE TRUTH OF THE DIVINE WORD, OF OUR WILL, AND THE TRANSPARENCY WITH WHICH MY MOTHER HAS ALWAYS SPOKEN TO MY CHILDREN AND HER CHILDREN.

How many are crowned with great intellectual titles and facing Our Word become angry and deny it!

My people, you find yourselves in the instant when you will hear your brothers say: 'I am writing this, speaking of this out of zeal for the Father's House', hiding their true interests, personal benefits that are summed up in pride. **(Cf. Philippians. 3:6)**

This instant is no different. "... **IF ANY WANT TO BECOME MY FOLLOWERS, LET THEM DENY THEMSELVES AND TAKE UP THEIR CROSS AND FOLLOW ME. FOR THOSE WHO WANT TO SAVE THEIR LIFE WILL LOSE IT, AND THOSE WHO LOSE THEIR LIFE FOR MY SAKE WILL FIND IT. "** **(Matthew 16:24-25)**

May the one among you who follows me be no respecter of persons, may they pick up their cross and follow me.

No human creature on Earth can declare that they have absolute Truth about all things ...

No human creature on earth can follow me without denying themselves, without transforming their life into a constant fulfillment of Our Divine Word ...

No human creature on Earth who mentions My Truth and is chosen as My Instrument can proclaim that they know My Truth, My Judgment, My Time, because if this were true, they would not be living on Earth ...

The one who declares himself omnipotent is anathema. Man is man and God is God.

At this instant Humanity holds so much violence in its heart because it has yielded to its weaknesses and the cunning devil presents them instant by instant in order that you fall. I grieve for you My children, I grieve at the course which you have taken and which you do not want to set aside.

Sin is comfortable, Salvation is uncomfortable for you, because it calls you to leave what you like, to deny yourselves what you like, to give what it is uncomfortable for you to give, it is uncomfortable for you to offer what you do not possess: My Love, since you continue to prefer error.

I lament to see how you corrupt one another. Giving greater preparation to those who are far from Me, you have decided to take My children with you to perdition.

Children, as in the past, you are free, and within that freedom, you have embraced the debauchery that you yourselves have drunk from the cup of corruption in the hands of the enemy of the soul. You cannot hide the Antichrist's dwelling among Humanity, handing out orders to his entourage. Every denial by My children is an acknowledgement that you offer to the antichrist and his elite, which will be the same as will oppress you and will cause you to grieve to the point of wishing for death.

MY PEOPLE: I CALL YOU, I SEEK YOU AND I FIND SO FEW RESPONSES TO MY CALL...

Those who recognize Me are so few! My pain is great : My People Keep me in a drawer, not that of a piece of furniture, but in the drawer of oblivion, disobedience, dishonesty, degeneracy, infidelity, corruption, denial, injustice, the death of the virtue of purity ...

I have so few faithful servants who give Me Joy! ... (cf. Mt 25.23)

The madness of evil flows out over Humanity. Some walk from side to side, others do not listen but wander ... So many are they who do not think and have closed their hearts to My Word and adulterate it! How many are they who have cancelled themselves out in order to follow men who lead them the wrong way!

MY PEOPLE, GO DEEPLY INTO MY WORD, LOVE ONE ANOTHER AS BROTHERS AND SISTERS, DO NOT SCORN OUR DIVINE LAW.

Darkness has clouded men who called themselves spiritual and has led them to be followers of the principle of evil, to love themselves, to love their well-being and to love greed, to guide men towards them and their apparent power, in order to distance them from Me and bring souls together with them into the clutches of evil.

Man's thought is not fixed on the Divine but on what is earthly; you have forgotten that accumulating treasures on Earth makes man a slave to his passions, petty, and causes him to give priority to what is not Me.

MY PEOPLE, IF AT THIS INSTANT I WOULD CALL YOU AND ASK YOU TO LEAVE EVERYTHING TO FOLLOW ME, HOW MANY OF THOSE WHO SAY THAT THEY FOLLOW ME WOULD FOLLOW ME? NOT MEN, BUT ME, AND I AM THE DIVINE WILL THAT IS TO BE FOUND IN SCRIPTURE, IN THE DIVINE LAW, IN THE BEATITUDES, IN THE SACRAMENT OF DIVINE LOVE.

Conversion is not a matter of words but of NOW! The man who waits to convert does not know if he will be alive at that instant in order to convert. I am Mercy and man relegates Me to his time, to his will, he postpones Me.

DO NOT WAIT, DO NOT PUT ME ASIDE. THERE IS SO MUCH THAT I WILL EXPLAIN TO YOU OUT OF LOVE FOR THOSE OF YOU WHO ARE MY CHILDREN!

Pray My children, the depths of the earth have opened and from them will emerge what the man of this generation has not experienced: purification.

Pray My children, pray : cruelty continues wreaking havoc all over the Earth, astonishing those who remain in Me.

Pray children, pray, you will drink of pain. My People will come to Me severely purified by the hordes of evil which man himself has raised up, and of which some will repent.

Pray My children, the earth shakes man in order that he may react, the water will rise up and the fire continue striking harshly.

Pray My children, pray for My Second Coming together with My Legions and My Blesseds, and the Creation that recognizes Me will send forth its voice which man has never heard.

Pray My children, pray for Argentina.

My Mother has called you to stay alert to communism by stealth and you ignore it; you think that you know everything and you know nothing. Communism gathers power, allies, and you will be surprised. Those who call you to Me and remain allied to Communism are ignorant of those whom they should not follow. Communism is one of the great scourges of Humanity. Do not be foolish, stubborn: "I Am who I Am" (EX. 3:14).

Children, do not continue to be attached to what is earthly; scale the heights of the one who lives in Me, allow yourselves to be creatures of God and not of the flesh, of God and not of what is worldly.

COME TO ME, ENTER INTO MY LOVE, ACCOMPLISH MY WILL AND LOVE SILENCE, SO THAT IN SILENCE YOU HEAR MY VOICE, THE VOICE OF THE SILENCE OF MY LOVE. WHOEVER WELCOMES ONE OF MINE, WELCOMES ME.

You, My People, are the pride of My House.

I bless you and My Blessing extends to your loved ones for whom you intercede, and for whom you do not yet know and who are My children.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

At this instant our beloved Lord leads us on a great tour of the spiritual state of each one of us. I can feel the desire of Christ to lead each of us to a free confrontation with our own self via various questions that only have an answer in our conscience and with our spiritual senses enlightened by the Holy Spirit.

He tells us that some men write about Him but with interests contrary to being guides attached to the Will of God, instead feeding the human ego through the world's fame and recognition. At the same time, He allows us to see clearly that these aspects of the human self can come to have greater weight in Christian work and action than what is really needed in order to draw closer to God. In fact, brothers and sisters, these human alternatives become for the child of God something obsolete in the face of the Truth of the Message of Christ.

We need to love God in order that the transformation of each one of us lead us to strengthen the virtues that we possess and to know how to bring them to Christ and to Our Mother, so that we use them correctly in the service of the Kingdom of God. Everything needs to be for Divine Glory, nothing for the glory of men.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY MARCH 28, 2017

Beloved children of My Immaculate Heart:

AS THE SUN ILLUMINES THE EARTH, SO IN MY HEART I WELCOME ALL PEOPLE.

In My Love I meet each of you for whom I intercede before My Adored Son.

Everyone should keep his or her thinking focused on what Heaven requests in order for you not to go astray or be confused.

The future of mankind is hanging on the behaviour of man himself.

IN ORDER TO GUIDE YOU IN BEHAVING CORRECTLY, I COME TO YOU AS MOTHER OF MERCY. TAKE MY HANDS, I WILL BRING YOU TO SAFE HARBOR.

AS YOU NEED ME, CALL ME; IF YOU FEEL ALONE, SEEK ME ...

I AM QUEEN AND MOTHER OF HUMANITY, DEFENCE OF THE HELPLESS, ADVOCATE OF HUMANITY.

It is necessary for you to enter within My Maternal Heart so that love, surrender and obedience to the Father's Will might be imprinted in you and so you may thus accompany My Son in the preparation of Holy Week.

You must overcome that within you which causes the greatest obstacle on the spiritual path, that which binds you and interrupts your approach to the awakening of the spirit. Children, spiritual understanding is necessary in the face of a man who does not meditate on his actions; surrender to the Divine Will is necessary.

Sometimes My Son leads you on roads that are unexpected for you, that which happens being a trial to cause you to mature. Iron is tempered in the fire, the children of God in the purification of humiliation.

My Son's People walk together at all instants, knowing that the enemy of the soul keeps fighting to discover in you the slightest thought contrary to the Divine Will, to avail himself of it and separate you from the path.

I do not want you to suffer, I do not want you to be suffering because of continual falls. Therefore, continually strengthen yourselves by being sincere in regards to what you lack in order to be better children of God.

Beloved children, be creatures of peace in the midst of so much discord within Humanity. And when you pray for an intention, remain at peace; that way your prayer is received more promptly.

Dear children, at this instant you must open your hearts to the explanation of My Son's Word so that you walk safely, growing spiritually within love and unity, discovering My Son in your brothers and sisters.

I suffer because of so many empty human creatures, living by inertia without any value, rejecting the Divine Word and accepting false philosophies, **AND IT IS THE DIVINE WORD THAT IS THE GREAT MYSTERY THAT MAN SHOULD DISCOVER IN LOVE.**

Children, it would be easy for man to walk with evidence of everything happening to him spiritually, but man needs to offer obedience to God and discern, because evil will not be clearly exposed before each one of you so that you discover evil for what it is.

Beloved children of My Immaculate Heart: there is so much heresy in the world that My children are constantly oppressed by the weeds, in order to discourage them, to overwhelm them and to lead them into confusion. Those of My children who live in idleness will be more greatly exposed to temptation. The human person must be dedicated and remain constantly united to My Son, so that good works do not derail their thinking nor take the heart away from peace and fraternity.

Dear children: How great is the Divine Love for you that does not cease, Its constant Call so that you might not be lost in the vileness of what is worldly! Evil is thirsting for My children and, being in possession of false science, pride burns in them, they live swollen with pride. Therefore, those men who reject My Son desire honors that do not belong to them, they are bearers of arrogance, they swell with pride and do not know compassion in order to offer it to their brothers and sisters.

BE THE DIFFERENCE; DO NOT BE CONFUSED. BE CREATURES WHO CHANGE, CONVERT, WHO LIVE IN SPIRIT AND TRUTH.

Beloved children of My Immaculate Heart:

EVERY WORD BREATHED OUT BY GOD IS ETERNAL. AS THE ACT OF THE DIVINE WORD IS ETERNAL AND MAN FINITE, so the human creature needs the guidance in order to advance, constantly emerging from what binds him in order to find freedom from himself, freedom from his own "ego", uniting with his Lord and God. The Infinite Power descends into the finite power of man and leads him to understand that every human act has its effect within the infinitude of Creation. You need to be creatures who emanate good and have a multiplying effect towards all creatures so that man's good will might reproduce the good.

Beloved children, at this instant evil has plunged humanity into a manifold variety of apparent necessities for living. These forms of man's dependency are the strategies of evil for chaining Humanity to working and acting outside the Divine Will. And when man does not have these apparent necessities, Humanity will be implacable and People will rise up against People, Nation against Nation and man against man, without restraint. Humanity will be unrecognizable.

Dear children:

THE DEVIL IS PERSECUTING MY CHILDREN, HE ARRANGES WHAT IS WITHIN HIS REACH SO AS TO DEFORM THE DIVINE PURPOSE IN EACH ONE OF YOU. Before the instant of instants, his fight is greater and My children increasingly attacked.

Faced by this way of proceeding by evil, you must intensify your work and action with discernment, above all being bearers of My Son's Love.

EACH ONE OF YOU IS A DISCIPLE, A WITNESS, A FOLLOWER OF THE BEGGAR OF LOVE, AND IN HIS LIKENESS, YOU SHOULD REMAIN STRENGTHENED FOR THE INSTANTS IN WHICH YOUR FAITH IS TESTED.

Beloved children, the atmosphere will undergo sudden changes in its structure produced by the Sun, and these will be visible to the human eye. Not only does the sun affect man with greater force at this instant, but the moon has greater influence over the Earth and man. Prepare yourselves, My children, be creatures of Love, revise your way of working and acting, do not forget that you will be brought to see yourselves as you are.

Pray My children, pray for the United States, the exalted power of that nation is the cause of its own evil.

Pray My children, pray for Humanity that suffers and will suffer with great pain the effects of a new virus.

Pray My children, pray for France, terror comes out in the sight of all.

Beloved children of My Immaculate Heart, do not watch what is happening in Nature from a distance, do not let the changes in the climate go unnoticed. Man must be vigilant facing the signs of this instant, where everything surrounding man speaks to him so that man saves his soul.

AVAIL YOURSELVES OF THE DEVOTION TO OUR SACRED HEARTS.

I bless you with My Maternal Love.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Faced with Motherhood speaking to man with infinite Love, we can see that the spiritual awakening of God's People is necessary and urgent.

It is never too late if man decides to make the great effort, the great sacrifice of putting the human ego before the one who can do everything: GOD.

The Divine Plan desires human effort, spiritual effort, so that in His children faith might be reborn with strength, so that man be able to face the difficult instants that he is approaching. But all effort is null and void if man does not become aware of the need to be more of God and less of the world.

Where does man pretend to go by distancing God from his life?

Brothers and sisters, where is this generation headed that lives in degeneration? How long will Divine Patience wait?

Let us look seriously at this instant and let us not put off the decision to which we are being called: conversion.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY MARCH 31, 2017

Beloved children of My Immaculate Heart:

MY LOVE DOES NOT STOP, IT REMAINS IN CONSTANT MOTION IN ORDER TO MEET YOU.

My Love flows in the Divine freedom, in order to be Protectress, Morning Star, Health of the sick and Comforter of the Afflicted. I do not abandon any of those who cry to Me to help them in their tribulations and their joys.

Love is not only a feeling or a thought: is a reality that creatures carry rooted within their spirit, it is the greatest strength that does not allow a human creature to be static - Love is action, it is praxis, at every instant in life;

whoever loves intermittently has not known Divine Love, but is living a false Love. Do not forget that whoever does not love their brother or sister, or is in conflict with their brother or hates their brother, is a liar if they say that they love with My Son's Love.

The Divine Love to which you are called is not a love of words or of instants; it is lasting and is constantly expanding. Love is not selfish, it does not know jealousy, nor arrogance; Love is understanding, compassionate and patient. **(Cf. 1 Cor. 13)**

The man of today does not love when he looks around him and feigns love with works of charity. My Son leaves you great lessons of true Love. I was the same at all instants with all who approached Me: all the while I loved all men.

At this instant Humanity has become perverted, and this love has been disfigured; Humanity has turned itself into a group of wicked creatures that look at themselves, and kill their neighbor if that neighbor does not work or act at the convenience of the rest.

THE STRONGEST COMMANDMENT IS THE COMMANDMENT OF LOVE.

A great majority of creatures live remembering some past upset, and this prevents reconciliation from taking place and forgiveness from being true.

Divine Love commands, it is not indifferent towards one's brother, but loves as My Son loves.

You should at all instants maintain a kind, sacrificial and patient spirit. You should not be in ruins, you should not live in the reality of this instant of spiritual decadence.

You should come out of the world's current that puts Love aside. You are living by appearance, like the Pharisees.

'Love in spirit and truth!', my Son asks, but you are not genuine, you do not know what it is to love in Spirit and Truth. Therefore, in the instants of tribulation that you cannot deny will arrive promptly, the true child of My Son will be easily recognized, and those who live in human love will be easily recognized.

MY CHILDREN, BEFORE YOU READ THESE CALLS, BE LOVE, LIVE LOVE.

Love is in agony in those who are not walking towards conversion. Conversion needs constant strength, so that it be constantly renewed in the reality that you are living in the midst of this world of violence that wants to quench the Spirit.

I call upon you to work and act with all your might, so that you may live giving everything to the service of the Kingdom of God.

Love is indispensable in the true children of My Son, so that they do not distort the way, not cause love to degenerate nor put it in danger.

Love, Humanity's great stranger, is insulted by those who live in violence, in irreverence, in the denial of the Divine Commandments.

Humanity falls instant by instant into abysses that fortify the misused "ego", and pride constantly flaunts itself in the creature.

Evil does not wait but prowls around, so do not declare to all your brothers and sisters that Love abounds in you, since evil can make you show quite the opposite in an unexpected situation.

THE UNEXPECTED IS THE GREAT UNVEILER OF THE TRUTH THAT LIVES INSIDE EACH ONE OF YOU.

You do not live in a world of love; you are constantly exposed to terror, to death, to violence, to disrespect, to criticism, and are astonished at it. How many times do you kill your brother or sister with a word?

Prayer can not be set aside; it fortifies you, calls you to walk securely. Prayer accompanied by the Bread of Life of the Eucharist is food for you to resist temptations with greater strength.

THE INSTANT IN WHICH YOU WILL BE EXAMINED BY THE SAME LOVE YOU HAVE GIVEN AND THAT YOU HAVE, IS DRAWING NEAR. You will see, you will live and experience, you will suffer for your bad deeds,

and the lamenting will be fierce. However great and unthinkable the sins committed may be, you carry the Divine imprint, therefore I call you to repentance in order to save your soul.

Beloved, loneliness will invade you and will penetrate your very bones, you will experience true solitude, that which you have never experienced before; you will examine yourselves. You will live and experience the pain for every offense committed against the Divine Will as if you were doing it at that very instant, with no one to defend you, not even yourselves. My Heart grieves over My children. After the Warning has passed, some will rage against God and cruelty will be greater toward My children.

Man will be astonished to look at Heaven and to see the fire approaching the Earth, only that man does not know that this fire will then be that which reaches the soul and the conscience of every human being, burning sin with relentless fire. He will feel unable to resist any more. The heart of man will be in a state of constant spiritual fatigue; you do not yearn to fill it with the Word of My Son or Mine.

Beloved children, fire will fall from Heaven, the fire that wishes to annihilate hypocrisy, man's irreverence before the Divine.

Pray My children, pray for Seoul, it will suffer enormously.

Pray My children, pray for Chile, suffering will not cease, that nation must consecrate itself to Our Sacred Hearts.

Pray for the Church of My Son, pray for the unity of the Church of My Son.

Pray for Argentina and Germany, both nations will suffer greatly.

Children, seismic activity throughout the Earth will increase, atmospheric phenomena will take man by surprise so much that you will wish to withdraw from the places where you find yourselves.

Look up, children, do not live gazing at the earth.

The People of My Son will be surprised.

Sons of My Immaculate Heart, "... no prophet is a prophet in his own country." (Lk 4:24) You should welcome these chosen ones and defend them at all instants.

MY MATERNAL BLESSING IS A HINDRANCE TO EVIL, BUT IN ORDER FOR THIS HINDRANCE THAT I AM SENDING TO HELP YOU, YOU NEED TO REMAIN IN A STATE OF GRACE.

I love you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

The greatest Commandment and the most difficult one to embrace in all its magnitude and depth that Heaven says **IS LOVE**.

We are called to serve, to love, to worship God, to be cautious and to live with a pure heart and with the assurance that God's Love must be shared with all our brothers and sisters.

Amen.

DIVINE CONFIDENCES OF OUR LORD JESUS CHRIST APRIL 2, 2017

I met with my beloved Christ, and looking at me straight in my eyes, he says:

My Beloved: look inside man ...

Next, we see a man and Christ tells me: "See how man is instantly distracted, see how in the space of an instant the feelings go from love to hatred, from respect to disrespect, from kindness to making demands, being prey to a great weakness in his soul. Man is growing weaker more frequently, not only physically but inwardly. At anything even slightly unexpected, man makes his weaknesses come out."

With great attention I watched that creature and his movements, I was seeing his feelings and how, depending on the feelings, everything in the man was changing unexpectedly. Suddenly, that man walks towards his son, and on meeting his son, insults him verbally, and the son is about to respond to the father ... Christ intervenes and says to the son: **BLESS YOUR FATHER, EMBRACE HIM AND GO IN PEACE, KEEP IN MIND THAT YOU MUST NOT KILL ANY HUMAN CREATURE, NEITHER IN THOUGHT, NOR WITH THE TONGUE, NOR WITH FEELINGS, NOR IN THOUGHT.** The son went ahead as Christ inspired him to do, and the father, in consternation and shame, was left speechless; in astonishment, he looked at his son who was leaving, and tears came from the man's eyes.

Christ says to me: "Do you know, beloved, how many times this scene repeats itself during the day? Many, at every instant. And how many human creatures react like that young man? I can tell you that almost nobody, not even those who feel most close to Me.

HOW MUCH I HAVE PREACHED ON THE LAW OF LOVE! And the world does not know it because man acts based on his immediate feelings and impulses.

Suddenly another man appears; he seems to be someone who has great peace, for his serene face, his way of walking exudes peace. Christ says to me: "What do you think, beloved?" And I answer him: "he has a great peace".

Suddenly there is a different scene: the man is walking quietly, but next to him there appears another man who talks to him, they continue walking and talking until something the other man mentioned was not to the liking of the one walking in apparent peace. His face became disfigured and his voice changed, even his expressions were different. Christ tells me: "Beloved, now you will see what only I know and what makes a complete rag out of a creature that draws near to Me ..."

I see the man lost in total emotional paralysis, down in a hole from which he cannot get out. A dark cloud envelops his heart, brain, thinking, going through his entire spiritual and physical body. The organs of the digestive system are stained dark blue and bile rises up as if wanting to take a route that is not the normal one. Christ tells me: "look at the great interference of feelings within man. My obduracy is not obduracy folly; it is My desire for Humanity to overcome being rooted in what is immediate.

I AM LOVE, MY LOVE TRANSCENDS, MY LOVE IS SPIRIT, AND AS SUCH, IT IS AN INFINITE ACT OF LIFE AND ORDER. THUS YOU, CHILDREN, NEED TO LIVE WITH THE THIRST FOR TRANSCENDING TOWARDS WHAT IS SPIRITUAL SO THAT LIFE ACQUIRES VALUE, BEAUTY AND CONTROL. My Love organizes, harmonizes so that works and actions be a testimony of what each human creature truly is.

As with the men mentioned, feelings betray them because of the predominance of their "ego" and a constant minimizing of what is spiritual, leaving exposed the world in which each person truly moves.

My love is ascent, and whoever ascends does not walk alone but in unity, in community, in order to learn and to understand yourself not on your own but united to your neighbour.

I have called you to live in Me in order that you act as I acted, not in repetition of My actions, but in living out My actions. Take, feed on, live out, express the inner change that takes you back up to the heights of My Love, without which you will not be able to be better human creatures, more genuine, not a copy of a series of actions that minimize what you are: **THE GREAT WORK OF LOVE.**

Christ puts before me some people with great differences: one is thick, one tall, another extremely thin, another very short in stature, and another pale, sick or dying.

All these people are different, but equal in one respect: none of them wants to look at Christ. He speaks to them and they turn their eyes. I look at the man who is physically dying and ask him to look at Christ, but he refuses to do so, does not want to, and instead anger seizes him. And Christ asks me: "My beloved: what do you see in them that is similar?" And I answer immediately: "They do not want to look at You or know about You", and Christ tells me: "What they have in common is not what jumps out at you, but what they keep hidden in the depths of their hearts."

Christ tells me: "The person of short stature wants to be tall in order to stand out among everyone else, s/he is not satisfied with what s/he has. This human creature rummages through everything to find out what is happening, raises its voice to be heard, but is empty inside, its heart burns with pride and envy, it says it lives spiritually, but it does not know Me.

The person of great stature wants to keep control of everything happening around him.

His presence makes him stand out, but that is not enough, he wants more and more. He lives his brothers and sisters, not because he loves them but to feed on criticism; his heart burns with pride and envy, it seems that he prays at all times, but this is not the case, he rises and falls, he does not know Me.

The creature that gives the impression of being sick is not sick in its body but in its spirit. It does not know fraternity, charity, its heart does not live in compassion but in self-pity, this does not allow it to experience the pain of its brother or sister.

It lives in pride, in envy, its heart is empty of affections, loneliness gnaws at its soul. When it tries to enter into Me, immediately its mind flies off and is not stilled, it does not retain Me within it.

Man's disorder, disordered love, self-pity, lack of charity, a hardened heart, make everything around him disordered. These creatures that I have mentioned exude something particular: individualism, a lack of love, indifference, loneliness, that which is common to what is worldly, and they are in danger of turning away from Me completely, due to the individualism that prevails in them.

My children are one together, they maintain a great awareness that they are part of the great Universe and the responsibility of this causes them to live in Me what they wish for their brothers and sisters.

Emotions are not evil, but they are those which create disorder and cause man not to be part of My Love or all that IT contains are evil. My Love does not create disorder, My Love is light, not shadow, My Love is charity, not rancour, My Love is hope, not discouragement. My Love is everything.

Beloved, at this instant there is something that is attaching itself to all people, and only a few know how to face it - something that constantly breaks out within the established order and leads to chaos: **ANGER**.

Desire, ownership, status, misunderstanding, the lack of love, ignorance are part of why violence has arisen and is part of the human being's daily life.

**MY CHILDREN ARE SO LIMITED IN THEIR UNDERSTANDING OF EVIL
THAT THE LATTER GOES AS FAR AS MAN WILL ALLOW IT.**

Violence is not something that man has from birth; violence is learnt while growing up, in the environment in which you develop, and sometimes violence is contagious by unbalanced, weak-willed creatures, those who are like the weathervane of a boat.

Each of My children should be a bearer of Peace, a sower of My Love, they should share Charity with their brothers and sisters so that My Attributes be received by all My children.

MY CHILDREN NEED TO BE LOVE, AND THE REST I WILL GIVE TO YOU AS WELL. (Cf. Mt. 6.33)

Mentioning this, Christ tells me:

When the creature keeps everything ordered in My Will, its action is related to Me and I rejoice in it. But this generation, which has given itself over to the madness of evil and usurped the most frigid states of spiritual relationship with Our House, has fallen into the greatest baseness and has reduced itself. It has taken anger as revenge, as a form of punishment by some towards others. It has introduced feelings of resentment, betrayal, and fury as normal, and this no longer deters those who wish to act brutally, intensifying Humanity's state of lovelessness and causing damage to itself.

Evil has been present pursuing man in order to bring him down as low as it can. You should keep in mind that evil has no compassion, it drags those of whom it takes hold far away from Me.

LOVE IS THE HONEY THAT MY CHILDREN ENJOY IN THE INSTANTS WHEN THEY NEED ME.

I bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

**MESSAGE FROM THE BLESSED VIRGIN MARY
APRIL 8, 2017**

Beloved children of My Immaculate Heart:

I BLESS YOU WITH MY LOVE THAT PIERCES THE MOST HARDENED HEARTS ...

My Son's Love for you entrusted you to Me at the foot of the Cross as Mother of Humanity.

I do not wish to see in My children creatures saturated with hatred, resentment, ambition, dissatisfaction, incoherence, wickedness, anger, arrogance, lack of Faith and pride.

This instant, more than others, is hanging by a thread that one movement may break. I do not want any of My children to be among those who will break that thread, leading Humanity to continuous suffering without measure for everyone. I am not only referring to general suffering, but at the same time I refer to the rivalry existing within the communities that are forming within the Church of My Son, since **EVIL ALSO EATS AWAY AT GROUPS, TAKING AWAY THE LOVE OF ONE FOR ANOTHER, ATTACKING THEM THROUGH INTERNAL STRUGGLES SO AS TO TEAR DOWN MY SON'S WORKS, THEREFORE REMAIN VIGILANT AT ALL INSTANTS.**

Beloved children, excessive attachments to passing things, such as attachment to materialism, attachment to the human ego, leave all that is good in second place - Charity, Hope, Faith - and leave everything spiritual on a lower plane.

CHILDREN, WE HAVE CALLED YOU TO MEDITATE ON EACH OF THESE REVELATIONS. YOU SHOULD ABOVE ALL MAINTAIN THE SPIRIT OF SERVICE TO YOUR NEIGHBOR; BROTHERHOOD NEEDS TO OVERCOME THE OBSTACLES, CAUSING YOU TO WELCOME THE UNEXPECTED WITH LOVE, only that very few of My children are willing to accept sacrifice as a means of expiation or as a sign for you to mature in some aspect of life. This is why the enemy of the soul quickly takes hold of My children in order to make them despair and so that they burst like inflated balloons, causing havoc.

Beloved children, in the space of an instant pride causes a soul to be lost ...

Pride makes a great child of My Son into the smallest and undesirable of creatures, reducing it to crawling along the ground.

Some want to anticipate the harvest and to pull up the tares, without looking at themselves, and what they do is to leave the fields without wheat.

Pride invites to jealousy, arrogance, to making demands, masking feelings and every consideration ...

Pride poisons the creature against its brothers and sisters...

Pride invades man's loneliness and makes him as bitter as bile ...

Children of My Immaculate Heart, man possesses faculties for thinking, but in a single instant the devil can take you and make you your brothers' executioners.

THE INSTANT OF INSTANTS WILL COME WHEN EVERYONE WILL BE EXAMINED, EVEN THE MOST RIGHTEOUS, AND THOSE WHO HAVE REFUSED TO LISTEN WILL SEE THEMSELVES IN THAT DENIAL THAT LED THEM TO FEEL SUPERIOR. There is no human creature exempt from this self-examination, all will instantly see their lives and know where they have been lacking and what they need to amend.

Beloved, I want to keep you prepared, because you need preparation in order to continue on the path of Truth in the midst of what is happening: sicknesses and alterations. You are called to continue being testimonies of Divine Love so that you might be able to advance without stopping.

**THOUGHT, LIKE THE WORD, POSSESSES GREAT POWER ...
YOUR THOUGHT MUST BE ACCOMPANIED BY DIVINE LOVE, SO THAT WORK OR ACTION DO NOT
LACK THAT INDISPENSABLE INGREDIENT, THE SPIRITUAL SEASONING: LOVE.**

There must be spontaneous love in everyone, otherwise a single creature disturbs communication between all brothers and sisters, and My Son's projects do not come out as they should.

My children, whoever lives by what is worldly cannot love and accept the things of the spirit; the weakness they acquire leads them to live with their conscience constantly seeking to justify their inadequate work and action, living by their imperfections.

Beloved children, when the human creature is accustomed to living without God, pettiness takes hold of it, it becomes miserable and wretched, without seeing anything good in its brothers, but rather that which it judges at its convenience. My Son sees inside His children, He looks in depth at what you as human beings refuse to see.

Thus it is with the man of this instant, living with his character in opposition to God; his works, actions and reactions are impulsive, full of selfishness and anger, being permeable to the constant attacks of the devil.

**CHILDREN, YOU HAVE DEGENERATED ...
YOU ARE NOT AWARE OF THE PRIVILEGED PLACE THAT YOU OCCUPY WITHIN THE UNIVERSE.**

You need to correspond to the kindness that you receive from Creation. You are not creatures created to subject yourselves one to another, but on the contrary, you have been created to love one another as My Son and His Father love each other ... The basis of religion is Love and respect for life.

The failure to use spiritual intelligence leads you to have a very narrow vision of what you are as children of God. You limit yourselves out of a fear of commitment to My Son's Affairs.

How much you offend My Son and how My Heart grieves because of the blood of the innocents that is shed by those who are their executioners! The new Herods of this generation, children of evil who obey the orders of the devil himself, who wish to erase all trace of innocence existing on Earth in order to take possession of the spoils more quickly: the souls of rebellious creatures who do not repent of their own free will.

Beloved children, how you have become saturated with evil! You perform evil with great dexterity, with joy, you have forgotten that you remain in the balance and in this the weight of actions and works are inclining towards good or evil. You tear my Heart when you treat each other worse than beasts. You have understanding and have given it over into the hands of satan so that the latter leads you along the darkest of paths, causing you to act in the most cruel and inhuman way that a creature can act.

Beloved children of My Immaculate Heart:

How many laugh at My Son's Word!
How many of them laugh at what I tell you!

**EVERYTHING WILL BE FULFILLED, EVEN THE SLIGHTEST THING, NOT BECAUSE MY SON WANTS TO
PUNISH YOU, BUT BECAUSE HUMANITY IS GOING TO ENCOUNTER THE PRODUCT OF ITS OWN EVIL.**

I have called you to prepare yourselves spiritually and to be reconciled with the Father's House, but again and again you refuse to carry out this act of Salvation. I have warned you of what is approaching this generation and you ignore My Words. Humanity is coming closer to confronting that which you do not want to acknowledge ...

The specter of war will remain over Humanity until the great nations, in a great conflict, divide and fight against each other, flooding the Earth with great suffering.

**YOU, CHILDREN, UNITE, PROTECT YOURSELVES, COVER YOURSELVES WITH THE PRECIOUS
BLOOD OF MY DIVINE SON, AT THE SAME TIME BEING TRUE. WHOEVER DOES NOT COMPLY WITH
MY SON SHOULD NOT LIVE EXPECTING MERCY IF THEY DO NOT REPENT.**

The pain due to advances in armaments is and will be harrowing; that which Mankind believes had already been destroyed by some Powers will come to light having remained intact. Man struggles for supremacy and Satan helps that struggle to be fatal and extremely painful, war being a propitious scenario for the antichrist to rise up with power.

War does not only concern armaments, but involves all aspects of man's life. Plagues will go throughout the Earth and medicines will become scarce, so I have given and will give you what you can use from within Nature to heal the body; thus the Father's House allows this Word to reach you so that you can heal the body and save the soul.

Food is contaminated, but My Son's People are given assistance and food will come to where you find yourselves. **FAITH IS NECESSARY FOR THE CREATURE TO ALLOW MY SON TO WORK MIRACLES IN EACH PERSON.**

You will see those who live attached to the economy lose their lives, their sanity, and they will become angry against their brothers and sisters. Families will disavow each other because of the economic struggle in the face of a fallen world economy. Even so the unbelieving abound and will abound, being victims of the evil that causes them to rebel against reality itself. Do not be rebellious, children: react, convert, repent!

Pray My children, pray for the United States, it suffers under the weight of its actions; these will come back and fall on this nation.

Pray children, pray for the Middle East, powerful peoples rise up in collapsing alliances.

Pray My children, the cry of the innocent calls Creation to react against man, Humanity suffers increasingly harshly because of the climate.

Pray children, pray, this is the instant that warns you of the proximity of your self-examination of your works and actions.

Pray children, pray, men rise up against their governments, generating more reprisals and more pain for themselves.

I CALL YOU TO UNITE AND TO PRAY, REQUESTING DIVINE PROTECTION AND MY MATERNAL PROTECTION.

Earth is troubled, the biggest volcanoes are waking up and causing the fire cradled in the bowels of the Earth to rise up. Man is racing with time without perceiving that in his madness he is losing the greatest treasure: life and Eternal Salvation.

Beloved children of My Immaculate Heart, it is not by great and lavish acts that you attain Eternal Life, but by the humility of true surrender to My Son; this is how you make your way.

MY CHILDREN, IN WHAT IS MATERIAL THE TRUE SELF OF EACH ONE OF YOU IS UNVEILED.

DO NOT BE CONCERNED WITH WHAT IS EARTHLY, AS WHAT IS EARTHLY WILL NOT HELP YOU.

CONCERN YOURSELVES WITH THE SALVATION OF THE SOUL SO THAT YOU MIGHT ENJOY ETERNAL LIFE.

Children, you have forgotten that the body is Temple of the Holy Spirit and that when you commit sin you offend the Holy Spirit.

Children, unite, be love as My Son is Love. Stay alert; anger spreads like the wind and penetrates the less thoughtful creature, causing them to act like a child of evil.

Beloved children of My Immaculate Heart: **BE LOVE AND THE REST WILL BE GIVEN TO YOU AS WELL.**

My Love is the wall of opposition within you that prevents the devil from taking you as instruments of discord. An effort to be peace for all your brothers and sisters is a treasure that not everyone is willing to give.

MY SON IS ARRIVING IN HIS SECOND COMING AND ALL THAT AT THIS INSTANT IS ANXIETY WILL BE PEACE, BLESSING AND LOVE.

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Faced by the Word of Our Mother we feel this anguished Call of a Mother who sees further than men see. And in that Call She tells us that the devil is attentive to causing division, and knowing this, let us make the great effort of love to be better children of God.

Man may lack many things, but what is material gives him some false security and Our Mother tells us clearly that none of this will help, but only a heart that loves in spirit and truth.

Brothers and sisters, the threats of war perhaps do not tell you or cause some of you no disquiet, but it is more serious than it seems. Even so we have brothers and sisters who deny everything, although they have war itself before their very eyes.

This an instant in which we have to take steps with extreme care, because man's psyche has been altered by number of factors, including man himself, who lives altered by everything. Anger can cause a great battle or be the creator of great misfortunes. Let us ask the Holy Spirit for Wisdom to act with something that is difficult if it is not known: Love.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST HOLY THURSDAY, APRIL 13, 2017

My Beloved People:

IN THESE DAYS MY SELF-SURRENDER FOR EACH ONE OF YOU IS RENEWED, AND RENEWED IS THE MATERNITY OF MY MOTHER TOWARDS EACH ONE OF YOU ...

I CALL MY PEOPLE TO GATHER IN OUR SACRED HEARTS

I invite you to enter into the Way of My Sorrowful Passion: no one should be indifferent to this Act, My children being partakers of the benefits of Redemption and of the commitment that this entails.

In this instant, some continue with tears from the past that they have not been able to dry and in the present, clinging to the folly of the "king of the world", they forget that all My People will be placed in the scales of My Justice.

This Humanity is thirsting for sin and My People know that they need to gather around My Love and My Mercy. You have the blessing of the Sacrament of Confession, of repentance from wrongdoing, from sins, from insults and slander against your fellow men! **REPENT NOW!**

Repent, children, in this instant of ugliness in which all forms of sin that you cannot even imagine are being committed. Children, sins abound in all areas; the devil presents you with what My People should keep at a distance and places it before your eyes so that desire arises, and from desire you go to being intoxicated with bad deeds.

THEREFORE, I WISH TO WASH YOU FROM THE FILTH WITH WHICH YOU HAVE CONTAMINATED YOURSELVES: from evil steps, from perverse practices, from the blood of the innocent, from the times when you have denied My Mother's Appeals throughout the world, from the refusals of My priests to instruct and assist My children.

I WISH TO WASH MY CHILDREN FROM THE DOMINATION OF FREEMASONRY THAT HAS BECOME ENCRUSTED IN MY CHURCH, CAUSING YOU TO STRAY TOWARDS WRONG PRACTICES. Be fulfillers of

the Commandments, be more than pious, be creatures that need and like Me, creatures that like the good and love those who convey My Word to you, respecting the one whom My House has chosen.

MY PEOPLE, I WISH TO WASH ALL THE SCANDALS OF MY CHURCH: fanaticism, errors, heresies of those who consider themselves learned.

I WISH TO WASH THE APOSTATES AND THE CORRUPT, those who believe they can deceive me, those who consider themselves the owners of My Temples and who without proper knowledge, disperse My children.

I WANT TO WASH THE EARS OF EACH ONE OF YOU, THE TONGUE, HANDS, THOUGHT, MIND, REASON AND CONSCIENCE, WITH MY PRECIOUS BLOOD so that everything might be purified and so that sin might not be able to penetrate any further.

I WISH TO WASH THE HEARTS OF SOME OF MY PRIESTS IN ORDER THAT THEY LOVE ME MORE AND THAT LOVE MIGHT ABOUND TOWARDS ME.

My people, I instituted the Sacrament of the Eucharist so that they would celebrate it as I taught you through My Disciples until the end of time.

I WANT MY PEOPLE TO RECEIVE ME ON THE TONGUE AND TO TREAT ME WITH LOVE, RECEIVE ME WITH LOVE AND BE PROPERLY PREPARED.

My People:

How many of you mistreat me in the Eucharist!
How many of you profane My Blood and My Body!
How many receive Me and do not believe in My Presence in the Eucharist!

I CONTINUE SUFFERING A CONSTANT PASSION THAT REMAINS CURRENT in the constant disobedience of those who claim to love me and hypocritically kneel before Me.

Children, you do not see the consequences of your bad deeds, you maintain bad habits, forgetting Me in these Holy Days, constantly offending me with the nakedness of your bodies, with drugs, with immorality, with forgetfulness, with thoughtlessness and debauchery in every respect.

My Mother looks at you with pain, faced with My People's refusal to be faithful to Her Pleas and inconstancy regarding obedience ...

**YOU LIVE THESE DAYS AS DAYS OF FESTIVITIES, AND WHAT ARE YOU CELEBRATING? ...
DISOBEDIENCE, IRREVERENCE, PRIDE?**

You offer no sacrifice, you do not draw close to Me, you abandon Me for a few hours of pleasure. This is My People, who with loud music celebrate the memory of My Sacrifice ...

**I SACRIFICED MYSELF OUT OF LOVE, THAT WHICH YOU REJECT ...
I SACRIFICED MYSELF OUT OF LOVE FOR EACH ONE OF MY CHILDREN IN ORDER TO
BEQUEATH YOU ETERNAL LIFE.**

My People, do not reject My Mother, who is the Mother of Humanity. She walked the path along which I was taken; everywhere My Mother prostrated Herself and kissed and cleansed My Blood, carrying each one of you along with Her, making reparation for each one of you. Her sorrowful, almost breathless Soul offered up Her sorrows on behalf of each one of you.

**HOW MUCH DISOBEDIENCE OF MY PEOPLE TOWARDS MY MOTHER'S REQUESTS
WHICH ARE THE DIVINE WILL, AND HOW MUCH PAIN YOU WOULD HAVE AVOIDED IF OBEDIENCE
HAD BEEN ACCEPTED AND MY MOTHER LISTENED TO!**

Man is moving towards his encounter with pain, the same as he is sowing on Earth, the same pain that power is preparing in order to reduce the number of My children on Earth. Global power decides which of the domains in which man moves will be the next victim of his wiles. **I AM COMING OUT OF LOVE AND I FIND THE EARTH DOMINATED BY A POWER THAT IS PREPARING TO HAND MY PEOPLE OVER TO THE CRUELLEST OF PAINS.**

The sun is constantly illuminating the Earth, more so at this instant than at others, but this is not good for man who exposes himself to its rays for hours, yet warning this generation of what harms, it is like telling it: "do it in order to harm yourselves."

My People, war is alive on Earth, it goes from one place to another and most of Humanity lives its own life in the constant personal war for irrational enjoyment. War is not a shadow but a reality, do not continue being careless, be cautious and forewarned. Do not forget that disease will become a plague when it is sent through the air.

EVIL FACES MAN WITH TEMPTATION AND MAN FALLS WITHOUT YOU MAKING REPARATION ... I SUFFER FOR THIS: SOULS ARE LOST AND EVIL REJOICES.

Pray, My children, pray for the Middle East, enmity grows among the peoples and they harm one another forcefully, just as they raise their voices forcefully.

Pray, My children, pray for Italy, it will mourn at the shaking of the earth.

Pray, children, for the United States, a constant wave of events will keep this nation in a state of alarm.

Pray for My children, pray for Russia, it will choose and its choice will be the great discord that will incite men against others, causing irreparable damage.

Pray for Argentina, tension rises and My children bend their knees: this people suffers.

My People:

I AM COMING OUT OF LOVE FOR EACH ONE OF YOU. How many are coming towards Me with love?

I BLESS MY PRIESTS, whom I constantly call to humility.

I HAVE CALLED MY PEOPLE TO RESPECT ME AND LOVE ME in the Blessed Sacrament.

I CALL ON MY PEOPLE TO LOVE MY MOTHER, but My Temples will be ransacked and some of My faithful priests will be put to death for loving Me.

My people of Venezuela are crucified anew.

My People, a body is approaching the Earth from space; it will be a cause of pain for My children. Volcanoes start erupting.

Remain strong, be sincere with yourselves, and I will guard you as the **GREAT TREASURE OF MY HEART**.

MY PEOPLE WILL NEVER BE ABANDONED, NEITHER BY ME NOR BY MY MOTHER NOR BY MY FAITHFUL PRIESTS whom I carry within My Heart as a burning flame of Love to save souls.

I WILL BE WITH MY PEOPLE AT ALL INSTANTS, attentive to their needs if they fulfil My Will.

Be strong, firm and determined in all your actions, in all your works, **BUT ABOVE ALL, BE MY OWN LOVE TOWARDS ALL YOUR BROTHERS AND SISTERS.**

This generation needs to know My Love and to be filled with My Love so that it might blossom. Convert before evening falls.

I love you, I bless you. Unite with Me.

MY LOVE IS POURED OUT THROUGHOUT THE EARTH FOR THE BLESSING OF THOSE WHO WANT TO UNITE WITH ME.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

Our Savior appeals directly to our conscience so that we might be those children for whom He gave Himself, those who accomplish His Will.

At this instant in which Humanity is descending into violence and has gone from the violence of words to the violence of deeds, without thinking about the crucial responsibility of coming to the point of using arms that can end with this Humanity's life in few minutes.

Just as man has advanced in every aspect, he has become dehumanized and has lost sight of the scope of the use of weapons that cause so much harm to Humanity, especially the innocent, to children.

In these Holy Days, Christ calls us to accompany Him, since His pain increases as offenses against Him increase. Man lives in a state of agitation that keeps him blind and deaf, holds back his heart and hardens it. This is not new; what is new is that man is punishing himself and is not afraid that this will come back against him. This is new because the enemy of the soul has seen to it that the one causing harm feels that he or she can never suffer.

Brothers and sisters: during these days and the rest of our lives, let us raise up and give more love to Our Savior, knowing that, as Our Mother has told us, Humanity is hanging by a thread, just a thread ...

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY EASTER SUNDAY, APRIL 16, 2017

Beloved children of My Immaculate Heart:

I BLESS YOU WITH MY LOVE, WHICH I SHARE WITH EACH ONE OF YOU, BELOVED OF MY HEART.

I rejoice in each Our Father, in each Hail Mary prayed with the heart and with the awareness that without the Most Holy Trinity man is nothing.

I rejoice in My children's repentance for evil deeds or works, since you then turn to My Motherhood with greater awareness and allow Me to help you and bring you closer to the path of Salvation.

You celebrate the commemoration of the Resurrection of My Son. **IT IS THE CELEBRATION OF DIVINE LOVE FOR EACH OF HIS CHILDREN.**

Divine Love causes you to be reborn like newborn babes that are defenseless unless someone protects them, it causes you to be reborn in your hearts, to be reborn in your senses, to be reborn in your work and action, to be reborn in your thinking, to be reborn in your feelings, to be reborn in your conscience and to be reborn in your mind.

My Son's People are privileged, they are guided through the Divine Word and continue being guided through the explanation of the Divine Word in order that they might not be lost.

YOU HAVE PARTICIPATED IN THE TERRIBLE PAIN WHICH MY SON SUFFERED AND CONTINUES TO SUFFER, AND YOU ENJOY THE VICTORY OF THE RESURRECTION, AS A SIGN THAT NOTHING OVERCOMES THE MOST HOLY TRINITY, BUT THERE IS NO VICTORY WITHOUT A CROSS.

Whoever wants to shorten the path will find themselves facing a cliff, since the life of My children is in retracing the steps of True Love, and it is through this Love that My Son teaches His own to come to Him through the work of Love.

My Son provides good ground for you to germinate and give the fruit of love, the fruit of obedience, the fruit of patience, Charity and Hope, without changing, although instants may change or be contrary to expectations; although the environment may be different and the climate unthinkable, the good seed germinates, grows and fills with joy whomsoever looks at it, while it shares the attributes gained along the way.

Each one of you is a field of good soil and makes wheat or weeds grow in that field according to the free will that every human creature possesses. He who has known how to cultivate the good wheat delights in his Lord and his God, because everything is for Divine Glory. He who has desired to cultivate the weeds and has not obeyed when we have called him to change the way of sowing his field becomes a fool, he ignores the continual signs placed before him so that he changes; he does not want to be consoled but clings to his loneliness.

BELOVED CHILDREN, BE PERSEVERANT, KEEP LOVE AMONG YOU, BE BRAVE, FIRM, KEEP HOPE BECAUSE THE HARVEST IN WHICH YOU WILL BE EXAMINED BY YOU YOURSELVES IS NEAR.

Creation sings Divine Glory and man sings in honor of his own enemy, of disunity, of stubbornness, envy, thoughtlessness, lack of mercy, like a deaf and blind creature that follows the tentacles of evil.

In Creation, everything goes through a cycle and that cycle is dedicated to fulfilling the Divine Will for which it was created. Man takes the strength he has received from the Divine Hand to glorify God or to serve evil.

Beloved children of My Immaculate Heart:

AWAKEN YOUR FAITH! IT IS NOT AN INSTANT FOR CONTINUING IN UNBELIEF, IGNORANT OF THE SERIOUSNESS OF THIS INSTANT IN WHICH MAN IS DETERMINED TO SHOW HIS FORCE AND HIS POWER, FORGETTING THAT HE IS A CREATURE OF GOD AND NOT A CREATURE OF EVIL.

The evil one, the enemy of the soul, the devil or Satan, has usurped in the most vile manner that which is not his, he has usurped what does not belong to his nature, he has usurped the human soul and degraded it, forming men far from God and hungry for greater evil. It is in this struggle, in the search for supremacy where the devil attacks man in order to lead him to desire what is not his and thus to vilify his brothers and sisters. Man has constructed a path of pain, he has constructed weapons that he will use as a sign of power. Man does not construct what he will not use, but what he believes will give him greater glory and greater power.

In this instant, the devil is tracing out Humanity's path, the painful path caused by man's struggle against man himself.

You, beloved children, are a blessed generation, you have been warned of all that looms over Humanity so that you might take a different course, but it has not been so. With the refusal of the explanation of the Word of My Son and of My Motherhood, which by Divine Will is not silent, the devil has been allowed to act forcefully upon My children, so that they might rejoice when alluding to an incomprehensible religion because it asks the sinner for repentance and respect and fulfillment of the Divine Law.

Beloved children of My Immaculate Heart:

THE INSTANT IS RUNNING OUT, I INVITE YOU TO PONDER WHAT I HAVE TOLD YOU, I INVITE YOU TO PRAY IN ORDER TO DISCERN THAT THE THINGS OF THE WORLD PASS, THEY ARE EPHEMERAL; THE THINGS OF HEAVEN DO NOT PASS, THEY OFFER YOU ETERNAL LIFE.

Do not forget that in the days of Noah men bought, sold, drank, mocked Noah, but then came the Flood and made them perish in disobedience.

At this instant, how many of you are living in darkness! ...

How many do not want to listen! ...

How many prefer ignorance out of convenience to Truth for their salvation!

How many of you have devoted yourselves to prayer, to uniting with My Son, to truly knowing Him in order to enter into My Son's work and action!...

Children, I warn you not of Divine wrath, but the wrath that has blossomed in man and has borne fruit. Our prophet does not warn you of her own accord, but in obedience to the Divine Will, and you disobey ... What will happen?

At this instant I call you to repentance before man makes Humanity weep, lament, and burn his brother's skin and enjoy it – as he is doing, but with greater intensity.

My Angelic Legions look at Humanity with deep grief; how they would like to intervene in order to stop so much pain! but they cannot intervene. Their prayers for Humanity are continuous, they continually touch hearts, continually speaking to the heart of man, without ceasing they remain constantly by man's side.

My children, banish anger, do not allow anger to take hold of you, anger has taken a dominant place in the human creature at this instant. Anger is the sword of satan, anger overcomes men, anger destroys union, anger destroys homes, anger is satan's poison against Humanity.

**BANISH ANGER, MY CHILDREN, BANISH ANGER FROM YOUR LIVES...
DO NOT ALLOW ANGER TO INVADE YOU. MY SON TESTS PATIENCE IN HIS CHILDREN.**

Pray, My children, pray for the Middle East, steps accelerate and the turmoil is growing.

Pray, My children, pray for the United States and Russia, they are bringing their allies closer to the war that had already begun; in this instant war continues advancing.

Pray, unconscious man will succumb to his own pretensions.

Pray, My children, pray, the earth shakes with greater force on several continents.

Pray children, pray for Argentina, its people will weep.

Pray My children, pray for each person to repent of their mistakes before night falls.

Pray for France, it will weep.

Beloved children of My Immaculate Heart, keep in mind that the instant will come when all you possess will be contaminated by the evil deed of man who has used science for evil. Do not despair, for My Son will provide you with the necessary food.

**RESURRECT WITH THE GOOD AND ALL BE MY SON'S.
MY WOMB, ARK OF SALVATION, WILL KEEP YOU PROTECTED.**

I love you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

The Divine Word tells us: "I have not come to call the righteous but sinners" (Lk 5:32). On this day, He tells each one of us His children: "**COME OUT OF THE TOMB!**" - the one that each person has within him/her and that stops him/her from advancing.

Everything continues to advance by leaps and bounds, the instant passes before man's eyes without man being aware of it. Evolution continues and man has made great progress in some aspects and regresses in others, above all in the Commandment of Love.

WE CELEBRATE THE TRIUMPH OF CHRIST OVER DEATH ...

At this instant, our Mother calls us to rise from all that detaches us from Christ, from our neighbor, our environment, but above all from everything that separates man from Christ.

Let us be aware of what is happening in the world and let us not be indifferent to what is making all of Humanity suffer. Let us not forget that death is within each person, when evil invades man and the latter is separated from union with Christ. The Resurrection is for those who are alive, for those who decide to reacquaint themselves with the "Way, the Truth and the Life" (Jn 14,6).

Brothers and sisters, our Mother warns us because She speaks to those who are alive, to Her children so that they might remain attentive and open to the Salvation of the soul.

We are part of this generation; let us meditate on all that our Mother has revealed in all Her Apparitions, so that we might keep hold of Her Hand and not be separated from Her Protection.

Let us pray, let us walk, let us unite as the People waiting for the Second Coming of Our Lord Jesus Christ.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST APRIL 19, 2017

My Beloved People:

**IN THE UNITY OF OUR WILL, I CALL YOU TO PREPARE FOR THE DAY THAT MY PEOPLE HAVE
DEDICATED TO THE CELEBRATION OF MY MERCY.**

What do My People have to celebrate?

The triumph of Life over death ...
The triumph of Obedience over disobedience ...
The triumph of Love over the lack of love ...
The triumph of Piety over impiety ...

Humanity does not live in triumph, it does not live the victory of the Light over the shadows, but continues living in the valley of death.

I CAME TO SAVE YOU AND HAVE NOT LEFT MY PEOPLE; I stay to save you and I continually send you the Assistance necessary for you to overcome evil. This is not happening in this generation because of the ignorance of My Love and this generation's unbridled surrender to evil.

I LOOK TOWARDS THE EARTH, AND THERE ARE SO MANY HUMAN CREATURES LIVING IN A CONSTANT SADNESS AS THEIR LIVES PREVENT THEM FROM EVEN THINKING OF OR WANTING TO GET AWAY FROM THIS STATE, WHICH BECOMES DEPRESSIVE. And so it is that sadness easily arises in man and is difficult to eradicate - do you know why? Because sadness in some cases conceals an element of anger. Sadness arises for some reason and often diverts your attention being born of the anger that has caused what you do not understand, what you do not overcome, what you have not been able to achieve, what displeases you or that you do not share, outside of the feeling of sadness at injustice, aggression, the killing of the innocent and more ...

Within an attitude of sadness there can be a state of passive anger if you do not live in My Will - passive when you are confronted by the death of a loved one, when disease arrives and you find no explanation because there is none. Deep down within the human being there is a state of passive anger when you do not live sadness immersed in My Will, which contains no trace of anger.

Thus, man has gone from a state of passive anger to a state of active anger. At this instant, everything occurring around man causes him to fall into states of anger, and these are so frequent that man has not the slightest notion of these constant states of anger, since they become a growing habit that deploys itself against his brothers and sisters.

My Beloved People, you must eradicate this living in a state of constant sadness; with it the enemy of the soul introduces not only anger but anxiety, despair and everything that causes you to fall so that you do not become aware of the impasse in which you find yourselves and do not approach Me.

FROM YOUR BROTHER AND SISTER, YOU RECEIVE THE REACTION TO YOUR ACTION. Each of you generates light or shadow, each one projects before his/her brothers and sisters what he/she wants them to see; so it is that man lives in unreality when he does not project true life towards his brothers and sisters, but projects a mask of what he really is.

With this lack of Truth the enemy of the soul has introduced disrespect, intrigue, and incredulity with great ease and cunning into today's society, and that is why My children do not trust their brothers and sisters. My children, this lack of trust has been very carefully sown by the devil so that man distrust everything: his brothers and sisters, his family, his work, his well-being, My Word, My Love, and finally, because of so much distrust, he would deny himself Salvation.

My People are not strangers to the reality in which they find themselves at this instant. **SOME DO NOT WANT TO ENTER INTO THE UNDERSTANDING OF EVENTS THAT ARE NEAR FOR FEAR OF FACING THE TRUTH. THIS, CHILDREN, IS NOT GOOD: YOU SHOULD NOT DENY YOURSELVES THE**

CONTEMPLATION OF REALITY. The senses tell you that all is not well with your external surroundings, but the human ego says: "I do not want to know about what is happening to Humanity". This denial limits My children, because the one who lives in denial limits himself in time and space.

My children who remain attentive to My Appeals remain attentive to everything around them and prepare appropriately, especially in the spirit.

EACH ONE OF YOU, MY CHILDREN, IS PART OF THE HISTORY OF SALVATION:

TO THE EXTENT THAT YOU ARE GOOD, YOU GENERATE GOOD; TO THE EXTENT THAT YOU ARE EVIL, YOU GENERATE EVIL.

My call to conversion is urgent, My children. Do not forget that you have bodily senses, yet you are not only flesh, but also soul and spirit, which is why you have spiritual senses and must make use of them so that the senses of the body might be different and unite with Me and want to do good.

My people, do not continue to live according to your own selves, how you would like everything to be, because that would be a lie, and living in the lie is to deprive yourselves of the opportunity that I offer you to attain true life and life in abundance.

I HAVE CALLED YOU TO LIVE MY WAY, and how many refuse out of distrust?

YOU REMAIN IN A CONSTANT IMPASSE BY NOT LIVING IN MY WILL. Man is corruptible, and a great poison of that corruptibility is the fact that he constantly tries to find spiritual answers within a man who is not spiritual, within a man who offers Me prayers without these being impregnated with love, surrender, obedience, humility, faith and hope.

MY CHILDREN, I BLESS YOU FOR EVERY PRAYER THAT YOU OFFER ME: THEY DO NOT GO UNNOTICED. This generation must redouble its efforts to overcome what you must face, and prayers must contain all the necessary ingredients so that they not only reach the Father's House, but also make you transcend your own selves.

MY PEOPLE MUST BE A PEOPLE WHO WALK IN MY SPIRITUALITY, ACTING AND WORKING IN MY WILL, IN ORDER THAT YOU MIGHT BE FIRM AND DETERMINED DOERS OF WHAT I ASK OF YOU.

What will become of children who distrust their parents?
What will become of the People who distrust Me?

I ask you to walk along the path I have laid out for you and have walked for you beforehand ... Even so you do not obey, you resist, refuse and make your own decisions.

I WANT YOU TO FOLLOW ME IN FREEDOM AND FIND THE SATISFACTION OF LIVING CONSTANTLY FROM THE GOODS WHICH I GIVE TO THOSE WHO FOLLOW ME.

My People, if you could look at the path you are taking, you would be afraid of carrying on where you are going, because you would be afraid to walk in the human will and of the latter causing you to fall into evil.

My Beloved People, look within yourselves in spirit and truth before you are examined by yourselves. The Warning, My children, will give you the grace of examining yourselves: you will see and feel the weight of what you have done wrong in your lives and will see and feel the weight of the good that you have not done in your lives.

THIS IS THE GREAT ACT OF MERCY WITH WHICH MY FATHER TELLS THIS GENERATION: "COME, FULFILL MY WILL". No human creature will be able to exclude itself from that instant; the innocent will be taken in the arms of My Angels in those instants, so that they do not suffer.

My Beloved People, because of the anger of man who does not understand himself since he is not in control of himself, Humanity will suffer the great scourge resulting from anger and evil's dominion over man. Some do not believe that evil exists; they will lament so much when the evil one stands before those children who do not believe that man is able to serve him and execute the orders of evil.

Within those human creatures who live far away from Me, evil infiltrates and is growing like a tree to which fertilizer is being added every instant. Man is not aware of the depths at which evil encrusts itself in order to cause all possible division, all possible intrigue, all possible mistrust, all possible separation ...

HUMANITY IS GOING THROUGH THIS INSTANT LOOKING AT ITSELF, ITS EFFORTS, STUDIES, WORK, POSSESSIONS, DESIRES, PROJECTS; AND THIS IS GOOD, AS LONG AS THESE DO NOT HOLD YOU BACK ON THE WAY TO ME, NOR CAUSE YOU TO KEEP ME IN THE LAST PLACE, NOR WHEN YOUR INTERESTS ARE SO GREAT THAT YOU DO NOT LISTEN TO MY VOICE.

Do not forget the time of Noah: everyone drank, ate, they did work and other things, and they made fun of Noah, they called him crazy, they distrusted the reasoning of this man who was preparing how to save his family and was suffering for those who would not be saved. Then when the rain came and did not stop, they ran towards the ark and could no longer enter it. That generation perished.

My Beloved People, this disobedient and idolatrous generation finds itself facing an escalation of violence from which it will not be able to escape. Evil is leading the great powers as these will give it human creatures for enslavement and subjection to its orders.

The tentacles of evil have enslaved older men, and older men have given to youth the creations of those tentacles, and adults have given to children what technology has created by order of the tentacles of evil. This generation moves in a circle of vices, all on behalf of evil.

Some are waiting for the appearance of the tentacles of evil; these have already stopped being tentacles and have become weapons of evil with which it has dominated Humanity.

**THE ANTICHRIST WALKS IN YOUR MIDST AND YOU DO NOT RECOGNIZE HIM...
BECAUSE YOU HAVE BECOME FAMILIAR WITH EVIL.**

My Beloved People:

YOU WILL NOT BE KEPT FAR FROM MY PROTECTION, I WILL SEND MY ANGEL OF PEACE, MY ENVOY, SO THAT HE HELPS AND ASSISTS YOU IN RESISTING THE TERRIBLE AGONY IN WHICH THE ANTICHRIST WILL PUT MY PEOPLE.

You will listen to Him and every Word of his will be a balm for the soul of My children.

My Beloved People, as in the past you did not heed My faithful Pastors who spoke to you with Truth, so you disregard and deny My prophets, deny My true instruments and accept those who deny what you have before your eyes. My poor children, how blind you have become!

Pray My children, pray for the United States, it will bring pain to My People. It will suffer through Nature and by those who are not its allies.

Pray My children, pray for Russia, it suffers because of terrorism. Pray; it does not make the right decision.

Pray My children, pray for North Korea. This People will suffer to the core.

Pray My children, pray for My children of Venezuela, they will suffer in order to be free.

Pray My children, pray for Jamaica, Nature will purify it.

The Earth will continue to shake and erupting volcanoes will be a source of pain for My children. Peoples in turmoil rise up in anger. Humanity remains in tension and this is increasing.

BE THOSE WHO SEEK MY LOVE, BE FAITHFUL, DO NOT FOLLOW SOCIETY WHICH DOES NOT UNDERSTAND ITSELF. CHILDREN, I HAVE GIVEN YOU EYES, DO NOT CONTINUE BEING BLIND, LIVE THE INNER LIFE.

My Beloved People, whatever pain comes to you, offer it up, assist one another, evil scourges My own. Unite, keep your faith in My Protection and in the Protection of My Mother.

Pray to My Mother, come to receive Me worthily prepared, consecrate yourselves to Our Sacred Hearts, go back to praying the Holy Trisagion: it is a balm for Our Trinity.

Beloved children, man must be warned and protect himself.

I ASK YOU TO PRAY IN SEASON AND OUT OF SEASON. BLESS ONE ANOTHER, BLESS WHAT HAPPENS TO YOU.

I love and bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

**MESSAGE FROM OUR LORD JESUS CHRIST
APRIL 22, 2017**

My Beloved People:

I BLESS YOU WITH MY MERCIFUL LOVE. YOU WALK WITHIN MY MERCY; I SEEK YOU, YOU ARE MY MOST PRECIOUS TREASURE AND I DO NOT WANT ANYONE TO BE LOST, ANYONE.

I alert you, warn you, encourage you to battle against temptation, to overcome it and to be perseverant.

**MY MERCY KNOWS NO LIMITS: NEITHER RACES NOR LANGUAGES ...
I LOVE ALL MEN AND WOMEN, I CALL ALL TO CONVERSION ...**

I forgive those who repent and who with firm purpose of amendment are doers of Our Will. I welcome the penitent, the one who humbles himself/herself to serve Me, who becomes small without being interested in the honors of society.

I wait with all My Love for those who turn away from the darkness into which they have plunged themselves, then I enlighten them so that they might understand that those forms of darkness are, at the same time, physical. Clouding your intelligence, they blind you and you are paralyzed without knowing how to get out to find My Light.

Humanity is walking in a thick darkness that obscures what is spiritual and opens up to what is material so that you quickly welcome what is not of Me.

My Mercy is infinite by which you live with the free will that has been given to each person. **NOTHING IS YOURS, YOU ARE ONLY MY ADMINISTRATORS, AND I WILL ASK YOU: WHAT HAVE YOU DONE WITH WHAT I HAVE GIVEN YOU?**

My Mercy is Justice; for love of those who are Mine, I will not give the just the same as the one who does not repent out of folly or for having chosen to take shelter within and to form a part of the ranks of evil.

EACH PERSON CHOOSES OF THEIR OWN FREE WILL WHICH WAY THEY WILL GO.

MY MERCY GIVES EVERYONE WHAT THEY NEED TO DRAW NEARER TO ME AND TO ENJOY THE BENEFITS OF MY HOUSE. MY CHILDREN KNOW THAT I WILL COME LIKE LIGHTNING AND ALL WILL REMAIN SPEECHLESS, UNTIL MY OWN RECOGNIZE ME, AND THOSE WHO HAVE NOT OBEYED WILL HAVE NO IDEA OF WHAT IS HAPPENING.

Beloved children, at this instant My children need to receive the blessings of My House and before the events that are so close, on finishing the Novena of Mercy on the day of the Feast of My Mercy, I will pour out upon My children who are in a proper spiritual state of Grace and have been faithful, and who with a contrite heart have asked Me for it, a special grace. If it is for the good of the soul, they will receive it.

TO MY PEOPLE I WILL GIVE THE GRACE OF FIRMNESS IN THE FAITH if nine days before Pentecost you pray and entrust yourselves to Me every day of this Novena, with body, soul and spirit unified in love, with dedication, surrender, with awareness and having turned away from what is worldly. Not only is the requirement to remain in that state of peace, grace and inner love those nine days, but the rest of your lives.

My beloved People, the chastisements are drawing near every instant to meet man; war advances slowly and, I might say, even with fear. The suffering of man is decreed by men and I suffer for this. My Love is Infinite and I do not want My children to suffer. Human rebellion has managed to surround Humanity itself without you being able to walk away: on the contrary you are joining that rebellion against Me, and in this, the one who is gaining great advantage over souls is the devil himself.

Water is a purifying element: it will be abundant on the Earth. You know that water is a sign of purification and the Earth asks for water to purify it from so much evil that man makes fall upon Her, especially from the blood of the innocent that is increasing each instant.

Beloved children, you do not accept My Calls. Scholars mock the explanation of My Word and take every sign of My Presence in the midst of you as something outside of My Omnipotence. Ah! I will look these creatures in the eye who call themselves the owners of My Word ... **I DO NOT DENY MYSELF TO MY PEOPLE AND I USE ALL THE RESOURCES OF MY LOVE TO ENCOURAGE SINNERS TO COME TOWARDS ME IN ORDER THAT THEY MIGHT CONVERT.**

Do you not see how the most unthinkable and infernal passions have taken hold in Humanity? ...
Do you not see how this Humanity has accelerated away from Me, disrespecting Me, entering My Temples to commit aberrations and sacrileges? ...
Do you not see how they have taken My Temples for holding recitals of secular music, and they keep Me within the Tabernacle where I am a Prisoner in the face of such offenses?...

**IT IS THE FEAST OF MY MERCY - YES, CHILDREN, OF MY FORGIVENESS ...
BUT NOT OF THE JUSTIFICATION OF SIN, NOR OF SACRILEGE.**

I see some of My children entrenched in strategic positions in order to be able to confuse My own, I see them denying everything without stopping to study properly what is Mine and what is of the evil one. Denial is the easy way to evade the responsibilities that each person acquires according to his/her state.

Our Trinity is Love, the Love that you do not know, so much so that My Father sent Me to give Myself for you, taking on your sins.

WE ARE LOVE, SO MUCH SO THAT YOU WILL NOT BE LEFT ON YOUR OWN FACING SUFFERING. MY MOTHER AND THE MOTHER OF ALL PEOPLE, WILL CONTINUE GUIDING YOU SO THAT YOU DO NOT SUFFER IN SOLITUDE, AND THEN MY ANGEL OF PEACE WILL COME TO GIVE YOU THE PEACE THAT THE ANTICHRIST WILL TRY TO STEAL FROM MY PEOPLE.

I will not leave you on your own as I see you being continually besieged by the devil and his followers, and by the wrath of man himself that evil is causing to rise like yeast within Humanity. You are besieged, children, very much besieged and stealthily pursued by the wiles of evil in order to make you fall into sin.

The evil of rebellion has been poured out upon the nations, so that, in the midst of the fury of the protests and upheavals, men would rise up against their own brothers and sisters.

I HAVE ASKED VARIOUS LEADERS TO CONSECRATE THEIR COUNTRIES TO OUR SACRED HEARTS IN ORDER TO FREE THEM OR MINIMIZE SOCIAL UPHEAVALS, BUT I HAVE NOT BEEN HEARD OR TAKEN AT ALL SERIOUSLY, SO PROUD IS MAN. THUS NOT ONLY WILL THE ONE WHO DOES NOT LISTEN TO ME HAVE TO SUFFER, BUT ALSO HIS/HER PEOPLE.

Argentina, land of great saints, how I have looked at you, and you have not listened to Me!

My People, my beloved People, I grieve for you who suffer. Persecution on a larger scale will not be long in coming.

MY FAITHFUL CHURCH WILL SUFFER: FREEMASONRY IMPOSES LAWS AGAINST MY WILL.

I grieve for the temples that will be destroyed by debauchery and injustice. Therefore, My children, prepare yourselves properly, change your lives, resume the true path. Come to Me; each person will see himself/herself, everyone personally, and everyone will see how much they have loved Me, how much they have loved their brother and sister, how much they have built and how much they have destroyed ... Each person will examine himself/herself in Love.

My People, life is the Gift of Our Love, therefore I call on you who live to attain Salvation, I call you to love as I love you. And for this I need creatures who wish to attain the Benefits of My House, creatures with firm intention, creatures who are ready to forgive, creatures **WHO ASPIRE TO AN INTIMATE LIFE BESIDE ME SO THAT THEY WOULD NOT ONLY BE RELIGIOUS BUT FULLY CHRIST-CENTERED, AND SO THAT I MIGHT GIVE THEM MY BENEFITS SO THAT THEY LIVE ENJOYING MY LOVE AND ACCOMPLISHING MY WILL.**

Pray My children, pray for France, the fear of its inhabitants will continue, terror and hatred give no rest. This Nation suffers *ipso facto*. The Hill of Montmartre will be taken and My Sanctuary of the Sacré-Cœur will be trampled, desecrated and then destroyed; I suffer for it.

Pray My children, pray for the Middle East, the turmoil is fiercer and My children suffer mercilessly.

Pray My children, pray for those who do not believe, who do not love Me and scorn My Mother.

Pray My children, pray, the United States shakes.

Pray for Chile and Ecuador, the earth shakes forcefully.

My Beloved People, My Mercy alerts you: you have to live closer to Me, entrust yourselves to My Most Holy Mother, request the company of My Archangels and the Angels who accompany you. Do not continue living on your own. The antichrist is preparing its silent arrival.

MY PEOPLE SUFFER, THEY ARE PURIFIED, AND THIS BEGGAR OF LOVE WARNS YOU AND CALLS YOU TO COME TO ME.

My Beloved People, listen to the explanation of My Word.

**I BLESS YOU WITH THE GIFTS OF MY MERCIFUL LOVE.
I DO NOT WANT YOU TO BE LOST.
MY MERCY IS Poured OUT UPON HUMANITY; EVERYONE EITHER TAKES IT, AS IS MY WILL, OR
IGNORES IT, AS SATAN WISHES.**

My Love is for every one of you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

On this Feast of Divine Mercy, we must give thanks for so much Love that we have received and thank Our Mother, who, being Mother of Divine Mercy, intercedes for each one of us.

Christ once more emphasizes the need for a radical change in each one of us, and as He tells us: an urgent change out of Love.

He anticipates events for us so that we might see the scope of what is approaching Humanity, a product of the misuse of free will.

From Our Lord Jesus Christ we receive kindness, mercy, benevolence, forgiveness, but humanity, engulfed in its own turmoil and in its own desires foreign to the Divine Will, continues striving to distance itself from the Divine Word.

Let man not tempt God by intending to destroy what is Divine Creation.

Let us not forget the words of Jesus to Sister Faustina.

"Whoever does not want to pass through the door of My Mercy must pass through the door of My justice." (Diary 1146)

**MESSAGE FROM OUR LORD JESUS CHRIST
APRIL 29, 2017**

My Beloved People:

MY HEART OVERFLOWS WITH LOVE FOR MY CHILDREN.

Every human creature that constantly keeps me in their life is that Treasure for which My sacrifice constantly continues to perpetuate itself.

I do not turn away from any of My children. At this instant I am closer to everyone so that they accept conversion in a radical way.

You cannot be lukewarm, but at this instant less so than in others.

Beloved, describing the time to come for you, with pain I see these developments for Humanity.

Evil will accelerate in the final instants of the instant and the action of evil will be greater in order to keep My People from My side, confusing them everywhere and in all the areas in which it can influence the life of man, and in the environment in which each person finds themselves: social, political, educational, religious and economic.

My children will find their faith weakened by the constant to and fro of all the worldliness that will have taken total control of the means of communication, thus imposing a continual to and fro of ideas, styles, tastes and thoughts, trapped by everything that is contrary to My Will.

Evil will weigh more heavily and the good will be less known. The interaction of evil with man will lead man to regard evil as something natural, and therefore he will not detect that evil because the devil has crushed conscience in man so that he will not be able to distinguish what would lead him to lose the Eternal Life.

Not all men will have given themselves over to evil, but those who are strangers to My Love will be so many, that they will not want to know of My Temples, nor My Images, or My Words. Therefore, **WHOEVER WANTS TO STAY CLOSE TO ME WILL ALMOST HAVE TO LOVE ME IN SECRET.**

That is why I call you insistently to go within yourselves and meet with Me, because you have to grow spiritually now! Otherwise you will not find out how to grow in the midst of the great harassment to which you will be constantly subjected by the forces of evil.

THE LAW OF MEN WILL NOT RESPECT THE DIVINE LAW.

MAN WILL BE EVEN PROUDER, CONCEITED, AND WILL FILL HIMSELF WITH FALSEHOODS IN ORDER TO CONTINUE IN LUST, UNTIL HE WILL FIND HIMSELF DRUNK WITH EVIL, SEEING THE GOOD AS WRONG, AND WHAT IS WRONG AND INDECENT AS GOOD.

I see My children strangely dressed: men dress like women and women use men's wardrobe; they have lost their modesty and do not know what shame is. This is a Humanity that has gradually been regressing in values and good sense; it is not strange that there should be crisis within it. Humanity will come to know that the devil has power over the highest positions in the world: great thinkers tell humanity not to listen to Me, great scientists have given dangerous weapons to the powers for them to use and intervene by threatening to destroy much of Humanity, thus entering into an escalation of tensions that will culminate with the use of arms that will reduce the world population. You will look at one another and not recognize each other. Each person will look like a leper, the skin will be reduced to nothing and pain and weeping will creep across the earth because of the continuous stream of poisonous air.

In this instant man's heart is like stone. **I GRIEVE AT THE FAILURE TO MAKE KNOWN THE COMPLETE MESSAGE THAT MY MOTHER GAVE IN FATIMA, SINCE IT IS SO PAINFUL BUT SO TRUE THAT, HAD MY CHILDREN KNOWN ABOUT IT, IT WOULD HAVE CHANGED MAN AND THE LATTER'S DESTINY.**

In the face of man's repeated disobedience, there will come defeat, looting, destruction, anguish, horror and famine everywhere. The few who are not prey to this should raise their gaze to Heaven and pray, remaining centered on Me, otherwise the vandals will seize them, for the evil one is constantly bringing conflict among My own, sowing discord, planning in the most minute detail in order to pre-empt some good action by My People.

My people, pride will come and take hold of all nations; the most powerful will use power to fight the less powerful nations, earth will tremble, hell will rejoice in seeing My children taking one another's lives like animals.

Humanity will not want to know about this or anything that would make him lose sleep; this is why it is easier for evil to enter and do what it wants with My children. Man's foolishness causes him to fall and injure himself. Friendly nations will be great enemies, they will rise up against one another, doing evil without remorse.

Children, know that war has been started and that it will be slow. But the spiritual warfare with which evil has eaten away the heart of man will cause him to forget that he is My child, and Humanity will burn with the desire to attack one another, since evil has poured out its anger throughout the earth in order that Love be banished from hearts.

The great error of this generation will touch what is Mine. Luxury and personal comfort coupled with a lack of faith has entered the very heart of Christendom.

How forgetful My Church has become; how I am constantly desecrated! And the eyes of the curious celebrate it out of ignorance, in the constant maintenance of anti-Christian ideologies supported by the masonic hordes that hold power.

MY PEOPLE, I MISS YOU: YOU ARE SO FAR AWAY FROM ME THAT BEING ACCUSTOMED TO EVIL HAS CAUSED YOU TO FORGET ME.

I am a God of Mercy, but out of Love I must allow man himself to continue in his free will, doing what will lead him to the greatest pain that Humanity has ever faced. **YOU NEED TO PURIFY YOURSELVES IN ORDER TO RECOGNIZE ME AGAIN.**

Pray children, pray for man to repent.

Pray children, pray for United States, pride comes back against it, Nature will cause it to suffer.

Pray children, pray for North Korea, pride will bring it to grief.

Pray children, pray for France and Italy, Nature will surprise them.

My people, you will be alive on earth but the latter will lament even more over decadent Humanity and will shake continually.

MY BELOVED PEOPLE, STAY BESIDE ME, EVEN THOUGH THEY LOOK AT YOU WITH RELUCTANCE, EVEN THOUGH THEY CALL YOU CRAZY, CONTINUE AGAINST THE WORLD'S CURRENT, CONTINUE BEING THAT HOLY REMNANT OF MINE WHO LOVE ME INASMUCH AS THEIR BROTHERS DO NOT LOVE ME ...

Be more spiritual, be more spiritual, do not continue with the tatters of the past: be children renewed in the spirit of Truth.

"HEAVEN AND EARTH WILL PASS AWAY, BUT MY WORDS WILL NOT PASS AWAY" (Mt. 24:35)

I bless you with My Love.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Within the Divine Love where time and space are indeed reduced to Love, I feel Christ's ardent desire to keep us within His fold.

As the Great Shepherd he sets before us the whole panorama in which we are living so that each person sees their existence and at the same time their own square meter and those who are beside them, and so that they might realize that we are priests, prophets and kings, and as such let us remain united to each one of those

aspects that are so relevant, yet which man has passed by unnoticed and at the same time has not put into practice in order to raise up the good in Humanity.

In this instant man is living in constant tension, Humanity is living in constant tension, and therefore the result of what is occurring is disorder in thoughts and actions.

Brothers, evil remains lurking and the good is put aside; where is man heading, acting like this?

Let us pray and continue sending out to Humanity the desire to do good, to act in the good and not to dismiss the Word explained by Christ and His Most Holy Mother.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY MAY 3, 2017

I had been waiting for the Word of our Mother and was meditating on the diversity of thoughts carried by each human creature and how much of what is carried inside coincides with what should be our priority because it is the Truth and the Life.

Our Blessed Mother: Daughter: Were you waiting for me?

Luz de Maria: Yes, Mother.

She is so beautiful, she enchants me with her golden garment, finely embroidered with white details, and her veil does not look like cloth but a ray of sun that covers her from the head almost down to her feet; she is so pure that this purity increases Her beauty...

Our Blessed Mother:

Beloved, in this month that you dedicate to My Motherhood, My desire is that you keep the peace, because I will be very much attacked by those who do not love Me, as an offensive gesture towards My Son. My children must send blessings; I will dispense graces to those who act in obedience to My Son.

The dark has seized the minds of creatures and saturated their hearts with darkness. I call sinners to conversion, but they remain set and obstinate in their sins; they mock My Requests and join with what is sinful with all the more delight.

Luz de Maria:

Mother, how can we make reparation for so much pain to Your Sacred Hearts?

Our Blessed Mother:

Beloved, by acting and working in the good, being bearers of peace and witnessing to My Son's presence in you.

HOW GREAT IS THE RESPONSIBILITY OF THOSE WHO KNOW OF MY SON AND OF ME, WHO KNOW OF THE APPEALS TO HUMANITY! It is a blessing and at the same time a great responsibility; you cannot be like those who do not know us, nor can you allow evil to take hold of you momentarily in order that you might be a cause of pain for your brothers and sisters or a reason for stumbling.

My children, I have called you to be facilitators of good on the hard path endured by your brothers and sisters who have become immersed in what is worldly.

**BELOVED, MAN'S LACK OF CONTROL OF HIS EMOTIONS IS DUE TO THE FRAGILITY WITH WHICH
MAN HAS TREATED WHAT IS HAPPENING TO HIM IN EVERY RESPECT.**

**REMAINING INDIFFERENT ON THE SPIRITUAL PATH CAUSES WEAKNESS IN ALL AREAS OF THE
HUMAN BEING, AND DUE TO THIS, IT HAS BEEN EASY PREY FOR EVIL.**

Evil's action has not remained passive; on the contrary, it has acted quickly and My Son's People, living in the haste of the instant, do not think; they do not turn inward but live externally in step with social unrest, among other things.

Children, you need to accept the newness of this instant in which the Holy Spirit is calling you to be more spiritual, to maintain your unity with My Son.

The spiritual person does not separate his/her interiority from his/her exterior, from relationship with his/her fellow men, but his/her brother enters into the spirituality that this person lives internally in order to partake of such work and action in total intimacy with My Son.

The inner man, the spiritual man, is the one who invites his fellow men to walk with him; he does not exclude, but wants to include everyone in that renewal which he experiences, in that continual happiness, not because he does not suffer but because everything is a reason for offering, and therefore for joy.

It is what is inside the human creature - joyful and full of the Divine Light -, which is transferred to man's exterior and to everything around him: the action of the Holy Spirit in him and towards his fellow men.

BELOVED CHILDREN, AT THIS INSTANT EVERYONE WANTS TO JUSTIFY THEIR WORK AND ACTION; BECAUSE OF THIS EVERYONE GIVES A PERSONAL MEANING TO TRUTH. A capricious meaning in order to justify what they do not know of, what they do not know about, and to justify licentiousness, without listening to their conscience. So many think they are learned because they know about some subject, but they are unaware that believing is not the same as knowing everything or having the last word or the greatest knowledge.

**BELOVED CHILDREN, BE SPIRITUAL; SEEK MY SON,
THIRSTING FOR HIM, BE UNITED WITH HIM.**

My Beloved, you know that great sacrileges against the Eucharist are occurring, not only in secret but in public, and My children let them pass unnoticed for lack of deepening in the Truth. So many consecrated hosts taken by followers of the devil in order to show their scorn for My Son in the Holy Eucharist and to commit sacrileges! So many hands are stretched out to receive My Son in the Eucharist with hearts full of reproaches and ingratitude because of not loving Him! Disrespect towards My Son abounds in churches and is viewed with great indifference by those who have a duty to protect him.

Beloved, I have called you on so many occasions and set out in the minutest detail what is going to happen, in order that you might prepare spiritually and concerning what is of prime necessity. Some misunderstand it and are terrified, others receive it with indifference and say that this is not going to happen, others mock My Words and say that what I am announcing has already passed.

It is not the case: My Word is for this instant, just as it is for whoever wishes to be united with My Son and makes an effort; may they be determined and humble in order to pray for Divine Assistance, they will receive the necessary grace.

As Mother I take your hand and do not set you aside, but take you with me on the path if effort is continuous, not intermittent.

Pray, My children, pray for Hawaii, it will be surprised by fire.

Pray, My children, pray for England, it will suffer unexpected pain.

Pray, My children, pray for Chile, it will shake.

Pray My children, pray, war continues on its way, false peace agreements will not last.

Beloved, I love all people so much that I leave nobody on their own. The one who asks for My Assistance will receive it without delay.

I am the intercessor of men before the Most Holy Trinity. Ask, children, and I will be the intercessor for whoever asks it of me.

**DO NOT DESPAIR, CHILDREN, WORKING AND ACTING WELL ARE PROTECTION FOR YOU IN THE
FACE OF EVIL.**

Pray, be active in order to testify to your brothers and sisters of what you bear within you.

My daughter, may My children not despair: this is a lack of faith. Tell them that they are children of the King and thus possess the will to give up sin and receive the blessing of the forgiveness of sins and a firm purpose of amendment.

Tell them that I am Mother of all Humanity and I wait for everyone.

My beloved children, do not wait for the instant to pass; be lovers of My Son in the Eucharist.

At this instant, Humanity is in greater turmoil: it is fertile ground for evil to act with ease. Do not be distracted, focus on him who is the Center of man's life: God, One and Three. Nobody is abandoned by the Divine Hand, nobody.

MAKE HASTE AND ENTER INTO OUR SACRED HEARTS.

COME, CHILDREN, THOSE WHO ARE HELPLESS, THOSE WHO ARE HUNGRY, THOSE WHO DO NOT HAVE A HAND TO WELCOME THEM, THOSE WHO BELIEVE THAT THEY ARE NOT LOVED BY MY SON, THE HUMBLE, COME CHILDREN, COME TO THIS MOTHER WHO LOVES YOU AND WILL NOT LEAVE ANY OF HER CHILDREN ABANDONED.

I bless you from My Heart.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENT

Brothers and Sisters:

There are so many Calls from Heaven for us to trust in Divine Mercy, in the Most Holy Mother who intercedes for us, that we do not have to feel abandoned.

Let us unite more with Christ and love Him more, in order that the worldly wind that pulls towards disobedience and the non-fulfillment of Divine Love will not make us fall and leave us prostrate.

Let us see in each Word from Heaven a tool to strengthen faith and not a tool for entering into strife.

The unity of the People of God is fundamental at this instant.

Our Mother is the intercessor for the People of God. Let us invite her to intercede for us, but properly prepared.

As our Mother says, this instant is tumultuous; the news comes and goes; this we knew in advance. We are not alone, we have a Mother who loves us, and Christ Our King does not abandon us; on the contrary, he is waiting for the prodigal son.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY MAY 5, 2017

Beloved children of My Immaculate Heart:

MY CHILDREN, MY BLESSING GIVES ABUNDANT FRUIT WHEN MY CHILDREN RECEIVE IT WITH A READY HEART AND IN THANKSGIVING.

My Son's People should carry the Cross alongside My Son and in this way make reparation, share, merge with My Son's Self-Surrender, for in total surrender there is nothing at all that can take away that unity.

And it is precisely this to which I come to call you:

That you might be one with the Holy Trinity ...

That you might resume the right path; it is never too late for a repentant child.

I COME TO INVITE YOU TO BEGIN A NEW LIFE, FILLED WITH TRUE LOVE WHICH IS WHAT MY SON OFFERS YOU.

During the course of daily living, you are aware that every work, every action is performed by each person individually, and you do not invite My Son to perform works and actions together with you. From that separation between the Divine and the human in which man has been living it follows that ignorance has made Humanity stagnate, so that you believe that God is distant and that to find him you must look outside yourselves. It is because of this that My children go astray and take paths that seem to lead them to deepen their spirituality and that, on the contrary, lead them to draw near to false idols, wrong beliefs and actions outside of what My Son allows.

Humanity lives in constant change, except that at this instant the changes are so continuous that you do not perceive them and plunge into acting badly.

INDIVIDUALISM IS WHAT IS MOST NORMAL FOR THIS GENERATION AND IT IS INCREASING. THE GOOD OF ONE IS THE GOOD OF ONE AND THE EVIL OF THE OTHER IS THE EVIL OF THE OTHER; YOU THINK THAT NOTHING AFFECTS YOU, THAT EVERYTHING IS VERY PERSONAL AND THAT YOU SHOULD STRIVE ON BEHALF OF THE HUMAN EGO.

This, My children, creates pride. When you do not share, when your brother's joy is not experienced as your own, when there are rivalries and brothers who with their sharp tongues attack those who are down, My children, this is pride. Pride does violence to the creature because it makes him insensitive, robs him of love, compassion, charity, forgiveness, and causes the proud to become ignorant concerning the mandate of the First Commandment.

Humanity is in a state of constant change; man's mind receives influences from everything around him: influence on his psyche and external influence via fashion, through music, cinema, video games and misused technology. In addition, just as the Earth undergoes transformations, changes in the sun and moon come to Earth, and man's body is not prepared to receive high levels of geomagnetic emanation and small particles from the atmosphere and the sun. This causes alterations in the normal rhythm of the organs of the human body, in its working and activity, increasing the possibilities for disease.

Man is a receiver and transmitter of good or evil; evil causes alterations in man himself and he emits those alterations towards the Universe, just as the good reproduces itself to infinite levels. I regret that at this instant evil is greater than good.

In particular months when solar activity coincides with some phases of the moon, serious alterations occur on Earth, causing earthquakes, some of great intensity. And man thinks that he is the master of his life, and thus what he does is not related to the rest of the Universe, but to his ego.

SO MANY OF MY CHILDREN ARE WAITING FOR SOME SIGN TO OBEY MY CALLS! CHILDREN, I AM THAT SIGN, urged on by the instant in which you are living, urged on by disregard for My Calls, urged on by the disobedience of some of My Priests, urged on because man says: "this has already happened and here we are" ...

But this is not the case, My beloved! Previously, there have been serious events, but from one country to another you have had time to aid one another. **WHAT IS COMING IS THE INSTANT OF INSTANTS, WHEN THERE WILL BE SORROW, SADNESS AND EVERYONE WILL FEEL THAT THEY ARE ALONE IN THE WORLD.** It will be the instant of pain and man's confrontation with good or evil. Therefore, do not be like the Pharisees, do not pray in order to be seen, do not receive My Son in the Eucharist for appearance's sake, as whoever receives My Son conscious of the sin in which they are living is forging their own condemnation.

I have seen knees with bruises, knees with traces of mortification, but all this is empty because you have not prayed being aware of what you are expressing in prayer, you do not live out what you express with the tongue, you are not authentic, you are not witnesses to My Son's Truth.

I SEE EMPTY PRAYERS, WITHOUT FEELING, REPETITIVE, BECAUSE YOUR THOUGHTS ARE FAR FROM WHAT YOU ARE SAYING. I see empty hearts repeating what they have learned by memory, which is why I insist on the urgency of an awakening of conscience on man's part, so that he strengthen his faith and penetrate within himself where My Son is to be found.

IT IS URGENT THAT YOU BECOME AWARE OF HAVING A SOUL, and that without it the body would not be a body, since the soul infuses life.

IT IS URGENT THAT YOU BECOME AWARE OF HAVING A SPIRIT and that you need to live in a continuous correspondence of love towards the Most Holy Trinity.

IT IS URGENT FOR MAN TO BECOME AWARE THAT HE CANNOT WALK ALONE AND NEEDS TO SAVE THE SOUL in order to attain Salvation and not lose Eternal Life.

Beloved children, man needs to possess a special quality without which he can do nothing in the good, he cannot act and cannot do anything good without that special quality.

And it is precisely that quality in which the evil oppressor has attacked in order to make it disappear from man:

THAT QUALITY IS LOVE ... WITHOUT IT MAN CANNOT CLAIM ANYTHING, AS MAN IS THE PRODUCT OF LOVE. WITHOUT LOVE MAN WILL BE UNABLE TO EXPAND HIS FACULTIES OR SENSES; EVERYTHING RIGHT AND GOOD IS BORN OF LOVE.

Children, do you know about Trinitarian Love? Love is the greatest thing with which man has been endowed and it is what man has despised the most.

Evil's desire is to confuse Humanity by leading men to behave stubbornly until the human creature comes to be totally unrecognizable regarding its work and action.

BELOVED CHILDREN, THE AUTHENTIC CHRISTIAN IS THE ONE WHO TESTIFIES TO THE PRESENCE OF MY SON IN HIM, BEING LOVE IN PRAXIS.

Children, do you want to be free? Be Love and there you will find true freedom, when works and actions flow without any difficulty because they come from that source that flows with milk and honey, the source of true Love: Divine Love.

MAN IS SO IGNORANT OF THE IMPORTANCE OF ENTERING INTO AND BEING FED WITH DIVINE LOVE FOR SPIRITUAL GROWTH AND POSSESSING LOVE!

Beloved, Humanity looks at the outside; you should look within people, and this can be seen in their works and actions, in how they love. Look for what is inside people and you will know how to recognize the Divine presence or lack of it in your brothers and sisters. But for this you must first purify yourselves and give up what is most painful for you to give up, since you do not yet fully trust My Son.

A loveless creature is an empty creature: it does not know itself, does not recognize itself as a child of God, it will always be lacking something, because nothing will satisfy it.

MY CHILDREN, I CALL YOU TO STOP AND THINK THOROUGHLY ABOUT THE RESPONSIBILITY OF BEING CHILDREN OF GOD.

My children, look up without uttering a word, and with all the love that you have, ask for Divine Protection.

Do not forget to pray the Holy Rosary; the Eternal Father has granted Me abundant graces for those who are fervent children, who do not forget the Holy Rosary.

Unite, understand one another, be in solidarity.

My Beloved, Humanity is facing carnage; remain forewarned, do not forget spirituality, do not forget to prepare yourselves.

Pray, My children, pray for Chile, this country will suffer.

Pray, My children, pray, in the ocean you will find what man has never imagined.

Pray, My children, pray and prepare for The Warning.

Pray, My children, pray for Jamaica, My children will be surprised by water.

Beloved children of My Immaculate Heart, do not be like those who do not know the Divine Word. Therefore, you should not ignore it. Evil does exist, but do not forget that the good is greater and that you attain it by looking at My Son and repenting of your evil deeds, and He will forgive you.

Do not go with evil's innovations, do not become contaminated, be creatures of Love and good habits.

THE INSTANT IS GROWING SHORT.

Come to Me, I will lead you towards My Son.

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

After hearing and engraving these Words of Our Mother in our hearts, we have the obligation of being better men and better women every day.

The road is not easy. Our Mother said to me that man in general sins with his own tongue and this causes a very great weakness in the creature; this is where evil penetrates.

Let us not feel intimidated; on the contrary, man himself does not want to be part of Love because he lives attached to his own good.

Let us pray to the Creator that he might continue beside us and that we might manage to serve Him in spirit and truth.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
COMMEMORATION OF THE APPARITION OF OUR LADY OF FATIMA
MAY 13, 2017**

Beloved Children of My Immaculate Heart:

**AS MOTHER OF ALL HUMANITY I AM SEARCHING FOR SOULS IN ORDER TO GUIDE THEM TO MY
BELOVED SON.**

People of My Son, you should focus on the depth of each Word that My Son left you in Sacred Scripture and set out to be obedient in fulfilling Heaven's Requests.

Beloved children, how often I have called you to fulfil in your lives as in the explanation of this Word that which by Divine Mandate a true Christian should carry for the good of their soul and the destiny of Humanity!

Evil has not been eradicated from the face of the Earth, it is at this instant that evil is ferociously pursuing My children.

Lack of love does not come from God ...

Anger does not come from God ...

Rebellion does not come from God ...

**BE WISER AND SEE THAT EVIL IS MAKING YOU REACT AGAINST THAT WHICH REPRESENTS
GREATER SPIRITUALITY AND GREATER HOLINESS IN MAN.**

My Beloved Ones, at this instant Humanity's peace is hanging by a thread, that thread which is the human will of those who hold earthly power, forgetting that it is very limited. **MAN VOLUNTARILY FORGETS THAT THE POWER ABOVE ALL POWER IS GOD'S, NOT THAT OF ANY MAN.**

You neglect love for God and neighbour ... I see so many of My children for whom I grieve deeply; they are not only disobedient but arrogant, and arrogance blinds their senses and hardens their hearts, so much so that I see how difficult it is for them to love themselves.

Children of My Immaculate Heart:

EVIL IS GROWING THROUGHOUT THE WORLD, AND THIS IS A SIGN OF THE COMING PUBLIC INTRUSION OF THE ANTICHRIST BEFORE THE EYES OF HUMANITY. The antichrist generates evil, feeds on evil and pride, on everything contrary to the Will of God, and if My children act contrary to Divine Love, they participate in increasing the reach of the antichrist.

Beloved, the man of God is every human creature who testifies to God in their life, who fulfils the Will of God and who at some instant in their life returns to God with a contrite heart and with a firm purpose of amendment. Therefore the People of God continue to grow, will continue to grow, and I will always call on each person's conscience so that they return to the Path of Truth and Life, hence My Calls to remain vigilant regarding your own selves. Evil infiltrates men so that it might be those same men who make darkness penetrate within the Church of My Son.

YOU NEED TO DISCERN AND RECOGNIZE EVIL AND ITS ACTION AGAINST THE CONDUCT, HABITS, PRACTICES, CHARITY, HOPE AND, ABOVE ALL, AGAINST THE FAITH OF EACH ONE OF THOSE WHO ARE MINE.

I am warning you as Mother. The child of God struggles against spirits that are sent by the devil to attack and slander you. The enemy of the soul rejoices at the naivety of My children, provoking adverse reactions against the Prophets of God, in order to minimize the Word that is explained to Humanity.

Children of My Immaculate Heart:

How much falsehood in the midst of this generation!

How much falsehood there is in denying the antichrist, his sojourn on Earth and the way he slips in, inciting war, undermining the Church of My Son and attacking the instruments in order to maintain ample room for manoeuvre, which is constantly growing, acquiring dominion over men, over what man has created - not over mountains, but over men so that they destroy each other, leading them away from God!

Beloved children of My Immaculate Heart, the antichrist has gained strength by his actions within the powerful circles of the world, where he is recognized. For him it is extremely important to sow discord in man and to minimize My Calls, reducing the content of these Calls of My Son, of My Words and My Intercession.

The antichrist is not decreasing but growing through great conspiracies, through lies and commitments to which powerful groups in the world have voluntarily adhered in favour of the establishment of a single government which will persecute My Son's People with the objective of taking possession of what is God's property.

BELOVED CHILDREN, THE ANTICHRIST IS NOT A FABLE FOR CREATING FEAR IN YOU, HE IS A REALITY THAT IS LIVING ON EARTH, LAUNCHING HIS TRICKS FROM PINNACLES OF GLOBAL SOCIETY IN ORDER TO DOMINATE HUMANITY.

The antichrist holds power at this instant, and this power will grow until it reaches all Humanity and makes it suffer the cruellest of oppressions.

You, my children, know My Son and His Real Presence in the Eucharist; you know the Love of My Son towards His People, you know Divine Mercy: at this instant, do not put aside the graces on which you count in order to return to the path of the soul's Salvation through the Gift of Love.

IN THIS COMMEMORATION, I WISH YOU WHO TAKE THESE CALLS OF MINE TO HEART TO BE PERSEVERANT IN YOUR GOOD INTENTIONS AND IN THE ACTIONS THAT YOU NEED TO AMEND, SO THAT YOU MIGHT VIVIFY THE STRENGTH OF THE HOLY SPIRIT IN YOU AND UNDERSTAND THAT YOU MUST REASON THE SIGNS AND SIGNALS OF THIS INSTANT.

My Maternal Love leads me to guide you and be the intercessor of all men, if you ask Me.

Pray the Holy Rosary; do not recite it, pray the Holy Rosary, pray the Holy Rosary with devotion, recollection and meditation, and in each Mystery stop and offer it for yourselves, Mystical Body of the Church, for all those who, clinging to falsehood, wish to belittle My Son's Presence as the center of His Church.

Pray My children, pray for those who do not love or wait for My Son.

Pray My children, pray that you will not succumb to evil's deceptions.

Pray My children, pray that My Angel of Peace be heard on His arrival.

Pray My children, pray, Humanity will be surprised by the force of the power of the great nations that will confront one another, and with this man will suffer.

Beloved children of My Immaculate Heart, do not forget that science when used for good is a blessing and that when used for evil, given man's dependence upon it, it paralyzes the world and plunges it into darkness from one instant to another.

Beloved children, do not rise up against yourselves, unite with Divine Love in your hands and unite, reunite, children, those who in one way or another hold in their hands the power and destiny of nations. Do not confront or despise those who have achieved to be recognized in the world; on the contrary, unite with those of My children of which you believe you will not attain greater knowledge and whom My Son's House has called to be His Voice at this instant. Unite, People of My Son, all unite and not only form a wall but take *ipso facto* action against the tentacles of evil, so that it does not succeed in its final assignment against My children.

I bless you and beseech you to approach My Son with a heart filled with sincerity so that with His Mercy He welcomes you and so that you remain within Him as the children that you are of the King of Kings and Lord of Lords.

**MY IMMACULATE HEART WILL TRIUMPH ...
AND YOU REMAIN IN MY HEART, MY FAITHFUL CHILDREN.**

I bless you, I love you, I shelter you.

As the Star of the Morning, so I enlighten My children's journey.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

**MESSAGE FROM OUR LORD JESUS CHRIST
MAY 17, 2017**

My Beloved People, I bless you with My Love.

MY PEOPLE: WHERE ARE YOU?

I speak to you and you do not listen to Me ...

I call you and you do not respond ...

I beseech you and you do not listen or take My Words with due seriousness ...

At this instant, it is necessary that My children grow and penetrate My Love so that, being love, it would not be easy for evil to make you become like puppets and cause evil.

MY PEOPLE, YOU HAVE NOT UNDERSTOOD THE URGENCY OF INNER GROWTH SO THAT YOU MEET ME AND UNITE WITH ME. You continue to be held back the whole while by that human ego that you do not cease to flaunt or to praise constantly. You know everything, you can do everything, you leave everything aside to continue being you, being the "ego"!

Your tastes or preferences may not conform with My Teachings, with the behavior of a true child of Mine, but I do not stop and you must not stop on your walk towards Me; you must not stagnate and think that you already have everything to reach Me. Man's spiritual growth does not end until he leaves for My House.

SOME OF MY OWN ARE CONCEITED, EGOTISTICAL, ARROGANT, ACCUSATORY, THEY DO NOT FORGIVE, THEY IMPOSE THEIR POINTS OF VIEW, THEY DO NOT ACCEPT THE WAY OF THINKING OR THE UNDERSTANDING OF OTHERS OF THEIR BROTHERS AND SISTERS TOWARDS MY AFFAIRS, THEY CONSTANTLY POINT OUT THE ERRORS OF THEIR BROTHERS AND SISTERS WITHOUT KNOWING THAT THE DEFECT THAT THEY POINT OUT IS THE ONE THAT THEY HAVE THE MOST. This,

My People, is so common in you that it gives Me such sorrow as you continue walking with the same rags that you have always borne.

Quarrels are not only those that can be seen publicly among My children, but those that each person carries inside and externalizes harshly in an instant when they attack their brothers, without stopping for even a second to think about the damage they are causing to themselves.

I have delegated Missions to some of My Instruments, and this Mission that I have given through the explanation of My Word is not to be taken lightly, but it is so that My People might grow, since **I CANNOT ONLY LEAD YOU TO PRAY OR ONLY CALL YOU TO RECEIVE ME, WITHOUT THERE BEING A TRUE INNER CHANGE SO THAT FAITH BE BORN WITHIN AND TAKE HOLD AND BE TRUE.**

My Beloved People:

YOU NEED PRACTICE, PRACTICE OF MY LOVE TOWARDS YOUR BROTHERS AND SISTERS. Whoever carries on being like a whip, like a torturer of their brother, is not genuine, they pretend to be among My own ...

PEACE IS A SIGN OF THOSE WHO ARE WALKING TOWARDS ME ...

RESPECT FOR NEIGHBOR IS A SIGN OF THE ONE WHO WALKS TOWARDS ME ...

THE LACK OF TRUST IS A SIGN OF THE ONE WHO IS NOT TRULY MY CHILD but is lukewarm and must commit at this instant, because these attachments do not allow you to grow, they are a continuous hindrance ...

My Beloved People, I do not come to explain My Word in order for you to read it and not practice it, being the same unbelievers, fools, ignorant and arrogant as make Me suffer.

EVERY REQUEST OF MINE IS AN ORDER FOR YOU, AN ORDER SO THAT YOU CAN GROW AND BE MORE SPIRITUAL AND LESS SINFUL. Spiritual growth keeps you away from sin and what is wrong. I need you to prepare yourselves to walk in My Own Way; you cannot take shortcuts as you like, you have to walk in My Will.

SPIRITUAL GROWTH INCREASES FAITH IN THE CREATURE AND MY CHILDREN HAVE TO GROW IN ORDER TO OVERCOME WHAT BINDS THEM. Most people voluntarily attach themselves to what is worldly, to their lifestyle, to their tastes and their pleasures, they do not trust in Me, do not believe in Me, do not abandon themselves in My Will, and some have defied Me because of the terrible attachments they have. Attachments that dominate the mind, and they believe that they will be unable to live without them.

My People, this generation rebels against Me at every instant, so it will not be easy for you to live as you will have to live with the events that are approaching:

How is the one who lives in opulence going to live from one instant to the next?

How is the one who lives focused on their economics going to live from one instant to the next?

How is the one who has become accustomed to satisfying their "ego" and their whims going to live?

How is the one who is accustomed to commanding going to live?

How is one who has disobeyed Me going to live?

My People, you will not have the conveniences of this instant ... **NOTHING!**

SECURITY WILL BE IN FAITH IN MY ASSISTANCE AND IN THE ASSISTANCE OF MY MOTHER TOGETHER WITH YOUR BROTHERS OF JOURNEY.

YOU WILL NOT BE ABLE TO HAVE YOUR WHIMS OF THIS INSTANT, YOU WILL BECOME EQUAL, THE ONE WHO HAS WITH THE ONE WHO HAS NOTHING, AND AT THAT INSTANT SECURITY WILL BE IN ME AND WHOEVER IS NOT PREPARED TO OBEY WILL NOT BE ABLE TO BEAR THAT STATE.

My People, the instant is no longer instant, it grows short and you go on as if nothing has changed. Great diseases are spreading quickly and when they become known through the medical media, no longer able to hide them, it will be what My Mother has revealed to you for some diseases that will stop them, but in the midst of everything the creature's Faith is needed.

Children, how many of you are not attaining greater spirituality because you keep denying yourselves inner change! Man may have walked through his life with a certain character, with a particular way of being, with very personal demands and tastes ... **BUT THIS IS AN INSTANT OF CHANGE, OF TRANSFORMATION, HEALING AND A SPECIAL FORM OF MY ASSISTANCE.**

Children, you are creatures of free will, you are aware of your actions, you can reason on your actions or works, you have a mind and consciousness; use these Gifts to grow, not to regress. The human self is part of consciousness; therefore it is so important that you know yourselves so that you can decide to change for your own good and that of your entourage.

This generation feels that it is self-sufficient with current technology and has plunged into using modern artifacts without wanting to believe that these consumes their instant, prevent you from being fraternal and willing to change, and lead you to violence and dependence. How many forget Me without thinking that even with all the modern innovations you are equal to other generations that became lost like this generation because of not aspiring to know me!

BY YOURSELVES YOU CAN DO NOTHING, YOU NEED ME TO REMAIN IN YOU, AS I DWELL INSIDE EACH ONE OF MY CHILDREN. At this instant you are separating Me from yourselves, hence the deep rift that you are forming, with which you obstruct that uninterrupted dialogue that should exist between us.

**YOU HAVE A HUMAN GOAL IN LIFE ...
AND I CALL YOU TO THE DIVINE ONE THAT HAS NO END**

My people, I facilitate our encounter for you, but you resist in this instant of human existence of such importance, such transcendence.

You must not remain the same, you must not commit the same mistakes of the past, you must no longer carry the rags of bad habits learned in your family or approved by yourselves. No man has authority to defile their brother or to keep them in constant torment.

CHILDREN, THE HUMAN CREATURE SHOULD ATTAIN MY ACTION AND WORK SO THAT YOUR HUMAN EGO DOES NOT RISE UP AGAINST YOUR BROTHERS AND SISTERS.

My People, the suffering of My Church is not something distant; it will be harshly purified, and you, Mystical Body, are within My Church: for that reason you must be better at every instant. **DO NOT GIVE UP, CONTINUE UNITING IN MY WILL. YOU ARE NOT ABANDONED BY ME: EACH PERSON IS UNIQUE AND IRREPLACABLE FOR ME.**

Beloved My People, the sun discharges its harmful emanations and you are going to suffer. The arms race of the nations will find its raison d'être before the eyes of Humanity. The wolf in sheep's clothing wants to take over Humanity without Humanity noticing it, so at this instant it appears to be seeking world peace.

Do not be confused, My children, stay alert in every respect. When the economy seems to present great solidity, do not trust this. **I SEE FURTHER, AND YOU WILL NOT CARRY ON LIVING AS UP UNTIL NOW; THE ONE WHO HAS MONEY WILL BE LIKE THE BEGGAR AND THE BEGGAR WILL TEACH HIM HOW TO LIVE WITHOUT POSSESSIONS.** All will need brothers and sisters in order to protect themselves as Christians facing the voracious persecution that will be unleashed with great force against My People.

Do not wait for the Signs announced by My Mother in order to change; there must be change at this instant. Be reconciled with Me and give thanks for having been called to live in My Love, from which comes everything that man requires.

Pray children, pray for France, it will suffer terrorism deep within it.

Pray children, pray for the United States, this nation will cause My Children to suffer.

Pray children, pray for Ecuador, this People of mine will see the great volcano awaken.

Pray children, pray for the Middle East, Humanity will arrive at what is unexpected.

My beloved People, pray for My Church, be prudent and commit to being transformed into true children of Mine.

**IN THE FACE OF HUMAN EGOISM AND ARROGANCE,
SHOW FAITH IN ME WITH A TRUE INNER CHANGE.**

I have called everyone to prepare because the instant is no longer instant. But My People wait and when they wake up it will be doubly difficult for them to come to Me, but My Mother's Love will not cease, She will continue interceding for each one of you and will draw you to My Way, where you will never find the Door closed.

I BLESS YOU, MY BELOVEDS. DO NOT FORGET THAT THIS THE INSTANT FOR PREPARATION.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Once again, Christ, Love and Life, calls us to react and to demand of ourselves a change in our personal work and action as well as towards our brothers and sisters.

This is the instant, Christ tells us, this is the instant for change, for being better human beings. We can see that He calls us to be better; He does not say to us: 'you were better in the past', or 'be better in the future', in order that we can understand that Christ is outside time. But if you were better in the past, go back to being better at this instant, resume the path. If you are thinking of being better in the future you should not wait, you should be better in this instant, in this eternal present.

But we must not forget that unity exists between the past, the present and the future that we have to heal in order once again to meet with Christ: the Beginning and the End.

All our acts have to work together for our Salvation; that is why we are called to change, to be better children of God, better brothers and better human beings. Let us not forget that for the one who decides to change their life and to be better, God immediately God draws near and gives "the means and more " in order for this to be a reality.

Brothers and sisters, in the face of what is coming and what Heaven has made known to me, the greatest thing that man can do is to give himself the opportunity of living out this inner change in order to carry and bear what humanity will face.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
MAY 20, 2017**

Beloved Children:

**I WISH THAT YOU WOULD OPEN YOUR SPIRITUAL EYES SO THAT BLINDNESS
WOULD DEPART FROM YOU.**

Anyone who does not want to continue living in evil must have the courage to put aside wrong actions, the bad teachings that they have received, ignorance, disrespect, but above all, as long as My children do not abandon the arrogance with which they treat My Son's affairs, they will not grow and will therefore not be able to maintain clear vision guided by the Holy Spirit.

**THIS WORD IS GOD'S WILL IN ORDER THAT YOU MIGHT AWAKEN FROM THE LETHARGY IN WHICH
YOU HAVE IMMERSSED YOURSELVES, AND YOU CONTINUE LIVING COMFORTABLY, AS IF NOTHING
WERE GOING TO HAPPEN.**

This is how men carried on in Noah's generation: nothing stirred them, they mocked the words of Noah and what he was building in obedience to God. Some were unbelieving, others believed him mad or possessed by an evil spirit that induced him to build an ark.

Thus, walks the man of this generation: put to sleep by the possession of what he desires, maintaining his security in the god of metal with which he achieves a "status" that gives him superiority over the rest of society. You know that what is material will not last forever or be a cause of perpetual security, but as if deaf and dumb, living by false reasoning, you continue being led to disobedience.

Some of My children attend in order to hear and participate in the Meal of My Son at Holy Mass, pray daily to entrust themselves to God and offer Me some Hail Marys. They say to themselves that they do not harm their neighbor or cause harm to anyone, but they are not spiritual, they are mediocre; renunciation of what is worldly

causes them to fear, they believe half-way, living a "light life": they believe that they obey the Commandments and God, but do not listen to the Call, they consume their days in the multiple occupations of their labors. And how is their heart? They have forgotten that where the heart is, there is Faith.

Dear children:

**MY SON WAITS FOR A RESPOND TO HIS REQUEST AND FOR HIS PEOPLE TO ASK HIM:
"THY KINGDOM COME". AND I ASK YOU: IN WHAT KINGDOM ARE YOU LIVING?
IN THAT OF THE WORLD?**

Do not let the evil one distract you; he keeps his militia on Earth constantly tempting you in order to distract you with what will cause the greatest damage to you spiritually, so that at every instant you might become more closed regarding the occurrence of the true events affirmed by the signs of these instants.

You, My children, I call you to stay awake: you have been deceived so that you will believe that you are waiting for the Savior, and being deceived, you will receive the antichrist. Humanity faces war, there will be no order on Earth, famine will take possession of all Humanity and the Antichrist will enter to give My children a supposed peace, a false security, and he will give them food ...

And how will those who do not know My Son and have refused to listen to these Calls react? They will be captive to deceit and will act following the antichrist, rendering him an evil cult. Men will adore him because he will offer them immortality, an immortality without God, but Humanity, foolish and ungrateful, will surrender and will follow him, not knowing that the desire of evil is to extinguish the greater part of the world population.

My children, at this instant the stage is set so that men walk towards that stage. Over the centuries the evil one has accumulated with his evil arts what he needs at this instant; he has nourished esotericism, false doctrines, he has led man to ignorance of the Truth, he has provided you with a false security and the denial of God.

**EVERYTHING I AM EXPRESSING TO YOU, CHILDREN, IS REAL.
EACH ONE OF YOU MUST KNOW AND RECOGNIZE MY SON IN ORDER NOT TO FALL INTO EVIL.**

Every human creature who adheres to the arts of darkness, who adheres to comfort and exaggeration, every one of you who worships the god of money and strives to possess it in order to maintain security, everyone who has lived and committed acts against the Holy Spirit, everyone who has lived defaming their brother, everyone who wishes evil on their brother, **IS INSTILLING, EVEN IF THEY ARE UNAWARE OF IT, THIS PART OF WHAT THEY HAVE LIVED WITHIN THEMSELVES, AND THEY GENETICALLY TRANSMIT THAT INHERITANCE WHICH IS AWAKENING AT THIS INSTANT IN THE YOUNG GENERATION.**

I call you to break these bonds of the past ...

I call you to be new creatures ...

I call you to overflow with the Love of My Son ...

I call you to be reborn to a new life that will take you away from the excessive desire for material possession and be enveloped in the soul's enrichment of the soul, so that you might live in the fullness of those who ask: "Thy Kingdom come"

PREPARE THE KINGDOM SO THAT THE DIVINE WILL CAN BE FULFILLED ON EARTH AS IN HEAVEN.

**YOU SHOULD PREPARE YOURSELVES AT THIS VERY INSTANT SO THAT
YOU CAN RECOGNIZE WHAT IS NOT OF GOD.**

My children, the evil oppressor will possess the power to change the Natural Law and will thereby convince My children, and they will surrender to him, this being the great and terrible trial of the Church.

My Beloveds, you know this, you hear it, you are not ignorant of what I have told you; however, there is a great difference between knowing and doing, between knowing and recognizing, between knowing and correcting oneself.

In 1 Corinthians 15:58:

"Therefore: be steadfast, immovable, always excelling in the work of the Lord, because you know that in the Lord your labor is not in vain."

In 1 Thessalonians 5, Paul concludes a lesson on the coming of Christ with these words:

"So then let us not fall asleep as others do, but let us keep awake and be sober."

Beloved children, what would have happened if the Apostles had no longer worked after My Son's Resurrection, had they not worked for the Kingdom of God, if they had waited without labor? Would the Gospel have been known? Would the Word be known?

YOU WHO CALL YOURSELVES FOLLOWERS, LOVERS, ADORERS, CHILDREN, DISCIPLES AND CHRISTIANS, YOU HAVE THE DUTY TO RESPOND AS MY SON COMMANDS YOU, AND GIVEN THE KNOWLEDGE OF THE IMMINENT RETURN OF MY SON, YOU HAVE THE OBLIGATION TO MAKE THE GREATEST EFFORT AT EVERY INSTANT AS IF THAT INSTANT WERE THE LAST, AND IT IS SO THAT EVERY INSTANT IS THE GREAT DIVINE GIFT FOR EACH ONE OF YOU.

In 1 John 3: 2-3:

"Beloved, we are God's children now; what we will be has not yet been revealed. What we do know is this: when He is revealed, we will be like Him, for we will see Him as He is. And all who have this hope in Him purify themselves, just as He is pure."

THE END OF THE TIMES IS COMING, SIN ABOUND; as Mother, I have kept you away from sin and you do not give thanks, you do not respond ...
You see how diseases increase ...
You see how anger possesses men ...
You see the great protests all over the world and you do not believe ... **ON THE CONTRARY, YOU DENY THAT YOU HAVE TO CHANGE, YOU DO NOT WISH TO BE BETTER, YOU PERSIST IN YOUR THOUGHTS, AND WITH THIS NEGATIVITY THAT YOU TRANSMIT TO YOUR BROTHERS AND SISTERS, YOU CONTINUE HYPOCRITELY RECEIVING MY SON IN THE EUCHARIST, WITHOUT A DUE EXAMINATION OF CONSCIENCE IN SPIRIT AND TRUTH.**

Beloved children of My Immaculate Heart, so many events will happen and so many contradictions arise that those who are not prepared will abandon My Son. My Son's Church will suffer even more and many of My Children will abandon it.

Denial, sin, contempt, arrogance, lack of charity are great walls that you yourselves raise against God, and He, out of respect for free will, does not trespass them, and what happens within those walls? Is God there or not?

THE WAY OF HUMILITY, SURRENDER, OBEDIENCE, FULFILLMENT OF THE COMMANDMENTS AND RENUNCIATION OF ATTACHMENTS GIVE YOU GOD'S MERCY, AND HE LEADS YOU ON THE ROAD THAT TAKES YOU AWAY FROM SIN.

At this instant, sins against the Holy Spirit abound. Sins against the Holy Spirit are constantly being committed.

My Son has explained the Truth to you, He does not deceive you with pretty ideas, nor tell you that this generation obeys Him. Do you know why, children? **BECAUSE THE TRUTH IS STRENGTH FOR THE SOUL, IT IS FOOD FOR THE SOUL, IT IS FREEDOM FOR THE SOUL, HENCE IN THESE CALLS HEAVEN SPEAKS TO YOU WITH THE TRUTH.**

The one who loves is free, they know well that their freedom is found in My Son and not in men, so they do not feel captive.

Beloved children of My Immaculate Heart, the instant is an instant and within it, the Love of My Son for each one of you leads Him to love you and forgive you, to love you and welcome you, to love you and guide you. **CALL HIM, SEARCH FOR HIM, MEET HIM ONCE MORE, REPENT OF YOUR ERRORS AND SINS WITH WHICH YOU HAVE OFFENDED HIM, CONFESS YOUR SINS AND COME OUT CLEAN TO MEET THE ONE WHO HAS NEVER ABANDONED YOU.**

Prepare yourselves and keep in mind the Second Coming of My Son.

Pray My children, pray for Spain, this people will know pain.

Pray My children, pray for Venezuela, the pain will continue until freedom is found.

Pray My children, pray, the earth continues to tremble.

Pray My children, pray, do not forget that disease comes out of the laboratories;
use what I have told you for health.

Pray My children, a great catastrophe will occur at sea.

Beloved children of My Immaculate Heart:

I am with you, I am Your Mother and a Mother does not abandon Her children.

MY BLESSING IS A BALSAM FOR THE WOUNDS, CONCERNS AND HEALTH OF EACH ONE OF YOU.

UNITED, LET US ADORE THE KING OF KINGS AND LORD OF LORDS.

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

The signs of these instants are passing unnoticed before the indifferent gaze of man who lives immersed in the world and does not want to understand that this generation's work and action is not correct, and in these Calls we are therefore warned of a halt coming for humanity.

Man must grow and enter into a closer union with the Most Holy Trinity, not only to face what man himself has generated, but to find his own self and manage to keep the place that he has as a child of God.

Brothers and sisters, whether we accept this Revelation or not, Humanity will come to be purified, and this will be when laments over the disobedience to the explanation of our Lord Jesus Christ and the Word of our Blessed Mother will become reality and for many will cease to be fiction.

Our Mother tells us: "the instant is shortened so that more souls are not lost." Therefore, the desire to put aside the misuse of free will needs to be transformed into a reality and not into an intention that is not fulfilled.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
COMMEMORATION OF THE FEAST OF MARY, HELP OF CHRISTIANS
MAY 24, 2017**

Beloved children of My Immaculate Heart:

My Motherly Love goes throughout the Earth in search of creatures who need to draw near to My Divine Son, and in this way, I intercede as Mother for each of these human creatures.

I DO NOT WANT EVEN A SINGLE SOUL TO BE LOST; ALL NEED TO RECOGNIZE THAT THEY MUST CHANGE IN SOME ASPECT OF LIFE, AND THEY CANNOT MANAGE THIS ALONE: all need Eternal Salvation, all need conversion, all need Divine Assistance.

YOU WILL NOT ACHIEVE ANY SPIRITUAL ASCENT IF YOU DO NOT FIRST RECOGNIZE THAT WITHOUT GOD YOU CANNOT ATTAIN ANYTHING.

The man who gives good fruits is the one who knows that God sees everything, and who keeps in mind that good work and action are requirements that they must fulfill in order to maintain that relationship that flows between the Divine and man.

YOU CANNOT GIVE WHAT YOU DO NOT POSSESS. That is why, at this instant, so many disagreements in families, marriages, workplaces, brothers and sisters, finally in society in general, are taking shape before your eyes. When a heart does not have love, it cannot give what it does not have and that is where discord enters, since without Divine Love present at every instant, lack of love comes and brings darkness and anger, misunderstandings, discord and other attitudes with which men distance themselves from each other.

THE MAN OF THIS INSTANT MUST COOPERATE WITH HIS OWN SELF FOR HIS OWN SALVATION, BUT TO MY SORROW THIS IS NOT THE CASE. Society has created egocentric creatures, creatures who are constantly competing against each other. Man does not want to recognize himself with lack of help to change his behavior so that his action might be in accordance with what Heaven commands.

Each of the Calls you receive is Omnipotent Love that is poured out upon those who acknowledge it. Children, you should not read this Word, you need to discern it for yourself and ask: 'where am I at fault?', 'what do I need to improve?', 'what should I let go because it is keeping me bound?'

YOU MUST PUT INTO PRACTICE WHAT IS NECESSARY IN ORDER TO AMEND WHAT DOES NOT ALLOW YOU TO ASCEND, THAT WHICH DOES NOT ALLOW YOU TRULY TO GIVE YOURSELVES OVER TO CONVERSION. The struggle between good and evil is continuous; insofar as Humanity lets it pass unnoticed, evil profits.

You do not want to let go of the "ego" that falsely keeps you in an unreal sense of status. The person who does not surrender to the Most Holy Trinity is the one living in falsehood, which will not make him a better child of God, until he looks inwardly and decides not to live by appearances.

My Son has not called all of you to live in a cloister, but He does call all of you to succeed in uniting so much with Him that each person lives dominated internally by Divine Love, and comes to live the Divine Will as if in an internal cloister.

My Son has called you to be merciful, to forgive, to not be party to injustices, this being part of the preparation of His children for what they are going to live and what some are already living through: persecution, martyrdom ...

The disciple of My Son is obedient and opposes violence because they are a faithful follower of My Son's Love.

At this instant, the persecution of Christians is not hidden and the Church of My Son, nonetheless, knowing that I have already declared this, it must raise its voice and prayers for those who suffer this present tribulation.

Beloved children of My Immaculate Heart, the evil one pursues My children, those who seek unity, precisely because he finds his contentment in disunity and this leads him to increase.

EVIL CANNOT DESTROY THE GOOD, AND ABOUT THIS YOU, CHILDREN, YOU MUST HAVE IT CLEAR; BELIEVE IT AND WALK WITH THIS ASSURANCE. Trials lead you to grow more and to be stronger, if mind and heart fix their gaze solely on the Divine Purpose which is to lead you to taste Heaven in advance.

Children, you must prepare yourselves to continue on My Son's path; this you cannot do by crushing your brothers and sisters, nor by imposing your tastes or what you believe is right.

THOSE WHO WISH TO KNOW MY SON MUST SEEK HIM NOT ONLY IN PRAYER BUT WITH THEIR UNDERSTANDING, IN THE DONATION OF THEMSELVES THROUGH OBEDIENCE AND SURRENDER FOR THE GOOD OF THEIR BROTHERS AND SISTERS.

My Beloved, I lead you so that you react and take the firm decision to continue being obedient children who wish to make their lives a way of acting consistent with the Precepts of the true Christian.

My children are not those who teach new ways of loving God and neighbor. The Law of God is contained in advance in Scripture in order that everyone might not form their own law.

YOU KNOW OF THIS WORD, BUT YOU DO NOT DISSECT IT, YOU DO NOT GO BACK TO IT AGAIN AND AGAIN, YOU DO NOT PUT IT INTO PRACTICE IN YOUR PERSONAL LIVES.

Children, you are afraid to acknowledge yourselves as being disobedient to the Divine Calls. You store up treasure for Earth and not for Heaven, your thoughts towards your neighbor are the worst and least appropriate; for you doubt is not a possibility but a law that you have accepted, and so you judge, forgetting that thus you will be judged. Therefore, I call you to conversion; you spend your life expecting more time, without thinking that concerning social commitments or family and work you do not say: I am expecting more time. You only keep God waiting, trusting in His Mercy, and this is great stubbornness, folly and disrespect.

I HAVE ALREADY MENTIONED TO YOU WHAT IS BECOMING OF HUMANITY; EVEN SO, YOU CONTINUE TO BE WRAPPED UP IN YOURSELVES AND DO NOT CHANGE YOUR PRIORITIES. Mankind, prey to its own development, will experience the harshness of the oppression of nations that have prepared themselves to fight against the children of God with the aim of establishing a religion where God does not exist,

but where free will shall allow every human being within that single religion to live according to their conscience, precisely because man at this instant makes no use of conscience but acts out of imitation and obstinacy.

Beloved children of My Immaculate Heart:

Some of you are preparing shelters for the times of persecution and tribulation ...

And your conscience, your thoughts and heart: how are they doing?
Will you be creatures who are detached and willing to live with their brothers and sisters?
Will you have the Heart of My Son to see Him in your brother?

In truth, I tell you that man prepares himself concerning what is material and leaves what is spiritual for last, Love in the heart of each person being necessary for coexistence in order to achieve unity.

BELOVED CHILDREN, MY SON HAS CALLED EACH ONE OF YOU BY YOUR NAME AND STILL SOME DO NOT BELIEVE IN DIVINE MERCY AND DENY GOD WHAT IS GOD'S. These will be the ones who will fall with their face to the ground and will mourn for their disobedience.

The volcanoes are stirring, pouring out, and this is where that man sees his smallness before the great Work of the Heavenly Father. The earth increases its shaking and this is where man cries out to God. The seas will cause alarm for coastal zones, the level of the oceans will rise and man will have to retreat. The seasons will vary more until the sower does not know when to plant, when to prepare the land, faced with Nature out of control.

Pray, children, pray for Australia, this people of Mine will suffer.

Pray, children, pray, terror causes Humanity to suffer too much.
Pray, children, pray for Russia, it is not a bringer of peace but of lament.

Pray, children, pray, because man's manipulation of Nature brings scarcity and lack and you will not be able to cover man's basic needs. The water is being contaminated with radioactivity at every instant.

Dear children of My Immaculate Heart, the instant will come when great cold will come to the tropical countries, and where cold is usual, heat will make man suffer.

Do not neglect My Words: Earth is threatened by a Celestial Body and man continues to eat and drink as if nothing were going to happen.

The instant will come when you will say:

THE INSTRUMENTS THAT CONVEYED THE EXPLANATION OF THE WORD FROM ON HIGH WERE AUTHENTIC. THIS, MY CHILDREN, IS PITIFUL: DISMISSING DIVINE MERCY IS A SERIOUS OFFENSE.

The wheat will not be gathered before the precise time, but the weeds will be pulled up by Divine Command.

Serious illnesses are approaching that attack the digestive system; use the plant known as **ANGELICA**⁽¹⁾ and use the whole plant properly, pregnant women being cautious. A disease is coming that will attack the eyes; for this, use the plant known as **EUPHRASIA**⁽²⁾.

Beloved children of My Immaculate Heart:

BE OBEDIENT TO THE DIVINE REQUESTS; I REMAIN BEFORE EACH ONE OF YOU, I AM YOUR MOTHER AND I LOVE YOU.

On this date when you celebrate My Advocacy as Mary Help of Christians, entrust yourselves to My Son and **ALLOW ME TO LEAD YOU TO THE TRUE PATH.**

My Blessing be upon you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

(1) **Scientific name:** Euphrasia Officinalis **Common name:** Euphrasia, **Family:** Orobanchaceae

(2) **Scientific name:** Angelica archangelica L., **Common name:** Root of the Holy Ghost or Herb of the Angels or known also as the Angel of Herbs. (It received this name because of the belief that it was a gift from the Archangel Gabriel to a wise hermit so that he could fight the plague that ravaged Europe during the Middle Ages). **Family:** Apiaceae

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Mother does not leave us on our own, She remains alert to all what is happening and can cause greater pain to Humanity. The call is untiring in order that every human being be aware of what we possess: gifts and virtues with which the Eternal Father has endowed us.

Our Mother insists on the need for us to re-awaken with determination and to dedicate time to ourselves to awaken this dormant spirituality.

Humanity does not wish to acknowledge the urgency of an internal change, which will be what will enable the children of God to maintain the certainty of Faith in the face of the constant persecution that will increase as conflicts between nations and the establishment of a single government escalate.

Brothers and sisters, we have to be better human beings, better children of God, and this we will not attain this until we look inward and our readiness is absolute to overcome what is an obstacle.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST MAY 29, 2017

My Beloved People:

MY BLESSING IS IN MY CHILDREN, THE EXPRESSION OF MY LOVE.

My Divine Love surpasses all of men's expectations; My Love is in fullness. Therefore, My Love is not and will not be understood; neither are nor will My Calls be understood in fullness.

I ASK HUMANITY TO LIVE IN TOTAL UNION WITH ME, BUT BECAUSE OF NOT GIVING EVERYTHING, MY WORD WILL BE WRONGLY INTERPRETED AT THE CONVENIENCE OF EVERY HUMAN CREATURE, FORGETTING THAT ... "MANY WILL BE CALLED, FEW CHOSEN" (Mt 22,14)

My children strive to have a greater *consciousness* than they previously had; this obliges you not to act like those who do not know Me. Not all human creatures enter into the knowledge of the Truth, not all of them go deeply into My Words and those of My Mother in these Calls.

I CALL YOU TO REACH THE FULLNESS OF LIVING UNITED WITH ME, AND FOR THAT, YOU HAVE TO TAKE THE COURAGEOUS DECISION TO PRIORITIZE MY MATTERS OVER WHAT IS OF THE WORLD.

Every human creature usually takes My Word at their own convenience, this being a form of self-defense with which you excuse behavior not in accord with what I want from My People.

My beloved People, you worship science, and the more it comes into man's hands, the more man surrenders to its innovations and the more he immerses himself in what is not convenient either for the body or for the spirit.

At this instant, I see a Humanity weakened by technology that totally consumes it, a man who puts Me in the second place in his life, a Humanity that does not prioritize Me but puts Me off at every instant, since the human ego comes out with great force because of a human being who is neither physically nor morally opposed to temptations.

I give you My Word, and instead of taking It with love in order to be better, you take it so as to be arrogant and to argue and question and point at your brothers.

**WHICH OF MY CHILDREN CAN BE THE JUDGE OF ANOTHER BROTHER OR SISTER?
THE ONE THAT NEEDS TO EXCUSE THEIR ACTIONS**

My beloved People, do not neglect My Mother, but on the contrary, have a truly conscience of who My Mother is and of Her special protection towards Her children at all instants.

In the heart and reasoning of My children the need for remaining united to My Mother stands out, not only in order to imitate Her but to continue working under Her Protection within My Flock and thus live by practicing the virtues that the Christian should keep latent.

MY MOTHER'S FIAT CAUSES MY CHURCH TO BE FRUITFUL, THUS MY MOTHER IS THE MOTHER OF MY CHILDREN.

MY PEOPLE MUST UNDERSTAND AND LIVE WITHIN THIS REAL, ACTIVE, INTERNAL AND EXTERNAL BOND WITH MY MOTHER AND MYSELF, IN ORDER THAT YOU CAN BE FRUITFUL.

YOU NEED TO GROW SPIRITUALLY IN ORDER TO SURRENDER TO MY DIVINE WILL AND LIVE IN MY WORK AND ACTION, AND THEN ENTRUST YOURSELVES TO HER WHO IS FULL OF GRACE.

Not only should My Church as an institution continually beget new believers, but My children must carry me in their way of life as a living testimony.

My Mother is the Holy Member of My Church, She is the one who is Full of Grace and the example for all My children of unconditional surrender, as well as of absolute Faith and Charity.

My Mother, willing for obedience and to putting the Divine Word into practice, is the one who communicates to My Church, to My children, the Treasures that you possess, the events that man himself has generated through disobedience, and the provisions that will free you from them.

I do not want you to see My Mother as competing with My Graces, but She is also a distributor of graces in order that men can be saved.

My Mother is the most exemplary Member of holiness and the most favored Member of My Church.

My Mother maintains and will maintain Her concrete Mission within My Church; therefore She invites, calls and gives Her Word to My children so that they do not get lost.

MY MOTHER IS NOT A DECORATION FOR MY CHURCH BUT IS THE LIGHT THAT MY FATHER SENT TO BE MY MOTHER AND MOTHER OF MY CHURCH.

MY MOTHER DOES NOT COME TO COMPETE WITH HER SON BUT TO LEAD MY CHILDREN TO MY WAY, TOWARDS SALVATION, WITH HER INTERCESSION.

My Mother addresses My People to ask you for your personal YES! and to lead you by Her Hand to Me.

My Mother is Mother of humility and is offended when man places Her above Me. **THIS HAPPENS BECAUSE MAN HAS NOT UNDERSTOOD THE TRUE BEING OF MY MOTHER: MEDIATRIX OF ALL GRACES.**

It is not just in this instant that My Mother is speaking to My children, but from a long time ago, since for a long time My children have been living more immersed in sin than in obedience to Me.

OBEY MY MOTHER, WHO CALLS YOU BY DIVINE WILL AND BECAUSE OF HER LOVE TOWARDS YOU WHO ARE HER CHILDREN.

My Mother speaks to you of sin, of good and evil, and man denies evil, as if My Mother were speaking lies and of what does not exist.

My Mother has called for the fulfillment of the Divine Law and man only calls for My Divine Mercy, seeing to it that Humanity settles into unbridled living where what is bad is to live correctly and to fulfill the Commandments.

Children, My Prophets have at all instants in Human history been treated as crazy or extremists and creatures that convey tragedies. And so it is that man does not see the tragedy of the current society just as Humanity did not see it in the past.

**HUMANITY WANTS TO LIVE IN THIS FALSE AND MISTAKEN COLLECTIVE BLISS OF SIN,
CONTRADICTING THE DIVINE WORD.**

My People, keep in mind that the time of harvest is when the tares is more like wheat, and those who stay far from Me and do not know Me or say that they live close to Me without conscience of or faith in My Teachings, are very easily confused.

Not entering into the knowledge of My Word prevents you from understanding Me and loving that "why" and "for what" I call you to work and act within My Work and Action. Not living in the practice of My Word limits you in growth, in approaching to Me confidently and fulfilling My Mother's Requests.

My People, you need to maintain the certainty that the life of the Christian is not only going to Holy Mass, nor receiving Me without true conscience or a proper preparation. You have to know Me to love me and to know that within that My great and infinite Love for each one of you, My Justice keeps beating, anticipated by man's free will, bringing about his own pain in life.

I am infinitely Merciful and forgive the one who comes repentant and with a firm purpose of amendment, but man has to confess this repentance and this purpose of amendment in order to obtain My Mercy, which I do not deny if you request it from Me properly.

MAN CAN NOT CONTINUE EATING AND DRINKING AS IF NOTHING WERE GOING TO HAPPEN while Humanity keeps Me hidden in order to commit impure acts and offend Me with every type of sin. Debauchery does not lead you to Me, acts contrary to the Divine Law do not bring you to Me, separating Me from your works and actions does not lead you to Me, but makes you constantly fall into a deep well where you will find more understanding and a greater welcome from those who do not want to come out of sin.

I SEE MY CHILDREN MENTIONING THE ANTICHRIST WITH SUCH EASE, AND THEY PRESENT HIM SO NATURALLY THAT HE SEEMS TO BE HUMANITY'S FRIEND, and those who do not warn about him deny it so that he can absorb My children and appropriate the goods that you possess in every respect, being the sole leader before whom the great leaders of the nations will bow. A single government that will be the greatest persecutor of those who are Mine, a single currency to identify My faithful, a single religion that totally excludes Me.

The impostor's domination throughout the world is agreed to by those who at this instant hold power over Humanity to declare war, famine for countries that do not generate income for them, and they send diseases to nations that do not suit them. They who decide the destiny of Humanity, decree revolutions, revolts, uprisings, the fall of governments, the fall of the economy ... **AND THIS THEY WILL KEEP UP UNTIL MY CHILDREN, FACING PURIFICATION, RECOGNIZE ME AS KING OF KINGS AND LORD OF LORDS.**

The impostor, the antichrist, will feed the hungry and give drink to the thirsty with great apparent kindness in order to captivate them, but when he holds them in his hands, he will be the great oppressor, punisher and persecutor of My children. He will scourge My People, clothe them with purple and flog them with the greatest of pains of which you are unaware at this instant.

This usurper will confuse those who do not know Me fully, those whose hearts are not ready, the proud, the learned who in some cases preach My Word but do not live it, because My Teachings go beyond knowing the Holy Word by heart.

MY PEOPLE NEED TO BE HOLY AND TO RECOGNIZE THAT THEY NEED TO ENTER INTO ME IN ORDER TO BE ONE WITH OUR TRINITY; ONLY THUS WILL THEY ATTAIN THE DISCERNMENT TO DEFEND THEMSELVES FROM SUCH TERRIBLE EVIL.

This impostor looks with great anger at My Mother, She who is Full of Grace. He knows of My Mother's attributes, of what My Father has granted Her in order that She intercede for and protect Humanity. This impostor wants to eliminate My Mother's children so that She suffers, because he knows that My Mother will crush him by Divine Will, so he makes believe that Her Messages are not valid in order to minimize my Mother's place within My People.

CHILDREN, YOU MUST KNOW ME AND RECOGNIZE ME, YOU MUST DISCERN SO THAT YOU DO NOT BELIEVE EVERYTHING, BUT ALSO SO THAT YOU DO NOT DENY EVERYTHING.

"For many will come in my name, saying, 'I am the Christ' and they will lead many astray. And you will hear of wars and rumors of wars; see that you are not alarmed; for this must take place, but the end is not yet. For

nation will rise against nation, and kingdom against kingdom, and there will be famines and earthquakes in various places: and all this will be the beginning of the birth pangs." (Matthew 24:5-8)

The increase of false messiahs, the increase of wars, the increase of famines, plagues and natural disasters ...
These events are Signs for this generation.
Humanity focuses on what is material ...
My Warnings go unnoticed and My Mother is a cause for derision ...
This Humanity is degenerating and My Church is moving away from Me
They do not want to know about My Warnings or the Parousia ...
They deny the definitive establishment of the Kingdom of Our Will with My Second Coming.

Pray My children, pray for the Middle East, it makes humanity suffer.

Pray My children, pray, the earth is stirred up more forcefully due to the proximity of a body coming from Space.

Pray My children, pray, you must make Faith last facing those who say that religion will remain untouched,
since it will become adulterated.

Pray children, pray, at this instant freemasonry is plotting Humanity's destiny.

Pray children, France continues to suffer because of terrorism. England grieves because of violence. The
United States continues in uncertainty, it will know misery.

MY PEOPLE, DISOBEDIENCE BLINDS AND DENIAL LEADS TO PERDITION AND TO ARROGANCE; DO NOT IGNORE THIS BEGGAR OF LOVE.

I am coming for My own, for My People ...
I am not coming alone, I come with My Mother and My Legions ...
I come with omnipotence and majesty ...
I come as King and Lord and everything will recognize Me: the earth, the water, the air, the fire, My children -
everything will tremble, because I, Your God, am coming for what is Mine.

Pray children in spirit and truth, not merely with your mouth without words lived out beforehand in your heart.

I love you, you are My People, I bless you, My People.

I BLESS THOSE WHO STRIVE EVERY DAY TO BE BETTER AND NOT TO BE LOST.

I BLESS THOSE WHO TRULY REPENT.

I love you deeply.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

In this Divine Call, Christ is clear and forceful...

We have to recognize the Signs of the times. Heaven has given us so many Divine Words so that we might know the Signals and Signs and so that we might be able to discern. We must remain prepared, but do not forget that we are not prepared so sufficiently as to be arrogant and to forget what Heaven has allowed us to know.

Let us not forget Our Mother; She does not call us to a Mariocentric but a Christocentric life. She constantly intercedes for us: She has not come to modify the Word of God, but to ask us to amend our evil ways. She calls us to reaffirm this search so that we are not found in what is sinful, but on the different path where there are obstacles, but where we will finally see the Glory of God.

Brothers and Sisters, let us not forget that the Mother of Christ, Chosen by God, is the Sacred Vessel and Advocate of men.

LET US NOT SPEAK ABOUT OUR MOTHER'S POWER BUT ABOUT HER 'YES!' TO GOD'S WILL.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
JUNE 4, 2017**

Beloved children of My Immaculate Heart:

WITHIN THE SACRED HEART OF MY SON AND MY IMMACULATE HEART, EACH OF OUR CHILDREN GOES ON BEING ILLUMINATED AND INSPIRED TO WORK AND ACT IN THE WILL OF GOD.

Man should allow, desire and ask for this inspiration so that the Divine Love of My Son might act in the human creature.

I invite you once more to be Love; in everything Divine Love should prevail in order that the act of the human creature might not only be an act that is lost without bearing fruit, but that in the act there would be contained that Love which transforms everything and causes every act and work to be greater and to expand.

BE UNITY, AND AS CHILDREN OF THE MOST HOLY TRINITY, EXPAND DIVINE LOVE, REFLECT DIVINE LOVE THROUGH THE HOLY SPIRIT. If man opens himself to the action of the Holy Spirit he attains reconciliation, liberation, grace and peace to overcome sin, and remember that:

" When the Spirit of truth comes, He will guide you into all the truth; for He will not speak on his own, but will speak whatever He hears, and He will declare to you the things that are to come." (Jn 16 :13)

BELOVED CHILDREN, I INVITE YOU TO CONTINUE WALKING WITHOUT STOPPING, AND AT EVERY STEP, ASK FOR THE GIFTS OF THE HOLY SPIRIT so that, being poured into your hearts, you might be creatures open to reconciliation firstly with the Most Holy Trinity, with yourselves and your brothers and sisters.

Man cannot walk without remaining at peace with God, with himself and with his brothers and sisters. As Mother of all men I look out for your interests, guiding you to God so that you might be sanctified.

I see you putting aside Heaven's Requests in order to fulfill yours first of all. That is why I am calling you at this instant to continue advancing without stopping, advancing with every intention to be better and to take constant steps towards God, who sees you and does not waste human effort but helps you so that you might continue on that path towards Holiness.

Beloved children, every human creature is different, but all must be the same Divine Love, the same Divine Charity, the same Divine Goodness where ever they are, everyone in their own state.

The refusal to improve is not proper for the children of God ...
Uncontrolled anger is not proper for the children of God ...
Criticism is not of the children of God ...
The lack of love is not of the children of God ...
Resentment is not of the children of God ...
Envy is not of the children of God ...

Sometimes you allow anger to lead you into states in which you are unrecognizable, uttering words against your brothers and sisters with a great void in your hearts. When this happens, you become unrecognizable and then must begin again like infants, since the one who rises up without recognizing that they have acted badly, drags along with them the chains of their bad action, and the rags will continue to contaminate them, and instantly that unrecognizable being again jumps out, dragging them away from what a child of Mine should be.

Beloved children of My Immaculate Heart, wickedness goes throughout the Earth sowing panic in Humanity. Some are aware of this, but a great number of My children are not, and the emptiness from which their brothers suffer becomes visible in the indifference with which they look at the events of this instant. They know well that this is the instant when evil has set out to keep Humanity in a state of anxiety, beginning with the great powers and then spreading all over the Earth.

Those who hold power over Humanity are responsible for the acts of terror in which human lives are lost and My children are kept in great fear. These men and women have decided to continue their persecution of My Son's Church in order that the latter be diminished until they close the Temples out of fear that My priests and My children lose their lives. For some this seems far off, but they should open their eyes and look at reality. This is the plan of Freemasonry, of the illuminati to which those who hold power over Humanity belong.

YOU MUST CONSTANTLY SEEK MY SON WITHIN YOURSELVES; HE WILL SPEAK TO YOU AND GUIDE YOU SO THAT YOU ARE NOT CONTAMINATED OUT OF IGNORANCE. AT THIS INSTANT IT IS ESSENTIAL THAT MY CHILDREN KNOW THE TRUTH, THE DIVINE WORD, SO THAT THEY ARE NOT LED TOWARDS ERROR OR HERESY.

Turmoil accompanies My children because the enemy of the soul keeps his legions of demons over Humanity so that turmoil, bewilderment and persecution be the main means by which My children walk away in fear from their duty as children of my Son.

THE EVIL ONE OPERATES IN SILENCE, WITHOUT ANNOUNCING HIMSELF; HE ACTS UPON EACH OF MY CHILDREN WHOM HE KEEPS PERFECTLY IDENTIFIED. He floods you with ills, suffering of soul and body; he constantly wounds your hearts through your weakest brothers in order to divert you from the path where My Son keeps you and on which My children have persevered.

AT THIS INSTANT, MY CHILDREN HAVE TO MAINTAIN SPIRITUAL VIGILANCE FACING THE CONTINUOUS PROVOCATION OF THE ENEMY OF THE SOUL who has managed to make some more susceptible, who makes others hard and insensitive; he holds others to priorities that are not My Son's Will, he sows discord in homes over the smallest matters, he causes other children of Mine to be resentful and not to forgive, he causes other children of Mine to believe that they are always right in relation to their brothers and sisters; he has led others to live in spiritual independence by encouraging their human ego.

THE ENEMY OF THE SOUL ATTACKS PRAYER GROUPS WITH GREAT FURY IN ORDER THAT DISCORD COMES TO SEPARATE AND PUT AN END TO THEM. In those to whom My Son has entrusted great works, he has sown spiritual fatigue and looking at who is working and who is not, judging one another. When a Work of My Son is being built he comes to confuse with various human opinions in order to bring down what was being raised up. Some of My children are conceited and do not accept other opinions or only follow what they think; they have gone from the stage of children to adults yet behave like children who find their satisfaction when their brothers please them in everything, say yes to everything. They take their own decisions and do not unite fraternally with their brothers in Mission, but follow their own guidebook and are not of one heart with the Work but walk alongside in order to be seen by others, yet they hold to their own prayers, their own concepts, their own whims, and they judge according to their way of thinking. How these children of Mine will suffer!

THE EVIL ONE HAS SET OUT TO FIGHT AGAINST THE MISSIONS MY SON HAS ENTRUSTED TO THE FAITHFUL INSTRUMENTS OF THIS INSTANT. He does not want the explanation of the Divine Word to be known, bringing disease down upon My children who are giving everything to keep the Word of Heaven in front of Humanity so as to warn you and motivate you regarding the soul's Salvation. Into some instruments he has implanted conceit so that they come to feel that they know everything, even the slightest whisper of their brothers, and about the events. He makes others think that they alone will be saved because only those who are beside a specific instrument are working and acting correctly. The evil one sows confusion and leads you to admire communist leaders and to use communist signs so that you then easily accept ideologies contrary to the Divine Will and go astray.

Evil knows that it is rising with the great support of the powerful economic and political elite; it knows that its tentacles have attained power over the mind of My children, and it knows the power that it has over Humanity through misused technology, with the aim of distracting My children and so that the latter would focus on pleasing their senses, which require them to remain within the world of illusion and unreality.

The tentacles of evil act stealthily: they have poisoned the youth and the latter rebels against norms of moral, spiritual, educational and social behavior. Young people impose themselves on their parents without any respect, they impose their judgments, desires, they hurl themselves towards perdition, they contaminate their bodies and organism with all that evil offers them, and these children of Mine take everything that is in front of them without any qualms. Modesty does not exist: it is a thing of the past, of antiquity.

How I grieve over the conduct into which Humanity has sunk! Homes suffer because of it: mothers and fathers are immersed in pleasure, keeping their improper acts and works hidden from their family, acts that destroy and undo the family nucleus. Deception, falsehood have become entrenched in homes, and this causes My Son to be constantly kept in His Sorrowful Passion. Society is succumbing to such deceit.

My children:

**IS THIS A WRONG DESCRIPTION OF THIS MOTHER WHO WANTS TO MOVE THE HEARTS OF HER CHILDREN SO THAT THEY REPENT?
IS THIS UNREAL OR IS THE TRUTH THAT YOU DO NOT WANT TO SEE IN ORDER TO CARRY ON IN THE CLUTCHES OF SATAN, THE FATHER OF LIES?**

Beloved children of My Immaculate Heart, Humanity suffers at the hands of terrorism, suffers at the hands of man himself, suffers from the constant refusal to which you subject My Son in every work or act contrary to the Divine Will.

Beloved children of My Immaculate Heart:

Wake up and believe!
Wake up and change!
Wake up and repent!
Wake up and return to the path that My Son shows you!
Wake up and unite!
Wake up and acknowledge My Son as the King of kings and Lord of lords!

HUMANITY, THIS IS THE INSTANT TO RISE UP AND EMBARK ON A NEW LIFE BESIDE MY SON. DIVINE MERCY IS PRESENT AT ALL INSTANTS FOR THOSE WHO REPENT FROM THE HEART AND AMEND THEIR LIVES. DO NOT WAIT FOR DIVINE JUSTICE!

The convulsion into which they have plunged Humanity is nothing other than the advance of the antichrist and his followers who have arrived in advance before men so that chaos reigns. **THE CURRENT STATE OF HUMANITY BETRAYS THE PROXIMITY OF THE EVIL OPPRESSOR OF HUMANITY. DO NOT BE BLIND. WAKE UP!**

My Son does not keep His people captive but has given them freedom of choice between good and evil. I call you to the path of good.

MY SON SHALL SEND YOU HIS ANGEL OF PEACE SO THAT HE COMFORTS YOU, OPEN YOUR UNDERSTANDING AND LEAD YOU TO HEED THE DIVINE WISH: that all men be saved and come to the knowledge of the Truth.

You must improve spiritually so that the Light of the Holy Spirit finds a place to be fruitful.

Pray My children, pray for France, it suffers from terror.

Pray My children, the great powers are the target of terrorism, they are headed towards the tension of war.

Pray My children, earthquakes increase and with them changes in Earth's geography are drawing closer to man.

Pray My children, pray, food will be scarce and man will panic. Small countries rise up to divert man's attention away from the true convulsion with which war and the enemy of souls are rising up.

Children, pray with your heart, with your mind, with all your senses. Pray in each work and with every action you perform, pray in every feeling, pray over every intention, pray at every instant. Praying is not just a word, it is not just repeating a prayer, although that is not bad. This is the instant when you need to know that praying is a continuous act that keeps you within the Divine Will, even in your gestures.

Love one another, see My Son in your brothers and sisters.

I keep you within My Immaculate Heart. You are the joy of My Heart when you heed My Requests.

MY BLESSING IS MY OWN LOVE FOR MY CHILDREN.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brother and Sisters:

Our Blessed Mother speaks to us from Her Heart, calling us to order. An order unknown to Humanity: spiritual order, the order that keeps us in God, the order that motivates man to repentance and forgiveness, the order that gives freedom to the Holy Spirit so that man sees and recognizes evil.

Humanity is called to resume the proper order for life, work and action, recognizing that without God we are nothing.

Our Mother warns us and reveals to us that with which man is constantly living and which is leading him to perdition, having taken this as a habit that increases until it separates the creature from its Creator.

Our Mother wants us to understand that it is necessary to keep conscience united with Her Son, so that everything that man does be blessed and in this way be for the good of the soul.

The calls from Heaven in order that we might not be lost are countless, even in the midst of constant agitation by evil towards Humanity. As children of God we know that evil will never triumph over good. And we know that this Humanity is going to be purified through so much evil that it has desired and accepted ...

BUT WE KNOW AS BELIEVERS THAT THE IMMACULATE HEART OF MARY WILL TRIUMPH, and that we must stay under the constant action of the Holy Spirit in order to discern correctly ...

"Likewise, the Spirit helps us in our weakness; for we do not know how to pray as we ought, but that very Spirit intercedes with sighs too deep for words. And God, who searches the heart, knows what is the mind of the Spirit, because the Spirit intercedes for the saints according to the will of God." (Rom. 8, 26-27)

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY JUNE 14, 2017

Beloved children of My Immaculate Heart:

I BLESS YOU, YOU ARE THE FRUIT OF DIVINE LOVE.

My Word continues to draw close to each one of My children so that they may reject deception and accept the Truth, which is what endures forever.

You, children, should not live from the "moment", but you must be creatures continually seeking to stay in perfect and perpetual union with My Son.

As Mother of Humanity, I call you to remain attentive to the Signs of this instant and not to be like those who scorn the Word from Heaven.

Man goes away from God as a result of evil human work and action, built on a lukewarm life without commitment, filled with works and acts done at the convenience of personal free will. The ideas, the ways of thinking, the aspirations of man are not always those to which My Son calls you, yet you disobey and everyone distorts them at their convenience.

HUMANITY IS DEVOTING ITSELF TO CAREFULLY PREPARING THE FUTURE WHERE MY SON IS EXCLUDED, AND THUS LIVE IN LUKEWARMNESS, YOU ARE GUIDED BY WHAT IS SINFUL, WITHOUT CONTEMPLATING WHAT IS THE DIVINE WILL.

You have forgotten that I have called you to remain attentive to the Signals, not only those that occur in the sky, but those that are continually happening on Earth.

The sea will be stirred up so much that you will almost hear it roar, in the midst of the confusion of My children, who have rejected all the warnings given to them.

CHILDREN, TO THE EXTENT THAT YOU REJECT CONVERSION YOU WILL BE GREATER LOVERS OF YOURSELVES: HOW MANY OF MY CHILDREN WILL SUCCUMB UNDER THEIR OWN PRIDE! HOW MANY WILL LAMENT THEIR GREED AND FALSE PIETY!

Examine yourselves! Most of My children live in lukewarmness, in their "comfort zone" so as not to commit themselves as true children of God or to aspire to a spiritual life. Beloved, you do not perceive or see the danger in which you are living, nor the constantly snares from evil upon you in order to tempt you and that provocations that are not imaginary are becoming part of the reality of the believer who does not deny their faith.

HUMANITY: YOU ARE LIVING AND WILL LIVE A FIERCE STRUGGLE TO REMAIN WITHIN THE "YES" THAT YOU HAVE PROMISED GOD. The battle intensifies as the instant passes. For this reason, the Divine Law is disrespected and transgressed due to the evil that is increasing, not only in society but within man himself, rejecting the Divine Law, Divine Order, and welcoming with pleasure the licentiousness that the devil himself has slowly been implanting, in order that man detaches himself fearlessly from life in a state of grace and succumb to the abyss beneath forms of modernism from which the Divine Will is excluded.

Human creaturely hypocrisy causes you to make pronouncements against My Revelations, which by Divine Mandate I make known to you so that you are not be taken by surprise in the face of adversity and the necessary purification of this Humanity.

In great quantities you meet and will meet brothers who, like stumbling blocks on the road due to their misguided lives, hold a constant and heavy cross on My children, reproaching them for works and actions in order to bring them to despair and insecurity, and in this way you feel insecure and fall into what is wrong.

Attention, children:

THOSE HUMAN BEINGS WHO INSIST ON CLOSING THEIR EYES TO HEAVEN'S CALLS BECOME THE GREAT DETRACTORS OF THE TRUE INSTRUMENTS OF THIS INSTANT, AND THIS THEY DO FOR FEAR OF THE LIGHT THAT IS BROUGHT BY THE EXPLANATION OF THE DIVINE WORD REVEALED TO YOU, AND FOR FEAR OF MY REVELATIONS. Even so, do not be afraid; I intercede for the persecutors of the People of My Son in order that they convert, and in not converting they will be overwhelmed by the darkness of their own folly in the midst of this Humanity that despises correction and welcomes sin.

My constant Warnings are not in vain, nor are they for keeping you in constant expectation out of fear, but they are for you to prepare and walk with righteousness in all your works or actions, they are so that you know what is behind the constant trials and difficulties of My children. My repeated Warnings are a wall that protects you against everything rising up against My Son's People, against the world and its falsehoods, against the heresies and abominations with which they wish to mislead the Church of My Son.

You believe that you are watchmen of My Son's People and yet you are blind people who do not want to see, you do not speak for fear, the word of some brother surprises you and you treat the Word of My Son as nonsense. How incoherent you are, children!

HUMANITY, IDOLIZING YOURSELF AND HOW MANY FALSE GODS YOU FIND ON YOUR WAY: WAKE UP AND DO NOT SLEEP FACING SUCH FALSEHOOD AND ABOMINATION!

BE WISE, DO NOT WASTE THIS INSTANT ON BANAL THINGS, BUT BE INTELLIGENT AND KNOW MY SON SO THAT YOU MIGHT NOT BE DECEIVED BECAUSE OF BEING IGNORANT OF THE TRUTH AND THUS FALL INTO THE FOLLY OF THE PROUD AND BE TAKEN LIKE SHEEP TO THE SLAUGHTER.

The Earth finds itself facing the greatest dangers in the history of Humanity and everything seems to be a lie to you. You have accepted dates marking the end of this generation - dates marked by men -, and have fallen into terror because of not knowing the Divine Word.

**AT THIS INSTANT YOU ARE REPEATING WHAT YOU HAVE HEARD FROM OTHER BROTHERS:
"NOTHING IS GOING TO HAPPEN, WE HAVE BEEN WARNED
AND NOTHING HAS BEEN FULFILLED".**

HYPOCRITES! YOU HIDE BEHIND HUMAN ERROR IN ORDER TO CONTINUE IN THE FOLLY OF THE FLESH AND GO ON POLLUTING YOUR MINDS, SO THAT WITH A HARDENED HEART, EVERYTHING MIGHT BE PERMITTED FOR YOU. GOD TRIES HIS PEOPLE IN ORDER FOR THEM TO DEMONSTRATE

THEIR FAITH.

Do not reject this Word, go seriously back to the path that leads to Salvation, being those who fulfill the Divine Law. Humanity finds itself inside the theatre that evil has prepared for you. The tentacles of the evil one labor without ceasing and the People of My Son live constantly waiting, putting aside reconciliation with My Son and therefore Eternal Salvation.

Beloved children of My Immaculate Heart, evil does not sleep: as soon as man is not careful it surges fiercely, not only to tempt but to bring him down. **BE MATURE PEOPLE, KNOWING THE DIVINE TRUTH, AND MAKE AMENDS WITHOUT LOSING THE INSTANT.**

The Earth is threatened by a Celestial Body; the men of science know it and Humanity does not know it, the rulers of the powers know it and do not make it known. It would be good for Humanity to be aware of these threats hanging over the Earth.

Water wants to purify the Earth, the fire will be greater in as much as temperatures are extreme, the air will bring with it particles unknown to the inhabitants of coastal areas.

Wickedness is increasing and gaining strength as My children become weaker and are more lukewarm than the lukewarm. Persecutions and turmoil in the nations are increasing like a plague going through the nations. My children are not loved, they are rejected and put to death for being Christians and living trying to be better at every instant of their lives, leading a holy life. Holiness is hated by the devil and his followers; this is the reason why those who follow Satan are tearing down images of My Son and committing sacrileges, scourging and putting My Priests to death; goodness is the light that tells My Son's People that evil will not triumph over good.

I GRIEVE THAT THE MINDS OF SO MANY YOUNG PEOPLE ARE SATURATED WITH FILTH TO WHICH THEY HAVE SURRENDERED IN ORDER TO FOLLOW WHAT THEY CALL "MODERNISM", WITH THEIR MINDS AND HEARTS DEVOID OF MY SON, OF VALUES, MORALITY AND RESPECT.

Pray children, pray for Argentina, it will weep.

Pray children, pray for Venezuela, this nation finds no rest.

Pray children, pray for Finland, it will cause fear for Humanity.

Pray children, volcanoes wreak havoc throughout the Earth.

Pray children for yourselves, so that you may come to the knowledge of the Truth and be faithful children of the Most Holy Trinity.

Divine Mercy is not exhausted and will send its Angel of Peace so that, with Love, He lifts up the dejected and renew their strength so that the People of My Son be enlightened.

DO NOT LOSE YOUR PEACE, MY CHILDREN, BE CREATURES OF PEACE.

I love you, I bless you.

With Love.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Blessed Mother leads us by Her Hand to guide us towards inner change, since it is necessary for us to recognize ourselves with our deficiencies and faculties, and to be healed inwardly in order to find God once more.

Humanity is constantly regressing; this is something fateful and incomprehensible. Divine Grief is constant

because of Humanity's degeneration, of which evil takes advantage in order to carry out its plans drawn up from ancient times.

Our Mother tells us that man wants to limit God, dismisses Heaven's Calls and facilitates evil's interference with Humanity.

Brothers and sisters, man is keeping the ground prepared for evil to take possession of Humanity.

That is why purification is coming to cleanse so much sin. Let us continue in unity, and let us firmly confess our faith in God towards the Most Holy Trinity and our love towards the one who is the first Disciple of Christ, our Blessed Mother, **THE EVER VIRGIN MARY, MOTHER OF GOD AND OUR MOTHER.**

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST JUNE 17, 2017

Beloved My People:

I call you to continue opening up a path within the jungle of the disordered appetites that at this instant abound in Humanity.

MY PEOPLE REGARDS MY CALLS WITH DISINTEREST, BECAUSE THEY DO NOT READ OR WISH TO UNDERSTAND WHAT I EXPRESS TO THEM, SOMETIMES FIRMLY, SO THAT THEY DO NOT LEAVE ME OR FEEL THAT IN ATTENDING AND RECEIVING ME ON SUNDAY IN THE EUCHARIST ... THEY HAVE ALREADY OBEYED.

Man has grown up looking for me, yet not within himself but by straying onto other paths that cause him to fall into the clutches of satan.

Humanity, deafened by its own desire to excel, blinded by continuing to advance, has disrespected Creation. At this instant, man's suffering is complemented by aggression towards what surrounds him.

Insofar as man has attacked his own self by devastating everything around him, he has minimized Creation's protection over all Mankind.

I call you to inner change; you read it but do not treasure it by not loving me - on the contrary, you react against spiritual union with My House and spiritual growth.

MY BELOVED PEOPLE, YOU KNOW THAT THE ENEMY OF THE SOUL DEVOURS LOVE IN THE HUMAN BEING.

You are foolish: I call you to grow spiritually so that you overcome your weakness and not be easy prey for the devil, and instead, you react and act totally contrary to what I request from you. This is human folly, the reaction of one who is not converted and convinced, who has not decided to give everything for Me, but who on the contrary continues in a constant struggle against Me.

This generation takes My Words at their convenience in order to distance itself from Me. It gives its own meaning to My Law in order to transgress it in the light of the total debauchery in which the human being is living.

The times of Sodom and Gomorrah were not like these. This generation has surpassed them with humanity living by the moment and demanding answers that it does not deserve.

THE INSTANT IS PASSING WITHOUT YOUR MEDITATING ON HOW YOUR LIVES ARE GOING, AND YOU DO NOT FIND PEACE, THIS BEING DUE TO THE FACT THAT YOU ARE NOT SATISFIED BY ANYTHING OR WITH ANYTHING.

Man grows without knowing me, initiative is not necessary, not even that of seeking Me. I see so many of My children participating in prayer groups, providing help within religious services, mentioning that they belong to a particular group, yet they are so empty that they do not become aware of what I am giving them. The reaction of a large number of My children is one of pride towards My Calls.

MY PEOPLE, IT IS NECESSARY FOR YOU TO LOOK WITHIN YOURSELVES, AS CONTINUOUS REBELLION POISONS MAN UNTIL IT CAUSES HIM TO STAY IN THE SOLITUDE OF HIS OWN DISGRACE.

My beloved People, "*man does not live by bread alone*"(Mt 4,4). You feed on everything that comes into your hands and without knowing me, you question Me.

THE DEMON KEEPS EACH OF HIS TENTACLES OVER A CERTAIN SECTOR OF HUMANITY. EVERY TENTACLE OF EVIL HAS BEEN DESIGNATED TO CONSTANTLY ATTACK MY CHILDREN DEPENDING ON THE CAPACITY AND QUALITY OF EACH PERSON.

Our House protects you, but Humanity rejects Divine Protection and goes on living in its "ego", with its personality, because for man the slightest change is a sign of weakness.

I am not a God tailored to the whims of each of my children, "*I AM WHO I AM*" (Exodus 3:14) and My People have been called to live within the fulfillment of Our Will.

My people, evil feeds the proud, the dishonest, the envious, the rebellious, the treacherous, the one who does not allow rebuke, the one who does not love and therefore finds their life full of lukewarmness in every respect.

You wait ... what are you waiting for? What has been revealed will be fulfilled, Humanity has not responded and finds itself in the Purification, which will increase all every instant.

MY - REBELLIOUS - PEOPLE! From Our House will come Divine Assistance like manna for My troubled children. My Angel of Peace is a bearer of My Word and will help those who are Mine. He, united with My Mother, will be a refuge for My Own.

The Earth, My children, will be transformed by Nature that man has altered and managed to contaminate so much that it has been weakened and in becoming weak is crumbling in some places.

MAN WILL HAVE TO EMIGRATE, LEAVING BEHIND THE COMFORT IN WHICH HE FINDS HIMSELF.

ANTI-CHRISTIANITY IS ONE OF THE GREAT SIGNS FOR YOU AND YOU DO NOT SEE IT.

The specter of war has been unmasked, you live in war and you do not see it that way ...
You live in the midst of the hatred of some against others and you do not see it that way...
You are stiff-necked creatures and you do not see it that way ...
You do not change, you are not transformed because of pride, and you do not see it that way ...
Rome, without your noticing it, is surrounded by those who rebel against Me. Rome will suffer at the hands of terror and its soil will be stained red.

Evil feeds anger, man allows anger to make him unrecognizable. Children, Satan is using some of those who were My servants to confuse you and steer you onto the wrong road leading to the precipice. Discern ...

You carry on living in spiritual misery, living off crumbs while being children of the King, because of the constant denial in which you find yourselves, because of the constant rebellion in which you find yourselves, because of the limitation to which you have voluntarily submitted ...

You know My Word and deny the explanation of My Word. You are living in a fleeting instant ... and are not prepared to convert!

The Warning announced by My Mother is close to you and My pain is infinite at the state of the souls that refuse conversion.

YOU NEED TO UNDERTAKE RADICAL CHANGE: SERIOUS, DECISIVE, AND YOU NEED TO STOP BEING MEDIOCRE AND LUKEWARM. MY CHURCH NEEDS TO BE SALVATION AND NOT PERDITION.

IF YOU DO NOT DECIDE FOR INNER CHANGE AND BEING TESTIMONIES OF ME, WHAT GOOD IS KNOWLEDGE TO YOU? KNOWLEDGE WITHOUT PRAXIS IS A CANDLE WITHOUT LIGHT.

My Beloved People, hitherto unknown atmospheric changes will astonish science. Man does not know what he has provoked by altering Creation.

Pray, My children, pray for Russia, it will suffer because of Nature. Its inhabitants will suffer from terrorism.

Pray My children, pray for Canada, it will be greatly shaken.

Pray children, pray, the earth continues shaking and takes by surprise those who are not expecting this. Volcanoes increase their fury and the great volcanoes make news.

Beloved My people, from immorality you have gone to total abandon and this is increasing without measure, offending and transgressing My Law.

You do not look at the light of My Truth, you condemn yourselves without the slightest of qualms.

YOU REJECT THE MEANING OF EFFORT, THEREFORE YOU HAVE REJECTED ME. YOU ARE NOT GRATEFUL FOR WHAT YOU HAVE, BUT DESPISE IT. The time will come when the enemy of Humanity will separate you from your possessions and you will regret it, being too late to aid the needy and the hungry.

MY PEOPLE , YOU DO NOT WALK BUT ARE LED BY THE CURRENT OF THE WORLD, THEREFORE YOU DO NOT STOP AND CHANGE DIRECTION.

The big cities are infested with evil and perdition; you, My children, do not approach evil.

You are not the owners of Salvation, you must be worthy of it. You are not owners of salvation but have to acquire it.

COME TO ME, CHILDREN. COME TO ME, DO NOT BE REBELLIOUS.

I bless you, I love you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

Our Lord Jesus Christ calls man with Divine Love through the explanation of His Word. He makes us see the reality of the man who has before him good and evil and the decision about Salvation.

Within his own being, with his personality, man can be love or anguish for his fellow men, he can be hope or become a cause of desolation. Everyone decides what they want to be in life. Man can change and be better and a cause of blessing for Humanity. This is not a possibility - it is everyone's personal decision. Christ calls us to be that drop of water that accepts being united to its brothers in order to expand and grow and thus be part of that People of God who testify to Divine Love.

Every human creature lives the Love within it. Everyone is free for that Divine Love to transform them so as to be a blessing in their life.

Each person decides to live waiting a long time in order to find true happiness, or decides to be united to Christ, with the search becoming a loving reality.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY JUNE 21, 2017

Beloved children of My Immaculate Heart:

MY LOVE KEEPS PROTECTING EACH ONE OF MY CHILDREN.

AS THE WOMAN CLOTHED WITH THE SUN, so I come at this instant to open the eyes of those who do not want to see the Truth of the instant.

Evil has taken possession of My Son's People, who have surrendered without qualms to the suggestive word "pleasure"...

Evil continues to deceive man, and the latter surrenders unreservedly to the deceptions with which it drew past generations towards it.

My children are persecuted without mercy; this persecution is spreading quickly. Every sign of goodness is an offense to those who are lovers of satan.

MAN'S MALEVOLENT OPRESSOR, THE ANTICHRIST, WILL NOT PRESENT HIMSELF TO HUMANITY REVEALING HIS IDENTITY; ON THE CONTRARY, HE WILL BE A WOLF IN SHEEP'S CLOTHING, WITHIN WHICH THE MOST SINISTER PLANS ARE BEING HATCHED. He will feed the hungry, he will heal the sick, supply man's basic needs, he will perform miracles so that you see him as the savior of Humanity, and when he presents his true face, he will be the murderer of My Son's People.

THE ANTICHRIST WILL PENETRATE THE MINDS OF MEN, CAUSING THEM TO FIGHT AGAINST ONE ANOTHER; HE WILL RAISE PARENTS UP AGAINST CHILDREN AND CHILDREN AGAINST PARENTS - FAMILIES WILL PERSECUTE THEIR OWN MEMBERS. Terror will seize society until it leads to denial of the Faith and blasphemy against God. Those who are followers of the Antichrist will be deprived of thought, for their thinking will be engulfed by the force of the psychic power of the evil oppressor of Humanity.

The worst instincts will awaken in men, all disrespecting one another. Scarcity will be the trigger for the weak to profess their faith in the antichrist. That is why I call you to know My Son and to recognize Him so that you will not be deceived by evil.

Beloved children of My Immaculate Heart, retain the knowledge of what pertains to the Antichrist, before he takes complete control of Humanity.

DO NOT FEAR; INSTEAD, LOOK INSIDE YOURSELVES AND RECOGNIZE THE SIN YOU HAVE COMMITTED. TAKE THE DECISION TO CHANGE AND BE RENEWED INTERNALLY WITH A GENEROUS SPIRIT; ENTER INTO THE TRUE LIFE IN ORDER TO RESIST EVIL.

Do not reject My Words so as not to regret what you have left behind as something worthless. I do not announce to My children what they will not suffer, I announce it so that you prepare and convert.

My beloved, purification is man's choice in the face of such decadence, abomination and heresies with which the People of My Son offend the Most Holy Trinity.

The wrath of God will descend to Earth. What has not been seen before will be suffered by the human race; unbelief will be the lament of the lukewarm. **BELOVED CHILDREN, I THEREFORE OFFER YOU MY PROTECTION. THIS IS AN INSTANT FOR DECISION: YOU CANNOT CONTINUE BEING LUKEWARM BECAUSE EVIL WILL DRAG YOU OFF, WITHOUT YOUR BEING ABLE TO FLEE FROM IT.**

Humanity must change before the devils take it as their possession ...

You need to pray ...

You need to offer penance ...

You need to ascend spiritually; you cannot continue being mediocre, you should not content yourselves with calling yourselves Christians without giving **EVERYTHING** for My Son.

Do not say "Father" if you are not true children, do not say that you "forgive those who sin against you" if you do not forgive: do not be like the hypocrites. God knows about everything, knows everything, and no human creature is ignored by the Father.

Humanity is given over to complete disorder, My Son suffers because of it.

Pray My children, pray for France, it will be scourged more severely, again and again.

Pray children, pray for the People of My Son, pray for yourselves.

Pray My children, pray, the volcanoes make their power felt, shaking the earth, pouring their fury over the earth, ravaging peoples.

Pray My children, pray for Spain, it will be taken by surprise, pray for Spain.

Pray My children, the United States will continue being scourged by Nature and terrorism will come to cause uncertainty.

You, My beloved:

I CALL YOU NOT TO DECREASE IN THE FAITH, BE THOSE WHO SHINE IN THE MIDST OF THE GREAT DARKNESS THAT REIGNS ON EARTH. DO NOT FORGET THAT WEAKNESS IS COMBATTED BY THE FORCE OF THE EUCHARIST: TREASURE THIS INSTANT WHILE YOU CAN RECEIVE MY SON EUCHARISTICALLY.

Remain in expectation, Russia will take a decision that will affect all of Europe directly and the whole world indirectly.

Unite in the Name of My Son; be fraternal, do not seek the individual good but the common good.

Invading churches and destroying them will be an everyday occurrence to frighten My children and so that they renounce the faith.

Beloved children, do not be silent about your sins; acknowledge that you are sinners, examine yourselves, do not deny yourselves Salvation, do not condemn yourselves for not acknowledging sins committed.

I HEAR PREACHING ON DIVINE MERCY, YET YOU ARE NOT BEING WARNED ABOUT DIVINE JUSTICE. The sinner is not rewarded if he does not repent. Children, you are being led to lose your soul: the sinner has to convert - this is the Truth.

My Requests have not been obeyed; the times would be different if Humanity had obeyed me, if My Son's Church had complied with My Requests that I made in the Name of the Most Holy Trinity, the destiny of all Humanity would be different.

BELOVED, THE ANGEL OF PEACE WILL COME FROM THE FATHER'S HOUSE WITH THE DIVINE WORD IN HIS MOUTH, TO PACIFY THE TURMOIL OF HUMANITY, WHICH IN DESPAIR WILL MAKE SOME RISE UP AGAINST OTHERS, LOSING ALL CONTROL, SURRENDERING TO THE WILDNESS CAUSED BY DESPAIR. IT WILL BE THE INSTANT OF THE ANGEL OF PEACE, THE INSTANT OF THE RESCUE, OF THE UNITY OF THE REMNANT CHURCH, THE FLOCK WILL CALM DOWN.

Beloved children of My Immaculate Heart:

I protect you, I constantly bless you: listen and do not continue without action - be constantly practising the Divine Word written in Sacred Scripture.

DO NOT CONTINUE IN INERTIA! WAKE UP, MY CHILDREN, WAKE UP! Take My Calls seriously. The instant will come when you will see the fulfillment of what I have revealed to you, and how you will regret your disobedience.

I CALL YOU TO HEED THIS WORD OF MINE. I BLESS YOU.

DO NOT FEAR, I KEEP WATCHING YOU AND DELIVERING YOU FROM GREATER EVILS.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Mother reminds us of the importance of being aware of the state of our soul in order to attain Salvation. And She calls us to recognize the enemy of the soul in order that we be clear about the strategies he uses so that man would be lost, leading him to work and act against the Divine Will, and in this way man loses Salvation.

We are aware that prayer causes us to advance on the spiritual path, but this is not all; prayer rather makes us embark on the constant search for spiritual ascent. We know that man easily becomes accustomed to things. Let us remember that spiritual fatigue holds man back, and therefore the spiritual life must be a constant renewal.

When the human creature sets itself a goal and attains it, it must impose on itself the conquest of another goal, because it is never enough to reach Eternal Life.

Man must awaken and listen to the voice of conscience so as not to go astray and to discover that the goal contains in itself an infinite amount of new knowledge that leads man to discover God in what he did not know, and in this way to draw closer to the Infinite Truth.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST JUNE 26, 2017

My Beloved People:

MY HEART KEEPS BEATING FOR EACH ONE OF YOU... I THIRST FOR SOULS!

I call you again and again to obedience, and you refuse. You continually rise up without the need to show yourselves to be against Me, but continually accepting new idols that men create and that are leading you to the precipice.

You live in denial of My Divinity. It is not necessary to utter words, but with your acts and works you are more eloquent than the greatest orators.

EVERY INSTANT I SEE MY PEOPLE ADAPTING TO THE DENIAL OF MY DIVINITY so as to create more confusion. I wonder at seeing with what ease you voluntarily adapt to the instant in order to deny Me and create confusion in your brothers and sisters, with the goal of creating greater evil, greater ignorance, and thus premeditatedly taking a greater number of human beings to the abyss. Evil is heading very quickly towards its maximum expression.

My people:

WHERE ARE YOU GOING? DO YOU NOT SEE THE IGNORANCE CREATED BY MAN HIMSELF OVER PAST CENTURIES? EVERYTHING HAS BEEN CREATED SO THAT AT THIS INSTANT MAN WOULD BE MORE PERMEABLE TO EVIL AND LESS WORTHY OF BEING CALLED MY CHILD.

You want to heal the evils you create by committing greater evils. Sin has no other name: sin is sin. But he who leads his brothers to offend me being aware of that offense commits a greater sin, and the offense is greater.

My people, the barbarism in which you are living was not created in an instant; degeneration has been implanted within Humanity long beforehand. At this instant the rebellion in which man has been living previously is emerging in public, it is just that human degeneration used to remain hidden and is now public.

My children, how many followers instantly succumb to total degeneration! In every respect, where life exists, man contaminates it with degeneration and perversity.

IGNORANT IDOLATERS! SUCH ARE MY PEOPLE: BEFORE MERE MEN YOU BOW DOWN AS IF THEY WERE GODS.

Not only is he guilty who adores whomsoever is not God, but the one who allows himself to be adored like God, pandering to pride and arrogance. Are not these the sons of the devil who are leading My people astray? You have entered into idolatry and cannot stop it, ungrateful children! I give Myself to you and you constantly deny Me.

SUCH IS THE EVIL THAT YOU CAUSE TO REACH ME THAT FIRE WILL FALL FROM HEAVEN. And even so the mouth of the liar will not be silenced; you are committing so much evil before My Eyes, there is such an abundance of impiety by the idolaters, they will bring this generation to instants of very great pain.

Look how many rags you drag, how much you are handing over to Satan, and it is not only Satan who is a liar, but man himself, who calls himself chosen without Me calling him chosen.

How many of My People feel that they are sealed, called, selected, separated from sinners, themselves being sinners who do not take the straw out of their own eyes! They commit offenses against Me and think that I do not see them - hypocrites!

My people, how much pride I see in you, and you go on calling me your God when you should repent before I cause you to examine yourselves on your own.

I am surprised to see how you take My Word and ignore it; you take it according to the needs of each person. How you will mourn for it, rebellious people!

FOOLS! STOP OFFENDING ME ...

PUT A STOP TO THE FALSE GODS THAT HAVE IMPOSED THEMSELVES AND THOSE THAT YOU HAVE ACCEPTED VOLUNTARILY IN ORDER TO ACCEPT THE WRETCHED STANDARDS OF THOSE WHO BELIEVE THAT THEY ARE MORE THAN ME.

You have ignored My Warnings and have forgotten that when man feels himself to be in possession of a great science, he runs the risk of swelling up in the spirit and feeling that he is more than his brothers. **WHY DO YOU NOT FEAR ME?...**

My people have gone away from Me, they are a people who desire the Earth, therefore they attach themselves to what is instant, rejecting My Law, they feed on the Earth and the Earth itself vomits them out.

Great is the person who converts, needing me, seeking me in order that I protect them in the midst of so much evil that surrounds them...

Great is the person who seeks Me faced with the degeneration in which Humanity is living...

Great is the humble person who does not litigate with their brother but seeks peace...

Great is the one who knows how to keep silence so that I speak...

Are you, My children, the converts of this instant?...

Are you the ones who have left the world or those who continue being sad?...

What is Justice for you and what is Justice for me?...

Are you honey for your brothers and sisters, or are you gall? ...

Are you bringers of happiness or unhappiness? ...

Are you those who seek Me with the eyes of the body, needing what is material in order to touch me? ...

My people, those and only those who have a pure heart can see me. For this you first have to cleanse your eye and then, with the eyedrops of love, seek me within, in your heart.

MY PEOPLE, SO FEW ARE THOSE WHOM I CAN CALL "BELOVED CHILDREN OF MY PEOPLE".

The instant in which you are living is crucial for Humanity: you know it but deny it.

Do not surrender to evil as if I did not warn you; enter into inner silence and seek me while you have an instant.

I do not refuse My children, I do not refuse the one who seeks Me, I do not refuse the one who needs Me and recognizes that they are a sinner.

Let those who are tired of the things of the world and its machinations come to Me...

Let those who are persecuted come to Me...

Let those who have gone wrong come to Me...

Let those who find themselves tied to sects contrary to My Will come to Me...

Let those who are in tribulation come to Me...

Let those who are lonely come to Me...

Let those who do not listen to Me in My Calls come to Me, let them draw near with a contrite heart and I will welcome, enlighten and protect them.

Pray My children, pray so that My Holy Spirit might dwell in each one of you.

Pray for My children, pray for Germany, it will suffer at the hands of terrorism and Nature will scourge it.

Pray my children, pray. I call you to begin a Worldwide Chain of Prayer of the Holy Rosary for peace in Venezuela.

Pray children, Spain grieves with pain over offenses against My House.

Pray My children, Colombia shakes.

My people, as My children sink into the mire of impurity, so the Earth experiences sinking throughout the world.

My People are faithful and true, they do not worry over what worries the world. On the contrary, they remain in continual prayer because they know that I am with My own, **I AM FAITHFUL AND TRUE.**

I bless you at this instant in which My people are being tested.

I bless your hearts in order that My Love might abound in them.

I bless your sight, thought, ears, so that in them My Calls reach the depths of each person.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Listening to Christ, Our Lord and God, knowing Him and recognizing Him as "My Lord and Savior," I can only say: "I am sorry Lord at having offended you".

In the light of every Divine Word out of the Divine Mouth, great is the offense incurred when the virtues of man are praised more than the Sacred Word, great is the offense incurred when man is praised and God is not Worshiped.

How much Our Lord tells us about how man needs to feel human flattery to maintain a status, even a spiritual one! ...

How many Calls and how many refusals! ...

How much Mercy from God and how much injustice from man towards our God!

Christ gives us a very great lesson and reaffirms to us: **I AM FAITHFUL AND TRUE.**

**LIKewise, I FEEL THAT HE LEAVES US THIS QUESTION FOR EVERYONE:
AM I FAITHFUL AND TRUE TOWARDS THE MOST HOLY TRINITY?**

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST JULY 01, 2017

My Beloved People:

MY SACRED HEART BURNS WITH LOVE FOR EACH ONE OF YOU.

I keep My Sacred Heart open to all who draw near with a contrite and humble heart, with a firm purpose of amendment, ready for that reunion to be true and lasting.

I am jealous for My own. I protect them at all instants, warning them so that they do not go astray. I explain to them all of what is found in My Word and I repeat the Calls of My Mother given at all the necessary instants so that My children understand that Humanity has gone astray and, when it has gone astray, has passed through the crucible of purification.

My people, conscience has been obstructed by man's constant falling back into the sins with which you offend Me and adhere to evil.

You have still not understood that in order to live in My Will you must know Me and acknowledge Me so that each act be an echo of Mine, each work be an echo of My Works filled with Divine Love. Until My love lives in you and has dwelled in you, it will be difficult for you to be faithful and true children.

**MY LOVE IS OBEDIENCE, IT IS FORGIVENESS, GRATITUDE, PRUDENCE,
CHARITY, UNDERSTANDING.**

**MY LOVE IS GIFT AND VIRTUE, WITH WHICH MY CHILDREN ARE A
TESTIMONY TO MY TRUTH.**

Appearances do not exist before Me, they are detestable to Me. When My People love appearances, I quickly go away. Faced with this detestable act, I do not recognize human creatures. I Am faithful and true.

**HOW MANY OF MY PEOPLE KNOW HOW TO TALK VERY WELL BEFORE THEIR BROTHERS AND
INSIDE THEY ARE EMPTY AS A CONTAINER THAT IS PERFORATED!**

I desire works and acts born of Truth and of My Love in order that they be a prolongation of My Love and My Truth.

My Beloved People, at this instant Humanity is lost in its folly, it refuses to comply with the Divine Law and has surrendered to satisfying its base instincts with its misused free-will. My people do not recognize evil, since this has become connatural to man, and so the enemy of the soul joyful gathers the fruit of his constant temptation of My People.

**MY CHILDREN DISAVOW ME, THEREFORE THEY HAVE BECOME LUKEWARM AND ENJOY THE
LUKEWARMNESS WITH WHICH THEY ARE DECEIVING THEMSELVES.**

Evil gives you the dowry and more so that you be creators of a greater evil. You are unable to stop the erroneous teachings within My People because you are lukewarm children and do not know Me. You say that you are My children and instead you are My torturers who constantly keep Me suffering.

All that surrounds you acknowledges Our Divinity: you deny Our Trinity, reject My Mother and mock My Calls. When the Calls of Our House leave you exposed, you attack them, and you thereby make it clear that within My People the snakes are not crawling on the ground but remain high up. But before an ignorant people, the serpent flies and makes the eagle crawl so that it does not warn those who seek Me.

**I DO NOT EXPLAIN MY WORD TO YOU IN ORDER FOR YOU TO KEEP IT ANONYMOUS, BUT SO THAT
YOU MIGHT BE FED WITH THE FOOD THAT MY HEART EMANATES FOR MY PEOPLE, THAT PEOPLE
WHO OBEY MY WORD.**

My people: the more you depart from Me, the greater is the purification!

Each person is an expansion of My Love or an expansion of the evil with which you contaminate those who find comfort in lust, in the folly of evil, in profanation, in fornication, in denial towards My Love, in lies and in the comfortable life of the way of the world.

**I AM NOT DECEIVING YOU: PERVERSE HUMANITY GOES TO EVIL TO SOLVE ITS NEEDS AND FIND
REFUGE FACING PAIN.**

**THE DEVIL SOLVES YOUR IMMEDIATE NEEDS BUT OFFERS YOU NOTHING FOR FREE. YOU HAVE TO
PAY BY SURRENDERING TO HIM AND WITH THAT YOU KILL THE SOUL.**

The danger for My People is approaching from the Universe; the great world powers know about these Celestial Bodies that will be catastrophic for Humanity. They deny this knowledge, not for the good of man but to keep you within the lie of a Humanity without problems and without sin.

The weather will never be the same. The constant changes have managed to penetrate you, they invade your brain and the latter is unable to respond to the drastic climatic changes in which man is not accustomed to living.

The seasons used to be clear, and men kept to clear patterns. At this instant, the sower does not know when to plant or when he will harvest his crop, man is unable to define the seasons because these have changed and continue changing constantly. The Sun used to provide man with well-being, but at this instant the Sun makes My People suffer, seeing them as strangers.

You have lived with the constant regression to which you have been submitted by those who believe themselves to be masters of Humanity. **WITH HUMANITY NOT RESISTING THE ACQUISITION OF NEW AND MISCONCEIVED WAYS OF LIFE AND IMPROPER ACTS, EVIL HAS STRETCHED OUT ITS TENTACLES OVER HUMANITY THAT HAS EMBRACED IT AND DOES NOT WANT TO LEAVE IT. THUS HUMANITY HAS FALLEN INTO ERROR AND IN THE RENUNCIATION OF MY LOVE. THE ABYSS HAS TAKEN SHAPE: IT IS CALLED DEGENERATION IN ALL ASPECTS OF MAN'S LIFE.**

The chaos to which you have surrendered has become a palpable reality; you do not only think but carry out great offenses against Me, making them a reality.

Man falls low, he constantly falls lower, driven by the environment around him. Man dresses and adorns himself like woman and is encouraged to be feminine without being so. The woman is object and subject, dresses like a man and rebels with the force of a man. She rejects motherhood in order to be an object.

**HOW MUCH PAIN ON THE TIRED AND DEVASTATED EARTH!
HOW THE EARTH CRACKS AND WILL CRACK IN ITS DESIRE TO DRIVE AWAY THE SIN THAT
BEFALLS IT!**

UNDER THE OPPRESSION OF SATAN MY PEOPLE WILL SUFFER THE GREATEST TRAGEDY.

You are living with your eyes blindfolded. You are not realists but idealists, and at this instant ideals are maintained about false gods that are leading you to the soul's great perdition.

**SAVE YOUR SOUL, ATTAIN SALVATION AND ETERNAL LIFE!
DO NOT FEAR THE TROUBLED WATERS; BE FAITHFUL TO MY WORD, DO NOT REJECT MY MOTHER,
RECEIVE ME IN THE EUCHARIST PROPERLY PREPARED.**

DO NOT DEPART FROM ME, AS I DO NOT DEPART FROM THOSE WHO CALL ME.

The waters of the oceans will give man great surprises, giving way to the appearance of hidden volcanoes. The tectonic plates will be shaken and My People will suffer because of it.

Pray children, pray for Europe, it has forged its own pain.

Pray children, pray for France, again evil is leading it to pain.

Pray children, pray for the United States, it suffers through man and Nature.

Pray children, pray for Ecuador, it is strongly shaken and the great volcano causes My children to suffer.

**MY BELOVED PEOPLE, SEE HOW YOU HAVE DEPARTED FROM ME, HOW YOU RESIST THE GOOD
AND HOW YOU HAVE SURRENDERED TO WHAT IS NOT LOVE...**

Understand that without love you are creatures without life, you are empty and unmoved by anything. The heart hardens not only towards your brothers and sisters but also hardens towards yourselves; that is why you reject the Gift of Life. Be creatures of good, be Love.

My people, prepare yourselves, be spiritual, do not settle for not knowing me, but demand of yourselves to know me in order for you not to be deceived. You must enter into My Word so that you do not confuse what comes from My Love with that which is the work of man guided by Satan.

**MY PEOPLE WILL BE ACCOMPANIED BY MY ANGEL OF PEACE, WHO IS NOT A FORMER PROPHET,
BUT IS THE NOVELTY OF MY LOVE TO SUPPORT MY PEOPLE UNDER TRIBULATION THROUGH
INFERNAL PERSECUTION.** My Angel of Peace will be the consolation of My faithful, the support of My People and, by the hand of My Mother, will bring My Love to the hearts of the humble of heart.

**MY FAITHFUL WILL RECEIVE THE BLESSING OF THEIR FAITHFULNESS.
NOTHING IS IMPOSSIBLE FOR THOSE WHO STAY WITHIN MY HEART.**

I warn you, I bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Faced with a Divine Word that clearly warns us about the reality of the child of God, it would be foolish to deny and refuse to look at the state in which Humanity finds itself at this instant.

In the face of the persistent ideologies that are sustained in falsehood and the denial of the precepts that Christ left us, man suffers his own folly.

Refusing to confess God as the Creator of Heaven and Earth is part of the great plan of the Devil to dominate Humanity and hand it over to the Antichrist. Man is absorbed in his world, the one he has created at his convenience, and he refuses to look at himself so as to react and return to the path towards the Salvation of the soul.

Christ tells me that the most serious thing about man is not recognizing that he is limited and refusing to open his spiritual senses and thus to know what he really possesses as a child of God.

Brethren, let us not scorn the explanation of the Divine Word.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY JULY 7, 2017

Beloved children of My Immaculate Heart:

RECEIVE MY BLESSING, MAKING SUPPLICATION TO THE HOLY SPIRIT SO THAT THESE WORDS THAT YOU RECEIVE MIGHT BE WELCOMED WITH WISDOM AND THUS THAT YOU WHO READ THEM MIGHT TREASURE THEM AND THAT THEY WOULD MOTIVATE YOU TO CONVERSION.

The Devil's claws are rising up in the midst of Humanity, which has transformed the Earth of blessing into a dark earth saturated with human misery, where confusion and anger abound.

Children, do you not understand that improper, impetuous and harmful acts strengthen hell's minions?

YOU SAY THAT YOU KNOW MY SON, YET THIS IS NOT TRUE, SINCE THOSE WHO KNOW THE DAMAGE CAUSED BY ALLYING THEMSELVES WITH EVIL, ALLOWING EVIL TO USE THEM TO CAUSE TROUBLE, IF THEY LOVED MY SON, THEY WOULD TURN AWAY FROM THESE TEMPTATIONS.

Humility, silence, peace and unity are contrary to the Devil's nature, and when you are in between apparently good acts and acts contaminated with evil, the Devil gains greater advantage by distancing you from the righteous work and action of the children of God.

The devil does not rest, bringing and pouring out unhappiness among men so that war between nations be prefaced by violence in Humanity.

Some of My children, with faith and great courage, stay within the obedience to which My Son calls them. These children are the ones whom the demons tempt with greater fury: the instruction is to rob them of peace, because they know man, and when man loses peace, the sequence of thoughts works and acts are for the most part not what My Son wishes to receive.

Man is so poor in his conscience that he lets himself be carried away by pride, and from this evil Satan gains great profit, infecting man with grave evils by means of pride. The proud creature emanates so much purulence that it contaminates every one that comes across its path, and the demons rush to heighten that great evil in

them, since a proud man causes more pain in a single instant wherever he goes than what the demons themselves can achieve.

Men rush from one place to another in search of dates regarding the events of purification that Humanity will suffer, and those who seek dates should stop and ask themselves about their spiritual state.

HOW MANY AMONGST HUMANITY WOULD THERE BE WHO WOULD SAVE THEIR SOULS IF AT THIS INSTANT MY SON CAME IN HIS SECOND COMING? THEREFORE, BEFOREHAND AND FOR THE GOOD OF SOULS, THE PARTICULAR JUDGMENT IS FACING HUMANITY.

HAVE YOU THOUGHT ABOUT THIS ACT OF MERCY?

ARE YOU PRODUCING FRUITS OF ETERNAL LIFE OR, ON THE CONTRARY, ARE YOU CREATURES OF STRIFE?

Children of My Immaculate Heart, you possess everything for attaining Eternal Life and are losing it at every instant in the face of minor and unforeseen situations.

SPIRITUAL GROWTH IS A CONSTANT TRIAL, since the one who does not live like a spiritual adult cannot be a spiritual adult, but goes from maturity to childishness with great ease. You have not grown up spiritually so as to face the instant in which you are living.

YOU DO NOT POSSESS SPIRITUAL STABILITY, and in the face of this great lack, the wily and evil thief is quick to cast you into old spiritual failings in order that you regress as much as possible and turn away from the true Way of Salvation.

An angry man causes great conflicts ...
An angry family causes serious wounds ...
An angry people cause great devastation and deaths ...
An angry Humanity causes great wars ...

The devil is cunning and you easily fall into his nets, so much so that he continually facilitates the arrival of many reports, literature, news, predictions that intrigue you and you, children, pounce on what awakens your curiosity ...

OH MY POOR CHILDREN, HOW MANY OF YOU ARE WORN OUT BECAUSE OF NOT KNOWING MY SON IN DEPTH! AND YOU WANT TO ATTAIN GREAT HONORS WITHOUT HAVING ATTAINED THAT WHICH WILL MAKE YOU HEIRS OF THE KINGDOM: DIVINE LOVE. You want to be learned without praxis, and the sinner who does not decide to rid himself of what causes him to fall will not be able to overcome sin. Without the constant practice of self-denial, man cannot overcome what causes him to fall. For my children the practice of goodness and separation from evil are indispensable.

Beloved children of My Immaculate Heart, My Son sees each person in particular, He sees the works and actions of each person in particular and My Son will not ignore acts contrary to the Law of Love. How many of My children find themselves in great conflicts because of wanting to acquire the gifts of another brother, without thinking that love governs everything, and those who concern themselves with coveting their brother's spiritual goods harden their hearts and alienate themselves from the Celestial Goods.

AT THIS INSTANT, HOW MANY ARE ARGUING, DENYING OR AFFIRMING THE EVENTS THAT THE FATHER'S HOUSE HAS REVEALED TO YOU!

If you desire Salvation, you must devote yourselves to living in holiness, fulfilling God's Law and being living testimonies of Divine Love at all instants and in all places, in and out of season.

For this Humanity, truth is its truth, and that truth is infinitely distant from the truth that My Son left to His children.

MAN CANNOT ALTER THE COMMANDMENTS, THEY ARE ALWAYS NEW, A CONSTANT PRESENT, THEY ARE NOT SUBJECT TO FREE INTERPRETATIONS. But what does this generation do? It has abolished sin and works and acts contrary to life, to the Salvation of the soul, contrary to obedience, modesty and purity, and has given itself over to debauchery, opening the mind to lust so that base human instincts spring up and reproduce themselves in an environment constantly favorable to this.

MY SON'S PEOPLE REMAIN INERT, THEY REFUSE TO RECOGNIZE THE INSTANT IN WHICH THEY ARE LIVING, AND THE ENEMY OF THE SOUL, WITH HIS CUNNING, IS TAKING HOLD OF HUMANITY AT EVERY INSTANT. Technological inventions are praised by the vast majority of Humanity without proper knowledge. This brings man closer to accepting any technological innovation without reservations. Thus Humanity will accept the use of the microchip with great trust, this ingenious and miniscule artifact being the greatest controller that has ever existed.

THROUGH THE MICROCHIP, MAN'S THINKING WILL BE NULLIFIED, AND THE FREEDOM THAT MY SON HAS GIVEN TO MAN SHALL BE DEFINITELY TAKEN AWAY FROM HIM. THE MICROCHIP IS A PERTINENT SIGN PRIOR TO THE PUBLIC APPEARANCE OF THE ANTICHRIST.

Beloved children of My Immaculate Heart, each of you must voluntarily consecrate yourself to Our Sacred Hearts; My Son has asked this from you and I repeat that urgent request.

EVERY HOME SHOULD BE CONSECRATED TO OUR SACRED HEARTS, EACH FAMILY SHOULD CONSECRATE ITSELF TO OUR SACRED HEARTS, BUT DO NOT FORGET THAT THE CONSECRATION IS PUT INTO EFFECT BY CONSTANTLY LIVING IN THE FATHER'S WILL. BUT WHERE DIVINE LOVE DOES NOT REIGN, CONSECRATION DOES NOT PRODUCE FRUITS.

Beloved children, man does not rest in his eagerness to lead Humanity. Technological inventions do not stop; these are not only for man's good but are mostly used to dominate man. The human mind is a subject of constant study and constant surprises for the man of science: that is why Humanity receives innovations with which they capture human attention and take it away from everything around it.

One more invention comes into the hands of children and youth, with which they will totally disconnect those who use it from reality. These constant seals of evil are those that prepare man for the total domination of the mind by the Antichrist, in order to possess Humanity without the latter rebelling.

Parents:

HOW CASUALLY YOU HAVE GIVEN YOUR CHILDREN OVER TO SATAN'S WHIMS!

HOW FLIPPANTLY YOU HAVE ALLOWED YOUR CHILDREN TO LIVE IN AN UNREAL WORLD AND TO BE TRANSFORMED INTO AUTOMATA THAT LIVE INSIDE THEMSELVES, CONSTANTLY COMPETING AGAINST THEMSELVES!

Parents are not listened to, they are not respected, they are not loved by their children.

I hear so much grief about this. Parents: your children, inert creatures, are the product of technology created to dominate man and **FIND THEMSELVES DOMINATED BY THE DEVIL'S TECHNOLOGY. EVERY INNOVATION THAT YOU PLACE IN THE HANDS OF YOUR CHILDREN BRINGS YOUR CHILDREN NEARER, WITH YOUR AWARENESS, TO IMPLANTING THE MICROCHIP AND BEING AMONG THE WORSHIPERS OF THE ANTICHRIST.**

How disobedient man has fallen!

CHILDREN, YOU PRAY YET DISOBEY, YOU PRAY YET IGNORE THE WARNINGS THAT MY SON GIVES YOU IN ORDER TO BE FREE FROM EVIL AND TO FREE YOUR FAMILIES.

Evil goes throughout the Earth, it is an invisible force contaminating those who allow it. Therefore you must proclaim that evil exists and that the People of My Son will not be saved until they decide to set out on the path of holiness, which is not just praying.

EXPAND YOUR MINDS, NOURISH THEM WITH KNOWLEDGE, WITH PRAXIS, SO THAT YOU ARE NOT BE DECEIVED BY THE WILES OF THE SEDUCER OF SOULS.

Pray My children, pray for Turkey, it will suffer the pain of its inhabitants.

Pray My children, pray for North Korea, its people will suffer the effect of its own nuclear creations.

Pray children, pray for Chile, the earth shakes with great force.

Beloved children of My Immaculate Heart:

The Earth shakes more forcefully, great earthquakes in the depths of the sea cause devastation on the Earth's surface. Aviation will be paralyzed for a time in much of the Earth; keep the faith. Volcanoes give signs of their awakening.

Beloved children of My Immaculate Heart, remain attentive, devote yourselves to good deeds, attend to the requests of this Mother. Be creatures of good, do not let evil invade you, be love towards yourselves and your brothers.

DO NOT FORGET THAT EVIL GROWS, BUT DIVINE LOVE IS MULTIPLIED BY AS MANY ACTS OF OBEDIENCE AS MY CHILDREN CARRY OUT.

Beloved, My Son loves you with Eternal Love.

CONVERT, DRAW NEAR TO MY SON, DO NOT FEAR HIM, DRAW NEAR AND LIVE IN THE FULLNESS OF THE CHILDREN OF GOD.

As Mother of Humanity, I will remain with you until we hand over the Earth to Its Creator. I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENT BY THE INSTRUMENT

Brothers and Sisters:

At this instant, evil's snares against man are increasing – increasing just as the instant is approaching when the son of the perdition will appear. Man must therefore remain attentive to the signs with which he announces himself being announced.

Our Mother alerts us before the technological crisis in which man is diminished and brought to a state of total exclusion through technological innovations that cause children and young people to be vegetative creatures. By this method, evil incapacitates man's decision-making, and therefore hinders him from being more of God and keeps him away from reality.

Evil does not announce itself but advances slowly without being seen; this is how the Antichrist is arriving, and for this reason most of humanity is taken by surprise. In the absence of knowledge and due to denial, man will come to live in spiritual and physical slavery.

Brothers and sisters, we are called to keep the Faith, that Faith that is born within us and which as a burning flame does not go out.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY JULY 11, 2017

Beloved children of My Immaculate Heart:

My Tears of Blood are My pain at the absence of Love in the hearts of My children.

The Father's House has called for humanity to understand that it needs to lead life to the ultimate goal: **FUSION WITH THE DIVINE WILL.**

Instead, at this instant, man is using what he possesses for his own good, according to his personality, in order to impose himself on his brothers, to manipulate his fellow men, to demonstrate that he is against all that is Divine ...

My children have not understood, and still less reflected, that when the Father's House asks you for something, it is essentially a change relating to work and action, since as soon as you are instructed to change or given an order, the devil rises up against you in order to make you act in the opposite way and thus keep you in constant rebellion against God.

CHILDREN, IF YOU HAVE PRONOUNCED YOUR 'YES' TO MY SON AND HAVE DECIDED TO ADVANCE IN HOLINESS, YOU NEED TO FERTILIZE THE GROUND OF PERSONALITY WITH NEW EARTH, without the pollutants that you keep in your mind, without the rags with which you have been walking and which distinguish you one from another.

YOU HAVE NOT UNDERSTOOD THAT WHAT OUGHT TO DISTINGUISH YOU IS THE LAW OF LOVE AND NOT CONFLICT, WHICH CAUSES ANGER AND MAKES YOU UNRECOGNIZABLE.

I have shed My tears because of the violence in which Humanity is living, the slaughter of the innocents, the subversion in which Humanity finds itself ...

Anger has managed to sink deeply within My children, without them even thinking of the Law of Love. Man is a butcher without compassion, he kills his brothers and sisters without his heart quaking, without thought or feelings of pity or compassion.

Meditate, children: if you are capable of acting ruthlessly against a brother, you may just as easily be prey for the Antichrist.

Beloved children, the Law of Love was given by the Heavenly Father because man has not loved himself and therefore does not know the Love of neighbor.

GOD THE FATHER IS ABOVE YOU, HE IS ALL IN ALL. You must love one another; you are the children of the same Father - love your brothers and sisters, and reject what is worldly.

You destroy the Earth, and at this instant you are destroying yourselves and are instants away from greater destruction.

You want to destroy the soul so that the Antichrist adds you to his ranks.

You who call yourselves children of God, respond as children of God, not as lukewarm creatures without a definite path to Salvation.

WHAT WILL THE ANGEL OF PEACE FIND, IF AS CHILDREN OF GOD YOU HAVE RENOUNCED ETERNAL SALVATION, HAVING NO LOVE, BECAUSE YOUR HEART IS OF STONE, UNFEELING AND NEGATIVE TOWARDS MERCY AND FORGIVENESS?

Be true, do not distort the Divine Law.

I weep at the total degeneration permitted in different areas of Humanity ...

I weep at the lack of love that reigns in families ...

I weep, seeing that human beings regard each other as enemies within their own homes ...

I CALL YOU TO KEEP OUR ANGEL OF PEACE IN MIND.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

**MESSAGE FROM OUR LORD JESUS CHRIST
JULY 14, 2017**

My Beloved People:

IN MY HANDS I HOLD MY PEOPLE, THOSE WHO SEARCH FOR ME INCESSANTLY.

I am Divine Mercy, I am Peace, I am Charity, I am Hope so that My children might be strengthened in the Faith. I am Justice, and as the Just Judge, I wait until the last instant in order that the human creature might repent and return to Me.

At this instant, I can only look at the Earth and continue pouring out My Justice slowly due to the supplications of My Mother for those who remain faithful, for those who continue making an effort not to falter, for those who are constant, humble and true Christians ...

I HOLD BACK MY JUSTICE DUE TO THE PETITIONS OF MY MOTHER FOR THOSE WHO ARE PREPARING by examining themselves over and over again, by those who, deepening their knowledge of what is coming, become aware of the urgency of genuinely entrusting themselves to My House in order to save their souls and be a testimony to their brothers, with the intention of helping them.

Modernist and liberal beliefs present me as an inert God, thus inviting man to be liberal, to keep on behaving contrary to My Work and Action. **MAN'S ACTION IS IN TOTAL DISCORD WITH OUR DIVINE WORD, IT IS IN CONTRADICTION WITH THE DIVINE LAW, IT IS A VERY SERIOUS AFFRONT TO THE COMMANDMENTS AND TO THE TEACHINGS THAT I LEFT YOU.**

This generation is constantly corrupting itself and is surrendering to madness.

THE ANTICHRIST HAS PREPARED THE CURRENT SCENARIO IN WHICH HUMANITY IS LIVING, AND HUMANITY HAS ACCEPTED IT...

My children's personality is no longer their own, but has been conformed to the majority, with a man emerging who has no thought of his own other than that inherited by the rest of society. A man has arisen who imitates his fellow men, who does not reason but only imitates others' behavior.

Children, My people, I call you to inform yourselves, to deepen into My Word made explicit for you in various ways, because it is you who are going to be participants in the coming events.

PREPARE YOURSELVES, DO NOT IGNORE WHAT THIS GENERATION IS LIVING THROUGH and what is making its way amidst the ignorance of a man who regards everything happening as normal.

I watch you passing the instants without leaving a trace; you find satisfaction in saying that you are alive, but you do not think, do not reason, do not feel, and this pleases those who hold in their hands the important decisions of Humanity, within which you are.

A group of men and women with economic power have decided that you, My People, should remain ignorant of the true reality, with the goal of manipulating you. You are not unaware of this: I have explained it to you, but you do not stop to think and take measures in this regard.

My people, this generation is aberrant, degenerate, it rejoices in what is illicit and in what reduces its status as a child of God: you worship the god of money, the god of technology, the god of modernism, the god of degeneration ...

Such are the instants that indicate to you the stage in which this generation is living. I see more sinners than in Sodom and Gomorrah. You will not stop before sinning, however gravely that may be; the whole instant you will promote new ways of offending Our Most Holy Trinity. And in the end, the good will be seen as evil and evil will be welcomed with great pleasure.

Families are a continuous battlefield: children rise up against their parents, brothers do not look see one another as brothers, you are rapidly losing your values. Loyalty will come to be unknown, blood relationships will be ignored, all will disavow one another, deny one another...

Humanity is in permanent chaos. Our Spirit is constantly grieved; man's imagination is stronger than knowledge itself, and imagination contaminates the creature, dominating it by distorting knowledge.

Children do not bear good fruit when they rise up against their parents. Parents correct their children and children laugh, consenting to what Satan sets before them.

**THIS IS THE INSTANT IN WHICH MAN HAS DETACHED HIMSELF FROM WHAT IS SPIRITUAL,
CONSIDERING IT RIDICULOUS AND NOT NECESSARY IN ORDER TO EVOLVE.**

Evolution for today's man depends on technology, knowing that technology has dominated him, has caused him to be its slave and has chained him - not with physical chains, but with chains that have robbed him of his mind, thought, will, capacity for decision, intelligence; and I see zombies wandering on Earth... My People have become a People without will.

My people are diminished in the face of the constant wave of malevolent ideologies that have chosen to separate Me from man so that he surrenders to evil. You are continually creating new towers of Babel in which you have perished and continue to perish, completely nullifying yourselves, losing your relationships as human creatures.

My Mystical Body has turned away from Me, it feels that it does not need me; you tear down My Temples, defile Me, blaspheme against Our Trinity, reject and mock My Mother, and My Real Presence in the Eucharist will come to be denied.

My People find themselves more alone, My Church on Earth will suffer for her mistakes, schism will come. Evil has a field day with the contamination in sectors of My Church, creating scandal and more scandal.

YOU, MY CHILDREN, PREPARE PROPERLY, REPENT OF OFFENSES COMMITTED.

My people, in the midst of the apparent quiet preceding the Warning (1), men continue to go further and further astray. Children, you will examine yourselves, the very depths of your souls will be shaken, human conscience will be known for the first time by some of My children.

All will see the offenses they have committed against the Divine Law, and with an iron rod, they will live through the particular judgment from which not even a single person will be able to escape. Everyone will remain in the personal desert of their sins, they will not be able to help one another. After this, My faithful will be more faithful and those who do not love Me will love me less. **PERSECUTION TOWARDS MY FAITHFUL WILL INCREASE AND THE GREAT DECEIVER WILL TELL HUMANITY THAT THIS ACT OF MERCY FROM MY HOUSE, THE WARNING, WAS CREATED BY HIM.**

During this personal examination, the Creation will be shaken, the Universe will remind man that human offenses have managed to draw heavenly bodies towards Earth. The Earth's atmosphere will be tinged with fire, and with this fire the Earth will burn.

**MY BELOVED PEOPLE, WHOEVER DENIES ME BY SAYING THAT I CAUSE THEM FEAR IN CONVEYING
MY TRUTH, IS A STRANGER TO THE REALITY IN WHICH THEY ARE LIVING.**

Pray My children, pray for the Philippines, this land of Mine will weep to the full.

Pray My children, pray for Guatemala, the great volcano awakens forcefully.

Pray My children, pray, the Middle East burns.

Pray My children, pray, the sea is strongly stirred up due to the proximity of a celestial body.

My Beloved People, folly is the daughter of evil: take My Words and be renewed internally with a generous spirit.

I WILL NOT DENY YOU PROTECTION IF HUMILITY AND PURPOSE OF AMENDMENT ARE GENUINE.

**DISCOVER THAT YOU ARE LIVING, NO LONGER BE SLAVES OF THE TECHNOLOGY THAT
DOMINATES YOU.**

LIVE, BREATHE MY LOVE.

I bless you with My Heart that suffers thirst for souls.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Humanity has not stopped to reconsider because it does not look for an instant to do so. Immersion in the constant innovation offered by what is worldly takes up its instant. Especially the young people who want to experience what they are offered; they take everything and then do not have the strength to give up what they know causes them harm.

Technology in various fields has been used for good, but misused technology, whose aim is to trap man in order to dominate him, has succeeded because it has created, as Our Lord says, "a race of zombies." Each creature lives in its own world, in competition with its own self via a machine the size of its hand. Something the size of the hand has managed to overcome the will of man!

Brothers and sisters, this is an instant for waking up, not for continuing to be drowsy.

Institutions have been contaminated and evil has dominated everything that man possesses at this instant. Evil has been dominating man for decades and has now subdued him.

Every human act has universal repercussions. It is each person's obligation that these repercussions be in accord with the Divine Will and not contrary to It. Everyone is responsible for what happens to this generation.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY JULY 17, 2017

Beloved children of My Immaculate Heart:

WITH MY HANDS I RECEIVE YOU SO AS TO MAKE YOU ENTER INTO THE WAY OF SALVATION.

My children are becoming bold in refusing to obey the Requests of My Son. Not knowing what the soul is, you do not know what you are going to lose, and you venture onto the easier path, the one that leads you to damnation.

Every Call by means of this Revelation is Divine Will. Each Call is not intended to frighten you, but to warn you about the purification that is approaching for Humanity so that you are not caught unprepared, and you are willing to change your lives.

Humanity acts by pleasing itself in everything it wants, without meditating on whether it is for its good or ill. A selfish and competitive attitude leads man not to think of his brothers and sisters, but to focus only on his own well-being, his personal pleasure, giving free rein to the god of materialism. This attitude has been transferred to the spiritual part of the human being. Without works or acts of love towards his neighbor, man fails to fulfill the First Commandment of God's Law and refuses to reconsider in this respect. This selfish act has been taken hold of by the devil in order to aim darts loaded with what is worldly at society, which has welcomed them complacently, in defiance of Natural Law and the Divine Will.

Young people continue without a rudder where the waters take them: waters infested (*) by immorality, debauchery, degeneration and the inability to refuse what is wrong; waters infested by corruption, anger, failings with respect to the Commandments of the Law of God; waters polluted by bad teachings, distorted on purpose by those who within institutions are real demons that muddle everything they touch.

Do not be careless, My children : false teachers abound - those who do not obey the Gospel, those who are not true, those who believe they can deceive My Son and only forge their own condemnation.

REMAIN ATTENTIVE, MY CHILDREN, THERE IS AN ABUNDANCE OF THOSE WHO SAY THAT THEY RECEIVE THE WORD OF MY SON, WITHOUT THIS BEING TRUE. Know My Son so that you might discern

between what is true and what is contaminated. You know that this instant is one of confusion, since it precedes great and predicted events of every sort, those that indicate to you that you are living in the instant of the instants.

This generation has developed so much wickedness that it has drawn evil and its legions towards the Earth, thus maintaining the infestation of many human creatures that exhibit forms of behavior never seen before.

And man sees everything as good, since for him sin and hell do not exist, and Divine Forgiveness is utilized in order to allow man to immerse himself in sin and be trapped by Satan.

I look towards the Earth, and so many of My children are devoting themselves to manifesting their lack of love towards God, showing off the spiritual ignorance in which they are living, and with great coldness they destroy images in the temples, commit sacrileges with the Eucharist and continue their lives without remorse. This is man's rebellion towards My Priests, towards those who preach the Word of My Son and do not fulfill it in their daily lives; it is the rebellion of children without God, of those who have decided to worship the devil. It is the rebellion of man who has welcomed the devil, and he has grafted the poison of hatred towards God into you.

**THIS GENERATION IS SUFFOCATING IN ITS MORAL AND SPIRITUAL CRISIS.
MAN WITHOUT GOD IS A MAN WITHOUT CONSCIENCE, WITHOUT FEAR.**

Beloved children of My Immaculate Heart:

IN ORDER TO DISCOVER MY SON IN YOU, YOU MUST HAVE LOVE IN YOUR HEARTS AND THE ASSISTANCE OF THE HOLY SPIRIT. Love so that you do not reject the truth although you do not understand it, love so that you be willing to leave the state of error in which those who deny My Son persist.

You have no time, only instants, and prior to these instants error and rejection of the Divine increase. This is a sign that gives away what is coming, a sign that you must appreciate so that you do not justify living in darkness.

At this instant My Heart is plunged into a great sadness; those who have lost their physical sight take pains to mobilize themselves, yet you, who have decided to be spiritually blind in order not to see the Truth of the Divine Word, cause great offense to My Son.

The devil is deceiving this generation that burns for technological advances; he deceives you with great ease, he even deceives those who belong to My Son.

THE DEMON IS EASILY DECEIVING MANY OF MY OWN IN ORDER TO LEAD THEM TO ETERNAL PUNISHMENT.

Beloved children of My Immaculate Heart, the Father's House hides nothing from you; be obedient and do not neglect the Divine Calls, in which you will find the true Way.

Pay attention to how the advance of misused technology has led you to be totally dependent on it. All this has been the Antichrist's plan so that you would be subject in advance to total control in the hands of the Antichrist. **YOUR DATA IS BEING KEPT IN THE HANDS OF EVIL TO BE USED AGAINST YOU, MY CHILDREN.**

That is why I have called you to go deeply into Scripture, to know and to recognize My Son, so that you would not be confused.

The son of perdition is increasing his power by means of his loyal and baneful elites against Humanity, which - disregarding the Divine Calls - is surprised again and again.

Pray children, pray for Russia, it will suffer through Nature.

Pray children, pray for Iceland.

Pray children, pray for the United States, pain is looming.

Pray for Venezuela, pray for Venezuela.

Beloved children of My Immaculate Heart, the earth shakes from one cardinal point to another.

Volcanoes quicken their activity due to the influence of a celestial body that is approaching Earth.

HUMANITY WILL FIND ITS WAY WHEN IT COMES TO BE FREE FROM THE SLAVERY TO WHICH IT HAS SURRENDERED. THE NEW DAWN WILL COME WHERE THE PEACE OF MY SON REIGNS.

AS MOTHER OF HUMANITY, I GIVE YOU MY LOVE, I OFFER YOU MY INTERCESSION.

Pray the Holy Rosary, receive My Son, be true Temples of the Holy Spirit.

I bless you with My Love.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN.

() Infested : a reference in this case to the contamination produced by the Devil regarding people, places or objects.*

COMMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

In this instant when Humanity has the opportunity of knowing, through various sources, the world situation in its every aspect, is when it is most ignorant in the spiritual dimension.

The development of high technology used for the good of man has been a great blessing, but misused technology is what most separates man from his Creator. This may seem like something incredible, but this is how it is...

Our Mother tells us with great clarity that man is ignorant about the soul and therefore shows no interest in saving what he does not see with the eyes of the body. Our Mother tells us: *"The People of God are not spiritual but unstable when they experience some suffering."*

Brothers, we are facing great natural catastrophes. Let us practise love so that we may be willing to help our brothers and sisters.

We know that the Ring of Fire is in great activity and that the sequence of events directly related to volcanoes and earthquakes will shake various countries.

Let us enter into the relationship that gives us the Peace that man needs; let us enter into the Sacred Heart of Jesus and into the Immaculate Heart of our Mother. As Humanity advances in step with the majority, let us pause on our way. Let us feel God within us and enter deeply into His time, and in that Divine Time let us return to the true Way: thus we will be truly free, free indeed.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST JULY 26, 2017

My Beloved People:

I BEAR YOU WITHIN EACH ONE OF MY WOUNDS, MY CHILDREN, SO THAT MY MOST PRECIOUS BLOOD PROTECTS YOU, DEFENDS YOU AND BE THE SHIELD BY MEANS OF WHICH MY CHILDREN DEFEND THEMSELVES FROM THEIR OWN HUMAN EGO.

I have invited you to know Me, not in human fashion, but to know Me and to enter into Me assisted by My Holy Spirit.

At this instant you are sailing in an extremely stormy sea in which I see each person's boat on the verge of shipwreck ... And today's man - even those who are close to Me - has altered true love: My Love. And what is man without love, but an empty wineskin? What is a man without love, but an inert body that confines the soul and keeps it constantly oppressed?

My Beloved People, you have still not understood My Love, therefore you continually allow the human ego to come out in you, and it is precisely the human ego that is causing the boat of each of you to sink in that stormy sea.

I HAVE ASKED YOU FOR FAITH, BUT I SEE SO MANY WHO, EVEN THOUGH THEY INTRODUCE THEIR FINGERS INTO MY WOUNDS, SEEING ME, FEELING ME, DO NOT BELIEVE AND DO NOT ALLOW FAITH TO BRING THEM BY MY HAND TO KNOW WHAT TRUE LOVE IS.

And Faith is the strength of My People ...
Faith is the door that opens them to greater knowledge ...
Faith facilitates communion among brothers and sisters...
Faith facilitates understanding ...
Faith is charity ...
Faith is hope ...
And Faith binds you to obedience out of love.

IN THIS INSTANT OF INSTANTS, MY HEART IS IN PAIN, DEEPLY HURT BY THOSE WHOM I HAVE ASKED TO ENTER IN AND TO COMMIT THEMSELVES to various Works in order to assist and to take My Word to a Humanity devoid of It, and I see them being tossed about again and again by Satan. They have not learned from the lessons that life gives them through their actions and work outside of My Will, and this failure to take each stumble as a true lesson, is taken by Satan who places it in the personal boat of each of My children so that the latter weighs more and sink down into the sea of the human ego.

You look too much at your brother and his faults, and this is the product of living in a competitive society which is not spiritual but worldly. I see each of My children spending their lives without recognizing me in their brothers, forgetting that the gravest offense and sin that man commits is against My Holy Spirit.

MY HEART IS BLEEDING WITH LOVE AND BLEEDING WITH PAIN. Some will ask: how does it bleed with love and pain? In this way: as I gave Myself for love and for your salvation, salvation that you are continually rejecting, salvation that you reject by continuing to be so worldly and so disrespectful, like those who do not draw near with words of encouragement and love to their fellow men who suffer.

Science has advanced, children - and well you know it -, not only for evil but for your good, but at this instant, misused science is holding humanity by a thread at the point of breaking, a product of the unconsciousness of some.

You are not ignorant: you have the tools for keeping yourselves constantly informed through this Word of Mine of what is happening and of what is threatening the Earth. The Sun has gone from being man's ally to displaying itself with all its force, as a sign that it does not acknowledge human work and action, and the Earth finds itself threatened.

MY BELOVED PEOPLE: IN WHAT ARE YOU LOOKING FOR ME? WHERE ARE YOU LOOKING FOR ME? ASK YOURSELVES THIS.

My Mercy is infinite and you are wasting this instant, instant in which with My Word I am calling you to a total conversion.

You know about what is to come, but it is not the same, children, as knowing what will come at the instant when you are living what is to come; if you are not properly cemented on solid rock, you will not be able to stand, you will not be able to stay firm and immovable. Hence My insistence on a radical change.

I DO NOT NEED YOUR OFFERINGS, I DO NOT NEED YOU TO OFFER ME CHANGE, I DEMAND A RADICAL CHANGE FROM YOU, AS THOSE WHO MAKE AN OFFER AND DO NOT FULFILL IT ARE WHITENED SEPULCHERS. And at this instant My People must remain faithful to Me in order to be able to receive the necessary discernment from the Holy Spirit.

My Beloved People:

Pray for Argentina: turmoil is increasing and the subversive voices are only heard in silence, but these will rise up and take the majority by surprise.

Pray, My children, the earth will be shaken, My children will witness a strong earthquake.

Pray, My children, pray for yourselves because My Scales are in front of each one of you.

Pray My children, pray for the land of the North: in the midst of turmoil and surprise it will be scourged by those who do not love it.

Pray My children, pray for Ecuador, it will suffer because of various events.

My People:

Every instant is a century of preparation, every instant is a diamond for you, every instant means forming part of the wheat or the tares, every instant is the instant of instants, and **THE DUTY OF MY PEOPLE IS TO GROW IN LOVE, IN WISDOM, IN KNOWLEDGE AND IN THE RESPECT AND FULFILLMENT OF THE TEN COMMANDMENTS THAT SHOULD BE LIFE WITHIN YOU.**

This generation is writing its history with blood, with the blood of innocents who love Me, but at the same time you are writing your history with a lack of love and accepting Satan as your god. Even so, I do not abandon you, but continue bringing you and explaining My Word to you, because I do not want any of you to be lost.

ENOUGH NOW! LET GO OF THE RAGS WITH WHICH YOU ARE WALKING. Still you are not aware, you have not realized that these rags of selfishness, egoism, these rags of power, these rags of conflict, envy, possession, exhibitionism, rags of materialism, those rags are those that, if you do not detach yourselves from them, will cause you to be among those who follow the Antichrist. The latter is moving rapidly by means of his satellites in order to enchain his followers.

Sadly I must tell you that those who are serving the Antichrist at this instant are acting; they are not sleeping like you, like My People, they do not wait for a request to carry out what they know or that to which they have committed themselves, they do not wait for a call of attention because they know that the one begotten by Satan does not forgive mistakes. And this Jesus who is infinite Mercy and constantly forgives you is rejected and thrown out.

YOU, MY PEOPLE, ARE CONTINUALLY CRUCIFYING ME, YOU PIERCE MY HANDS WITH THE NAILS OF FOLLY, OF STUBBORNNESS, OF A LACK OF LOVE, OF INJUSTICE, OF INTOLERANCE, OF FAILINGS WITH RESPECT TO CHARITY, OF ARROGANCE, OF FAILINGS WITH RESPECT TO HOPE, AND ABOVE ALL, OF REFUSING TO BELIEVE AND TO TRUST IN MY WORD.

It is you who are again screaming "crucify him!", you are the ones who are repeating history...

I NEED SOULS WHO ARE COMMITTED TO SUFFERING, TO SUFFERING THE UNSPEAKABLE IN ORDER TO REMAIN FAITHFUL TO MY REQUESTS.

My children, My people, you are so close, so close to My Church's being shaken, so close to the shaking of the earth with great earthquakes that you were expecting in future times, far in the future, and you have not yet understood that you are living in the instant of instants.

My Mystical Body will be strongly shaken, and I need the Faith of My Mystical Body to remain firm in My Promise and My Word, but for this, you must be those who fulfill My Commandments and who fulfill the Law of Love.

My people, how much degeneration is constantly coming to light! How many are being contaminated the whole while by anger and becoming unrecognizable in My Sight, but not unrecognizable for Satan! Understand, children, that when you lose your peace, you open the door for Satan to use you as his instruments against your brothers and sisters.

REALIZE THAT THIS INSTANT HAS BEEN ANNOUNCED AND IS THE INSTANT IN WHICH MAN STOPS LOVING ME AND ACCEPTS EVIL AS HIS ALLY. BUT EVEN SO I DO NOT TURN AWAY FROM MY FAITHFUL PEOPLE, AND I KNOW THAT MY FAITHFUL PEOPLE WILL WELCOME THEIR BROTHERS AND SISTERS WITH LOVE IN ORDER THAT NO ONE MIGHT BE LOST.

I pay attention to you, to every word, to every glance, to every step that you take, to every thought, and I demand that you be true to yourselves because I know you, but some still do not know themselves and need to reconsider this.

My beloved People, remain united to Me, think of me, adore me, constantly invite me to work and to act within you. I need My People to be strengthened in love in order that unity might not be a pretense but be true and

impossible for evil to penetrate. **TRUE UNITY IS A WALL AND THIS, AT THIS INSTANT, IS WHAT MY PEOPLE SHOULD BE; OTHERWISE EVEN THE FAITHFUL MAY FALL.**

I hold you by My Hand, I do not abandon you, but as true Love I respect man's free will.

COME TO ME WITH HUMILITY AND PREPARED TO ALLOW ME TO SHAPE YOU.

I FORGIVE YOU OVER AND OVER AGAIN, BUT I NEED YOU TO REALIZE THE URGENCY OF THIS INSTANT.

I love you, I bless you My People, I welcome you, I shelter you, you are the apple of My Eyes. Come to me. Remain in My Peace.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Christ calls us not to wait for our brother to change, but rather that each person should change first in order to facilitate their brother's change.

We know about the Great Tribulation, but we must ask whether Humanity is already living through it by having discarded love, since without love there is no obedience but rebellion.

Brothers and sisters, we know that the Earth is exposed to threats coming from space, including from the sun. Christ has mentioned to us that each of us emanates the good that we do, the evil we do and the good that is left undone.

Let us be aware of the urgency of knowing that we are creatures that have responsibility for what happens throughout the Earth.

It is not too late: let us attract the good by doing good.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY JULY 30, 2017

Beloved children of My Immaculate Heart:

I BLESS YOU WITH MY LOVE, I BLESS YOU WITH MY MOTHERHOOD, I BLESS YOU WITH MY HEART.

Beloved disciples of My Son, do not take My Word lightly: It is conveyed to you by Divine Will. What you know, at this instant, is that which by Divine Will, through Our Prophet, Heaven itself explains to His People before events occur. Therefore you should watch and not rest.

The Lord's elect should remain attentive, lest My Son should come and find them asleep, sleeping on what the world offers them, submerged in sin and the terrible offense of the tireless pursuit of pleasure, a consequence of the bad habits that have dragged man to his ruin.

The loss of the soul is not spoken about, precisely so that man loses his soul...
The transcendence of the human soul is not explained...

**CHILDREN, MY SON SUFFERS GREAT THIRST FOR SOULS,
AND HIS PEOPLE DO NOT KNOW WHAT THE SOUL IS.**

Some of My children do not believe in Salvation and are devoting themselves to storing up money in order to live well on Earth and to live as comfortably as possible. How wrong they are those who do not want to ascend in the spirit, but who find pleasure in living within what is material and not by what My Son asks of them!

HOW IS IT THAT YOU ARE IGNORING THE SIGNS OF THIS INSTANT, WHEN CORRUPTION HAS TAKEN HOLD OF EVERYTHING AROUND YOU, WHEN YOU ARE BEING MANIPULATED IN EVERY RESPECT, WHEN YOU HAVE BEEN LED TO BELIEVE THAT THERE IS NO HELL AND THAT THEREFORE ALL SIN IS FORGIVEN?

Children, you have the signs before you: the climate has changed, animals have lost and altered their habits, diseases do not stop, the Sun's constant manifestations keep the Earth on alert, just as the manifestations with Oil and Blood in Images that represent Me are the Divine motive for calling man to reconciliation with the Father's House. It is not too late for My children to turn away from sin. Sin is absolutely contrary to good; with sin you offend My Son, and if you love Him, you must not lacerate Him.

MY SON WILL SHORTEN THE DAYS IN THIS INSTANT OF SPIRITUAL CRISIS, CRISIS OF REBELLION, CRISIS OF THE FAILURE OF FAITH DUE TO HUMANITY'S SURRENDER TO ALL THAT COMES FROM THE DEVIL.

You continue being disobedient children ...

You continue rebelling against the signs of Heaven ...

The abomination has reached the disobedient children, and My Son told you: *"When you see these things happen, know that everything is near"* (Mk 13,29)

Children, you have put conscience aside in order to continue in individualism and still worse, thinking that each person is the center to which their brothers and sisters must adjust their lives. My Son has called you to belong to His Mission and to preach for your brother's good, because you not only preach with words but with testimony.

You are not clear about the fact that you are children of God because you do not really know Him, you do not respect Him fully, you do not acknowledge Him, because faced with this society, you keep maintaining human respect that would be affected if your peers learned that you form part of the Divine Sphere, committing yourselves to a change in your lives towards what is more spiritual and less worldly.

Humanity has drunk the poisonous nectar coming from the tree of evil, it has fed on the seed of lies; it has taken the fruits of falsehood and maintains a stock of the greatest error. You are unable to look further than your eye can see. You are living in inertia while great elites have all the industry that exists in their hands, and at this instant they are becoming more powerful due to the submission of the leaders of the nations.

Europe is shocked at attacks and will continue to be shocked, as this is the wish of other creeds whose objective remains to dominate that continent.

CHILDREN, YOU NEED TO EVOLVE AND CHANGE DEFINITELY; YOU MUST SHOW SPIRITUAL MATURITY. You have to fight against evil thoughts, to put aside hatred, anger, the folly that always finds a reason to argue in everything.

I CALL YOU TO PRAYER, YET THIS IS NOT RELEVANT TO YOU, SINCE YOU ONLY SEE WHAT JUMPS OUT AT YOU; YOU LOOK FOR EVENTS WHEN I TELL YOU ABOUT WHAT IS TO COME, NOT IN ORDER TO CHANGE, BUT IN ORDER TO JUST KNOW.

Grow spiritually, be obedient, do not content yourselves with attending Holy Mass, if outside you are disobedient and cruel creatures.

You see the water of the sea and its extensions penetrating into the earth. That is why I as Mother have warned you of the change in the Earth's geography, of the Devil's dominion over Humanity, of plagues and of what will happen before the Second Coming of My Son.

I CALL, MAN DOES NOT ANSWER: THIS SOCIETY IS AN AUTOMATON OF TECHNOLOGY AND OF ITSELF. You are constructing new towers of Babel and entrust them to My children with the aim of robbing them of their will, and the People of My Son are happy to surrender to innovations in order for them to control them.

Beloved children of My Immaculate Heart:

DO NOT PLACE ANY CHIP IN YOUR BODY: THESE ARE THE PRELUDE TO THE MICROCHIP BY WHICH THE ANTICHRIST WILL DOMINATE HUMANITY.

Do not allow them to rule your mind, emotions, thoughts, or decisions...

Do not allow yourselves to be ruled by lack of love, anger, violence, vengeance, the desire to persecute those who do not think in the same way as you...

Do not let them lead you to disavow your family members: they are not robots, children, they are God's creatures.

Beloved children, pray, pray for Ecuador, it will suffer.

Beloved children, pray, pray for Australia, it will shake.

Beloved children, pray, pray, nuclear energy will cause you to suffer.

Beloved children, pray, pray for the violence that does not stop.

Beloved children, pray, pray for Italy, it is touched by terrorism.

CHILDREN, THIS IS NOT THE INSTANT TO EXPERIMENT WITH ARTIFACTS THAT NEED TO BE PLACED INSIDE THE BODY AND WHICH CARRY A CHIP. THIS IS NOT THE INSTANT TO ACCEPT THE SEAL OF THE DEVIL.

My children, love My Son, feed on the Eucharist, pray the Holy Rosary. Make offerings for your brothers and sisters who are oppressed by their rulers.

I am the Mother of Humanity: do not take My Words lightly. My Heart is the Ark of Covenant where the People of My Son are. I intercede for everyone so that they save their souls.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT:

Brothers and Sisters:

When the Blessed Mother addresses the People of Her Son, in Creation there is absolute silence ...

I saw our Blessed Mother all dressed in white, carrying the terrestrial ball in Her Hand. It was surrounded by the Holy Rosary.

Our Mother told me:

"Beloved daughter, Humanity is confused and more so spiritually, it cannot find the way because it is being presented with various options that lead it further astray.

Humanity is in great danger, the microchip's innovations will make My children submit to the Antichrist. The latter will lead parents, children and relatives to disavow one another; they will rise up against those who are of their own blood. For one reason or another, the chip is offered to the population so that they accept it without opposition.

Beloved daughter, every instant sees evil draw nearer to Humanity. Soon reforms in the clergy will cause greater disintegration in My Son's People.

Tell your brothers and sisters that if they are going through trials at this instant, let them offer them up so that the greatest number of their brothers and sisters may find the true and only way.

*Tell my children to call Me when they are thirsty, to seek Me when faced with confusion, to take refuge in My Heart when they are afraid. I intercede for all, there is no creature that asks for My Intercession and is not heard by Me. **LOVE IS THE SOURCE AND SOLUTION TO ALL OF MAN'S OBSTACLES.***

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
AUGUST 3, 2017**

My Beloved People:

**THE LOVE I RECEIVE FROM MY PEOPLE IS INCENSE THAT RISES UP TO ME AND I RETURN IT IN
BLESSINGS FOR THOSE WHO ARE MINE.**

I look at each person with special Love. My Mercy calls you to prompt conversion, I call on you to work and act in the Divine Will.

None of My children will be forsaken by Me: faith must prevail - I am the God of Love.

I do not forsake those who are Mine, but I ask My children not to leave My side so that, of their own free will, they ask Me not to abandon them.

I do not break in, violating My children. My Heart is torn as I see you on the way to perdition, yet even so I must wait for you to look at Me voluntarily and to call Me.

I am the God of Peace and in My Peace I want you to stay, My People.

I DO NOT WANT YOU TO BE CHILDREN OF ANGER BUT I WANT YOU TO BE FILLED WITH MY PEACE.

The soul's health is important in order for you to maintain the necessary balance in this instant of confusion. The soul becomes troubled when you allow anger to take hold and to lead you, without any control, to utter improper words against your brothers and sisters, when you join in with wrongful acts, when you transgress My Word, when you forget the Divine Law, when you kill your brothers and sisters, when you deliberately do not listen to Me, when the human ego overrides My Petitions.

My people, evil does not achieve more than My Love, but man joins in with what is wrong, and evil thus takes hold of him and instantly distances him from Me.

**HOW MUCH I HAVE CALLED YOU TO KNOW ME IN ORDER THAT YOU recognize ME AND SO THAT MY
SPIRIT GIVES YOU THE DISCERNMENT NECESSARY TO DISTINGUISH WHEN EVIL DISGUISES ITSELF
AS GOOD!**

You do not follow My Requests and you continue as a ship adrift; this is dangerous for you. Evil is ingenious, it assumes forms, actions, works that appear good and in reality are not, and you, for lack of discernment, fall into evil's nets.

This instant is serious. This is an instant of urgency for My church, which I call to go deeply into Me. Knowledge and drawing near to me are necessary so that fears does not lead you into what would be surrendering to Satan.

**MY PEOPLE, DO NOT FEAR! I WILL MAKE WHAT IS NECESSARY DESCEND FROM HEAVEN, SO THAT
MY PEOPLE DO NOT PERISH BECAUSE OF EVIL THAT WILL REFUSE THEM FOOD, WATER... People of
little faith! You fear those who can leave you without food, but you do not fear losing Eternal Life. YOU DO THIS
BECAUSE YOU DO NOT KNOW ME - PERHAPS YOU ASK ME FOR BREAD AND I GIVE YOU STONES?
NO! I AM INFINITE LOVE...**

Humanity's lack of awareness is stirring up violence against itself, and this violence is expanding like a plague from one country to another until it becomes uncontrollable. You will see how difficult it is for man under repression to survive without what is necessary, and yet at the same time if you have faith like a mustard seed, you will not lack what is necessary for you to survive, if this is My Will.

Some of My children have not been through hard times, they do not know the face of hunger, they do not know the face of repression, they do not know the face of despair at not having what is necessary to control pain. My Mother has given and will give you medicines that you can find in Nature and with them mitigate diseases and make them disappear. **DO NOT SAVE THEM UNTIL YOU HAVE TO USE THEM; LOOK FOR WHERE THEY ARE, LOOK FOR WHERE YOU CAN FIND THEM NEAR YOU - DO NOT WAIT UNTIL THE LAST MINUTE.**

**PLAGUE IS MOVING SILENTLY, WITHOUT BEING UNVEILED BEFORE THE EYES OF HUMANITY. YOU
HAVE THE MEANS AND MORE IN ORDER TO FIGHT IT. I DO NOT FORSAKE MY PEOPLE.**

My people, the moon and the sun have a great influence over the Earth and therefore over you.

Do not regard the events that are happening as irrelevant; however small they may be, they have repercussions for man and the Earth itself.

Humanity sees what is happening spectacularly, but without awareness. It is necessary for My People to be more open to My Calls; you must not continue denying yourselves Salvation.

**HOW IS IT THAT THIS GENERATION HAS RISEN UP AGAINST LIFE?
HOW IS IT THAT HAVE YOU COME TO REJECT THE GIFT OF LIFE?
HOW MUCH YOU HAVE COME TO DEBASE THE GREATEST GIFT MAN HAS: THE GIFT OF LIFE!**

You are punishing yourselves by agreeing to offend My Holy Spirit. The blood of the innocent reaches the bowels of the earth, and the latter, as if it were swallowing gall, shakes fiercely. Man's sin is attracting celestial bodies toward the Earth that will be dangerous. Evil attracts evil, good drives evil away.

CONVERT! IT IS ETERNAL LIFE THAT I AM OFFERING YOU, AND IT IS ETERNAL LIFE THAT YOU ARE REJECTING.

My people, how many good works have you accomplished during your life? ...

Not only prayers will be counted in your favour: what have you done for your brothers and sisters? ...

How have you helped them? And how many works of mercy do you have in your hands to show before Me?

Children, to be worthy children it is not enough to listen or to receive, you have to give, you have to offer, you have to be My Teachings in action. My work and action are not static: My work and action continually give fruits for My children and in abundance. My People are a People of works that are multiplied to infinity, since they are born of My Love.

Beloved children, pray for France, its mourning has no end.

Beloved children, pray for Chile, it will shake.

Beloved children, pray for the Unites States, My children will suffer.

Beloved children, pray, powerful volcanoes are becoming active.

Beloved children, pray for Costa Rica, it will suffer.

Do not stray from My Word, go deeply into Sacred Scripture and into this explanation of My Word.

My Mother remains and will remain with My People in the most intense instants of the persecution to which they will be subjected for having accepted evil and having surrendered to licentiousness, usurping the Divine Law. My People will be persecuted by the same evil that has become entrenched in My Church. My priests must welcome prayer with devotion, calling on My Mother to protect them.

My Mother, as the Ark of the New Covenant, will guide My People, protect them and keep them under Her Mantle. Do not fear, **"I AM WHO I AM" (Exodus 3:14)**.

MY BELOVED PEOPLE, I LOVE YOU, I BLESS YOU. DO NOT TURN AWAY, RETURN TO ME QUICKLY.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Evil's constant snares for the Church of Christ are no secret. For this reason, we are called to know and to acknowledge Christ, to have clarity in the Infinite Good that overflows in the Sacred Trinity, in the Love that is

above all love, in Peace coming from the Holy Spirit and in the silence of our Most Holy Mother - but silence that says more than words.

Just as our Mother occupied the last places, let us be true disciples of Christ. Our Mother never occupied the first place, nor did She proclaim everywhere that She was the Mother of Christ, nor did She allow praise of Herself, because in living by Divine Love, She offered everything up to the Divine Will.

**BROTHERS AND SISTERS, LET US REACT TO OUR LORD'S CALLS.
WHEN CHRIST CRIES OUT, HIS PEOPLE REPLY: "ABBA, FATHER!"**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
AUGUST 6, 2017**

My Beloved People:

**IN MY HEART I KEEP YOUR CONSTANT EFFORTS TO CONTINUE BY MY SIDE WITHOUT BEING
SNATCHED AWAY BY EVIL.**

I explain My Word to you at every instant, in life's various situations, so that you pay attention to every gift that the Supreme Good offers you in order that you stand firm.

My Beloved People, just as you do not recognize Me, so you do not recognize the good that comes into the life of each one of you, but are blinded by what comes from the paradigms of the program of the human ego with which you are conducting yourselves.

Whoever does not soften their human ego in order to understand their brothers and sisters will be unable to find the peace they need to live growing in the spirit. They will be unable to grow by themselves, if not in the continual sacrifice of personal whims.

My beloved, maintaining a state of anger in your character, an explosive mood, a defensive or demanding attitude, denotes the pettiness of spirit that you have and your little interest in personal growth.

Are you seeking to grow, to be different, to rid yourselves of the rags that you possess?...

**CHANGE IS IMMINENT. NOT ALL RECEIVE THE VICTORY, BUT ONLY THOSE WHO MAKE AN EFFORT
AND GIVE THE BEST OF THEMSELVES.**

My Beloved People, you are looking for the enemy who causes you to react contrary to My Requests, you are looking for the enemy outside of yourselves, and you are very wrong, since **WHAT PREVENTS YOU FROM GROWING IS THE HUMAN EGO ITSELF, THE EGO OF EACH ONE OF YOU ... THIS IS THE ENEMY THAT PREVENTS YOU FROM GROWING.**

You need to be wise, astute, staunchly vigilant regarding all your personal work and action. The devil wastes no opportunity to act and to cause anger or confusion or a sensation of uncertainty in you, or the feeling that you are not in control of situations, in order to destabilize you and cause you to react with anger.

Man eagerly seeks the recognition of his brothers. This causes variable shifts in mood in him, since you seek to excel in the world and not in the spirit. You have forgotten that you are not fighting against flesh or blood, but against the powers and spirits of the world who are at the service of evil.

My Beloved Ones, **DO NOT SAY THAT YOU CANNOT OVERCOME WHAT IS WORLDLY: I AM INFINITE MERCY AND IN MY MERCY EVERYTHING IS ACCOMPLISHED.** I know what each of you is, what dwells in each one of you, I know what you refuse to acknowledge, what you hide inside you so that your brothers do not see you as you are.

**I INVITE YOU TO CLEANSE YOUR MEMORY ANEW SO THAT, FREE FROM ALL THE REFUSE OF THE
PAST, YOU ARE WILLING TO CHANGE RADICALLY.**

You retain so much in your memory that you have saturated it and are confused when you cannot put it in order...

You retain sounds, images, smells, textures, flavors - and this is good; what is not right is when you associate a certain sound, smell, texture or flavor with a past fact that was retained in memory and caused you pain, and you react defensively.

This is why I am telling you that you must put your memory in order so as to discard what leads you to be creatures of anger, domineering, insensitive, blinded, impatient, and all the more so thoughts that in conjunction with what you have in your memory lead you to work and act wrongly. You must forgive yourselves and again learn to believe in yourselves.

So many of My own say to Me: "Lord, I have forgiven", yet in an instant, what was believed to be forgotten comes out and enters into memory; you take from it what you said that you had forgotten, and once again the events return to muddy the present. They are recurrent, causing a halt on the spiritual walk.

Temptation prowls constantly... Salvation is constantly calling you ... But you do not know how to keep yourselves internally silent: on the contrary, you allow the double-edged sword - the tongue -, to express what must be kept quiet and to keep quiet what must be preached, hoping for your brother's approval in order to please and to be praised. No, My children, My People do not walk along such paths, but by the narrow way and effort.

No one comes to Me except by the path of effort, of thorns, of overcoming themselves in their humanity. **KNOW ME, ENTER DEEPLY INTO ME, LOVE ME IN ORDER THAT YOU KEEP THE ORDER OF MY LAW IN YOUR MEMORY AND NOT STRAY DOWN OTHER PERNICIOUS PATHS THAT GO AGAINST MY WORD.**

My Beloved People, you cannot remember what you do not know, you will not find what you have not recognized as Mine and as My Truth. **YOU MUST ENTER DEEPLY INTO THE KNOWLEDGE OF WHAT I POINT OUT TO YOU IN ORDER NOT TO BE PREY TO THE EVIL AFFLICTING HUMANITY.**

If you are truly My children, you must subdue what makes you jump like lightning, what you retain in your human ego and what you keep entrenched that is not good.

At this instant, it is necessary for you to understand that human existence depends on the internal and the external; regarding what is internal, you have too much that you need to eradicate, and as to the external, not only what surrounds you in the world but also that which is a threat to Humanity and is coming towards the Earth from the Universe.

Man does not need Me, he creates everything he likes without thinking that in one instant man's great technology of man will be melted in a breath and man will go back to being one who did not even have electricity.

The great towers of Babel will fall. Evil will take possession of what Humanity has given to it and the sinister plan will culminate with the persecution of My Church.

My People are a People of faith and are aware that I will never abandon them.

Pray, children, pray for Venezuela, its brothers will suffer.

Pray, children, pray for Italy, its volcanoes are becoming active.

Pray, children, pray for Spain, terrorism leads to pain.

My Beloved People, "Man does not live by bread alone." (Mt 4,4) You need to be nourished by My Word; My Holy Spirit will continue giving you My Word and that of My Mother so that My People grow.

Do not abort My Law: "I Am who I Am." (Ex. 3:14)

You are waiting for what is sensational, without thinking of the signs that are present behind the sensational in order for you to prepare.

Do not preach with misused free will, preach with a heart full of My Love, My Humility, My Forgiveness, My Mercy.

WHOEVER SEES THE BEAM IN THEIR BROTHER'S EYE SHOULD FIRST LOOK AT THEIR OWN, THUS THEY WILL KNOW THAT THEY HAVE TOO MUCH TO CORRECT IN THEMSELVES, AND THIS PRACTICE WILL LEAD THEM TO BE MORE HUMBLE.

You know well that you will undergo a Great Purification: purify yourselves voluntarily so that the load that you bear be lighter.

Beloved My People, the Warning is approaching and My People must be firm in their Faith, immovable in their Faith, so that after this they might continue being My People.

I bless you with My Love.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Beloved calls us vehemently to be more elevated, more spiritual and less worldly. There is so much Divine Mercy that we are offered in abundance so that we return to the Only Way that will lead us to reach the Eternal Goods, Divine Love.

Truly, we must be grateful for the Divine Word and at the same time fear not fulfilling it, because it sets out for us how tortuous it will be for the one who walks without faith.

He calls us to love our neighbor so that we understand how easy it is for us to judge and how hard to forgive. Let us not forget that with the measure we use it will be measured to us, and a quarter more.

Drawing closer to Christ opens our understanding of the Divine Word and the Holy Spirit keeps the Divine Law alive so that in it we do not abandon what is the Divine Commandment.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST AUGUST 12, 2017

My Beloved People:

I HOLD YOU IN THE PALM OF MY HANDS TO PROTECT YOU MOST ZEALOUSLY.

You are not allowing Me to help you. You stop me by taking other paths and resorting to what you find easiest, without thinking whether it is right or not.

My people, what is easiest is not always right, nor is it what will lead you to act harnessed to My Work and Action, nor what leads you to grow in the spirit.

I CALL YOU TO STOP YOUR ACTIVITIES AND TO ENTER INTO SILENCE, WHERE NOTHING AND NO ONE DISTURBS YOU. I CALL YOU TO HAND THE SILENCE OVER TO ME SO THAT WE BE UNITED AND SO THAT YOU BE WILLING TO STAY CLOSER TO ME.

Whoever penetrates into inner silence stops what the imagination brings to mind and prevents thoughts from flying wildly, leading them to make judgments or take measures that they believe will correct their brothers and sisters, without first taking them for themselves.

You continually judge according to your imagination and way of thinking: this denotes that wrongdoing constantly rears up within you. My Beloved People, whoever wants to be the judge of their brothers and sisters does so because evil prevails in their soul.

This is part of the ingrained ego with which you are directing all your actions and works, that ego which you do not want to displease and for that reason do not change, that ego that you have contaminated with whims and complacency, with envy and improper actions. The misguided human ego lives in the impulsive person who constantly provokes or hurts their brothers and sisters. In the egoist it moves like a serpent, hoarding everything for itself, and it does not share My blessings with its brothers and sisters, in the envious person who is

constantly injecting poison and does so in the dark where no one sees him in order not to be discovered, but becomes a great danger for his brothers and sisters, whom he slanders, and causes great errors, undermining even the strongest and destroying the most solid structures, and other weaknesses - more that I would mention, children.

I HAVE CALLED YOU TO BE TRULY CHILDREN OF MY LOVE, AND YOU HAVE NOT DONE SO, SINCE IF YOU WERE MY LOVE, AT THIS INSTANT YOU WOULD NOT HAVE ANY OF THESE WRONGFUL APPETITES THAT I HAVE NAMED.

For some, their effort to change is minimal and this hurts Me, because at this instant, with a minimal effort, none of My own will attain what they need in order to come to possess true and full faith.

The evil one therefore attacks you from one angle or another, through a word or through a gesture, through a misinterpretation or unwillingness. Each person takes for themselves what they believe is good and right, and few are those who follow My Teachings to the letter, within My Love.

YOU KNOW THAT I CALL YOU TO UNITY AND THAT IN ORDER FOR YOU TO LIVE IN UNITY YOU NEED TO LOVE ONE ANOTHER IN ME; ONLY THUS WILL YOU OVERCOME DISAGREEMENTS BEFORE THEY ARRIVE.

I am speaking about daily living so that you remain alert before you have to face the intense times of purification. Whoever does not prepare at this instant will not have another one for doing so.

My Beloved People:

You are living in dangerous instants - extremely dangerous, and you will live through constant and recurring instants like these. War ceases being a specter. A small country will be the cause of Humanity's terror. Those who have not believed will fall down, asking for My Help, since around them they will not find anyone to help them. Man, without thinking, is calling for confrontation.

The earth will shake fearlessly: the powerful will make themselves felt. Man measures his power for a long while, provocations will not be entirely certain, surprise will be the reason for the powerful country's anger.

MAN TRIES TO KNOW IN ADVANCE WHAT WILL HAPPEN, AND I HAVE SHOWN THIS AGAIN AND AGAIN. DO NOT WASTE THESE INSTANTS, BE PERSEVERANT.

MY PEOPLE ARE IN AGONY IN THE SEA OF WHAT IS WORLDLY, WHERE BASE INSTINCTS PREVAIL AND AGITATION IS CAUSING MAN TO LOSE HIS REASON.

Pray, My children, pray for the United States; war is not only calling outside its territory but within it.

Pray My children, pray for North Korea, words draw attention away from the true intention.

Pray My children, pray for Italy, it will suffer and grieve, grieve and suffer.

Pray My children, the volcanoes are awakening and the earth shakes.

Do not forget to prepare your spirit. How many will regret not having confessed their errors! How many who reject Me will have to make reparation!

My People must look at themselves, so much intrigue will be punished by Me. My People are not an example but a cause for grief, My People continue to be degraded by hatred and envy against themselves.

PRAYERS ARE DAILY BUT MECHANICAL; YOU RECEIVE ME THOUGHTLESSLY, WITHOUT PROPER PREPARATION OR REPARATION. I AM MISTREATED BY THOSE I LOVE, BUT MY LOVE DOES NOT DECREASE.

My Beloved People, how many walk the earth without paying attention to the signs of this instant! You will be surprised at a great unexpected event coming from above.

Prepare yourselves, examine yourselves deeply: do not forget that everyone will examine themselves in their work and action.

HOW MUCH MY MOTHER HAS ASKED FROM YOU IN HER REVELATIONS AND YOU HAVE TAKEN THEM WITH NO AWARENESS! ...

Humanity suffers because of disobedience; because of disobedience grief is approaching.

You, My people, do not lose heart, persevere, strengthen one another and be tenacious in the praxis of My Word.

What you have is for you to manage, thus your own square meter must give fruits of Eternal Life.

MY ANGEL OF PEACE WILL COME TO BE THE LIGHT OF MY PEOPLE WHO, PERSECUTED BY THE ANTICHRIST, WILL FALTER IN FAITH. HE BEARS MY WORD IN HIS MOUTH AND MY LOVE IS NESTED IN HIS HEART. HE WILL SHARE HIS BREAD WITH THE HUNGRY AND WILL GIVE DRINK TO THE THIRSTY, BUT THE HEART MUST BE WILLING IN ORDER TO RECOGNIZE HIM.

My Beloved People, do not despair because of the god of the world. *"I Am who I Am"* (Ex. 3:14) and My children are fed like the birds of the field. My Word should be daily food for you.

DO NOT FEAR, I CARRY YOU IN THE PALM OF MY HANDS.

MY BELOVED PEOPLE, I CALL YOU TO PRAY THE HOLY ROSARY THROUGHOUT THE WORLD, AT 6 PM IN EVERY COUNTRY, FOR THE PEACE OF THE WORLD.

DO NOT FEAR, I AM WITH YOU.

DO NOT FEAR, I LOVE YOU AND BLESS YOU.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

THE INSTRUMENT'S COMMENTARY

Brothers and Sisters:

I want to share with you what happened two hours after having received the Message of Our Lord Jesus Christ.

A soft but penetrating scent, which is unmistakably from our Blessed Mother, led me to an image of Her. And looking at It, She was shedding Tears of Blood. My heart felt as if it stopped because of the pain it causes me to see Her like this, suffering.

Immediately other people arrived and a second tear began to well up from Her right eye. This, brothers and sisters, is so touching that no one can look at the Blessed Mother without their soul being shaken.

And our Mother says to me: *"Beloved daughter, My tears of Blood are shed out of the pain that inundates Me due to the suffering that Humanity is already experiencing. How many deaths from one instant to another! How anger is growing in the Humanity that I love! - even though it is disobedient towards My Son's and My requests. How much pain you would have avoided by being obedient!"*

Whatever happens, good or bad, will be a cause of rebellion in the world. The lack of love for God leads man to show his anger constantly.

Evil spreads discord, intolerance, disrespect, betrayal, lack of love in Humanity, which does not want to change but carries on being a part of what the masses agree upon.

HOW YOU WILL SUFFER!

Manifestation, August 12, 2017

As participants in this work, on many occasions we are witnesses of extraordinary events where Heaven miraculously illustrates the word revealed; we therefore cannot refrain from sharing these events that somehow

transcend our understanding, but which in turn focus our attention on the seriousness of the instant and of the grave events that are approaching for humanity.

MESSAGE OF OUR LORD JESUS CHRIST AUGUST 20, 2017

My Beloved People:

I BLESS YOU AT EVERY INSTANT, WITHOUT HOLDING BACK MY LOVE FOR MY PEOPLE.

I look at you with Eternal Love in the midst of the humanity that captures the heart of those who are Mine and constantly hardens it, causing you to descend in the spirit. You have allowed what is worldly to cause you to fall into baseness, corrupting you so that you love what is material and not even think about what is spiritual because to you it seems to be something fictitious.

How hard My People are! just like their pagan ancestors ; some suppose that, staying by My Side, they will not pass through trials, or they misinterpret My Word and are sure that I will protect their material goods. To the extent that you think this way, you go further away from Me and denote a lack of Faith. *"If Faith were like a mustard seed, you would tell a mountain to move and it would move"* (Mt. 17:20), but the Faith you have is weak and you grant great power to evil, knowing that Our Will has the Final Triumph.

How many come to this explanation of My Word out of curiosity! ... And this is not how it should be, since the one who seeks Me out of curiosity will then seek Me out of necessity.

I EVEN SEE SOME OF YOU WHO ARE STAYING BETWEEN "ALREADY" AND "NOT YET". HOW MUCH YOU WILL REGRET NOT HAVING BELIEVED IN THIS PRECISE INSTANT!Our Will has declared to you all that is happening and will happen, not in order to frighten you by the events that are approaching for Humanity, but so that you prepare.

How much I grieve for those who neither want to listen, read nor believe and who live without being aware of what is happening in the world, who live without being aware of the pain of their brothers and sisters who are persecuted for following me!

I SEE YOU BELIEVING AND TRUSTING MORE IN SCIENCE THAN IN OUR DIVINE WILL, WHICH DOES KNOW WHAT WILL HAPPEN.

I SEE YOU LISTENING ATTENTIVELY TO CLIMATE REPORTS, LISTENING ATTENTIVELY TO ECONOMIC EXPERTS, LISTENING TO ANALYSTS OF POLITICS, WAR OR RELIGIOUS AFFAIRS...

BUT ME YOU IGNORE, YOU DISDAIN ME, PUT ME OFF AND DO NOT BELIEVE.

Our Will warns you about the changes to which you will be subjected and which you will suffer due to Nature, and you continue to ignore Our Word. And when men warn you about an upcoming event, you take precautions in order not to suffer.

Man does not attend to Our Divine Will, and because of this evil takes advantage of unbelief in order to lead you to extremes where denial is the result of the lack of knowledge and spirituality in man.

I LOVE MY CHILDREN, BUT EVERYONE WILL RECEIVE THE FRUIT OF THEIR WORK AND ACTION:

of their faith and of their commitment ...
of their spiritual growth and their struggles against evil ...
of their love for neighbor ...
of how much you love My Father ...
of the measure with which you have measured your brothers and sisters ...
of judgments made without a basis or with a basis that you should have kept in the secret of your heart ...
of the defamation by which you have tarnished a brother or sister...
of the calumnies by which you have affected the reputation of a brother or sister...
of the occasions when, using My Word, you mistreated one of your brothers and sisters and kicked them when they were down...

How many of you serve in My Temples in some ministry and are creatures who do not even deserve to stand at the Altar, because you take My Law into your own hands!

YOU WILL COME TO SEE ME AND WILL BE ASHAMED BECAUSE I WILL MAKE YOU SEE THE OCCASIONS WHEN YOU TURNED MY CHILDREN AWAY FROM MY HOUSE, BEING MORE SINFUL THAN THOSE YOU WERE SINGLING OUT.

Every human creature, if they do not love their neighbor, if they are not truly humble, if they do lower themselves so as to be the last, runs the risk of not tasting Eternal Life, since misuse of free will lead them to their own condemnation, were they not to repent properly.

At this instant, fools, scattered all over the Earth, are discussing My Word and all think that they have the truth. Hypocrites! If they were so interested in Our Will, they would use the instant to alert My People of how much they will suffer and would open their eyes so that their mind activate knowledge and knowledge make them reason, as what is to come is certain and is close.

My beloved People, the Earth is undergoing transformations in every cosmic event of great magnitude that happens near Her and you go towards the phenomenon and see no further than what is a spectacular phenomenon or attraction. Earth is suffering from events that affect Her and man does not think about it, he does not take seriously the fact that Earth does not have the same magnetic field as in the past.

Children, you do not believe in My Word, you do not believe that such a great degree of sin is involved in attracting disasters to the Earth and accelerating them. **YOU PAY NO HEED WHEN I CALL TO YOU TO BE ATTENTIVE TO THE CONTINUAL AND GROWING WAVE OF VIOLENCE IN HUMANITY AND TO THE FACT THAT THE EARTH ITSELF IS VOMITING OUT MAN'S SIN.**

Earth's magnetism has weakened and you are not reinforcing prayer, nor requests for your protection, but on the contrary, you are reinforcing sin. I do not only call you to verbal prayer but to construct prayers with actions and works united to Our Will.

My Beloved People, the Earth's core is in the process of changing, the Earth itself is in the process of changing, and you need to be more spiritual creatures in order to advance and ascend towards Our Most Holy Trinity.

Pray children, pray for Humanity that is not aware of what is happening to it, of what is approaching, and it will suffer.

Pray children, pray for Colombia, it will shake strongly.

Pray children, pray for Chile, that people will weep at the power of Nature.

Pray children, pray for New Zealand, it will be shaken.

Pray children, pray, anger is taking hold of man with greater force. Humanity will live in constant terror.

MY PEOPLE, I AM GOD AND THEREFORE CALL YOU TO WAKE UP, TO REACT SO THAT YOU TURN TO OUR TRINITY AND TO THE MOTHER OF MANKIND, TO YOUR BROTHERS ON THE WAY AND YOUR INTERCESSORS ; IT IS URGENT FOR HUMANITY TO RETURN TO SPIRITUALITY.

Evil has taken power and it is man's duty to stop it, and for this, man must become spiritual. Great changes are coming for Humanity and it will only be the man of faith who will understand in his spirit what is happening, in order not to be deceived and not to join with evil.

My Beloved People:

I BLESS YOU, I LOVE YOU, BUT THE FORCES OF EVIL ARE CATCHING MY CHILDREN UNAWARE AND RULING THEM, INDUCING THEM TO DUPLICATE EVIL. This is the cause of the constant wave of man's acts of terror against man himself. Thus the Antichrist is making known his giant steps towards Humanity, not hiding the power that man has given to him. Those who work for him long for the destruction of much of Humanity, so they seek war.

Make haste, My people! Be faithful to My Law, do not interpret The Commandments, they are what they are.

BY DIVINE WILL, OUR ANGEL OF PEACE WILL COME AFTER THE APPEARANCE OF THE ANTICHRIST SO THAT YOU DO NOT CONFUSE HIM WITH EVIL. He will be a comfort to My People, and will minister the Divine Word to you so that you do not forget the strength of Our Love and do not surrender to evil out of desperation. Like a Precious Pearl, Our Angel of Peace stays in Our House in order to go to My People at the precise instant. **(1)**

My Beloved People:

THE EARTH IS SHAKING STRONGLY, THE PURIFICATION OF THIS GENERATION IS APPROACHING. OUR TRINITY DOES NOT ABANDON YOU: MAINTAIN FAITH IN OUR PROTECTION, BE OBEDIENT AND DO NOT BE ATTACHED TO EARTHLY GODS. With My Help and living in faith and obedience, continue to be beacons of faith that bear witness to My Love present in Humanity.

Come to My Call, it is not instant for refusal but for the unity of My People.

I bless you with My Love.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY FROM THE INSTRUMENT

Brothers and Sisters:

Divine Love tells us, tied to His Law, that we must continue to be creatures of Faith.

Marveling at the Divine Word, which with great and wise Doctrine - always new and always old, as St. Augustine says, never ceases to amaze us. In this "Lectio Divina" we are even instructed in science, so that those who still say that science and religion are not compatible see the great Divine Work with which Our Lord reveals to us what is happening on the Earth itself and within Her.

Man cannot continue to deny that Humanity has fallen into sin and that spiritual decadence makes it impossible for it to see what is of God.

In this explanation of the Divine Word the Words are multiplied for us and, if you will, the examples so that man understand the reality of this instant.

Brothers and sisters, we do not live in instants for distancing ourselves from the Creator: we are living in instants for us to approach the Mercy that does not rest, that stays active. Let us be objective and not mask how bad this generation is; let us each be a vector of unity, an extension of the Love of Christ towards our brothers and sisters.

Let us be clear that there is Mercy, but at the same time there is Divine Justice; that is why Christ calls us to be more of Him than of the world.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY
AUGUST 23, 2017

Beloved children of My Immaculate Heart, I bless you.

Blessed is the one who has believed.

Blessed is the one who obeys the voice of their Shepherd.

Blessed is the one who loves his/her brothers and sisters.

Blessed is the one who does not magnify him/herself.

Blessed is the one who sees My Son in their brother and sister.

Blessed is the one who does not call himself 'chosen'.

Blessed is the one who gives himself with love to his brothers and sisters.

Blessed is the one who loves and forgives, forgives and loves.

Blessed is the one who fulfills The Commandments of the Law of God.

Blessed is the one who is dedicated to the service of My Son at every instant of their existence.

Blessed is the one who protects their soul, who masters their human ego and draws near to permanent fusion with their spirit blessed by the Divine Spirit.

Blessed is the one who is not like the merchant outside the Temple.

Blessed is the one who respects their brothers' and sisters' thinking when it differs from their own.

Blessed is the one who has the right Wisdom for correcting their brothers and sisters with fraternal love.

Blessed is the one who does not think they are always right in everything.

Blessed is the one who knows how to keep silence in the secret of their heart.

Blessed is the one who subdues their tongue and does not allow it to wound their brothers and sisters.

Blessed is the one who does not oblige their brothers and sisters to be fused with the Divine, but with Divine Love takes their hand and leads them quickly, but with patience.

Blessed is the one who has understood that the instant is no instant and that every earthly day is one day closer to the fulfillment of the Prophecies.

Blessed is the one who gives everything in following My Son.

Blessed is the one who is prudent.

Blessed is the one who subdues their human ego and does not hurt their neighbor.

Blessed is the one who has opened their heart to Divine Love and therefore loves their brothers and sisters in spirit and truth.

I have shed My Tears, beloved children of My Immaculate Heart, My Tears of Blood, for traversing the Earth perennially, I have collected the blood of the innocents and of many martyrs of this generation.

I have shed My Tears of Blood for those children of Mine who have been, are and will be victims of the mistreatment of some of My Priests, whom I beg to fulfill their vows and to pray that the enemy does not defeat them. You, because you are Priests, are constantly stalked by many demons, so you must remain strong and live the sublime instant of Consecration in spirit and truth. Within you, in your hands, you hold and testify to the Great Miracle of Transubstantiation.

I have shed My Tears of Blood for those who in some way wish to have dominion over their brothers and sisters and threaten them with losing Eternal Life.

Beloved children of My Immaculate Heart:

My Son is freedom, but you know well that the free will of man is tending to separate itself from My Son at this instant when evil is stalking man on every possible side. Evil is so subtle that for you it can go unnoticed, therefore you must remain united to the Holy Spirit, pleading for discernment in every step you take, in every action, in every work, and even more so in every word that comes out of your mouth.

My Maternity did not end with receiving you at the foot of the Cross, but began there, and it will not end until I present you to My beloved Son. Therefore My Word, which is Divine Will, will not stop, so that My Son's People be aware of what is the Divine Will, that they do not go astray and take false steps.

Beloved children of My Immaculate Heart:

DO NOT BELIEVE THAT BY BEING FAITHFUL AND MAKING A CONTINUOUS EFFORT TO BE OBEDIENT AND TO FULFILL THE WILL OF THE FATHER YOU WILL BE EXEMPT FROM THE COMING EVENTS.

Throughout all My Apparitions I have revealed to Humanity, in each one of them, what you will face precisely in this generation, in which you can clearly distinguish all the Signs that I have mentioned to you as a condition for My Revelations to be fulfilled.

You are a Disobedient People, you do not believe, you constantly want to put your finger into the wound in order to believe; you reason so very much that sometimes you believe yourselves so superior as to judge your brothers. **THAT IS NOT RIGHT, SINCE NONE OF MY CHILDREN MUST JUDGE THEIR BROTHERS AND SISTERS.**

Divine Mercy knows no limits, yet it is not because of it that Divine Justice does not exist, because the one who is not true, the one who does not strive, the one who does not fulfill the Commandments, the one who has no charity, the one who is not humble, the one who does not give everything to follow My Son, will receive their payment and it will not be the same as the payment received by the one who repents consciously and with firm intention not to go back to sinning. You are living in too serious instant for you to continue taking Heaven's Calls lightly.

THIS GENERATION WILL TASTE THE BITTER CHALICE OF PURIFICATION.

The Earth itself is in constant evolution and in its process of evolution it no longer resists so much sin by the human being, and therefore it shakes and will shake with great force.

I saw you participating with joy in the Eclipse and so I want you to think, to analyze, since I see the joy of serving My Son being constantly eclipsed, because you prioritize the world and put off My Son's Requests.

I CALL ALL HUMANITY TO TAKE OFF THE BLINDFOLD, TO SEE THE REALITY OF THE EVENTS, to know and to take full stock of the sin that abounds on Earth.

I CALL YOU BECAUSE OF THE URGENCY OF EACH PERSON'S SPIRITUAL PREPARATION, for as Mother I do not want the Warning to overtake you without having repented for wrongdoing, without having recognized yourselves as sinners. The pain of the soul in the Warning will be unimaginable because nothing it has committed will remain hidden. I mourn because even with this act of Divine Mercy and opportunity for the Salvation of the human race, some will rebel and will be persecutors of My children.

This indignation in which some are living, this folly that some are maintaining, this indifference, this disobedience in which some of My children are living permanently, will pierce their hearts with pain, because when they want to get away from the tentacles of evil, they will not be able to leave, because they will have already trapped them in them and will fight harder so that their souls do not belong to My Son and so that their conscience be nullified and that they do not feel the need to seek My Son. As Mother, I grieve over this...

My children, pray for Italy. Italy is going to suffer greatly. Italy will be invaded and her heart will feel the force of hatred and of those who reject My Son and those who do not love Me.

Pray, My children, pray for Spain. Spain will be struck fiercely, it will suffer to the core and its territory will be ransacked.

Pray, My children for the United States. The country of the eagle will suffer. The liberty that appears with its torch in hand will be torn down by those who will enter its territory. Its ground will shake as most of the Earth will shake, for few will be the days when some country will not feel the force of the earth's shaking.

Pray, My children, pray for one another, because the instant will come when no one will feel safe in their country, therefore I have called you to union so that you protect one another.

Pray, My children, for Argentina, it will be surprised by people from its own homeland, and this land of My Heart will lose peace for a short time, because those who are hiding in the dark will come out into the light.

Children of My Immaculate Heart:

You need to go back to my Son's Path...

You need to fight against base instincts, against the egoism in which you are constantly walking...

Turn back to My Son, turn back to My Son; this is necessary, because the powers will go from words and threats to war.

I "AS MOTHER OF HUMANITY" WARN YOU AND ASSURE YOU OF MY PROTECTION SO THAT YOUR SOULS ARE NOT LOST IF YOU FULFILL THE DIVINE WILL.

BE OBEDIENT TO MY CALLS; DO NOT BE FOOLISH, BE OBEDIENT.

I bless you in the Name of the Father, the Son and the Holy Spirit.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

**MESSAGE FROM OUR LORD JESUS CHRIST
AUGUST 26, 2017**

My Beloved People:

**YOU ARE MY PEOPLE AND I LOVE YOU...
YOU ARE MY CHILDREN, THOSE WHOM I LOVE AND FOR WHOM I GAVE MYSELF ON THE CROSS.**

My Beloved People, I see you following heretics, I see you following those who do not love Me and who say that I have chosen them as My Instruments.

Do not forget that "not every one that says, Lord, Lord, shall enter into the Kingdom of heaven" (Mt. 7, 21).

You are in the midst of great confusion; My Church finds itself in the prelude to the Schism, you have left the Commandments up to the free interpretation of My people, who as in the time of Moses have grown tired of waiting and have surrendered to the worship of false idols. My Church is repeating the same mistakes because of not being obedient to Our Divine Will and disobeying My Mother in what She has asked you to fulfill in Her repeated Revelations.

My Mother has made the Divine Will known to you, Her children, but you have closed your ears and hardened your hearts for fear of offending those whom My Mother has ordered to consecrate to Her Immaculate Heart. Because of disobedience, My Church has not consecrated Russia to the Immaculate Heart of My Mother, and Humanity will suffer for it. If obedience had been greater than fear, humanity would not be facing war.

**THE IMMACULATE HEART OF MY MOTHER WILL TRIUMPH, IT WILL TRIUMPH, BUT FOR THIS MY PEOPLE WILL UNDERGO WHAT COULD HAVE BEEN AVOIDED:
THEY WILL BE PURIFIED.**

The devil is usurping souls everywhere and My children, what are you doing to avoid this loss of souls?

My Church is immersed in neglect of the salvation of souls. My Priests largely do not catechize My People, but the preaching is as light as foam, permissive with regard to sin so that the community does not walk away.

But what is the state of My People's inner temple? Plagued with snakes, invaded by the darkness and the nauseous smell of sin, which takes hold of everything because the human being keeps forgetting me.

I NEED MY PEOPLE TO FOCUS ON THEIR INNER TEMPLE, IN CONTINUING TO ASPIRE TO A LIFE CLOSER TO MINE, MORE DEVOTED TO SILENCE AND MORE FOCUSED ON THE FULFILMENT OF THE SIGNS OF THIS INSTANT, IN ORDER NOT TO BE IGNORANT OF WHAT IS HAPPENING.

Do not be creatures of appearances or masks to use on every occasion, be creatures of Divine Love who travel the road taking My Word wherever they go, and who when they are not well received do not hide, but shake their feet and then look for other brothers and sisters, other places in which to evangelize.

My People do not speak, they do not preach...

My People have been victims of the theft of words and concepts proper to Me and at this instant they are shaken on hearing various words or concepts used by new ideologies or sects and therefore stop using them.

This is to surrender to those who enter into My Church to steal what is Mine in order to appropriate it for themselves and encircle My children in order to weaken them.

CHILDREN, DO NOT FALL INTO IGNORANCE, SECTS AND MOVEMENTS BASED ON ALIEN PHILOSOPHIES HAVE USUSPED MY WORD AND WHAT IS OF MY HOUSE IN ORDER TO CREATE CONFUSION.

Man is the wonder of My Father, he has the best and largest system of engineering, and science was unable to discover it easily. My Father endowed man with an exemplary and perfect system of circulation, so that blood would be distributed throughout the organism, and the same goes for the other systems that the human body possesses. Is it not a laboratory of the most excellent quality?

My people have seen how esoteric movements use words such as "energy" in order to take possession of them and so that Catholics who use them feel that they belong to these sects, or be pointed at by their own brothers.

No, children! The human body is constantly in motion, it does not stop and this movement produces energy and energy produces vibration, and vibration is a form of communication that the body emits outwards in order to bless your brothers and sisters or to contaminate your brothers with negativity.

**OUR TRINITY IS NOT A NOUN, IT IS A VERB...
OUR TRINITY IS CONSTANTLY IN A PROCESS OF CREATING AND FORGIVING, OF LOVING AND GIVING GOOD TO MAN.**

The static person is the one who does nothing and expects to receive everything without the slightest effort, and this is not correct. My Children must work for their salvation and for the salvation of souls.

My Beloved People, baseness and lack of respect for one another cause Me great pain, because disrespect is a means by which the enemy penetrates souls, causing disunity, separation and division.

So many are the Signs that I am making patent for you that My Heart is drowning in the indifference of Humanity, which looks with scorn and total indifference at what is happening in the world. This generation is showing itself to be totally ignorant and this causes Me pain, with so many advances man yet closes his eyes and becomes spiritually ignorant and totally ignorant of what is occurring in the world.

You do not cultivate the spirit, you live feeding the human ego; if you are well, you are not interested by anything that your brothers and sisters are suffering. But shaking and agitation will come upon the whole Earth, Nature will awaken those ignorant ones who live solely by their "ego" and their comfort.

MY BELOVED PEOPLE, THE NUMBER OF SOULS THAT REMAIN ATTENTIVE TO GROWING AND FEEDING ON MY LOVE IS DECREASING. Sin and continuous offenses to Me are the sign of Satan's dominion over Humanity, Freemasonry has settled within My Church and exalts the human being as a god, with his debauchery and his whims, with his rebellion and arrogance against our Divine Will.

Other sects are settling within Rome aided by Freemasonry so that My People be confused and be indifferent to the events that I announce to them, and thus the Antichrist will find a Humanity that is faltering and ignorant.

My Beloved People, you must maintain certitude in My Warnings and the Revelations of My Mother, which are but an excess of Our Will's Love for you.

KNOW THE HISTORY OF HUMANITY, MY PEOPLE'S STORY, IN ORDER TO BE AWARE THAT WITHOUT SPIRITUALITY, YOU WILL NOT GO FAR, BUT WILL DESTROY ONE ANOTHER.

Man carries rebellion within himself, inserted by the media, not only those of communication but through the invention of cinema and of video games with which the present youth has grown up. Reacting beside oneself is common in the man who imitates the "winners" created by misused technology.

My Beloved People, you must know, you must go deeply into what is happening in the world. Do not be like the fools who, looking towards the Sky, say that it is the Earth. The stubbornness of man distresses Me, saddens me...

Pray My children, pray for Rome, it will be invaded and the Vatican shaken by forces contrary to My Church.

Pray My children, pray for Portugal, hatred is coming to invade this people of My Mother.

Pray for My children, pray for Venezuela, the blood of My children continues being shed.

Pray My children, pray for England, it suffers from terrorism.

Pray My children, pray for North Korea, it is exciting the powers' senses.

Pray My children, pray, the Warning is near.

Beloved My People, I call you to be true. I will not be indulgent with those who commit injustices and do not repent. Otherwise I would not be a Just Judge.

My Beloved People:

Do not be like the hypocrites who scourge My true Instruments.

Do not be the tormentors of those who serve Me without fear.

Do not be among those who cry, "Crucify the one who serves Christ."

My Beloved People, you must recover the Love that I offer you, you must strive to overcome the "ego" that governs you. As long as you do not master the "ego" and make it become spiritual, you run the risk of being instruments of evil and being those who prevent My Word from spreading in peace.

These are instants in which good and evil are arguing over souls: you cannot see this with the eyes of the body, but some of you perceive it in the spirit. And you perceive it in the spirit because you have drawn near to Me.

I HAVE CALLED YOU TO PREPARE TO RECEIVE THE BLESSING OF MY ANGEL OF PEACE, BUT YOU ARE NOT MAKING AN EFFORT; MY PEOPLE'S CHANGE IS NOT CONSTANT AND MY SPIRIT DOES NOT DWELL WHERE LIGHT AND DARKNESS LIVE TOGETHER IN TOTAL LUKEWARMNESS. IT IS ALREADY THE INSTANT FOR THE LIGHT OF MY SPIRIT TO RULE IN YOU COMPLETELY.

Our Trinity blesses you; be worthy of this Blessing - I love you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

The Divine Will explains Its Love through Its Word. It does not change Sacred Scripture but explains it, although man insists on not understanding.

We find ourselves in an instant of transformation and confusion, so Christ leads us to hear from Himself what humanity has refused to receive from the mouth of His and Our Most Holy Mother.

The foolishness of Humanity is that which leads man to his own decadence in every respect, but above all to lose his soul, if there is no change and willingness for conversion.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
AUGUST 30, 2017**

Beloved children of My Immaculate Heart:

**I BLESS EACH ONE OF THOSE WHO TREASURE THIS WORD THAT COMES TO YOU BY DIVINE WILL.
I BLESS THE HEARTS OF EACH OF MY CHILDREN.
I BLESS WITH MY LOVE ALL THOSE WHO RECEIVE THIS WORD AND PUT IT INTO PRACTICE.**

Beloved children, I call you to be aware of the urgency of conversion; this is not the instant to cause evil among brothers and sisters, nor to seek opposition, nor to utter slander, nor to insult; you already have enough of this on the part of those who do not love My Son, on the part of those who have allied with evil.

The People of My Son are accustomed to rising up against each other because you lack true Love and live in lukewarm commitment. **LUKEWARMNESS IS EXTREMELY DANGEROUS FOR THOSE WHO LIVE IN THIS WAY:** at one instant appearing to be of My Son and at another, when they are not being watched, they pounce like wolves to destroy what is not to their liking.

This is the way how evil acts, leading you to feel that you are useful through discord. You do not understand that evil keeps testing you in order that you renounce My Son. Therefore, be aware that you need to be strong so as not to allow evil to accomplish its purpose. **EACH ONE OF THE FAITHFUL OF MY SON'S PEOPLE IS A THREAT TO EVIL AND THEREFORE IT HAS THE INTENTION OF MAKING YOUR FAITH COLD, OF DISTURBING YOU WITH THE SLIGHTEST THING YOU CAN THINK OF, BECAUSE IT WANTS TO TAKE YOU AWAY FROM THE PATH TO ETERNAL LIFE.**

Beloved children of My Immaculate Heart, there continue to be constant ambushes in order to steal the world's peace. War is advancing towards Humanity, little by little, step by step. The provocations are constant until an act of madness will unleash what will inevitably be the greatest act of folly. Beloved, pain will break out from war, peoples will be left as if deserted, and at that instant all Humanity will be touched by the product of the scourge of war in one way or another.

BELOVED, EVERYTHING THAT MAN HAS NOT WISHED TO SEE AND EXPERIENCE, MAN WILL SEE AND WILL EXPERIENCE AT THE HAND OF THE HEROD OF THIS GENERATION.

Humanity grows with the desire for freedom; and the devil has taken it in order to make it into licentiousness, and man in turn has taken that licentiousness in order to present My Son as an opponent of freedom.

These are the acts of the devil to keep My children from the true Way.

At this instant man has greater means for going away from My Son through misused technology and the little search for spirituality in which most of Humanity is living. **LACK OF PRAYER HAS ALLOWED EVIL TO PENETRATE THIS GENERATION MORE QUICKLY.**

It is urgent that you be creatures of prayer and action.

It is urgent that you draw near to My Son not only in confession, but also with true repentance of wrongdoing and firm purpose of amendment.

It is urgent that you come to receive My Son in the Eucharist.

It is urgent that you be more Heavenly.

I invite you to pray for all Humanity in order to defend one another spiritually, and you will not achieve this without prayer and action.

My children, I invite you to be truer, loving in the Love of My Son and not seeing yourselves as rivals on this Path. The spiritual creature's walk must be born of Love for My Son so that in this way you are not touched by envy, nor by resentment, nor covetousness, nor pride, nor arrogance, nor lack of charity, nor rivalry, nor the desire for the first places.

**THE ONE WHO LOVES IN DIVINE LOVE WILL NEVER RISE UP AGAINST THEIR BROTHER OR SISTER
THUS WILL THE PERSON WHO IS SPIRITUALLY GROWN UP BE DISTINGUISHED FROM THE ONE WHO
LIVES BEING LUKEWARM.**

Beloved People of My Son, the trials for Humanity continue. The sin that abounds in man and remains on Earth is a point of attraction for Celestial Bodies to approach Earth more frequently. In an instant you will see the moon take on the color of blood, as a notice to Humanity of the proximity of the Warning, about which I have already warned you.

Man's foolishness in denying a place of punishment for souls who do not repent or amend their lives has led more souls to fall into the clutches of the devil. Do not be among those who cooperate so that Humanity falls into the power of the devil.

**HELL EXISTS, JUST AS DIVINE JUSTICE EXISTS, JUST AS THERE IS THE DAY AND NIGHT, THE
EARTH AND THE FIRMAMENT.**

YOU KNOW THAT AS HUMANITY DRAWS NEAR TO THE COMPLETE FULFILLMENT OF MY REVELATIONS, THERE WILL BE MORE WHO DENY MY SON, DENY HIS REAL PRESENCE IN THE EUCHARIST, DENY THE IMPORTANCE OF REPENTANCE, AND DENY MY MATERNITY.

Beloved People of My Son:

When you deny sin, when you deny the Divine Law, when man ceases to be man and woman ceases being woman, when children are stripped of their innocence and Humanity ignores the Love of My Son and prohibits the children of My Son from carrying visible Sacramentals, and when priestly duties are taken lightly... **MY CHILDREN, EVIL WILL BE INSTANTS AWAY FROM PROCLAIMING ITSELF THE FALSE "CHRIST". AND YOU KNOW THAT THIS IS WHAT THE IMPOSTOR WILL DO, WHO WILL SCOURGE HUMANITY AS NEVER BEFORE.**

The instant is one of darkness, error, the lack of love, which is penetrating man with greater insistence.

ANGER AND NONCONFORMITY ARE INCREASING UNCONTROLLABLY; MAN REBELS AT EVERYTHING, UNTIL THE ALLIES OF EVIL ATTAIN THEIR OBJECTIVE: CREATING CHAOS THROUGHOUT THE EARTH. In the face of instability, the peoples will rise up and that will be when brother will rise up against brother, disavowing blood ties, and **BECAUSE OF THIS GRAVE SIN, THE THREE DAYS OF DARKNESS WILL BEFALL THE EARTH.**

The epidemic goes like the wind over all the Earth: be aware of it. The instant you are warned, do not expose yourself, it will not look, it will have no compassion.

Beloved children, pray for the United States, the scourge is galloping over that land without a truce.

Beloved children, pray for France and Italy, they suffer because of terrorism and nature.

Beloved children, pray for Mexico, it shakes forcefully.

Beloved children, pray for Guatemala, its soil suffers and it shakes. My children suffer.

Beloved children, pray for Argentina, pain looms. Commend it to Our Sacred Hearts.

Beloved children, pray for the Church of My Son, pray.

My children are peaceful, they do not take part in the anger that evil is spreading over men in order that disorder and instability reign on Earth.

THE ANGEL OF PEACE WILL BE SENT TO LEAD THEM ON THE RIGHT PATH THOSE WHO FEEL ALONE AND ABANDONED BY THE FATHER'S HOUSE; He will be the great opponent of the antichrist and will be a lamp that gives light to My Son's faithful.

THE ANGEL OF PEACE IS THE GREAT OBSTACLE TO THE ANTICHRIST and will be the one who will call sin: sin and good: good.

Beloved children of My Immaculate Heart, you are not abandoned by God the Father, He watches over His children.

Evil passes over Humanity, but it will never be Humanity's conqueror. When you believe that evil has taken all power and believe that you as the People of My Son have been exterminated, do not stop, do not lose faith. **THIS WILL BE THE INSTANT OF THE TRIUMPH OF MY IMMACULATE HEART BY DIVINE MANDATE AND DESIRE.**

I continue shedding My Tears throughout the Earth, as a sign of My Presence and the suffering of My children, as a prelude to the instants prior to a tribulation for Humanity.

Beloved children of My Immaculate Heart, what this Mother asks of Her children you must fulfill.

I CALL YOU IN THE DIVINE WILL, I WARN YOU OUT OF LOVE, NOT IN ORDER TO FRIGHTEN YOU, I WARN YOU BECAUSE I LOVE YOU AND WILL NEVER ABANDON YOU BUT LEAD YOU TO MY SON.

Do not lose faith in the protection that the Father's House maintains over His children.

Do not lose Faith, maintain it at all instants.

I love you, I bless you.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

(1) According to the previous Revelations given to Luz de Maria by Our Lord Jesus Christ and our Most Holy Mother, Nuclear Energy has been called the Herod of this generation. Read...

COMMENTARY BY THE INSTRUMENT

Brothers:

It is Motherly Love that is speaking to us: let us not deny what we cannot deny. We cannot explain at what instant Humanity changed, evil penetrated it in an unheard of way and Humanity confronted God.

The evil one has hijacked a great number of souls, he has inserted himself into man through ideologies with a semblance of good and attained a place in the life of the human being.

The human creature rebels again and again without seeing evil's objective, but only the instant in which it is living, and in this way remains in error without feeling guilt or repentance.

The turmoil in the world, in various countries, is part of the objective of the evil in order that so much instability does not seem strange to the human being, but so that, on the contrary, being one of those who joins in with acts of social upheaval be seen as something modern.

We read through the media about the amount of havoc that Nature is causing in various countries as Heaven announced it. It is normal that in some epochs hurricanes and other atmospheric phenomena form, but what we are seeing and what our brothers and sisters experiencing is not usual. The disproportionate rate of natural phenomena, tremors all over the Earth, social upheavals, tell us that something major is happening to Humanity. And man does not discover it, because he refuses to believe that this is not normal.

Let us continue in prayer and action, in repentance and amendment, in faith and fidelity to the One and Triune God.

Let us be in unity as requested from us by Our Blessed Mother.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY SEPTEMBER 5, 2017

Beloved children of My Immaculate Heart:

I AM IN FRONT OF EACH ONE OF MY CHILDREN TO GUIDE YOU IN THE DIVINE WILL, in instants when evil is continually lurking and you are not properly prepared to resist and reject that force of evil, because of not thinking about your personal work and action.

I see that you carry on being the same, above all in the unexpected and continuous awakening of the human ego, full of that great intelligence that has grown up upon the emotions of each of you at life's various unforeseen instants.

YOU CONTINUALLY REFUSE OBEDIENCE ; WHEN I CALL YOU TO REMAIN MORE ALERT IS WHEN YOU SHOW YOURSELVES TO BE MORE NEGATIVE AND MORE REBELLIOUS.

It is the human ego that rebels against orders, it is the human ego that wishes to continue in its own free will, and for this reason you do not manage to advance.

Beloved children of My Immaculate Heart, you know full well that evil is lying in wait in order to bring you down and to lead you to bad and improper works and to bad and improper acts. What is most painful for My Heart is

to see you falling continually because of your repeated emotional changes, because you continually change your mind, and due to this, to see you going away among the great masses who live in lukewarmness.

My Son does not need great sages or great scholars among you, but needs men and women of humble heart, living the Love of God in their hearts in order to give it to their neighbors. My Son needs true children, not in appearance but sincere, upright and determined, with firm intention to change at every instant. **YOU HAVE TO GIVE TESTIMONY ; IF YOU DO NOT GIVE A GOOD TESTIMONY, YOU ARE HYPOCRITES APPARENTLY DRESSED IN WHITE.**

Humanity is stuck in the chaos and blindness caused by vices. Man does not set pride aside, but on the contrary, he glories in his pride in order to oppress the humble. The devil rejoices in man's impiety and greed, in the lack of charity, in the coldness and misery of the human heart.

Beloved children of My Immaculate Heart, we have guided you so that you leave the darkness, yet everyone voluntarily plunges into the darkness all the more in response to Heaven's Requests so that you be saved.

YOU WILL NOT BE CREATURES STRENGTHENED IN FAITH IF YOU DO NOT FIRST GROW INTERNALLY.

I WANT TRUE CHILDREN WHO RISE ABOVE THEIR MISFORTUNES, AND NOT THAT MISFORTUNES WOULD MAKE YOU MORE MISERABLE.

You cannot call yourselves creatures of faith if you are not prepared for inner change. You will not be true Christians if you do not resemble My Son. Who turns the other cheek? Who sees their own errors, who forgives, who forgets, who ...?

WHAT YOU HAVE TO DO, MY CHILDREN, IS TO RENEW YOURSELVES COMPLETELY: AS LONG AS YOU DO NOT MANAGE TO DO THIS, YOU CANNOT ADVANCE.

Children, Nature is advancing with great force over the earth ; this is the response to the one who has invaded it, and Nature no longer recognizes him. It is nature that is calling Humanity to turn its gaze back to God. Man is estranged from his responsibility within purification.

Beloved Children of My Immaculate Heart:

THERE ARE SO MANY WHO FEEL THAT THEY ARE ACTING WELL, AND SO FEW ARE THE HUMBLE WHO RECOGNIZE THEMSELVES AS SINNERS!

Do not go on waiting, be sincere towards yourselves, be aware of the instant in which you are living and of the great interference that Satan is maintaining within Humanity, bending hearts and taking hold of brilliant minds to debate the Commandments of the Eternal Father.

This is the time for you to see yourselves internally, so that you reconsider and draw near to My Son. He awaits you in order to welcome you, but for this the great inner change that I have mentioned must occur within each one of you.

Pray children, pray for the United States, Nature scourges it, the earth shakes.

Pray children, pray for Colombia, this land will suffer until it is purified. Nature will purify you. I invite you to consecrate this land to My Immaculate Heart promptly.

Pray My children, pray for Argentina, it will experience instants of tragedy. I invite you to consecrate this land to My Immaculate Heart promptly.

Pray My children, pray for South Korea in order that prudence might be a weapon for disarming evil.

The volcanoes will roar, awakening man from his sleep, in one place and another, they will cause man to invoke the Creator.

Beloved children of My Immaculate Heart, Our Angel of Peace will bring you peace. It will be welcomed by those who live in peace. For the one who does not know peace it will be doubly difficult to awaken this virtue. You who read this Maternal Word out of love and conviction and not out of obligation or in order to scoff, you My children, be honest with yourselves. How will you recognize peace if you do not live it, if you do not practise it?

OUR ANGEL OF PEACE KEEPS HIS EYES ON THE EARTH; YOU ARE NOT UNKNOWN TO HIM. OUR ANGEL OF PEACE SHEDS TEARS BECAUSE AWAY FROM THE LACK OF COMMITMENT, LOYALTY, DEVOTION AND FAITH IN WHICH MY SON'S PEOPLE ARE WALKING.

My Son suffered, suffers and will suffer for each one of you, but what result will My Words have in hearts of stone? Even so, I will not leave you at any instant, I will even go to Purgatory to help you.

THOSE WHO REPENT AND WHO WITH A CONTRITE HEART DESIRE TO DRAW NEAR TO MY SON, LET THEM DO SO AT THIS INSTANT, DO NOT WAIT FOR ANOTHER. Every instant that you live is an instant of greater spiritual demands; and in order for you to manage to survive in the midst of the battle, you must increase your faith and be creatures who are nourished by Divine Love.

The Earth continues to be despondent.

This Mother wants all to be saved, but with great pain I know that not everyone wants to be saved. My Son cries out for each one individually, but you reject him because of the influence of evil.

Beloved children of My Immaculate Heart:

MY HEART KEEPS WAITING FOR YOU TO CALL ME. MY SON KEEPS ME AMONG YOU IN ORDER TO STRENGTHEN YOU AND TO HELP YOU. DO NOT FORGET THAT I LOVE YOU AND WILL NOT ABANDON YOU.

After the great purification of Humanity, My Son will return in His Second Coming and you, His faithful People, will walk towards Him and together with the whole Creation will render all honor and all glory to the Most Holy Trinity.

I love you, I bless you.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters :

In this Call of our Mother we clearly see Heaven's urgency regarding a definitive change in man. A change in the relationship with the Creator, a change urged in order that we save our souls. That change in man for which Christ came and for which He still continues asking us. All this, coupled with the wrong concept of man who puts his emotions before giving himself to God and his brothers and sisters. We are being called to self-control so that our "ego" does not succeed in coming out but be crushed by the will of every human creature, the will to please God and to be a witness to Divine Love.

Every human problem is rooted in the lack of love in man's heart, but this lack of love spreads to memory, thought, understanding, and that is why the level of brutality which man has reached will not stop until he passes through purification so that, united as one, body, soul and spirit are not separated but be one.

Today's man lives immersed in himself, in his world, in his desires, and this human ego grows unthinkable until it becomes a monster that attacks the whole Creation.

Brothers and sisters, one of the qualities of man is integrating into society, because we were created to live in community, in communion. So, continuing with that hope, let us all be fulfillers of that unity and the dispossession of the egoistic self to which Heaven has called us.

Amen.

**MESSAGE OF OUR LORD JESUS CHRIST
SEPTEMBER 10, 2017**

My Beloved People:

I BLESS YOU, CHILDREN OF MY MOST SACRED HEART.

I see My People in great confusion, fearful, not because of disrespecting me but facing what represents danger for them.

Some feel that they are totally true to Me and that their work and action are sufficiently pure and devoted to make reparation for all Humanity. This, children, is pride. I will not rest until the majority of My children come to Me. As a Beggar of Love I untiringly seek souls, I do not want any of My children to be lost.

YOU ARE MY FOLLOWERS AND HAVE TO BE FULFILLERS OF MY TRUTH, BUT YOU ARE NOT THE TRUTH.

I call you again and again because man quickly becomes accustomed to forgetting, and it is not My Desire that you forget what I ask of you and what you must fulfill in order to remain in My Way.

MY PEOPLE, PRAY IN AND OUT OF SEASON, BEING CONSCIOUS OF EVERY WORD SO THAT THIS AWARENESS PREVAILS EVEN WHEN YOU FINISH PRAYING, AND THUS CONTINUE PRAYING WITH YOUR ACTIONS AND WORKS. All that emerges from you must be the product of this continual prayer in spirit and truth so that you do good and spread it everywhere.

Humanity suffers from a thirst for love, a thirst for faith, thirst for hope, thirst for charity.

Humanity at this instant is living by the excesses of a free will that is misused and given over to what offends Me.

Faith does not exist, you doubt the explanation of My Word and that of My Mother and of what comes from My Father's House. You doubt with great ignorance, from which you do not want to escape. **SOME OF MY CHILDREN HAVE APPROPRIATED MY TRUTH FOR THEMSELVES, BUT THESE ARE THE PRIDEFUL, SINCE THEY BELIEVE THEY POSSESS DIVINE THINKING AND JUDGE CONSTANTLY.**

IGNORANT IS THE PERSON WHO, KNOWING THAT THEY ARE LIMITED, UTTERS JUDGMENTS AGAINST OUR WILL.

My people, this instant of calamity for this generation is generated in that stubbornness, in that human foolishness which makes you feel that you are above Our Will. Interests prevail in you and even your words are expressed with that personal touch implying that what you think is the best for you.

You have laid aside Our Will without measuring your works and actions; for this reason you find yourselves facing the disastrous result of how much you have generated.

Every event about which we have warned you will be fulfilled. Nothing will remain unfulfilled at one instant or another, but will be fulfilled in this generation of such perversity.

You are heading towards the Great Purification and the succession of events that you already know full well, in such a sequence that it will be difficult for you to help one another.

The actions of some towards others will lead you into great conflicts in the countries least thought about. Humanity ignores the fact that the elements have been altered and that these are altering man's normal behavior, being reflected in riots, protests, threats, terrorism, the use of nuclear weapons ... Man acts, he does not think.

My People, the Sun is emitting dangerous emanations towards the Earth; do not expose yourselves to the Sun, unknown diseases produced by the Sun are appearing.

My people, the devastation without measure that man has caused Nature is man's lament at this instant.

"I AM WHO I AM" (EX. 3:14); MY PEOPLE DISRESPECT ME, YOU IGNORE MY OMNIPOTENCE AND RELEGATE ME RELATIVE TO THE FALSEHOOD OF IDEOLOGIES THAT YOU VERY QUICKLY EMBRACE.

The attacks of Nature, combined with difficulties among the great nations, will cause the unexpected collapse of the economy and will be man's lament which will make him despair at the downfall of his god.

Beloved children, stay alert, Earth's orbit will change, the Earth will continue shaking in one place and another.

Pray My children, pray for Russia, it will suffer because of Nature.

Pray My children, pray for the United States, it suffers again.

Pray My children, pray for Chile, it shakes with great force.

Pray for Central America, the earth trembles, and Colombia shakes forcefully.

My Beloved People:

CONTINUE CONSECRATING YOURSELVES TO THE IMMACULATE HEART OF MY MOTHER AND TO MY MOST SACRED HEART. Each consecration is a spiritual rebirth for you, it is a repeated renunciation of evil and a repeated adhesion to the Truth.

Beloved My people, pray for Italy, it will be shaken and attacked.

MY ANGEL OF PEACE IS THE FRUIT OF DIVINE LOVE FOR EACH ONE OF YOU. HE WILL GIVE YOU PEACE AND SPIRITUAL HEALTH. IN THE SILENCE OF MY DIVINE LOVE, IN MY NAME, HE WILL GRANT HEALTH TO THOSE WHO NEED IT AND BE IT FOR THE GOOD OF THEIR SOUL.

The antichrist will summon multitudes in order to make great spectacles so as to be applauded by men. That is why I have called you to spiritual growth and discernment, to be reconciled with Me, to be bearers of My Love, to make reparation and to see Me in your brother and sister.

Children, pay attention: at this instant some people are proclaiming themselves as My very Spirit; these are used by evil to confuse you. **"I AM WHO I AM"**(Ex. 3:14).

Be bearers of My Truth, not that of men but of My Truth...

Make up your mind and eliminate what keeps you highly attached to what is worldly...

Entrust yourselves to Our Divine Will, be clay in Our Hands, concern yourselves with being creatures of good and rid yourselves of what is holding you back, of what you still have within your human ego and which is preventing you from growing. You need to change your work and action for a better work and action tied to Our Will. You must crush the evil that remains in the human ego, so you are docile and allow Me to mold you.

THOSE OF MY CHILDREN WHO DO NOT BEND THEMSELVES AND CHANGE WHAT THEY NEED TO CHANGE, SUCH CHILDREN OF MINE WILL TRAVEL A LONGER ROAD THAN THOSE WHO DECIDE TO BEND THEIR HUMAN SELF IN THE AREAS IN WHICH IT NEEDS TO BE TRANSFORMED.

My Holy Spirit is ready to help you, but for this you must be willing and have firm purpose of amendment.

My people, I love you, I call you to treasure this explanation of My Word. My blessing is with you.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

In these instants our Lord Jesus Christ is calling us to be more of Him, to leave behind what is worldly and to take His Word that is life and life in abundance.

Christ calls us to live out the praxis of His Word in this instant that is one of commitment with ourselves as human beings and above all, first of all, as children of God.

The suffering of this generation, as Our Most Holy Mother has also repeated for us in Her Messages, is nothing other than purification for so many offenses against God, when assent has been given to committing crimes against the most sacred gift: the Gift of life, fomenting unbridled vices, accepting the worship of satan, giving assent to every sort of insult and moral and spiritual degeneration due to the negation of evil.

Our Lord Jesus Christ has told me that the Earth is saturated, sick with sin and the blood of the innocent. This makes Nature react against man whom it disavows for behaving outside the Divine Will.

Brothers and sisters, our Lord showed Himself to me hurt by the suffering of man at this instant; it hurts because He loves us, but He tells me that man is making use of free will and using it to turn away from Him, and that He is waiting like a Beggar of Love. That is why he continues calling us to come out from spiritual blindness and to be willing to say YES TO GOD!, who prepares His own and asks us to correspond, something for which He never tires of waiting.

Let us think that one more prayer, one more consecration, one new act of devotion will never be sufficient, therefore let us pray in season and out of season.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY SEPTEMBER 13, 2017

Beloved children of My Immaculate Heart:

MY LOVE HAS NO LIMITS, I KEEP ALL MY CHILDREN IN MY HEART.

Children, not everyone loves My Son, and I come pleading before you so that you return to the true Way and so no more souls are lost.

Humanity has created a generation without God, without constraints or obedience, without faith and without charity. Man views himself as his own enemy, and due to all the influences you continually receive from all that surrounds you, you fall again and again, these falls being deeper and more difficult for the human creature to overcome.

Faced with the condescension of My Son's Church, men go astray when they find freedom to adhere to sin. The denial of hell as a place of punishment for those who do not leave sin, has been propitious for humanity to degenerate even more. Consenting to what is contrary to the Divine Law has made sin one more thing, without any transcendence, and Satan is continually stealing souls.

MAN DOES NOT KNOW HIMSELF, HE LIVES DECEIVED BY HIS HUMAN EGO THAT WHISPERS TO HIM: "YOU ARE DOING EVERYTHING RIGHT, CARRY ON THIS WAY."

This generation is not aware, it stops at nothing, it does not see, it is not afraid in the face of the Signs of the Times because it does not know them, it has not heard about them. It has been living immersed in technology and has had no time for God.

Man does not allow himself to be corrected nor for any suggestion of becoming better to be made to him, from where stems so much evil, so many families destroyed, so much wrongdoing ... Therefore, this generation suffers the Great Tribulation, it is experiencing the Great Tribulation which becomes stronger by the instant. Man's suffering is sharply accentuated. That is why My Son, within His Mercy, is disciplining His People, His rebellious, unbelieving, disobedient and unfaithful children, and calls them to Obedience. The person who did not know of affliction will have it before him/her, since no place will be exempt from being purified.

Do not mock or rejoice over the ills of your brothers and sisters, purification gallops from one place to another, at one instant or another people suffer.

Do not wait for tribulation; you are living within it, following which will be the culmination of the Great Tribulation.

Man's rebellion and offenses towards God, worship of the devil and the repudiation of the One Triune God is what keeps this generation as the one that will suffer the Great Tribulation and the scourge of the Antichrist. ***'For then there will be great tribulation, such as has not been from the beginning of the world until now, and never shall be.'* (Mt 24:21)**

So it is that you live from disaster to disaster; Creation tells man not to offend My Son any more, but man solves everything by giving scientific explanations. Only those who are experiencing the Tribulation know that what they suffer is not something that can be called normal.

Man claims that he has lived through instants of anguish, yet he will not have experienced anguish equal to that during the Purification. It is the instant of the great trial for My Son's People, when natural disasters and science misused by man will turn against him and contaminate all that has been given to man by the Eternal Father.

The anguish that My children who have suffered because of Nature are experiencing will be experienced by all people; the four elements have been released to carry out their action on Humanity which they disavow, since Humanity is not living out, is not enacting, does not obey the Divine Will.

Beloved children, this does not mean you are going to be abandoned by the Divine Hand. That is why in this explanation of the Divine Word you are called to save your souls, to take spiritual strength, to not decrease in faith, to fortify yourselves so that when the antichrist comes, you will not give in to his wicked lies.

You will witness grave and terrible phenomena of all kinds. The earth is roaring from within its core because of the friction in its depths. The earth is alerting man not to contaminate it any more. This generation will know the power of Nature facing man who is wounding it.

You will witness invasions of great nations, cruel invaders without mercy. Europe will be prey to invasions and will be enslaved by the slaves of evil. Rome will be invaded and My faithful children will help My Son's Church, which will have to be transferred to another nation.

Beloved People of My Son, pray in season and out of season, repent, be righteous.

Do not feel that you are wise, the wise person does not offend his/her Lord, and this generation will be the creator of greater offenses towards the Divine Will.

YOU MINIMIZE EVERYTHING CONCERNING WORSHIP AND PRAISE, THANKING AND PAYING HOMAGE TO THE ONE WHO IS GOD, WHOSE NAME IS HOLY AND WHOSE CHILDREN SHOULD BE HOLY; THEREFORE YOU ARE BEING PURIFIED. As Mother, I call you not to falter before this great Truth, given that far from frightening you, I want to draw you to the Truth and for you to recognize that you are not acting well but outside God's Law.

I protect you, I free you from evil, but for this you have to be creatures of good.

Love can do everything, therefore seek and be experts in Divine Love, and the rest will be given unto you.

Pray My children, pray for San Francisco, it will suffer to the core.

Pray My children, pray for England, it suffers due to terrorism and Nature.

Pray My children, pray for the Philippines, it will be shaken by its volcanoes.

Pray My children, pray for Mexico, the sin that overflows in this nation causes it to suffer.

Pray, People of My Son, pray.

I bless you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

I saw our Most Holy Mother during this Message with an expression of pain. She mentioned to me that all Humanity must continue to consecrate itself to Her Immaculate Heart. She told me of the Consecration of

Russia which was not fulfilled as She requested it, even though the hierarchy of Her Son's Church knew about the consequences of this.

She was insistent that at this instant Humanity must consecrate itself continually, not only to Her Immaculate Heart but to the Most Sacred Heart of Her Son.

She told me that Her continual Requests to warn Humanity before the arrival of the Antichrist, in various Apparitions, were disregarded, knowing that She was announcing the consequences of disobedience.

She looked at me with those eyes that do not disguise Love and told me: "My pain is greater in watching My children suffer."

Brothers and sisters, these calls are not meant to go unnoticed, but so that we look inside ourselves and from there go to resume a new life more befitting God's children.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST SEPTEMBER 18, 2017

My Beloved People:

CHILDREN OF MY MOST SACRED HEART, I BLESS YOU.

I look at you with infinite Love, as infinite as My Mercy is for each one of you.

IN THE DARK NIGHT IN WHICH THE HUMANITY THAT I REDEEMED IS MOVING, THE CONVULSION AND THE CONFUSION IN WHICH YOU ARE LIVING CAUSE ME PAIN.

The origin of Humanity's evils occurred through the lack of love in man towards himself. No one who does not love himself can love their brothers and sisters.

Each creature has its own concept of what love is. As long as that is the reality, it will be very difficult for you to succeed in loving me and giving me the proper adoration, just it is very difficult for you to love your brother without putting your own concept before love for neighbor.

YOU ARE UNABLE TO DETACH YOURSELVES FROM THE MISUSED HUMAN EGO IN YOUR LIVES, YOU HAVE CHANGED FREE WILL INTO LICENTIOUSNESS AND LICENTIOUSNESS INTO A GREAT LACK OF LOVE TOWARDS YOURSELVES.

You have forgotten that you are temples of the Holy Spirit and have become temples of idolatry, selfishness and confrontations that are leading you to shocking dehumanization.

My beloved People, I have to tell you that if each person, individually, does not propose an inner transformation in what they must change, it will be difficult for them to accept with My Love the brother who is not and does not think like you. In the face of the constant clashes of personal human desire there are the actions and reactions of a selfish man, which leads this generation to find itself in the instant of instants.

The Schism that is gradually confronting My Church will find My children immature, lacking in faith and potentially selfish. The little spirituality in which My people are living reveals the scant training of My Church, which will fall into the clutches of evil, which is why My Angelic Legions will remain alert in defense of those who repent of their behavior and ask for Their Help.

My Beloved People:

I HAVE ALREADY DECLARED TO YOU THE URGENCY OF PREPARATION FACING THE PROXIMITY OF THE WARNING, IN WHICH EVERYONE WILL BE ALONE FACING THEIR OWN CONSCIENCE; THE ACTS AND WORKS OF YOUR LIFE WILL BE REVEALED, EVEN THOSE THAT YOU CANNOT REMEMBER. This personal purification is necessary for you to properly face the future development of Humanity. Not everyone will believe in Me after the Warning, although this will be My Great Act of Mercy for all Humanity.

My Beloved People:

DAYS PRIOR TO THE WARNING AND BEFORE YOU SEE MY CROSS IN THE SKY, YOU WILL SEE FOR ONE DAY THROUGHOUT THE PLANET A GREAT SIGN THAT WILL TELL YOU THAT THE WARNING IS ALREADY UPON YOU. YOU WILL SEE A CIRCLE IN THE SKY AND FROM THE CIRCLE A RAY OF LIGHT WILL DESCEND THAT WILL NOT TOUCH ANYONE, AND THAT NO ONE WILL BE ABLE TO TOUCH.

THIS SIGN IS ONE MORE GRACE FOR YOU THROUGH THE INTERCESSION OF MY MOST HOLY MOTHER.

My Beloved People, humanity finds itself in instants of purification and this will continue coming from Space, just as Nature will not tire of warning you to sin no more.

Pray My children, pray for Jamaica, it will be greatly purified.

Pray My children, pray, total war is a reality.

Pray My children, pray, the earth continues to shake throughout the planet, pray for Germany.

Pray My children, pray, the East will remain in a state of alert.

My Beloved People, Humanity in general will feel threatened. The lack of fear on the part of those who believe they have power over Humanity will lead them to issue the order so that My People be lacerated with chemical weapons.

"I AM WHO I AM."(EX. 3,14) I DO NOT WANT MY PEOPLE TO SUFFER ANY MORE FROM THE MAN WHO USES SCIENCE FOR EVIL.

I WILL LET MY HAND FALL AT THE INSTANT WILLED BY US.

Do not forget that you have to put aside the human ego that leads you to cause harm to your brothers and sisters. You must be creatures of good, of peace and of My Love so that you might be able to ascend in the spirit.

I BLESS YOU CONSTANTLY, BUT IT DEPENDS ON YOU WHETHER THAT BLESSING IS RECEIVED IN ITS ENTIRETY BY EACH PERSON.

I bless you, know me in order not to be confused.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Once again the Call of Our Lord is directed so that the human ego would not be an obstacle in us, but a blessing that Heaven has given us. This we achieve by rising above that same "ego", not in our way, but in the Divine way.

Love is and will always be an infinite blessing for Mankind and at the same time man's test of obedience towards God.

Our Mother intercedes before the Trinitarian Throne in order that by Mercy we have one more opportunity, one more sign before the Warning. Let us remember that for God every instant that we come before Him is like the first time, but let us not abuse Divine Love.

Divine Mercy is more than Christians commonly believe, that is why the term mercy is abused. Let us not be among those who, abusing Divine Mercy, spend their lives attacking their brothers and sisters.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
SEPTEMBER 20, 2017**

Beloved Children of My Immaculate Heart:

**BE GOOD CHILDREN SO THAT YOU DO NOT CAUSE SUFFERING TO MY SON,
WHO LOVES YOU INFINITELY.**

Man speaks of what he does not know, mentioning what I have revealed to Humanity in My Apparitions on Earth. You compare My Revelations with science and when that happens, bewilderment arises with the realization that there is no scientific explanation, no matter how much you may look for it.

Man, making poor use of free will, transforms it into licentiousness, deciding to distance himself from everything that means an effort of the heart, the mind, thought, in reason, in good concepts, in obedience and in patience. This because man is very afraid to set aside his poorly employed human ego.

Transformation causes man to fear because he does not know what is going to be asked of him for that transformation, and the expectation of a greater Divine demand causes him fear and dread of goodness, of being a better child of God: that is what man dreads. Sin does not cause him dread, but goodness.

Beloved children of My Immaculate Heart:

Man is living in the midst of the world's convulsion. This keeps him in constant expectation. The repeated events to which man has been subjected will increase, with an intensity that man has never seen or experienced.

It is necessary for humanity to be purified from so much sin with which it has joined the hordes of satan and united with those who reject My Son and their brothers and sisters. This generation is offended by signs and symbols that represent Divinity. Therefore, My children, within the Church of My Son, the center must continue to be My Son in the Blessed Sacrament. **TRANSUBSTANTIATION AT THE MOMENT OF CONSECRATION IS REAL AND TRUE, EVEN IF SOME OF MY PRIESTS HAVE LOST FAITH IN THIS MOMENT AND TREAT MY SON ROUGHLY, WITHOUT RESPECT, WITHOUT LOVE, WITH GREAT UNBELIEF, FORGETTING THAT MY SON MAKES HIMSELF PRESENT AT THE WORDS OF THE CONSECRATION OF THE PRIEST AND THE CLAMOR OF HIS FAITHFUL PEOPLE.**

You My children need to prepare yourselves properly in order to receive My Son in the Eucharist, you must repent of your sins and you must endeavor not to make the same mistakes. Do not receive My Son in the Eucharist if you are not properly prepared.

**I WATCH WITH PAIN HOW YOU PASS MY SON FROM HAND TO HAND AS IF DEALING WITH
SOMETHING EDIBLE THAT YOU HAVE BOUGHT SOMEWHERE IN ORDER TO DISTRIBUTE IT,
INSULTING WHAT IS MOST SACRED.**

Some of My Priests are not zealous in the treatment they give to the Eucharist and with their bad example the people repeat the same thing and do not give the Eucharist its true value.

**AT THE MOMENT OF THE EUCHARISTIC CONSECRATION THE ALTAR IS THE TABLE OF SACRIFICE
AND LOVE WHERE MY SON SEES THE FAITH OF HIS PEOPLE AND DESCENDS TO HIS OWN OUT OF
LOVE.**

My Priests must be sons of prayer, sons of Love, sons of charity, sons of constancy, sons of hope, sons of compassion and witnesses to the humility of their Lord and their God.

My Priests must warn the People of My Son in order for them not to be confused by those who deny evil, who deny dogmas of faith that contain a great foundation; they must not be among those who deny a God who is the Just Judge. Every human creature decides of its free will where it is heading: in love and forgiveness or in the denial of Divine Love, and thus suffers the consequences sin itself, just as the place of punishment: hell, if there is no repentance. "And the sea gave up the dead that were in it, Death and Hades gave up the dead that were in them, and all were judged according to what they had done. Then Death and Hades were thrown into the lake of fire. This is the second death, the lake of fire. (Rev. 20: 13-14)

Beloved children of My Immaculate Heart

You are experiencing instants of great danger to the soul. They are instants when the devil is distracting My children from all that is good, with the objective that they be lost. **IT IS URGENT, MY CHILDREN, THAT THIS DANGER IN WHICH YOU ARE LIVING IS NOT AUGMENTED BY TOLERANCE TOWARDS EVIL. YOU MUST CALL SIN SIN.**

BELOVED, HEAVEN, PURGATORY, AND HELL EXIST.

Humanity, immersed in what is worldly, thinks that God is not real and therefore lives in the madness of the world, without thinking about the future of their soul, since it is living blindfolded by sin. Man's will is permissive and even so he thinks that it is impossible for a chastisement to come to his life because of his bad deeds.

I KNOW AS A MOTHER THAT YOU WILL MOCK MY WORDS AND BLAME MY INSTRUMENT ON ACCOUNT OF SUCH A STATEMENT, BECAUSE WHOEVER IS WORLDLY DOES NOT UNDERSTAND OR WISH TO ACCEPT THE CONSEQUENCES OF THE MISUSE OF ITS FREE WILL. Therefore, My Priests must be firm and remain attached to Sacred Scripture and God's Law.

Beloved children, the earth finds itself struck by the consequences of sin. Humanity will become more violent, it will be totally disrespectful, it will invade the Temples and will destroy them. This is the product of man without God, of the man who has been given a new opportunity to continue sinning, of the man to whom it has been denied that God can judge, of the man who has been told that sin is forgiven even without sorrow being felt for sin, and that God is love.

The product of man without God is the destruction of the Great Work of the Father, of the Sacrifice of My Son, and the denial of the existence of the Holy Spirit.

BELOVED CHILDREN, GO BACK TO THE DIVINE WORD, DO NOT DEPART FROM THE TRUTH, STAY TIED TO THE HOLY SCRIPTURE. GOD IS MERCY AND AT THE SAME TIME THE JUST JUDGE.

Walk with Love and with a sure step: be the product of the Love of My Son for you and My Love as the Mother of Humanity.

Pray for My children, pray for the United States, it suffers severely because of Nature that shakes it.

Pray My children, pray for Mexico, it is purified again.

Pray My children, pray for the Middle East, it suffers at the hand of man and the volcanoes will not delay.

Pray My children, pray for Italy, it is purified without expecting it.

Pray My children, pray for Peru, it is shaken.

Beloved children of My Immaculate Heart, Humanity is a witness to what Nature has reserved for this instant. Great and amazing effects of Nature will be seen on earth, there where they are not expected.

Be cautious, offer up every instant for the salvation of souls.

Take the decision to transform your lives on the path of personal salvation and that of your brothers and sisters. Do not wait, convert, this is the right instant.

I protect you so that you walk with My Son, I extend My Hand to you so that you are able to rise up in temptations.

I am your Mother and I love you.

Pray, practise Love towards My Son.

I bless you,

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Blessed Mother has stressed to me that Her Motherhood leads her to suffer with Her children.

She mentioned the seriousness of the debauchery in which man is living, because of denying the consequences of sin and the repeated denial of the existence of hell.

Our Mother told me with pain, which I felt embodied in Her Words, of the suffering of Humanity that has been attracted by evil and man's continual sin.

She mentioned to me that creation, being the Work of God, is not meant not to fulfill the Divine Will. Yet at this instant man is rejecting good.

Nature will continue showing its force against man. In this way, earthquakes will occur in lands where there had been no previous shaking and will increase their intensity in areas that usually shake. She told me: "Daughter, unknown volcanoes will appear, being real threats to man. The chaos that man has constructed against himself will not stop."

She told me about Chile and what this country will suffer.

Similarly, she told me that man will increase his level of anger and that therefore protests and acts of vandalism will increase in the world. The Temples will be invaded and seized by evil to prevent those faithful to God from coming to receive the Eucharist.

But She told me: "If My children hurry to return to the path of My Son, I will come quickly as the Mother of Humanity in order that this human creature perceives My Presence and be strengthened."

LET US HEED WHAT WE HAVE RECEIVED FROM HEAVEN FOR THE GOOD OF ALL.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST SEPTEMBER 25, 2017

My Beloved People:

**IN MY INFINITE LOVE I HAVE ALLOWED MAN TO APPROACH ME AND THUS GROW IN THE SPIRIT,
AND TO BE MORE OF MY HOUSE THAN OF THE WORLD.**

At every instant in the History of the generations I have manifested My Mercy towards My children.

In the same way Humanity - stubborn, blind and disobedient -, has rebelled and suffered for its sins. The man of this instant debates whether My Mercy punishes or does not punish, not wanting to see himself as the cause of his own suffering.

My beloved People, when the human creature shows itself to be outside Our Divine Will by its works or actions, opposing the Divine Law written directly by My Father's Hand on the Tablets of the Law, it rebels and interprets everything that is Ours by human free will.

The Commandments are to be kept applicable at all times and for all people. Man, acting contrary to the Divine Law and disobeying it, has defiled the Word of My Father. In the face of such an act, I must express once more that the man who acts well receives good by generating good. The man who acts badly receives evil as a product of his bad behavior, when he does not repent, neither recognizes nor confesses and has no firm intention of amendment.

**THIS GENERATION HAS REGRESSED AND HAS COME TO PROFANE OUR DIVINE WILL, GIVING FREE
INTERPRETATION TO THE DIVINE LAW, THIS BEING AN ACT THAT GENERATES THE GREATEST
MISFORTUNES, AS A CONSEQUENCE OF A FREE INTERPRETATION OF WHAT IS SACRED.**

Humanity lives in liberalism and has taken the Word and Divine Law in order to interpret them irresponsibly, in this way giving freedom to the devil so that he grows at every instant and so that new forms of sin appear.

YOU HAVE NOT UNDERSTOOD THAT WITH EVERY SIN EVIL INCREASES, EXPANDS, TAKES POWER WITHIN HUMANITY AND SUCCEEDS IN MANIFESTING ITSELF IN ALL ASPECTS OF SOCIETY.

It is My People themselves who at this instant are handing over their work and action to evil so that the latter continues contaminating everything in its path and injecting its venom of modernism and errors, disrespect and rebellion, its affronts and heresies against Our Will.

HOW MANY OF YOU CRY OUT "OUR FATHER", YET ARE GREAT REBELS WHO DO NOT FULFILL THE COMMANDMENTS AND MOCK THE REQUESTS OF MY MOTHER!

Humanity, living in evil, causing constant offenses to Our Most Holy Trinity, is receiving the product of its works and actions. Therefore, out of My great love, I do not continually punish My children, but My Justice is true. I allow misused human freedom to be man's own executioner.

My Beloved People:

THIS INSTANT OF PURIFICATION MUST AT THE SAME TIME BE ONE OF AMENDMENT. I am Love and every act of reparation is welcomed by Me, only that you forget that reparation must remain accompanied by the intention to continue in that reparation, which cannot be momentary, but permanent. Man shows compunction when he suffers and cries out to Me to help him, and I listen to him and help him, but after the instant of pain, of testing, of fear has passed, he goes back to being lukewarm and nestles in what is human, and he continues offending me and clinging to evil.

My Love, in which man must be constantly living, is the norm for life that I have left you. But instead you launch into the search for what you feel you lack, and you reason along your own lines, not in My Way. Goals are set along personal lines, not My Way. Thus you continue to act without balance, even knowing what good and evil are.

MAN LIMITS HIMSELF TO ACTING AND WORKING WITHIN WHAT HE KNOWS, HE DOES NOT ALLOW HIMSELF TO EXPAND HIS KNOWLEDGE AND TO BE MORE SPIRITUAL. When he does not enter into Me spiritually, he finds nothing new and throws himself into what leads him to find newness in the sin that the devil offers him.

Beloved children, evil has penetrated to the roots of My Church itself, grafting evil into Her, and therefore the newcomers show themselves to be contrary to My Word, since they carry within their teachings a theology that is far from Our Will.

At this instant Divine Love does not reign over Humanity, but pleasure, contempt, impurity, abuse, corruption, falsehood, heresies, offenses against Our House and My Mother. Man's rebellion is launched against the Churches, hatred for the Sacramentals grows inordinately, My faithful priests are separated from My People, convenience and the desire for possession increase in all areas.

**YOU HAVE MADE ME A KING WITHOUT A KINGDOM,
A BEGGAR FOR THE LOVE OF MY OWN CHILDREN ...**

There instant of lamentation will come, in the hell on Earth that those who follow the devil as their god will bring forth.

My Beloved People, Purification continues on Earth, there will be no place that will not be purified, some sooner, others later, but all peoples will be purified to the point where Earth's geography will change.

**UNITE WITH ME, BE TRUE SONS OF MY MOTHER, ATTEND TO HER CALLS,
AS SHE CONSTANTLY INTERCEDES FOR YOU.**

My Mother has asked Our Trinity that the impact of the meteorite, when falling into the sea, be less so that the coastal areas do not suffer to the uttermost. In the light of this Petition Humanity must pray, and that prayer must not only be verbal, but prayer by acting and working in Our Love. Only and only thus will you minimize this impact.

Pray, My children, pray for Mexico, land of My Mother, where She is alive and palpitating, where at Her feet men of peace and good must grow.

My Mother, in the invocation of Guadalupe, is the Woman Clothed with the Sun, She is the Mother of these last days. She contains the balm for the culmination of humanity's purification. **THE TILMA, ON WHICH MY**

MOTHER IS TO BE FOUND, WILL BE A SIGN FOR HUMANITY, WITH A GREAT MANIFESTATION THAT MY PEOPLE ARE NOT EXPECTING AND WHICH WILL SURPRISE THE WHOLE OF HUMANITY. IT WILL BE VISIBLE TO ALL AND CORROBORATED BY SCIENCE.

THEREFORE, THE MEXICAN PEOPLE ARE BEING PURIFIED BY THE FORCE OF NATURE DUE TO THE LAWS THAT THEY HAVE APPROVED, LAWS OF SIN CONTRARY TO OUR WILL AND THAT MAKE THE IMMACULATE HEART OF MY MOTHER SUFFER. The death they have allowed offends Our Trinity with the sin of the free permission of abortion. Life is not valued: man, Temple of Our Holy Spirit, has become a creature that is used by evil, displaying increasing homosexuality and lesbianism.

GREAT HERESIES ARE RUNNING THROUGH MY TEMPLES; FACED WITH SO MUCH SIN, MY MOTHER BESEECHES HER PEOPLE TO MAKE REPARATION, NOT ONLY WITH ACTS IN MY TEMPLES, BUT BY ACTING AS GOD'S CREATURES AND MAKING REPARATION FOR CRIMES AGAINST SO MANY INNOCENTS, WITH ALL ACCEPTING THE FAULTS THEY HAVE COMMITTED AND DECIDING TO NOT GO BACK TO COMMITTING THE SAME CRIMES, DEDICATING THEMSELVES TO A LIFE OF LOVE FOR GOD AND NEIGHBOR, AND SHOWING TRUE REPENTANCE FOR SINS COMMITTED.

You must preach My Love, each person being a testimony of truth, not falsehood. Satan has made himself present on this Earth; he knows that My Mother will defeat him and overthrow him. Therefore My People must eradicate so much sin and so much heresy - now! - and not wait.

Pray, pray for Mexico, its soil will again be forcefully shaken ...

Pray, My children, pray for Chile, it will suffer the wrath of Nature with great force and the neighboring countries will suffer at the same time thereby.

Pray, children for Indonesia, it will be shaken and Humanity will suffer through its volcanoes.

Pray, children, Colombia will be purified, terrorism acts and Nature will shake all its inhabitants.

Pray, children, for Spain, it will be surprised by terrorism and Nature.

Pray, children, for Italy, it will suffer.

Pray for the United States, it shakes and water purifies it.

My Beloved People, you are not astonished at the power shown by Nature: it is the force of man's sin. Humanity continues to be scourged, being purified from one end to the other.

My Love remains current within each person, but it depends on you whether you embrace it or rebel.

I love you all although not all love Me. My People suffer and I do not abandon them. I bless you.

Your Jesus

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

"Keep awake therefore, for you do not know on what day your Lord is coming. But understand this: if the owner of the house had known in what part of the night the thief was coming, he would have stayed awake and would not have let his house be broken into. Therefore you also must be ready, for the Son of Man is coming at an unexpected hour." (Mt 24: 42-44)

**MESSAGE FROM OUR LORD JESUS CHRIST
SEPTEMBER 28, 2017**

My Beloved People:

My Blessing is upon you at all instants; it is like the sun - even if you do not want to receive it, My Love reaches all. It gives fruits to those who welcome it and remains motionless in those who do not allow My Love to fertilize them, fill them and fulfill them so that they do not seek other paths.

They refuse to receive My Love because it is unknown to those who are lukewarm and who want to settle for a reflection or an idea of what My Love is.

Some of My children ask for miracles and when they do not see them realized in the area where their human will wants them, they become displeased and put Me out of their lives. Some of My children do not understand that My Love goes beyond what man desires, since everything I allow in life is for the good of his soul.

YOU DEMAND MIRACLES FROM ME AND I AM GRANTING THEM TO YOU IN ACCORDANCE WITH OUR WILL SO THAT YOU MIGHT BE PURIFIED BY ONE MEANS OR ANOTHER, SO THAT YOU MIGHT SAVE YOUR SOUL!

I promise to help you, but to help My children is not to grant them everything they wish, but what is good for the salvation of the soul. Some people exclaim, "Lord, look at me, grant me what I ask of you" and ask Me for things of a material, economic nature, or that I remove diseases, without thinking that perhaps a disease may be the means through which the human creature returns to Me.

I promise to protect you and some of My children, making a great mistake, expect to deserve to be treated differently from their brothers and sisters. It is precisely My children who are mature and therefore ought to know that for Me the most important thing is that they should save their souls so that they are not lost, and that they might possess FAITH.

Thus I have explained to you that Humanity revolves about itself and gives Me the last place. You do not fulfill the Commandments, giving them free interpretations with which you cause great pain to Our Holy Trinity. You are creatures who focus on yourselves, without suffering for your brothers and sisters, being neither charitable nor merciful. Humanity is inside its "ego" and outside of it finds nothing else. You are a Humanity that does not want to abide by Divine Laws; you are sinking into lovelessness, firstly towards yourselves - and if you do not love yourselves, what love are you going to offer?

This generation will come to witness the schism of My Church, everyone generating this schism by not heeding the explanation of My Word and contributing by supporting innovations outside of Our Will.

My Beloved People, My Throne on Earth will be taken out of Rome in order to safeguard it, **MY SHEEP SHALL DISPERSE, FEELING ALONE AND ISOLATED, THEY WILL OBEY ORDERS THAT DO NOT COME FROM ME AND WILL BE LOST FOR NOT HAVING ALLOWED THEMSELVES TO REPENT.**

MY BELOVED PEOPLE, HUMANITY EXPECTS A GOD OF LOVE, OF MERCY, OF COMPASSION, AND THAT I AM. BUT AT THE SAME TIME I AM A GOD OF TRUTH, OF JUSTICE, OF SURE AND TRUTHFUL WORD. I AM THE JUST JUDGE.

The smoke of Satan has infiltrated My Church, not now, but previously. Man has been eliminating everything that was keeping Satan away, entering into agreements with the evil one and all his allies.

MY CHURCH HAS BEEN CONTAMINATED AND MY CHILDREN WHO HAVE NOT MADE AN EFFORT TO KNOW ME TRULY ARE EASY PREY FOR WHATEVER IDEOLOGY OR FALSE DOCTRINE ARISES. Hell is full of creatures who have omitted the truth and have embraced false ideologies, surrendering to Satan and all that evil represents for them. The youth, principally, have become fanatical about evil and its different diabolical forms of modernism, accepting the base instincts with which evil scourges man, awakening base instincts in order to rebel against Me.

THE WARNING, MY PEOPLE, OUGHT TO FIND YOU HAVING REPENTED OF EVIL COMMITTED, YET I SEE SO MANY WHO ARE WAITING FOR THE WARNING OR THE SIGNS PRIOR TO IT IN ORDER TO CONVERT...

THIS IS THE INSTANT, CONVERSION MUST BE NOW! REPENTANCE MUST NOT WAIT.

DURING THE WARNING, EVERY HUMAN CREATURE WILL CONFRONT THEIR SINS, THEY WILL SEE THEIR WHOLE LIFE, WITH ITS STRENGTHS AND FAILURES, BEING UNABLE TO ESCAPE THIS ACT OF OUR WILL. THE WARNING WILL LAST FOR INSTANTS, YET FOR EACH ONE OF YOU IT WILL SEEM TO BE AN ENDLESS TIME BECAUSE OF THE GREAT SUFFERING THAT YOU WILL EXPERIENCE. THE WARNING IS NOT TO ALERT YOU, BUT SO THAT YOU SEE YOURSELVES AND SO THAT THE SOUL AND THE SPIRIT UNDERTAKE THE RETURN TO LIFE IN OUR WILL. EVEN ONCE THE WARNING HAS PASSED, I WILL FIND HUMAN CREATURES WHO WILL REBEL MORE FORCEFULLY AGAINST ME, BLAMING ME FOR THE PAIN THEY HAVE UNDERGONE.

THE WARNING IS MERCY FROM MY HOUSE, BUT ONCE IT HAS PASSED, FREE WILL SHALL DECIDE WHETHER TO CONTINUE IN DISOBEDIENCE TO DIVINE LOVE OR TO ADHERE TO OUR WILL.

You do not believe that you are standing in front of evil and its legions, you do not believe in Me because of the weakness and complacency with which those in charge with giving true testimony treat My affairs.

Therefore you, insolent generation, will try to use the earth to sow and the earth will no longer be available to you. It will be impossible for it to serve the man who has contaminated it with nuclear energy.

Know, My People, that a comet is so, so close to the Earth that it will change its magnetism and man will feel himself dying of terror because of the ignorance of what Our Mercy has been warning you beforehand.

MY ANGEL OF PEACE IS SOON TO COME TO EARTH AFTER THE PUBLIC APPEARANCE OF THE ANTICHRIST.

Pray, My children, NATURE IS CREATING SHOCKING EVENTS IN FRONT OF MAN.

Pray, My children, focus on spiritual growth.

Pray My children, Japan will suffer to the uttermost.

Pray My children, the United States continues to be purified, San Francisco will be scourged.

Pray My children, the volcanoes are purification for the nations.

Pray My children, Peru will shake and suffer, the sleeping bridegroom will awaken other volcanoes.

Beloved People of mine, be promoters of peace and wisdom for your brothers and sisters.

My Love is constantly poured out, without stopping. My Love desires souls. My Love wants to be your King.

Come to the company and guidance of your brothers of journey: your Guardian Angels.

**MY BLESSING IS FOR YOU TO BE RESTORED.
I LOVE YOU, BLESS YOU.**

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Lord Jesus Christ clearly defines what His Word is in order to leave no room for doubts or interpretation of events according to man's free will.

After the Warning, many brothers who are angry and not dismayed, but, I repeat, angry against God for the suffering they have gone through, attack those brothers and sisters who are repentant and begging God for forgiveness. I saw a great persecution unleashed.

During the Message, our Beloved Jesus clearly showed me the Vatican. I saw the blood of priests, lay and religious, since he allowed me to see their clothes clearly. At the same time I saw a person dressed in white whom they were killing and another dressed in white fleeing between people who were putting a cloth over his

clothes so that he would not be recognized by those who were seeking him. I saw that they wounded him, but not mortally, and he managed to leave Italy. I saw the map clearly.

We cannot continue thinking that God's Mercy is permissive regarding sin.

It is painful to know what man is going to suffer. It is not an easy thing to see so much pain. **CONSOLATION IS TO BE FOUND PRECISELY IN CHRIST AND IN OUR MOTHER, WHO INTERCEDE FOR US.**

At the end of this Message, our Lord Jesus Christ took me to see **OUR MOTHER WHO, ARRAYED AS OUR LADY OF GUADALUPE WITH HER GARMENT SHINING LIKE THE SUN, TOGETHER WITH THE HOLY ARCHANGELS WAS OVERCOMING SATAN AND HIS LEGIONS.**

For the good of the children of God, and confident that evil will not prevail over the faithful People, and praying that we might continue striving to convert, our faith must grow and not diminish.

BECAUSE GOD IS GREAT AND THERE IS NO OTHER god GREATER THAN HIM.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST OCTOBER 6, 2017

My Beloved People:

I BLESS YOU WITH MY LOVE, I BLESS YOU WITH MY PEACE.

My People: what have you done? Where are you?

I DO NOT SEE MY CHILDREN STRIVING TO STAY NEAR TO ME, BUT I SEE THEM WITHIN THE WORLD'S MADNESS, CARESSING SIN WITH PLEASURE.

Beloved children, this is not the instant to continue in what offends Me and is contrary to My Love. Each one of My children is responsible for their actions and how much they add to good or evil for the rest of Humanity.

False interpretations of the Divine Law contained in the Decalogue are leading My children into a fatal encounter with evil. **THE DIVINE LAW IS NOT SUBJECT TO MAN'S CONVENIENCE; IT IS WRITTEN IN ORDER THAT ALL OBEY IT AND BE FULFILLERS OF THE TEN COMMANDMENTS.**

My People have raised up false gods that have destroyed their desire to continue in My Love. At this instant My Love is something that is not considered convenient for the people of this generation, therefore they join the ranks of evil and allow evil to take them and help them to forget modesty, decorum, morality...

The path of My People is convulsed: Humanity strives to protest, but the background of all disorder, all protest, acts of vandalism and anger is summed up in what is the cause of the true origin of man's actions: internal struggle, the disease of envy and greed. The devil has made use of this to cover up his evil and so that man sees his brothers and sisters as enemies.

My People, you are persecuted at this instant, not by the antichrist, but by those who do not love Me and do not want My Peace to radiate in the hearts of My children.

My Temples are destroyed and will be so more frequently, thus instilling fear in My children so that they do not draw near to Me.

My beloved People, the relics that My Church possesses are going to be seized in order to desecrate them; because of this I have already requested that relics be rescued and treasured from this instant onwards; otherwise you will have no trace of them.

Those who prefer to save the body and lose the soul will suffer the horrors of this choice, when, forced by evil, they will have to be the hand that rises up against their own relatives.

YOU HAVE NOT RESPONDED TO THE REQUESTS OF MY MOTHER, WITH WHICH YOU COULD HAVE HELD BACK THE HAND OF EVIL OVER HUMANITY. That evil of which My Mother has warned you will

spread throughout the Earth, scourging man again. The wolf is dressed in sheep's clothing, and it will be when you least expect it that communism will manage to terrorize Humanity with its deadly weapons.

You have disobeyed by allowing evil to infiltrate My Church and My Mother to be minimized at this instant, in order to open the way to the evil one and the latter distorts My Word with his venom and confuses My People.

My Beloved People, the Sun will be the cause of fear, lament and agony for man. Solar emanations will cast down what man has placed in space and through which man feels invincible.

From the firmament you will see coming that which will purify this generation. Be love, accompanying the suffering of others, since all Humanity will be scourged in one way or another.

THERE IS NO PLACE IN WHICH I AM NOT GRAVELY OFFENDED...

My beloved People, I recall you to prayer in serenity, in confidence, in peace and hope, without personal interests.

The misused will of man will lead Humanity to suffer hunger; you will thirst and it will not be assuaged, you will be pierced by plagues that you think you have eradicated and by other unknown ones. It is not an easy path that you have to travel, only keep in mind that **"I AM WHO I AM"** (Ex. 3, 14) **AND I COME TO THE ASSISTANCE OF MY OWN. MY ASSISTANCE IS NOT TO SEPARATE YOU FROM TRIALS, BUT SO THAT YOU MIGHT OVERCOME THE TRIALS WITH FAITHFULNESS AND A HOLY REJOICING.**

The water of the sea will enter coastal areas, into continents. Be prepared, children! I am not speaking to you so that you are afraid, but so that you obey My Word and remain alert.

YOU ARE NOT LIVING IN THE DIVINE LAW ... MAN'S PRIDE IS GREATER AND MAN HAS SURRENDERED TO THE CONSTANT SNARES OF EVIL.

Pray My children, pray for the United States, this nation's purification continues through Nature and man himself. A powerful volcano will roar in this nation and all of Humanity will be threatened.

Pray children, pray for Russia, it is shaken, terrorism looms in this nation.

Pray children for Germany, its people are divided.

Pray children, pray for Nicaragua, its soil shakes.

Pray for My children, pray for Italy, it shakes, terrorism causes these children of Mine to suffer.

My Beloved People:

"DO NOT HARDEN YOUR HEARTS" (Heb 3: 8).

MAINTAIN A CONSTANT PURPOSE OF AMENDMENT.

**MY ANGEL OF PEACE SEES YOU...
MY PEOPLE MUST PREPARE TO RECEIVE HIM BY GOING INTO MY WORD.**

I do not want fanatics, I want children filled with love for neighbor and fulfillers of the Commandments, true children without insincerity, children of Faith.

Pray in season and out of season, pray together with My Mother.

My beloved People, the San Andreas fault lets out its force and from nation to nation, My children will feel fear.

You are not alone; it is you, children, who have abandoned Me and loving sin, have thrown Me out.

I protect you if you repent of the offenses with which you are wounding My Heart...

I protect you if you allow Me...

I protect you so that you save your soul ...

My beloved People, My Love does not fail, it is constantly approaching you in order to draw you towards Me.

MY CHILDREN DO NOT LIVE IN CONFLICT BUT IN MY LOVE.

I call you to renew your Consecration to Our Sacred Hearts. I bless you, you are within My open Side.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

At the instant that I received this new Call from our beloved Lord, He granted me this Vision:

I saw the body of Humanity totally deformed by constant sin. Beside it, He allowed me to see a Body - smaller yet not less strong, but with a defined shape, and on the chest of that Body, I saw a Cross covered by the Holy Rosary, and every mystery joined by a Heart.

I ask our Lord Jesus Christ about this Body, so radiant, and He indicates to me that it is His faithful People, that the Cross is the Glory of His People, Glory reached by appropriating the way of Calvary, and that the Heart is that of His Mother who helps Her children to enter into Divine Love.

And He said to me: *"These are the few souls who follow Me and are faithful to My Word."*

Next our Beloved Jesus told me: *"My beloved daughter, I suffer over the suffering of Humanity, I suffer in seeing it suffering, but the purification must be fulfilled."* I entered the silence into which our Lord entered...

Brothers and sisters, the purification of Humanity is not the fruit of the imagination. There are already various countries that know full well about pain and persecution since long ago.

Let us unite in a single heart and live this instant proclaiming with our acts and works **"... THE NAME, THAT IS ABOVE EVERY NAME"** (Phil. 2,9).

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST OCTOBER 12, 2017

Beloved People:

OUR BLESSING REMAINS WITH YOU AT ALL INSTANTS.

I do not bless some children and not others, I bless all Humanity and everyone decides whether to accept My Blessing or reject it.

My Mother, as Mother of all Humanity, blesses and intercedes for everyone, whether they love Her or not. Only the human will can reject the Blessing of My Mother upon each one of you.

You are aware of this instant, but you do not wish to acknowledge that you are in *"the pains of childbirth"* (Rom 8:22) of this generation that goes against everything that comes from Our House.

MY PEOPLE ARE IN GREAT CONFUSION, BECAUSE OF WHICH I COME AS CHRIST, KING OF THE UNIVERSE, TO CALL YOU TO FULFILL THE COMMANDMENTS, THE SACRAMENTS, TO BE CREATURES WHO GIVE GOODNESS, TO FULFILL THE LAW OF LOVE AND BE TESTIMONIES OF MY WORK AND ACTION.

I love you and I know that some, overcome by confusion and having stayed away from Me, will be prey to evil and will turn away from Me out of fear. That is why you must remain vigilant and not accept what goes against the Law of God. From My Side was born My Church and the Sacraments: do not despise them.

COME AND RECEIVE ME IN THE EUCHARIST, BREAD OF LIFE WHERE I GIVE MYSELF AS FOOD AND DWELLING PLACE.

These are not instants for hesitation: I need My People to be constantly practising My Truth. Evil has taken over so many of My children, who are becoming indifferent to Me, supporting diabolical initiatives instigated against human life and morals. My children cling to what is sinful and worldly when they follow their brothers in shouting "no to life" and giving their consent to immorality.

Evil does not rest, it is carrying out its final preparations for welcoming the antichrist, it has taken hold of My People and My People accept the insinuations of evil, erring and going against the Commands of My Father's House, and with misused freedom they have drawn towards themselves all the misfortunes that you are suffering at this instant and will suffer.

I see My People ... My Angels see My People and weep at seeing such rebellion and more than this, the consequences that you will suffer within each of you as My children.

THE SOUL, CHILDREN, THE SOUL IN SIN DISSOCIATES MEMORY, UNDERSTANDING AND WILL FROM ITSELF, AND THUS THE CREATURE IS MORE UNITED TO EVIL AND BECOMES DISPERSED IN WHAT IS NOT OF ME. Because memory does not accept good, but evil, understanding penetrates the darkness and the will devotes itself to living and feeding off what is sinful. But you do not want to understand this, My children ... How much damage you are doing to yourselves by accepting sin!

My People do not want to acknowledge that they are living in sin, they do not want to recognize sin in its forms and therefore they are constantly incurring it. Thus they accept what is contrary to the Truth and instant by instant they consume high doses of error against Our Divine Will and against the Salvation of man's soul.

This generation is groaning and will groan the unwanted 'woe, woe, woe' of lamentation, of alienation from Our Will and the denial of Our Divinity, which is above all!

This generation is surrendering to the "... *second death*" (Rev 21: 8); it is far from the good and given over to evil.

This generation surrenders to evil very easily and accepts errors of all kinds without thinking, since it makes it impossible for itself to think. You accept errors and follow them, you change the Commandments and you unhesitatingly distort what is found in Sacred Scripture.

GREAT ERRORS ARE BEING OFFERED TO MY PEOPLE AND MY PEOPLE CELEBRATE THEM. YOU THROW AWAY THE EXPLANATION OF MY WORD IN THESE CALLS OF LOVE BECAUSE YOU PREFER TO WELCOME EVERYTHING CONTRARY TO SACRIFICE, TO SELF-GIVING, TO DEVOTION, TO THE NARROW WAY.

O MAN, HOW YOU WILL SUFFER WITHOUT OUR TRINITY UTTERING A WORD!

My People, how much fire will burn upon you, how much the earth will shake so much, to the point that it will seem like hours to you, how much fear at the arrival of an asteroid that will appear without warning, how water will lash you!

MAN WILL SCOURGE HIMSELF AND CONTAMINATE THE EARTH, THEN I WILL INTERVENE AS THE SECOND PERSON OF THE MOST HOLY TRINITY, IN UNION WITH MY MOTHER AND YOUR TRAVELLING COMPANIONS. OTHERWISE, WHAT WOULD BECOME OF MY PEOPLE, OF THE HOLY REMNANT, OF THOSE WHO THROUGH MARTYRDOM - NOT ONLY PHYSICAL BUT SPIRITUAL - WILL CONTINUE BEING FAITHFUL AND FULFILLING OUR WILL?

You have abhorred the Word coming out of Our Mouth...

The abomination has taken hold of Our children...

My Mystical Body is contaminated, poisoned with what is improper, and the word is not true ...

Licentiousness is a matter of the first order...

Shamelessness nauseates Me; a few react and these few manage to be reparation, atonement and love.

I DO NOT REJECT THE REPENTANT SINNER, I FORGIVE THE SINNER WHO HAS REPENTED AND AMENDED THEIR ERRORS.

The devil is cunning, he dresses himself with truth in order to confuse you and bring you into his nets. Once in his nets, My People are sedated with inordinate sin and chained to sin so that they become accustomed to it.

How much My Mother suffers from men's lack of love towards Our August Trinity!

**IN THE HEAVENS THE GLORY OF OUR TRINITY IS SUNG...
AND ON EARTH MAN GIVES HIMSELF OVER TO THE DEVIL...**

Repent, repent, children! It is not too late for a person who wants to save their soul.

Pray children, pray for Chile, it suffers at the shaking of its soil, water enters and causes havoc.

Pray children, pray, the United States continues to be scourged by Nature with great force. Its government will suffer.

Pray children, pray, Italy and Spain are shaken. Italy suffers the fire of its volcanoes.

Pray children, pray for Mexico, its suffering is not finished, the earth shakes and some of its volcanoes become active, causing devastation.

Pray, Central America, make reparation and pray!

The ground that did not shake will be shaken, the earth makes itself felt.

**BELOVED CHILDREN, "COME TO ME, YOU WHO ARE WEARY..." (Mt 11: 28), COME THAT YOU MIGHT FIND
CONSOLATION.**

RECEIVE THE BLESSING OF OUR TRINITY.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Before the Word that is above every word and before the Name above every name we must say: Amen, Amen, Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
OCTOBER 16, 2017**

Beloved Children of My Immaculate Heart:

My Blessing is the essence of My Motherly Love for each one of you...

**I EXHORT YOU TO TOTAL AND DEFINITIVE CONVERSION SO THAT YOU SAVE YOUR SOULS
AND HAVE THE NECESSARY STRENGTH FOR OVERCOMING THE OBSTACLES OF THESE INSTANTS
AND THOSE TO COME.**

Daily examination of conscience is necessary.

It is necessary that each day you renew your Consecration to the Sacred Heart of My Son and to Mine.

Is not every instant a new struggle against evil? The hordes of satan do not rest. Why is it that My children think that consecrating themselves once to Our Sacred Hearts is enough? No children, it is never enough ...

You disobey because of not becoming aware of the need to stay on a single Path. You constantly fluctuate between what is wordly and sinful and the Call for you to walk towards Eternal Glory.

THE PEOPLE OF MY SON ARE NOT A PEOPLE THAT GO DEEPLY INTO WHAT IS REVEALED TO THEM. You have become accustomed to receiving and not going deeper, so you have no idea of the spiritual consequences to which you are surrendering if you continue to be supporters of the shameful states to which you surrender, led by evil. You repeat without thinking, you memorize and do not feel, you accede to sin

together with the others, acting out of inertia, you acquiesce to that to which the majority acquiesces, and you do not think before acting.

MY CHILDREN REMAIN CONFORMIST, LIVING ACCORDING TO THE LAW OF LEAST EFFORT IN EVERY RESPECT. The mediocrity in Humanity is like a gigantic wave that drags you along without you managing to escape. That is why I come to give you My Love and to call you to become aware that you underestimate the spiritual warfare in which this generation finds itself. You justify sin by the devil whom you blame for everything that happens to you. **YOU MUST FIGHT AGAINST THE SIN YOU ACCEPT; TEMPTATION IS TEMPTATION, IT IS WITHIN EVERYONE TO CONQUER IT OR LET THEMSELVES FALL INTO IT. THE CHILDREN OF MY SON KNOW THAT THEY MUST LIVE ON A CONSTANT ALERT.**

Humanity wishes to overcome spiritual attacks without invoking and keeping in mind the Name that is above every Name. You do not preach in the Name of My Son and you vacillate in keeping human respect in order not to lose the acceptance of men.

Man's detachment from what the Eternal Father has established in the Divine Law and the comfortable attitude of man with regard to sin have brought forward the Purification of this generation, in which Humanity participates, as has man himself with his evil action in the face of the Divine Supplications. You live following dates that you receive from some of your brothers about the end of this generation or instead about the total purification of this generation.

YOU EASILY FORGET THAT GOD ALONE KNOWS THE DAY AND THE HOUR.

Foolish children! ... who offend the Divine Will with this hasty conduct in which you are living and which Nature itself will make you stop.

This generation has not kept its dignity as children of God, but live in prisons of sin which you do not want to leave. You do not believe that sin turns against man himself. You have forgotten past times, previous generations that were buried under water or punished with fire for having lived according to vices against human nature.

MY BELOVED ONES, IT IS THIS GENERATION TO WHICH I AM REFERRING, IT IS YOU WHOM I WISH TO AWAKEN SO THAT YOU DO NOT DIE FOREVER.

Beloved children of My Immaculate Heart, I have been warning you so much for years and are seeing it being fulfilled at this instant so that you are witnesses to the Divine Omnipotence, to God's Love for His children.

WITH SORROW I MENTION THAT WHAT YOU ARE READING NOW IS DUE TO THE FACT THAT IT IS EACH ONE OF YOU WHO WILL SUFFER, EXPERIENCE, SEE AND BE PART OF THE GREAT PURIFICATION OF HUMANITY.

From the Father's House will come the Angel of Peace to give encouragement to Humanity immersed in hopelessness because today's man places his hopes in advances of all kinds and not in drawing near spiritually to the Creator.

A machine will not give man Eternal life...
An expensive suit will not give man Eternal Life...
A luxury car will not give man Eternal Life...
A high position will not give man Eternal Life...

You must ask yourselves: what really exists within you?
Do you give conscience the opportunity to stop you before you let yourselves be carried away by human tastes or in order to make yourselves relevant?

Our Angel of Peace will lead the person who so desires to see themselves inwardly and not to live in fantasies. He will explain Divine Truth, even that which has been hidden from Humanity. But how many of you will see the great deception within which you have been living and the one who has led you to turn away from My Son!

BELOVED, MY SON CALLS YOU TO LIVE MORE BY THE SPIRIT THAN THE FLESH, MORE BY THE SPIRIT THAN BY LUXURIES, MORE BY THE SPIRIT, MORE BY THE SPIRIT... AND OUR ANGEL OF PEACE WILL GUIDE YOU TO THIS.

Stay alert to sin and do not succumb to temptation.

Do not throw stones at the sinner, but keep him in a constant catechesis; otherwise, if you judge your brothers and sisters as sinners, throw stones at yourselves before you cast them against your brothers and sisters. Not all those who say, **"LORD, LORD!" SHALL ENTER THE KINGDOM OF HEAVEN"** (Mt 7:21).

Pray, children of My Heart, pray for England, it will suffer through man himself.

Pray, children of My Heart, pray for Ireland, it will be strongly shaken
and water will rise up against it.

Pray, My children, pray for Japan, it shakes so hard that the sea will submerge a great part of it underwater.

Pray My children, pray, the inversion of the Poles is near and man, unprepared to live with a climate different from the one in which he is living, will be taken by surprise.

Beloved children of My Immaculate Heart, New York accepts sin like Las Vegas, it takes it in like water, and where sin reigns, destruction looms.

Be cautious with the false and benevolent aspect of a ruler of a world power, the bear is not what it seems: I already announced this in Fatima.

The dragon will awaken and attack other countries.

My beloved ones, the volcanoes are awakening and bringing Humanity to a state of alertness.

Do not be blind, are these not the Signs of the Times? **WAKE UP, CHILDREN!** Make every effort so that a new man be reborn within you with the Divine Blessing, and so that you could be Apostles of Love.

I CALL YOU TO A NEW DAY OF PRAYER OF THE HOLY ROSARY FOR THE SALVATION OF THE SOULS FOR SUNDAY, NOVEMBER 26. I SAY SO IN ADVANCE SO THAT HUMANITY UNITES IN RECOGNITION OF MY SON, KING OF THE UNIVERSE.

All children, *"renew yourself within with a generous spirit"* (Ps 50,14). Be wise, give your all for My Son and entrust yourselves to The Most Holy Trinity.

I bless you with the Love that reigns in My Heart.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

During the Message our Mother showed me the great disobedience of man towards the Calls and above all towards the observance of the Divine Law.

*And through a Vision She showed me Humanity, like a multitude of people so close to one another, like a single mass. But I saw that out of the people were coming vices of all kinds that were passing from one to another, because they had no way to protect themselves against the vices of others. Only a small number of people were rejecting these vices because with their hands they were taking hold of the edge of the Blessed Mother's Mantle, which was formed by a **ROSARY THAT WENT AROUND HER WHOLE MANTLE.***

Yes, I could clearly see that every human creature that was taking hold of the Mantle of our Mother was not only praying, but, praying the Holy Rosary, they were calling those who were accepting all the vices and offering them a small document. Which one of them unfolded and managed to read:

"IT IS NOT ENOUGH TO PRAY; BE CREATURES OF GOODNESS, ACT IN FAVOR OF YOUR BROTHERS AND SISTERS. WITHOUT WORKS MAN IS LIKE A TREE WITHOUT FRUIT."

When I finished reading this, which amazed me, our Mother looked at me and said:

"TELL YOUR BROTHERS AND SISTERS THAT THIS IS THE INSTANT WHEN YOU HAVE

TO ACT TO CALL THE WAYWARD; IF THEY DO NOT OBEY THE WORD, LET THEM OBEY BEFORE THE TESTIMONY OF EACH ONE OF MY TRUE CHILDREN. THEY WILL SEE THOSE WHO ARE TRUE CHILDREN OF GOD AND THOSE WHO DO NOT LOVE AND ARE NOT TRUE, BUT ARE "WOLVES IN SHEEP'S CLOTHING." (Mt 7,15).

Suddenly a river of very crystalline water came out of a mountain on one side of where Humanity was located, on the right side. The crystalline water was passing beneath where Humanity was, and when it came out on the other side the water was dyed red and muddy. Our Mother said:

"SUCH IS THE MYSTICAL BODY OF MY SON'S CHURCH: IT RECEIVES CRYSTALLINE WATER AND MUDDIES IT WITH HUMAN INTERESTS AND THE BLOOD OF THE INNOCENT, THEREFORE, IT MUST BE PURIFIED."

And the Blessed Mother departed.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST OCTOBER 20, 2017

My Beloved People:

IN MY HEART ALL MEN DWELL AND IN IT I AWAIT THEM.

My People, My Mercy does not turn away any of My children, but on the contrary, it welcomes the one who approaches truly having repented and who takes being My child seriously, and with seriousness and conscience decides to correct their life, work and action.

Humanity is in great confusion and My Church is accepting paths that take them away from Me.

KEEP IN MIND THAT WITHOUT THE CONSENT OF THE HUMAN WILL, SIN WOULD NOT BE CARRIED OUT...

Children, whoever persists in sinning again and again without due repentance and timely amendment, neither deciding to eliminate sin, condemns themselves. Sin exists, it is not something unreal. If sin did not exist, none of My children would be rebuked by Me and called to conversion.

I have mentioned to you that the soul retains its free will exercised by the human will but:
I do not want children who follow Me by force...
I do not want slaves, but free children, yet truly free to love Me.

FOLLOW ME AS FREE CHILDREN, DISAVOW PRIDE AND MAKE YOURSELVES THE SMALLEST OF ALL IN ORDER THAT YOU ARE ABLE TO TRUST IN ME AND NOT IN YOURSELVES.

Man knows the consequences of sin, and these consequences do not change for this generation: **I WILL RATHER BE MORE SEVERE WITH THIS HUMAN RACE THAT DOES NOT SEE SIN AS SIN AND WANTS TO FORCE ME TO FORGIVE WHAT I AM NOT GOING TO FORGIVE IF YOU DO NOT CORRECT YOUR WORK AND ACTION WITHIN WHAT IS SINFUL AND TAKE A DEFINITIVE DECISION TO MAKE AMENDS.**

Every human creature has the assistance of My Holy Spirit to whom it may have recourse so that He assists with the process of amendment and in order to turn away completely from the vices that kill the soul. You strive to live in misery, I see you prostrate on the ground, muddying yourselves repeatedly in sin and with great weakness you relapse again and again without reconsidering what you are doing.

IF YOU DO NOT KNOW ME, YOU WILL NOT MANAGE TO GRASP THE STRATEGIES OF SATAN FOR INVOLVING YOU IN SIN AND KEEPING YOU ON THE PATH OF UNREPENTANCE THAT WILL LEAD YOU TO THE SECOND DEATH. Persistence in sin and unrepentance are the means that evil uses so that you do not wake up, nor look at Me, nor change.

Saying "everything is good" ..., "sin does not offend God because God is Mercy and forgives everything" ..., "man is saved because Christ paid for the sins of man and man does not have to repent"... "purgatory does not exist" ..., "hell does not exist" ... **IS THE MASTER KEY OF SATAN SO THAT YOU REMAIN LIKE HIM,**

FALLEN BECAUSE OF SIN, AND SO THAT YOU ARE CONDEMNED. For some it is hard to imagine that demons are on Earth continually tempting man and providing you with every assistance so that you sin.

THE MAN OF THIS INSTANT MUST SEEK UNION WITH THE DIVINE WILL BY ALL MEANS, SINCE HE HAS LOST THE SENSE OF WHAT DISPLEASES ME AND WHAT OUR WILL HAS COMMANDED YOU TO FULFILL AND TO OBEY IN THE TEN COMMANDMENTS. You have lost love, and from that derive all the consequences of what you are suffering at this instant.

Misused free will impedes the flow of communication with Our Divine Will. Therefore, to make amends and to leave the state of sin, you need to go to Our Holy Spirit and ask Him to pour upon you the grace to act and work correctly, thus being united with Our Trinity, with My Church as Mystical Body, with the Sacraments and My Mother, Mother of Humanity.

My People, you have habits of conduct, food, studies and others. Similarly, the person who sins continually allows that sin to change into a habit, without thinking that this habit can become what turns them definitively into a sinner without repentance.

Sin acquires strength in man until it becomes impossible to act according to the good. You ignore the fact that acting and working within the good and in fulfilling the good will lead you to find greater fluency in approaching Me, it will be more pleasing to you to fulfill the Commandments and approach the Sacraments, Wisdom will make its nest in you, brotherhood will be a necessity, freedom will be felt and enjoyed by the creature and the Powers of the Soul will rise, this way you will enter with joy into being part of My Mystical Body.

I have come to say: "no to sin!" and to point this out so that you are clear on what is sin and what is not sin, and the scope of sin when the human creature does not repent.

Come to know Me! so that you are not told to accept what is sin ...

Come to know Me! so that you say "No!" to what appears to be good, and to what at this instant, under the weight of modernism and libertinism, is presented as something natural and not contrary to Our Will ...

THIS INSTANT OF GREAT CONFUSION FOR MY PEOPLE IS THE INSTANT IN WHICH EACH ONE OF MY CHILDREN HAS THE OBLIGATION OF KNOWING ME DEEPLY IN ORDER NOT TO FALL INTO WHAT IS IMPROPER.

You find yourselves in the Purification because you have been allowed to disobey Me and to accept ideologies that are not Our Will.

All are My children, but not all fulfill the Divine Will. Man soon forgets what it does not suit him to remember and welcomes with great joy that which allows him to live as he wants, even if this means losing Eternal Life.

This instant of purification is an instant of My Mercy in which I remain attentive to a word of repentance, looking at every heart, every conscience, every human creature in order to draw near and draw it towards Me.

HUMANITY IS BEING PURIFIED BY NATURE, ALTHOUGH MY CHILDREN DO NOT SEE THIS PURIFICATION AS A OPPORTUNITY FOR CONVERSION, BUT ON THE CONTRARY SINGLE ME OUT AS RESPONSIBLE FOR THE SUFFERING, THE CALAMITIES, THE TRIBULATIONS OF LIFE, WITHOUT BEING AWARE THAT EVIL WORK AND ACTION ATTRACTS EVIL.

The Sun, the Moon, everything in the firmament and all that man has placed in Space is related to man. At this instant the Sun is acting on the Earth, even in its depths, as never before. It acts on man, not only on the skin, but on work and action, for good or for evil, precisely if this man lives by what is worldly because he is unable to control himself. The Moon acts on man, as it acts on the sea, all Creation influences man. And the man of science has placed satellites and more in Space; the instant is arriving when some will fall upon the Earth, causing catastrophes.

The Sun will come to make technological advances disappear, and Humanity will return to living primitively. The sun will stop giving heat and cold will overtake the Earth.

YOU DO NOT THINK FURTHER THAN YOU CAN SEE AND LIVE IN THIS INSTANT...

My People feel that that they control everything, even the Sun, the Moon and the whole firmament. This is not so, children, it is not so, therefore you must be humble and recognize that you need Divine Assistance, without which you are nothing.

Pray children, pray for Australia, its ground strongly shakes together with Japan.

Pray, children, pray, the tectonic plates are in constant movement and My children will suffer much because of it, and in quick succession.

Pray, children, pray for the United States, Chile, Central America, Italy and Spain.

Pray children, pray, two underwater volcanoes rise above the sea and will shake the nearby islands. My children will experience great pain.

Do not believe that war is not coming, do not think that My Word is in vain, remain vigilant!

Man's sin and the denial of sin have awakened the Creation that does not want man to be lost.

My Angelic Legions stand before you, but you do not perceive them because of not desiring the good and not seeking the good.

WHAT IS GREATER IN THE HUMAN CREATURE THAN OBEYING ITS FATHER WHO IS IN HEAVEN?

I bless you with My Love, I bless you with My Mercy.

COME TO ME, DO NOT TURN AWAY, COME TO ME!

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

It is beloved Jesus who in the name of the Most Holy Trinity evokes the evil that sin causes in the physical body, but above all in man's spiritual organism.

Christ did not come to teach His People to sin, but to mark the Way, the Truth and the Hope by which, united with Him, we transcend what is merely human and limited in order to open ourselves to the infinite Truth.

The devil is not a human invention, and neither are the means he uses to steal souls. Sin is sin and therefore seriously offends Christ and Our Most Holy Mother.

Brothers and sisters, let us pray, yes, let us fast, yes, but above all let us be love and witness to the great Divine Mercy with which he treats us. And that Mercy has called us to continue praying for Mexico, as heaven has already mentioned: it will continue to suffer.

Staying alert gives us an advantage: to be able to remain in a special union with our Mother and with the Most Holy Trinity who enlighten us so that we do not act as the world does.

God is Peace, is Charity, is Forgiveness, is Love, is Faith, is Hope and is Merciful Justice. Humanity must understand this because everyone forges their salvation or their condemnation.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
OCTOBER 24, 2017**

My Beloved People:

**RECEIVE MY WORD COMING FROM THE LOVE THAT IS VIVIFIED
IN MY MOST SACRED HEART FOR ALL OF YOU.**

My People are not foreign to My Word, but accept and take it as their norm and rule of life.

My children anoint My Heart, alleviating the pain caused by the disobedience of those who constantly rebel, turning away from Me.

IN MY FATHER'S HOUSE THERE ARE MANY DWELLINGS (Jn 14,2) WHERE THERE EXISTS A PLACE FOR THOSE WHO NEED TO PURGE THEIR SINS, AND WHEN THEY HAVE COMPLETED THIS, THEY ATTAIN ETERNAL LIFE. DWELLINGS FOR THOSE WHO HAVE OPENED UP THEIR HEARTS TO WHAT OUR DIVINE WILL HAS CALLED THEM AND GIVEN THEM TO KNOW.

My Beloved People, you are constantly introducing innovations concerning the behavior of My children. This must cause you to reconsider, since in Sacred Scripture you find the answer to all what is necessary for Humanity.

Do not forget that in My Word I warned you: false prophets will come saying that they are My chosen ones. (Mt 24,11) Those who limit Me are not My chosen ones.

Pray and fast in order to be instruments obedient to My Will, and thus you reach fusion and abundant union with Our Will and with My Mother.

I warn you out of love for you, I do not want you to adhere to the worldly vices that are burgeoning unrestrained, damaging man inside and disturbing his mind, troubling thought and undermining values, until the human creature is left empty and surrenders to whatever presents itself to it. Evil is cunning, children, very cunning.

You form part of My Mystical Body in which different points of view and differences arise, since not all have the same principles. This is because not everyone knows Me deeply, with conscience and commitment to living as I ask you.

I NEED THE UNITY OF MY MYSTICAL BODY, SINCE ONLY THE UNITY OF MY CHILDREN IS CAPABLE OF ATTAINING THE EXPANSION OF MY LOVE, FAITH, HOPE, CHARITY AND OBEDIENCE TO MY COMMANDMENTS.

For the above to be carried out and expand to the greatest number of souls, that **UNITY** is necessary within which all My children remain active, being useful to one another. Not everyone has the same virtues or the same gifts. Not all are skilled in a single activity, but it is precisely in diversity where **UNITY** finds its joy so that all are useful and be messengers of My Love.

I HAVE CALLED YOU TO BE PART OF MY FAMILY, TO LOVE ONE ANOTHER AS I LOVE YOU. (Jn 13,34)

I HAVE GIVEN YOU TEACHINGS SO THAT YOU PUT THEM INTO PRACTICE.

My Father left you the Earth, the Universe and all that exists in it, visible and invisible; you possessed the Preternatural Gifts so that you would not need anything, only Divinity. That union was broken by man, who, wanting to develop at will whatever he possessed, disobeyed My Father and did not fulfill the purpose for which he was created. From that instant on, My Father at every stage of the human race allowed it that this separation chosen by man be repaired and communion with Our Trinity be re-established. It has not been possible; each generation is more contaminated by evil, it being the case that evil knows the proximity of the fulfillment of the Revelations of My Mother to Humanity and which you ignore.

You have come to Holy Mass to spend an instant in distraction and not out of Love ...

You have come to think that you can call yourselves christians by repeatedly praying a prayer that you neither feel nor meditate upon...

You receive Me in sin, you live hurting yourselves, rebelling, being such scrutinizers of your brothers that you cause Me nausea in the face of such hypocrisy, since those whom you single out do not deserve it ...

Ignorant ones! My People are ignorant in not entering into Me in order to know Me, they are ignorant because they do not draw near to Me and do not know the true meaning of the word Unity.

You do not know that all Creation is united to man and man to Creation. **MY FATHER GAVE HUMANITY THE RAW MATERIAL FOR YOU TO REPRODUCE IT, AND ON THE CONTRARY, YOU HAVE NO QUALMS ABOUT EXTERMINATING IT.**

You walk the Earth being unaware of the union and influence of the whole Creation with respect to you and to Creation itself.

What was created by My Father has continued to revolve within the fulfillment of the function for which it was created. Man, on the contrary, is the one who constantly rebels against My Father.

The elements of Creation, the moon and the sun maintain an influence over man. Therefore, the actions of man and the reactions of man both have a force within Creation. The good that man produces expands throughout Creation, the evil that man provokes expands through Creation, causing a reaction according to what man emanates.

You forget to look up, you walk attached to the earth, you do not see the moon or the stars, you do not see the clouds nor see the Signs of these instants.

There is a great alienation of man from Creation, and Creation fears man who has harmed it. This is a product of the hardness in the heart of man and man's lack of love, which does not cause him to meditate on what surrounds him.

YOU HAVE FORGOTTEN THAT EVERYTHING IN CREATION IS UNITED.

At this instant My People feel that the day has become shorter, but at this very instant it is man who makes the day so short that the day vanishes. You do not give thanks in the light of everything that you have, nor do you thank My Father for the day and night.

The common people look at the moon, they marvel at it without thinking more about it.

Children, the moon holds great influence over the Earth and its stable rotation; if the moon were to move away from the Earth, the poles would be inverted. Does this interest man?

Man advances in technological innovation, sometimes to make good use of it and at others to misuse it, and because of this has not curtailed it before a point which he should not have passed. At the instant you are exposed to greater phenomena that will stop you and bring you to a state unimaginable for man, without technology.

The sun's influence on man is not unknown, nor its direct action on the development of man's life. Children, man is more likely to act and react clumsily during emanations proceeding from greater solar activity.

Most of you, My children, live without acquiring the slightest knowledge of what I have mentioned to you.

The sun increases its activity through which you are more exposed to suffer its effects, not only on health, but concerning technology and what Nature encompasses.

Everything reacts to the evil caused by misused human free will.

Children, you will ask yourselves: "how is it that Christ is telling us about this?"

I reply: so that you wake up and decide to know the environment, not only what immediately surrounds you, but what is happening beyond the Earth and which is linked to Humanity.

My Beloved People, at this instant when confusion reigns, you have the obligation not to belong to those human creatures who are confused. Our Trinity has given you the "means and more" so that you remain alert and use your intelligence to draw near to Me, to discover the Love of My Mother for Her children and to be the abode of Our Holy Spirit.

It is not enough to say that you are My children if you are not truly so....

It is not sufficient to go to My Temples to receive Me in the Eucharist if you are not properly prepared to receive Me. Communions received in a state of mortal sin lead you to the lake of fire if you do not attain the Sacrament of Confession and do not manage to repent before dying. Therefore, you must live every instant as if it were the last and live prepared.

My Beloved People, the Earth in its continuous process of transformation is ahead of Humanity, and in a type of reclamation because of how man has damaged it, it suffers continuous spasms with which you will continue to suffer and be purified.

The Earth is shaking at one point and another and another at this instant, without stopping. The climate is striking various countries, fire makes no truce and it is the case that man's indifference to Our Will leads Creation to feel that man is far from Our Trinitarian Love.

This generation has fallen back into sins that already existed and has constantly innovated sin, reaching gravely offending Our Divinity and My Mother.

Pray children, pray for the United States, it suffers through Nature and it shakes strongly.

Pray children, pray for Argentina, it shakes and darkness in the hearts of some creatures lead to pain for this nation.

Pray children, pray for Spain, blood flows and its soil, shaken, will be scourged.

Pray children, pray for the Middle East, blood is spilt and from the atmosphere a strange phenomenon will be received by man.

Pray children, pray for Russia, stay alert, it is lurking.

Beloved People of Mine, make reparation for the offenses to Our Sacred Hearts. Be humble, but wise, inasmuch as you keep seeing the greatness of Our Divine Love and being grateful.

A new fashion among youth will cause terror, this being the product of evil.

AT THIS INSTANT, SOME OF MY CHILDREN HAVE RAISED UP INSULTS, HERESIES AGAINST OUR DIVINITY, AND IT WILL BE THAT EACH ONE MUST ANSWER FOR THIS, SINCE IT IS A GRAVE OFFENSE.

Do not walk without thinking, without measuring, without looking at the climate...

WHAT SCIENCE HAS CALLED A PRODUCT OF CLIMATE CHANGE, I CALL THE SIGNS OF THIS INSTANT.

BELOVED PEOPLE OF MINE, DO NOT DISREGARD THESE SIGNS, BUT LOOK AT THEM, PREPARE YOURSELVES AND COMMIT TO BEING TRUE CHILDREN OF OUR WILL AND OF OUR MOST HOLY MOTHER.

I love you with Eternal Love.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

We find ourselves facing Christ, so close to us, who wants to awaken in each of those who together form His People that need to search, the need for knowledge, for discovering the potential that is to be found in each one of us.

He tells us that we need to be creatures of good, but in order to get to do good, we also have to know how evil acts and what its tricks are.

That is why He calls us to continue knowing, deepening and expanding our knowledge within what He allows us as His children, since in the infinite Divine Power we are each of us what our will and freedom want to be.

Let us keep in mind that it is not wrong to enter into the knowledge of what Jesus gives us so that, as His children, we understand His Love, and with Faith in the Divine Word go deeply into the Value of His Sacrifice.

Every work and act of Christ goes beyond where the merely human eyes of the body can see or reason can understand. This is why we must actualize the likeness of Christ so that, in the company of Christ and our

Mother, **WE HAVE THE NOTION OF THE OBEDIENCE OF CHRIST, BEYOND THE SACRIFICE OF CHRIST, UNTIL WE MEET WITH DIVINE LOVE AND THERE, IN ECSTASY, THE DIVINE SPIRIT LEADS US TO LIVE MORE BY THE SPIRIT.**

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
OCTOBER 27, 2017**

My Beloved People:

**I KEEP YOU IN MY HEART ...
MY GAZE IS NOT SEPARATED FROM YOU EVEN FOR AN INSTANT.
MY PEOPLE ARE "THE APPLE OF MY EYES" (DT 32,10).**

As a Father, I desire that all My children *"be saved, that they may come to the knowledge of My Truth"* (1 Tim 2,4), being peaceful and bearing My Love in order that they might spread My Love and that this would reach their brothers and sisters.

KEEP YOUR LAMP LIT. As I watch over My People, so My children must watch over the fulfillment of My Will in My Mystical Body. Do not be among the lukewarm, do not be part of those who, in small doses so as to go unnoticed, introduce innovations contrary to Our Divine Will, leading My People astray so that they would meekly surrender to the deceptions of evil. That is why I have called you to recognize Me, I have called you to be a faithful part of My People, for whom I came and for whom I am coming.

It is not only prayer that you must know, but entering into yourselves to discover that everything coexists in you. Do not flee when I mention to you that My Divine Strength is to be found in you and it is up to the will of each person whether you accept it or not.

MY STRENGTH REMAINS PRESENT:

When My children proclaim My Word...

When you pray and decree for good in My Name...

When you request My Assistance...

When you pray and when prayer is made with feeling in the depths of your heart ...

YOU MUST CONVINC YOURSELVES THAT THE WORD OF MY CHILDREN, GUIDED BY MY WILL, EXPANDS WITHIN YOU AND YOUR PHYSICAL SENSES: TOUCH, TASTE, SMELL, HEARING AND SIGHT ARE SUPPLIED WITH MY STRENGTH, WITH MY POWER FOR YOU TO ASCEND SPIRITUALLY.

But for this you need to be constant: constancy is a great gift for My children, it is a rule of life, without which you are unable to ascend, and united to everything a practicing Christian needs to fulfill.

You know full well, children, that evil exists, and where you attract evil the latter makes itself present. Negative energy is attracted to man by the human will. What is similar attracts, and if evil dwells in a human creature, evil lives in that human creature - thoughts, tastes and desires are influenced by evil.

The Good is perceived by you in a human creature who emanates love, charity, forgiveness, hope, faith. A human creature who coexists with evil spreads that evil everywhere and this is when what is negative infiltrates and causes unpleasantness, division, indifference, restlessness, envy, discouragement...

My Beloved People:

**I ASK YOU NOT TO GO OR PARTICIPATE
IN THE HALLOWEEN FESTIVITIES, THE DEVIL'S CELEBRATION.**

Evil has taken possession of a great number of human creatures and it is not necessary for you, that are part of My People, participate of that pagan festivity that lead souls to enjoy what evil represents, since those who dress customs that represent everything demonic, makes it easy for the demons to take possession of you.

MY PEOPLE'S IGNORANCE IS SO GREAT, THAT WHEN THEY DO NOT GIVE GREAT IMPORTANCE TO THIS ACT, WHICH SEEMS INOFFENSIVE, IS IN REALITY OPENING THE DOORS TO EVIL.

How I wish you would counteract the evil's festivity in Halloween.

I do not wish you to dress up with religious attire.

I wish you to pray the Holy Rosary.

I wish you to help your neighbor.

I wish you to feed the hungry.

I wish you to do an act of Mercy.

I wish you to be My Love Itself and to join with My Blessed Mother in the communion of Saints.

MY BELOVED PEOPLE: CONVERT NOW!

The Signs of this instant do not delay. Live tied to the good, reproduce good by giving My Love to those who are deprived of It. Man has distorted the word "love", he has given it a worldly, immoral and totally distorted meaning.

You who make up My People, do you know what I am talking about?

As part of Humanity you need to unite, My children, to live out every action or work in depth so that you do not become contaminated, and for this you need to invite Me to work and act in you.

The Warning is approaching for man - it is My Great act of Mercy for Humanity, it is the opportunity for you to see yourselves and rediscover the True Path to Eternal Salvation.

My beloved ones, you hear that in different parts of the world events of Nature are occurring that did not occur before with the frequency with which they are happening at the instant. This is because of the sin of man with which he lives without stopping.

Thus man himself finds himself without peace, agitated by the speed and madness of daily living and influenced by the great action of the sun and without doubt by the acceptance of satan in the lives of those who surrender to him.

Civil revolts will be more continuous, with no apparent reasons. You will not feel security where you are because man has less and wants more.

Pray, My children, pray, threats between nations will become what Humanity has feared.

Pray, My children, pray for Mexico, it suffers through Nature.

Pray for My children, pray for Russia, it will show itself as it is.

Pray for My children, pray for the United States, its soil shakes in the midst of the shaking caused by those who consider themselves its enemies.

Pray children, pray for Italy, it will suffer greatly, every vestige of My Church will be destroyed.

My Beloved, evil is making haste, it does not wait, it seizes those who approach it. Therefore I continually invite you to be creatures of good and messengers of My Love. This generation will suffer, it will be purified, but at the same time it is blessed by the intercession of My Most Holy Mother.

JUST AS EVIL IS UPON HUMANITY, SO MY ANGELIC LEGIONS ARE WAITING FOR A CALL FROM YOU IN ORDER TO DRAW YOU CLOSER TO THE GOOD PATH. Trust in the protection and constancy of your Travelling Companions, your Protectors, so that you are aware of the angelic prescience in your work and action.

You are living the instants when evil seizes man and causes him to fall into his trap, but at the same time you are living the instants of great Spiritual Assistance. You will see miracles in the lives of those who live in Our Will, in the lives of those who strive to remain on the True Path. You will be witnesses of My Love towards My People.

WAIT, DO NOT DESPAIR, MY ANGEL OF PEACE IS COMING TO HELP MY PEOPLE.

**STAY ATTENTIVE AND ALERT! "THE ONE WHO TRUSTS IN ME WILL NOT
BE PUT TO SHAME" (Rom 10,11).**

For you My Blessing is Strength and Love. I love you.

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

As brothers and sisters in the faith, we are called to be aware of this instant in which we move.

Diverse ideologies are lying in wait for man, and as the People of God we have to instruct ourselves in the Divine Word and in the explanation of this Word so that we might understand the necessity of possessing not only faith, but the knowledge necessary in order not to be deceived.

Our Lord tells us clearly how in our society everything is misinterpreted and everything is adjusted so that we repeat evil in one way or another. New supposed strategies for countering evil are springing up: for example, on Halloween children are dressed as angels and various representations evoking good, but in the end consent is being given to what evil is spreading.

Christ tells us full well: He does not want this! He wants us to pray and to participate in acts of Love for neighbor, acts for the good of our brothers and sisters, and that we always put prayer into practice, but with greater emphasis on this day, October 31.

Christ explains to us the harshness of this instant and what we need to prepare for. Man will suffer, but this instant is also the instant of Blessing for us.

Let us not forget Our Blessed Mother and the Promises for those devoted to Her.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST NOVEMBER 3 2017

My Beloved People:

MY CONSTANT BLESSING UPON YOU FACILITATES YOUR WAY: IT CAUSES YOU TO PERCEIVE THIS LOVE OF MINE THAT CALLS YOU AND COMFORTS YOU, PROTECTS YOU AND WARNS YOU.

My People:

You need to live by the Truth of Our Word, you must live tied to Sacred Scripture and be fulfillers of all that My Father has given as a Norm of life, for His children and so that you are sure that you are not walking down wrong paths.

**IT IS NOT THE BODY THAT SAVES YOU,
IT IS LIVING AS THOSE WHO FULFILL OUR WILL.**

Our Will is Love, constant Love that does not stop, but keeps producing continuous Works of Divine Love in favor of men. Love does not stop, it always produces greater benefits for those who love. It is like Truth: it constantly produces more truths as the creature carries out more actions and works in Our Will. But in order for you to reproduce Our Love and Our Truth, you must know the Sacred Scripture in depth so that they do not confuse you and make you stray from the path.

To reach Our House there is one sole way, you will not find any shortcuts or preferences, and **THIS ONE WAY IS CALLED OBEDIENCE AND FULFILLING THE DIVINE COMMANDMENTS, FULFILLING THE COMMANDMENT OF LOVE AND BEING TRUTH AT ALL INSTANTS.**

Some claim to be Our children living a life that is in no way spiritual, but a life of false religiosity that does not lead them to penetrate Our Word, Our Mystery of Love. They attend the Eucharistic Celebration on Sundays, confess each week and repeat the same faults without any purpose of amendment.

They live a comfortable religious life, which does not affect them at all within their human comforts and satisfactions, which keep them within their satisfactory social circle. These children of Ours do not know about sacrifice, about self-surrender, they do not aspire to greater proximity to Our Most Holy Trinity, they do not strive to ascend and detach themselves from what is worldly, nor from their tastes and pleasures.

Beloved People:

THIS INSTANT IS THE CULMINATION OF THE FULFILLMENT OF THE REVELATIONS THAT MY MOTHER HAS GIVEN TO YOU IN VARIOUS PARTS OF THE WORLD.

**YOU DO NOT HAVE TO WAIT UNTIL TOMORROW TO CHANGE,
YOU NEED TO DO SO "IPSO FACTO".**

You think and cling to the idea that you are a body. You do not want to come to meet Me so that you live in freedom and happiness. You remain absorbed with economics, food, with human pleasures, therefore you are not aware that the body, although it is the Temple of My Holy Spirit, is finite.

YOU MUST PENETRATE WITHIN MY LIGHT IN ORDER FOR YOU TO BE AWARE AND BE ABLE TO STAY OUT OF THE DISTRACTION OF WHAT IS WORLDLY.

My Beloved People:

If you do not truly repent of your sinful acts, of your offenses towards Our House, of the pains caused to My Most Holy Mother and of the instants in which you have wounded your brothers and sisters, causing them great pain...

If you do not repent of the pettiness in which you have lived...

If you do not repent of breaking the Commandments and of not fulfilling the Sacraments, of not being children of the Beatitudes, nor being lovers of Works of Mercy, nor of penetrating Sacred Scripture ... **YOU WILL TRULY WANDER FROM ONE PLACE TO ANOTHER, BUT YOU WILL BE UNABLE TO UNDERSTAND MY WORD OR TO ASCEND SPIRITUALLY**

All those who live without seeing and without perceiving Eternal Life will be those who will continue with their conscience focused on what is worldly, material and on their own "ego".

Everyone cries out in the desert of their own ignorance if they do not know and go into My Word. Whoever does not know Me deeply, without false interpretations, wanders, becomes agitated, limits themselves, misinterprets Me and surrenders to what is not My Will because they are easily deceived.

My Beloved People, return to inner silence, truly repent, forcibly uprooting that which does not allow you to surrender to My Will. You must stay out of the distractions that the enemy and the human will lead you to desire so that you do not walk with conscience.

Bear in mind that I am speaking of these things to you who keep on struggling against the human ego and against the enemy of the soul, and struggling against everything that reaches you from outside and is not of Me. I tell you these things which your brothers and sisters who have not desired to know Me do not understand, and therefore they give false interpretations to what they are unable to understand.

Within My People there are different sorts of creature: I see some children of Mine who come to Me out of curiosity - these do not understand My Word and My Truth, but live at their convenience, yet they are quick to criticize, to take offense and to judge.

Others who approach have limited senses, *"they have eyes but do not see, ears but do not hear"* (Ps 115,6), a mouth but cannot speak of Me. These quickly leave, wrapped up in criticism because they do not want to commit, unable to penetrate the reality of this explanation of My Word.

Others, ignorant of Sacred Scripture, are not capable of making their senses approach My Truth because they live attached to the flesh and the world, to their human ego, they do not allow themselves to know Me and ascend; they are hard-hearted creatures and cause great division.

You, My People, need to look beyond what your eyes see, feel beyond what human feelings feel - you are not living in a house enclosed by thick walls -, living reality and seeing the limitation of those walls.

You are living on Earth so that you aspire to My House, so that you stop being ignorant because you have not obeyed by delving into Sacred Scripture. Therefore, you continue like beggars of love, feeding on crumbs.

My People:

The materialist acts in a reflex action towards everything that satisfies this materialism ...

The egoist thinks only of himself and not of others ...

The insensitive person can look at what is most painful and not react because they do not have a heart of flesh.

YOU HAVE TO BECOME SENSITIVE IF YOU WANT TO BE MORE SPIRITUAL.

Each of you must be an angel on Earth so that you share holiness with your brothers and sisters, since some of those who, while having eyes, do not see Me, are that way because they are like those who pretend that they can see the sun with their bodily eyes closed. Those who do not enter into My Will cannot see Me because they do not act or work in My Way and therefore they constantly criticize, because they cannot understand what is not related to them.

My beloved People, the trials in the order of Nature continue and human foolishness continues to cause great numbers of the innocent to suffer because of demonized minds.

YOU MUST BE CONSCIOUS THAT, IF YOU TURN AWAY FROM ME, IF YOU DISAVOW ME AND ALLY YOURSELVES WITH SATAN'S HORDES, THIS WILL LEAD YOU TO ACT AND WORK IN SINS UNIMAGINABLE FOR MAN.

At this instant there are many creatures possessed by satan, declaring that the Earth is in the power of evil, infiltrating My Mystical Body in order to spread evil, to distort the Divine Commandments and stretch Our Divine Word at worldly man's convenience, thus committing great aberrations and heresies.

"YOU CANNOT SERVE TWO MASTERS" (Mt 6:24), CHILDREN, UNDERSTAND THIS TRUTH: "YOU CANNOT SERVE TWO MASTERS" (Mt 6,24).

You do not see that there exist those who wish to keep you foolishness, in spiritual blindness, in spiritual ignorance, and they have entered My Mystical Body from the top and are now leading My People whom I love, astray, in order to hand them over to perdition, licentiousness, and thus **HAND MY CHILDREN OVER TO EVIL, LIKE A GRAND PRIZE GROWN WITHIN MY MYSTICAL BODY ITSELF. THIS IS THE TIME OF WOES!** (Rev. 8:13) ...

Children, man will not stop and will continue to use the weaponry he has created to destroy much of Humanity. This is man's great madness against man. It is the madness of Humanity that lives without Me. It is the folly of this generation that accepts what it is told without reflecting, since you act as the robots of your machines that absorb you in every respect.

I will not come without the purifications first occurring, which Humanity must face because of so much disobedience, and which man has created for himself.

MY CHURCH IS IN CHAOS, YOU WILL BE UNABLE TO REPAIR THE DIVISION THAT THE EVIL HAS INTRODUCED WITHIN HER UNTIL THE REVELATIONS OF MY MOTHER ARE FULFILLED, THOSE THAT ANNOUNCED GREAT PAIN FOR MY CHILDREN, WERE THEY NOT TO OBEY.

THEREFORE I INVITE YOU TO PRAY AND MAKE REPARATION FOR MY CHURCH: not that Church that you imagine and point to outside of yourselves, but for yourselves who adhere to what is not My Will.

Pray My children, pray for North Korea, it will be scourged and scourge at the same time.

Pray My children, pray for United States, the aberration within that land demands purification. The West Coast suffers and the ground in this nation will be strongly shaken.

Pray My children, pray, dormant volcanoes awaken, causing suffering for Humanity - people will weep at being prevented from returning to their own.

Pray, My children, pray for Denmark, it will be scourged.

The earth quakes from North to South, from East to West. Natural phenomena will not find a scientific explanation; neither will they affirm the supernatural cause that produces them.

My Beloved People:

AS MY PEOPLE I PROTECT YOU, IT IS YOU WHO REJECT MY PROTECTION.

Loving you does not mean allowing you to evade responsibility for mistakes made as Humanity. I forgive and love, I love and forgive, it being man who must approach Me and come to fulfill the indispensable requirements for managing to merit Eternal Life.

DO NOT REJECT MY MOTHER, DO NOT CAUSE HER PAIN...

My Love beats for you. I protect you with My Precious Blood, I bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

IT IS THE INSTANT FOR US TO DEFINE OURSELVES: "WE CAN NOT SERVE TWO MASTERS". (MT 6,24)

It is the instant for us to repent of the pains caused to the Blessed Mother and of the instants when we have hurt our brothers and sisters, and to make reparation before God and before our brothers...

It is the instant for us to repent of the pettiness in which we have lived, failing to fulfill the Commandment of Love for God and neighbor. This is because man has not known how to love himself in order to love others...

It is the instant for us to repent of not being children of the Sacraments, of the Beatitudes nor of being lovers of Works of Mercy...

It is the instant to become aware of the need to penetrate the knowledge of Sacred Scripture and to put into practice what It tells us...

It is the instant for us to expand our minds and know how to say. "Yes, yes, or No, no" (Mt 5:37)...

IT IS THE INSTANT...

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
NOVEMBER 8, 2017**

Beloved children of My Immaculate Heart:

MY MATERNAL HEART BEATS FOR EACH OF MY CHILDREN; INASFAH AS THEY WALK AWAY FROM MY SON, SO MY HEART BEATS MORE STRONGLY, WITH THE AIM THAT THEY HEAR IT.

At these instants Humanity has entered into places from which it does not know how to get out, and so it continues being immersed in evil.

My Revelations do not speak to you only about what will happen to you because of not being obedient, because you rebel against the Divine Will and worship the devil. I reveal the conditions that God the Father indicates for

Humanity to fulfill and thus attain clear discernment, **THE GOAL BEING THAT YOU DO NOT GET LOST AND REPENT OF THE EVIL COMMITTED AND THE GOOD THAT YOU HAVE NOT CARRIED OUT.**

Children, at this instant you must pray for one another, and from this fraternal prayer you need to become intercessors among yourselves. In this way Love will grow in you more quickly, being a wall on behalf of the Mystical Body of My Son. *"Live in prayer and supplication, pray at all times as the Spirit inspires you. Watch together and persevere in your prayers without ever being discouraged. Pray for one another, interceding on behalf of all the saints."* (Eph 6.16)

My children, keeping alive the hope of finding grace in God's eyes and obtaining the forgiveness of sins is what must give you the strength to continue overcoming the pitfalls of the human will when it wants to lead you to act wrongly. **ALTHOUGH IT WILL NOT ONLY BE HOPE THAT WILL LEAD YOU TO OVERCOME WHEN EVIL APPROACHES YOU, BUT PERSEVERANCE IN REACHING THE GOAL OF GOD'S CHILDREN: ETERNAL LIFE.**

In instants of purification, Humanity does not see evil, it does not recognize it because it is related to man, he sees it in one place and another. It is only those who live trying to stay within God's Law who continue with the ardent flame of hope, recognizing that there is no human law, there is no social law, there is nothing more than appearances outside the Law of God.

**THE SUN'S LIGHT SHINES FOR EVERYONE, THE STARS SHINE FOR EVERYONE,
BUT NOT EVERYONE SEES.**

In the instants of Humanity's purification, despair has reached man and led him to a desire for possession that he is unable to satisfy except by indulging himself in abuse.

In this instant of Humanity's purification, some rebel and deny My Son, they deny Divine Justice, they do not want commitment, do not allow sacrifice, they do not look beyond where bodily sight allows them to see, and these children of Mine **NEED TO BECOME HUMBLE IN ORDER TO FIND THEMSELVES AND IN ORDER TO FIND THE LOVE OF LOVES WITHIN THEM.**

Beloved children of My Immaculate Heart, do not speculate about dates: Divine Time is not that of man.

Prepare yourselves for the **GREAT WARNING (1)** ...
Change what you need to change in yourselves ...
Be renewed internally with a generous spirit ...
Soften your heart of stone ...
Learn to smile with those who smile and weep with those who weep...

Do not only look at your own square meter, but look at that of your brother and sister, because it is in Love that you will be measured, by the measure according to which you love your brother.

IN EXPERIENCING THE WARNING, SOME WILL CONVERT, OTHERS WILL GO FURTHER AWAY FROM MY SON, AND THEY WILL REMOVE ME FROM THEIR LIVES.

SOME WILL BE RENEWED AND OTHERS WILL JOIN THE EVIL ONE. WALK AS IF EVERY INSTANT WERE THE FINAL ONE OF YOUR LIVES.

Beloved children, you will see fire coming from Heaven; some will feel joy thinking that it is already the DAY OF THE LORD - others, even the most hard-hearted, the most sinful, will be seized with fear and will run one way and another without finding refuge.

This generation does not heed the Divine Calls: it questions them, dismisses them and denies them, at which My Son does not withhold what can lead them to conversion.

You, children of My Immaculate Heart, prostrate yourselves and worship. You cannot live being lukewarm, you need to convert. I call you with My Motherly Heart to choose life and reject eternal death.

You, children, wander through life constantly wasting opportunities; you live in the past, you do not see the present or long for the future. If you would stop, you would possess conscience that you are living imprisoned by your own free will, prisoners of what could have been, of what you are and what you want to become in the future.

My children have not renewed their thinking in order to give what you call time, the great opportunity for Eternal

Salvation. You request freedom to condemn yourselves by your bad decisions ... since decisions have consequences for those who take them and decide their destiny.

At this instant of Humanity's purification, you are still in the reality where the wheat and the tares coexist. Given the coexistence of wheat and tares, everyone receives both the good of some and the evil that others commit: war is not only for those who provoke it, but all suffer the consequences of it and likewise with everything that happens. That is why I call you to be those who forge good.

Children, act within what is good, with the Love of My Son and this Mother. In My Revelations I have referred you to the product of Humanity's sin; at the same time, I have extended My Hand over you as intercessor and support - I am the Mother of humanity.

Pray children, pray for the Church of My Son so that the existing division does not precipitate events.

Pray My children, pray for Japan, it is shaken again, and again it is a source of contamination for Humanity.

Pray children, pray, war goes from words to deeds, daybreak being the alarm for the world.

Pray My children, pray, plague alarms all Humanity.

YOU WILL SEE WHAT YOU WILL CALL A LIGHT CROSS THE FIRMAMENT, IT WILL ILLUMINATE WITHOUT BEING LIGHT. THEN SAY TO YOURSELVES: "THIS IS THE INSTANT" AND BEND YOUR KNEES.

Beloved children of My Immaculate Heart:

LOOK AT THE CLIMATE, THE VEGETATION, LOOK AT THOSE WHO DENY GOD, LOOK AT THOSE WHO REJECT YOU, AND YOU WILL COME TO UNDERSTAND THAT THESE ARE THE SIGNS OF THIS INSTANT; SO IT IS PRECISELY THAT THE WORD OF MY SON AND MINE IS DENIED.

I treasure you within My Heart; **EVERYONE HAS IN THEIR HANDS THE KEY TO REMAINING WITHIN MY HEART: THIS IS THE WILL.**

I love you and bless you.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Blessed Mother spoke to me and at the same time allowed me to see a group of brothers and sisters. Among them, some were talking peacefully, others were discussing their own interests and others were sharing about their material possessions and personal achievements.

Our Mother said to me: *"Daughter, see the diversity of priorities in this small group of My children. Now imagine all of Humanity: so many human creatures and so few who come to take seriously the infinity of an act in obedience to the Divine Will or the unfathomable depth of a decision to change in order to be more spiritual!"*

The graces, the virtues and the gifts that the soul obtains, the depths that cease being abysses in order to be bridges over which My children are able to pass, guided by My Son, understanding the breadth of Divine Love that does not keep anything for itself. My Son shows His Love, now in one way, then another, now through the Word for those who need the Word, or through science for those who need it, or through reason for those who reason about everything. My Son keeps nothing for Himself: for a soul He gives everything.

Dearly beloved daughter, do you see how far away man is? He is unable to detach himself from anything of his own in order to facilitate the path towards conversion for a single brother.

How far away is he who is governed by self-interest and clings to his attachments!

How close to Humanity is the path towards My Son, when the human creature **WISHES TO GO AHEAD IN OBEDIENCE, IN FAITH, IN PATIENCE, IN HOPE, IN TRUST, IN TOLERANCE, ULTIMATELY, IN LOVE FOR NEIGHBOR IN ORDER TO GIVE DUE ADORATION, LOVING WHAT GOD LOVES: MAN...!**

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST NOVEMBER 15, 2017

My Beloved People:

**THOSE WHO WISH TO AMEND THE COURSE OF THEIR LIVES HAVE TO TAKE THE DECISION NOW!,
BEFORE THEY ARE UNABLE TO ESCAPE CONFUSION.**

My Church has allied itself with false doctrines and you, who do not know Me in depth, accept whatever innovation comes to you... **WHAT A GREAT MISTAKE YOU ARE MAKING!** My Mystical Body is in the darkness that prevents it from seeing My True Light.

**FAITH IS TESTED AGAIN AND AGAIN, MY CHILDREN ARE PASSING THROUGH THE CRUCIBLE
FACING THE PREPARATIONS FOR THE CULMINATION OF THE GREAT TRIAL OF HUMANITY.**

You know that the road to Our House is narrow (Cf. Mt. 7,14), on My Way you are not going to find the conveniences that the world offers you. But if these strictures are overcome, the reward will be greater, **ALTHOUGH FOR THIS YOU HAVE TO REMAIN CONVINCED, CONVERTED, WITH LOVE AND UNSHAKABLE FAITH.**

Within My People you are looking at each other, criticizing, pointing at each other: this is another example of the hypocrisy in which you are living - you are not love, nor copies of My Love, but you are sad figures of an ill-formed human love, without values, that prevents you from staying within Our Will.

You fall easily by looking at the work and action of your peers; you do not see within, you ask yourselves why or for what I allow certain actions without judging yourselves.

You live in a false humility; you think you know everything, you think that your dedication is total, yet you cling to the human will; you put personal whims above goodness and love itself.

You tend to what is carnal and not to what is spiritual, you do not subdue your gaze and you give free rein to the mind, with which you fall again and again.

You are tolerant towards sin in order not to commit to My Love, **YOU TOLERATE WHAT GOES AGAINST THE DECALOGUE IN ORDER TO CONTINUE WITHIN MEDIOCRE SOCIETY AND WITH A LUKEWARM FAITH.**

My beloved People, the alienation from My Commandments is so great that when you need My Help you will find no words, you will feel ashamed for so many offenses that you have committed against Me. You will feel sorry in requesting My Help or that of My Mother; you will know that I am Just and fear My Justice, hence you deny it in this instant and will deny it.

You are empty inside, nothing satisfies you; there are so few who take Me by the Hand without any self-interest. **LITTLE BY LITTLE MY PEOPLE ARE BEING REDUCED UNTIL THOSE FAITHFUL TO ME WILL BE COUNTED ONE BY ONE.**

Some of those who stay within the prayer groups, within movements in My Church, some of those who participate in Evangelization within My Church, are not entirely sincere: they appear in the communities, but in truth they are walking with the tatters of the human will.

For some of My children comforts are not enough: they are not content with anything and long for the past.

**THIS GENERATION IS NOT AWARE OF THE URGENCY OF CHANGE: YOU BELIEVE YOU ARE DOING
ME A FAVOR BY MAKING AN EFFORT, FORGETTING THAT YOUR OWN SALVATION IS IN THE
BALANCE.**

That is why My Angel of Peace will arrive until you suffer horribly faced with the presence of the antichrist. My Angel of Peace will be the balm for those who are Mine, He will be a bearer of healing and will come to touch the heart of My People when the latter feel that I am no longer holding them in the Palm of My Hands. **THEN MY CHURCH WILL BE RENEWED AND THE BURROWS WILL BE OCCUPIED BY ANIMALS AND NOT BY MEN, MY WORD WITHIN HIM BEING TRUE AS A RAY OF LIGHT.**

MY PEOPLE WILL OVERCOME IN MY NAME AND UNDER THE COMMAND OF MY MOST HOLY MOTHER!

They will overcome those who persecute them.

They will overcome those who have denied My Real Presence in the Eucharist: I will multiply My Eucharistic Miracles.

They will overcome those who have profaned My Name.

They will overcome those who have blurred My Truth in order to live with worldly objectives.

My People are the apple of My Eye and those who wish to exterminate them will be confounded.

Beloved People of Mine, My Prophets will be prohibited from sharing My Truth for fear that they proclaim what on occasions is not convenient for the hierarchy of My Church so that you, as a people, would know. There are holy persons dedicated to Me, but they have been consigned to anonymity so that others do not follow their example.

My true instruments "*will shine like the midday sun*" (Dan. 12.3): they preach with Truth, without fear of being pointed at.

The world and the flesh say that the devil does not exist: some of My children who believe they are still committed to My Church also affirm it. Yes, children!, they affirm it so that you act in licentiousness and folly, so that you allow yourselves to act out of control, dominated by the action of evil upon you, and so that you do not repent of it.

The world and the flesh say that the devil does not exist to justify your abuses towards the closest or weakest and so that you do not feel repentance for it. Here pride shows itself, My children, the pride that debases you and hardens your heart.

My beloved People, at this instant the devil is making a nest in some hardened hearts, in those who do not love Me, in those who live in licentiousness, since they are ground that is prepared for evil to spread.

DO NOT NEGLECT LIVING IN MY WILL, BE AWARE OF THE INSTANT IN WHICH YOU ARE LIVING.

The earth itself constantly shakes all over the world, and My children suffer. The Earth will oscillate in Space.

I WISH TO SEE MY CHILDREN PREPARED FOR THE RAVAGES OF EVIL AND THIS WILL SUCCEED IN DOING BY INCREASING THEIR FAITH THROUGH DIVINE LOVE.

Pray My children, pray for Central America, it is shaken.

Pray My children, pray for the United States, San Francisco is purified.

Pray children, pray, a world leader dies. Pray.

All that you see with My Love will emanate My Love towards you. It is necessary for you to remain in My Unity; whoever leaves My Unity is exposed to the clutches of evil.

I call you to reconciliation so that in My Peace you are as I wish: My Faithful and true People.

I bless you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

At this instant our beloved Jesus tells us that the burrows are the hiding-place of those who are keeping His faithful People deceived. Therefore it is difficult to discern without being at peace with God, fulfilling what He commands us, and at peace with our brothers and sisters.

But the instant will come when the burrows will be occupied by animals, and those who at this instant remain hidden, leading the People of God astray, will come to light and will be recognized as the allies of evil.

Brothers, the devil is cunning, and as Jesus tells us: "he deceives the man who thinks he knows everything" in order to distance him from the center of Our Life, to distance man from *the "... King of Kings and Lord of Lords"* (Rev. 19, 16).

As in ancient times, man has built idols, except that at this instant these idols have perfect camouflage for deceiving Humanity. That is why the People of God must be faithful and true.

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY NOVEMBER 21, 2017

Beloved children of My Immaculate Heart:

**MAY THE PEACE AND LOVE OF MY SON BE FOR YOU THE FRESH WATER THAT KEEPS YOU IN
CONTINUOUS SPIRITUAL RENEWAL.**

I come to bring you the Words that are the Will of the Father in order that all take up again the true essence of the Faith.

You are creatures of God and as such, you have the capacity to be reborn in the spirit, to be creatures of good and to leave aside the garments of the old man with which you used to adorn yourselves in order to be admired by your brothers.

You live in the world, but you are not of the world.

You are not living in order to compete on the material level ...

You are not living in order to conceal the Signs of the Times out of fear ...

You are not living in order to question why or for what God allows something ...

You live observing what your brothers and sisters are doing, but you do not notice how many mistakes you possess, you hide them in order to continue in sin ...

You live a partial spirituality, with empty prayers and meaningless songs that do not touch the spirit at all.

**YOU HAVE TO OBEY COMPLETELY UNTIL YOU EFFACE YOURSELVES
SO THAT MY SON MAY LIVE IN EACH ONE OF YOU, AND SO THAT IT IS NOT
THE HUMAN WILL THAT PREVAILS, BUT THE DIVINE.**

You do not take My Words with due seriousness, you consider it false that you are going to be witnesses of the change into which you have plunged and which keeps on growing like the waves of a raging sea. This generation is living through the changes most expected by those who have paused to see what the Signs of this instant are, yet you have become permeated by these changes and see them unimportant.

Satan's subtlety has entered into the Church of My Son in order that this Church seems to continue being My Son's, without being totally obedient to Him.

You, children of My Immaculate Heart, do not have what you ought to as children of My Son as they given you crumbs, not the whole banquet. This so that you are torn away from the faithful People when the People of My Son dwindle. The evil one and his hordes have greater possibilities for deceiving you, to the point of bringing you to live in total indifference and disrespect towards the Father, the Son and the Holy Spirit.

YOU ARE ADVANCING, BUT PASSING VIA THE CULMINATION WHERE CONFUSION CAN LEAVE YOU SPIRITUALLY BLIND, AND ESPECIALLY THOSE WHO DO NOT KNOW THE WORD OF MY SON AND ARE IMMERSSED IN THE PETTY DETAILS OF FALSE RELIGIOSITY.

At this instant My children are prey to those who distort the Word of My Son within His Church: they cause the People to commit abuses, rejecting the Divine Word, from which you must not depart and in which you must live.

Man is attached to what is worldly, what is material, to society, to what is comfortable for him, and he dismisses the Call of My Son for him to take up again a New Life. I have mentioned to you that you are called to holiness, yet you hold back, since you do not trust in the strength that the Holy Spirit pours out on those who keep striving to ascend and to be empty vessels so that the Holy Spirit fills them.

The prayer of each one of you is important, My children, but not repetitive prayer without feeling the word pronounced in each sentence.

PRAYER MUST BE BORN WITHIN THE CREATURE, FLOW FROM THE HEART, BE BROUGHT TO AWARENESS, FROM THERE TO REASON, AND THUS THE HUMAN HEART RAISES IT UP WITH TRUE FEELING, CONSCIOUSNESS, RESPECT AND THANKSGIVING TO THE MOST HOLY TRINITY.

Man must not be sleeping at this instant, he must try to go deeply into the Way of My Son so that nothing disturbs him and no one mislead him.

Most of My Son's People are waiting for the beginning of the signals and signs that tell them that they are already in the Purification, and I as Mother grieve over such denial, seeing what is already happening in the whole Earth.

Children, the attacks by Nature which science itself has not been able to explain as events as occurring that have not happened before and unexpected signs, noises, changes in Nature and within men that do not want to see, as they remain under the influence of the moon and the sun and of Nature itself and the action of the devil, given the lack of God in man. **IF A PERSON DOES NOT KNOW HOW TO LIVE IN THE LOVE OF MY SON, THEY WILL NOT BE ABLE TO OVERCOME THE CONSTANT AND VARIABLE STATES OF MIND IN WHICH THEY ARE LIVING AT THIS INSTANT, GIVEN THAT THEY RECEIVE THE SATANIC INFLUENCE INVOLVED IN EVERYTHING THAT SURROUNDS THEM.**

You expect that evil will come to confront you with weapons or with proposals; this is not how the thief of souls acts - instead he acts surreptitiously, without being seen or felt, so that man does not put himself on guard.

At all times some have denied the word of the prophets in order that the People of My Son do not prepare. At this instant you deny My prophet and attack what she preaches, forgetting that it is not her word but the Divine Word that she preaches. Humanity accepts what it ought not to accept and rejects the Word that comes to take the blindfold from your eyes so that that you discover that you are children of God and ascend and live in communion with My Son.

Beloved children:

DO NOT BE TROUBLED, DO NOT BE FRIGHTENED, GREATER THINGS WILL HAPPEN AND YOU NEED TO MAINTAIN A LIVING FAITH, CALM, AND THE DESIRE TO ENTER INTO AND FINALLY TO BE FUSED WITH THE DIVINE WILL.

Be creatures of good works, do not be envious or let greed invade you, since the devil finds in this a culture in which to grow and harm you as creatures of God.

If you are warned by this explanation of the Divine Will, do not demolish it if you do not believe it, continue in ignorance, but do not throw useless words that are easily debated.

YOU, MY CHILDREN, PENETRATE IN THE TRUTH, LIVE WITH A PURE HEART AND BE RIGHTEOUS IN YOUR HEARTS.

Pray My children, pray, the plague will be described so that Humanity be warned.

Pray My children, pray, the earth shakes strongly, it is the time of woes! ... (Cf. Rev. 8,13)

Pray, My children, betrayal between countries is coming and they will rise up with great ferocity against one another.

Pray children, pray for Portugal, lamentation is heard everywhere.

Pray children, pray for Spain.

Beloved children of My Immaculate Heart, there are many creatures who come to Me.

Sometimes you tell Me that I do not come through for you, but you do not see that your Faith is so cold that you ask without even thinking with Love or making supplication, but giving orders, and My Son loves humility.

The Angel of Peace will come from the Father's House and will speak to you with the true Word and will cause you to remember that God is faithful and true. (Cf. Dt. 7,9)

I bless you.

Mother Mary

, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

We have to cry out to God over so much sin with which Humanity is living, we need to take refuge in God Our Savior. But as children of the Most High, we cannot walk with a lukewarm faith, with a mind that does not believe and that constantly strays from the way of Christ.

Brothers and sisters, as our Mother tells us, we cannot continue with empty hands, let us fill them with good works on behalf of our brothers and sisters. And we will grow as selfless love for neighbor grows in the heart of man.

We know that time is God's and not ours, that the measure is His and not ours, so I do not alarm you with what God's power is, but I do recommend going forward as better creatures of God, so that He does not find us asleep, nor dismissing His Alerts.

This is the instant of the cautious, of the simple, of the one who opens up to Divine Love and finds in Him whatever they need.

We are facing the fall of what technology has placed in Space, earthquakes are felt from North to South and from East to West. The islands shake and the dry land will not be free from shaking. What stands firm is the faith of the People of God, the faith of those who are not content with what they know, but who search for their God and in that search find the grandeur of Divine Love.

Amen.

MESSAGE FROM OUR LORD JESUS CHRIST FEAST OF CHRIST, KING OF THE UNIVERSE NOVEMBER 26, 2017

My Beloved People:

I WALK WITH MY PEOPLE AT EVERY INSTANT, I DO NOT DEPART FROM MY OWN.

I bless you constantly for every action in accordance with Our Will and I grieve so much when you do not heed My Calls.

I have not come to reframe the Commandments, nor Sacred Scripture, nor the Sacraments, I remain in act presently.

OUR TRINITY IS THE ETERNAL PRESENT AND BY DECREE OF OUR TRINITY THE EXPLANATION OF THIS TRINITARIAN WORD IS REVEALED TO YOU IN THESE MESSAGES.

My People, it is urgent to become aware so that you change your path and enter into becoming more spiritual so that you might discern between what is Divine Will, what is the will of men and what is moving My Church towards schism, with the aim of raising up the usurper of My People.

NOT ONLY MUST YOU KNOW WHO I AM, NOT ONLY MUST YOU KNOW ME, BUT YOU HAVE TO RECOGNIZE ME IN ORDER THAT YOU ARE NOT BE DECEIVED. THEREFORE, IT IS NOT ENOUGH TO CALL YOURSELVES CHRISTIANS, NOR TO KNOW AND BELIEVE THAT I REDEEMED YOU FROM SIN, SINCE YOU DO NOT HAVE SALVATION ASSURED. "EACH ONE WILL BE JUDGED ACCORDING TO THEIR WORKS" (Cf. Rev. 20,12).

You hear it being said with some frequency that Heaven is for all, and it certainly is for all: that is Our Will, but not everyone has won Heaven - rather you have to strive and be fulfillers of the Divine Law which you know, in order to come to enjoy Eternal Life.

You hear it said that hell does not exist, that you live hell on Earth. This, children, is an aberration and it is because you are ignorant of Sacred Scripture that you are deceived. **THE PLACE OF FIRE EXISTS WHERE SOULS REMAIN WITHOUT ME, LAMENTING AND SUFFERING, NOT BY DIVINE WILL**, but through the misuse of free will surrendered to evil and therefore to sin.

You do not regularly hear preaching about Purgatory, and Humanity has lost that which for the souls of those who are in Purgatory is a great help and blessing: the praying of the Holy Rosary and the praying of the Holy Trisagium for the intention for the souls that are in Purgatory, waiting for My Most Holy Mother and the Angels in Her charge to bring them to Our Presence.

My beloved People, you must remain constantly vigilant in regards to yourselves, in regards to the human ego so that it does not cause you to stray from the path to Eternal Life.

Observance in regards to personal work and action is decisive, but this cannot be achieved by those who are not humble, so you must gather as the Mystical Body that you are, in order that you help one another and overcome personal impediments.

AT THIS INSTANT MY PEOPLE HAVE LOST CONSCIOUSNESS OF WHAT SIN ENTAILS FOR THE SOUL, BECAUSE YOU ARE NOT BEING PREACHED TO WITH A WORD OF TRUTH, BUT IN LUKEWARMNESS, AND THEREFORE MEN FIND AFFINITY IN SIN.

Humanity hears talk of a mercy without justice, of a mercy that does not see, of a mercy that does not hear, but forgives everything no matter how grave the fault may be, even if the creature does not feel pain and sorrow for the wrong committed.

My People want to see a cross that pleases man, a cross that allows everything, a cross that is complacent towards sin. Children, grow up, scrutinize Me, know Me so that they do not mislead you, so that they do not deceive you. **MY CROSS IS LOVE, MERCY AND JUSTICE.**

"May mercy and truth never depart from you; bind them to your neck, write them on the tablet of your heart. So will you find favor and good repute in the sight of God and of people. Trust in the Lord with all your heart, and do not lean on your own understanding. Acknowledge him in all your ways, and he will make your paths straight." (Prov. 3,3-6)

I AM A KING WITHOUT A KINGDOM, I AM THE MASTER OF LOVE AND I BEG FOR LOVE ...

The way towards perdition is being facilitated for My children, they do not understand that to walk towards Me they must live in Our Divine Will. Man's intelligence, man's knowledge, man's understanding has been altered to walk towards what is easy, towards what does not demand an effort and does not take him away from his zone of comfort.

My beloved People:

IF YOU WANT TO BE TRULY FREE:

Love the freedom that I provide for you in order that you choose to follow Me ...
Love fulfilling My Will ...
Love fulfilling the Commandments ...
Love fulfilling the Sacraments ...

Love following Me ...

Love serving Me, but not in the fickle manner of man, **RATHER IN MY WILL THAT INVOLVES EFFORT, DECISION, DEDICATION, COMMITMENT, TRUTH, SURRENDER, FORGIVENESS, BUT, ABOVE ALL, WORKING AND ACTING IN MY LOVE.**

DO YOU WANT TO BE FREE AND NOT SLAVES? FOLLOW ME, I OFFER YOU TRUE FREEDOM.

My People, do not let them lead you astray and towards perdition where the soul will not see My Light. The devil introduces himself into man's thought precisely in what man most covets, in order to attack him and lead him away from Me.

THE LIFE OF MY CHILDREN AT THIS INSTANT HAS TO BE ACTIVE IN THE SPIRIT; OTHERWISE, IF MY CHILDREN ARE NOT IN PRAXIS, THEY ARE EASY PREY FOR EVIL. Do not forget that the devil keeps up a fight that you do not notice because of the worldly noise in which you live, because of the absence of inner silence: a spiritual fight, and in some cases, it becomes physical when the creature is possessed by the devil.

MY PEOPLE, GIVE ME MY KINGDOM, DO NOT EXCLUDE ME FROM YOUR LIFE. They have forbidden Me in public places, they treat Me like a thief, they hide Me, they take Me out of workplaces, they do not allow My little ones to look at Me, they reduce My Word in order that satan penetrates My whole People.

BUT CHILDREN, THIS KING OF LOVE AND MERCY, OF LOVE AND JUSTICE, LIVES WITHIN EACH ONE OF HIS CHILDREN AND FROM THERE NO ONE CAN REMOVE ME, ONLY YOURSELVES.

KNOW ME IN DEPTH SO THAT YOU UNDERSTAND THAT I AM THE KING OF ALL THAT HAS BEEN CREATED, OF ALL THAT IS VISIBLE AND INVISIBLE, KING OF THE UNIVERSE, KING OF WHAT MAN KNOWS AND WHAT HE STILL DOES NOT KNOW (Cf. Col. 1,16). That is why I reveal events so that you keep your lamp overflowing with oil.

Pray children, pray, the earth continues shaking, you will not find rest.

Pray children, pray; the devil, having infiltrated and possessed the minds of some men, brings pain to Humanity. In one country and another, terror is present and My innocent children suffer. European capitals suffer.

Pray children, pray.

Pray children, the United States suffers.

Pray children, communism gathers strength and My People are oppressed without compassion.

The instants are cruel: what is taking shape is not the man of My remnant Church, but the man of rebellion, the man of contradiction, the man of pride, the man who without definition participates in all the rites of the religions so as to be lost in the sea of confusion: then satan will find the ideal place for his plan in regards to Humanity.

My beloved People:

EXERCISE THE GIFT OF FREE WILL, REMAINING IN GRACE SO THAT YOU FIND THE END FOR WHICH YOU WERE CREATED: TO ENJOY ETERNAL LIFE.

My People, do not judge the attitudes of your brothers, do not point at the one who has erred; on the contrary, praise the one who progresses and is going towards the knowledge of the Truth of My Word.

ALL MEN WALK IN THE MIDST OF SOME EMBERS OF ERROR, BUT THIS IS PRAISEWORTHY FOR THE ONE WHO RECOGNIZES THEIR ERROR, AND WHOEVER CONTINUES IN ERROR WITHOUT RECOGNIZING IT BELONGS TO THE FOOLISH.

Scrutinizing Me, knowing Me is not contrary to My Will, it is the obligation of My Mystical Body to know Me deeply and to enter with confidence into that relationship that I want you to maintain with this King of Kings, but few are the children who truly want it.

IN THIS CELEBRATION, REMEMBER THAT I AM THE KING OF THE UNIVERSE, DO NOT LIMIT ME. I COME TO YOU WITH MY LOVE AND MY JUSTICE, WITH MY FORGIVENESS AND MY TRUTH.

I bless you and I explain to you what you must know in order not to be lost for lack of knowledge.

My Love welcomes the one who knows how to recognize himself as a sinner: the foolish, the stubborn one who recognizes himself as such.

I BLESS EACH ONE OF THOSE WHO TREASURE MY WORD, I BLESS THEIR WALK AND THEIR SQUARE METER SO THAT EACH ONE OF YOU BE A HUMAN CREATURE WHO TAKES THIS BLESSING OF MINE WHEREVER THEY GO.

I love you.

Your Jesus.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

On this great day, I saw and felt the great sadness of our King faced by a foolish Humanity that rejects Him and sends Him down to the cellar where He cannot be seen, forgetting that without grace, the inability to go far is totally certain.

Man is inconstant and limited; in the same way he has limited this Omnipotent and omniscient King.

I saw and felt pain, not rejoicing, in every Word of our King, due to the version or picture of what in most cases is expressed concerning Divine Mercy, contrary to the Truth.

Our King feels - because this is how He expressed it to me - that He is being sold like a cut-price article that is easily offered so that nobody feels rejected, and man is given a Divine Mercy without Justice so that man feels comfortable.

Our King mentioned to me that His Mercy is being offered like a promotional advertisement, and each human creature defines how and what Divine Mercy should be, in order not to lose the comfort in which they are living. It is quite the opposite with Divine Mercy and Divine Justice. My King told me: *"stay alert, because this is the devil's plan"*.

Brothers and sisters, there is no greater fool than the one who does not want to see.

On this day let us ask our King to give us the grace to see with the eyes of the spirit, and may this sight reach our mind, thought and intelligence so that the veils that prevent us from being united with this King would fall and so that we are new creatures, on this date when we must not forget our Mother of Fatima.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
DECEMBER 1, 2017**

Beloved children of My Immaculate Heart:

MY MATERNAL BLESSING REMAINS WITH YOU AS AN INDELIBLE SEAL OF MY MATERNITY FOR THOSE WHO ACCEPT IT AS SUCH.

THE MOST HOLY TRINITY HAS GIVEN ME THE TITLE OF "OUR LADY OF THE LAST TIMES".

All are My children, without distinction, I offer all of you My Love, My Guidance, My Intercession, My Hands to take you towards the sure Path that leads you to Eternal Life.

Beloved children, faced with your insistence on detaching yourselves from My Son, from the Divine Will and from My Motherhood, these Calls are so that you reconsider and so that more souls are not be lost.

This generation has seen to it that from Heaven and by Divine Mercy you will certainly see the events announced to Humanity, the instant of trial that is already unfolding. You are not a generation of little intelligence, but you are a generation that has rebelled against My Son and everything that is Divine, sinking into the oblivion of God and falling into the trap of the antichrist.

IN FRONT OF EVERYONE THERE REMAINS A SET OF SCALES, AND AT THIS INSTANT, THE BALANCE IS LEANING TOWARDS UNBELIEF, CONTEMPT, REBELLION, IMMORALITY, LACK OF RESPECT, OF CHARITY AND OF LOVE TOWARDS NEIGHBOR. On the scales man places his own pride, egocentrism, the wish to stand out and to possess the best, lack of faith, ignorance of the Divine Laws and attraction to what evil offers him.

This generation has received The Great Legacy of Salvation; precisely because of this it has not valued it and misinterpreted it, feeling that it is safe, it clings to evil and at the same time, it has created that which when used will cause the greatest damage that you have ever seen or heard...

In the midst of the fiction in which a large part of this generation has grown up through video games and cinema, you lack a sense of reality and danger. Therefore, you have been entrapped by fiction so that the devil attains his objective facing a generation that thinks that life is a game and that whenever it wants, it has the power to start everything again.

THE LACK OF AWARENESS OF A MAN WHOSE CONSCIENCE IS DISABLED BY MISUSED FREE WILL, IS THE SAD REALITY OF PRESENT-DAY MAN who lives in unreality in the midst of the real world, of the real events that urge man to a definitive change in his work and action. But My children do not obey, therefore evil uses human weakness to deceive you and cause you to think and believe that all is well.

These are instants of confusion for My children; the rudder spins and in the middle of the raging sea of what is worldly, you do not find the courage to take the right decision. Those who consider themselves enemies of the Divine Will, will commit great and greater acts of sacrilege, taking hold of the Temples. The Sacred Vessels will be sold as worthless objects and the Temples transformed into places of worldly spectacles.

MAN'S IDOLATRY FOR MAN GROWS AND MY SON IS INCREASINGLY CONSIGNED TO BEING ALONE. The People of My Son lack Truth, lack information, lack knowledge, therefore the enemies of the faith have perpetrated their diabolical plan little by little, until arriving at this instant in which by permission they take hold of man as a slave who will then be used to serve the imposter.

The instants of wavering have arrived, My children do not distinguish between the Divine Will and what comes from being imposed by men. For this reason, I call you to heed My Calls, I call you to know Sacred Scripture so that you do not accept the forms of modernism that will cause Humanity to hand itself over to perdition. You act passively in the face of what is leading you down the wrong path, you are going like sheep towards the precipice.

YOU WHO CALL YOURSELF FAITHFUL, TESTIFY TO MY SON, BE THOSE WHO ENCOURAGE YOUR BROTHERS AND SISTERS SO THAT THEY STAND FIRM BESIDE MY SON.

You are seeing great changes happening every instant in the whole world: communism itself advances slowly but surely, it oppresses and represses before the eyes of Humanity. My children die of hunger facing the power of communism; they die without being allowed to utter a word and the rest of Humanity ... what is it doing on behalf of its brothers and sisters?

At this instant, those who are spreading the Revelations of Heaven are persecuted in order to dispute what We reveal to them, with the purpose of nullifying the credibility of the explanation of the Divine Word or the Word of this Mother. This instant of confusion is evil's instant, because it leads man towards the opposite of good and man takes pleasure in it. My poor children, you are spiritually blind!

The one who is spiritually blind at this instant shields himself in his blindness in order not to believe, and to refuse to accept the Calls of the Father's House, attached to his false idols.

In the history of Humanity sin has existed, but not to the degree in which it exists now. There have been blasphemers, but not like at this instant. Man has gone away from the Divinity, but not as you are doing. Wrong human work and action has surpassed what man himself could conceive, and at this instant he does not want to know that he cannot return to the past, because of having become accustomed to evil, and therefore you do not want to convert.

Beloved children of My Immaculate Heart:

Pray children, pray for France, it will be prey to terror.

Pray children, pray for Central America: it will be shaken and Colombia will suffer famine because of disobedience to My Son's Calls. The guerrilla do not sign truths, but set conditions. This land will suffer in expiation.

Pray children, pray for the United States, man rises up at anything, it does not want constraints. Pray, the land of freedom will be shaken and the sign of freedom will be attacked by enemy forces.

My Son is Love and because of this he allows man to purify himself. Humanity feels itself growing pale at innumerable losses in all areas, yet even so it does not obey and suffers more. On suffering it gives it names and excuses because of its haughtiness, in order not to accept that it is acting wrongly.

The waters of the sea continue to scourge Humanity. On the sunny day man will be surprised by the water. Plagues arrive and in an instant they destroy man's food, therefore famine and droughts will be the concern of great nations.

This Humanity will see what is undesirable, it will be purified in order to be prepared for the Second Coming of My Son, when Peace will reign everywhere and man will fulfill the Divine Will, and man will no longer be separated from the Most Holy Trinity nor from this Mother, because man will be one with his Father who is in Heaven.

Beloved children of My Immaculate Heart, the Angel of Peace is coming to speak "... to men of good will" (Lk 2: 14b) and to those who have not believed, so that they convert, and they will convert faced by the Word of Truth. My children will give thanks for not having abandoned the correct Teachings of My Son and will give thanks for having remained faithful to God.

Look at Me children, I attend to you so that more souls are not be lost!
Look at Me children, do not continue living in darkness where you do not distinguish what is right, what is pleasing to My Son! Do not satisfy evil, be creatures of good, of Divine Love, and those who possess what the world lacks: Wisdom and Discernment.

Children of My Heart, I bless you with My Love, I bless you with My Maternity, I bless you and love you.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Mother gives me this Call for Humanity and allows me this Vision:

Our Mother appears before millions of people; She is in front of them, protecting people, but from what is She protecting them?

She is protecting them from a monster that I see, a monster with the large head of a snake and with large tentacles, from which small snakes with different colors and shapes emerge. I ask Our Mother: "what are those shapes that the small snakes have?" and She answers me: "greed, disobedience, lust, envy, pride, immorality and other vices. See how they rush towards My children who by their own will move away from My Protection."

And I see those people walking away, I see them being trapped and receiving strength from the snakes that trap them in order that they persecute those faithful to Christ. Those who are on the periphery are taken by the tentacles of evil and immediately multiply themselves into other snakes.

Our Mother tells me: "see, My beloved, how easily My children go with evil, they find themselves living in confusion and see evil as good. How My Heart grieves over it! This is how Humanity is ... "

Our Lady walks away with Her children, shedding tears from her eyes.

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
DECEMBER 8, 2017**

FEAST OF THE IMMACULATE CONCEPTION OF THE BLESSED VIRGIN MARY

Beloved children of My Immaculate Heart:

MY BLESSING ENTAILS NOT ONLY MY LOVE TOWARDS EACH ONE OF YOU, BUT THE ATTRIBUTES THAT I WANT FOR MY CHILDREN.

Everyone must take the attributes that My Blessing entails and increase them so that they then take hold in you and later be transformed into Gifts.

CHILDREN, WITHOUT EFFORT YOU CANNOT MAKE ANY ATTRIBUTE, VIRTUE OR GIFT GROW WITHIN YOU. The one who is not persistent is like a lamp that goes out in a slight wind. You need to strive so that this willpower, decision, desire to obey the Will of the Most Holy Trinity strengthen you when you need it.

On this date, in which My Immaculate Conception is celebrated in a special way, I look at the Earth, and what I see does not give Me satisfaction: the number of My children is diminishing, especially in the big cities. In small places, in small towns is where I see greater devotion and greater love for My Son, since what they offer to My Son and to Me is born in the heart.

In some places they offer Me empty prayers, the Holy Mass is celebrated without true love, Rosaries are offered without meditating, and this is what man has come to and what was already announced, due to the weakening of the sense of responsibility that the human creature possesses as a child of God the Father.

MAN HAS BEEN GIVEN SPACE TO DEVELOP LICENTIOUSNESS AND TO USE HIS FREE WILL BADLY.

Faced with this chaos, Humanity, advancing or retreating like an uncontrolled mass, has come to regress due to the misuse of free will, it has thoroughly regressed morally in living together, in education, in human integrity, in respect, in patience, in effort, and you are constantly living this regression on the personal level and as a society, since you do not observe or preserve human ethics.

MY CHILDREN HAVE COME TO IDEALIZE AN EXCESSIVE DESIRE FOR POSSESSION, ESPECIALLY WITH RESPECT TO WHAT IS MATERIAL AND FINITE.

That is why I call you to become aware of the willpower that you have to maintain in order that the Love of My Son grows in you.

Do you want a good life?

Do you want to find the Truth?

Do you want to prosper?

Hold to the Love coming from the Sacred Heart of My Son, and as Mother I offer you Mine, which will mediate for each of you without distinction as long as you repent when you act and work wrongly and decide to make amends for the wrong done and to direct yourself towards good.

At this instant, My children are directing their lives towards what is improper, they are in a serious crisis about which they have been warned beforehand, but what is the motive that prevents them from reversing this?

YOU ARE NOT LOOKING INSIDE YOURSELVES, YOU ARE SEEKING OUTSIDE YOURSELVES WHAT YOU WILL ONLY FIND WITHIN YOU.

It is because of this is that man is entering into a serious personal crisis from which he does not know how to get out. And it is the case that the human creature does not understand that, if it does not center its life on God, everything else suffers a great disruption, it leaves its axis and spins without stopping.

How often I have called you to know My Son! I have called you to scrutinize My Son so that you both reason and, being aware of this Divine Love, be drawn to God.

MY CHILDREN POSSESS INTELLIGENCE, BUT THIS HAS BEEN DARKENED BY THE DEVIL. Humanity does not want to reason; I have told you that Love is the force of the will, I have told you that Love moves the will. Except that at this instant when Humanity does not know what True Love is, it cannot transform the will, and man falls, dominated by that dominant will that causes him to opt for what is easy and worldly, because, given man's weakness, that will has come to grow: proud and dominant, thus imposing itself upon man.

IN HOMES I SEE A GREAT LACK OF TRUE LOVE AND A GREAT WEAKNESS IN MAINTAINING HARMONY - THIS BECAUSE THE CENTER OF THE HOME IS NOT MY SON, because you do not gather to raise up a petition to Heaven, and I carry on waiting to be invoked in order to help you...

AS MOTHER OF ALL HUMANITY I WANT YOU TO ATTAIN THE KNOWLEDGE OF THE TRUTH AND SAVE YOUR SOUL. HERE I AM BEFORE EACH PERSON WITH MY HANDS STRETCHED OUT TOWARDS YOU IN ORDER TO LEAD YOU TO MY SON.

Beloved children of My Immaculate Heart:

THE INSTANTS MAKE MAN'S THOUGHTS RACE AND CAUSE HIM TO ACT WITHOUT REASON, GOING AHEAD IN ANGER. This defect in man is caused by the lack of union between man and his Creator, due to which his decisions are the response of the madness in which Humanity is submerged, madness caused by evil in order to advance the formal appearance of the great usurper.

You find yourselves in great changes that are encircling Humanity - unexpected changes fabricated by the minds of the powerful of the world and through which suffering comes to the innocent. Struggles increase and borders will be closed because you do not recognize each other as children of God, and the powerful believe that they can take the reins of the decisions of Humanity's future.

Beloved children, you find yourselves in apparent peace, but in an instant you will discover that this apparent tranquility has vanished and facing the mirror of reality you will see how communism, freemasonry and Illuminati have led you into confusion and have used that confusion to dominate you.

They have built a Tower of Babel; weapons have not been constructed by man for him to look at, but to demonstrate his power to his fellow men. At this instant, Creation trembles at human disobedience and human action.

WHERE IS A SINGLE ACT OF PRIDE LEADING YOU? TO THE SORROW OF SORROWS!

I beseech you, My children, to pray for the Middle East, pain becomes established.

Pray, My children, pray for Venezuela, the merciless scourge leads this people to face a greater agony.

Pray, My children, pray for Argentina, at dawn the confusion increases and pain seizes My children, Nature strikes them.

Pray, My children, pray for Europe, great cities will be prey to terror and the earth shakes.

Beloved children of My Immaculate Heart, the opposite of evil is good, unity, love, brotherhood, wisdom, meekness, forgiveness ... In the face of this, My children, evil would not be advancing.

I ASK YOU, CHILDREN, TO HOLD BACK THE INNER ANGER WITH WHICH YOU HAVE BEEN CONTAMINATED AND WHICH YOU HAVE ACCEPTED, IN ORDER THAT YOU SEE WITH THE EYES OF THE LIGHT OF MY SON'S LOVE. In this way you will draw Divine Love towards Humanity, you will be lightning rods that will stop the advance of the evil that has penetrated within man.

Offer up the effort of living in inner peace, of living in Love, of being understanding and putting aside haughtiness and what is worldly. Otherwise you will share in the great mistakes that have entrapped Humanity and through which a great part of It will suffer.

MY SON DOES NOT ABANDON YOU, DO NOT ABANDON HIM, DO NOT LEAVE HIM WITHOUT A CROWN.

MY SON CALLS YOU AND PLEADS FOR YOU, I PLEAD FOR WISDOM FOR YOU AND THAT YOU MAY BE LOVE IN MY SON'S LIKENESS.

I bless you with My Mother's Heart. I bless you, beseeching each one of you to be your brother's intercessor.

Pray My children, pray and be those who accomplish the Divine Will.

I bless you.

Mother Mary

HAIL MARY, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

This Call of our Mother is a Call of urgency facing the threat in which Humanity is living given the power of the weaponry of the powers and other countries that, without being powers, possess armaments to become a threat in any region of the world. It alerts us to the shaking of the earth, which will cause great suffering.

Our Mother pleads, pleads in the Name of Her Son. Our Mother pleads - what sorrow! - **...SHE PLEADS SEEING HUMANITY'S TURMOIL AND THE HASTY DECISIONS OF GREAT NATIONS.**

Our Mother warns us regarding the advance of terrorism at this precise instant when we recall the Birth of Love. For this reason heartbreak and pain come, because the Devil attacks Christ's People. When Humanity is celebrating, evil strikes.

Brothers and sisters, our Mother asks us to be those lightning rods that manage to minimize such chaos. How will we do so? She tells us: **BY BEING LOVE, LIVING LOVE, EXHALING LOVE, UNITED TO THE DIVINE LOVE THROUGH WHICH WE HAVE BEEN REDEEMED.**

Amen.

MESSAGE FROM THE BLESSED VIRGIN MARY FEAST OF OUR LADY OF GUADALUPE DECEMBER 12, 2017

Beloved children of My Immaculate Heart:

MY MATERNAL HEART OVERFLOWS WITH LOVE FOR ALL MY CHILDREN.

At this instant you find yourselves before the commemoration of My Son's Birth. This instant ought to serve to prepare you spiritually, knowing that as My Son's People you have been given a Divine Law: The Commandments.

The Divine Truth is one; it is not subject to interpretations. I received you at the foot of the Cross of Glory and Majesty and I do not want you to enter into the confusion about which I have been warning you. Children, confusion is caused by evil and you must recognize that in this instant in which this generation is living, chaos reigns everywhere, in all aspects of human life, values are disappearing and morals have declined to the point of not respecting one another as Children of God.

The human body, Temple of the Holy Spirit, has grieved the Holy Spirit, man has offended Him by thoughts infested with perversion; evil is at the origin of confusion and at this instant evil is desperately striving for the perdition of souls, and due to the absence of order in Humanity and in its spiritual life, the enemy of the soul has found where to cultivate his evil in full freedom and reproduce evil and anti-values, with the goal of undermining the Mystical Body of My Son so that My children despise what is holy.

Sadness overwhelms Me: you know history and you must apply this knowledge during this instant in which you move and are opposing My Son and what He represents. Evil has introduced itself into the very Church of My Son, and from where guidelines emanate for My children, disrespect arises that has been exploited to deny what cannot be denied.

BELOVED CHILDREN, YOU DO NOT KNOW SACRED SCRIPTURE IN ALL CONSCIENCE, AND THEREFORE YOU HAVE NOT LEARNED TO DISCERN, AND YOU KEEP CLINGING TO THE CURRENT OF THE WORLD, A CURRENT OF CONFUSION AND SHAME.

As Humanity you should be faithful to My Son, grateful, knowledgeable, charitable, reflective, and maintain a relationship that goes beyond attendance at Holy Mass every seven days - **ATTENDANCE AS LIVING THE MASS IS DIFFERENT FROM ATTENDING IT.**

Hence spiritual relationship has declined more than in previous instants of Humanity. You know of the era of Creation dedicated by the Eternal Father to His People, you know the legacy of My Son and profit from It in order to continue on the spiritual path as His People, and at this instant you remain in the instant of the Holy Spirit, where the Heavenly Father arranged it that His children enjoy the good things that previous generations rejected.

YOU ARE THE CHILDREN OF THE FATHER, THE SON AND THE HOLY SPIRIT, AND THEREFORE THE GIFTS AND VIRTUES, JOYS AND THE RELATIONSHIP WITH THE DIVINE SPIRIT ARE CLOSER TO EVERYONE IN ORDER THAT YOU ARE ABLE TO ENTER INTO A DIFFERENT UNION, WITH THE DIVINE THOU RATHER THAN THE HUMAN ONE.

It is not easy to have such a close relationship with the Divine Spirit. This opportunity is being given to you by the Eternal Father for these instants in which man must leave a lukewarm relationship with the Most Holy Trinity in order to enter into a true relationship, where union, truth, closeness and man's continuous living with His Lord prevail.

Beloved, be reflective, do not act "a priori"; reason, examine yourselves, do not be arrogant, do not feed the "ego" so that free will finds necessary restraint and so that you govern the "ego" and the "ego" does not govern man.

Beloved children of My Immaculate Heart, do not neglect work and action, do not continue being judges of your brothers and sisters, being part of the majority that acts by imitation.

Beloved children, at this instant the People of My Son walk like a pilgrim and in silence, they fear as if they were living in a foreign land, they wait in the midst of the uncertainty caused by the lack of a firm faith.

At this instant you find yourselves literally hand in hand with the advertising of consumerism. My Son was born in a manger and not in a golden cradle, this Advent should be different for you and you should not forget the true spiritual meaning of Advent.

YOU ARE PREPARING FOR THE PAROUSIA. AT THE SECOND COMING OF MY SON ALL NATIONS WILL BE SHAKEN; EVERYTHING THAT EXISTS, FROM THE UNIVERSES TO THE MOST INCONCEIVABLE AND MINISCULE OF CREATURES WILL KNOW THAT MY SON IS COMING. PREPARE YOURSELVES BECAUSE NOBODY KNOWS THE DAY AND HOUR.

You celebrate My Apparition as Empress of the Americas and I want children obedient to the Divine Will. I do not want a People that surrender to evil so as to be dominated by the forces of evil that takes you as slaves and degrades you as children of God.

MY LAND OF MEXICO IS AT THIS INSTANT A LAND OF PAIN WHERE CRIMES, OFFENSES, ABORTIONS STAIN THE SOIL TO WHICH I CAME. YOU LOOK AT ME ON THE TILMA, YOU PRAY TO ME ... AND I ASK YOU: WHERE ARE THE HEART OF MAN AND THE THOUGHT OF MAN TO BE FOUND?

Some read about the studies made of My Tilma on which I am reflected, you read what they have found, you know that the constellations are reflected in Me and they have been unable to deny the miracles that I keep up as Revelation.

I see perennial surprise in man's heart at these scientific analyses, and even so you are still to discover what can be seen at a first glance on My Tilma, and scholars of My Image on Earth have not been enlightened by the Holy Spirit because they do not ask for it. **BUT GOD'S TIME IS NOT THAT OF MAN, AND GOD'S LOVE FOR HIS PEOPLE WILL BE MANIFESTED IN ALL ITS SPLENDOR, IN THIS PATRONAGE OF MINE FOR ALL HUMANITY.**

WAIT FOR THE ANGEL OF PEACE, (1) WHOM I AM PROTECTING UNTIL THE INSTANT IN WHICH MY SON SENDS HIM TO THE EARTH. I know that for some people My Revelations are not too much. That is why I have revealed this secret to My Prophet, waiting for a reaction from Humanity.

Pray, My children, do not withdraw your prayer for North Korea.

Pray My children, pray for Australia, it is strongly shaken.

Pray Children, pray for the United States, Russia and Germany, it is urgent.

Pray children, pray for Central America, it will suffer.

MY BELOVEDS, DO NOT FEAR ... AM I NOT HERE WHO AM YOUR MOTHER?

You do not observe God's Magnificence, God's Power that speaks to you through His Creation. And He says to you: "look on high", and how many look on high? ...
How many of you have forgotten that the stars are seen at night? ...
How many of you know that you are alive? ...

My children, My Son's People, giving oneself to life in spirit and truth is not a matter for those who suddenly surrender, but for those who are true.

Do not only wait for calamities; prepare yourselves to enjoy Heaven in advance.

I am the Mother of all Humanity, and as the Woman Clothed with the Sun, I am the Mother of all Humanity, which I protect and love with Love coming from the Most Holy Trinity.

Pray as families in order to dispel the darkness of evil.

I bless you, I love you.

Mother Mary.

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Our Mother speaks to us from the heart, let us see Her with us at all instants.

Amen.

**MESSAGE FROM OUR LORD JESUS CHRIST
TO HIS BELOVED DAUGHTER LUZ DE MARIA
DECEMBER 17, 2017**

My Beloved People:

I BLESS MY CHILDREN, EVERYONE, THOSE WHOM I LOVE, SINCE ALL PEOPLE ARE MY CHILDREN.

On the way towards the awakening of consciousness, My People's instant is turning into an arduous work, an arduous struggle against the worldliness that penetrates Humanity disguised as what is good and acceptable, really being that which kills the good, **CAUSING MAN TO FALL INTO BASE INSTINCTS AND SPIRITUAL IGNORANCE, PUTTING MAN'S PRIORITY, WHICH MUST BE SAVING THE SOUL, IN THE LAST PLACE.**

My People remain inert, and as the instant passes, so inertia is bringing man to the edge of the spiritual abyss.

The man who offers nothing to Me, who does not sacrifice,
who wants to remain the center of attraction,
who offends his brothers and sisters,
who is indifferent to human pain,

who despises who is fraternal: the slanderer, the fool, the one who does not bow before the Law of My Father in the Commandments,
who despises the Sacraments,
who rejoices in the pain of others,
who does not hear the Calls of My Father's House,
who offends My Mother,
THAT CHILD OF MINE BECOMES DISTANT FROM ME AND IS IN DANGER OF BEING LOST IF HE DOES NOT REPENT IN TIME.

My People, the king of pride infiltrates man with pride so that this germinates. My children are enlightened by My Holy Spirit and must not rejoice in pride, but in humility, otherwise they will act with pride without noticing it.

You are instructed as a people. In each Revelation you have been instructed to stay alert to what is improper and sinful, and so that you do not fall into the mud of the current of the world, which moves further away from Me and joins the ranks of the devil as a sign of rebellion towards Our Divine Will. Evil offers you licentiousness, debauchery, lies, it facilitates what you want so that you feel comfortable, it causes you to feel that all is well and that you are acting and working within the good. It saturates you with distrust towards Me.

You are a People instructed to continue putting Revelation into practice, being true. **TO THIS I CALL YOU, TO THE PRACTICE OF THIS REVELATION SO THAT YOU TAKE STRENGTH IN FAITH, BEING CONSCIOUS, CONVINCED, KNOWERS OF MY WORD, PRACTISING A STRONG UNION WITH ME, CONVERTED, DISCERNING, HUMBLE - AND ABOVE ALL, BE LOVE, AS I AM LOVE.**

You were born of My Love. I sacrificed Myself out of Love for you; My Holy Spirit accompanies you, instructs and guides you in discernment, My Mother intercedes for all. But you still have not found what opens the way for you... **THIS IS LOVE.**

THE MAIN INGREDIENT IN THE HUMAN CREATURE, THAT WHICH SHOULD NOT BE LACKING, BECAUSE IF THE SEASONING OF OUR LOVE IS LACKING, THE HUMAN CREATURE THAT IS EMPTY INSIDE IS A CONSTANT THREAT FOR MY CHILDREN.

My beloved People, it is because of this ingredient that used to exist in some creatures and has withered due to the hardening of the human heart, that a large part of Humanity has fallen into chaos, rebellion, incoherence, communism and its errors, envy, the lack of charity and the harmful largesse of the human ego. My beloved People, within the Plan of Salvation I have called you to be faithful participants.

ASSISTING YOUR BROTHERS AND SISTERS IS ESSENTIAL SO THAT THEY WOULD NOT BE LOST BECAUSE OF THE LACK OF FAITH IN MY WORD. THE INSTANT WILL COME WHEN YOU FEEL OR THINK THAT YOU ARE ALONE, BUT IT IS NOT THE CASE, I WILL NEVER ABANDON YOU.

My Mother loves you with Eternal Love.

My beloved People:

Pray, children, pray, war goes from being a threat to being a reality.

Pray children, pray, the storm in My Church will continue.

Pray children, pray for England, it will be shaken and terrorism will invade them.

Pray children, pray for Italy, suffering is near, it will be shaken and Nature will scourge it. Rome will weep without ceasing.

Pray children, pray for Indonesia, it will suffer due to its volcanoes.

Beloved children, Colombia will suffer for the errors committed against My Mother, this People's foolishness will be defeated.

My beloved People:

IT IS ESSENTIAL TO BECOME PERSONALLY AWARE SO THAT YOU ARE MIRRORS OF MY WORK AND ACTION.

Evil prepares its strategy against those who are Mine - do not separate yourselves from what belongs to you: Eternal Salvation.

Do not be like the pharisees (Cf. Mt. 23,3.), be Mine *"in spirit and truth"* (Jn 4:23). Grow, do not stop, continue growing patiently, working and acting in My Will. Do not be prey to those who criticize you, be patient, be Love for those who are far from Me.

I suffer for those who are indifferent to My Calls or do not take Me seriously: they will regret having rejected My Word. They will regret not having been students of My Word: I have given them the "means and more" regarding My Angel of Peace, yet My People continue being indifferent, making predictions that do not help you. You jump from one place to another and become more confused; you do not listen to My Voice, you want to know more and end up knowing nothing of what I have announced to you. I am patient and just at the same time.

My Angel of Peace sees you, He earnestly seeks harmony, sincerity, faith, trust, peace within you and in your homes.

UNDERSTAND THAT YOU ARE MY END-TIME APOSTLES, AND AS SUCH, YOU MUST LIVE AS I HAVE TAUGHT YOU; THUS MY ANGEL OF PEACE WILL NOT FEEL THAT YOU ARE INDIFFERENT.

Beloved People of Mine, look on high, important phenomena will occur in the vault of heaven, unknown by the majority. **DO NOT FORGET THAT YOU ARE PREPARING TO COMMEMORATE MY BIRTH AND YOU MUST DO SO WITH THE PEACE AND LOVE THAT THE REST OF THE WORLD DOES NOT OFFER ME.**

I call you as your Lord and Savior to maintain inner peace and love so that you are magnets that draw My Love towards you.

**I STAY WITH YOU SO THAT YOU ARE NOT LOST, AND YOU MUST STAY FAITHFUL TO OUR TRINITY;
DO NOT BE ASHAMED OF BEING MY CHILDREN
OR CHILDREN OF MY MOST HOLY MOTHER.**

MY LOVE WALKS THE EARTH IN SEARCH OF SOULS IN WHICH TO DEPOSIT MY LOVE.

WITH MY BLESSING I NOURISH YOU SO THAT YOU TURN AWAY FROM EVIL.

I love you, you are My People, the Apple of My Eye (Cf. Dt. 32,10).

Your Jesus

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

Let us not stop, let us continue doing good.

As our Beloved asks us, this instant is decisive and we need to choose the good so that our Lord and our Mother accompany us and continue to guide us.

We know that we are all children of God, but evil places stumbling-blocks on this journey and wisdom is not found in our falling and being unable to get up, wisdom is in continuing to be faithful to Christ and our Mother, without ceasing.

The good attracts the good, let us be creatures of good and let us be willing to live in harmony even in the midst of those who do not possess that love of which Christ speaks to us in this Call.

Brothers and sisters, let us not lose heart, as the final triumph, after the crucible, is Christ's, and then we will live in the "New Earth and New Heaven" (Rev. 21.1).

Amen.

**MESSAGE FROM THE BLESSED VIRGIN MARY
TO HER BELOVED DAUGHTER LUZ DE MARIA
DECEMBER 22, 2017**

Beloved children of My Immaculate Heart:

**I KEEP YOU IN MY HEART...
AND THUS UNITED, LET US GIVE THANKS TO GOD FOR THE COMMEMORATION
OF THE BIRTH OF MY SON.**

In My Son I see you and as Mother of Humanity, My Heart overflows with joy for you.

BELOVED CHILDREN, MY SON BEGS YOU FOR UNITY, RECONCILIATION AND UNDERSTANDING. Households lack this at this instant in which each member of the family chooses what best suits their personal interests and not to the interests of those around them.

My Son says to you: "...*Who is my mother and who are my brothers?*" (Mt 12:48).

Do not only approach those with whom you feel comfortable or pretend to approach them just for this date or love only those you want by your side. **KEEP IN MIND THAT MY SON CAME TO UNITE AND THIS DATE IS FOR THAT AND SO THAT THERE IS A TRUE FRATERNAL RECONCILIATION LASTING FOR THE REST OF YOUR LIVES.**

DO NOT FORGET THAT MY SON WAS BORN IN A STABLE IN WHICH THERE WAS NO LUXURY except for the warmth of the straw in which We placed Him. My Son rejoiced at the sincere love of the humble who came to worship Him. Knowledge, understanding towards one's brothers and sisters, wisdom in treating one's brother and devotion to the neighbor for love of God are more accessible for the humble in spirit.

Beloved children, the stable where My Son was born tells you that you should not live by vain appearances or "status" nor desire economic importance or human honors. In the midst of conceit and selfishness, man does not come to this humble manger, since in order to go there you need to leave behind on the way that which prevents you from recognizing the greatest treasure that this manger holds, the greatest grandeur: **DIVINE LOVE.**

SAINT JOSEPH AND I TOOK OUR SON AND IN THE MIDST OF THE HEAVENLY CHOIRS WE PLACED HIM IN THE MANGER (cf. Lk 2,7). Do you know what the manger represents? The inner cloister in which man becomes small in order that My Son shows His Power, His Glory, His Majesty and His Omnipotence. The manger is where man recognizes his smallness and the need to be one with My Son and with his brothers and sisters.

DIVINE LOVE RECEIVES WARMTH FROM THE STRAW: do you know what the straw of the stable sheltering My Son prefigures? Each piece of straw represents each one of you, My children, those who continue in the midst of fatigue, temptations, calumnies, storms, those who walk in the footsteps of My Son. These are the Apostles of the Last Times.

LIGHT WAS NOT LACKING WITHIN THE STABLE, INTENSE RAYS OF LIGHT CAME DOWN FROM THE HEART OF THE ETERNAL FATHER, AND IN UNION WITH HIM THE HEAVENLY CHOIRS APPROACHED THE HUMBLE WHO WERE TENDING THEIR FLOCKS. How many of My children do not see the Light that is in front of them for lack of humility!

THEREFORE YOU HAVE BEEN ENTRUSTED WITH THIS LIGHT SO THAT AT THIS INSTANT YOU KEEP THE EARTH ILLUMINED THROUGH GOOD ACTIONS AND WORKS IN THE DIVINE WILL.

YOU ARE FEW, YES, BUT MY CHILDREN MAKE THAT GOD THE FATHER LOOKS TO THE EARTH AND THE LATTER IS NOT IN TOTAL DARKNESS.

In the midst of total adoration come the Kings who, following a star (*cf. Mt 2: 9-11*), have found the King who has been born and bow down before Him and worship Him, offering Him Gold, Incense and Myrrh (*cf. Mt 2:11*), acknowledging the Savior of Humanity.

Beloved children of My Immaculate Heart, such an exalted Birth speaks at the same time of sacrifice for the salvation of man.

**THIS CHILD IN THE MANGER SACRIFICES HIMSELF TO THE FATHER OUT OF LOVE FOR MAN.
HE SACRIFICES HIMSELF ON THE CROSS OF CALVARY FOR EACH ONE OF YOU
WHETHER YOU LOVE HIM OR DO NOT LOVE HIM, YES, MY SON LOVES YOU AND SACRIFICED
HIMSELF FOR ALL (*cf. Gal 2:19*).**

Children, My Son wants to remain in you, wants truth in each one of you, wants His Divine Love to reign in you so that you are repeaters of His Love, His Action, His Truth.

As Mother, I call you to unity at this instant in which Humanity is running over with what is improper, seriously offending My Son, replacing the Commandments and Sacraments so as not to feel remorse.

Creation vomits out the errors of this generation, the biggest mistake being the lack of Love for God, the lack of Love in man. From this all errors are born and for this reason you have gone astray because of the constant disinformation with which they are confusing you.

The earth shakes at human disobedience, and in this shaking man suffers and will suffer more calamities. You have not understood that in disobeying the Will of God man punishes himself and God allows this punishment given human negativity.

My children, the moon will take on a different color from normal for a few instants, the vault of heaven as well. You keep in mind prayer with the heart and above all, constant work and action in the Divine Will.

Pray My children, pray for the innocent who suffer at the hands of ruthless men, pray that the Angels of God help these innocent creatures.

Pray My children, pray, violence takes hold of Humanity, disturbances lead to conflicts and these to uprisings.

Argentina, you will suffer for your errors!
Colombia, you have been blind to My Requests!
Chile, you rebel against My Son!
You will again be shaken by the earth and Nature.

Pray My children, pray for the United States and France, they will be prey to terrorism and Nature.

Beloved children of My Immaculate Heart, volcanoes are becoming active even in the sea.

Do not let yourselves be separated from My Son, cry out to the Holy Spirit, do not forget your Guardian Angels, your travelling Companions.

WAIT FOR OUR ANGEL OF PEACE (1), WAIT FOR HIM WITH LOVE, DO NOT CAUSE HIM PAIN BY REFUSING TO LIVE IN PEACE AND IN TRUTH.

**I AM IN FRONT OF YOU IN ORDER TO GUIDE YOU TO
"THE WAY, THE TRUTH AND THE LIFE" (*Jn 14,6*).**

I love you with Eternal Love.

Mother Mary

HAIL MARY MOST PURE, CONCEIVED WITHOUT SIN

COMMENTARY BY THE INSTRUMENT

Brothers and Sisters:

In union with the shepherds, let us adore Our Savior in eternal adoration. And together with them let us say from the heart **LORD I BELIEVE IN YOU, BUT INCREASE MY FAITH** (*Cf. Mk 9,23b*).

Amen.

**OUR MOST HOLY MOTHER SHARES WITH US THROUGH LUZ DE MARIA A NEW REVELATION IN WHICH SHE ENABLES US TO UNDERSTAND THE GREAT MYSTERY OF THE NATIVITY OF OUR LORD JESUS CHRIST
DECEMBER 24, 2017**

My most beloved daughter, that My Son was born in such humble conditions was not a coincidence, but arranged thus by the Eternal Father so that from the first instant Humanity would understand that in order to enter the spiritual life and accept the Teachings of My Son you need to untie everything that keeps you bound to false personal beliefs, to the "ego" that remains strong in man, to human foolishness, and humbly look at yourselves and recognize what is and how it is, what must be left and what you must take up to in order to be united to My Son.

I ask you that every day be like this one, on which the man of God recognizes that Love must prevail in life, and remember that without love we are nothing (*cf. 1 Cor. 13*).

We did not travel alone, but in the company of the protectors that God the Father sent to accompany us along the way, and before entering the stable, the Angels were already there, joyful, waiting for our entrance. **THE STABLE, THAT HUMBLE PLACE, WAS THE GREAT PALACE WHERE THE SON OF GOD WAS TO BE BORN.**

The Angels of God the Father became visible to our eyes and Joseph, astonished at such greatness, understood that, more than a palace, we were in the most beautiful place that could exist on Earth. We made haste to clean the place and the Angels of God helped My husband Joseph, and the place, with impeccable cleanliness, was arranged for the birth of My Son, which had been announced to Me beforehand. The Angels perfumed such a great palace with heavenly aromas. I had been told of the birth and, absorbed in My Womb, where Divine Love would come to Humanity, I penetrated into such unfathomable Mystery.

The chill of the night made My husband Joseph light the fire in haste and I asked him to rest, and Joseph, entering into a dream that was an ecstasy, saw what was happening with the Divine birth.

I was taken up above Creation and was filled with the greatest of wonders that filled My Heart, My Mind, My Thought, My Reason, My Soul and My Spirit to welcome "Sacred Mysteries" that had not been revealed to Me before. I was taken up in deep Divine Ecstasy until I saw the Face of God and was filled with Divine Science, Prudence, Divine Hope, Divine Love and Understanding ...

Prostrate before the Eternal Father, I received His great blessing and the Most High Majesty took my Hands and I received all the instruction for the upbringing of the One who would become the Savior of Humanity. My Face radiated the Divine Light that the Father reflected in Me; aware of what was happening, in full use of My Senses, I saw myself transformed before such an Unfathomable Presence.

Instants later I felt My Child moving forcefully in My womb, already prepared to be born, and enthralled by the Divine Spirit, I saw that God made Man was being released from that cloister, without any pain. The Love of My entrails was united with the Divine Spirit and in total self-giving, not offering any resistance to the Divine Will, with absolute willingness and being like crystal to the light, the "Only Begotten of the Father" was born, by the

Work and Grace of the Holy Spirit (cf. Mt. 1,18c), preserving My Virginal State; everything was a Miracle of Love.

I saw Saint Michael and Saint Raphael, and they were worshiping My Child, transfigured, more beautiful and brighter than the sun. His Skin, totally cleansed, radiated such Purity that the Light of His Divine Body came out of the place. My Child was delivered by the hands of Saint Michael and Saint Gabriel, and at that instant a Divine Colloquium happened between the two: **MY SON AND I WERE FUSED, HE AS TRUE LOVE, AND I AS HIS MOTHER SAID TO HIM: MY BELOVED FOR ME AND I FOR MY BELOVED ...** (cf. Song of Solomon 2,16).

WE ENTERED INTO AN INTIMATE COLLOQUIUM, AND WITH ALL MY MATERNAL TENDERNESS, SEEING THOSE BLESSED EYES, I LOVED HIM IN THE DIVINE WILL FROM THE MANGER TO THE CROSS.

Coming out of that state, I called Joseph and looking at the Child, he shed tears that flowed down his cheeks; the one he had been waiting for so much was there, I handed Him over into his arms and in total reverence he loved Him with eternal love.

THE HUMBLE CAME TO WORSHIP MY SON BECAUSE THE KINGDOM IS THAT OF THE HUMBLE.

Mother Mary

MESSAGE FROM OUR LORD JESUS CHRIST DECEMBER 30, 2017

My Beloved People:

"I AM WHO I AM" (Ex. 3,14)

I MAKE EXPLICIT MY WORD LEFT IN SACRED SCRIPTURE SO THAT THIS GENERATION BECOMES AWARE OF THE PATH ON WHICH IT IS TRAVELLING AND BE DISPOSED FOR CONVERSION.

My Love does not stop calling you, touching the hearts of those who are Mine so that they turn away from evil and overcome the human ego that subdues them through improper attachments which cause you to continue in bad actions and works.

I grieve at seeing how individualistic you are, with such marked differences even within the same family.

I grieve when, using power in society, in education, in religion, in government, you commit injustices against the weakest, the humblest.

My People:

I SEE WITH SADNESS HOW MAN HAS DISTORTED HIS HUMANITY. He has come to commit errors without measure and sometimes with premeditation. Man, who must serve Our Trinity, is serving evil at this instant, and bad actions are spreading within all social classes, without distinction.

MORALITY HAS BEEN SUPERSEDED BY FORMS OF MODERNISM: society is indulgent with fashions, accepting serious errors as new moral norms. A great number of My children drag these errors behind them and judge their brothers and sisters by them, allowing selfishness and envy to run through their veins and feeling powerful, they sit in judgment and falsely plot even against what is of Me.

My People, do not forget that when you have turned away from Me and have refused to recognize Me as God and have felt superior to Me and have limited Me, you have become confused and have acted against one other in great confusion. You have drawn pain to yourselves, making the whole Creation rebel against man, who is working and acting contrary to the Divine Will.

My People, I have been leading you through this "Lectio Divina" in order to explain to you what you have refused to accept: My Word. **I REVEAL MYSELF TO MY PEOPLE DESPITE CONTINUAL DISOBEDIENCE TO MY WORD, IN ORDER TO MOTIVATE YOU TO CONVERSION. MY MOTHER IS CONSTANTLY CALLING YOU BECAUSE SHE DOES NOT WANT MORE SOULS TO BE LOST.**
